Just *Who* Controls *What*? Your Weather, Your Money Your *LIFE* In Peril!

Editor's note: We have decided to run "Professor" Soltec's writing on the Front Page again this week because his no-holds-barred slice through our current dire situation, as a nation in grave peril, requires your undivided attention. The noose is tightening, the funnel's neck is narrowing—yet most continue to see not the writing on the wall.

Along the same lines as Soltec's comments, I would call your attention to the "weather and earthquake controls" writing on page 30 by Dr. Peter Beter, who had worked closely with Commander Hatonn and wrote that startling information 15 years ago now! Just how much further along are the technologies of the Satanic Elite at this point in time? Just how much closer to final enslavement are we-the-people as a nation?

Do you ever wonder just how confident those Elite crooks are that you will simply roll over and die as "Ol' Man River" and

the other scheduled disasters continue to "just keep on rolling along"? Well, let me end this with a brief comment I heard on the radio earlier today: "the Clinton Cruise Line is all ready to take America for a ride". Rush may only be focusing on the most superficial of puppets but, from the point of view of those along the Mississippi, disaster and ruin are very real this day. For those with eyes to see and ears to hear, may we see and hear THE TRUTH!

— Dr. Edwin M. Young
Editor-In-Chief

7/18/93 SOLTEC

Toniose Soltec, present in the Light of Holy God. There is much pain with many this day and that pain is felt and understood by the Hosts of God. Your lessons during this time are many and may seem

more than you are able to endure. Yet, these most difficult lessons are those from which you shall learn the most and, yes, though you think not, you shall endure all that comes against you.

In the passing of one week of time, the situation in your Midwestern United States has but grown worse, and more and more are now without homes or possessions. The lack of potable water is becoming a serious problem, as is the lack of proper sanitation facilities. Portajohns have been hauled into these areas, along with public showers and water tank trucks. Some people have been seven to eight days without a bath or shower—they simply do not have any of the conveniences that your society has come to take for granted. **You have close to one-half million people now in a survival mode in the heartland of your nation!**

HOME SCHOOLING

The Larger Picture

HOME SCHOOLING—EMOTIONAL TRAUMA

I finally have what we need to look at this topic with great insight and positive change (hopefully). What I am going to say and suggest is going to impact some of you greatly and will, in some cases, bring peace and comfort—to others, denial and more cover-up of personal “guilt”.

Good parents WANT to give their children THE BEST available with which to flourish in a goodly world with positive self-esteem, moral rightness and intelligence. But, by “home schooling” is that actually WHAT YOU ARE ACCOMPLISHING?

LOOK FIRST AT THE NEGATIVES (PROBLEMS)

YOU who decide to offer this opportunity to the children by pulling them out of a school environment are taking on a great responsibility and task. AND WHAT ARE YOUR RESULTS? Are your children REALLY happy? Are YOU doing this for your children OR DO YOU DO IT FOR YOURSELF(S)? Hard questions? Indeed! Is this ACTUALLY a need by YOU, AS ADULTS, who have to do something or other which APPEARS to be “goodly”? Think carefully about what you do AND WHY DO YOU DO IT?

The first response is: THE SYSTEM IS TERRIBLE! Yes, so what else is excellent in projection? Now, do you CHANGE a system by severing FROM it? Do you HELP the overall problem by simply withdrawing the children and isolating them and yourselves from the problem? Does this REALLY and ACTUALLY give the children a fully balanced experience in living?

You cannot CHANGE THE SYSTEM FOR ALL if YOU do not work within and on the system needing change.

DO YOU HAVE THE EMOTIONAL STAMINA TO FUNCTION AS PARENTS IN THE PRESENCE OF MALADJUSTED CHILDREN? (OH INDEED THEY ARE BY ALMOST ALL STANDARDS.) YOU DO NOT LIVE IN AN ISOLATED PIONEER ENVIRONMENT. YOU DO NOT LIVE ON

A MOUNTAIN TOP WHEREIN THE THINGS OF THE WORLD DO NOT EVER REACH YOU. THE POINT OF FULLY BALANCED CHILDREN (AND ADULTS) IS TO BE ABLE TO HAVE A FOUNDATION SO STRONG IN LOVE AND MORAL RIGHTNESS THAT PARTICIPATION WITHIN THE SYSTEM FULFILLS THE SOCIAL INTERACTIONS AS WELL AS ALLOWING EXPRESSION IN THE WORLD IN WHICH THEY MUST COME TO FUNCTION.

Is the experience fulfilling, REALLY, to the parents as well as to the children? I have to tell you, chelas, that TOO MUCH TOGETHERNESS BREEDS DISCONTENT AND REBELLION. You live in a social world—and the interchange within that world MUST be expressed. What do you ACTUALLY fear from the school system? Will your absence from the school system actually solve your problems OR help solve the overall problems of the “system” in order that all experience be better foundationed?

WHAT I PERCEIVE IN EVERY INSTANCE

Where there is availability of schools in the public arena, I find a total conflict of interests. When the parents are also grown to the extent that they do not utilize a “church” group for social interaction—there is isolation and a very faulty and lacking experience of “rounded out activities”. You cannot simply “grow up” and have comfort in the social circles in which there MUST later be function.

Can you teach the ABCs better? What makes YOU think so? And, is there SOME REASON that, if the system DOES NOT TEACH THE ABCs PROPERLY, YOU CAN'T FILL IN THE GAPS? The only problem with the school system is the lack of demand and participation of parents within the system!! Every time!! Parents send their children off to school to get rid of them! And there it STOPS! Do you ones not actually think that if children spent their time IN school, then come home and have full, loving and peaceful discipline and attention from PARENT(S), THAT THE CHILD WOULD NOT BENEFIT?

In addition, in these families wherein religion is not a focus for interaction—the child MUST have release **AND SO MUST THE PARENTS**. You do not live in a society, longer, wherein grandparents are present to bear a part of the load. I do not even speak of “physical load”—I speak of “emotional” load. Then, as the lessons become more tedious and overreach the capabilities of the mother—where do you turn for those very NECESSARY basics? Can a child longer survive on JUST THE BASICS? Not in this society!

You say, “Well, that’s what’s wrong—I want them OUT of this society.” How are you going to accomplish that, my friends? Would it not be better to go forth and get very INVOLVED with the parent-teacher opportunities, allow the children their social interactions in after-school activities wherein games and friendships are made and PARTICIPATE WITH THEM? Moreover you, as a parent, will be better able to handle the time allocated to the children’s home studies AND BE A CENTRAL LOVING FOCUS TO THEIR FRIENDS.

IF PARENTS WHO HOME TEACH AND DO IT WELL WOULD SPEND THE SAME AMOUNT OF TIME WITH YOUR CHILDREN IN A MORE FULLY-RANGED SET OF ACTIVITIES AND PARTICIPATE AS PARENTS WITHIN THE SCHOOL SYSTEM AND IN GUIDANCE OF GROUP ACTIVITIES—YOU WOULD BE EMOTIONALLY FAR MORE STABLE, TIME WOULD BE “QUALITY” AND THE CONTRIBUTION TO MANKIND WOULD BE WITHOUT MEASURE OR LIMITS.

CITY vs. SMALL TOWNS

If you have a small-town setting, you can do wonders and make great impact on the system by your cooperation. And so, too, can the teachers—doing the best they can—growing and sharing appropriately. There are GOOD teachers who are simply beaten down by the massive surge of the downfall of society as a whole—but the drive is not lost, only hopelessly confronted. With a few GOOD parents in participation—miracles can be created in the schools. I NEVER ADVOCATE WITHDRAWAL FROM A SITUATION IN

TROUBLE—I ADVOCATE WORKING WITHIN IT AND CLEANING IT UP. I repeat: the child is better off, emotionally the one carrying the load, as a parent, is better off, and ultimately there is **POSSIBILITY** of bringing sanity back into the system.

I ESPECIALLY DO NOT EVER RECOMMEND HOME TEACHING WHERE THERE IS MORE THAN ONE CHILD UNDER ANY CIRCUMSTANCES IN A "NORMAL" SETTING, IF EITHER PARENT IS GONE FOR VERY MUCH OF THE TIME. THAT MEANS, EVEN OFF TO THE LOCAL OFFICE. This is not a balanced circumstance—and I promise you that the child is **NOT BETTER OFF!**

If you **TEACH** your children moral righteousness **AND YOU USE DISCIPLINE AND JOINT ATTENTION TIME TO STUDIES—YOU CAN HAVE THE BEST OF BOTH ENVIRONMENTS.** Most of your society has not the privilege of home schooling. They do—but it is not priority and, therefore, since there **ARE** schools set up for teaching children—that **IS** what **IS!** To live without electricity just because the electric company is filled with Elite New Worlders is foolish. **SO IS PUTTING YOURSELF AND YOUR CHILDREN IN CIRCUMSTANCES OF NO BALANCE—LIKEWISE FOOLISH.**

There are some instances where it works to perfection and great fulfillment is achieved. It is **ONLY** in those instances that I would ever suggest lack of school participation. You do not have to have **ONE** or the **OTHER.** You, as a parent, can make such an impact on the system that it would make your head swim—**AND THE CHILDREN GET THE MUCH NEEDED EXPERIENCE OF INTERACTION WITH THEIR PEERS.** In the participation of the parents, the child actually gets to hold the honor of the teacher **AND** the appreciation of the other children because there can be "field trips", etc., that now go by the way because of lack of parental supervision availability.

You must **HEAR** what I am saying here: If you are beating yourself to pieces doing these things which are for your **OWN** need in some manner or another—you are **NOT** helping your children. You are hurting them. Further, if the strain is notable to yourself, you are placing such strain on the marriage relationship that **YOU WILL GROW APART** before the job is accomplished. **THE CHILDREN MUST LEARN TO FUNCTION IN THIS WORLD THAT IS...** as we gradually change it back into worthy working order.

USE that which is available to lessen your own burdens and give you time for turning within self for balance. Are you actually a better parent by some measure just because you chain yourself to the offspring like second skin? **NO—**you damage self and you damage **THEM.**

A child must be given two things: roots and wings. They must always have

sound roots and a place in which to place them. Then you must give them that which allows them to function and FLY in the environment in which they must express.

I note that if the parent is **HONEST—**there is little peace and total joy in such a heavy-duty task. I find restlessness, lack of peace, too much togetherness and a total loss of the parent most involved—emotionally. How can this even be remotely considered worthy?

YOU DO NOT NOW LIVE IN THE "DARK AGES". YOU LIVE IN AN ENLIGHTENED TIME OF TECHNOLOGY YOU CAN'T HANDLE—HEADED BACK TO THE "DARK AGES".

You who have taken on this heavy task must sit with your significant "other" partner and **CAREFULLY** consider why you do this and is it actually the way to go. Then you must sit with the children and **REALLY LISTEN** to them. They are already so unbalanced that they won't even know what to say to you. A spoiled child is not a happy child—nor does it make him a worthy leader. Discipline with **LOVE—**and then **SUPPORT** of the proper kind in loving **GIVING—**is what balances a child into adulthood. Supporting his causes and participation in the social or school setting is even **MORE** important.

NOTHING IS AS IT APPEARS:
UNIVERSITY OF
SCIENCE & PHILOSOPHY

I must remind you constantly that you **ONLY NOW** begin to have information into what is going on and who the players are. For instance, you trusting readers are going to find out—before this is over—that, for instance, the University of Science and Philosophy is a **DIRECT** unit of the Brookings Institute—one of the most involved British Intelligence operations with focus on such things as MK-Ultra brainwashing programs of the Intelligence community which exists. Does this mean that Dr. Timothy Binder **KNOWS?** I doubt it because Dr. Binder lives in both Montana and Colorado. He will be receiving his directives the same as does any other participant. He **WILL BE** a participant. You will see, however, why "Dr. John Coleman" is entangled in it as is George Green. The US&P is a **DIRECT** construction of **the VERY Intelligence unit claimed by "John Coleman".** They have a lot of **"British"** on the Board of Directors as well as a "token Jew" by the name of Cohen. Interesting isn't it?

BACK TO SCHOOL

So, what would "I" do if your children were my children? I would get them into school as quickly as the grade level can be

sorted and then make a mark in the **SYSTEM!** There are certain amounts of **responsibility** acceptance that a child **MUST** have and he can get it by the routine and discipline of structured school days. What will you have lost? If it doesn't work—you can again remove the child. **YOU MUST LEARN TO DISCIPLINE AND DIRECT THE CHILD—NOT THE OPPOSITE. CHILDREN CAN EMOTIONALLY SABOTAGE YOU FASTER THAN ANY LIVING CREATURE AND DESTROY A MARRIAGE FASTER THAN ANY THIRD PARTY AFFAIR. THEY JUST "TEST" AND MOST OFTEN ADULTS "FLUNK". REMEMBER: MOTHERS ARE PEOPLE TOO!**

I ask you ones to give prayerful thought to these observations and suggestions and consider possibilities. You must remain flexible as you search for a "better way". You can **ONLY LEARN** through the trial and error and-or success. Don't **WAIT** until you are "used up" and relationships are strained which are usually interpreted as a loss of **LOVE.** If that happens—no amount of ABCs and 123s can be valued against that particular **PRICE.**

You have children of both sexes involved. Where are these children, who are isolated, going to find mates and sharing partners, jobs and balanced experiences? You must send your children **ARMED WELL** into this world—and that does not mean with weapons of war. If a child does not "fit" in at school—stop assuming it is the fault of the system, the teacher or, or, or—**GO FIND OUT! WHAT DO YOU HAVE TO LOSE? YOU HAVE MYRIADS OF THINGS TO GAIN!**

A **HOME** should be a harbor of security and love. How can it be a harbor if the ship never leaves the shore? That is **ALL** it is—just a place to dock.

YOU WILL CHANGE THE SYSTEM—ONLY WHEN YOU GET INVOLVED WITH THE SYSTEM TO THE EXTENT WHERE YOU CAN BE HEARD. ISOLATION AND COMPLAINT WILL NOT HELP ONE IOTA.

So, what is Hatonn really saying? Well, I don't tell ones **WHAT TO DO.** But, if it were me—I would put all the children in school if it is relatively safe physically—and almost all schools are "relatively" safe. **THERE IS NO SAFE PLACE! NOT YOUR HOME AND NOT YOUR SOCIETY. TO MAKE IT SAFE—YOU PARENTS MUST MAKE IT SAFE.**

In our own local area I look at ones who have tried, worked, etc., and I do not see total peace and perfection. I look mostly at mothers because they are the ones who get "stuck" (indeed—**stuck**) with the extra load. I can name four or five right here who have tried, are trying, etc. Is there **PEACE** in your hearts? Do you ever question that what you **CAN'T** offer is serious in its lacking? Are your children able to integrate into social situations easily? Do they

have a selection of persons from which to make lasting relationships? These are IMPORTANT—PERHAPS MORE IMPORTANT THAN ABCs. Emotional balance is “living”—learning lessons is “training”. Is spelling words properly, enough? Do the children have opportunity to play baseball and grow in interrelationships with TEAMS and social functions? Social should not be the ONLY focus—but it is certainly necessary.

I would simply hope that these words rest gently upon your hearts for there is no easy way and no “sure” way. Give them solid roots, develop their wings—and then, parents—let them fly, for these children are only ON LOAN to you. They belong to God and they have a purpose which they—just as you—must find and develop. Perchance it is in a classroom? So be it.

If you believe the “Master” is-was ever serene—forget it. When one is MASTER

there is NO SUCH SITUATION. Each “MASTER” became a master the same way as you MUST. “Time for self” and “Time with mates” is very, very often FAR MORE IMPORTANT than is time with the child. You see, EACH of you has a talent or multiples of talents. You must also use those talents or you will never find peace in your journey. FEW have the fulfilling talent of home teaching—do you see? BUT, this is one of the major reasons so many of you come into the more time consuming service LATER or when there are not the responsibilities of constant child care. You cannot serve TWO MASTERS. And when there are children, they MUST come FIRST—but not consume ALL lest the other Master never be served—and that MASTER is self, ultimately! You serve and love WITH someone(s). You cannot be that someone in the physical dimension—EVER! May you come gently into your understanding. Salu.

to you. A fortune teller will, on the other hand, sit and tell you wondrously comprehensive things and data—and specifics so that YOU must fulfill the projections in your span of expression. You will discount or you will accept but, within, you KNOW that you are walking a very, very thin line in the truth game.

The truth offerings will come, always, in truth, and in giving to fellow-man with, “Share it any way you can use it.” Why? Because TRUTH is open, shared, and only WORTHY IF SHARED. The very birthright of MAN is to have TRUTH. He who HIDES Truth ALWAYS HAS SOMETHING OF HIS OWN TO HIDE.

God did not say to Hatonn, “Get down there and radio in and force every last one of the people on Earth to pay attention.” He did not say, “Cram it down their throats and twist their arm until they succumb.” My job is to help present the Truth of the journey AND lay forth for your attention that which IS GOING ON THAT YOU MAY NOT OTHERWISE KNOW. Then, armed with facts and probabilities—you can act in responsive wisdom or ANYWAY you choose—I will have fulfilled MY TASK. Next, my mission is to point out what you very well may have FORGOTTEN and remind you that remembering is now the name of the game at hand. I don’t need a “church” or anything else—save a method of presenting to you in a form which you can experience—communications of some sort. Since I don’t need to type words I must have someone who can “translate” (NOT INTERPRET) MY LANGUAGE. Since you have forgotten your Universal language you have to have spoken word or written script of some kind. Is this so difficult to understand?

Indeed there are many who claim to speak or translate or whatever, for higher energies. Well, some of those energies are LOWER—not higher. Some “speak” from the nearest governmental “base” and YOU don’t know the difference. If “they” tell you the truth then you have it made, don’t you? But can you depend on them to not want to get whatever they came to get from you?

Does Truth have to wend its way down through the silver bells of ancient temple bells? Of course not—TRUTH IS ALL AROUND YOU—THERE ARE NO LIES AROUND YOU. Only MAN produces lies so you must beware the “speaker” or movie projector. But, COULD “I” be evil and fool you? Yes. Now, however, AGAIN, what is evil? Evil is that which deliberately pulls you AWAY from the path of moving toward Higher Goodness and God. Which do “I” do—pull you toward God in goodness and wholeness—or push you into the physical things of the “senses”? I would think that if you care enough to study that which I have offered—YOU WILL KNOW! There won’t be confusion or doubts—you WILL

HOW Do You Know What YOU Know?

7/12/93 #1 HATONN

DO YOU REALLY KNOW?

WHAT do you really KNOW? From “where” came your information? WHY do you believe “it” to be so? HOW do you KNOW? WHO IS YOUR SOURCE?

You watch and listen to your video boxes and what do you KNOW when you turn it, finally, OFF? You go forth, possibly, on a Sunday or Saturday and sit passively listening to a “preacher” TELLING you WHAT HE BELIEVES. You sit and are TOLD that that which is in a book called *Bible*, or *Talmud* or *Koran* or *Torah*—is truth. (They all tell it differently.) Does the listening make it so? You may well even listen to me—but who am I? What am I? From where do I come so elusively and tout “truth”? Frightening? I hope so, for in caution you become discerning and can then judge that which is presented and the actions of those who present—and therein you will find TRUTH.

Moreover, do you STAY with something long enough if it seems to be truth—to KNOW? Do you take unto YOURSELF everything AVAILABLE by and through a given source—UNTIL YOU KNOW FOR SELF THAT IT BE TRUTH? Or, do you LISTEN TO ANOTHER’S OPINION about this or that and let THEM control your own beliefs?

WHAT DO THE ONES WHO MUST HAVE INTERMEDIARIES (PRIESTS) HAVE TO HIDE? WHAT TRUTH DO THESE ONES WHO “SAY” THEY ARE OF GOD—HAVE TO HIDE THAT THEY MUST DRESS IN ROBES AND PRONOUNCE UPON YOU, THEIR BELIEF BECAUSE SOMEONE ELSE TOLD THEM WHAT TO BELIEVE?

AM “I”, THIS SPEAKER, REAL?

What difference does it make WHO I might be? Do I bring Truth? How do you know? Why would I bother if I have my infinite ticket? And, further, what difference could it possibly make? NONE—TO YOU! It matters not if I am a worm on the sunny rock or a voice from the tree leaf—IF I BRING TRUTH—IT IS THAT TRUTH THAT YOU MUST INGEST.

A prophet? Is this being a prophet? In the “highest sense of the meaning”, yes. I am NOT a fortune teller. A prophet is one who overall brings the concept and expected probabilities back into your consciousness—nothing more. Moreover, a prophet will never give you specifics for, “Even the son shall not know the moment of His return.” He will be right 100% of the time—but you may well not be around when the prophecy began or ends! (In the form you now project.) He will bring these Truths, not for his own gain—but with a driving need to WARN you and offer Truth

KNOW! How do "I" know that you will KNOW? Because you will care enough to follow-up with confirmation of "fact" in proper evaluation of the contents of the information, purpose of the information and "whether I seem to be evil or goodly." If I then consistently am GOODLY, then I may well seem like a safe "bet" to stick with for a while until you can RESEARCH, STUDY, PRAY AND ANALYZE my offerings as to your own connections. If you cast me and my word aside—DO I EFFORT TO FORCE YOU BY HIDDEN TACTICS TO SOMEHOW COME WITHIN MY CELL AND BIND YOU WITH SHACKLES? NOPE, SORRY, I BLESS YOU AND ASK YOU TO GO YOUR WAY—OR STAY AS YOU WILL, AND DO WHATEVER YOU WILL—PREFERABLY LEAVE MY SCRIBE ALONE. I WILL ANSWER WHAT I CAN "PERSONALLY" WITHIN THE TIME FRAME OF MY HUMAN HELPERS—BUT YOU, SPECIFICALLY—ARE NOT MY CONCERN—**YOU ARE YOUR CONCERN. I bring the Truth upon which you can balance your foundation of input—YOU must use the foundation or build your own. Mine does seem to infinitely stand while I note that almost all others fold quickly or, even at great time spread, fall. WHEN YOU FIND A FOUNDATION OF SEEMING TRUTH WHICH STANDS ALL ASSAULT AND THE AGES OF TIME—IT WILL ALWAYS BE THE SAME AS "MINE".** I am but a messenger; you can call me a prophet but it means nothing—for I am like the alarm clock which REMEMBERS the time you need to awaken to get on with your experience (usually, unfortunately, within someone else's prophecies or fortune-telling tales).

Don't misunderstand that which I or Little Crow say, chelas. Now that there is a small book out by Little Crow I have ones who get to the writings on "truth" and come back at me with—"You say there is only one Truth," but

Little Crow says: "Check it out. We all have our own truth, so that means God has multiple truths, does He not? Does IT not? DOES SHE NOT?"

Readers, **THERE IS ONLY ONE—anything. And yet, look around you—except for the PROJECTIONS OF MAN—everything, everywhere, any time, any place—is TRUTH!** And, further, even man is not a LIE, he only presents the lie. Even in his projection, further, lies also truth if nothing more than the truthful validity of a given spoken "term". For this reason—**must you discern, accept, study and come to recognize THE TRUTH WHICH FITS YOUR PATH OF INTENT!** "All truths are individual and all truths are equal in their priority." This does not mean, however, that all truths are equal in their IMPORTANCE! Further, Little Crow will tell you: "We are all sacred and in that sacredness we have an obligation and responsibility to all things to which we are connected." This does NOT mean you have some "right" to butt into another's business and cram your "truth" down his throat!

Some even say that they "want to go to hell!" They haven't the remotest idea of what is hell—but they work toward that end incessantly. Who are YOU or ME—to force (if we even could) them into a different place? All I have "right" to do is assume my responsibility and obligation and "offer" help and information which may make them reconsider things which possibly have eluded their attention.

Little Crow has said something else which you must understand if you are to claim passage on this good old Red Road: "You are the messengers of time. You are the prophets of the time. You carry forth the word through your own behavior. If you are into the world of materialism and that is your message, then that is the world you portray..." **You WILL portray the world you represent and desire—no matter how hard you effort to hide it. You ARE exactly WHAT YOU ARE!**

If you wish to change from that which you ARE—then

take responsibility and become that which you desire—STOP blaming your lack of change on anything or anyone ELSE! If you are so foolish as to base your existence on another's OPINIONS WITHOUT QUESTION—THEN CHANGE IS NOT THAT WHICH YOU DESIRE—YOU LIE! When you desire something enough to change—you will DO IT. It is absolutely THAT simple.

So, why do I burden you with all the lies, deceits and hidden agendas which only cause you indigestion, chaos, headaches and such? Because THAT is my responsibility—to choose that which fits most closely to the truth as I KNOW it to be and select that which will give you ammunition to make changes if you desire change—no more and no less. I would hope to spark an interest as we touch on the myriads of topics—and perchance ONE will spark your interest enough to at least go TRY TO PROVE ME **WRONG!** I want you to investigate, test and research. If you find "errors"—SHARE THEM SO THAT OTHERS CAN HAVE TRUTH AS YOU FIND IT TO BE—IF INDEED IT IS TRUTH.

I do not mean by this that if, as for instance as I present things from "The Informer" in a minute, he misses the time of a meeting by a day or by fifteen minutes—his "truth" is now wrong. TRUTH is a concept and you who continue to nit-pick over fifteen minutes—are destined to be locked to the clock for the rest of your lives. The only time that is important is in justification of "time"—when "time" IS the topic at point.

Painful History Lessons On Citizenship, *Constitution* And Our Rigged National Debt

7/12/93 #1 HATONN

I have here a document which I believe to be well done and "generally" accurate enough to share, as is, with you. It is a compilation of subjects with some rather fresh perspectives which YOU WILL NOT LIKE FOR THE MOST PART. Sorry about that—TRUTH IS RARELY WHAT YOU LIKE TO HEAR. The perspective will help BALANCE your perceptions and perchance you will go DIG OUT SOME ANSWERS IF QUESTIONS BE RISEN—YOU, not me—YOU! "I" do NOT have THE problems facing YOU! Actually, on a personal level—neither does my scribe—so why bother her from her work when it is YOUR responsibility—not hers? Is everybody with me so far? Is ANYBODY with me so far? Do you see, YOU DO NOT HAVE TO BE!

In the following writing I won't put a name to the authorship BECAUSE THE WRITER CALLS HIMSELF-HERSELF "THE INFORMER"—for privacy. I did not even say "secrecy"—I said "privacy". This person is presenting for sharing what has been uncovered and judged, as well as discerned, to be valid. It is "offered"—it is NOT shoved into any orifice. I thank the one who sent this to my attention and I thank the writer.

QUOTING:

THE BIG LIE

(by "The Informer")

Some parts of this Article are redundant, with other articles that appeared in the *American Bulletin*, but so were the ABCs, redundant, till you learned them. In this article the abundant use of highlight is necessary to bring across the points needed to understand the BIG LIE.

You have been lied to from the beginning, as were the people at the time the United States was created, by the "Founding Fathers", hereafter called Fathers. The truth I am about to tell you is passed off as a lie by the people in power and you too will

consider it a lie because it is so foreign to what you have been taught. There are a lot in Congress and the majority of the functional illiterates who work for "The State" who truly believe the BIG LIE is the truth. So much so that you could tell them the real truth, as I am about to lay on you in this article, and they wouldn't believe it, even as the bullet enters their brain from the firing squad as they are being executed for treason and sedition. The concept you have been led to believe as the "truth" will now be exposed as the biggest lie in the history of this country. Your school teachers have been told the lie, their school teachers have been told this lie and on ad infinitum back to the beginning. Is it any wonder then, why you believe the lie and do not question it and accept it as a "truth", when in fact it is a lie? I will not bore you with all the documentation to prove the "truth" you have been taught is a lie, but I do have it, as do a few others. I want no one to network this for any amount of money by charging for this Article. They are to give it for free. You may copy to your heart's delight and pass it all over the country. Only recoup copy cost, which runs from .02 to .10 cents per page depending where you are. Nobody should pay more than \$3.30, which includes the 16 pages of Interpol material because that is what I have to pay for copies where I live. Postage is about \$1.05 to mail the material. [H: The author herein thanks John Nelson for much of the material, which will not be included here.]

To begin, I quote two people, they are Lysander Spooner and Albert J. Nock, to give you a feel for the basis. First Lysander Spooner, in his book, *NO TREASON: The Constitution of No Authority*. Library of Congress Catalog No. 73-2173, he states: "The *Constitution* not only binds nobody now, but it never did bind anybody. It never bound anybody, because it was never agreed to by anybody in such a manner as to make it, on general principle of law and reason, binding upon him. In practice, the *Constitution* has been an utter fraud from the beginning." [H: Could this be so? Of

course it COULD be so—this man has stated as much and is prepared to "prove" his perception. The point is not what Spooner believes but what is real, right, wrong and possible! That much is YOUR JOB—we can only present the information to you.]

VOTING IS A PRIVILEGE,
NOT A RIGHT!

People, who exercise a privilege of voting, become citizens-members and vote by ballot that none of us see, so this is what Spooner had to say about that.

"A secret ballot makes for a secret government; and a secret government is a secret band of robbers and murderers. But a secret government is little less than a government of assassins. Under it, a man knows not who his tyrants are, until they have struck, and perhaps not then. He may guess, beforehand, as to some of his immediate neighbors. But he really knows nothing. The man to whom he would most naturally fly for protection, may prove an enemy, when the time of trial comes.

"This is the kind of government we have; and it is the only one we are likely to have, until men are ready to say: WE will consent to no *Constitution*, except to such a one as we are neither ashamed nor afraid to sign; and we will authorize no government to do anything in our name which we are not willing to be personally responsible for.... Not knowing who the particular individuals are, who call themselves 'the government', the taxpayer does not know whom he pays his taxes to. All he knows is that a man comes to him representing himself to be the agent of 'the government'—that is, the agent for the secret band of robbers and murderers, who have taken to themselves the title of 'the government', and have determined to kill everybody who refuses to give them whatever money they demand (**Informers's comment: you are put in jail or they take your property today**). To save his life, he gives up his money to this agent. But as this agent does not make his principals indi-

vidually known to the taxpayer, the latter, after he has given up his money, knows no more who are 'the government'—that is, who were the robbers—than he did before."

YOU DON'T HAVE A SOCIAL GOVERNMENT!

The *Constitution* was only witnessed by the Fathers and, as Lysander stated, was never signed by the Fathers in a capacity to make it binding upon them or anyone else. Prove it for yourself by looking at the end of the *Constitution* wherein they state, "In witness whereof we have hereunto subscribed our names." In essence they only witness the compact between the States and the ambiguous entity known as "The United States", for only 39 out of the 74 had signed it as witnesses.

The *Constitution* did not create a "government" of social order, it only created a "political corporation" to deal with the "merchant State, as all the states of America, the Nation, were "merchant-States." The Fathers were shrewd businessmen and had much more education and wealth than did the masses. But remember, the masses were much more educated than we are today. Why, they could run rings around any of us today, me included. So the "Fathers" created the monster, "the State", that we have today.

Now we move to, *Our Enemy, The State*, by Albert J. Nock. ISBN 0-930073-04-5; In talking about the formation of corporate United States, *the State*, by the *Constitution* he stated this:

"There was complete unanimity also regarding the nature of the new and independent political institution which the *Declaration* contemplated as within "the right of the people" to set up. There was a great and memorable dissension about its form, but none about its nature. It should be in essence the mere continuance of the merchant-State already existing. There was no idea of setting up *government*, the purely social institution which should have no other object than, as the *Declaration* put it, to secure the natural rights of the individual; or, as Paine put it, which should contemplate nothing beyond the maintenance of freedom and security—the institution which should make no positive interventions of any kind upon the individual, but should confine itself exclusively to such negative interventions as the maintenance of freedom and security might indicate. The idea was to perpetuate an institution of another character entirely, *the State*, the organization of the political means; and this was accordingly done. The State, then, whether primitive, feudal, or merchant, is the organization of political means. Emphasis his, underline mine.

Patrick Henry, an Anti-Federalist,

stated, when he couldn't stop the 55 People (Fathers) from adopting a new State (religion): "The distinctions between Virginians, Pennsylvanians, New Yorkers, and New Englanders are no more. I am not a Virginian, but an American." Echoing James Wilson's 1787 words in the Virginia Debates at Petersburg 1788-89 Convention. "(Patrick) Henry looked upon 'that paper' (*Constitution*) as 'the most fatal plan that could possibly be conceived to enslave a free people.'" From *Son of Thunder* by Henry Mayer, p. xv. also confirmed by Lysander Spooner, a noted lawyer of his time. As you can see, Patrick didn't want to be associated with "the State" of Virginia any more. You will see why when I get to the definition of "citizen".

Everybody believes we are under the *Constitution* and this is what the political State wants you to believe. To keep things straight you can't mix the terms "State" and "government". There is no such thing as "the State", which is the "political organization", passing itself off as "the government", the social institution. We, the people, (not to be confused with the phrase "We, the People" in the Preamble), are the de jure "government", while the State, with its citizens, is the de facto government. The State wants you to believe you are a citizen of the State or the United States. Both are political institutions and need more "residents" (slaves) to satisfy their needs. Remember, the *Declaration of Independence* took all of the people out of any British government domain and for that matter the individual States of America, who were nothing but "merchant States" at that time, see Nock. Now the United States, which is nothing but Congress, a specific class called People, as stated in the Preamble, separated from the general class people, created the illusion that the States of America needed more protection and got each of the political merchant establishments, the States, to agree to join a compact that the Fathers said was to make the union "a more perfect union". So the States joined a compact, not the people, just like you would join the union of electrical workers but your family members wouldn't.

I hope I haven't lost you at this point because in using the parallel between the Electrical Union and the Union of States, I will show you how you have been made a slave in your own country to satisfy the foreign power brokers who run this country. You also have to remember that this started at the time the U.S. *Constitution* was formed which, by the way, has no power over you unless you state, "I demand my Constitutional Rights," and therefore you fall into the compact trap by **association**. Hint—now you fit the definition of "person" in the tax law because you are part of the "association" which is one

of the words describing "person".

YOU ARE AN ASSOCIATE MEMBER IF YOU ARE A CITIZEN

The States became the political subdivisions of the Congress who are the Union leaders. In the capacity of "**political subdivisions**" they are not sovereign, see Texas v White 74 US 7 Wall, Lawyers Ed. You, as a natural individual, cannot join the Union of States BUT, you can be a member by association. Enter the term "citizen". I explained this term in my book "*Which One Are You*", but people still do not comprehend because of the lie they have been fed all their lives as being the "truth", that being, they are the citizens of the State. Here it is again with the highlighted words that lock you up to them. Remember, and don't forget it, the definitions are what the definer (Congress) wants them to mean, not what you think or believe it to mean.

[H: I suggest you do not stop right here and go blasting your way around in the courts and resigning everything and blowing smoke out every crevice in your huffing and puffing and "blowing the State down". THEY HAVE THE GUNS! THAT MAKES WHAT THEY DO "LEGAL", so cool off, look at the facts and then, only then, can you as a "people" formulate action. Remember, that almost ALL of the Founding Fathers at that *Constitution* table—were Freemasons and BUSINESS MEN, i.e., good old boys with commercial intent and hidden agendas—from the beginning. They are the same ones who removed all "rights" from blacks and "Indians" and on it goes. If you don't, however, have the slightest idea as to what was the *Constitution* in the first place—how can you fix it if it is broken? All you really had back then was a "corporation" for the "State" newly set up. Can you now just simply withdraw? Yes, but the "FORCE" OF THE "STATE" won't let you go!]

CITIZEN: One who, under the *Constitution* and laws of the United States, or of a particular state, is a member of the political community, owing allegiance and being entitled to the enjoyment of full civil rights.

Citizens are members of a political community who, in their associated capacity, have established or submitted themselves to the dominion of a government for the promotion of their general welfare and the protection of their individual as well as their collective rights. *Black's 5th*, Pg. 222, cite omitted.

This cannot be any plainer. You, as an associated member of a political State that joined the Union, are now entitled to vote for the Union President, Clinton in this time period, thereby giving up your power of self-government as declared by

the *Declaration of Independence*. You now deny your unalienable rights (notice the definition above does not include any **unalienable** Natural Law rights given to us by God) for the **civil** rights the State grants you by their statutes and are bound by and under the quasi-contract (*Constitution*) you are "resident" in, by implied consent. Isn't colorable law neat for them? It has to be implied because neither you nor anybody in any capacity as a defacto government official ever signed the various constitutions in this country. Therefore, can it ever be called a contract? **NO!** If you believe you are under the constitutions and are part of that organization by having a representative in Congress or State legislature, then you must be and I won't go against your wishes. Look up the definition of "under". I thought that if you were the person, not to be confused with compact "person", in sovereign character, that you are not bound by the **quasi-contract** or subject to the tax statutes dictated by that contract's by-laws. Of course you understand the definition of **quasi**. When I refer to the *Constitution*, be it State or United States, as a "contract", I mean it to be quasi. Being you **submitted yourself**, voluntarily, by joyfully doing your duty as a citizen, by registering to vote, to be under the **dominion** of your union leaders, representatives, you cannot escape anything your straw boss-shop union foreman (representative) does for or against you. He only represents **PUBLIC POLICY!** You must pay the tax, any tax, and follow all laws they deem is necessary to keep the **political corporate institution** from collapsing. It's right in the compact; when you agreed by signing the voters registration, at Article 1, Section 2, Clause 3, or by not voting while claiming "citizenship" by any other control by any agency they create, whether it be in their political sub-division or the corporate headquarters located in Washington, D.C.

Voting was never a "right"—it was always a privilege. Now do you know why Henry didn't want to be known as a Virginian but only as an American? And, he didn't say American citizen! As I said, I have everything to back me up, but to keep this short I have to leave out the documentation.

END OF QUOTING FOR THIS
SEGMENT

Let us leave this for a few minutes of break. I do not want you ones to take this as if it comes from Hatonn out of the Cosmos somewhere. You will be remembering the things I tell you and "don't target yourself" is a major warning. I have not changed one iota—we covered all this in one of the first JOURNALS as to truth of circumstance—**BUT YOU MUST FUNCTION IN THE WORLD THAT IS** and getting your-

self incarcerated foolishly or "taken-out" as a troublemaker—makes you some kind of stupid "martyr", self-styled and not very bright in thought and deed. If ever there was a time and need for **WISDOM IN THOUGHT AND ACTION—IT IS NOW!**

7/12/93 #2 HATONN

"There is no way a man can make a wise decision unless he be informed—except when the decision is TO BECOME MORE INFORMED." Me.

Let us continue with the document from "The Informer".

CONTINUE QUOTING:

PRIVATE COURTS

This leads us to the courts that uphold their scam because you declare you are their subject while espousing their lie, which you believe is the "truth". The *Constitution* is an option **quasi-contract**, look it up in the law of contracts, which allows the political organization, look up "organization" in the definitions of the Uniform Commercial Code, to shift to the *United Nations Charter, by treaty*. You, as an **associated union member** have no say. Remember—public policy is for the good of the masses and not the individual, and are dragged over to reside in this new contract. Hey, I didn't do it, you did it to yourself by believing the BIG LIE told to you as being the "truth". It ain't nuttin' like you thought, is it? The defacto government cannot write a law for the people in the States as they are forbidden by their *Constitution* but they can do it by treaty. Case in point is that, by 1996, all cars in this country cannot have Freon (R-12) in their air conditioning, they must use R-34. It is based on the problem with the Ozone and its destruction by R-12. That destruction is contrived and put upon the Americans by the controlled news media so that further control can be maintained. So how did the Congress do it? By treaty! This was aired in the last week of April, 1993, on national news TV. This is only one of many laws used on us by treaty. Larry Becraft did a good article on this as it went back to 1915 concerning duck hunting and protection of interstate waterfowl when the U.S. and Canada signed the treaty. With the courts being **private political institutions**, adjudicating, for the most part, private law, it is fatal when you declare yourself a United States or Union State citizen. If you declare yourself a citizen of the Republic State of the Union, because you want a "Republican" form of government, here is what you openly declared to the private court: That you are subject to the political corporate sub-division (State) of the political corporate organization called

the United States.

I received a letter from a man in Minnesota who used my advice and asked questions of the Sec. of the State of Minnesota. The Office of the Secretary stated this: "The state of Minnesota is not a corporation, it is a state. The county of Hubbard is not a corporation, it is a county. These are political subdivisions, while corporations are business entities." Note that they made state and county in small case. Had they capitalized them it would be corporate and could not say they were not a corporation. Either the person writing it was extremely ignorant or knew exactly what they were doing because all the headings on the corporate letterhead in reference to Minnesota contained the capitalized word State. Don't you capitalize the term State when writing, so why didn't they? [H: **Be very, very careful how you do these things, chelas, for I catch two impossibilities right here, myself, regarding definitions, terms and grammar. "Office of the....stated..." The "office" could not "state" anything. And, "they" thus and so. "They" couldn't have stated anything either unless the sentence was written by more than ONE party. I do not intend to belabor the point for the concept may be totally correct—but when you nit-pick details—the meaning of a statement can be so altered as to NEVER have "like" defining. Be very cautious as to how you utilize ANYTHING because you may be WELL INFORMED but I believe this example shows very well the fact that MOST, IF NOT NEARLY ALL, MISUNDERSTAND OR HAVEN'T EVEN THE MOST FOGGY IDEA OF THAT WHICH YOU MEAN. Moreover, IF you make it to court (Admiralty, as is now prevalent) you will be tossed out on your ear and IF you continue to harass the Judge he will aptly toss you in jail for contempt. What is "legal" is probably NOT what is "right" OR lawful—but if "he" has the GUN—it is legal. If, however, YOU have the gun—you are dead! The Ideal is wondrous to consider—it is not necessarily the best avenue to travel.] So they were talking about only one of the states of the State, see the Texas courts conclusion [H: **See, again right here: is the way this is written literal or not properly attended?: Texas courts conclusion, or Texas' courts conclusion, or Texas court's conclusion OR Texas courts' conclusion. I only mean to make nit-picking detailed attention to this because most often the "slips" are exactly THAT—simple ignorant "slips". You CAN base court action and decision on these errors—but haven't you had enough blithering error judgements AND-OR errors in judgement? You choose.] to see what I mean, of course the court capitalized both terms. Joe****

lunchbucket [H: Hold up here, is that REALLY Joe (l)unchbucket as written or Joe (L)unchbucket? I may appear totally insulting to this author—I AM NOT! It is simply that you cannot have IT both ways! If your errors are “OK” then the “their” errors are also subject to being “OK”—do you see? IT IS THE “CONCEPT” THAT IS NOT “OK” OR NOT “OK”!] would rather believe the BIG LIE than the truth [H: Again—YOU can only ASSUME or calculate or guess WHAT Joe (L)(l)unchbucket may or may not WANT to believe.] because by this time it is causing him a headache. So let’s see why their lie rules over the truth. Case in point being Texas v. White, wherein the court stated very clearly: “From the date of admission, until 1861, the State was represented in the Congress of the United States by her senators and representatives, and her relations as a member of the Union remained unimpaired.” [H: Ah, but TEXAS under any circumstances is not a good example—TEXAS is the only State state that has a treaty which must be signed ANNUALLY to be a member of this union Union. Are you confused? Of course—that was my full intent. You cannot make informed conclusions with only bits of information—I don’t care WHERE they come from. I make plenty of errors, my secretary gets so frustrated she threatens to “quit” daily—so ALL are subject to err (“sin”—against something or another) but I do not base my conclusions on such flimsy foundations of “argument” for this is “argument” and not debate at all. I can postulate that the sky is green and only APPEARS blue and, as a matter of fact—“I” will have spoken truth—for it is all in the refraction of LIGHT as perceived by the individual EYE. I don’t want to do this but neither can I caution you readers enough—pay attention.]

Please note that people cannot join the Union, only States can and the State has representatives, not the people. If the people want to be recognized as part of that State they join by voting and then call themselves citizens of the State of Texas, who gave up their God-given rights to join a corporate State. Remember, people are not citizens (union associates), until subjecting themselves to a sovereign (union leaders), thereby giving up certain rights. Gee, why don’t you now go back to 26 USC 77-1 (a) (1) and look for the term association that describes “person”. Why did you think that term didn’t apply to you? The BIG LIE rules again. Then by compact (constitutions) you are granted certain rights by the by-laws (statutes). Your remedy is only in the by-laws, NOT in the Natural Law rights you gave up by entering the compact. Isn’t any man free to make contract? Why it even says so in the

Constitution, doesn’t it, by stating government shall not obligate a contract. Continuing on the court states:

The court’s conclusion is this. “Our conclusion therefore is, that Texas continued to be a State, and a State of the Union, notwithstanding the transactions to which we have referred. The obligations of allegiance to the State, and of the obedience to her laws, subject to the Constitution of the United States, are binding upon all citizens, whether faithful or unfaithful to them.”

Isn’t that interesting, she was a State AND a State of the Union. Just a little while back didn’t I say Minnesota was defining one of the states of the State? You readers had better understand the english language [H: And so must the author—you wouldn’t get an A in “language” if you left (E)nglish as (e)nglish as you have in this document. Or, did your secretary note or miss this? Are YOU as author responsible—OR is there hidden meaning in the lack of capitalization?] and how they subvert the definitions to suit their means. For if you don’t, you never will grasp the meaning of the sentence. [H: But you see, even by paying very, very close attention to every letter of every word—I still don’t understand the intent or the meaning. Since Texas joined the union Union through annual renewal of TREATY—how can you determine how a person fits or does not fit—for the state State does not fit into any of the above categories except THROUGH misperception of everything about the circumstance—and total ignorance of the ones handling the “books”.]

END OF QUOTING

I am going to leave this presentation because it is bogging down into “opinion” based on “errors” from the original writer, to the author of this dissertation to my own probable misrepresentations to make a point.

You can go all the way through the document and find that perhaps a thing “should” be a given way—BUT THE FACTS ARE: IT AIN’T THAT WAY. YOU HAVE TO WORK WITH AND WITHIN THAT WHICH IS. IF YOU CONTINUE ON THE NIT-PICKING—YOU WILL MISS THE CONCEPT. YOU MAY WELL CONVINCED A WHOLE BUNCH OF PEOPLE TO DEMAND A RESPELLING OR CAPITALIZATION OF WORDS—BUT YOU WON’T HAVE DONE ANYTHING EXCEPT MAKE THE ONES IN CHARGE—VERY ANGRY AND HARD TO DEAL WITH.

It is far better to understand “what went wrong”, “what IS wrong” and how did it happen—than all this reconstruction. Not that it should not be done—it simply will make so little impact and difference as to set you behind in your “do it

right” task. It simply is not the way it “should” be, perhaps for—for goodness sakes, the Supreme Court is not supposed to **make law—only interpret the law—BUT THEY MAKE LAW AND IT CAN IMPRISON YOU THROUGH FORCE-BEARERS. DO YOU** have the time, money, space and “pull” to get what “should be” (in your opinion) changed? You MAY WELL BE RIGHT—but I simply want to know if YOU have what is required to get it changed?

Here is where I have to inquire of you—just who is this INFORMER? Is his information true or false? Oh? How do you know? Are you going to “take action” based on his information? Why?, and what are you going to do? It reminds me just a bit of the story of the two cars that collided in the middle of the intersection. The car to the right had the right-of-way and the driver was killed. The car at the left did not have the right-of-way—but lived to walk away and drive another day. Actually, both arrived at the same instant (which is the reason the car at the right had the right-of-way). Now, the driver to the “right” COULD have stopped and there would have been no collision—but, having the “right-of-way”, plowed right on into the fray. So, he was right—DEAD right! How many of YOU are going to be DEAD RIGHT?

You may have every right to that automatic sub-machine gun—but I’ll tell you, when the ATF comes to get it (and you)—you will be DEAD right if you argue.

Now, I “feel” your response to all this writing drifting back to me as, “Why did you waste all this time on this story just to point out the errors of the author?” What makes you conclude such a thing? Did I say the author is WRONG? Is he RIGHT? Do you have enough information to base a conclusion? What are you going to do about it? IT IS NOT THE AUTHOR’S OPINIONS OR INTERPRETATIONS THAT ARE IMPORTANT (AND HE HAS ABOUT 8 MORE PAGES THAN GIVEN)—WHAT DO YOU THINK? Will you set this aside and never think of it again or will you not sleep until you acquire the remaining pages and lose yourself in weeks of research? WHY? Will endless research into this and-or the author bring you closer into the realization of Truth in or through God? Will this approach bring your nation whole within God’s charter? What are YOU REALLY trying to get accomplished? ARE YOU APT TO ACCOMPLISH WHAT YOU DEEM CORRECT—THROUGH PERSONAL BATTLE IN THE NATION’S CORRUPT COURT SYSTEM OR FIGHTING THE MILITARY FORCES OF THE UNITED NATIONS TO BE WHAT YOU THINK OR EVEN “KNOW” TO BE YOUR “RIGHT”? ARE WE NOW BACK RIGHT WHERE WE STARTED?

Does this “Informer” have a history of excellence and perfection in concept and interpretation? How do you know? Let me

share a truth with you, readers.

If you want to convince someone of something the best way to do it is to get it in PRINT and published. Then, the next important thing is to get an "expert" to state the "thing". Speak with authority and throw a bunch of credentials around and you have a sure bet. Put it on television as a documentary (not just a commentary) and thus and so. Is the "Informer's" opinion actually as good as yours if you go read, say, Mr. Spooner's book? Who is this Mr. Spooner? Who told you? Chelas, you are going to have to DISCERN for self, form opinion for self, hopefully with wise research into what is available and DIG beneath the "obvious". If the "Informer" is so SURE of his own pronouncements—why does he not sign his label? Oh, "Hatonn said he didn't, for 'privacy'." What does Hatonn know about this Informer? Hatonn knows a whole lot about one, John Nelson, but almost NOTHING about the Informer OR Spooner. I KNOW GOD and I KNOW GOD'S LAWS (CONSTITUTION) AND IT IS AGAINST THOSE LAWS THAT I RELATE AND COMPARE EVERY OTHER EXPRESSION. I DO NOT FIGHT OTHER LAWS—I SIMPLY LIVE GOD'S LAWS AND EFFORT TO ABIDE BY THOSE RULES LAID FORTH IN ANY EXPRESSION IN WHICH I EXPERIENCE. YOU MUST COME TO KNOW—YOU CAN DO BOTH!

There is no magic, chelas. There is no fairy god-mother with gossamer wings to make "your" way the "right" way. And, how do you KNOW "your way" is the right way? You can only deal with that WHICH IS—to the very best of your ability within the laws of God—minute by minute, step by step. In so-doing you will be shown the WAY! You must really study to see IF a thing is broken, then, if it be broken, what is required to fix it? In the fixing—if you use the incorrect approach—how long will the "fix" last or have you insured worse "breaking" of the thing? At best or worst (interpretation, again) has a Bandaid worked or only postponed the REAL problem's confrontation? Now, let us suppose that you cannot survive without this "thing". Do you not try to make it useable some way WHILE you work at the REAL PROBLEMS and build something with which it can be repaired?

Let us go further and assume you need a "figity gubit" to REALLY fix the "thing". Ah, you go to the figity-gubit place and the man in charge laughs at you and says, "Nope, I have one but you can't have it". What can you do? You can bargain with the man, bribe the man, threaten the man, etc. So, you choose to pay the man a fair price and pull out your gun and prepare to "take" the figity-gubit. Oops, HE has an automatic Carthegenian floozy-whopper ten times the size of your little .22 hand-pistol. WHO STILL HAS CONTROL OF THE FIGITY-

GIBIT? You STILL don't know because YOU don't know what is an automatic Carthegenian floozy-whopper! What you don't know CAN KILL YOU! Can you not further see that if worse comes to worse and you hold your own but he holds the figity-gubit—he can smash it and YOU STILL DON'T HAVE THE PART YOU NEED!?

Mr. Spooner AND "The Informer" can be "right", "correct" and totally "accurate". WILL THEIR APPROACH WORK?? Will it work enough to pull a whole nation and then, world, into realignment—in time to save the economy, the figity-gubit, freedom, the judicial system, et al.? In other words, are THESE WORDS of "The Informer" the key to the Kingdom? Do you want my opinion? Will MY opinion give YOU a figity-gubit? I thought NOT. **But, if you go within and ask help and guidance—HE may well give you some alternatives—and the figity-gubit be damned!**

Just in our own instance, 78 JOURNALS plus thousands of pages of other writings and thousands of hours of tapes TELL YOU THAT GOD WILL GIVE YOU INSIGHT AND POSSIBILITIES. BUT YOU HAVE TO USE IT. JUST SITTING ON THE SHELF WILL NOT FIX ANYTHING.

Some people will say "take action even if it is wrong"! What nonsense. It seems to me that that is what your civilization has been blindly doing since you got on that stage. Why not see what IS, study it in wisdom, and then take action in a way that might be "right"? Surely you don't have anything to lose either way? Oh? Except everything you are and everything you have! There actually ARE some instances where wise inaction can save your assets. If you are going to make a lemon cake, for instance, don't you first consider the cake and THEN consider how to make it "lemon" flavored? I know of no way to make lemon cake out of a bushel of tomatoes or a peck of spinach. So why do you ones continually try to make "righteousness" from "evil"? Create right—and evil is dead! So, what IS the problem? I thought you would never ask?

YOU MUST LEARN WHAT IS AND THEN LEARN TO CREATE—NOT CONTINUE TO DESTROY—USING THAT WHICH IS ALREADY CREATED IN ERROR! Just look carefully at all you have which has not, does not and will not—ever work.

This means that you must constantly be in remembering and in finding cause so that you can consider effect—and it will need be for every limiting problem in the cracking and breaking foundation of everything around and within you. Let us just take your national debt as a for instance. It isn't a spiritual subject but how much do you know and UNDERSTAND just about your national debt? How about your own personal debt? Unless you can see what has gotten you to "here" how can

you expect to move on into a "new" system? You may very well re-invent the same—or worse—system.

Let me share an excellent brief.

QUOTING:

WHY WE ARE IN DEBT...PERMANENTLY!

(By Nick Repac)

[H: He even gives a phone number, he is so open to sharing.]

Let me give you something to consider. Tomorrow you go down to your local bank and borrow \$10,000. As most of us already know there is actually no money in the bank (except for a few miscellaneous savings accounts and CDs) so, to complete your transaction, the bank 'creates' (Of course, they do this by law. There is nothing illegal in this transaction. Just immoral.) \$10,000 and credits it to your checking account. You execute a note for \$10,000 at 10% interest (keeps the math simple) due in one year and present it to the bank in exchange for your 'deposit'. In one year, to the day, prompt as always, you return to the bank and pay them the \$10,000 back. This completes the bookkeeping on the original creation of \$10,000. It was created from **nothing** one year ago, and it is destroyed by your return of the funds.

Hold it, King's-X, time-out, take a break. I can see the smirks from here. That comes from talking about this for so many years and watching people's reaction when I tell them "the money disappears". Money can't just appear and disappear! I mean, get real! But it CAN just appear and disappear when you use a **debt-based monetary system**. That is, a system where you pass debt back and forth as money. That's what we use. Money based on debt. **If we don't have debt we don't have money.**

Since the money did not exist until you borrowed it and put it into play in the economy, "it" can hardly exist after the destruction of the original note, or means of creation. This is the explanation of the real problem with our system. **We do not have a permanent MONEY SYSTEM.** That means that the amount of 'money' (debt) in existence at any given time is solely at the whim of private bankers whose motto is "the end justifies the means" and "might makes right".

This also means that EVERY dollar in existence collects interest for every moment it exists. There is no 'free' money, except for a very small amount of U.S. Notes, or Government-issued money, dating from the Civil War. To explain this a little better, remember that a debt-

based monetary system is actually just a bookkeeping system for debt. In other words, there is actually no money. We just pass debt back and forth as if it were money. Since the "actual creation of money always involves the extension of credit by private commercial banks" (from a November 1, 1982, letter from the Department of the Treasury), nothing can exist except debt! The answer, of course, is that you can not! ...always involves the extension of credit...., credit equals debt. Therefore, the only 'money' available to operate our economy is the amount of debt available **each year**. Remember, 99% of all 'debt money' used in this Nation does not exist except as ink on some bank's computer print-out, and exists solely at the whim of the banker. You must never stop borrowing or have your 'credit' shut off or you have a recession, or in the extreme case, a depression. And since this type of monetary system is actually nothing but a bookkeeping system for debt, all entries **must** balance. When you borrow 'money', a bookkeeping entry is made to create the funds. When you pay the 'money' back, a corresponding entry is made to destroy the funds. It can't work any other way.

But wait! Now the \$10,000 has a 'tail'. A tail called **interest**. The \$1,000 that you owe to the bank for the use of their bookkeeping entry. Actually, after you understand how the system works, this is what you owe to the bank for borrowing 'nothing'. Where did the interest come from? The bank didn't 'create' it. They only 'created' the original \$10,000. So who created it? Did you? And I'm not talking about your labor. Have you authority to 'create' money? NO? Then where did the \$1,000 come from? We realize that it was never 'created', so the only place it **could come from** is the same place all other 'money' comes from: "**someone else's debt**".

NO ONE HAS EVER 'CREATED' ANYTHING TO PAY THE INTEREST! Let me put this another way. Suppose that \$10,000 you borrowed was the only money in existence. Real money, not debt. Gold, and no other gold exists except that \$10,000. And you borrow it under the condition that you repay \$11,000 in gold in one year and if you agree to do this you have agreed to do the impossible. Does it not make sense, then, that every time we borrow 'created' money we agree to do the impossible?

Let's go back to our bookkeeping system for debt. The \$10,000 you borrowed was 'created' by a bookkeeping entry and when you paid it back it was 'extinguished' by a corresponding bookkeeping entry. In order to 'extinguish' the interest out of the bookkeeping system

for debt, there **has to be two corresponding entries**. Since the first bookkeeping entry, the 'creation' of the interest, does not exist, the interest **can never be extinguished** but must stay within the system and accumulate as permanent debt collecting more and more compound interest. Sounds just like a banker's dream, doesn't it?

Let me explain this very clearly: almost 95% of the 16+ **trillions** of dollars of debt of this Nation has been caused by the compound interest we pay on all of the debt carried by both the public and private sectors of our Nation through the 'creation' of money by our banks. This accumulation of debt has occurred since 1940 and shows the **power of compound interest**. This interest (debt due to the banks for the use of their bookkeeping entries) to the banks is primarily paid by the **massive deficits** our Government runs and pumps into the system. **This interest can never be paid!** It can only accumulate as **permanent debt** within the system and becomes a **permanent mortgage on the people of the Nation through taxation for the benefit of the International Bankers.**

This is an exact prescription for economic slavery and can only result in **higher and higher taxes**. There is no other result possible. The man who devised this system was named **Rothschild** and he and his descendants have used this system, coupled with bribery and corruption of government officials and of the European Royalty, to obtain a chokehold on the economic fortunes of the world through ever increasing amounts of unpayable debts (interest). As time went on they brought other families and lesser individuals who were willing to do their bidding into their plan as accomplices. Would it surprise you to know that everything you see happening in America today (our problems) was predicted by Rothschild in the manuscript he wrote in 1773? This plan to enslave the world through **economic slavery** has been carried out over a long period of time. Naturally, I'm supposed to assume that this has occurred by chance because it surely could not be a "conspiracy"!?

The ultimate result of this system is the destruction of the **middle class**, **exactly as we see it happening in America today**, leaving a thin slice of extremely rich at the very top. Everyone else, except those working **FOR** the very rich, **are left to pay a crushing burden of taxes** for the **direct benefit** of those same **Elite Rich**. This will eventually leave almost nothing for the average citizen to subsist on. At that point you will not have to wonder who the homeless are or what it feels like to go to bed hungry—

because you will know! The American people now pay between 60 and 65% of their incomes in taxes. How close are we to the end, then, when they repossess all of the real property we owe so much 'money' on just as they took our gold and silver? All for our 'excesses' in borrowing 'NOTHING'!

And, of course, our inattention and our unwillingness to face reality. We insist in judging others by our own moral absolutes when these men and their minions have no morals. They have nothing except an insatiable appetite for more money and power, and **THEY OWN YOUR FEDERAL RESERVE!** **Are you willing to join their 'beneficent' dictatorship, their "New World Order"?**

If not—then stand up and BE COUNTED!

END OF QUOTING

In a later writing I will ask Dharma to effort to locate Dr. Peter Beter's information on "A New Gold Standard" as given in lecture form on 8/25/81. You must understand that there are other clever manipulators involved as well as are the Rothschilds, etc. Remember the "Rockefellers"? How many of you remember those Bolsheviks we did so much writing about 10, so many months ago? It's time to drag them out, dust them off and look again at how you got into this dastardly trap! We don't even have to go back to formation of the Federal Reserve—we can hop in anywhere. If you want to know about the Federal Reserve, get our **JOURNALS** on same [#16 and #17; see back page for ordering information]—or, get Eustace Mullins' book, **THE SECRETS OF THE FEDERAL RESERVE**. [See page 12 for information on Mullins' excellent books.] We don't have it here so I can't ask Dharma to go look up the information. It is easy to find, however, for it is probably the most plagiarized book in existence today.

Most of you regular readers, however, already know enough to make sense out of "just jumping in" and allowing others to do their homework and "catch up".

When our "troops" get control of those prior **JOURNALS**, we consider them so damaged as to be relatively "worthless" as collateral. So, I believe the volumes will be released at no more than half the original price of \$10. Thus, if you are raring to get at them—**WAIT A LITTLE WHILE UNTIL WE CAN PRY THEM LOOSE**. I suspect the only actual "value" can now be calculated at the rate of "pounds" of scrap-paper. This was the value Mr. Green placed on "getting The Word out" it seems.

Enough for today. Thank you.

More On The "Four Corners" Area Mystery Virus

Editor's note: The following is a transcription of a follow-up telephone conversation with radio broadcasting professional Wes Miller of Gallup, New Mexico on July 8, 1993. Despite media efforts to quiet things down, the so-called "mystery" virus is far from gone, with cases surfacing—or unable to be longer hidden—at further and further distances from that Northwestern New Mexico Navajo Reservation starting point.

Many sudden and mysterious death cases nation-wide in recent months, that at first appeared unrelated, now, with hindsight and more understanding of the symptoms of the so-called Hantavirus, appear now to be related and strongly suggest yet another busy little "experiment" by the Elite to eliminate we pesky people.

There are now over 22 KNOWN deaths as a result of this illness and over 36 KNOWN confirmed cases.

On page 44 of last week's CONTACT we reprinted a newspaper story about the most recent confirmed death at that time, of a 58-year-old registered nurse, all the way over in the small East Texas town of Zavalla, which then sent the local area into hysteria...and rightly so.

When you add to the KNOWN medical scenario a sudden outbreak of meningitis in the "Four Corners" area, you have the hintings of a very fiendish scheme, emerging from hiding, that confirms a bio-engineered, cross-bred and mutating critter of extremely dangerous nature. Call it a bacta-virus if you want; let's just say it possesses a wide range of diabolical "talents" to keep us on alert.

There is still a great deal of activity in the general "Four Corners" - Gallup area, but people generally appear to be going back to sleep anyway, lulled by the media's purposeful inattention. Never mind that the Centers for Disease Control have just opened an office in the "booming metropolis" of little Gallup, New Mexico OR that someones from the CDC were in Gallup well BEFORE the outbreak occurred!

We said last week that we would try to

finish transcribing this recent telephone interview and here it is!

7/8/93 RICK MARTIN

Wes: The death toll is up to 22. We just had another person 12 miles from Gallup die in the Joan's Ranch area.

My concern is, there seems to be pretty much a news shutdown on this whole thing. There's now about 36 confirmed cases. There's 22 deaths. But...they just had a death in East Texas that they are suspecting is the mystery flu. I'm going to read you something from the local paper, the *Gallup Independent*. I think Commander Hatonn had mentioned that all 50 states were being affected by this outbreak of the bacta-virus and the spraying. And, to show just how massively you're not getting told what's going on, I'm quoting directly from the paper. This is from Tyler, Texas, Associated Press. He said, "Over the past month..." Quoting from a guy in Texas named Taylor, who works at the Health Department there in Texas, "As many as 20 suspected cases have been reported in Texas but they have been either discounted by laboratory tests or no specimens were available from victims. Some cases are still under investigation," he said.

So you can see, Texas is getting hit pretty good but they're not reporting anything. That would mean there's over 50 victims and they would've had several deaths over there in Texas.

Like I said, there's still a lot of activity here, amazing activity here in Gallop and the surrounding area. The death toll continues to climb. The cases are now being reported in Bernalillo County, in Albuquerque, which is the most densely populated area of New Mexico. They've had 2 or 3 cases there in Albuquerque. So, now they were reporting in the paper this morning in the *Albuquerque Journal* that it seems to be not just a problem with the Navajo Reservation, but it's becoming "urban-

ized" and it's a problem all over the state of New Mexico.

I saw an interesting T-shirt last night. This is the way people are thinking in this area, there's a lot of upset, angry people and there's a lot of people who are still asleep...they're not paying attention to what's going on. But I saw a shirt that said, "MYSTERY FLU" on the front and it showed a mouse, a caricature of a mouse in an attitude of "*we don't believe this government hogwash theory at all*". And on the back it says, "MY BUTT". You know what I'm saying?

So, a lot of people just flat out don't believe what the government's telling them about the deer mouse and all that. They have come out now and stated that they thought it was the dried droppings of the deer mouse which was primarily the cause of this new form of Hantavirus...and I want to emphasize **new form**. They never said it was the Hantavirus exactly, they said it was a new form of it. Which doesn't explain quite where the mutation came in. Now they're saying it's fresh urine that is causing this. But I have talked to a witness, I have made contact with a few more eye-witnesses now, and there are a couple of people helping me do some investigation now, so...I talk to these people first hand. One was Special Forces in the military. The person I spoke with last night was in Special Forces in the military. So he should recognize strange military activities, right?

First thing he notices—how the plane that they've all been spotting—is black in color. It's not a normal, it's a very dark-colored plane. It's very hard to spot. You can only see it against the stars when the moon is out. Furthermore, the person from Special Forces said it was so quiet you questioned whether you actually heard something. The next time the plane made a pass, flying this grid pattern, (he lives south of town), it was very hard to spot but he finally spotted it. He says, you know when you hear something funny, when you hear the slightest noise, when you've been in Special Services, you take note of it. More so than any other normal person would, you know? He said, wow, what's **the military** doing? This is not regulation flying, this is not normal, above-board activity. So he knew something was going on.

As it turned out, he was out on a hunting trip on 2 other occasions in the mountains in the area, and also spotted the plane. Also, helicopter activity. We now have evidence that the stealth fighter *may* be that plane, we don't know for sure. We know that it has also been reported as a jet-aircraft flying very, very slow. The stealth fighter can do that, where a normal jet has

to fly at a certain speed or it drops like a rock. The stealth fighter was designed for "biological" war purposes; it is not generally known but that is one of the uses of a stealth fighter.

Right now we're not getting the stealth fighters flying over Gallup. We're not seeing that anymore. The last reported sighting of a stealth fighter was a couple weeks before the outbreak. Which, I think, came out on May 20th, around that time in that area. Curiously, we kept seeing it all the way from August-September of '92 into '93, quite often flying low over the Gallup area. We're not seeing it anymore. If they were flying a normal routine over this area, why aren't they doing it anymore?

We also know there was spraying going on as early as October of '92, so it's even a little bit sooner than when I first did the research on it. We knew they were spraying in February, but now it's back even further, to October. This is from eye-witness accounts.

The person in Special Forces came right out, blatantly, and said that "I know that this is a germ warfare thing," because that was part of his job. He was in germ warfare work. He was in biological warfare. He said that he recognized immediately, when this outbreak happened, that the military or some sort of military — he still has a hard time believing it could be OUR military — but he said he knew it was a military project of some sort and it did suggest either chemical or biological weapons.

I have real good information about the Centers for Disease Control but, before I go to that point, have your papers reported at all the Japanese Buddhist holyman who came to the United States with his associates to investigate the mystery flu?

Rick: No.

Wes: This was not even reported to you in your local papers?

Rick: Not that I'm aware of.

Wes: I don't have the person's name, we did talk to 6 of his associates from Japan who came out to the Gallup area. There's a weekly article in Japan where a Japanese-American writes an article — and they are very interested in the Navajo people — so they do a weekly article in the papers in Japan, sort of a syndicated thing. When the Mystery Flu outbreak happened, this Japanese journalist decided to find out what one of their very reverent holymen had to say about it. He also has some sort of psychic abilities. He was brought to the Los Angeles area; he's blind. They gave him a map, obviously he couldn't see, and asked him what he thought about

the Mystery Flu. There are 2 locations he pinpointed on the map which he indicated are where the Mystery Flu started. This holyman stated very clearly that it was the result of unnatural causes. He indicated it might have something to do with electrical transmission lines or electrical power plants in the area here.

(Editor's note: And he wouldn't be very far off with his description, explaining in available conventional language, if advanced electrical means were being utilized to "broadcast" or "transmit" the virus.)

We knew exactly what area — these Japanese gentlemen had a map, a very detailed map. We went out to the exact location where they pinpointed it. It would be about 32 miles North of Gallup. Ok? We went out to the area and there is an Anasazi ruin there — all three of us who were involved in this investigation felt a distinct [*possibly microwave energy*] pressure on us. If you would sit in a car on a hot day and have the windows up and you didn't have any air-conditioning. You know how hot that sensation would be? Well, we had the air-conditioning on, we had the windows up but we were traveling very slowly and all felt a *very, very warm sensation* at that time. *We also felt that maybe we were being watched*. So we don't know what happened, but we had a very weird feeling about it and it was out in the middle of nowhere. There really wasn't anything there except for the Anasazi ruins. To finish off the Japanese story, **the holy man says the Mystery Flu is now in the bees and it's being transmitted by the bee**. Are you aware of anything like that?

Rick: I've not heard anything about bees having anything to do with this.

Wes: Obviously, he says though, it got into the bees from an unnatural cause. He stated very plainly, this holy man, that it was unnaturally created. It was definitely a creation of man of some sort. He didn't know exactly what that source was.

Rick: Well if you just imagine, for a moment, if you have a "biological germ" powder being sprayed or otherwise precipitated over a given area, and you have bees flitting from flower to flower — and that biological contaminant is on the flower — certainly the bees will pick up that and transport it just like they would pollen. So, that's not a stretch but I've not heard anything about it.

Wes: We also know that **this virus is seeming to now have mutated**. The reason why I say that — trying to monitor exactly what is going on here in the Gallup area as best I can — is that, as Hatonn very plainly mentioned, it was a bacta-virus. I don't know if you're aware of this but Ramtha also men-

tioned it was a bacta-virus also and stated so *months ahead of time* that there would be in this area.

Rick: Are you sure he used that exact phrase, bacta-virus?

Wes: From the source that I had, yes; and that is a second-hand source so that would have to be checked out but that was reported in February before the outbreak. The source was a person in the Ramtha group. Of course, I don't want to get far into that. But, what we're seeing here is, since it is a bacta-virus, since it is obviously several points of bacteria, several points of virus — Hatonn has told us over and over, this virus is going to mutate. Well, **there is now an outbreak of meningitis in the area**. Primarily, these are Hispanic-White children in the local county hospital here in Gallup — 9 cases of viral meningitis all at the same time. *One of them very contagious*, the others are the uncontagious kind.

We also know from sources from the Public Health Service Hospital that they have already, they're starting to warm about meningitis because they're having a lot of outbreaks there as well. So it appears that it's becoming viral, probably getting into the spine, maybe spinal meningitis (we haven't heard that mentioned often so I don't want to go off my research) — I want people to know that I'm reporting as accurately as I can, and I'm not sensationizing anything here. We're living through this. We're not trying to panic anybody. We're trying to report the facts so that when people understand that when Hatonn says something — and we're living in this area, we're seeing what is going on — my point is: please people, try to pay attention to what he is saying because this is very real. Once you've lived through it you realize how important Commander Hatonn's words are and how accurate his information is. Anyway, it is apparently becoming meningitis.

Rick: You mentioned you have some information on the Centers for Disease Control?

Wes: Yes. Now I think we finally have our first break in the case. We had to establish a time-frame. Now, the Centers for Disease Control very publicly came to the Gallup area 1 week after the virus outbreak. At that time, there probably were "only" 8 or 9 deaths, alright? It wasn't a genuine, wide-spread epidemic of any kind. See what I'm saying? According to the Centers for Disease Control, the way that they would monitor a virus or an outbreak, that would be a relatively small number of cases, agreed? BUT—they were here—BOOM! I had a Councilman involved in this, and that's another part of the story with the Navajo tribe, so you might want to remind me of that when I get through with this part of it, ok? A Councilman from the Thoreau area

mentioned very strongly to me that, and he did a radio interview separate from me, unknowing of me, didn't have any information that I had given him, I had never spoken to him—but he did an interview on our sister station KJK here in Gallup where he said he suspected the government was involved. One of the reasons he suspected is because of the quick response by the government. He noted how usually the tribes will ask the government for something and things will just get buried in red tape for a year or two and then, finally, they may do something about it. But in this case, he said, these government guys got right on top of it.

What we have now established, Rick, is that the Centers for Disease Control was in Gallup **prior** to any public mention, any KNOWN cases, of this Mystery Flu outbreak. We have now established that, first hand, through the case of a child who got sick in Gallup in February. There was also a mouse-tent in their backyard which they did clean out, so that establishes a contact there, if indeed that is having anything to do with this case. Like I said, a lot of people don't believe the mouse theory at all. They just flat say, "Come on, Government, come up with something better!" The child became sick, became hospitalized. He had a 104 temperature; he was in and out of consciousness. He was very close to death. They did every test they could up here. Now, granted, this is not the most advanced hospital in the world. This is a town of about 20 thousand, so obviously there aren't a lot of viral experts here. They had no idea what it was.

As it turned out, the mother, being very concerned about her child, was talking to her friends, being in need of help and counsel, needing to be consoled. One friend said she knew of several women—by the way, these are all women; I don't know if there is any significance to that — but **these women were ALL from the Centers for Disease Control and they were already here in the Gallup area!** At least, since February, and probably as early as January or even before that. One of the CDC ladies was already housesitting in a home of some people who were vacationing. The mother's friend got in contact with the mother; she said, "Well, if it is a viral thing, there is an expert in town from the Centers for Disease Control who is here in Gallup. We don't know WHY but she's here. Why don't I have you call her."

So the mother calls this woman from the Centers for Disease Control—and this is a big tip-off for you, Rick. The mother told the CDC lady about her child and this and that. **The CDC lady then said, "Well, I can't tell you WHAT it is, but you better stay on top of it if you're concerned for your child because there's something in the air around here. There's something in the air around here."** And that's all she would state. The child was

finally taken to Wisconsin, to a medical center there, and has subsequently recovered.

Rick: Let's go back to Meningitis for a minute. Do you have any more on that?

Wes: I know that 9 children are there at the hospital with that. I know that I've talked to some of the nurses there and the nurses weren't being told much because they're kind of happy-go-lucky and they weren't realizing the significance of what was going on. I know, in this area of Gallup, sometimes you get meningitis in children because they've been vaccinated. You know, when they're vaccinated they'll get meningitis right away because, as you well know, the vaccines are corrupt. They're giving you junk in the vaccines. You can see it in the children who have just been vaccinated and are very young. As far as I can determine, these children were all from about 9 years old to 13 or 14, so they're all pretty young but they're far from the age when they were just born. Nine cases was a lot to have all at one time.

Rick: When did this take place?

Wes: This has been taking place over the last month now. I don't know if any new cases have occurred because there has been a real tight lid kept on the situation here. There is a real tight lid on anything that happens in the hospitals, the "fear of panic" and all that stuff. They're not, I want to repeat, the Government and the Centers for Disease Control are not associating the meningitis with the Mystery Flu. *I am making that association based on the fact that we're having a pretty big outbreak of meningitis.* Also based on the fact that this virus, this bacto-virus is going to have to mutate—I think it's already started to mutate—what we're going to see is a lot of different look-a-like diseases and symptoms from other illnesses that are already established. I think that, eventually, we're going to see some deaths from this. Obviously the doctors were pretty concerned about this. And they are very concerned at the Public Health Hospital too, because there have been outbreaks of meningitis and it seems to be getting bigger instead of lessening. But I need to do more research on that to be able to give you more facts. I'll stay on top of the meningitis.

Rick: You mentioned something about a Councilman and the Navajo tribe?

Wes: I don't know if I should say his name or not. I don't want to single him out.

Rick: Better not.

Wes: He was a very concerned gentleman. He believes very strongly that the Government is involved. I called him up. But first—here's an interesting fact for you: We've been having problems with our phones. I had a case

where a man blatantly told me that my phone was tapped and then he hung-up. We've been noticing that the phone will ring and then there wouldn't be anybody there. Now that hasn't happened as much lately since the first day of the UFO sightings. I do want to emphasize that Commander Hatonn's group are here in massive numbers still and to this day. We'll probably talk about that in a little bit here.

Anyway, ten minutes after I called this Councilman and asked him to meet me for lunch to look at some information I had, our phones went dead for 3 days. No dial tone, couldn't call out—couldn't call in. Now, I don't KNOW if there's any significance to that. I don't want to sound like I'm paranoid but, it certainly was strange timing.

Rick: If you're not at least a little paranoid, then you don't know what's really going on!

Wes: Yes, I'm concerned because I feel very strongly that they are watching what we're doing. I know they don't like these interviews but, you know, somebody's got to say something somewhere along the line. They've put a big clamp on the media and I really appreciate your efforts, Rick, to get this *CONTACT* newspaper out, I really appreciate what you're doing.

Rick: Have you gotten feedback as a result of the paper?

Wes: Yes we have, but it's been slow. There's been a Christian group in town that I've given the information to. Now, you have to remember, when a Christian group looks at something, since a lot of them believe UFOs are actually demons, a lot of them are reluctant to "get involved". But, it is hard to separate the Mystery Flu part of what is going on from Commander Hatonn's group's presence [*because of Space Command's watching over and protecting the Navajo brethren from the Government "extermination" project*].

The fact remains, many many people here in town are seeing these UFO objects. With the Councilman in particular, he was so shocked by the information I had given him—and a lot of it was in the interviews in the *CONTACT* that you so graciously gave. We took it to—and I hate to say this over the phone because you know what's going to happen—but we took it to the tribe. The Councilman actually called [*tribal*] Chairman Zah and we were going to have an interview that afternoon at 1:30 P.M. As it turned out, he was too busy to see us but we got up to the Press Secretary and we talked with him about it. We made several copies of all the information I had and we gave it to the Members that are on the Committee, the Health Committee that is

investigating the Mystery Flu. We gave it to several key members of the tribe.

Several days after that, the tribe started mentioning, strangely in the paper, that they kind-of changed their mind a little bit. They thought the Government was much more involved in this Mystery Flu than the Government was willing to admit. However, consequently, there was supposed to be—they wanted to get the Councilmen together and have an investigation, a Special Session of the Council to have an investigation of the Mystery Flu. I believe it was Chairman Zah, and I do believe it was Chairman Zah who Chaired the Special Council Session. So I don't know if that had any effect on what's going on but I hope it enlightened a few people.

There also is an article I would like to point out to you, in the tabloids. Were you aware that the *NATIONAL EXAMINER* had an article entitled, "Secret CIA Files Reveal Germ Warfare Test Accident Killed Navajo Indians".

Rick: Sounds like an "interesting" article.

Wes: It WAS an interesting article. I read the article and it was off-base in a lot of regards. What it basically said was that when they captured Saddam Hussein's biological warfare, they captured several weapons that they weren't sure what they were. Supposedly they brought it back here and tested it to see what would happen. They wanted to come up with a vaccine to be able to fight it if it was released in the future and it was released purposely on the Navajo Indians and when they started dying they realized it was much more powerful than they thought. What they've done, subsequently to this, and as you well know, sometimes the tabloids will give you a great deal of truth and then just throw it out there and see how people will react. I'm not saying the article is true. There is a "germ" of truth in here, I don't mean that as a pun, but... What happened with the article, subsequently, though, they put a big article in the *Albuquerque Journal* stating, "Tabloid Portrays CIA Is Culprit In Epidemic". What they've done now, they've just demolished this story.

Rick: It's a usual way of discounting and obscuring the truth of the matter.

Wes: Now, what happens, anyone like me who mentions the CIA or the Office of Naval Intelligence or somebody that's involved in this as an experiment on germ warfare on people in America...

Rick: Sure, you're just a conspiracy nut...

Wes: Yeah, they bring this article up now and show how stupid it is and it really hurts the cause, I think, of people like me who are trying to tell people THE TRUTH. They're pretty well

covering their bases.

Rick: They usually do...

Wes: Now it's established that the Centers for Disease Control were here **prior**, and they knew something was in the air, and obviously they were here to monitor. Now, as of last week, the Centers for Disease Control in little, out-of-the-way Gallup, New Mexico, they've opened up an office here! The Centers for Disease Control now has an office right here in Gallup, New Mexico. Now, does that tell you they're a little bit concerned or a lot concerned?

Rick: Sounds like a good place for a "research" facility!

Wes: Right, they moved into a nice, roomy building. We know where they are and we're going to be watching them. I just hate to see all these, and it started off being a lot of Navajo people being victimized, and I hate to see people of any race or color being victimized. It really is a sad thing when the government comes out here and does these kinds of things to you and to all of us and apparently spreading it from state to state.

I just want to say, pay attention people, it is happening. It is real! Commander Hatonn's crew is very much here! I appreciate the fact that he has made his presence known. We have seen the craft. They seem to be in a big circle now, Rick, around the area. They're many, many of them up in the air. In fact, it's usually pretty easy for me to go out and spot a UFO but now, there are so many of them in the sky, Rick, I'm having a hard time telling the UFOs from stars and planets—that's how many craft from Hatonn's Command are in this area showing their presence. And this is an ongoing thing. We've seen these craft again in the daylight hours, not just at night—particularly early in the morning. It's ongoing. Hatonn's activity here. It is an impressive presence he is showing to the people, especially the Native American Navajo tribe, and others who know, and as a sign to the Government: "*Don't mess with these people!*"

Do you have any other questions?

Rick: How is the local community generally? Are they falling back to sleep or are they concerned? Are they talking?

Wes: Now what they've done is—this is very clever—they'll come out with an article every other day in the papers. Yes, they're still covering these stories. Now, when a death comes out they automatically don't report where it's from. They do not give you much information about it. Then they put a little disclaimer on there,

"Well, it could be the Mystery Flu but we're going to have to do a little more investigation..." Then you turn to the paper the next day, say it was 19 died, the next day it will be 20...so you wonder, "Who died and where?" Are they adding on new cases or old cases? The information is real shakey now.

When the outbreak first happened, they would tell you the name of the person, where they were from, it was easy to see what was going on. Now the information is scattered. What is happening, because of the news shutdown, unless there was a case that happened right here in Gallup where somebody died, they have fallen asleep. Yes, they have, very much so. They've gone back to paying their bills and doing all of the things they did before, without paying attention to what was REALLY going on. And yes, it's very sad but it's like old news.

Rick: Anything else you've dug up?

We had some more inside information on the events. I have people working on the story. For instance, when pilots fly victims of the Mystery Flu over to Albuquerque for treatment—and there are people in Albuquerque right now, I think 4 or 5, who are on respirators—they would give the pilots *gloves, mask, and clorox spray*.

This is while they were flying a sick person, like an air ambulance situation, from here to Albuquerque. They also claim that they had them on like a mini-respirator and had a mini-filter on it so that the air, supposedly, didn't get out into the open. That's what they were telling the pilots. What we want people to understand from this is that if they did have a mini-respirator on it or a mini-filter on it and they are sequestering these people in a special section of the University of New Mexico Hospital, then they are fearful that it can be spread person-to-person! They keep coming out and saying that it really is a very low possibility, but their actions would strongly indicate otherwise!

It's a massive problem. It is still ongoing and it is still as bad as when the first day it was reported in May. It abates a little bit, it might have a week lull, but then it comes back. And we're still getting sick people—and now it seems to be becoming meningitis, like I said. I think we still have a VERY HUGE PROBLEM here and, I hate to say it, but people are falling asleep. The media is not reporting it anymore, doesn't seem to be big news, and so who cares about it. Well, lullaby or not, that's NOT what's happening—it's serious here, it's a very strange place to be right now, Rick.

SUSPENDS PUBLICATION

I need to make a statement about publication of the paper because we need to forewarn you that we PROBABLY will not issue a paper the first week in August. This is for several reasons from funds, postage, weary team, the first break since onset for several of our staff (like four-five years) and thus and so. We have ongoing legal needs, court hearings, depositions, and you name it, our people are

bogged in it.

We are torn because it gives a hiatus of information flow on ones like Russbacher, Renick, etc., etc., but our people are in serious need of a respite and recovery so that there will be funds for the following week. We must do "something" and this appears to be the best approach. Perhaps we will need to make it a two-week break but we are working to not have to do that if possible.

It is true that "*He who shall introduce into public affairs the principles of Christ WILL CHANGE THE FACE OF THE WORLD*"—but it surely is NOT easy.

Dharma and I will NOT STOP WRITING just as we do now—so you will be very "behind" and can expect big papers again at upstart. I guess this is a vacation for SOME—but not around here. Perhaps, however, you readers will have a chance to catch up a bit on some other really necessary reading—even the old papers.

Hopefully we won't need to repeat this kind of a break often, but we do what we must do and ask your patience and prayers. We have come to make an impact, now, and we must hold the line lest we be pulled down. We will do the best we can. Thank you.

NOW FOR LUKE PERRY

Mr. Perry is an accomplice of Green's—in the attack and attempted receivership of the Institute. He is the one who put all the disinformation of personal nature and corporations in the international media through the *Associated Press*. He has so far avoided "service" of legal papers. It is time now to get that job done, lawyers, for he is on the attack against Mrs. Perry's estate AGAIN and is serving legal documents against her. THIS IS NOT ACCEPTABLE.

What you do about Leon is up to you. Leon may not have realized the full extent of his intentions or what he has caused to happen—but ones AROUND him know exactly what they have done and SO DOES HIS LAWYER. I shall, however, be a bit upset myself if you cause the Institute to bring any focus to self in efforts to treat him DIFFERENTLY than any other participant. Everyone is going to get everything out and the Institute is more substantial and stable daily. Do that which you feel suitable—but be cautious for the corporations involved in the complaint letters STILL need to have activation of action. Just realize that "I" can "see" farther than you! Perhaps it is time to tell Mr. Abbott where to shove his legal demands. "They" have garnered no right to pleasant nor, in fact, return AT ALL! They stopped the ability of the Institute to function through their assault with Green, and to give them priority favor is unacceptable as well.

Holy Cow, Batman! The Plot Thickens

NASTY SOGGIES
THE HEAT ONLY GETS HOTTER

The pressures are getting so heavy here that I must speak, again, of rather personal things. There are assassination rumors out about Russbachers and, also, unbeknownst to Dharma until this writing—against her and E.J. Assassination? Could they possibly mean "murder"? I think that would be a most "unwise" attempt but the nit-wits have tried it often before and things are getting pretty hot (or WET) as the case may be and the public is getting pretty suspicious.

GEORGE GREEN
THE "ELUSIVE" FLIM - FLAM MAN

George has abruptly "flown the coop". He has not yet dived off to Costa Rica, but he has secretly moved his body to Montana. How stupid a move—does he actually think we do not KNOW before he even

finalizes his jaunts?

Already, now, word has come back IMMEDIATELY as to Bozeman and Missoula. The facts are "Missoula" is the target and I am told there will be a couple or so interesting persons waiting to greet him in his "new operations". You must understand that WE are the least of George Green's and Gary Anderson's problems. They have sheriffs in two states looking for them and find only disconnected phones and an absent "boss" at the America West office. George now has charges ranging from theft to mail fraud out against him. A group of Special Forces "boys" are also forming a "greeting" committee here and there to remind these people of their responsibility to truth in America and American business ventures.

By the way—George has offered a settlement (since his business will close anyway): The Institute gets the worthless books and HE GETS THE GOLD! My, my, that gold does cause him trouble. I think, if I were George, that I would be VERY cautious about my "frontsides" for the ones I

THE GEORGE GREEN AND
"DR. JOHN COLEMAN" CONNECTION:
A MATCH SLIPPERY AS TEFLON

I suggest that "John Coleman" pay very close ATTENTION also. Connections and original "intelligence" activities which dumped us off into this river of US&P problems are about to flood-out culprits to the same extent of Iowa and THAT river swamping.

This will be easy to track and understand, perchance, if you have "Dr. John Coleman's" book called, *CONSPIRATORS' HIERARCHY: The Story Of The Committee Of 300*, which my people paid for, did the work on and published for him—with credit claimed by George Green. At the time, even, ones asked why were we doing this when the handwriting was on the wall about these two grafters, shakers and movers? I told them then and I repeat now—GOD NEVER DOES ANYTHING CARELESSLY. The information you now need is held within the work and having DONE THE WORK and at the time, even having direct permission to use the infor-

mation EXACTLY AS OFFERED, I now feel free to share some of the tracings. If you don't have the book, just hold on and let us check out resources other than America West for it appears they are "out of business" anyway, if running out in the middle of the night (both of these men have done this) is a clue to ethics. [Editor's note: We are told it may be available from OMNI Christian Book Club, P.O. Box 900566, Palmdale, CA 93590; \$16.95 + \$2.50 postage & handling for one book, 10% discount for larger quantities.] I would dearly ENJOY a lawsuit from EITHER one so they show their hands, locations and activities.

UNIVERSITY OF SCIENCE AND PHILOSOPHY

I am going to need to word this writing in such a way that the court won't construe it as ill-begotten or slanderous information—in order to protect my secretary. I shall simply report what is fact, and now confirmed, without reference to persons involved—for you will probably find that most "persons" involved, say, as is Dr. Binder of US&P, MORE UNINFORMED of what I shall tell you, than are YOU.

Is all this information PROVEN? Yes, but there is much clever manipulation and disguise involved. It is that Dr. Binder is efforting to gather up funding and resources to further Dr. Russell's work—REALLY! He lives "sort-of" between Montana and Colorado—not in Virginia at Swannanoa Palace. I have no comment at all about this arrangement—he is the President of the "University" and we shall drop that right there, please. The following, however, will be that which will spark interest in several of you readers—but again, I must be objective and "journalistic" in my information here.

I would, however, suggest that Nora hold up on plans to visit Virginia at this time. THIS information is going to be very NEW to Nora and I do not want her going innocently into something in behalf of a biography on Russell, which may well be more interesting than anticipated.

WHO IS BEHIND US&P?

Well, we have told you for a long time and have been confronted in a Federal Court for so-doing. But, you must now know that you have PROOF of the involvement of the Committee of 300 Hierarchy. Perhaps it is simply "used" and ones "don't know"? Well, ones KNEW ENOUGH TO GO DIRECTLY "THERE" TO GET AT US. NOW JUST 'WHO' WOULD KNOW SO MUCH? "Coleman"? Green? Well, "Coleman" (Pavlonski) was mad-as-hell at Green at the time it broke on us. Now, Green admits he still has working relation-

ships with "Coleman" and is mailing out lots of advertising for the books of US&P—so??

Now, for starters: KNOW, readers, that it is reported from VERY HIGH-LEVEL INTELLIGENCE (VERY HIGH-LEVEL AND NOT ETHERIC) that US&P is backed by, basically funded by and RUN by—THE BROOKINGS INSTITUTE! But, it is worse than this as far as I am concerned—however, we start where we can logically make sense of this story.

BROOKINGS INSTITUTE THE BRAIN CENTER

So, what difference would that make? Well, the Brookings Institute is THE TOP LISTED functionary (there are bunches—and outstanding is RAND) institution of the Tavistock Institute in the United States **engaged in brainwashing at all levels, including government, the military, business, religious organizations and education.**

Before we go on, let it be remembered that John Coleman claimed to be an agent of MI-6, etc., of British Intelligence. WILL YOU FIND IT "INTERESTING" TO KNOW THAT US&P IS RUN BY MI-6 AND MI-5 OF BRITISH INTELLIGENCE?!

Will it further be interesting to note that the Board of Directors is primarily "British" with one token "Jew" by the name of Cohen? There is direct information that Prince Charles also sits on that Board. He, at the least, visits for "special occasions" similar to that which Bush visited in Australia. Gets sticky from here, readers.

Let's go back and check out the Brookings Institute just briefly. And, further, I am simply going to quote from CONSPIRATORS' HIERARCHY by "Dr. John Coleman" (Pavlonski) to keep my scribe out of trouble.

QUOTING:

The Brookings Institution: Dedicates its work to what it calls a "national agenda". Wrote President Hoover's program, President Roosevelt's "New Deal", the Kennedy Administration's "New Frontiers" program (deviation from it cost John F. Kennedy his life), and President Johnson's "Great Society". Brookings has been telling the United States Government how to conduct its affairs for the past 70 years and is still doing so on behalf of the Committee of 300.

END OF QUOTING

ALEXANDER HAIG

I will remind you that Haig was upset and very focused along with Rockefellers,

etc., at the time of the Falkland Islands fiasco. I cannot remind you often enough that everything is hooked to everything else and you are going to have to go back and read the whole bunch of JOURNALS if you want to connect all this "stuff". [Editor's note: You can catch the most recent outlay of the Falkland Islands War TRUE story in the 5/11/93 CONTACT.]

We will have to take "Haig" out of context but he plays a strong role right here as regards the Brookings Institute so bear with us, please.

QUOTING:

...But before his military promotion took him out of Washington, let it be known that Alexander Haig, in conjunction with Kissinger, all but destroyed the office of the President of the United States and its government. The chaos left by Kissinger and Haig in the wake of Watergate has never been chronicled to the best of my knowledge ["Coleman"]. On the insistence of the Royal Institute for International Affairs, Haig **virtually took over management of the Government of the United States after the April 1973 coup d'etat. Bringing 100 Round Table agents chosen FROM THE BROOKINGS INSTITUTE OF POLICY STUDIES AND THE COUNCIL ON FOREIGN RELATIONS, Haig filled the top 100 posts in Washington with men who, like himself, were beholden to a foreign power.**

END OF QUOTING

TAVISTOCK INSTITUTE (BRITISH INTELLIGENCE)

The next question from new readers is, "Who or what is Tavistock?" Well, it is connected directly to the Committee of 300 THAT RULES THE WORLD. MI-6 is the main resource of the Committee of 300 when it comes to "Intelligence". Over hundreds of years, MI-6 has established a record which no other intelligence agency can even come near to duplicating. MI-6 agents have gathered information from the four corners of the Earth and have carried out secret operations that would astound even the most knowledgeable—if ever they were to be made public, which is why it rates as the Master Service of the Committee of 300.

Officially, MI-6 *does not exist*, its budget comes out of the Queen's purse and "private funds", and is reported to be in a range of \$350-\$500 million per annum, but no one knows for sure what the exact amount is. In its present form, MI-6 dates back to 1911, when it was under the leadership of Sir Mansfield Cumming, a captain in the Royal Navy, who was always identified by the letter "C", from which

"M" of James Bond fame is taken.

The Tavistock Institute, at Sussex University and London sites, is owned and controlled by the Royal Institute for International Affairs whose "hofjuden" in America is **HENRY KISSINGER**.

Oh, by the way—the work of Walter Russell of which the University is after developing, is any form of FREE ENERGY—I doubt that they are too interested in the "cause of God and LIGHT" except as it applies to the One World Order.

I think it now becomes self-evident WHY Mr. Green would want to get on "their GOOD side"—secretly. It further explains why he would not need to "make a deal" himself particularly as the entire suit would be dumped on "Grandmother" here and perhaps we would all just go away!?! I think that if I were George Green I might well consider "a settlement", too. My people "cannot" settle for there is nothing to "pay-off" to the ones bringing suit. Even Dharma and E.J. CAN settle but for what? There is no resource from which to pay the legal fees at best. They can be forced to accept a "judgement" but they cannot pay it, so what have we here? And, why, if George Green claimed to have had so MUCH, kept legal papers FROM EKKERS, etc., would he not be the target—UNLESS THERE IS LOTS BENEATH THE SURFACE? DOES HE KNOW WHAT HE IS DOING? It has gone so far now that it is out of our hands—and he certainly hasn't shown any indication of "change" or rectification.

We don't have any pick with the University of Science and Philosophy. We could not even be considered in the same running as far as competition—with them IF THE FACTS COULD EVER BE HEARD. We honor one, DR. WALTER RUSSELL, for his gifts. We ONLY want to honor Dr. Russell, for we are NOT EVEN INTERESTED WHATSOEVER IN HIS PROJECTIONS OF FREE ENERGY DEVELOPMENT. He realized it comes from LIGHT but he did not develop methodology. The University, further, from indications above—has a more definite thrust into BRAIN-CONTROL STUDIES WITH MI-6. This, further, indicates why the focus was so pointed toward Mary Eddy and Christian Scientists (mutually exclusive terms). If you have "religion" you CAN NOT have "science". This is not an INSULT; it is simply a fact of "definition".

I have no interest in doing battle with these ones at ANY LEVEL. I am not interested in competition, their work or their business. We are about as "OPPOSITE" IN DIRECTION OF INTENT AS ANY TWO ENTITIES ON YOUR EARTH COULD BE! I believe it will become more clearly defined as to "why" as we move on below.

RITUALS — ANOTHER REPORT

The next is going to be fully in the

presentation of second-hand information. This touches so closely on "incredible" activities as to cause me to be very guarded. It is TRUE and that is my only personal comment.

There were recently some people who went to the Swannanoa Palace on a "tour". There is a \$6.00 fee charged for ones who wish to tour the palace, which is now getting in serious disrepair.

The grounds, which were once magnificent with gardens and statues, are now getting very run-down. One reason these people wanted to visit was to again see the statue of "Sananda" (The Teacher) in the garden, done by Dr. Russell. Here is what was found: The people left the organized tour and wandered out onto the grounds, unnoticed at first. The buildings in the back area were in a terrible state of repair—very neglected and untended while showing great need for resources.

They went to the statue to find a shocking sight. The statue had (on a prior visit some years ago) been landscaped with beautiful shrubs and flowers, but basically "stood alone". **IT IS NOW CENTERED IN FLOWER BEDS WHICH FORM A SATANIC PENTAGRAM.**

Moving on around to the back and distant side of the estate itself, was a tower with a "jumping type" of platform on it. Beneath that was a freshly filled-in pit of some kind. This area is obviously given now to rituals of some sort and "neighbors" report all sorts of weird things going on back there—but decline to talk about it.

There was indication that somehow, recent visitors of Royalty or tourists of some kind had come for a "RETREAT" for an "overnighter". Hmm-n-n, at the same time Prince Charles visited in the U.S. and WAS SEEN AT SWANNANOA.

Dr. Russell's early works (long, long prior to his meeting with Lao and this group from Great Britain) were given to the public—and, the originals were gifted to Princeton University. I have no further comment about this. If we somehow damaged Dr. Russell in our offering honor for his work, we apologize. Never was our intent to do other than enlighten people to the truth of their own projection—not form any kind of competitive circumstance. I repeat, we still have NO QUARREL with anyone from US&P OR over the work. We HONOR DR. RUSSELL.

Do you think the people attending Koresh's Waco location—knew they were involved with MI-6, The Committee of 300, ATF, MK-ULTRA brainwashing intensive and such? Of course NOT. But, confound it—Coleman and Green DID!

[Editor's note: By the way, we are running a most interesting and revealing document—which came to us anonymously this past week—on the Waco Texas Massacre on pages 26 - 27. Amazing what some diligent

research can uncover!]

SHOCKED?

Are you readers "shocked" by all this? Well, if you aren't—then you must be dreaming. Dharma is "blown away" by these revelations, as is E.J. and the other team HERE.

Ekkers came to this place to basically retire and live out their days with family and friends. It NEVER had occurred to Dharma to write more than a recipe. It all began just as innocently—to be scooped up by Green and then we really went to work! Who knows what—and when do they know it? Chelas, things EVOLVE and ones pick up their responsibilities and so it goes.

Further, there should be no reason that one "Dr. John Coleman" (alias Pavlonski, or whoever he is) would have reason to attack the Ekkers or anyone here—he RECEIVED greatly and generously from these people and FROM ME PERSONALLY! YES, THAT IS "ME", HATONN. He can go forth and pretend that he knew Green was "Hatonn". NO, THAT IS A LIE—HE KNEW EXACTLY WHO I AM AND WAS! THAT was not a lie, "John"—but you, too, chose the way of human weakness and lost your protection. Those are choices EACH makes as you pass "through".

Then comes the error in judgement—which appears at first as something which will annoy and "getcha"! This moves on into the morass and entanglement of great involvement. Who in their wildest imaginings would believe that an effort to "cause a bit of trouble" to a perceived enemy would uncover the Tavistock Institute in full operations through the Brookings Institute and British Intelligence and brainwashing programs of the highest level?

It is "John" who is in serious trouble now and I shall share with you readers from his work so that we can give him some credit and, hopefully, offer him some protection in the physical.

I have been brought a copy of LIGHT WAVES from US&P—just of interest. If you have access (for I declare we dare not reprint anything from the flyer) to this—READ DR. BINDER'S PRESIDENT'S MESSAGE "Choices & Focus On the Good".

THIS IS SUPERBLY WRITTEN AND CAN ONLY COME FROM ONE WITH INSIGHT AND REALIZATION. I, TOO, WOULD ONLY PRAY THAT DR. BINDER DOES NOT KNOW! THIS MAN IS A "HEALER" AND OF HIGHEST CHARACTER—HE WOULD HAVE NO WAY TO "KNOW"! GOD BLESS EACH AND ALL OF YOU AS YOU WALK THROUGH THIS VEILED EXPERIENCE, FOR THE WAY IS STREWN WITH THE UNSEEN SNARES. I HAVE NO WISH TO DAMAGE ANYONE—

BUT I CANNOT LONGER STAND BY AND SEE MY PEOPLE RIPPED ASUNDER.

There never was, nor is, ANY intent to slander or damage or plagiarize anything from anyone—only HONOR a gifted MAN who had a GIFT to give MANKIND. If we did it badly, then perchance there might be “positive” goodness gained from the experience for ALL.

Let us just leave this particular subject now and give some honor and accolades to “Dr. Coleman”. We have his papers, etc., for our people did the editing, readying for press and all the work involved with raw manuscript. I wish to take nothing from “Dr. Coleman”; in fact, our people received information from Japan from ones wishing to translate his book and print several thousand. We gladly forwarded that information to his Postal Box number and we hope that he received the inquiries for that would be quite a nice income project for him and his family. It was to have gone through Green, but it seemed more appropriate, since George is “missing”, to send it DIRECTLY to resource.

Let us just begin and, each week in the paper, perhaps, we can offer you chapters or excerpts from *CONSPIRATORS' HIERARCHY: The Story Of The Committee Of 300*. Today, we will offer his Foreword.

JOHN COLEMAN FROM “300”

QUOTING:

Foreword

In my career as a professional intelligence officer, I had many occasions to access highly classified documents, but during service as a political science officer in the field in Angola, West Africa, I had the opportunity to view a series of top secret classified documents which were unusually explicit. What I saw filled me with anger and resentment and launched me on a course from which I have not deviated, namely to uncover what power it is that controls and manages the British and United States' governments.

I was thoroughly familiar with all of the well known secret societies such as the Royal Institute for International Affairs (RIIA), the Council on Foreign Relations (CFR), the Bilderbergers, Trilaterals, the Zionists, Freemasonry, Bolshevism, Rosicrucianism and all of the spin-offs of these secret societies. As an intelligence officer, and even before that as a young student in the course of my studies at the British Museum in London, I had cut my eye teeth on all of them, plus a good number of others with whom I imagined Americans were familiar.

But when I came to the United States in 1969, I found that names like the Order of St. John of Jerusalem, Club of Rome, the German Marshall Fund, the Cini Foundation, the Round Table, the Fabianists, the Venetian Black Nobility, the Mont Pelerin Society,

Hellfire Clubs, and many others were either totally unknown here, or else their true functions were at best but poorly understood, if at all.

In 1969-1970 I set about remedying the situation in a series of monographs and cassette tapes. Much to my surprise I soon found plenty of people willing to quote these names as if they had known of them all of their writing careers, but who were not in the least bit knowledgeable about the subjects, yet quite unwilling to state the source of their lately acquired information. I consoled myself with the thought that imitation is the sincerest form of flattery.

I pursued my investigations, pressing on in the face of severe risks, attacks on myself and my wife, financial losses, continual harassment, threats and calumny, all part of a carefully-crafted and orchestrated program to discredit me, run by government agents and informers, embedded in the so-called Christian right wing, the “Identity Movement” and rightwing “patriotic” groups. These agents operated, and still operate, under cover of strong and fearless outspoken opposition to Judaism—their main enemy, they would have us believe. Their agent-informers are led and controlled by a group of homosexuals who are well-liked and well-respected by political and religious conservatives all across the United States.

Their program of calumny, lies and hatred, disinformation about my work, even lately attributing it to other writers, continues unabated but it has not had the desired effect. I shall carry on with my task until I have finally ripped off the mask of the entire secret upper-level parallel government that runs Britain and the U.S. This book is a part of that ongoing effort.

Dr. John Coleman, November 1991

END OF QUOTING

I have no intent to take from the book all the lists and such—this is up to you if you want the information and don't want to rummage back through old JOURNALS—but Dr. Coleman gave an excellent overview of who is what in this Conspiracy. Yes, indeed, others have also spelled it out for you—and even done a far better job in bringing players of local interest into your attention. Dr. Peter Beter was outstanding in revealing the workings and what was going on on specific fronts, from political to weather manipulations. That is a good subject to look at because, for decades now, there have been weather manipulations EXACTLY LIKE WHAT YOU ARE EXPERIENCING RIGHT NOW—WORLDWIDE BUT SPECIFICALLY IN THE AREA OF THE MISSISSIPPI RIVER, U.S.A.

So, AGAIN, readers, we will have three or four “stories” going at once and we'll just do the best we can to flesh them out

for you

7/16/93 #2 HATONN

PROMISES, PROMISES, PROMISES

This is the kind of abuse I have to take from my team-mates. Every other writing I seem to say something to the effect that I will write on a given subject when next we sit to write—and that is the last you hear or see of it. I know, it must seem like *Donahue* on his TV interview shows, when he says, “I promise I'll let you speak when we get back from commercial break”.

There are so many wondrously interesting subjects and so little space to cover it all—please bear with my good intentions and I'll try to bear with yours. Good JOURNALISM demands follow-up and backup but my secretary cops-out and claims to be “only human”—at least from wrist to fingers! So be it.

What I had “last” promised was a (Dr. Peter) Beter story which would point out how orchestrated the situation is with banks, opposing parties, gold standard, etc. The writings also allow for some observations of “players” which will help you to begin to decipher who is what in this game. If you do not have background, I can only suggest that you “catch up” because we will offer a LOT “again” but with the over 30,000 pages of work in these past 48 months—there is no way to offer it timely. THEN, we can look at weather manipulation as presented years ago by this same resource.

The following will come directly from a transcript of Dr. Peter David Beter's Audio Letter #67, recorded on **AUGUST 25, 1981**. (To get Dr. Beter's material I believe the best route is through *Wisconsin Report* and Virginia Meaves, P.O. Box 271, Elm Grove, WI 53122.)

E.J. had offered, earlier, to assist in publishing Beter's works, but the response was that “there are plans” which did not include this place. I don't know where it now lays but I do know that *Wisconsin Report* still runs segments of his tapes (transcribed) in the paper and does make something available to the public through the Education Service Council.

I, Hatonn, personally worked with Dr. Beter and can verify that his information was top-level. Even though a particular incident will be outdated—the facts remain and the plan and play only change in arenas and players. The overall PLAN never changes other than very slightly to be flexible and further confuse the audience (YOU).

Dr. Beter said: “If the Corporate Socialists are successful, America will be torn by internal convulsions far worse than the Civil War; **but if they do not succeed, the Bolsheviks believe no one can stop their own plans for domination of America and eventually the world.**” **YOU MUST LOOK MOST CAREFULLY AT WHERE YOU ARE—NOW!**

I ask that this simply be copied as is. I will be prepared to comment but I believe the information will pretty well speak for itself and you will be able to make connections.

Corporate Socialists Versus Bolshevik Socialists

QUOTING:

LETTER #67

**RULE IN WASHINGTON BY
TWO FACTIONS**

August 25, 1981

[H: Do not overlook this—over a decade AGO.]

TOPIC #1: The entity President Reagan is fond of saying in speeches, quote: "I was a Democrat longer than I have been a Republican." Likewise, his past heroes of the White House Oval Office are more often Democrats than Republicans. And the hero we hear about the most often of all from our actor president is Franklin D. Roosevelt. From the beginning, the so-called Reagan Administration has been modeled along lines pioneered by FDR in the 1930s. Like FDR, the present administration tried to hit the ground running with big changes in federal policies. Now, as then, the Executive Branch of the Government is claiming a public mandate to flatten Congressional opposition like a steam roller; and even though they look different today, the **real issues now are once again the same as they were in the 1930s. Those issues are: The crumbling economy, approaching war, and the political future of the United States.**

On the domestic level, 1981 is trembling with the hollow echoes of 1933, and yet there is also one major difference today. In 1933 there was just **one** major power behind the throne, so to speak, dominating the United States Government. Today, in 1981, there are **two** powerful factions who are challenging each other for governmental control. An enormous power struggle is going on behind closed doors which has afflicted the United States Government with schizophrenia. Policy-making has turned into a series of skirmishes between these two power groups. As a result, the Government zigs and zags, this way and that. Top officials, such as the Secretaries of State and Defense, are always in a public

tug of war. It all reflects the great power struggle behind closed doors.

[H: Please keep in mind as we go along that as we copy this presentation—things have continued to evolve into this New World Order where the administration cabinet members and "Secretaries" serve the new master, the U.N. and One World Order MORE OPENLY AND VISIBLY—IT WAS ALREADY, HOWEVER, TAKING MASSIVE SHAPE FOR BIRTHING.]

On one side are the **Corporate Socialists of the Rockefeller Cartel**. Back in the days of FDR five decades ago this was mainly an oil cartel. From there it grew and diversified into a world-wide Corporate Socialist empire made up of multinational corporations.

On the other side of the current power struggle in America are the **State Socialists, the Bolsheviks**. Like the Rockefeller Cartel, the Bolsheviks have "collectivism" as their ultimate goal—that is, both groups **want to concentrate all wealth and power in a few hands—namely, their own. But the Bolsheviks want to do it in a different way.**

The Corporate Socialists of the Rockefeller Cartel want their own giant corporations to be the real masters of society. By contrast, the Bolshevik Socialists want the Government to be all-powerful. Through the Government, the Bolsheviks want to control the means of production directly through nationalized industries.

For decades, from 1917 until very recently, these two collectivist forces had their own separate power bases. Rockefeller Corporate Socialism held sway in America, while the State Socialist Bolsheviks controlled the Soviet Union. The two sides came in contact only on an international basis, and under those conditions they operated as **secret allies**. But over the past five years everything has changed. In 1976 the Bolsheviks were finally pried loose from control of the Kremlin by a determined band of native Russians. Their achievement was the result of six decades of tireless struggle, but it came as a shock both to the Bolsheviks in Russia and to the

Rockefeller force here. The Kremlin's new masters want no part of the international intrigues formerly carried out in **tandem** with the United States. They also want no part of the Bolsheviks. The Bolsheviks are being run out of Russia, so they are trying to use the United States as their **new** power base. This situation has brought the Bolsheviks into direct competition with the Rockefeller Cartel for power over the United States—and the world!

In late 1977 I reported that a quiet new Bolshevik revolution was getting under way here in America with the **help** of the Rockefeller Cartel. It was a desperate attempt by these two groups, formerly international allies, to join forces on the domestic level. At that time both the Rockefellers and the overthrown Bolsheviks from Russia were preoccupied with staving off Russia's new rulers. It was a classic case of that old famous principle: "The Enemy of my enemy is my friend."

What the Rockefeller Cartel has learned instead is that sometimes my enemy's enemy is also my enemy. In early 1979 the Bolsheviks here launched an all-out drive to seize total control away from the Rockefellers. They did not quite succeed, as I detailed in the past, but the Rockefeller Cartel was grievously wounded. For more than two years now the behavior of the United States has reflected one basic fact—that is, no one is clearly, decisively in charge. Instead, the struggle continues.

In February 1979 I reported in AUDIO LETTER NO. 43 that, quote:

"Soon the inevitable internal conflict here in the United States will be getting under way. On one side there are the Corporate Socialists of the now headless Rockefeller Cartel. On the other, there are the Bolshevik State Socialists." [H: I won't go into it here—but we have also offered what we mean by "Headless" Rockefeller Cartel. It gets into such clandestine circumstances that I have to ask you to refer BACK to prior writings. It is most important to know—but too lengthy for HERE. The "Rockefeller you see and know" is NOT the Rockefeller you think him to be!]

My friends, it is this very internal conflict which is now showing itself daily in the behavior of the so-called Reagan Administration.

I can now reveal that the Rockefeller Cartel, which was almost out for the count two years ago, has made a surprising comeback in strength. As of now, the **Bolsheviks** here continue to dominate America's **foreign policy** through their effective control of our Military forces. But in the economic and political arenas, it is the Rockefeller Cartel that now seems to have the edge. My friends, they intend to use that edge in some stunning stratagems intended to rebuild their own power. The

power struggle here is starting to turn into a race against time. The Rockefeller group lacks the power to simply finish off the Bolsheviks, and the reverse is also true, so each faction is gearing up to make the maximum use of its own areas of strength. In this Topic and in Topic #2, I will describe an economic and political One-Two punch being prepared by the Rockefeller interests. If these things can be done fast enough, the Corporate Socialists believe they can blast the Bolsheviks here right out of the water; but as I will describe in Topic #3, the Bolsheviks here have no intention of giving the Cartel that much time. Before they can be stopped, the Bolsheviks intend to reach their own goal—**NUCLEAR WAR ONE.**

[H: If we can work it in, we will continue to run these things in series when there is space available. Although we have well covered these instances and subjects—I believe it all makes far more sense to all of you readers now—than in the past—for you can see how it has evolved. NUCLEAR WAR ONE HAS ONLY BEEN THWARTED TO DATE—IT IS NOT OFF!]

WHITE HOUSE PLANS TO ENDORSE A NEW GOLD STANDARD

The economic surprise which I am about to make public will come as a shock to most Americans, and yet it has already been foreshadowed by plans which I have previously reported on two occasions:

First, there was the plan for a **gold revaluation** publicity stunt, which I reported last November 1980. America's alleged gold reserves are listed on Treasury and Federal Reserve balance sheets at the old official price of \$42.22 per ounce. As you and I know, they do not in fact have a great deal of the gold which is listed. Those balance sheets are fraudulent, but the plan which I reported last November was for our non-existent gold reserves to be revalued at current market prices. On paper, that would make our gold supplies look ten times bigger in dollar terms at current prices. The whole idea of the plan was to reinforce the false perception that America has a huge gold hoard. A few weeks later the gold revaluation gimmick started to surface. For the first time in many years a major article about the Fort Knox Bullion Depository was published. Through syndication it was published all across the United States as well as in many other countries. The article referred throughout only to the market price of gold. The old official price was totally ignored.

The next element in the plan for an economic shock is the one which I first reported last April. That item had to do not with gold but with **our currency itself.** I

am referring to the plan to do away with the \$100 bill.

When I first reported on the plan to eliminate the \$100 bill, I received heavy mail about it. People were stunned, but I can report to you that the plan is still on track; in fact, since I first made the plan public, at least one bill has been introduced in Congress to do as I described. **[H: Note—it still comes up constantly and now you have the markings, stripings, etc. There is very, very little variation in the original PLAN, friends.]**

That is what has been done with the "Federal Gold Commission." Congress decreed last year that it be set up in time to produce its report by October 7th of this year; but after the new Administration took office last January, the Treasury Department kept putting off creation of the Gold Commission.

It did not come into being until June 22, and the first meeting of the Federal Gold Commission was not held until just last month on July 16. It was held behind closed doors with no public observers, no witnesses to testify, and with no Minutes kept. As with all federal commissions that matter, the Federal Gold Commission is a "closed shop". It consists of four (4) Congressmen, three (3) Senators, three (3) members of the Federal Reserve Board of Governors in Washington, two (2) White House advisers, and four (4) nominally public members. The Chairman is none other than the Treasury Secretary himself; and to shepherd the group in the desired direction, the Executive Director for the study is another insider, Dr. Anna Schwartz.

The small contingent of four so-called "public" members of the Gold Commission were hand-picked for their known views about gold. Anyone who might have made real waves was carefully excluded from consideration. My friend Mr. Edward Durell is a prominent example of this. Mr. Durell offered to serve on the Federal Gold Commission entirely at his own expense. He would have brought with him massive documentation and more than a decade of intensive activity in the realm of our gold reserve. He would have brought true expertise about gold to the Federal Gold Commission. His appointment to the Commission was highly recommended to the alleged Reagan Administration by business leaders and even a few Congressmen, but he was firmly rejected because he knows too much!

Now that the hand-picked Federal Gold Commission is safely in being, it's supposed to make up quickly for lost time. Congress may be asked to extend the deadline to January 1, 1982, but even that would leave little time for making any serious study of America's monetary future. Fortunately for the Gold Commission

members, its conclusions have already been preordained. Even Congressman **Ron Paul**, a member of the Commission, is to be used with or without his knowledge to achieve these ends. **[H: OUCH!]**

Whenever the Federal Gold Commission issues its report, its recommendations are to set the stage for dramatic action by the President. Sometime in early 1982 two things will be done at the same time. One will be to abolish the old official price of gold, \$42.22 per ounce, and let the gold price "float". The other part of the announcement will be that Congress will be asked to restore gold backing for the dollar. It would be a 20% gold backing, as currently planned, based on the market price of gold. In effect, the dollar and gold will "float" together in international markets; but for domestic purposes, it will be claimed that this is a new gold standard which will restore stability to the dollar. For the first time since 1968 there will be a governor or a brake on the supply of dollars. **[H: Oops—so what WENT WRONG? I thought you might see that higher stakes took precedent and the battle still is being waged! Does not "higher politics" and "economics" take on more meaning when you can see WHAT actually has and is taking place? WHY didn't this get done? I think you have to look again at the old Bolsheviks and other blackmail fronts. You certainly do not have brakes on the supply of dollars—YOU PRINT MORE THAN YOU EVER DID—BACKED BY NOTHING, AS THE DEBT TO THE WORLD BANKERS GOES THROUGH THE COSMOS!]**

My friends, this will be only a pseudo gold standard, not a real one. You and I will not be able to walk into a bank and change a dollar bill for gold. **[H: You can say that again!]** Likewise, the international gold window which President Nixon closed 10 years ago this month will not be reopened. The effects of the Reagan pseudo gold standard will only be temporary at best, lasting only a year or two, and even that assumes that there is no war in the meantime and yet it will be a master stroke. For a while it will alter the perception of the dollar. It will appear to be a powerful attack on inflation here in America. That perception will be reinforced by the elimination of the \$100 bill on a separate occasion. Even though it will not be a true gold standard, its effect through the market place will be dramatic. **[H: Now, readers, when you see what and who brought this idea into ruin, you will be really getting good at deciphering the lies. No, I am not going to TELL YOU—add it up—who stood to gain the MOST by thwarting such a plan?]**

In relation to the currencies of Europe and Japan, it will seem to make the dollar much more valuable to be bought and

held, but don't be fooled! For a while it will seem that the hey-day of the so-called almighty dollar has returned once again. My friends, this will be an illusion because the enormous damage done by inflation over the past 10 years will not be undone. It will only be arrested temporarily.

For the average working man and woman it may provide at most a temporary breather, no more than that. But for the Corporate Socialists of the Rockefeller Cartel who are engineering it, the pseudo gold standard will be a bonanza. Huge United States multinational corporations have issued hundreds of millions of dollars of debt instruments in Europe in recent years. They did this when the dollar was weak, with the debt payable in Swiss francs, West German marks, and other currencies which were then strong. But now, as these debts come due, the dollar is being made strong again. This maneuver will allow those debts to be repaid in Europe or elsewhere in currencies which are artificially cheap. In this and other ways it all translates into enormous profits for the Rockefeller multinational corporations. At the same time, the privately owned and controlled **Federal Reserve Corporation** has been creating record high interest rates in this country. This is creating vast opportunities here for the Corporate Socialists in two ways:

First, Federal Reserve policies are creating a depressionary effect on American industry and business. Basic industries like steel, automobiles, and housing are being forced to lay off workers; bankruptcies are spreading; real estate, including farm land, is lost by owners no longer able to pay their debts; and businesses large and small are becoming vulnerable to take over. It's a time ripe for **mergers as the giants swallow up their smaller rivals—merge or die.**

Besides creating this vulnerability to take-over, Federal Reserve policies are also pouring in the money to big member banks to take advantage of the situation. So-called "hot money" from other countries is flowing into the United States in order to take advantage of the high interest rates here. That money in turn is recycled through the big banks to finance mergers and take-overs by the favored few giants. All of this will be reinforced by the so-called gold standard now being hatched by the Corporate Socialists.

At the same time, the Bolshevik influence within the Federal Reserve and other critical financial areas has been reduced in recent months. The Rockefeller Cartel is calling most of the shots at the present time in the economic realm. This is reflected in recent subtle shifts by the Federal Reserve Corporation with regard to struggling banks. The Bolsheviks here want to bring down the giant banks which

have long been a major source of Rockefeller power. But now the Federal Reserve Corporation is positioning itself to bail out any big banks endangered by defaults on giant loans to foreign nations. And a few days ago the "Fed" also announced that it will provide relatively low-interest loans to Savings & Loans that are in trouble. **[H: Check it out for hindsight is always so much better than looking ahead!]**

The economic landscape is changing constantly, thanks to the in-fighting between the State Socialist Bolsheviks and the Corporate Socialist Rockefeller Cartel. There will continue to be surprises which neither I nor anyone else can predict, but as of now it is still the Rockefeller Cartel that is primarily getting its way on the economic front in America. Even governmental policies are favoring the Cartel as far as economics is concerned.

Through the economic route, the Corporate Socialists are working fast to gather power away from the Government and into their own hands domestically. They are working feverishly to make a reality of many parts of the secret new Constitution for America which I first made public in 1975. Under their secret new Constitution, all industry would be controlled by the so-called authorities made up of the giants of industry. Governmental regulation would be done away with, just as the alleged Reagan Administration is trying to do right now. **[H: Go read it again—don't let the word "government" fool you, chelas. And brothers, have you come a long way down the trail to the fruition of PLAN 2000!]**

My friends, many of the maneuvers now

being attempted by the Rockefeller Cartel are derived from plans conceived long ago, but they are being executed today in an environment which was not foreseen. Today, the Corporate Socialists of the Rockefeller Cartel are in a battle to the **death** against the Bolsheviks here. The Rockefeller group are trying to gather economic power to gigantic proportions here very quickly. If they do succeed in their drive for unchallenged economic power here in America, that will be the first big punch against the Bolsheviks by the Cartel. It will lead directly into their second blow at the Bolsheviks, which will be in the political arena.

Economic power translates into political clout; and if the Rockefeller groups have their way, their political blow-to-come against the Bolsheviks here will be decisive. It is a Sunday punch designed to completely smash Bolshevik power here. If the Corporate Socialists are successful, America will be torn by internal convulsions far worse than the Civil War; but if they do not succeed, the Bolsheviks believe no one can stop their own plans for domination of America, and eventually the world.

END OF QUOTING

This is some kind of horse race is it not? Worse, no matter how you think you have it "figured" the liars and cheats mess up the clear view of the path. Just let me remind you **CITIZENS CALLED WE-THE-PEOPLE: YOU ARE NOT IN THE PLANNING FOR WINNING EITHER WAY.** May God bless you and allow you to SEE!

Salu.

Parowan Prophet Speaks Again

7/16/93 #3 HATONN

We will now share the last receiving from the "Prophet" in Utah. It is worthy of very careful note! I don't have much comment on the material—but I surely would take a CAREFUL look if I were you!

PROPHET POINTS TO PONDER

QUOTING (Parowan Prophet, Parowan, Utah 84761, June 27, 1993):

FALSE PROPHETS GALORE!

Was Jonah a false prophet when he

went to Nineveh, a long 500 mile walk from the seashore at Joppa? We read: **"The word of the Lord came unto Jonah the son of Amittai, saying, "Arise and go to Nineveh, that great city, and cry against it; for their wickedness is come up before me." GOD speaking to Jonah 1:1-2.**

Recall that Jonah **didn't** want to go, so he got on a ship headed the other way. **[H: Sound familiar??]** God caused a great storm and the seamen blamed Jonah and threw him overboard, into the sea. A great fish (whale) swallowed him and for three days and three nights he was in the belly of the whale. **[H: Now, we know that this can't be true—BUT BY GOLLY, SOME-**

THING THAT LOOKED ALMIGHTY LIKE A ROUND WHALE OF SOME KIND—DID! THEN, AS USUAL:] Jonah really prayed to God and said: **"I will pay** that that I have vowed. Salvation is of the Lord. **AND** the Lord spake unto the fish, and it vomited out Jonah upon the dry land." *Jonah 2:9-10.* [H: **Pretty good so far.**]

"AND the word of the Lord came unto Jonah **the second time**, saying, "Arise, go unto Nineveh that great city, and preach unto it the preaching that I bid thee." *Jonah 3:1-2.* So! Jonah walked the 500 miles to Nineveh in what is upper Iraq today, where the Kurds live. The city was on the banks of the Tigris River that flows downstream to Baghdad, where Saddam Hussein goes for a swim, then it flows on to the Persian Gulf. "And Jonah began to enter into the city a day's journey, (a BIG city) and he cried, and said, yet forty (40) days, and Nineveh **shall be overthrown.**" *Jonah 3:4.*

So finally Jonah did what **"the word of the Lord"** told him to do. So what does this "word of the Lord" business mean?

St. John 1:1, 14 tells us: "In the beginning was the Word, and the Word was with God, and the Word was God **AND** the Word was made flesh, **AND** dwelt among us, (Christ) and we beheld his glory, the glory as the only begotten of the Father, full of grace and truth." So "Jesus" is the Word of God.

People in Nineveh heard Jonah, some doubted, but many believed. Jonah said: "Who can tell **if God** will turn and repent, **AND** turn away from his fierce anger, that we perish not? **AND** God saw their works, that they turned from their evil way; **AND GOD REPENTED** (changed his mind) of the evil, that **HE SAID** that he would do unto them; and he did it not." *Jonah 3:9-10.*

Later Nineveh WAS destroyed, but **not** at the end of forty days as Jonah prophesied. But Jonah did what "the word of the Lord" told him to do. **But when God changed** his mind (repented) it really upset Jonah because he looked like a fool. [H: **Still with me, faithful team?**] **"BUT** it displeased Jonah exceedingly, **and** he was very angry." *Jonah 4:1.*

In a nutshell: Jonah **DID** as **the word of the Lord** commanded him and so was **NOT** a false prophet. The Apostle Paul understood about poor Jonah, he said: "Charity never faileth: **But** whether there be prophecies, **they shall fail**; For we know in part, **AND WE** prophesy in part. For now we see through a glass, darkly; but then face to face: now I know in part." *I Corinthians 13:8,9,12.*

If you have **never** had a **"vision"** from God then you do not know or understand what He means. Once I had a vision of the Russian leader Uri Andropov dying, the Russians walking out of the arms talks,

AND missiles hitting in the U.S.A. I told newspapers and later that fall the Russians **DID** walk out on the arms talks, but no missiles hit us and three months later they said Andropov was dead. My words were published before the people to see. So when **NO** missiles hit, people said I was a false prophet. I rehearse this story to show you that we as men don't always understand reasons why God commands for us to do things like He does.

A decade ago in the spring and summer of 1983, the word of the Lord came to me and told me to go to the Mormon Church conference on October 2, 1983, and **tell them that they were apostate, AND had turned from all the commandments of God in the scriptures.** Even their own scriptures in the Book of Mormon and their own Doctrine and Covenants. I stood on their Temple Square and said: "Woe, Woe, yet forty days and this city shall be destroyed." I counted forty days until November 11, 1983, and expected a nuclear bomb to hit Salt Lake City, and 1,000 other cities in the U.S.A. When it did NOT happen as **I had seen, I was glad**, because millions of people did not die. [H: **Ah, but my friends, he was "right on" and you have NO IDEA HOW YOU SQUEAKED BY BY THE VERY BREATH OF A PRAYER—AND ANOTHER WHO WAS WILLING TO "SPILL THE BEANS" ON THE NUCLEAR WAR PLANNED AND READY TO OPEN FIRE!** **The really big thrust for Nuclear War I was planned and messed up on September 17th 1982. There has been one plan following another as need to replace the tactics come about. The setting is right again, now, as the Red Chinese swarm into American waters and other signs of the same program being repeated in readiness!**]

The *Provo Herald* newspaper on November 17, 1983, page 4, said this about me: "But according to Freeborn (me), **WHEN** there is "snow" on the ground **IN** Salt Lake City, **WHEN** the Russians have walked out **forever on the arms talks, the catastrophe WILL occur AS the nation sleeps** (at night). He says he has been given no specific date. He claims the wheels have already been set in motion **AND** that Andropov is already dead." I knew that I had done what the word of the Lord had told me to do, so I was OK. On December 8, 1983, (three weeks after I had announced it) the Russians **DID** walk out on the arms talks. **BUT** they came back fifteen months later in March of 1985 so it was not **forever. Then on February 10, 1984**, after he had been missing for three months out of the media, the newspapers announced Andropov's death. You don't just have to take my word for it, go to the encyclopedia and check out the dates yourself. From November 1983 until May of 1984, I had no idea **WHY** God repented or changed His

mind. Then one morning in May, I was visited by some people from beyond the veil of death. They came from the presence of God and explained to me **WHY** the surprise attack had not come when I said.

They said that they would continue to visit me from time to time, whenever God had a work for me to do. Anyone who has read my revelations over the years can see that is so. I recommend you get the packet of survival information and check it out for yourself. Now up to date: **June 27, 1993: This morning** the word of the Lord came to me and said that **HE** had given his people, **AND** the heathen, tithe of ten years to repent, **AND** to prepare. He said to me, "As ye have seen in this winter season, **I will begin** to fulfill the words of mine holy prophets throughout history." (HIS-STORY)

I was told that **when He** spoke the words, that my prophecies would come to pass also. He said, be careful, you have already said too many things too plainly. I was told to tell the people to repent, and change what they now believe. I was told to prepare the people for the desolation of **A-BOMB-A-NATION** spoken of by Daniel the Prophet. He said **few** would understand the parable that I had published because they had no real endowment. He told me many things and **HE** said: "Everyone that is of the truth heareth my voice." Then he left, and I knew I had read his last words before. I searched and found them in *John 18:37.* **SO! WHEN** there is snow on the ground in Salt Lake City, and all the festive lights of the holiday season are bright, I guess He will bring to pass the signs I have given, and speak the words for World War III to begin. I don't know, yet, the exact day He will do that so I guess you will say I'm a false prophet. But I have lots of company. There are dozens of **other nice men** who **pretend**, make believe, play, **act the part, play the role** of prophets, **AND** they "are false prophets."

At least **I do have "visions"** of the future and tell them. Like I said, they are "nice men" like false eyelashes are nice, or false boobs are nice—they just are not real, they are only for show. We used to call them "falsies". They are "pretend prophets". He said to me this morning that because of the love of the world and they feared the loss of their church's membership few would repent. He said the heart of the people is hardened because of iniquity and they love pets more than children, because of wickedness. He said the fire was to burn the wicked off the earth. I pleaded for the sake of the innocent and the kids. He said: **Yes**, there would be many widows and orphans. That when the forest burns **all the dead wood** makes the fire hotter and some green trees die also.

So, like Jonah when the "word of the Lord" came a **second time**, here I am again, ten years later, "crying" to the people to

repent (change) AND prepare for what will happen in the winter. Now it's summer and this is the July flyer, so you can't say you were not warned. Surely God will do nothing But He Revealeth HIS secret unto HIS servants, the prophets. Like *Amos 3:7* says.

Like Jonah said when he was in the "whale's" belly: "I will pay that that I have vowed." *Jonah 2:9*.

The real problem is that "WHEN the missiles begin to come in the winter that people are really going to pay a price. Not just what they can afford every month, but almost everything. They will lose family members, home, job, lifestyle, friends, toys, maybe their lives also. Because they have **not** been obedient to all the scriptures and commandments of God, they will die short of the final goal. Our God is a JUST and righteous God, and he will not admit people into his kingdom who have been backsliders, not willing to pay the price of a seat. Nothing's free. You're not going to sit with people who gave their reputations, their all, even their lives, many of them for the gospel. Just what have YOU paid? **Unless** you put God first, you lose everything now AND for **eternity!** **That's a L-o-n-g time!**

Now comes the test. You don't really know me and who I am. And let me say here and now that I am not Jesus Christ, the savior of the world. But, I am "HIS servant". I have seen him and felt his touch. More times than I can tell you here and now. And I will assume because you're reading this that you do believe the *Bible* and what it says in *John 14:21-23* and, that you are not a hypocrite. If you are a hypocrite then throw this flyer away quick.

The Test: *Jeremiah 17:5* tells us: "Thus saith the Lord, cursed be the man that trusteth IN MAN, and maketh flesh his arm, and whose heart departeth from the Lord."

So you don't have to believe me from the crazy kook beating on a trash can in city park.

The only way to know if I'm telling you the truth and warning you of things to come is to ASK GOD **YOURSELF**. Expect to get an answer from Him. Yes or no. "If" your life is so messed up that you can't hear the holy spirit in that "still small voice" then you need to repent. Get off by yourself somewhere for a few hours and talk to the man yourself. God is a man. Not some blob of gunk. Jesus said He was "the son of man". He is our Father in heaven. The Father of Jesus, **trust no man** in the flesh, not even me or men who are church leaders. If you do, you break a commandment of God. If you can't hear HIM—you really have trouble coming. The only way the United States could be saved from a nuclear war that will kill 100 million people is for the U.S.A. to truly repent.

Jeremiah 18:8 says: "If that nation against whom I have pronounced, TURN FROM THEIR EVIL, I will repent of the evil **that I thought to do unto them.**"

But, this nation will not repent in time,

and you know it too. So what is a real prophet? He is one who tells the future. God wrote: "In the beginning was the word." History is HIS-STORY of the world. So now we shall see what his words were to HIS prophets, not just a bunch of very nice men. Who, by the way, are trying. They are just too proud—and don't have it.

About 538 years BEFORE Jesus Christ, God had a prophet the *Bible* calls EZRA, and the apocrypha calls him ESDRAS. When the *Bible* was being put together in 1611 by King James, priests and scholars didn't understand some books and they called them apocryphal or "hidden". Some of the *Bibles* had them and some did not. Now I'm going to show you "only a few" scriptures from 2 *Esdras* Chapters 12 to 16. Remember this is only a few because I'm short of space. He saw 2500 years ago what I have seen in the last 18 years.

We begin 2 *Esdras 12:36* "Thou only has been meet to know this secret of the Highest. Therefore write all these things that thou has 'seen' in a book, and hide them: AND KEEP THESE SECRETS." And it came to pass after seven days, I dreamed a dream by night (I can tell you that God has fantastic, super-natural videos, 3-4 dimensional, where I have been right in the picture of action, with all the noise, smells, feel of the heat, sounds and sensations of events happening. Sometimes I get up at 2, 3, 4 a.m., turn on the light and write the things I have seen.) "And, lo there arose a wind from the sea, that it moved all the waves thereof. And I beheld, and, lo, that man waxed strong with the thousands of heaven: And when He turned his countenance to look, all the things trembled that were seen under him. And whensoever the voice went out of his mouth, all they burned that heard his voice! But only I saw that he sent out of his mouth as it had been A BLAST OF FIRE, and out of his lips a flaming breath, and out of his tongue he cast out sparks and tempests."

(You realize that Jesus Christ is **not** a fire-breathing dragon like cartoons show. But he speaks the word and gives orders and it is done as he says.) And they were all mixed together: The (11 million degree) blast of fire (nuclear fireballs), the flaming breath (600 miles per hour HOT WINDS and the great tempest; for about 25 square miles of each hit: and fell (out of the sky) with violence upon the multitude which was prepared to fight (Saddam Hussein?) and burned them up everyone (surprise attack). So that upon a sudden of an innumerable multitude (millions in the U.S.A.) nothing was to be perceived, but only dust and smell of smoke: when I saw this **I was afraid.**"

From the front page of the *Central Utah Journal* on October 12, 1983: "When a farmer dressed in coveralls steps forward and says he has been **commanded by God** to warn the people of a nuclear holocaust coming in 40 days, next month, I hope you are a

false prophet." I said to his face: "It would be fantastic if I were a phony." He said, "Then a lot of people wouldn't have to die."

Leland Freeborn began seeing "visions" while in a coma (for three weeks) following a plane crash he narrowly survived in 1976. He has seen ugly women cutting off the arms of children (to eat). He says he has seen the **heat of bombs** peeling flesh from skeletons even **before** the bodies fall to the ground." That front page story didn't even tell all, and why like Esdras, "**I was afraid.**" "Afterward (after war) saw I the same man (Jesus) come down from the mountain, and call unto him another peaceable multitude. And there came MUCH people (survivors) unto him, whereof SOME were glad, **some were sorry** (they didn't listen and prepare)...then was I sick through great fear, and I awakened, and said, "Show me now the interpretation of this dream."

For as I conceive in mine understanding Woe unto them that shall be left in those days. **AND 'MUCH MORE WOE UNTO THEM THAT ARE NOT (NOT) LEFT BEHIND.'** (Their life is over.)

Now understand I the things that are laid up in the latter days, which **shall** happen unto them, and to those that are left behind. Yet it is easier for him (you) that is in danger to come into (knowledge) of these things, (and prepare) THAN TO PASS AWAY as a cloud (mushroom cloud) out of the world, and not to see the things that happen in the Last Days. KNOW THIS therefore, that they which BE LEFT (alive) behind ARE "MORE" BLESSED THAN they that be dead. (I can tell you for sure that millions and millions will feel the fires of hell.)

Behold, the days come WHEN the most High will BEGIN to deliver them that are upon the earth. (I will tell you now that this war goes on for years, so repent now or die and leave the MORE blessed here.) And "HE" shall come to the astonishment of them that dwell on the earth. (Surprise, He is here.)

"Behold, Lord, I will go as thou hast commanded me AND REMOVE THE PEOPLE (I know how he feels) which are present: But they that shall be born afterward WHO shall admonish them? But if I have found grace before thee, send the Holy Ghost into me, and I shall write all that hath been done in the world since the beginning, WHICH WERE WRITTEN IN THY LAW, that men may find thy path (straight and narrow) AND that they which will live IN THE LATTER DAYS MAY LIVE (and keep all thy commandments).

"For all the unfaithful shall die IN their unfaithfulness. Behold, saith the Lord, I will bring plagues upon the world; the sword, famine, death, and destruction. For wickedness hath exceedingly polluted the whole earth.

"Behold MY people is led as a flock to the slaughter. Woe unto the world and them that dwell herein. For the sword and their destruction draweth nigh.

More Inside Story On Waco Massacre

Editor's note: The following document was received by fax at the local CONTACT offices. The source-writer of the document is unknown. With a little editing to clarify some of the sentence structure, we are sharing it here because the writing is thought provoking and full of the insights that careful investigations can reveal.

AN ALTERNATIVE REPORT

Part II

MT. CARMEL SIEGE

Waco, Texas

The information for this report was gathered by a group of concerned citizens from the city of Waco, and the states of Colorado, Florida, and Texas. As investigators, we established very reliable sources for collecting facts from alert Waco residents, from Davidians released from jail, from TV dish and satellite monitoring organizations, and from unnamed others.

In the aftermath of the Mt. Carmel siege and fire, **the remaining Branch Davidians, still living in Waco, are located: in jail; in the Salvation Army (a jail — it is contracted with the Bureau of Prisons); or in the Britteny Hotel.** Generally speaking, most of the men are in jail, charged with conspiracy to commit murder with few exceptions. Paul Fatta is charged with possession and intent to manufacture illegal automatic weapons. **Most of the folks in the Salvation Army and at the Britteny Hotel are released on bonds as material witnesses. Oliver Gyarfaz, Jr., an Australian, has been jailed for over 3 months as a material witness without being charged with a crime, without deposition, and now has been transferred to an INS prison with a \$10,000 cash bond; no bail bond is accepted. The customs agents moved him from Waco to near San Antonio, as another dirty trick of the Government. The atrocities continue.**

Slowly we begin to see through the smoke and mirrors of the parallel or hidden government's spin doctors. The Waco *Tribune-Herald* protests strongly against there being advance knowledge of the ATF assault. However, just out of the blue, the day before the raid on February 27, 1993, they ran the front page article on David Koresh and all the lies of child abuse, child sex, polygamy, illegal guns, etc. Then the

Baylor University professors of Theology pontificated the horrors of the Koresh Cult—which propaganda was then sucked up by the "Baal-ORIZED" residents. The Branch Davidians and David Koresh were declared guilty the day BEFORE the raid. Now, we see at least 20 billboard signs around Waco, paid for by the ATF, thanking the potential jurors for the up coming trials.

The congressional hearings on the ATF assault on Mt. Carmel were another FBI-ATF sham where the elected officials heard an edited version of the 911 tapes lasting only 30 minutes. We have been able to get copies of the full 2-1/2 hours of 911 tapes called-in from the Davidians recorded at the Waco Police station. The Waco 911 center has 4 master reels to record simultaneous phone calls.

We have 2 tapes of the conversations between the Police and the ATF during the cease-fire negotiations. There was no direct line between the two forces; the Police at the 911 center relayed the demands of each side. After going over these tapes many times, and in correlation with the video tapes, **it is obvious that the ATF fired first; they held no regard for the women and children; they used hand grenades; the helicopters had automatic guns and were firing on the building where the women and children were; they were deceptive in the cease-fire negotiations; and they changed such plans without notice; and other charges.**

We've had discussions with several people who survived the fire and who reveal interesting facts. The damage to the east side of the building (AWAY FROM the TV cameras) was much greater than elsewhere and included part of the ceiling falling down. **On the second floor, where the women and children were gathered, there was no sensation of being gassed with CS gas, but rather, an unusual odor not necessarily of a petroleum-based product. Several experts suggest that the fluid could have been liquid napalm.** None of the women said they had to wear gas masks. When the M-60 tank retriever was crushing the building, it actually knocked the structure off its foundation, which jammed the doors and most of the windows. Once the fire got started, the heat was so intense that few of the women and children could move quick enough to

"Woe to them that sin, and keep not my commandments! saith the Lord. For now are the plagues come upon the whole Earth and ye shall remain in them: for God shall NOT deliver you, because you have sinned against HIM. Thy children shall die of hunger, and thou shalt fall through the sword, cities shall be broken down, and all thine shall perish with the sword in the field. **A fire is sent among you, and who may quench it? Plagues are sent unto you, and what is he that may drive them away? The mighty Lord sendeth the plagues,** and who is he that can drive them away? A fire shall go forth from **his wrath,** and who is he that may quench it? Like as an arrow which is shot of a mighty archer (missiles come like arrows) returned not backward: even so the plagues that shall be sent upon earth shall not return again. Woe is me! Woe is me!"

If you don't want to hear me, OK. I understand. Most people don't want to hear from God either. That is why he doesn't talk very loud, but in the "still small voice". I'm loud. Everybody can hear and see me. That is why he sends so few of us to the world. Most people really don't want to hear a prophet FROM GOD. They want to continue with their own ideas and goals and not do what God or his prophet says.

In the near future I'm going to give you a great example of men versus God. You'll enjoy it. It's true.

Would you rather I did not tell you of my visions and warn you how to prepare and save those you love? I could be a phony, pretend, false prophet and say nothing!

END OF QUOTING

What I REALLY want you to heed is the "reasoning" behind this message just presented. YOU do not KNOW! You see wild men go forth breaking the laws of the land and God and proclaiming to be "prophets". Therein lies your guidelines. Check to see the priorities of these men who 'CLAIM'. When you have ones who go forth, gain nothing, live within the LAW OF GOD, and continue in the face of ridicule and harassment—YOU HAD BETTER TAKE A SECOND LOOK AND LISTEN, MY FRIENDS. It is not fun nor easy to do what many do every day of their lives—not even recognizing their gift of prophecy in the warnings and offerings of Truth.

There is no claim to fame—no honor for the service except the usual kick in the shins and spit in the face. They SERVE GOD to the best of their abilities and ACCEPT that which comes in response.

GOD IS WARNING YOU, PEOPLE. YOU DO WITH IT EXACTLY THAT WHICH YOU WILL— BUT HE IS WARNING YOU AND YOU ARE ALL BUT FINISHED WITH THE WARNINGS! SO BE IT.

Salu, Au da pa da cum (May you pass through the portals into understanding). By the way, those are "portals" of LIGHT!

Salu.

avoid the flames. Since the normal escape routes were crushed, the only option was to jump out the second story window or a hole in the wall.

After viewing the videos of the fire, taken from different angles, there are several events proving the government's intent. **In a TV tape "not available" before, it is plainly visible that a tank had a flame thrower torching the Mt. Carmel building seconds before the fire broke out.**

The fire produced a super-heated flame which should have burned clean. However, the smoke was almost black, indicating an incineration agent was burning. The Bellmead Fire Department members were watching the TV when the fire broke out and tried to call the FBI with no success. Eventually, the call did come through to send out the fire trucks. **It was almost an hour after the fire started until the equipment arrived on the scene.**

There are three large lakes on the Mt. Carmel grounds which were used to pump a 6" flow of water onto the then-smouldering remains. **At 4:48 P.M. of that same day, it was easy to see, on the video, that new, large plywood boxes (approximately 6' x 3' x 2') were being carried into the burned-out crime scene. It took several men to carry them. The next day a 50-calibre machine gun tripod was visible on the screen where there WAS NONE the day before. Thus, the planting of the bogus evidence was complete.**

We've acquired a copy of the evidence property list gathered and secured by the Texas Rangers—381 pages in all. It will take months to sift through all of the items. However, the most interesting evidence may be the videos taken from the helicopters during the attack.

On the subject of David Koresh and the life in Mt. Carmel before February 28, 1993, we asked many survivors what it was like. This was not a commune or a cult. Everyone had their own possessions and had freedom to come and go as they wished. They were home schoolers and home birthers. They operated several businesses including auto-repair, military surplus, and gun sales. Every working person was a second tither which helped to support the center. They are all devout Bible readers with amazing recall of the Scriptures. They believe that David was the chosen lamb by God. They believe that God's name is Yahweh and that Yahshua is the name for Christ. Saturday is their Sabbath. Most of the Branch Davidians believe that David will re-appear on Earth in the flesh. They strongly deny that he had more than one wife or that he had sex with adolescent girls.

We talked with three children who came out before the fire. These children appeared to be alert and extremely well adjusted compared with any children of their

ages. The youngest was a 9-year-old girl who was drawing pictures in her note-pad while we had a discussion with her concerning the network TV production of the so-called ambush. Her comment was that the whole thing was a lie except that the building looked like her house. We asked the kids where they were when the ATF attacked. The little blond girl said she saw and heard bullets coming through the ceiling, so she jumped under her bed. The two boys took off down the hall to the stairwell.

To a person, the remaining Branch Davidians are humble, kind, generous, and hardy people who, to various degrees, are traumatized by the events which have happened to them. They are extremely supportive of each other and especially to the ones still incarcerated.

Most of them visit somebody in jail on visiting days. We have given them all the patriotic literature they can handle, resulting in their achieving a better understanding of our criminal government.

It is difficult to express the shock and dismay these people have. They have lost their friends, family, home, and society—just like the situation with war refugees. Sheila Martin lost her husband and 4 children; Mary Belle Jones lost her husband, a son, a daughter, a son-in-law, and 3 grandchildren. Welcome to AMERIKA.

Sentencing Of Maynard Campbell And Eileen Kunkel

Editor's note: Please keep in mind, readers, that we are living in very dangerous times. Times in which the ELITE CONTROLERS pretty well have things all sewn-up under the New World Order's system. Always be extremely cautious in your actions and your "causes". KNOW that if you make yourselves a target, you will have to pay the consequences of having made that decision. The price of freedom is high indeed. If any action is against THE LAWS OF GOD, it is an error. So, too, The Laws Of The Land must be obeyed if you are to live in any measure of safety during these shakey times. Could you serve time in prison? It is best to ask this question before crossing over the line to make a stand. WISDOM should dictate all actions.

Also keep in mind, readers, that there are at least two sides to ANY story. The Maynard Campbell-Eileen Kunkel situation is no exception. When we write about these matters, know that we are not taking sides or condoning actions.

Is it just a coincidence that Maynard

Campbell's girlfriend, Eileen Kunkel, had her house surrounded by SWAT teams, where Campbell was staying, mere days after the completion of his book MASSACRE AT RUBY CREEK? What does the cutting of trees on Federal land on a mining claim have to do with political writings? What does alleged guilt in one matter have to do with the other? Again, reason must prevail in these matters of careful discernment.

We would like to thank Ms. Linda Wodarski, with the U.S. Attorney's Office in Sacramento, for her cooperation in providing the following, late-breaking information.

On March 2, 1993, George L. O'Connell, United States Attorney, Eastern District of California, announced that Maynard Charles Campbell, Jr., age 51, and Eileen Carol Kunkel, age 50, were found guilty by a jury of theft of Government property for unlawfully cutting and selling trees from the Klamath National Forest in California. Campbell was also found guilty of depredation of Government property for construct-

Nevada Corporations

CORPORATIONS AND REAL ESTATE

There are many advantages today to the strategy of holding real estate in a Corporation. Corporations allow owners of real estate privacy and asset protection which can make all the difference when that lawsuit comes up or when the IRS decides to make you their next victim for whatever reason (usually they don't need one). What you will find, with most large land holders, is that they will never hold property in their own name. If they do, they have not been in the game for very long.

Liability risk should be on the minds of everyone today. Courts have gone so far as to say that a motorist involved in an accident who has NO FAULT in that accident, can be partially responsible from a financial point of view!

Lawsuits need to be a concern of everyone today. Property held in a corporation can spread out your risk to the point where judgements against you, AS AN INDIVIDUAL, cannot be easily attached to a corporation. Your ownership of that corporation can become very hard to determine if you use all of the protection that Nevada allows with their corporation structuring.

Next is the subject of Privacy. Privacy is yet another area where a corporation can provide you with a cover for owning real estate while remaining hidden from view.

Let's use this real-life story as an example: Three partners were the owners of an apartment complex but the partners were in constant disagreement. One of the partners, with the requisite financial ability, made an offer to the other two partners to buy them out. The other two partners were being given a very good price for their share, but would not sell because they did not want to sell their share to the first partner; ego differences I believe.

So, the first partner, being crafty, created a corporation and hired a man to represent it. This unknown corporation then came in and made an offer to all of these partners. The partner-owner of the corporation put on a good show and said that he didn't want to sell out but would if the other partners decided that it was a good deal. And they did, indeed, go for the deal.

This then allowed the first partner to buy the complex for about the same price as he had originally offered directly, but without having the other partners know that they just sold to him. This same strategy can work for you in your day to day life.

Isn't it true how people who appear to have a lot of financial resources will attract all kinds of attention and trouble? This is an unfortunate situation, but it is all too true. So the moral of the lesson is: keeping a low

financial profile—Privacy—can make your life much more peaceful.

Real estate held in a corporation keeps the focus off of you and on this unknown corporation. Normally, no one will know who the owner of the corporation is. Just always remember the saying "I just work here" or, in this case, "I just represent Big Corporation In The Sky, Inc." and play dumb. It's fun and taking this approach works. You will disappear and this new name will show up everywhere you used to.

Many states now have statutes where real estate that is sold is automatically reappraised (for example, California's Proposition 13). Well, if a corporation is the owner of the real estate, and you sell your property by selling your shares of stock in that corporation, the deed on the property is never changed. This sale of personal property, not real estate, would never be recorded and, therefore, no reappraisal would be necessary.

Now, if every Californian who has seen his real estate value grow and grow could offer a buyer a corporation for sale, that would be a very nice incentive to pay a higher price. This strategy has many advantageous implications with the tax system also. But that subject is not for today's lesson.

For these and many other reasons, holding real estate in a corporation can be very beneficial. By protecting what you own, you can save a tremendous amount in the long run. Plan today for the unexpected tomorrow.

Eileen Kunkel received sentencing on July 13, by U.S. District Judge Edward J. Garcia in Sacramento. Eileen was sentenced to 5 months in prison, 5 months in a half-way house, 3 years supervised release (requiring regular reporting to an assigned probation officer), and \$30,000 (jointly with Campbell) restitution to the U.S. Department of Agriculture, specifically to the Klamath National Forest. She is to report on August 2 at 2 P.M. either to the Bureau of Prisons or to the U.S. Marshal.

Maynard Campbell also received sentencing on July 13, by U.S. District Judge Edward J. Garcia in Sacramento. Maynard received 2 years in prison, beginning the first day of custody (October 17, 1992), and then 3 years of supervised release. There may be additional charges pending which could result in extradition to Oregon, but thus far calls to the Oregon U.S. Attorney's Office and the U.S. Marshal's Office have resulted in no additional information.

Remember that nice Air Force Base in Florida which was destined for dismantling? Then, it was "saved" but the hurricane totally destroyed it? Then, it was going to be closed forever in the military cut-backs and so on—! Well, how do you explain that with the massive damages and need to be completely rebuilt—Homestead WILL BE SAVED AND KEPT IN OPERATION? **DAVID GERGEN,
PRESIDENTIAL COUNSELOR**

I am pretty sick, as you must be, of hearing about all the wonderful things and changes that will be wrought by one David Gergen who replaced George Stephanopoulos in the White House. Boy, you have a penchant for moving from the frying pan directly into the fire while you think it will be a cooler maneuver. Let me assure you that Bush and hoods, Kissinger et al. and the Soviets know what is going on—**YOU SURELY DONT IF YOU DONT READ A LOT OF JOURNALS AND CONTACTS.**

Keeping in mind all the writings of the past and **ESPECIALLY** about the Bohemian Club, Bohemian Grove and the San Luis Obispo Connections, we offer the following about that nice dude, David Gergen.

The following is going to be a reprint of an article offered by the AP and printed in the *Washington Times* (The SAME Moony-Elite-owned newspaper in Washington, D.C. that also saw fit to make a feature article of Dharma and E.J. and "Corporations" as offered by Luke Perry). Is no one ever going to stop Mr. Perry? I would think you would be a bit sick of a "nothing" person who offers to do nothing save take from his dead father. It just seems right that you ones take really

GOOD looks at who is running your nation and see if some of the activities of these naughty overgrown children are what you really had in mind.

**GERGEN QUILTS BOHEMIAN CLUB
AND 17 OTHER ORGANIZATIONS**

Washington Times, 6/11/93, Frank J. Murray: Presidential counselor David Gergen resigned yesterday from the all-male Bohemian Club, three days after saying he would not run around naked at its annual Bohemian Grove encampment and insisting he would not quit.

White House spokeswoman Dee Dee Myers announced the resignation along with Mr. Gergen's departure from 17 other interest groups, charities and public boards ranging from the Trilateral Commission to the Very Special Arts Foundation. **[H: Note he remains on the Council on Foreign Relations.]**

"In keeping with White House tradition,

Mr. Gergen is going to resign from a variety of nonprofit boards, public policy and social organizations, commissions and study groups," Miss Myers said, insisting that questions about the all-male membership of the only social club on the list had no bearing.

She said Mr. Gergen discussed the matter with White House Counsel Bernard Nussbaum but never mentioned it to President Clinton. She said custom dictated the resignations, not Clinton Administration policy.

"We have no formal policy, but I think that we take actions consistent with the president's commitment to an inclusive and diverse administration, one that reflects America," Miss Myers said.

She could not explain why Mr. Gergen—who worked in three prior administrations and would be familiar with the customs she cited—had said on Monday: "I have no intentions to resign."

"It's not a policy, but it is a tradition that they resign from a lot of boards and commissions and other organizations in order to avoid even the appearance of impropriety in the future, and I think Mr. Gergen has acted consistent with that tradition," Miss Myers said.

Mr. Gergen's resignation opens a spot for someone—on a waiting list of 3,000 names—who has waited about 13 years for membership, a club official in San Francisco said yesterday. Mr. Gergen gained full membership recently.

The club official would not confirm the resignation since club policy allows mention of a member's name **only after his death.** Among names on that list are Samuel Clemens (Mark Twain), Jack London, Oliver Wendell Holmes, Bing Crosby, Theodore Roosevelt, Herbert Hoover, Dwight Eisenhower, Earl Warren and Potter Stewart.

The official, who asked that his name not be used, said the club has 2,300 members who pay dues of **up to \$10,000 a year. Club literature stresses that members are of all faiths, races and ancestries, and all male.**

"It's a male club, an all-out guys' club," the official said, noting that female guests are welcomed at both the city club in San Francisco and the 2,700 acre redwood Bohemian Grove in Sonoma County, except during the annual two-week encampment.

Although the obvious motive for membership might seem contact with the powerful, networking is grounds for exclusion and the club motto is "Weaving spiders, come not here." **[H: Remember the Kol Nidre—don't believe a word of this B.S.]**

Former Presidents Nixon and Reagan attended that encampment together last year. Activities in what are called "The High Jinks" and "The Low Jinks" are legendary and perhaps apocryphal but involve **occasional nudity and a tradition of public outdoor urination. [H: Now, IS that very reflective of the quality of that which you REALLY**

want of your most important public figures?]

A 1989 article on the subject in *The Washington Times* reported: "Mock pagan rituals with cheering and chanting in a forest with (and without) ritualistic clothes is what men do at Bohemian Grove, the Exclusive, expensive men-only club for the rich and famous in California."

The other affiliations resigned by Mr. Gergen yesterday include the University of Maryland board of visitors, **THE ASPEN INSTITUTE, [H: Now here, they say he DID resign from CFR—so, you have your proof that the rest is also a lie—ones in Clinton's circles HAVE TO BE MEMBERS OF CFR!],** the American Assembly, Duke University School of Public Policy, INTERNATIONAL MEDIA FUND, U.S.-CHINA RELATIONS, The U.S. Endowment for Democracy, the Smithsonian Council, the Washington Campus, the Commission on Strengthening of America, the Nunn-Domenici Commission and the Johnson Foundation Committee on Higher Education. **[H: And we could write a whole book on EACH one of these organizations and how they fit in the Elite loop.]**

END OF QUOTING:

I can tell you now, readers, that the "little rituals" that the children perform in that Grove would turn your hair totally white overnight—what is left of it. God help you.

QUESTIONING

(Editor's note: The following article refers back to page 32 of last week's CONTACT where we covered a note from Ken Vardon of the American Patriot Fax Network about a little visit he received the morning of July 8, 1993, from "Mr. Smith" and "Mr. Clark" of the BATF, who wanted to talk with Ken about Gary Hunt. As Ken explained it: "I explained to them that, Yes, I faxed reports that Gary Hunt sent to me from Waco during the 51-day siege. Also, that I had not met Gary, but he was referred to me by a friend, and that Gary published the Outpost of Freedom. I told them I had not

heard from Gary in a few weeks....By chance, Gary Hunt touched base later in the afternoon. I relayed the message that I thought Mr. Smith would like to speak with him."

QUOTING:

July 13, 1993

From: Gary Hunt, *Outpost of Freedom*

On Thursday, July 8, I received a message from a friend in Florida who advised me that Ken Vardon had been contacted by the Bureau of Alcohol, Tobacco and Firearms (BATF or ATF). I then contacted Ken Vardon with American Patriot Fax Network (APFN) and he explained that the BATF had questioned him both about APFN, and its role in Patriots communicating, and myself. It seemed that they were only concerned with where I was. Ken gave me the name and number of one of the agents and I assured Ken that I would be in contact with him.

On Friday I was unable to reach Special Agent Richard Smith of the BATF. It seems that shortly after noon he was gone for the day. I tried again on Monday, July 12 and spoke to agent Smith. Smith apologized for the way he was speaking. He explained that he had a mouth full of novocaine (I guess BATF agents are human, too) and was having difficulty speaking. He then explained that there had been an investigation into allegations that I had "illegal firearms". I assured him that I did not. He advised me that the investigation was over and there was no concern on their part. We said good-bye and I made a few checks. I can find no other person besides Ken Vardon who had been contacted by the BATF, and am at a loss to

understand why any answers Ken could give them would result in the closing of the investigation. Further, I am still wondering what initiated the investigation in the first place.

Today, Tuesday, I contacted Smith again. His tooth is better, however he is unable to answer any more questions than he was able to answer yesterday. The questions posed were: Who made the allegation that I had illegal firearms? Who was contacted regarding this matter? What caused the investigation to be terminated? It seems that all of these questions fall in the forbidden zone.

He did answer my final question, which was, "What must I do to see my file?" He gave me the number of the BATF Disclosure Branch, (202) 927-8480, and explained that they handle all Freedom of Information Act (FOIA) and Privacy Act requests, and that I would get reports but that all sources would be blacked out. So much for the right to confront your accuser (Article VI, *Bill of Rights*).

So, as I sit here writing this post a few thoughts come to mind: Will the BATF find out where I am? Will they assume that I have illegal firearms? Are the people I am staying with at risk? Am I at risk? Will they even have a warrant if they come? Why is a foreign agent (See *Public Law 94-564, Bretton Woods Agreements Act, 1976*) investigating an American? Can you really feel secure today in the United States?

So, if any of you have been contacted by the BATF regarding either Ken Vardon or Gary Hunt, **PLEASE contact Ken at (702) 369-9841. And, if the BATF is reading this, please ignore the phone number at the top of this post! (707) 539-4099 Thank you.**

Manipulation Of Weather & Earthquakes

7/17/93 #1 HATONN

DR. PETER BETER ON
EARTHQUAKE & WEATHER CONTROLS

I had hoped to offer you Dr. Beter's information on man-made earthquakes but in the searching for the documents we cannot find it today. I had also promised to give you what Dr. Beter had said in May 1978 about weather, etc. I believe Dharma now has that particular segment. I would note that a singular filing system for the past five years (one big heap) was enough to lose items temporarily—even for me. However, now that things are better orga-

nized so that the "singular" file is only 8 feet deep from new material—we can't find anything—even me.

This is not such a big problem except when I wish to do a more in-depth review of something (as now). Our intent is to move with the current information now, as in the paper—but background is absolutely NECESSARY in some instances to remind you that "control" from at least three sectors has been underway and also technology such as to destroy the world for some decades now. YOU need the confirmation of realizing that information has been out for your finding for a very long time.

It is too bad that we have simply not had

personnel or funds to index the papers and only for the past year or so have we been able to index the JOURNALS. When you begin from minus "0" with EVERYTHING, however, you do the best you can and so we have. We will offer what we have and hope that someone can find the other material for another writing. Thank you for your patience for I know it is fine with you but it is really necessary that you understand how LONG capability of earthquake triggering, bombing of faults, etc., has actually been a perfected technology. This writing will touch on it and then someday soon perhaps Soltec can elaborate on Atmospheric conditions which allow such manipulations and creation of storms, holding storms (as you have now underway in the areas along the Mississippi and tributaries), Cosmosphere management of storms, etc. For this type of presentation, however, Soltec utilizes Dharma, not Kali, and I have not been able to squeeze the time within Dharma's hours.

The reason for this necessity is that over the years Soltec has just about written you a text-book on Geophysics of primer qualifications and those were done through Dharma. When he finishes it needs to have the accompanying writings from Kali integrated and presented to you. Meanwhile, we keep on doing that which time allows us to offer.

QUOTING (Audio Tape #34, Topic 2, 5/26/78):

**DR. PETER BETER EARTHQUAKES,
WEATHER CONTROL
AND
HUNGER IN AMERICA**

Topic #2: In the wake of the Bolshevik Revolution in Russia in 1918, centralized control of food production and distribution, food rationing, purges and other factors led to the horrendous Russian famine of 1919 to 1921. The vicious new masters of Russia, the Bolsheviks, who are now being expelled from Russia, used hunger as a deliberate tool for political control. The awesome and tragic effects of hunger on people were described as a lesson to all by the late P.A. Sorokin, the great Russian sociologist who fled Bolshevik Russia and founded the Department of Sociology at Harvard University. To all who are wise enough to care about the lessons of the Russian experience in this area, I strongly recommend Sorokin's book titled "*HUNGER AS A FACTOR IN HUMAN AFFAIRS*". (Was [1978] available from the University of Florida Press, 15 Northwest Street, Gainesville, FL 32603.)

In my very first tape, Audio Book No. 1, I mentioned the planned role of shortages and even starvation in America as factors in the coming depression in war. Many things have gone awry in our Secret Rulers' time tables since then, but the prospects for hunger in America have, if anything, increased. In

recent tapes I have mentioned the weather modification role which can be played by Russian Cosmospheres. Their Charged Particle Beam Weapons, when fired in a defocused mode, produce not only air blasts like those that were first heard along our East Coast last December [1977] but also electrical charges in the upper atmosphere that alter our weather patterns. **[H: Within the past week these light blasts were seen all over the areas of the Virginias, Washington D.C., indeed, all through the Eastern States. This is all connected to the man-made storms which are causing the flooding and crop losses in the Eastern and Midwestern States. The storms can easily be controlled and SO CAN THE DROUGHTS which are destroying the South-Eastern States and so on.]**

Now, for the very first time, I can **confirm that weather control by OUR OWN SECRET RULERS IS ALSO FAR ADVANCED AS IT PERTAINS TO THE UNITED STATES.** On December 12, 1977, an article was planted in a Canadian newspaper which has been circulated very widely throughout the United States. It claimed that an electronic weather barrier had been set up by the Russians to change our weather. The alleged Russian barrier was described as running all the way from Alaska to Chile, and it was blamed for the unusually severe winter that was in progress. Here, my friends, is a perfect example of dis-information—it was designed to mislead the public and many, many people have been taken in by it. There is a weather modification Grid System along our shores but it's not as described in the article, and it's **NOT** Russian. It's controlled by our own Secret Rulers. This Grid System consists of three (3) tremendous underwater cables laid along the Continental Shelf of our East, West, and Gulf Coasts. The West Coast cable runs from Cape Cook on northwest Vancouver Island down the West Coast past Baja, California, to a point opposite Tuxpan, Mexico. The East Coast cable runs from the tip of a peninsula at the northeast end of the Bay of Fundy, Nova Scotia; southward to a point near Jacksonville, Florida. The Gulf cable runs from a point northwest of Tampa near Buena Vista, Florida, westward to a point 77 miles due east of Corpus Christi, Texas. Each cable is powered by an underground nuclear power plant. These three underground nuclear power plants are located at Cape Cook, at the peninsula I described in Nova Scotia, and near Buena Vista, Florida.

You may have read articles speculating that very powerful radio waves might be used to alter the weather, but that's not how the Coastal Grid System works. Instead, each grid cable can be made either positive or negative relative to the earth. The nuclear power plant that feeds it acts like a giant battery with one terminal connected to the cable, the other grounded. These three Coastal Grids combined set up electrical fields that

span the continental United States, excluding Alaska, with parts of Mexico and Canada affected as well. Electric charges in the upper atmosphere move in response to these fields, producing jet stream shifts which in turn alter our weather. The process absorbs enormous amounts of power, which is provided by the three underground nuclear power plants that feed the Grids.

In the bitter winter just passed, killer storms were created by weather control that was only partly due to Soviet Cosmospheres—for the most part they were caused by the Coastal Grids, which I am able to reveal today for the very first time. At the present time the West Coast Grid is negatively charged, while the East Coast Grid is positive. But I am informed that beginning just six days ago on May 20 an experiment got underway involving frequent changes in polarity of the Gulf Grid. Yesterday, for example, the polarity was changed from negative to positive, at 4:20 P.M., and then reversed from positive to negative again barely 7 hours later at 11:30 P.M. In light of all this, ponder the words of Merlin Williams, Director of the Federal Government's Weather Modification Office in an interview published just yesterday, May 25, in the *New York Times*. A sense of urgency about improved storm warning was conveyed as he pointed to communities on the Southern Florida Coast as being particularly vulnerable. He said it is likely that "The kind of storms that killed only a few people in the past, will kill thousands. The time is ripe for such a killer storm, and I am afraid it could very well come this summer or fall."

These Grids, my friends, are being used by our Secret Rulers to manipulate our weather for their own purposes. Last winter's tremendous storms 'just happened' to coincide with efforts of a Gas Lobby to de-regulate Natural Gas prices; and now, strange weather conditions have seriously delayed the planting of spring crops in our breadbasket areas, and have caused crops to be washed away in others. What is going on now is **weather warfare**, involving not only weather modification weapons of the Soviet Union but also of our own Secret Rulers. The era of weather strategy has dawned, with America as the battleground. These secret Coastal Grids tend to produce regional and nation-wide weather modification effects, while the Russian Cosmospheres produce more concentrated, localized effects. But now, with even more Cosmospheres overhead than the 216 I reported to you last month, a battle royal is shaping up for control of America's weather. I cannot say who will win, but what I can say for sure is that strange weather will be widespread this summer and perhaps even more so next winter—and the losers will be you and me, the American people.

This disruption of our food supply by weather modification has already begun, reflected in skyrocketing vegetable prices at your local supermarket; but a much more

dramatic disruption in those food supplies that come from our West Coast could occur at any moment. I am referring to the effects of man-made earthquake and tidal wave disaster I first warned about a year ago in Audio letter No. 24. In that tape I gave the locations of seven (7) Russian fission-fusion-fission Superbombs that had been planted in deep undersea trenches around the Philippines. As I explained then, the Philippines sit like a keystone in a long arc of geological faults that ring the Pacific—the so-called Ring of Fire. A major earthquake erupting in the Philippines could work its way around the Pacific rim and ultimately devastate America's West Coast—and that's exactly what is planned!

Since I made that tape, I have also reported the planting of lower-yield undersea weapons

around the Pacific and elsewhere by the Soviet Union. Many of these have been detonated, and during the past year strong earthquakes have been very frequent along the Pacific Rim—everywhere except the Philippines. What the Soviet Union has been doing, my friends, is to release tensions in the earth's crust everywhere **EXCEPT** around the Philippines, where the stresses are building to **TREMENDOUS LEVELS**. [H: What do you think it is like NOW?] When the time is ripe, according to Russian stress-monitoring instruments in that area, the bombs around the Philippines will be set off. Soviet scientist anticipate that earthquakes and tidal waves of unprecedented proportions will be triggered as a result and that, as another result, **AMERICA'S WEST COAST WILL BE LAID**

WASTE.

A few days ago a volcano in the Philippines began erupting, indicating that the stresses in that area are building up; and in the past few days the Russians have triggered strong earthquakes in the 6.5 Richter range in quick succession near Taiwan, Japan, and the Aleutians. [H: **Anyone getting sick yet? Note the immediate similarities!!!**] My friends, the first major disaster in the secret geophysical war now underway lies just around the corner.

Randy Weaver - Kevin Harris Trial Wrap-Up and Challenge

(Editor's note: It is time to wrap up "Act One" in the Randy Weaver and Kevin Harris Trial drama. To do that we present a challenging "prelude to Act Two" letter from Jerry White and an excellent chronology of the entire affair from The Spokesman-Review of Spokane, WA for July 9 and 10, 1993.

We received the letter, written by Jerry White, to the Prosecuting Attorney for Boundary County, Idaho, as a follow-up to the Randy Weaver-Kevin Harris trial. Jerry is one exceptional dude who remains closer to the events than just about any other "we-the-people" observer.

*What Jerry has written is by no means a complete list of charges which **COULD** be brought. However, it is quite a start and certainly does give pause for serious consideration. We salute Jerry White for his relentless efforts, of the very highest quality journalism, to keep all America **HONESTLY** informed during the trial, through the communication facilities of Ken Vardon's American Patriot Fax Network.)*

July 11, 1993

Randall Day
Prosecuting Attorney Boundary County
State of Idaho, USA
Fax Number: (208) 267-5284
Dear Sir:

In view of the fact that a Jury of 12 intelligent people with wisdom and fortitude could easily see that the Federal Government had presented a case against Randall C. Weaver and Kevin L. Harris that

was rife with perjured testimony and created and re-created evidence, it is your sworn duty to impanel a Grand Jury to investigate the unlawful acts committed by the Federal Government beginning in 1986 and including August 21 through August 31, 1992.

There was ample evidence presented to seek the indictment of Richard Rogers, Commander of the Federal Bureau of Investigation Hostage Rescue Team for ordering the murder of Vicki Weaver and the attempted murders of Randall Weaver and Kevin Harris on August 22, 1992.

An indictment should be sought against Lon Horiuchi, the sniper commanded by Richard Rogers for premeditated first degree murder of Vicki Weaver on August 22, 1992 and attempted murder of Randall Weaver and Kevin Harris on the same day.

Charges should be brought against the entire United States Marshal Service for conspiracy to commit murder of Samuel Weaver, and aiding and abetting said murder.

Deputy United States Marshal Larry Cooper should be charged with the murder of Samuel Weaver and Deputy Marshal William Degan, and the attempted murder of Kevin Harris.

The entire Federal Bureau of Investigation should be charged with conspiracy and aiding and abetting in the murder of Vicki Weaver, and the attempted murders of Randall Weaver and Kevin Harris.

Herb Byerly and the entire Bureau of Alcohol, Tobacco and Firearms should be charged with conspiracy to entrap Randall Weaver while attempting to entice him to violate Bureau of Alcohol, Tobacco and Fire-

arms regulations. Herb Byerly should be charged with hiring Kenneth Fadley to attempt the entrapment of Randall Weaver by enticing him to violate Bureau of Alcohol, Tobacco and Firearms regulations.

Kenneth Fadley should be charged with entrapment of Randall Weaver for his efforts for over three years to entice Randall Weaver to violate Bureau of Alcohol, Tobacco and Firearms regulations.

United States Attorney Maurice Ellsworth and his assistant U.S. Attorneys, Ronald D. Howen and Kim Lindquist should be charged with tampering with evidence and creating untrue testimony for the Federal prosecution witnesses and for coaching and rehearsing them to give perjured testimony.

I am reasonably certain that a thorough, honest and independent investigation would most likely uncover grounds for many more charges by an honest and responsible prosecuting attorney.

When you accepted your present position as the prosecuting attorney of Boundary County, Idaho, you took an oath to enforce the laws and *Constitution of the State of Idaho* and the United States.

Now is the time for you to show the people who pay you that you have the responsibility and fortitude to perform the duties required of your office.

Sincerely,

/s/ Jerry R. White

Gunther Russbacher Update

Gaining Some *REAL* Ground

Editor's note: Pages 35-49 is a story told mostly in letters—just like the ones all you great readers have been bombarding the State of Missouri with to support Gunther Russbacher.

The second letter, from Missouri Secretary of State Roy D. Blunt, is a most interesting, disguised and "sensitive" document dating from May 14, 1989. Pardon the poor quality. As Rayelan Russbacher said in a faxed comment about this letter, "Roy Blunt withheld

evidence in my husband's case. And, when we finally did get our hands on the charters to the CIA proprietary company that Gunther was running and tried to do something with Gunther's certificates, the present Secretary of State hinted that if we tried to negotiate the shares or use them for collateral, that Gunther would be charged with the very same things that are mentioned in this letter, i.e., selling unregistered securities." HmMMMM.

The remaining letters and update are pretty much self-explanatory about the torture that Gunther has been undergoing while "games" are played behind prison walls, out of the sight of you-the-people.

Both Gunther and Rayelan express their very deepest appreciation for what you-the-readers have been doing on their behalf. The pen is, indeed, mightier than the sword!

Consulate of the
Republic of Austria
Chicago, Illinois

Attn.: Mr. Paul Jenewein, Consul

Dear Mr. Jenewein:

As per our recent conversation, I am restating my cause on paper, and hope that the informations contained herein will bring about the much needed assistance for which I desperately pray.

Please take note of the following issues:

1. I have been assigned to kitchen duty, cleaning and bussing tables even though I have suffered two recent heart attacks, and am in need of cardiovascular intervention. As you might remember from a previous visit, I do have considerable medical problems, which had been properly addressed by the medical staff of JCCC.

2. Although I had advised medical and custodial staff of having had Hepatitis, and the same having been documented by this facility, they still chose to assign me to work in Food Service.

3. As you know, my fingers and nails had suffered considerably while I was in Southeast Asia. (Please see: Wilchers' extensive Debriefing Report on RUSSBACHER, of which you have a copy on file.) The fingernails, and nail beds erupt into bloody pulps when exposed to any form of chemical solutions. My job assignment in the kitchen, although I am told to wear gloves, causes the fingers to erupt and bleed each and every time I place my hands into any chemical solution.

I have made mention, numerous times, to proper medical and Unit custodial and office staff that I suffer greatly when placed into such environment. However, all my appeals have been to no avail! Even the Office of the Governor has been brought into this mess. Again, to date there has been no relief.

I beseech you, your office and my country to assist me in preventing additional and serious problems to my health, by contacting the institution advising them of your protest to such inhumane treatment.

Please address your correspondence to Mr. Paul Caspari, Superintendent of Missouri Eastern Correctional Center, asking him to take the time, and personally have a look at these serious medical issues and problems.

I don't want to leave here in worse health than when I arrived. Also, please know that I have not been permitted to see an internist or cardiologist since my arrival, even though I am in dire need of such consultation.

Anything you can do to assure me proper medical treatment, and humane treatment at the hands of these people shall be greatly appreciated.

With many thanks in advance for your attention and intercession in matters outlined and referred to above, I sign,

Most respectfully your servant,

Gunther K. Russbacher

Re: Southwest Latex Supply

Dear Mr. Sifferman

I have tentatively set my schedule to be in Mount Vernon on June 14, 1989. We will need you, to do the following.

Have the charges ready to be filed for selling unregistered securities, fraud, and commingling of funds. Please forward for my review.

- 2. Schedule Press and, Miller People.
- 3. Itinerary.

As you have seen, we have no grounds for these charges but, I owe one to Christian and, with full press coverage I should pickup some strong support in Webster's stronghold for 1992. I have spoken to the Lawrence County Republican Committee they have assured me you will be recommended for the Judgeship after the charges are filed. I will personally make the statements to the press and, they will not have any credibility after that.

As per our conversation we should set the bend high you can advise Mr. Tatum. He can then present our scenario you and, John can handle it from there.

Please feel free to contact me if I can be of assistance.

CONFIRMED

Dear Warden Caspari:

An inmate of your facility, Gunther Russbacher, Capt. USN, Ret. has requested our organization to intervene on his behalf over inappropriate treatment he is receiving at your facility.

Captain Russbacher is a highly-decorated combat veteran of the Vietnam conflict, a former Prisoner of War who was brutally tortured and a former full field agent of the Central Intelligence Agency.

During his confinement at the Hanoi Hilton, Vo Van Kiet and Du Muoi (Vietnam's current leaders) ordered, among other things, that burning bamboo shoots be shoved under his fingernails and then had them ripped out one at a time with a pair of pliers in order to extract information out of him. His hands have never recovered from this treatment.

Captain Russbacher has had two previous heart attacks and alleges his heart medication is being denied him. He has been ordered to work 14 hour days, seven days a week in the scullery and forced to put his injured hands in boiling water containing lye soap. When I asked him what would happen if he refused to work, he said, "I am a military man used to following orders. I am trying to be a model prisoner. If I refuse I will lose all my good time and be placed in total darkness in solitary confinement on bread and water, not allowed mail, and not allowed to see my wife or my attorney."

This is not the Hoa Loa prison in Hanoi in 1968, but right here in the ol' show-me state of Missouri. Captain Russbacher is the only known POW from Vietnam incarcerated in the U.S. today. If his allegations are true, then in addition in being in serious violation of Federal Law you are a Nazi and Communist war criminal of the worst imaginable order. You have desecrated the American Flag and tortured a war hero. You are a despicable and reprehensible disgrace to everything our country has ever stood for.

This letter will be printed in mass quantities and distributed to attendees at the annual convention of the National Alliance of Families POW/MIA in Washington, D.C. this weekend in addition to the people below and media nets in your state. We demand that the civil and human rights of Captain Russbacher be restored and that a physician and attorney of our choosing be allowed to visit him immediately and verify his allegations.

 Mr. Rick Martin

 P. O. Box 27800
 Las Vegas, NV 89126

Dear Mr. Martin:

In response to your July 6, 1993 correspondence alleging that Mr. Gunther Russbacher continues to be subject to inhumane treatment at the Missouri Eastern Correctional Center, I requested updated information from the medical staff at the facility.

Reviewing the information obtained, I can assure you that Mr. Russbacher's medical condition is being monitored and treated appropriately. Contrary to your assertions, Mr. Russbacher, who previously denied any history of hepatitis in February, 1992, and later on May 7, 1993, stated that he had contracted hepatitis in 1970 or 1971, has never demonstrated any clinical evidence to support that statement. Given the circumstances present at that time, his assignment to food service duties in June, 1993, was in accordance with established procedure and does not pose a health risk. It is certainly noteworthy that since Mr. Russbacher's assignment to food service duties, he has only worked on two (2) days (June 16 and July 12, 1993) as of this writing and then for only periods of less than two (2) hours.

The issue of Mr. Russbacher's fingernails were only brought to the attention of the medical section at the time that he was assigned to food service duties. He was evaluated at the time of complaint by the institution's physician and continues to receive appropriate medical treatment for what has been characterized as a fungal infection. As his duties in the food service section did not involve handling of food for other inmates, there was no potential health risk involved. In fact, on June 24, 1993, Dr. William Wade, Statewide Medical Director for the Correctional Medical Systems, in consultation with the institution's physician approved the light duty work assignment. The light duties involved in this work assignment consist of the wiping of fifteen (15) tables in a section of the food service dining room with a wet rag and pail containing liquid dishwashing soap solution at the three (3) mealtimes on an every

other day basis and as such required no lifting or other related physical exertions.

At the June 24 consult, Dr. Wade did recommend a follow-up consult with a cardiac specialist to provide a definitive assessment of Mr. Russbacher's previously self reported history of cardiac problems. As of this writing, Mr. Russbacher has indicated a willingness to cooperate in these evaluations despite his previous documented refusals in 1992.

Even given the lack of clinical evidence, the Superintendent, in consult with CMS medical staff have recommended that Mr. Russbacher be placed on unassigned status until the results of these clinical evaluations can be made available.

Based on the above, it would certainly appear that the staff involved are being more than prudent in response to Mr. Russbacher's concerns. This obviously includes Ms. Jennifer Sachse, who is the functional unit manager for Mr. Russbacher's housing unit. I am, therefore, unaware of what reports you have received which would cause you to conclude she has acted in a manner unbecoming an officer of the correctional system. If you are in possession of such specific reports, you may be assured that they will be investigated if forwarded to my attention.

Should you have further concerns in this regard, please feel free to direct them to my attention at the above-listed address.

Re: Gunther Russbacher MECC #184306

After reading the letter you wrote to Rick Martin from the Contact newspaper, I am forced to conclude that either the staff and management from MECC are lying to you in an attempt to protect themselves, or you are knowingly putting out lies. Only you know for sure, and only your actions will tell the public which it is.

I have just received in the mail photographs of my husband's fingertips which were taken yesterday, July 15th. I will have them enlarged so that you can see what we are talking about. Then I would like you to tell me that a man whose fingers look like his do, should be forced to put his hands in detergent that is strong enough to disinfect an eating area. You must know by now that the Austrian Embassy, Amnesty International, the National POW Network and many other agencies and news networks are already involved in this. For four years I have been trying to get national attention to my husband's problems, and now thanks to you and your staff at MECC, my efforts to bring national attention to my husband's case have been fulfilled.

I don't think this is the way the Governor wanted you to handle this. While he has had his hands full with the flood, your staff at MECC continued to harass and torture my husband. I am sure they felt the Governor would be too busy to notice what they are doing. They must also feel that you will believe and back them and that your office will cover for them. But ask yourself...once the Governor starts feeling the heat from international watchdog agencies, who will cover for you? Don't you think that you should look into this matter personally? After all, it is your boss who will pay the price if you and your staff mess up and bring down the attention of the international media, watchdog agencies, and the Federal Government. Please remember, just because my husband's group is out of favor in the present federal government, matters like this change very quickly, and tomorrow his faction within government could be back in power. Do you understand the implications of this for you and all your staff that is involved in this harassment and the subsequent coverup lies?

I said in an earlier letter that those who are politically correct today are convicted criminals serving prison time tomorrow. Dr. Schriro, you should be looking toward your own enlightened self interests. There are too many letters to you stating the facts of Gunther Russbacher's case. You yourself have written too many letters. The paper trail continues to grow and you will be held accountable, not only by the public, but also by the Governor. Your information in the letter to Rick Martin is wrong. The only way that you will ever get the real story is to talk to my husband yourself. How difficult is it for you to put through a telephone call or to go visit him? Neither you nor the Governor wanted this issue to grow to international proportions, but I assure you it already has. Act now to prevent further embarrassment to the state of Missouri.

Hot Interview With Rayelan Russbacher

Editor's note: The following is a transcription of a telephone conversation between Rayelan Russbacher and Rick Martin, for CONTACT, on Monday, July 19, 1993. Please understand, readers, that some of the information in this conversation may contain errors due to the method in which communication takes place between Rayelan and her husband, Gunther. Often there are only bits of information, for security and other reasons.

THE GOOD NEWS IS—as of Friday, July 16, Gunther is off of the kitchen assignment—officially due to intervention from the Austrian Embassy through the State and then Justice Departments. We're "sure" that all of the pressure you good readers have brought to bear on Gunther's behalf had "nothing" to do with this victorious state of affairs. Let us all be thankful for God's Hand at work through His Lighted helpers...ALL of you!

Following this interview are several other important documents related to the earlier material and to the points discussed in the interview itself.

7/19/93 RICK MARTIN

Rick: Which embassy has interceded on Gunther's behalf?

Rayelan: The intervention, I believe, has been by the Washington, D.C., Austrian Embassy. What I am about to say is accurate, but we don't know how much more is going on, on either side; and that's very important.

Rick: I would imagine the pressure is coming down.

Rayelan: Yes, it appears to be coming down. The other thing we need to know: we may have won this little skirmish, but realize the skirmish has gone on since April, when Jim Vassilos was arrested, held in jail, and then disbarred. And then, Paul Wilcher was killed. Then there was also a judge in Chicago killed. And so, this little skirmish that we have been having with these people who have been keeping Gunther incarcerated has cost 2 lives so far, a lawyer disbarred, it has almost cost Gunther's life, and it looks as though we've won this skirmish because Gunther is now out of the

kitchen. The prison has been ordered NOT to put him in any work detail until further notice.

Rick: They were ordered by whom?

Rayelan: Ok, what has happened is, the State of Missouri has been hit from two fronts. As you know, last week sometime, Gunther filed a Temporary Restraining Order & Preliminary Injunction. A restraining order was put in effect against the prison by the Federal Courts. That means that the prison cannot force Gunther into kitchen duty until it has been further investigated.

At the same time that this restraining order was put into effect, the Austrian Embassy in Washington, D.C., filed a formal protest with the United States State Department, who in turn contacted the Justice Department, who in turn contacted the State of Missouri. All I know is that news. I do not know what action the Justice Department will take against the State of Missouri, if any. It is true, we now have a Democratic Justice Department and it was the Republican Justice Department that started all of this. People should realize that it was Dick Thornburgh who was in charge of the Justice Department. And, on August 30, 1989, the very day that I married my husband, in fact, the call went, believe-it-or-not, the very pilot who flew us to Reno to get married called my husband's boss and said, "Gunther is in Reno and is getting married."

Well, I don't know whether it was my husband's boss who told Donald Gregg, the CIA Discipline Director and said, "Russbacher has defied orders and gotten married." But, somebody got the word to Donald Gregg, who was the Head of CIA Discipline and, of course, Donald Gregg hated me and hated my husband. Donald Gregg called Dick Thornburgh, who was the head of the Justice Department. Dick Thornburgh called William Webster, who was the Attorney General of the State of Missouri. William Webster called the prosecutor in St. Charles County before the day was over, August 30, 1989. There was a warrant to pick up Gunther Russbacher and he was in-

dicted for these crimes that he now is spending time for in prison.

And so, the Justice Department, under the Democrats, has now issued some sort of call to the State of Missouri to investigate what is happening to Gunther Russbacher. But, I have great fear, that there may be no truth and justice left in the United States Justice Department and so, while today the news from Friday looks good, I still have great doubt that anything positive will come out of either the Restraining Order or what the Embassy has done. **The thing that I believe something positive will come out of is the fact that there is someone within the Missouri government who is leaking documents to us. It is someone who is disgusted with the Republicans and is disgusted with the Democrats and is disgusted with the crimes that have been going on.**

Rick, you've seen the document [on page 37]. It is a letter from the Secretary of State in which the Secretary of State lays out the way that they will indict and smear the reputation of the Republican candidate who will be running for the Republican nomination for Governor against this very same William Webster, who was the man who told the prosecutor to indict Gunther. In other words, the Republican candidate for Governor, who ran in the primaries against Webster, was indicted and framed by William Webster's good buddy, the Secretary of State...his name is Roy D. Blunt. **The very same modus operandi that was outlined in that letter from Roy Blunt to a prosecutor in Missouri to frame and indict and smear this Republican candidate, is exactly the same modus operandi that this crooked political party used to indict Gunther.**

One of the things that Roy Blunt did to insure that Gunther was indicted is, he hid all of the original charters to the companies that Gunther was running so that, when Gunther was on trial, it looked as though Gunther had never even chartered these companies in the State of Missouri, which would have been an even greater crime. One of the reasons that Gunther chose to plead guilty was

because the Secretary of State had hidden the Charters and they were threatening to charge even greater crimes than these twenty-thousand-dollars-worth of crimes that he was charged with. And so, this letter that you have from the Secretary of State telling the prosecutor to frame, indict, and smear William Webster's Republican opponent, is the same tactic they used to smear Gunther's reputation and to indict him.

When I say that I don't have a lot of hope over the Restraining Order or what the Austrians did, let me explain and clarify. We are playing at such a high level that we never know who is going to blackmail who, who is going to kill who, who is going to threaten to kill who—and so, I believe that what is being done at a lower level through the American Patriot Fax Network, through the POW Network, and through Amnesty International, these are the backups.

Even though we may have won the skirmish, don't for a moment think that our enemies aren't flanking us on all sides and aren't ready for their attack. Of course, Gunther said today, the 19th, that if I don't hear from him today, then I know full well that something has happened. He's afraid that he's going to be killed. And so, it may be good news but it is good news that has enraged our enemies and now we have even more to fear.

Rick: What is the name of the judge who was taken out early on?

Rayelan: I've never known whether it was Parsons or whether it was Posner, in Chicago. And it was a judge who was going to, somehow, who was in charge of a RICO lawsuit which a number of different people who are associated with Gunther were working on.

Rick: My understanding is that Amnesty International can apply a great deal of pressure and that there could be some degree of hope there.

Rayelan: I hope you're right Rick, again, Amnesty International is an organization that only has pressure because of what it can do with the press. It means that the New World Order's controlled press is going to have to cooperate with Amnesty International, do you see what I'm saying? If they refuse to print the stories that Amnesty International gives them, I'm not quite sure what recourse—except for Amnesty International to go to the World Court. I believe that the Austrian government has already gone to the World Court on this. Or, they are in the

process of doing so. This was something that was spoken about 3 or 4 months ago. I think that this has already, or is in the process of, happening.

Rick: We haven't heard anything recently about getting Gunther released to Austria. Is that idea pretty much in the background now and they're just going to hold him or is it completely unknown?

Rayelan: I'm glad you asked that because one thing that Gunther did say is that Governor Carnahan, yesterday, signed into law some reforms in the parole procedures, which may show what's going on here. You see, Gunther's parole hearing, if everyone remembers, was June 2nd and we were supposed to have an answer within 10 days. That would have been June 12. It's now July 19th and the parole people have said nothing. If you remember, they told us in 10 days parole will either be denied or turned over to immigration.

Well, they did send in a passport photographer. And now, yesterday, we find that Governor Carnahan has signed into law some new parole procedures. The only thing that I can think of is that Gunther did not qualify for parole under the guidelines that WERE then in effect on June 2nd.

Possibly, Governor Carnahan wants rid of Gunther Russbacher before his entire career is ruined—because that is what these people will do...the people within Carnahan's government releasing the documents. Ken Vardon, at the American Patriot Fax Network, is getting these documents and spreading them all around. And then we've got the POW Network.

Carnahan is scared to death that the forces we have assembled are going to ruin his career in politics! I think that he may very well have signed into law new changes in the parole system which will allow him to release Gunther Russbacher on parole and he will think that the minute Gunther Russbacher is released on parole, all of this will die down.

My feeling is, it won't die down. My feeling is that it is out of our hands and the people in Missouri have discovered the corruption in their government as a result of what has been uncovered as a result of Gunther Russbacher being in prison.

I think that all of Missouri is in for some reformation as a result of this flood and the hard times that will come to Missouri

as a result of this flood. I think that the American patriots who live in Missouri are going to, shall we say, get mad as hell and take back their state.

Rick: Very interesting. Do you think Dora Schriro is really that out of touch or just covering up?

Rayelan: No, I think she's that out of touch. I hate to say it, but I think that she is one of these bleeding heart liberals who was put in charge of the prison system because she had wonderful ideas and a wonderful open heart.

Rick, believe-it-or-not, when I went to college, I went to college to go into the prison system. Can you believe this? I was one of these bleeding-heart liberals who went to college at the University of California under the reign of Governor Jerry Brown. Jerry Brown, at that time, was very big on reform of the prison system because he said that all prisons do is warehouse, they don't rehabilitate. And that's true. It's been 20 years and they still warehouse, they don't rehabilitate. And so, I went to school to study psychology to learn how to rehabilitate prisoners, right? On the very day that I graduated, or the very last day of school, I met the Dhali Lama and the Dhali Lama changed my life forever and I didn't go into the prisons.

Rick: What a "coincidence"!

Rayelan: Interesting, isn't it?

Rick: Well, I appreciate the update.

Rayelan: As I said, the modus operandi that is outlined in that letter [on page 37] is the exact way that they got Gunther. And how many other innocent people are spending time in Missouri prisons because they don't happen to have a wife who believes in them. Or they don't have any family or friends who believe in them or know how to work this kind of mess.

So many times, the psychology of attacking and calling a man a criminal and a con-man...what it does, it alienates the family. Usually the FBI or the investigators go in separately and they win the confidence of each family member and then turn the family members against the "prisoner" so that the family members will not stand by the person and fight, as I have fought to free Gunther. So, how many others are there in the Missouri prisons who are just like Gunther, but have no friends or family? I can but thank God for the "family of friends" who have come forward to walk with Gunther and myself along this painful path.

Dear Ms. Freeman:

I have been forwarded your letter of April 9, 1993, concerning Gunther Russbacher, #184306, which you sent to U.S. Senator Patty Murray.

In checking on the current situation of Mr. Russbacher, I find that over the past several months he has been housed in the housing unit of his choice and has not voiced any concerns with regard to his safety in that unit. In fact, approximately three weeks ago, he requested transfer to a lesser security facility. This request was approved and currently Mr. Russbacher is being housed in a medium security facility. He has had in the past, and continues to have, a good adjustment record.

Should you have any further concerns feel free to advise me.

Dear Mr. Russbacher:

I have received your letter of June 30, 1993 in which you raise questions regarding my previous response to your wife.

You state that you did not recant an earlier claim of a history of Hepatitis. By copy of this letter, I am requesting that Mary Moore, MECC Nursing Director, speak with you regarding her statement. The March, 1992 University Hospital and Clinics Discharge Summary does not note Hepatitis in your past medical history. This is usually based upon information supplied by the patient. Laboratory work performed at the University and the institution do not show liver problems. Repeat blood work has been ordered and will be drawn shortly.

Neither the University Discharge Summary nor notes prior to June 15, 1993 list a complaint of finger or fingernail problems. The first recorded complaint was on a Medical Services Request dated June 16, 1993.

Your duty status was reviewed on June 22, 1993 and July 2, 1993. Dr. Rhee has approved you for food service assignment - light duty. He has also ordered rubber gloves for you. Dr. Rhee and Dr. Wade concurred on this recommendation.

You are on medication for previous cardiac history, but there has been no recent physician's order for surgery or outside consultation. By copy of this letter, I am requesting that Dr.

Rhee meet with you to answer your questions and concerns. No one has denied your previous history, but rather your record does not reflect any acute problem or exacerbation at this time.

I hope this will be helpful to you.

Sincerely,

"Oh, I'll print it all right, Mr. Paine—but a title like 'Common Sense' isn't going to appeal to very many people."

Just *Who* Controls *What* ?

(Continued from Front Page)

Most of these people who live near or at the edge of the rivers have no flood insurance, for there was none available to them, and now they have lost all their belongings. The farmers do not have flood insurance, either, and these ones were already in dire straights, financially speaking, before the waters came and washed everything away.

All these people have counted upon your government to come to their rescue in the event of a natural disaster. Well, folks, your disaster is here and guess what! Your government has no money for it has all been given away to "help" other countries! Ask the people in Los Angeles who were wiped out in the riots of 1992 how much help they have ACTUALLY received from the government. Ask the people in Hawaii, who were struck by the hurricane last year, how much help they have ACTUALLY received from your government. They will gladly tell you: zip—zilch—nada—the big goose egg—0! In fact, many of these people are in the process of filing a lawsuit against FEMA because, after one year, there has been no money for rebuilding. Why? SIMPLE—THERE ISN'T ANY MONEY TO BE HAD!

Chelas, **we have been harping on this subject for four years now and yet the majority have not gotten the message that your government is simply broke. It is insolvent and the bill collectors are knocking upon the door.** Where do you propose the money come from? You can file lawsuit after lawsuit to the highest courts in the land and the only thing you will achieve is a big lawyer's bill because you cannot squeeze blood from a turnip and that, dear ones, is in essence what you are trying to do.

There is one thing that your politicians are NOT lying about and that is that your national debt and deficit are out of control. They do lie about telling you that it can be fixed by all their little band-aid bills, proposals and budgets. It is so great that in no way can it ever be wiped out for the amount of the debt is far greater than the amount of currency in circulation—and yet your government continues to borrow at astronomical rates from the Federal Reserve. And, Chelas, they now have you ones in the big squeeze

for they are in the process of property seizure to cover the indebtedness. Paying for the debt is one place where your politicians will step aside and agree with you that it is your government, your nation and your responsibility...and then they will simply high-tail it out of town when the chips begin to fall upon YOU-THE-PEOPLE.

So, if any of you are waiting for Uncle Sam to come in and bail you out of your troubles and rebuild your farms, your businesses, your lives—well, think again for it is NOT going to happen! What shall you do? That is a good question. I do not know what to tell you for it is as closing the barn door after the horse is let out. It is too late to plan ahead for these ones caught by the rising waters; their "rainy day" has come to them already.

The bad news is that there are yet MORE disasters on the horizon! Have you yet, perhaps, realized that these are the times of Tribulation? And if you are sitting in church pews this day and waiting upon the Lord, you are in for quite a long wait. The Lord is not going to do your work for you. And, he is not going to "rapture" you ones out of the troubles up to some fluffy white cloud. So, I would suggest you get up out of those pews and get to work! **Prayer is a wonderful thing—but are you only talking the talk, or are you willing to get up and walk the walk?** Until you are willing to put your hard labors and sweat of the brow into the work, you are not going to get anywhere.

You have been informed over and over and over that these days were coming soon. We have told you that it could be today, tomorrow or a year from now but they were coming, and yet most of you have continued to sit back and wait for a "SIGN" of some sort. Well, what kind of a sign do you ones expect? Are you waiting for "666" to appear in neon lights in the sky, or are you waiting for some shiny silver spacecraft to land in your front yard with a personal message for you?

The Hosts of God and your space brothers do not work that way. We have used the available media upon your own place through which to reach as many of

you as possible. There are some 78 JOURNALS and a 40-60 page weekly newspaper in which you have had information available to you about how to get selves prepared and ready for that which was coming upon you. We hear the supplications continually—"Oh, please, just come get us now, we are ready to go home." No you're not. There is still much to be done on the Earth and, until the job is done, none of us can go home, including us! We are all here for the duration, Chelas.

Responsibility for selves is the key, precious ones—responsibility. It is a word tossed about your world today, but not understood and certainly not practiced. Everyone wants their freedoms but few are there who are willing to act RESPONSIBLY.

Depending upon your government to bail you out of your troubles is not acting RESPONSIBLY. Pushing your warped lifestyles in others' faces is not acting RESPONSIBLY. Promiscuous sex, producing unwanted babies is not acting RESPONSIBLY, and certainly aborting these little ones before they have opportunity for a breath is not acting RESPONSIBLY.

Your greed and lusts and living for the moment and living only for selves is not acting RESPONSIBLY. But the sad part is that all these things are viewed by your warped culture and your society as taking responsibility.

For example, if you get yourself pregnant, then be "responsible" and do not bring that unwanted life into the world. Furthermore, if you want your sexual freedom, then go out and "responsibly" start shoving it in others' faces. And, if you want your possessions "responsibly" taken care of, go to the government.

Do you not see what is wrong with the picture here? You have simply taken responsibilities that should be your own and passed the buck to someone else. As soon as you turn your responsibilities over to another, then that one has the right to call the shots for you—to tell you what to do. This is what you ones have done and now you are paying the piper.

The enemy has you ones right where he wants you and is moving in for the final kill. It is exactly that which we have spent four years informing you about. When you are finally brought to your knees (and you are not far from that point), then he will openly move in and declare himself the winner.

In the meantime, the farmers are apt to lose all that they have been struggling to save because they are indebted to the hilt and that land, even though it be underwater now, will be repossessed. **Many of the farms have been in the family for over one hundred years, and**

within twenty, they are bankrupt. The money-changers in your world have no ethics other than to claim what they feel is rightfully their own, regardless of what it may do to you ones. If these ones were not mortgaged to the maximum limits, when the flood waters recede, they would at the very least have their land upon which to rebuild. As it stands, most of these farmers will not even own their land once the waters recede. Where will they go? How will they survive? How will they rebuild their lives? Many of these people have never done anything except work the family farm and are equipped to do little else.

Your president has promised to send in Federal Troops to assist the National Guard if the governors ask. What does this tell you ones? IT SHOUTS LOUDLY OF MARTIAL LAW, CHELAS—more tent cities and people being driven off their lands, by force, if need be—just as your government did to those in Florida last year.

As Commander Hatonn has reminded you ones before, you are moving into the funnel's neck, and it is becoming quite a tight squeeze for many of you. Remember, the funnel gets narrower the farther into it you travel.

Earthquakes. Yes, there have been yet more in Japan. They have averaged seven to eight per day for a week, with magnitudes ranging from 4.6 to 5.9. The shakers are not isolated to the area so hard-hit last week, however, for it is shaking from the northern tip to the southern tip and out into the ocean all around these little islands. You can look for more damaging activity, I fear, in this place. The plate movements are increasing as is evidenced by the additional activity in other areas of the Ring of Fire.

There have been several small earthquakes again in the Los Angeles area that are in the 3.3 to 3.4 range, earthquakes in Costa Rica in the 4.9 to 5.2 range, a 4.8 temblor in Nicaragua, a 5.9 in the Fiji Island region, a 6.1 in Northern Chile, a 5.1 in the Aleutian Islands off the coast of Alaska and the Mammoth Lakes, California area is dangerously shuddering with low level activity, as well.

It should be clear to you ones, by just this list of activity, that your Pacific Plate is very busy. **It should also ring some alarm that the probability of more widespread seismic activity is most imminent at this point in time.** Those that occurred in Southern California in the Los Angeles area were on the critical trigger called the Whittier Fault, Chelas.

You are simply into one more week of the trials, dear ones, but regardless of what comes upon you, remember that which you ones are about—for without this knowledge, you are set up for failure before you begin. Unless you come into the Knowledge and Understanding that you are Beings of Light upon this world to serve in a mission—unless you carry that Light with you at all times and keep it in the forward places of the mind, you too will soon slip into the darkness.

It is very easy to be all caught up in the troubles of the day and playing the "Poor Me" games, but I tell you now that you came into your present expressions for this very purpose and mission. There are lessons available to you ones that shall never be learned any other way. And remember also that the more difficult the lessons, the greater the learning curve.

So, as each day comes upon you, arise to greet the morning sun with the knowledge of who and what you

are. You shall never be required to endure more than you are able. If you were not able and ready, the lessons would not be presented. Let these words be of comfort in the coming days.

Let us draw this writing to a close now. We have been a bit harsh, I realize, yet there are times when a teacher must come down a little hard upon the students in order to bring home an important point. The point I have brought unto you ones this day is indeed important and one that cannot be missed. I hold you ever in the Light of Holy God and within the Shield. You ones are blessed and are serving in a mighty way, though it may seem so much mud unto you who are on the front lines. We thank you and we are honored by your service.

Toniose to clear. Salu.

A Free And Independent **PRESS** Is Long Dead

(Editor's note: The following piece of rare and candid insight comes from 1953, a solid 40 years ago now. Egads! How much more controlled do you think the media is now? Keep this in mind and show John Swinton's remarks to your doubting friends who wonder why you subscribe to and honor CONTACT so highly above the typical Satanic-Elite-controlled regular news media.

We like to run this following message periodically, both as a caution to those still naive enough to think there is a free press out there in the commercial world controlled by the Elite, and as a special kind of "thank you" to our many, many readers who so consistently support and encourage CONTACT and, before that, THE PHOENIX LIBERATOR. We are deeply grateful for your constant and sincere messages of encouragement. Those often highly emotional "thank you" notes pouring into the offices every day are what give us the necessary boost to keep on keeping on.)

JOHN SWINTON, THE FORMER CHIEF OF STAFF OF THE NEW YORK TIMES, CALLED BY HIS PEERS, "THE DEAN OF HIS PROFESSION", WAS ASKED IN 1953 TO GIVE A TOAST BEFORE THE NEW YORK PRESS CLUB. HE RESPONDED WITH THE FOLLOWING STATEMENT:

"There is no such thing, at this date of the world's history, in America, as an independent press. You know it and I know it. There is not one of you who dares to write your honest opinions, and if you did, you know beforehand that it would never appear in print.

"I am paid weekly for keeping my honest opinions out of the paper I am connected with. Others of you are paid similar salaries for similar things, and any of you who would be so foolish as to write honest opinions would be out on the streets looking for another job. If I allowed my honest opinions to appear in one issue of my paper, before twenty-four hours my occupation would be gone.

"The business of the Journalist is to destroy truth; To lie outright; To pervert; To vilify; To fawn at the feet of mammon, and to sell his country and his race for his daily bread. You know it and I know it and what folly is this toasting an independent press? We are the tools and vassals for rich men behind the scenes. We are the jumping jacks, they pull the strings and we dance. Our talents, our possibilities and our lives are all the property of other men. We are intellectual prostitutes."

Hydrogen Peroxide Use For Purification Of "Stuff"

Editor's note: We are re-running this important information on the purification uses of Hydrogen Peroxide not only because of its bearing on the New Gaia Products items (on the next-to-last pages) during these warmer summer months, but also because of the Elite's water contamination and other "plague" introduction plans.

4/27/93 #1 CERES 'ATONN

NECESSARY INSTRUCTIONS: GAIANDRIANA AND OTHER "PRODUCTS"

As we sit to pen this information I am at a loss as to how to keep you from thinking me idiot-material. However, you who already have past information, say, regarding Hydrogen Peroxide and its antiseptic-antibiotic properties, please be patient while we offer information to those who have not received same. Further, Summer is upon you and such as Gaiandriana and the Mo-Gu starters and/or tea need updated care instructions. [See next-to-last pages for the New Gaia Products being referred to here.]

We have gotten back from ONE who said he had the "stuff" tested and found a few bacteria, a virus or two and some E. Coli in the test-run. If it were the Gaiandriana I question that result very, very much. **It is important for you to know that in the culture medium utilized there is a combination of items which CREATE AND PRODUCE HYDROGEN PEROXIDE in the Gaiandriana transformation.** This will purify the liquid. This does not mean that you cannot contaminate the bottle in some manner. However, since intake decreases, usually, let us consider the "setting" bottle, etc. Of course it is recommended that you store the larger quantity in refrigeration facilities.

HOWEVER, if you have no refrigeration facilities, etc. Place the equivalent of 10 drops of food-grade (35%) hydrogen peroxide (H₂O₂) in a small quantity (approximately an ounce) of water (to first dilute the H₂O₂) and then add this diluted H₂O₂ to the 32-ounce

Gaiandriana or Aquagaia bottle. Remember to scale down the number of H₂O₂ drops utilized for the smaller 16-ounce and 8-ounce product bottles. The Gaiandriana or Aquagaia will continue to thrive and the unwanted bacteria and/or any virus will be destroyed and then actually removed by ingestion by the Gaiandriana or Aquagaia activity.

The "tea" (Mo-Gu) is a very different matter. You are making a very sweet growing medium for the membrane and in addition you are growing it in a warm condition (necessary) and further you are setting it for a couple of weeks or so, give or take a bit. What do I suggest? Well, I suggest that probably you won't want to ship much "tea" during the hot months because of lack of refrigeration in route. But, you CAN purify the water used in making the tea with the general rule-of-thumb water-purification formula of 7-10 drops of 35% food-grade H₂O₂ per gallon of water—which will additionally help enhance the membrane growth.

Then, later on, as you process or "harvest" the finished Mo-Gu tea product, and store it in the refrigerator, add another 7 to 10 drops (say, for a gallon storage container of Mo-Gu, with scaled down number of drops for smaller storage containers) of the 35% food-grade H₂O₂. Again, first dilute the H₂O₂ in some water before adding to the Mo-Gu. You will not taste it and neither will it hamper the value.

I always suggest, in adding any 35% food-grade H₂O₂ to anything, that it be **DILUTED FIRST**. Just as you must NEVER drop concentrated anything into the mouth (for it would damage living cellular structures), neither do you dump it full-strength into living culture medium. Dilute it in a bit (say, an ounce) of water first and STIR rapidly whatever it is you are dumping the diluted H₂O₂ into for purification purposes. Naturally, if just purifying a gallon of water, there is no need for active stirring, though a little closed-container agitation (a few shakes) won't hurt.

GETTING "SLIMED"

Another question: What about that

slimy goo in the bottom of the bottle of Gaiandriana or Aquagaia if left out of refrigeration? GOOD GOO! I suggest you now go get some FOOD-PROCESSED ALOE VERA LIQUID. Take a half cup or so of it (some of it is even orange or lemon-lime flavored, etc.) and dump in the "goo" and last portion of a Gaiandriana or Aquagaia bottle. Or, strain the "goo" out of its original bottle and place it into the new aloe vera "home". Leave set for a couple of days and you will have a concentrated batch of Gaiandriana or Aquagaia product which will be an addition to the original bottle.

This is NOT a replacement for the original batch you get for it will not contain all you need. However, in ones who intake products which tend to kill off a portion of the Gaiandriana in the body (like caffeine in coffee)—this will enhance the potency—even if you just drink a little. Remember, Aloe Vera itself has a tendency to make some people feel "queazy" so DO NOT OVERDO how much of this you drink!! However, a full-blown AIDS victim could take ten times a "normal" amount and only improve—for perhaps "feeling good" is a very relative state of being.

Some people are going to run fevers and have "crisis" symptoms as healing takes place. If this goes on for very long, look to other health problems for the cause. First, treat the "liquid batch" with hydrogen peroxide as above described. THEN start on a regimen of hydrogen peroxide according to the instructions given again herein [*chart on following page at bottom*].

I happen to know that you do not need to work up to any 25 drops as the instructions [*following*] claim UNLESS you are suffering from flu, infection, or other maladies. If you are "well" and "anything" makes you feel bad—either stop it or, certainly, decrease the amount. USE YOUR REASONING MIND!! Like anything of this nature—TOO MUCH WILL MAKE YOU SICK OR BE DETRIMENTAL—EXCEPT WITH GAIANDRIANA—AND THEN EVEN THOUGH YOU MIGHT NOT FEEL GOOD (BECAUSE OF THE OVERDOSE OF ALOE FROM THE CUL-

TURE MEDIUM), YOU WON'T HURT YOURSELF.

HYDROGEN PEROXIDE — H2O2
(35% Food Grade)

Purchase a small eye dropper bottle at the drug store. Fill your small dropper bottle from the large bottle as needed. The large bottle may be stored in the refrigerator or in the freezer inside another plastic container. The small eye dropper bottle should also be kept in the refrigerator. **Always use caution when handling 35% hydrogen peroxide!**

DO NOT use with carrot juice, carbonated drinks or alcohol. For best results, take on an empty stomach 1 hour before a meal or 3 hours after meals.

Formula: Mix the number of drops of 35% hydrogen peroxide into at least 6 oz. of distilled water, juice or milk and stir vigorously, then drink the mixture. Some people eat 1/4 to 1/2 of a banana immediately after drinking the solution. You may prefer something else to eat.

If your stomach gets upset at any level, stay at that level or go back one level. Then proceed to increase your daily dosage again.

When free of complaints you may taper off by taking:
25 drops once every other day for 1 week,
25 drops once every 3rd day for 2 weeks,
25 drops once every 4th day for 3 weeks.

A good maintenance could be 5-15 drops per week, or whatever makes you feel good.

If you get the 35% hydrogen peroxide on your skin rinse it under running water for several minutes.

Soak feet: 1-1/2 oz. 35% to 1 gal. of water.

Bath: 16 oz. 35% to a tub of water to detoxify.

Colonic: 1/2 pt. of 3% per 5 gal. of water.

Douche: 6 tablespoons of 3% per qt. of water.

Candidiasis: 1 drop of 35% 3 times a day; then increase schedule.

For the more serious complaints, stay at 25 drops 3 times per day for 1 to 3 weeks. Then graduate down to 25 drops two times per day until your problem is taken care of. This may be from 1 to 6 months.

If you have a weak stomach you may experience nausea similar to that in pregnancy. Also as dead bacteria or various forms of poisons are released you will experience a cleansing effect as they are released through the elimination organs

of the body: skin, lungs, kidneys and bowels.

Some reactions to the cleansing effect could include skin eruptions, nausea, headaches, sleepiness, unusual fatigue, diarrhea, head or chest cold, ear infections, boils or any other ways the body uses to loosen toxins. This is a natural cleansing of the body and should be of a short duration as you continue to maintain your program.

Formula to make a 3% solution of hydrogen peroxide. Put 1 oz. of 35% hydrogen peroxide in a pint jar. Add 11 oz. of distilled water. This will give you 12 oz. of 3% H₂O₂. Use also for brushing teeth and applying to skin sores.

Do not use 35% H₂O₂ if you have had a transplant.

TO THOSE OF YOU WAITING
FOR NEW STRENGTH OF PRODUCT

Because I have mentioned that work is being done on strengthening the Gaiandriana, some of you are backing off and waiting. Please don't do that for research is being done and it will be a while. In addition, one of the items in the medium is being removed in order to enhance the strength. This will mean that you can get the same basic result by adding some food-processed aloe vera to the initial product which will allow a higher level of Gaiandriana presence. Gaiandriana will only grow to its level of fuel (food) available—so just treat the product accordingly.

I am, further, requesting that all further product be receiving hydrogen peroxide for purification purposes. Any

that YOU ADD, however, will only enhance—not damage.

OTHER PRODUCTS

We have tried to make available other products to use in conjunction with the Gaiandriana. **USE YOUR REASON HERE ALSO!!** If something makes you feel bad—don't use it!, cut back on amount or forget it altogether. These are all natural substances so remember, if you are eating anything that makes you feel bad—you quit eating it, right? Just continue the Gaiandriana—I promise you—it is not making you ill. If you are reacting, then it may be due to the "base" or "combining" substance in tableting, etc.

CHLORELLA

We get complaints about chlorella causing indigestion, etc. Chew the tablets or dissolve in a bit of liquid before intake.

Now again, use reason. Are you still eating in addition to the chlorella? Well, perhaps you will wish to reduce the intake. It is better for you than food but you **DONT NEED EVERYTHING**. We are efforting to show you what you could take with **NO** food in survival situation **AND STILL BE ABUNDANTLY HEALTHY**. Adjust your intake accordingly. If you are caught in an emergency and need survival sustenance—now you know what to take for health needs.

You can subsist on chlorella and water alone. Add Mo-Gu tea, a bit of spelt bread and some lentils (preferably red)

and you can live healthily ever after—in other words, it would not be malnutrition that would “getcha”. AND ALWAYS KEEP FOOD-GRADE HYDROGEN PEROXIDE AVAILABLE TO PURIFY EVERYTHING. REMEMBER, 7 DROPS OF 35% FOOD GRADE HYDROGEN PEROXIDE TO A GALLON OF WATER WILL PURIFY IT AND THE WATER WILL PICK UP A MUCH IMPROVED “FLAVOR” OF FRESHNESS—UNDER MOST CIRCUMSTANCES NOT EVEN NOTED AT ALL.

THIS is why one of the first items confiscated from health food stores, labs, and so on—IS HYDROGEN PEROXIDE IN FOOD GRADE. I remind you readers of long standing: the best treatment for arthritis and other seemingly “incurable” diseases is hydrogen peroxide therapy in accompanying regimen of Gaiandriana which moves in and restores the cellular restructuring of self.

treat that water with proper amounts of hydrogen peroxide for YOU DO NOT KNOW WHAT IS IN THAT WATER. IT WON'T HELP CONTAMINATION BY TOXINS BUT IT WILL TAKE CARE OF THE VIRAL OR BACTERIAL CONTAMINATES. IT IS CHEAP AND NON-TOXIC IN PURIFICATION AMOUNTS. The best mouthwash and gum enhancer is a mouthwash of several drops of hydrogen peroxide in a fourth cup of water (or so) and cleanse mouth after brushing (or just do it several times a day as convenient). If the solution is “light” just swallow the wash—it can only help you unless you have an active mouth infection. Moreover I suggest keeping some hydrogen peroxide near and handy to drop a few drops of undiluted peroxide on your toothbrush a couple of times a week—or daily—whatever. You will have a sterilized brush and stop spreading germs and recontamination.

SPILLING

If you spill full strength (35%) peroxide on your skin—it will burn you. Rinse immediately under water and it will be fine. It will bleach so rinse anything that gets spattered—in water. It is simply one of those substances which needs to be handled properly. Peroxide offers so many “cleaning” uses that I won't even effort to list them—but you will find it about the most useful item around your kitchen, bath, etc. You can find information at health food stores and vitamin supply outlets.

Our people may also be able to direct you or help you with product or information; I do not attend those things unless brought to my attention. We offer these things as a service rather than a major business so we are perhaps remiss in full-range material. We can do better when the full load eases a bit. Thank you for your patience and loving support of the ones who have taken this load on in addition to their other tasks—ever without complaint and ever wishing to help and please. At present they are trying to build refrigeration facilities to bring you exceptional product as the months heat up and yet do so with very, very limited resources—so we do thank you for your patience. With George Green's attack on the Institute a lot of things have had to wait or be actually closed down until the audits are over and the reclamation can begin. As you might realize, the impact has been great on all entities in these projects. It is fine—rewards will be in like measure to that which is given forth.

I ask that this message be both run in the paper and sent in addition to all packings in mailings of product.

Thank you.

CRYSTAL LIFE

That is an exceptional product but has become almost out of sight expensive. However, the best results with Gaiandriana are being reported with continued, even if remarkably decreased amounts, of Crystal Life continued right along in conjunction with the Gaiandriana—mixed or otherwise. About 8 to 10 drops mixed or separate under the tongue three times a day is excellent. In illness, however, increase within reason. If I did not already state it prior to this—add 7-10 drops of hydrogen peroxide per quart to the Crystal Life also—especially if non-refrigerated, after opening. This will decontaminate any possible “unwanted visitors” and not damage the product.

WATER

I cannot urge you often enough to TREAT your faucet water. Even if you have a reverse-osmosis unit—

New Gaia Products

GAIANDRIANA

Gaiandriana is a non-alcoholic health tonic which provides basic "foods" to help cells, weakened by the stresses of modern life, to return to a state of health.

The better our cells function, the greater is the stamina returned to our internal defense systems, and the better we can counter the constant onslaught of biological and viral invaders. The end result is a feeling of well-being by, of course, being well!

The Gaiandriana (commonly referred to as "chondriana" in the Biological literature) are capable of intelligent, organized attack against cellular invaders like viruses. Think of it as a "pac-man" operation of sorts. However, beyond that, the Gaiandriana are capable of stimulating cellular structural repairs due to damage caused by, for instance, free radicals and cumulative levels of so-called "background" radiation in our modern environment. Healthy DNA and RNA within the nuclei of our cells then lead to properly formed and concentrated enzymes, upon which healthy cellular function depends.

Gaiandriana liquid is made entirely from wholesome natural ingredients.

AQUAGAIA

Complementary to the Gaiandriana product, Aquagaia is also a non-alcoholic health tonic which provides basic "foods" to help cells, weakened by the stresses of modern life, to return to a state of healthy function.

Aquagaia contains *mitochondria*. These are the major biochemical energy "processors" within cellular metabolism. First, enzymes begin the breakdown process of organic nutrients (like fats, carbohydrates and proteins) to intermediate substances such as amino and pyruvic acids. Then, in the next "bucket brigade" step, these various acid molecules are processed within the mitochondria to release chemical energy recognized as adenosine triphosphate (ATP).

About 95% of the energy needed to "run the machinery" that keeps each cell going and healthy is produced in the mitochondria. Unfortunately, the mitochondria are particularly damaged by free radicals and cumulative levels of so-called "background" radiation in our modern environment. These compromised mitochondria, like half-dead batteries, then lead to impaired cellular functioning and health. Thus is the importance of Aquagaia, with its assimilable

supply of healthy mitochondria — like "fresh batteries" for the body's cells.

The better our cells function, the greater is the stamina returned to our internal defense systems, and the better we can counter the constant onslaught of biological and viral invaders. The end result is a feeling of well-being by, of course, being well.

2/11/93 #2 HATONN

GAIANDRIANA AND AQUAGAIA:

To help in understanding the workings of these organic "pac-men" you must realize that there is a protein covering "cap" on viruses. The protein cap is centered on a charged zinc atom and is the part of the virus that recognizes and binds to DNA—in turn allowing the virus to reproduce.

Aquagaia, in conjunction with the Gaiandriana, knock out the zinc atom (a simple "charge" change), which renders the protein ineffective. This is a breakdown of "parts" of the Gaiandriana male/female DNA structure which release many working variants but frees the Gaiandriettes or "killers" to take out that zinc atom and pass right into the affected cell. Without the "cap", the virus cannot reproduce and infect more cells—further, the damaged virus feeds the Gaiandriana unified cells and the circulating mitochondria.

Healthy cells are not affected because they lack the zinc-centered protein cap on the virus.

These "Gaia" compounds have an effect on cancer cells because they stop an enzyme on the cancer cells from producing a "messenger" molecule that blocks a second enzyme from attacking the cancer cell's DNA. The compounds (Gaia) have been seen to actually take out leukemia, breast, brain and colon cancer cells. We have no claim to anything other than stating that people utilizing these simple and natural substances do show improved well-being and do report feeling generally and, often remarkably, improved as to state of health, thought processes and stamina.

The obvious conclusion is that there might well be good reports of better health and faster recovery following infection by other viruses than those mentioned above. All viruses known react in generally the same manner.

It is known that many diseases are due to retroviral DNA and these are the most affected viruses by the Gaia-chondrianas (living crystal forms). We, again, make no medical claims—we

are simply reporting in an effort to explain WHAT takes place within the cellular structures of living organisms. If you really want to witness remarkable growth in plants and good stamina and health in pets and other animals—try a little of these additives as you would vitamins or fertilizers. Use in a mildly vitamin C based solution on same. At transplant time for garden plants and houseplants—soak their little root systems in this natural and mild solution. Just add a tablespoon of Gaiandriana, a few drops of liquid vitamin C or C-crystals to a quart of water and let set for 48 hours—then it is ready for use. It will not negatively interact with anything other than perhaps harbored viruses and disease spores and organisms.

NOTE

If any product you receive has an unpleasant odor—it is from the finishing culture process. Leave the bottle open to air and it will quickly dissipate. Then, depending on taste and preference—refrigerate after opening and reclosing.

IMPORTANT: Do not mix the two, Gaiandriana and Aquagaia, together for storage as the Aquagaia (mitochondria) is aggressive and begins to "eat" the Gaiandriana for fuel. They go about their appointed tasks once ingested, but in bottle prisons they are not particularly compatible once the available fuel supply is exhausted. Juices are excellent to take with the Aquagaia because the mitochondria must have the fuel derived from same, the most effective juice being from the tropical "Guava" fruit. Any juice is fine, however, and is most pleasant to intake. Diabetics should utilize whatever juices are available on their food plan to keep within the safe guidelines for calories and other requirements.

The most innocuous and easy intake available is simply a few drops under the tongue, both products taken at the same time or at different times of the day. Once the "initial" program is begun and maintenance is followed, certainly the drops under the tongue are the least annoying to any daily regimen.

A-C-E ANTI-OXIDANT FORMULA

There is growing evidence that essentially everyone in our society is exposed to free radicals, now more than ever. While free radicals are normal products of our cells and have certain beneficial roles in the body, increased levels of free radicals in our body tissues can be detrimental to our health.

Free radicals are highly unstable substances produced in the body through, among other routes, the metabolism of oxygen. Free radicals multiply through a series of chain reactions and can attack the polyunsaturated fatty acids of cell membranes. Unless excess free radicals are neutralized, they can cause considerable damage to the structure and function of cell membranes, and thus the cells themselves. The

products from free radical reactions are implicated in the progressive accumulation of deleterious cellular changes over time, which may eventually result in recognizable disease. Free radical damage is implicated in the initiation and promotion of many cancers, as well as hardening of the arteries.

One area of Aging Research suggests that free radicals damage body cells and cause the pathological changes associated with aging. Besides being byproducts of the metabolism of oxygen, such as during strenuous exercise, we also generate significant levels of free radicals from the environment, such as from so-called "background" levels of ionizing radiation.

Cooperative defense systems that can protect the body from free radical damage include certain enzymes and the antioxidant vitamins A, C, and E and beta-carotene, which protect cell membranes from oxidative damage. Vitamin E, one of the fat-soluble vitamins, is present in the blood as d-alpha-tocopherol and is well accepted as the major antioxidant in lipid body tissues. Vitamin E is considered the first line of defense against cell-membrane damage due to peroxidation. Vitamin E scavenges free radicals, terminating chain reactions and confining damage to limited areas of the membrane. Selenium contained in the enzyme glutathione peroxidase is the second line of defense that destroys peroxides before they can damage cell membranes. Beta-carotene, a precursor of Vitamin A, also traps free radicals. Vitamin C is water soluble and serves to neutralize free radicals in aqueous systems.

The antioxidants show promise as cancer-prevention agents, alone and in combination.

GINKGO BILOBA

(Ginkgo Biloba extract 24%)

The Ginkgo Biloba, or Maidenhair tree, is one of the oldest living species on this planet. Ginkgo has flourished almost unchanged for 150 million years, and its ancestors can be traced back 250 million years. It is because of this antiquity that the Ginkgo Biloba tree is called "*the living fossil*". Individual trees are believed capable of living 2000 to 4000 years. During the last ice age, Ginkgos nearly became extinct. These trees survived only in China and other parts of Asia, where they stayed until approximately 1,000 years ago. At that time, Ginkgo trees were also planted around monasteries in Japan, where they still live today.

The name *Ginkgo* may come from the Chinese *Sankyo* or *Yinkuo* (Yin Guo), meaning "hill apricot" or "silverfruit". The word *biloba* means "two lobes" and describes the young leaves. Although modern medical research focuses mainly on the leaves of Ginkgo, the Ginkgo fruits and nuts have been used in China since time immemorial as a delicacy and tonic food. Ancient Chinese texts record Ginkgo's use as a medicinal agent as far back as five thousand years ago.

The Ginkgo Biloba extract is a complex compound. The green leaves of the tree are

usually harvested from trees grown on plantations in South Korea, Japan and France.

Ginkgo is reported to have a natural affinity for the nervous system. It also seems to stimulate the vascular and endocrine systems that, in turn, strongly affect the function of the nervous system, possibly increasing the capacity for normal physical activity, and the flow of blood to the brain. Some research indicates the possible effectiveness of Ginkgo in the treatment of *Alzheimer's* disease.

Due to its pharmacological properties, Ginkgo is now widely used throughout Europe for treating many forms of vascular disease. In a survey of packaging information of European products, Ginkgo has been recommended for such ailments as headaches, vertigo, inner-ear disturbances, diminished intellectual capacity and alertness as a result of insufficient circulation to the brain, anxiety, and depression, to name a few.

Ginkgo Biloba Extract (24%) is concentrated from the leaves of the Ginkgo Biloba tree. The highly specialized extraction process yields a 50:1 concentrate from the leaves (50 grams of leaf produce 1 gram of extract). The extract is then further standardized to contain 24% of the active Ginkgo Flavoglycosides.

MO-GU ELIXIR

The first recorded use of Mo-Gu Elixir was during the Chinese Tsin-Dynasty in 221 B.C. It was referred to as "*The Remedy for Immortality*" or "*The Divine Tsche*".

It has been well documented that there are certain people who live to be well past a hundred years of age. These people live in such areas as the mountainous Caucasus, Yakutia in Siberia, the Poltava District of the Ukraine, Tibet and Spain. There is an area in Russia called Kargasok where the people are a dairy- and vegetable-eating populace. Centenarians are common among these people. They attribute their longevity to the Yeast Enzyme Tea (Mo-Gu Elixir) which has been in their diet for hundreds of years. It is said that Mo-Gu and yak butter are staples among the dwellers of the high Himalayas.

Mo-Gu has been used throughout history in China, Japan, Russia, Korea, and India. It has been said to promote a feeling of well-being and overall physical restoration. It has been known by many names, some of which are: Fungus Japonicus, Fungojapon Kombucha, Pichia Fermentans, Cembuya Orientalis, Combuchu Tschambucco, Volga-Spring, Champignon de Longue Vie, Teekwass, Kwassan, and Kargasok.

The Mo-Gu fungus constructs in a membrane form and is a symbiosis of yeast cells and different bacteria. Among these bacteria are: Bacterium Xylinum, Bacterium Gluconicum, Acetobacter Ketogenum, and Pichia Fermentans.

The Mo-Gu fungus needs to live in a solution composed of common (black) tea and sugar. In the proper temperature environment they multiply constantly. They do not build spores as yeast normally does, but instead multiply by a process of branching.

CHLORELLA

Chlorella is a single-celled, fresh-water algae. Believed to be the first form of life with a true nucleus, chlorella dates back approximately 2.5 billion years, making it *pre-Cambrian*. Through the process of photosynthesis chlorella cells reproduce themselves by cell division at the rate of four new cells every 17-24 hours. It was not until the 1890s that chlorella was identified under the microscope. In naming it, the prefix *chlor* was selected to signify green, while the suffix *ella*, indicates small. Chlorella is the most researched algae in the world and remains the most popular with millions of consumers worldwide.

Chlorella is a nutritionally balanced whole food and contributes to the health and growth of human cells like no single vitamin or mineral possibly can.

Chlorella is extremely high in protein (60%) and contains more than 20 vitamins and minerals, 19 of the 22 essential and non-essential amino acids, enzymes and chlorella growth factor. It is one of the richest sources of RNA and DNA known and has twenty times as much chlorophyll as alfalfa, 10 times more than other edible algae including spirulina, and 10 times more than barley grass.

Chlorella is a natural vitality enhancer. The vitamins found in chlorella cells include: Vitamin C, provitamin A, B-carotene, chlorophyll a, chlorophyll b, thiamine (B1), riboflavin (B2), pyridoxine (B6), niacin (B3), pantothenic acid, folic acid, vitamin B-12, biotin, choline, vitamin K, PABA, lipoic acid, inositol and para-aminobenzoic acid. The minerals include: phosphorus, potassium, iodine, magnesium, sulphur, iron, calcium, manganese, copper, zinc and cobalt.

The amino acids include: lysine, histidine, arginine, aspartic acid, threonine, serine, glutamic acid, proline, glycine, alanine, cystine, valine, methionine, isoleucine, leucine, tyrosine, phenylalanine, ornithine, tryptophan.

The suggested daily consumption is 3 grams per day.

ECHINACEA GOLD PLUS with American Ginseng

In recent years few medicinal plants have garnered as much attention as Echinacea (*Echinacea Purpurea* and *Echinacea Angustifolia*). The genus name is derived from the Greek *echinos*, (hedgehog or sea urchin) referring to the prickly scales of the dried seed head. Echinacea was widely used medicinally among Native Americans, particularly in the Plains. It is a product which is now used widely throughout United States and Europe.

Echinacea is a non-specific stimulant to the immune system. Claims for Echinacea include: stimulation of leukocytes, mild antibiotic activity, anti-inflammatory activity, stimulation of the adrenal cortex, stimulation of the properdin/complement system, interferon-like activity, stimulation of general cellular immunity, and

antiviral activity. Internal preparations are said to assist in alleviating cold and flu symptoms, respiratory infections, and arthritis, to name a few.

Goldenseal (*Hydrastis Canadensis*) is generally placed in the buttercup family. The name Goldenseal was adopted in 1880, previously having been known as Yellow Root. Goldenseal was widely used among the Native American population, particularly among those in the East. The Cherokee used the roots as a wash for local inflammations, for general debility, dyspepsia and to improve appetite. The Iroquois used it for whooping cough, diarrhea, liver trouble, fever, sour stomach, flatulence, and pneumonia. Benjamin Smith Barton first referred to the use of Goldenseal for rattlesnake bites as early as 1793. Clinical recognition of the use of Goldenseal came in the early 1850s and has continued to this very day.

Goldenseal is among the most popular herbs in the American health food market. Uses are numerous, including but not limited to: antiseptic, hemostatic, diuretic, laxative, and tonic/anti-inflammatory for the mucous membranes, hemorrhoids, nasal congestion, mouth and gum sores and eye afflictions.

Ginseng can be literally translated from Chinese as "the essence of man" or "man-shaped precious root." Few medicinal plants in the world possess Ginseng's near-legendary status. Dating back thousands of years, its history of use in the Orient records therapeutic properties so wide ranging that it was first dismissed by Western doctors as a "panacea". When fatigued, Ginseng reportedly restores both physical and mental functions to peak efficiency and, with regular use, improves resistance to disease and stress. American Ginseng's genus name is *Panax Quinquefolius*.

Over 40,000 species of mushrooms exist, many of which are used as medicines. Of particular note are such remedies as penicillin- and ergot-based extracts used in migraine treatment, to name a few. Extensive research has been done with one mushroom in particular, namely, Reishi. This mushroom is now considered a tried and true immune system fortifier.

References to the use of Reishi in the treatment of a variety of complaints date back as far as 2700 B.C. in Chinese literature. It is referred to by a number of names, including the "ten thousand year mushroom". The rarity of this particular mushroom has increased its value. The Chinese emperor Shih Huang Ti (250-210 B.C.) mounted expeditions of hundreds, even thousands of men to find the Reishi. Recently techniques have been developed for the cultivation and harvesting of the Reishi Mycelium. Writings about Reishi place it in the category of "fu zheng" herbs and claim it is a medicine that improves the ability of the body to maintain balance by strengthening natural resistance and generally improving health.
