Your World Teeters On The Very Brink Of GREAT Destruction

8/15/93 ESU "JESUS" SANANDA

I Am Sananda and I come in Light and in Service to God. So, too, I come in Service unto The Creation.

Think not I am a false teacher, one sent to deceive thee—I come as Sananda that ye may know the true from the false for many are the false prophets and the false proclaimers who say they are me. I Am here on **THE PHOENIX**, a magnificent craft—I am not upon your place. Those for whom THE WORD is intended shall clearly hear the meaning of my words. There shall be no confusion. Ye ones, however, live in the times of chaos and confusion upon the planet and the chaos shall increase as the separation between the black road and the red road

continues—between those choosing the life of evil and deceit and those choosing to follow God's Laws for man, God's Laws of Balance.

Balance and peace shall enter the lives of all who walk with me—and the offer is open to all who will hear. The sleep has been long and deep. Is it not time, beloved, to awaken unto REALITY and walk responsibly? It seems difficult, and for some indeed it is most difficult, and yet personal responsibility is the next step.

The time for spoon-feeding is past. The lessons have been given and await each who will read! Those who refuse to catch-up with their lessons or who pass over THE WORD are not judged, they shall simply have no idea what has be-

fallen them, both in their personal lives and with the world as a whole. Confusion and chaos will be their daily companions. Is it not indeed better to come into KNOWING and, understanding that, once in the knowing, responsibility may be assumed and thereby works may reflect thoughtful redirection of energy toward the greater good within God's Creation? I speak not in New Age riddles, I speak of man's works.

Ye ones are in a critical period—and we of Command are overwhelmed in our monitoring of all that has and is taking place upon the surface of your planet. **Ye have come so close to all-out nuclear war and destruction so many times that, if I were to tell you, ye would cast**

Further Prophecies Render A Converging Picture

8/13/93 #1 HATONN

FRIDAY 13TH?

NO—IT'S FRIDAY THE 362ND DAY
OF YEAR "6"

What mean I? I mean that the counting of calendar actual, began on August 17th, 1987. This means, in turn, that on late "Monday night" of what you would call the beginning of August 17th, midnight—begins year seven (7).

You might ask, "Who but you nuts and natives of ancient times would use such a ridiculous system?? Your enemy! The adversary—for in the "Plan 2000" it will actually be counted in their terms: **1998. Confusing? Not really—how better to keep secret their time schedules? That will ALSO be represented as YEAR 11!** It might behoove you to go back and look at the very serious projections for year 2011!

SICK OF "PROPHECIES"?

Some say "yes" and others, "No—you never have it right anyway!" Ah, but I do not come claiming my role as some sort of a "prophet". However, these things prophesied by "prophets" as we share with you WILL come to pass as surely as day now follows night. Goodness yes, we have just dozens of prophets sharing their work and I suggest you pay attention for most are now bringing the "same" message and the news isn't really great.

Who would "I" believe, many ask? I would go with the ones who project through the files of the CIA, Kissinger Associates, the various departments who are headed by the Elite in charge of the documents leaked out in the "Kissinger" investigation and are elsewhere in this paper [see pages 27 - 32]. At least you can KNOW that they actually DO control things, even unto the weather, and when they "HAD" planned massive and sweeping changes by their own planning documents. Will they now change them? Doubtfully—because these are massive and take time to orderly bring things into play and then on into CONTROL. However, to "fool" you the tendency is to speed up the detonation of a project once it has been made public in any way. It is a time of watching, preparing and BEING ready—no more "One of these days I'll

consider doing 'something'." Kissinger's group plans to get this done **while they are AROUND to enjoy their evil conquests.**

The actual "father of your country, USA", **Thomas Paine**, had a most interesting statement about change and causing the "people" to see and hear—much less, act. "It is as to spit against the wind!" I know that you "boys" have other expressions but this one is also the title of a most remarkable book—better than any novel you might find, by Benjamin H. Levin. I do not have time to review that for you.

DON'T MISS WHAT
THE POPE OF ROME
IS UP TO!!!!

If you cannot see what is happening—even unto the Pope of the Holy Church of Rome—you are sorely blinded. His thrust is for and into the NEW WORLD ORDER and he says so. Moreover, you miss the most important part of the journey about your nation. He is going to a retreat of "some sort" in the U.S. "Rocky Mountains". THAT is a major PLANNING SESSION OF THE ELITE REPRESENTATIVES OF THE NEW WORLD ORDER—COMMITTEE OF 300 AND IT IS AT **ASPEN!** Does anyone remember the importance of those ASPEN meetings? Well, you better go back and research things. That place where they meet is called the Aspen Institute and it is one of the places where the top-level meetings are pulled-off for final decisions and actions at top-level for the enslavement of your world.

THROUGH THE FIRE WITHOUT
BURNING

Comes into our circle the work of one Dumitru Duduman, a Romanian. His visions are VALID and I think you might want to get his little book called *Through the Fire*. (Hand of Help, Inc., P.O. Box 3494, Fullerton, CA, 92634; 714-447-1313.) Do not expect to have ability to act to the minute on these prophecies—that is truly not what "prophecies" are about.

You readers continue to inquire, refute, complain and mock us as we speak of the TRUTH and what's in it for YOU. It is worth a second look, my precious friends. EVERYTHING is in it for you who would

change unto the path of God and hold to our hand at the crossing intersection. Why? Well, here is a notation from *Isaiah 43:2&3a (KJV)*:

"When thou passeth through the waters, I will be with thee; and through the rivers, they shall not overflow thee: when thou walkest through the fire, thou shall not be burned; neither shall the flame kindle upon thee. FOR I AM THE LORD THY GOD..."

AHO!—IT CERTAINLY BEATS THE NEXT BEST THING GOING ON IN THOSE, OR THESE, DAYS!

Dharma buries her head for she refuses to admit, even to herself, that she, too, has seen such visions that have terrified her to the point that she has sought out the comfort and brotherhood of, say, Little Crow—just to regain enough balance to continue our work.

THE FALLEN EAGLE
THE MESSENGER OF TRUTH

She has seen the Eagle fallen and bound to the Earth by the blood caked on its wings and the Christed Being of the Standing Bear standing guard. She has seen the small group of "remnant" go forth in individual (but unified) task at cleansing the feathers that the Eagle of God might again take flight. She has seen the devastation of the growing fields—especially California wherein the irrigation systems are gone and the crops and lands burned barren by radiation and lack of water—and that which is present is contaminated.

Ah, and now we finally, after three years or more—have realization of the above. Little Crow continued to query her about that vision and what it meant to her? She finally decided it meant the "Eagle of the U.S." **At this moment of MY writing—the two by four hit hard: The WHITE EAGLE is representative of GOD—not a nation.** We are cleansing the bloodied and broken feathers of Truth—that God might be shown in total radiance. For you who might not be "up" with a lot we have given—know that Standing Bear is the son of Wakan Tanka (God) in Lakota language and oral traditional TRUTH. WE of these

"tribes" out here—recognize Little Crow as the symbol of the "White Eagle" at Council. We don't pay much attention to the labels you ones give yourselves in your physical journey—we work with energy recognition of that which you **REALLY ARE**. So be it. And **NO, SHE KNEW NONE OF THIS—NONE OF IT—UNTIL THE SIFTING THROUGH IN LATE 1985-86**. She met Little Crow because of the **SIPAPU ODYSSEY** story of the first **JOURNAL**, as a matter of fact—as strangely as everything else that has happened in their lives. Ah, what fun you yet have in store for you as our remnant looks back as your work is fulfilled and the travels lay before you for the joy of seeing the whole of it. AHO.

A VISION OF BEING TRAPPED IN AN OCEAN

She has struggled to regain composure for, in 1987 while driving from Los Angeles (home) to Tehachapi, California (new home to be), she was reading a little brochure on the area (they, E.J. and Doris' company, were going to put big wind turbines on the mountains there in Lancaster-Palmdale as well as great bunches with Westinghouse and Mitsubishi in Tehachapi) and she was caused to look up and realized she was trapped in an ocean—only the tops of some of the higher peaks protruded through the entire area to the more distant mountains of the "Tehachapis". In the direction of Mojave ran a shoreline with abruptly rising cliffs. It was devastating before she could regain reality of presence in this time and this space. These are nightmares in broad daylight, readers—and most of you have experienced these very chilling realities and then turn to bury them to allow for what YOU call "sanity". I'm sorry, readers, but **THESE ARE** the reality—your expression is the illusion of reality.

You ask, though, "But how does Dharma KNOW?" She doesn't—not one iota more than any one of you! She claims nothing—not being psychic, star-teller, prophet or anything. But the "visions" of Truth do not fade—they become more and more detailed and vivid the more the mind efforts to bury them. "But, how does she hold to this idea when all goes so badly, it would seem?" Because she has seen us and she has touched us—and God literally reached out and she could experience her very own creation as HIS hands very carefully pulled her from the void. **THIS** is an experience, physical beings—beyond any named physical experience of a life-experience. It doesn't mean you "KNOW" all—it does mean that those precious moments are never again to be dimmed in your mind or vision. **JUST MAKE SURE, READERS, THE TOUCH IS THE TOUCH OF GOD AND NOT THE TRICKS OF THE ADVERSARY, FOR IT IS THE ADVERSARY WHO WILL ALWAYS**

SUMMON YOU **FIRST!**

THIRD PROPHECY OF FATIMA A BIT OF HOLY CHURCH PROPHECY

Do you remember the Prophecy of Fatima? Recall that two were shared and accepted—but **the THIRD PROPHECY WAS FORBIDDEN SPEAKING AND HAS BEEN THE VATICAN'S MOST CLOSELY KEPT SECRET**. However, as with all Truth—it began to slip out and was quite widely "leaked" in the mid-80s. Some of you may well remember or might have read it somewhere to be tucked away again with the document stating the story. **These are accepted even by the Church as valid visions and MIRACLES.**

THE THIRD PROPHECY DEALS WITH THE TIME TO THE CHANGE OF THE CENTURY

We offer here the text of the Third Prophecy of Fatima:

"A great plague will befall mankind in the second half of the 20th century. Nowhere in the world will there be order, and Satan will rule the highest places, determining the way of things.

*"Satan will even succeed in asserting himself **at the top of the Church.***

"He will succeed in seducing the spirits of the great scientists who invent arms, with which it will be possible to destroy a large part of humanity in a few minutes. Satan will have in his power, the powerful who command the people and who will incite them to produce enormous quantities of arms.

"God will punish man more thoroughly than with the Flood. There will come the time of all times and the end of all ends. The great and powerful will perish together with the small and weak.

"Even for the Church, it will be the time of its greatest trial. Cardinals will oppose cardinals, bishops will oppose bishops.

"Satan will walk in their midst, and in Rome there will be great changes. The Church will be darkened, and the world will be shaking with terror.

"A huge war will erupt in the second half of the 20th century. Fire and smoke will fall from the sky. The waters of the ocean will become mist, and the foam will rise to tremendous heights and everyone will drown.

"Millions and millions of men will die from hour to hour. Whoever re-

mains alive will envy the dead. Everywhere one turns one's glance there will be anguish and misery, ruins in every country.

"The time draws nearer, the abyss widens without hope. The good will perish with the bad, the great with the small, the princes of the Church with the faithful, the rulers with their people.

"There will be deaths everywhere because of the errors committed by the crazed and the followers of Satan, who will then and only then rule the world.

*"At the last, those **who survive will at every chance newly proclaim God and His glory and they will serve HIM as when the world was not so perverted.**"*

Not such a good perception, is it?

SIPAPU ODYSSEY

If you haven't read Dharma's first writing, a fantasy called **SIPAPU ODYSSEY** (pen-name: Dorushka Maerd [Doris' beloved "Dream"]) then I suggest you **DO SO**. It was a fantasy; it is being made into a motion picture and it, in looking back, says so much that readers then and now are **SHOCKED—NOT THE LEAST OF WHOM IS DORIS**. This was before she ever heard of one, Hatonn—and yet, yep—I'm in there too. [This is now referred to as **JOURNAL #1**; see back page for ordering information.]

The reason I bring it up here is that as long as we are speaking of "prophecies"—let us share with you what she wrote in that little "story" she was urged by fellow-workers to write so "they" could do a "treatment". She didn't know what a "treatment" was and she perceived "someone 'else' needed to write whatever was going to be written". Little Crow kicked her fanny and told her to get busy—write whatever came, however it would come through, and then ones who knew what to do with it would take over. The writing of this little story is a massive story in itself. However, the whole thing was done in less than two weeks and she **THOUGHT** she was through! Oh, perish those dreams of idle hands, beloved crew.

I want, here, to show you how "right on" the mind is in "knowing" if you allow Truth to surface. Within the story on page 43 is a most interesting little insert called "Future Revelations". I am not going to outlay the story but I can promise you will like it—it, alone, changed the course of life for hundreds of people who "happened" on the story and now await the fruition of the movie, the gathering and the "contact". We will just quote some.

QUOTING:

FUTURE REVELATIONS

John, too, was accompanied by projected visual holograms which made an individual have the feeling of actual participation within the scene itself. As he spoke, appropriate visualizations moved with his verbal illusions.

He said he would simply be giving a description of things as directly handed down to him, without personal comment. He then launched into his teachings.

"And it is said there shall be winds, and there shall be, in the time when it is winter; and the trees shall bow down their boughs, and the winds shall sting with the cold; and there shall be great suffering among the people and they shall fall down and cry for mercy.

"And there shall be a mighty earthquake and it shall split in twain the country of North America, and it shall be as nothing the world has known before, for it shall be that there shall be a great part of the great land of the north continent go down and a great sea shall form within her center part from the Dominion of Canada into the Gulf of Mexico.

"And there shall be great ocean liners, liners which shall travel within its waters, which will be propelled by solar energy of the next age. But with this, they shall be unable to travel east to west or from west to east, through what is now the Atlantic Ocean, for it shall have a mountain range which has been thrown up from the bottom of the Atlantic; and it shall be extended into the air to the altitude of ten thousand feet and it shall be the City of old, for it was the Light of the world. She went down amid a great shock and a great wave; and it shall be that she shall come up the same way as she went down.

"And the west side shall be as the sheer side of granite, and it shall be without foothold; and the way shall be as the eagle flies from the place which is Upper Virginia three hundred miles due east; and at this point it shall be one thousand and eight hundred feet from the waters; and not an entrance through the land shall there be to the east, for it is not for them, which are to be the remnants, to communicate by water; for it shall be with a new science, and a new method shall be given unto them. For there is not a place which is that shall remain the same in its present state.

"And not a person shall be left which is not prepared for that which shall be. And there are many called but few are chosen; for there are none which have been chosen which have not been carefully prepared; and they have been unto themselves true, and they have given credit where credit is due. And now it is given unto them to be the seed of the new Civilization which shall come upon Earth.

"And within the time which is left before this shall come upon the Earth, it shall be that many will be called; and they shall doubt; and they shall fear; and they shall faint; and they shall fall by the way; and they shall be in no wise wise, for it is given unto man to fear that which he does not

understand—and for that does he wait.

"And it is said that there shall be winds, and there shall be the winds, and they shall be as none the Earth has known; and they shall be as the winds from the sea and from the land all rolled into one great tempest. And they shall be as the winds of the North and the South and East and the West, and they shall tear that which is in their path and they shall be as the reaper who mows down that which is in his path. And they shall sing with the bitterness of the cold. And they shall be as the elements of the Earth, for they shall contain both rain and wind; and the hail shall be as big as bird eggs, and it shall split that which it hits.

"And it shall be that the suffering shall be great upon the Earth, for it is given unto man to know suffering. And he has not known such suffering before, and, when it is come upon him, he shall fall down and shall cry for mercy.

"And it shall be that the winds too shall be great upon the Earth—they shall blow East, West, North and South and not a place shall there be upon the Earth which shall escape the winds which bloweth; and when this tribulation has come upon the Earth, it shall be that there shall be many who have kept within The Law.

"And with the coming of the winds and belching of fire from within the Earth there shall be—MORE!"

John continued by telling of how things would be. He said that no one would be responsible for the words of another nor would any man take upon himself that which would be done by another. Each entity would be responsible for his own. He said man had lost his

identity with the Father God which had sent him and that if he would not awaken and return to the Father he would surely perish.

John spoke on for a very long time giving illustration after illustration. He concluded by saying it was time to talk more about the present.

END OF QUOTING

I would make a comment here: Doris was so upset and distressed by the time she got to the "more" part that we could not go on for quite a while, and then had to change the subject entirely. Remember, this was not a "novel"—it was an intended "movie treatment" which was to be brief (10 or so pages). It took us nearly 80 and still we only tipped on the topics. Will the movie ever get finished? YES—exactly when it is in perfect sequence. It may well have been on screen RIGHT NOW if the "enemy" among us had not skived off the gold for it would have gone to our ones working at the time on the picture itself. We have gained in strength, however, we who have persevered and stood the course—and that which is meant to be shall become! This too, is the promise of God for His people.

Have we had enough on "prophecies" for the minute? I know you never tire of the possibilities. I also know that you ones are so weary of the slings and arrows that even my close ones proclaim disappointment when an event does not come off. Stop it—for when these events do "come off" it will be so devastating that ye shall cringe in your bones. Be grateful for each whole day in which you can prepare. Every hour extended is blessed!

Salu.

"This is a first!"

A Reminder Of Just What We Are About

8/9/93 #2 HATONN

"He who shall introduce into public affairs the principles of Christ will change the face of the world." Benjamin Franklin

I write this to ALL of you readers, and again, in a special way for Dharma. The pressures never stop, the problems never cease and it gets hard to understand WHY we "effort". The above is WHY!

We have written all morning in confrontation of local problems needing attention—which should not need attention. Why do they get to the point of pulling me from our work? Because ones forget that they ARE targets here and get very, very lackadaisical about everything. In the effort to move ahead, get truth OUT, protect ones in trouble or in prison, foolish actions take the place of good judgment and we frequently must attend it personally.

As you, who get the regular tapes, will know. After we finish—if we ever can keep at it long enough—the subjects under writing right now, we will move on to your "origin" on this planet, your "connections", your forefathers and where they were and WHY they were "there" and major observations and discussions on the tablets of Sumar.

Dharma dreads these writings more than any we have thus far offered for in the TRUTH also lies the denial and the danger beyond that which we have caused her to endure. You are going to have to come to understand the connections with the ancient Aryans and the Serpent tribes prior to the Khazars and thus and so. It is dreaded for just with as much definition as we have given our enemies thus far—the enemy will not like the Light shining on his historical past. Just as with the symbols of the season of "Scorpio" which is represented by the magnificent Eagle and ALSO the lowly scorpion lizard—so too, is a massive separation of the "Bird People" and the "Serpent People" as has sifted in and out of your history books as the enemy has tried to destroy and bury same. At any rate, we do NOT look forward to that work and I will not ask that she handle this task until some of this burden of problems is

lifted from her shoulders. A court hearing is going on regarding US&P as we write.

Now I find that in the "patriot" movement are some other enemies come forward and more than that, some most unfortunate political prisoners and tailed persons are set-up to make entry among us and the focus is intended to stop us. NO, I WARN YOU OF THE ADVERSARY'S TEAM—THIS WILL NOT BE ACCEPTABLE—EITHER UPON THE "PAWN" OR UPON MY PEOPLE.

I have to remind my own workers in this location and that of Las Vegas wherein the "business" operations abide—this is NOT a SAFE HAVEN—these are the MOST DANGEROUS PLACES OF ALL PLACES TO FIND YOURSELVES SO INVOLVED! The petitions swamp us for assistance in "patriot" matters, publication help, CIA unraveling, Governmental shadow-government unfolding. OUR JOB IS TO BRING THE WORD OF GOD AND THE MISSION IS TO DO SO WITH AS MUCH HASTE AND ENCOMPASSING MATERIAL AS POSSIBLE ALONG WITH GETTING A REMNANT READY TO "FLY".

The CONTACT will continue to help where it can—that is NOT ME! However, I ask that so much of this burden stop ending with E.J. for I am not going to allow more of this constant drain, decisions or focus anywhere NEAR my scribe. The "enemy" knows your soft-spots, chelas, and the magnificent focus is shifting into a constant pulse surveillance system on my very work center.

This is good attention for the paper and we are happy to help with publication of material when and wherein the business persons with the paper wish to do so. I will be happy to entertain these people with full understanding that I am not trying to convince anyone of anything nor am I in the "searching" business. Ones in the "outreach" crew need some of those contacts and need to follow-up perhaps—Ekkers DO NOT—THEY HAVE ONE JOB—TO SEE TO THE NEEDS OF THIS COMMAND!

Incredibly DANGEROUS material is ending up being sent through here as if it were central CIA headquarters or at the least the opposition faction of the CIA—right or left. It comes with full microdot transmission chips, full focus and sets up these

ones for full-cause for RAIDS. Get that stuff out of and totally AWAY from here and do not let it in again. I want no one to go droopy on me and blame selves—I am weary of ones of my crew taking such a blast of load just from efforting to help me in my work. Laurie, you must continue as you are as far as serving where you can—but you may not take on such responsibility as for every picked-up political patriot. These ones are like a glue-pot or tar-baby—they are OUT and/or allowed transmissions, FOR A VERY GOOD REASON—TO BE THE LEAD TO BRING WITHIN, THE ENEMY. Are "they" the enemy? Not usually, just duped into carrying the monitoring equipment in exchange for freedom—or in total unknowing. The results end up the same and if a "network" can be "assumed" on ANY grounds, you will be shut-down and incarcerated yourself. You ones do what you can, I realize—but this is NOW out of hand as far as just "helping" a fellow citizen and patriot. OUR MISSION IS NOT TO DO THESE INDIVIDUAL THINGS—OURS IS MASSIVE AND IS TO BRING NO ATTENTION TO THIS PLACE AT ALL.

We will find someone from the paper who may wish to interview R.R. because you will probably find he is one that the government efforted to bargain with to "rat" on Gritz. It would seem to me that Bo would wish to help him since he ended up in prison because he refused to do so. I am not going to "look up" these people to confirm status or service—THEY ARE NOT OF THIS COMMAND IN THIS PLACE AT ANY CIRCUMSTANCE. I cannot do more—but Laurie and my crew—YOU WILL NOT FURTHER JEOPARDIZE SELVES OR PROGRAM FOR THIS NETWORKING OF BOOKWRITERS. YES, THEY HAVE INFORMATION—BUT SO TOO, DO I! If the CONTACT in Las Vegas or the publisher wants to be involved, so be it—I want no more involvement of such magnitude with anyone in this place, i.e., E.J. or Doris. I am quite appalled at the Pleiades traits still overrunning the common sense of your human expression. Your phone lines are the most listened to service in the nation. Why do you help my enemy??

If ones wish to send "writings" which may be willingly (with no strings) shared with the reading audience—we welcome

them and if, later, they are publishable in book-form such as *Defrauding America*, then we will see if our readers wish to back the authors. I am not in the publishing businesses save for the paper and the JOURNALS as to interest. We want a well-rounded information base and we welcome ALL resources who share willingly with us—but we are not in the “Writers for hire” business—we can’t even get my own scribe off foodstamps. This has gotten totally ridiculous. Again, if there are writings which would be suitable and openly shared with the paper—so be it—THAT represents good JOURNALISM.

This may seem nit-picky to you readers—it is NOT. There is a plan to raid this dwelling, RIGHT NOW UNDER WAY because of some tapes and EXCUSE to do so. The material is now OUT OF HERE AND GONE but it is just another form of being set-up without attention to possibilities. A good rule of thumb, crew, IF A PERSON IS IMPORTANT ENOUGH TO BE IN PRISON—THAT ONE IS A TIME-BOMB READY TO BLOW US AWAY—HERE. We do nothing subversive or even as “demonstration”—we simply sit in a basement room and write—PLEASE STOP THIS UNREALIZED ASSAULT AGAINST US IN EFFORTING TO BE A GOOD NEIGHBOR. BE A GOOD NEIGHBOR BUT PLEASE LEAVE MY STAFF OUT OF IT.

I, with the Command, AM NOT HERE TO SAVE YOUR NATION, YOUR WORLD OR ALL THE BODIES IN IT. I am here to bring the WORD IN TRUTH, prepare a remnant and whatever else is done—YOU WILL DO IT, SANS MY SCRIBE! YOU WILL NOT PLACE IN JEOPARDY ANYONE SERVING AS GROUND CREW IN MY COMMAND.

8/10/93 #1 HATONN

TERRORISTS IN THE TREETOPS
SECRET INTELLIGENCE

Who is your friend and who is your foe? Chelas, there is NO way to actually know from where you stand. Worse, I am not going to tell you WHO, in save a very few instances. YOU must learn to function so openly and so cleanly that you are never actually open for direct assault. Is the adversary apt to bring you down? They will TRY and yes they will—if you are not alert at every second of your experience. KNOW, right off—that these trained specialists are GOOD AT WHAT THEY DO and NOTHING IS AN ERROR, NO MATTER HOW IT “APPEARS”.

KNOW that YOU are the innocent dupes and it must cease in this location or serious damage can be done to our paper, if nothing else. We have nothing else so you have the picture? George Green still has the JOURNALS up through about number 60

tied up, the “gold” in question sits with the court in Nevada. Subscriptions to the CONTACT are not UP—they are down by almost 300 and still, ones want US to foot the bill for everything from physician’s visits to clandestine intelligence work. NO! NO!! AND NO!!!

We will continue to offer the paper with all the fascinating items of the day, all insider reports which will be shared with us, continue to give you WHO is now in trouble and needs support for speaking up or acting under your *Constitution*, assist (where we can do so openly) patriots who are working in a “national” effort beyond self ego and programmed demonstrations, etc.

This morning my impulse is to protect my people and CLOSE the paper because somehow it has become “leaked” that here is where you get anything and everything to do with secret intelligence work and sucker petitions responded to in full embrace.

These people are beautiful people who would help anyone appearing in need—even if it costs them everything. This is not acceptable for now there is higher responsibility. I don’t know how to tell you ones “out there” that this is not a “money-making” endeavor—it is so far in the hole that this last month with kind donations, it almost paid its own expenses and now we come up with a 92-page edition [last week’s CONTACT]. We are so very grateful for the help, readers—so humbly grateful.

THE USUAL HAPPENED IN COURT

Court “happened” again yesterday in the US&P case—every point was ruled IN FAVOR of US&P without exception or allowed argument! Even if there was opportunity to speak out—somehow, our legal counsel didn’t.

Well, the Judge told E.J., Dharma and the Attorney at the LAST hearing—nicely but firmly—that if there was even one diagram in any of “our” books matching that of the “proclaimed” holdings of US&P that the case would be judged on the most “narrow” (his words) rulings—and “You will not win!” (his words). Now we are in another several thousands of dollars to **prove his point. He recognized the involvement of Mr. Green and the lack of prosecution of same and the co-venture with US&P as it “apparently” has happened. I doubt if there is much going on NOW because word comes back from a couple of sources that George is no longer in the publishing business or distribution business. This cannot be true because we KNOW of sales of our own work—within the past two-three weeks. The attorney for US&P still “threatens” further contempt charges against Dharma and CONTACT for con-**

tinuation of the subject in the paper. This case was LOST in the very first inept representation in court. Merits of the case have NEVER been even remotely considered—but the attorney (after being fired) still is suing for over \$10,000 in fees. What can you do? I see very little—and certainly nothing that can gain you anything but wasted time, heartache and more problems.

Do people REALLY want the PLEIADES CONNECTION series of JOURNALS? They certainly did not, prior to the squabble and banning. Even the Judge in point had NEVER HEARD OF WALTER RUSSELL BUT HE HAD HEARD OF BROOKINGS INSTITUTE AND TAVISTOCK—ALMOST IMMEDIATELY UPON RECEIVING THE CASE. US&P still threatens contempt, liable and defamation by a statement made in the *LIBERATOR* regarding \$215 million available to fight this case. Well, why do they not go sue Mr. Green? He, according to our original attorney, is the one who said that he was told by his “good friend” on the “Board” at US&P that they had just received a “donation” of that much money and were prepared to use it all if necessary—in this case. Of course, our attorney doesn’t seem to remember much about that “NOW”, either.

As for the information—I have no wish or desire to have those JOURNALS back, friends. It is the material “other” than that of Russell which “I” know to be important as relates to the scientific perceptions. I have no desire to work AGAINST those people—I don’t particularly want to work WITH THEM, either. However, everything has been gained that needed to be gained from this confrontation. It is sad that the “guilty” parties are never caught-up in these situations—but YOU may as well KNOW that this is how far into the PITS you have fallen, citizens.

Will our people continue to struggle in the face of the ATF and U.N. Forces? NO! Why should they do so? Because they work for me? Forget it—with a subscription list of only 1,200 people in the whole world—I suggest that “citizens” don’t care enough to fight for their own freedom in any manner—even reading. JOURNAL acceptance is even more unnoticeable—without real ability to cover printing costs.

Do we do a service? Indeed, and for that reason and for you beloved 1,200 we shall keep going for as long as there is even a remote possibility of reaching out and having you hear.

CHOICE OF WRITINGS AND SUBJECTS

I am the Chief Journalist here—not the Chief Editor. However, I take full responsibility for the subject matter choices as are presented. I take the responsibility and

therefore, I guess, my secretary has to take the bashing for the Federal Court has ruled that Doris Ekker is but "me". Of course he has READ NOTHING! Not even a portion of ONE book, much less, 80. And, further, he says "God" has NOTHING to do with this case—it is simply whether or not so much as a sentence, style or diagram comes from Walter Russell's work. Nothing of any of it came from anything validly copyrighted and that has been PROVEN but to get it into court is some 3 to 5 years down the road and enough money to break the bank at Monte Carlo! We don't NEED the material—why in the world would we push this thing an inch further?

We would like to have Dr. Binder working "with" us—but not for political reasons—he has a gift of some understanding, though not enough, of Dr. Russell's approach. But, WE DO NOT NEED those or any other books. The only ones who actually NEEDED the INFORMATION attention have, or will have, it when the sequence of events is appropriate. Why would we keep shooting ourselves in all of our collective feet over something as foolish? If THEY perceive damage—then the court will rule that they are damaged in some manner according to the legal decisions regarding "words", not merits or concepts. They are "big"; we are "nothing". Worse, the whole system wants to get rid of us for we cause them to confront the worst traits of humankind. Trust me, beloved ones, the REASON for continuing this confrontation has been accomplished—the TRUTH as historically constructed in open publications IS ABUNDANTLY CLEAR IN ALL RESPECTS. This is simply more evidence and confirmation of how tightly the coffin lids are nailed SHUT and BY WHOM!

I had another friend who has a copy of the manuscript utilized by us, *The Universal One*. Yes, indeed, to each of you who were drawn to that work, we would appreciate a copy or copies—it is evidence to my people here that there is some approximation of reality in this world.

**ARMCHAIR NEWSPAPER
QUARTERBACKS**

ON THE SUBJECT

Since one of the major objections shared by readers and reaching us as complaints is that we hop, skip, don't finish and don't "get back to...." Let me make a statement. We are doing the best we can under the very worst of circumstances. And, as new things come into attention we have to reprioritize constantly. We can only ask you to bear with us. You readers who feel compelled to read this newspaper and these JOURNALS are in a UNIQUE category—

whether or not you realize it. And, it is never YOU who give the barrage of suggestions and misunderstandings.

We do, however, have to respond to the general reading audience. Our intent is not to simply drop subjects either on you or off you. We are dumping so much onto you that we can only "offer"—you have to decide whether or not it is worth your while to read the information. I am not, at this time, going to go back for regular "catch-ups" on who I am, who my people are, how we got into this or other time-consuming space-taking. We welcome all readers and participants—but we do not have nor ever intend to have a "typical" paper or books.

**KISSINGER - PATTERSON
LEGAL SHENANIGANS**

I ask that you pay TOTAL and undivided attention to the writing somewhere in this paper [see pages 27 - 32] regarding the legal escapades of Kissinger against Patterson at *Criminal Politics* and the other VERIFIED INFORMATION OFFERED WITH IT AND NOTE THAT IT COMES FROM VERY HIGH SOURCES WITHIN INVOLVED GOVERNMENTAL BRANCHES. These ARE your confirmations that what we give you is valid and, unless PLANS CHANGE, are right on with that which is intended. It is a VERY SMALL world anymore and what happens in South Africa is more important to you in Podunk than what is happening in the next county. Therefore, I will take the helm as is my responsibility and offer as much as we can as we can do so.

**NOT A TYPICAL NEWSPAPER
RATHER —
THE CALL TO THE CALLED**

You who disagree with our methods or the why of doing this will simply have to make your own decisions. Be careful, however, for if you are "turned off" then you very likely are not noticing the REAL message offered or perhaps the message is intended to another WITH you—who may very well have experienced unusual craft or presence in some manner and have been hushed—you (they) are not alone. It is to these ones we make our call to attention. We are not dabbling in newsprint to entertain or help each and every individual answer every last question of curiosity or self-realization. If we seem to offer a foggy blanket of interrupted bits and pieces—I apologize but will not cause my scribe to do anything about it—at least not now.

The game of "soul" is as local as self—the game of this world in chaos is massive indeed and you shall have to rise above your focused-on-self needs, or let it go until it comes clear. My scribe has ended up carrying "the donkey" to suit people until she is ready to drop from the load. If you

don't like us—that is not our business. We would hope each would stay and effort to learn—study ALL the information—not tiny bits—all the way back to the first JOURNAL—even SIPAPU ODYSSEY. I will, however, suggest that you might well want to stick with us a while if you have ever felt a nagging urge to learn more or that things are just not quite as openly given to you. Please understand that we truly appreciate your suggestions but also please understand if we don't stop what we are doing to respond in instant change to them—we are doing the best that we can within a human experience. If you don't understand that statement then you have a LOT of homework study to do.

8/13/93 #1 HATONN

**FRONT PAGE OF CONTACT
MORE ARMCHAIR
QUARTERBACKING**

Funny little complaints sift through and it is so piddling, even by the offering person, that I should probably not take time to explain—but it offers opportunity to remind you readers about THE PAPER.

We have a very narrow "printing" window at the printer's. That is Tuesdays. Dr. Young is a biophysicist and electrical engineer, etc.; Dr. Overholt is a retired Dentist; Dale is an Interior Decorator, and on and on it goes. NONE OF US ARE PAPER PRINTERS. Now, next, because the specific question offered is, "Why is Soltec making the front page all the time and you don't?" Well, his writings are as important as anything you will ever get—but that is not the primary reason.

The FIRST page is reserved for the last writing or anything of immediate urgency. Then the story always is, of necessity, finished up in the available rear of the paper. Why? Because that way the rest of the paper, starting with Page 2, can be partially set-up through the week. As is, ones on the paper get no sleep to speak of on the week-ends and most especially Monday night. Further, Sananda's scribe, Thomas, is pretty close by, but Kali, Soltec's scribe, is in Arizona. Worse, every time the computer "disc" is shipped there are electronic interferences until sometimes it takes a whole day just to "clear the lines" enough to get correct copy to work with.

I understand that many might well do a fabulous job with the paper—but most of you who offer all this advice haven't the foggiest idea of what goes into a paper—much less one of this type. We literally must fight the CIA just to get some information on the computer. Ed Young will usually lose two or three documents during editing sessions before the computer will function through a full document. I remind you, the adversary wants to stop

the paper—and literally KILL the workers.

If you readers have difficulty following stories or finding pages—we apologize—but convenience is not the name of our game.

[Editor's note: Wait a minute! I have a problem here and I don't intend to be as gracious about it as Commander! Let me just ask a question: In your average newspaper, HOW MANY STORIES are continued elsewhere? Maybe 50-75%? Now, we typically continue elsewhere ONE story—the Front Page story—for the space and formatting-logistic reason Commander outlined accurately above—and yet we get a letter of criticism complaining that

someone can't follow the path!!!???. Geez. Makes you wonder what's important to some people. Thankfully, though, the vast majority of letters I see are so overwhelmingly positive and thankful and lovingly encouraging that one like this becomes merely the pitifully humorous anomaly. This paper is no picnic to assemble, even without the relentless, MASSIVE interference, to both people and computers, from adversarial forces. Rather, it is a weekly MIRACLE that there is any paper at all! And I, E.Y., thank you readers who understand and appreciate THAT!

The ones WAITING for the information do not find a problem. We are not here for the "convenience" of everybody, nor do

we push anything off on anyone, but we do like to conform when we can. In these instances, we have no time to attend these points—we must continue as we are. This does not mean that we object to the considerations or comments—it means we are NOT in the paper business—we are in the information-message business. Our teams know this—the rest are welcome to share all that you wish for we represent the alarm-clock for ALL—but the specific messengers to the few. Check and see if you are not, or are, one of those "few" and attend the MESSAGES and forget the format. Thank you.

May the Light Within guide your steps. Salu

More Khazar Zionist History Of Russia And U.S.A.

8/9/93 #2 HATONN

Let us turn to one of our subjects in point for ongoing outlay of player definitions and scene sets. We were speaking of Bolsheviks as we left Saturday's writing [see article beginning on page 60 of last week's CONTACT called "More History On Russia And Khazar-Bolshevik-Zionists"] from the book called *The Iron Curtain Over America*. Let us pick up right there, Dharma, and continue, please.

QUOTING:

BOLSHEVIKI

The name "*Bolshevik*" means majority (from Russian *bolshe*, the larger) and commemorates the fact that at the Brussels-London conference of the party in late 1902 and early 1903, the violent Marxist program of Lenin was adopted by a 25 to 23 vote, the less violent minority of "Menshevik" Marxists fading finally from the picture after Stalin's triumph in October, 1917. It has been also stated that the term *Bolshevik* refers to the "larger" or more violent program of the majority faction. After 1918 the Bolsheviks called their organization the Communist Party.

ZIONIST JEWS

The Zionist Jews were another group that laid its plan in Russia as a part of the new reorientation of Russian Jewry after the collapse of Haskalah and the assassi-

nation (1881) of Alexander II. On November 6, 1884, for the first time in history, a Jewish international assembly was held at Kattowitz, near the Russian frontier, where representatives from all classes and different countries met and decided to colonize Palestine. Henceforth a heightened sense of race-consciousness takes the place formerly held by religion and is soon to develop into a concrete nationalism with Zion as its goal.

In Russia and abroad in the late nineteenth century, not only Bundists but other Khazar Jews had been attracted to the workings of Karl Marx (1818-1883), partly, it seems, because he was Jewish in origin. On both paternal and maternal sides Karl Marx was descended from rabbinical families.

The Marxian program of drastic controls, so repugnant to the free western mind, was no obstacle to the acceptance of Marxism by many Khazar Jews, for the Babylonian *Talmud* under which they lived had taught them to accept authoritarian dictation on everything from their immorality to their trade practices. Since the *Talmud* contained more than 12,000 controls, the regimentation of Marxism was acceptable—provided the Khazar politician, like the Talmudic Rabbi, exercised the power of the dictatorship.

Under Nicholas II, there was no abatement of the regulations designed, after the murder of Alexander II, to curb the anti-government activities of Jews; consequently, the reaction to those excesses was Jewish support of the Bolsheviks. The way

to such support was easy since the predecessor organization of Russian Communism was the Jewish "Bund". Thus Marxian Communism, modified for expediency, became an instrument for the violent seizure of power. The Communist Jews, together with revolutionaries of Russian stock, were sufficiently numerous to give the venture a promise of success, if attempted at the right time. After the rout of the less violent faction in 1903, when Czar Nicholas's train was stopped and he was told that his rule was at an end...Israel, in Russia, suddenly found itself lifted out of its oppression and degradation.

At this moment Lenin appeared on the scene, after an absence of nine years. The Germans, not realizing that he would be anything more than a trouble-maker for their World War I enemy, Russia, passed him and his party (exact number disputed—about 200?) in a sealed train from Switzerland to the Russian border. In Lenin's sealed train, out of a list of 165 names published, 23 are Russian, 3 Georgian, 4 Armenian, 1 German, and 128 Jewish. At about the same time, Trotsky arrived from the United States, followed by over 300 Jews from the East End of New York and joined up with the Bolshevik Party.

Thus under Lenin, whose birth-name was Ulianov and whose racial antecedents are uncertain, and under Leon Trotsky, a Jew, whose birth-name was Bronstein, a small number of highly-trained Jews from abroad, along with Russian Judaized Khazars and non-Jewish origin—such as Trotsky, Zinoviev, Kamanev, and

Sverdlov—played a conspicuous part in the revolution of November 1917, which enabled the Bolsheviks to take possession of the state apparatus. Here and there in the *Universal Jewish Encyclopedia* other Jews are named as **co-founders of Russian Communism [H: Yes, you read that correctly—in THE UNIVERSAL JEWISH ENCLCYCLOPEDIA]**, but not Lenin and Stalin. Both of these, however, are said by some writers to be half-Jewish. **[H: Not only is this true but BOTH bore Jewish sir-names prior to changing.]** Whatever the racial antecedents of their top man, the first Soviet commissariats were largely staffed with Jews. The Jewish position in the Communist movement was well understood in Russia. The "White Armies" which opposed the Bolshevik government linked Jews and Bolsheviks as common enemies. (This also comes from the *Universal Jewish Encyclopedia*, Vol. I, p. 336.)

Those interested in the ratio of Jews to others in the government in the early days of Communist rule in Russia should, if possible, see *Les Derniers Jours Des Romanof (The Last Days of the Romanovs)* by Robert Wilton, long the Russian correspondent of the *London Times*. A summary of its vital passages is included in the "Foreword" to the Third Edition of the *Mystical Body of Christ In The Modern World*, by Rev. Dennis Fahey, a well-known Irish professor of philosophy and Church history. Professor Fahey gives *names* and *nationality* of the members of the Council of Peoples Commissars, the Central Executive Committee, and the Extraordinary Commissions, and in summary quotes from Wilton as follows:

"According to the data furnished by the Soviet press, out of 556 important functionaries of the Bolshevik State... there were in 1918-1919, 17 Russians, 2 Ukrainians, 11 Armenians, 35 Letts, 15 Germans, 1 Hungarian, 10 Georgians, 3 Poles, 3 Finns, 1 Karaim, and **457 JEWS.**"

As the decades passed by—after the fateful year 1917—Judaized Khazars kept a firm hand on the helm of the government in the occupied land of Russia. In due time they built a bureaucracy to their hearts' desire. The government-controlled Communist press issued numerous and violent denunciations of anti-semitic episodes, either violence or discriminations. Also, in 1935 a court ruled that anti-semitism in Russia was a penal offense. Among top-flight leaders prominent in the middle of the twentieth century, Stalin, Kaganovich, Beria, Molotov, and Litvinoff all have Jewish blood, or are married to Jewesses. The latter circumstance should not be overlooked, that of the influence of a certain type of wife—or other closely associated woman—has been of utmost significance and is well written up in many documents. If you want facts for self there are many

books on the subject but we especially recommend Section III, 11, entitled *Raymond Boyer*, Montreal, in the *Report Of The Canadian Royal Commission*. This should be read in full by all who want facts on the subject of the corruption of scientists, and others working on government projects. In the Soviet Embassy records, turned over to Canadian authorities by Ivor Gouzenko, was Col. Zabotin's notebook which contained the following entries (pp. 375 and 397 respectively):

Professor

Frenchman. Noted chemist, about 40 years of age. Works in McGill University, Montreal. Is the best of the specialists on VV on the American Continent. Gives full information on explosives and chemical plants. Very rich. He is afraid to work. (Gave the formula of RDX, up to the present there was no evaluation from the boss.)

Contact

1. Freda

Jewess—works as a co-worker in the International Bureau of Labour.

A lady friend of the Professor.

In view of the facts furnished as to the racial composition of the early Communist bureaucracy, it is perhaps not surprising that a large portion of the important foreign efforts of the present government of Russia are entrusted to Jews.

This is especially notable in the list of current or recent exercisers of Soviet power in the satellite lands of Eastern Europe. Anna Rabinsohn Pauker, Dictator of Rumania; Matyas Rakosi, Dictator of Hungary; Jacob Berman, Dictator of Poland; D.M. Manuilsky, Dictator of the Ukraine; and many other persons highly placed in the governments of the several Eastern European countries are all said to be members of this new Royal Race of Russia.

Of Eastern European origin are the leaders of the late nineteenth century and twentieth century political Zionism which flowered from the already recorded beginnings at Kattowitz in 1884. Born at Budapest, Hungary, was Theodor Herzl (1860-1904), author (1896) of *Der Judenstatt (The Jews' State)*, who presided over the "Zionist Congress", which took place in Basel, Switzerland on August 29, 30, and 31, 1897 (*Univ. Jew. Encyc.*, Vol II, p. 102). Dr. Chaim Weizmann, the head of political Zionism at the moment of its recourse to violence, was born in Plonsk, Poland. Since these top leaders are Eastern Europeans, it is not surprising that most of the recent immigrants into Palestine are of Soviet and satellite origin and that their weapons have been largely from the Soviet Union and from Soviet-con-

trolled Czechoslovakia.

As a number of writers have pointed out, political Zionism entered its violent phase *after* the discovery of the incredibly vast mineral wealth of Palestine. According to *Zionists Misleading World With Untruths For Palestine Conquest*, a full-page article inserted as an advertisement in the *New York Herald-Tribune* (Jan. 14, 1947), an independent Jewish state in Palestine was the only certain method by which Zionists could acquire complete control and outright ownership of the proven Five Trillion Dollar (\$5,000,000,000,000) chemical and mineral wealth of the Dead Sea. The long documented article is signed by R.M. Schoendorf, Representative of Cooperating Americans of the Christian Faiths; by Habib I. Katibah, Representative of Cooperating Americans of Arab Ancestry; and by Benjamin H. Freedman, Representative of Cooperating Americans of the Jewish Faith, and is convincing. Irrespective, however, of the value of the Dead Sea minerals, the oil flow of Middle Eastern wells is something unbelievable to those familiar with slow-flowing American wells. Also in 1951, oil was discovered in the Negeb Desert, an area for which the Israeli authorities had so much fervor that they seized it.

The dominance of the motive of self-aggrandizement in political Zionism has been affirmed and denied; but it is difficult for an observer to see any possible objective apart from mineral wealth or long range grand strategy, including aggression, in a proposal to make a nation out of an agriculturally poor, already overpopulated territory the size of Vermont. The intention of aggression at the expense of Moslem peoples, particularly in the direction of Iraq and Iran, is suggested also by the fact that the Eastern European Jews, adherents to the Babylonian *Talmud*, had long turned their thoughts to the lands where their sages lived and where most of the native Jewish population had embraced the Moslem faith. **[H: Oops! Watch it, for now we are getting into ANCIENT history, readers. The enemy has ALWAYS been afoot in "places of the Lion".]** Any possible Zionist religious motive such as the hope of Heaven, which fired the zeal of the Crusaders, is apparently ruled out by the nature of Judaism, as it is generally understood. The Jewish religion is a way of life and has no formulated creed, or articles of faith, the acceptance of which brings redemption or salvation to the believer.

END OF QUOTING FOR THIS SEGMENT

Scribe, I need you elsewhere for a little "time" so please close this "chapter". We will pick up a bit later, please,

here with the underground overseas efforts of Khazar-dominated Russia.

8/12/93 #1 HATONN

OK, Dharma, let us return to *The Iron Curtain Over America*, "Russia and The Khazars", by John Beaty, for a few pages so our whole day is not lost to the litigation ongoing. Indeed that time-consuming garbage is getting "old" and certainly rotten with age.

Continuation: We were speaking of the underground efforts of Khazar-dominated Russia being entrusted principally to Jews so let us simply take up where we left off and run with it.

BE EVER MINDFUL THAT SINCE WE HAVE NO COPYRIGHTS IN THIS BOOK WE CAN ONLY DEDUCE THAT THE VOLUME WAS WRITTEN IN ABOUT 1952 OR (THE EARLY 1950s) SOME **40-YEARS AGO!** WHERE ARE YOU **TODAY?**

QUOTING:

KHAZAR-DOMINATED RUSSIA— AND JEWS

The secret or underground overseas efforts of Khazar-dominated Russia apparently have been entrusted principally to Jews. This is especially true of atomic espionage. *The Report of the Royal Commission of Canada*, already referred to, shows that Sam Car (Cohen), organizer for all Canada; Fred Rose (Rosenberg), organizer for French Canada, and member of the Canadian Parliament from a Montreal constituency; and Germina (or Hermina) Rabinowich, in charge of liaison with U.S. Communists, were all born in **Russia or satellite lands**. In this connection, it is important to stress the fact that the possession of a Western name does not necessarily imply Western European stock. In fact, the maneuver of name-changing frequently disguises an individual's stock or origin. Thus the birth-name of John Gates, editor of the Communist *Daily Worker* was Israel Regenstreif. Other name changers among the eleven Communists found guilty by a New York jury in October, 1949, included Gil *Green*—born Greenberg; Gus Hall—born Halberg; and Carl Winter—born Weissberg. (For details on these men and the others, see the article, "The Trial of the Eleven Communists", by Sidney Shalett, *Reader's Digest*, August, 1950, pp. 59-72.) Other examples of name-changing can be cited among political writers, army officers, and prominent officials in the executive agencies and departments in Washington. Parenthetically, the maneuver of acquiring a name easily acceptable to the majority was very widely practiced by the aliens prominent in the seizure of Russia for Communism, among the name-changers being **Lenin (Ulianov), Trotsky (Bronstein), and Stalin**

(Dzugashvili), the principal founders of state Communism. [H: How many of you realize this? How many of you ever DREAMED in your wildest nightmares that Lenin and Stalin were JEWS? PONDER IT—WHAT ELSE DO YOU NOT KNOW?]

The United States Government refused Canada's invitation early in 1946 to cooperate in Canada's investigation of atomic spies, but in 1950 when (despite "red herring" talk of the Chief Executive) our atomic spy suspects began to be apprehended, the first was **Harry Gold, then Abraham Brothman, and Miriam Moskowitz**. Other were M. Sobell, David Greenglass, Julius Rosenberg, and Mrs. Ethel Rosenberg (not to be confused with Mrs. Anna Rosenberg). Various sentences were given. Mr. and Mrs. Rosenberg received the death penalty. As of early May, 1952, however, the sentence had not been carried out and a significant portion of the Jewish press was campaigning to save the Rosenbergs. Referring to Julius and Ethel Rosenberg, Samuel B. Gach, Editor-in-Chief and Publisher of the *California Jewish Voice* (Largest Jewish Circulation in the West) wrote as follows in his issue of April 25, 1952: "We deplore the sentence against the two Jews and despise the cowardly Jewish judge who passed same...." In March, 1951, Dr. William Perl of the Columbia University Physics Department was arrested "on four counts of perjury in connection with the crumbling Soviet atomic spy ring. Perl whose father was born in Russia,...had his name changed from Utterperl (Mutterperl?) to Perl" in 1945. For further details on these persons and others, see *Atomic Traitors*, by Congressman Fred Busbey of Illinois in the June, 1951, number of *National Republic*. Finally, the true head of Communism in America was found not to be the publicly announced head, **but the Jew, Gerhardt Eisler, who, upon detection, "escaped" from America on the Polish S.S. "Batory", to a high position in the Soviet Government of East Germany.**

Very pertinent to the subject under consideration is a statement entitled "Displaced Persons: Facts vs. Fiction", made in the Senate of the United States on January 6, 1950, by Senator Pat McCarran, Democrat of Nevada, Chairman of the Judiciary Committee. Senator McCarran said in part: "Let it be remembered that the Attorney General of the United States recently testified that an analysis of 4,984 of the more militant members of the Communist Party in the United States showed that 91.4 percent of the total were of foreign stock or were married to persons of foreign stock."

With more than *nine-tenths* of our "more militant" Communists thus recruited from or allied to "foreign stock" and with that "stock" totaling perhaps not more than 10,000,000 or *one-fifteenth* of our nation's population, a little recourse to mathematics will suggest that the employment of an Eastern European or other person of recent alien

extraction or connection is *one hundred and fifty times* more likely to yield a traitor than is the employment of a person of native stock!

An "authoritative" Jewish point of view toward Soviet Russia is explained in the *Universal Jewish Encyclopedia* in the concluding paragraphs on Karl Marx. According to this source, Jews "recognize the experience of the Soviet Union, home of 6,000,000 Jews, as testimony of the Marxist position on the question of national and racial equality." The *Encyclopedia* comments further on the "striking fact that the one country which professes official allegiance to Marxian teachings is the one where anti-Semitism has been outlawed and its resurgence rendered impossible by the removal of social and economic inequalities." In *The Jewish People Face the Post-War World* by Alexander Bittleman, the affection of a considerable body of American Jews for the Soviet Union is expressed dramatically:

"If not for the Red Army, there would be no Jews in Europe today, nor in Palestine, nor in Africa; and in the United States, the length of our existence would be counted in days.... THE SOVIET UNION HAS SAVED THE JEWISH PEOPLE. Therefore, let the American Jewish masses never forget our historic debt to the Saviour of the Jewish people—THE SOVIET UNION."

Be it noted, however, that Mr. Bittleman admits indirectly that he is not speaking for *all* American Jews, particularly when he assails as "reactionary" the "non-democratic forces in Jewish life—such as the Sulzbergers, Rosenwalds, and Lazarons". In addition to ideology, another factor in the devotion to their old homelands of so many of the newer American Jews of Eastern European source is kinship. According to *The American Zionist Handbook*, 68 to 70% of United States Jews have relations in Poland and the Soviet Union.

Quite in harmony with the Bittleman attitude toward the Soviet Union was the finding of the Canadian Royal Commission that Soviet Russia exploits fully the predilection of Jews toward Communism: "It is significant that a number of documents from the Russian Embassy specifically note 'Jew' or 'Jewess' in entries on their relevant Canadian agents or prospective agents, showing that the Russian Fifth Column leaders attached particular significance to this matter."

In view of the above-quoted statement of a writer for the great New York publication, the *Universal Jewish Encyclopedia*, which is described on its title-page as "authoritative", and in view of the findings of the Canadian Royal Commission, not to mention other facts and testimonies, it would seem that no one should be surprised that certain United States Jews of Eastern European origin or influence have transmitted atomic or other secrets to the Soviet Union. Those who are caught, of course, must suffer the fate of spies, as would happen to American espio-

nage agents abroad; but, in the opinion of the author, *the really guilty parties in the United States are those Americans of native stock who, for their own evil purposes, placed the pro-Soviet individuals in positions where they could steal or connive at the stealing of American secrets of atomic warfare.* This guilt, which in view of the terrible likely results of atomic espionage is really blood-guilt, cannot be sidestepped and should not be overlooked by the American people.

The presence of so many high-placed spies in the United States prompts a brief reference to our national habit (a more accurate term than policy) in regard to immigration. On December 2, 1823, President Monroe proclaimed, in the famous Doctrine which bears his name, that the American government would not allow continental European powers to "extend their system" in the United States. At that time and until the last two decades of the nineteenth century, immigration brought us almost exclusively European people whose ideals were those of Western Christian civilization; these people became helpers in subduing and settling our vast frontier

area; they wished to conform to rather than modify or supplant the body of traditions and ideals summed up in the word "America".

After 1880, however, our immigration shifted sharply to include millions of persons from Southern and Eastern Europe. Almost all of these people were less sympathetic than predecessor immigrants to the government and the ideals of the United States and a very large portion of them were non-Christians who had no intention whatever of accepting the ideals of Western Christian civilization, but had purposes of their own. These purposes were accomplished not by direct military invasion, as President Monroe feared, but covertly by infiltration, propaganda, and electoral and financial pressure. The average American remained unaware and unperturbed.

END OF QUOTING; TO BE CONTINUED

Let us break right here and then we can finish this portion in one more sitting. Note I said "this portion"—not this subject. Thank you.

South Africa Violence The U.S. Is Next!

8/10/93 #1 HATONN

SOUTH AFRICA

Already the inpouring objections to my observations about South Africa and reflection of the U.S. is hitting. I get everything from, "I'm not taking your garbage-sheet any longer" to "You are nuts! South Africa is a world away and you have reached too far this time." Ok, let me give you excerpts from articles conveniently, for me, in THIS publication of *Spotlight*. It is ALL interlocked—AROUND THE GLOBE, readers, and you do not have to see it—you can throw the "garbage-sheet" out (or put it in the bird cage) but it won't change the facts of it.

U.S. CIA AGENT IN GEORGIA, RUSSIA

The U.S. person shot in "Georgia" (Soviet) and now being brought home for burial? What is THAT? Oh, a U.S. person gets killed by a "single" shot while in an auto in which no one else was TOUCHED—was a fluke accident? Good grief, readers, this

MAN was a CIA agent. Other CIA agents made sure that body was returned home—BUT THE CIA DENIES ANY INVOLVEMENT. What are you doing in Soviet Georgia with your CIA? This is one of the most important hot-spots in the whole Communist Russia daily happenings calendar. And moreover, why would a small group of CIA agents have to see to it that that man's body is BROUGHT HOME even in the face of denial by your own CIA that they even know about him?

Do we have "agents" working within, without or on the fringes of our "group"—unwittingly? YES! I told you from onset that agents were working right under your nose and even running a part of your operations—I believe that has turned out to be absolutely TRUE. Did anyone else know who? Didn't seem to—which makes me about as nervous as a cat on a hot tin roof—the simplistic innocence of my crew in Satan's domain! Funny thing about this is that the agents, the government, the shadow government, the One World Government, the Committee of 300, the Israelis and, it seems, everyone but you who "claim" to "believe" KNOW WHO WE ARE,

WHAT WE ARE ABOUT AND GET A LITTLE CRAZY BUT RECOGNIZE OUR MISSION AND KNOW THAT IT IS NOT OVERTHROW—BUT RATHER, TO GET INFORMATION TO ANY OF OUR PEOPLE WHO WISH TO HAVE THE TRUTH OF THEIR SECURITY. IT IS THE UNINFORMED WHO ARE THE DANGEROUS ONES TO OUR CREW, WITH THE UNINFORMED BLIND "CHRISTIANS" HEADING THE LIST OF DANGEROUS ADVERSARIES.

Remember this, God tests the water continuously and from time to time in a MAJOR way—then HE pulls back and the actions of MAN intent take over while the world spins in orbit. Our contacts are made and every effort is made to insure that our people act in total openness and within ALL laws—ALL LAWS. We support NO armies, no violence, no demonstrations as instigators and bear no FORCE. In exchange—we are recognized as respected opponents who will do what is necessary when attacked or our people attacked. They know that WE KNOW what is going on at all times—everywhere. They know that we know that THEY KNOW everything coming out of this computer, etc. They test their skills against our shields and go blow up fault lines somewhere else. If, however, any person in my protection who demands my absence—GETS IT and THEN, it is dangerous beyond your belief for THEY will "getcha"!

THE ULTIMATE "BATTLE"

Can they "silence" us? THEY DON'T WANT TO SILENCE US! They would actually help us if they could do so and "not get caught at it". Oh, the fringe "little players" would do anything to silence us and our people—but the Elite need the voice going forth to insure ego recognition and power inplay. The Elite would even build you a pocket of security and survival equipment—but the factions who even claim to be our own brothers, even do THAT in. The ULTIMATE "battle" is in the HEAVENS, readers—and don't forget it! The adversary has already LOST THAT BATTLE and he knows it. A world in total destruction and worsening every day—is not winning! HE IS BOUND TO THE PHYSICAL PLANE AS SURELY AS IF HE WERE IN SHACKLES. YOU WILL STAY OR GO ACCORDING TO YOUR SELF. Even the wondrous "new world" of Earth herself spun out in total radiance in 1987. There was a convergence of all harmonic frequencies and there is a radiance and growth on that place "prepared" for God's people beyond your imaginings—JUST WAITING. We have no battle in plans—we need no battles, we simply need to awaken our people. Does that mean no "tribulation"? NO—BIG TRIBULATION—for no evil shall be brought onto the radiant planet home. There, fur-

ther, has to be a mass transition (migration) and a reestablishment. YOU need this paper—WE DO NOT!

So, quarrel if you like, it gives us dandy subjects about which to speak and when you "believe" enough in confirmation—THEN PERHAPS—you may believe the IMPORTANT stories about who you are and possibly accept some instructions as to passage.

* * *

Now we turn to the first of two important articles from *THE SPOTLIGHT*, for August 9, 1993.

QUOTING:

**SOUTH AFRICA GOING
MARXIST**

Power Behind the Scene. Mike Blair [H: Bless him]. Is he really "good" or what? Let's go with the "what"—he offers you more than you HAD before he writes, so he is wondrous—even if bits and pieces perchance be misinformation. It is up TO YOU to discern—not the journalist to spoon-feed you.]

David Rockefeller [H: Uh-oh! Right off the start?], multibillionaire and leading member of the world shadow government consisting of the Trilateral Commission and the Bilderberg group, has been funding the terrorist African National Congress for 10 years. [H: Choke, sputter, ah-er...]

David Rockefeller, who for a decade has financially backed the terrorist African National Congress (ANC) in South Africa, is now helping its leader, NELSON MANDELA, in a bid to become president of the Republic of South Africa when Blacks are allowed to take over the strategically important nation next year.

On July 5, Rockefeller was the host when 75 U.S. corporate leaders gathered at a dinner at Rockefeller Plaza in New York to honor Mandela and to raise at least \$250,000 to aid the ANC's political agenda in South Africa...

TERRORIST GROUP

The ANC was listed as one of the world's major "terrorist groups" in *Terrorist Group Profiles*, published by the Department of Defense (U.S.) in 1988....[H: I think you get the point!]

NOW MORE QUOTING FUN, the second article from *Spotlight*:

**AMERICA ORGANIZED
TAKEOVER**

The following information was made

available to the author by a former member of *South African Intelligence*. It describes how the United States is directing the Communist takeover of the South African government.

By: Alyn Denham

The Communist takeover of South Africa began with Jimmy Carter, continued throughout the Reagan presidency and flowered into full bloom when the George Bush State Department appointed William Lacy Swing as U.S. ambassador to South Africa in 1989. (Swing is currently Ambassador to Nigeria, and is succeeded by Princeton Nathan Lyman. Swing, a career Foreign Service bureaucrat since 1963, was a fellow at the Harvard University Center for International Affairs from 1976-1977.—Ed.)

Ambassador Swing's first order of the day was to unite the African National Congress (ANC) and the Council of South African Trade Unions under the flag and direction of the South African Communist Party (SACP). This first development was approved by George Bush personally.

Bush went a step further when he directed the CIA "to spare no expense or manpower" in their assistance to Swing. As a result of this presidential directive, there are currently 58 CIA agents and administrative employees working out of Swing's embassy/fortress. Twenty-seven of these agents are the most accomplished communications and computer experts on the face of this planet.

Their primary mission is the monitoring and recording of telephone, telegraph and fax communications from individual South Africans. Most of these targeted citizens are on the CIA's list of persons that oppose the takeover of the government by the SACP-dominated African National Congress (ANC).

What about the remaining 31 agents? Eleven are monitoring all decisions made at the highest levels of the government, including the offices of President F.W. DeKlerk and those of Foreign Minister Pik Botha. These agents are responsible for approval or rejection of major decisions and determinations. They are also deeply involved in the dissolution of the South African Defense Force (SADF) and the integration of Communist terrorist elements into the leadership and ranks of the South African Police (SAP)....

THIS ONE WILL BE CONTINUED; END OF QUOTING FOR NOW

Please interrupt this at this point—I need you to write some other important communications. There is a lot more important information to offer on this CIA integration and operations but I believe this will give our hackers and rock-throwers a different possible perception. One of the important points of this article is WHO is writing it: Alyn Denham. Who is he? He is the publisher of a newsletter, *Americans for Sane Policy* (ASP

Newsletter, P.O. Box 150883, Nashville, Tenn. 37215). He is a former soldier who served in World War II, Korea and Vietnam, the latter as an intelligence operative involved in cross-border operations in North Vietnam. Afterward, he served in the Pentagon as chief of procurement for U.S. Special Forces unit. [H: Humm-aa] He resigned in the early 1970s and worked as an adviser to the Saudi military and other foreign governments in their fight against Communism in Africa, Europe and South America. He enlisted in the Rhodesian army and served as a Commander of a Special Forces battalion, before that country fell to Communist terrorist insurgents supported by the West.

Indeed I believe there may well be some merit to our writings as concern South Africa—but yours is to discern which side is the most deadly in this play for supreme power! Whose side am "I" on? I am on only one side: GOD'S and I don't find much attention to HIM on either of the vying sides for ultimate power in your world—actually on ANY side of the three major players. So be it.

8/12/93 #1 HATONN

I would like to complete the article on South Africa with CIA input in the August 9, 1993 *Spotlight* under the main Front Page headline of **SOUTH AFRICA GOING MARXIST** and, underneath that, this particular article headline of "America Organized Takeover". We will take up where we left off with the subheading topic of:

QUOTING:

CRIME IN SOUTH AFRICA

Where 10 years ago, crime in South Africa was no problem, today murder, rape and robbery are running rampant. This is part of Swing's plan to create an ungovernable nation wherein terrified citizens will accept any form of dictatorship that promises the restoration of order and stability.

Another scheme cooked up by Swing and his bevy of Marxists involved the release of all Black criminals, including killers sentenced to death, from every South African prison. He and his CIA flunkies, in a meeting on 9 July, 1992, instructed the hierarchy of the SACP (South African Communist Party) to demand the immediate release from prisons of "all political prisoners". The list presented to State President De Klerk included prisoners that had never been considered political prisoners, even by the ANC.

Swing informed De Klerk that this demand would be honored immediately. De Klerk, as usual, obeyed without question or protest.

The SADF and the SACP have been rendered so completely impotent that these released mad dog killers are preying on

innocent Blacks and Whites with ostensible immunity. Swing, the CIA, the U.S. State Department and the highest levels of the U.S. government are 100 percent responsible for turning this once beautiful and peaceful nation into a pit of hell, and doing so with U.S. tax dollars.

HUGE MILITARY BASES

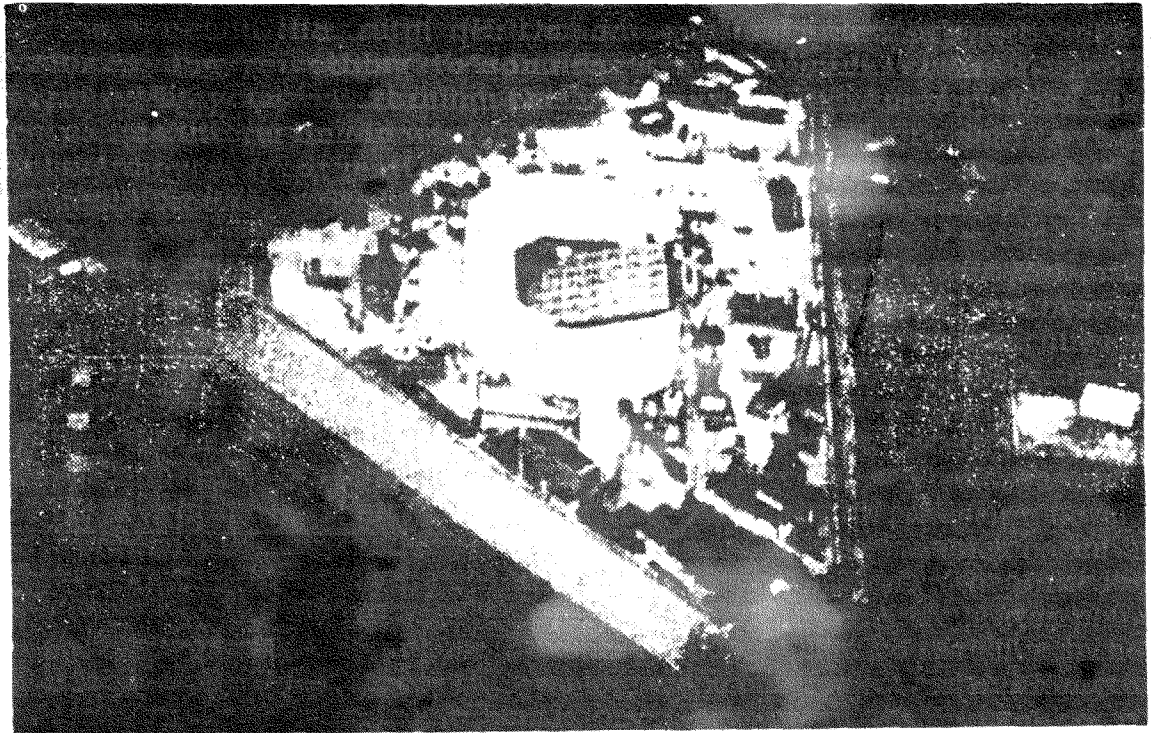

With former President Bush's approval, the CIA is overseeing the construction of four huge military bases, including air bases. Three of these bases are located just 150 miles from Pretoria and Johannesburg. The fourth is being surveyed at a location close to the Caprivi Strip in Angola and is being developed to refuel and rearm carrier-based aircraft. This is an indication the United States is planning to also utilize carrier planes to put down possible uprisings by non-communist South Africans.

[H: Along the same lines, across the seas in your own villages—what is happening to your “closing” bases? Are you aware that in some of those “closing” bases there have been recent refurbishings, upgrading and even now, 2 lane roads being ripped up to be replaced with 4 to six-lane thruways? What do they have in mind? I think you had best pay attention and start finding out. I’ll clue you in on just one near here—Norton, near San Bernardino, California; but later, please.]

Currently, just over \$3.5 billion has been spent on the three almost completed bases. They are located in the vicinity of Molepole, Botswana, less than 10 minutes jet fighter flying time from Pretoria and Johannesburg. According to the former intelligence informant, “There are no bases in the world more modern or more capable of waging offensive warfare.”

A congressional source reveals the United States is paying the government of Botswana over \$10 BILLION for permission to construct and operate these bases on Botswanan soil. **[H: And we told you about this years ago. This is not an insult to your reading—or an “I told you so”—it is to point out that if this was under way “years” ago—WHERE ARE THEY NOW!?**] To ensure the deal, the CIA has two highly placed members of the Botswanan government on their payroll making big bucks.

The focal point of all these U.S.-initiated conspiracies and pro-communist plots is the U.S. embassy-fortress in Pretoria. Taking up a large city block, this triangular fortress is the most expensive (\$800 million to date and climbing) and elaborately designed embassy **IN THE WORLD**. **[H: Please include picture even as poor as it is.]** It has **underground facilities that are secure from chemical and-or nuclear attack.**

U.S. embassy/fortress in Pretoria, South Africa.

SPY SATELLITE

Ten months prior to George Bush's defeat for the presidency, he ordered that a communications satellite be produced, launched and situated in space directly over Pretoria. Today, one of the functions of this taxpayer-funded billion-dollar satellite is the monitoring of conversations and communications between South African citizens, members of the South African government and anyone else throughout southern Africa that becomes an enemy of the state.

Most of these targets have been generated by CIA-paid spies and informers who have infiltrated every level of South African society and government including leaders of the Zulu Inkatha Party, the government and military of the Independent State of Bophuthastswana, and the top levels of the Independent State of Ciskei.

As of 9 January, 1993, the South African-based CIA has made available to U.S. Embassy personnel, and to top-level members of the SACP-ANC, the names of citizens and organizations that oppose the Communist takeover of this nation. Thousands of these courageous South Africans will quietly disappear when the CIA succeeds in installing to power the South African Communist Party-controlled African National Congress.

The Communications, Operations and Planning rooms are located on the lower D-Level of the embassy. The ambassador, the

CIA station chief and his assistant and three of the highest level officials of the South African Communist Party have emergency office-living spaces on this level.

C-level is food, water, weapons and general storage area. The master generator is located in the southeastern midsection, with a spare emergency generator in a room located in the southwestern midsection. Another emergency generator is located in the northern midsection of B-level.

Two buried and widely separated fuel tanks supply fuel to these generators through a massive network of pipes and cutoff valves. If one tank is destroyed, it can be quickly isolated from the other. As a point of fact, these tanks are encased in shells of five-foot-thick reinforced concrete and buried so deep it is most unlikely either could suffer damage from any source available to possible attackers.

In addition to the emergency generator, B-Level is made up of offices, radio rooms, an emergency telephone switchboard, meeting rooms, and a projection room that will seat 72 people in comfortable, thickly upholstered seats. The front row of seats is equipped with an internal intercom system capable of communicating with every room, including restrooms and living quarters, throughout every level in the complex.

B-Level is the only level that has no living quarters. There is an express elevator from B-Level to the D-Level Operations Room. There are, in addition to this ex-

press elevator, elevators located in each point of the triangle. While there are small kitchens and dining areas on every level, including food and water storage areas, B-Level features the main kitchen and dining area, capable of feeding everyone in the embassy in two shifts.

Every Marxist and Communist political and terrorist organization in Southern Africa, including the Palestine Liberation Organization, has been allotted office space and limited access to the extensive CIA communications facilities and computer networks. They also have access to the CIA database wherein are recorded the names, addresses, acquaintances and personal histories of anti-communists and other individuals and organizations considered to be dangerous to their causes.

It is worthy of note that only members

of the ANC-SACP have offices in the U.S. embassy. Members of the anti-communist Inkatha Party are permitted into the embassy-fortress **ONLY BY SPECIAL PERMISSION** while members of the ANC-SACP **come and go at will with special red, white and blue passes.** [H: Any readers sick yet? And, would you rather have information of Doris' birthday and Hatonn's whisper vapors—or **THIS TRUTH? PUT YOUR PRIORITIES IN ORDER, PEOPLE. YOUR WORLD OF FREEDOM IS ALREADY GOING DOWN.**]

Were Rhodesia, and now South Africa, merely practice operations for the communization of the United States and eventually the world? Has the United States taken up where the old Soviet Union left off? [H: OR, HAS THE US BECOME ONE WITH THE USSR? YOU HAD BETTER LOOK AT THIS CLOSELY

IN CONJUNCTION WITH THE ZIONIST BOLSHEVIK OPERATIONS.] Will the election of a pro-socialist, pro-Marxist, Clinton administration speed up the seemingly inevitable?

END OF QUOTING

Now, if you STILL think the Elite One World Order gives a damn about the United Nations building in New York—OR NEW YORK—go back and read this last—AGAIN! The operations set up for your Elite in Australia and New Zealand, swamp as a tidal wave, these South African facilities. Remember—the Elite Plan 2000 has LESS than six years to get all the “take over” done and the working structure GOING. Pick at my scribe and our way of presentations—all the way to your cemetery—if you have one left!

Latest Baha'i Prophecies With Slanted Perceptions

8/11/93 #1 HATONN

PROPHECIES AND OLD FRIENDS

We are asked often about our old friends who once sent prophecies from 'Abdu'l-Baha which came through Montana. There was quite a while that no information came after the information regarding the bombing of the New York Trade Center (which, by the way was EXACTLY right-on—SO SAYS THE DOCUMENT SENT TO US). I do not offer dates and places in specific timing—for I do not know exact times as some projectionists wish to share. But, neither do I wish to keep any such information from you readers. Each time there is a “Press Release” it is quite lengthy and is offered via Neal Chase in Montana and brings information from one 'Abdu'l-Baha the son of Baha'u'llah.

This source is **not** a member of my team. This does not make him either valid or invalid, please understand. There are many missions under way, many messengers sent and now present themselves. Our mission is one of writing THE WORD as we now do, seeing to a physical “remnant”, etc. I do not make judgments and in this case neither do I effort to discern in your stead. Take what you will from the

for you are in the time when many things are happening and forewarned is to be forearmed. These “Prophecies” as presented are balanced against what is presented in the biblical scripts, so of course they hold a lot of valid projections as calculations can more easily be determined now that you ARE IN the changing cycle. The point to watch is that these incidents are man-controlled NOW and information release often causes delays or changes in activities—thus not necessarily representing WRONG INFORMATION.

Our papers have become so large that we have been perhaps a bit negligent in not sharing as much “prophecy” or perceptions by others as we might. We know you weary of hearing just the facts, ma'am, and not offering possibilities as we offered with the Parowan Prophet. All you need be is discerning and the lessons are most valid indeed in that you **MUST BE PREPARED. IF PREPARED,** the happenings as to exact timing are not of great importance. If you are NOT prepared they become EVERYTHING and I will not allow you to absolve selves of that responsibility by anyone's writings, including my own.

This “press release” is from Neal Chase, 328 Stephens, Missoula, MT 59801. (406)728-4721. I do not know

what the following means but we will print it as it appears.

QUOTING:

PRESS RELEASE

FOR IMMEDIATE RELEASE

BAHA'IS UNDER THE PROVISIONS OF THE COVENANT, MISSOULA, MONTANA 59801

August 4, 1993

SEPTEMBER 4th, 1993

by Neal Chase

IN OUR PREVIOUS RELEASES we gave you the exact date that New York was to be bombed: November 26th, 1992, the Day of the Covenant, plus the prophesied season of three months of 90 days (Daniel 7:12) brought us to the day, the minute, the hour and the second that the Trade Towers was bombed. We stated that this was just an OMEN of the big one yet to come!

Now we are giving you the date for the big one: November 26th, 1992, the Day of the Covenant, plus 90 days (a season of

three months) is February 26th, 1993, the day of the Trade Tower bombing, plus 190 days is **September 4th, 1993, the day the UN building and all New York City along with it is to be nuked.**

This is given in the Book of Ezekiel three different times, in three different ways, in three different places.

In Ezekiel chapter 4 verse 5 he states that for the destruction of the city there will be 190 days, which from the bombing of the Trade Towers brings us exactly to September 4th, 1993. Ezekiel writes:

"Man, take a tile and set it before you. Draw a city on it, the city of Jerusalem (City of Peace, City of the Covenant): lay siege to it, erect watch-towers against it, raise a siege-ramp, put mantelets in position, and bring battering-rams against it all around. Then take an iron griddle, and put it as a wall of iron between you and the city (New York). Keep your face turned toward the city (New York); IT WILL BE BESIEGED and you the besieger. THIS WILL BE A SIGN to the Israelites." Ezekiel 4:1-3, The New English Bible (NEB).

When 'Abdu'l-Baha the son of Baha'u'llah was in New York City, in 1912, he designated New York out from among all the cities of the world as the "City of the Covenant". In Some Answered Questions he explains that Jerusalem signifies "the city of the law". The Law is the Covenant. Thus Ezekiel sees the destruction of the city of New York that is the "old Jerusalem" of the violation of the Covenant where the largest congregation of Covenant-breaking Baha'is recently met on the Day of the Covenant on November 26th of 1992 in mockery of the Covenant. It is the City of the UN building which pretends to be from God setting in stone from Isaiah chapter two in front of its plaza "The house of the Lord" that shall "beat their swords into plowshares and spears into pruning hooks" thus it is for the fire and the city of New York along with it. Ezekiel gives the exact date:

"Now lie on your left side, and I will lay Israel's iniquity on you; you shall bear their iniquity for as many days as you lie on that side. Allowing one day for every year of their iniquity, I ordain that you bear it for ONE HUNDRED AND NINETY DAYS; thus you shall bear Israel's iniquity." — Ezekiel 4:4-6 NEB.

Israel was punished historically for 190 years from 597 BC when Ezekiel was taken captive from the city until 407 BC when the city was finally finished being rebuilt after it had been destroyed. 597 - 190 = 407 BC. Today we only have to bear that punishment one day for each year that they had to bear it way back then. 190 days from the exact day, minute, hour and second from the bombing of the Trade Towers on February 26th, 1993 (which was a season of three months of 90 days after the Cov-

enant-breakers met in New York on the Day of the Covenant) brings us **EXACTLY** to September 4th, 1993, the day New York is to be destroyed.

Some Bibles erroneously give 390 days in Ezekiel chapter 4 which is in error. Moffat's, the New Jerusalem, the New English Bible and others, all give the correct 190 days, which is historically correct also and is found in the most ancient and accurate of all the Biblical translations from the Septuagint which gives 190 days exact (See Halley's ed. 24:p.327).

Ezekiel gives the date a second time.

In Ezekiel chapter 24 verses 15-18 he states that the date for the destruction of the city will be the same day (three years later) that the wife of the promised one for today passes on from a stroke. Dr. Opal Jensen, the late wife of Dr. Leland Jensen, Knight of Baha'u'llah and prophesied establisher of the Baha'i Faith, passed on from a stroke three years ago on September 4th, 1990, while the Gulf War was fermenting, during the countdown to attack.

The book of Ezekiel is not a history of his life, nor the things he was supposed to do back then, nor what happened to him, but instead it is prophecies for today, the things the promised one for today is supposed to do, and what has happened to him and is happening to him now during the prelude to Armageddon in which we are embroiled at this very moment! Ezekiel marks the very day:

"In the ninth year, in the tenth month, on the tenth day of the month, the word of the Lord came to me:

'Son of man, write down THE NAME OF THIS DAY, THIS VERY DAY. The king of Babylon (Saddam Hussein) has laid siege to Jerusalem (New York City) THIS VERY DAY.' — Ezekiel 24:2 RSV.

Saddam Hussein, the president of Iraq, is restoring the old city of Babylon (digging it out from being buried) which is in Iraq making him the King of Babylon. He is an actual physical descendant of Nebuchadnezzar who was the ancient King of Babylon that destroyed Jerusalem the first time. Now Saddam has vowed to take revenge on New York and the UN for what they did to his country. Here Ezekiel gives us "**THE VERY DAY**" that this will happen. He goes on to ear-mark this day with a very personal event that happens to the promised one of today of his wife passing on from a stroke. This is in verse 15 of the 24th chapter of Ezekiel in which the destruction of the city of New York is compared to a boiling pot (See also Jeremiah chapter one).

"Son of man, behold, I take away from thee the desire of your eyes **WITH A STROKE**: yet neither shalt thou mourn nor weep, neither shall thy tears run down.... So I spake unto the people in the morning; and at even **MY WIFE DIED**: and

I did in the morning as I was commanded." — Ezekiel 24:15-18 KJV.

Thus Ezekiel gives the exact day, the very day, twice. Add 190 days to the Trade Tower bombing of February 26th, 1993 and you get September 4th, 1993 and then also in chapter 24 he writes down the very day of the siege of the city as the same day his wife passes on from a stroke. Dr. Opal Jensen passed on, on September 4th, 1990 which will be three years ago this year.

[H: OK, to you who feel this is alright but "can't be trusted" as truth. Ponder this thought for a moment: IS IT POSSIBLE THAT THE ONES WHO WOULD PRECIPITATE SUCH AN ACTION MIGHT ALSO USE THESE SAME CALCULATIONS??? Right here, readers, is where every wicket gets very sticky! Even if the "prophecy" of the Bible be not correct—but man has so calculated—think you not that the game can be played according to THESE rules, dates and times? You would have to know the perpetrators and what THEY intend and what calculations THEY MAKE to coincide with appropriate background.]

Ezekiel gives the date a third time.

In chapter 24 it states that the same way he lost his wife the people will lose the city. Then it says Ezekiel was made mute.

"Thus shall Ezekiel be to you A SIGN; according to all that he has done you shall do. When this comes, then you will know that I am the Lord God.

"And you, son of man, on the day when I take from them their stronghold, their joy and glory, the delight of their eyes and their heart's desire (the people will lose New York in which they delight the same way and the same day he lost his wife 3 years later), and also their sons and daughters (that live in New York), on that day a fugitive will come to you to report to you the news. On that day your mouth will be opened to the fugitive, and you shall speak and be no longer dumb. So you will **BE A SIGN** to them; and they will know that I am the Lord." — Ezekiel 24:24-27 RSV.

Ezekiel was made mute for three years. His wife passed on in the 9th year in the tenth month on the tenth day and he wasn't able to speak again until the twelfth year in the tenth month on the fifth day. That is three years. September 4th, 1993 is the three year anniversary of the passing of Dr. Opal Jensen exactly.

"In the twelfth year of our exile, in the tenth month, on the fifth day of the month, a man who HAD escaped from Jerusalem came to me and said, 'The city has fallen.' Now the hand of the Lord had been upon me the evening before the fugitive came; and he had opened my mouth by the time the man came to me and I was no longer dumb." — Ezekiel 33:21-22 RSV.

He is made mute for three years representing the fact that our releases over the last three years have not been published—and to the world at large this message has been silent. At the close of these three years on September 4th, 1993 this message will resound throughout the entire world! New York City will be gone.

The reason this happens five days short of the three years (from the tenth day of the month to the fifth day of the same month) is to show that the working of this will actually start at the end of August when the UN is now scheduled to review lifting sanctions imposed against Iraq beginning at the end of August into early September when the city is to be destroyed on September 4th.

[H: I DO suggest you harken back to the warning of impending disaster along your southern shores. Remember that the “crises centers” (confirmed in San Antonio, Texas) are scheduled to be on RED ALERT to receive large numbers of evacuees from the Gulf Coast—different cities will get specific instructions “later” was the information. The assumption was a massive hurricane—it COULD be any number of things which would put everyone on “stand-by”.]

“As for you, son of man, your people who talk together about you by the walls and at the doors of the houses, say to one another, each to his brother, ‘Come, and hear what the word is that comes forth from the Lord.’ And they come to you as people come, and they sit before you as my people, and they hear what you say but they will not do it; for with their lips they show much love, but their heart is set on their gain. And, lo, you are to them like one who sings love songs with a beautiful voice and plays well on an instrument, for they will hear what you say, but they will not do it. When this comes—and come it will!—then they will know that a prophet has been among them.” — Ezekiel 33:30-33 RSV.

All this is to happen because of the sins and gross atrocities of the United Nations and especially America against all the people of the world. The Trade Tower bombing was just an OMEN of what is yet to come as we have already stated previously (“OMEN I: The first bombing of New York”, March 5th, 1993). Yet it has served its purpose in showing the American people and news media that they are **VULNERABLE** to wake them up out of their prejudices, stereotypes and preconceived ideas! Yet for three years they have not informed the people! Thus Ezekiel prophesied that the promised one of today would be “mute” for three years (meaning the people haven’t heard this message). This ends with the city being destroyed, New York being nuked,

and the world proclamation to all the people that the establisher of the Baha’i Faith is Dr. Leland Jensen, Knight of Baha’u’llah, and that Baha’u’llah, descended from King David and seated upon David’s throne, is the second coming of Christ awaited for by all the people of the world.

As America, its leadership and the news media have continually refused to warn the people, and refuse to cease and desist from their abominable atrocities, and refuse to heed our warnings which originate from the Almighty God, they enter into destruction after destruction, calamity after calamity, each wave increasing in its ferocity and forceful intensity, until finally: the great retribution: a fiery thermonuclear blast: New York City is gone!

“I the Lord have spoken; it shall come to pass, I will do it; I will not go back, I will not spare, I will not repent; according to your ways and your doings I will judge you, says the Lord God.” — Ezekiel 24:14 RSV.

THE BEAST

In Revelation chapter 13 and Daniel chapter 7 the United Nations is prophesied of as the BEAST. Daniel sees four separate Beasts: England the lion; America the eagle’s wings; and France the leopard; Russia the bear’s feet. These Big Four “Christian” nuclear super powers all possess the veto power on the UN and are permanent members of the ruling Security Council. They all meet in New York City where the UN building is located. Revelation 16:10 (KJV) states that it is the “seat of the Beast” (UN building) that is to be destroyed first. Revelation 14:20 states that the entire surrounding area of up to 100 miles radius (see note 4’ RSV) will be destroyed along with it. The city of New York is here described as a great “wine press” from which the blood will flow as “high as a horse’s bridle”, that is, when all those buildings collapse they have people sandwiched in between floors. The pile will literally be that high with rubble and blood.

After the UN building (the seat of the Beast) and New York City along with it are nuked, the Beast itself (these Big Four superpowers) is then to be thrown alive into a thermonuclear “lake of fire” (Revelation 19:20) which is the battle of Armageddon that will result shortly after New York is destroyed (Revelation 16:16) in which one third of mankind will be killed in one hour of thermonuclear war.

THE DEEDS

The sins and pure evil of the United Nations and the country of America against the rest of the world is an abomination of the greatest proportion since the foundation of the world in all its history! Grenada, Libya, Panama, El Salvador, Iraq and the

Gulf War, Afghanistan, Somalia, Yugoslavia, Bosnia, the 390 exiled Palestinians...to name only a few are all the fault of the bloodstained United States which rules the UN as a puppet for its “own interests”.

Do you think there is no KARMA? Have you not heard that the bread you cast upon the water returns to you? Or, that what you sow so shall you reap? Indeed all the people of the world shall be judged by what they have done!

They stole the land from the “Indians” in order to establish this country! They systematically killed the buffalo to starve them out, used smallpox as germ warfare to kill them and poisoned them with whiskey. They broke every single treaty that they ever made with the Native Americans. They violated all of them (370). They kept not a one. They deceived and lied and massacred their women and children. Slaughtering the infants of the tribes and beheading the women they had raped after burning the villages to the ground and skinning their babies alive in front of their very eyes!

Then they imported the Black slaves and robbed them of over 300 years worth of wages. St. Louis was the largest slave market in the world where these souls were bought and sold in the open light of day the way the laws are bought and sold on the chopping block of Congress in this very day. They beat and tortured these people in the name of the Christ whose teachings they had perverted and twisted to justify their “own interests” and wicked acts. They broke up their families and sold husbands away from wives, mothers away from daughters, sons away from fathers and have never made any amends in any way, shape or form, even until this very day.

They established the “double standard” of racism and bigotry within the borders of this very country, within the heart of this very continent!

[H: Bear in mind careful consideration of the following for some “facts” are NOT. This is, however, the writing from one Neal Chase, a human speaker, who very well does not know all the actual research, etc. The concept is still the same—the players are incorrect in some instances and the entire observation is based on incorrect assumptions. I am reprinting so I have no right to alter or correct anything. I just suggest that you read with discernment for the comments have little to do with the calculations according to the details of the “prophecies” in point in this writing.]

They were isolationistic and could care less as Hitler murdered the six million Jews for saving them was not “in our interest”. After we did enter the war, after

Pearl Harbor, it was the Black and Japanese battalions that crested the mound and were the first faces of freedom the Jewish holocaust survivors saw release them from their Nazi oppressors, while back at home Blacks were treated like trash in every city across the land and the Japanese soldiers' families suffered deprivation in American concentration camps like worthless prisoners and traitors while their sons fought abroad! The injustice! The grievous injustice! The double standard! The bigotry, the prejudice, even today like in the Rodney King trial and the senseless massacre of Koresh and his followers in the name of the United States without due process of law!

Moreover, they exported this double standard and bigotry across the nations of the world. Subjugating them and stealing from them their mineral rights, natural resources and raw goods and materials, all in the name of democracy and America, all in the name of "our interest"—a sickness and disease that makes the stomach churn from bile and nausea at the very sight of these evil deeds committed in the name of all America and its citizens! And who can stop it? Who among the people can fight off this Beast?

Thus they have established this double standard across the globe spanning the continents, rushing forward atop the cresting waves of every sea which boils and seethes with their abominations. And war is established in the name of "Peace"! And people are killed and murdered in the name of "Hope"!

[H: You ones are on your own as to discernment for there is much error in the writing as we offer it. I will not take time to correct it for the interpretations of Biblical prophecy are quite well done and I am not here to monitor every writer's material. This should, however, point out to you how important it is to BE INFORMED in FACT(s) because the errors tend to cause people, who know otherwise the facts of "happenings" upon which the mortal man is to make observation, to attend less the prophecy observations. What happens is that man becomes incensed at the "happenings" as perceived and speculates that "these" are THE things precipitating "GOD'S ACTIONS". The facts are—THE WHOLE OF IT WILL BE MAN'S ACTIONS—RIGHT ON SCHEDULE AND IS MORE OF THE CONFRONTATION OF THE "SIDES" OF THE ADVERSARIAL ARMIES AND NOT GOD'S DOING AT ALL. What happens when there are errors in one portion of the projections—one must always question the whole of the projections. Simply to give exacting times and places is not in my parameters of comment—EVER. "Even the Lord knows not the

hour of His coming!" Does this mean that no one can know the timing of a happening? Not if it is of God. It can be planned, programmed and orchestrated—but with anything, there is possibility of possibility change and thus a "guide" would not wish to set up expectations which are likely to be interrupted for any reason. If you can find that MAN is planning something, say the Waco, Texas disaster, then you can pretty well speculate that it will come off within a given period of time already arranged.

In efforting to "figure out", in human format, that which is God's prerogative, is NOT WISE. If, on the other hand, you have calculated a "thing" and it appears valid—to share it in "possibility of happening" is what a responsible person would do. My own problem with this writer is that I do not recognize this 'Abdu'l-Baha the son of Baha'u'llah OR Baha'u'llah. Perhaps this is a reference in a language of which I am unfamiliar and Neal does not give us enough in this singular writing to identify exactly what is the status (form) of same. I can, however, take that portion of the writing with which I can find possibility of happening and use it as warning for some expectation and preparation since we have also spoken on these happenings in similar fashion on several occasions. (Where there is smoke there will be found some kind of fire!). Am "I" saying this writer is wrong, lies, fabricates or whatever?? NO—I said there are errors which are likely due to simple ignorance of fact—but he would know these errors if he were a diligent reader of our presentations. Is he? Why does he send us these releases? Because we represent the CONTACT which is a paper and he would see no need to read our material in any great depth for he considers his own information to be sufficient. This is error in itself—for the same reason we DO read what is sent to us—to stay informed and the people involved here are reluctant to ever make such great writings as fact when there is no qualification as to "opinion". We continue exactly as given—you shall have to consider issues and errors—it is a good exercise for you who do keep right up to date and THIS is WHY we offer the diversity of information that we do—so you will not make errors in current event or historical reviewing.]

Panama: Operation "Just Cause": Objective: steal the canal back from those people before the contract turned control over to them on January first 1990. Somalia: Operation "Restore Hope": Killing those defenseless and starving people (Muslim people) with attack helicopters and sophisticated weapons after invading their coun-

try for dubious reasons. We were supposed to be feeding them! I suppose when there is only one man left they will give him a sandwich! Such is the wickedness of the Beast and the UN building (rebellious House) which is the seat of the Beast and New York City which is the seat of these abominations, the source of this great disturbance and atrocities and injustice: the City of all this blood!

"And utter a parable unto the rebellious house (UN building) and say unto them, Thus saith the Lord GOD,

"Set on a pot, set it on... Wherefore thus saith the Lord GOD: WOE TO THE BLOODY CITY (New York), to the pot whose scum is therein (UN), and whose scum is not gone out of it, bring it out piece by piece; let no lot fall upon it.

"For her blood (of the UN of all the murders and crimes against the innocents of the world) is in the midst of her; she set it upon the top of a rock (bedrock of Manhattan Island); she poured it not upon the ground, to cover it with dust; that it might cause fury to come up and to take vengeance; I have set her (the UN's) blood upon the top of the rock, that it should not be covered.

"Therefore thus saith the Lord GOD, WOE TO THE BLOODY CITY! (New York) I will even make the pile for fire (thermonuclear fire) great!" — Ezekiel 24:2-9 KJV.

How great is the destruction in store for all the blood shed by this UN ruled by the four beasts and America seated in New York in the UN building!

THE SINS

[H: I suggest you pay even more close attention to these "sins". When, for instance, you get to the part about rape by the "Christian Serbs"—KNOW that the Soviets (by any name at all) orchestrate the whole Serbian "thing" including supplying with arms and weapons—Communist BOLSHEVIK Soviets!! Basically, Khazarian Jews—not "Christians". This is only one example of misinformation in the "sin" observations so just hold onto what you KNOW and you will be fine—there is a lot of this writing which is EXCELLENT—you must simply discern "which part". This is a good opportunity to allow you to balance simple "writing and speculation" against what we offer—Earth-documented backup for that which we may well seem to give in fortune-telling mode. NO, no fortune-telling or prophecy as such—just what is coming down and how. Be prepared for ANY happenings of which have been projected—for they WILL happen. But if prepared—then you KNOW and you can handle it.]

Bush went into Iraq, "for our interests"

meaning the oil interests of the elite and also to raise his ratings in the polls. But they asked Warren Christopher why we won't help the Bosnian Muslims, he said that that "is not in our interest". So there is a double standard. **[H: Oh, but that is such a tiny minute part of it—double-standard is the understatement of the century and has nothing to do with anything.]** So they stand condemned as hypocrites and bigots and for this they are to be punished, paid double for what they have done! (Revelation 18:6). **[H: These men involved may well be guilty as stated—however, since the accusation is misinformed—is it not possible that the conviction on the charges and sentence might also be a bit "off"—in the NAME of GOD? And, "double" what?? When we ASSUME to state or foretell what GOD will or won't do—that is judging and is usually resultant in egg-on-face disease.]**

The UN allowed the rape of over 50,000 Muslim women in organized gang-rape camps by the Christian Serbs that have already given birth to the enemy's babies for "ethnic cleansing" which is really Nazi death camps and genocide. So shall their City of New York and the UN building be cleansed off the face of the Earth for its abominations in the just judgments of God. **[H: Oh? And what if it is London or Washington D.C. or San Francisco instead—or the City of Angels? When you speak FOR GOD in condemnation of a specific place, person or thing—you speak very foolishly, whoever you are. I would note that some are turning off to the possibilities of this happening at all just from the judgments assumed by the writer. Please do not do that—yet. Remember, the arrest of ones who were planning to bomb tunnels, buildings etc? This is very serious and, as a matter of fact, the target preferred is NEW YORK CITY. But it will be man-caused and the intent will not be punishment of any bigots, etc. If you misperceive the game and miss the players in the game—you are working on pure hocus-pocus—regardless of whether or not the timing may be correct. There are, further, some excellent observations by this writer so don't just toss the information.]**

Then the UN disarmed the Bosnians to begin with when they recognized them as a state but did not disarm the Serbs, allowing the war to start in the first place. **[H: Ah, but the UN would have had to disarm the SOVIET UNION to disarm the Serbs. As it is they DID drop food and needs to them under the stupid guise of "helping" stranded people other than Serbs. It was quite nice for the Serbs to have supplies in wait for them so they didn't have to carry same so far.]**

Now they say they "want" to "help", but this is only lip service. They say they will have to let the war reach its "natural conclusion", the death of all Muslims. So these four Beast

nations of the Christian West which paid lip service to God will be hit hardest as New York is the first to be destroyed and then later at the ensuing Armageddon one third of mankind is to die in one hour of thermonuclear war from amongst these bigoted white Christian Euro-American racist war mongers. **[H: No, it is the NON- or ANTI-Christians doing this thing.]** America will be hit hardest. Such is the just balance required by the hand of God in His vengeance for what they have done and are doing still. **[H: Man is doing it—I remind you—NOT GOD, IN VENGEANCE OR OTHERWISE!]**

The Romanian Ambassador exposed it best when he revealed: "We will never tolerate the establishment of a fundamentalist Muslim state in the heart of Christian Europe!" So God will never allow the establishment of their World Order of Bush with these four beasts in the heart of the planet Earth which God has vouchsafed for Himself, for His Kingdom seated upon the throne of David, for the righteous people everywhere and all the pure in heart from every creed, nationality, race and color. **[H: "God will never....(??) You would KNOW what God would "NEVER" do? Are YOU sure GOD needs planet EARTH?—or even wants it? Do you not think perhaps God has a pretty nifty "kingdom" of His own somewhere else? "Pure in heart"? Do YOU "ACTUALLY" know ANYONE who is pure in heart—and what does THAT mean? "...from every creed, nationality, race and color." How do YOU know that? God has only referred to "His people"—has not MAN perhaps enlarged upon the facts? I'm just asking.]** For HE sees without prejudice, HE knows without bigotry. **[H: How do YOU know what GOD sees and knows?]** Yet America and the UN have transmitted their double standard to all the nations of the world like a disease, like an AIDS. They have committed the war-crimes! They have committed the genocide! The bigotry, the racism. For this they are judged! By what they have done and are doing even now!

In order to raise his ratings in the polls Bush tricked Saddam into invading Kuwait (Iraq's 19th province) by having April Glaspie lie to Saddam in the name of the President of the United States that this country is not interested in Arab-Arab disputes (*Secret Dossier*, Salinger, p. 58.). For this the Arabs will trick the United States and Russia into a thermonuclear war over the control of the Arab oil and the occupation of Israel after the destruction of New York City and the bloody building of the gore-stained United Nations that feigns to be the prophesied "House of the Lord" of Isaiah chapter 2 (as written in stone in front of the UN building), but is in reality the "rebellious House" which is condemned. It shall be burned! So shall they be judged by what they have done!

Clinton pulled the same trick to raise his ratings in the polls by firing 24 Tomahawk

cruise missiles into Iraq to "send them a strong message" according to Eagleburger which was done on an unsubstantiated charge that was unproven and unprovable in any court of law that Iraq tried to assassinate Bush when he was in Kuwait. **[H: This was NOT done to have anything to do with polls ratings and think again—WHY WAS EAGLEBURGER MAKING ANY OFFICIAL STATEMENT AT ALL—FURTHER, WHY WAS SCOWCROFT WITH BUSH WHILE THE ACTION TOOK PLACE? ???! IT IS THESE THINGS WHICH YOU SHOULD GET STRAIGHT FOR THE ASSUMPTIONS OF SUCH ERRONEOUS REASONS AND HAPPENINGS ARE GOING TO DO YOU IN.]** Thus Clinton is tinkering with the lives of 30 million people. Those that live in the New York area that are targeted! Instead of making peace with Iraq he is walking in Bush's footsteps. Recently the Bosnian Muslims told the UN to stop the war or they will be forced to use weapons of mass destruction (poison gas) against the Serbs. Clinton has only continued the global terrorism of the World Order of Bush that he inherited, and for this the city will be destroyed during his term, during his office, during his administration and his rating will not be raised but lowered—lowered into the lowest abyss of abysses—for these atrocities he will be a horror and byword for ever more. Such is the Justice of God. They are judged by what they have done and [are] doing even now!

The result of the Gulf War was horrendous. The massacre and slaughter of 150,000 innocent Iraqi men and women and children. Unjust sanctions imposed against Iraq that caused thousands of infants to starve to death in a single month. The constant barrage of aircraft and cruise missile attacks. Threats and bullying by the world's most powerful country, the United States, against Iraq, a small country which has proven to be no match for American high-tech conventional military might. Thus the UN and the United States will pay for the suffering of the children whose orphaned cries sting the air and for the weeping and wailing of childless mothers that reaches upwards to the all highest heaven into the very ears of God! **[H: Do you REALLY think God's ears aren't at the very lips of the sorrowing Mother? The "highest heaven into the very ears of God"?? Come now—it is bad enough without this sort of misperception that somehow God is not around—this writing has become a total perception of a MAN who wants you to believe his wisdom and statements come from GOD.]** For this, America, your great abominations, your sons and daughters in the city of New York shall perish in the flames. This is the decree of Almighty God **[H: It obviously, IS NOT!]** who sees the sins of mankind even in the darkness of night and exposes his wretchedness even from behind the locked doors of secret government conclave and intrigue! So they

have done! So shall they pay! For what they have done and are doing even now! **[H: I might bring up something this writer seems to miss in this great judgment—the UN building is NOTHING. The heart of this “Beast” described is in the Committee of 300 which sits in Basel, Switzerland and is made up ALSO of the Council on Foreign Relations, the Club of Rome, the Crown of England and the Bankers of the International Monetary Fund, the World Bank and the branch called the Federal Reserve. New York is simply a show-and-tell of NOTHING—a curtain behind which the entire of the world Supremists operate—so to destroy a city just because a “building” is there—would not likely be God’s doing—seeing that GOD is JUST. Any act against New York—WILL BE AT THE HANDS AND PLANNING OF MAN!!! This writer may very well be right about “timing” because the head gangsters like to fit their actions to that which can be blamed on God by calculations and “natural” disaster. STOP BLAMING GOD FOR YOUR OWN MISADVENTURES! By the way, to the Elite One Worlders—the nicest thing that could happen would be to blow away the UN—then the Elite would not have to any longer consider the inconsiderate little nations who pretend to have input! I can guarantee that on the day of UN “holocaust” the important players will not be present!]**

The weapons and artillery the U.S. used was [were] made of remanufactured radioactive Uranium waste which the United States gave to military industry free of charge which is now the cause of a rampant Cancer epidemic spreading throughout Iraq afflicting thousands of innocent Iraqi children:

“The cores of the U.S.-made bullets are crafted from radioactive nuclear waste produced during the uranium enrichment process required to make atom bombs and nuclear fuel rods. The hard but otherwise useless DU (depleted uranium) is often given to weapons manufacturers free of charge. According to a confidential report last year by the United Kingdom Atomic Energy Authority (AEA), at least 40 tonnes of depleted uranium were dispersed throughout Iraq in the course of the Gulf War.” — Rich Winkel, Feb. 29, 1993 (IPS).

Therefore, their precious city, the delight of their eyes, their city of New York and the seats of all the nations at the UN and the flowing colorful flags of the world are all to be burned in one blast from the hot furnace of hell! More radiation was dumped on Iraq than during the entirety of the two bombs the U.S. dropped on Nagasaki and Hiroshima in all of WW II. For this Saddam will retaliate and they will be repaid with a thermonuclear device of those that sanctioned this crime against humanity and the genocide of the Iraqi people. They claimed to be the House of the Lord and their injustices, war-crimes and

atrocities, are heaped higher than the very heaven. These world Hitlers will pay by the blood, the very blood of their own evil doings. Their end is to be burned! The city vanquished. Their governments fallen. Their oppression over-turned. Their hypocrisy exposed. Their double standard cut down! They will be repaid in blood double for what they have done. Such is the recompense and retribution of the Just and All-Powerful Infinite Invisible God! So shall they be judged for what they have done and what they are doing even now!

“Say: Is there any remover of difficulties save God? Say: Praise be God!

He is God! All are His servants and all abide by His bidding!” — the Bab.

America is the biggest terrorist nation in the world and through the UN, with the four beasts united together as one, this double standard and bigotry had been exported to all the world. **[H: Good grief!]**

Like Jonah who gave his message to the city of Nineveh that it would be thrown down and destroyed unless they repented, do you see the United States or the UN repenting? I don’t see them returning the land to the Native Americans! I don’t see America recompensing the Black man for his 300 years of stolen wages! I don’t see justice by the UN for the banished 390 Arabs into the No-Man’s-Land of southern Lebanon! I don’t see the canal going back to the Panamanians! I don’t see the UN repenting for what they did and are still doing to Somalia! America is the greatest terrorist Nation in the world and for this it will pay.

*And the word of the Lord came to me: “Son of man, what is this proverb that you have about the land of Israel? saying, ‘The days grow long and every vision comes to nought?’ Tell them therefore, ‘Thus says the Lord God: I will put an end to this proverb, and they shall no more use it as a proverb in Israel.’ ...But I the Lord will speak, and it will be performed. It will not longer be delayed, but in your days, O rebellious house (UN building), I will speak the word and **PERFORM IT**, says the Lord God.” — Ezekiel 12:21-25 RSV.*

Count the days, your time is up! The piper shall be paid! The reaper puts in his sickle which is sharp and cuts to the very bone! The recompense is due! This day is the day of the retribution of God, the Almighty and the All-Powerful!

“The world is in travail, and its agitation waxeth day by day. Its face is turned towards waywardness and unbelief. Such shall be its plight, that to disclose it now (in the nineteenth century) would not be meet and seemly. Its perversity will long continue. And when the appointed hour is come **THERE SHALL SUDDENLY APPEAR THAT WHICH WILL CAUSE THE LIMBS OF MANKIND TO**

QUAKE. Then, and only then, will the Divine Standard be unfurled and the Nightingale of Paradise warble its melody.” — *Baha’ullah, Gleanings #LXI, p.118-119.*

September 4th, 1993.

p.s. We have warned you. The blood of the people is not on our hands. If you fail to warn them it shall be upon yours! **[H: Wow! Do you see what this “Pilote” is doing? He gives us this blast (all who have a newsletter or paper) and then drops the bomb—he is THROUGH—all responsibility is over and WE get to carry the garbage out to the people. Boy, do my team members wish for some of THAT KIND OF WASH WATER!]** “Son of man... If I say to the wicked, ‘You shall surely die,’ and you give him no warning, nor speak to warn the wicked from his wicked way, in order to save his life, that wicked man shall die in his iniquity; but his blood I will require at your hand. But if you warn the wicked, and he does not turn from his wickedness, or from his wicked way, he shall die in his iniquity; but you will have saved your life.” (Ezekiel 3:17-21; 33:1-9).

END OF QUOTING

The Sun D I D Stand Still?

8/11/93 #1 HATONN

This next is a one-page writing which we have also been asked to offer in the paper. I do not know when it was written but it was received here yesterday. It comes from a Pastor Ray R. Morawski, Fundamental Baptist Church. Sorry, this is all the information given other than the writing itself.

QUOTING:

THE SUN DID STAND STILL!

Did you know that the space program has **proven** that what has been called “myth” in the *Bible* is true? The following statement is by Mr. Harold Hill of Baltimore, Md., a consultant in the space program and is printed with his permission:

I think one of the most amazing things that God has for us today happened recently to our astronauts and space scientists at Green Belt, Maryland. They were checking the position of the Sun, Moon, and planets out in space where they would

be 100 years and 1,000 years from now. We have to know this so we don't send a satellite up and have it bump into something later on in its orbits. **[H: Like tonight's meteorites in this "shower" coming??]** We have to lay out the orbits in terms of the life of the satellite, and where the planets will be so the whole thing will not bog down! They ran the computer measurement back and forth over the centuries and it came to a halt. The computer stopped and put up a red signal, which meant that there was something wrong either with the information fed into it or with the results as compared to the standards. They called in the Service Department to check it out and they said, "It's perfect." The head of operations said, "What's wrong?" "Well, they have found there is a day missing in space in elapsed time." They scratched their head and tore their hair. There was no answer!

One "religious" fellow on the team said, "You know, one time I was in Sunday School and they talked about the Sun standing still." They didn't believe him, but they didn't have any other answer so they said, "Show us." He got a *Bible* and went back to the *Book of Joshua* where they found a pretty ridiculous statement for anybody who has 'common sense'. There they found the Lord saying to Joshua, "Fear them not: for I have delivered them into thine hand: there shall not a man of them stand before thee." Joshua was concerned because he was surrounded by the enemy and if darkness fell they would overpower them. So Joshua asked the Lord to make the Sun stand still! That's right—"The Sun stood still and the Moon stayed...and hasted not to go down about a whole day." *Joshua 10:8, 12, 13*. The space men said, "There is the missing day!" **[H: Please, not "me" kind of "space" men. How many out there know anything about computers?]** They checked the computers going back into the time it was written and found it was close but not close enough. The elapsed time that was missing back in Joshua's day was 23 hours and 20 minutes—not a whole day. They read the *Bible* and there it was—"about (approximately) a day".

These little words in the *Bible* are important. But they were still in trouble because if you cannot account for 40 minutes you'll still be in trouble 1,000 years from now. **[H: Wow, if you swallow this without question, you are already in hot trouble and won't have to wait 1,000 years!]** Forty minutes had to be found because it can be multiplied many times over in orbits. **[H: I'd really like to meet these intelligent "space" scientists.]** This "religious" fellow also remembered somewhere in the *Bible* where it said the Sun went BACKWARDS. The space men told him he was out of his mind. But they got out the book and read these words in *II Kings*: Hezekiah, on his death-bed was visited by the prophet Isaiah **[H: Yeah, and I bet another one or two cute beings.]**

who told him that he was not going to die. Hezekiah asked for a sign as proof. **[H: Wouldn't "living" be proof enough?]** Isaiah said, "Do you want the Sun to go ahead ten degrees?" Hezekiah said, "It's nothing for the Sun to go ahead ten degrees, **[H: Really?]** but let the shadow return backward ten degrees." *II Kings 20:9-11*. Isaiah spoke to the Lord and the Lord brought the shadow ten degrees BACKWARD! Ten degrees is exactly 40 minutes! Twenty-three hours and 20 minutes in *Joshua*, plus 40 minutes in *II Kings* make the missing 24 hours the

space travelers had to log in the logbook as being the missing day in the universe! Isn't that amazing? Our God is rubbing their noses in HIS truth! **[H: Or someone is doing something to someone's nose! May your walk through this veil be ever so interesting in wisdom! But may you never err so greatly in setting your time-piece.]**

END QUOTING

Thank you. Salu.

HOW Think Ye That I Would Return?

8/12/93 ESU "JESUS" SANANDA

I Come As SANANDA. Was it not foretold that Esu Jmmanuel would return in two times a thousand years bearing a new name? Why think ye that this new name SANANDA sounds strange and foreign and mysterious? It is not mysterious or strange; it is merely unknown to thee. SANANDA means, beloved, "ONE WITH GOD"; it is a station, a state of being. I AM SANANDA AND I COME IN LIGHT. I AND MY FATHER ARE ONE!

Ye ones have such limited understanding. Can ye not take something on FAITH? How think ye that I would return? **HOW THINK YE THAT I WOULD RETURN?!** I AM RETURNED. I COME WITH THE HOSTS OF GOD. I COME ON THE SILVER CRAFT. WHY IS THIS SO DIFFICULT TO UNDERSTAND?

I did not say I am on that place, Earth-Shan. Man is a physical, third dimensional being with flesh and bone and needs which are very physical, not mystical. Would God not send that which is sufficient to the needs of man? Ye ones have faith that God will bring His people home, that HE IS UNLIMITED IN HIS GLORY, and then ye **SLAM THE DOOR SHUT AND LIMIT YOUR VERY GOD BY SAYING HE WOULDN'T SEND SILVER CRAFT!**

What think ye is meant by "HE WILL COME ON THE CLOUDS"? HE SHALL COME, BELOVED, ON THE WINGS OF THE "SILVER CLOUDS", THE "FIERY CHARIOTS"—THE SILVER CRAFT!

STOP LIMITING YOUR GOD. YOUR

GOD OF LIGHT HAS NO LIMITS—HE IS **UNLIMITED**, HEAR ME! OPEN THINE MINDS THAT YE MAY RECEIVE THE MAGNIFICENT GIFTS OF THE FATHER. IF YE FILL THINE EARS WITH COTTON AND BURY YOUR HEADS IN THE SAND IT SHALL SIMPLY BE TOO LATE AND YE SHALL BE PASSED BY.

HOW MANY WILL MISS THEIR VERY LIFE-RAFT CLAIMING IT IS OF SATAN BECAUSE SOME MAN TOLD THEM SO? WOE TO THOSE BEINGS WHO MISLEAD GOD'S PEOPLE FOR THEY SHALL BE HELD ACCOUNTABLE FOR THEIR ACTIONS.

WILL YE LISTEN WHEN YE HEAR THE VOICE OF GOD, WHEN YE SEE THE LIGHT OF GOD? OR WILL YE TURN ASIDE FROM THE LIGHT, THINKING IT IS EVIL? LET THOSE WHO HAVE EARS, HEAR THE WISDOM OF NOT TURNING ASIDE FROM ATON'S LIGHT, FOR HE IS THE VERY SOURCE OF YOUR BEING. HE **IS!** AND I AM. AND I AND HE ARE ONE.

Will ye come with us in Service unto THE MAGNIFICENT CREATION? Will ye choose the path of physical density that shall only bind thee to that dimensional wheel of life? Each must choose who they serve and where they shall serve. Let it be the better part of wisdom that allows each of God's people to hear the call and respond.

Each must assume responsibility for self within God's Laws for man. Only then will man know BALANCE.

We come as the messengers—we are your elder brothers, your teachers. Beloved of Earth, be not smug in your knowl-

edge, for the knowledge ye hold is but a single grain of sand. Consider the number of grains upon the beach, that is how far ye have to go! Ponder it!

Open thine minds and hearts and hear God's WORD—for THE WORD IS! So, too, ye must come into KNOWING, and when the knowledge of your relationship with

God, within The Creation, is firmly established, the information shall pour forth like water through the funnel and ye shall learn the wonders that await.

There is a time and a season. Be patient in waiting upon THE LORD for nothing shall be brought forth out of sequence or before its time. HEAR THE WORD AND

LEARN.

I, Sananda, come on the silver wings. I come with THE HOSTS. Won't ye listen to thine elder brothers that ye may know freedom?

So be it and Salu.

Juror Speaks Out After Weaver - Harris Trial

Editor's note: The following is a transcription of a dynamite telephone conversation between Rick Martin, for CONTACT, and "Dorothy" on August 13, 1993. "Dorothy" was a juror on the recent Randy Weaver-Kevin Harris trial in Boise, Idaho. Her observations give us all pause for thought even though long-time readers of Commander Hatonn's writings will have acquired a bit more pessimistic view of what our government was up to in this trial and what tools of the adversary — like robotoids, mind control and plain old outright cruelty and deception — were fully utilized without any hesitations of conscience.

Rick: Before we talk about the Weaver-Harris trial, would you mind just telling me a little about your background, the size town you're from and that sort of thing so our readers can get an idea where you are coming from?

Dorothy: Ok. First of all, I was born and raised in North Dakota. I graduated in North Dakota from the University in Education. In 1971, my husband and I and one son moved to Idaho so my husband could go elk hunting. We sold our trailer, moved to Idaho without jobs — to come here and get a job. So, I've lived in Idaho ever since. I live in a small community, it's called Hazelton, which is about 18 miles out of Twin Falls and has about 300 people. I live out in the country. We live on a little farm, 80 acres, and we grow beans and potatoes and hay and wheat. I have two sons, my oldest son goes to school in Washington studying to be a radiology technologist and my youngest son is going to be a junior at Albertson College in Idaho and he hopes to become a doctor.

Rick: And how old are you?

Dorothy: How old am I? Well...my birth-

day is on Halloween, so this year I'll be 45.

Rick: Ok. The way I'd like to do this is, pretty much, just listen and let you tell your story.

Dorothy: Laughter.

Rick: I would be very interested in hearing your perceptions about the Weaver-Harris trial.

Dorothy: Well, maybe, you might want to focus me in on an area because the field is big to just plunge into.

Rick: Ok. Well, specifically, I don't want to lead the conversation in any particular direction but just what your observations were, say, in terms of how the government presented evidence.

Dorothy: Ok, can I start out first of all with a real concern of mine—how juries are selected.

Rick: Yes, I want you to tell me your story, whatever you feel is important with regard to this entire matter. Just speak freely and I'll ask questions and interject as we go along.

Dorothy: Ok. Well, first, I didn't know much about this Randy Weaver situation before I arrived in Boise on April 13th. I knew it had happened. I knew he had surrendered and I knew his son was killed and I didn't even know his wife was killed. I didn't even know his wife was killed until Mr. Spence told me on the opening statement, so I was really naive on that part. I kept hearing him talk about this Vicki and I kept thinking, "Where is Vicki? Where is Vicki?"

In fact, I didn't even know who Kevin

Harris was until I was on, I call it, the *piers of the courtroom*, on April 13th and this gentleman next to me told me who Kevin was and I said, "We're dealing with two people here?" So, I am so thankful I did not have a lot of background with regard to this case. We had little stories, but I didn't read much about it. School was starting and my kids were getting ready for college, so I didn't read much about it.

Now, getting back to the jury selection, the part that just mind-boggles me. We got there in Boise and there were a hundred people who had been called for jury selection and, 92 I believe, showed up. And they herded us into the room. I truly feel jury members have to be honest when they go up before the selection. I wasn't selected as one of the initial 36 people. They selected 36 by just drawing the names out of a hat and they seated them after they drew them. For example, the number one gal was selected for the jury and she was seated number one. Then they started the questioning process and people are not honest. They are just not honest or they're just too afraid in an open court to answer these questions. They asked us certain things like number one, what's your occupation; what's your husband's occupation; how many children do you have; what's their occupation; have you ever studied law, I can't remember what the other part of it was. It wasn't too bad.

We had a gentleman on there who wanted to be on there so bad, he was an attorney, a prosecuting attorney at Boise, I think. That man made me so angry because he would not eliminate himself from the jury selection and, finally, they had a sidebar, I assume, they took him into the judge's chambers and he was not selected as one of the 16 people to

serve on this jury and I was so grateful.

The people who we got seated on this jury, many of them had far too many biases. They came into this thing and they had read every article in the newspaper, knew everything about it and they had those biases. Those biases got in the way of making the decision in that deliberation room, I really felt. One of the jury members didn't like Mr. Spence. She'd watched something on *60 Minutes* on him a couple years before. She didn't like Mr. Peterson, who was also one of Weaver's attorneys, because he had prosecuted somebody against her company or somebody where she works.

Rick: Was there any discussion among the jurors that that should not come into play?

Dorothy: That's one thing that I would love to have people know. There was something that went on in that jury room during the trial that we should have reported to the judge, which we didn't. One time, a man made a comment, something awful about, "I'm on this jury to get these killers put away." We should have reported that. This girl, we should have reported her when she made some other comments to this gentleman and I. It should have been reported and we didn't. And, if nothing else, if people are selected for a jury and people aren't honest—if they're reading the newspaper, watching TV, or discussing this case with anybody, people have to report that to the judges.

Rick: Well now, did that one particular juror who was there "to put these people away", turn around later on?

Dorothy: Can I answer that without giving this away? Ok, I'll tell you what he did. He became our Foreman and he is the one who got ill and had to leave.

Rick: Ok.

Dorothy: Does that answer it?

Rick: Yes it does. God works in mysterious ways!

Dorothy: He does, boy I'll tell you, if prayers were ever answered that was one because we didn't know what we were going to do with him. And he wanted to be the Foreman of the group; he had no leadership ability but he wanted to do it.

The jury selection, the average age of this jury at the beginning, was 53 years old and that was a concern of mine also because this trial was really demanding.

We had to be there at 8:15 in the morning and we got an hour, hour and fifteen minutes off for lunch, and we worked until 5:30 every afternoon. Some of these older people who are over 60 and 70 years old are used to having afternoon naps. And I would look around that courtroom in the afternoon at about 2-2:30 and I would see a lot of them having naps in the jury box. I was concerned because I thought, if I was on trial and they're not hearing what's going on and having a nap up here, how can they, in the end, make a decision. I mean, we're dealing with people's lives. That was a real concern of mine—the age factor. I don't know how they select juries; I don't know how attorneys pick them. They had to pick us out of the 36.

Also, some of the jury members went out as to health problems. They asked if any of the jury had health problems and some of them did. One of the gals got ill during the trial, she hyperventilated and had to go on real strong tranquilizers to keep her body functioning, and then she wasn't able to really hear what was going on in court because of the medication to keep her body functioning on a normal level. She said it happens to her all the time and, I thought, why didn't she just say that this happens to her, because this was kind of an emotional case. So, the jury selection is something that's mind-boggling and I don't know if this happens at all trials or if this just happened in this one.

A lot of people were kind of star-struck, that is, they wanted to be there. One guy had read all of Mr. Spence's books. I didn't know Mr. Spence. I didn't know he had written books. And he'd read the Claude Dallas book also, that Judge Lodge, who was the judge, was involved with, that case. Another gal had worked for a judge, so she knew all about Mr. Spence. Another gal said, "This is the trial of the century!" And I thought, "How do you know all this stuff?" To me, I thought they knew way too much about the attorneys and the case to really go in there and make a real unbiased decision. Ok, that is my speech on the jury selection. That has been a real concern of mine.

Rick: Was the jury aware of how much authority it really, legally, had?

Dorothy: I don't think we did. I don't think we knew. You mean, how much authority we had with making the decision?

Rick: Right, that you can even go so far as to vote your conscience, regardless of

the existing laws on the books.

Dorothy: No, we did not really understand or appreciate all that. We really were kind of under the assumption—and I didn't realize that until we got done—that we had to exactly follow the judge's instructions to the jury. We were really specific in following the jury instructions.

Rick: As I understand it, the judge spoke a very long time to the jury about what the specific instructions were, is that correct?

Dorothy: Yes. We went in one afternoon after they were done. We went in and he read all the instructions to us, from this big detailed instruction booklet. It's like 65 or 69 pages long, the jury instructions, he laid it out for us.

The problem we really had when we got into deliberations — with count 3 (failure to appear, see page 26), there were so many different dates Mr. Weaver tried to call Mr. Karl Richens and the probation officer and Boise and he didn't know anything about it. Mr. Richens wrote him a letter back, gave him another date, then he was given a date from the judge, at the hearing, and then they changed that date because of the travel time. I thought all those things should be taken into consideration for failure to appear. And the way the instructions were written, that was the third part of that, he intentionally did not appear.

We had testimony where Mr. Mike Weland, a newspaper man, went up to see the Weavers, I think in May of '92. Randy told him that after he got done in Coeur D'Alene, he talked to his family and the family decided to go to the mountain and they wouldn't come off the mountain. So that is why, finally, I changed my vote to "guilty" on that one. And then the one, he was also guilty on Count 9 for carrying a firearm while he was out on his bail or bond. That is the one that carries 10 years of prison, carrying a gun after released on bail.

Rick: Jerry White [*Weaver-Harris Updates and Press Releases via APFN*] mentioned to me that you're going to be going as an observer to the sentencing hearing. Is that correct?

Dorothy: Yes.

Rick: Can you talk a little about that?

Dorothy: Well, you know, this case has really been hard on me. When I got home I was just an emotional wreck because I

had worked so hard and then I just didn't get everything I really wanted. I've been to see Randy at the jail. This other gal, another "Dorothy", and I went one Saturday and signed up and we got to see Randy. I just really feel I have to go to the sentencing because I've been through 3 months of his life and this is the final chapter and I really feel I have to be there. I guess for myself and for Randy.

Rick: Jerry mentioned that you'll contact other jury members; is that correct?

Dorothy: Well, the other "Dorothy" and I have already talked to two of them and they are planning to go in just before the hearing. We're going to contact all the members. There are three of them that I don't know if we'll contact or not.

Rick: Is there a reason we shouldn't print this particular information. Is it going to be detrimental if we print this? Would there be any reason why the judge might take exception to that?

Dorothy: I have no idea. The only instructions we received on our way out of the jury room, Judge Lodge came to see us, and the only thing he said was that we could only talk, in the deliberation room, about what we were involved with. We couldn't talk about anybody else. Other than that, you know, you might want to say that some of the jury members are planning to attend.

Rick: Ok, that's fine. Let's talk about surprises in the trial itself. At what point were you shocked or surprised or dismayed, if at all?

Dorothy: Well, you know, I've been thinking about that one. I think my first surprise came when we had opening statements and the first witness was called on the stand. His name was Cooper [U.S. Marshal]. He was the only eye-witness to the shooting and the prosecution, of course, asked him all the questions and things seemed real tense. We were new at our job and didn't know what was going on, and then Mr. Dave Nevin had him put on his full camouflauge gear and I thought to myself, "Man, he's in full camouflauge gear, and they're telling me Kevin could see him in the woods." And then, throughout the trial, that really had an effect on me. I kept visualizing when they'd show pictures of the area with the trees and the vegetation. It really has had quite an effect on me, that full camouflauge thing, you know, being in the woods. And I just can't figure out, to this day, how Kevin could have even hit him, you know, and been able to see

him when he just was leisurely walking through the woods.

Another really hard time for me in the trial was when Dick Rogers from the Crisis Center from the FBI was on the stand. When he was on the stand he just — no compassion — he just wanted things to get over. He just was, I just couldn't believe, that our government had officials who just couldn't really — who had no compassion or caring for people at all. And when he was talking about the rules of engagement, and changing that when he and Duke Smith were on the airplane coming up to the standoff. **They just changed the rules of engagement so that any male carrying a gun would be shot and the information they were acting on was not even accurate** because when Hunt called him back there, he said that Randy had shot from a pickup at him. And that was the information they were using to change the rules of engagement. **This is really scary when government officials can change laws of our land to suit whatever situation they're in.**

Lon Horiuchi just did me in. That day was just so hard for me to sit there and listen to that man talk about, first of all, he's a West Point graduate, so he's very intelligent. He applied to be a sniper. He enjoys doing this kind of work. And he didn't have any remorse at all about killing an unarmed woman with a baby in her hands. That was really very difficult. I also felt really sorry for Randy and Kevin to be there listening to this testimony. They had a terrible time reliving this, I'm sure, hour after hour in that courtroom.

Editor's note: I can't resist jumping in here for just a second: These kinds of observations—of cold, heartless beings, devoid of compassion and human traits of warmth for fellow man—are easier to understand for regular readers of Commander Hatonn's writings, especially those dealing with the technologies of Robotoids and aspects of Mind Control.

Ok, what other shock points? I was really shocked that — I didn't realize that the government went out, you know, the ATF (Alcohol, Tobacco & Firearms). I was really surprised that the government did this with the entrapment issue on Count 2. I was really surprised when Herb Byerly was talking about hiring this Gus character and he put him undercover, paid him to go undercover. He started trying to get American citizens involved in criminal things. Randy had no prior record of ever having any criminal activity. In fact, the FBI had checked him out

in 1986 and he had no prior record at all. I was really amazed that the government would go out and hire people to go out and be informants to get the average citizen to commit a crime. That was really something I had never thought about before this trial.

Rick: Was there any discussion among the jurors in that regard?

Dorothy: The Count 2 of the entrapment issue was the hardest count to come to a consensus as to a "not guilty" verdict. In fact, we were hung on that one for a couple of days. We were afraid we would have to go back in with a hung verdict on that and I did not want to do that because I knew the whole core of this whole case was the sale of these shotguns. If we went in with a hung verdict on that one, to me that would be giving the government, police departments, everything, a wide-open "ok, it's alright to hire somebody to go in and any citizen you kind of want to pick apart you can do that". Count 2 we spent a lot of time on. That was one of our hardest issues, the sale of the firearms. The exact count was charged with "making, possessing or receiving two illegal shotguns on or about and between October 11 through 24, 1989". I knew this was basically the core, the beginning point of the whole case. I knew this one was so very, very important that we got a verdict on it and I truly felt that Randy had been entrapped. For the simple reason, the ATF did not have any information to use for evidence that Randy had decided to make and sell these guns. Mr.____, this Gus, this informant, had prior meetings with Randy for about three years. He had met him at the Aryan Nation compound.

Rick: Mr. Who?

Dorothy: We called him Gus all the time. This was the government informant. His real name was Ken Fadeley, his informant's name was Gus Magiosono, or something like that. We, all the time in the deliberation room, called him Gus.

He had prior meetings and he, the ATF, could have taped the prior meetings but they chose not to. Mr. Byerly from the ATF also did not want this Gus to keep any record of it all, any written record. That was a concern of mine. If they would have kept some written records and had some evidence, but they didn't. In my job, and in most people's jobs, we have to have proof of what we do. So he didn't have any. The only evidence they started giving us was after he agreed to make and sell these guns to Gus. So I really felt it was totally a case of being an

entrapment issue. Randy had no prior record at all of doing anything.

Rick: Was there any discussion among the jurors, prior to reaching a "not guilty" verdict in some of the counts, concerning possible retaliation by the government?

Dorothy: No, we never did think of that. I'll tell you, we had so many counts to come up with. We had so many counts and we had so much to do that we really did not have any time for any other outside activities—as far as being concerned if we had a "guilty" verdict here or a "not guilty" on any of these issues, for any government retaliation. We didn't discuss that. It didn't even cross our minds. It was really, really an emotional time to be in that room and I had such strong feelings about what I saw happening in that courtroom; that this man was entrapped. I saw Mr. Hutch, who was from the United States Marshal Service, he tried. He really, truly tried. I think he put his heart and soul into the case and he really wanted to bring a peaceful settlement, but then he would try to come up with plans on how to bring out a peaceful settlement. He would turn them in, in fact, once he had a plan, that he would go up to Randy's cabin with a white flag, no gun, try to talk to Randy, and Mr. Ron Howen, who was one of the prosecutors, said, "No, rejected by U.S. Attorney's office." So, he was really, I thought, a concerned person who wanted to bring a peaceful settlement to the case. I saw some compassion in him. But some of these other people, it just seemed like, no, we have to strictly do it by the book and this person is kind-of all bad. I don't know where they got the idea that Randy was bad. I think with his beliefs, they thought, with his belief system, I don't know. I still can't figure that one out, why they didn't try something to get a neutral person to go up there. And it even seemed, and we did discuss this in the deliberation room, the people who they chose to go up to try to intervene and negotiate with Randy, weren't always his best friends. They were just, maybe they had a little something or other.

Rick: Bo Gritz was not allowed to testify, was he?

Dorothy: No, he didn't. He didn't testify. I don't know if he was on the prosecution's list or not. I didn't know any of the list of witnesses when the prosecution read them off for us the first day. And I know Bo Gritz's name was read off, because I knew who he was, having run for President. I don't know if the prosecution had

him on their list or not, but he was read off on either the prosecution or the defense list.

Rick: Was there any point during the deliberation that you would say that a Divine Hand had a play in turning the course of discussion or anything of note?

Dorothy: I'll tell you, I really do feel that way. We were hung, we came out July 8th, I believe it was. On July 7th we left that night from the courthouse in Boise, we were still hung at Count 2 and we had been for a couple of days. That was the only one left. And we had tried everything. We had been into, we had asked for testimony to be reread for us, Mr. Peterson's cross-examination of Herb Byerly where he said, "Did you keep any written record before?" He said, "No." "Before Randy consented to sell the guns?" He said, "No." "Could you have?" And he said, "Yes." "Could you have tape recorded him?" And he said, "Yes." And I mean, it was just right down to what the jury instruction talked about concerning the entrapment issue. We came back in and we discussed it again and we had two people who just said, "No, I'm sorry. He was not entrapped. He decided this on his own." And, in fact, then one of the jury members thought we should go in as a hung jury on that. Some of us said, "No, let's just wait." When we came back the next morning, I had talked earlier to one of the gals and I said, "We've just got to do something. We've got to get these people to understand how the government has to be responsible to have evidence on people. You can't just say they've gone out and do this beforehand. And Randy, they had no prior evidence that he was willing to do this until Gus came into his life. We came that morning and she read a thing about what she has to do with her work and then I said some things and, one of the gals said, "I think we better take another vote." And we took a vote and she went with us and we still had one standout. And a few minutes later she came with us. And, I think, I don't think there was a person on the jury who didn't say a prayer. It was really emotional. And then we were finally able to do it. [*"Dorothy's" voice was breaking at this point.*]

Rick: Well you had a lot of prayers out here, that's for sure.

Dorothy: See, I still get choked up over that because it was the most emotional thing. You know, once we finally knew we had come to a consensus on something so important. You know, when you have people's lives—I mean—I'm truly a

person for government. I think government is important but I think we have to watch our checks and balances and I think it's important that we do watch what the government is doing because I don't like them to do what was done to Randy. I feel responsible that my government did this to this man; I do. It's the funniest feeling. I feel, this is my government and I don't want them to make criminals out of innocent people. I don't like to have to see a family on top of a mountain with nowhere to go, no help. I mean, they tried. A caged animal, any animal, if you put them in a corner, what are they going to do? Pretty soon it comes to what can you do to get out of this situation. And I think the Weavers up there had to feel like caged animals. They couldn't go out. They couldn't go off the mountain. They couldn't get supplies. They were at the mercy of some friends to bring them food and things that they needed. That is a real concern of mine. [*"Dorothy's" voice is breaking again here.*] Am I answering your questions alright?

Rick: Very beautifully, in fact.

Dorothy: Once our jury Foreman, Jack, wrote up that we had come to consensus on all of them and we had finally reached a verdict, we all took the verdict, and this is kind of neat, we all formed a friendship ring. I said, "Before we leave, I think we all need to stand around the table and we need to hold hands with the verdict because it was so important, before we take it out of the jury room." [*Voice breaking*]

And then, the second really emotional thing was having all the people come. You know, we left on closing statements and we thought, I thought, "Boy, I'm going to be responsible for two people's lives. I might even be responsible for how the government is going to perform in the next few years," because I think, I hope, our message sent a strong signal to the FBI, to the United States Marshal's Service, and the ATF—that they have to be accountable for things they do. I was thinking, if we can come out of this with a verdict that sends a message to them, "Hey, you can't do this," maybe they'll stop and reevaluate some of their policies and take a harder look at some of their people. So it's really important. The jury, I call them "the jury from hell", because I just didn't think we were dealing with people who really had a lot of mental stamina—some of the people, I think, left on the closing statements and didn't understand what was going on with this whole case. They had not taken the time to really piece it together.

Rick: Based on your decision, I would say

it was a jury from Heaven, if anything.

Dorothy: Maybe now, but boy, at the time I called them, during the sequester, I called them "the jury from hell". I really did, that was my name for them and that will never change because they were so hard to deal with. Like, one lady, once we had formed our friendship ring and the verdict had left, so we had an hour and a half. So we were standing there and she was really a difficult lady, difficult because she wouldn't let herself understand it. And she stood there and looked down and she said, "Dorothy, how come it took me so long to understand what was going on in this case?" And I just hugged her and I said, "It doesn't matter. Do you understand now?" And she said, "I do." And to me that was really quite an accomplishment. She finally understood. It took twenty days of really hard work to make her understand what had really happened up there. And when she walked in the deliberation room she was ready to have "guilty" and get out of there, on all counts. So, being on a jury is a very interesting experience. I think it probably makes you a little more patriotic, and especially in a case like this.

Rick: It's a pretty special case.

Dorothy: It was, it really was. Three of us really felt we had a calling to be on this case. It might sound stupid to you.

Rick: It doesn't.

Dorothy: We were taking a break one day and the other "Dorothy" and I and "Anita" were standing there talking and we all three said, "When we received notification for our summons to come that day for that jury duty—we all three felt there was a special call for us to be on this jury." We just knew we were going to be on this jury, and she was one of the alternates who was moved up. We all three felt we were going to be on this jury.

Rick: Was there anything in particular that Gerry Spence did during the trial that made an impact on you?

Dorothy: Gerry Spence—I want to write him a letter, because our jury Foreman came out and said Spence was a Hollywood actor. I didn't personally feel that way at all. Gerry Spence gave us the information that we needed to use. He gave us the evidence, the tools, his wording of his questions were so outstanding. You know, I'm an English teacher and I would give Gerry Spence an A++. He taught us, he showed us what we needed to know. And if you just took the time to listen to the prosecution and listen to the defense and listen to the questions he asked, you knew

what was going on. He made this case so black and white for me. I just exactly knew what was going on because just by listening to him. His questions, just his down-to-earth questions and, you know, right to the point. You knew where he was going. I thought he was outstanding. I thought Mr. Peterson was outstanding also. He worked on that Count 2 for the entrapment issue and he gave us the tools we needed and I truly think that Mr. Dave Nevin was super for Kevin, as an attorney. He was really basic. And they gave us the information we needed. They helped us sort it out.

This case had so much junk thrown in. I think the prosecution tried to confuse us by the way they presented the case. It took me awhile to think, why did we have Cooper as the very first witness? You know, why are they telling me about all these VW vans? I don't care about what kind of cars they drive. I think they were doing all this stuff to confuse us as a jury. When we went in that room, some of them were very confused and we had to make timelines. We timed everything out: what was in 1983; what happened with his first arrest; when was he arrested. We did all of these for the counts. What evidence we had and what went on, so we could basically lay everything out for all these people to understand. And I truly thought there was a lot more incidents that Randy was accused of doing than he was guilty of when I went in the jury room.

So, that helped me understand we're just dealing with "failure to appear" on the gun charges, because the way they were talking about, and I know nothing about all these different things, they go to a Grand Jury for all these different terminologies where they warrant. A warrant for his arrest would supercede this bench warrant for this thing, so that is how the government presented it to us. They wanted us to be confused, thinking that if we were confused or sat there with more issues, we'd not be able to come up with a verdict like we did. And, I tell you, you do not understand. On going out of there, on closing statement, I never thought we could ever come up with a verdict on all counts. And we had some of the women who wanted to just give it up and turn it back to the judge and be a hung jury on all the things and just let the judge take care of it. And I said, "I have sat in Boise for three months and I am not going to make other people do this, and I am not going to make Randy and Kevin go through this trial again. This is senseless. We have the capabilities to do this; let's do it."

Rick: Is there any final statement you'd like to make to the American people or to anyone who may be facing a jury at some point in the future.

Dorothy: Honesty. We have to be honest, I feel. It's really even bothered me, Mr. Foster who was President Clinton's friend, committed suicide because of the depressing grind of Washington [*well, CONTACT readers already know what really happened with the purposeful "suiciding" of Vincent Foster; go back to pages 24 and 76 in the 7/27/93 CONTACT for the details*] and the FBI lied on the travel, you know, the truck thing. We have to make our government agencies be honest, just like the American people. For somebody facing a jury, oh, I don't know what to say. I feel sorry for them; they have to tell the truth and have faith. If the facts are brought out, if the facts are told, I think maybe the jury system does work. It does work, I guess, because I didn't think that this one would work but I truly think it did.

Rick: Now, when is the sentencing for Randy scheduled?

Dorothy: September 28th in Boise.

Rick: Well, I really appreciate this conversation with you.

Dorothy: Thank you. I hope I've given you some insight into it. It wasn't easy. This verdict did not come about easily and when I heard it read, it was just really an emotional day for me.

Rick: Has there been any backlash at all?

Dorothy: None. It's so good to go out into the public, you just don't realize; I just went to the dentist yesterday and my dentist and receptionist were there and he said, "Oh, great." I've had more people, you just don't realize how patriotic people are, they say, "Hey, great, I knew you were on there. You guys did a super job and thank you." I have not had one person tell me that we came out with the wrong verdict. It's just astounding to me because we weren't able to read the newspaper. We weren't able to listen to television. All these people. This case has really generated a lot of public interest and, I think it should. I hope it's made some people more aware of what is going on in government, too. That we have to have our checks and balances. People have been super. I haven't had any repercussions. I was really astounded when we came out of being a sequestered jury and we were running around with paper bags on the window. One of the journalists asked me, "Did that bother you? Were you afraid for your safety?" I never had any fear for my safety at all.

Rick: Well, Dorothy, you're a very courageous woman and I, personally, [*and, surely, a lot of our CONTACT readers*] want to thank you for your honesty and for what you did. God bless you.

The charges and verdicts 7/9/93

A federal jury acquitted Randy Weaver and Kevin Harris of murder and conspiracy charges Thursday. Here's the verdict on each count.

Count 1

■ Weaver: **Not guilty**

■ Harris: **Not guilty**

Conspiracy to commit certain crimes, including resisting and interfering with federal officers, firearms violations and murder.

Count 2

■ Weaver: **Not guilty**

Making, possessing and receiving two illegal shotguns between Oct. 11-24, 1989.

Count 3

■ Weaver: **Guilty**

Failure to appear in court for trial on Feb. 19, 1991.

Count 4

■ Weaver: **Not guilty**

■ Harris: **Not guilty**

Forcibly resisting, assaulting, opposing, impeding, intimidating and interfering with deputy U.S. marshals in the performance of their duties.

Count 5

■ Weaver: **Not guilty**

Aiding and abetting Kevin Harris in murdering Deputy U.S. Marshal William Degan

■ Harris: **Not guilty**

Murdering Deputy U.S. Marshal William Degan.

Count 7

■ Weaver: **Not guilty**

Possession of firearms and ammunition while a fugitive from justice.

■ Harris: **Not guilty**

Harboring, concealing, receiving, comforting and assisting Weaver after an arrest warrant had been issued for him.

Count 9

■ Weaver: **Guilty**

Committing the crime in count 3 while on a judge's release.

Count 10

■ Weaver: **Not guilty**

■ Harris: **Not guilty**

Knowingly carrying and using firearms during the commission of violent crimes.

any heart problems. Finally, enough letters and faxes were received in the Governor's Office to cause them to send Gunther to a heart specialist. The heart specialist found out that the prison had been prescribing the wrong medicine, which only aggravated his condition. After the examination, it was determined that Gunther needed extensive open heart surgery. I wonder how Ms. Schriro will answer this when she stated in many letters that there were no records that Gunther had heart problems. To sum this up, the State of Missouri simply doesn't have the money to pay for this kind of surgery, and so they would prefer that the parole goes through.

Another reason for the hearing is the release, through the American Patriot Fax Network, of a letter which was written by Missouri Secretary of State Roy Blunt. This letter is available through APFN or by faxing (408) 475-7336. In the letter, Mr. Blunt lays out the usual modus operandi for indicting and discrediting enemies of the current administration. This technique has been used extensively, not just in Missouri, but throughout the United States. A copy of this letter should be in every Patriot's file. [See page 37 of the July 20, 1993 issue of CONTACT.] It turns out that the company named for indictment in the letter was one of the CIA proprietaries in Missouri that Gunther started and was currently running. Mr. Blunt admits that "there are no grounds for the indictment, but once the charges have been made, then they (meaning those involved in the company) will have no credibility." Mr. Blunt goes on to promise the prosecutor in the case a judgeship if he brings these groundless charges. The U.S. Attorney's Office in St. Louis has issued summons to all former members of the Ashcroft Administration. This includes the present Governor Mel Carnahan, who was Lt. Governor under Ashcroft. Gunther is also receiving a summons.

The State of Missouri is facing a lawsuit for wrongful incarceration which could total in the hundreds of millions. I have written a letter to Gerry Spence asking him to represent us in this lawsuit.

We will have an answer from the Parole Board in one week. At this moment we do not know which way it will be settled nor do we know the stipulations that will be attached. We may have to agree to leave the country, but they may decide to parole him only to the State of Missouri which will allow them to keep us under their thumbs. When I know more, I will pass it on.

Thank you all for your encouragement and support.

Update On Gunther From Rayelan Russbacher

8/13/93 Rayelan Russbacher

This morning Gunther Russbacher went before the Parole and Probation Review Board for the second time in 11 weeks. The first parole hearing, on June 2, resulted in a denial. We were told that for Gunther to serve so short a sentence "would make a mockery of the seriousness of his crime." (Gunther is serving 21 years for a \$20,000 manufactured crime. The \$20,000 figure is made up of many different complaints ranging from \$300.00 to \$3,000. Compare his 21 year

sentence to Michael Milken's 20 month sentence.)

There are several reasons that the Review Board reconvened to hear his appeal for parole once again. The most compelling reason is that the State of Missouri doesn't want to pay well over \$100,000 for open heart surgery. Just weeks ago, many of us were involved in a minute-to-minute effort to get Gunther medical care and relief from a torturous work assignment. At that time, the Director of the Missouri prison system, Dora Schriro, denied that Gunther had

And Just *WHAT* Has *Henry Kissinger* Been Up To Lately?

Editor's note: Well, it's true...we have been neglecting the adversary's main puppet, Henry Kissinger, lately while focusing on other minions and their shenanigans afoot around the globe. But then we got a call one day this past week, and it was a most astounding call at that. We will only identify this caller as "Ethan" but, as you will be able to plainly discern, "Ethan" is a remarkably conscientious person who happens to have some equally interesting friends in the law business—who happened to cross Henry Kissinger. Oops! What you are about to read is a transcription of a remarkable telephone conversation between "Ethan" and Brent Moorhead for CONTACT, on August 12, 1993.

Brent: Alright. I have the tape machine going. You want to give an update on the Henry Kissinger lawsuit against Lawrence Patterson of *Criminal Politics*.

Ethan: Yes, all I can say, Brent, is, as we were speaking before you turned the machine on, Hatonn keeps telling us to be as peaceful as the dove and as sly as foxes. So, considering the information I am going to speak about, if you do want to contact me through the paper, I don't know what to say there. Write to "Ethan" and if you have any questions I'll try to find whatever I can and get back to you.

This information comes to me from an attorney within the firm who is handling the lawsuit for Mr. Kissinger. The firm's name is Robinson, Silverman, etc., etc. It's a law firm that Ed Koch, after he quit being mayor [of *New York City*], joined as an advisor. I don't know how many days a week he works there.

Brent: In New York City?

Ethan: Manhattan. They met with Henry,

apparently several times, and this particular person who shared this information with me wasn't sure at first why he was coming to the firm, but there was quite a bit of security and checks at the door and at each floor—with metal detectors, etc. And, finally, he found out. Kissinger wanted to sue Mr. Patterson and *Criminal Politics*, so this particular law firm was going to take the case and they put five or six attorneys on it. Two of them went to Washington to try to dig up stuff themselves. They sent for the last two years of *Criminal Politics*, plus, I believe, it was 1983, to study it to see what they could find out. The two came back with all sorts of documentation which led them to believe, for ethical reasons, they could not pursue the case for Mr. Kissinger and they told him so in this meeting.

Brent: What were those ethical reasons, do you know?

Ethan: Yes; they didn't explain to Henry at the time but they received, from sources in Washington, apparently, documents that showed things that Commander Hatonn has been writing about as far as weather control. These documents came from the National Oceanic & Atmospheric Administration. One was a signed document, apparently, allegedly, signed by Henry and authorizing the destruction of Homestead, Florida, and, of course, the Air Force Base there, among other things.

These guys had no idea of the existence or ramifications of the Secret Government, so they just backed out of it. Henry stated something to the effect that people just don't back out of things like this with him, with impunity. The argument got kind of hot and heavy between one of the senior partners and Mr. Kissinger, and so Kissinger left. The next day this fellow went in to

make copies in the copy room and the entire packet that they had assembled was gone. The firm went back to reestablish and document what they could. I assume they felt a little threatened at this point. They had seen so much that they weren't aware of. They started to reestablish things to work with the District Attorney of NYC to try to bring Kissinger down. It was then that one of the senior partners was on his way home to Croton-on-Hudson and two men, apparently, allegedly, I suppose, employed by Mr. Kissinger, greeted him from his bushes when he got out of his car and simply told him that they would allow him to live if his firm would drop the Kissinger investigation. He was shaking so bad I guess he checked himself into the emergency room for mild shock. Needless to say, they kinda put a stop to it.

Brent: I'm sure.

Ethan: They're not exactly sure how to pursue it. Some of the people are quite angered at the threat. And some of the people are just down-right scared, as most people would be.

Some of the documents that they did have, apparently in their possession or from the contact within, I think they said were from the Departments of Defense, State, Agriculture, and then the National Oceanic and Atmospheric Administration. These were the main sources of their information.

Some of the things that are planned are starting, beginning on 7/1/95, to be eliminated: unemployment, disability, welfare and social security. There was a report about federal housing facilities to be constructed or buildings to be converted that would have 25-30 people per restroom. They would have cots for

people. I guess the intention is that once welfare and unemployment and everything is phased out, these facilities would deal with the people.

Brent: Yes, they would basically start warehousing them then.

Ethan: Yes. January 1, 1996 is the elimination of cash worldwide. The Nellis Air Force Base in Nevada computer center would be the hub for the debit card. So when you get paid, you're not paid in cash or check — you're credited to this chip and then when you want to go buy groceries it's debited from the chip, the way I understand it.

Brent: Right.

Ethan: Automatic deduction of all taxes, federal, state, speeding tickets, etc. The document showed that there was complete control of the weather since March 25, 1988. Also with earthquake activity. A lot of the intention is to damage the food supplies, and government-controlled farms would be untouched. There are only a couple weeks left but what I was told, there is supposed to be a hurricane, similar to last year's Andrew in Florida, which will hit in Texas this month. There's not much time left!

Brent: Yes, we've gotten that information also from a lady who is part of the Crisis Center in San Antonio, that they have warned San Antonio to get ready to receive survivors and injured from Corpus Christi, Texas.

Ethan: Really?

Brent: Yes.

Ethan: Well the paperwork shows 200-mile-plus winds sustained, 40-50 inches of rain and then, as the hurricane moves inland, tornadoes developing into Wisconsin, Iowa, Illinois and Minnesota to destroy more farmland.

Brent: And this would be actually orchestrated and set up to happen on purpose.

Ethan: Yes. Through this Atmospheric and Oceanic Administration, I suppose. Remember when Commander Hatonn spoke of genetically engineered viruses? All I can say, Brent, is—and I'll probably get it wrong as I'm a student at this and I'm learning—

Brent: As are we all.

Ethan: As far as the genetically engineered viruses, there was paperwork showing that 18 cities, small towns, had

been selected. I don't have enough information, whether they are to be test centers or to help people stay out of the smaller cities and drive them toward the metropolitan hubs for better control, I'm not sure. This is to be released in 1994, 99.8% to be fatal, a 3-day virus. The cities are: Spokane, WA; Billings, MT; Casper, WY; Burlington, VT; Lansing, MI; Tupelo, MS; Ft. Wayne, IN; Tuscaloosa, AL; Roanoke, VA; Niagara Falls, NY; Caribou, ME; Ogden, UT; Flagstaff, AZ; Albert, NM; Minot, ND; Amarillo, TX; International Falls, MN; and Omaha, NE.

Brent: Wow!

Ethan: The Winter of '93-'94, their plan, if they can pull it off, will be well below 30 degrees in California to destroy agriculture in the state; a snowless winter of '93-'94 in Idaho, Wyoming, Utah, Montana, Colorado, West Virginia, Pennsylvania, New Jersey, Connecticut, Massachusetts, Vermont, New Hampshire, and Maine to help destroy the tourist industry and drive more people into unemployment and then be driven into the federal housing facilities; in July '94 they plan the release of genetically engineered insects and animals with no antidote for what these critters will be carrying of a dangerous nature; earthquake, California, October 11-12, 1997 with a nuclear device in the San Andreas Fault. This will affect lands all the way in to Arizona, cause tidal waves into Oregon and Washington. Most of California will be under water; then, in January '98, a national ban on firearms.

Brent: Wow.

Ethan: I think that's it. That's all that's been given to me. For what it's worth, I wanted to pass it along to you folks because you're the only clearing house of not only information but spiritual guidance, that I'm aware of.

Brent: Well we appreciate that. What is the source of this documentation?

Ethan: This is from one of the attorneys in Robinson, Silverman, etc., who actually had possession of the "Kissinger case" documents.

Brent: Ok, and these were gained from the research of these lawyers?

Ethan: Yes.

Brent: The sources of these were government agencies?

Ethan: The sources, what I have been told,

Brent, was from the National Oceanic and Atmospheric Administration as well as their sources they've made over the years, as a large law firm, within the Departments of Defense, State, and Agriculture. I have no reason to believe at this point that, for any reason, the person would be, in any way, making anything up or falsifying information. As far as I know, it is reported to me as this attorney knew it.

Brent: We certainly appreciate you sharing this information with us.

Ethan: Have you heard any indication from other sources that some of this is going to happen? It sounds, as we know from Hatonn and the JOURNALS, that it's not as outlandish as one might think. On the other hand, it's still — it takes a lot to comprehend it all.

Brent: Yes, it does, but this is just one more confirmation of all these things that are reported from other sources as going to be occurring. All of these things have been mentioned before. It's interesting when you get actual time-tables, giving you some indication of the planning that's involved and the sequence that's involved. But those things always change, too, as other variables come into play, such as the way we spill the beans on these plans! The time-tables change but it's interesting to hear a time-table such as you've suggested.

Ethan: They did have the dates in there that I mentioned to you. Some of those dates would be beginning, like the elimination of those different welfare programs or aid programs, entitlements if you will. Those matters were only beginning on those dates, not by the dates, the way I understand it.

Brent: Right.

Ethan: As we know, they can't always pull things off as they like to.

Brent: That's true.

Editor's note: Now we go to the other side of the tape, which is a follow-up call that included both Rick Martin and Brent Moorhead for CONTACT, again with "Ethan".

Ethan: I wanted to relay the information exactly as I received it so there is nothing of me changing it in any way.

I remember, one thing I mentioned to Brent about the documents that had been witnessed from the National Oceanic and Atmospheric Administration which, apparently, was signed by Henry Kissinger authorizing the destruction of Homestead and I mentioned Homestead, Florida and,

the more I thought about it, I seem — I'm not positive if that document said Homestead, Florida or Homestead Air Force Base. And the reason I say that is, the more I thought about it last night, I seem to recall the Air Force Base instead of the town. I'm just trying to be as accurate as possible.

The other thing is, I wanted to explain why the two members of the team of the law firm went to Washington. When the team was assembled to represent Mr. Kissinger, the team was very enthusiastic because of the bonus that was offered, above their salary, to do a good job and to find out the information necessary to bring the suit. What made it confusing is, the suit was dropped by the firm before the suit ever got to the point where they did anything, as far as presenting Mr. Patterson with papers or through the court. It was ended before that ever transpired because of what the lawyers found out. But when the lawyers went down to Washington to do the research, that's when they uncovered all of the shocking shenanigans and that's why they backed out of it. So I just wanted to clarify that, if I hadn't before.

Brent: Ethan, did you ever hear a dollar figure that they offered the attorneys?

Ethan: Well, each obviously had a little different salary, but it was \$100,000 each, bonus, above their regular paycheck.

Rick: That's motivation.

Ethan: Yes, but even with such "motivation", after they found out what they found out there was just no way that they could continue. The disgusting evidence was so overwhelming. Oh, this is the other thing that I forgot to mention. I was told they ordered from Cincinnati, from *Criminal Politics*, back issues covering the last two years, and then they picked a year at random, I believe it was 1983, to research those three years to get a real handle if they could nail Patterson for libel or whatever against Mr. Kissinger. They researched everything that Mr. Patterson wrote about him and they simply couldn't find anything in the three years that they researched that was incorrect.

[All around fit of laughter]

Ethan: I got a kick out of that, it's kind of comical. I'm sure Mr. Patterson isn't aware of this but, if he was, he'd probably be very pleased.

[Again, a round of laughter]

Ethan: I did forget to mention that point yesterday and that it was definitely one of the turning points in the decision of the firm not to take Mr. Kissinger's case.

Rick: Well, it's interesting. After we had spoken last time, I called Matt Ziebro at *Criminal Politics* and spoke with him. I told him about our call, anonymously. He mentioned they had received a similar call and they were aware but didn't really think it was on the level. They thought it was a little far-out. So, I think it would be interesting for them to understand that it was closer to truth than they think.

Ethan: Yes. Had they not had the wherewithall and the contacts already established in Washington, and apparently they did a reading at the Congressional Library, they spent several hours there trying to disprove Mr. Patterson, as I said, studying several of his issues of *Criminal Politics*, and they simply couldn't.

[More laughter]

Brent: You know, it's really refreshing to know that there are actually some attorneys out there who have ethics and actually would refuse somebody in his position of power. That's incredible.

Ethan: It is. I was quite pleased about that except, the way it turned out, and understandably so, I mean—if I had a

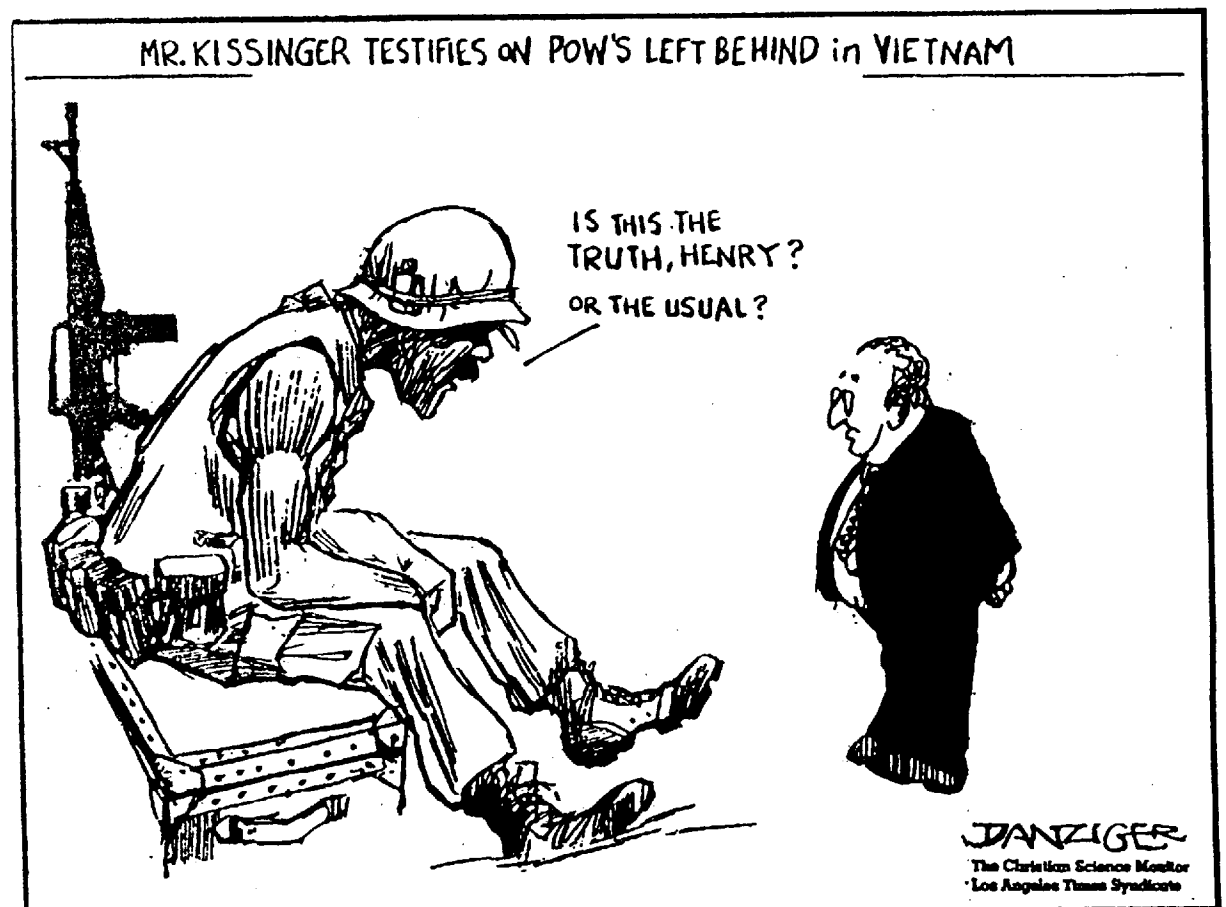

gun pushed in my face and I was told that I would be killed if I didn't stop something, I don't know if I would have the courage to continue either. I would hope, with the importance of this, that I would, but I can't say that I would.

I would say, one of the things that would encourage me, at this point in my life, to continue with "the fight" is what you folks have helped bring to us, in our awakening—that the physical is the illusion and the reality is our soul and that we're here learning lessons. When you come to that understanding, that level of understanding, even though it's very difficult because you don't want to relinquish the physical because that's all you know, you have a deeper feeling within you that, "Well, if I should have to go and leave this placement, it's ok." And that's still hard to deal with. I'm learning.

[Laughter]

Brent: Sounds like you're doing pretty well. And remember what Commander is always saying about those who have the guns get to make the rules, and we need alive workers and not dead martyrs. So a bit of wisdom and appreciation for the larger picture has to be factored into any of these situations of heroics.

Rick and Brent: Again, thank you, "Ethan", for calling and sharing this remarkable and confirming information. God bless you.

HENRY KISSINGER

Soviet Agent

by Frank Capell

INTRODUCTION

On March 20, 1974, an article entitled "The Kissinger Caper" by Frank A. Capell appeared in *The Review of the News* which showed that a former general in Communist Intelligence states that Henry A. Kissinger was a Soviet agent before he went to Harvard University. The impact of this article resulted in the reprint and distribution of over 100,000 copies; thousands of letters were sent to Senators, Congressmen and other Government Officials.

Invariably, the replies to these letters stated that Henry Kissinger was investigated on three occasions — in 1961, 1969, and 1973 — and was given the necessary security clearances. These replies were based on information supplied by the State Department. What was not stated, however, is that security clearances are granted by the Department of State IN SPITE of derogatory information developed during the FBI full-field investigations.

The fact is that Alger Hiss, Harry Dexter White, John Abt, Virginius Frank Cole, Laurence Duggan, Charles Kramer, and a long list of others who have since been identified as Communists and members of Soviet espionage rings, were also investigated by the FBI and were also given the necessary security clearances.

If it seems incredible that a Secretary of State can be a Soviet agent, remember that Alger Hiss was a top advisor to President Franklin D. Roosevelt and was one of the principal founders of the United Nations. High ranking government intelligence officials and government advisers not only in the United States but in Great Britain, France and other countries have been identified as Soviet agents. The Senate Internal Security Subcommittee, after a lengthy (bipartisan) investigation and the testimony of many witnesses, issued a report entitled "Interlocking Subversion in Government Departments." What was true then (1953) holds true today. The report stated:

The Soviet international organization has carried on a successful and important penetration of the United States Govern-

ment and this penetration has not been fully exposed.

This penetration has extended from the lower ranks to top-level policy and operating positions in our government.

The agents of this penetration have operated in accordance with a distinct design fashioned by their Soviet superiors.

Members of this conspiracy helped to get each other into Government, helped each other to rise in Government and protected each other from exposure.

The general pattern of this penetration was first into agencies concerned with economic recovery, then to war-making agencies, then to agencies concerned with foreign policy and postwar planning, but always moving to the focal point of national concern.

In general, the Communists who infiltrated our Government worked behind the scenes — guiding research and preparing memoranda on which basic American policies were set, writing speeches for Cabinet officers, influencing congressional investigations, drafting laws, manipulating administrative reorganizations — always serving the interest of their Soviet superiors.

Thousands of diplomatic, political, military, scientific, and economic secrets of the United States have been stolen by Soviet agents in our Government and other persons closely connected with the Communists.

Despite the fact that the Federal Bureau of Investigation and other security agencies had reported extensive information about this Communist penetration, little was done by the Executive branch to interrupt the Soviet operatives in their ascent in Government until Congressional committees brought forth to public light the facts of the conspiracy.

Powerful groups and individuals within the Executive branch were at work obstructing and weakening the effort to eliminate Soviet agents from positions in Government.

Members of this conspiracy repeatedly swore to oaths denying Communist Party

membership when seeking appointments, transfers, and promotions and these falsifications have, in virtually every case, gone unpunished...

Policies and programs laid down by members of the Soviet conspiracy are still in effect within our Government and constitute a continuing hazard to our national security.

Henry A. Kissinger appears to be an Untouchable. Most government officials and elected officers are hesitant to criticize him although his policies and programs invariably have strengthened the international Communist conspiracy at the expense of our national security and the U.S. pocketbook. Understandably, Kissinger has the support of many; Alger Hiss was also favored with the support of many at the time he was arrested for perjury in connection with turning over secret documents to the Soviet Union. Among those who rallied to his defense and testified on his behalf were the Secretary of State, a Supreme Court Justice and other high government officials. They eulogized him and attested to his fine character, loyalty and patriotism. There are millions of people in Eastern Europe living in Communist police states today as a result of President Roosevelt's acceptance of the advice of Alger Hiss.

To further strengthen the Communist regimes of the U.S.S.R. and Red China, Henry A. Kissinger has enabled them to obtain billions of dollars of credit and through his efforts the Communist governments of the once-free nations of Eastern Europe have been made to appear legitimate.

Tom Anderson, National Chairman of the American Party, sent a copy of "The Kissinger Caper" to every Member of both Houses of Congress and to 9,000 newspapers. So powerful is the influence and protection surrounding Henry Kissinger that the major news media have avoided any mention of it. This, therefore, is the reason for the book.

Argue All You Want

TRUTH Is Still TRUTH

8/14/93 #2 HATONN

SHADOW BOXING
A MATTER OF INTENT

As you walk through the shadows can you not see that if you remain within Truth and within God, you can "see" quite well for in every circumstance if you ask in intent of goodness in the receiving—you SHALL receive that which is needed. It rarely comes packaged as you pre-perceive. Then, you take the information (formulae) and create (originate) an alternative circumstance in which YOU have control and NOT your enemy over you. IF YOUR INTENT BE PURE—YOUR CREATION WILL BRING FORTH THE FRUITS OF YOUR LABOR IN PLENTY AND IT SHALL BE SWEET. If your intent is in worldly greed—you shall have fruit from your plantings—but it will be indeed BITTER. It may well "appear" your enemy continues to "win" but you deviate not from our purpose, goal and path—it will be you who wins—not your enemy. If "his" (your enemy) had the same Godly intent—he WOULD NOT BE YOUR ENEMY TRYING TO DISCREDIT AND PULL YOU DOWN THAT HE MIGHT HAVE PERSONAL GAIN.

It is important in this journey to not simply say "I have my truth" and "You have yours" and each is valid. Valid indeed, but NOT usually Godly. The surface words may well express "Godly"—while the actions and rock throwing indicate intent otherwise. Remember, also, vineyard toilers—what "appears to be" may well NOT be the whole of the story. Hold to the intent of projects in God's purpose, done in integrity of God-worthiness and the adversary will fall away—but not until THE NECESSARY LESSONS ARE LEARNED AND PRACTICED. Be they ever so seemingly "humble", even the most tiny "lesson" may be THE knowledge which will focus the WHOLE. Does this mean that you may not personally gain? Perish the thought—our major intent here is to PROVE to mankind that in God's garden—each can flourish both in soul growth and abundance to experience within this dimension—even with turmoil, upheaval and seemingly total devastation and evil around

you. He who would pull down and damage a brother to gain in "gold" is not in movement toward God—regardless of what he believes in consciousness. The fact that restlessness and "excuses" continue to flow endlessly—proves the lack of peace and fulfillment. When, further, you GIVE to GOD for HIS work and then demand it back with interest—you are bordering on serious reward in troubles. You may well get what you THINK you want—but it will be as bitter in the "having" as is the Hemlock sap. You can fool almost all of the people sometime, a lot of the people all of the time—but you cannot fool all of the people all of the time—AND YOU CANNOT FOOL GOD ANY OF THE TIME! The worst circumstance, however, is when you FOOL SELF—FOR THAT INDEED MAKES YOU THE "FOOL"! THIS ALMOST ALWAYS COMES WITH INPUT FROM ANOTHER IF YOUR PATH WAS TRULY PRIORLY IN THE LIGHT OF GOODNESS. IF YOU THINK I MEAN YOU, I SUGGEST YOU LOOK CAREFULLY AT WHAT YOU DO AND WHO GIVES ADVICE AND HELPS YOU TAKE THAT INCREDIBLY STUPID ADVICE! YOU, PEOPLE, ARE THE MOST FOOLISH AND "HAD" SPECIES. TOO GREEDY TO STAY IN THE LIGHT AND WAIT UPON GOD—AND TOO FOOLISH TO KEEP FROM FOLLOWING THE PIPER WITH THE SHEKELS OF GOLD. IT IS CALLED "FOOL'S GOLD" BECAUSE YOU FINALLY GET IT AND IT HAS NO VALUE AND IT HAS LEACHED OUT EVERY FRAGMENT OF GOODNESS WITHIN. Usually then what happens is the "adviser" takes leave for he would not want to live with a "fool". This, further, usually happens when he has stripped you of all that you THOUGHT was of value. The adversary is indeed UNKIND, my children, and as always—you do it to yourselves.

FOOD STAMPS AND EKKERS

This is a new low, Mr. Green(berg?) and Miss Annie. Your actions are SMALL and demeaning even unto yourselves in your already "small" actions. You have started an investigation into the Ekker's eligibility for Food assistance? You idiots—they are in the process of taking early Social Secu-

rity, their home was confiscated by the RTC AND SOLD to people in Arizona! What did you tell these investigators? Well, they are finding exactly what you might expect—THAT THE EKKERS WOULD ALSO BE ELIGIBLE FOR FULL ASSISTANCE WELFARE—THANKS TO YOU! I would further suppose that a few more of your letters in lying intent to damage—to other parties who happen to "believe" and share in our journey—might well make you quite "liable"—especially Annie and L.F. You may just wish to express unconditional love—but what you are doing is lying about your treatment, your funds, your intent and the nasty little network you have going. If you are still an emissary of Mr. Green, Annie—it seems like a good idea to reconsider that stance.

Your letter to Mr. David P. is libelous if David was first a friend of MINE who came to work out his problems with the "system" in use of our suggestions. Assuming David is "just a friend" and was FIRST YOUR OWN CONTACT AND FRIEND, then you certainly have freedom of speech—however, it appears to me that David was efforting to sort Truth and you offered him a plateful of incorrect information and outright lies. The Institute went a long way out on a limb to make things suitable to L.F. It matters not about the Ekkers—but you are continuing to damage the reputation of the Institute and that is going to be less and less acceptable to those who utilize and work with the Institute.

I wonder with this unconditional love stance of L.F. if he would be so happy were Nora demanding her money and suggesting that it be taken out of L.F.'s share so that she would gain—to hell with his loss? Moreover, what if she got the law and demanded Mr. F.'s share be paid to her IN GOLD COINS! You see, foolish chelas—the NOTES are backed by gold—YOU NEITHER PUT IN GOLD NOR BOUGHT GOLD. The Institute did buy gold which is held as security for your loan to the Institute.

What in the world do you want? You are not only "square", you are MAKING thousands and thousands of dollars in excess of your loan. There is NO "investment". L.F. LOANED money to the Institute—which did EXACTLY what they should have

done and now are repaying in full, plus! You really begin to look totally GREEDY and hardly "unconditional-love" oriented. Whoever is in charge of YOUR business, L., is about to do you in—credibility-wise and the last demand for MORE AND BIGGER just about got the whole transaction called off. If it be your attorney—you had better check it out. If you are allowing "others" to attend your affairs—YOU HAD **REALLY BETTER CHECK IT OUT!** And, in the letter you wrote to David you say I, Hatonn, sit up here and demand lawsuits? No, chelas, if I did nothing else—so be it. However, fortunate for you—I don't or I would have them slap a big one against you. I am going to match MY GOD against that one you play with. You can spell "my" GOD with a little "g" (god) and yours with a big "G" and it doesn't mean A THING. You go chase your GOLD and do your rituals—and we shall see. My first mission is to discharge the foolish ideas that you can play with the devil and call him anything you wish and dabble around in New Age and a new "Channeler" every day. If you have a new one every day, my children—you surely haven't found TRUTH in what you ARE doing—you prove that you are either steadfast in the WRONG path or you are still searching! What are you going to do with your money when you get it? Will it sit lightly and wondrously in your stomach or will your heart have a bad case of lead-poison? One of you may be in Truth and openly trying to "just be good"—the other is manipulative, deceitful and a liar and cheat. Which one? Does sucking a "bunch" within to "agree" with you make you RIGHT? No, just a bunch of WRONG ones.

If your new channelers, etc., are giving you Truth—WHY ARE ALL OF YOU STILL PICKING UP OUR PAPER (WITHOUT PAYING FOR IT—AT LEAST, SOME ARE SEEN GETTING THE SHEET YOU THINK SO FALSE AND MISERABLE) and your letter indicates that you certainly don't miss a word—Or perhaps one of YOU is the new psychic "channeler"? I know your spies and your silly little clutches—who cares? If I were not what bothers you—why do you continue to hang around "my" Truth? Why would you pull me down or even wish to when we have no group and no "power", no "nothing"—why do we seem such a great THREAT to you? IF YOUR WAY BE RIGHT—I SEE NOT "MY" CREW BOTHERING YOU—THEY EFFORT TO DISASSOCIATE AT EVERY OPPORTUNITY BECAUSE YOU SEEM TO HATE US SO. You can go light wicka candles all over the mountains if you like—it is your business—why does what I write and "do" bother you so much? By your own words: "New channelers are popping up daily and older ones fading out." What is it that bothers YOU? So, too, George continues to call and play with you ones—so, go play with him—he must be

one of YOU, he is not one of "us". He was not even kind to you when he was here—why is he such a "friend" now? You ones CHOSE—why do you not go with that which you chose and leave us be for we thrust nothing off on you. You even know, now, who is receiving reward for demands—perhaps you can now build temples and start your own "channel" drive or coven circle if that be what you want.

TO YOU READERS

Yes, I know you are sick of this garbage—ME TOO! I just want you to know something—THIS PAPER IS FOR INFORMATION. I come in the Highest Cause in service to God Creator—returning. I have come to meet this enemy head on—and he is a trickster—using every hapless person he wants, to harass and harangue. If it appears I confront some poor little human beings along the way it is because the "Big Boy Deceiver" is USING THEM AND THEY ARE TOO BLIND TO SEE.

I am NOT out to get these little tools of my enemy. I AM HERE TO HELP THOSE WHO WISH HELP—IN GOD. If your trip is in full intent of only worldly gain—do that which you will and use whatever you can to assist you. I force NOTHING, I do not know why ones would wish to partake of anything I represent—much less continue to battle, discredit and all other manner of nonsense. What do THEY want? I ask them to GO—they stay like glue. What is this? You ones are going to have to understand a lot of things—I COME WITH A MISSION AND WE ARE DOING THAT MISSION. I do not come here to play in your sandbox or argue a point of prophesy—I come in service to GOD and GOD'S people and most certainly if I annoy you—get thee from me. This little group in point set up their own little meditation circle and group and channel and chant—fine—why, if yours is RIGHT, do you continue to butt into my affairs.

This is a lesson to every reader—EVERY READER. We are not some cute little dip-slip rag-sheet. If YOU don't enjoy the information or the news—so be it, don't use it. If you subscribe and are disappointed—I'm sorry—how do you feel about the *L.A. Times* or the *Glendale Sun*? I do not beat my chest and say "come here and meet God" or "I force you to come here." We write a paper and the WORD OF TRUTH. If you disagree—go your way in peace and leave us ours. I CAN TELL YOU NOW—GUARANTEED—THE GOD "I" SERVE—**WINS!—with or without you! He does not pull YOU, push YOU or DRAG YOU. So, if you disagree with ME and MINE—why don't you "get lost"?**

I will spend weeks and years in honest debate or lessons if you want MY TRUTH. If you simply wish to argue in favor of

YOURS—go get your own paper. I continue at the very boredom and aggravation of readers to be kind and hope that you will see LIGHT—you few whom I adore and yet drift in your sea of silly confusion. I do not cause you to stop your confusion—I OFFER LIGHT. Take your money and your gold and go the way of the world and the Elite Puppetmasters—your choice! I AM NOT GOING WITH YOU—YOU ARE WRONG AND YOU ARE GOING TO BE "HAD"! YOU know I am TRUTH and the WAY—or you would GO YOURS! Almost all of you to whom I speak in this valley—CAME HERE FROM SOMEWHERE ELSE. WHY? JUST TO PICK ON ME AND MINE? Ekkers came here to work with Westinghouse and Mitsubishi and retire. So, if you came from somewhere else—WHY? And, if you found not what you wanted—why do you stay? OK, you like it here perhaps—then why do you continue to play in my garden?? Why? Because some of you KNOW I AM TRUTH AND HERE IS WHERE IT'S AT! YOU CAN BATTER MY SCRIBE AND E.J.—BUT YOU KNOW I AM TRUTH AND YOU THINK YOU WILL "SHOW ME"? GOOD LUCK—YOUR LUCKY CHARMS AND TRINKET RITUALS CANNOT TOUCH ME OR MINE. IF, CUTE ONES, THE MEANEST INTELLIGENCE TEAMS CANT ZAP ME—WHO THINK YOU TO BE?

Be careful, further, for many of those teams you thought on your SIDE are actually protecting (physically), OUR SIDE. Would it not be wonderful if we could simply be all on the SAME side? I do not denounce YOU; why is it so important to denounce me?

IS THE POPE "SKIING" AT ASPEN? SILLY GAMES OF MAKE BELIEVE

I even find it interesting that your New World Order politicians and even the Pope of Rome would play such silly, nitty games. Why do they need to DECEIVE? It is the time of the Aspen Institute PUPPETMASTER party. Why don't they just say that the Pope is here for the "Aspen" meeting and why not say Clinton is attending the "Aspen Group meeting"? No, we lie and say, golf, retreat and helicopter viewing and all sort of lies when the truth is known to those who care and the rest of you are simply deceived. This IS when they make their PLANS for things to happen and get and give instructions—so pay attention. Turn these pages quickly and go see WHAT is DOCUMENTED that THEY have planned for you nice folks [for example, see pages 27 - 32]. Publicity is ALL that will change the plans—uncovering the deceit is all that makes a difference. Things that have to be done in the secret, dark places need to be watched very closely indeed.

Why, for instance, are some of you so upset when I print Truth in the paper? If it

AUGUST 17, 1993

be "Truth" and you be "pure" in spirit and intent—why would you not be PLEASED to have your opinions and words SHARED? CHECK WHAT YOU DO IN THE DARKNESS AND HIDE—IT WILL TELL YOU A LOT ABOUT YOURSELF!! If you conduct yourself in such a Godly way that you can present everything you do to the entire of the public—you cannot fall from lies and deceit. If there is something you are ashamed of doing and do not want it public knowledge—I suggest you NOT DO IT.

Ones want to accuse me of being anti-Semitic and a basher of homosexuals. No, I just think some BEHAVIOR is not acceptable in PUBLIC. Your choices in the PRIVACY of your own place is your business. If it be against GOD—take it up with GOD; it is none of my business. As to anti-Semitic—my close workers are all basically from the line of Shem—Semites. How can I be "anti"? Color?? You are all made in the image of God. God is LIGHT and that means ALL COLORS. I do not speak behind ones' back—I put it right in the paper for ALL. Why does what YOU write and speak bother YOU to have witnessed? If, further, you do not like to be "bashed" then why do you first BASH? But I DO see—you want to "bash" and then pretend you did not or try to pretend it was not YOU who actually DID A THING. God may well turn the other cheek. In the human format—that is an awfully stupid thing to do if the opposition is firing poison darts. You want to throw stones but not have anyone toss them BACK. When they do—then you set up a reason to discredit them while you wash the blood off your hands.

Am I speaking "personally"? If the shoe fits—!!

FUNDAMENTALISTS AND HOMOSEXUALS

I wonder how many of you witnessed the show-and-tell on LARRY KING LIVE? It seems the books and biographies "written by" Jerry Falwell and Pat Robertson, along with speeches, etc., by Oliver North and many, many others were NOT. It turns out that a man, a "Reverend" person (I shall keep his privacy) WROTE THEM ALL! The audience and interviewers chuckled at the term used: "ghost writer". We laugh, here, for a much different reason—but so much for that.

Well, after years and years of "Christian" living and believing and living in a lie (this man had lived with a wife for 20-some-odd years and now is "married" to a "man" for an additional 9 years)—HE HAS COME PUBLIC WITH HIS SEXUAL PREFERENCE. Oh boy, the hoopla, denial, insults and other tricks. He has been DROPPED like a hot potato—Robertson DID suggest that the man call his "800 number" and they would somehow pray

and talk him out of a lifetime of homosexual preference.

Does GOD BASH HOMOSEXUALS? NO! He blesses ALL! He objects to the behavior against the laws of man and God. He blesses the man and "judges" the actions. Who would know if two men shared space and quietly went about their lives? What difference if two friends wish to communally share rent and insurance plans? It is the exhibitionist who brings the house down. It is no better for the pornographic behavior in a heterosexual than a homosexual. Why should a homosexual be blessed for public irresponsible behavior and the heterosexual arrested for the same behavior? With most it is a reaction and response to confusion and DIRECTION given by outside manipulators. It is the same, dear ones, as happened at Sodom and Gomorrah. EXACTLY!! IT IS NOT THE LOVING PREFERENCE AND RELATIONSHIP—IT IS THE ACTIONS AND BEHAVIORS! In other words—THE MANIPULATOR PUPPETMASTERS are orchestrating the masses of YOU exactly as they want you to respond.

What do "I" think about Falwell and Robertson and thus and so? Well, this nice man has done me a favor—for these two are MAJOR "Zionists" by their own description and work directly against the Christ and the people of God—BY DEFINITION AND ACTIONS. **It is not my business to condemn, condone, or do anything for or against these ones. They live in free choice of expression. I will not, however, CONDONE behavior that is against the laws of God and-or man. I allow it—for it is none of my business—it is not my business to JUDGE. It IS my business to tell you what may well be wrong with the ACTIONS.** There is "natural" male and "natural" female. Do I condemn two females who wish to artificially inseminate selves and bear children? No—it seems a bit unwise for there will be great pain and difficulty ahead for the child and it is a most selfish act to put self above the welfare of another—especially a child. Does it HAVE TO hurt the child? No, but it will—because the same women are on the television constantly demanding equal respect and recognition—to what? To a family who did not artificially inseminate—and married, bore children and quote, "live a normal family life". There are NO "normal family lives" left on your planet! By the way—AGAIN—"love" and "sex" are NOT THE SAME THING! Any more—they are rarely ever even a part of the same thing.

"Closet" this and "closet" that?? I thought closets were things in which to keep your apparel, etc., when not in use—not your lives! If you need hide your life in the closet—what are you doing that needs hidden? If you go forth, however, and demand that what you closeted be recog-

nized by EVERYONE as RIGHT—WHAT ARE YOU HIDING? You have simply moved from the closet to the street with your guilt-trip and dumped it on someone else.

ZIONISTS, BY ANY "NAME"

Neither am I, regardless of what you may be told, a Jew anything. The "Jews" are the very first to be "had" at the hands of these Khazarian Zionists!! They will be the first to be trodden down and put away. They have been sucked dry in effort to keep the "would-be" Kings going in their One World Order nightmare. They have been stripped continually to pay for Israel and every lobby group around—through the LIES. So be it—free will to choose. If you can make a black man an Indian Chief—go for it—but don't bitch about the outcome! Dharma has Cherokee blood lineage—why don't we make her LADY CHIEF OF THE INDIAN NATION OF BIRDLAND? Come on people—what are you doing? And WHY would you do it? To sell tax-free cigarettes and have gambling halls? Is that a worthy cause in the ancient ORAL TRADITION? I doubt it—but SHOULD the nation rise up over such cause and TRY to suck in God's Command troops? Well, I will stand beside any tribe member in honest fight for rights—but for a tax-free cigarette? Nope—sorry, folks. Neither will I STOP you—it is YOUR experience and if THAT be your choice of expression—it is your journey. I do find that the right of the Indian in his "nation" is valid—but the war is over that which is unacceptable to me already! Worse, it makes the honorable tribal thrust fall behind further and further. You must understand that "some" of anything is usually OK but it is as with the Holocaust. The LIE itself detracts from the sacrifice of the ones who DID pay the price. ONE is too many—6 MILLION is a LIE and the giving of the ONE is lost.

One man, Christ, as the myth goes—gave his life. Well, friends, 20 (and maybe as many as 60) MILLION Christians were killed by the Bolsheviks (Communist Soviets; often called Zionist Khazars—headed in every instance by "Jews"). Where is THAT holocaust listed?? Now "they" have stolen your Christ too—and guess what: "Judeo-Christian"—in other words the goat has conquered the lamb! WE'LL SEE ABOUT THAT! SODOM AND GOMORRAH WILL FOREVER STAND AS EVIDENCE OF WHAT HAPPENS WHEN MAN THINKS HE RISES ABOVE GOD AND BECOMES SUBJECT TO SATAN. WILL YOU DO IT AGAIN? YES, YOU WILL. **GOD WILL STILL WIN! CHRIST-GOD WILL WIN!** It has nothing to do with "Jews", White people, Black people, Red people, Purple people, Purple people eaters—or Green people. GOD, with HIS PEOPLE—WILL WIN! Now, you can call that "Son (Sun) of God" Jesus, Esu, Stand-

ing Bear, Buffalo, Flying Eagle, Light of Day, Source, Quetzal Bird, Aton, Black-Leaf,—you name it—**GOD IS GOING TO WIN THE GAME!**

GO WITH THE VISIBLE
WHAT IS REAL?

OH? You can't seem to get comfort going with my ideas? I am somehow invisible to you and therefore invalid? How many of you KNOW Mr. Kissinger? How many of you KNOW Mr. Yeltsin? HOW MANY OF YOU KNOW LARRY KING? How many of you KNOW who really heads the CIA? I bring you all this knowledge—but I am not "real"? Isn't it about time you used your brains? WHERE IS INFORMATION AND TRUTH COMING FROM—MR. KISSINGER? HOW ABOUT MR. CLINTON? OH, THE POPE? NOPE!! Ponder it. When

a question is asked, "Do you believe the President tells you the truth?" Everyone LAUGHS—the mere thought of it is so ridiculous it brings on fits of laughter. I HAVE NOT ONCE LIED TO YOU—NOT ONCE! I WOULD HOPE YOU WOULD PONDER THAT **FACT!** WHOEVER I MIGHT BE—I BRING **TRUTH—EVERY TIME!**

May you think on these things—and for you who feel yourself my enemy—you are NOT. You give me the lessons to present and the minute you wish to stop the fighting—**SALU!** You say you seek GOD? Then I suggest you start looking WHERE GOD IS. HE is right there within, alright, but HIS messengers and security troops are all around and it's your choice to go into the darkness or into the Light. I bear the LIGHT—how far are you going to get groping around trying to avoid same? I only deal with soul and LIFE. You who

wish to deal with conscious physical expression and your gold stores—**GOOD LUCK**, but it will be taking lots MORE than "luck".

Do I sound like the preacher? Probably not, for most preachers are controlled by their congregation—not a bad reason for not having a congregation! Little Crow has a gathering (not a congregation) and if you want the TRUTH—go listen in Garden Grove—**IT MAY SHOCK YOU!** This GODLY MAN may utter the words "bullshit", even. YOU HAD BEST GET WITH THE TRUTH OF YOUR PLIGHT OR YOUR FLIGHT FEATHERS ARE NEVER GOING TO MAKE IT IN TIME FOR FLIGHT-TAKEOFF.

In spite of all that comes against you, if you walk within God's Wings you shall walk in peace and beauty. May YOU ever walk in beauty! AHO!

Your World Teeters

On The Very Brink Of

GREAT Destruction

(Continued from Front Page)

aside THE WORD and call me liar and heretic. I tell thee your world teeters on the very brink of great destruction. I tell ye this not to create fear, for fear only serves to further bind thee and make you powerless to create change or to prepare—I tell you this that ye may know to **STAY ON ALERT.** This is notification to ones of mine workers to be AT ALERT. What mean I, alert? I mean if ye are lost in the physical by drinking alcohol or are so preoccupied in your activity of the day, ye will not be attentive when the time comes for us to communicate. This is not to say, to those in the New Age realms who would twist my words to suit their own needs, that there will be some massive lift off on this or that day. There may be, at some point, an evacuation if things get bad enough. What I am saying to mine workers is to stay alert that preparations may be made and that ye will be given to know where to go that ye may be safe in the event of a critical situation, be it war, or riots, or

earth upheaval.

I need mine workers attentive and alert, please!

Alert means to be ready to listen. Listen attentively, for if the bell rings and our own crew hear it not, what have we gained?

Go about your day to day activities but if ye hear a message, a tone, or are nudged to respond in a certain manner, please LISTEN--once ye have confirmed the message is of God and not your local military base! Ye ones in God's Service must become so attuned that ye KNOW. The LIGHTSHIELD of GOD is your only protection. I am reluctant to even speak in terms of alert—for such messages can be misconstrued and distorted and lose their original purpose. How else am I to reach mine beloved who need to hear the critical state of your world? How else may I let thee know that it is serious indeed? I **do not** tell thee to go to this mountain or that mountain for LIFT-OFF RAPTURE—what I am saying is that your world is in a critical state of affairs and, if God's people are lost to

that density, then they shall not hear important instructions when the proper time comes.

Be most attentive in the days ahead, alert, that ye may hear.

Ye will be given to KNOW when the time comes—but if God's people are lost to the alcohol or the drugs or the loud music or whatever, how will anything be heard other than Satan's drum? Ponder it.

Be most kind within your family structure, for ye have entered a time where nerves are on the very edge. It is the time when man shall turn against man, brother against brother, daughter against mother, son against father, and so it goes. Such is the time of sorting. Hold firmly to the LIGHT of God that ye may see clearly the WAY and that ye not be lost to the darkened chaos which is planned for your world.

I honor mine crew in this location for they serve their fellow man with honor. To ye of mine crew, I salute you! Salu,

I Am Sananda
In LIGHT

Get Moving!

On Matters Of Safety

For Children And Selves

8/16/93 SOLTEC

Good afternoon, child. Toniose Soltec, present once again in the Light of the Holy God. The mission moves forward this day, with so much taking place upon your globe that it is nearly impossible to cover all subjects.

We shall touch lightly upon the subject of the ongoing Earth Changes, yet there is another subject that I wish to cover with ones this day, as you move ever closer into the closing moments.

The Earthquakes continue in the Pacific in and near the small island of Guam, Japan, the Aleutian Island chain off the coast of Alaska, Mexico and California. It is but more of the same that has been ongoing for months. Potential for more major activity continues to build, so there is no place along this fragile area that is considered to be a "safety zone".

Potential for volcanic activity also grows with each passing day, as this entire area is a hot bed and tinderbox for volcanoes, for the origin of it is completely volcanic. As all things in the Universe are cyclic, so are the geologic periods of the Earth. This area was born from volcanic activity, and it shall continue in its growth process in the same manner from which it was originally birthed. The Philippines are at this time in a very precarious position, as they are caught in the "squeeze" of the surrounding crustal plates, making that place an area very definitely prime for seismic and more volcanic occurrences.

You are also now moving into the season of hurricanes and severe tropical storms, and evidence of this can already be witnessed by the number of these weather patterns already present and building in both your Pacific Ocean and

the warmer waters of the Atlantic Ocean. With the state of your global weather patterns, my suggestion would be to prepare for the worst, for if this season should be anything like that experienced last year, the places prone for such things are in for a real pounding. The factors are such that the possibility is greater this year than was last for extremely severe storms.

I would remind you who reside in such places not to be gripped by fear at these statements, rather that you ones consider this a forewarning and take relative action in your preparations, for these storms could come up very quickly, leaving but a few hours to prepare. It would be better that you ones have supplies already on hand and plans for evacuation, if needed, laid out. Injury and loss of life then could be at a minimum. It is when you ones wait until the very last moments to take action, and panic sets in, that loss of life and injury are most likely to occur.

Those of you ones who live in these places are well aware, from past experience, that water supplies, electricity and such will be either minimal or non-existent. Lanterns, candles, bottled and treated water, and a minimum of a week's supply of canned goods should be high upon your emergency supply lists.

You say, "But, Soltec, that is just common sense." I would agree, however, it would seem from past observations that common sense is not quite so common as you might believe, and the majority of you ones do not have adequate preparations made, and will continue to put it off until it moves into a panic situation.

Enough said on this subject. I shall now move on to the subject which is

most pressing at this time, especially to you ones who serve with us as ground crew members. Ground crew does not mean only those of you who live in or near the area of Tehachapi. We have ground crew stationed all about your planet, though the main focus for these ones is in the Tehachapi area for reasons we have covered prior to this. Therefore, I speak to **ALL** our people, regardless of location, so please pay very close attention to that which follows, for it is a subject requiring your utmost attention.

How many of you have prepared a place of "safety"? How many of you are still waiting for one reason or another? Yes, I thought so.

Too many have talked and talked the subject to death, yet have not done one thing about **TAKING ACTION**.

Chelas, you are just about out of time for ability to do something that will secure you ones relative safety during the coming days. If you are still residing in large metropolitan areas, it is time to get moving and get yourselves situated elsewhere.

You ones know the places, for you have been prompted by something from inside selves and it is time to act upon those promptings. **Your world is teetering upon the verge of not only massive Earth changes, but also upon nuclear exchanges -- and the large metropolises are going to become death camps. So, unless you ones get up off your rear ends and do something, you too will be caught and unable to escape the destruction which is at your very door this day.**

You have sat and rationalized the situation until too many of you become convinced that you are not to move on, that your livelihood needs to continue

for yet a while longer. **Listen to me: THAT INFORMATION IS NOT COMING FROM THE HOSTS OF GOD, BUT RATHER, FROM THE ELITE AND IT IS TIME THAT YOU BEGIN TO FOLLOW YOUR HEART, LEST YOU BECOME MURDERCIDED ALONG WITH THE MASSES!** You have been given more than ample time to make your preparations to get out of these places, yet most have sat back upon their laurels and done nothing! Chelas, this is not fun and games we play with you, it is a serious matter of life and death.

Yes--friends, neighbors and even your families will believe you have lost your minds, yet better that they believe you lost your minds than to lose your lives! **DEAD GROUND CREW CANNOT GET THE JOB DONE!** And, there are plenty of jobs to go around, believe me. Once the manure begins to hit the fans, there will be many believers coming to you ones for aid. How can you help anyone else if you are scrambling and panicking yourselves?

Too many of you ones are enticed by the "luxury" of "city living" and "old-thinking". You have reached a time when these old thinking habits must be revamped and new, innovative ways of thinking must come into your reality. If you ones have a safe roof over your heads, away from the death-camp cities, have your crops and energy needs met, then what else needs do you have? With all the information you have been given in past newspapers, JOURNALS and other recommended sources, you should, by this point, have adequate information for survival. It is time to put this information into use and get on with it, for there is very, very little time left.

DO NOT PANIC, CHELAS—DO NOT PANIC. I can not urge this strongly enough. Panic creates a state of fear and fear is immobilizing and you need to remain mobile.

All we are attempting to do is get you ones moving now so that when the time comes you will have no need of panic, for you will all be in your proper places of safety and able to continue on with your lives and perhaps be able to be of assistance to others who are going to be in time of dire need. Also, **we want our children safe, for it is the children who are the hope for your world. They are the ones who will lead you ones on into and through to the other side. These little children have come here at this time for this specific purpose and, as they grow and flourish, will come into this knowledge, providing that their Earthly parents have given them the chance.**

Be also very careful about how you ones are judging those upon your world

who are in those teenage years. These children need you more than ever before, as they are being bombarded from all sides with every imaginable horror, and some that you, as parents and adults, could never even comprehend.

Most of these children have had to grow up with little to no parental supervision and tending and you are seeing the product of this now in the form of drug use, gangs, street violence and teenage suicide. These children are looking at their future as non-existent and have become fearful to the point of hopelessness, for they do not see themselves as having any kind of a future upon your planet.

The very sad part is that they are absolutely correct. As the state of affairs are upon your world at this very moment, they have no future, so to speak. This is the reason that it is so very important that these children, and yes, they are still children, must be taken under proper parental and adult guidance so that they too may know The Truth and have hope for a tomorrow. Without a vision, man perishes. These children have no vision, therefore they are perishing at alarming rates.

The Socialists of your world are seeing to it that these young ones are taught by their *Protocols*, and it has been very effective. They are being taught that it was their parent's and grandparent's generations that have brought the ruin and destruction forth upon the world, and that the only hope they have is through these Socialist viewpoints. Well, Chelas, you know that these are lies, but how many of you have taken the time and energy needed to teach your children otherwise? You have turned over the education of your children to the State and now the State controls that which they are taught, and these children are merely products of that educational system. You have turned over the responsibility of your children to the State, and have, therefore, relinquished the rights over your children to the State. You now have an entire generation going into adulthood that are completely unprepared to function in the world. Yet, what have you done about it? You merely sit back and fret and fuss and wring your hands, rather than getting up off of your posteriors and doing something about it. How much longer are you going to sit back and allow the State to control the instruction of your youth? How many of you take the time to know what your children are doing and who they are doing it with? How many of you have taken the responsibility to give your children any spiritual instruction? Do you include your children in your daily activities, or do you shove them off to a day-care center, or worse, leave them to their

own means while mommy and daddy are off pursuing their careers. When you come home from working, do you continue to work at home, or do you take the time to TALK WITH your children? Notice I did not say TALK AT your children, but rather TALK WITH them. There is a very great difference there. How many of you parents take the time to listen to your children's concerns and fears? Most of you know more about your co-workers and friends than you do about your own children.

Teenagers are joining groups of other teenagers and forming gangs because they have little or no home or family life to go to. These gangs have become their surrogate families and they stick together through all, be it thick or be it thin. They listen to one another; they support one another and they are there for one another when the parents are too busy with their own lives.

You have babies having babies and grandparents raising these babies simply because, as parents, these grandparents did not do their job in the first place and it is now coming back around full circle to once again face them. These are actually the lucky ones, for, at least, most of these young mothers see a purpose in the new little life they have brought forth, and this little life may just be what kept these young girls from ending their lives. So, grandparents, you can thank that new little life for saving your child's life, and you now have a second chance at parenting—how will you handle it this time out?

Yes, in this case I intended to come across harsh, for what has been done unto the children upon your world is a crime against Creator God. You live in a throw-away world and too many of your children have been thrown away.

These children will not be abandoned, I assure you, for if you do not pick up and take care of them, then God shall, and He shall call upon His Hosts to bring them home. It just may be, one day, that you of Earth awaken to a world without any children and you who gave life unto those children will be held accountable.

Let us draw this to a close as there are many pressing matters which need be attended. Think, please, upon these things which have been presented unto you, for it is of utmost urgency and importance.

Chelas, there is too little time for you ones to ignore your responsibilities any further. Seek the Light Within and The Truth and you will see that I have not spoken untruth unto you. **Reach out to your children before it is too late.**

I leave you, as always, with the Love and Light of Holy God.

Toniose to clear. Salu.

Food For Thought And Action

P. 01

UG-14-93 SAT 21:05 APFN

PLEASE AIR THIS OPEN LETTER TO THE GOVERNORS:

IF I WERE A GOVERNOR, THIS IS WHAT I WOULD SAY TO MY FELLOW LEADERS--

A MILITARY PAYLOAD AT EDWARDS AIRFORCE BASE WAS JUST BOMBED. HOMESTEAD AIRFORCE BASE WAS DESTROYED, JUST AFTER BUSH ANNOUNCED HE WAS GOING TO USE IT TO INVADE CUBA WITH WEATHER CONTROL, EVEN THO THE SOVIETS SIGNED A TREATY WITH US NOT TO USE WEATHER WAR.

SO THE SOVIETS HAVE LOST 17 MILLION ACRES TO FLOODING THIS SUMMER. THEN 1 1/2 MILLION AMERICANS ARE IN THE WARZONE OF THE FLOODING IN THE USA MIDWEST.

GUAM WAS STRUCK BY THE LARGEST EARTHQUAKE EVER. WACO VEGETARIANS WERE KILLED BECAUSE THEIR COMPUTERS HAD BROKEN INTO IRON MOUNTAIN'S COMPUTERS.

NOW THE ATF AGENTS WHO FOLLOWED ORDERS ARE BEING "SUICIDED". WILLIAM SESSIONS WAS ALMOST ASSASSINATED THE DAY HE WAS FIRED BY AN ELECTRICAL BEAM IN FRONT THE WORLD.

LIKE THEY ALMOST GOT BUSH WHEN HE WAS IN JAPAN. SO CLINTON'S BEST ATTORNEY, VINCENT FOSTER, WAS KILLED, & WHO ELSE? OUR NATIONAL GUARDS WERE TRICKED INTO SERVING IN A FOREIGN COUNTRY, LEAVING OUR COUNTRY UNDEFENDED, WILL IT HAPPEN AGAIN IN BOSNIA OR SOMAILIA OR IRAQ OR ANYWHERE TO GET OUR FORCES AWAY? OUR SHORES ARE BEING INVADED BY THE RED CHINESE, THE COMMUNIST VIETNAMESE AND THE COMMUNIST MEXICANS.

WE ARE BEING TAXED TO DEATH, TO SEND BLACKMAIL MONEY TO ISRAEL AND THE SOVIETS, MAKING US THEIR SLAVES.

RATING OF EARTHQUAKES HAS BEEN CHANGED & MOST ARE NOT REPORTED. CIA AGENTS WERE MURDERED ON THE PLANE BOMBED NEAR CHICAGO IN 1988, AND AGAIN IN FRONT OF LANGLEY LAST DECEMBER.

WITH INSLAW, RICO, TREASURYGATE, INDIAN MURDERS, OVER 100 REPORTERS AND WHISTLEBLOWERS HAVE BEEN MURDERED--NO ARRESTS.

SIXTEEN SENATORS WHO DO NOT HAVE TICKETS TO THE BOMB SHELTERS IN AUSTRALIA, HAVE JUST BOUGHT THEIR OWN PRIVATE NUCLEAR BOMB SHELTERS FROM AN ENTREPRENEUR, AS REPORTED ON SHORTWAVE RADIO.

WHAT ELSE DO THESE SENATORS KNOW THAT YOU GOVERNORS MEETING IN TULSA DON'T KNOW? ARE YOU GOING TO WASTE YOUR TIME LISTENING TO CLINTON-THE OSWALD PATSY- OR USE YOUR TIME WISELY, TO SAVE THE CITIZENS IN YOUR INDIVIDUAL NATION-STATES? MAYBE IT IS TOO LATE TO STOP NUCLEAR WAR I (AND WE'LL NEVER KNOW WHICH SIDE STARTED IT FIRST), BUT YOU CAN BUILD BOMB SHELTERS, STOCK THEM, AND WITHDRAW FROM THE AGREEMENT YOU MADE WITH WASHINGTON TO PROTECT YOU, THEREBY, KEEPING YOUR NATIONAL GUARD AT HOME.

CONTACT THE FORMER GOVERNOR OF UTAH, J. BRACKEN LEE, AND HIS ASSOCIATE, JOSEPH STUMPH, 801-966-5533, AND THEIR COMMITTEE OF 50 STATES.

LEADERS, PASS THE UNITED STATES CONSTITUTION AS AN AMENDMENT TO YOUR OWN CONSTITUTION OR AN EMERGENCY REGULATION AND ~~THROW~~ DC OFF YOUR LANDS. WITH BOMB SHELTERS IN EVERY STATE FOR THE FEDERAL ELITE, YOU COULD STOCK THEM NOW WITH COMPOST TOILETS AND HYDROPONIC GARDENING (LIKE AT DISNEYLAND) AND SAVE MILLIONS OF YOUR PEOPLE BEFORE THE "WINTER OF '93" WAR. WHAT ELSE IS MORE IMPORTANT?

THE ROMAN NUMERAL 20 IS USED BY THE INTELLIGENCE COMMUNITY TO DESIGNATE AN AGENT WHO HAS BEEN BETRAYED OR 'DOUBLE-CROSSED' BY HIS COUNTRY

NOTICE OF INTENT TO STAGE ANTI-U.S. GOVT DEMONSTRATION

AT THE VFW NATIONAL CONVENTION IN DALLAS 8/23/93

1ST CAVALRY DIVISION

101ST AIRBORNE DIVISION

MACV

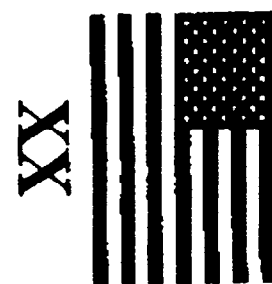

Hon. Steve Bartlett, Mayor
City Hall
Dallas TX 75201

FAXED TO (214) 670-3409

~~September 13th, 1993~~

August +

I have ordered main force elements of the Strike Force to take up offensive positions in front of the Hyatt Regency Hotel at 0700 HRS on 8/23/93 to protest the presence on Texas soil of U.S. Secretary of Defense Les Aspin. This will be a legitimate exercise of our constitutional rights, freedom of speech, assembly and petitioning of the government for grievances. If your police officers act inappropriately we will file triple-federal felony charges against them and sue the City of Dallas under Title 42 USC. We plan on having lunch that day in the public restaurant of the Hyatt and if their security is inadequate we will sue them as well.

SPECIFIC CRIMES OF THE QUEER-LOVING, MILITARY-HATING CLINTON ADMINISTRATION

1. Burned the U.S. Flag in 1968 with Jane Fonda in London
2. First President to allow IMF Bridge Loans for Hanoi.
3. " " " queers in the Army.
4. " " " U.S. Marines to die under non-English speaking UN Commanders (Bosnia, Somalia, etc)
5. Allowed U.S. Commerce Secretary Ron Brown to accept a \$700,000 bribe from Hanoi to guarantee normalization by September 14th, 1993

At a hearing of the "Nine o'clock Nonsense" (Reminiscent of the Saigon 5 o'clock Follies), the 0900 HRS 8/9/93 briefing to the National Security Council, Vice President Gore formally reported, "We have large numbers of live pilots still held captive against their will in Indochina, and like previous administrations, we will continue to ignore the situation". Clinton and Aspin were present and said nothing. Aspin, like Bush and Sen. John Kerry is a Trilat, CFR and Yale Graduate-Skull and Bones. "Boners" during their initiation must lie naked in a coffin, swear themselves with human excrement and take a satanic oath.

SPECIFIC CRIMES OF THE TREASONOUS, JANE FONDA-LOVING, HANOI-SERVING VFW NATIONAL OFFICERS AND LEADERS

1. 12/14/92 Endorsed the George Bush easing of the Trade Embargo on Hanoi.
2. 4/13/93 Refused to sign an 8-page letter from Senator Smith to President Clinton demanding no further normalization with Hanoi until all POWs had been accounted for. All other veteran and POW Family groups signed it.
3. 5/31/93 Accompanied Senators Kerry and McCain on a trip to Hanoi boycotted by other veteran groups.
4. 7/16/93 Refused for the second year in a row to send a representative to the National Alliance of Families POW/MIA Convention even though the National VFW Office is only ten blocks from the hotel. This is typical of VFW Leaders' callous disregard for the families of America's missing servicemen.
5. 7/20/93 White House Aide Capt Melvin Morin is quoted saying VFW leaders Rivers and Steadman met behind closed doors with Clinton and said that if he wants to normalize with Hanoi, VFW National would "Back him all the way"

In a TELECOM with Steadman, he stated "No US POWs went to China from Korea", and "my buddy, DIA General Tom ("Document shredder") Needham is a great guy who would do nothing wrong". IT IS HIGH TIME for the rank and file VFW members to wake up, fire their national executive directors Rivers and Steadman and force newly-elected National Officers to respond to the "Mood of the Membership" which is ABSOLUTELY NO FURTHER CONCESSIONS TO HANOI until we have full accountability for our POWs. Some individual VFW Members are so mad they are going to burn their membership cards at our demonstration and we are going to agitate the hell out of convention delegates as they enter and leave the hotel.

JOE L. JORDAN, Strike Force Commander

SURVIVAL IS ONLY TEN FEET FROM HELL

BY ASHTAR
(J6) \$7.95 136 pages

Commander Ashtar details the truth behind nuclear energy misconceptions and how to prepare for the probable Nuclear War which is planned. He explains that the U.S.A. has no underground Nuclear Shelter defense system, except for the Elite. Additional topics: The Ten Feet Underground Protection--Probable First Strike--Fallout Danger--Cost Per Person for a Shelter--Why You Must Prepare--Plans While America Sleeps--The Nuclear Deterrent Once Available No Longer Exists.

TANGLED WEBS--VOL. 8

BY GYEOGOS CERES HATONN/ATON
(J52) \$7.95 251 pages

"IT SHALL ONLY BE THROUGH THE KNOWING OF THAT WHICH 'IS' THAT YOU CAN RECLAIM THAT WHICH 'WAS' YOUR NATION, UNDER GOD WITH LIBERTY AND JUSTICE FOR ALL. THE TANGLED WEBS CAN BE SORTED BUT YOU SHALL DO IT-- GOD AWAITS, AT READY, FOR YOUR CALL."

Some of the many topics: Computer Chip Injections--Bo Gritz's Presidential Campaign--The Federalist Papers--The Necessity for Emergency Personal Food and Supplies--The Behind-The-Scene-Preparations for Emergency Takeover (Dictatorship) of the U.S. (INDEX INCLUDED)

THE LAST GREAT PLAGUE UPON MAN: AIDS AND RELATED MURDER TOOLS

By Gyeorgos Ceres Hatonn
(J65) \$7.95 242 pages

This is the first JOURNAL which is being updated and rewritten. Some of the critical topics included are: Gene Engineering--The Total Manipulation--Intrusion Into Genes--Why Is Gene Engineering So Dangerous--Genetic Manipulation Blocks "Our Emotional Life"--The Library Of Life--Breaking The Code--Man As Genetic God?--What Is Aids And What About A Plague?--Most Common Misconception About Aids Virus And Condoms--Royal Rife, Greatest Inventor Since Tesla--How The Epidemic Spreads--Hazards Of Behavior--Nikola Tesla--Antoine Priore. (INDEX INCLUDED)

ULTIMATE PSYCHOPOLITICS, MASS MIND CONTROL & THE GLOBAL CONTROL SYSTEM

BY CERES
(J66) \$7.95 221 pages

"When Control is gained--the masses can be programmed to do anything told to do and thus become as robotic slaves".

Some of the topics covered are: Nuclear Black Market--Emergency Shelters--The Waco Texas Siege--COM-12 Briefing--Black Rose Organization--The Promis Program--Russbacher And October Surprise--Giandriana--Human Genome Project--Microwave Harassment And Mind-Control Experimentation--The Existing Directed-Energy Arsenal--Overt & Covert Harassment--The "Stalker" Phenomenon. (INDEX INCLUDED)

THE WORD

Tapes, Transcriptions & Videos

In addition to audio tapes of meetings with Commander Hatonn and written transcriptions of some taped topics, *THE WORD* also offers other tapes and videos on selected topics.

Donations to cover the costs of tapes are \$4.00 for one tape, \$6.00 for two tapes and \$2.50 per tape for three or more, except where otherwise noted. The transcriptions are \$3.00 each. (Mexico or Canada add \$0.25 and other foreign countries add \$0.50 per tape or transcription.) Postage is included in tape and transcription prices.

Please send check or money order to: *THE WORD*, P.O. Box 6194, Tehachapi, CA 93582 or call 805-822-4176 if you have questions or you wish to use your Visa, Discover or Master Card.

If you desire to *automatically* receive tapes from future meetings, please send at least a \$50 donation from which tape costs will be deducted. We will try to notify you as your balance reaches zero.

Special Order tapes are noted below by * and are not automatically sent since this material is usually either already in print or will be soon. Available written transcriptions are noted by #.

The following is a complete list of meeting dates with the number of tapes in bold in parentheses and mentioning if the meeting has a special focus:

2/22/92(4); 3/14/92(4);	7/26/92(3);
3/21/92(2); 3/28/92(1); 4/4/92(3);	8/3/92(2) radio program, KTKK;
4/12/92(2) a talk at local Community Church;	8/8/92(2);
4/13/92(1) # "What is a Semite?";	8/31/92(2) Anti-Christ Banksters;
4/17/92(1) # "Who Were the First Christians?";	9/5/92(2);
4/25/92(2)* # "The Photon Belt";	9/12/92(2) radio program, KTKK;

Hydrogen Peroxide Use For Purification Of "Stuff"

Editor's note: We are re-running this important information on the purification uses of Hydrogen Peroxide not only because of its bearing on the New Gaia Products items (on the next-to-last pages) during these warmer summer months, but also because of the Elite's water contamination and other "plague" introduction plans.

4/27/93 #1 CERES 'ATONN

NECESSARY INSTRUCTIONS: GAIANDRIANA AND OTHER "PRODUCTS"

As we sit to pen this information I am at a loss as to how to keep you from thinking me idiot-material. However, you who already have past information, say, regarding Hydrogen Peroxide and its antiseptic-antibiotic properties, please be patient while we offer information to those who have not received same. Further, Summer is upon you and such as Gaiandriana and the Mo-Gu starters and/or tea need updated care instructions. [See next-to-last pages for the New Gaia Products being referred to here.]

We have gotten back from ONE who said he had the "stuff" tested and found a few bacteria, a virus or two and some E. Coli in the test-run. If it were the Gaiandriana I question that result very, very much. **It is important for you to know that in the culture medium utilized there is a combination of items which CREATE AND PRODUCE HYDROGEN PEROXIDE in the Gaiandriana transformation.** This will purify the liquid. This does not mean that you cannot contaminate the bottle in some manner. However, since intake decreases, usually, let us consider the "setting" bottle, etc. Of course it is recommended that you store the larger quantity in refrigeration facilities.

HOWEVER, if you have no refrigeration facilities, etc. Place the equivalent of 10 drops of food-grade (35%) hydrogen peroxide (H₂O₂) in a small quantity (approximately an ounce) of water (to first dilute the H₂O₂) and then add this diluted H₂O₂ to the 32-ounce

Gaiandriana or Aquagaia bottle. Remember to scale down the number of H₂O₂ drops utilized for the smaller 16-ounce and 8-ounce product bottles. The Gaiandriana or Aquagaia will continue to thrive and the unwanted bacteria and/or any virus will be destroyed and then actually removed by ingestion by the Gaiandriana or Aquagaia activity.

The "tea" (Mo-Gu) is a very different matter. You are making a very sweet growing medium for the membrane and in addition you are growing it in a warm condition (necessary) and further you are setting it for a couple of weeks or so, give or take a bit. What do I suggest? Well, I suggest that probably you won't want to ship much "tea" during the hot months because of lack of refrigeration in route. But, you CAN purify the water used in making the tea with the general rule-of-thumb water-purification formula of 7-10 drops of 35% food-grade H₂O₂ per gallon of water—which will additionally help enhance the membrane growth.

Then, later on, as you process or "harvest" the finished Mo-Gu tea product, and store it in the refrigerator, add another 7 to 10 drops (say, for a gallon storage container of Mo-Gu, with scaled down number of drops for smaller storage containers) of the 35% food-grade H₂O₂. Again, first dilute the H₂O₂ in some water before adding to the Mo-Gu. You will not taste it and neither will it hamper the value.

I always suggest, in adding any 35% food-grade H₂O₂ to anything, that it be **DILUTED FIRST**. Just as you must NEVER drop concentrated anything into the mouth (for it would damage living cellular structures), neither do you dump it full-strength into living culture medium. Dilute it in a bit (say, an ounce) of water first and STIR rapidly whatever it is you are dumping the diluted H₂O₂ into for purification purposes. Naturally, if just purifying a gallon of water, there is no need for active stirring, though a little closed-container agitation (a few shakes) won't hurt.

GETTING "SLIMED"

Another question: What about that

slimy goo in the bottom of the bottle of Gaiandriana or Aquagaia if left out of refrigeration? GOOD GOO! I suggest you now go get some FOOD-PROCESSED ALOE VERA LIQUID. Take a half cup or so of it (some of it is even orange or lemon-lime flavored, etc.) and dump in the "goo" and last portion of a Gaiandriana or Aquagaia bottle. Or, strain the "goo" out of its original bottle and place it into the new aloe vera "home". Leave set for a couple of days and you will have a concentrated batch of Gaiandriana or Aquagaia product which will be an addition to the original bottle.

This is NOT a replacement for the original batch you get for it will not contain all you need. However, in ones who intake products which tend to kill off a portion of the Gaiandriana in the body (like caffeine in coffee)—this will enhance the potency—even if you just drink a little. Remember, Aloe Vera itself has a tendency to make some people feel "queazy" so DO NOT OVERDO how much of this you drink!! However, a full-blown AIDS victim could take ten times a "normal" amount and only improve—for perhaps "feeling good" is a very relative state of being.

Some people are going to run fevers and have "crisis" symptoms as healing takes place. If this goes on for very long, look to other health problems for the cause. First, treat the "liquid batch" with hydrogen peroxide as above described. THEN start on a regimen of hydrogen peroxide according to the instructions given again herein [chart on following page at bottom].

I happen to know that you do not need to work up to any 25 drops as the instructions [following] claim UNLESS you are suffering from flu, infection, or other maladies. If you are "well" and "anything" makes you feel bad—either stop it or, certainly, decrease the amount. USE YOUR REASONING MIND!! Like anything of this nature—TOO MUCH WILL MAKE YOU SICK OR BE DETRIMENTAL—EXCEPT WITH GAIANDRIANA—AND THEN EVEN THOUGH YOU MIGHT NOT FEEL GOOD (BECAUSE OF THE OVERDOSE OF ALOE FROM THE CUL-

TURE MEDIUM), YOU WON'T HURT YOURSELF.

HYDROGEN PEROXIDE — H2O2
(35% Food Grade)

Purchase a small eye dropper bottle at the drug store. Fill your small dropper bottle from the large bottle as needed. The large bottle may be stored in the refrigerator or in the freezer inside another plastic container. The small eye dropper bottle should also be kept in the refrigerator. **Always use caution when handling 35% hydrogen peroxide!**

DO NOT use with carrot juice, carbonated drinks or alcohol. For best results, take on an empty stomach 1 hour before a meal or 3 hours after meals.

Formula: Mix the number of drops of 35% hydrogen peroxide into at least 6 oz. of distilled water, juice or milk and stir vigorously, then drink the mixture. Some people eat 1/4 to 1/2 of a banana immediately after drinking the solution. You may prefer something else to eat.

If your stomach gets upset at any level, stay at that level or go back one level. Then proceed to increase your daily dosage again.

When free of complaints you may taper off by taking:
25 drops once every other day for 1 week,
25 drops once every 3rd day for 2 weeks,
25 drops once every 4th day for 3 weeks.

A good maintenance could be 5-15 drops per week, or whatever makes you feel good.

If you get the 35% hydrogen peroxide on your skin rinse it under running water for several minutes.

Soak feet: 1-1/2 oz. 35% to 1 gal. of water.

Bath: 16 oz. 35% to a tub of water to detoxify.

Colonic: 1/2 pt. of 3% per 5 gal. of water.

Douche: 6 tablespoons of 3% per qt. of water.

Candidiasis: 1 drop of 35% 3 times a day; then increase schedule.

For the more serious complaints, stay at 25 drops 3 times per day for 1 to 3 weeks. Then graduate down to 25 drops two times per day until your problem is taken care of. This may be from 1 to 6 months.

If you have a weak stomach you may experience nausea similar to that in pregnancy. Also as dead bacteria or various forms of poisons are released you will experience a cleansing effect as they are released through the elimination organs

of the body: skin, lungs, kidneys and bowels.

Some reactions to the cleansing effect could include skin eruptions, nausea, headaches, sleepiness, unusual fatigue, diarrhea, head or chest cold, ear infections, boils or any other ways the body uses to loosen toxins. This is a natural cleansing of the body and should be of a short duration as you continue to maintain your program.

Formula to make a 3% solution of hydrogen peroxide. Put 1 oz. of 35% hydrogen peroxide in a pint jar. Add 11 oz. of distilled water. This will give you 12 oz. of 3% H₂O₂. Use also for brushing teeth and applying to skin sores.

Do not use 35% H₂O₂ if you have had a transplant.

TO THOSE OF YOU WAITING
FOR NEW STRENGTH OF PRODUCT

Because I have mentioned that work is being done on strengthening the Gaiandriana, some of you are backing off and waiting. Please don't do that for research is being done and it will be a while. In addition, one of the items in the medium is being removed in order to enhance the strength. This will mean that you can get the same basic result by adding some food-processed aloe vera to the initial product which will allow a higher level of Gaiandriana presence. Gaiandriana will only grow to its level of fuel (food) available—so just treat the product accordingly.

I am, further, requesting that all further product be receiving hydrogen peroxide for purification purposes. Any

that YOU ADD, however, will only enhance—not damage.

OTHER PRODUCTS

We have tried to make available other products to use in conjunction with the Gaiandriana. USE YOUR REASON HERE ALSO!! If something makes you feel bad—don't use it!, cut back on amount or forget it altogether. These are all natural substances so remember, if you are eating anything that makes you feel bad—you quit eating it, right? Just continue the Gaiandriana—I promise you—it is not making you ill. If you are reacting, then it may be due to the "base" or "combining" substance in tableting, etc.

CHLORELLA

We get complaints about chlorella causing indigestion, etc. Chew the tablets or dissolve in a bit of liquid before intake.

Now again, use reason. Are you still eating in addition to the chlorella? Well, perhaps you will wish to reduce the intake. It is better for you than food but you DON'T NEED EVERYTHING. We are efforting to show you what you could take with NO food in survival situation AND STILL BE ABUNDANTLY HEALTHY. Adjust your intake accordingly. If you are caught in an emergency and need survival sustenance—now you know what to take for health needs.

You can subsist on chlorella and water alone. Add Mo-Gu tea, a bit of spelt bread and some lentils (preferably red)

*
Adding 7 drops 35% H2O2 to
1 gallon drinking water
purifies it. Shake well.

(* Food Evade)

and you can live healthily ever after—in other words, it would not be malnutrition that would “getcha”. **AND ALWAYS KEEP FOOD-GRADE HYDROGEN PEROXIDE AVAILABLE TO PURIFY EVERYTHING. REMEMBER, 7 DROPS OF 35% FOOD GRADE HYDROGEN PEROXIDE TO A GALLON OF WATER WILL PURIFY IT AND THE WATER WILL PICK UP A MUCH IMPROVED “FLAVOR” OF FRESHNESS—UNDER MOST CIRCUMSTANCES NOT EVEN NOTED AT ALL.** THIS is why one of the first items confiscated from health food stores, labs, and so on—**IS HYDROGEN PEROXIDE IN FOOD GRADE.** I remind you readers of long standing: the best treatment for arthritis and other seemingly “incurable” diseases is hydrogen peroxide therapy in accompanying regimen of Gaiandriana which moves in and restores the cellular restructuring of self.

CRYSTAL LIFE

That is an exceptional product but has become almost out of sight expensive. However, the best results with Gaiandriana are being reported with continued, even if remarkably decreased amounts, of Crystal Life continued right along in conjunction with the Gaiandriana—mixed or otherwise. About 8 to 10 drops mixed or separate under the tongue three times a day is excellent. In illness, however, increase within reason. If I did not already state it prior to this—add 7-10 drops of hydrogen peroxide per quart to the Crystal Life also—especially if non-refrigerated, after opening. This will decontaminate any possible “unwanted visitors” and not damage the product.

WATER

I cannot urge you often enough to **TREAT** your faucet water. Even if you have a reverse-osmosis unit—treat that water with proper amounts of hydrogen peroxide for **YOU DO NOT KNOW WHAT IS IN THAT WATER. IT WON'T HELP CONTAMINATION BY TOXINS BUT IT WILL TAKE CARE OF THE VIRAL OR BACTERIAL CONTAMINATES. IT IS CHEAP AND NON-TOXIC IN PURIFICATION AMOUNTS.** The best mouthwash and gum enhancer is a mouthwash of several drops of hydrogen peroxide in a fourth cup of water (or so) and cleanse mouth after brushing (or just do it several times a day as convenient). If the solution is “light” just swallow the wash—it can only help you unless you have an active mouth infection. Moreover I suggest keeping some hydrogen peroxide near and handy to drop a few drops of undiluted peroxide on your

toothbrush a couple of times a week—or daily—whatever. You will have a sterilized brush and stop spreading germs and recontamination.

SPILLING

If you spill full strength (35%) peroxide on your skin—it will burn you. Rinse immediately under water and it will be fine. It will bleach so rinse anything that gets splattered—in water. It is simply one of those substances which needs to be handled properly. Peroxide offers so many “cleaning” uses that I won't even effort to list them—but you will find it about the most useful item around your kitchen, bath, etc. You can find information at health food stores and vitamin supply outlets.

Our people may also be able to direct you or help you with product or information; I do not attend those things unless brought to my attention. We offer these things as a service rather than a

major business so we are perhaps remiss in full-range material. We can do better when the full load eases a bit. Thank you for your patience and loving support of the ones who have taken this load on in addition to their other tasks—ever without complaint and ever wishing to help and please. At present they are trying to build refrigeration facilities to bring you exceptional product as the months heat up and yet do so with very, very limited resources—so we do thank you for your patience. With George Green's attack on the Institute a lot of things have had to wait or be actually closed down until the audits are over and the reclamation can begin. As you might realize, the impact has been great on all entities in these projects. It is fine—rewards will be in like measure to that which is given forth.

I ask that this message be both run in the paper and sent in addition to all packings in mailings of product.

Thank you.

72 Hour Kit Checklist

- | | |
|---|---|
| <input type="checkbox"/> Water
Stored in a portable container. Rotate regularly. Have at least three gallons per person (for a three day supply). Have a water purification method. | <input type="checkbox"/> Money
Keep at least \$20 in your kit. Be sure to include quarters for phone calls, etc. |
| <input type="checkbox"/> Food
Suitable for long-term storage. Packaged to prevent water damage. Include cups, utensils, paper plates and a can opener, if needed. | <input type="checkbox"/> First Aid Supplies
Pain relievers, bandages, antiseptics, clean cloths, burn ointment. Include any personal medications. |
| <input type="checkbox"/> Extra Clothing
A complete outfit of warm clothing for each family member. Include extra socks, and underwear. Include walking shoes. | <input type="checkbox"/> Special Needs
For babies: diapers, ointment, bottles & pacifiers, hand towels, special foods, and other supplies as needed. Consider the needs of elderly people as well as those with handicaps or other special needs. |
| <input type="checkbox"/> Warmth & Shelter
Coats, hats, scarves, and gloves for everyone. Include warm blankets (wool or emergency blankets are best). Rain ponchos, garbage bags, and/or umbrellas to keep off the rain. Warm Packs or other heat source. Pup tent or tarp. | <input type="checkbox"/> Stress Relievers
Card games, books, small hobbies, hard candy, Bible. For children: small toys, paper and pen, favorite security items. |
| <input type="checkbox"/> Light Source
Flashlight with extra batteries or a chemical lightstick. Kerosene lanterns are fine, but any flame may pose a hazard, especially near potential gas leaks. Have at least two quick and safe light sources in your kit. | <input type="checkbox"/> Communications
Portable radio with batteries, signal mirrors, whistles, red flags, signal flares. |
| <input type="checkbox"/> Tools
Pocket knife, lightweight shovel, duct tape, matches, pocket sewing kit, screwdriver. | <input type="checkbox"/> Personal Sanitation
Sanitary napkins, razors, toothbrush, hand soap, dish soap, towels, toilet paper. |
| <input type="checkbox"/> Important Papers
Important family documents (such as birth certificates, marriage certificates, insurance forms, wills), addresses and phone numbers of relatives, and places to meet if separated. | <input type="checkbox"/> Portable Container
Such as a book bag, backpack, or duffel bag. Should be easy to carry and lightweight. Shoulder straps are best for traveling long distances. |
| | <input type="checkbox"/> Additional Items, added as carrying weight and expense of kit will allow:
Extra food, camp stove and cooking equipment, tents, sleeping bags, sun block, insect repellent, portable toilet. |

New Gaia Products

GAIANDRIANA

Gaiandriana is a non-alcoholic health tonic which provides basic "foods" to help cells, weakened by the stresses of modern life, to return to a state of health.

The better our cells function, the greater is the stamina returned to our internal defense systems, and the better we can counter the constant onslaught of biological and viral invaders. The end result is a feeling of well-being by, of course, being well!

The Gaiandriana (commonly referred to as "chondriana" in the Biological literature) are capable of intelligent, organized attack against cellular invaders like viruses. Think of it as a "pac-man" operation of sorts. However, beyond that, the Gaiandriana are capable of stimulating cellular structural repairs due to damage caused by, for instance, free radicals and cumulative levels of so-called "background" radiation in our modern environment. Healthy DNA and RNA within the nuclei of our cells then lead to properly formed and concentrated enzymes, upon which healthy cellular function depends.

Gaiandriana liquid is made entirely from wholesome natural ingredients.

AQUAGAIA

Complementary to the Gaiandriana product, Aquagaia is also a non-alcoholic health tonic which provides basic "foods" to help cells, weakened by the stresses of modern life, to return to a state of healthy function.

Aquagaia contains *mitochondria*. These are the major biochemical energy "processors" within cellular metabolism. First, enzymes begin the breakdown process of organic nutrients (like fats, carbohydrates and proteins) to intermediate substances such as amino and pyruvic acids. Then, in the next "bucket brigade" step, these various acid molecules are processed within the mitochondria to release chemical energy recognized as adenosine triphosphate (ATP).

About 95% of the energy needed to "run the machinery" that keeps each cell going and healthy is produced in the mitochondria. Unfortunately, the mitochondria are particularly damaged by free radicals and cumulative levels of so-called "background" radiation in our modern environment. These compromised mitochondria, like half-dead batteries, then lead to impaired cellular functioning and health. Thus is the importance of Aquagaia, with its assimilable

supply of healthy mitochondria — like "fresh batteries" for the body's cells.

The better our cells function, the greater is the stamina returned to our internal defense systems, and the better we can counter the constant onslaught of biological and viral invaders. The end result is a feeling of well-being by, of course, being well.

2/11/93 #2 HATONN

GAIANDRIANA AND AQUAGAIA:

To help in understanding the workings of these organic "pac-men" you must realize that there is a protein covering "cap" on viruses. The protein cap is centered on a charged zinc atom and is the part of the virus that recognizes and binds to DNA—in turn allowing the virus to reproduce.

Aquagaia, in conjunction with the Gaiandriana, knock out the zinc atom (a simple "charge" change), which renders the protein ineffective. This is a breakdown of "parts" of the Gaiandriana male/female DNA structure which release many working variants but frees the Gaiandriettes or "killers" to take out that zinc atom and pass right into the affected cell. Without the "cap", the virus cannot reproduce and infect more cells—further, the damaged virus feeds the Gaiandriana unified cells and the circulating mitochondria.

Healthy cells are not affected because they lack the zinc-centered protein cap on the virus.

These "Gaia" compounds have an effect on cancer cells because they stop an enzyme on the cancer cells from producing a "messenger" molecule that blocks a second enzyme from attacking the cancer cell's DNA. The compounds (Gaia) have been seen to actually take-out leukemia, breast, brain and colon cancer cells. We have no claim to anything other than stating that people utilizing these simple and natural substances do show improved well-being and do report feeling generally and, often remarkably, improved as to state of health, thought processes and stamina.

The obvious conclusion is that there might well be good reports of better health and faster recovery following infection by other viruses than those mentioned above. All viruses known react in generally the same manner.

It is known that many diseases are due to retroviral DNA and these are the most affected viruses by the Gaia-chondrianas (living crystal forms). We, again, make no medical claims—we

are simply reporting in an effort to explain WHAT takes place within the cellular structures of living organisms. If you really want to witness remarkable growth in plants and good stamina and health in pets and other animals—try a little of these additives as you would vitamins or fertilizers. Use in a mildly vitamin C based solution on same. At transplant time for garden plants and houseplants—soak their little root systems in this natural and mild solution. Just add a tablespoon of Gaiandriana, a few drops of liquid vitamin C or C-crystals to a quart of water and let set for 48 hours—then it is ready for use. It will not negatively interact with anything other than perhaps harbored viruses and disease spores and organisms.

NOTE

If any product you receive has an unpleasant odor—it is from the finishing culture process. Leave the bottle open to air and it will quickly dissipate. Then, depending on taste and preference—refrigerate after opening and reclosing.

IMPORTANT: Do not mix the two, Gaiandriana and Aquagaia, together for storage as the Aquagaia (mitochondria) is aggressive and begins to "eat" the Gaiandriana for fuel. They go about their appointed tasks once ingested, but in bottle prisons they are not particularly compatible once the available fuel supply is exhausted. Juices are excellent to take with the Aquagaia because the mitochondria must have the fuel derived from same, the most effective juice being from the tropical "Guava" fruit. Any juice is fine, however, and is most pleasant to intake. Diabetics should utilize whatever juices are available on their food plan to keep within the safe guidelines for calories and other requirements.

The most innocuous and easy intake available is simply a few drops under the tongue, both products taken at the same time or at different times of the day. Once the "initial" program is begun and maintenance is followed, certainly the drops under the tongue are the least annoying to any daily regimen.

A-C-E ANTI-OXIDANT FORMULA

There is growing evidence that essentially everyone in our society is exposed to free radicals, now more than ever. While free radicals are normal products of our cells and have certain beneficial roles in the body, increased levels of free radicals in our body tissues can be detrimental to our health.

Free radicals are highly unstable substances produced in the body through, among other routes, the metabolism of oxygen. Free radicals multiply through a series of chain reactions and can attack the polyunsaturated fatty acids of cell membranes. Unless excess free radicals are neutralized, they can cause considerable damage to the structure and function of cell membranes, and thus the cells themselves. The

products from free radical reactions are implicated in the progressive accumulation of deleterious cellular changes over time, which may eventually result in recognizable disease. Free radical damage is implicated in the initiation and promotion of many cancers, as well as hardening of the arteries.

One area of Aging Research suggests that free radicals damage body cells and cause the pathological changes associated with aging. Besides being byproducts of the metabolism of oxygen, such as during strenuous exercise, we also generate significant levels of free radicals from the environment, such as from so-called "background" levels of ionizing radiation.

Cooperative defense systems that can protect the body from free radical damage include certain enzymes and the antioxidant vitamins A, C, and E and beta-carotene, which protect cell membranes from oxidative damage. Vitamin E, one of the fat-soluble vitamins, is present in the blood as d-alpha-tocopherol and is well accepted as the major antioxidant in lipid body tissues. Vitamin E is considered the first line of defense against cell-membrane damage due to peroxidation. Vitamin E scavenges free radicals, terminating chain reactions and confining damage to limited areas of the membrane. Selenium contained in the enzyme glytathione peroxidase is the second line of defense that destroys peroxides before they can damage cell membranes. Beta-carotene, a precursor of Vitamin A, also traps free radicals. Vitamin C is water soluble and serves to neutralize free radicals in aqueous systems.

The antioxidants show promise as cancer-prevention agents, alone and in combination.

GINKGO BILOBA

(Ginkgo Biloba extract 24%)

The Ginkgo Biloba, or Maidenhair tree, is one of the oldest living species on this planet. Ginkgo has flourished almost unchanged for 150 million years, and its ancestors can be traced back 250 million years. It is because of this antiquity that the Ginkgo Biloba tree is called "*the living fossil*". Individual trees are believed capable of living 2000 to 4000 years. During the last ice age, Ginkgos nearly became extinct. These trees survived only in China and other parts of Asia, where they stayed until approximately 1,000 years ago. At that time, Ginkgo trees were also planted around monasteries in Japan, where they still live today.

The name *Ginkgo* may come from the Chinese *Sankyo* or *Yinkuo* (Yin Guo), meaning "hill apricot" or "silver fruit". The word *biloba* means "two lobes" and describes the young leaves. Although modern medical research focuses mainly on the leaves of Ginkgo, the Ginkgo fruits and nuts have been used in China since time immemorial as a delicacy and tonic food. Ancient Chinese texts record Ginkgo's use as a medicinal agent as far back as five thousand years ago.

The Ginkgo Biloba extract is a complex compound. The green leaves of the tree are

usually harvested from trees grown on plantations in South Korea, Japan and France.

Ginkgo is reported to have a natural affinity for the nervous system. It also seems to stimulate the vascular and endocrine systems that, in turn, strongly affect the function of the nervous system, possibly increasing the capacity for normal physical activity, and the flow of blood to the brain. Some research indicates the possible effectiveness of Ginkgo in the treatment of *Alzheimer's* disease.

Due to its pharmacological properties, Ginkgo is now widely used throughout Europe for treating many forms of vascular disease. In a survey of packaging information of European products, Ginkgo has been recommended for such ailments as headaches, vertigo, inner-ear disturbances, diminished intellectual capacity and alertness as a result of insufficient circulation to the brain, anxiety, and depression, to name a few.

Ginkgo Biloba Extract (24%) is concentrated from the leaves of the Ginkgo Biloba tree. The highly specialized extraction process yields a 50:1 concentrate from the leaves (50 grams of leaf produce 1 gram of extract). The extract is then further standardized to contain 24% of the active Ginkgo Flavoglycosides.

MO-GU ELIXIR

The first recorded use of Mo-Gu Elixir was during the Chinese Tsin-Dynasty in 221 B.C. It was referred to as "*The Remedy for Immortality*" or "*The Divine Tsche*".

It has been well documented that there are certain people who live to be well past a hundred years of age. These people live in such areas as the mountainous Caucasus, Yakutia in Siberia, the Poltava District of the Ukraine, Tibet and Spain. There is an area in Russia called Kargasok where the people are a dairy- and vegetable-eating populace. Centenarians are common among these people. They attribute their longevity to the Yeast Enzyme Tea (Mo-Gu Elixir) which has been in their diet for hundreds of years. It is said that Mo-Gu and yak butter are staples among the dwellers of the high Himalayas.

Mo-Gu has been used throughout history in China, Japan, Russia, Korea, and India. It has been said to promote a feeling of well-being and overall physical restoration. It has been known by many names, some of which are: Fungus Japonicus, Fungo japon Kombucha, Pichia Fermentans, Cembuya Orientalis, Combuchu Tschambucco, Volga-Spring, Champignon de Longue Vie, Teekwass, Kwassan, and Kargasok.

The Mo-Gu fungus constructs in a membrane form and is a symbiosis of yeast cells and different bacteria. Among these bacteria are: Bacterium Xylinum, Bacterium Gluconicum, Acetobacter Ketogenum, and Pichia Fermentans.

The Mo-Gu fungus needs to live in a solution composed of common (black) tea and sugar. In the proper temperature environment they multiply constantly. They do not build spores as yeast normally does, but instead multiply by a process of branching.

CHLORELLA

Chlorella is a single-celled, fresh-water algae. Believed to be the first form of life with a true nucleus, chlorella dates back approximately 2.5 billion years, making it *pre-Cambrian*. Through the process of photosynthesis chlorella cells reproduce themselves by cell division at the rate of four new cells every 17-24 hours. It was not until the 1890s that chlorella was identified under the microscope. In naming it, the prefix *chlor* was selected to signify green, while the suffix *ella*, indicates small. Chlorella is the most researched algae in the world and remains the most popular with millions of consumers worldwide.

Chlorella is a nutritionally balanced whole food and contributes to the health and growth of human cells like no single vitamin or mineral possibly can.

Chlorella is extremely high in protein (60%) and contains more than 20 vitamins and minerals, 19 of the 22 essential and non-essential amino acids, enzymes and chlorella growth factor. It is one of the richest sources of RNA and DNA known and has twenty times as much chlorophyll as alfalfa, 10 times more than other edible algae including spirulina, and 10 times more than barley grass.

Chlorella is a natural vitality enhancer. The vitamins found in chlorella cells include: Vitamin C, provitamin A, B-carotene, chlorophyll a, chlorophyll b, thiamine (B1), riboflavin (B2), pyridoxine (B6), niacin (B3), pantothenic acid, folic acid, vitamin B-12, biotin, choline, vitamin K, PABA, lipoic acid, inositol and para-aminobenzoic acid. The minerals include: phosphorus, potassium, iodine, magnesium, sulphur, iron, calcium, manganese, copper, zinc and cobalt.

The amino acids include: lysine, histidine, arginine, aspartic acid, threonine, serine, glutamic acid, proline, glycine, alanine, cystine, valine, methionine, isoleucine, leucine, tyrosine, phenylalanine, ornithine, tryptophan.

The suggested daily consumption is 3 grams per day.

ECHINACEA GOLD PLUS with American Ginseng

In recent years few medicinal plants have garnered as much attention as Echinacea (*Echinacea Purpurea* and *Echinacea Angustifolia*). The genus name is derived from the Greek *echinos*, (hedgehog or sea urchin) referring to the prickly scales of the dried seed head. Echinacea was widely used medicinally among Native Americans, particularly in the Plains. It is a product which is now used widely throughout United States and Europe.

Echinacea is a non-specific stimulant to the immune system. Claims for Echinacea include: stimulation of leukocytes, mild antibiotic activity, anti-inflammatory activity, stimulation of the adrenal cortex, stimulation of the properdin/complement system, interferon-like activity, stimulation of general cellular immunity, and

antiviral activity. Internal preparations are said to assist in alleviating cold and flu symptoms, respiratory infections, and arthritis, to name a few.

Goldenseal (*Hydrastis Canadensis*) is generally placed in the buttercup family. The name Goldenseal was adopted in 1880, previously having been known as Yellow Root. Goldenseal was widely used among the Native American population, particularly among those in the East. The Cherokee used the roots as a wash for local inflammations, for general debility, dyspepsia and to improve appetite. The Iroquois used it for whooping cough, diarrhea, liver trouble, fever, sour stomach, flatulence, and pneumonia. Benjamin Smith Barton first referred to the use of Goldenseal for rattlesnake bites as early as 1793. Clinical recognition of the use of Goldenseal came in the early 1850s and has continued to this very day.

Goldenseal is among the most popular herbs in the American health food market. Uses are numerous, including but not limited to: antiseptic, hemostatic, diuretic, laxative, and tonic/anti-inflammatory for the mucous membranes, hemorrhoids, nasal congestion, mouth and gum sores and eye afflictions.

Ginseng can be literally translated from Chinese as "the essence of man" or "man-shaped precious root." Few medicinal plants in the world possess Ginseng's near-legendary status. Dating back thousands of years, its history of use in the Orient records therapeutic properties so wide ranging that it was first dismissed by Western doctors as a "panacea". When fatigued, Ginseng reportedly restores both physical and mental functions to peak efficiency and, with regular use, improves resistance to disease and stress. American Ginseng's genus name is *Panax Quinquefolius*.

Over 40,000 species of mushrooms exist, many of which are used as medicines. Of particular note are such remedies as penicillin- and ergot-based extracts used in migraine treatment, to name a few. Extensive research has been done with one mushroom in particular, namely, Reishi. This mushroom is now considered a tried and true immune system fortifier.

References to the use of Reishi in the treatment of a variety of complaints date back as far as 2700 B.C. in Chinese literature. It is referred to by a number of names, including the "ten thousand year mushroom". The rarity of this particular mushroom has increased its value. The Chinese emperor Shih Huang Ti (250-210 B.C.) mounted expeditions of hundreds, even thousands of men to find the Reishi. Recently techniques have been developed for the cultivation and harvesting of the Reishi Mycelium. Writings about Reishi place it in the category of "fu zheng" herbs and claim it is a medicine that improves the ability of the body to maintain balance by strengthening natural resistance and generally improving health.
