Confirmation Of Nuclear Device At Trade Center

4/16/93 #1 CERES 'ATONN

I have had about as much negative blasting from my statement that a "nuclear" device was utilized at the Trade Center and was part and parcel of an "intelligence" operation in full cahoots with Israel Mossad as any one subject so far offered.

I am not going to "defend" my information nor make much of any statements regarding such comments "in advance" of actual public flow for I have no intention of placing my scribe in any further disagreeable and insulting confrontations. I simply tell you that what I bring you is valid and usually, within a matter of days, the confirmation will flow and someone will find it and share. So, as with these things, sooner than later came the proof positive and again turns up in one of the more respected, by me, papers of your "time", *The Spotlight*, and this time via an interview with *Radio Free America*, with host Tom Valentine.

I will say up front that the scientist in

point of the interview is valid and outstanding in his reputation. He is Galen Winsor and is a veteran nuclear scientist.

I will "directly" quote from the article and then perhaps to save space will integrate the "questions" within the "answers" as we move along. I honor these writers, speakers and truth-bringers and I honor *The Spotlight* for always daring such information bringing. Why am I not ever on those programs? Because ridicule causes great damage to a "cause" and we need no attention—WE NEED THE INFORMATION, not quarrels over validity of some "flying object" (humanoid or craft). Your Elite enemy will use every means available to distract you and we shall simply have to await the time of recognition in sequence of perfection to make presence. I bring this up now as introduction for there is much new information coming forth on underground bases, supposed aliens, replicas and robotic replacements. I want to share that with you also and we need not clutter it with discussions about my validity of presence. Thank you.

MINI NUKE TERROR STARTING?

Was the recent bombing of the World Trade Center actually a small-scale nuclear blast? Who had the capability of setting off this kind of explosion? These provocative questions were raised on the March 23 broadcast of The Spotlight's nightly call-in talk forum, Radio Free America, with host Tom Valentine. [C: I recommend that all who possibly can—keep up with this program. It is unfortunate that in the location wherein lives my scribe the radio reception is so bad that the program cannot be received. However it seems that almost nationwide the program can be received in most locations. The on-air program itself has allowed for the very contact to the public that we know has saved as least two lives, one being Maynard Campbell who was on the

When A Team Member Is Missing

4/16/93 #1 CERES 'ATONN

We sit to write on this late day, Friday, with so much against our human hands as to boggle the mind. This is for you readers who will receive this paper.

Finally the legal charades have caught us—other than with Dharma who must do so much of the writing. Our Chief Editor, Dr. Young, is caused to have to be in Federal Court on charges of Contempt for running notification of where you readers should get THE PLEIADES CONNECTION volumes as long as they would be available.

Please, everyone understand that the *LIBERATOR*, and now the *CONTACT*, carries NO ADVERTISING AS SUCH. Any presentation of books, ours or anyones, is because of their noteworthiness and no payment is accepted. I did not attend the arrangements that were set up between Tehachapi Distributing and the *LIBERATOR*. I do KNOW, however, that it was through mutual arrangements BECAUSE OF CONTENT—not to further sales of any product.

The reason for the confrontation, of course, is that "I" continued to tell you these are the most important books on your planet—THEY ARE and IF I COULD HAVE THEM TAKEN FOR THE INFORMATION OF YOU WHO COULD FIND—"BEG, BORROW OR STEAL" THEM, I BELIEVE WAS THE TERM I USED—NOT LITERALLY THAT YOU SHOULD "STEAL" THEM—BUT THAT IN TERMINOLOGY OF YOUR LANGUAGE IN EXPRESSION OF "IMPORTANCE", I HAVE CONTINUED TO REFER TO THEM.

The problem, of course, is that "I" am not "recognized" in the court as an entity—and therefore the "blame" and "contempt" comes back against my secretary.

MINDEN COURT SESSION

At any rate, much research now must be done by Dr. Young to refresh his mind EXACTLY as to what was said in the paper in preparation for appearance on Monday. Our attorneys are asking for continuance but in these types of court ridicule cases you cannot depend of the "word" of any attorney. We just experienced a massive session of ridicule and directed nonsense from the Nevada press as ones efforted to have some type of "hearing" in the Minden, Nevada courtroom.

The press interviewed one Luke Perry, whose "step-mother" has interests in the Institute. He was working in conjunction

with Dave Horton (Atty.) and George Green. There were remarkable allegations, such as, Doris Ekker is a Pleiadian who flies galactically to and from, etc. Also, the article said that this was a massive "scam" operation and "worse yet", Doris and E.J. Ekker are officers and in control of over 200 Nevada corporations. The next point was pressure to "change the Nevada laws to shut down this type of abuse". We shall ask Mr. Green to handle this but Mr. Christie will respond to the newspaper. In structuring corporations in Nevada there have to be Resident Agents if the applicant is outside the borders of Nevada. This further means that to establish a corporation you have to have representatives to temporarily serve with the paperwork. This is true of EVERY RESIDENT AGENT, in or out of the state. Ekkers have been willing to serve as those signatories—they "control" nothing—most especially the working order or business of ANY corporation in point—they do not even KNOW WHO owns the corporation in almost ALL instances.

I will just republish the following article (after the hearing) so that you can realize what insulting and painful public attention is called upon my workers. The courtroom show was a circus of nonsense and never even got to the point in controversy.

As you read this, in a situation where there is no group, no joint "businesses", no commune, no claims, no "services"—nothing except a paper and some books which any may or may not read according to ANY published material—this is what slaps my scribe in the face—this after a blast from Television in Reno where it was even more ridiculous, if possible. Then, when efforting to get copy of the tape in point—they have to release nothing, be responsible for nothing—unless subpoenaed by a court. Freedom? You had best start looking more diligently about you, readers.

QUOTING:

Associated Press

MINDEN, Nev.: A judge refused Wednesday to issue a "stop-talking" order in a dispute involving a corporation whose officers claim to communicate with aliens from outer space.

District Judge Dave Gamble said the attorney for E.J. and Doris Ekker of the Phoenix Institute for Research and Education, based in Tehachapi, Calif. failed to prove they were being harmed by remarks made by former business partners.

Tom Vallas, lawyer for the Ekkers, wanted an injunction against George and Desiree Green of Carson City, involved in a civil dispute with the Ekkers over ownership of \$350,000 in gold coins. The coins were turned over to the court by the Greens

pending resolution of the dispute.

Vallas asked a witness whether she had ever seen any extra-terrestrials at the institution.

Nora Voyles, an Institute director who has put XXXX into a **Nevada-based corporation (controlled by the Ekkers) said she had never seen "Commander Hatonn" or any other alien.**

Doris Ekker, who goes by the name of "Dharma" has claimed to be a translator for Hatonn, an extra-terrestrial who sometimes orbits the earth and warns his people about intergalactic strife and the covert agendas of international politicians.

Voyles said Green told her "things were coming down in Tehachapi and it was not going to be pretty." She also said contributions had been coming in but have stopped since accounts of the flap between the Greens and the Ekkers became public.

The secretary of state's office has confirmed that more than 200 Nevada corporations have been formed by the Ekkers on behalf of other people. But the Ekkers are listed as top corporate officers.

Ironically, Vallas is a member of the influential Reno-based law firm of Vargas & Bartlett, whose partners include Senate Majority Leader Bill Raggio, R-Reno.

END QUOTE

Now in order of errors: The confrontation is between the "Institute" and the Greens. Ekkers have other fish to fry and they were not even present at this hearing.

There seemed to be no mention of the fact that the "gold" in point was secreted away and there is proof from the gold owner to such.

Nora's name is not Voyles and all of you will recognize her more than adequate "mental stability" as the author of research in "Nora's Research Corner" in the paper.

The placement of money into "a Nevada-based corporation" is probably true if Nora stated as much—not being a Kol Nidre unvow-taker—but Ekkers do not in ANY MANNER WHATSOEVER CONTROL HER CORPORATION OR THE BUSINESS THEREOF. THEY SHOW AS ON ANY OTHER AS FORMATION OFFICERS OF SAID CORPORATION STRUCTURE (NOT BUSINESS PARTICIPANTS)!

They also failed to mention that when asked if she had ever "seen", etc., and if she knew *anyone else who talks to God?* She promptly said "Yes, Mrs. Green." She was interrupted so quickly that she couldn't add—"and Mr. Green also claims to receive directly from this same Commander," etc., etc. Doesn't this seem just a "bit" lopsided?

The next is not so bad as orbiting, etc., to me but the first article **gave HER (Dharma) ability to flit around the galax-**

ies and commune with aliens. Frankly, readers, I don't give her "time" to flit around anywhere.

I have been in agreement to publish these things so that "equal time" could be shared. I will make no further comment at this time.

They are trying to link us somehow with such as the Waco incidents and can't find anything upon which to make ANY TYPE of connection without outright lies. So, I do have this much to offer you on the Waco incident. I make no comment on these people, their operation as to God, etc. **But, you had better pay very, very close attention to what Koresh presents as information and documentation (receivings) on the SEVEN SEALS which are claimed to be in preparation by him in conjunction with his surrender—if you can get them exactly as he presents them. Even the Dead Sea Scrolls are not accepted "hoax", so be CAREFUL. However, you might find some truth in that which will come out of the Branch Davidians.**

DR. YOUNG

Back to this paper—we are putting together this edition without input or help from Dr. Young so that he can attend these other more pressing matters. We may not have the same level of "perfection" or variety—but we WILL have sufficient to bring you a timely and information-filled issue. We have to ask you readers to bear with us as we walk on the crushed glass roadway completely filled with boulders and obstacles. Our remaining staff, in silence (for Dr. Young would simply stay up around the clock without rest to serve if he knew) believes we can have enough for a paper—set to lay-out and ready for the presses by Sunday Evening (freeing Monday for all to attend the US&P hearing in Fresno) and still make the press on Tuesday (our only day with printing possibility). WE CAN DO IT for Dharma Wokini is willing to type around the clock if she can have this new-found co-help in these miserable court shredders. We already recognize and thank you for your prayers and support for our work—of which, by the way, each of you is a major part whether or not it is in your realization.

NEW VOLUMES

I think you will note Dr. Young's control over the contents of the paper in that he has not even urged participation with the several volumes we have finished and have ready for distribution. Karen is working on information announcements and we will offer them herein. Our thrust is to get out INFORMATION—and not to "sell things". We even have a problem offering as much

as we do on things such as Gaiandriana which MUST be offered. It is, thus far, a paper which takes no advertising as such so that there is no tampering, for support reasons, of the information offered.

More Gaiandriana Information

4/16/93 #1 CERES 'ATONN

We will be, very shortly, offering more "in-depth" information regarding Gaiandriana as we have had it available long enough to get the next bombardment of response and inquiries from you readers. We find that many are taking too much, others not enough—others simply do not follow directions. In all instances, we must remember, that there are two types of, say, "cancer" cells and causatives—artificial (or "constructed") and "natural". The "natural" bothers are things such as caffeine in coffee, etc. The "constructed" and worse are the additives of "constructed caffeine-like substance", say, in the cola beverages. Gaiandriana allows immediate attack of your immune system against the "naturals" (especially if not overwhelmed by great intake) but it is all but impossible for a "natural" substance to break-up and dissolve the causative agent when "man-made" through genetic/DNA manipulation of the invader—**IF THE RECIPIENT CONTINUES TO ABUSE BY CONTINUED INTAKE OF THE DAMAGING AGENTS, I.E., OVERUSE OF ALCOHOLIC BEVERAGES (SURPRISING AS IT MAY SEEM, EVEN THOUGH ALCOHOL IS DAMAGING IN ITS OWN RIGHT) IT IS THE "ADDITIVES" WHICH CAUSE THE MUTATION OF CELLS, TOBACCO ADDITIVES, ETC.** Further, please note—that if you use Mogu (Mugu) tea—do NOT overdo it. If you drink it like you would a juice or a drink of water—you defeat the work of the Gaiandriana as it will move directly to take up residency and fuel supply from the ingested tea which is often it's very living foundation. Why work on "aliens" if you keep abundantly supplied in your favorite life-fuel? Also, MANY THINGS cannot well be adapted in conjunction and either negate the other or simply are not compatible.

We find, especially ones with HIV are so eager to get better that they are swamping their bodies with everything and while they are "feeling" better are not showing sufficient increase in the immune cells. The researchers are going to take the whole of this week to work on variations to increase the Gaiandriana per unit, reducing the solution's "fuel" supply to cause better

intervention of the cells as they move into the body. You must understand that as this passes through the stomach—30 to 50% of the cells are killed. To help avoid such massive loss—a bit of apple juice is suggested but most ones forget to use it. Also you must remember that many "patients" continue to take medications which are chemically damaging to the cellular structure as it efforts to move within its own DNA structured cells.

I can equate this somewhat to a sperm efforting to get past all the birth control devices to fertilize an ovum. I told you not to EXPECT miracles—YOU ARE THE MIRACLE and it requires your own cooperation. If you continue to abuse and insult the body you are working not only for the disease invaders—but the disease enhancing additives in your intake. Ones who have been pronounced "terminal" are showing massive return of good health but also show willingness to balance their intakes of "body debilitating" substances. We will ask our Doctor to draw up a listing of harmful substances. If you can't give up your "addictions" then begin to "taper off" and as you feel better the nagging addiction CAN come under control. It will mean you will have to invest in greater intake amounts (of the correct items), not just at random "overtake" anything. Also, if you are showing no, or poor, results—change your intake methods to hit very hard with under the tongue amounts four to five times a day—leaving the liquid under the tongue for at least 3 minutes. If you are working with a child or animal of whom you can't require this—use many times a day under the tongue and it will take up into the bloodstream.

If we can ever get rid of some of this daily confirmation of news, "watchit news" and other writings—we shall take up this subject in detail, hopefully in form for understanding of the lay readers. I have written volumes on the technology of this and ways to enhance through frequency adaptation, etc., but "life" leaves us no avenues of "time" to share or do actual experimentation and research. Now, we shall be losing our Research and Education Institute—for as we get this assault balanced out we shall restructure facilities—but at present we are threatened by Green's operatives to force the Institute into Receivership and on into Involuntary Bankruptcy. The legal documents stating as much were issued the evening prior to this past [Minden, Nevada] hearing above discussed.

This will tie up all funds in or out and there is nothing we will be able to legally do about it. We are going to effort to impress Mr. Green with the fact that retribution shall be required but we cannot see if he will hear—OR, if indeed, his actions have not already pressed beyond the ability to return.

LUKE PERRY

Mr. Green pulled into his cooperation and thrust team one Luke Perry, as mentioned above—and who, by the way, comes from Nevada and set up the public newspaper interviews, etc.

Why would we speak of this person and not recognize the damage from others? Because this one has pressed this into the Securities and Exchange Commission and to the FBI, etc. Now, readers, the FBI has investigated and found nothing amiss. Let us consider what Mr. Perry said in his first article (which we did not reproduce for it is not handy here at the desk) that Nevada must press “Bill such and such to STOP these Nevada open corporations.” This means that through all investigations and harassment, corporate owners—THE VEIL OF NEVADA PROTECTION OF YOUR PRIVACY HELD—ALL THEY COULD DO WAS INSULT THE RESIDENT AGENT’S SIGNERS ON THE CORPORATE SET-UP RECORDS! THIS IS GOOD NEWS TO YOU WHO WONDER IF YOU HAVE ANY PROTECTION LEFT IN THE WORLD. YOU DO—IF—YOU USE IT PROPERLY; STOP SAYING “I HAVE A CORPORATION”, ETC. IF YOU TELL YOUR OWN PRIVACY GUARDS, THEN IT IS YOUR OWN PROBLEM. A NEVADA CORPORATION (NO MATTER WHERE THE ORIGINATOR MIGHT BE) IS AN ENTITY UNTO ITSELF AND IT IS A RESIDENT OF NEVADA—NOT YOU OR YOURS—UNLESS YOU MAKE IT SO.

It becomes much like Gaiandriana—IF YOU DON’T USE A THING PROPERLY—THEN DON’T BLAME THE “THING” FOR IT NOT WORKING. FURTHER—IF A THING CAN WORK FOR “ONE”, IT CAN WORK FOR ALL—INCLUDING YOU!

Now, who in the world is Luke Perry, you might ask. Well, Mr. Perry is a member of a “family” of offspring of one, Mr. Perry (father) who married now, Mrs. Perry. These ones lived, and still Mrs. Perry lives in Wisconsin, I believe, and Luke lives in Las Vegas and “runs” what he wants to have ALL THE ESTATE MONEY FROM HIS FATHER—EVEN TO TRYING TO GET MRS. PERRY (step-mother) declared incompetent. This would not be too sad except that during the last over five years of Senior Perry’s life, he had a stroke and was totally invalidated, incontinent and a constant caretaking problem of massive size. He was not senile or incompetent at first, however, and knew exactly what he was doing when he arranged for his wife to have control of the estate after his demise. She had no help and nothing but problems from the ingrates and greedy offspring. The father, Perry, was a minister and ended up with some estate—not massive but sufficient to help Mrs. Perry through her remaining life expression. These little ras-

icals are doing everything to strip her of ALL ASSETS—including that which she placed into the Institute for protection FROM the little buggers. Worse, she had been using a “lawyer” in total bought and paid for cahoots with the offspring. She has now changed lawyers and strengthened her position but the assault against this poor lady is ceaseless. This is the main ring-leader to destroy the Institute—BUT WHAT THE IDIOT DOES NOT SEEM TO UNDERSTAND IS THAT “IF” HE PUSHES IT INTO RECEIVERSHIP, BANKRUPTCY AND REGULATION VIOLATIONS (WHICH GEORGE SET UP IN THE FIRST PLACE) HE IS THE ONE WHO WILL LOSE EVERY DAMNED CENT! PERHAPS IT COULDN’T HAPPEN TO A NICER GUY??? So be it.

OTHER NEWS AND CONFIRMATIONS

We have been disallowed to use further information from the *Las Vegas Sun*

paper in the series begun last week. However, that is being worked out—and frankly, I find it very LACKING in full content or other fundamental offerings of great impact new and unusual. It was a good line of “confirmation” and certainly a potential “safety” guard for the writers who, I fear, are not knowledgeable of the extent of the danger involved. “Naive” might be the better expression. YOU have far more information if you are a Contact reader than any of the writers and investigative journalists in point. I would hope that they release rights for sharing because they walk very gravely on dangerous ground indeed—and they are in the hotbed of criminal circles in their location and I can only urge them to pay attention. At any rate, if we can work it out—we will offer more of the ongoing series as we have space to do so and if we feel it worthy in content so that we do not have to usurp space from some other breaking information.

Nuclear Device At World Trade Center

(Continued from page 1)

air with Tom Valentine the entire time he and his lady were under Federal SWAT team siege.]

Valentine’s guest was veteran nuclear scientist, Galen Winsor, who has been involved in hands-on research in the nuclear industry and related fields for some 42 years.

Questions by Valentine and his callers are in boldface. Winsor’s answers are in regular type.

* * *

By all accounts, the blast at the World Trade Center was extensive. We’ve been told there were 1,200 pounds of dynamite in the bomb that allegedly did this damage. What do you, Galen Winsor, think that bomb was?

I’m sure it was just exactly what John McPhee predicted 20 years ago in his book, *The Curve of Binding Energy*, where he quoted Theodore B. Taylor, a theoretical physicist out of Los Alamos who said that someday someone was **going to blow up the World Trade Center with a small nuclear device, the size of a stick of gum.**

McPhee’s book was published in 1975, although the prediction first ap-

peared in the *New Yorker* magazine in 1973. Taylor worked in the field of the micronization of nuclear weapons—in other words making nuclear weapons small enough so the Israelis could carry them around in a briefcase.

[C: Does this mean our information about explosives, poundages, dynamite, etc., are invalid? Goodness NO—there had to be covering substance—please, they don’t yet have the power to publicly blow away things like the Trade Center with nuclear devices and not possibly get caught prior to time to bring the ultimate terror upon you. It is so much more effective as terrorism to let you get the “secret” information in “leaded” form—afterwards. Think of the impact as ones realize that these things can happen anywhere, anytime and you have no control over them, as people.]

Why do you mention the Israelis? Are they the first to produce briefcase-sized nuclear weapons?

No, but the Israelis were optimistic enough that they latched on to the technology. Actually, you see the smallest nuclear weapons are known as “Israeli briefcase bombs”.

Taylor said a sliver of uranium-

235 the size of chewing gum could blow up the World Trade Center?

That's right. Twenty years ago Taylor not only picked the target but he picked the means.

How would that work?

There's enough force there. CNN said it was 1,200 pounds of dynamite used in the blast. That much dynamite would fill a big truck, not a little van of the type they said was used to carry the bomb.

It would be rather difficult to sneak 1,200 pounds of TNT into a secured building like the World Trade Center.

That's right. Why would you do all of that when you could slip it into the World Trade Center in a briefcase? The only thing that saved 50,000 people from dying that day was the fact that they put the bomb in the wrong place. They intended to topple one tower of the World Trade Center into the other tower and take out more than 50,000 people. **[C: Now readers—we told you that right off the bat the day it happened—anyone remember? We will still protect the source of that information but it was top-level and from one inside the operations who KNEW! That had EVERYTHING to do with the CIA! Remember, as well, that we also told you the plans would be to “nuke” New York. By the way—they aren't through yet!]**

What did Taylor, quoted by McPhee, have to say about a bombing at the trade building?

He said a low-yield bomb, exploded inside one of the World Trade Center towers, could bring it down.

This was a theoretical physicist writing back in the early 1970s?

That's right.

Most people have the image of a nuclear bomb being very big and so powerful that it could knock out a whole city—like Nagasaki or Hiroshima. People have visions of mushroom clouds and radiation everywhere.

Remember the bombs over Nagasaki and Hiroshima were set off 1,800 feet in the air for maximum effect. However, if you set one off underground, its like the puffs of smoke you see over the ground where they set off 125 nuclear devices in Nevada.

The nuclear device that may have been set off in the Trade Center wouldn't be anywhere near as powerful as the ones set off in Nevada, would it?

Absolutely not. In my hand I'm holding a model for a miniature nuclear device of about 2 3/4 inches. We had backpackable nuclear devices in 1960. These devices have even been a line-item in the congressional budget every year since, although this information hasn't been widely known. However, the information in McPhee's book was published by the *New York Times* and *The New Yorker* magazine.

Now if there had been a nuclear device exploded in the World Trade Center, wouldn't experts have been able to detect all kinds of nuclear radiation at the blast site?

There are highly portable radiation detectors using ultraviolet light that they can take to the World Trade Center, and find the nuclear fission products left there. If you run a precise test you can even tell whether it was a plutonium weapon or a U-235 weapon. I can assure you that the National Bureau of Standards has already been there and that they've already got the spectrum. They can tell you this, but they are given to lying.

You're suggesting then that they haven't released their findings because everybody would be immediately afraid that they were going to get cancer from all that radiation?

Thirty percent of the nuclear radiation that was created during the blast at Port Chicago in Pittsburg, California on July 17, 1944 **[C: ANYONE EVEN REMEMBER THE INCIDENT?]** is still resident on the site. It is still measurable. That's why the Navy gave people (myself included) so much trouble when they wanted to go in there and measure it.

The weapon that exploded at Port Chicago was five inches in diameter. It had 37 pounds of 93 percent enriched U-235. I've talked to the man who prepared the uranium for that particular weapon which was a smooth-bore gun-barrel weapon.

The explosion at Port Chicago excavated 14 million cubic feet of rock out of the bed of the Sacramento River in less than a second. You bet it was a nuclear weapon.

These little nukes we've got today cannot be detected before they go off, but you can sure track them after they've exploded by reading out the ultraviolet light spectrum on them.

Now you say the smallest-sized nuclear weapon in existence is known as an Israeli briefcase bomb. How long has that weapon been around?

Since 1972 when they got laser-isotopic separation under way where they could make 99.99 percent pure plutonium-239.

The key to making these miniature bombs, then, is being able to make this particular fuel pure?

The model of a miniature nuclear bomb that I have which is 2 3/4 inches in length was made from 94 percent pure Pu-239. Who knows how small a weapon is which would contain 99.99 percent pure Pu-239?

You actually have a model of such a weapon?

What I have is a little aluminum sphere cast to make the mold for such a weapon. You can't detect this item by its shape.

I've carried it past the finest security systems of the federal government and the airlines probably 100 times over the past 10 years and they can't pick it up. If they do pick it up they look at it and say, "that's a cute little clock" since it has a Timex watch on its face.

This is actually a lot bigger than the Israeli briefcase bombs. I carried this into the Federal Building in Portland, Oregon when I visited the office of Sen. Mark Hatfield (R-Ore.).

Now, as a longtime nuclear scientist you are aware of this capability, but I've never seen anywhere in the media that this capability is available for nuclear weapons. Why do they call this the Israeli briefcase bomb?

Because the Israelis have been part and parcel of the technology all along. I was offered my first clandestine weapon from a fellow on the roof of a building in Augusta, Georgia in 1967. He told me he could have it in my hands in less than three weeks.

The system has holes in it—great big holes. They've been pretending to control this material, and they haven't for years.

In other words you're saying there has been a great proliferation of these nuclear weapons and that it's a lot worse than we realize?

That's correct. Do you remember Robert Maxwell, the English publishing magnate who died mysteriously when his body was found floating off his yacht? He was the chief marketer of these weapons. Maxwell had a standard catalog of them. All you had to do was pick the weapon out by his special number. They were classified by yield.

In your 42 years in the nuclear business, you were responsible for buying a lot of nuclear fuel for companies.

This fuel has gone in a lot of different directions. Not only that but a lot of the so-called nuclear waste that is buried around the country is 72 percent Pu-239. It's easy to take that up to 99.99 percent.

In other words then, if you can do it, through your talents as a nuclear scientist, others can do it as well.

Taylor, quoted in McPhee's book, says: "The making of a nuclear bomb does not require the skill and invention that went into Bee, Hornet and Scorpion" (i.e., small nuclear weapons). "A crude fabrication producing a small yield or even a fizzle yield could kill tens of thousands of people and bring tall buildings to the ground."

This was prior to 1956 that these weapons (Bee, Hornet and Scorpion) were produced.

One of our callers used to work at the Los Alamos laboratory. He says there were small, backpack-type weapons being produced some 20 years ago. A detonation device, then, does not

have to be some sort of cumbersome mechanism?

Of course not. The core of the Nagasaki bomb was only 13 pounds of plutonium—about the size of a baseball. All of the rest of those bombs were just trappings. They had to create the illusion that these bombs were great big ones. In those early days they couldn't move these nuclear weapons with impunity all over the surface of the Earth.

And now these miniature nuclear bombs are proliferating all over the globe. These weapons could be carried around in diplomatic pouches from embassy to embassy, from one nation to another—and are!

END OF QUOTING

* * *

Still think you don't need any shelter system? How well are you, reader, prepared for these contingency liabilities to your life-stream? Doom and gloom? I can only offer you **WHAT IS** and pray that we can get rid of the ridiculous attacks and distractions so that we can offer you more help and valid information on these kinds of subjects.

We need to spend more time on buildings and shapes, etc. We are so bogged down in the morass of the legal insanity that we can't even get the model finished for one of the most beautiful 3,300 sq. ft. homes you will ever see for "regular dwelling" facility.

I don't take exception to Mr. Green going full-tilt in the domed-structure

projects and developments. My "exception" is representation that "that" project is somehow "Hatonn's" through that routing. NO—that is not true. It "could" be—it simply is NOT and I object to the deception. We would, and probably in fact, will, help him with project financing and all good input—IF he can find his way to stop the deceptive activities. For the same reason we needed him in Nevada in the first place—still holds true—we need projects of massive size in that location where development of new architecture and facilities can be developed without the pressures of most of the other states in the former union. Nothing has changed in our projections—only people change! Many things take place, not the least is the impact of fear upon participants—of several types. What George has done is, for the most part—quite believed by him to be correct behavior. This is exactly what happens when one allows himself/herself to become vulnerable. It is unfortunate, but more unfortunately, it happens constantly. Many begin the journey of Truth with God in action—few end up able to hold the course. Hopeless? No—not if the one in point wishes it to be otherwise. I remind you—God goes nowhere—"man" runs around trying to escape notice of his actions which he perceives wrong in the sight of God—and surely enough begins to function foolishly outside the shelter of our Hosts. Man has to first see the truth of actions, believed or deliberately planned to deceive—and then WISH to change and, always—TO EACH HIS OWN!

GOD."

Therefore, the "Word"...the Divine Creative Influx was PREPARED on Earth that man there might receive it in love and understanding—that he might ascend to higher spiritual knowledge and wisdom because of this *preparation*.

The prophet Daniel saw a winged lion emerge from the sea. The "lion" denotes the fearlessness of "one" who is imbued with Divine Truth.

Now, you must understand in this brief dissertation I shall be only touching on points. The "lion" in representation is most often visualized in the magnificent old placements in Egypt. The histories of nations, times and wonders still lie untold in the places of the lion—in the Egyptian sanctuaries and magnetic vortices of that place. However, while we tinker with that input—you must move to the other side of the globe and fix your eyes on where old Lemuria went down some 12,000 years ago. There still remains remnants never inundated by the massive upheaval which rent the lands as in the Great Grand Canyon, as you refer to the rift in Arizona. There are bits of Lemuria remaining, also, in California (of which we hold dear in location as in this presence), as are other areas in the U.S. South West, Australia and seen vividly on that place called Easter Island off Chile and Peru. Wondrous histories are yet to be shared, my beloved friends.

Many of YOU who may well find this hard to accept have served in the cause of Lighted Truth in many times and many places—Lemuria and then at the final hours of Atlantis—always preparing the "way" of the wondrous "Dawn" that would come. All experiences were in preparation for the influx of great Universal Truth. This original dawning came in Truth in Egypt when Akhnaton revealed the ONE GOD (**ATOM**) to a skeptical, idolatrous world.

Perhaps we could look back a very long way, as through countless millennia the WORD had been *prepared* by those "goodly" children of Lighted Truth. At the time of Akhnaton of Egypt it became the "time of the telling" when there would be a great dawning of Truth and the WORD.

And so dawned
"THE WORD"...

The Eighteenth Dynasty, Egypt's Imperial Age, had begun with Ahmose I, a Theban princeling. Thutmose III had salvaged the great treasures of Solomon's Temple in the lands you will recognize as Israel (not Palestine of today's Israel). Now, the heart of all mankind was readied to receive THE WORD as it dawned in Egypt as the blazing ATON. Aton's servant on

By What Authority Come I?

THE "WORD" WAS
PREPARED.....

By what authority DO YOU ASK? If you ask in the name of Holy God of Lighted Creation then you need only reach out and touch my energy for recognition. If you ask in the acclaim to somehow prove me inept at least and a fraud at best—you shall ultimately feel my sting because that which you project will come in its cycle back unto you—it is the LAW of the Universe. But, so that some of you rest a bit more easily, let me give you some bits and pieces so that we can move on in our work of this day of writing.

"In the beginning was the WORD, and the WORD was with GOD, and the WORD WAS GOD" (John 1:1). "Word" in its first and original sense does not mean voice, sound, or speech. **IT MEANS: THE CREATION, according to Divine Laws, from the universal creative fluid, in the "tomb", "cave", or manger of the Earth of that PERFECT ONE, which has the power to spiritualize and regenerate "man". Your bibles of instruction tell you: "Man does not live by bread alone, but by every WORD that proceedeth out of the mouth of**

earth was to be Amunhotep IV, **known to the world as Akhnaton**, the so-called "heretic" Pharaoh. (Ah hummmn.)

Blazing? Well, the symbol of the One God of LIGHT—is represented by the "SUN"—ALL LIGHT/ALL LIFE.

By THIS authority, do I speak and by THIS authority do I use this scribe. Ridi-

cule may be fun and fanciful for the uninformed—but it would now behoove you gigglers and twitterers to learn your history lessons—correctly. **FOR NOW IS THE TIME OF THE WORD!! AND SO BE IT!**

Now, the next barrage from "disbelievers" flows in the form of: "Who are YOU now that you call yourself Ceres?" The

same old boy! If your name is John Jefferson Doe and you usually call yourself "Doe" or "John" and change your label attention to Jeff—**ARE YOU A DIFFERENT ENTITY—OR SIMPLY USING A DIFFERENT NAME? PONDER IT WHILE YOU GO THROUGH YOUR EXCUSES FOR DISBELIEVING TRUTH!**

Tri Laterals Demand World Army

4/16/93 #2 CERES 'ATONN

We shall abruptly change the subject because you need to know that along the lines of military enforcers in this New World Order, a "wing" of your World Order controllers met very recently in Washington in one of the most "hushed" meetings of your decade—to "demand a world army".

Again I find *The Spotlight* has done it again—first with the most! By the way, as an insert at the top of their paper it reads: "*The mind once expanded to the dimensions of a larger idea never returns to its original size.*" Oliver Wendell Holmes.

QUOTING:

TRILATS DEMAND WORLD ARMY

Honor for this article: James P. Tucker, Jr.

The Trilateral Commission, one wing of the world shadow government composed of political, cultural, academic, industrial and media leaders from all over the world, met in Washington to hammer out an agenda to further erode national sovereignty and place national governments under the authority of the United Nations.

The Trilateral Commission (TC) is pressuring the United States to take two giant steps toward the goal of a world government:

* Agree to the formation of a three-tier world army under the authority of the United Nations, which would include a permanent standing force. This new UN military force would, in place of its traditional role of "peacekeeping",

intervene in the affairs of sovereign nations.

* And empower the UN to determine immigration policies of sovereign states, under which it could order the Province of the United States to accept anyone, regardless of the wishes of Congress.

LONGTIME MEMBERS

These demands were issued at a three-day closed-door meeting in Washington of the TC at the Park Hyatt Hotel. Informed of these decisions in personal briefings, were President Bill Clinton, Secretary of State Warren Christopher and Treasury Secretary Lloyd Bentsen.

All are longtime members of the TC. Clinton and Bentsen are also part of the other wing of the global government, the Bilderberg group, **[C: And of course all are with the Council on Foreign Relations as are all of Clinton's "people" who RUN YOUR GOVERNMENT!], which meets later THIS month (April) in Europe. [C: Scary, isn't it?]**

The Trilateralists met with Christopher on the evening of March 28 and had breakfast with Bentsen the following morning.

DESTRUCTION OF AMERICAN JOBS

They also told the president and high administration and congressional leaders the North American Free Trade Agreement must be ratified and not to try to limit the destruction of American jobs which would be lost to low-wage Mexicans through "side agreements" that could derail the entire package. That job losses in this country were

inevitable was a consequence they frankly acknowledged, contrary to the avalanche of misleading press reports and economists, predictions which had polluted public discourse for the past year.

It was also emphasized the trade treaty must be the first step toward the formation of a Western Hemisphere Community, similar to the European Community, with complete political and economic unity.

Others who received these orders from the world shadow government include Sens. John Chafee (R-RI.), William Cohen (R-Me), John Rockefeller IV (D-W.Va.), William Roth (R-Del.), House Speaker Thomas Foley (D-Wash.) and Reps. Dan Glickman (D-Kan.) and Amory Houghton (R-N.Y.).

Several journalists and other Establishment media figures attended the closed sessions on condition they would report only what is approved:

Katharine Graham, Chairman of the Washington Post Co., *Post* editorial writer, John Anderson, *Post* reporters Jim Hoagland and Hobart Rowen; Flora Lewis of the *New York Times*; George Malloan, deputy editor of the *Wall Street Journal*, and David Gergen, publisher of *U.S. News and World Report*, were also there.

Foreign journalists attending under the same conditions include Sergio Romano of *La Stampa* in Milan, Italy; Jorgen Schleimann of Denmark's *Morgenavisen Jyllands-Posten*; Theo Sommer, editor of *Die Zeit* in Hamburg, Germany; Ian Davidson, *Financial Times* of London; Jacqueline Grapin of *Le Figaro* in France; Fredrico Rampini, deputy editor of *Il Sole 24 Ore* in Milan and Akira Kejima, senior editor, the *Nihon Keizai Shimbun*, a Japanese financial newspaper. **[C: Why do I take time and space**

to list these people? Because YOU ARE GOING TO HEAR MORE FROM THEM about this but it will not be as the usual press "stuff"—they will be serving their masters in what they will publish.]

WHO SPOKE?

The Trilateralists began their annual meeting hearing from Leon Panetta, director of the Office of Management of the Budget; Mickey Kantor, U.S. trade representative; and John Deutch, who has been nominated for under secretary of defense. Later Foley presided over a panel in Congress.

John Roper, director of the Western European Union in Paris and a former member of the British Parliament, gave a lengthy report that both celebrated the growth of UN forces into a world army and called for a still stronger global role.

There are more than 3,000 U.S. troops in Somalia "where the overall UN force commander will be Turkish Gen. Cevik Bir with an American deputy," Roper said. American forces are also serving in Mozambique "under a UN commander", he said.

"It is of interest that in 1993 U.S. forces are coming under the command of a UN force commander who is not an American and who is answerable to the UN Security Council," Roper said.

This act of putting American soldiers under foreign command responsible to the UN is an unprecedented surrender of sovereignty. It is thus important to the goal of creating a world government, which can impose its will with a global army. This move was high on the Bilderberg agenda at Evian, France last year.

PERMANENT UN FORCE

"The United Nations must have at its permanent disposal a highly trained, standing-ready force of some four or five battalions—each with some 600-700 troops—drawn from one or two nations and trained to operate as a single unit," Roper said. **[C: Yes, and I suppose each will be armed with a cute little Israeli briefcase nuclear bomb?]**

"At a second level, the United Nations should have rapid deployment forces from the armed forces of member states which could be deployed at a very few days' notice," he said.

Small nations could join together to prepare brigade-sized forces while larger countries should each commit 5,000 men to the UN, he said, for a total backup force of 50,000.

A third level is necessary for major operations, such as the Persian Gulf War, where a coalition of larger forces would be established, Roper said.

The charter of the UN, as demonstrated in the Persian Gulf War, he said,

makes NATO an arm of the UN. He also cited collaboration with UN efforts in the former Yugoslavia as evidence that NATO accepts its role as a UN force.

The UN army should have a permanent planning staff and headquarters, he said.

Enid C.B. Schoettle, a senior fellow at the Council on Foreign Relations—a propaganda tool of the world shadow government—called for immediately increasing UN assessments and then providing "independent resources".

He suggested "international taxes on international air travel, shipping, global traffic flows and the like".

ENTER SOVEREIGN NATIONS, UNINVITED

Olara Otunnu, a native of Uganda and now president of the International Peace Academy in New York, said the UN army will soon be able to enter sovereign nations, uninvited, to impose its will.

"There is a major evolution in thinking at the level of international public opinion that can no longer accept that massive and dramatic suffering should be shielded behind the walls of sovereignty," he said.

"In effect the notion of what constitute the 'domestic affairs' of a state is undergoing some changes," he said.

He cited the uninvited intervention in Somalia as the precedent for future interventions, in which no faction of warring parties invites the UN in to settle disputes and restore order.

Another bulky "discussion draft" report called for an "international migration regime" under the UN to determine who should be allowed to enter what country.

"An international migration regime would include new legal instruments and the operational capacity to respond to the full range of international migration situations," the report said.

"A critical feature of such arrangements is that national decision authorities yield to international standards and scrutiny in their decision making", the report said.

The United States was soundly criticized for refusing too many immigrants, not giving them enough financial support when they are admitted, and for a lack of "multicultural programs". America has a "non-policy" on immigration, the authors of the report complained.

None of the American leaders attending these sessions was heard to object to these dramatic proposals to surrender national sovereignty in a number of crucial areas.

In fact, in one meeting, Trilateral Chairman Paul Volcker, former head of the Federal Reserve Board, told colleagues on a crowded elevator:

"We stay on substance, where we all

agree."

GLOBAL REGIME "DOWN THE ROAD"

Volcker who is North American chairman of the Trilateral Commission is denying "that a world government is imminent" but acknowledged the "possibility" of one "down the road". **[C: Oh barfl]**

The admission came at a "sweetheart" press conference when the group of international financiers and politicians concluded their little annual meeting of three-days behind closed doors.

"Mr. Volcker, the report on the UN calls for the establishment of a permanent UN force, to be deployed anywhere in the world by the Security Council."

The report celebrates the fact that 3,000 American soldiers will remain in Somalia under a Turkish Commander accountable to the UN and not to the United States.

"Does this unprecedented erosion of national sovereignty suggest the basis of a world government?" he was asked.

Volcker showed surprise at the question.

"This is a big psychological step, more so for the United States," he responded. Then, apparently checking himself, he added: "Maybe...a few decades or so down the road, but it's a long way from an—er - a world army."

"Instead of each operation being *ad hoc*," with forces being assembled from member countries, the UN needs to be able to respond militarily in an instant, he said.

Questioned on the Trilateralists' "support" for the North American Free Trade Agreement (NAFTA)—(they actually authored the whole idea), Volcker blandly said it would bring no "radical" change.

"The distribution of industries and relocations are going on right now—because barriers have been reduced," Volcker said. "NAFTA isn't going to radically change that."

There is "logic in extending" the trade agreement throughout the Western Hemisphere "if NAFTA is implemented," Volcker said.

A Trilateral goal is to establish economic and political union, similar to the European Community, throughout the Western Hemisphere. There is to be a "Pacific Rim Community" in the future as the world is divided into major "regions" for administration by a world government.

In part of a brief formal statement, the Trilateralists said, "regional arrangements, including the European Community and North American Free Trade Agreement, constructively contribute to the world economy."

A BOTCHED MISSION IN WACO, TEXAS

4/16/93 #2 CERES 'ATONN

BUREAU OF ALCOHOL, TOBACCO
AND FIREARMS

Does anyone other than me think it unusual that such a little arm of "the law" is tangled to its ears in death and destruction in places like a mountain top in Idaho, a little church home in Texas AND the New York Trade Center bombing?

Well, I am now accused of not giving the "other side" (the government's) of the Waco incident so here goes: from *U.S. News and World Report*, (whose publisher was listed above as a Trilateralist and meeting attendee—that has to be "establishment"!). This comes from the March 15, 1993 edition.

A BOTCHED MISSION IN WACO,
TEXAS

Judgment day approaches soon for the ATF.

Critics have tried to abolish it. Much of its mission involves ho-hum chores like preventing the sale of contraband cigarettes. It doesn't even have its own TV show.

But the Bureau of Alcohol, Tobacco and Firearms is a low-profile (??) agency no more. After a Sunday-morning firefight at the 77-acre Branch Davidian compound outside Waco, Texas, that left four agents dead, 15 injured and an undetermined number of cult members dead or wounded, the ATF faces its own judgment day. Its bosses in the Treasury Department, Congress and the public are all aching to know how such a delicate mission could go so disastrously awry. "I think this was a very ineptly planned operation. It was carried out with the same unfortunate ineptitude," says Tony Cooper, a former Justice Department terrorism expert who now teaches courses in terrorism and conflict resolution at the University of Texas at Dallas. Among the questions he and others ask:

Why wasn't a less aggressive ap-

proach tried first? In 1988, when Branch Davidian leader David Koresh was charged in a shooting incident, he was taken into custody peacefully. The charges were eventually dismissed.

Why weren't the compound's phones tapped? If they had been, authorities would have learned that a tipster had told Koresh about the raid.

If officials feared Koresh's firepower and were counting on the element of surprise, why didn't they raid before dawn when most of the 100 or so sect members would have been sleeping?

Why wasn't the undercover agent who had infiltrated the group ordered to stay in the compound to face arrest with the others? That would have kept his cover and, if the raid failed, would have allowed better monitoring of the sect.

"Ambushed". Bureau officials argue that such second-guessing is unfair. Cult leader Koresh was "sworn to resistance", says bureau spokesman Jack Killorin, who contends it was only prudent to plan a raid backed by serious firepower. The *Houston Chronicle* reported late last week that Koresh met agents just before the gunfire began. "One of our guys said, 'Federal agents—put your hands up,'" one agent told the newspaper. "Koresh smiled, backed up and slammed the door. Almost immediately, within seconds, we were ambushed."

Although a wiretap might have helped prevent the slaughter, ATF spokesman Tom Hill says court officials would have rejected the request because the bureau could just as easily have received the information from its undercover agent. Bureau commanders also decided it was safe for its infiltrator to leave the compound, ATF Deputy Director Dan Hartnett says, because when he left "everything was normal". And Hill says ATF commanders decided to storm the ranch in the late morning because "that was the time when the children would come out to play and would be separated from the adults."

Despite such justifications, questions about the botched raid are fueling

broader attacks on the ATF. Since overcoming efforts during the Reagan administration to abolish the agency and transfer its responsibilities to the Secret Service and the Customs Service, the bureau has expanded. Just 2,900 ATF employees were on the payroll in 1985; there are about 4,300 today. At the same time, the average age of ATF agents has decreased from 40 years to about 35. Josh Sugarmann of the Violence Policy Center claims the bureau has attempted to reshape its image to justify its growing budget and staff: "They like to be seen as the guys who kick in crack-house doors." Sugarmann wonders whether recent negative publicity—accusations that the ATF has turned a blind eye to sexual-harassment charges and was slow in promoting members of minority groups—might have influenced the decision to proceed with this high-profile raid.

The agency is in such turmoil, in fact, that some question its capacity to keep abreast of the growing menace of private arms caches. Not long ago, the business of collecting weapons arsenals was mostly the province of hate groups, survivalist sects and religious cults. Now experts say that such firepower is finding its way into the hands of lone citizens. "We get evidence of this when seemingly just ordinary folks are arrested," says Angie Lowery of Klanwatch.

On January 5, for example, police raided the home of Paterson, N.J., police Lt. William A. Van Kluyve and seized more than 100 pieces of semiautomatic weapons in a workshop, as well as pamphlets spelling out how to convert semiautomatic weapons into machine guns, and \$97,000 in cash. Van Kluyve was charged with official misconduct and conspiracy to purchase prohibited weapons. In 1990, police in Ute, Iowa, seized \$90,000 worth of illegal weapons, including a Thompson submachine gun, an AK-47, pistols, hand grenades and bayonets from Joseph Spencer, a former telephone company employee. He was arrested on weapons and drug charges. Police found white-supremacist propaganda in that raid, but Spencer did not

seem to be affiliated with a hate group. There are still plenty of such groups to worry officials, Jerry Wiedenhoff, a sergeant with the Kootenai County sheriff's office in Idaho, says weapons are rumored to be stockpiled on the Aryan Nations's 17-acre compound in Hayden Lake. Carl Franklin, the Aryan Nation's chief of staff, admits that he and individual members own weapons, but he denies that the church is stockpiling.

STOCKPILER

In 1989, the survivalist Church Universal and Triumphant in Corwin Springs, Mont., was caught up in a weapons stockpiling controversy. Edward Francis, husband of church leader Elizabeth Clare Prophet, and the church's security officer were convicted of conspiracy in buying nearly \$150,000 worth

of assault rifles and more than 120,000 rounds of ammunition. Church spokesman Murray Steinman says the pair acted without the sanction of Prophet or the church.

Some worry that the events in Waco are a harbinger. "As we get closer to the millennium, there will be more and more people who will be arming themselves for the end of the world," predicts sociologist James Aho at Idaho State University, author of *"The Politics of Righteousness"*. The problem is that ATF's handling of the raid in Waco does not instill confidence that it is the best agency to figure out what the proper responses should be.

The *united* States Declaration Of Independence

**In CONGRESS, July 4, 1776.
The unanimous Declaration of
the thirteen united States
of America**

When in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitles them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed. That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed,

will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shown, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security. Such has been the patient sufferance of these Colonies; and such is now the necessity which constrains them to alter their former Systems of Government. The history of the present King of Great Britain is a history of repeated injuries and usurpations, all having in direct object the establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid world.

He has refused his Assent to Laws, the most wholesome and necessary for the public good.

He has forbidden his Governors to pass Laws of immediate and pressing importance, unless suspended in their operation till his Assent should be obtained; and when so suspended, he has utterly ne-

glected to attend them.

He has refused to pass other Laws for the accommodation of large districts of people, unless those people would relinquish the right of Representation in the Legislature, a right inestimable to them and formidable to tyrants only.

He has called together legislative bodies at places unusual, uncomfortable, and distant from the depository of their public Records, for the sole purpose of fatiguing them into compliance with his measures.

He has dissolved Representative Houses repeatedly, for opposing with manly firmness his invasion on the rights of the people.

He has refused for a long time, after such dissolutions, to cause others to be elected; whereby the Legislative powers, incapable of Annihilation, have returned to the People at large for their exercise; the state remaining in the meantime exposed to all the dangers of invasion from without, and convulsions within.

He has endeavored to prevent the population of these States; for that purpose obstructing the Laws for Naturalization of Foreigners; refusing to pass others to encourage their migrations hither, and raising the conditions of new Appropriations of Lands.

He has obstructed the Administration

of Justice, by refusing his Assent to Laws for establishing Judiciary Powers.

He has made Judges dependent on his Will alone, for the tenure of their offices, and the amount and payment of their salaries.

He has erected a multitude of New Offices, and sent hither swarms of Officers to harass our people, and eat out their substance.

He has kept among us, in times of peace, Standing Armies without Consent of our legislature.

He has affected to render the Military independent of and superior to the Civil power.

He has combined with others to subject us to a jurisdiction foreign to our constitution, and unacknowledged by our laws; giving his Assent to their Acts of pretended Legislation:

For Quartering large bodies of armed troops among us:

For protecting them, by a mock trial, from punishment for any Murders which they should commit on the Inhabitants of these States:

For cutting off our Trade with all parts of the world:

For imposing Taxes on us without our Consent:

For depriving us in many cases of the benefits of Trial by Jury:

For transporting us beyond Seas to be tried for pretended offenses:

For abolishing the free System of English Laws in a neighboring Province, establishing therein an Arbitrary government, and enlarging its Boundaries so as to render it at once an example and fit instrument for introducing the same absolute rule into these Colonies:

For taking away our Charters, abolishing our most valuable Laws, and altering fundamentally the Forms of our Government:

For suspending our own Legislatures, and declaring themselves invested with power to legislate for us in all cases whatsoever.

He has abdicated Government here, by declaring us out of his Protection and waging War against us.

He has plundered our seas, ravaged our Coasts, burnt our towns, and destroyed the lives of our people.

He is at this time transporting large Armies of foreign Mercenaries to complete the works of death, desolation and tyranny, already begun with circumstances of Cruelty and perfidy scarcely paralleled in the most barbarous ages, and totally unworthy the Head of a civilized nation.

He has constrained our fellow Citizens taken Captive on the high Seas to bear Arms against their Country, to become the executioners of their friends and Brethren, or to fall themselves by their Hands.

He has excited domestic insurrections amongst us, and has endeavored to bring on the inhabitants of our frontiers, the merciless Indian Savages, whose known rule of warfare, is an undistinguished destruction of all ages, sexes and conditions.

In every stage of these Oppressions We have Petitioned for Redress in the most humble terms. Our repeated Petition have been answered only by repeated injury. A Prince, whose character is thus marked by every act which may define a Tyrant, is unfit to be the ruler of a free people.

Nor have We been wanting in attention to our British brethren. We have warned them from time to time of attempts by their legislature to extend an unwarrantable jurisdiction over us. We have reminded them of the circumstances of our emigration and settlement here. We have appealed to their native justice and magnanimity, and we have conjured them by the ties of our common kindred to disavow these usurpations, which would inevitably interrupt our connections and correspondence. They too have been deaf to the voice of Justice and to consanguinity. We must, therefore, acquiesce in the necessity, which denounces our Separation, and hold them, as we hold the rest of mankind, Enemies in War, in Peace Friends.

We, therefore, the Representatives of the united States of America, in General Congress, Assembled, appealing to the Supreme Judge of the world for the rectitude of our intentions, do, in the Name, and by Authority of the good People of these Colonies, solemnly publish and declare, That these United Colonies are, and of Right ought to be Free and Independent States; that they are Absolved from all Allegiance to the British Crown, and that all political connection between them and the State of Great Britain, is and ought to be totally dissolved; and that as Free and Independent States, they have full Power to levy War, conclude Peace, contract Alliance, establish Commerce, and to do all other Acts and Things which Independent States may of right do. And for the support of this Declaration, with a firm reliance on the protection of Divine Providence, we mutually pledge to each other our Lives, our Fortunes, and our sacred Honor.

SWALLOWING PRIDE IS NONFATTENING

The Constitution Of The united States Of America

5/14/90 #1 HATONN

Dear brothers, you must—YOU MUST become informed and unify and strengthen the brothers in community that you might stand against the cancer which eats your very fiber of existences as a global people. There is no manner in which I can speak strongly enough unto you ones. You must join hands with others who DARE and stand forth side by side. You must march under the heavenly banner of God and that beauteous red, white and blue flag of the United States of America and that for which it stands: ONE NATION, UNDER GOD, INDIVISIBLE, WITH LIBERTY AND JUSTICE FOR ALL! SALU! AND YOU MUST REGAIN PEACE AND JUSTICE FOR THE REDMAN BROTHER THAT WAS SLAIN AND FROM WHOM WAS STOLEN THIS GOD-GIVEN GARDEN, FOR UNTIL JUSTICE IS BALANCED FOR ALL, YOU WILL STAND IN DARKNESS. THE CREATOR NOW GIVES YOU THE CHANCE TO RIGHT YOUR WORLD—WHAT WILL YOU DO, LITTLE BROTHERS? WHAT WILL YOU DO?

THE CONSTITUTION OF THE UNITED STATES OF AMERICA

You were not, never were, and were never intended to be a SIMPLE DEMOCRACY, because a simple democracy is a FORM OF TYRANNY—A MAJORITY TYRANNY!

At the time of "We the People" there were about 3,000,000 whites and some 50,000 free blacks. An interesting fact is that in 1845, John Louis O'Sullivan, justifying the annexation of Texas, a whole story separate in and of itself because of its treaty status, wrote in the DEMOCRATIC RE-

VIEW, "Our manifest destiny is to overspread the continent allotted by Providence for the free development of your yearly multiplying millions."

The 52-word Preamble grants NO POWER TO THE FEDERAL GOVERNMENT but does help in the interpretation of the Constitution.

There were only three words duly stressed which gave power to the meaning and they were WE THE PEOPLE. It did not begin in the Preamble by saying the United States' people. It said WE THE PEOPLE of the united states. (meaning a uniting of some states) Let me restructure it for I have sorrow to tell you, again, the lie has covered the truth and you cannot find that by which to judge.

PREAMBLE

WE THE PEOPLE of the united states, in order to form a more perfect union, establish justice, insure domestic tranquility, provide for the common defense, promote the general welfare, and secure the blessings of liberty to ourselves and our posterity, do ordain and establish this Constitution for the united states of America."

Dharma, we need some method to denote a quote from the document of the Constitution and my input, example or explanation by comment. May we please place a ***[italics] to denote Hatonn's input, please. Make sure there is a copy of the Constitution in this document for untampered reference.

Further, note that all bold face headwords have been added as reader guides. Underlined material is somehow no longer appli-

cable by accepted change.

ARTICLE 1

LEGISLATIVE DEPARTMENT

Section 1. Congress in General

All legislative powers herein granted shall be vested in a Congress of the United States, which shall consist of a Senate and a House of Representatives. **[The capital letters were simply to denote proper label.]*

Section 2. The House of Representatives

a. Election and term of members. The House of Representatives shall be composed of members chosen every second year **[Although some argued that annual elections were "the only defense of the people against tyranny."]* by the people of the several States, and the electors in each state shall have the qualifications requisite for electors of the most numerous branch of the State Legislature.

b. Qualifications of members. No person **[Women were never explicitly denied office but you know how that went by the way for years, at the hands of the men involved in power.]* shall be a Representative who shall not have attained to the age of twenty-five years, and been seven years a citizen of the United States, and who shall not, when elected, be an inhabitant of that State in which he shall be chosen.

c. Apportionment of representatives and of direct taxes. **[Changed by Section 2 of the 14th Amendment.]* Representatives and direct taxes shall be apportioned among the several States which may be included within this Union, according to their respective numbers, which shall be determined by adding to the whole number of free persons including those bound to service **["Slavery". Free blacks had the rights of citizenship.]* for a term of years, and excluding Indians not taxed, three-fifths of all other persons **[A euphemism for slaves. Every slave was counted as only three-fifths of a person in determining representation.]* The actual enumeration shall be made within three years after the first meeting of the Congress of the United States, and within every subsequent term of ten years, in such manner as they shall by law direct. The number of Representatives shall not exceed one for every thirty thousand, **[At the eleventh hour, George Washington made his only speech of the convention, urging that the figure be lowered from the original 40,000, increasing representation in the House. Size of the House was set at 435 members in 1929. Each member today represents more than 500,000 people. (Indians, who pay no taxes*

and who are wards of the government, are still not counted in the apportionment of Representatives.) California has the most Representatives—45; several states have only one. This is one of the reasons Jesse Jackson is pushing to make D.C. a “state”.] but each State shall have at least one representative; and until such enumeration shall be made, the State of New Hampshire shall be entitled to choose three; Massachusetts, eight; Rhode Island and Providence Plantations, one; Connecticut, five; New York, six; New Jersey, four; Pennsylvania, eight; Delaware, one; Maryland, six; Virginia, ten; North Carolina, five; South Carolina, five; and Georgia, three.

d. Filling vacancies. When vacancies happen in the representation from any State, the Executive authority thereof shall issue writs of election to fill such vacancies.

e. Officers; impeachment. The House of Representatives shall choose their Speaker and other officers; and shall have the sole power of impeachment. **[The House has impeached 15 government officials, including President Andrew Johnson, who was acquitted by the Senate in 1868, and Supreme Court Associate Justice Samuel Chase, acquitted in 1805.]*

Section 3. The Senate

a. Number and election of members. The Senate of the United States shall be composed of two **[They decided a small number was most convenient for deciding on peace and war.]* Senators from each state, chosen by the legislature thereof, *[Superseded in 1913 by Section 1 of the 17th Amendment. “We the People” now elect your Senators directly.]* for six years, **[Terms of four, seven, nine, or 14 years were rejected.]* and each Senator shall have one vote.

b. Classification. Immediately after they shall be assembled in consequence of the first election, they shall be divided as equally as may be into three classes. **[So that there would be “experienced” Senators during the first years of the Republic.]* The seats of the Senators of the first class shall be vacated at the expiration of the second year, of the second class at the expiration of the fourth year, and of the third class at the expiration of the sixth year, so that one third may be chosen every second year; and if vacancies happen by resignation, or otherwise, during the recess of the legislature of any State, the Executive thereof may make temporary appointments until the next meeting of the legislature, which shall then fill such vacancies. **[Changed by the Second Paragraph of the 17th Amendment.]*

c. Qualifications of members. No person

shall be a Senator who shall not have attained to the age of thirty years, and been nine years a citizen of the United States, and who shall not, when elected, be an inhabitant of that State of which he shall be chosen.

d. President of Senate. The Vice President of the United States shall be President of the Senate, but shall have no vote, unless they be equally divided.

e. Other officers. The Senate shall choose their own officers, and also a President pro tempore, in the absence of the Vice President, or when he shall exercise the office of President of the United States.

f. Trial of impeachment. The Senate shall have the sole power to try all impeachments. When sitting for that purpose, they shall be on oath or affirmation. When the President of the United States is tried, the Chief Justice **[This is the only mention of the office of Chief Justice in the Constitution.]* shall preside; and no person shall be convicted without the concurrence of two thirds of the members present.

g. Judgment in case of conviction. **[Conviction elevates the Vice President into the Oval Office.]* Judgment in cases of impeachment shall not extend further than to removal from office, and disqualification to hold and enjoy any office of honor, trust or profit under the United States; but the party convicted shall nevertheless be liable and subject to indictment, trial, judgment and punishment, according to law.

**[Dharma, allow us a break please. In order to keep reasonable chapter breaks, we shall simply continue appropriately after each break, i.e., we shall begin the discussion of the Constitution at Section 4. Thank you. Hatonn to stand-by, please.]*

CHAPTER 2

5/14/90 #2 HATONN

THE CONSTITUTION, CONTINUED

Section 4. How Senators and Representatives Shall Be Chosen and When They Are to Meet.

a. Method of holding elections. The times, places and manner of holding elections for Senators and Representatives shall be prescribed in each State by the Legislature thereof; but the Congress may at any time by law make or alter such regulations, except as to the places of choosing Senators. **[The 17th Amendment laid down a new method for choosing Senators.]*

b. Meeting of Congress. The Congress shall assemble at least once in every year

**[There was argument against meeting every year for excellent perception: “Too much legislating was a great vice.”] and such meeting shall be on the first Monday in December, unless they shall by law appoint a different day. *[Changed to January 20 by Section 2 of the 20th Amendment.]*

Section 5. Rules of Procedure.

a. Organization. Each house shall be the judge of the elections, returns and qualifications of its own members, and a majority **[Under the Articles of Confederation, nine of the 13 states had to concur in all important decisions. A quorum was seven states.]* of each shall constitute a quorum to do business . . .

b. Rules of proceedings. Each house may determine the rules of its proceedings, punish its members for disorderly behavior, and, with the concurrence of two thirds, expel a member.

c. Journal. Each house shall keep a journal of its proceedings and from time to time publish the same, excepting such parts as may in their judgment require secrecy; and the yeas and nays of the members of either house on any question shall, at the desire of one-fifth of those present, be entered on the journal. **[Well, here you began to get off to a bad start. The Senate met behind closed doors in its entire first five years. Then it was decided that the people had a right to know what their agents were doing or had done—so, the Journals of both chambers were subsequently published together in the CONGRESSIONAL RECORD since 1873. Details of the “convention” were kept secret for 50 years. What you know of the proceedings comes principally from James Madison’s prodigious notetaking from his seat in front of the presiding member with the other members on his right and left hands. Your fourth President allowed his journals to be published only posthumously—he was the “convention’s” last survivor.]*

d. Adjournment. **[Royal governors had unilaterally suspended and dissolved state assemblies.]* Neither house, during the session of Congress, shall, without the consent of the other, adjourn for more than three days, nor to any other place than that in which the two houses shall be sitting.

Section 6. Compensation, privileges, and restrictions.

a. Pay and privileges of members. **[Whew, here is a dandy one which is manipulated over and over again.]* The Senators and Representatives shall receive a compensation for their services, to be ascertained by law, **[It was considered an inde-*

*cent thing and might, in time, prove dangerous to let Congress set its own wages, it was felt.], and paid out of the Treasury of the United States. They shall in all cases except treason, felony and breach of the peace, be privileged from arrest during their attendance at the session of their respective houses, and in going to and returning from the same; and for any speech or debate in either house, they shall not be questioned in any other place. *[Congressmen may execute their duties without fear of a civil suit or a criminal prosecution for any cause, including slander or libel. On trumped-up charges, the King used to order the arrest of legislators who opposed his policies. However, it would appear that if ones were arrested for treason in these current days, you would not have enough members to conduct business.]*

b. Holding other offices prohibited. No Senator or Representative shall, during the time for which he was elected, be appointed to any civil office under the authority of the United States which shall have been created, or the emoluments whereof shall have been increased during such time; and no person holding any office under the United States shall be a member of either house during his continuance in office.

Section 7. Mode of Passing Laws.

a. Revenue bills. All bills for raising revenue shall originate in the House of Representatives; but the Senate may propose or concur with amendments as on other bills.

b. How bills become laws. Every bill which shall have passed the House of Representatives and the Senate shall, before it becomes a law, be presented to the President of the United States; if he **[This is a rare time indeed, where "he" rather than "people" or "persons" is used. It had no greater meaning, however, for at that point it was obviously assumed that Presidents would always be masculine and further, use of the English language considers "he" to be inclusive of human.]* approves he shall sign it, but if not he shall return it, with his objections to that house in which it shall have originated, who shall enter the objections to that house in which it shall have originated, who shall enter the objections at large on their journal, and proceed to reconsider it. If after such reconsideration two-thirds of that house shall agree to pass the bill, it shall be sent, together with the objections, to the other house, by which it shall likewise be reconsidered, and if approved by two-thirds of that house, it shall become a law. But in all such cases the votes of both houses shall be determined by yeas and nays, and the names of the

persons voting for and against the bill shall be entered on the journal of each house respectively. If any bill shall not be returned by the President within ten days (Sundays excepted) after it shall have been presented to him, the same shall be a law, in like manner as if he had signed it, unless the Congress by their adjournment prevent its return, in which case it shall not be a law. **[In other words, Congress can pass a law over a Presidential veto. The latter statement refers to the "pocket veto" (from the Latin for "I forbid"). If Congress adjourns during the ten-day period, the President can effectively veto a bill by not signing it—by "putting it in his pocket" so to speak.]*

c. Approval or disapproval by the President. Every order, resolution, or vote to which the concurrence of the Senate and House of Representatives may be necessary (except on a question of adjournment) shall be presented to the President of the United States; and before the same shall take effect, shall be approved by him, or being disapproved by him, shall be repassed by two-thirds of the Senate and House of Representatives, according to the rules and limitations prescribed in the case of a bill.

Section 8. Powers Granted to Congress. *[These 18 paragraphs granted urgently needed powers to Congress. The first 17 are called enumerated powers. The last, the famous "elastic clause", refers to implied powers.]*

The Congress shall have the power:

a. To lay and collect taxes, duties, imposts, and excises, to pay the debts and provide for the common defense and general welfare of the United States; but all duties, imposts and excises shall be uniform throughout the United States;

b. To borrow money **[This eliminated the possibility once and for all for states to print their own money.]* on the credit of the United States;

c. To regulate commerce with foreign nations, and among the several States, and with the Indian tribes; **[This clause has just about done-in your Confederation. Clause c. has become a fountain of vast federal power.]*

d. To establish an uniform rule of naturalization, and uniform laws on the subject of bankruptcies throughout the United States;

e. To coin money, regulate the value thereof, and of foreign coin, and fix the standard of weights and measures; **[This is so big I shall have to pass it for now—you note this does not refer to anything called the "Fed-*

eral Reserve".

f. To provide for the punishment of counterfeiting the securities and current coin of the United States; **[Now this one does seem to leave out the Federal Reserve, at least technically. However, it is also one of the most abused by your Government.]*

g. To establish post offices and post roads.

h. **[“If a nation expects to be ignorant and free in a state of civilization,” Thomas Jefferson said, “it expects what never was and never will be.” The Constitutional Convention defeated the motion to empower Congress “to establish an University, in which no preferences or distinctions should be allowed on account of religion.”] To promote the progress of science and useful arts by securing for limited times to authors and inventors the exclusive right to their respective writings and discoveries;*

i. To constitute tribunals inferior to the Supreme Court;

j. To define and punish piracies and felonies committed on the high seas and offenses against the law of nations; **[Hold this one near your heart, also, for, my dear ones, you have now come under this little projection—by default. It refers, in part, to the law of Admiralty and it is deadly.]*

k. To declare war, **[It originally was “make war”. This, so the President’s hands would not be tied in case of attack, the convention changed the phrase to a more precise “declare war”. The first legislation defining the President’s Constitutional power to make war was the War Powers Act, which Congress passed over President Richard Nixon’s veto in 1973. Now, chelas, please be patient with me as we move along here for we will just get lost in confusion if we pick every one of these apart at this sitting. We work relative to thousands of volumes in the Library of Congress, Supreme Court library, etc. Please be patient and we will hit the highlights which impact you instantly and treacherously in the form of impending enslavement and loss of freedom.]*

l. To raise and support armies, but no appropriation of money to that use shall be for a longer term than two years;

m. To provide and maintain a navy;

n. To make rules for the government and regulation of the land and naval forces;

o. To provide for calling forth the militia to execute the laws of the Union, suppress insurrections, and repel invasions;

p. **[Designed to overcome the shortcomings*

of the militia in the Revolutionary War.] To provide for organizing, arming and disciplining the militia, and for governing such part of them as may be employed in the service of the United States, reserving to the States respectively the appointment of the officers, and the authority of training the militia according to the discipline prescribed by Congress;

q. To exercise exclusive legislation in all cases whatsoever, over such district (not exceeding ten miles square) as may, by cession of particular States, and the acceptance of Congress, become the seat of the government of the United States, and to exercise like authority over all places purchased by the consent of the legislature of the State, in which the same shall be, for the erection of forts, magazines, arsenals, dock-yards, and other needful buildings;— and

r. **[An incredible confusion which caused one George Mason, author of Virginia's Bill of Rights to be one of three who referred to this as "Infernal traffic" and caused him to declare he would "sooner chop off his right hand than put it to the Constitution" in its final form.]* To make all laws which shall be necessary and proper for carrying into execution the foregoing powers, and all other powers vested by this Constitution in the government of the United States, or in any department or officer thereof.

Section 9. Powers Denied to the Federal Government.

a. The migration of importation **[Originally 1800.] of such persons as any of the States now existing shall think proper to admit, shall not be prohibited by the Congress prior to the year one thousand eight hundred and eight, but a tax or duty may be imposed on such importation, not exceeding ten dollars for each person.*

b. The privilege of the writ of habeas corpus shall not be suspended, unless when in cases of rebellion or invasion the public safety may require it. **[The rule of habeas corpus—literally, "you must have the body"—is a foundation of all free societies. An arrested person must be produced in court to determine the justice of his detention. President Abraham Lincoln suspended this sovereign right, arguably violating the Constitution "to save it". Via the same tenet and pretext under which dictators suspend constitutions, your first "constitutional dictator" felt that "measures, however unconstitutional, might become lawful by becoming indispensable to the preservation of the Constitution through the preservation of the nation."]*

c. No bill of attainder or ex post facto law

shall be passed.

d. No capitation, or other direct, tax shall be laid, unless in proportion to the census or enumeration herein before directed to be taken. **[The 16 Amendment give Congress the power to tax incomes, thus modifying the "no capitation" (tax on each person) clause. The slave states had feared a tax on their "three-fifths of all other persons. Now I, among others, am here to tell you that the 16th Amendment DID NOT NULLIFY THIS PORTION OF YOUR CONSTITUTION. INCOME TAXES AS ENFORCED BY THE IRS ARE UNLAWFUL UNDER YOUR CONSTITUTION. WE SHALL COVER THIS AT A LATER POINT. WE SHALL HEREIN SPEAK ONLY OF INTERPRETATION AS IS USUALLY OVERSIGHTED.]*

e. No tax or duty shall be laid on articles exported from any State. **[A concession to the South. Denying this power common to governments at the time took from government half the regulation of trade.]*

f. No preference shall be given by any regulation of commerce or revenue to the ports of one State over those of another: nor shall vessels bound to, or from, one State be obliged to enter, clear, or pay duties in another. **[Allayed Maryland's fear that traffic on Chesapeake Bay would have to enter or clear at a Virginia port to simplify the collection of duties.]*

g. No money shall be drawn from the Treasury, but in consequence of appropriations by law; and a regular statement and account of the receipts and expenditures of all public money shall be published from time to time.

h. No title of nobility shall be granted by the United States: and no person holding any office of profit trust under them shall, without the consent of the Congress, accept of any present, emolument, office, or title, of any kind whatever, from any king, prince, or foreign state.

Section 10. Powers Denied to the States.

Enough for this day, Dharma.

Hatonn to standby. Salu.

5/17/90 #1 HATONN

Hatonn present in the Light of the Radiant One. We will continue with our work on the outlay of the Constitution of the United States of America.

In advance I ask that you readers do homework and get confirmation of that which we discuss for your Constitution is the very foundation upon which freedom is based.

It is all but gone as written. There are far more interesting subjects—but NONE so important to you as a people. "When" this and that will happen pales in comparison to that which will befall you if you do not put into restraint that which is planned and occurring to your Constitution. When we finish the Constitution (as written) and the Newstates Constitution (as re-written), we will move on to the Zionists intention to control your world through their "PROTOCOLS". And, then dear ones, we shall return to the survival of the remnant and "how" we get through these changing times and that which to look for.

All of you are awaiting the wondrous projections of Little Crow and the SACRED HILL WITHIN. They will come in proper sequence. We must first outline that which has been brought against you as a people for you have now been raped just as were the beauteous Indians in the early days of your country. They had no recourse until it was far too late to change of it. How long will you wait? They originally loved you and welcomed you as the white and colored men of the far away places and you consumed them and desecrated their lands. **THAT WHICH IS PUT FORTH ALWAYS RETURNS! ALWAYS!**

Always the Great Spirit has sent his teachers of The Creation to dwell upon his creations to tend of his living planets and teach harmony and balance with all things. The human comes and destroys and pillages and always, in the ending, the "native" ancients must come forth again to show you the way and nurture the gift of a planet's life for the ancient truth bearers will always have a few who are sent forth with the "memories" of how it IS. But first, you must know how it has "become" that you might see the reasons for the required changes lest you perish.

As the axis of a planet changes there is chaos created beyond that of social circumstance. You have lived in a cycle in which all that was without moved within. Now, to change of the circumstance, all that is within must come without. You have the ambiguous situation of opposites—a complete reversal of that which appears to be. That which is visualized as reality, is in fact, the illusion and the reality of dimension and experience is the unseen. Humankind on Earth has forgotten and he learns most slowly indeed. So be it.

It is now the time of coming back into the fold of God and The Creation and move again into the following of the Laws thereof. It is a time of recalling your Constitution and casting out of the destroyers thereof. You have allowed the very evil which will totally destroy you within the very fiber of

your beingness. Were there errors in your original Constitution?—of course. Your founding fathers did not write in, intentionally, bigotry or mass incarceration of the Indian, but early interpretations thereof caused it to occur, none-the-less. You have written “freedom” out of your laws in favor of enslavement—and YOU have done it, my friends. Do not blame your brother—YOU ALLOWED OF IT! NOW, IF IT IS TO BE BROUGHT INTO PROPERNESS—YOU WILL DO OF IT!

You can have a rule of thumb for judging that which they tell you and that which they do unto you from the governmental and military halls of injustice.

For example, they will tell you that defense spending is dropping; that military actions are lessening and that somehow you are “preparing for a world fight for ecology and peace”—the big B-word, my friends.

Let me quote just a couple of items from your own news within the past couple of days—oh, it doesn't make your media news nor is it put forth on your front pages and when it is, it is offered as “good” news and encouragement for the economy.

WALL STREET JOURNAL 5/16/90 (YES-TERDAY). Also carried in the local papers:

FUTURISTIC: The Pentagon on Tuesday unveiled drawings of prototypes of the Advanced Tactical Fighter, a futuristic aircraft with a \$63.5 BILLION price tag designed to replace the F-15 fighter jet. Drawings (and there were two) show two versions of the single seat, twin-engine craft. The plane will use “stealth” technology to evade radar and cruise at supersonic speeds without using afterburners, known as “supercruise”. (Hatonn: And I believe they tell you that you need no shelters for you won't have a war??? Then why would you need these planes???)

---- the plane, called the Advanced Tactical Fighter, is designed to be the first U.S. dog fighter to carry missiles entirely inside its fuselage - - .

(Ah ha) The Pentagon said it already has spent about \$2.8 billion to develop a pair of ATF prototypes. Two teams of contractors have invested another \$1.2 billion.

One of the teams, led by Lockheed Corp., includes Boeing Co. and General Dynamic Corp. and McDonnell Douglas Corp. - - - -

Ok and so what! Well, what about these other little back page items in the Wall Street Journal, 5/14/90:

Hughes, Georgia Inc., a unit of General

Motors Corp. (how many knew that?) received a \$194 million Air Force contract for Maverick missiles and parts.

General Dynamics Corp. was awarded a \$63.3 million Air Force contract for support of F-16 aircraft and Atlas II - - - .

Olin Corp. won a \$51 million contract for Navy 20-millimeter ammunition and Army small-arms propellant.

Aerojet General Corp. got a \$16.1 million Air Force contract for MX missile rockets.

United Technologies Corp. received a \$15.1 million Army contract for Uh-601 helicopters.

WALL STREET JOURNAL, 5/15/90:

Lockheed Missiles and Space Co. received a \$971 million contract from the National Aeronautics and Space Administration to oversee design and development of new generation rocket motors - - - .

Hughes Aircraft Co., a unit of General Motors Corp., was given a \$77 million Air Force contract to build a North Atlantic Treaty Organization air defense system for Iceland.

Unisys Corp. won a \$25.8 million Navy contract for submarine navigation equipment.

Pan Am World Services Inc., a unit of Pan Am Corp., received a \$12.6 million Air Force contract for support of the Eastern Space and Missile Center.

And on and on it goes. You might ask, “But how can companies that are now barred from even bidding on government jobs for massive ‘rip-offs’ be getting contracts?” I thought you would never ask! By allowing one “corporation” to die and birthing a nice new one to bid. I certainly hope all you good business men in my troops are taking lessons—not for corruption but rather as to how to do business in Satan's world using his own tools to get to his vulnerable spots.

I would also like to point out another couple of items: In the same paper of May 14 it says, “The nation's rural poor are going hungry because food-stamp benefits aren't enough to cover higher food costs in impoverished rural counties - - -.” Does this not touch your heart?

And, while you pay off hundreds of billions of dollars to “bail-out” the S&Ls because of the mismanagement and junk bond portfolios, you get the following: WALL STREET JOURNAL, 5/15/90: “AMID THE

RUBBLE OF THE BATTERED JUNK-BOND MARKET, SOME POWERFUL NEW PLAYERS ARE STIRRING: THE MAJOR BANKS.

“Using bank's newly won powers to underwrite corporate bonds, Citicorp, J.P. Morgan & Co and Bankers Trust New York Corp. have all established groups specializing in sales and trading of high-risk, high-yield junk bonds. And First Chicago Corp. has just begun staffing up for a junk-bond effort - - - - -”

Do you see the correlation? These are the top Conspiracy banks, my friends! And, by the way, Mr. Robert Bartley, Editor, THE WALL STREET JOURNAL is a prominent member of the Movers and Shakers of the Trilateral Commission. I knew you knew that.

Here is just a little side blast by your government at Japan: “Japanese Prime Minister Toshiki Kaifu said his nation would maintain a ban on rice imports to protect domestic growers despite U.S. demands for improved market access. ‘Rice and rice cultivation have a special significance for our country and in light of this we will continue to adhere to the basic policy of self-sufficiency,’ Mr. Kaifu told legislators. Japanese consumers pay up to six times world prices for domestic rice as the government props up inefficient rice producers with substantial subsidies.”

Now isn't that just awful? Well read on from the same day's paper and see if you can spot any similarities: “WALL STREET JOURNAL, 5/14/90: “Brach's Candy Co. said the Commerce Department rejected its request to have the company's Chicago plant designated a Foreign Trading Zone.

“The refusal by the department's Foreign Trade Zones Board means that the candy manufacturer—owned by Switzerland's Jacobs Suchard AG—won't be allowed to import sugar at world prices, but must instead continue to buy the essential ingredient under import quotas that boost its annual costs by about \$20 million.

“- - - - if it didn't get the relief it sought it might close the aging Chicago plant—an island of high-paying, unionized production jobs in the midst of the city's blighted West Side—and shift the about 3,400 jobs to either Mexico or Canada. - - - -”

Oh yes, just one paper is material for dozens of Express writings. Note another tid-bit on one page on the 15th: “CIBA-GEIGY LTD. TO DEVELOP ALLERGY TREATMENT PRODUCTS.” And on the adjacent page: “Jacobs Engineering Group Inc. said it received two contracts valued at \$79 million from Ciba-Geigy Corp. to de-

sign and construct a dyestuff manufacturing facility and a chemical plant in St. Gabriel, La.

“Ciba-Geigy Corp. is the U.S. unit of Swiss-based Ciba-Geigy Ltd., a maker of agricultural chemicals, dyestuffs, and other products - - -.” And further, what do you think causes the most allergies? Right on! Dyes, pesticides, etc. Who do you think might also be high ranking in the Councils of Foreign Relations? See, the game gets to be more and more fun, does it not? Now try the Trilateral Commission and the Bilderbergers.

And one last distraction from the same edition says that Bush backs getting a base on Mars in 30 years. Dear ones, there was a base on Mars over 30 years ago! Then in a fashion unlike anything else, the government issued the following suggestions to prevent deliberate terrorist attacks on airliners: “The presidential panel made dozens of recommendations to counter the terrorist threat, including: the establishment of a new supervisory office—assistant secretary for security and intelligence—within the Transportation Department; increased importance for the security operation within the FAA; and the assigning of federal security managers with direct access to FAA chiefs at major international and domestic airports. The panel also urged the government to alert passengers to credible threats and to establish criteria for when passengers should be notified - - - .” So be it!

I apologize for this long and tedious delay, Dharma, but our brothers must begin to see the generalizations and read those back pages—for guess what the front page read: “DESPITE HIS SUCCESSES, BAKER’S CRITICS SAY HE LACKS A BROAD STRATEGY”, “ATTEMPTS TO RESTORE THE CARIBOU FALTER IN THE MAIN WOODS”, “U.S. FOOD FIRMS FIND EUROPE’S HUGE MARKET HARDLY A PIECE OF CAKE” and “CAR MAGAZINE WRITERS SOMETIMES MOONLIGHT FOR FIRMS THEY REVIEW”.

NOW, BACK TO WHERE WE LEFT
OFF WITH YOUR
CONSTITUTION

Section 10. Powers Denied to the States

a. No State shall enter into any treaty, alliance, or confederation; grant letters of marque and reprisal; coin money; emit bills of credit; make any thing but gold and silver coin a tender in payment of debts; pass any bill of attainder, ex post facto law, or law impairing the obligation of con-

tracts, or grant any title of nobility.

**[The framers had lived through the disaster of the Continental dollar. Today’s fiscal conservatives argue that this country’s economic problems are a direct consequence of the Supreme Court’s failure to uphold the monetary provisions of the Constitution. Well, all of your problems are from failure to uphold the Constitution. The ex post facto law was a provision aimed at the welter of state laws favoring debtors over creditors.]*

b. No State shall, without the consent of the Congress, lay any imposts or duties on imports or exports, except what may be absolutely necessary for executing its inspection laws; and the net produce of all duties and imposts, laid by any State on imports or exports, shall be for the use of the treasury of the United States; and all such laws shall be subject to the revision and control of the Congress.

c. No State shall, without the consent of Congress, lay any duty of tonnage, keep troops, or ships of war in time of peace, enter into any agreement or compact with another State, or with a foreign power, or engage in war, unless actually invaded, or in such imminent danger as will not admit of delay. **[The state militia was to bear the brunt until Congress could act. During Washington’s two-term Presidency, the U.S. army grew from 840 men to 7,108 men, as an example—how many men do you think you have now?]*

**[The First Congress represented you people beyond your best hopes. It organized the three branches of government, regulated foreign commerce, created a national bank and the national judiciary system, admitted the states of Vermont and Kentucky, initiated the Constitutional amendment process, established the census, funded the national debt, and dealt with petitions for increased tariffs on imported mustard, paint, cordage, cotton clothes and on and on. What do you have now? Bills presented to the president which cannot be line vetoed of things lumping such things as a pork-barrel requests with aid to Panama—one having nothing what-so-ever to do with the other and yet action cannot be taken on one without the other passing or failing also. “You’ve come a long way, Baby” I believe is a slogan of sorts. But it hasn’t been good!]*

ARTICLE 2

EXECUTIVE DEPARTMENT

Section 1. President and Vice President.

a. Term of office. The executive power shall be vested in a President of the United States of America. He shall hold his office

during the term of four years, and together with the Vice President, chosen for the same term, be elected as follows;

b. Electors. Each State shall appoint, in such manner as the legislature thereof may direct, a number of electors, equal to the whole number of Senators and Representatives to which the State may be entitled in the Congress; but no Senator or Representative, or person holding an office of trust or profit under the United States, shall be appointed an elector.

Former method of electing President and Vice President.

**[Superseded by the 12th Amendment.]* The electors shall meet in their respective States, and vote by ballot for two persons, of whom one at least shall not be an inhabitant of the same State with themselves. And they shall make a list of all the persons voted for, and of the number of votes for each; which list they shall sign and certify, and transmit sealed to the seat of government of the United States, directed to the President of the Senate. The President of the Senate shall, in the presence of the Senate and House of Representatives, open all the certificates, and the votes shall then be counted. The person having the greatest number of votes shall be the President, if such number be a majority of the whole number of electors appointed; and if there be more than one who have such majority, and have an equal number of votes, then the House of Representatives shall immediately choose by ballot one of them for President; and if no person have a majority, then from the five highest on the list the said house shall in like manner choose the President. But in choosing the President the votes shall be taken by States, the representation from each State having one vote; a quorum for this purpose shall consist of a member or members from two-thirds of the States, and a majority of all the States shall be necessary to a choice. In every case, after the choice of the President, the person having the greatest number of votes of the electors shall be the Vice President. But if there should remain two or more who have equal votes, the Senate shall choose from them by ballot the Vice President. **[Boy, that one really got a bashing by the acute wisdom of a rewriting of that section by amendment no. 12! But this is how total deterioration begins.]*

c. Time of elections. The Congress may determine the time of choosing the electors, and the day on which they shall give their votes; which day shall be the same throughout the United States.

d. Qualifications of the President. No person except a natural born citizen, or a citizen of the United States, at the time of

the adoption of this Constitution, shall be eligible to the office of President; neither shall any person be eligible to that office who shall not have attained to the age of thirty-five years, **[That is about as specific as you can get—35 years of age; not merely requiring "maturity" or "adequate age"]* and been fourteen years a resident within the United States.

e. **Vacancy.** **[This Clause has been affected by the 25th Amendment.]* In case of the removal of the President from office or of his death, resignation, or inability to discharge the powers and duties of the said office, the same shall devolve on the Vice President, and the Congress may by law provide for the case of removal, death, resignation, or inability, both of the President and Vice President, declaring what officer shall then act as President, and such officer shall act accordingly, until the disability be removed, or a President shall be elected.

f. **The President's salary.** The President shall, at stated times, receive for his services, a compensation, which shall neither be increased nor diminished during the period for which he shall have been elected, and he shall not receive within that period any other emolument from the United States, or any of them.

g. **Oath of office.** Before he enters on the execution of his office, he shall take the following oath or affirmation: — "I do solemnly swear (or affirm) that I will faithfully execute the office of President of the United States, and will to the best of my ability, preserve, protect and defend the Constitution of the United States." **[Do you think the founding fathers might be squirming in their graves?]*

Section 2. Powers of the President.

a. **Military powers; reprieves and pardons.** The President shall be Commander in Chief of the Army and Navy of the United States, and of the militia of the several States, when called into the actual service of the United States; he may require **[This led to the Presidential cabinet. It was referred to a "privy council". This, however, also became obsolete for power as the Presidents have moved on to utilizing input directly from their "advisors" such as Kissinger, etc., who are not even connected to the governing bodies.]* the opinion, in writing, of the principal officer in each of the executive departments *[the ONE explicit reference to bureaucracy.]* upon any subject relating to the duties of their respective offices, and he shall have power to grant reprieves and pardons for offences against the United States, except in cases of impeachment. *[Boy, that was a close one*

with Nixon, don't you think?]

b. **Treaties; appointments.** He shall have power, by and with the advice and consent of the Senate, to make treaties, provided two-thirds of the Senators present concur; and he shall nominate, and by and with the advice and consent of the Senate, shall appoint ambassadors, other public ministers and consuls, judges of the Supreme Court, and all other officers of the United States, whose appointments are not herein otherwise provided for, and which shall be established by law: but the Congress may by law vest the appointment of such inferior officers as they think proper, in the President alone, in the courts of law, or in the heads of departments.

c. **Filling vacancies.** The President shall have power to fill up all vacancies that may happen during the recess of the Senate, by granting commissions which shall expire at the end of their next session.

Section 3. Duties of the President.

He shall from time to time give to the Congress information of the state of the Union, and recommend to their consideration such measures as he shall judge necessary and expedient; he may, on extraordinary occasions, convene both houses, or either of them, and in case of disagreement between them with respect to the time of adjournment, he may adjourn them to such time as he shall think proper; he shall receive ambassadors and other public ministers; he shall take care that the laws be faithfully executed, and shall commission all the officers of the United States. **[Well, I would say that he does a very good job of "executing" the laws.]*

Section 4. Impeachment.

The President, Vice President and all civil officers of the United States shall be removed from office on impeachment for, and conviction of, treason, bribery, or other high crimes and misdemeanors. **[The last several of your Presidents have been guilty of all—why do you not do something lawfully written to get rid of them?]*

ARTICLE 3

JUDICIAL DEPARTMENT

Section 1. The Federal Courts.

The judicial power of the United States shall be vested in one Supreme Court, and

in such inferior courts as the Congress may from time to time ordain and establish. The judges, both of the Supreme and inferior courts, shall hold their offices during good behavior, and shall, at stated times, receive for their services, a compensation, which shall not be diminished during their continuance in office.

Section 2. Jurisdiction of the Federal Courts.

a. **Federal courts in general.** The judicial power shall extend to all cases, in law and equity, arising under this Constitution, the laws of the United States, and treaties made or which shall be made, under their authority;—to all cases affecting ambassadors, other public ministers and consuls;—to all cases of admiralty and maritime jurisdiction;—to controversies to which the United States shall be a party;—to controversies between two or more States;—between a State and citizens of another State;—between citizens of different States;—between citizens of the same State claiming lands under grants of different States, and between a State, or the citizens thereof, and foreign states, citizens or subjects. **[Parts of this section were altered by the 11th Amendment.]*

b. **Supreme Court.** In all cases affecting ambassadors, other public ministers and consuls, and those in which a State shall be a party, the Supreme Court shall have original jurisdiction. In all the other cases before mentioned, the Supreme Court shall have appellate jurisdiction, both as to law and fact, with such exceptions, and under such regulations as the Congress shall make.

c. **Rules respecting trials.** The trial of all crimes, except in cases of impeachment, shall be by jury; and such trial shall be held in the State where the said crimes shall have been committed; but when not committed within any State, the trial shall be at such place or places as the Congress may by law have directed.

Section 3. Treason. **[The only crime defined in the Constitution. Talking or thinking about committing a treasonable act is not considered treason in the U.S.—YET!]*

a. **Definition of treason.** Treason against the United States shall consist only in levying war against them, or in adhering to their enemies, giving them aid and comfort. No person shall be convicted of treason unless on the testimony of two witnesses to the same overt act, or on confession in open court.

b. **Punishment of treason.** The Congress shall have power to declare the pun-

ishment of treason, but no attainder of treason shall work corruption of blood, **[The next generation will not be penalized.]* or forfeiture except during the life of the person attainted.

ARTICLE 4

THE STATES AND THE FEDERAL GOVERNMENT

Section 1. State Records.

Full faith and credit shall be given in each State to the public acts, records, and judicial proceedings of every other State. **[Acts required of the states and drawn from the Articles of Confederation.]* And the Congress may by general laws prescribe the manner in which such acts, records, and proceedings shall be proved, and the effect thereof.

Section 2. Privileges and Immunities of Citizens.

a. Privileges. The citizens of each State shall be entitled to all privileges and immunities of citizens in the several States.

b. Extradition. A person charged in any State with treason, felony, or other crime, who shall flee from justice, and be found in another State, shall, on demand of the executive authority of the State from which he fled be delivered up, to be removed to the State having jurisdiction of the crime.

c. Fugitive workers. No person held to service or labor in one State, under the laws thereof, escaping into another shall in consequence of any law or regulation herein, be discharged from such service or labor, but shall be delivered up on claim of the party to whom such service or labor may be due. **[Superseded by the 13th Amendment. In 1857, Chief Justice Roger Brooke Taney declared that blacks were not people but "articles of merchandise." He invalidated the Missouri Compromise and made the Civil War all but inevitable. The fugitive slave clause, a Southern proposal, was not sanctioned under the Articles of Confederation. It was part of the historic Northwest Ordinance. But by 1860, slavery had become a national institution, legal wherever not forbidden by state law, and it had considerable Federal protection. Oh yes indeed, the laws had flaws and herein lies the irony—and further, by "voting-in" a thing does not make it so. Declaring the blacks to not be "people" made them no less people; nor the Indians nor, nor.]*

Section 3. New States and Territories.

a. Admission of new States. New States

may be admitted by the Congress into this Union; but no new State shall be formed or erected within the jurisdiction of any other State; nor any State be formed by the junction of two or more States, or parts of States, without the consent of the legislatures of the States concerned, as well as of the Congress.

b. Power of Congress over territory and property. The Congress shall have power to dispose of and make all needful rules and regulations respecting the territory or other property belonging to the United States; and nothing in this Constitution shall be so construed as to prejudice any claims of the United States, or of any particular State. **[Please note the separation of the United States and "any particular State". This is important when you get to the income tax laws, IRS, etc. If you reside in a "state" you are a citizen of that State—you are not a citizen of the United States as such. If this were true, the Constitution would have to read United State's citizen. It does not!]*

Section 4. Guarantees to the States.

The United States shall guarantee to every State in this Union a republican form of government, **[No action has ever been taken under this clause.]* and shall protect each of them against invasion; and on application of the legislature or of the executive (when the legislature cannot be convened) against domestic violence.

ARTICLE 5

METHOD OF AMENDMENT

The congress, whenever two-thirds of both houses shall deem it necessary, shall propose amendments to this Constitution, or, on the application of the legislatures of two-thirds of the several States, shall call a convention for proposing amendments, which, in either case shall be valid to all intents and purposes, as part of this Constitution, when ratified by the legislatures of three-fourths of the several States, or by conventions in three-fourths thereof, as the one or the other mode of ratification may be proposed by the Congress; provided that no amendments which may be made prior to the year one thousand eight hundred and eight shall in any manner affect the first and fourth clauses in the ninth section of the first article, and that no State, without its consent, shall be deprived of its equal suffrage in the Senate. **[The only amendment that can't be proposed. The clause was adopted to head off concern that three-fourths of the states might be brought to do things fatal to particular states, such as abolishing them altogether or depriving them of their equality in the*

Senate.]

ARTICLE 6 **[This is counterbalanced by the 10th Amendment.]*

GENERAL PROVISIONS

a. Public debt. All debts contracted and engagements entered into, before the adoption of this Constitution, shall be as valid against the United States under this Constitution, as under the Confederation. **[This was introduced by the mercurial Governor Edmund Randolph; it's been disclaimed by some as "legal robbery, such as the history of civilized nations can scarcely produce a parallel to." Pierce Butler (S.C.) was concerned that redemption of government paper at face value would succor the "bloodsuckers who had speculated on the distresses of others. . ." The question of full or partial redemption was left unresolved.]*

b. Supremacy of the Constitution. This Constitution, and the laws of the United States which shall be made in pursuance thereof; and all treaties made, or which shall be made, under the authority of the United States, shall be the supreme law of the land; **[The important clause, lifted from the magna Carta, was prompted by Congress' demand that states repeal laws violating the Treaty of Paris. States cannot pass laws contrary to the Constitution. The principle of Federal supremacy was tested in the Whiskey Rebellion (1794), and again in South Carolina's Ordinance of Nullification (1832) declaring void the Tariff Acts of 1828, and again of course in the Civil War.]*

c. Oath of office, no religious test **[Adopted unanimously by the delegates, though 11 of the states had a religious qualification for state representatives. Many also required voters to own property and office holders to be well off. Nowhere does the Constitution actually speak of separation of church and state. That there was no religious test provided ample ammunition for anti-Constitutionalists during the ratification process. God is not mentioned anywhere in the Constitution (but IS in the Declaration of Independence).]* shall ever be required as a qualification to any office or public trust under the United States.

ARTICLE 7

RATIFICATION OF THE CONSTITUTION

The ratification of the conventions of nine States shall be sufficient for the establishment of this Constitution between the States so ratifying the same.

Done in Convention by the unanimous consent of the States present the Seventeenth Day of September in the Year of our

Lord one thousand seven hundred and eighty seven and of the Independence of the United States of America the Twelfth. In Witness whereof We have hereunto subscribed our Names.

INCONVENTION MONDAY, SEPTEMBER 17TH, 1787.

Resolved,

That the preceding Constitution be laid before the United States in Congress assembled, and that it is the Opinion of this Convention, that it should afterwards be submitted to a Convention of Delegates, chosen in each State by the People thereof, under the Recommendation of its Legislature, for their Assent and Ratification; and that each Convention assenting to, and ratifying the Same, should give Notice thereof to the United States in Congress assembled.

Resolved, That it is the Opinion of this Convention, that as soon as the Conventions of nine States shall have ratified this Constitution, the United States in Congress assembled should fix a Day on which Electors should be appointed by the States which shall have ratified the same and a Day on which the Electors should assemble to vote for the President, and the Time and Place for commencing Proceedings under this Constitution. . .By the Unanimous Order of the Convention. **[Congress was not asked for its approval of the proposed Constitution, and didn't give it, but if Congress had decided not to send the Constitution to the states, there wasn't much its framers could have done. Ratification would be decided by "We the People" in convention state by state rather than by potentially hostile state legislatures, whose powers would be clipped by the Constitution. Just after the convention, James Madison said that "the document would neither effectually answer its national object nor prevent the local mischiefs which everywhere excite disgusts against state governments."]*

About 10,000 amendments have been introduced in Congress. Thirty-three were formalized and sent to the states for ratification. The seven not adopted by the necessary three-fourths of the states include two amendments in the First Congress' package of a dozen. The ten that were adopted are called, collectively,

the Bill of Rights.

Perhaps you should be reminded of the seven that were not ratified.

1789: concerning the ratio of members in the House of Representatives.

1789: concerning compensation to members of Congress.

1810: concerning the abrogation of citizenship for accepting gifts or titles of nobility from a foreign power without the consent of Congress. It missed adoption by only one state.

1861: concerning non-Congressional interference in slavery. Offered to head off the Civil War, it was adopted by only two states. It was the first proposed amendment signed by a President (Buchanan) before distribution to the states. (Just before he was murdered, President Lincoln signed the proposed Thirteenth Amendment.)

1924: concerning the labor of persons under 18 years of age. It was opposed by manufacturing associations and some religious groups.

1972: concerning equality of rights regardless of gender. E.R.A. fell three states short of adoption.

1978: concerning representation of the District of Columbia in the House and Senate. D.C. has a population larger than do four of the states. This one will continue to come up.

Three new proposals for amendments that are arousing interest would require: a balanced Federal budget; a four-year term for Representatives to coincide with the Presidential term; and modification of the treaty requirement, possibly to a straight majority decision. Then, of course, you are aware of the effort of Mr. Bush to cause an amendment to ban flag burning.

Dharma, allow us to leave this now. We will continue with the Bill of Rights.

Thank you for your service. I shall now move to stand-by that you might close this portion. Good-day.

The Bill Of Rights

5/21/90 #1 HATONN

Greetings in the Light of the Radiant One. Hatonn present.

BILL OF RIGHTS

The first 10 Amendments known as the Bill of Rights were ratified in 1791.

The "majestic generalities" of the first 10 Amendments reserve to the people or to the states powers not delegated to the Federal Government. None of these rights would be considered absolute. For instance, Mormons cannot "lawfully" extend freedom of religion to practicing polygamy, which would be against the laws of the whole.

In 1962 and 1963 the Supreme Court declared unconstitutional the practice of requiring children to say prayers and read the Bible in schools.

AMENDMENT 1

FREEDOM OF RELIGION, SPEECH, AND THE PRESS; RIGHT OF ASSEMBLY.

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances. **[The 14th Amendment has been construed to extend to the states the prohibitions of the 1st Amendment.]*

AMENDMENT 2

RIGHT TO KEEP AND BEAR ARMS.

A well-regulated militia, being necessary to the security of a free State, the right of the people to keep and bear arms, shall not be infringed. **[Please consider this most carefully. You the people are on the edge of having this Constitutional right buried forever. Arms do not kill people—people kill people. More people die of auto accidents attributed to alcohol consumption than even think of dying of guns lying in the closet in case of defense. Or, why do you not ban the butcher's knife from the kitchen and slice your meat with a fork? More kitchen knives kill domestic families than do guns! If you as a people do not begin to think in perspective, you will be rendered helpless and only the conspirator slave-masters and hardened*

criminals will have the weapons. You will have set up your own demise in an effort to control an element which cannot be controlled by such means. I shall be giving quite a dissertation on each of these "Bills of Rights", lest you have forgotten what freedom IS!]

AMENDMENT 3

QUARTERING OF TROOPS.

No soldier shall, in time of peace be quartered in any house, without the consent of the owner, nor in time of war, but in a manner to be prescribed by law. **[This Amendment was drawn because the British had forced colonists to take soldiers into their homes and board them. The first case to raise a real issue under this Amendment came in the early 1980s, in connection with the housing of riot-busting National Guardsmen in Sing Sing Prison, in the state of New York. That was not so long ago—how many remember it?]*

AMENDMENT 4

LIMITING THE RIGHT OF SEARCH.

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized. **[The 4th Amendment protects people, not places; it does not outlaw searches. Privacy—the right most valued by civilized men—has been implied by judicial decision. Herein is one of the most flagrantly interpreted laws of all. This is the way in which laws are "rewritten" without any realization on the part of the people; simply change a word here or there and act "as if" it were law. You have no privacy remaining and you are not safe from search and seizure in any present circumstance. I suggest that if you desire privacy that you get PRIVACY IN THE FISH-BOWL and study it most carefully.]*

AMENDMENT 5

GUARANTY OF TRIAL BY JURY; PRIVATE PROPERTY TO BE RESPECTED.

No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a grand jury, except in cases arising in the land or naval forces, or in the militia,

when in actual service in time of war or public danger; nor shall any person be subject for the same offense to be twice put in jeopardy of life or limb; nor shall be compelled in any criminal case to be a witness against himself, nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use, without just compensation. **[A restraint on the Federal government; in the 14th Amendment, it is a restraint upon state governments. In addition, insistent demands for still more assurance of the jury over the judiciary led to the 6th and 7th Amendments. Well, chelas, you have allowed this entire Amendment to go by the way-side. There is practically NO JUSTICE IN YOUR JUSTICE SYSTEM. Ah, but you say, it is STILL the best in the world? No it is not; it is totally corrupted and there is no justice to be found. Even that which appears to be just—is "fixed". This is the full intent of the Zionists and you have fallen into the entrapment and it will devour you. So be it.]*

AMENDMENT 6

RIGHTS OF ACCUSED PERSONS.

In all criminal prosecutions, the accused shall enjoy the right to a speedy and public trial, by an impartial jury of the State and district wherein the crime shall have been committed, which districts shall have been previously ascertained by law, and to be informed of the nature and cause of the accusation; to be confronted with the witnesses against him; to have compulsory process for obtaining witnesses in his favor, and to have the assistance of counsel for his defense. **[Let me example the heinous and total disregard for this entire Amendment. You have practically no law of the "common" variety. All imposed upon you are but Admiralty execution at the hands of the Judge. Let us consider the case of Oberli's dwelling which has some more than \$200,000 at stake. The entire story will be given when we get to the Judicial System, however, for reference this will suffice. Thus far it has required two years and over \$80,000 in legal costs to these ones and they have not been able to even precipitate a hearing before the Judge (who is running for office again in two weeks) much less even be considered for a jury hearing. The full intent is to simply run the citizens out of funds and capture the property for the bank.*

Oberli, please see to it that Dharma's letter to the paper be placed in this placement so that our readers are not completely without reference. I intend to detail this case later for it is something that

could touch any of you. This activity will become more rampant as the S&Ls and Banks fold and then begin to rape the economy and "you the people".]

LETTERS TO THE EDITOR

WHAT BECAME OF JUSTICE AND THE CONSTITUTION? Briefly: On May 24, 1988 there was to have been a public auction "for our property" due to foreclosure of prior owners (we have a land contract). Santa Barbara Savings carried the note and suggested we clear title by re-buying at the auction. Then began the nightmare. We went to the sale with money in hand and rapture in the heart for "today we would own our home"; THERE WAS NO SALE! Witnesses of the NO-SALE (at City Hall) were the Bakersfield City Clerk and the City Treasurer. Both attended three ensuing court sessions in the Mojave Court wherein the case was never "heard" because of "improper paper-work". That began two years and some eight court actions ago, plus over \$80,000 to us in legal costs. (To re-offer the sale would have cost less than \$500, but SBS refused.)

In court I asked, "How does a person obtain justice?" Mr. Brent politely explained that we should get a lawyer! (over the New Year's week-end!) In some five sessions we have never been allowed to speak nor have our witnesses been heard. We got attorneys—neither were they heard. At our last encounter Judge Brent came to the bench stating he had "made up his mind" and refused to hear our attorney's argument as he "didn't want any more facts". He said we were "dead-beats trying to rip-off SBS" and stated he wouldn't allow the case to go further because if SBS won "they wouldn't get a penny from Ekkers". Funny thing—the audio tape of the session in court has mysteriously disappeared; but the courtroom was full of people who witnessed the personal insults. A Superior court judge temporarily set aside Brent's ruling to allow us to rent the property by paying \$1,500 per month plus taxes and insurance while we await appeal, which could take as long as two to four years in Superior Court.

Two weeks ago we attended a debate between Brent and John Quinlen, the opposing candidate for Municipal Court Judge. Brent looked directly at us and said he hadn't ever had a case overturned. I guess not if court records are consistently "lost". Where is justice? If we win the appeal of Brent's ruling we can expect at least 4 more sessions at some \$5-\$10,000 each! April's legal bill was \$9,500. Once you are in "the system" you completely lose control of your costs.

WHAT HAPPENED TO OUR CONSTITUTION—OUR BILL OF RIGHTS? MENTION "CONSTITUTION" AND YOU ARE PRACTI-

CALLY CITED FOR CONTEMPT OF COURT! Even our own attorneys snicker at the word.

Judge Brent uses as campaign rhetoric that he was a member of Stallion Springs CSD and feeds the wild coons and foxes; offering that as proof of caring community participation. Well, Mr. Ekker is President of the Golden Hills POA and we have a wildlife sanctuary in our back area and also raise birds in a permanent aviary. Where do you put breeding birds when you are evicted? SBS is history—what do we do now? Does anyone actually believe we will get justice from a seized S&L who gave its top executives large raises just prior to seizure—in fact, precipitating seizure?

Our personal problem is not the point. THE CONSTITUTION IS THAT WHICH IS THE POINT. I am author of the internationally recognized PHOENIX JOURNALS and have published 13 books. I am now writing RAPE OF THE CONSTITUTION AND DEATH OF JUSTICE. Ones ask if I am not afraid to confront the system and "God" Brent? Yes, frankly I am terrified! But you see, I have EVERYTHING TO LOSE IF I DO NOT! IF WE THE PEOPLE DO NOT TAKE A STAND FOR OUR CONSTITUTION WE ARE DESTINED TO PERISH AS A FREE NATION. THE JUSTICE SYSTEM IS ALL BUT DEAD AND YOU, DEAR NEIGHBOR, MAY VERY WELL BE THE NEXT CAUGHT IN THE INVISIBLE TRAP. CONSIDER YOUR VOTE MOST CAREFULLY. IF WE ALLOW OUR FREEDOMS TO BE STOLEN FROM US THEN WE DESERVE THAT WHICH BEFALLS US.

"DHARMA" EKKER

AMENDMENT 7

RULES OF THE COMMON LAW

In suits at common law, where the value in controversy shall exceed twenty dollars, the right of trial by jury shall be preserved, and no fact tried by a jury, shall be otherwise re-examined in any court of the United States than according to the rules of common law. *["We the people" (back in those days) demanded assurance that the jury was stronger than the judiciary—wouldn't it be nice to return to that condition? You can, you know.]

AMENDMENT 8

EXCESSIVE BAIL, FINES AND PUNISHMENT PROHIBITED.

Excessive bail shall not be required, nor excessive fines imposed, nor cruel and unusual punishments inflicted. *["I suppose you have come a ways, my friends, as in the 1780s they included quartering and burning at the stake. Interestingly enough, your first prison was established by the Quakers in Philadelphia. They believed a prison sentence

could reform criminals. Unfortunately, the worst criminals of your day are right in your government and police.]

AMENDMENT 9

RIGHTS RETAINED BY THE PEOPLE.

The enumeration in the Constitution of certain rights shall not be construed to deny or disparage others retained by the people. *["The Constitution did not pretend to have listed all the specific rights of the people. The 9th and 10th Amendments are a guarantee of federalism. Article 2 of the Articles of Confederation had provided: "Each state retains its sovereignty, freedom, and independence and every power, jurisdiction and right. . . not. . . expressly delegated to the United States in Congress assembled."]

AMENDMENT 10

POWERS RESERVED TO STATES AND PEOPLE.

The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people.

*["This Amendment, of paramount importance, limits the Federal government to certain powers. It was framed in order to allow states jurisdiction of citizens in its area. The unfortunate thing is that in the new interpretations the laws are manipulated to suit the interests of the controllers involved, i.e., IRS, Military, Judicial sessions, etc.]

THERE HAVE BEEN ONLY 16 AMENDMENTS SINCE 1791

By the way, simply writing a new Amendment does not dissolve that which came before. To REPEAL that which comes prior to an Amendment, there MUST BE A SUBSEQUENT AMENDMENT STATING THE REPEAL THEREOF. THIS ONE FACTOR CAUSES YOUR INCOME TAX LAWS PRACTICED UPON YOU THE PEOPLE, TO BE TOTALLY AND UNERRINGLY UNCONSTITUTIONAL AND UNLAWFUL. YES, I SHALL SPEAK AT LENGTH REGARDING THIS SUBJECT AND SHALL ENJOY IT WITH GREAT GUSTO. REMEMBER, "LAME DUCKS", IF YOU DON'T WAKE UP YOU ARE "DEAD DUCKS"!]

AMENDMENT 11

LIMITING THE POWERS OF FEDERAL COURTS.

The judicial power of the United States shall not be construed to extend to any suit in law or equity, commenced or prosecuted against one of the United States by citizens of another State, or by citizens or subjects

of any foreign state. **[This is the only amendment that concerns the judicial branch of the Federal government; these cases are tried now only in state courts. The 11th modifies Article 3, Section 2, Paragraph 1. It was a purely political Amendment introduced the day after the Court had ruled that a citizen of one state had the right to sue another state.]*

AMENDMENT 12

ELECTION OF PRESIDENT AND VICE PRESIDENT.

The electors shall meet in their respective States, and vote by ballot for President and Vice President, one of whom, at least, shall not be an inhabitant of the same State with themselves; they shall name in their ballots the person voted for as President, and in distinct ballots the person voted for as Vice President, and they shall make distinct lists of all persons voted for as President, and of all persons voted for as Vice President, and of the number of votes for each, which lists they shall sign and certify, and transmit sealed to the seat of government of the United States, directed to the President of the Senate;—the President of the Senate shall, in the presence of the Senate and House of Representatives, open all the certificates and the votes shall then be counted;—the person having the greatest number of votes for President shall be the President, if such number be a majority of the whole number of electors appointed; and if no person have such majority, then from the persons having the highest numbers not exceeding three on the list of those voted for as President, the House of Representatives shall choose immediately, by ballot, the President. But in choosing the President, the votes shall be taken by States, the representation from each State having one vote; a quorum for this purpose shall consist of a member or members from two-thirds of the States, and a majority of all the States shall be necessary to make a choice. And if the House of Representatives shall not choose a President whenever the right of choice shall devolve upon them, before the fourth day of March next following, **[The "lame duck" clause was superseded by Section 3 of the 20th Amendment.]* then the Vice President shall act as President, as in the case of the death or other constitutional disability of the President. The person having the greatest number of votes as Vice President, shall be the Vice President, if such a number be a majority of the whole number of electors appointed, and if no person have a majority, then from the two highest numbers on the list, the Senate shall choose the Vice President; a quorum for the purpose shall consist of two-thirds of the whole number of Senators, and a

majority of the whole number shall be necessary to a choice. But no person constitutionally ineligible to the office of President shall be eligible to that of Vice President of the United States.

AMENDMENT 13

SLAVERY ABOLISHED.

Section 1. Abolition of Slavery.

Neither slavery nor involuntary servitude, except as a punishment for crime whereof the party shall have been duly convicted, shall exist within the United States, or any place subject to their jurisdiction.

Section 2. Enforcement.

Congress shall have power to enforce this article by appropriate legislation.

AMENDMENT 14

CITIZENSHIP DEFINED

Section 1. Definition of Citizenship.

All persons born or naturalized in the United States, and subject to the jurisdiction thereof, are citizens of the United States and of the State wherein they reside. No State shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any State deprive any person of life, liberty, or property, without due process of law; **[Pay attention here; this was originally intended for the protection of Negroes, THIS CLAUSE HAS BEEN USED BY CORPORATIONS TO PROTECT THEIR PROPERTY. A CORPORATION IS A "PERSON" IN THE EYES OF THE LAW. Unless the due process clause is construed to include the most important parts of the first eight Amendments, the states would be free, in theory, to establish an official church or to inflict cruel and unusual punishment. The Reagan Administration has argued that the 14th Amendment cannot be used to make the Bill of Rights binding on state governments.]* nor deny to any person within its jurisdiction the equal protection of the laws.

Section 2. Apportionment of Representatives.

Representatives shall be apportioned among the several States according to their respective numbers, counting the whole number of persons in each State, excluding Indians not taxed. But when the right to vote at any election for the choice of electors for President and Vice President of the United States, Representatives in Congress, the executive and judicial officers of a State, or the

members of the legislature thereof, is denied to any of the male inhabitants of such State, being twenty-one years of age, **[This was never enforced, it became moot in the 1960s when the voting rights laws became effective.]* and citizens of the United States, or in any way abridged, except for participation in rebellion, or other crime, the basis of representation therein shall be reduced in the proportion which the number of such male citizens shall bear to the whole number of male **[Only use of "male" in your Constitution.]* citizens twenty-one years of age in such State. **[Changed by Section 1 of the 26th Amendment.]*

Section 3. Disability Resulting from Insurrection.

No person shall be a Senator of Representative in Congress, or Elector of President and Vice President, or hold any office, civil or military, under the United States, or under any State, who, having previously taken an oath, as a member of Congress, or as an officer of the United States, or as a member of any State legislature, or as an executive or judicial officer of any State to support the Constitution of the United States, shall have engaged in insurrection or rebellion against the same, or given aid or comfort to the enemies thereof. But Congress may by a vote of two-thirds of each house, remove such disability. **[No voting requirement was established. The states set terms by which people became qualified to vote. Sections 3 and 4 of the 14th Amendment are now obsolete. Who said? How did that "just" happen?]*

Section 4. Public Debt of the United States Valid; Confederate Debt Void.

The validity of the public debt of the United States, authorized by law, including debts incurred for payment of pensions and bounties for services in suppressing insurrection or rebellion, shall not be questioned. But neither the United States nor any State shall assume or pay any debt or obligation incurred in aid of insurrection or rebellion against the United States, or any claim for the loss or emancipation of any slave; but all such debts, obligations, and claims shall be held illegal and void. **[How interesting—you do it all the time and every day, from one corner of your globe to the other. You go further in that you not only incur the debts but pay dearly and supply the very essential arms to be used against you!]*

Section 5. Enforcement.

The Congress shall have power to enforce

by appropriate legislation the provisions of this article.]

AMENDMENT 15

RIGHT OF SUFFRAGE.

Section 1. The Suffrage.

The right of citizens of the United States to vote shall not be denied or abridged by the United States or any State on account of race, color, or previous condition of servitude.

Section 2. Enforcement.

The Congress shall have power to enforce this article by appropriate legislation. **[Now let us look at the assumptions and critical beginnings of writing exactly what you want and ignoring intent. The 15th Amendment was necessary because the Supreme Court alone cannot always protect rights guaranteed by the Constitution. Blacks must not be deprived of the ballot because of their race or because they were slaves but some states very quickly found establishment of grounds to deny them the vote. From 1820, when Maine separated from Massachusetts and joined the Union as a free state to counter slave-state Missouri, until after the Civil War, every new state denied the vote to free blacks. Only the three Reconstruction Amendments (13, 14, and 15) had numbers assigned to them at the time of ratification. This is only important in that by simply referring to numbers, the public is too lazy to become informed and therefore, all manner of changes can be made without attention. It was not until 1879 that it was established that Native Americans were protected by the Constitution. Aren't humans nice beings?]*

NOW FOR THE BIGGIE:

AMENDMENT 16

INCOME TAX. **[YOU HAD BETTER GET YOUR MAGNIFYING GLASS!]*

**[This was the first new Amendment in over 40 years. It made the income tax legal, so they said. An individual subsequently would be taxed according to the size of his income rather than according to the population of the state in which he happened to live. Legal? Of course! Lawful? No! for there was never rescinding of anything written before and there were no legal ways to enforce the non-law. This is a prime example of law by assumption—"they" pronounce a law which neither fits Constitutionally nor does it have truth and yet you all flow along like the sheep to the slaughter door and do so without question. I have previously written on this matter and shall again, at great in-depth perspective but the actions are up to you the*

people.]

The Congress shall have power to lay and collect taxes on incomes, from whatever source derived, without apportionment among the several States, and without regard to any census or enumeration. **[Dear ones, there are at least four things right off the top which renders this Amendment unlawful. I will give you one herein that you can do some homework. The history books will tell you that on February 3, 1913 the 16th Amendment to the U.S. Constitution was ratified. Three-fourths of the states—the number required by the Constitution—approved the proposed amendment, you are told, and the "progressive" individual "income tax" was set in place.*

However, buried in the National Archives is an interesting document—hidden until recently, for lo these many years. This document shows, beyond question or argument, that, in fact, the income tax amendment was NEVER CONSTITUTIONALLY RATIFIED—THAT THE 16TH AMENDMENT IS WHAT SOME ARE NOW CALLING A "LAW THAT NEVER WAS". The IRS is/was a private corporation with no authority what-so-ever to collect anything and on and on and on—and even if it had been ratified there is no Amendment dissolving any Constitutional statement prior to the 16th. Is it possible that you as a nation full of sleepy people were HAD? Oh, you say, "Well, who would support the government if you didn't pay income taxes?" Do you like supporting the government which gives you all your nice freedoms? Further, are you aware that personal income taxes only go toward the "debt"? Also, may I remind you that you work almost half a year to pay your personal taxes, and nothing more? So be it! You shall have it exactly like you want it to be—robbed at the point of a gun in the hands of the "justice" system and the law enforcers. Of course the government doesn't want you to know these things. It can be obtained from Liberty Library: THE INCOME TAX AMENDMENT IS NULL AND VOID.

300 Independence Ave. SE Washington D.C. 20003. Begin now to do your homework for I am going to lay a lot more on you.

AMENDMENT 17

DIRECT ELECTION OF SENATORS.

a. Election by the people. The Senate of the United States shall be composed of two Senators from each State, elected by the people thereof, for six years; and each Senator shall have one vote. The electors in each State shall have the qualifications requisite for electors of the most numerous branch of the State legislatures.

b. Vacancies. When vacancies happen in

the representation of any State in the Senate, the executive authority of such State shall issue writs of election to fill such vacancies: Provided that the legislature of any State may empower the executive thereof to make temporary appointments until the people fill the vacancies by election as the legislature may direct.

c. Not retroactive. This amendment shall not be so construed as to affect the election or term of any Senator chosen before it becomes valid as part of the Constitution.

AMENDMENT 18

NATIONAL PROHIBITION. **[Herein we can point out the proper way in which Amendments are passed and rescinded. The 18th Amendment was passed in 1919 and repealed by Amendment 21 in 1933. There is no such repeal of tax laws prior to Amendment 16 by comparison.]*

Section 1. Prohibition of Intoxicating Liquors.

After one year from the ratification of this article the manufacture, sale, or transportation of intoxicating liquors within, the importation thereof into, or the exportation thereof from the United States and all territory subject to the jurisdiction thereof for beverage purposes is hereby prohibited. **[Underlined because it was repealed by the 21st Amendment.]*

Section 2. Enforcement.

The Congress and the several States shall have concurrent power to enforce this article by appropriate legislation.

Section 3. Limited Time for Ratification.

This article shall be inoperative unless it shall have been ratified as an amendment to the Constitution by the legislatures of the several States, as provided in the Constitution, within seven years from the date of the submission hereof to the States by the Congress.

AMENDMENT 19

EXTENDING THE VOTE TO WOMEN.

Section 1. Woman Suffrage.

The right of citizens of the United States to vote shall not be denied or abridged by the United States or by any State on account of sex.

Section 2. Enforcement.

The Congress shall have power to enforce this article by appropriate legislation.

AMENDMENT 20

BEGINNING OF PRESIDENTIAL AND CONGRESSIONAL TERMS.

Section 1. Terms of President, Vice President, and Congress.

The terms of the President and Vice President shall end at noon on the 20th day of January, and the terms of Senators and Representatives at noon on the 3rd day of January, of the years in which such terms would have ended if this article had not been ratified; and the terms of their successors shall then begin.

Section 3. Sessions of Congress.

If at the time fixed for the beginning of the term of the President, the President elect shall have died, the Vice President elect shall become President. If a President shall not have been chosen before the time fixed for the beginning of this term, or if the President elect shall have failed to qualify, then the Vice President elect shall act as President until a President shall have qualified; and the Congress may by law provide for the case wherein neither a President elect nor a Vice President elect shall have qualified, declaring who shall then act as President, or the manner in which one who is to act shall be selected, and such person shall act accordingly until a President or Vice President shall have qualified.

Section 4. Choice of President by the House.

The Congress may by law provide for the case of the death of any of the persons from whom the House of Representatives may choose a President, whenever the right of choice shall have devolved upon them, and for the case of the death of any of the persons from whom the Senate may choose a Vice President whenever the right of choice shall have devolved upon them.

Section 5. Date Effective.

Sections 1 and 2 shall take effect on the fifteenth day of October following the ratification of this article.

Section 6. Limited Time for Ratification.

AMENDMENT 21

REPEAL OF THE PROHIBITION AMENDMENT.

Section 1. Repeal of Amendment 18.

The eighteenth article of amendment to the Constitution of the United States is hereby repealed.

Section 2. States Protected.

The transportation or importation into any State, territory or possession of the United States for delivery or use therein of intoxicating liquors in violation of the laws thereof, is hereby prohibited.

Section 3. Limited Time for Ratification.

This article shall be inoperative unless it shall have been ratified as an amendment to the Constitution by conventions in the several States, as provided in the Constitution, within seven years from the date of the submission hereof to the States by the Congress.

AMENDMENT 22

TWO-TERM AMENDMENT.

Section 1. Presidential Term Limited.

No person shall be elected to the office of the President more than twice, and no person who has held the office of President, or acted as President, for more than two years of a term to which some other person was elected President shall be elected to the office of the President more than once. But this article shall not apply to any person holding the office of President when this article was proposed by Congress, and shall not prevent any person who may be holding the office of President, or acting as President, during the term within which this article becomes operative from holding the office of President or acting as President during the remainder of such term.

Section 2. Limited Time for Ratification.

This article shall be inoperative unless it shall have been ratified as an amendment to the Constitution by the legislatures of three-fourths of the several States within seven years from the date of its submission to the States by the Congress.

AMENDMENT 23

WASHINGTON, D.C., VOTE.

Section 1. Appointment of Electors.

The District constituting the seat of Government of the United States shall appoint in such manner as the Congress may direct: A number of electors of President and Vice President equal to the whole number of Senators and Representatives in Congress to which the District would be entitled if it were a State, but in no event more than the least populous State; they shall be in addition

to those appointed by the States, but they shall be considered, for the purposes of the election of President and Vice President, to be electors appointed by a State; and they shall meet in the District and perform such duties as provided by the twelfth article of amendment.

Section 2. Enforcement.

The Congress shall have power to enforce this article by appropriate legislation.

AMENDMENT 24

ABOLITION OF POLL TAXES.

Section 1. Voting Rights.

The right of citizens of the United States to vote in any primary or other election for President or Vice President, for electors for President or Vice President, or for Senator or Representative in Congress, shall not be denied or abridged by the United States or any State by reason of failure to pay any poll tax or other tax.

Section 2. Enforcement.

The Congress shall have power to enforce this article by appropriate legislation.

AMENDMENT 25.

PRESIDENTIAL SUCCESSION.

Section 1. Vice President Becomes President.

In case of the removal of the President from office or of his death or resignation, the Vice President shall become President.

Section 2. Filling the Vice Presidency.

Whenever there is a vacancy in the office of the Vice President, the President shall nominate a Vice President who shall take office upon confirmation by a majority vote of both houses of Congress.

Section 3. Vice President as Acting President.

Whenever the President transmits to the President pro tempore of the Senate and the Speaker of the House of Representatives his written declaration that he is unable to discharge the powers and duties of his office, and until he transmits to them a written declaration to the contrary, such powers and duties shall be discharged by the Vice President as Act-

ing President.

Section 4. Presidential Incapacity.

Whenever the Vice President and a majority of either the principal officers of the executive departments or of such other body as Congress may by law provide, transmit to the President pro tempore of the Senate and the Speaker of the House of Representatives their written declaration that the President is unable to discharge the powers and duties of his office, the Vice President shall immediately assume the powers and duties of the office as Acting President.

President assumes office. Thereafter, when the President transmits to the President pro tempore of the Senate and the Speaker of the House of Representatives his written declaration that no inability exists, he shall resume the powers and duties of his office unless the Vice President and a majority of either the principal officers of the executive department or of such other body as Congress may by law provide, transmit within four days to the President pro tempore of the Senate and the Speaker of the House of Representatives their written declaration that the President is unable to discharge the powers and duties of this office. Thereupon Congress shall decide the issue, assembling within forty-eight hours for that purpose if not in session. If the Congress, is not in session, within twenty-one days after Congress is required to assemble, determines by two-thirds vote of both houses that the President is unable to discharge the powers and duties of his office, the Vice President shall continue to discharge the same as Acting President; otherwise, the President shall resume the powers and duties of his office.

AMENDMENT 26

EXTENDING THE VOTE TO EIGHTEEN YEAR OLDS.

Section 1. Eighteen-Year-Old Suffrage.

The right of citizens of the United States, who are eighteen years of age or older, to vote shall not be denied or abridged by the United States or by any State on account of age.

Section 2. Enforcement.

The Congress shall have power to enforce this article by appropriate legislation.

Let us leave this portion as we have placed to document the Constitution and Amendments as written. Salu,

Hatonn to clear, please.

The Communist Manifesto

1/30/91 #1 HATONN

QUOTE:

Americans, who have been watching the degeneration of our society, the increase in violence, drugs, pornography, and the national debt, often write us for advice about what to do "once the nation falls" into socialism, insolvency and surrender. Some use the forbidden "C" word, by asking what they should do "when the communists take over." My friends, when the Thought-theology (psychopolitics) of what we understand is communism finally takes over in America, **it will NOT be called by that name. The Hammer and Sickle will probably never adorn any flag. (Communism will be called "democracy" and accepted by most Americans with dancing in the streets!)**

Does this sound preposterous? Think about it. How would you know "when communism, sold as democracy," is the ultimate law of the land? If those who are now employing "more powerful levers and more subtle webs" succeed in their plans, most of those living in this country may not notice much of a difference from what they think of as the American Way these days!

Karl Marx, the Jewish hippy who invented what is known today as "Scientific socialism", was not himself a communist and never claimed to be one. Mr. Marx, it is now known, collaborated with some wealthy totalitarian socialists, and they let him put his name on their joint effort, and it was titled, THE COMMUNIST MANIFESTO. It was a scheme of powerful levers and subtle webs. There is so little difference between socialism and communism that 70 years after the COMMUNIST MANIFESTO was published, Lenin, the socialist founder of modern communism, called himself a communist but named Russia and other conquered territories the Union of **Socialist** Republics. Regardless of what communism is called, it would be identified by at least ten basic planks as set forth in the MANIFESTO. These political planks need to be listed here, not only as a review but as a template by which to gauge the American government and policies today. (Hatonn: I have given you all of these but perhaps you will see and hear more clearly if they are again laid forth from Earth-man.)

1) **ABOLITION OF PROPERTY IN LAND AND APPLICATION OF ALL RENTS TO PUBLIC USE.**

Did you know that the Federal Govern-

ment of Washington, D.C. now owns over 40% of the land mass of the United States? That is more land than the entire country east of the Mississippi River. It does so in direct violation of the United States Constitution. The Federal Government now owns more than 10% of all industrial properties, and owns railroads, barge lines, etc. As the government buys more and more land, this property is taken off the tax rolls, and this increases the taxes all of us must pay on the land we suppose that we own. Most Americans think that they own their land. They think that a certain parcel upon which they live actually belongs to them. Have your lawyer explain to you why your deeds have been drawn as they have or why you and your wife are called "tenants in common" and other strange language and phrases. Here is the rule of law: If you must pay the state or county a "property tax", and the state or county can sell your property to someone else if you fail to pay the tax, you are not the actual and lawful owner of that land or property! Marx called the use tax on land, rent. Today it is called "property tax" and while universally accepted by most Americans, the property tax is 100% Marxist (communist) in nature. How then will you know when "communism takes over?"

The land that is still informally held in private hands, is now subject to state and municipal controls called "land use" and you can only do certain things on land that you suppose you own. If you actually owned it, instead of being merely a "tenant with a vested interest in it", no city, state or federal controls could be imposed upon it. Yet, you accept zoning restrictions as normal and allow the city to impose "rent controls". You sit tight when the Federal Government tells you, via an unconstitutional statute, that you must rent "your property" to anyone who comes to your door, regardless of race, color, national origin and sexual preference. From where did they get the lawful jurisdiction to tell you what you can do on "your property"? If indeed it is your property, there is no such authority except that which you voluntarily submit to. However, since you are merely a tenant paying property use tax rent on the land, they have every right to tell you how you will use that property and how far from the property line you must build any house, etc. Can you imagine Patrick Henry putting up with such nonsense? Of course not! But then, Patrick Henry was a Freeman, not a communist. He did not hold communist ideas about the

use of land, as most Americans today do. How about you? Are you a communist when it comes to land use? As to the use of land, every Senator and every Congressman is a communist today. Nothing much will change "when communism takes over", except that you will know that you are a mere tenant and not a land owner as you had supposed for years. Some of you tenants will be pushed off the state's land so that another tenant can use your nice home and farm and if you illegally resist, you may be legally shot.

When the communist agent, Woodie Guthrie, wrote the now famous song, "This Land is My Land; this Land is Your Land..." he was writing with the communist understanding about land and land ownership. Yet patriotic groups, ignorant of communist objectives, often sing that song with the same attitude and reverence as they do with America, the Beautiful. Good grief!

2) A HEAVY PROGRESSIVE OR GRADUATED INCOME TAX.

This is probably the best known of the Marxist-Communist political concepts in use today in America. If there is any communist statute or regulation that has been imposed unlawfully on most Americans, and one which affects their very lives and fortunes the most, the communist income tax has to be it. If there was any statute that employed more "powerful levers" or "subtle webs", you would be hard pressed to find it. As with the progressive tax on property, it is a communist idea of "from each according to his ability and to each according to his need" that finds exact expression in the federal and state graduated income tax laws. Yet 90% of all Americans accept that system of federal revenue taxation as if it were both Scriptural and American. It is neither. It comes from the Babylonian Talmud, and is the main cornerstone of communist Thought-theology, Marxism-Leninism is not only a political thought, but is also the religion of the communist-socialist. I was sitting at a restaurant meal with two Baptist ministers and their wives recently. These men had come to see me regarding several theological opinions that I hold and set forth in STAR WARS 4. During the discussion, the subject of the Marxist federal income tax came up, and I stated that I had not filed a return in over 20 years. One of the minister's wives blurted right out, "I think I should turn you in!" Here was a woman claiming to be a Christian who was perfectly at ease turning in another Christian to the federal authorities over the matter of a communist taxing system! What did the two ministers say concerning the outburst from this wife? Nothing. Now, how could they understand the deeper

meanings of STAR WARS 4 when they were functional communists in Thought-theology (Psychopolitics)? Here is a plank of the COMMUNIST MANIFESTO so ingrained in their sub-conscious minds that they were silent when this woman suggested that I be turned over to the authorities! It is a well-known hallmark of communism when you see people turning in their neighbors to the authorities. It is now beginning on a large scale in America with such carefully prepared TV shows as UNSOLVED MYSTERIES, where the TV uses brutal murders, drug and child abuse crimes to get the public accustomed to thinking about turning people in so as to solve these crimes. You will become a "state hero" and even paid \$1,000 for your help. Next, you will be paid for turning in people who own firearms or teach the citizenry about unlawful government activities. Will you really recognize the point "when communism takes over?"

3) ABOLITION OF ALL RIGHT TO INHERITANCE.

In spite of the federal Estate Tax of 1916, your Marxist government has yet to accomplish this objective. They have imposed a heavy inheritance tax, illegally confiscating a large part of that property a man leaves to his children. After a couple of generations, the property is gone. How many people do you know who still live on their grandfather's farm or ranch? Naturally, the lower classes, who have chosen not to save enough to purchase property, have no inheritances to leave. The super-rich have been provided the use of tax-exempt foundations so that their wealth is passed on to their posterity. It is the great middle-class that the Marxist objectives are directed toward, and which succeed very well in America. Where does the federal government get the authority and jurisdiction to tax the property of the deceased?

4) CONFISCATION OF THE PROPERTY OF EMIGRANTS AND REBELS.

Emigrants are people who *leave* a country, and that does not apply to Americans. However, look at what is done to Americans your government calls "rebels." All your government needs to do is allege that a person is a "tax resister" or a drug pusher and his property and real estate can be confiscated without due process. Some of you saw the story on INSIDE EDITION where a citizen's property was taken by the Federal authorities without due process merely because she had rented the house to people later determined to have been using the house for drug traffic. All your government needs to do is allege that property, real estate, cars, boats, etc.,

are owned by those involved in drugs, and this property can be taken and sold under Public Law 99-570 set in place in 1986. You have read the horror stories. Some minimum wage seaman can sneak drugs aboard a million dollar ship, *unknown to the owners or the captain*, and the ship is confiscated by the government without due process of law! HOW WILL YOU KNOW WHEN COMMUNISM TAKES OVER?

5) CENTRALIZATION OF CREDIT IN THE HANDS OF THE STATE, BY MEANS OF A NATIONAL BANK WITH STATE CAPITAL AND AN EXCLUSIVE MONOPOLY.

It was through the Federal Reserve Act of 1913 that the private banking cartel known as the FEDERAL RESERVE BANK came into being. It is through this scheme, with the government controlling the banks and credit for the benefit of the secret shareholders, that the effect of this objective of the communists came into being in the United States. The super rich bankers, while they liked the controls envisioned by Karl Marx, decided that all the usury and profits should go into *THEIR* pockets instead of the federal coffers. It is this small bank of International Bankers who decide how much interest you are going to pay on your home mortgage and they have the monopoly power to force other banks to charge the same rates. Individual credit can be given or withheld at the whim of these bankers. The private FEDERAL RESERVE BANKING SYSTEM is neither "federal" nor does it have any "reserves" as commonly thought. The local Federal Reserve Bank is not listed under agencies of the Federal Government in your phone book, but listed in the white pages as any other private business.

The FEDERAL RESERVE NOTES, which you carry in your pocket, though printed by the federal government for those private banker's use, and identified as "legal tender", are in fact privately circulated bank notes. As "notes" they do not certify that the U.S. Treasury has gold or silver to "back them" but state on their face that the U.S. Government is in debt to that amount. You are not paying your bills with certificates of wealth, but with evidences of federal debt. You are passing the U.S. debt to the bankers around among yourselves as if it was lawful money. The *private* Federal Reserve makes huge profits for its member banks, *and yet it pays no federal or state income taxes*, and they have never been audited by any government agency. A couple of years ago, Senator Metcalf of Washington State launched a campaign against the FEDERAL RESERVE and had it put on the ballot to restore the

right to create money to the Congress as specified in the Constitution. The people in Washington State were so ignorant or communist-minded that they actually voted it down! **HOW WILL YOU KNOW...?**

In 1933, when so many banks lost their shirts and had to repay their depositors or close their doors, the FEDERAL RESERVE ACT was changed to incorporate the Federal Deposit Insurance Corporation (FDIC) (*Hatonn: Note "Corporation" which designates private.*) Here is how that works, and we can see it with the current Savings and Loan scandals. In good times, the bankers make huge profits. However, in bad times, the American taxpayers are called upon to bail out the bankers, letting them retain their personal assets. How will you know when "communism takes over"? Most people are so accustomed to the yoke of communism, thrust upon them in the name of "democracy" and "social security", that they believe that these things must be the form of government our Forefathers gave us. They think it is normal to have total taxes in amounts to 50% of income. Where is their Great Republic based upon the Common Law and the Constitution? For all practical purposes, it no longer exists.

6) CENTRALIZATION OF THE MEANS OF COMMUNICATION AND TRANSPORTATION IN THE HANDS OF THE STATE.

All radio and television networks are licensed and permitted to operate only at the good pleasure of the federal government through the Federal Communications Commission. Because their programming is under strict federal guidelines, anti-communist programs are rarely aired. How many of you can recall one TV program, in the past 30 years, which set forth the communist objectives for the conquest of America and the world? Instead, all programming is designed to promote socialist thinking, and our country is never referred to as a republic but **ALWAYS AS A DEMOCRACY**. All news is designed to promote the communists and their leading individuals as reasonable people, and anti-communist nations, such as South Africa, are always cast in an unfavorable light. Communist objectives for America, such as degeneration of moral values, interracial marriage, promiscuous sex, and homosexual life styles, are treated in both the news and the "situation comedies" as totally normal and health behavior, and are given to us and our children on a daily basis.

All transportation by air is under either the Federal Aviation Agency or the Civil Aeronautics Administration, and the government controls how these private businesses

operate and the fares and rates that they can charge. The federal government controls every form of interstate commerce, and sets the rates that these private businesses can charge and even how long a truck driver can drive his own truck in a given day.

7) EXTENSION OF FACTORIES AND INSTRUMENTS OF PRODUCTION OWNED BY THE STATE; THE BRINGING INTO CULTIVATION OF WASTE LANDS, THE IMPROVEMENT OF THE SOIL ACCORDING TO A COMMON PLAN.

The federal government now owns and operates more than 25,000 corporate units in direct competition with private enterprise. Most of these corporations are operated at staggering losses, even though they pay no property taxes and no interest on invested capital. All of these, along with their losses, are being operated without the slightest shred of Constitutional authority. Furthermore, according to figures taken from the Federal Budget, the aggregate losses of these federally owned businesses and property, including the lost state and local taxes thereon, exceed the total amount collected each year on the personal income taxes! According to the LIBERTY AMENDMENT COMMITTEE, from whom these statistics were taken, the sale of these unlawfully owned businesses would retire about one third of the national debt, and make the personal individual income taxes a thing of the past. This author is 100% in favor of bringing wastelands into cultivation and improving the soil. However, this must be done on a private enterprise basis, and not as the result of federal bureaucratic intervention. However, in accordance to the Marxist orientation of our government, swarms of New Officers (to use the language of the Declaration of Independence) have been descending upon our farmers. There is the Bureau of Land Management, Bureau of Reclamation, Bureau of Mines, Environmental Protection Agency, and many others. I do not need to comment on the crisis now being faced by America's independent farmers. It is not the result of incompetent farmers but because of federal meddling in both their agricultural and financial affairs.

8) EQUAL LIABILITY OF ALL TO LABOR, ESTABLISHMENT OF INDUSTRIAL ARMIES, ESPECIALLY IN AGRICULTURE.

In the first sentence, the emphasis should be on the word, **liability**. This is to be a "worker's paradise" and therefore all have an equality liability, a pecuniary obligation, to labor. Every citizen, according to Marx, is required to labor, and every per-

son is to be assigned a job. There is to be no non-laboring middle class working as salesmen and shopkeepers. In spite of massive government boondoggles in agriculture, the American farmer has found a way to produce food that feeds not only our country, but those countries as the USSR and China which still suppose that the Marxist way for agriculture may someday work. Once the farmers finally fail in large numbers, not because of agricultural flaws so much as corporate debt, the Marxist agriculture armies, gathered from those "huddled masses yearning to be free", that now clog up the welfare rolls, will be sent forth to plant, till and harvest in the vain hope that they can feed the people.

9) COMBINATION OF AGRICULTURE WITH MANUFACTURING; GRADUAL ABOLITION OF THE DISTINCTION BETWEEN TOWN AND COUNTRY BY A MORE EQUITABLE DISTRIBUTION OF THE POPULATION OVER THE COUNTRY.

The destruction of the cities has been going on since the Roosevelt Depression. Socialist confiscatory property and business taxes on producers, and welfare handouts to non-producers, have driven commerce and industry out of the cities and provides the excuse for federal control of land use, environmental impact studies, and regional planning. Federal regional planning done between states and over state lines, is the way this Marxist plank is being carried out today.

10) FREE EDUCATION OF ALL CHILDREN IN PUBLIC SCHOOLS, ABOLITION OF CHILDREN'S FACTORY LABOR IN ITS PRESENT FORM. COMBINATION OF EDUCATION WITH INDUSTRIAL PRODUCTION.

When Karl Marx wrote "free" he meant **compulsory** education of the children under the control of the State. Because of the contract with the State known as the "Marriage License", your children are legally Wards of the State. They must have "shots" and a Social Security number "required to protect the State's wards". State run and tax financed government schools began soon after the publishing of the COMMUNIST MANIFESTO, with the key leader at that time being Horace Mann. Next came socialized or often called "progressive" education under the guidance of John Dewey. How many of you remember having to read about the wonders of socialism in books by Lincoln Stephens in high school? The most socialist class in any high school is not history or social science but English, where the teacher can direct the children to read certain books

and make reports on them. English is the only required class for all students, and it is there that the communists have directed their most attention. Under Biblical law, early American instruction, where students were studying Greek and Latin by 9 years of age, has always been the responsibility of the parents and their church assembly. Children were taught the moral values of the parents and of their church. Today, it is the State that determines what the standards will be for the children's education. Federal Aid to Education determines how the States will set up the basic teachings and philosophy and this is exactly what Marx had in mind. This form of education teaches the child to look to the State for help, and the State becomes the child's "god". Christian instruction, in contrast, teaches the child to look to God, and that if he needs a hand he finds one at the end of his arm. As you look at our youth educated in government schools, observe their appearance and their attitudes, and remember that crime and drug use is increasing 7X as fast as the population, you will see the evil genius of Karl Marx in full bloom. As you re-read this section, notice that I have drawn a clear distinction between "instruction" and "education". It is humanistic, New Age, and Eastern philosophy that man is intrinsically good. Hence the use of the word "education" by the modern socialist, which means from the Latin, "draw the good out". In contrast, the Bible teaches that all men are sinners, and that they are basically of a sinful, wicked nature. Thus, there is no way to "draw good out" of them. Christian philosophy, based upon the truth of the Bible, teaches that children are to be **instructed**, that is to have the good of God's Laws put into them so that they can be pleasing in God's sight. Today, those church groups that teach that God's Laws are still in full force and effect, always refer to their schools as Christian Instruction. Those churches who have gone the way of humanism, teaching that God's Laws, Statutes and Judgments were abandoned at The Cross, rightly call their schools "Christian Education". The term "Christian Education" is an oxymoron, an absurd contradiction in meaning to those of us with even a smattering of classical study.

As to the second part of Marx's 10th Plank, children under 16 are not permitted to work for wages. All private apprenticeships have been abolished for children seeking to learn a trade before the age of 16. Roosevelt's socialist friends had the Fair Labor Standards Act passed in 1937 where apprenticeships are now under control of the State.

I have taken six pages to teach you what communism really is from the works of

their founders, Karl Marx. Now, fellow American, **how many of the Marxist Ten Planks have you accepted as normal, necessary, and indeed the American Way?**

(Hatonn: Please pay close attention to that which I will now quote from the same document but bearing more attention. After that I shall again ask Dharma to outline the Executive Orders which are now signed and in place in your government.)

J. Edgar Hoover, in his classic book on the communist threat to America, **MASTERS OF DECEIT**, wrote that his greatest fear was that Americans would become "state of mind communists" while adamantly denying any interest or adherence to communism. My friends, that is exactly what has happened. Most Americans go along with every single plank of the Communist Manifesto and even suppose that it is the American Way!

Now, my friends, the more powerful levers and more subtle webs have been set in place.

Several months ago I wrote about the Marxist income tax and the reasons why I was opposed to it. I further stated in public print that I had not filed any returns for 20 years nor paid any tax in all that time. These ON TARGET Northpoint Team Reports are widely photocopied and circulated with my permission and encouragement. However, they go from friend to friend and then to the Christian ignorant among the silent majority, and ultimately to the socialist enemy. You cannot believe the letters we get from professing Christians! I have read their letter admonishing me to read Romans 13, supposing that I had not managed to read that far into the New Testament. They call my attention to Christ's words to "render unto Caesar..." and think that whatever is demanded by government under a pretext of law must be dutifully turned over to socialist schemes, heathen peoples around the world and social dropouts around the country as part of our Christian witness, testimony, and responsibility.

According to these Christians, educated into the communist Thought-theology psychopolitics of the government schools, apparently the American Colonists should have paid the tax on tea demanded of King George instead of "damaging their Christian testimony in an act of violence" by dumping it all into Boston harbor. The tax was, after all, "the Law" and imposed lawfully by those in authority. Worse than that, when the King wanted to confiscate "assault rifles" being stored in Concord, "Christian patriots should have turned

them over to the Red Coats instead of killing people at Concord Bridge".

Those early Americans are identified as Patriots, but those of us who object to the very same things today are thought of as unAmerican at best and unChristian at worst. Do you see the problem we have today? Christians are now "state of mind Communists" as feared and predicted years and years ago. How do I reason with a "state of mind" communist, who supposes that his political, moral and economic understanding comes right out of the Bible?

The Federal Income Tax Statutes, and the Supreme Court decisions supporting them, clearly state that wages and salaries are not "income". Yet Christian communists in America, in what profess to be patriotic assemblies, have been conned into waiving that statutory provision and to "voluntarily" agreeing to pay the first part of their increase not to God's Law but to Caesar, in direct violation of God's Law set forth in Scripture. And they wonder why God stopped blessing America right after the Marxist Income Tax Statutes went into effect! Looking deeper still, we find that even the Marxist Income Tax Statutes made Constitutional by the 16th Amendment, applies only to those non-white citizens **by privilege of the 14th Amendment**. It also includes corporate officers, folks who live in Washington, D.C. and other Federal enclaves, military people and those who work in government jobs. But, people who exchange their time for wages, salaries, commissions, etc., are not required to file returns or pay federal taxes. Oh, your minister never told you these things? And your dad never knew them? Why are you giving the first portion of the wonderful blessings God gives you through increase of your land and labor of your hands and mind, to promote communism, totalitarian socialism and other wicked things at home and abroad? Shame on you! Repent of your ways.

I will tell you why you pay without a whimper! It is because you are scared to death of the wicked agents of the Internal Revenue and their well-publicized cruel activities and brutal enforcement procedures. Most of you lack the guts for such basic Christian service to your country, if the truth was really known. Some of my best friends and most generous supporters have confessed this fear to me privately and I have wept for their souls. You must understand, Scripture teaches that the fearful, right along with the unbelievers, murderers, whoremongers, sorcerers, idolaters and liars shall have their part in the lake which burns with fire and brimstone. Read Revelation 21:8 about those listed among the non-overcomers! Those who are afraid, are

just as wicked in God's Eyes, as some of the most terrible of anti-Christ people! Take your STRONG'S CONCORDANCE and do a word study on all the variations of the word fear and it will open your eyes of understanding. Oh, how I pray that some of my wonderful Team Members and other financial supporters will turn from their fearful ways and not be included among that wretched lot at the end of time.

Did you know that if you file income tax returns, you place your legal status under Admiralty Law, and waive your Common Law rights under the first Ten Amendments to the Constitution? The fearful, under an ironic twist to God's Law, find themselves unprotected by the 1st Amendment and cannot lawfully claim the right to religious freedom or the right of free speech, etc. They cannot claim the right to keep and bear arms as set forth in the 2nd Amendment. Since so few Americans remain who have these rights, the laws on the gradual confiscation of any "semi-automatic weapon" are now being enacted, beginning with the so-called assault rifles, and hand guns that have a n ammunition magazine or "clip". Are you surprised? These laws have been on the books for 20 years awaiting this day and hour! I know that some do not believe me on this, but see for yourself. Go to your local library and ask the librarian to show you where the UNITED STATES CODE books are shelved. There are 25 of these in the set, reddish-brown in color. They are printed by the United States Government. Select Volume 9 and turn to page 554. Read public law 87-297 signed into law by John F. Kennedy in 1961. Every President since then has worked to gradually enact its provisions, knowing that most Americans would not approve. Read along through that public law to page 559, and you will see that it calls for our Armed Forces to be eliminated from NATIONAL CONTROL, which in turn wipes out our sovereignty as a nation. In the third state we shall see a "zero military" and before stage one closes, all citizen-owned guns will be banned. This issue of national disarmament is now being discussed with world leaders, and the ban on certain defensive weapons here at home is not new at all, but part of a treasonous scheme to render America as a nation, and our citizens as individuals, helpless against the Socialist-Communist conquest of the world.

Here is another problem: Are you sitting under a minister who is a state of mind communist, one of the fearful who still files income tax returns? Sure, he may be a nice guy. Sure, he may seem to be a kindly, loving man. But he is one of the fearful, classified by Godly John and Jesus Christ as being among the whoremongers and

liars? Are you sending God's tithe and your offerings to any "religious group" that is claiming "tax exemption" and thus under the jurisdiction of our communist democracy of the District of Columbia? If you read our materials long enough, you will see a thread of theme about the ministers and preaching in America that is causing most of our problems. I remember back in the Old Testament, God's nation of Israel had some major problems under King Jeroboam. You might need to see how God dealt with His People in those days, as sort of a forecast of what is soon to pass in America. (I Kings 12, etc.) The bottom line then was that Jeroboam "made priests of the lowest of the people" (v.31). Christ, through St. John in Revelation 21:8, says that the lowest of people are the "fearful". You cannot be Godly and fearful at the same time, and the Bible world study suggested previously should have established that fact firmly in your mind. Therefore, all fearful are also ungodly, if you can follow that logic. The very first Psalm, a fantastic collection of distilled wisdom, begins with this most important truth: "Blessed is the man that walketh not in the counsel of the ungodly—fearful..." How many of my wonderful friends and readers are still taking counsel of the fearful, men whom the Bible calls priests of the lowest of people, who it so often also appears, are state of mind communists?

END OF QUOTING —and so be it.

Now, Dharma, allow us to again present the executive orders which have now been brought into play—obviating even the need of Congressional agreement in order to become law against you-the-people.

Before we do so, however, I am going to ask you a few questions and let us see if you REALLY see and understand that which I give you and that which IS!

1. What is the name of the new Soviet Foreign Minister?
2. What is the first plank in the COMMUNIST MANIFESTO?
3. Who's picture is on the \$20 Federal Bank "note"?
4. What is an SS12? Who developed it? Where is it now?
5. What did you have for breakfast on Saturday last?
6. If you attend church, give me the doctrines according to denomination! Where did your minister get his "education" and did he get a "Christian Education" or "Christian Instructions"?
7. What do you REALLY know about this "Christian Community" within your own town? Funny thing about the one in Tehachapi, California—they offer

to drive these Satanic speakers from out of the city—or worse; death!

WHAT DO YOU REALLY KNOW ABOUT ANYTHING? Tell me the top 10 stats from Sunday's Superbowl! Welcome Home America! God have mercy on your children in the Middle East!

U.S. EXECUTIVE ORDERS NOW IN EFFECT (CHECK THEM ONE BY ONE AGAINST THE COMMUNIST MANIFESTO)

1. EXECUTIVE ORDER 10995 takes over all communications media.
2. EXECUTIVE ORDER 10997 takes over all electric power, petroleum, gas, fuel and minerals.
3. EXECUTIVE ORDER 10998 takes over all food resources and farms.
4. EXECUTIVE ORDER 10999 takes over all means of transportation, controls highways and seaports.
5. EXECUTIVE ORDER 11000 drafts all citizens into work forces under the governmental supervision.
6. EXECUTIVE ORDER 11001 takes over all health, welfare and educational functions.
7. EXECUTIVE ORDER 11002 empowers the Postmaster General to register all citizens nationwide.
8. EXECUTIVE ORDER 11003 takes over all airports and aircraft.
9. EXECUTIVE ORDER 11004 takes over housing and finance authorities and housing designated as "unsafe". Establishes new locations for populations, relocates communities, builds new housing with public funds.
10. EXECUTIVE ORDER 11005 takes over all railroads, inland waterways, and public storage facilities.
11. EXECUTIVE ORDER 11051 designates responsibilities of the Office of Emergency Planning giving authorization to put the above orders into effect in times of increased international tension or economic or financial crisis.

Then comes the big one: Under EXECUTIVE ORDER 11490 all of the above orders are immediately activated.

John F. Kennedy, at Columbia University in 1963, said it perfectly: "The high office of the President has been used to foment a plot to destroy America's freedom and before I leave office, I must inform the citizens of their plight." Ten days later, John F. Kennedy was assassinated! THINK ABOUT IT AMERICA!!

The Protocols Of Zion

10/14/90 HATONN

WE DIDN'T SAY "JEWS"

As we have gotten more attention in the current circumstance of Middle Eastern/U.S./Arab/Israeli involvement teetering on the brink of nuclear war, it is again time to define terms. I am Hatonn, to present truth in the Light of higher knowledge; no more and no less. I bend not to the objections of special interest groups who would deceive you and neither do I allow injustice towards groups who, in most instances, know not the facts regarding themselves.

ZIONISTS VS. "JEWISH RACES"

I experienced upon your placement as a "Jew" and I know of that which I project. I am NOT, herein, speaking of "Jews"; I speak herein of what is known as the Khazars' Thirteenth Tribe who would settle in the area of Palestine and Lebanon in the latter days—known as Israel.

It is time to repeat the "PROTOCOLS OF THE MEETINGS OF THE ZIONIST MEN OF WISDOM". I did not label these ones—THEY labeled themselves with this title. I simply give unto you the projection of those "protocols" that you might evaluate for self, the truth of it.

(I ask that the portion of "WHO ARE THE KHAZARS?" be affixed to the writing preface for identification.)

We are utilizing this information in Express format because of the use of the term "Zionists". When we refer to the Zionists, the stones and rocks start being flung at our people and it is a part of the plan of disinformation; however, the stones strike and give pain to all human forms.

ISRAEL/PALESTINE—THIS DAY, 10/14/90

LISTEN to what is being given forth on this day as Israel denounces condemnation from the nations regarding brutality of 10/08/90. The Arab world feels the statements are not nearly strong enough—I will write a scenario from 1982, in the current Journal, wherein you can see that all that has changed is a name here and there. Precious ones, you have placed "war" in your cycles; why do you think it would simply go away without attention?

The building of the Zionist Temple on Temple Mount in Jerusalem is also a portion

of the prophecies and the Cornerstones were just laid forth this week. It was covered up in the Establishment media but truth is "slipping out"—even from the Israelis.

Just today an ambassador from Israel stated that, "It was a 'fringe element' of **ISRAELPS, called 'ZIONISTS'** who went to the Holy place in efforts to 'lay the cornerstones for the new temple' but most 'JEWS' were simply 'at the wall' to honor the Jewish Holy day." I know not how you get more definitive than that! The Arab world peoples have now been barred from their most Holy placement—therefore, what think you is going on behind those barricades? The Holy Mosque is atop what the Jews call "Temple Mount" and belongs to the Palestinians. **YOU BE THE JUDGE!**

The "JEWS" of today are more and more controlled—in ignorance of the fact—by the Zionists. **THE JEWS WILL BE THE ONES TO SUFFER THE GREATEST PAIN AT THE HANDS OF THESE UNGODLY MEN—IT IS ALREADY SO AND HAS BEEN FOR CENTURIES. ONLY NOW IS IT SO BLATANTLY OBVIOUS AS YOU MOVE INTO THE FINAL PROJECTIONS OF THE PROPHECIES. SO BE IT. WE HEREIN REPRINT THE "PROTOCOLS"; PLEASE READ CAREFULLY WITHOUT CASTING BLAME AT THE PRINTERS FOR THEY DID NOT WRITE OF THEM! THEY WERE WRITTEN BY THE LEADERS OF THE ZIONIST NATION OF PEOPLE BIRTHED FROM THE KHAZARS WHO ASSUMED (TOOK) THE TITLE OF "JEWS"—THEY ARE NOT OF THE TRIBES OF "JEWISH ISRAEL". THEY "FIRST" STOLE THE JEWISH BIRTHRIGHT AND THEN THEIR LANDS AND PROPERTY—THEIR INTENT IS TO OWN AND RULE THE ENTIRE OF THE WORLD.** May you read with an open and discerning mind that which follows. Look into the eyes of the "Israeli 'LEADERS'" who speak on your vidiot box this day and you shall be given to SEE the truth of these words!

5/5/90 HATONN

Proverbs 29:18 says:

WHERE THERE IS NO VISION, THE PEOPLE PERISH.

Hatonn present in the Light of Radiance. May we share a bit more vision so that the way becomes more lighted. Thank you.

BECAUSE IT'S NOT HOW YOU THINK IT IS!

Why do I implore you to look at the

ugly instead of as the New Age Movement would have you look? Because they pronounce falseness unto you and if the vision is incorrect or there is no vision in truth, man shall perish. No more and no less. You must awaken unto the truth of your existence and know the players in the game of control and you must do so before it becomes too late to longer matter.

KHAZARS

Prior to unfolding more of the story as pertains to Israel and the Zionists, you must realize that I am speaking not of the beloved Jewish "people" of your world, any more than I would have you believe all Catholic priests and nuns practice (or even know of) the activities within the walls of a cloistered convent. For instance, we have one with us who served as a Catholic priest for more than thirty years with a parish of some 10-15,000 parishioners. He was only in a cloistered convent on one occasion and that was for a white veil ceremony. Of course you ones know not these things—that is precisely WHY I am telling you these tales of unpleasant and seemingly paranoid circumstances.

If you do not know what it is you need to correct, how can you be in the correcting of it?

You cannot begin to understand world circumstance in any segment of geographical location without some knowledge about the past seven decades of struggle for control of the Kremlin. But that struggle, in turn, is a portion of an even bigger historical picture. You are still witnessing in full flower the ongoing and climaxing of a war of more than a millenium between the two most bitter enemies on earth. It is the war between Russia and the Khazars. And, dear ones, how many of you have even the vaguest notion of who or what are Khazars?

The kingdom of the Khazars vanished from the map of the world many centuries ago, but their impact is greater this day than in any prior time segment. Today most people have never even heard of them or their lands, so you need not bow your head in embarrassment. If you do not continue and then follow up with a bit of research to prove my words unto self—then bow your head in embarrassment before God who would delight in seeing you of His creations come into Truth.

In its day the Khazar Kingdom was a very major power indeed, holding sway

over a large empire of subjugated peoples. It had to be reckoned with by the two neighboring superpowers of that day. To the south and west of Khazaria, the Byzantine Empire was in full flower with its Eastern Orthodox Christian civilization. To the southeast, the Khazar Kingdom bordered on the expanding Moslem Empire of the Arab Caliphs. The Khazars influenced the histories of both of these other empires but, far more importantly, the Khazar Kingdom occupied what was later to become a southern portion of Russia between the Black and Caspian Seas. As a result, the historical destinies of the Russians and the Khazars became intertwined in ways which have persisted down to the present day.

I suggest that if you have trouble with this information and also in locating information regarding these people, you should get a book by a British writer/historian about the Khazars. Arthur Koestler, THE 13TH TRIBE—THE KHAZAR EMPIRE AND ITS HERITAGE. No, Dharma, do not get it for I shall give you all you need know about it. But for others, let me see—yes, Random House, New York should be a source.

The Khazars were derived from a mixture of Finns, Turks and Mongols (this latter is important when considering the projections of one Nostradamus, as to the anti-Christ). As early as the third century AD, they were identifiable in constant warfare in the areas of Persia and Armenia. Later, in the 5th century, the Khazars were among the devastating hordes of Attila, the Hun. Around 550 AD, the nomadic Khazars began settling themselves in the area around the northern Caucasus between the Black and Caspian Seas. The Khazar capital of Itil was established at the mouth of the Volga River, where it emptied into the Caspian, in order to control the river traffic. The Khazars then extracted a toll of 10% on any and all cargo which passed Itil on the River. Ah yes, taxways all the way to the 5th century. Anyone who refused to pay the tax (toll) was immediately attacked and slaughtered—not greatly different from today.

With their kingdom firmly established in the Caucasus, the Khazars gradually began to create an empire of subjugated peoples. Other tribes, who were comparatively peaceful, were promptly attacked and conquered. They then became attached as portions of the Khazar Empire, required to pay tribute continually to the Khazar Kingdom and to the Khazar coffers.

This is not different in concept for all conquered peoples have had to give tribute to the conquering Empire, but I assure you, not in the manner of the Khazars. The so-called great empires of the world always gave something in return for the tribute they extracted. Rome, for example, made

citizens of those they conquered, and in return for the taxes they levied, they brought civilization, order and protection against attack from would-be invaders.

Not so in the Khazar Empire. The peoples who were subject to the Khazars received only one thing in return for their payments of tribute, and that was only one thin and shaky promise that the Khazars would refrain from further attacks and pillage—so long as the tributes were paid. The subjects of the Khazar Empire, therefore, were simply nothing more than victims of a giant mafia type protection racket. The Khazar overlords were therefore resented universally and bitterly throughout their domain, but they were also feared because of the merciless way in which they dealt with anyone who stood up to them. And so the Khazar Empire expanded until it occupied large areas of what is now Russia and south-eastern Europe. By the eighth century, the Khazar Empire extended northward to Kiev and westward to include the Magyars, the ancestors of modern Hungary.

Then a stunning event took place in the mid-700's AD. The Khazars had been under continual pressure from their Byzantine and Moslem neighbors to adopt either Christianity or Islam; but the Khazar ruler, called the Khakan, had heard of a third religion called Judaism. Apparently for political reasons of independence, the Khakan announced that the Khazars were adopting Judaism as their authorized religion.

Overnight an entirely new group of people, the warlike Khazars, suddenly proclaimed themselves to be Jews—adoptive Jews—and formed their tribe straight away. The Khazar Kingdom began to be described as the "Kingdom of the Jews" by historians of the day. Succeeding Khazar rulers took Jewish names, and during the late ninth century the Khazar Kingdom became a haven for Jews from other lands.

Meanwhile, the brutal Khazar domination over other peoples continued quite unchanged. But then a new factor appeared on the scene. During the 8th century they came coursing down the great rivers, the Dnieper, the Don, the Volga. They were the eastern branch of the Vikings—ouch! They were known as the Varangians, or as the Rus. Like other Vikings, the Rus were bold adventurers and fierce fighters but, when they tangled with the Khazars, the Rus often ended up paying tribute like everyone else. When two titans meet, it is always interesting for the probabilities change moment by moment. Now, isn't all this history fascinating? You started your journey of hate and confrontation and enslavement so far back it, too, is forgotten.

About 862 a Rus leader name Rurik founded the city of Novgorod, and the

Russian Nation was born. The Rus Vikings settled among the Slavonic tribes under Khazar domination, and the struggle between Vikings and Khazars changed in character. It then became a struggle by the emerging nation of Russia for independence from Khazar oppression.

Over a century after the founding of Russia's first city, another momentous event took place. Russia's leader, Prince Vladimir of Kiev, accepted baptism as a Christian in the year 989 and a big to-do was made of it, of course. He then actively promoted Christianity in Russia, and his memory is revered by Russians today as "Saint Vladimir", and so, over a thousand years ago, Russia's tradition as a Christian nation began. How many of you know this? How many of you children realize that Russia is a Christian nation? You all teach and proffer that the Russians are atheistic—those are the Soviets, my friends, who are preaching the no-God theories.

Vladimir's conversion also brought Russia into alliance with Byzantium. The Byzantine rulers had always feared the Khazars, and the Russians were still struggling to free themselves. And so, in the year 1016, combined Russian and Byzantine forces attacked the Khazar Kingdom. The Khazar Empire was shattered, and the kingdom of the Khazars itself fell into decline. Eventually most of the Khazar Jews migrated to other areas. Many of them wound up in eastern Europe, where they mingled and intermarried with other Jews. Like the Semitic Jews some 1000 years earlier, the Khazar Jews became dispersed. The kingdom of the Khazars was no more.

As they moved and lived among the Jewish people, the Khazar Jews passed on a distinct heritage in a militant form—known as ZIONISM! You thought I wasn't going to get there, didn't you? This was passed on from generation to generation and became more and more militant and reached out in every direction in its efforts to consume and control. This particular group all but consumed Germany in the early third of this century of your counting. In the view of Khazar Jews, the land occupied by ancient Israel is to be retaken—not by miracle but by armed force. This is what is meant by "Zionism" today, and this is the force that created the nation which today calls itself Israel.

The other major ingredient of the Khazar Jew heritage is total hatred for Christianity, and for the Russian people as the champions of the Christian faith. Christianity is viewed as the force which caused the ancient so-called Kingdom of the Jews, the Khazar Kingdom, to collapse. Having once dominated much of what is present-day Russia, the Khazar Jews still want to reestablish that domination—and for a millennium they have been trying continually to do just that.

In 1917 the Khazar Jews passed a major milestone toward the creation of their own state in Palestine. That same year they also created the Bolshevik Revolution in Russia—financed by some very familiar foundations out of America. Be patient and you shall begin to see the linkage of the secret societies and moneychangers. There, of course, followed a Christian Holocaust, the likes of which the world has never seen. The Khazar Jews were once again in control of Russia after more than 900 years, and they set about the task of destroying Christianity by destroying Christians — over 100,000,000 of them (almost makes the projections from Germany look feeble, does it not?). Worse, and in addition, Godly Jews everywhere take note; at the same time over 20,000,000 religious Jews also died at the hands of their own proclaimed people, the Khazar Jews.

This is what, my friends, the Russian Christians were up against in their half century plus struggle to overthrow the atheistic Bolsheviks, but they finally succeeded in their overthrow program, and now the 1000-year-old war between the Russian Christians and Khazar Zionist Jews is reaching a climax. The majority of those displaced Bolsheviks relocated immediately to America. At stake is not only the future of Russia, and of Christianity, albeit it totally corrupted in any event, but also of the Jewish people as a whole—and the Jewish people as a whole haven't the vaguest idea that this is happening to them. They follow along thinking that someday soon they will have their nation back—oh no, you Godly Jews of the tribes of Abraham will be sacrificed as never seen before upon your placement. It will be the Jews who will pay the ultimate price at the hands of the Zionists, and they will kill you while you stand in protection of them.

There was a leader of the Jewish people that we would give tribute now; Rabbi Joel Teitelbaum, who died in New York in 1979. Interestingly enough—he died in the morning, and was buried the same afternoon. Yet, over 100,000 Jewish men arrived in time for the funeral. It is hard to imagine how many more would have come if time had been longer. The services were pushed ahead to prevent the crowds and the investigation into the cause of death.

A tribute was later given in the New York Times and clearly it spoke for myriads of Jewish people. Among the words within the tribute was a phrase I would share; "He was the undisputed leader of all Jews everywhere who had not been *infected* by Zionism"; and also, quote, "With a courage all too rare in our time, he called the Zionist state a work of Satan, a sacrilege, and a blasphemy." The shedding of blood for the sake of the Zionist state was abhorrent to him. He was also removed for he

was a troublemaker and troublemakers and bringers of truth are "taken out". Hence my scribe's nervous indigestion. Well, God wants no more martyrs—the time for the impact of martyrs is finished—God wants alert, thinking and "living" people.

That tribute, however, was given and the words were spoken by Orthodox Jews mourning for their fallen leader. And the new Christian rulers of Russia would agree, for they, too, regard the Zionist state of Israel as a counterfeit, a cruel and dangerous hoax for Christian and Jew alike. The Khazar state, called the "Kingdom of the Jews" over a thousand years ago, was a total, deadly parasite, living on the tribute from conquered peoples. Likewise today, Israel depends for its survival on a never-ending flow of support from outside. Guess where almost all of it comes from! Left unchecked, the Russians believe that the Khazar Jews will destroy Christianity by means of Zionism, and Russia through Bolshevism; so Russia's Christian rulers are on the offensive against their enemies of over a thousand years—the Zionist Khazars.

Americans, who call yourselves Christians, have not cared enough to open your eyes to effort at saving your own country, or to defend your faith—you just walk out on it rather than repair and come back into the Christness. So now your land has become the battle-ground of the Christian Russians and their deadly enemies — the Bolsheviks and the Zionists. Like it or not, dear ones, you are caught in a total all holds open war. This, Oberli, is why the war this time will be in your Hemisphere. America is the new crown jewel in the global Zion.

KHAZARS IN COLOMBIA?

Does it not make sense why the cosmospheres are sitting above Panama and why Israeli arms have ended up in Colombia? Oh dear people of the lies—please hear our call before it is too late to make impact. If you do not, 'tis important that you do know WHY it has come upon you!

No, dear ones, I do not jest—Dharma, please copy the article from yesterday's paper.

ISRAELI ARMS SHIPMENT ENDS UP IN COLOMBIA: New York Times. (May 5, 1990).

"A supply of Uzi machine guns and other weapons, approved by the Israeli government last year for shipment to the eastern Caribbean island of Antigua, wound up instead in the hands of one of Colombia's most notorious drug traffickers. (Hatonn: remember the Israeli Massad trains those cartel fighters.)

"The Colombian authorities discovered the Israeli-made weapons and hundreds of thousands of rounds of

ammunition when they searched the ranch of Jose Rodriguez Gacha three months ago, after he was ambushed and killed by Colombian police.

"The mystery of how they made their way there has set off a number of investigations, roiled the ruling family of Antigua and posed a sensitive diplomatic problem for Washington and Jerusalem, U.S. officials say.

"Israel has said only that it approved the arms for sale to the Antiguan government.

"Antiguan officials say they neither ordered nor received the arms.

"Evidence recently uncovered by a government investigation there traced the shipment to two former Israeli army officers, U.S. and Antiguan officials say.

"One of the two, officials say, is wanted in Colombia on charges that he imported arms illegally and trained narcotics traffickers in armed tactics; the other is being sought by the United States because his produce company in Antigua defaulted on \$1.3 million in loans from the United States."

And so the time-bomb ticks!

Dharma, allow us a break please because I desire that the "PROTOCOLS OF THE MEETINGS OF THE ZIONIST MEN OF WISDOM" and the comparative U.S. of A. "SECRET NEW CONSTITUTION SUMMARY" be in a separate segment.

I hear your frustration, chela, as to how we can get all this timely information integrated and out to the people. Yes it would appear that everything needs to be in a daily Express. Perhaps we'll have to move to a Book of the Month Club. We will do that which we can and retain your sanity, dear one. You ask how some other information was given to "mysterious" ones prior to now—from me! From Jesus Sananda! and from God!—specifically and exactly as you receive it—directly as you write it, you are not alone! It all checks out in earth material so rest easy and gently, dear ones. It would be good to note herein, however, that ones prior had need of ego to utilize their own identities and it was costly indeed. In the beginning of our contacts and work it seems innocuous indeed and choices are not always heard clearly as to outcome. So be it. All the information checks out in very physical manifestation and therefore, ones know the truth of the writings and then it moves beyond dangerous in scope. Your work is indeed important.

I hold you most closely in my shield in that you might not walk in constant terror—but do not lose thy caution unto carelessness for ye, too, are given into free-will choices. Be ever in the "remembering" and we will manage. I again caution all of you who walk in this space—to take care

and do not become careless in this placement for the comradery often overshines the degree of caution necessary. And keep off that telephone! This is but a reminder to pay attention for Dharma lives in two dimensions and is at total risk. Her work is no more important than another's but it must come first in sequence so she is at first and prior risk. So be it; always, a word to the wise should be sufficient. We must effort to remove some of the pressures of life from her for she is emotionally failing—we desire no robots. Let us please work diligently at the projects for this dwelling is again at im-mediately impending legal risk and the distraction is too costly to our work. To have to even temporarily relocate this scribe is unthinkable. Salu.

I stand aside while you close out this portion.

Hatonn to clear, please.

THE PROTOCOLS OF THE MEETINGS OF THE ZIONIST MEN OF WISDOM

The following is taken from the "Protocols of the Meetings of the Zionist Men of Wisdom", from a book published in 1920 by Small, Maynard and Co., using the Protocols from Nilus which first appeared around 1884.

PROTOCOL NO. I

Let us put aside phraseology and discuss the inner meaning of every thought; by comparison and deductions let us illuminate the situation. In this way I will describe our system both from our own point of view and from that of the Goys (Gentiles).

It must be remembered that people with base instincts are more numerous than those with noble ones; therefore, THE BEST RESULTS IN GOVERNING ARE ACHIEVED THROUGH VIOLENCE AND INTIMIDATION AND NOT THROUGH ACADEMIC DISCUSSION.

In the early stages of social life they submitted to brute and blind force; afterwards — to the Law, which is the same force but disguised. I deduce from this that according to the laws of nature, RIGHT LIES IN MIGHT.

POLITICAL FREEDOM IS NOT A FACT BUT AN IDEA. ONE MUST KNOW HOW TO EMPLOY THIS IDEA. . .

In our day the power of gold has replaced liberal rulers. There was a time when faith ruled. THE IDEA OF FREEDOM CANNOT BE REALIZED BECAUSE NO ONE KNOWS HOW TO MAKE REASONABLE USE OF IT.

The DESPOTISM OF CAPITAL, which is entirely in our hands, holds out to it a straw which THE STATE MUST GRASP, although against its will, or otherwise fall

into the abyss.

POLITICS HAVE NOTHING IN COMMON WITH MORALS. . .

He who desires to rule must resort to cunning and hypocrisy. The great popular qualities — honesty and frankness — become vices in politics. . . These qualities must be the attributes of Goy countries; but we by no means should be guided by them.

Our right lies in might. The word "RIGHT" IS AN ABSTRACT IDEA, unsusceptible of proof. This word means nothing more than: Give me what I desire so that I may have evidence that I am stronger than you.

With the present instability of all authority our power will be more unsailable than any other, BECAUSE IT WILL BE INVISIBLE UNTIL IT IS SO WELL ROOTED THAT NO CUNNING CAN UNDER-MINE IT.

THE END JUSTIFIES THE MEANS. In laying our plans we must turn our attention not so much to the good and moral as to the necessary and useful. Before us lies a plan in which a strategic line is shown, from which we must not deviate on pain of risking the collapse of many centuries of work.

ONLY A PERSON PREPARED FROM CHILDHOOD to autocracy can understand the words which are formed by political letters.

Only an autocrat can outline great and clear plans which allocate in an orderly manner all the parts of the mechanism of the government machinery.

Look at those beasts, steeped in alcohol, stupefied by wine, the unlimited use of which is granted by liberty.

Surely you cannot allow our own people to come to this. The people of the GOYS ARE STUPEFIED BY SPIRITUOUS LIQUORS: THEIR YOUTH IS DRIVEN INSANE through excessive study of the classics, and vice to which they have been instigated by our agents — tutors, valets, governesses — in rich houses, by clerks, and so forth, and by our women in the pleasure places of the Goys.

Our motto is POWER AND HYPOCRISY. Only power can conquer in politics. VIOLENCE MUST BE THE PRINCIPLE; HYPOCRISY AND CUNNING THE RULE of those governments which do not wish to lay down their crowns at the feet of the agents of some new power. THIS EVIL IS THE SOLE MEANS OF ATTAINING THE GOAL OF GOOD. For this reason WE MUST NOT HESITATE AT BRIBERY, FRAUD, AND TREASON when these can help us to reach our end. In politics it is necessary to SEIZE THE PROPERTY OF OTHERS WITHOUT HESITATION if in so doing we attain submission and power.

We must follow a program of violence and hypocrisy, not only for the sake

of profit, but also as a duty and for the sake of victory.

Even in olden times we shouted among the people the words "Liberty, Equality, and Fraternity." These words have been repeated so many times since by unconscious parrots, which, flocking from all sides to the bait, have ruined the prosperity of the world and true individual freedom. . .

On the ruins of natural and hereditary aristocracy we built an aristocracy of our intellectual class — THE MONEY ARISTOCRACY. We have established this new aristocracy on the qualification of wealth, which is dependent upon us, and also upon science, which is promoted by our wise men.

. . . we always played upon the most sensitive chords of the human mind, namely, GREED, AND THE INSATIABLE SELFISH DESIRES OF MAN.

The fact that the representatives of the nation can be deposed, delivers them into our power and practically places their appointment in our hands.

PROTOCOL NO. II

It is necessary for us that wars, whenever possible, should bring no territorial advantages; this will SHIFT WAR TO AN ECONOMIC BASIS and force nations to realize the strength of our predominance; such a situation will put both sides at the mercy of our million-eyed international agency, which will be unhampered by any frontiers. THEN OUR INTERNATIONAL RIGHTS WILL DO AWAY WITH NATIONAL RIGHTS.

The Administrators chosen by us from among the people in accordance with their capacity for servility will not be experienced in the art of government, and consequently THEY WILL EASILY BECOME PAWNS IN OUR GAME, in the hands of our scientists and wise counselors, specialists trained from early childhood for governing the world. . . . The Goys are not guided by the practice of impartial historical observation. . . . Therefore, we need give them no consideration. Until the time comes LET THEM AMUSE THEMSELVES, OR LIVE IN THE HOPE OF NEW AMUSEMENTS OR IN THE MEMORIES OF THOSE PAST. . . . Intelligent Goys will boast of their knowledge, and verifying it logically, they will put into practice all scientific information compiled by our agents for the purpose of educating their minds in the direction which we require.

Do not think that our assertions are without foundation: the successes of Darwinism, Marxism and Nietzscheism were engineered by us. The demoralizing effects of these doctrines upon the minds of the Goys should be already obvious to us.

There is one great force in the hands

of modern states which arouses thought movements among the people. That is THE PRESS. . . but governments were unable to profit by this power and IT HAS FALLEN INTO OUR HANDS. Through it we have attained influence, while remaining in the background. Thanks to the press, WE HAVE GATHERED GOLD IN OUR HANDS, ALTHOUGH WE HAD TO TAKE IT FROM RIVERS OF BLOOD AND TEARS.

But it cost us the sacrifice of many of our own people. EVERY SACRIFICE ON OUR PART IS WORTH A THOUSAND GOYS BEFORE GOD.

PROTOCOL NO. III

Today I can tell you that our goal is close at hand. Only a small distance remains, AND THE CYCLE OF THE SYMBOLIC SERPENT — THE SYMBOL OF OUR PEOPLE — WILL BE COMPLETE. When this circle is completed, then all the European states will be closed in it as in strong claws.

To induce all lovers of authority to abuse their power, we have PLACED ALL THE FORCES IN OPPOSITION TO EACH OTHER. . . . WE HAVE ARMED ALL THE PARTIES; . . . WE HAVE OPENED THE ARENAS IN DIFFERENT STATES, WHERE REVOLTS ARE NOW OCCURRING, AND DISORDERS AND BANK-RUPTCY WILL SHORTLY APPEAR EVERYWHERE.

People are shackled by poverty to heavy labor more surely than they were by slavery and serfdom. They could liberate themselves from those in one way or another, whereas they cannot free themselves from misery. We have included in constitutions rights, which for the people are fictitious and are not actual rights. All the so-called "rights of the people" can exist only in the abstract and can never be realized in practice. What difference does it make to the toiling proletarian, bent double by heavy toil, oppressed by his fate, that the babblers receive the right to talk, journalists the right to mix nonsense with reason in their writings, if the proletariat has no other gain from the constitution than the miserable crumbs which we throw from our table in return for his vote to elect our agents. REPUBLICAN RIGHTS ARE BITTER IRONY TO THE POOR MAN, FOR THE NECESSITY OF ALMOST DAILY LABOR PREVENTS HIM FROM USING THEM.

We will present ourselves in the guise of SAVIORS OF THE WORKERS from this oppression. . . The aristocracy which benefited by the labor of the people by right have interest that the workers should be well fed, healthy, and strong.

We, on the contrary, are concerned in the opposite — in the degeneration of the Goys. Our power lies in the CHRONIC MALNUTRITION AND IN THE WEAKNESS

OF THE WORKER, BECAUSE THROUGH THIS HE FALLS UNDER OUR POWER AND IS UNABLE TO FIND EITHER STRENGTH OR ENERGY TO COMBAT IT.

When the time comes for our universal ruler to be crowned, the same hands will sweep away everything which may be an obstacle in our way.

The Goys are NO LONGER ACCUSED TO THINKING without our scientific advice. Consequently, they do not see the imperative need of upholding that which we will sustain by all means, when our kingdom is established, namely, the teaching in the schools of the only true science, the first of all sciences — the science of the construction of human life, of social existence, which requires the division of labor and, consequently, the separation of people into classes and castes. It is necessary that all should know that equality cannot exist, owing to the different nature of various kinds of work; that there cannot be (equal responsibility before the law.)

. . . occupation and labor must be differentiated so as not to cause human suffering by the discrepancy between education and work. . . the people, in their ignorance, blindly believing the printed word, and owing to the misconceptions which have been fostered by us, feel a hatred towards all classes whom they consider superior to themselves since they do not understand the importance of each caste.

This hatred will be still more ACCENTUATED BY THE ECONOMIC CRISIS, which will stop financial transactions and all industrial life. Having organized a general economic crisis by all possible underhand means, and with the help of gold which is all in our hands, we will throw great crowds of workmen into the street, simultaneously, in all countries in Europe. These crowds will gladly shed the blood of those of whom they, in the simplicity of their ignorance, have been jealous since childhood and whose property they will then be able to loot.

THEY WILL NOT HARM OUR PEOPLE BECAUSE WE WILL KNOW OF THE TIME OF THE ATTACK AND WE WILL TAKE MEASURES TO PROTECT THEM.

Remember the French Revolution . . . the secrets of its preparation are well known to us, for it was the work of our hands.

Since then we have carried the masses from one disappointment to another, so that they will renounce even us in favor of a DESPOT SOVEREIGN OF ZIONIST BLOOD, WHOM WE ARE PREPARING FOR THE WORLD.

At present, as an international force, WE ARE INVULNERABLE. . .

Of course, they are not told that this unification will be achieved only under our rule. Thus, the people condemn the just

and acquit the unjust, MORE AND MORE CONVINCED THAT THEY CAN DO WHAT THEY PLEASE. Owing to this, the people destroy all stability and create disorder on every occasion.

The word "Liberty" brings all societies into conflict with all authority, be it that of God or Nature. This is why, at the moment of our enthronement, WE SHALL STRIKE THIS WORD FROM THE DICTIONARY. . .

PROTOCOL NO. IV

WHO AND WHAT CAN OVERTHROW AN UNSEEN POWER? For such is the character of our power. External Masonry acts as a screen for it and its aims, but the plan of action of this power, and its very headquarters, will always remain unknown to the people.

It is for this reason that we must UNDERMINE FAITH, tearing from the minds of the Goys the very principal of God and Soul, and SUBSTITUTING MATHEMATICAL FORMULAS AND MATERIAL NEEDS.

In order that the minds of the Goys may HAVE NO TIME TO THINK AND NOTICE THINGS, it is necessary to divert them in the direction of industry and commerce. Thus all nations will seek their own profit, and while engaged in the struggle, THEY WILL NOT NOTICE THEIR COMMON ENEMY.

The intense struggle for supremacy, the shocks to economic life, will create, moreover have already created, disappointed disgust for high politics and religion. Their only guide will be calculation, i.e. gold, for which they will have a real cult because of the material delights which it can supply. It will be at that stage that the lower classes of the Goys, not for the sake of doing good, nor even for the sake of wealth, but solely BECAUSE OF THEIR HATRED TOWARDS THE PRIVILEGED, WILL FOLLOW US AGAINST OUR COMPETITORS FOR POWER, THE INTELLIGENT GOYS.

PROTOCOL NO. V

What form of government can be given to societies in which bribery has penetrated everywhere, where riches are obtained only by clever trick and semi-fraudulent means, where corruption reigns, where morality is sustained by punitive measures and where cosmopolitan convictions have eliminated patriotic feelings and religion? WHAT FORM OF GOVERNMENT CAN BE GIVEN TO SUCH SOCIETIES OTHER THAN A DESPOTISM SUCH AS I SHALL DESCRIBE?

We will mechanically regulate all the functions of political life of our subjects BY NEW LAWS. These laws will gradually ELIMINATE ALL THE CONCESSIONS AND

LIBERTIES PERMITTED BY THE GOYS. Our kingdom will be crowned by such a majestic despotism that it will be able, at all times and in all places, to crush both antagonistic and discontented Goys.

At the time when people considered rulers as an incarnation of the will of God, they subjected themselves without murmur to the autocracy of the sovereigns . . . when we deprived them of their belief in God, then authority was thrown into the street, all, is it not the same to the world who will be its master — whether it be the head of Catholicism or our despot of Zionist blood? To us, however, the Chosen People, it is by no means a matter of indifference. TEMPORARILY, A WORLD COALITION OF THE GOYS WOULD BE ABLE TO HOLD US IN CHECK, BUT WE ARE INSURED AGAINST THIS BY ROOTS OF DISSENSION SO DEEP AMONG THEM THAT THEY CANNOT NOW BE EXTRACTED. We have set at variance the personal and national interests of the Goys; we have incited religious and race hatred, nurtured by us in their hearts for twenty centuries. Owing to all this, no state will obtain the help it asks for from any side because each of them shall think that a coalition against us will be disadvantageous to it. We are too powerful — we must be taken into consideration. No country can reach even an insignificant private understanding without our being a secret party to it.

THE PROPHETS HAVE TOLD US THAT WE WERE CHOSEN BY GOD HIMSELF TO REIGN OVER THE WORLD. God endowed us with genius to enable us to cope with the problem. Were there a genius in the opposing camp, he would struggle against us, but a newcomer is not equal to an old inhabitant. The struggle between us would be of such a merciless nature as the world has never seen before; moreover their genius would be too late.

All the wheels of government mechanism move by the action of the motor which is in our hands, and THAT MOTOR IS GOLD.

The most important problem of our government is to weaken the popular mind by criticism; to disaccustom it to thought, which creates opposition; TO DEFLECT THE POWER OF THOUGHT into mere empty eloquence.

At all times both peoples and individuals have mistaken words for deeds. . . We will appropriate to ourselves. . . all shades of opinion, and we will provide our orators with the same aspect, and they will talk so much that they will EXHAUST THE PEOPLE by their speeches and cause them to turn away from orators in disgust.

To control public opinion it is necessary to perplex it by the expression of numerous contradictory opinions UNTIL THE GOYS GET LOST IN THE LABRYINTH,

AND COME TO UNDERSTAND THAT IT IS BEST TO HAVE NO OPINION ON POLITICAL QUESTIONS.

Such questions are not intended to be understood by the people, since only he who rules knows them. This is the first secret.

The second secret necessary for the success of governing consists in so multiplying popular failings, habits, passions, and conventional laws that no one will be able to disentangle himself in the chaos, and consequently, PEOPLE WILL CEASE TO UNDERSTAND EACH OTHER. This measure would help us to sow dissension within all parties, TO DISINTEGRATE ALL THOSE COLLECTIVE FORCES WHICH STILL DO NOT WISH TO SUBJUGATE THEMSELVES TO US; TO DISCOURAGE ALL INDIVIDUAL INITIATIVE WHICH MIGHT IN ANY DEGREE HAMPER OUR WORK.

THERE IS NOTHING MORE DANGEROUS THAN INDIVIDUAL INITIATIVE. IF IT HAS A TOUCH OF GENIUS IT CAN ACCOMPLISH MORE THAN A MILLION PEOPLE AMONG WHOM WE HAVE SOWN DISSENSIONS. We must direct the education of the Goy societies so that their arms will drop hopelessly when they face every task where initiative is required.

We will so tire the Goys by all this that we will force them to offer us an international power, which by its position will enable us conveniently to absorb, without destroying, all governmental forces of the world and thus to form a MONSTER WHICH WILL BE CALLED THE SUPER-GOVERNMENTAL ADMINISTRATION. Its hands will be stretched out like pincers in every direction so that this colossal organization cannot fail to conquer all the peoples.

PROTOCOL NO. VI

We will soon begin to ESTABLISH GREATMO-NOPOLIES — reservoirs of huge wealth, upon which even the large fortunes of the Goys will depend to such an extent that they will be drowned, together with the governmental credits, on the day following the political catastrophe.

The aristocracy of the Goys as a political force is dead. We do not need to take it into consideration; BUT AS LAND-OWNERS THEY ARE HARMFUL TO US BECAUSE THEY CAN BE INDEPENDENT IN THEIR RESOURCES OF LIFE. FOR THIS REASON WE MUST DEPRIVE THEM OF THEIR LAND AT ANY COST.

It is necessary that industry should suck out of the land both labor and capital and through speculation deliver into our hands all the money of the world, thus throwing all the Goys into the ranks of the proletarians. THEN THE GOYS WILL BOW BEFORE US IN ORDER TO OBTAIN THE

MERE RIGHT OF EXISTENCE.

To destroy Goy industry we will create among the Goys, as an aid to speculation, the STRONG DEMAND FOR BOUNDLESS LUXURY which we have already developed.

Let us raise wages, which, however, will be of no benefit to the workers, for we will simultaneously cause the rise in prices of first necessity under the pretext that this is due to the decadence of agriculture, and of the cattle industry.

We will also artfully and deeply undermine the sources of production BY TEACHING THE WORKMEN ANARCHY AND THE USE OF ALCOHOL, AT THE SAME TIME TAKING MEASURES TO EXPEL ALL THE INTELLIGENT GOYS FROM THE LAND.

That the true situation SHOULD NOT BE NOTICED BY THE GOYS UNTIL THE PROPER TIME, we will mask it by a pretended desire to help the working classes, and great economic principles, an active propaganda of which principles is being carried on through the dissemination of our economic theories.

PROTOCOL NO. VII

THE INTENSIFICATION OF ARMAMENT AND THE INCREASE OF THE POLICE FORCE ARE ESSENTIAL TO THE REALIZATION OF THE ABOVE-MENTIONED PLANS. It is necessary that there should be, besides ourselves, in all countries ONLY THE MASS OF THE PROLETARIAT, A FEW MILLIONAIRES DEVOTED TO US, POLICEMEN, AND SOLDIERS.

WE MUST CREATE UNREST, DISSENSIONS, AND HATRED throughout Europe and through European affiliations, also on other continents. . . they will realize that we have the power to create disorder or to restore order whenever we wish. . . we will entangle by intrigues all the threads stretched by us into all the governmental bodies by means of politics, economic treaties, or financial obligations. . . . In this way the peoples and the governments of the Goys, taught by us TO REGARD ONLY THE SURFACE OF THAT WHICH WE SHOW THEM, will look upon us as benefactors and saviors of mankind.

We must be able to OVERCOME ALL OPPOSITION BY PROVOKING A WAR by the neighbors of that country which dares to oppose us. Should, however, those neighbors, in their turn, decide to unite against us we must RESPOND BY A WORLD WAR.

In short, to sum up our system of shackling the Goy governments of Europe, WE WILL SHOW OUR POWER TO ONE OF THEM BY ASSASSINATION AND TERRORISM, AND WOULD THERE BE A POSSIBILITY OF ALL OF THEM RISING AGAINST US, WE WILL ANSWER THEM WITH AMERI-

CAN, CHINESE OR JAPANESE GUNS.

PROTOCOL NO. VIII

Our government must be surrounded . . . with publicists, experienced lawyers, administrators, diplomats and, finally, people educated along special lines in our special advanced schools.

These people will be familiar with the reverse side of human nature, with all its sensitive chords, upon which they must know how to play. These chords are the STRUCTURE OF THE INTELLECTS OF THE GOYS, THEIR TENDENCIES, THEIR FAILINGS, THEIR VICES, AND THEIR VIRTUES, the peculiarities of classes and castes.

It is for this reason that ECONOMICS IS THE CHIEF SCIENCE TAUGHT BY THE JEWS. We will be surrounded by a crowd of bankers, traders, capitalists, and most important of all, by millionaires, because in essence EVERYTHING WILL BE DECIDED BY A QUESTION OF FIGURES.

PROTOCOL NO. IX

. . . because their anti-Semitism is necessary TO ENABLE US TO CONTROL OUR SMALLER BROTHERS. I will not further explain this, as it has already been the object of numerous discussions.

In reality, THERE ARE NO OBSTACLES BEFORE US. Our super-government exists under such extra-legal conditions that it is common to designate it by an energetic and strong word — a Dictatorship.

I can honestly state that, at the present time, WE ARE LAWMAKERS; WE ARE THE JUDGES AND INFLICT PUNISHMENT; WE EXECUTE AND PARDON; WE AS THE CHIEF OF ALL OUR ARMIES, RIDE THE LEADER'S HORSE. . . . WE POSSESS BOUNDLESS AMBITION, BURNING GREED FOR MERCILESS REVENGE, AND BITTER HATRED.

From us emanates an all-embracing terror. People of all opinions and of all doctrines are in our service; people who desire to restore monarchies, demagogues, socialists, communists, and other utopians. . . . ALL THE GOVERNMENTS HAVE BEEN TORTURED BY THIS PROCEDURE; THEY BEG FOR PEACE, AND FOR THE SAKE OF PEACE ARE PREPARED TO MAKE ANY SACRIFICE, BUT WE WILL NOT GIVE THEM PEACE UNTIL THEY RECOGNIZE OUR INTERNATIONAL SUPER-GOVERNMENT OPEN-LY AND WITH SUBMISSION.

The division into parties has delivered all of them to us, because in order to conduct a party struggle money is required, and we have it all.

We have affected legal procedure, electoral law, the press, personal freedom, and, MOST IMPORTANT, THE CORNERSTONE OF FREE EXISTENCE.

WE HAVE MISLED, CORRUPTED, FOOLED, AND DEMORALIZED THE YOUTH of the Goys by education along principles and theories known by us to be false, but which we ourselves have inspired.

You may say that there will be an armed rising against us if our plans are discovered prematurely; but in anticipation of this we have such a terrorizing manoeuvre in the West that even the bravest soul will shudder.

Underground passages will be established by that time in all capitals, from where THEY CAN BE EXPLODED, together with all their institutions and national documents.

PROTOCOL NO. X

I beg you to remember that the government and the masses are satisfied with VISIBLE RESULTS IN POLITICS. It is important to know one detail in our policy. It will help us in discussing division of authority, freedom of speech, of the press, of religion (faith), the right of assembly, equality before the law, inviolability of property and of the home, indirect taxes and the retrospective force of law. ALL SUCH QUESTIONS SHOULD NEVER BE DIRECTLY AND OPENLY DISCUSSED before the masses. When it becomes necessary for us to discuss them, they should not be elaborated but merely mentioned, without going into details, pointing out that modern legal principles are being accepted by us. The significance of this reticence lies in the fact that a principle which has not been openly declared gives us freedom of action to exclude, unnoticed, one point or another, whereas if elaborated the principle becomes as good as established.

WHEN WE ACCOMPLISH OUR COUP D'ETAT, WE WILL SAY TO THE PEOPLES: "EVERYTHING WENT BADLY; ALL OF YOU HAVE SUFFERED. WE WILL ABOLISH THE CAUSE OF YOUR SUFFERINGS, THAT IS TO SAY, NATIONALITIES, FRONTIERS AND NATIONAL CURRENCIES. OF COURSE YOU ARE FREE TO CONDEMN US, BUT WOULD YOUR JUDGEMENT BE JUST IF YOU WERE TO PRONOUNCE IT BEFORE GIVING A TRIAL TO WHAT WE WILL GIVE YOU?" THEREAFTER THEY WILL EXALT US WITH A SENTIMENT OF UNANIMOUS DELIGHT AND HOPE. THE VOTING SYSTEM WHICH WE HAVE USED AS A TOOL FOR OUR ENTHRONEMENT, AND TO WHICH WE HAVE ACCUSTOMED EVEN THE PREARRANGED AGREEMENTS, WILL HAVE PERFORMED ITS LAST SERVICE AND WILL MAKE ITS LAST APPEARANCE IN THE EXPRESSION OF A UNANIMOUS DESIRE TO BECOME MORE CLOSELY ACQUAINTED WITH US BEFORE HAVING PRONOUNCED A JUDGEMENT.

To attain this we must FORCE ALL

TO VOTE, without class discrimination, to establish the autocracy of the majority, which cannot be obtained from the intellectual classes alone. . . . WE WILL NOT ALLOW THE FORMATION OF INDIVIDUAL MINDS. . . . We will thus create such a blind power that it will be unable to move without the guidance of our agents, sent by us to replace their leaders.

THE MASSES WILL SUBMIT TO THIS REGIME BECAUSE THEY WILL KNOW THAT THEIR EARNINGS, PERQUISITES, AND OTHER BENE-FITS DEPEND UPON THESE LEADERS.

The plan of government must EMANATE ALREADY FORMED from one head. . . . Consequently, the inspired work of our leaders must not be thrown to the mercy of the mob or even of a limited group.

These plans will not immediately upset contemporary institutions. They will only alter their organization. . .

. . . it is not the institutions that are important, but their functions.

When we injected the poison of liberalism into the state organism, its entire political complexion changed; the states became infected with a mortal disease, namely, the decomposition of the blood. IT IS ONLY NECESSARY TO AWAIT THE END OF THEIR AGONY.

. . . the constitution, as you well know, is nothing more than a school for dispute, discussion, disagreement, fruitless party agitation, dissention, party tendencies — in other words, a school for everything which weakens the efficiency of government. . . . A president chosen from the mob, from among our creatures, our slaves.

To accomplish our plan, we will engineer the election of presidents whose past record contains some hidden scandal, some "Panama" — then they will be FAITHFUL EXECUTORS OF OUR ORDERS FROM FEAR OF EXPOSURE, and from the natural desire of every man who has reached authority to retain the privileges, advantages, and dignity connected with the position of president. The chamber of Deputies will elect, protect, and screen the president, but we will deprive it of the right of initiating laws or of amending them, for THIS RIGHT WILL BE GRANTED BY US TO THE RESPONSIBLE PRESIDENT, A PUPPET IN OUR HANDS. . . . We will justify this prerogative under the pretext that the president, as chief of the national army, must control it in order to protect the new republican constitution, which he, as a responsible representative of this constitution, is bound to defend.

. . . THE KEYS TO THE SHRINE WILL BE IN OUR HANDS . . .

We will also take away from the Chamber, with the introduction of the new republican constitution, the right of

interpellation (questioning) in regard to governmental measures, under the pretext that political secrets must be preserved. WITH THE AID OF THIS NEW CONSTITUTION WE WILL REDUCE THE NUMBER OF REPRESENTATIVES TO THE MINIMUM, thus also reducing to the same extent political passions and passion for politics.

Moreover, the president, as chief executive, will have the right to CONVENE OR DISSOLVE PARLIAMENT, and in the case of dissolution, DEFER THE APPOINTMENT OF A NEW PARLIAMENT. . .

Under our guidance the president will interpret in ambiguous ways such existing laws as it is possible to so interpret. Moreover, he will annul them when the need is pointed out to him by us; HE WILL ALSO HAVE THE RIGHT TO PROPOSE TEMPORARY LAWS AND EVEN MODIFICATION IN THE CONSTITUTIONAL WORK OF THE GOVERNMENT, alleging as the motive for so doing, the exigencies of the welfare of the country.

BY SUCH MEASURES WE WILL BE ABLE TO DESTROY GRADUALLY, STEP BY STEP, EVERYTHING THAT, UPON ENTERING INTO OUR RIGHTS, WE WERE OBLIGED TO INTRODUCE INTO GOVERNMENT CONSTITUTIONS AS A TRANSITION TO THE IMPERCEPTIBLE ABOLITION OF ALL CONSTITUTIONS, WHEN THE TIME COMES TO CONVERT ALL GOVERNMENTS INTO OUR AUTOCRACY.

But you know well that to render such a universal expression of desire possible, IT IS NECESSARY CONTINUOUSLY TO DISTURB THE RELATIONSHIP BETWEEN THE PEOPLE AND THE GOVERNMENT IN ALL COUNTRIES, AND SO TO EXHAUST EVERYBODY BY THE DISSENSION, INOCULATION OF DISEASES, AND MISERY, AND TO MAKE THE GOYS SEE NO OTHER SOLUTION THAN AN APPEAL TO OUR MONEY AND COMPLETE RULE.

Should we give the people a rest, however, the longed for moment will probably never arrive.

PROTOCOL NO. XI

BY THESE MEASURES, I MEAN THE FREEDOM OF THE PRESS, THE RIGHT OF ASSEMBLY, RELIGIOUS FREEDOM, ELECTORAL RIGHTS, AND MANY OTHER THINGS WHICH MUST DISAPPEAR FROM THE HUMAN REPERTOIRE, OR MUST BE FUNDAMENTALLY ALTERED ON THE DAY FOLLOWING THE DECLARATION OF THE NEW CONSTITUTION.

IT IS NECESSARY FOR US THAT, FROM THE FIRST MOMENT OF ITS PROCLAMATION, WHEN THE PEOPLE ARE STILL DUMBFOUNDED BY THE ACCOMPLISHED REVOLUTION AND ARE IN A STATE OF TERROR AND SURPRISE, THEY

SHOULD REALIZE WE ARE SO STRONG, SO INVULNERABLE, AND SO MIGHTY THAT WE SHALL IN NO CASE PAY ATTENTION TO THEM, AND NOT ONLY WILL WE IGNORE THEIR OPINIONS AND DESIRES, BUT BE READY TO AND CAPABLE OF SUPPRESSING AT ANY MOMENT OR PLACE ANY SIGN OF OPPOSITION WITH INDISPUTABLE AUTHORITY. WE SHALL WANT THE PEOPLE TO REALIZE THAT WE HAVE TAKEN AT ONCE EVERYTHING WE WANTED, AND THAT WE SHALL UNDER NO CIRCUMSTANCES SHARE OUR POWER WITH THEM. THEN THEY WILL CLOSE THEIR EYES TO EVERYTHING OUT OF FEAR AND WILL AWAIT FURTHER DEVELOPMENTS.

The Goys are like a flock of sheep — we are wolves.

Do you know what happens to sheep when wolves get into the fold?

They will also close their eyes to everything because we will PROMISE TO RETURN TO THEM ALL THEIR LIBERTIES after the enemies of peace have been subjugated and all the parties pacified.

Is it necessary to say how long they would have to wait for the return of their liberties?

Why have we conceived and inspired this policy for the Goys without giving them an opportunity to examine its inner meaning if not for the purpose of ATTAINING BY A CIRCUITOUS METHOD WHAT IS UNATTAINABLE FOR OUR SCATTERED RACE BY A DIRECT ROAD?

This constituted a base for our organization of secret Masonry which is not known to and whose aims are not even suspected by these cattle, the Goys. They have been decoyed by us into our numerous ostensible organizations, which appear to be Masonic Lodges, so as to DIVERT THE ATTENTION of their coreligionists.

GOD HAS GIVEN US, HIS CHOSEN PEOPLE, THE POWER TO SCATTER, AND WHAT TO ALL APPEARS TO BE OUR WEAKNESS, HAS PROVED TO BE OUR STRENGTH, AND HAS NOW BROUGHT US TO THE THRESHOLD OF UNIVERSAL RULE.

LITTLE REMAINS TO BE BUILT ON THESE FOUNDATIONS.

PROTOCOL NO. XII

Not one notice will be made public without our control. This is already being done by us, since the NEWS FROM ALL PARTS OF THE WORLD IS RECEIVED THROUGH SEVERAL AGENCIES IN WHICH IT IS CENTRALIZED.

. . . we have already managed to subjugate the minds of the Goys to such an extent that almost ALL OF THEM SEE WORLD EVENTS THROUGH COLORED GLASSES WHICH WE PUT OVER THEIR

EYES; . . .

All our newspapers will represent different tendencies, namely, aristocratic, republican, revolutionary, even anarchistic, so long of course as the constitution lasts. Like the Indian God Vishnu, these periodicals will have one hundred arms, each of which will reach the pulse of every group of public opinion. When the pulse beats faster, these arms will guide opinion toward our aims, SINCE THE EXCITED PERSON LOSES THE POWER OF REASONING AND IS EASILY LED. Those fools who believe that they repeat the opinion expressed by the newspapers of their party will be repeating our opinions or those which we desire them to have. Imagining that they are following the press of their party, they will follow the flag which we will fly for them.

These attacks against us will also seem to CONVINCED THE PEOPLE THAT COMPLETE LIBERTY OF THE PRESS STILL EXISTS, and it will give our agents the opportunity to declare that the papers opposing us are mere wind-bags, since they are unable to find any real ground to refute our orders.

With such measures, thought will become an educational instrument in the hands of our government, which WILL NOT ALLOW THE PEOPLE TO BE LED ASTRAY into realms of fancy and dreams about beneficent progress.

We will surely conquer our enemies, because THEY WILL NOT HAVE THE PRESS AT THEIR DISPOSAL in which to express themselves in full. Moreover, with the above mentioned plans against the press, we will not even need to refute them seriously.

PROTOCOL NO. XIII

The need of daily bread forces the Goys to silence and compels them to remain our obedient servants.

To prevent them from reaching any independent decisions, WE WILL DIVERT THEIR MINDS BY AMUSEMENTS, GAMES, PASTIMES, PASSIONS, AND CULTURAL CENTERS FOR THE PUBLIC. WE WILL SOON BEGIN TO OFFER PRIZE CONTESTS.

. . . Such attractions will definitely deflect the mind from problems over which we would otherwise have to fight with the people. By losing more and more the custom of independent thought, they will begin to talk in unison with us, because we alone will provide new lines of thought through persons with whom, of course, we will presumably have no connection.

The role of liberal Utopians will be definitely terminated when our government is recognized. . . . For it was by the word "progress" that we have successfully turned the brains of the stupid Goys. There are no brains among the Goys to realize

that this word is but a cover for digression from the truth, unless it is applied to material inventions, since there is but one truth and there is no room for progress.

When our kingdom is established, our orators will discuss the great problems which have stirred humanity for the purpose of bringing it finally under our blessed rule.

WHO WILL THEN SUSPECT THAT ALL THESE PROBLEMS WERE INSTIGATED BY US, ACCORDING TO A POLITICAL PLAN WHICH HAS NOT BEEN DISCLOSED BY ANY ONE DURING SO MANY CENTURIES?

PROTOCOL NO. XIV

WHEN WE BECOME RULERS WE WILL NOT TOLERATE THE EXISTENCE OF ANY OTHER RELIGION EXCEPT OUR OWN, WHICH PROCLAIMS ONE GOD, WITH WHOM OUR FATE IS BOUND UP BECAUSE WE ARE THE CHOSEN PEOPLE, AND OUR FATE HAS DETERMINED THE FATE OF THE WORLD. FOR THIS REASON WE MUST DESTROY ALL OTHER RELIGIONS.

The benefits of peace, although attained through centuries of unrest, will serve to demonstrate the beneficial character of our rule. . . . The useless changes of government, to which we ourselves prompted the Goys, when we were undermining their governmental apparatus, will become such a nuisance to the people by that time, that THEY WILL PREFER TO ENDURE ANYTHING FROM US RATHER THAN RISK A REPETITION OF FORMER UNREST AND HARDSHIPS.

Our philosophers will discuss all the shortcomings of the Goy religion, but nobody will ever discuss our religion IN THE LIGHT OF ITS TRUE ASPECT, AND NOBODY WILL EVER THOROUGHLY UNDERSTAND IT, except our own people, who will never dare to disclose its secrets.

PROTOCOL NO. XV

When we finally become rulers by means of revolutions, which will be arranged so that they shall take place simultaneously in all countries and immediately after all existing governments shall have been officially pronounced as incapable (which may not happen soon, perhaps not before a whole century), WE WILL SEE TO IT THAT NO PLOTS ARE HATCHED AGAINST US. TO EFFECT THIS, WE WILL KILL HEARTLESSLY ALL WHO TAKE UP ARMS AGAINST THE ESTABLISHMENT OF OUR RULE.

THE ESTABLISHMENT OF ANY NEW SECRET SOCIETY WILL BE MET BY THE DEATH PENALTY, and those societies which now exist and are known to us and either work or have worked for us, will be dis-

banded and their members exiled to continents far removed from Europe.

We will deal in the same manner with those Masons among the Goys who know too much.

This is only obtained by its majestic and unshakable power, which will convey the impression that it is inviolable BECAUSE OF ITS MYSTICAL NATURE, NAMELY, BECAUSE CHOSEN BY GOD. Such, until recently has been the Russian Autocracy — our ONLY DANGEROUS ENEMY throughout the world, WITH THE EXCEPTION OF THE POPE.

Meanwhile, until our rule is established, we, on the contrary, will organize and multiply free Masonic lodges in all the countries of the world. WE WILL ATTRACT TO THEM ALL THOSE WHO ARE AND WHO MAY BECOME PUBLIC-SPIRITED, because in these lodges will be the chief source of information and from them will emanate our influence. . . . these lodges will be administered by our wise men.

You have no idea how easy it is to bring even the most intelligent Goys to a state of unconscious credulity. . . . To the same extent as our people ignore success for the sake of carrying out their plans, so are the Goys ready to sacrifice all their plans for the sake of success. Their psychology makes the problem of direction easier for us. Those tigers in appearance have the souls of sheep and nonsense filters through their heads. As a hobby we have given them the dream of submerging human individualism through the symbolic idea of collectivism.

They have not yet discovered and will not discover that this hobby IS A CLEAR INFRINGEMENT ON THE PRINCIPAL LAW OF NATURE, WHICH, FROM THE BEGINNING OF THE WORLD, CREATED A BEING UNLIKE ALL OTHERS, PRECISELY FOR THE SAKE OF EXPRESSING HIS INDIVIDUALITY.

If we were able to lead them to such insane and blind beliefs, does it not obviously prove the low level of development of the Goy mind as compared to our mind? IT IS PRECISELY THE THING WHICH GUARANTEES OUR SUCCESS.

How far-sighted were our wise men of old when they said that to attain a serious object ONE MUST NOT STOP AT THE MEANS, NOR SHOULD ONE COUNT THE VICTIMS SACRIFICED TO THE CAUSE. We have not counted the victims from among the Goys, those seeds of cattle. Although we have sacrificed many of our own peoples, we have already given them in return a formerly undreamed-of position on earth. THE COMPARATIVELY FEW VICTIMS FROM AMONG OUR OWN PEOPLE HAVE SAVED OUR RACE FROM DESTRUCTION.

Death is the unavoidable end of all.

IT WOULD BE BETTER TO ACCELERATE THIS END FOR THOSE WHO INTERFERE WITH OUR CAUSE THAN FOR OUR PEOPLE OR FOR US, OURSELVES, THE CREATORS OF THIS CAUSE, TO DIE. We kill Masons in such a way that none but the brothers suspect, not even the victims; they all die when it is necessary, apparently from a natural death.

. . . The purely animal mind of the Goys is incapable of analysis and observation. . . .

It is through this difference in the process of reasoning between us and the Goys that it becomes possible clearly to demonstrate the stamp of God's elect as compared to the instinctive and bestial mentality of the Goys. They see, but they cannot foresee, and they cannot invent anything except material things. IT IS CLEAR, THEREFORE, THAT NATURE HERSELF INTENDED US TO RULE AND GUIDE THE WORLD.

OUR LAWS WILL BE SHORT, CLEAR, IRREVOCABLE, AND REQUIRING NO INTERPRETATION, so that everybody will be able to know them thoroughly. The chief point emphasized in them will be a HIGHLY DEVELOPED OBEDIENCE TO AUTHORITY, which will eliminate all abuses, for all without exception will be responsible before the supreme power vested in the highest authority.

For instance: Our judges will know that by attempting to show stupid mercy, they overstep the law of justice, which was created solely for exemplary punishment of crimes and not for the manifestation of moral qualities on the part of the judge. Such qualities are commendable in private, but not in public life, which constitutes the educational forum of human life.

. . . ALL THE WORLD'S MONEY WILL BE CONCENTRATED IN OUR HANDS; consequently, our government need not fear expense.

Our autocracy will be consistent in every respect, and consequently every manifestation of our great power will be respected and unconditionally obeyed.

Thus, they will become imbued with the idea that it is impossible for them to do without this guardian and guide if they wish to live in a world of peace and quiet. They will recognize the autocracy of our sovereign, whom they will respect and almost deify. . . . With regard to the secrets of our political plans, BOTH THE MASSES AND THEIR ADMINISTRATION ARE LIKE LITTLE CHILDREN.

IT IS THE RIGHT OF THE STRONG TO UTILIZE HIS POWER IN ORDER TO LEAD HUMANITY TOWARDS A SOCIAL ORDER ESTABLISHED BY THE LAW OF NATURE, NAMELY, OBEDIENCE. . . . Consequently, let us be the strongest for the common good.

WE MUST SACRIFICE WITHOUT

HESITATION THOSE INDIVIDUALS WHO VIOLATE THE EXISTING ORDER, for in exemplary punishment of evil there lies a great educational process.

WHEN THE KING OF ISRAEL PLACES THE CROWN OFFERED TO HIM BY EUROPE ON HIS SACRED HEAD, HE WILL BECOME THE PATRIARCH OF THE WORLD. The necessary sacrifices made by him will never equal the number of victims sacrificed to the mania of greatness during the centuries of rivalry between the Goy governments.

Our sovereign will be in constant communication with the people, delivering from tribunes addresses which will be spread to all parts of the world.

PROTOCOL NO. XVI

It was necessary for us to infiltrate into their educational system such principles as have successfully broken down their social order.

We will obliterate from the memory of the people all those facts pertaining to former centuries which are not to our advantage, leaving only those which emphasize the mistakes of the Goy governments. THE STUDY OF PRACTICAL LIFE, OF OBLIGATORY SOCIAL ORDER, OF THE INTER-RELATIONSHIP OF HUMAN BEINGS, THE AVOIDANCE OF EVIL, EGOTISTICAL EXAMPLES THAT PLANT THE SEED OF EVIL, AND OTHER QUESTIONS OF A PEDAGOGICAL NATURE, WILL HEAD THE EDUCATIONAL PROGRAM. This program will differ for each caste, never allowing education to be of a uniform character. Such a system is of special importance.

EACH CASTE MUST BE EDUCATED WITH STRICT LIMITATIONS according to its particular occupation and the nature of the work. Accidental genius has always been able and always will be able to rise to a higher caste, but, for the sake of this rare exception, to open the door to the inefficient, and to admit them to higher castes or ranks, enabling them to occupy positions of others born and trained to fill them — is absolute insanity. You, yourself, know what happened to the Goys when they yielded to this nonsense.

. . . teachers will read supposedly unbiased lectures on problems of human relationship, on the law of imitation, on the cruelty of unrestricted competition, and finally, on new philosophical theories which have not yet been disclosed to the world.

In short, knowing from the experience of many centuries that MEN LIVE AND ARE GUIDED BY IDEAS, that these ideas are imbued only by means of education given to persons of all ages, . . . WE WILL ABSORB AND APPROPRIATE TO OUR OWN ADVANTAGE THE LAST TRACES OF INDEPENDENT THOUGHT, WHICH FOR A LONG TIME HAVE BEEN DIRECTED TO THE

GOAL AND TO THE IDEAS NECESSARY TO US. THE SYSTEM OF ENSLAVING THOUGHT IS ALREADY IN ACTION THROUGH SO-CALLED VISUAL EDUCATION.

THIS SYSTEM TENDS TO TURN THE GOYS INTO THOUGHTLESS, OBEDIENT ANIMALS, EXPECTING TO SEE IN ORDER TO UNDERSTAND. In France, one of our best agents, Bourgeois, has already announced a new program of visual education.

PROTOCOL NO. XVII

Lawyers . . . will receive a salary, regardless of whether the defense has been successful or not.

. . . it is only a question of a few years before the complete collapse of Christendom. It will be still easier to deal with other religions, but it is too early to discuss this problem.

When the moment comes to ANNIHILATE THE VATICAN COMPLETELY, an invisible hand, pointing towards this court, will guide the masses in their assault.

The King of Israel will become the real Pope of the Universe, the Patriarch of the International Church.

According to our program, ONE-THIRD OF OUR SUBJECTS WILL WATCH THE OTHERS from a pure sense of duty, as volunteers for the government. Then it will not be considered disgraceful to be a spy and an informer; on the contrary, it will be regarded as praiseworthy. Unfounded reports, however, will be severely punished to prevent abuse of this privilege.

PROTOCOL NO. XVIII

We have forced the rulers to admit their own weakness by adopting open measure of police protection, and thereby we have ruined the prestige of their authority.

TO GUARD THE SOV-EREIGN OPENLY IS EQUI-VALENT TO AN ADMISSION OF THE WEAKNESS OF HIS GOVERNMENTAL ORGANIZATION.

We will arrest criminals upon the first more or less well founded suspicion.

PROTOCOL NO. XIX

Sedition is nothing but the barking of a lap dog at an elephant. From the point of view of the government which is well organized, not from the police standpoint but with regards to its social basis, the lap dog barks at the elephant because he does not realize his strength. It is only necessary for the elephant to show his strength once and the dog barks no more; he begins to wag his tail the moment he sees the elephant.

PROTOCOL NO. XX

. . . THE RESULT OF OUR ACTIONS IS

MEASURED IN FIGURES.

In our government the sovereign will have the legal fiction of OWNING EVERYTHING IN HIS KINGDOM (which is easily put into practice), and can resort to LEGAL CONFISCATION OF ALL MONEY in order to regulate its circulation throughout the country. Consequently, the best method of taxation is the levying of a PROGRESSIVE TAX ON PROPERTY.

Progressive taxation, assessed according to the amount of capital, will produce a much greater revenue than the present system of taxing every one at an equal rate, which is useful to us now ONLY AS A MEANS OF EXCITING REVOLT AND DISCONTENT AMONG THE GOYS. The power of our sovereign will rest mainly in equilibrium and in guarantees of peace. . . Public needs must be met by those who can best afford to do so and by those from whom there is something to take.

Such a measure will eliminate the hatred of the poor towards the rich. . .

Even small sums in excess of a certain definite and broadly calculated fund, should not be allowed to be kept in the state treasury, because MONEY IS INTENDED TO CIRCULATE, and every impediment to circulation is detrimental to the governmental mechanism, which the money lubricates; the congestion of lubricating substances can stop the proper functioning of the mechanism.

THE ECONOMIC CRISES WERE CREATED BY US FOR THE GOYS ONLY BY THE WITHDRAWAL OF MONEY FROM CIRCULATION. Huge amounts of capital were kept idle and were taken away from the nations, which were thus compelled to apply to us for loans. Payment of interest on these loans burdened the state finances and made the states subservient to capital. The concentration of industry HAVING TAKEN PRODUCTION OUT OF THE HANDS OF THE ARTISAN AND PUT IT INTO THE HANDS OF CAPITALISTS, SUCKED ALL THE POWER OUT OF THE PEOPLE AND ALSO OUT OF THE STATE.

. . . SINCE WE TOOK AS MUCH GOLD AS POSSIBLE OUT OF CIRCULATION.

The budget of revenues and the budget of expenditures will be PLACED SIDE BY SIDE, in order that they may always be compared with each other.

THE PERIOD OF LOANS FOLLOWED AND . . . BROUGHT ALL THE GOY STATES TO BANKRUPTCY.

You can well understand that such a management of financial affairs as we induced the Goys to pursue cannot be adopted by us.

Indeed, what is a loan, especially a foreign loan, if not a leech?

SO LONG AS THE LOANS WERE DOMESTIC, THE GOYS ONLY SHIFTED THE MONEY FROM THE POCKETS OF THE POOR INTO THOSE OF THE RICH;

BUT WHEN WE BRIBED THE PROPER PERSONS TO MAKE THE LOANS FOREIGN, THEN THE NATIONAL RICHES Poured INTO OUR HANDS AND ALL THE GOYS BEGAN TO PAY US THE TRIBUTE OF SUBJECTS.

. . . has forced their countries into debt to our banks to such an extent that THEY CAN NEVER PAY OFF THEIR DEBTS. It should be realized, however, that we have gone to great pains in order to bring about such a state of affairs.

THIS PROVES THE GENIUS OF OUR DISTINGUISHED MIND, for we were able to present the question of loans to them in such a light that they saw in loans an advantage for themselves.

IT IS IMPOSSIBLE TO GOVERN WITHOUT A DEFINITE PLAN.

PROTOCOL NO. XXI

. . . we will also DESTROY ALL STOCK EXCHANGES, for we will not allow the prestige of our authority to be shaken by the shifting of the prices of our securities. We will fix the full price of their value legally without any possibility of its fluctuation. (A rise leads to a fall, and this was precisely what we did to the Goy stocks and bonds at the beginning.)

We will replace the stock exchanges by great government credit institutions. . . These institutions will be in a position to throw daily on the market 500,000,000 shares of industrial stocks, or to buy up a like amount. Thus all industrial enterprises will become dependent upon us. YOU CAN WELL IMAGINE WHAT POWER THAT WILL GIVE US.

PROTOCOL NO. XXII

In all that I have hitherto reported to you I have carefully tried to show you a true picture of the mystery of present events, as also of those of the past, which all flow into the stream of great events, the results of which will be seen in the near future. I have exposed our secret plans which govern our relations with the Goys, as well as our financial policy. There remains but little to add.

We hold in our hands the greatest modern power — gold. In the course of two days we can get it from our treasuries in any desired quantity.

Is there any more need for us to prove that our rule is decreed by God? DO WE NOT PROVE BY SUCH WEALTH THAT ALL THE EVIL WHICH WE WERE FORCED TO DO DURING SO MANY CENTURIES HAS SERVED IN THE END TO TRUE HAPPINESS — TO THE RESTORATION OF ORDER? . . . We will be able to prove that we are benefactors, who have brought true welfare and individual free-

dom to the tortured world, insuring at the same time the possibility of enjoying peace, quiet, and dignity of relationships, UPON THE SOLE CONDITION, OF COURSE, THAT OBEDIENCE TO THE LAWS ESTABLISHED BY US IS PRACTICED.

Our power will be glorious because it will be mighty; it will rule and guide, and not helplessly crawl after leaders and orators, shouting insane words which they call great principles, and which in reality are simply Utopian. OUR POWER WILL LEAD TO ORDER, WHICH, IN TURN BRINGS HAPPINESS TO THE PEOPLE. The prestige of this power will excite mystical adoration, and the peoples will bow before it. TRUE POWER DOES NOT YIELD TO ANY RIGHT, EVEN BE IT THAT OF GOD. None will dare approach it in order to deprive it even of an atom of its might.

PROTOCOL NO XXIII

To teach the people obedience they must be taught modesty, and to accomplish this THE PRODUCTION OF LUXURIES MUST BE LIMITED.

We will RESTORE HANDICRAFT, which will undermine the private capital of manufacturers. . . big manufacturers often influence . . . the thoughts of the people against the government.

A people, practicing handicraft, does not know what unemployment means, and this makes them cling to existing conditions and consequently to the power of authority. Unemployment is most dangerous for a government. IT WILL HAVE FINISHED ITS WORK FOR US AS SOON AS AUTHORITY FALLS INTO OUR HANDS.

DRUNKENNESS WILL ALSO BE FORBIDDEN BY LAW and will be punishable as a crime against human decency, for man becomes bestial under the influence of alcohol.

The sovereign who will replace the present existing governments . . . must destroy such a society, IF NECESSARY DROWN IT IN ITS OWN BLOOD, in order to resurrect it as a well-organized army, which consciously struggles against the infection of any anarchy affecting the state organism.

HE, GOD'S ELECT, IS CHOSEN FROM ABOVE FOR THE PURPOSE OF CRUSHING THE INSANE FORCES THAT ARE MOVED BY INSTINCT AND NOT BY INTELLECT, BY BESTIALITY AND NOT BY HUMANITARIANISM.

Then we will say to the peoples: "Pray to God and bow before him who bears the mark of predestination, to whom God Himself showed His Star, so that none but He Himself should free you from all sinful forces and from evil.

PROTOCOL NO. XXIV

A few members of the seed of David will train the sovereigns and their successors, who will be selected not by right of inheritance, but according to their personal ability.

ONLY THOSE OF AN UNDOUBTEDLY ABLE AND FIRM, EVEN CRUEL CHARACTER, WILL RECEIVE THE REINS OF GOVERNMENT FROM OUR WISE MEN.

Only the sovereign and his three sponsors will know the future.

Nobody will know the aims of the sovereign when he issues his orders, and thus nobody will dare oppose him.

Naturally, the mental capacity of the sovereign must be equal to the plan of rule herein contained. For this reason he will not mount the throne before a TEST OF HIS MIND is made by the above mentioned Wise Men.

The King of Israel must not be influenced by his passions, especially by sensuality. No particular element of his nature must have the 'upper hand and rule over his mind. SENSUALITY, MORE THAN ANYTHING ELSE, UPSETS MENTAL ABILITY AND CLEARNESS OF VISION BY DEFLECTING THOUGHT TO THE WORST AND MOST BESTIAL SIDE OF HUMAN NATURE.

The Pillar of the Universe in the person of the World Ruler, sprung from the sacred seed of David, MUST SACRIFICE ALL PERSONAL DESIRES FOR THE BENEFIT OF HIS PEOPLE.

OUR SOVEREIGN MUST BE IRREPROACHABLE.

Now you who are in shocking disbelief, bear with me a bit longer. The entire text is over 63 pages in length—and that is just the summary of the main, detailed document which has not been seen outside the "privileged" circles.

Dharma asks, "But what of the Jewish people who live and work and dwell in all ways among us?" So be it, chela. Did you know all of this information? Neither do they!! The "ordinary" Jewish person will be sacrificed in the most outrageous manner. The Zionist Jews have more hatred for the "Jew" than all other beings on your placement placed in one lump anywhere or at any time. They are the tools of the teachings.

Who are Goys? Again I repeat for your memory prompting—they are ALL except the Zionists.

Frightening? I should certainly hope so, beloved chelas. It is a good time to use your earthly phrase: "If you aren't in a panic; you don't understand the situation!"

Dharma, please close this portion and print it. Let us then check on the time and desires of the group and we may or may not finish with THE SECRET NEW CONSTITUTION summary today. It has been far too

long a work period so we will look carefully at timing.

10/14/90 HATONN

There is great misunderstanding regarding Jews, Zionists, U.S. Nationalism and anti-Semitism, or, any other anti-anything.

DEFINITION: ZIONISM

Zionism is a secular political movement dedicated to the establishment of a Jewish state. It seeks to transform religious hopes and the yearning for individual freedom into a nationalistic political program. Not

until the first Zionist Congress in 1897 did Theodor Herzl call for a "legally secured Jewish home in Palestine." Zionism uses the mask of religion to hide its blatant nationalism, racism and atheistic philosophy. (Doesn't sound like Father Joseph's or Mother Mary's Jewish children to me!)

Advice Of The Grand Satraps And Rabbis

4/1/93 #1 CERES 'ATONN

You will also find that the 13th (short-version) of the *Protocols of Zion*, will also be making more and more sense as you see that it has been accomplished according to their plans for your citizenry:

"13: We have already established our own men in all important positions. We must endeavor to provide the *Goyim* with lawyers and doctors; the lawyers are *au courant* with all interests; doctors, once in the house, become confessors and directors of consciences. And,
"15. If one of our people should unhappily fall into the hands of justice amongst the Christians, we must rush to help him; find as many witnesses as he needs to save him from his judges, until we become judges ourselves."

Also there is a letter, remember, where a Jewish Rabbi of Arles in Provence, wrote to the Grand Sanhedrin, which had its seat in Constantinople, for advice, as the people of Arles were threatening the syna-

gogues. What should the Jews do? This was the reply:

"Dear beloved brethren in Moses, we have received your letter in which you tell us of the anxieties and misfortunes which you are enduring. We are pierced by as great pain to hear it as yourselves.

"The advice of the Grand Satraps and Rabbis is the following:

"1. As for what you say that the King of France obliges you to become Christians: do it, since you cannot do otherwise, but let the law of Moses be kept in your hearts.

"2. As for what you say about the command to despoil you of your goods" (the law was that on becoming converted Jews gave up their possessions); "**make your sons merchants, that little by little they may despoil the Christians of theirs.**

"3. As for what you say about their making attempts on your lives: **make your sons doctors and apothecaries,**

that they may TAKE AWAY CHRISTIANS' LIVES.

"4. As for what you say of their destroying your synagogues: **make your sons canons and clerics in order that they may destroy their churches.**

"5. As for the many other vexations you complain of: **arrange that your sons become advocates and lawyers, and see that they always mix themselves up with the affairs of State, in order that by putting Christians under your yoke you may dominate the world and be avenged on them.**

"6. Do not swerve from this order that we give you, because you will find by experience that, humiliated as you are, you will reach the actuality of power.

"Signed V.S.S.V.F.F., Prince of the Jews, 21st Caslue (November), 1489."

So this is "just old stuff"? How interesting to note that the CIA is now predominantly KGB (Soviets) and Mossad (Israel Secret Service) and ALL are branches of the British-Israel EMPIRE.

LA: No Riots--Why?

4/18/93 #1 CERES 'ATONN

L.A.: NO RIOTS

TODAY!

Since we are putting together a paper sans Chief Editor, let us just cover the bare necessities of the day. Realize, please readers, that we are two full days ahead of press so when you get this it will be a tad older than is even "usual".

Better than riots for the Elite, is what is happening. Watch TWO things as outcome of this policemen's trial. 1) Sheriff Block said that "probably, if nothing happens, after about 48 hours the **VISIBLE presence of guard, etc., would lessen, BUT there will remain full capability of immediate action.**" And

OOPS!, "After all, we need to remain fully alert and management capable for the 'Big One'—er, I mean here, for a possible 'Big One' earthquake as is expected, and not, in that instance, to stop rioting." Uh Huh! What can he know that you don't? ALMOST EVERYTHING!

2). The press was set up to stomp everything into the ground as riots spread

throughout everywhere. When nothing happened the big flap is at the media for overkill and actually through the bombardment, citing to riot through questions and harassment. Say what?? Here you have another superb manipulation of the media to cause disallowance of even moderate follow-up of such incidents—in other words, more control over

the little journalists who don't know what hit them—and, a silencing of more and more information reaching you-the-people.

The "trials" are not over and neither is the trouble that is foundation to THIS one. Don't be foolish, watchers, or you will be blinded by the "obvious" planted for you while the "real stuff" is totally

missed.

SHUTTLE

Do any of you find it interesting that your shuttle was held in orbit until AFTER the verdict was KNOWN? You must be putting these incidents together, chelas.

Update On Wacko Waco "Stand-Off"

4/18/93 #1 CERES 'ATONN

There is no "stand-off" and no "weird" sect. You have had an invasion of private property with intent to murder by your own government. There is no "hurry" to settle the "thing" in a manner expeditious, either—and you CAN get this truth through the nonsense they "tell" you.

They say they will just wait while Koresh writes his receivings on the Seven Seals, etc. THEN, when the man asks for a "word processor" which would speed the project by incomprehensible dimension—it is "NO". What do you think about that? Well, it would look to me as if there is planned to "somehow" be "forced" to go in and murder them all. Since the *last* thing the government wants are witnesses—how do *YOU* think the government would like to end this nothing "stand-off". "Stand-off" with an ATF SWAT team of unlimited num-

bers, the FBI, tanks, automatic weapons that can shoot "cluster" missiles AND capable of blowing up New York—nuclear weapons the size of a pack of chewing gum? [Editor's note: Yes, I'm now back from court, late monday night, and we only heard the barbaric news, on the radio, driving home late this afternoon, 4/19, after court, about the shocking and robotically cold-blooded incendiary "suiciding" that transpired today...just as Commander had predicted above.]

I say one thing right here and now: **YOU ONES WHO CONTINUE TO SHUT DOWN TRUTH AND THE WORD OF TRUTH FROM SPREADING FAR AND WIDE THROUGH QUIBBLING OVER WHO GETS ATTENTION FOR THAT WORD—HAD BEST STOP IT OR THERE IS NOT A PRAYER OF GETTING ENOUGH PEOPLE INFORMED TO DO A CONFOUNDED THING AGAINST THESE MISERABLE AD-**

VERSARIES OF LIFE ITSELF. WE, FOR INSTANCE, ARE WILLING TO SHARE OR GIVE AWAY, ANYTHING BEYOND ABSOLUTE "COST" OF PRODUCTION (AND HAVE UP TO NOW GIVEN FAR MORE AND NEVER HAD ONE "BREAK-EVEN" IN ANY PRESS).

We now shall have CONTROL over our work wherein up to now we have had to continue with a publisher and distributor to consider in fundamental "make it" mode. We still have to "make it" but we don't have to give such fundamental attention to that need.

Our work is totally DATED JOURNAL MATERIAL. We do not write "BOOKS" as do other parties who do not actually do the same as we. We offer the truth as it floods over us amid the heaps of the tidal wave of total bunk, lies and/or good intentioned but often repetitious or lacking in ability to publish such information.

Gaia Resources New Products

GAIANDRIANA

Gaiandriana is a non-alcoholic health tonic which provides basic "foods" to help cells, weakened by the stresses of modern life, to return to a state of health.

The better our cells function, the greater is the stamina returned to our internal defense systems, and the better we can counter the constant onslaught of biological and viral invaders. The end result is a feeling of well-being by, of course, being well!

The Gaiandriana (commonly referred to as "chondriana" in the Biological literature) are capable of intelligent, organized attack against cellular invaders like viruses. Think of it as a "pac-man" operation of sorts. However, beyond that, the Gaiandriana are capable of stimulating cellular structural repairs due to damage caused by, for instance, free radicals and cumulative levels of so-called "background" radiation in our modern environment. Healthy DNA and RNA within the nuclei of our cells then lead to properly formed and concentrated enzymes, upon which healthy cellular function depends.

Gaiandriana liquid is made entirely from wholesome natural ingredients.

AQUAGAIA

Complementary to the Gaiandriana product, Aquagaia is also a non-alcoholic health tonic which provides basic "foods" to help cells, weakened by the stresses of modern life, to return to a state of healthy function.

Aquagaia contains *mitochondria*. These are the major biochemical energy "processors" within cellular metabolism. First, enzymes begin the breakdown process of organic nutrients (like fats, carbohydrates and proteins) to intermediate substances such as amino and pyruvic acids. Then, in the next "bucket brigade" step, these various acid molecules are processed within the mitochondria to release chemical energy recognized as adenosine triphosphate (ATP).

About 95% of the energy needed to "run the machinery" that keeps each cell going and healthy is produced in the mitochondria. Unfortunately, the mitochondria are particularly damaged by free radicals and cumulative levels of so-called "background" radiation in our modern environment. These compromised mitochondria, like half-dead batteries, then lead to impaired cellular functioning and health. Thus is the importance of Aquagaia, with its assimilable

supply of healthy mitochondria — like "fresh batteries" for the body's cells.

The better our cells function, the greater is the stamina returned to our internal defense systems, and the better we can counter the constant onslaught of biological and viral invaders. The end result is a feeling of well-being by, of course, being well.

2/11/93 #2 HATONN

GAIANDRIANA AND AQUAGAIA:

To help in understanding the workings of these organic "pac-men" you must realize that there is a protein covering "cap" on viruses. The protein cap is centered on a charged zinc atom and is the part of the virus that recognizes and binds to DNA—in turn allowing the virus to reproduce.

Aquagaia, in conjunction with the Gaiandriana, knock out the zinc atom (a simple "charge" change), which renders the protein ineffective. This is a breakdown of "parts" of the Gaiandriana male/female DNA structure which release many working variants but frees the Gaiandriettes or "killers" to take out that zinc atom and pass right into the affected cell. Without the "cap", the virus cannot reproduce and infect more cells—further, the damaged virus feeds the Gaiandriana unified cells and the circulating mitochondria.

Healthy cells are not affected because they lack the zinc-centered protein cap on the virus.

These "Gaia" compounds have an effect on cancer cells because they stop an enzyme on the cancer cells from producing a "messenger" molecule that blocks a second enzyme from attacking the cancer cell's DNA. The compounds (Gaia) have been seen to actually take out leukemia, breast, brain and colon cancer cells. We have no claim to anything other than stating that people utilizing these simple and natural substances do show improved well-being and do report feeling generally and, often remarkably, improved as to state of health, thought processes and stamina.

The obvious conclusion is that there might well be good reports of better health and faster recovery following infection by other viruses than those mentioned above. All viruses known react in generally the same manner.

It is known that many diseases are due to retroviral DNA and these are the most affected viruses by the Gaia-chondrianas (living crystal forms). We, again, make no medical claims—we

are simply reporting in an effort to explain WHAT takes place within the cellular structures of living organisms. If you really want to witness remarkable growth in plants and good stamina and health in pets and other animals—try a little of these additives as you would vitamins or fertilizers. Use in a mildly vitamin C based solution on same. At transplant time for garden plants and houseplants—soak their little root systems in this natural and mild solution. Just add a tablespoon of Gaiandriana, a few drops of liquid vitamin C or C-crystals to a quart of water and let set for 48 hours—then it is ready for use. It will not negatively interact with anything other than perhaps harbored viruses and disease spores and organisms.

NOTE

If any product you receive has an unpleasant odor—it is from the finishing culture process. Leave the bottle open to air and it will quickly dissipate. Then, depending on taste and preference—refrigerate after opening and reclosing.

IMPORTANT: Do not mix the two, Gaiandriana and Aquagaia, together for storage as the Aquagaia (mitochondria) is aggressive and begins to "eat" the Gaiandriana for fuel. They go about their appointed tasks once ingested, but in bottle prisons they are not particularly compatible once the available fuel supply is exhausted. Juices are excellent to take with the Aquagaia because the mitochondria must have the fuel derived from same, the most effective juice being from the tropical "Guava" fruit. Any juice is fine, however, and is most pleasant to intake. Diabetics should utilize whatever juices are available on their food plan to keep within the safe guidelines for calories and other requirements.

The most innocuous and easy intake available is simply a few drops under the tongue, both products taken at the same time or at different times of the day. Once the "initial" program is begun and maintenance is followed, certainly the drops under the tongue are the least annoying to any daily regimen.

A-C-E ANTI-OXIDANT FORMULA

There is growing evidence that essentially everyone in our society is exposed to free radicals, now more than ever. While free radicals are normal products of our cells and have certain beneficial roles in the body, increased levels of free radicals in our body tissues can be detrimental to our health.

Free radicals are highly unstable substances produced in the body through, among other routes, the metabolism of oxygen. Free radicals multiply through a series of chain reactions and can attack the polyunsaturated fatty acids of cell membranes. Unless excess free radicals are neutralized, they can cause considerable damage to the structure and function of cell membranes, and thus the cells themselves. The

products from free radical reactions are implicated in the progressive accumulation of deleterious cellular changes over time, which may eventually result in recognizable disease. Free radical damage is implicated in the initiation and promotion of many cancers, as well as hardening of the arteries.

One area of Aging Research suggests that free radicals damage body cells and cause the pathological changes associated with aging. Besides being byproducts of the metabolism of oxygen, such as during strenuous exercise, we also generate significant levels of free radicals from the environment, such as from so-called "background" levels of ionizing radiation.

Cooperative defense systems that can protect the body from free radical damage include certain enzymes and the antioxidant vitamins A, C, and E and beta-carotene, which protect cell membranes from oxidative damage. Vitamin E, one of the fat-soluble vitamins, is present in the blood as α -tocopherol and is well accepted as the major antioxidant in lipid body tissues. Vitamin E is considered the first line of defense against cell-membrane damage due to peroxidation. Vitamin E scavenges free radicals, terminating chain reactions and confining damage to limited areas of the membrane. Selenium contained in the enzyme glytathione peroxidase is the second line of defense that destroys peroxides before they can damage cell membranes. Beta-carotene, a precursor of Vitamin A, also traps free radicals. Vitamin C is water soluble and serves to neutralize free radicals in aqueous systems.

The antioxidants show promise as cancer-prevention agents, alone and in combination.

GINKGO BILOBA (Ginkgo Biloba extract 24%)

The Ginkgo Biloba, or Maidenhair tree, is one of the oldest living species on this planet. Ginkgo has flourished almost unchanged for 150 million years, and its ancestors can be traced back 250 million years. It is because of this antiquity that the Ginkgo Biloba tree is called "*the living fossil*". Individual trees are believed capable of living 2000 to 4000 years. During the last ice age, Ginkgos nearly became extinct. These trees survived only in China and other parts of Asia, where they stayed until approximately 1,000 years ago. At that time, Ginkgo trees were also planted around monasteries in Japan, where they still live today.

The name *Ginkgo* may come from the Chinese *Sankyo* or *Yinkuo* (Yin Guo), meaning "hill apricot" or "silver fruit". The word *biloba* means "two lobes" and describes the young leaves. Although modern medical research focuses mainly on the leaves of Ginkgo, the Ginkgo fruits and nuts have been used in China since time immemorial as a delicacy and tonic food. Ancient Chinese texts record Ginkgo's use as a medicinal agent as far back as five thousand years ago.

The Ginkgo Biloba extract is a complex compound. The green leaves of the tree are

usually harvested from trees grown on plantations in South Korea, Japan and France.

Ginkgo is reported to have a natural affinity for the nervous system. It also seems to stimulate the vascular and endocrine systems that, in turn, strongly affect the function of the nervous system, possibly increasing the capacity for normal physical activity, and the flow of blood to the brain. Some research indicates the possible effectiveness of Ginkgo in the treatment of *Alzheimer's* disease.

Due to its pharmacological properties, Ginkgo is now widely used throughout Europe for treating many forms of vascular disease. In a survey of packaging information of European products, Ginkgo has been recommended for such ailments as headaches, vertigo, inner-ear disturbances, diminished intellectual capacity and alertness as a result of insufficient circulation to the brain, anxiety, and depression, to name a few.

Ginkgo Biloba Extract (24%) is concentrated from the leaves of the Ginkgo Biloba tree. The highly specialized extraction process yields a 50:1 concentrate from the leaves (50 grams of leaf produce 1 gram of extract). The extract is then further standardized to contain 24% of the active Ginkgo Flavoglycosides.

MO-GU ELIXIR

The first recorded use of Mo-Gu Elixir was during the Chinese Tsin-Dynasty in 221 B.C. It was referred to as "*The Remedy for Immortality*" or "*The Divine Tsché*".

It has been well documented that there are certain people who live to be well past a hundred years of age. These people live in such areas as the mountainous Caucasus, Yakutia in Siberia, the Poltava District of the Ukraine, Tibet and Spain. There is an area in Russia called Kargasok where the people are a dairy- and vegetable-eating populace. Centenarians are common among these people. They attribute their longevity to the Yeast Enzyme Tea (Mo-Gu Elixir) which has been in their diet for hundreds of years. It is said that Mo-Gu and yak butter are staples among the dwellers of the high Himalayas.

Mo-Gu has been used throughout history in China, Japan, Russia, Korea, and India. It has been said to promote a feeling of well-being and overall physical restoration. It has been known by many names, some of which are: Fungus Japonicus, Fungo japon Kombucha, Pichia Fermentans, Cembuya Orientalis, Combuchu Tschambucco, Volga-Spring, Champignon de Longue Vie, Teekwass, Kwassan, and Kargasok.

The Mo-Gu fungus constructs in a membrane form and is a symbiosis of yeast cells and different bacteria. Among these bacteria are: Bacterium Xylinum, Bacterium Gluconicum, Acetobacter Ketogenum, and Pichia Fermentans.

The Mo-Gu fungus needs to live in a solution composed of common (black) tea and sugar. In the proper temperature environment they multiply constantly. They do not build spores as yeast normally does, but instead multiply by a process of branching.

CHLORELLA

Chlorella is a single-celled, fresh-water algae. Believed to be the first form of life with a true nucleus, chlorella dates back approximately 2.5 billion years, making it *pre-Cambrian*. Through the process of photosynthesis chlorella cells reproduce themselves by cell division at the rate of four new cells every 17-24 hours. It was not until the 1890s that chlorella was identified under the microscope. In naming it, the prefix *chlor* was selected to signify green, while the suffix *ella*, indicates small. Chlorella is the most researched algae in the world and remains the most popular with millions of consumers worldwide.

Chlorella is a nutritionally balanced whole food and contributes to the health and growth of human cells like no single vitamin or mineral possibly can.

Chlorella is extremely high in protein (60%) and contains more than 20 vitamins and minerals, 19 of the 22 essential and non-essential amino acids, enzymes and chlorella growth factor. It is one of the richest sources of RNA and DNA known and has twenty times as much chlorophyll as alfalfa, 10 times more than other edible algae including spirulina, and 10 times more than barley grass.

Chlorella is a natural vitality enhancer. The vitamins found in chlorella cells include: Vitamin C, provitamin A, B-carotene, chlorophyll a, chlorophyll b, thiamine (B1), riboflavin (B2), pyridoxine (B6), niacin (B3), pantothenic acid, folic acid, vitamin B-12, biotin, choline, vitamin K, PABA, lipoic acid, inositol and para-aminobenzoic acid. The minerals include: phosphorus, potassium, iodine, magnesium, sulphur, iron, calcium, manganese, copper, zinc and cobalt.

The amino acids include: lysine, histidine, arginine, aspartic acid, threonine, serine, glutamic acid, proline, glycine, alanine, cystine, valine, methionine, isoleucine, leucine, tyrosine, phenylalanine, ornithine, tryptophan.

The suggested daily consumption is 3 grams per day.

ECHINACEA GOLD PLUS with American Ginseng

In recent years few medicinal plants have garnered as much attention as Echinacea (*Echinacea Purpurea* and *Echinacea Angustifolia*). The genus name is derived from the Greek *echinos*, (hedgehog or sea urchin) referring to the prickly scales of the dried seed head. Echinacea was widely used medicinally among Native Americans, particularly in the Plains. It is a product which is now used widely throughout United States and Europe.

Echinacea is a non-specific stimulant to the immune system. Claims for Echinacea include: stimulation of leukocytes, mild antibiotic activity, anti-inflammatory activity, stimulation of the adrenal cortex, stimulation of the properdin/complement system, interferon-like activity, stimulation of general cellular immunity, and

antiviral activity. Internal preparations are said to assist in alleviating cold and flu symptoms, respiratory infections, and arthritis, to name a few.

Goldenseal (*Hydrastis Canadensis*) is generally placed in the buttercup family. The name Goldenseal was adopted in 1880, previously having been known as Yellow Root. Goldenseal was widely used among the Native American population, particularly among those in the East. The Cherokee used the roots as a wash for local inflammations, for general debility, dyspepsia and to improve appetite. The Iroquois used it for whooping cough, diarrhea, liver trouble, fever, sour stomach, flatulence, and pneumonia. Benjamin Smith Barton first referred to the use of Goldenseal for rattlesnake bites as early as 1793. Clinical recognition of the use of Goldenseal came in the early 1850s and has continued to this very day.

Goldenseal is among the most popular herbs in the American health food market. Uses are numerous, including but not limited to: antiseptic, hemostatic, diuretic, laxative, and tonic/anti-inflammatory for the mucous membranes, hemorrhoids, nasal congestion, mouth and gum sores and eye afflictions.

Ginseng can be literally translated from Chinese as "the essence of man" or "man-shaped precious root." Few medicinal plants in the world possess Ginseng's near-legendary status. Dating back thousands of years, its history of use in the Orient records therapeutic properties so wide ranging that it was first dismissed by Western doctors as a "panacea". When fatigued, Ginseng reportedly restores both physical and mental functions to peak efficiency and, with regular use, improves resistance to disease and stress. American Ginseng's genus name is *Panax Quinquefolius*.

Over 40,000 species of mushrooms exist, many of which are used as medicines. Of particular note are such remedies as penicillin- and ergot-based extracts used in migraine treatment, to name a few. Extensive research has been done with one mushroom in particular, namely, Reishi. This mushroom is now considered a tried and true immune system fortifier.

References to the use of Reishi in the treatment of a variety of complaints date back as far as 2700 B.C. in Chinese literature. It is referred to by a number of names, including the "ten thousand year mushroom". The rarity of this particular mushroom has increased its value. The Chinese emperor Shih Huang Ti (250-210 B.C.) mounted expeditions of hundreds, even thousands of men to find the Reishi. Recently techniques have been developed for the cultivation and harvesting of the Reishi Mycelium. Writings about Reishi place it in the category of "fu zheng" herbs and claim it is a medicine that improves the ability of the body to maintain balance by strengthening natural resistance and generally improving health.

THE WORD

Tapes, Transcriptions & Videos

In addition to audio tapes of meetings with Commander Hatonn and written transcriptions of some taped topics, *THE WORD* also offers other tapes and videos on selected topics.

Donations to cover the costs of tapes are \$4.00 for one tape, \$6.00 for two tapes and \$2.50 per tape for three or more, except where otherwise noted. The transcriptions are \$3.00 each. (Mexico or Canada add \$0.25 and other foreign countries add \$0.50 per tape or transcription.) Postage is included in tape and transcription prices.

Please send check or money order to: *THE WORD*, P.O. Box 6194, Tehachapi, CA 93582 or call 805-822-4176 if you have questions or you wish to use your Visa, Discover or Master Card.

If you desire to *automatically* receive tapes from future meetings, please send at least a \$50 donation from which tape costs will be deducted. We will try to notify you as your balance reaches zero.

Special Order tapes are noted below by * and are not automatically sent since this material is usually either already in print or will be soon. Available written transcriptions are noted by #.
