"YE SHALL KNOW THE TRUTH AND THE TRUTH SHALL MAKE YOU MAD!"

VOLUME 3, NUMBER 7

NEWS REVIEW

\$ 2.00

NOVEMBER 9, 1993

Gov. Carnahan:

We're Mad As Hell

WE WON'T TAKE IT MUCH LONGER!

11/7/93 #1 HATONN

"We" may be a small paper but we ARE the voice of the people of this nation, under GOD who proclaims freedom and justice for ALL. We are going to turn this focus of light onto you and the judicial non-system of Missouri, Sir, until you let Gunther Russbacher go. You HAVE all the information regarding this servant of our government who is now sick and possibly dying in your State Prison simply to maintain his silence regarding such as October Surprise. I suggest you and all persons who pick up this paper READ the accompanying letter from author Rodney Stich, to our incredible EXCUSE for a head of our Justice Department. We, in America, have reached a new low in morality when we allow the criminals to head the government

in every category. We suggest that you NOT BE LISTED AMONG THOSE CRIMINALS, SIR. If, indeed, you do not know about this atrocity in your dooryard—that you find out lest you be painted with the same black brush of disregard for all justice and order in our once great nation.

If, Sir, you do not feel capable of acting as a Governor of a great State, then we suggest you ask your puppet-masters about the seriousness of this incarceration continuing. There are many things and people involved in the focus of this man's incarceration. He represents every hostage POW/MIA, every other patriot incarcerated after being used and abused, and every man or woman who has served this nation at the most dangerous and clandestine level known to man. Why do they choose to serve? Many reasons, Sir, from

pure excitement, monetary gain, "I Spy", to total devotion to our nation, the United States of America. We are not given the right to judge reasons—only performance and mistreatment at the hands of those put in office TO PROTECT OUR FREEDOM AND RIGHTS UNDER THE CONSTITUTIONS OF OUR STATES AND NATION.

Puppet-masters? The higher echelon of misrepresentation of We-The-People—the very ones involved directly—the Kissingers, the Bushes, Twigs and Voted-in betrayers of our nation in the White House. THEY KNOW THIS MAN, GUNTHER RUSSBACHER, AT VERY PERSONAL LEVELS OF ENCOUNTER.

There is no need to further test this man in point, Sir; the FACTS are out before the sleepy masses from many, many sources

regarding the involvement at home and abroad and the treasonous actions of Government persons. If they do not wish to further pursue the matter, it makes no difference as to whether or not you release this Capt. Russbacher; there is nothing further he wishes to do to the ones at the top or at your level of Government politics.

There are some things, however, at stake here, that are so big as to cause ones on the globe to shudder in possibilities. GOD is at work ALSO—ALONG WITH THE ADVERSARY TO JUSTICE AND GOODNESS and THIS MAN HAS ASKED FOR THE HELP AND INTERVENTION OF THAT GOD OF CREATION/LIGHT. **HE, SIR, IS RECEIVING IT AS WE SPEAK.** Perhaps you are willing to bring down the arm of Justice from that God and the people of this nation, once great in its lighted messages to the world, but it seems highly unwise for you must realize that the political persons you protect will destroy you and there will be no cuddly constituents to guard you.

Perhaps you think we JEST? I, further then, suggest you check out the circumstances happening around New Mexico, Arizona and parts near and in the skies "over" White Sands. There are higher powers at work, Governor, and it would seem the better part of curiosity or possibility TO LET SOME PEOPLE GO!

You KNEW that this man had HEPATITIS and yet you allowed the Prison to put him, with total knowledge, into the kitchen areas to serve and prepare food and spread that disease throughout the system in Missouri. You KNOW that he had had horrible torture as a Prisoner of War in Cambodia—in service to this once great nation. You KNOW that his fingernails were torn out over and over until his hands bleed and fester with even the use of water—much less the solutions and misuse in an institution kitchen. This is, Sir, deliberate and knowing contribution of spreading an infectious disease which "OUTSIDE" would be grounds for charges of MURDER.

You further KNOW THAT THIS MAN HAS HEART PROBLEMS WHICH WILL REQUIRE SURGERY. Medicines are withheld at random and now he is in isolation pending "who knows what next excuse"! THE PEOPLE IN CHARGE OF THAT PRISON SAID HE HAD "NO HEPATITIS" AND YET, NOW, HE IS ISOLATED "BECAUSE OF HEPATITIS"! EITHERWAY, SIR, IT DOESN'T LOOK GOOD FOR YOUR IMAGE FOR ALLOWING THIS TO GO ON FOR WE KNOW YOU HAVE BEEN CONTACTED OVER AND OVER AND OVER AGAIN TO TAKE ACTION AND RELEASE THIS MAN TO HIS NATIVE COUNTRY, AUSTRIA.

We, as a nation, have abided this inhuman treatment of one of our own citizens and now allow you and your henchmen to hold a man for no more than political rea-

sons. There is no doubt or misunderstanding as to WHO is this man or his status with the Special Forces, Naval Intelligence, etc.

WE ARE MAD AS HELL, GOVERNOR CARNAHAN, AND WE WON'T TAKE IT ANY LONGER! WE WILL PETITION EVERY COURT, DEPARTMENT, ADMINISTRATION AND PAPER ON THIS GLOBE IF IT BE NECESSARY TO BRING THE STORY OF THIS MAN TO THE PUBLIC VIEW—IF YOU CONTINUE TO REFUSE TO "LET HIM GO".

We, as a press (press), have no interest in groupies, groups, patriot organizations, organized ANYTHING—only that which is right and just to our fellow-citizens. We are not troublemakers by intent—only information bearers—to the best of our ability in a free nation, under God.

We do not speak as a group voice—we speak as individual citizens of this once great nation, under God, and DEMAND that justice be served and let this man go in peace, back to his native home and family to live out what life he has remaining—likely short now that he has been infected deliberately with diseases incurable.

If this gross miscarriage of justice is not corrected immediately there shall be an opening of "Pandora's Boxes", Sir, and we shall see what the investigators have already uncovered. It would appear to be far more serious than Sen. Packwood's diary of sexual misbehavior among his old buddies. Missouri is the "SHOW ME" State—it appears there is certainly a lot to be shown—IN THIS ONE UNJUST CASE OF INCARCERATION.

We and others of the press are quite happy to drop this unfortunate case and allow the sheltering of your backsides if you accept your responsibility as the servant of the people that a Governor represents. YOU KNOW THAT THE AUSTRIAN EMBASSY IS SEEKING HIS RELEASE AND ACCEPT RESPONSIBILITY FOR RETURNING HIM TO HIS HOME. YOU KNOW THAT AMNESTY INTERNATIONAL WILL LIKEWISE HELP HIM TO GET HOME. SINCE YOU KNOW THESE THINGS IT APPEARS THAT YOU ARE IN COALITION WITH THE VERY CRIMINAL JUSTICE DEPARTMENTS WHO CONTINUE TO DEMAND INCARCERATION FOR THIS MAN WHO SIMPLY SERVED HIS NATION AS REQUIRED, TO THE BEST OF HIS ABILITY.

GOVERNOR, WE PETITION YOU TO "LET THIS MAN GO"! WE, TOO, BEAR THE BLIGHT AND INJUSTICE AS FELLOW-CITIZENS WHO HAVE ALLOWED POLITICS TO DESTROY OUR ONCE GREAT NATION.

Thank you for your attention and we await, eagerly, Gunther Russbacher's immediate release from your unjust incarceration.

A citizen of the UNITED STATES OF AMERICA,

Signature

* * *

We ask that everyone who receives this paper and shares it with others will take this message directly, or copy it and sign it AND SEND IT IMMEDIATELY TO GOVERNOR CARNAHAN OF THE GREAT STATE OF MISSOURI TO DEMAND THAT HE RELEASE THIS SERVANT OF YOU-THE-PEOPLE AND 60 Minutes.

Governor Mel Carnahan
State Capitol Building

New York, N.Y. 10019
(212) 975-2009

If you as fellow-citizens do not take responsibility for your brother in trouble—you are LOST to a political system so unjust as to willingly serve you into slavery. IF YOU do not act in behalf of your brother—WHO WILL ACT IN BEHALF OF YOU WHEN THE DAY COMES (VERY SOON NOW)? At this point all you have to do is let THEM know THAT YOU KNOW and ask for "mercy" for this friend in need.

There are others in trouble from one end of your nation to another, victims of a system gone insane as it efforts to gobble up the very life-blood of your once great nation. But you must start a journey with the first step—so we go to one who has earned the reputation of being a fair and just Governor and ask his help. This man has honorably paid any price outstanding and the people who continue the incarceration KNOW AS MUCH—THEY HOLD HIM IN AN ATTEMPT TO SILENCE HIM. WELL, HE NO LONGER WANTS TO TALK ABOUT HIS EXPERIENCES FOR IT IS ALL KNOWN—IT IS ONLY YOU-THE-PEOPLE WHO DO NOT KNOW AND, YET, IT IS THERE FOR THE SEEING IF YOU BUT WANT TO KNOW. THIS MAN NEED PAY NO MORE—**BUT THE EYES OF THE WORLD WILL BE FOCUSED HENCEFORTH ON THE STATE OF MISSOURI—UNTIL THIS MAN IS RELEASED. SO BE IT.**

Readers, it may seem as if your one small voice is not heard—but IT IS! When hundreds, yea thousands, of letters demanding attention arrive on a man's desk—and further, when the solution is so simple—your voice WILL BE HEARD OR YOU SPEAK AGAIN, AND AGAIN, AND AGAIN. No one herefrom rises up in violence or arms against anything—we simply demand, in the name of God, for rightful freedom and for the honorable treatment and freedom of our brother and sister citizens caught in the mire of political intrigue. If we fail to hoist the Light of Truth

above the madding crowd—who shall lift the lamp for us? Will the magnificent Lady of the Lamp who stands as guardian of your shores be left in final shame for that which we do to our own??

Make as many copies as you each will and send them, send them and send them—until “they”—“let our people go”!

Will GOD do “it” FOR you? Not on a bet! YOU will care enough to DO IT—or it shall not be done! If, however, YOU ASK GOD AND TRUST IN THAT TRUTH—YOU WILL HAVE PROTECTION AND THAT WHICH YOU SEARCH FOR AND ACT FOR, SHALL COME TO PASS—IN THE TWINKLING OF AN EYE. WE SEARCH FOR NO “REVENGE”—THAT WILL COME BACK UNTO ONES WHO PERPETRATE THE EVIL ON ITS OWN SPIRALING UNIVERSAL LAW. IN OTHER WORDS, AS PRIME AND IMMEDIATE EXAMPLE: GOV. CARNAHAN STEPS IN AND SERVES IN RIGHT-NESS, SO SHALL YOU STAND IN HIS PROTECTION WHEN HIS ENEMY TURNS AGAINST HIM. IF YOU DESERT THE BROTHER IN TROUBLE—YOU TOO SHALL BE DESERTED IN YOUR TIME OF NEED.

The VOICE OF THE INDIVIDUAL can be heard, my friends, IF IT IS JOINED BY ANOTHER, AND ANOTHER AND ANOTHER! Let us prove that this is so! God bless you in your service and choices—that they always be that which offers truth and freedom.

In service unto honor, I salute you FOR YOUR HONOR UNTO SERVICE.

From the desk of Rodney Stich

Author of *UNFRIENDLY SKIES—Saga of Corruption and DEFRAUDING AMERICA*

October 21, 1993

Janet Reno
U.S. Attorney General
Department of Justice
Constitution and Tenth Ave., N.W.
Washington, DC 20530

Certified Mail No. P 299 517 979

Dear Ms. Reno:

Your responsibilities as Attorney General, your responsibilities under federal crime statutes, requires that you provide immediate relief as obviously required by the contents of this letter and the attached documents.

Justice Department prosecutors, in collusion with prior U.S. Attorney Generals and people in control of the Central Intelligence Agency, have fraudulently caused charges to be filed against deep-cover CIA/ONI operative Gunther Russbacher, who is presently in jail at St. Charles, Missouri. I have already described this process, along with the epidemic criminality upon the part of federal officials, in *Defrauding America*, a copy of which was presently sent to you, with a demand that you act upon the criminal activities against the United States. You, of course, chose to keep the lid on these racketeering activities.

I now enclose a copy of a memorandum dated May 20, 1986, from CIA Director Bill Casey, directed to John Poindexter of NSA (National Security Agency), making reference to a secret operation known as MAGG PIE. The body of the document refers to a flight from Tel Aviv's Ben Gurion Airport to Teheran, and named some of the participants, including Robert Hunt (ONI); Bud McFarlane (NSA); George Cave (CIA); and Howard Teicher (CIA). There are several very significant implications arising from this memorandum:

1. The memorandum identifies the pilots of the aircraft flying to Teheran for the secret arms-for-hostages scheme. One is John Robert Segal (CIA), and the other is "Russbacher, Karl Gunther ONI." Russbacher is the ONI deep-cover operative that the U.S. Attorney in Sacramento charged with impersonating a Naval officer when he was billeted at Castle Air Force Base (upon orders of CincPac). Although the U.S. Attorney (who is now a federal judge at Sacramento) dropped these charges, the U.S. Department of Justice of which you head, pressured the State of Missouri to charge Russbacher with impersonating a Naval officer and cause his probation to be rescinded. Russbacher is now in prison, in the beginning of a 21-year sentence (that was itself a fraud as shown by the attached Blunt letter). Justice Department officials knew when they filed the charges of impersonating a Naval Officer, and when they pressured the State of Missouri to revoke Russbacher's probation, that he was in fact a Naval Officer. The intent of the Justice Department officials and the U.S. Attorney General was to discredit Russbacher's exposure of the ongoing serious criminal activities against the United States and the American people. Your Justice Department now has a detainer served upon the State of Missouri prison officials for the purpose of seizing Russbacher and deporting him, if the State of Missouri releases

To conquer fear is the beginning of wisdom.

Bertrand Russell

Do not reverse a decision out of fear alone.

Ernest Hemingway

To get out of a difficulty go through it.

Samuel Easton

him. But if Russbacher is a Naval Officer, and a member of the CIA and Office of Naval Intelligence as Bill Casey's memorandum shows, he cannot be deported. As the nation's highest law-enforcement officer, you are aware of these crimes against Russbacher. You are aware of the crimes against the United States. Yet, you do nothing, which makes you guilty of far more and far more serious offenses than many who are in federal prison today, some of them for life.

2. Another implication of the memorandum is to show that Vice-President and then President George Bush was lying when he stated repeatedly that he did not know about the Iran-Contra scheme until after the November 1986 downing of the CIA-proprietary aircraft known as the Hasenfus affair. Seven months prior to Bush's alleged first knowledge of the arms-for-hostages scheme, Bill Casey is sending copies of memorandums concerning the conspiracy to none other than "VP Bush." You have a responsibility to expose this relationship and if possible, file criminal charges against Bush for lying and for his involvement in the ugly segments of the Iran-Contra affair, including the massive drug trafficking into the United States.

I expect you to continue the cover up and obstruction of justice, and am notifying you in this manner for inclusion in the next printing of *Defrauding America*. Incidentally, people over whom you have supervisory responsibilities are currently destroying all of my assets (after committing the criminal and civil and constitutional violations involved in their seizure), keeping me a virtual prisoner as I wait a kangaroo-court trial on contempt of court charges (in felony retaliation¹ for having tried to report in 1990 the criminal activities against the United States that I uncovered and in felony retaliation for having exercised federal defenses against the judicial acts taken to silence me.

Also included with this letter, and the May 20, 1986 memorandum from CIA Director Bill Casey, is a letter written by Missouri Secretary of State that admits the charges against Russbacher (via CIA proprietary Southwest Latex Supply) are a sham. Misuse of a state's prosecutors and public offices to silence an officer of ONI is certainly a civil rights violation along with a criminal misuse of state offices. They were probably taking their cue from the Justice Department mindset, but nevertheless, you have a responsibility to immediately intervene.

Among your duties at this time are:

1. Bring about the immediate release of Gunther Russbacher and halt his persecution, stemming from Justice Department initial charges against him.
2. Cancel the detainer placed by INS seeking to deport Russbacher, which would be barred if he was a U.S. citizen and captain in the Office of Naval Intelligence.
3. Publicize the charges I make here and in the book, *Defrauding America*, to focus attention on the serious crimes against the American people.

Title 18 U.S.C. § 241. Conspiracy against rights of citizens

If two or more persons conspire to injure, oppress, threaten, or intimidate any citizen in the free exercise or enjoyment of any right or privilege secured to him by the Constitution or laws of the United States, or because of his having so exercised the same; ... They shall be fined ... or imprisoned ... or both;

Title 18 U.S.C. § 1512. Tampering with a witness, victim, or an informant —

(b) Whoever knowingly uses intimidation or physical force, or threatens another person, or attempts to do so, or engages in misleading conduct toward another person, with intent to —

(1) influence, delay or prevent the testimony of any person in an official proceeding; shall be fined ... or imprisoned ... or both. [1988 amended reading]"

Title 18 U.S.C. § 1513. Retaliating against a witness, victim, or an informant. (a) Whoever knowingly engages in any conduct and thereby causes bodily injury to another person or damages the tangible property of another person, or threatens to do so, with intent to retaliate against any person for — (1) the attendance of a witness or party at an official proceeding, or any testimony given or any record, document, or other object produced by a witness in an official proceeding; or (2) any information relating to the commission or possible commission of a Federal offense ..."

4. Cause an immediate halt to the final liquidation of my assets that were criminally seized with the help of Justice Department personnel, and as described in further detail in *Defrauding America*.

5. Cause an immediate halt to the felony persecution against me by your goons in the Justice Department as they seek to silence me, aid and abet the underlying criminality, by charging me with contempt of court for having exercised my federal responsibilities and rights.

Without your aiding and abetting, the criminality that I describe and support with massive amount of various forms of evidence could not occur. At this time the complicity of the mass media is protecting you. But the response to *Defrauding America* in the United States, and overseas, may yet circumvent the complicity and duplicity of criminal coverup.

Sincerely,

Rodney Stich

What Is The Government HIDING?

11/2/93 #1 HATONN

Before I return to the Committee of 300 or *Iron Curtain Over America*, I want to share some other confirmations and information which may well be far more important to you.

We have written several times on UNDERGROUND FACILITIES of your government, the United Nations, et al. We have offered specific placements of these facilities as well.

I have now been sent a research document which years of research has gone into compiling of information on this subject. I will offer you portions, briefly, of the information. I have no intent to offer it all by any means. Mostly, the document will confirm that which we have already offered—but with documentation, maps, etc., to PROVE this to you—especially you doubters—and, of course, to the curious who WANT MORE DETAILED INFORMATION.

I now ask the staff to pull out our prior writings on this subject of underground facilities, missile sites, incarceration camps, etc. This is NOT A JOKE, readers—this is SERIOUS. [See page 9.]

This volume of material which has been sent can be obtained by you for your own at-hand use. It is called **UNDERGROUND BASES AND TUNNELS: WHAT IS THE GOVERNMENT TRYING TO HIDE?** It is compiled by Richard Sauder. He can be reached at P.O. Box 81543, Albuquerque, NM 87198. For his own protection and security he has gone to the work of Copyright (1993) and has all rights reserved. This offers him protection if the delinquents go after him. It is now known that he is connected to ME and that there is no information from him which is not otherwise available.

You can get this document from him for \$25 and I explicitly recommend it to you readers! I believe this includes shipping and handling but a couple of extra dollars would help defray the massive costs of research and mailing.

I am going to offer for your pleasure

the "Foreword" and I hope you will give careful attention to this work.

UNDERGROUND BASES AND TUNNELS: WHAT IS THE GOVERNMENT TRYING TO HIDE?

QUOTING:

Persistent rumors of secret underground bases and deep underground tunnel systems have swirled through the field of UFOlogy for some years now. The bases and/or tunnels are variously said to be constructed, staffed and operated by covert human agencies, either part of the military-industrial complex or various federal government agencies, or by extraterrestrial or alien beings (the so-called "Little Greys" often mentioned in the UFO literature), or by both covert human agencies and aliens working together in secret, underground installations.

I will say at the outset that I do not know whether or not there are Little Greys and whether or not they are living and working in underground installations. Perhaps the Little Greys really do exist; perhaps they do not exist. Since I personally do not know, and am not able to definitively answer the question one way or the other, it will not be dealt with to any appreciable degree in this report. Neither do I know much about abductions and reported cases where abductees have been taken into purported underground installations in which they have alleged to have seen and experienced many strange things, including bizarre medical procedures and biological engineering experiments being conducted. Though I have both heard and read such stories I cannot testify as to the veracity of these reports so I will not say much about them. At this point I would simply observe that these anecdotal accounts are interesting and that I am keeping an open mind about them.

What I do know, however, is that there are many underground installations here in the United States. I also know that the military-industrial complex and various federal government agencies have constructed, and are working in, many of

these installations; I also know that throughout virtually the entire post-WW II period (and perhaps before) the United States government has actively been planning and constructing underground facilities and installations, some of which are very deep underground, quite sophisticated and capable of accommodating large numbers of people. I have documented quite a number of these facilities and will describe them, to the extent that I am able, in the report which follows. I have also been told of many other underground facilities that I am presently not able to document. For that reason, most of them will not be discussed here.

[H: I have a request right here, please. If YOU have information regarding such facilities and it is not offered in this document, please send said information to this writer and/or to me and we will work at integration of a larger documentation journal of some kind. I like to monitor that which goes forth as Truth for most of you have no way to know—but I prefer that other writers take the burden of the work—WE ARE OVERLOADED. We will see to it that it is used according to your own instructions and we will make sure Mr. Sauder gets the information and, I trust, he will make sure that which he gets directly will be shared for my input and verification. Thank you.]

I have been able to find considerably less information about the much-rumored tunnel system said to crisscross the United States. This does not mean that it does not exist. It may simply be that its deep underground location (if it really exists) gives it a natural cover that is hard to break. Or maybe it really does not exist! I don't know for sure one way or the other. Nevertheless, I will present for your consideration what information I have uncovered related to tunneling and tunnel systems that may, or may not, have anything to do with the rumored underground tunnel system.

My approach to the tunneling and tunnel network issue is the same as to the underground base question: I will present for my readers reports, information and facts that I have discovered and leave them to draw their own conclusions. I trust that

most of what follows will be as new and intriguing for others to read as it was for me to discover.

Parts of this report were first published in *UFO* magazine, edited by Vicki Cooper.

Readers are welcome to forward information to me concerning underground installations and/or tunnels of any sort. The more specific and detailed the information is, the better. Clear photographs, with accompanying details about when and exactly where they were taken, as well as what they depict, are also welcome. Sending photographs or information to me constitutes permission for future publication or use by me, at my discretion, without further obligation or compensation to the sender. Anonymity is guaranteed to those who request it. My forwarding address is: Richard Sauder, P.O. Box 81543, Albuquerque, NM 87198.

[H: I believe it is important to give you more than this tiny overview of intent of the author, so as we go along through the weeks, I shall offer some of the topics for discussion. To give you better insight as to material, I will continue a bit further with the volume and share a bit of PART I.]

UNDERGROUND BASES THE MILITARY UNDERGROUND (Section 1)

It is important to understand that the United States military has been heavily involved in underground construction for decades. I will set out for you as many of the locations where the various military agencies have constructed major underground facilities, or planned to do so, as I can presently document. I have been told of, and have read of, many others. While I think it highly probable that at least some of these other secret installations may exist I will not discuss most of them in this report, because I cannot presently document them.

In this report I will discuss at some length documents generated by various military agencies pertaining to construction and operation of underground bases and tunnel systems. The documents are real. They were written over a 25 year period beginning in the late 1950s and continuing up to the mid-1980s. The reader will have to be the judge of whether the underground facilities are real. I personally have not been in any underground military facilities and am not privy to secret information; however my hunch is that some of the facilities mentioned in these reports and studies were probably built.

I understand that some readers may object to the publication of information about military facilities. However, it is my feeling that the aims and ideals of repre-

sentative democracy are poorly served by secrecy in government, especially powerful military institutions, as we currently have in the United States, and when that military institution carries out secret policies and agendas, as is currently the case in the United States, then there is an ever present danger of that military institution usurping control of the government. That is how military dictatorships are born.

[H: Farfetched ideas? Well, on 60 MINUTES, Oct. 31st, their reporter Mr. Bradley was IN RUSSIA LOOKING AT MISSILE SITES. It was stated right out that all nuclear missiles are aimed at the U.S. and the U.S. missiles are still aimed at Russia. More interesting, however, was the number still aimed, armed and ready for firing at places in such as Wyoming, Nebraska, Wisconsin, etc. Do you find this interesting? What would be in such U.S. states that would merit special targeting? Well, "THEY" said there were important installations in the specific target areas (that I shall leave unnamed—for your nervous system balance—if you missed the program). This is REAL, readers, and if you don't get informed, you are in SERIOUS TROUBLE as to possible safety.]

Let me say it clearly: I intensely dislike military dictatorships, of whatever ilk. They may march under a hammer and sickle, or under a swastika. God forbid that there should be one that marches under the stars and stripes of the United States of America. In that spirit, and in the hope that some of what follows will help peel away the cover of excessive secrecy that shields a great deal of what the Pentagon does from public scrutiny, I offer the following documentation of underground military installations, as well as official plans and documents pertaining to the construction, operation and planning for such installations.

AIR FORCE PROJECT RAND

The Rand Corporation **[H: A joint working force with the Brookings Institute of the Tavistock Institute of the Royal Institute of International Affairs of the Committee of 300 (and XX&X as example of branches thereof).]** was set up in November 1948. It actually grew out of U.S. Air Force Project RAND, which was established in 1946 to carry out long-range research projects of interest to the Air Force. The mission of the Rand Corporation was to work on cutting-edge problems in the realms of engineering, economics, mathematics, physics and social science. In the late 1950s, one of the problems that the RAND Corporation was working on was the question of underground base construction for the United States military. Accordingly, Air Force Project RAND and

The RAND Corporation held a symposium on this topic, on 24-26 March 1959, to which they invited a wide variety of technical experts from the public and the private sector.

According to the chairman, the purpose of the symposium was to discuss "the problems of protecting military installations located deep underground or under mountains" in the event of nuclear war. He went on to say that for the two years previous (since 1957) The RAND Corporation called on experts from military and nonmilitary government agencies, from the corporate world and from major universities. (See roster of symposium committee and session chairmen). This pattern of collaboration on underground construction projects between university researchers and university engineering schools, private sector industry and the military and other government agencies is one that has continued right up through the 1980s.

U.S. ARMY CORPS OF ENGINEERS

Given the RAND Corporation symposium in 1959, it is no surprise that in the years 1959-1961 the U.S. Army Corps of Engineers published a five-part series of training manuals entitled *Design of Underground Installations in Rock*. I cannot possibly condense the entire contents of these documents here, nor will I cite them all. But suffice it to say that the tone of the series assumes that there already were underground military installations, as of the late 1950s. The manuals are clearly intended for use by military engineers training for the construction and maintenance of underground facilities. Judging from the manuals, the facilities in question were intended for use as command and control centers and survival bunkers for the military brass, in the event of nuclear war. **[H: This is VERIFIED by the number of old missile sites and facilities NOW FOR SALE by the government as the more sophisticated facilities have been completed and the missiles changed out for upgraded systems and railroad missile carriers, etc.]**

Citing the failure of the Germans and Japanese to recognize early enough in WW-II the strategic importance of placing crucial facilities underground, the Army Corps concluded in 1961 that it was imperative for the United States to construct vital facilities deep underground. This decision was lent extra force by the destructive power of nuclear weapons which made previous installations obsolete. Significantly, the 1961 report says, "Vital governmental installations have been placed underground, as exemplified by the Ritchie project."² [2: U.S. Department of Defense, Department of the Army, Army Corps of

Engineers, *Design of Underground Installations in Rock: General Planning Considerations*, Manual No. EM 1110-345-431 (1 January 1961): p. 7. The one manual in this series which I do not quote from is entitled *Design of Underground Installations in Rock: Penetration and Explosion Effects*, Manual No. EM-1110-345-434 (31 July 1961). It is also published by the U.S. Army Corps of Engineers.]

THE RITCHIE PROJECT:

...is a large, underground, military facility on the Maryland-Pennsylvania border which is discussed in some detail later in this report. The interesting thing here is that already in 1961, in a publicly available document, explicit reference is made to governmental installations (plural) *already* having been placed underground.

Examples of the sorts of facilities the military was discussing placing underground were: communications centers, fortifications, air raid shelters, staff headquarters and offices, research facilities, shops and factories, and storage areas; and hospitals, kitchens, lavatories and sleeping areas for the use of the personnel stationed underground. According to the Army Corps, some facilities were to be relatively shallow, while other, "more important equipment and facilities essential to defense may be installed in deeper workings" that "are likely to be long and tunnel-like", occupying "one or several stories". According to the report, such deeper facilities may be several hundred feet underground. Several kinds of facilities are discussed: a) a simple installation with a single shaft or tunnel; b) a simple installation with two or more shafts; c) a simple installation with tunnel and shaft; and d) larger installations with multiple tunnels and shafts for access and ventilation.³ [3: *Heating and Air Conditioning of Underground Installations*, Manual No. EM 1110-345-450 (30 November 1959): pp. 5-7, and 83-85.

The documents provide several possible schematic layouts for unnamed underground installations. In addition to the tunnels giving access to the facilities there are also shafts to the surface for ventilation, heating and cooling, and for exhaust of gases from power plant machinery. The documents also show possible designs and appearances of air-intake shafts or vents, and exhaust pipes for the power plant. Water would be supplied both from outside commercial sources and also from wells sunk near or from *within* the facility. Large reservoirs would be hollowed out underground to provide operational water reserves for emergencies. The facilities discussed in the report would also contain kitchens, snack bars, cold storage areas, dispensaries or first aid rooms, medical

facilities, personnel lounges, barracks, auditoriums and conference rooms.⁴ [4: *Design of Underground Installations in Rock: Protective Features and Utilities*, Manual No. EM 1110-345-435 (1 July 1961): pp. 5-6, 11-25, 62-74.]

END QUOTING

I believe this is enough for this writing, for your information as to what might be in this document. At this point the book is NOT bound as a published book so you are getting a copy of, if like ours, the original "manuscript". I like this better because it is untouched!

You who are interested in sheltering selves will find this invaluable and far less expensive than obtaining all of the back-up materials and manuals, even IF you could get them.

Please, if you can do so, support this writer in point. He has chosen a very dangerous mission to get this to the public and you who wonder "What can I do?"—this is an example of WHAT! Help those who are giving everything they have and are to inform you.

In closing I would like to briefly answer some inquiries about soul-less beings, angels, etc.

Example: "When you refer to your Crew does that include us way out here in Pennsylvania? We often wonder about this when we listen to the tapes. In the last tapes you mentioned that families in transition would be kept together, does that mean when we go into transition—will we meet our families in the hereafter? You also said that 2/3 of Earth's population are soul-less, do they reproduce soul-less offspring, and where do they go when they die? Do Angels still leave their estate and if so why?"

In order: Yes, even you "way out there in Pennsylvania" are literally **attached** to us—unless you demand retraction of coverage due to thought changes as to higher relationships. We even have crew-members from Texas! **BUT, WE HAVE VERY, VERY FEW IN WASHINGTON, D.C.—GOD DOESN'T HAVE MUCH ARMY IN THAT PLACE!**

Yes, more than 2/3rds of Earth population are now "soul-less" humans. This has been accomplished via two routes—generations birthing new generations into a purely physical consciousness. These, on your place and by the Elite, are considered to be "useless eaters" and marked for "depopulation". The Elite, of course, hope more importantly to depopulate the possible enemy, i.e., **ONES WITH SOULS WHO CAN CHANGE INTENT AND DIRECTION AND MAKE POOR SLAVES.**

It is not NECESSARILY that ALL babes born to these hapless people are soul-less but that subject is so lengthy as to make it

impossible to speak of it here and now. The decisions of soul-birth into dimensional expression is a very complicated choice event. Do not limit God—the breath of life (soul) can be breathed into ANY being at the whim or desire of GOD. It is, however, far more likely to have birthing of simple "expressions"—this is why abortions are so exaggerated in your place. For one, a lot of souled beings are destroyed and, therefore, can be no threat—but it is a remarkable way to overpopulate with dispensable numbers, called "masses", to overwhelm your souled senses into numbness and your consciousness into confusion and withdrawal as to "action".

Will you meet your "family". That actually has no meaning for "family" SIMPLY "IS". As you cross in transition which takes separation of soul from body—there is no way to NOT have family. I do, however, realize you are asking an entirely different question than you indicate. As to crew and those "in service" and regarding protection: Yes, our allowance is take your families as requested—into security under various and sundry circumstances. If they be "adult" they will be given into decision choices and put back down if that be their demand. The purpose of this "exception"? To allow the "crew" (YOU) to be cleared for service and not concerned about human physical placements. The point of "evacuation" is that ours will be taken in human format. The reasons for that are also too lengthy to cover here—however, just know that there are tasks to be performed in a transition of this sort and magnitude which require physical interactions. Your "children" will automatically be removed into safety—for they are souled beings awaiting service—and their innocent acknowledgement of that service to LIGHTED GOD is uppermost and present. Sorting out of "family" members is prepared for and well-planned.

I do not understand the question regarding: "Do angels still leave their estate and if so why?" Angels are energy forms which are usually thought of as God's projections. However, the term angel can be related to any energy projection. I can't answer the question as stated. Angels neither leave nor take—anything of the physical as would be indicated by "estate".

Thank you for inquiring and you hit upon my only interest in your passage—your souls and energy forms. One day perhaps we can get beyond the physical "survival" long enough to learn about the passage and beyond. God blesses you, children, do not despair nor weary of the journey—for in the turning away sometimes the moment is all there IS and the passage becomes "too late".

Salu

Secret Underground Bases

“Little” Military Surprise

(Editor's note: Those of you readers who watched the Fox Network television program SIGHTINGS on Friday evening, May 7, heard brief and oblique mentions of super-secret military installations and “out of this world” technologies being utilized therein. I say “brief and oblique mentions” because the whole matter has to be danced around rather than reported straightforwardly — or else such TRUTH tidbits would NOT see the light of day on our controlled TV screens.

Those little sprinklings of TRUTH lead, like a trail of crumbs, to a whopper of a reality. If you have read the exposé starting on page 2 of this CONTACT on the 1982 Falkland Islands War, you already know about a few of the incredible secret underground military bases — and we are here going to expand on that subject with more information.

The following presentation is an assemblage of Commander Gyeorgos Ceres Hatonn's writings which are scattered over several of the earlier JOURNALS as well as transcribed from an audio tape, all concerning various super-secret and not-so-secret underground facilities, plus some of the astonishing and depraved things that go on therein.

The total picture is one of outrageous deceit and subversion of the public trust, of technology gone crazy, and of the use of that technology against we-the-people whose tax dollars are at work paying for these facilities. Talk about “adding insult to injury” — literally! Just listen to all the abductees running around who think they are being harassed and humiliated by extraterrestrials!

Meanwhile, the recent arrays of “unnatural” storms and earthquakes across the U.S.A. whisper that the Elite may be gearing up to unleash upon an unsuspecting public—very soon now—a sick but spectacular “Star Wars”-type of event to galvanize the public with fear against a “common enemy from space” to help bring about our sheep-like cooperation with the New World Order's One-World-Rule goal.

An “engineered catastrophe” such as this borrows heavily on what goes on at some of these secret underground facilities. And for that reason, too, we have collected this information together for your reading “pleasure”. Forewarned is

forearmed.

You don't have to be a scientific philosopher to ask yourself, “What is WRONG with this picture?” Science devoid of moral underpinnings is a scary tragedy indeed. Meanwhile, we wonder why nobody is tending the potholes in the roads, the crumbling bridges or the inner cities. Will we wake up in time?)

1/1/92 #1 HATONN

NEW YEAR'S DAY

Hatonn present in the Holy Service of God in and of Light. Let us collect our fragments and still the currents of confusion. You will please keep ever present in your minds the impacts of these new year moments. This is to be a year of most unexpected changes which will boggle the minds if you allow it. The Adversary plans great changes to come about in these months at hand.

**TRUTH IS STRANGER
THAN FICTION**

It is time to write of things which will be compared by every “crazy nut” to that which is already being filtered down into your consciousness by the misinformation and disinformation bearers. You are now such a controlled society of people that the differences will elude the multitudes and you shall be given into the perceptions of insanity from time to time. I must write in TRUTH so that as things unfold in the confusion of the Planners' timing you will not be either surprised nor impacted by the blatant size of the lies. Always realize that somewhere in the middle of the extremes of projections will be found the truth of the tales which are now going to be loosed upon you. We will speak in specifics in some instances but I will use generalities in explanation to cover much up-front which will later be spoken of more leisurely.

What I have to tell you is already breaking forth from the more “wild” of the UFO community of deceivers but, you see, the only thing wrong with their conclusions lies in the assumptions of “alien” beings instead of manufactured earth-bound beings. This is THE MOST IMPORTANT facet in the wrong conclu-

sions but, nonetheless, it is time to speak of these “incredible” circumstances before the news hits the headlines.

The point of actions from here on in will be to panic and paralyze you citizens with the sheer magnitude of the technology present upon your place. The adversary has been working toward his goal of world domination by year 2000 for thousands upon thousands of years and you are now within the final decade of the entrapment so you are going to be shocked and terrified by that which will come into your knowledge.

I have gained a reputation of doom and gloom—fear mongering and even being Satanic. No, none of those things but what I will outlay to you “ordinary” unknowing people will be mind-boggling and beyond science fiction of any kind shown to you prior to now.

NO ALIEN THREAT

The ultimate punch-line to the Adversary's plan is to align the masses into unity through assumption of an outer-space alien threat to the planet.

No, I repeat—you have no enemies in space—they are all land-locked and the plan so well laid and orchestrated that the presentations unto you will cause you to believe that which they will tell you. I must tell you THE TRUTH prior to the “pranks” because only in that advance warning will you be prepared. ALWAYS as things unfold—look unto the PHYSICAL ASPECT. GOD is a SPIRITUAL influence and condition and thus, that which is manufactured and manifest in the physical and breaks ANY BIT OF EVEN ONE LAW OF GOD IF PRESENTED FROM THE COSMOS, IS NOT OF GOD BUT SERVES THE ADVERSARY—and you are in for some real doozies right away now.

You will continually harken back to the writing of yesterday as we write during these coming days because you MUST know of the separation and sorting and if you are still playing games with God, I suggest it is now time to stop it. GOD is not a groveling wimp who will allow you to go into infinity with such stupid ideas and actions as you have been told. HE WILL ALLOW NO EVIL ACTIONS OR INTENT WITHIN HIS HOLY PLACES! That means that it will be only through honorable

service and intent that you will make that journey WITH God. You may get interim placement but you had best look most carefully at intent because the days shorten into a very precious few. Each day will be a gift of gifts.

The intent was to pull off a planetary testing of the massive Woodpecker/Wormwood pulse system now fully connected. If those tests go wrong you will have an ignited radioactive belt about the planet. The assumption is that at worst it will keep the Hosts from entering your space. It will NOT do so. However, **your Elite controllers now have finished and interconnected underground survival centers worldwide and connected by channels with such advanced technology that hundreds of years can be spent comfortably in shelter while the surface recovers—if necessary. This will be utilized above or below sea level. It is only you-the-people that have no shelters and will not survive.** You still have time for action because a few things are not complete and final function of the "system" will be more perfected if the "Plan" is more fully complete than on this day. However, as of day one of January, 1992 the system is linked and the Elite ARE IN CONTROL. That does not mean America, chelas.

What you DO have this day is a breakdown, however, of the Soviet break-aways and the Zionist elements. The break-away nations and the fundamental elements of the Russian coalition will not tolerate either Yeltsin or the Zionists, even if a full-scale nuclear war must be had immediately. When Shevardnadze says you should be worried mightily about those nuclear weapons in the "wrong" hands—he speaks much too softly—they are poised and ready to fire. But that is not the subject of this evening's writing.

UNDERGROUND BASES

It is time I confirm and explain the presence of massive underground systems throughout your globe—which are very "human" oriented and occupied.

You will be told that these installations are headed and run as a hostage situation—by aliens. Reptilians and Little Grays. BSI! Are there Reptilians and Little Grays present? Indeed! There are massive numbers of them—all cloned, replicated and terrifying. You will further be told that they hold your government hostage. More and deeper heaps of lies—they are produced by the good-will dedication and greedy money grubbing governments at the control of the Elite Committee of 300 who operate out of Switzerland and headed by the Royal Crown of England. These are the Satanic British Zionists originally known as the Serpent People. This is exactly why the Reptilians will be presented to you as the ones in control. The Serpent is the symbol of Satan

and these ones have never even bothered to lie to you about their label.

WHY SO MANY UNEMPLOYED

Sit quietly for a minute and consider numbers with me, for as these underground facilities are coming to finished status there are a lot of suddenly available unemployed. You are showing increased numbers of unemployed NEW sign-ups of half a million a week. You are talking now of millions out of work—from where? Yes, from all over, but WHY?

How many people, say, in the area of Lancaster/Palmdale, California, might you personally know who work in the aerospace industry wherein groups work on items which are isolated and secret with penalty of death as reward for tattling? Almost all is done on "need to know" basis and ones are going to realize they have been working on projects which were so unworldly as to shock Spielberg. Worse than what appears on the surface, they are subjected to mandatory testings, physicals, etc., where they are totally programmed "to forget" what they have seen and heard.

I am going to name some names and places (locations) so that you can check them out as to authenticity and then you will find it easier to accept TRUTH as it is unfolded to you.

LOCAL SECRET PLACES (see photos on pages 12 & 13)

We will start in the local area of Southern California in the Edwards Air Force Base area extending in a large triangular shape which includes all the way to Pasadena, Long Beach, Palmdale, Lancaster, Tehachapi, Mojave, Edwards and China Lake—just for starters.

We have spoken often already about the areas of "51", "72", Dulce, etc., in Nevada, New Mexico and Arizona so we will leave it to suffice that duplication is present in those places as well. Ones who have had the "privilege" of tourist rides into Yucca Mountain to check out the tunnels for planned nuclear waste sites will not be as shocked as the rest of you unsuspecting ones. At Yucca Mountain alone there are over 35 major tunnels which totally catacomb the mountain at all levels as deep as several miles. There is only one tunnel open for public eyes and it is impressive enough to stun the eyes and minds of hardened engineers.

In the Palmdale area beneath a "hanger" type building, which actually is movable on tracks, is a multilayer technology center over eight levels in depth and the size of a massive city. The workers are mostly manufactured robotoids and synthetics made for labor with computer intelligence. Human

participants are of the "Ultra top-secret clearance" personnel.

At Edwards launch area in a bluff (butte) called Haystack, there is an even larger installation underground with incredible beam pulse systems, aircraft launchers, stealth equipment in coalition with the Soviet Cosmosphere program with total capability of destroying the planet in some 15 minutes.

Locked into that installation is a massive underground facility near Tehachapi called The Anthill (Northrop). There are open silos wherein light laser systems are tested and cosmos-drones sent out like marching armies to probe electronically. They are like little basketballs of light running usually to blue and sometimes golden/orange.

These particular installations are carved out with digging equipment which melts the mind as to possibilities as nothing stops them—not rock nor metal. They are drills tipped with diamond bits and carve a 40 ft. tunnel in mere hours. Interconnecting these installations are high-speed transit rails with "trains" which "fly" on an electromagnetic system off the ground at incredible speed. There has been a lot of "blasting", also, but covered by the stories of aircraft moving through the sound barrier and after a while it simply became that no-one paid any attention.

BEINGS INVOLVED

I don't even like to speak much of the Reptilians because they are dramatically for fear effect. Some are simply beings with leathered type of covering for protection purposes and are no more than humans in costume. The Little Grays fit into a different type of category and if not selectively handled get completely out of control. These are both comprised of manufactured (soulless) beings without compassion or feelings of any type. They are very "strong" physically and the "Grays" can literally infiltrate into the substance around them, i.e., they can "float" or disperse through a wall or door, etc.

There is a third type of replicated being made in the form of that which is presented to you on television as an "Orange". These are computer-bright but basically clone laborers. These are very human in appearance but too synthetic to fit in with your citizenry.

I am going to remind you—THESE ARE NOT SPACE ALIENS ALTHOUGH PATTERNED FROM ORIGINAL ALIEN ENTRIES OF EONS PAST.

I hope you are beginning to get the picture, chelas. These are the adversaries OF GOD and of we, the Hosts. They neither have the technology to traverse the cosmos nor are they even allowed into the space beyond the Earth orbiting system at best.

These ones are led and controlled by the entities who would rule the Earth and they are the reflection of hybrid, emotionless beings who serve the World Order "Elite". They are basically Satanic tools and act on direct orders of the controllers.

WAR OF THE "GODS"

We don't speak of "Gods" as such, but the idea fits. It is the time of sorting and separation of the participants (players) on the physical orb called Shan (Earth). It is the time of retrieval of God's children who are experiencing on the place for all sorts of varying reasons in soul-growth progression. Evil intends to rule the globe and all things thereon. But, he has already destroyed the bountiful wonders of the globe and it cannot continue as is. Therefore, the plan is to take control through whatever means available—preferably leaving a remnant of Godly slave laborers and annihilation of other souled beings. This will be accomplished in two ways.

1. He will simply convince the souled being that God is not who and what He claims to be. Those unthinking masses will simply be led down the "primrose" paths through the mire of lies and disbeliefs of truth. These, for the most part, will be called Christians (by any other label). These ones will be side-tracked into a belief system which revolves around the human physical being of, say, a Jesus Christ or Buddha, as adequate examples. They will set their intent upon denying and "proving" the non-presence of God, Hosts, Goodly Aliens, etc.—anything of the Spiritual realms of Light. Their whole intent will claim infinite experience but will be entrapped in total physical and material matter.

2. He will simply enslave physically those who stand against him and as ones are no longer useful, they will be slain and/or used for testing, etc. Disease will wipe out multitudes and then wars will annihilate millions, famine and exposure will get more and in the interim, all dissenters will be interned in compounds if they are thought to be dangerous to "the cause".

Ones who go about their business without great confrontation will be basically left alone if they are in areas wherein they are no bother.

GOD WILL NOT INTERFERE

There is full understanding between the higher "commands": Our people are not to be harmed. This does not mean that ALL know this even though ones who attempt bodily harm are usually taken out a.s.a.p. by their own group. The adversary will not risk encounter with my Command. God's people are "off limits". I suggest you be

making very, very sure as to whether or not you are one of God's people. Don't ask ME! If you don't know then you better get awfully worried.

Does this mean that God's people will not be caught in anything nasty or negative? No, many of you will perish and no place, as such, is safer than any other. I can assure you that you will have colds and flu, get cold and get hot, hungry and tired just like everyone and anyone else. You WILL be allowed to fulfill your mission whatever it might entail and you WILL BE RECLAIMED AND BROUGHT INTO SAFETY AT THE APPROPRIATE TIME.

There is time left for action in almost unlimited manner if you utilize that time well. Things are not in order to the point of desirability on the part of the Planners so you will simply work within that circumstance in which you find self. There are still some methods of assisting selves with security in ability to barter, etc., if you use intelligence. Violence will simply get all of our workers killed and it will not be tolerated—if I have to tell you that point then you are going to harm more than serve good. You will be sly as the serpent and gentle as the dove—dead martyrs serve no one. Your job is not to fight the war—yours is to bring Truth, put it to press, assist wherein you can by example without force or undue nagging for each will have to know for self. We must have a "remnant" and that means that you of my command will not act in foolishness or you will be put to the side lest you endanger the entire lift-off program. You will be given to know your task when appropriate and he who acts in greed will be put to last. Know that we can beam you up into safety from Mars if need be. I can get you aboard the *Phoenix*, for instance, which is far outside your orbiting place.

OTHER PLACES IN THE U.S.

There are massive bases in Canada but some of the more important strategic centers are, of course, around (under) Atlanta and Arkansas. In some of those areas there was already an underground "alien" race and massive tunneling complex. There are also ancient tunnels under Tehachapi, for instance. The military has now tunneled right to the side of the crystal in Tehachapi and we have now blocked their entry into that portion of their system. Only a tiny portion of the crystal in point is allowed the use of Earthians.

POISON WATER SUPPLY

Other bad news includes a slow and deliberate addition of herbicides into the water systems of your cities. Most is by accidental seepage from growing fields at very low levels of toxicity but now covering

massive areas. As water supplies dwindle in the areas stricken by drought there will be more and more actual toxic response to that pollution. There will also be virus infection via water systems whereby whole villages and sections of cities will become ill within hours—simultaneously.

The cover-up is massive and "leakers" or "speakers" are dealt with instantly by either absolute negation of "law" or injection or by death—mostly the latter depending on the importance of the "squealer". You have ones in the local group who are targets who managed to survive all three types of assault. I will tell you now, it is very difficult to kill one of my people. Usually the journey to this side is vaguely remembered and almost always the trip itself is recalled and known at the time and again remembered at some time later.

AM I TELLING YOU "IT IS OVER"?

No indeed. I am simply telling you that you must be ready for that next assault on your beings as we have described it in the past. Remember, I told you that before you are through, the enemy will blame all things on aliens to prevent any of you being reclaimed by God—THE BATTLE IS FOR YOUR SOULS—ONE DIRECTION GIVES TOTAL FREEDOM AND THE OTHER ENSLAVEMENT AND YOU MUST DECIDE WHICH YOU WILL EXPERIENCE. How many will see through the facade of the physical illusion and into the co-creatorship which produced that illusion? When you understand God then you will also understand that it only requires YOUR decision. It is up to YOU to choose the gold or the gold-covered lead! Both appear the same and often the lead covered in gold appears the more shiny and desirable to the fleshly experience. The lead actually has more value in the higher experiences.

A guide to "clues" is also available to you who will mentally take a look. The protocols and instructions are in place. Bridges, passes and area dams are now bombed (mined) and tracking stations already in place—to keep ones in the area wherein you ARE when the curtain falls. This means a shut-down of all international travel, and interstate travel as well, as time passes. The point is to actually lock you into a small area of location and one in which you can be easily controlled and accounted for. Note the closure of one airline after another and note how many of those airline planes are at Mojave! As surface travel is shut down those parts will be utilized for other types of vehicles and weapons.

The plan, of course, is to allow things to appear natural in their occurrence—i.e., the markets will fall and you will be in a depression but always with the prattling

Clockwise From Top:

Covert Northrop facility at the base of the Tehachapi Mountains. (A)

Lockheed's covert operations center near Helendale—opening to an underground facility. (B)

Silo opening (sliding door for "silo") (C) and crane (D) at McDonnell Douglas covert facility North East of Llano, CA. (C) (D)

Elevator shaft to an underground base with an attending truck. (E)

that "it is getting better"—"just a fluctuation". You will be like the Russians—into disaster without realizing it happened to you. In your confusion you will get deeper and deeper into the pit until the trap is closed. Then the government will simply pull out all resources (welfare) and it will appear most spontaneous because, after all, a government without money cannot maintain anything. The ignorant will remain ignorant and in denial until it is over and some will never know differently, much less admit that what we gave forth was right and correct.

Will you go down without revolution? Probably not, but the bigger gun usually wins, especially if he has trained himself to be more clever. You, dear ones, have been uneducated and many of your so-called educated adults can neither read nor write.

BUT WHAT OF ARMAGEDDON? "YOU SAID - -"

Indeed I did and you can expect eruption in the Middle East momentarily because the Zionist impact is into the areas of the break-away Republics and the military Soviet machine is efforting right now to squelch any anti-military control. The military machine is on the march and it will prevail. It has been carefully orchestrated to get nuclear capability into the hands of all the little antagonistic nations to specifically allow for war. Oh indeed, if there remains a world of nations, there WILL BE AN ARMAGEDDON. I remind you—the plans are finished, for all practical purposes, to totally leave the surface of the planet to destruction while Satan and his henchmen move into those worm-holes underneath to "ride out" the storms.

In all of the installations are men, women and children synthesized and ready for reproduction at such time as viable life forms can be reintroduced.

You of the remnant of God's people are for the purpose of making sure all of God's people are aboard and into security when departure time is at hand.

Yes indeed, I am talking about the total departure and separation of God from the planet, leaving the evil manufactured entities to their destructive and depleting cycles.

Some who are left and made poor choices on the wrong assumptions will be allowed growth at separation from the physical as soul separates from physical life-form but this will only last through a couple of generation cycles at most. However, THE TRUTH will be made obvious and there will be opportunity to again stand in the place of God. It will, however, be only briefly and then, finally, the planet will be left to cleanse and recover as life forms are simply cycled away as living conditions become too hostile for all life forms.

BUT YOU SAID "WE STILL COULD - -"!

Yes I did and do! But will you? You don't even have many who even believe what I just wrote to you. "Oh," you will say, "...that is just stupid but unreal science fiction." Yes, that is what they assume you will say and how you will react to Truth. How comfortable are you this moment? How stable is the economy? How stable are the jobs? How healthy is your society physically, emotionally and spiritually? HOW do you believe it can RECOVER? Where have all your industries gone? Well, brothers, most of them have literally gone underground—where they don't need YOU any longer. The Plan is to bring the population of this planet down again to 500 million people and no more—that means some 6 billion people will be killed—one way or another. That also means that a lot of God's REAL children, with proper intent of Godness, will be watching from a nice safe distance in order to begin and establish a working system within Radiance.

As I remind Dharma of the experience of total treasure when the very hand of God brought you out of the void of mist—so shall that hand lift you into eternal radiance—IF YOU HOLD UNTO THAT LIGHT OF TRUTH FOR THE TIME IS AT HAND FOR THESE THINGS TO COME FORTH UPON AND UNTO MAN OF EARTH PLACE.

IT MATTERS NOT WHICH IT BE IF YE ARE PREPARED. I MUST GIVE YOU BOTH EXTREMES AND THE MIDDLE PATH—FOR UPON MAN'S CHOICES RESTS THE JOURNEY. IF ONLY ONE MAN WOULD RECOGNIZE HIS GOD POWER, THE ENTIRE PLAY CAN BE CHANGED—WILL YOU DO IT? YOU HAVE PLAYED BY THE EVIL RULES AND SCRIPT FOR SO LONG THAT YOU HAVE FORGOTTEN TO INCLUDE A NEW PLAY-WRITE!?! WHO WILL APPEND THE ENDING TO THIS PLAY? WILL YOU ALLOW GOODNESS TO PREVAIL, OR EVIL? THE HOUR-GLASS LAYS THERE UPON ITS SIDE—HOW WILL YOU TURN IT? WILL YOU TURN THE EMPTY SIDE TO "UP" OR THE "FULL"? GOD WAITS! EVIL WILL NOT STAND IN THE LIGHT AND TRUTH IS THE LIGHT AND THE LIGHT IS THE WORD AND THE WORD IS GOD! SO BE IT.

I SHALL LEAVE YOU TO YOUR THOUGHTS AS I OFFER THE GIFT OF INFINITE LIFE AND LIMITLESS POWER TO CHOOSE. ADONAI!

3/5/92 #1 HATONN

UNDERGROUND FACILITIES

(continued)

Since speaking about the underground facilities around this California area, I am,

as expected, deluged with inquiries regarding other placements. I will make a point of going through the various states and giving you some idea where the major installations are and where there are missiles. I don't have time to be totally specific nor give maps with specific tunnel runs, etc. Please don't expect more for it is dangerous for these writers here to present such a thing but I will share some information so that you can be alert and you who do have contacts might get the areas more specifically defined and updated. Revealing the secrets is the only defense you have.

Most places are covered with rumors and things like, "...well, I'm working on 'need to know' basis and I said I wouldn't tell." This means that number One: they are working on something they actually know very little about. Two: they are working underground on installations but have no idea of the broad picture. Three: They are threatened on the basis of "national security" and threat of punishment for treason and Four: They (with family) have been promised the reward of safe placement IF they keep silent about the truth of the installations.

ELITE GOING UNDERGROUND

Already the "big boys", as industry is shut down, are moving into the safe shelters—you are that close to probable danger.

You will now find that you will get no help from your government in the building of shelters so you are on your "own", so to speak. You should continue to ask for public funding but do not expect it and do not base your security on the possibility.

In areas of these massive underground installations and nearby "bedroom" areas, such as Tehachapi, you have a situation of "vacant census"—which means that you have many houses which are now partially (occasionally) occupied but which will empty very soon now that the facilities are operational and the major "building" and construction are finished. Places such as Tehachapi will likely end up pretty much a ghost town but will be quite ideal for young industry in food-growing, dairy farming, etc. This is because the full underground cities will not become effective yet, for the Elite. Ones who are not invited within will have to move on to find work, so much movement will need be back into the cities.

3/5/92 #2 HATONN

As I sit to write this portion regarding missile sites and underground facilities—please understand, I simply cannot take time to do a run-down of the world. There

are other Commanders in other parts of the globe and I, for time reasons, will only handle the United States. Keep in mind that what I am going to indicate does not have to do with simple military installations, etc. I am only going to deal with underground missiles and military installations underground. I will miss some for much is being enlarged daily—but now that most of the major construction is finished **it will suffice for impact to allow you to recognize how truly uninformed you are as a nation.** You in the other parts of the globe can consider that you are in equal or worse shape—especially any “colony” of Great Britain.

The logical inquiry regarding these massive underground installations is “how could they do that without having huge mountains of dirt to move and it would show!” No it would not—they have equipment now that will tunnel and melt the earth material into substance which can be utilized for the walling and shoring. This condenses the quantity of material into a small percentage of that with which the project begins. This tunneling equipment works with a diameter much larger than the average sized home so you can see how advanced is the technology.

I ask you not to write me about specifics nor locations—I welcome any information which any of you wish to share for either my private confirmation or for sharing but please do not expect me to give specifics or long dissertations on various locations for I shall not do so—I hesitate to even give this much information for I will have to increase the shielding for my own crew because of it. I am most pleased to handle any private correspondence but it will be one-way for a period of time, perhaps. Some of these areas will only represent having underground missiles.

I will effort to give nearby sites as reference, i.e.: Alabama: Maxwell A.F.B. north of Montgomery, south of Rattville.

ALABAMA:

Anniston Army Depot south into the Tallegeda National Forest under Cheah Mtn., drawing water from the Coosu River.

Maxwell A.F.B, north of Montgomery, south of Rattville—drawing water from the Alabama River.

Fort Rucker: MAJOR SITE—very large area. North to Brundidge, east incl. Arton, southeast to Ozark, south almost to Hartford and west, almost to Elba. Drawing water from the Pea River Res., predominantly.

ALASKA:

Massive water tunnels and underground facilities and missile sites in an area running from Kotzebue to Ruby to and includ-

ing all of Norton Bay.

In the Fairbanks area including all of the Harding Lake Rec. Area.

Stoney Creek area, in the vicinity of the **Redoubt Volcano. [H: You should pick up a great “clue” right here!]**

ARIZONA:

Arizona is so sprinkled with installations housing missiles that it is hard to separate them from Nevada so I will include the southeast corner of Nevada also.

Small installation between Mesquite and Glendale.

Large installations between Searchlight and Boulder City.

Border of Nev./Ca. directly north of Needles, Ca. in line south from above installation.

East of Kingman some 35 miles east, past junction of 40 and 93. Right under and around I-40 directly in-line south of Peach Springs. Desolate territory with few landmarks.

Area under I-40 between (approximately midway) Winona and Winslow.

West of Phoenix under I-10, approx. midway between Wintersburg and Quartzsite.

Between Yuma and Casa Grande on (under) I-8, approximately midway between Mohawk and Sentinel.

North of Yuma on H-95 approximately midway from intersection of H-95 and I-8 and Quartzsite.

Fort Huachuca near border with Mexico in general area of Huachuca City.

ARKANSAS:

In Arkansas there is a different situation wherein you have a lot of useful natural formations which allow for utilization. Most of the facility activity has been focused on the Ft. Smith area taking in the entire Ft. Chaffee military res.

CALIFORNIA:

California has so many installations that it is all but impossible to point to them all. The ones along the coast are set up so as to be open for massive underground moving of equipment in event of quake or coastal devastation. Underground tunnels are structured in order to move nuclear submarines from the Long Beach area to inland, to tunnels to move ground equipment by surface to inland. We will not focus on any one area to great extent for as we list the area, say, of Lancaster, it will generally take in Lancaster, Palmdale, Mojave, Edwards and up to Tehachapi areas of Northrop, Lockheed, etc. Remember that in this particular listing I am giving you “**general areas**”.

Starting at the north end of the state: a

very large area including all of the Round Valley Indian Res.

Area all around Ball Mountain **intersecting area of Red Bluff and including Red Bluff.**

Massive area including just south of Alturas, including Likely and Madeline and east almost to Eagleville. Includes the entire origin of the South Fork which eventually makes its way to the Pit River.

Oroville

Downieville

Yuba City and overlapping:

Nevada City, overlapping south to Grass Valley (massive area).

Lake Tahoe-Tahoma-Emerald Bay

Placerville area from Coloma to El Dorado to Kyburz

There is a NOTICEABLE absence of major facilities around San Francisco, but a MAJOR dual installation directly east in Nevada at Hawthorne and including (under) southern portion of Walker Lake.

Coastal missile facility including Pacific Grove Monterey to Salinas—including Ft. Ord.

West of King City, including all of Hunter Liggett Mil. Res. south including Nacimiento Reservoir east to overlap facility which takes in a large area including Camp Roberts and Paso Robles.

Major crucial sites at area of Camp Nelson northeast of Porterville and entire area of Tule River Indian Res. and on south almost to Woody—in the Sequoia Nat'l Forest.

China Lake—massive.

China Lake Naval Weapons Depot—massive.

Fort Irwin—massive. On H-54 southwest of China Lake, northeast Tehachapi, approx. 50 mi. northeast Mojave—large facility.

Lancaster/Palmdale and points east: MASSIVE, taking in areas from northwest of Barstow to east of Barstow to some 30 or so miles east of Barstow on I-15 (desolate area).

This area is in conjunction with the mammoth area of the Nellis bombing and gunnery range and the entire Las Vegas area.

In the Palmdale-Lancaster area must be included Edwards A.F.B., a facility on H-395 at Adalanto and a facility on I-15 between Victorville and Barstow (about mid-way). These sites located on major interstates and well-traveled roads are to allow for checking stations as you move further into the controlled environment. These are located in areas wherein there are major connections with interstate facilities—some three to five just between L.A. and L.V.

The entire Twentynine Palms Marine Corps Base and area between and including Ludlow to Twentynine Palms.

Facility on I-40 about midway between

Ludlow and Needles.

Long Beach is a massive underwater facility with water tunnels which connect all the way inland past San Bernardino with connecting travel tunnels to both Lancaster area and the Marine Base.

South to the Salton Sea—the entire area including Chocolate Mtn. Gunnery Range.

The entire area just east (into Arizona) of the Colorado River Indian Res.

Starting at Capistrano and south through all of Camp Pendelton, including Oceanside.

Moving on south to southeast: Capitan Ind. Res., then on I-8, the Manzanita Ind. Res., east to Brawley to include the Parachute Test Range and Naval Air Facility near El Centro and on east to the entire Yuma Indian Res.

COLORADO:

Moving west to east on I-70: Parachute; Vail (large political facility); site of Eisenhower Mem. Tunnel.

On I-25 south from Denver, all of the Air Force Academy, south to the area south-east of Colorado Springs (Ft. Carson).

All of the area east of I-25 at Fountain north of Pueblo; this is actually a place known as Peterson A.F.B. This is a major and important location.

CONNECTICUT, MASSACHUSETTS, RHODE ISLAND:

Chicopee/Springfield
Woodstock (large facility both Mass./Conn.)

New London
Worcester (Quinugamond)
Fitchburg (Ft. Devans)

All the Military Reservations and Nat'l Guard Facility east of Buzzard Bay.

FLORIDA:

Florida is a strange place in that major underground facilities are lacking but missile bases abound in clusters. This is because of the high water table and expectation that with planned earth activities the major part of Florida will be submerged. This requires that the underground bases be along the shoreline and house submarine-capable facilities.

Major installation including Foley, Ala. and the entire of Pensacola Naval Station and eastward all the way and including Freeport and De Funiak Springs and around north to Crestview.

Panama City: all of Tyndal A.F.B. (underwater and offshore).

Large area on west coast at Palmetta.
Interlocking pods all the way on east coast from Miami to the tip including Homestead A.F.B.

GEORGIA:

Major dual installation at Atlanta in an area taking in Decatur to Jonesboro.

Augusta: Total area including Fort Gordon and east to the Gov't area (massive) including the Savannah River Plant. This is a huge area.

South to Savannah and including all of the Fort Stewart area.

Ft. Benning at Columbus.

IDAHO:

MAJOR INSTALLATIONS AT THE U.S. ATOMIC ENERGY COMM. RES. north-west of Idaho Falls. This is a most important facility and an extremely dangerous area.

Southeast of Boise on H-84 just north-west of Mountain Home—perhaps 10-15 miles.

All of Mountain Home military facility.
Large installation on H-84 at Malta.

There is another facility just across the border in Montana about midway between Coeur D'Alene and Missoula on H-10 and one south into Nevada on H-193 south of Contact.

ILLINOIS:

There are only a couple of important bases in Illinois because it is expected that with great earth changes there will be no Illinois. There is an installation and missile sites at Chicago and facilities of both kinds at

Chanute A.F.B. south of Rantoul.
Ft. Massac at the Ky. border north of Paducah.

INDIANA:

Atterbury Reserve Forces Training Ground including Brown County State Park.

Crane Naval Weapons Support Center
Jefferson Proving Grounds
Vaconia and entire area connected to include Fort Knox and Federal Depository.

IOWA:

Iowa can sleep well but don't expect to have an unexpected place to run for shelter. You have some scattered missile sites but no major underground facilities or major missile pods.

3/6/92 #1 HATONN

REPTOIDS

To "Robert" in AZ. Thank you for information and suggestion regarding Reptoids. I would have to, unfortunately, remind you that the reptilian-appearing humanoids are mostly fabrications of gene and DNA

splicing right on your planet by very "human" hands and test-tubes with appropriate hosts. These are unstable, fragile and are "manufactured".

These beings are created because of the Elite hierarchy who represented themselves as "Serpent people" and are most adversarial in intent. They are now proliferated to scare the daylights out of humanity because the human is now trained to hate and fear the snake. This is most unfortunate indeed. These beings who create this "species" of controlled entity are very much isolated to the area of Earth. If you are set-up by the adversary and move with adversarial (physical) intent you may very well be concerned. If you are within God's circle—you have nothing to fear and certainly not from "space".

I am working as fast as the scribe's hands will go to get that very information out to you—involving many of the projections. We must, however, take the most urgent in proper sequence. If you have no society left—then it matters little about those things. We must give you information first which can allow you ability to CHANGE.

As to those who claim that the government and workers are hostage to these aliens and little "grays", I have but this to say about it: if this be true why do those very ones keep the underground for their own use and YOU ARE NOT EVEN ALLOWED TO KNOW WHERE THEY ARE??? If the government and military were not the perpetrators and developers wouldn't they just turn them loose on YOU? These pale salamander people might well exist but it certainly seems that the government keeps them all to selves. For that matter what causes you to think that we won't usurp some of those safety tunnels for you-the-people?

You know why you can tell who is doing what to whom—by the level of "evil" in every form of activity! God hides nothing in the secret places and HIS security is open as the Light of which it IS.

3/6/92 #2 HATONN

TAPE 1, SIDE A: MISSILE SITES

H: Good morning, Dharma. Thank you for attending my needs this day. I would prefer that we put these military bases with installations on them and sites of missiles and underground facilities onto a tape. It is too time consuming the way we were working with it yesterday. All we need are general locations but I find that everyone is getting very tedious about it, wanting extremely large amounts of information and I'm not going to go into that. So I feel that the best approach to this is for you just to sit here and you're going to have to learn to deal with this situation of looking. I will

effort at giving you the locations and I believe that spelling these proper names will be your biggest problem so, please bear with me if I forget. All you've got to do is go and look upon a road map of some kind but I will endeavor to spell things as we go along and then whether Dharma or someone else takes it off of the tape to list it, it will save us a great deal of time.

We have made it to Kentucky and as our treasure maps are laid forth, Kentucky and Tennessee are adjacent and also on the same pages. Again, I am stressing that I am utilizing installations big enough that they were started in construction many years past and have been continually in development. There will be one or two that we will list, as in California in the area of facilities, as with Angeles Crest National Forest, where those missile sites were put in and since removed, as far as you know. However, those silos have been utilized and the tearing down of those bases and the vandalism which ensued was all very purposeful and other facilities have been built on top of those areas which you would recognize as something else—either a youth camp, some surface governmental installation or private incarceration facility—so that you are not curious about it. I can tell you now that every vacated missile silo is attached to something underground. I cannot possibly list all of those places.

You in local areas put out your grapevine. You'll find out. It's like our friend, Mr. Quade, said, "Well, that's not a conspiracy and that can't be a conspiracy because everyone knows." No, everyone doesn't know and a conspiracy is two, three or more working together to secretly plan an illegal act—as a result, these are conspiracies. It's very hard to keep total silence but you will note in the area of Tehachapi most of the ones who work and live in the area work in those underground facilities, or have in the past as they are ending their construction phase, so you will find almost a vacated city. There are reasons why ones remain quiet. For one thing, they don't know what they're doing, they just simply work at one of those facilities but that's neither here nor there. Let us move on now. I believe we're ready to begin. We're going to start with Kentucky.

KENTUCKY & TENNESSEE

There is an extremely large base and facility that runs north of Hopkinsville, down south inclusive to the west of Fort Campbell Military Reservation. This one will receive water from the great reservoir there, the lake to the east, Lake Barkley and it will also pull from the underground of the Cumberland River. This is an extremely large installation with silos with a lot of stuff going on underground. This is the major Tennessee installation. It's diffi-

cult to leave out the installations which cross borders, so we'll move over to Kentucky and to the north at Madison, Indiana. Just across the border close to Carrollton, you will find the Jefferson Proving Ground. There is a very large experimental installation in that area, mostly on the side of Indiana.

Moving downward to Louisville and on west, you will find Fort Knox. We've spoken of that before. I won't go into it. It's a military reservation with installation.

Moving eastward to Danville inclusive of Perryville, there is a large installation.

Those are the major points of importance as far as defense or research in both Kentucky and Tennessee.

KANSAS

We will go to the east of the state to Manhattan Military Base with installation at Fort Riley Military Reservation that includes Ogden and it runs under Interstate 70.

Then eastward to Leavenworth. There is a Fort Leavenworth, this is an extremely, extremely important installation with large facilities underground. There is a federal prison and there is a massive installation beneath that prison.

Anywhere where you have major prison facilities such as you do in Tehachapi, California, you're going to have installations beneath that prison and they use prison labor and especially ones who are put into isolation for any period of time and ones that you would recognize as being on death row, they are utilized for labor for these underground installations.

LOUISIANA

Move southward from Shreveport to Leesville and you will find Fort Polk Military Reservation. That is a reservation and an installation. That is the only important site in LOUISIANA even though there are many other bases.

You will have to understand that areas along the Mississippi River are not utilized for underground facilities, there are other plans for that river and it doesn't protect those underground facilities.

While we are here, however, I feel that we should mention Mississippi because in conjunction with LOUISIANA, you see, the federal government divides your nation into districts, it does not divide them into states and we have a little problem for your understanding and there's going to be overlapping of states so if I mention them twice, please, understand.

Moving to the east along I-10, you will come to Biloxi, passing Gulfport, to the Beauvoir Jefferson Davis Home which is a park setting. Again, pay attention to where they have these parks. That is Keesler Air

Force Installation. That is a very, very important area with a massive underwater installation.

MAINE

At the very upper part of the state, at Caribou, just to the north of it including a place called Limestone, is a rather large inland facility.

Moving all the way to the south of the state to the area of Brunswick, you will find the entire area under Popham Beach is a water facility with submarine capability and underwater missiles. By the way, some of the missiles are Russian or Soviet missiles and have been in the area for a long time and this is part of the reason for the installation as a defense mechanism against those Soviet missiles out there offshore.

MICHIGAN

Michigan is clean. That is not good news. That is because there is full expectation when the New Madrid Fault goes, it is expected to take Michigan with it or at least the northern part of the state of Michigan.

MINNESOTA

Minnesota is clean. You have a lot of area above the ground but no major, major sites where great research is going on. There are some missile sites in and around Minnesota but no installations or research.

MISSISSIPPI

The only one of notable worth is the one at Biloxi.

MISSOURI

You have two major experimental facilities with missiles.

Whiteman Air Force Base at Knob Noster. It will take in the entire area between Knob Noster and south to Windsor. This will encircle to the east of Sedalia.

Southeast to Waynesville, you will find Leonardwood Military Reservation. This is a very large installation.

MONTANA

A large area around Kalispell, south and including Marion and it takes in all of the Bitterroot Lake Recreation area.

Moving south to Missoula, encircling an area from Frenchtown to Milltown including Potomac and including all of the area under the Forest Service Fire Department buildings and that part of the forest. It's a National Forest. It is the Lolo National Forest. A lot of the work is performed

through the University of Montana. Much genetic development, DNA replication studies have been performed in that area.

Great Falls and to the west of the city taking in the area of a place, not necessarily a military reservation, but a place called Fort Shaw.

South of Dillon just north of a little place called Dell on I-15, under it, there is an installation and there are underground missiles.

Please note that in many of these descriptions I'm giving you, they actually are on or under major transportation routes.

Now north and east find Glasgow. This is Fort Peck Recreational Area. This is a very large area. It is just north of Fort Peck Lake and uses a lot of water from that lake.

NEBRASKA

One of the most important of installations, Norad, is located very near and north of Omaha. This runs approximately to Blair, west almost to Winslow and the Elkhorn River runs directly through it.

Moving southward to a very, very important place where a lot of the monkeys meet and it would seem a totally unreasonable place for them to meet until you consider Norad and then you have to realize there are massive underground facilities.

Just south of Omaha at Offutt Air Force Base is a major, critical, crucial installation.

NEVADA

Nevada district will take some doing, so bear with me. There are some extremely important major, major facilities. They are so important that I hesitate to even... I should just take Nevada as an entire state and call it dangerous.

Beginning at the north almost mid-section of HWY 95 at a place close to, well it would be identified as Granite Peak on mapping, just north of Orovada, is a major missile underground site.

Moving down HWY 95, just south of Imlay, is an underground missile site very close to Ryepatch Reservoir. The important landmark is Star Pk.

Moving back up HWY 95 to where it changes into Interstate 80, southeast of Golconda, on I-80 is an underground missile site.

Move on across I-80, when you get to HWY 93, go north and just north of Wilkins is a small installation right under that HWY.

Moving on to the east on I-80 about midway between Oasis and Wendover with a landmark of Pilot Peak. By the way, Pilot Peak is quite a way from that road but that is the siting landmark. There is a pretty good sized underground missile installation and it probably is referred to in the

circles as Silver Zone Pass.

Go back to the western part of the state. North of Reno and Sparks on a road 445, you will find the Reno Naval Air Station. That's an extremely important one.

Traveling along I-80, west of Lovelock, you will find two landmarks. These are catacombed with missiles. One is the Humboldt Sink and the other Carson Sink. These are both areas which are closed to the public. One extends under I-80. You will find practically no reference to these two most important missile sites.

South near the western border with California near Hawthorne is a massive Department of Defense Depot. It actually is a disposal site. This is a massive, very, very important installation and from this area comes a lot of the contamination that is surfacing in the Mono Lake area in California.

There is massive activity of every kind in the Toiyabe National Forest.

Just north of Gabbs on 361 is an underground missile pod. These missile pods or sites are big enough for underground offices and living facilities.

East of Lida, under the intersection of 266 and 95 is an underground missile complex.

Under 95 at the intersection of 374 at a place just northeast of Beatty is a large installation of underground missiles. This is directly connected to the California installation which includes an underground missile facility under road 395 attached to the U.S. Naval Ordinance Test Station and, of course, is attached to the China Lake Military Reservation. This is an extremely important, critical facility.

In California to the southeast you'll find the China Lake Naval Weapons Center and Fort Irwin Military Reservation and then between Yermo, on I-15, and Baker is a major underground missile facility.

At the California/Nevada border is another underground missile facility, quite small, but these ones on these highways are set for surfacing and the installation will be brought above ground and these will be your ways of stopping interstate travel. Most especially, it will be important to stop travel from California, for many reasons, into Nevada.

In Nevada, of course, and surrounding the entire area of the Nellis Air Force Range, all the way from Warm Springs, west to Tonopah, circling down to the facility and Lida, through and including Scottys Jct., on down to Beatty, including Lathrop Wells, Indian Springs, circling back up in a wide circle to Alamo, you will find in that area a large underground missile base. It's hard to identify. Its HQ is on Hwy 93, just south of Alamo.

Moving up through Hiko and then making a swinging easterly circle back to Warm Springs, that includes all of the Nellis Air

Force Range. It includes Papas Lake which is dry and at that point you find the Nevada Test Site. You are going to refer to it as Yucca Flats, I believe, and within that you're going to find Yucca Mountain and you're going to find it interesting to realize that it is not even attached to Nellis Air Force Base except by tunnel.

Moving southward to Las Vegas, you will, of course, find Nellis Air Force Base just barely to the NE of the city.

You will find a major missile base midway between the junction of 168, 317 and I-15 near Mesquite.

Two underground missile sites, one on I-15 near the border of Calif. just a little west of Jean and then, moving south to Searchlight on Hwy 95, another just north of the intersection of 163.

NEW HAMPSHIRE/VERMONT

These are only separated by the river. These have to be extremely general. They are military installations but they are unmarked and for all practical purposes would never be known.

In the northwest upper corner of New Hampshire, under the area of the Jay Peak Ski Area, then to the Cochran Ski Area, including the Bolton Valley Ski Area and south including the Mad River Glen Ski Area, near Woodstock is the Killington Ski Area, then the Magic Mountain Ski Area and the Mt. Snow Ski Area.

Now to Vermont: to the east of Franconia are large underground installations with missiles at Cannon Mountain, circling down into the area called Old Man of the Mountains.

West of Conway is Waterville Valley Ski Area.

Then Sanbornville Moose Mountain Ski Area and then, of course, you get to Portsmouth, all of the area under Rye Harbor. These are rather sophisticated living facilities included along with the missile and defensive installations. A lot of research takes place in these areas but, as much as anything, this is a facility for Elite housing with a protection of these sophisticated missile systems.

NEW JERSEY

New Jersey is basically a forfeit state with most installations being quite public. There is a large installation with missiles in place at Fort Dix Military Reservation. That is near Wrightstown.

South to Browns Mills and just south along a little road of 539, almost including Whiting, is a large Air Force missile installation and facility.

NEW YORK

On HWY 11 from just south of Watertown

to just north of Pulaski, a very long distance that includes underneath the town of Adams, is a large missile installation and facility.

Northeast of that area on HWY 11, under HWY 11 at the intersection which would enter Fort Drum Military Reservation, there is a missile installation under that road at that intersection attached to Fort Drum. A very large military reservation with missile and facility.

West Point is a very critical underground facility.

I have very little to say about Long Island Sound, it is forfeit.

New York is forfeit, by that I mean New York City.

This is Side 2 regarding military installations with underground and major security facilities and missiles and also missile sites with small facilities.

NEW MEXICO

You will find only a couple of underground facilities but, of course, they are absolutely, incredibly huge.

The entire area of White Sands Missile Range around Alamogordo, all the way south into Texas at El Paso, crossing the river and taking in a little bit of borderland of Mexico, underground. You've got massive facilities above the ground. You have incredible, incredible multi-level underground facilities. Beneath the ground, you have alien alternates; that will be where your shuttles have been stored—this is the biggest lie on your planet.

Now, as you consider New Mexico, you will find every major freeway and roadway has multiple, multiple missile and facility sites for blocking all incoming traffic from every direction. These will rarely be at cities or towns. They will always be out in the open between places so I can only give you the general mid-location.

We'll start with the one to farthest west on I-40, that is also Route 66.

There is one very near the border east of Lupton, midway to Gallup.

There is one at a little place called Blue Water, almost in the little town running under the little town.

As you get to Albuquerque, of course, you have a large military installation with facilities at Kirtland Air Force Base.

On I-40 between Clines Corners and Santa Rosa.

North on I-25 there is an installation with missiles at approximately Pecos.

Further north on 25 is a regular size installation with missiles at Fort Union National Monument, approximately. That is midway between Watrous and Wagon Mound.

Up I-25 is a small one midway between Maxwell and Raton.

Then outside Raton at the border at

Raton Pass is another very large one, missiles with facility.

In Colorado, north of Trinidad, also on I-25 is another.

Let us move now on down through the state.

At Clovis, you have a large facility with missiles under Cannon Air Force Base and there is an oasis there that is just northwest of Portales.

Back to I-25, a missile base and large facility to the west of White Sands, under I-25.

On I-10 midway between Lordsburg and Deming is a large missile underground facility.

Along the border and overlapping into Texas, I think you would call it almost a four corners, east of Malaga, is just a large facility and there is very little in that area. It is well hidden. It is almost unknown. It is a large facility underground, secret.

NORTH CAROLINA

Fort Bragg Military Reservation.

In the area of Jacksonville, unlisted, but is a military installation.

At the ocean where the New River empties, you will find Camp LeJune and around Cherry Point is another military installation with missiles.

SOUTH CAROLINA

Of course, you have the entire area around the Savannah River Plant, which we've already spoken about, with lap-over or underground connections to Fort Gordon in Georgia.

Now realize that is the Savannah River Plant I just spoke of because there are other major installations at Fort Stewart at the city of Savannah.

OHIO

A unique state with very little secret underground activity. Note that none of these installations are for public utilization under any circumstances. They are for Elite survival only or they are major defense and-or Elite research facilities, very advanced research facilities.

OKLAHOMA

There are four major military installations.

One at Enid, at Vance Air Base.

Then toward the south, Fort Sill Military Reservation at Lawton.

West to Altus. At Altus, you have also Altus Air Force Base.

Then to the south on I-44 you will come to Sheppard Air Force Base and that is at the border or close to the border of Texas near Wichita Falls.

OREGON

Large installation across the border into Washington at Richland and Kennewick, in that area, not well defined.

South into Oregon on I-84 between Boardman and Echo is a missile facility. This will be a major disposal station for travellers.

There are so many and so much going on in the area from, approximately, Le Grande, all the way to Ontario, at the border of Idaho, east into Idaho and west to almost HWY 395 that I cannot isolate them for you. That entire area is catacombed.

On HWY 84 at Biggs is a missile installation, military controlled, of course.

The coastal important one to note, and this would include great underground water capability tunneling, is around Coos Bay. There is a Naval Air Station and this, of course, is controlled by Naval Intelligence.

East across the state to Burns, in that general area, mostly in the forest area or what you would call the Ochoco National Forest, there's a large conglomerate type of installation.

At the intersection of 78 and 95 there are two, one being at that intersection more critical than the other and then a regular missile silo facility. But at that intersection is a major, important missile station.

Now let us move back to the west and there are some military underground installations in these general areas: Jacksonville, Applegate, around Medford all the way to Butte Falls and then south of Klamath Falls at Keno, on and under road 66.

Around the general area of Lakeview there are some winter sports areas and some geysers. There would be some thermal activity utilized by that particular installation.

PENNSYLVANIA

At Erie, great underwater facilities.

On I-79 south of Meadville, midway to the intersection of I-80, missile installation.

On I-80 at regular intervals, midway between intersection I-53 and Moshannon, and midway between intersection of 880 and intersection of 15, missile facility.

SOUTH DAKOTA

Major underground facility in the area of Buffalo.

Missile facility under HWY 281, south of Aberdeen.

To the east of Rapid City, almost at New Underwood on I-90, missile facility.

Reminding you that these are on heavily traveled thoroughfares for traffic control. They would also be targeted by any enemy for destruction of interstate travel facility

or capability.

UTAH

I need two or three hours on Utah but I'm not going to be able to have it, obviously. Let's just start in the upper northwest.

The entire area of Hill Air Force Base and Hill Air Force Range. These are near the Great Salt Lake and include all of Ogden and Brigham City.

The Wendover Range, Desert Test Center, and Dugway Proving Grounds. No (unauthorized) body is allowed into these areas under any circumstances.

Then the Desert Range Experimental Station down west of Milford on 122.

On I-15, north of Beaver, is a missile guard installation.

On HWY 89, between Kanab and Glen Canyon, is a small missile installation.

Now let us move back up to I-70. I don't know how to explain this area to you. There is at least 180 miles of area in that barren desert including what is called the San Rafael Swell. This is to the west of Green River. There is an extremely large, important missile facility underneath I-70. There was a missile site at Green River; that was a diversion. It was a testing missile launch site; everybody knew about it but the important one was this area in point.

East of Green River near the Colorado border is another major missile installation under I-70, including a portion of the Colorado River as it runs through that area. In this particular part of Utah are massive, massive research, technology and UFO bases. Some are legitimate UFO bases. These are not necessarily your friends. I don't want to get into aliens at this time. I'm just telling you where these facilities are and these are military, United States of America Military, so don't confuse it with aliens. In this particular area enough research has been going on that it has been monitored continually by "alien" craft—many, many sightings, legitimate sightings—in that area because we've really had our eye on what has been going on there. In this given area, all around in this area, it's divided off into districts and in some of those cliffs, buttes, mountainous areas, you have a lot of things going on including cattle mutilations, etc. I'm not going to get into all of things and ramifications of that statement here, either. Utah is a hotbed of advanced technology.

TEXAS

Texas is another area that I'll have to bypass. I will mention as we go through in some of the cities. There are so many in Texas that I cannot, by any means, begin to label them all.

VIRGINIA/WEST VIRGINIA

The same is true of Virginia and West Virginia but I would tell you to keep your eye on the area of the U.S. Marine Corps Reserve in the area of Triangle and at Port Royal, Camp A. P. Hill.

WASHINGTON STATE

Large facility at Winthrop.

Another at Snoqualmie Summit Area on I-90. It's a winter sports area.

Area of Tacoma, including Olympia, are large underwater experimental facilities.

Between Grand Mound and Lacey is a missile installation on I-5.

To the east, all of the U.S. Military Reserve at Yakima. It's called the Yakima U.S. Military Reserve.

Further east, of course, most important is Hanford, north of Richland, and it takes in quite a bit of the Columbia River.

Set up to guard that place is an installation on I-82.

Down the Columbia River on I-84, just over into the Oregon side, between approximately the junction of HWY 74 and the intersection of 730, under the Columbia River and I-84 is a missile facility.

When I get to the area of discussions of specific cities, I'll be a little more specific.

WISCONSIN

The only one I see of any importance really is the one at New Glarus.

WYOMING

Southern border in Wyoming. I will only give you the major locations of the missile sites.

On I-90, southeast of the intersection with I-95, midway to Gillette is a missile installation underground.

South on I-25, midway between Buffalo and Casper, just north of HWY 378 intersection is an underground missile installation.

I-80 is pock-marked with these things all the way across your nation.

Midway between Fort Bridger and Little America is a large underground missile facility.

At the Continental Divide is a large underground facility with missiles.

East of Walcott, then past McFadden, northwest of Laramie.

ALBERTA, CANADA

I have to tell you about Alberta, Canada. There is a massive underground installation, extremely important in the area of the Primrose Lake Air Weapons Range. This is an incredibly important joint venture with

the United States and I might add, a little Soviet and, of course, Great Britain.

PUERTO RICO

In Puerto Rico, all around the San Juan Naval Air Station.

NOW FOR THE CITY AREAS

ATLANTA, GEORGIA

To the northwest, in the area of Smyrna, you will find an Air Force Base.

To the east, in the area of North Decatur, you'll find a Veterans Hospital. A lot of research takes place in that Veterans Hospital and in some underground laboratories located there.

In Atlanta, Fort McPherson and, of course, the Federal Prison. Then south to William Hartsfield International Airport. There are facilities there, military controlled.

BOSTON, MASSACHUSETTS

You have the Navy Yards that are presumed closed. They are very much open and operable with much underwater activity. Very important area at the International Airport called General Edward Lawrence Logan International Airport.

The U.S. Military Reservation at the very opening of Boston Harbor.

BALTIMORE, MARYLAND

In the area of the city, South Locust Point Marine Terminal.

Moving around the lake, Dundalk Marine Terminal.

At Curtis Bay at a point on a north projection, Maryland Port Administration.

Then, of course, you have the Baltimore/Washington International Airport area, a very, very large facility.

East to the GSA Depot across the water to the U.S. Coast Guard Depot.

BIRMINGHAM, ALABAMA

Very important one at the Birmingham Municipal Airport.

BUFFALO, NEW YORK

Many military controlled installations. One at the Niagara Falls International Airport.

Fairly large one at Greater Buffalo International Airport.

One at a little place called Buffalo Air Park.

Another little one called Orchard Park Airport.

There is a military controlled facility at Fort Erie.

CHICAGO, ILLINOIS

Chicago is riddled, even though it is not expected to survive a shift because of other problems in and around the Chicago area and the Lake Michigan area. You will find many small facilities, military facilities that do not show publicly as military installations. This means that most of the installations involved will be underground, many of them housing missiles.

Chicagoland Airport.

Pal-Waukee Airport.

Glenview Naval Air Station.

Big problems at Chicago O'Hare International Airport.

Inland south, Lewis Lockport Airport.

Argonne National Laboratory is extremely, extremely important.

Rocky Glen and Signal Hill, all of that area.

To the south of that, Forinier Institute.

Straight across to the Crestwood Powell Airport near Trinity Christian College.

TAPE 2, SIDE A: MISSILE SITES CONTINUED

This is tape #2 of underground missiles, locations with facilities and military controlled installations underground with missiles. This is a continuation of the area of Chicago.

CHICAGO, ILLINOIS

The Chicago Midway Airport, Soldier Field on Lakeshore Drive—all that area. There are planetariums, museums, aquariums, etc., including a place located at Douglas Tomb State Monument.

CINCINNATI, OHIO

Installation at Blue Ash Field which is the Cincinnati Municipal Airport.

One at Camp Livingston and then the Cincinnati Municipal Airport Lunken Field.

CLEVELAND, OHIO

All along the lake shore, the coast guard station, Burke Lake Front Airport, Cleveland Municipal Boat Docks.

To the south: the Naval Training Station, Halloran Park and Brook Park at Cleveland Hopkins International Airport.

In East Cleveland: Nela Park which is a General Electric Institute—EXTREMELY IMPORTANT.

Cuyahoga County Airport.

COLUMBUS, OHIO

Ohio State University Airport.

Court Columbus International Airport overlapping into the Devince Construction Supply area.

A very small airport at Norton Road and Alkire Junction, (unnamed) VERY IMPORTANT.

Then there is the small South Columbus Airport.

DENVER, COLORADO

Major installation to the northeast called the Rocky Mountain Arsenal. Watch these arsenals. They are extremely important.

In the same area : Stapleton International Airport, Fitzsimmons Army Medical Center and Lowry Air Force Base.

Buckley International Guard Base. In almost all of that area they are shown as separate facilities. They are all interconnected.

In midtown west of the State Capital is a U.S. Mint—IMPORTANT FACILITY. A lot of tunnelling, a lot of underground connections so that money, etc., can be moved under ground.

The Denver Medical Center.

DALLAS/FORT WORTH

Saginaw Airport

Meacham Municipal Airport.

Carswell Air Force Base. There is a large facility at a suburb called Richardson, the University of Texas at Dallas is at that location.

Dallas, Fort Worth Airport—large, large area.

Dallas Love Field—large area.

The Veterans Memorial Center south of Dallas and then right in the heart of Dallas near the Amtrak Terminal under that federal building.

Grand Prairie Airport, Lucas Airport and Dallas Naval Air Station.

DETROIT, MICHIGAN

In Detroit: Mettetal Airport and Willow Run Airport.

There is a large facility at Detroit Metropolitan Wayne County Airport.

There are large, large amounts of research and underground facilities at the Ford Motor Company at the University of Michigan at Dearborne, including Greenfield Village and attached to the Veterans Hospital.

The Ford Motor Company River Rouge Plant, the Cadillac Plant and the entire area under Fort Wayne Military Museum.

The Great Lakes Steel Corporation and taking in the Canadian Steel Corporation in Windsor.

Also in Windsor: the Ford Motor Company and the Chrysler Corporation as well as the Windsor Airport. Surprising to find that your motor companies all house mili-

tary facilities.

HOUSTON, TEXAS

Northwest: Collier Airport

South of Collier: Andrau Airport

William P. Hobby Airport and then of course, Ellington Field, that's the U.S. Air Force field.

Pearland Airport at Pearland.

In Clear Lake City there's a branch of the University of Houston and the Lyndon Johnson Space Center which is, of course, NASA.

LOUISVILLE, KENTUCKY

The U.S. Quartermasters Depot.

The V.A. Medical Center and American Printing House For The Blind—very interesting.

Bowman Field.

Standiford Field Airport and West U.S. Ordinance Plant.

KANSAS CITY, MISSOURI

Fairfax Municipal Airport.

Kansas City Downtown Airport.

Kansas City Stockyards—that's very interesting.

Heart Airport.

MEMPHIS, TENNESSEE

One at DeWitt Spain Airport and then the Memphis International Airport is a large installation.

MIAMI, FLORIDA

Swarms with them. All surface ones are almost in alignment, inland from the coast. I say surface because these are going to house missiles in the guise of other things, but you have to understand that you're working at the Atlantic Ocean seacoast and a lot of these will also be tunnelled to that coastline, again I remind you that most of Florida is expected to be lost.

Palm Beach County Park Airport.

Pompano Beach Air Park.

Fort Lauderdale-Hollywood International Airport.

Then the North Perry Airport, Opa-Locka Airport, the Miami International Airport.

LOS ANGELES, CALIFORNIA

There are so many that I don't even know how to name them. I'll just start at the top, work across, as in writing, from west to east and back again.

San Fernando Airport.

Whiteman Airport.

Camp Sterling.

Wild Wood Lodge.
Switzers Camp.
Opids Camp.
Valley Forge Lodge.
Mt. Wilson Observatory.
Sturtevants Camp and Fern Lodge.
Webber Camp.
Van Nuys Airport.
Hollywood-Burbank Airport.
The La Vina Sanatorium Farnsworth Park.

San Dimas Camp and Wolfskill.
El Monte Airport.
Brackett Field.
Cable Airport at the Botanic Gardens.

Ontario International Airport.
L.A. International Airport.
Hawthorne Municipal Airport.
Compton Airport.
Fullerton Municipal Airport.
Then there is an area at the San Bernardino County Line.

Southeast of Diamond Bar is an area called Battle of Chino. It is a large military controlled underground facility with missiles.

The Chino Airport.
Corona Laboratories Naval Reservation.
South Corona Municipal Airport.
Prado Dam.
Coast Botanic Gardens.

The Long Peach Naval Shipyards—a biggy, biggy, and you will find that those tunnels with water, submarine capable, will pass under the Veterans Administration Hospital which will have a facility underground through Los Alamitos Naval Air Station.

One branch will go north under the Fullerton Airport heading inland toward San Bernadino and branching northward to Edwards Air Force Base.

In the Seal Beach area you have the U.S. Naval Weapons Station and the Golden West College Meadowlark Airport.

A whole complex near Santa Ana: the U.S.N. Helicopter Field—a lot of helicopter activity from the Navy and the Santa Ana Marine Corps Air Base (El Toro) near Tustin off I-5.

MILWAUKEE, WISCONSIN

The Lawrence J. Timmerman Airport.
The Lowell Damon State Historic Site at Hoyt Park.

Installation at National Soldier's Home.
To Lake Michigan Coast: at the Milwaukee War Memorial and Art Museum.

U.S. Navy Reserve Armory.
General Mitchell Field.
The Air Training Center. Those are overlapping, very large installations.

INDIANAPOLIS, INDIANA

Fort Benjamin Harrison and the

Army Finance Center—isn't that interesting?

U.S. Veterans Hospital at Riverside Park.

Benjamin Harrison Home—which is a landmark.

The American Legion National Headquarters World War Memorial.

U.S. Naval Avionics Center-EXTREMELY IMPORTANT.

Indianapolis International Airport and including, once again, stockyards. The Indianapolis stockyards—you see, a very good place to get supplies.

MINNEAPOLIS, MINNESOTA

Crystal Airport.
Twin Cities Arsenal.
St. Paul Downtown Airport which is Holman Field.

Fort Snelling Military Reserve.
Minneapolis/St. Paul International Airport—it's called Wold Chamberlain Field.

Fort Snelling National Cemetery—it overlaps into the Metropolitan Stadium at the southern border.

South St. Paul Municipal Airport which is the Richard E. Fleming Field.

NEW ORLEANS, LOUISIANA

New Orleans has a couple or three very interesting ones located (these are military installations underground) at:

The V.A. Hospital at the Louisiana Superdome.

The U.S. Federal Court building.
The Customs House.

New Orleans Lake Front Airport.
U.S. Naval Station.

U.S. Coast Guard Reservation.

NEW YORK CITY, NEW YORK

Secret military facilities: Teaneck Armory.

Teterboro Airport.
Hall State Historic Site.
LaGuardia Airport.
Flushing Airport.

The U.S. Merchant Marine Academy.
The S.U.N.Y. Maritime College.

The point called Fort Totten which is supposedly closed.

Ellis Island Pass.
Fort Jay.

The Military Ocean Terminal Bayonne.

Fort Hamilton.
Fort Wadsworth and the Veterans Administration Hospital.

The Coast Guard Heliport and the U.S.N. Reserve at Jamaica Bay.

PHILADELPHIA, PENNSYLVANIA

The Melrose Academy.

The North Philadelphia Airport.

The Navy Aviation Supply Office.

U.S. Mint area including an area called Independence National Historic Park and Olympia.

Philadelphia Naval Hospital.

Philadelphia International Airport.

Kennedy Stadium, Philadelphia Naval Shipyard.

PITTSBURGH, PENNSYLVANIA

Large one at Greater Pittsburgh International Airport.

V.A. Medical Center and V.A. Veterans Hospital—these are pretty self-explanatory. You will find many of these in very, very well-secured secret facilities at places where the Elite can travel by air to these facilities.

PHOENIX, ARIZONA

The Phoenix Military Reserve.
Phoenix Sky Harbor International Airport.

PORTLAND, OREGON

Fort Vancouver National Historic Site.

Pearson Airport.

Portland Air Base at the Portland International Airport. The facility is under the Portland Air Base.

The U.S. Veterans Hospital at Sam Jackson Park.

SALT LAKE CITY, UTAH

The Salt Lake City International Airport.

The newly active (approximately 1986) University of Utah area and north. It's all in the Fort Douglas Military Reservation. It was inactive—it has now been reactivated for these massive underground research facilities.

An area overlapping that into the U.S. Forest Service Heliport. That goes almost to the area of Westminster College.

The Salt Lake Municipal Airport Number 2 and Alta Airpark.

SAN DIEGO, CALIFORNIA

All along the coast many tunnels, many water facilities, many incarceration facilities where you are going to have military personnel doing some pretty good labor jobs.

Of course the Miramar Naval Station—that entire area, a huge area.

Montgomery Field.

Gillespie Field at Santee.

The Naval Radio Station that is near

Vista La Mesa.

U.S. Marine Corp Base.
 Lindbergh Field Airport.
 The Fort Rosecrans Military Reservation—all of this area is inter-locked. It's hard for me to separate it.
 The entire peninsula that has the U.S. Naval Reserve.
 The North Island Naval Air Station.
 The Coronado Naval Amphibious Base.
 The San Diego Naval Station.
 The Imperial Beach Naval Radio Station.
 Inland to Brown Airport is a linking underground facility.

SAN FRANCISCO AND OAKLAND, CALIFORNIA

Fort Riley U.S. Military Reserve.
 The Veterans Medical Center.
 The Presidio Military and National Cemetery—huge area underground.
 The French Hospital.
 The U.S. Mint—they have facilities under all of the U.S. Mints.
 Down by San Bruno: the Golden Gate National Cemetery area taking in the entire 12th U.S. Naval District Headquarters.
 Treasure Island Naval Air Station, all of Treasure Island.
 The Oakland Army Base.
 The U.S. Naval Supply Depot and the Alameda Naval Air Station.

SAN ANTONIO, TEXAS

The major facilities (all inter-connecting, by the way):
 San Antonio International Airport.
 South West Research Institute.
 Lackland Air Force Base.
 Kelly Air Force Base.
 Stinson Field.
 Brooks Aero Medical Center.
 North to Fort Sam Houston and Joe Freeman Coliseum.
 San Antonio has a little bit different type of underground connecting network because of the massive military location that San Antonio represents.

SEATTLE, WASHINGTON

Sand Point Naval Support Activity area.
 Boeing Field International, King County Airport.
 Renton Municipal Airport.
 Seattle-Tacoma International Airport.

ST. LOUIS, MISSOURI

The entire area of basically Bellefontaine Neighbors.
 Bear St. Louis International.

SIDE B OF TAPE #2

This is a continuation to Side A—Underground facilities with missile capability in the cities within the United States.
 We are continuing with St. Louis:

ST. LOUIS, MISSOURI

Granite City Engineering Depot—U.S. Army.
 Weiss Airport.

WASHINGTON, D.C.

Absolutely all of Washington, D.C. in the downtown area is one gigantic facility. All around that area every airport from little ones like Bower Airport to Andrews Air Force Base which, of course, is a large facility, to the Goddard Space Flight Center which is NASA—all of these areas have facilities underneath. They are rather large facilities, as a matter of fact, and everything under Washington, D.C. is catacombed with tunnels and, of course, there is missile capability.

There are defensive missile silos that will open up and the surface of the area of Washington, D.C. will not be worth even experiencing. It is, of course, made for interim facilities for workers in and around the Capital who have their free tickets to security. That will only be ones attached to the Elite guard and the political hierarchy who are left in Washington, D.C. for unexpected raids.

The major luxurious facilities for the high Elite, depending on the state of war that is occurring, will be shifting to Australia and other places for longer-term survival depending on the type of encounter that you have. If it is nuclear, the moment that it is realized that it will be nuclear, ones will be taken out of the Northern Hemisphere. There will be even a more select group removed at that time, but there are facilities under Washington, D.C. for your honorable Congressmen—some of them.

There are not facilities enough for all to survive for a very long period of time. There will be the facilities where you can get, for instance, underground to places like Andrews Air Force Base for your royal family, the Bushes.

I believe that concludes sufficiently a breakdown of where these underground facilities are that were started some years ago against this day and are now in full operation and basically finished in construction.

I'm sorry that it has taken so long. I hope you can brief it up. I think everybody needs the information or wants the information. If you don't already have your ticket, I can assure you that you are not included. You are not going to be welcome into any of these facilities. These are not general facilities. Some families of workers and scientists who have been guaranteed security will be allowed in, but they will only allow these people in with credentials. I don't suggest that you stop building your own underground shelter. Salu.

“Holocaust”

Amerikan Style

11/3/93 #2 HATONN

HOLOCAUST?

Editor's note: The definition of "Holocaust" according to Funk & Wagnall's Standard Dictionary, International Edition is as follows: 1. A sacrifice wholly consumed by fire. 2. Wholesale destruction or loss of life by fire, war, etc.

I am not going to spend undue attention to the fires in Southern California for they are of little interest to the flood-damaged or snow-covered (unseasonable) positions of other portions of the country. Readers—**you are being hit in various areas according to the CAPABILITY OF MAN TO MAXIMIZE DAMAGE—TO PRECIPITATE STATES OF EMERGENCY.**

The circumstances do, however, require observations. Just as the floods were absolutely **unnatural**, so too are the fires, with **NO UPCOMING STORMS**, unnatural.

The fires **WERE SET** to maximize visible focused damages which would cause "relay" reactions. Already, with **NO FIRE IN LOS ANGELES—IT HAS BEEN DECLARED TO BE IN A STATE OF EMERGENCY WITH THE MAYOR, ETC., SAYING IT IS TO MAXIMIZE GOVERNMENT INTERVENTION.**

Look at something else in **THIS** last fire which threatened and did, in fact, take out homes of some of the most powerful Khazarian actors and decision-makers on the West Coast. Most of **THOSE** people in point will suffer **NO LOSS**—most will **GAIN TREMENDOUSLY**—from the destruction of property. **THERE IS NO REAL DAMAGE TO THOSE WHO WOULD-BE-KINGS.** However, it benefitted the Elite controllers beyond measure!

This last fire in Malibu, California was one of the most brilliantly conceived operations I have ever witnessed. This was the work of some of the most brilliant of the demolition teams. They **KNEW** the wind patterns and did not miss a minute in

perfection of the overall damage areas. Holocaust? Yes indeed! Again, however, a "holocaust" staged to do the most good for "the New World Order" in Southern California. Will the world "believe" my "unbelievable" tale? No—not **YET!** **YOU REASON IT OUT!**

Further, how many of you in Southern California even made it to the polling places around L.A., for instance—yesterday was a very important voting day. Moreover, how many people in Southern California know what is happening in the rest of the world? The market has gone stupid, gold fluctuates and war looms like a "temple of doom" over your nation as Yeltsin takes over a Khazarian Zionist hold over Europe.

China has enlarged her arms (weapons) exchanges and enhancements with the Arab world—and you have **TROUBLE!** The media is certainly doing their part to keep you totally uninformed while you chase **NOTHING** but flare-ups—**ON EVERY LOCAL STATION AND CHANNEL.**

At upstart this conflagration was "blamed" on a couple of children with matches. **NO!** Also, that story did not "sell" so you get myriads of other "excuses" and "blamings". Undoubtedly unnamed children will ultimately hold the attention but you will note that even the Asian person in the "Pasadena" fire was not "blamed" and only cited for a "misdemeanor" offense of not having a "permit" for his fire.

You think you have gone mad along with the entire world? Forget it—**YOU** are just sleeping and missing the show—the opposition is not "mad", they **KNOW EXACTLY WHAT THEY ARE DOING**—in some instances, to drive **YOU** mad. For instance, to hit Malibu would pull more world-wide attention than downtown Beverly Hills or Hollywood. **These are PLANNED maneuvers!**

Do you think Hatonn has finally "lost his vapor marbles"? No, sorry—let us share with you some now public **FACTS** about arson fires and technology just to "make your day":

This will be offered exactly as written, from Orlando, FLORIDA, *National Report*, Sunday, October 24, 1993. It will deal with a focus on Florida, but I guarantee to each of you—Florida is only a tiny focus, perhaps even, the **LEAST** focus.

QUOTING:

NEW TYPE OF ARSON FIRE BAFFLES INVESTIGATORS

by Phil Long, Knight-Ridder Newspapers:

ORLANDO, Fla.—It was as if someone opened the kitchen door to hell.

Firefighters who arrived at an abandoned warehouse only minutes after a blaze began there saw something they'd never seen or experienced before: an inferno so fierce that even 100 yards away, rail cars and mobile homes sizzled and blistered.

In the belly of the hollow building, a brilliant white flame clawed through walls and ceiling, shimmering unforgettably like a radiant wave.

Now, 2 1/2 years later, authorities believe the fire may have been Florida's first glimpse of high-tech arson technique that has baffled investigators for a decade.

Until now, the technology of arson hadn't changed much since the advent of whale oil. Pour out something flammable, get it lighted and get going.

The problem with such fires is in the "something flammable" stage: liquids or solids leave chemical traces, signposts to arson. Even gasoline leaves an odor that can be detected hours after it starts a blaze.

Then, in 1984, a new type of arson fire suddenly surfaced, one much hotter and much quicker than anything seen before, so hot that it LEAVES NO TRACE OF WHAT STARTED IT. Pouring water on it **actually feeds the blaze—IT BURNS SO HOT THAT THE WATER ATOM IS STRIPPED OF ITS OXYGEN MOLECULE AND IT IS**

CONSUMED BY THE FLAME. [H: Please note that in areas of fire in some of the housing areas—THE CARS GOT SO HOT THAT PARTS OF THE CARS SIMPLY MELTED AND NO ONE COULD GET INTO THE AREA TO DO ANYTHING BECAUSE OF THE HEAT. These were also areas where there could be no consideration for all persons present for residents, firefighters, et al., were all over and these devices would be absolutely unnoticed—they are so small they can be housed in or around anything—for instance, under a child's tricycle seat! I want to remind you who saw an interview with a couple of men helping to save some of the Malibu Colony property—that they SAW SOMEONE STARTING FIRES IN THOSE HOUSES AND HELPED PUT THEM OUT. This was instantly removed from the tapings and the interview was—at that very point in the interview—STOPPED! It was shown at least once on TV so no, I am not enhancing my own story!]

Whatever starts these fires—perhaps something akin to solid rocket fuel—and whoever is behind it is a deep and complex mystery. [H: Oh barf!]

LIKE NOTHING ELSE

Experts call them "HTA" fires: (High-Temperature Accelerant). They are changing the face of arson and threatening the safety of firefighters like nothing else in the past 50 years.

"Comparing HTA fires to all the arsons before is like comparing a jet plane to a bicycle," said Richard Gehlhausen, who has investigated a dozen HTA fires in Seattle and the Pacific Northwest and is one of the nation's top experts on the phenomenon.

In several HTA fires around Seattle, Gehlhausen said, melted iron pipe and puddles of other metals were testimony to temperatures in excess of 5,000 degrees. [H: Strange—"melted auto parts and drippings and puddles of metal" were the exact same words used by the reporters on the Malibu fire. It is also noted that in the prior "Laguna" fire, "Pasadena" fire and others—"DEVICES" were named as being found within the fire perimeters.]

The intense probe into HTA fires, unparalleled in the history of arson investigation, has taken researchers outside traditional law enforcement channels to pick the brains of MILITARY WEAPONS EXPERTS, the best fire scientists and even NASA rocket scientists. So far, no luck.

"The problem with these fires is that nobody knows exactly what the chemical is or who is using it," said Florida's expert on HTA, Lt. Ron McCardle in the Bureau of Arson Investigation of the Florida State

Fire Marshal's Office in Tallahassee.

HTA fires "change the rules....things happen that you don't expect," McCardle, a 29-year veteran firefighter and arson investigator, said. Fire hot enough to drop the roof of a warehouse in minutes and vaporize half-inch thick steel I-beams "is something far from the normal fire", McCardle said.

All that can be done in most cases is to surround the building with fountains of water to save other structures, experts say.

UNEARTHLY EXPERIENCE

[H: Before we go further and you consider E.T.s—STOP. This is man-made, man-orchestrated and the attempt will worsen to "FOOL YOU". First you must realize the NEED and GOAL to be accomplished. Next, you have to have the "FUNDS" to cover such an operation and then you have to have experts in handling, obtaining and using such devices. You have the whole ball of wax right in Malibu, my friends—the POWER to do this.

But would the Khazarian Zionists do this to their own? Indeed—they are noted far and wide for killing and destroying their own at the drop of a gold farthing. Some are even referring to this (another trial balloon) as a possible "God punishing the evil for their sins in the Satanic places of California." Good grief! Know, however, that when those stories spring forth and make it to EVERY news channel—it is distraction and totally deliberate. Again, the "put upon" being further "put upon" to throw the truth off the trail of the guilty. Well, it's YOUR world and YOUR problem—but you had best be taking note because you are being destroyed as we write.]

The Orlando fire, which occurred March 1, 1991, is the only Florida blaze categorized as a possible HTA fire BY FEMA. For those who saw the inferno, there is no question it was an unearthly experience.

The first pumper company arrived quickly after the alarm—the fire station was only a minute away. The warehouse, in an industrial district about five miles north of downtown Orlando, was empty except for some stainless-steel racks, but the fire raged like the building contained a refinery.

Jets of smoke shot through tiny openings in the walls. Balls of sparks ricocheted about inside. In less than five minutes, flames ripped through the roof. Within 20 minutes, much of the building lay collapsed.

(Editor's Note: In California the fires have been virtually the only thing shown, live, on most local L.A. TV stations so there is little or no editing. Only a little extra attention is required to spot ex-

amples of "flare ups" accompanied by what appear to be very hot tiny "scatter bombs".)

For investigators, the warehouse fire was full of mystery. The structure had no gas, water or electricity, said Lt. David Hollenbach, an Orange County arson investigator. The warehouse was empty, save the stainless steel racks that were found melted into puddles of goo.

"The word needs to get out that this is a devastating, heinous crime that is facing the fire service," Seattle Fire Chief Claude Harris said.

CRIMINAL GENIUS

After one of Harris' fire-fighters was killed in a suspected HTA fire in 1989, the department made a 26-minute training video using TV news footage and information from all the suspected HTA fires to date. He wonders what criminal genius baked up HTA, a formula government experts can't yet duplicate despite years of study." [H: Barf! Barf!]

"This is a cold, businesslike person," Gehlhausen said, "not some whacked out crazy like a Ted Bundy. It is not his intent to harm anyone, but if someone is harmed...to him, they were in the wrong place." [H: Note no notable property-owner was in trouble life-wise in any instance—sort of like "other people's kids go to war to get killed."]

The criminal mind behind HTA seems to have a strong working knowledge of chemistry and structural engineering, *The Wall Street Journal* reported in a recent story on HTA fires. He may even be an aerospace engineer or former military bomb expert.

[H: Worthy of thought!!!]

END QUOTING

AN EXERCISE IN DISCERNMENT

In the prior paper I took up an article sent called: *History of the Reconstruction Applications*. I had other pertinent information which usurped the space and time to finish the document. My input has not changed—it is both half-truth, some truth, a lot of truth, but a bad idea to personally PARTICIPATE in such good-SOUNDING manipulations while hoping for receiving abundance of impossible funding. Impossible? Yes, because the nation is BANKRUPT, if nothing else.

We left off with a listing of fraudulent institutions and agencies as presented by the author of this document in point. I have yet to uncover a direct authorship claim.

There is, however, a lot of information in

this document—which you need to know, if you haven't already become informed. The paper was sent with a stated desire for us to share it with you readers. I am happy to do so but I am not going to present it as a reactionary piece of revolution. There is no DATE on the paper—but it is obviously "old" as indicated by some of the story-line, participants and happenings. Glean what you can and keep your REASON.

QUOTING:

TWO GOVERNMENTS

There are two governments in the United States. The Constitutional government of the 50 republic states aligned under the Constitution. The other is the Legislative Democracy which is the District of Columbia. The federal states (Puerto Rico, American Samoa, Guam, The Virgin Islands, and the Mariannas) and territories.

On December 11, 1992, President Bush was to sign an executive order allowing the banks to close, forcing us into an economic chaos. He was to sign another then, to put us into the new Constitution and the One World Order.

The 1936 National Banking Act required all lending institutions to register their original charters with the Federal and State Bureau of Records. None of them complied. No lending institutions are properly registered and are therefore not legally able to operate as a lending institution.

[H: IF YOU BELIEVE THE NEXT YOU ARE TOTALLY WITHOUT THOUGHT-CAPABLE BRAIN ACTION.]

Janet Reno, the new U.S. Attorney General has agreed to do everything she can to bring us back under the umbrella of the Constitution. An announcement will be made that all corporations are null and void.

There will be a new banking system and banks will register with the new system. Those that don't will be taken over by the government and controlled by the government. New money will be issued and it will be backed by gold and silver.

The 13th Amendment is to be implemented and enforced. At that time, all elected and appointed officials who are lawyers will be sent home, except those that will be tried for treason. This will include Clinton and all past living presidents.

Delta Force, a special group of the military group that banded together under Constitutional Law, confiscated the assets of everyone who owned stock in the Federal Reserve, foreign countries, the International Monetary Fund and the World Bank. *This was done under a Supreme Court order.* They went into foreign countries and brought it all back. It was placed in a

special account that these claims will be paid out of. **[H: EVEN THE GRAMMAR IS BAD, READERS, YOU ARE BEING "HAD" IN THE VERY MOST POSSIBLE AND MAMMOTH MANNER!]**

Over 800 TRILLION dollars was collected, enough to back every dollar in circulation and more. It is deposited in various places all over the country. **[H: Good grief, can you not see THIS for what it IS? From bankruptcy to 800 TRILLION dollars in 30 seconds or less? Readers, these so-called "patriots" are far more deadly and evil than any stupid politician criminal!]**

This started over 18 years ago, but only in the last 1 1/2 years have these groups been reclaiming our assets. Cosmos, a former CIA organization, broke banking codes and rerouted transfers to bring the money back into the continental United States.

Less than 1 year ago, the Joint Chiefs of Staff met with President Bush and told him they had a signed order given to them by Franklin D. Roosevelt in 1933. This executive order gave them the power in an economic emergency to declare martial law. They did not want to invoke it, but they threatened him with it. They ordered Bush to take the necessary steps to take us back to the *Constitution*.

When Bush was campaigning, he kept talking about the New World Order. During the Iraq War he kept talking about NWO. Less than 1 year ago, Bush changed his physical appearances and never spoke of the New World Order. After this, he always ended debates or speeches with "May God bless the United States of America." He never repeated the words "New World Order" ever again. Bush was ordered by the military to quit using the term "New World Order" and this shows the influence of the military. This also is the reason Clinton has backed off Bosnia.

Everything with Clinton is a smoke screen. He was not elected legally. First of all, he is a lawyer. Secondly, he was not elected by the majority vote. Thirdly, without a majority vote, it should have been decided in the House of Representatives. Three other requirements for the president to be official are:

1: He must have a complete cabinet appointed within 100 days of taking office. Clinton still does not have a complete and confirmed cabinet.

2) He must give a state of the union address. Clinton simply gave an economics address.

3) He must be ratified by Congress. Since most (90%) of congress are lawyers, who cannot hold office because of the 13th Amendment, Clinton cannot be properly ratified. The people who are lawyers are the only legal Congress. When Roy Schwasinger began in October, 1992, he

said he was under mandate from Congress. If all Congress refused to recognize him, there is only one reason, only true members of Congress gave him the mandate. Those who were not lawyers. There are less than 12. There used to be 20, some have died. Joseph "Byden" **[H: Is it reasonable that a writer offering such incredible information and instructions and efforting to get your money and you on the hit list—would misspell Senator "Biden"'s name? This is information easily come by, readers, and this man is IMPORTANT! Pay Attention!! I have asked Dharma to NOT correct such glaring errors for the hope is that in reprinting all such wrong statements will be corrected and the clues removed from the next set of eyes.]** and Sam Nunn are 2 of the 12.

Secretary of FDIC is dead—unexplainably.

Alan Greenspan attempted suicide. On life support? Unconfirmed. **[H: Hogswill!]**

A rumor concerning the deaths of officers of the Federal land Bank of Wichita was brought up. It was stated that this office used to have 60 people working there, but now has only 4. This was confirmed by someone who had been there. They also noted that the bank had a new name, did not have a new seal and that it was not insured by the FDIC. Someone at the office told them that they do not have, never had, nor ever will have any accounts that will need to be insured by anyone.

No judges are legal. According to state law, judges must file an oath of office every 6 years. If they do not, they are not legal. Any oaths of office they administer are not legal either.

The New Bank of the United States of America, will not have any stockholders because there won't be any stocks to own. They will only own the actual physical structure (the building) the bank is housed in. **[H: I really don't believe the ignorant slobs in Washington would allow such grammatical stupidity in documents seemingly so important! YOU NEVER END A SENTENCE WITH A PREPOSITION AND THIS PERSON CONTINUALLY DOES SO OVER AND OVER AGAIN UNTIL WE CAN'T CORRECT THEM ALL. POLITICALLY CORRECT PERSONS DO NOT OFFER SUCH SLOPPY WORK, MY FRIENDS. These are simply disinformation thugs and criminals trying to get your money so they can file your "cases" and this is heinous in my opinion. The educational lack of these individuals is only surpassed in the total lies offered. If you know ANYTHING about the New World Order take-over you can KNOW THAT NONE OF THIS PRESENTATION IS EVEN FEASIBLE—MUCH LESS, VALID.]**

There will be new arbitrage like loan agreements that will be hard to arrange. When you borrow an amount, another amount is set aside to liquidate that loan over a period of time. This is done through buying stocks that will be managed by that bank. The borrower will never have to pay anything. **[H: Free lunch?]** Loans at banks now are null and void because institutions were not properly registered, the same with credit cards. Any loans made from 1933 to present are void. An announcement is to be made soon that we won't have to pay back any loans.

There will also be an announcement about the IRS very soon. The IRS is a privately owned corporation to collect taxes for the government. (All corporations are to be made null and void.) Under Constitutional Law, only goods and services can be taxed, not income. It is illegal. Tax forms are voluntary. It is a voluntary act. **[H: Golly, why didn't these guys tell Leona Helmsley? What is right is not what is legal—and don't fool yourselves—IF THE GOVERNMENT DOES A THING IT IS LEGAL! THEY HAVE THE POWER. It may well not be "Constitutionally LAWFUL"—BUT IT IS LEGAL! AND, IT MATTERS NOT AT ALL—THE GUY WITH THE GOLD AND THE GUN—DECIDES ON LEGALITY OR ILLEGALITY! Besides if you OWN the lawyers and Judges, legal or illegal—who decides on the rules and rights? RIGHT? For a while, as these things became known as to the "Unconstitutionality" of some of these matters, individuals could win cases on the grounds of "non-jurisdiction", wrong courts, etc., etc. No cases big enough to spoil impact, such as Helmsley's, are even considered for dismissal. Gunther Russbacher is incarcerated immorally, unlegally, unlawfully, and politically—how much has ALL THAT mattered? Get off your fantasy-land trips, readers—it is "reality" time! WHAT SHOULD BE IS NOT!]**

Money will be exchanged dollar for dollar. Any money from overseas will go through a checkpoint. Old money with a strip in it can be counted when you go through sensors at the airports. There will be a bluish and pink tint to the money. There was a show on PBS that talked about the new money information. The total transition period was to take 2 years, but is moving faster than expected. **[H: No, the important point is that there are now devices that can detect and give amounts and order in which notes are stacked, from satellites as well as from tiny handheld devices which read it all—from ANYWHERE! "Pink or Blue" tinting is to FOOL YOU SUCKERS!]**

The Judicial system is changing fast. Janet Reno has fired all the U.S. attorneys. This was documented in the Tulsa World

Paper. All of the U.S. attorneys in every state were fired because they would not agree to hold accountable all the state elected officials for their wrong doings. **[H: Do you suppose they mean THE Janet Reno I know? Would this be the SAME Janet Reno who destroyed Weaver? How about the SAME Janet Reno who murdered the Waco people? WOW—is this not interesting and credible information upon which to base your life moves and invest your only remaining life savings?]** New attorneys have been appointed. Claims we submit will become indictments against these individuals. They will then be prosecuted by the new U.S. attorneys. State Attorney Generals agreed to prosecute or were fired. Lawyers and judges had protection knowing they would not be prosecuted for their action. They are personally accountable now since President Bush signed an order in 1992 removing their immunity. **[H: They have GOT TO BE KIDDING! WE SEE THE SAME OLD ONES IN COURT DOING THE SAME OLD THINGS IN EVERY COURTROOM (WHICH IS NOW SOME 15 TO 20 OF ALL SHAPES AND SIZES)—YES, THE SAME ONES ACTING WITH DISREGARD TO ANYTHING CONSTITUTIONAL OR LAWFUL. IF IT IS NOT LEGAL AT ONSET—IT IS LEGAL AT CONVICTION!]**

You should file a claim on everything you have paid in income taxes whether sent in or taken from you since 1933. Husbands and wives can both count everything and file separately.

Private contracts, such as divorces, will not be re-adjudicated.

White collar criminals (income tax evasion, etc., no hard criminals) will be released.

Tax system—excise taxes on goods and services—government can't exist on excise tax—hasn't been determined what will be done about this.

The National debt does not exist and any debt to foreign countries is paid off. This occurred when the military group confiscated the foreign wealth of the Federal Reserve, the International Monetary Fund (IMF), the World Bank and their owners. The Trilateral Commission owned these institutions. The foreign countries agreed to allow the military group to do this with the understanding that their national debts were paid off and that it would be a one time thing. Do it, get it done and don't come back. These foreign countries wanted these people picked up because they were subverting these countries economies also.

There is no more International Debt in the U.S. and no debt to the Federal Reserve. In 1913, there was a contract made between the Federal Government and the Trilateral Commission. In exchange for the Trilateral Commission putting one billion dollars into our economy to

give it a boost, we would pass the legislation known as the Federal Reserve Act which would give them control over our monetary system by printing money and setting interest rates. There was a buy-out clause in the contract that allowed us to pay back the billion dollars and we would own the Federal Reserve. We recently bought it back with assets that were confiscated. We made them an offer they couldn't refuse and bought it back with their own money we confiscated. Actually, it took 4 1/2 months of real legal pressure. It almost came to a real war, a civil war, a blood war with guns. There was a show of force and we won. They gave up control of the Federal Reserve and the Trilateral Commission backed off. **[H: Dharma thinks she is too sick to go on with this—I think we need you to see the absurdity of that which is dumped on your innocent unsuspecting heads. We will go on—it's only one more page.]**

There was an agreement made that we can get rid of all congressmen and senators who are not legally holding office up there representing us. We can then elect new people in their places who will be legal. Then they can vote out the name of the Federal Reserve and replace it with the Bank of United States of America.

When we go back to the Constitution and we are again under the Republic, then the Districts of Canada want to become new states of the United States.

Only legal ownership of property is through land patents. Some searching will have to be done to determine who really owns parcels of land and land patents will be issued and recorded.

Information has been received that the following statement is in effect by order of the U.S. District Court in Denver, Colorado. Under Case Number CV-92-C-1781, that the entire Farm Credit System, Federal land Bank, Production Credit Association, Farmers Home Administration, National Banking Association, the City of Ft. Collins, Colorado, and the County of Larimer, Colorado are hereby placed into receivership by order of the U.S. District Court of Denver, Colorado. Darrell Sturgess and Scott Hildebrand have been appointed by the court to act as receivers for the entities mentioned above, with the authority to activate the National Guard to insure National Security. These entities are hereby placed on notice that the assets of those placed in receivership are to be turned over to the receivers Darrell Sturgess and Scott Hildebrand immediately to be recorded with the court and to be disbursed against affidavits of damages submitted by the receivers. The assets include, but are not limited to the assets of the agents, officers, directors, and employees of the above mentioned entities for civil rights violations and fraud which they were a part of and/or

perpetrated. **[H: Could this be the SAME action READ by these very persons and ruled on by default, from the steps of the court-house? WHAT HAS HAPPENED IN THE TIME SINCE? IT HAS BEEN ABOUT A YEAR—WHERE ARE THOSE PEOPLE NOW WHO SUPPOSEDLY WERE CAST OUT OF OFFICE AND ALL THE “GOODS” RECOVERED? STILL IN LITIGATION? WELL, READERS, LITIGATION CAN BE KEPT GOING UNTIL BOTH SIDES RUN OUT OF MONEY BY EVEN INEPT ATTORNEYS—HOW MANY OF YOU REALLY BELIEVE THIS CUTE SHOW-AND-TELL AFFECTS THE NATION?]**

The National Banking Associations will be closed and their affairs wound up for their non-compliance with the National Bank Act and their failure to comply with various state laws.

The National Guard is hereby notified and given the authority to assist in arresting the perpetrators of fraud as specified in the arrest warrants which were filed in the U.S. District Court of Denver, Colorado under Case Number(s) CV-92-C-1781 because the Federal Marshalls have failed to perform their sworn duties to uphold the Constitution of the United States of America. They are on call by Mr. Hildebrand and Mr. Sturgess at their direction.

Any individual who wishes to file a claim should contact their state officers **[H: This does NOT mean “state” officers—this means officers of the organization in the state wherein “claims” are filed by this bunch of crooks.]** for specific details and procedures.

Eligibility to file a claim: If you have borrowed money from the banking system, farm credit system, credit cards, etc. and can document the amounts, you are eligible to file a claim.

[H: We have offered the entire claim form to you prior to this. Remember that to file a claim for a family of four, say, is 4 X \$300—AND REPEATED FOR EACH CLAIM PREPARED AND FILED. YOU GET NOTHING IN RETURN EXCEPT ON THE LIST OF CITIZENS TO WATCH AND CONTROL—FIRST UP FOR THE INCARCERATION CAMPS. SO BE IT. WE AVERAGE ONE SET OF THESE CLAIM FORMS A WEEK NOW, ACCOMPANIED WITH INQUIRIES AS TO “WHAT SHOULD I DO?” OR WITH THE STATEMENT: “HURRY AND FILE YOURS SO YOU WILL HAVE WORKING FUNDS FOR THE PAPER AND JOURNALS.” PRECIOUS ONES, IT IS SIMPLY A LIE. I remind you—what SHOULD be and what IS are two opposing things. THIS IS NOT THE WAY YOU CAN RECLAIM FREEDOM AND NATION.]

END QUOTING

In closing, I wish to share with Dharma an interesting point which arrived just

now, from R.M. in Thailand from a Bangkok, Thailand paper. She found it interesting and sends it along for Dharma's B'day: “.....the “dharma” is defined as “the scientific analysis of reality.....” I guess I can go along with that to some great extent. However, the clippings otherwise, sent from this same paper, are far more important and shocking. Not from regular perception but that these things would be in English in a Taiwanese paper where even the name and dates are NOT in English. They all have to do with the Israeli “invasion” into Vietnam affairs, the presence of ones such as David Rockefeller in Vietnam enroute to a meeting in Hanoi on trade agreement “finalization”, with the INTERNATIONAL MONETARY FUND (IMF) representation for the “rescheduling of debt with Western governments and Russia”. **[H: Anyone other than ME find this interesting? Well, at the same time the Australian Prime Minister, Paul Keating, is pushing to integrate into the region (Asia) and have an active part in Vietnam trade, etc., British Australia as a part of “oriental” Asia. Well, the information contained in this paper is interesting and timely. Perhaps not as timely as it would at first appear from the inability to read the dates—but it is from the Bangkok Post, Tuesday, October 12, 1993. No Dharma, English will suffice for your needs—let us not complicate things as foreign language fluency is not a prerequisite to being my secretary. If I need a foreign language translator I shall find one—just as I have you to write in English! Thank you.]**

ALL HALLOW'S EVE HALLOWEEN

I am always asked about this holiday every year with a seemingly searching need of you ones to know about it. I can suggest you go back to SATAN'S DRUMMERS (JOURNAL #9) and you will get an education about these things—probably a lot more than you ever wanted to know.

The “time” of the year was originally (like 11,000 years ago and forward) celebrated as a “New Year”.

In the “moon calendar”, the New Moon in Scorpio, celebrated around this time of Halloween (now) marked the pagan new year. The Roman Catholic Church moved its own celebrations to what are now considered your “holy days” in an attempt to usurp the power of the old religions.

The Druids were only one of the pagan religions that celebrated this new year. The Celts call it Samhain, still others call it Hallowmas, but it remains in the lives of those who celebrate the “Wheel of the Year” as a time to acknowledge the lives of those who have passed over and the inevitability of death and rebirth. Of course, you now

celebrate the evil and only the “death” because even in the projection of “rebirth” you present it as terrible demon ghosts, zombies and bloodsuckers.

Those who participate in “witchery” claim to “honor” the force that created the universe with singing, dancing and feasting. BS—you are honoring the evil presentment of the deeds and doings of Satan. This has now slopped over into the “holy days” which, after Christ's visit, became your “Christmas time” by turning it into a commercial Zionist symbol of genuine GREED in the name of a blessed energy.

Do I object? Yes and no—I object to the MEANING of Halloween but as a cute time for the immature adults and kiddies to feast on violence and candy to sugar overload—I guess it is something you seem to have to do—however, it is a TRAP and once fallen into it you cannot, save rarely, extricate yourselves. It teaches the child everything you claim to work the rest of the year undoing. Would it not be better to “counter” with lighting ceremonies and safe gatherings in well-lighted and secure places? You treat this as a “kick” and “game”—THE ONES WHO ARE SERIOUS ABOUT THEIR “RELIGION” TREAT IT AS WHAT IT IS—AN EVIL CELEBRATION AND TIME OF INITIATION THROUGH BLOOD, OR SYMBOLIC VIOLENCE AND BLOOD, FOR THE TAKE-OVER OF ALL GOODNESS IN THE WORLD. IF YOU GET “OTHERWISE” FROM YOUR WICCA BUDDIES—YOU BETTER LOOK AGAIN. The only spiritual aspects ARE EVIL and the thrust is toward degrading and self-abusing actions of indulgence. I repeat, again, witches of ANY KIND and warlocks ARE NOT OF LIGHTED GOD! If you live by rules of magical sorcery—you are destined to perish by magical sorcery! It is simply an extension of SATAN'S CHURCH!

Here is another claim which you had best disregard: “Pagans are bound by their own religious law to harm none, believing that everything done will be returned three-fold.” You must understand the “rules” here. What YOU consider “harm”—THEY CONSIDER RIGHTEOUS!

LOOK! This day is now surpassing all other holidays as a focus—it is insidious creeping of take-over and squashing of all “goodness”. Further, don't feed me the garbage about environment and love of Mother Earth through these rituals—IT IS A LIE!

IT IS THE SAME LIE THAT PERPETUATES “UNCONDITIONAL LOVE”! LOVE IS WORTHY OF “CONDITIONS”, GOOD FRIENDS, AND WHEN YOU THINK OTHERWISE—YOU ARE THE GREATEST LIAR OF ALL! FORGIVENESS AND LOVE ARE GOD—BUT WITH NO CONDITIONS IT BECOMES A WORTHLESS COMMODITY FOR THAT VERY STATEMENT INDICATES LACK OF PERCEPTION AND DISCERNMENT AS

WELL AS BALANCED "JUDGMENT" OF **ACTIONS**. THOSE WHO WILL DECLARE "UNCONDITIONAL LOVE" ARE THE VERY ONES YOU WILL FIND PLACING ALL CONDITIONS AND REPRESENTING HATEFUL ACTIONS INSTEAD OF EVEN GOODNESS, FAIRNESS OR INTELLIGENCE IN GIVEN CIRCUMSTANCES. THEY WILL TURN TO "FRIENDS" WHO ENHANCE AND BUILD ON THIS FALSE CONCEPT AND THROUGH THAT MANIPULATION THAT ONE IS CEMENTED WITHIN THE PIT OF THE LIE. IF YOU "BEGIN" THE RELATIONSHIPS WITH THE GAMES-PLAYERS OF THE FALSE TEACHINGS—IN MISINFORMATION AND TEACHINGS, IT IS MOST OFTEN FOUND THE WEAKNESS OF THE INDIVIDUAL BEING SUCKED WITHIN THE WHIRLPOOL OF THE LIE WILL NOT OVERCOME AND BE ABLE TO RETURN TO REASON, LOGIC AND HONEST PERCEPTION—HE/SHE HAS BECOME A PART OF THE LIE AND EVIL UNDERMINING OF GOODNESS.

HAITI SHOWS YOU THE WAY,
PATRIOTS

You ask and ask, how do we turn around our nation? LOOK AT HAITI!

I don't want to belabor this point, readers, but all the bashing, demonstrating and caterwauling will NOT get you a government of decent Constitutional leaders and representatives. A NEW GOVERNMENT COULD DO IT. GET RID OF WASHINGTON D.C., GET RID OF THE WHOLE KIT AND KABOODLE OF EVIL VAMPIRES AND "CREATE" A NEW NATION AND SYSTEM OF GOVERNMENT. Can it be

done?? Haiti is doing it and it looks as if it just "MAY" work—at least this little "nothing" island is showing you "the way".

Instead of explaining it, let me just present a small article out of a Sunday paper (Oct. 31, 1993) and I believe the discerning and creative can SEE WHAT IT MEANS.

QUOTING:

DISSIDENTS ACT OUTFLANKS HAITI'S EXILED PRESIDENT: (Port-Au-Prince, Haiti (AP)—On the day President Jean-Bertrand Aristide was to return, the climax of a U.N. plan to restore democracy, his opponents **MANEUVERED SATURDAY TO REPLACE HIS GOVERNMENT.**

Twelve political parties and pressure groups said in a joint communique that if Aristide doesn't resign by 3 p.m. today they will announce plans to replace him.

Both the United Nations and the United States have warned AGAINST SUCH A MOVE. [H: Ah ha—the serpents speak!]

The latest person to declare political ambitions was Claude Raymond, a former army commander under the Duvalier dictatorship.

"The time has come for a burst of national effort," he declared over *Radio Signal* on Saturday.

Many Aristide supporters stayed in their homes or did not wish to discuss politics openly Saturday following a rash of anti-Aristide attacks.

The United States was one of the major forces behind the U.N.-brokered

agreement that Aristide and military leader Lt. Gen Raoul Cedras signed in July, laying out the terms of Aristide to regain the office from which the military ousted him in September 1991. [H: Haiti was a sovereign power—even if your leaders don't like it. What right have you to attend their country and demand your rules and leaders onto them? They have been all but destroyed by your nation and the U.N. and Committee of 300 with drugs and poverty with no way out except more drugs—and AIDS, deliberately introduced into their population through the World Health Organization in Africa—to deliberately be taken to Haiti by then workers in S. Africa getting smallpox vaccinations laced with HIV virus.]

Among other things, the agreement called for the appointment of a transitional government, for Cedras to step down and for Aristide to return from exile Oct. 30.

The process was effectively blocked from the beginning. An Aristide ally was named Premier, but has been largely powerless.

END QUOTING:

[H: It would appear to me that the little poverty-ridden Haitians, even with their false religions and ignorance, show more intelligent spunk than the sleeping giant in AMERIKA.]

May we close this writing as it has gotten far too lengthy for ease in cutting and pasting.

Salu

Who Will LIVE?

Who Will DIE?

11/4/93 #1 HATONN

BEGINNING TO SEE AND HEAR

Before we write on a given subject this morning I want to thank you readers—not just for your loving participation and sharing but as a teacher to students who make the teacher's journey worthwhile, to see your growth in insight. The clippings, letters, observations and selected documents sent to us make our work worth every inconvenience we might endure. Most of you, in your own way, serve as greatly, or more so, than the little team here.

Our greatest regret from it all is that we cannot offer EVERYTHING, discuss EVERYTHING and most especially things such as why one Mayan city would survive as others collapsed, etc. As a matter of fact I should note that this Mayan city in point is Xunantunich, Belize. The sender said: "I bet Hatonn knows why." Yes I do and I will say, further, that Belize is one of the most IMPORTANT areas on your globe and houses some of the most sacred and valuable things of the world. We have close "relatives" who, by the time of fruition of this work, will "own" much of Belize. Far fetched? No, already under way. As a matter of fact the person in point is the very one who financed the property of Dharma at the "no-sale" which began all the legal encounters all the way to the Presidency. There is a great bond and friendship, past business relationship and desire for "joint ventures" with this person. His desire is to integrate senior care and "orphanage" type child care—utilizing the positive offerings of each to each. There would be a "complex" also housing a Medical School and other training facilities (schools). Chelas, all it takes is an unbending goal, faith in God's power and DESIRE!

THE "ALTERNATIVE 3" PLAN

Before we can spend other than pass-

ing attention to these things, however, we must continue with **WHAT IS**. As we write on different subjects we find massive interest in various ones—today there is especially a heavy inquiry into "Alternative 3". Why? Because you are "to" Alternative 3 in practical application.

A documentary was done on Alternative 3 some years back but was banned in the U.S. The "story" has been written-up and copyrighted by so many "tellers" that it is hard to choose a method of speaking of the subject IN PRINT. The most valuable information is, of course, from overseas because this has been one of the most "top-secret" plans of the World Destroyers.

How can Truth be copyrighted? It can't—but the LAW claims it can be and I refuse to lay any more heavy loads off on my secretary who doesn't really care, any more, what is something like *Alternative 3* or *The Secret of Light* or *Atomic Suicide*. YOU HAVE ALLOWED, AND ENCOURAGED, THE TRUTH TO BE KEPT FROM YOU AND A FULL CAPABILITY OF THE "BIG BOYS" TO TIE UP EVERY BIT OF INFORMATION THROUGH YOUR COPYRIGHT TYPE OF "CENSORSHIP". It is like the "patents" on wondrous inventions—where better to collect the wondrous things unto the New World Order than the New World Order PATENT OFFICE? Protection? Protection for who? By your need to "protect" something—you give it away right up front and disallow a worthy thing from ever coming forth in useable honor and manifestation. So be it.

As for the alternatives for the World Elite to reduce population, gain power over the domain of Earth and other intentioned games—many unbelievable things have come to pass. What are these alternatives? You have watched and experienced them so I fail to comprehend the question. The point is mind-control, body-control, space bases, weather control—the whole ball of wax, as you might say.

MODERN NOAH'S ARK:
SPACE-CRAFT

Technology has now made space-craft the modern equivalent of Noah's ark, readers. The facts are that there ARE some bases out there on other places and artificial "planets". The "secrets" are not nearly as important as is the realization that only a tiny, tiny few have control of that which is life and death. Who decides which people shall be evacuated in the arks of the twentieth century? Indeed the Plan 2000 applies here as well as to economic power and takeover of the world.

Most of the information offered, however, as to the abductions, mutilations, gene splicing in space and thus and so—is garbage as to the way it is presented. There are no "little terrible guys" from outer space doing anything—even remotely akin to abductions or "upgrading" of their own society. Who would choose the most evil-ridden place in your corner of the universe to "upgrade" anything? There are, however, massive abductions, brain warping assaults and actual removal and placing of scientists, et al., on those distant bases.

The interesting thing overlooked by you-the-masses is that anonymous MEN have assumed the right to decide who shall live and who shall die. Their decisions are based, in the main, on information supplied by an elaborate international beast network of computers—an aspect of the operation which needs details but not right now. These "snatches" are known in the "code" world as Batch Consignments. Now, don't go crazy, readers—as with other propaganda—the absurd is that which is utilized and usually in the opposite manner as presented to you.

For you ones who remember that elusive Photon Belt it will be far easier to connect these intentions. The "Photon Belt" is already present in large measure. What you consider "light" is that which falls into the "visible" band. To a totally blind man there is no light to be seen but that does not mean there is no light. The more damaging and severe rays of light are

those which you cannot see and, therefore, right in the middle of such presence—you would chuckle and decide there is “no” light while your very eyes are being burned out.

I think you had better hear about Alternatives One and Two for it is claimed they were discarded. No, they were not and many of the things set forth in those “discarded” ideas have come to pass—damaging your planet even more intensively than you can imagine. The blast we warned you about in the Photon Belt material was the ignition (deliberately) of the radiation belt around your orb. Listen to this next and see if it still strikes you as “incredible”, our presentation.

ALTERNATIVE ONE

This operation would resemble throwing rocks at a conventional greenhouse—making holes in the covering to let the heat “escape”. (This of course refers to your “greenhouse” effect.) The plan was that a series of strategically-positioned **nuclear devices** should be detonated high in the atmosphere—to punch holes in that envelope of carbon dioxide. Then you would have “chimneys” in the sky. That would have eased the immediate problem then, as a follow-program there would have to be a dramatic reappraisal of the way life is lived on the Earth. You would become a totally primitive society, the assumption being that you would not be allowed to utilize technology for transportation, etc., which would be clean.

Did this plan have possibility? Of course. You have the technology to cause holes but in the hole-making you destroy (destroyed) great gapping areas in your ozone layer (why do you think all the BS about ozone holes?). It is that layer which screens you from those nasty rays of invisible LIGHT of which we just spoke. You would have, in time, almost NO protection from the extra-ultra-violet (among others) from the sun. You would be, and ARE, bombarded with far more radiation which is now producing horrors about your world—not just little cancers on the skin.

ALTERNATIVE TWO

The alternative two scenario is very interesting indeed, seeing how it was “also discarded”. This is the one most utilized to insure safe haven for the selected few.

It is known that the world was once more civilized and far more scientifically advanced than you are today. Your long-distant ancestors, living millennia before the Prehistoric Man, had progressed far

beyond your present stage of knowledge. Complete civilizations were built beneath the surface of the earth.

The idea of tunnels all over your nation, today, hooking up massive underground facilities is NOT NEW! Many of the ancient tunnels have been located and reamed out (some technology and equipment was still intact). These networks were far below the surface and remains of them have been found under many parts of the world. Many have long since gone beneath seas but will rise again within reach. The best known of these places are in South America, China AND RUSSIA. Within the inner-spaces light is produced from luminescence which replaces the sun as a direct source of energy and allows for crop growing. So, to save civilization on the planet would involve transporting everybody down into the bowels of the earth—well, wrong statement, Hatonn—NOT EVERYBODY. There would only be selected persons chosen for special skills or talents, people who would, in other words, be the Elite AND ones vital to the future of the human race. Superfluous people would be used as “slave” laborers.

These intended “slaves” would be rounded up in Batch Consignments, treated surgically or chemically to make them completely complacent as to their new roles.

This would need massive co-operation between the super-powers—a pooling of resources—OR A TOTAL ONE WORLD ORDER WHICH WOULD NOT BE QUESTIONED.

THIS WOULD, FURTHER, REQUIRE JUST ABOUT ALL THE MONEY IN THE WORLD TO FINANCE SUCH A PROGRAM—OR A TOTAL WORLD CONTROL SYSTEM WHERE NO MONEY WOULD BE NECESSARY.

WHY ALL THESE ALTERNATIVES?

Well, the Elite will tell you it is because of things such as the Carbon Dioxide (greenhouse) build-up and other things which would destroy life capability on the globe. They even consider the possibility of nuclear devastation with inability to recover. The facts are that things are so tampered and controlled NOW that the fear of disaster by flood is not likely. The Earth is in a drying trend and once beyond the point of no return from the tamperings—will move rapidly into deserting. THE FACTS ARE THAT THE ELITE ONES IN THE BUSINESS OF DEPOPULATING THE GLOBE ARE LOOKING FOR SECURITY FOR THEMSELVES, NO MORE AND NO LESS. These possibilities of disaster

are thrust upon you to allow for the silent thrust on their part to “feather their own security nests” while you THINK they are efforting to save YOU.

SPACE PROGRAM

At risk to the very life of my scribe I have told you about the total lie of the program you call Space-Program, the farce of the moon-landing as presented to you—the LIE of the Shuttle trips and thus and so. CHELAS, THERE WERE CRAFT AND BASES ON THE MOON LONG BEFORE YOU ACCLAIMED “LANDING”. NOW, IT IS REQUIRED THAT YOU BE TOTALLY IGNORANT OF LIVING IF YOU DO NOT REALIZE AS MUCH.

The super-powers have taken immense trouble to hide the extent of advances made in space technology. You must face the FACT that the first publicly-announced moon walk in 1969 was no more than a fun-game of charade—played by full agreement between the super-powers—**BECAUSE MEN HAD REALLY BEEN ON THE MOON FOR THE BEST PART OF A DECADE EARLIER.**

PLAN 2000

It is so interconnected that it is a waste of time to itemize the intentions of the Elite today. It is all inclusive of such things as genetic alterations, cloning, robotics and thousands of other projects of very sophisticated technology. These things are now being shown to you to adjust your thinking to accept violence, death, horror, and destruction without whimpering or struggling.

They will tell you these things must be done to accommodate for overpopulation, disease, planetary damage, polar shifting, bombardment from space—ANYTHING to keep you sleeping until you are annihilated. These are the PRACTICAL confrontations to the world Elite.

FAR FETCHED?

Can you begin to deal with these possibilities? Well, then why can you not deal with the realization that God would send His messengers and security forces to inform, preserve a remnant and gather His people? The PLAN is to have the multitudes devoid of thinking processes alien to the Elite “Kings” and effectually have a mass of slaves of robotic acceptance.

I am asked what is the difference in a cloned replica and a cloned robotoid. A replica is exactly that—a being replicated from original structure. A robotoid is a “manufactured” clone of “something” which may or may not be a viable living “being” and would be, from onset—soul devoid. A replica is not originally soul-devoid but rather, would need to undergo much programming to override the soul presence. Brain knowledge (memory) can easily be “downloaded” but

soul energy can only flourish in a God-lighted environment. As the "environment" is made hostile—the soul will gradually depart until the functioning mechanical physical presence is all that remains of "life force". For instance, a "soul" may well be living in other dimensions while the replication beings are still running around in your physical manifestation.

Back to that which you seem to be yet unable to comprehend except in "knowing" but not "understanding" is the fact that you are "Illusion"—the THOUGHT projection manifest, of God. Therefore, you shall be what that original thought process creates. Since soul essence IS God's energy presentation—it will not be destroyed but may well be recalled. It is for this REASON that it is considered that soul cannot be destroyed. However, it can, through energy assault, be injured or dispersed or prematurely (according to your standards of measurements) be "recalled".

What I find most interesting through all the possibilities of experience is that so many discount the capability of God to attend Himself. You ARE created, you are manifest—why think ye that you would not be attended? What allows God's creations to flourish? What destroys them? Are YOU the game or is the GAME beyond your level of perception? WHY do you seek and struggle to DEMAND TO BE WITHIN THE LIE when the TRUTH LAYS ALL ABOUT YOU? Why is this? Could it be a series of CHOICES? Could it be allowance of EXPRESSION and GROWTH? WHY DOES MAN CHOOSE, SO READILY, EVIL OVER GOOD IN HIS PHYSICAL PRESENCE? EGO? What is "ego"? It is the consciousness of physical recognition. With it comes the inevitable desire of the physical manifestation for power and control—"to be God" by force, purchase or manipulation.

God, however, on the other hand, does not force or coerce—but still retains infinite power—without manipulation. The adversary does not like this state of affairs. Thusly, comes the perception of expression of "heaven" or "hell". Heaven being represented by the presence of God, Hell being devoid of God. This is, further, why you of God-intent must be as shrewd with the use of Truth as is the enemy with his shrewdness through the lie. You must realize "intent" and stop working on the assumptions or opinions of the interpreters of "God's" directives. YOU MUST CREATE—and often that means creation of circumstances, scenario and actions which BECOME! THE MIND WILL PROVIDE THE "WAY" TO SOLVE EVERY PROBLEM ENCOUNTERED—but you must CREATE the maneuverings and presentations to MAKE IT SO. UTILIZE THE GOD-GIVEN CREATIVE MIND WHICH SET YOU ASIDE FROM THE ANIMAL WITHOUT REASON AND FROM THE ENEMY WHO ONLY WISHES TO "GET FOR SELF" AND "DESTROY" HIS ENEMY!

You must CREATE the setting which backs your intent or "play" and it must be of honor and integrity to succeed. You do not consciously realize your own journey and mostly you understand not the gifts set before you for your use—IF YOU ACT APPROPRIATELY. The adversary WINS, it seems, because you LET HIM WIN! Why do you refuse to build security within the consciousness of possibilities and why are you so reluctant to create your passage? You will overcome this shackle or you will continue to "lose" and I AM SICK AND WEARY OF LOSING ROUND AFTER ROUND TO THE THIEVES OF GOODNESS.

CREATE YOUR PLAY AND BUILD YOUR PROOF! Do you not understand what I say herein? Then you are going to continue to "lose" that which has been gifted unto you for the goodness in purpose. Those who lie, cheat and steal will continue to take your property and very soul as long as you fail to CREATE what is necessary to defend selves and catch them in their own trappings. Create your play and build your proof! I repeat it for it is so elusive as to be missed by almost all of God's children. YOU CAN CREATE ANYTHING YOU DESIRE—IF YOU REMOVE YOUR PERCEIVED RESTRICTIONS OF SUCH CREATION. WHEN YOU REALIZE AS MUCH YOU WILL RECLAIM YOUR OWN SMALL PROPERTY AND YOUR NATION AND YOUR PRESENCE IN GOD. In the ending you do not need to "pretend" proof—you will CREATE proof. Research past experiences, past intentions, present connections, that which relates to something already moving—and CREATE that which you want. IF THIS BE IN THE NAME OF GOD OF LIGHT—IT SHALL HAVE RADIANCE AND UNTO THAT END SHALL IT COME TO PASS. IF, HOWEVER, YOU LIVE IN THE NEGATIVE RESPONSE OF "I CAN'T" OR "I SHOULDN'T" OR WHATEVER BINDS YOU—YOU ARE IMMOBILE! Measure ALL by the Laws of God and Creation and then GO FOR IT! Check it out: does the CREATION bring goodness or more evil—does it assist goodness or allow for more flourishing of the evil attending it? Check how, who, why, when and where does the "creation" give goal intent in Truth. That which is considered truth or lie by the tongue has NOTHING to do with this lesson in "CREATING"!

How did the adversary get so far ahead of God's people? Because there was no sleeping on the job to ready the "goal". You became mired in the lie of pious training by the elite teachers of what you SHOULD do as Christians and "goodly" persons. You fell into the trap-pit of the brain-washing by those who would render you useless to God's team—you would follow the doctrines of MAN who would claim the instructions TO BE FROM GOD! It is indeed SIMPLE.

You who would serve God in goodness HAVE THE ADVANTAGE—YOU CAN CREATE! The adversary has only the ability to utilize that which is already created! There-

fore, if you "lose" it is because you have no faith in that which you preach to be your guide and goal. When you weary of the losing YOU WILL BECOME CREATIVE AND CREATE THE WINNING!—IT MATTERS NOT THE CIRCUMSTANCES! YOU ALLOW THE WORLD TO MANIPULATE YOU—WHEN WILL YOU ASSUME YOUR POWER AND STOP THE MANIPULATION? IT DOES REQUIRE "RESPONSIBILITY" AND AH HA!—HERE IS THE DIRTY BOTTOM-LINE: THE WORLD IS FILLED THIS DAY WITH IRRESPONSIBLE ENTITIES WAITING TO DIE.

The Christed Teacher put it this way: *"...But when I shall have completely thought OUT my Idea, or shall have perfected My many mediums of expression, then shall My Idea shine forth in every Word, each, in fact, being a perfect part or phase of My Idea, all so chosen and arranged that they will really be as ONE Word, radiating the sublime significance of My Meaning.*

"...My Idea within, shall have evolved THROUGH the flesh, transmuted and spiritualizing it and making it so transparent and pure that the personality will have nothing more of Earth nature left in it TO HINDER impersonal expression, enabling My SELF, therefore, to shine forth perfectly and become fully manifest; thus amalgamating once more all Words and all flesh into One Word. THE WORD, which was in the beginning, and which then will shine through all created flesh as the SUN OF GLORY—THE CHRIST OF GOD!

"This is the PLAN and PURPOSE of My Creation and of all manifested things.

"A glimpse of the PROCESS of My Creation, or of My Thinking My Idea of My Self into Earth expression, will be given as you come into KNOWING."

Just as God creates and manifests through his THOUGHT "IDEA", so too must YOU create and manifest through your "thought idea" which is THE WORD made manifest!

I tease Dharma often as to "...so when are you going to MANIFEST that which is THE WORD?" When will YOU assume the responsibility to MANIFEST THE WORD? THE WORD IS GOD! So—THE NEXT LOGICAL SEQUENCE IS TO MANIFEST THAT WHICH IS GOD!???!?

You have everything you need from which to manifest ALL—when will you accept the responsibility of that which you are and bring it into manifestation? Or, will you spend the eons "talking" about it and never accomplishing? It is up to YOU and YOU and YOU. If you do not like the way a "thing" is going—manifest it into perfection—YOURSELF!

You ones "wait" for many things to happen and come about—when mostly YOU CAN ALTER THE PATHWAY AND SPEED OF THE ARRIVAL—BY ASSUMING MANIFESTATION OF THE WORD INTO "REALITY". Until you really WANT TO MOVE AHEAD—YOU SHALL NOT DO SO!

Nora's Research Corner

THE DESCENDANTS OF KING

DAVID

Part I of a Series Genealogies

This series is planned to present a general and brief view of those who have claimed descent from the "Hebrew" King David. David was born about 1085 B.C., according to Biblical accounts (*Ussher's Chronology*) and became the example to the "Hebrews" of their future "Messiah". In fact, it was prophesied that a future descendant of David's would be the "one" hoped for.

One of the separating doctrines between "Christians" and "Jews" is the acceptance or rejection of the claim that Esu/Immanuel was the expected one. The "Jews" at the time of Esu who accepted Him as the expected "Messiah" became "Christians". Those who rejected him continued to await the one hoped for.

Of course, each person has a right to their own beliefs, and this writing is not intended to open old wounds. Nevertheless, those who count themselves as "Christian" must be aware of the fact that the "Jews" rejected Christ and still do. Therefore, the two "religions" or belief systems, are incompatible in a major way. The *only* value of the *Old Testament*, as far as Esu's teachings are concerned, in my opinion, would be any true historical facts retained therein, or true teachings that escaped the many revisions.

Nevertheless, there have been several "Christed" teachers on this Earth, and an acceptance of Esu as the "One" who was sent need not be a prerequisite to entering the "Kingdom of Heaven", although, Hatonn has reaffirmed that it will be Esu (now called Sananda, meaning One with God) who will be separating the "sheep from the goats" at the end of this cycle. The critical need is that one accepts God and follows His Laws. This is the same teaching that Immanuel brought, except he also brought the essential truth that the Kingdom of God is within each one of us, and an intermediary "priest" or "church" or "temple" is not needed to become aware of it. Esu established *no* churches.

After Christ's rejection in Jerusalem and later the defeat of the Jews at Masada, about 70 A.D., along with the destruction of the second temple, what was left of "David's descendants"?

Contrary to popular belief most of the Israelites had dispersed from Jerusalem and Palestine long before the defeat at Masada. In fact, there were many of them, some exceedingly wealthy, throughout the

Middle East and elsewhere, who were not involved in the event. Their "homeland" was certainly other than Jerusalem, and had been for centuries. There is an account in the *Encyclopedia Judaica* which claims that it was the very wealthy Jews, long established in Babylon, who financed the return of their fellow believers to Jerusalem at the time the second temple was built. These wealthy Jews did not themselves return to Jerusalem, leaving a strong enclave in Babylon at that time, about 500 years before Esu/Immanuel. (See article "Economic History", *Encyclopedia Judaica*.) Which raises the rather large question of why Nebuchadnezzar hadn't made captives also of these wealthy Jews, just as he did those he brought in captivity to Babylon from Jerusalem?

It appears to me that much of the Biblical story, and also the written history of today, has been rearranged and altered. Many written "histories" available today just don't "add-up". Why were the wealthy Jews treated differently? Did they perhaps "buy" their freedom? Or were the Jews from Jerusalem a very different group than those in Babylon? Rebels and Zealots perhaps? Members of the tribes of Judah and Benjamin, those who had separated themselves earlier from the ten tribes who worshipped Baal and Astarte? It appears that those from Jerusalem were treated differently than those others already dispersed throughout Nebuchadnezzar's dominions. The reason is not clear unless it was merely because they had resisted their take-over and had to be overcome.

In any event, the different tribes and their various leaders had fought amongst themselves over many issues, and one could not say that at the time of the Babylonian captivity, those Jews inhabiting Jerusalem and Judea were necessarily friends with all the other tribes. Of course, the *Old Testament* account is somewhat different than present day Jewish historical accounts. The *Old Testament* (*Septuagint*) has no record of wealthy Jews in Babylon financing the return of the captive Jews to Jerusalem.

Besides the Babylonian enclave of Jews, there were other Jews heavily involved in Phoenicia (present day Lebanon) and trading. The tribes of Dan, Zebulun, Gad, etc., were actually very close to the Phoenicians in proximity, commercial interests, and "religious" attitudes. There were also the ten tribes which had been taken over by Assyria about 200 years prior to the Babylonian captivity, and were widely dispersed throughout the Middle East prior to the Babylonian exile of those from Jerusalem.

The above is merely some background information to prepare you for the idea that "David's descendants" could now be located in various and sundry places, and not be closely connected, in fact, to Jerusalem—not only for centuries but millenniums past. Of course, David's tribe *was* the tribe of Judah. Still, his son, Solomon, had so many wives, and intermarried into so many other tribes, even those from other nations, that one would be hard-put indeed to prove a "pure" blood-line of David's. According to the *Old Testament* (*I Kings* 11:1-3) Solomon had "700 wives and 300 concubines". It was said of him that he "went after strange women". Solomon did *not* follow God's Laws. This was the primary reason for the breakup of the Kingdom after his death. Solomon's wives included Egyptian, Hittite, Moabite, Zidonian (Phoenician) and Edomite women.

I am attaching a copy of David's genealogy as presented in the *Encyclopedia Judaica*. This particular genealogy was compiled from the following Biblical books: *I Chronicles* 2:10-17; 3:1-24; *I Samuel* 16:6, 10-11; 17:12-14; *II Samuel* 3:2-7; 5:14-16; *II Chronicles* 11:18; 21:2; *I Kings* 4:11,15. (See also *Zechariah* 12:7-14, *Ezra* 1:8;8:2, *Haggai* 2:23 and *I Kings*, *II Kings*.) It is admitted that the record is very limited and non-existent in some cases (i.e., only three of Solomon's wives are shown) better records were kept after the Babylonian Captivity and return to Jerusalem about 457 B.C. Quoting from the *Encyclopedia Judaica*:

"The list in *I Chronicles* 3 enumerates the descendants of the House of David after the return to Zion. According to the *Septuagint*, there are eleven generations after Zerubbabel, that is to say, counting 25 years to a generation, there is documentation of the existence of the House of David until the middle of the third century B.C.E. But according to the Hebrew text the number of generations is only five or six. The difficulty revolves about the generations between Zerubbabel and Hattush (third from the end of the list). If the latter is identical with the Hattush who is named in *Ezra* 8:2 as one of those who returned with Ezra from Babylon (457 B.C.E.), the genealogy ends two generations after Ezra's return, or at the beginning of the 4th century B.C.E. (It is unfortunately not possible to date with certainty the passages *Zech.* 12:7-14.)

The rebuilding of the Temple under the leadership of Zerubbabel (520 B.C.E.) aroused hope, which finds expression in the prophecies of Haggai and Zechariah, for a renewal of the Davidic dynasty. Nonetheless, the House of David was in decline. The reasons for this are not known. It is possible that Zerubbabel was suspected of

disloyalty and was therefore recalled to Babylon. It is clear, however, that he or his s did return to Babylon, among those who came with Ezra was Hattush who is related to Zerubbabel. There is no information concerning the family's status in Babylon, nor why it (or part of it) returned to Judah with Ezra."

Please note in the chart that David was descended from Boaz and Ruth. Ruth was a Moabite. Also, that their grandson (?), Jesse, had a number of children. David was only one of those called, "the root of Jesse". Also note that David is shown with seven wives. Some with sons. It is said that David had promised Bath-Sheba that her son, Solomon, would be made the next King. Solomon took over the Kingship even before David's death. He also killed, or had killed, all of those leaders in the palace who did, or might have, opposed him in that Kingship. Note also that Bath-Sheba was taken by David from one of his own Hittite captains, whom he sent out to war to be killed so that he, David, might have the wife, Bath-Sheba. (David came to ask God's forgiveness for this act.)

We are not told the "genealogy" of Bath-Sheba. It is very possible she was a Hittite, like her first husband. The reason I bring this to your attention is to show that the "House of David" was made-up of several tribes and nationalities. Also, that even the Davidic descendant (King) appeared to be under some "higher" kind of authority as in the case of Zerubbabel being "recalled" to Babylon! Either the Sanhedrin, and-or the wealthy persons behind the throne, were in charge of matters even from the 5th-4th centuries B.C.E. In fact, it appears from the above account also that Babylon was the center of authority even at the time of the return of some of the Jews to Jerusalem when the second temple was built.

The Jews have been very critical of the listing of the two *New Testament* genealogies given for Esu/Immanuel (Jesus), pointing out the obvious errors therein and using this as a means to denigrate the accounts. Personally, I too questioned the inconsistencies of the two genealogies of Jesus written in *Mat. 1*, and in *Lu. 3:23*. The two versions are both presented as the genealogies of Joseph, Mary's husband. There have been numerous attempts to justify both accounts. Among these attempts by various groups are: (1) The declaration that the two genealogies represent Jesus' descent from both the priests and the kings of Israel. The problem to this argument appeared to be that Joseph cannot have more than one father, and both accounts name differently Joseph's father—one states it was Jacob (*Mat. 1*) the other states it was Heli (*Lu. 3:23*). (2) *Other teachers*, or preachers, rationalized the

fact that Jesus was Joseph's actual step-child, as Mary was pregnant before he married her. Part of the scramble for (even) hazy answers goes on to suggest that the two genealogies represent Jesus' actual father's lineage as well as Joseph, the step-father's lineage. If this were the case, some knowledge of the "actual" father's background should also be included in the *Bible*. Also—why show Joseph's lineage when it is shown he was not the actual father of Jesus? It is suggested that adopted children, according to Jewish law, received the same recognition as an actual offspring. This may be true, even our laws in the U.S. of A. today give legal status to adopted children and also state that the legal husband of the wife at the time of her pregnancy is legally the father of the child, unless a court were to decide otherwise. Still, the arguments do not clearly resolve the problem of the two genealogies and various ones have tried to find more "reasonable" answers. (3) An example of such efforts is presented in *The Archko Volume, Or the Archaeological Writings of the Sanhedrin and Talmuds of the Jews*, by Drs. McIntosh and Twyman.

Drs. McIntosh and Twyman state their facts were acquired from manuscripts in Constantinople, and from records of the Roman Senatorial Docket held by the Vatican in Rome. Their book was published in the United States in 1929. According to McIntosh and Twyman (whose full names or connections and accomplishments are never revealed) they found a record of a Roman Centurion's report in Bethlehem about a disturbance caused by the birth of a baby to a woman who was the daughter of the village priest by the name of "Heli". Of course, if this account is true, one could consider the genealogy of Jesus found in the *Book of Luke* as that of Mary, and not Joseph—a conclusion many would like to accept. I had some difficulty believing this report, as it seemed an all too convenient answer to a very conflicting part of the *Bible*.

Several years after reading this small volume I came across another article in the magazine, *Connoisseur*, 12/89 Issue. It is called, "Inside the Vatican Secret Archives, Confessions, Love Letters, Breaches of Faith" by Peter Degradze. The magazine's readership is obviously those persons with means. Mr. Degradze states that his information was obtained from the Cardinal in charge of the Vatican Archives. This Cardinal is said to have asserted that the archives contain NO RECORDS that are more than 1,000 years old! So—where does that leave McIntosh and Twyman's purported report of the village priest's daughter? Either they or Mr. Degradze, or the Cardinal do not tell us the true situation. I am one who believes that more than one record has been hidden, destroyed or tampered with!

The announcement by Peter Degradze regarding the age of the records in the Vatican Archives is alarming to me, and probably to every true scholar in the world. What happened to the archives?? On what, indeed, does the Vatican now actually base its claim to authority? Many, many questions to be answered.

Sananda, in His book AND THEY CALLED HIS NAME IMMANUEL, I AM SANANDA, [J #2] gives an account of his birthing and genealogy. He does not lay great stress on the fact of his genealogy and states it is given only so that the "testers and doubters could research it" themselves. Otherwise he states, "There is no further intrinsic value therein". I believe a comparison to the Jewish genealogy of the House of David, the two Biblical accounts of Jesus genealogy in the chapters of *Matthew* and *Luke*, and this genealogy given by Sananda will be interesting to many. Quoting from Sananda's book:

"There is no way that ye of Earth in thy early understanding can fathom the massive concept of experience being illusion and ALL being ONE and that ONE being ALL. We will, at this time, deal with the same basic story handed forth upon you ones from that time of the Christ experience upon your place as the one, erroneously labeled JESUS. It is quite alright for the beginning of truth but ye must know that mine name was JIMMANUEL (pronounced as an "I" as in IMMANUEL). You must also know that my spirit form came from the cosmos and I was but "birthed" in your human array.

"As Judas [co-author] took great pains to list the "begats" and "begots" that you of the testers and doubters could research it yourself, they shall be included. There is no further intrinsic value therein...."

CONTINUING TO QUOTE A LONGER SEQUENCE:

GENEALOGICAL TREE

This is the book and secret records of Jimmanuel which means "God with us", "God among us", who is a son of Joseph, of Jakob, the distant descendant of David, who was a descendant of Abram, whose lineage goes back to Adam, the father of man of the Earth, who was begot by Semjasa, the leader of the sons of heaven who were the guardian angels of God, the great ruler of those who traveled from afar.

Semjasa, the heavenly son and guardian angel of God, the great ruler of those who traveled from far away through the space of the universe, begot with an earth wife, Adam, the father of the white human race.

Adam took an earth wife and begot Seth. Seth begot Enos. Enos begot Akibeel. Akibeel begot Aruseak. Aruseak begot Kenan. Kenan begot Mahalaleel. Mahalaleel begot Urakibaramel. Urakibaramel begot Jared. Jared begot Henoah. Henoah begot Methusalah. Methusalah begot Lamech. Lamech begot Tamiel. Tamiel begot Danel. Danel begot Asael. Asael begot Samsaveel. Samsaveel begot Jomjael. Jomjael begot Turel. Turel begot Hamech. Hamech begot Noah. Noah begot Sem. Sem begot Arpachsad. Arpachsad begot Batrael. Batrael begot Ramuel. Ramuel begot Askeel. Askeel begot Armers. Armers begot Salah. Salah begot Eber. Eber begot Peleg. Peleg begot Regu. Regu begot Serug. Serug begot Aruseal. Aruseal begot Nahor. Nahor begot Thara. Thara begot Abram. Abram begot Jsaak. Jsaak begot Juda. Juda begot Anani. Anani begot Ertael. Ertael begot Perez. Perez begot Hezron. Hezron begot Ram. Ram begot Aminadab. Aminadab begot Savebe. Savebe begot Nahesson. Nahesson begot Sahnah. Sahnah begot Boas. Boas begot Obed. Obed begot Jesse. Jesse begot Dauid. David begot Salomo. Salomo begot Asa. Asa begot Gadaeel. Gadaeel begot Josaphat. Josaphat begot Jara. Jara begot Armeneel. Armeneel begot Usia. Usia begot Jothan. Jothan begot Gadreel. Gadreel begot Ahas. Ahas begot Itiskia. Itiskia begot Manasse. Manasse begot Amon. Amon begot Josiah. Josiah begot Jojachin. Jojachin begot Sealthiel. Sealthiel begot Jegun. Jegun begot Serubabel. Serubabel begot Abiud. Abiud begot Eliakim. Eliakim begot Asor. Asor begot Zadok. Zadok begot Achim. Achim begot Eliud. Eliud begot Eleasar. Eleasar begot Matthan. Matthan begot Jakob. Jakob begot Joseph.

PREGNANCY OF MARY

Joseph became the spouse of Mary, the mother of Jmmanuel, who became pregnant by one who was a distant descendant of the Son of Heaven, Rasiel, who was the guardian angel of the secret.

When Joseph was in betrothal to Mary to be publicly married, he was informed of the secret insemination of Mary through a descendant of the Sons of Heaven, from the lineage of Rasiel, he was filled with wrath. He denied her and yet, having been close unto her, and most respectful of her purity from matings was given to confusion and bewilderment. He made arrangements to take leave of her and denounced any responsibility unto her and further, refused to marry her in public before the peoples of the community—which was the way marriage was ordained and sanctioned in those days.

While Joseph was thus thinking in

this manner, behold, a guardian angel of the Sons of Heaven, Gabriel, who had brought the seed unto Mary, appeared before him and said, "Joseph, Mary is betrothed to you and you are her spouse, do not leave of her, for the fruit of her womb is chosen for a great and wondrous purpose. Marry her before the people, so that you may be man and wife before the people. If ye choose to renounce her and deny of thy responsibility, thy name shall be stricken from the Book of Life and ye shall be as never having been."

The impregnation of Mary occurred some eleven thousand Earth years after the creation of Adam through the Son of Heaven, Semjasa, so that the word would be fulfilled which God, the ruler of these that traveled from afar, had said through the prophet Jesaja who spoke as follows:

"Behold, an innocent child will be impregnated by a Son of Heaven before she is married to a man before the people.

NAME SHALL BE JMMANUEL

"They will name the fruit of her womb, Jmmanuel (Jmmanuel/Immanuel), which interpreted means: "The God with Us" as a symbol and to give honor unto God through whose strength and providential care the Earth was made to bear intelligent human life, through the women of the earth pairing with the Sons of Heaven, those that traveled from afar and bearing great wisdom and perfection from the universe.

"Behold, God and his followers from afar came from the depths of the universe saving themselves from a strong bondage, creating a new race and home with the early women of this Earth for they were in form much like the beautiful creation of Earth and transported great truth and knowledge bonded with unsurpassed wisdom. However, upon birthing into the density of the Earth plane, the shroud of forgetfulness would be destined to fall upon the human form." [End quoting]

Some of you may have caught the significance of Sananda's statement that "Adam, the father of man of Earth, was begot by Semjasa, the leader of the sons of heaven who were the guardian angels of God, the great ruler of those who traveled from afar." Remember the Biblical text quoted in my first series of articles, *Genesis 10:21*, wherein it states that "Sem was the father of all of the children of Eber"; and, in the explanation of the word, Eber, it was found to mean, "a place beyond"? Here in Sananda's report we see, that this "place beyond" does NOT allude to a "place beyond the Euphrates River" as many Hebrew scholars and theologians have in-

sisted, but a place far away in the universe, beyond our sight or knowing! Think about that, and be glad for the fragments of truth still to be found in the *Bible* to help guide our way. Be glad also that Sananda's own account of his life is now available to us.

It is my hope that those who still await "King David's descendant" will recognize Him in the One called "Sananda".

McIntosh and Twyman of the Antiquarian Lodge, Genoa, Italy, Pub., The Archko Press, Grand Rapids, Mich., (1929); *Connoisseur Magazine*, 12/89 Issue, Article by Peter Degradze titled, "Inside the Vatican Secret Archives, Confessions, Love Letters, Breaches of Faith;" AND THEY CALLED HIS NAME IMMANUEL, I AM SANANDA, recorded by Dharma, Pub., America West Distributors, (1989), pgs. 8,9 and 10; *Garden of Aton*, by Nora Boyles, Phoenix Source Publishers, Inc., Las Vegas, Nev., (1993), pg. 8, or the 8/4/92 issue of the *PHOENIX LIBERATOR* newspaper, article titled, "A Lesson in Words".

THE GARDEN OF ATON

By Nora Boyles

248 pages \$6.00

(See back page for ordering information from Phoenix Source Distributors)

History lives on in Nora Boyles' Treasure Chest of those historical jewels and gems which open ones' eyes to how it really was and how so much inter-connections.

Discover the clues to early recognition of the ONE God--Aton--and the verification of His name. Earth histories, legends, languages and artifacts explain Immanuel/Esu/Issa's name and the name of Gyeorgos Ceres Hatonn and more. Learn about the Twelve Tribes of Israel, and the history of "key" words; Nostradamus' predictions; The early rise of the Anti-Christ.

Other exciting articles: The Thule Society--Connections to the Inner Earth; The Architects of Culture; The Brothers Grimm and Hans Christian Andersen; Who are The "Aryans"? What does the word "Hebrew" mean?

Nora's research provides confirmation of much of the history which has been documented in the PHOENIX JOURNALS. A true Treasure Chest!

CANDLELIGHT

It is better to light just one little candle..... and, if everyone lit just ONE little candle—what a bright world this would be! Light represents "Truth" and in Truth all other things can be added unto you. Secrets scattered in the Light are no longer secrets and no longer can they be weapons. The PATH to God only SEEMS narrow for you have left so little room for God—the wide boulevard heads in the other direction!

COALESCENCE

That which is fragmented and hidden in secret places must be brought forth into coalescence with that which IS. Man can only work change if he KNOWS that which is abounding about him and within his social order or disorder. Our only thrust is to bring you pieces and bits that can be formed into the puzzle which answers what, how, when, where, which, why and who. When you see Truth only THEN can you have ammunition to bring about goodly change and freedom.

TRUTH AND CONSEQUENCES

RELATIVE CONNECTIONS
VOL. III

In living in ignorance, the consequences are there—just not correctly identified as such. You pay either way—to the lie. Find Truth and uncover the conspirators and their hierarchy and you shall begin to dissolve their power over your experience. Let us uncover again those who would be KINGS over your destiny and the destiny of your world. That is the FIRST STEP to FREEDOM! Truth is that one thing that without it, you shall remain enslaved.

WE NEED YOUR HELP! CONSIDER SPONSORING A JOURNAL

The cost for printing the JOURNALS in sufficient quantities to offer them at rock-bottom prices is always a challenging burden to our resources. Some of you have very kindly helped out financially with this task in the past and we again ask for your help at this time. If you may be in a position to assist, please contact **PHOENIX SOURCE DISTRIBUTORS at the address or telephone listed on the Back Page.**

RELATIVE CONNECTIONS VOL. I

In the sequence of events it becomes necessary for MAN to fit pieces and jots and titles together—generalize and find the perfection of weaving which produces the perfect tapestry. Our only intent is to bring you resources, information, pieces and parts from which you can confirm your own finding and knowing. This means a massive variety of "subjects" and only partial readings so that you can go further and FIND TRUTH OF CIRCUMSTANCES AND PLAYERS. May your continued "searching" be fruitful for you at the Harvest Time.

Editor's Note: The following article arrived by fax at the Contact office this week. The quality was very poor, therefore, we have retyped it for better readability.

CIRCULAR NO 213-6 AFRICAN NATIONAL CONGRESS JUNE 1993

TO: SENIOR STAFF AND MARSHALLS

THE SUCCESS STORY: OUR STRUGGLE FOR LIBERATION

1. The armed and constant threat of violence forced the white spineless regime to negotiate for so-called peace.
2. The psychological warfare through the churches to create a guilt complex with whites was a victory over Christians.
3. The MASS ACTION was a successful method to rip the nations economy to pieces and to create panic of the rich settlers.
4. The constant uproar in Black Education is the fourth try for liberation through education because the white regime simply cannot meet all our demands!
5. All four tactical attacks leaves the regime powerless and gradually giving in to our demands.
6. All these help to create a feeling of helplessness and despair and to lose confidence in their government.
Be careful not to upset the farmers too much before we gain control over the SAP and SADF.
7. The constant pressure of violence and economic uncertainty force De Klerk to surrender power to the oppressed people, without a war like in Namibia!

AFFIRMATIVE ACTION STRATEGY AFTER APRIL 27, 1994

The greatest fear of the white settler is to lose his job, his farm or house and all the luxuries! This will enable the new DEMOCRATIC GOVERNMENT to tax them to the utmost, while our comrades in MK and APLA continue with their part of the struggle.

1. Surplus land will be redistributed among our people.
2. All positions in the public services will be replaced by comrades.
3. The security forces will be reconstructed with our comrades to protect our people. Whites were protected for 350 years. Let them experience to be second class citizens!
4. No ammunition will be available to white settlers.
5. Health institutions will be africanised and whites will pay according to their income to enable them to contribute to their liberated brothers.
6. Some white schools will be allowed because most settlers will pay their last cent for white education and this will provide more money for our people.
7. Pension funds and insurance companies collected billions over the years, will be to our disposal for education of our comrades in the years to come.

VIVA KILL A BOER KILL A FARMER.

THE TURNING OF THE TIDE

ONE of APN's dumbest moves ever was to campaign as strenuously as we did for the "No" vote in De Klerk's phoney March 1992 referendum. Next dumbest was to report this as a heavy defeat for the right. Today, 18 months later and in the wisdom of hindsight, we know that we were right off target on both counts. In the event, of course, and despite our best efforts, we flopped. Badly. And thank God we did. Thickheaded we may have been, but in the end things worked very much in our own interests.

Had the "No" vote triumphed, chances are that the ANC/SACP would have opted for civil war – all our fault. More positively, had we won, all the

blame for the non-delivery of all those promised, precious, much longed-for goodies, Peace, Jobs, Prosperity, would have been thrown on we bad old rightwingers, on the fiendish, not to say hellish, conservatives.

Big Government, Big Business and Big Media, staging the most high-pressure brainwashing blitzkrieg since the Hitler Youth, carried the day. But, for the Nats, a victory it ain't. Today, as is now obvious to all, all those enthusiastic "Yes" voters are savouring the ashes of bitter disillusion. Now they have only themselves to blame. They cannot pin the guilt on us.

FW: THE FOUR-YEAR BETRAYAL

FW de Klerk has no mandate whatsoever to sell out South Africa. On the contrary. His public esteem is today so abysmally low that, honourably and morally, he should surrender office immediately. That is conclusively clear from any study of poll results over the past 18 critical months. No SA leader in this century, or any other century for that matter, has ever been so repudiated: scarcely surprising, considering how this political charlatan has gutted his own party and ripped the country apart.

The polls spell out his mind-boggling collapse. From a high 61% White approval vote for his leadership abilities in April last year, his credibility nosedived to 42% last December (Omnichick poll), lowest rating scored by any State President since the Omnichick political surveys began in 1976. If NP image makers were sweating by now, desperately worse was in store this year: a measly 29% in April, 25% in June, an unbelievably low 22% in July (Markinor poll).

PRECIPITIOUS SLIDE

Could such a precipitous slide persist? Too true. An internal survey commissioned by the Department of Communications in early September scored his acceptance among Whites at a humiliating 12% to 16%. Even that is now evaporating, according to a British intelligence journal. It reports that a secret survey undertaken later in September scored his credibility rating among Whites at a mere 9%.

If that is how Whites view Our Leader, can you imagine what his approval rating must be among Blacks, Asians and Coloureds? Message coming through, loud and clear, is that here is a disgraced and hated politician not wanted as a leader by anyone in SA: not by his fellow Afrikaners, not by the English, not one.

The whole sorry scenario, ranging from the highly suspect, enormously costly Kempton Park "Multi-Party Talks," through to the endless "negotiations" with the ANC (today nothing more than a communist front organisation whose "comrades" on the ground devote most of their time to murdering other South Africans, this for the greater good of "the people") has been a straightforward con game, farcical and fraudulent.

The polls show, unambiguously, that there is nothing more South Africans would like than to see FW bodily ejected out of the Tuynhuis door. But we can't pull the plug on him, because here we are dealing with a very slick operator indeed. The ballot box ought to be the ultimate test of what the people want. Not in SA, not under De Klerk. He has insulated himself in power, suspending all elections, for Parliament, second tier government, even local elections, this till such time as we have suffered the much-feared universal franchise general election next year. Tammany Hall here we are.

How do Whites perceive the ANC/SACP, the NP's chosen friends and partners, the people to whom De Klerk is bent on delivering us, body and soul? Most instructive findings here came in a major HSRC (Human Sciences Research Council) poll last year. This placed White support of the ANC at less than one-quarter of one per cent, reflecting an ethnic reality that De Klerk and his favourite far-left entourage, Dawie de Villiers, Derek Keys, Leon Wessels, Roelf Meyer and his brother, Tobie, ignore at our peril.

Against the appalling arithmetic, such overwhelming voter alienation, can FW – a pol who makes Jimmy Carter look like Wonder Boy – ever hope to regain political altitude? Only with Divine intervention: which, make no mistake, he thinks he deserves. As the

• To Page 2

• *From Page 1*

public perception of incompetence, stupidity, of sell-out and outright treason hardens into concrete, there is a swelling sense of panic in the "ruling" party. At grass roots level the NP, since The Great Pretender's arrival, has shed supporters by the hundreds of thousand.

BOLTING THE PARTY

Those of us who make an earnest study of our political options years ago threw our weight behind the IFP or, more recently, General Constand Viljoen's Volksfront. That trickle is now becoming a giant flood: saturation attendance of VF meetings across the country provide the necessary proof. Parliamentarians who can take no more have been bolting the party for months past, some leaving politics for ever, others going to the IFP. (DPs, predictably, defect to the ANC).

Now, as the country is dragged down and down and down into dizzying instability, into a debacle such as no living South African has ever before witnessed, there is open and growing (though grossly overdue) rebellion even at Cabinet level. According to *Beeld*, the NP's own Transvaal mouthpiece, six Ministers – Kobie Coetzee, Tertius Delport, Hernus Kriel, Andre Fourie, Danie Schutte and George Bartlett, with a seventh, unnamed Minister waiting in the wings – are also in mutiny against the shameless Government sell-out.

But we will look in vain to any of these procrastinating weaklings for courageous action. They are FW's wretched prisoners, already too mired in party treachery to regain the respect of their fellow Afrikaners. So they huddle together, like frightened penguins on a drifting, ever-diminishing ice floe. FW holds the Sword of Damocles over their heads. If they step out of line, break ranks, their pay, pensions and many princely perks are threatened.

MORIBUND PARTY

Above all, this is a moribund party with a most scurvy background, a party massively infested with Quislings, collaborators, charlatans, moral cretins with all the ethics of a scarecrow. A party reeking of scandal, graft and grand larceny. Just look at how many Cabinet Ministers, their close associates and henchmen, today languish in the slammer, guilty of graft, pay-offs, kickbacks and multi-million defalcations. How many of this corrupt consortium could produce a totally clean ethical slate? That is well known to the ANC's many good pals in the media and is useful for blackmail. Never have politicians been held in greater contempt, or more deservedly.

De Klerk himself? A man of boundless vanity and monumental ego, he is today fully exposed for the slippery little weakling he is. As the NP ship goes belly up, it is clear our "reformist" President, who would have

done well to start by reforming his own rotten party, is despised on all sides. As the polls tell us, Whites in their ranked battalions view him with undying scorn, perceive him as their real enemy, more detested than Slovo, more spurned than Dave Dalling, which is certainly saying something. Blacks, traditionally, scorn weaklings, wimps, cowards and sell-outs. Mandela's sneering references to FW as "this so-called President" adequately reflects his attitude. All this suggests:

1. De Klerk has the incredible gall to suggest that the NP will emerge as the majority party after next April's projected election. Surely not even his captive Cabinet can believe that? The NP, the dynasty that has ruled SA without break for 45 years, is a party plainly *in extremis*. Decapitated, bleeding profusely, it is just about ready to be handed over to the doctors of mortuary science. The maggoty corpse should then be given decent burial.

2. It is time for a national showdown. Tired of being bluffed, lied to, manipulated by high-powered overseas PR companies, robbed blind, their jobs tossed on to the ash heap, the people of this once great country are looking for a new government, new leaders, for entirely new thinking, above all, a return to sanity, morality and principle.

They are desperate, screaming aloud, for leaders with vision, guts, a sense of mission, men who put freedom, love of country, loyalty, patriotism, their Christian culture and the welfare of their families, their people, their nation and future generations, above all. That widespread longing, for new leaders, for decency, clean administration, explains why both the IFP and the Volksfront are now both sucking up former NP supporters like industrial vacuum cleaners. It is certainly about time.

De Klerk's NP has become a portrait of corruption in power. Led by a money-hungry Mafia, Parliament has become a House of Ill Repute, a citadel of privilege, dominated by men of incredible arrogance, feeling themselves unaccountable to anyone. They cannot govern the country, they can do little to restore its pride, but they can loot it with hi-tech precision, shamelessly using their powers to grant themselves benefits of incredible munificence: munificence in true African style, everything up for grabs. Malan, Strijdom, Verwoerd, all would have had their scalps years ago.

Electoral, the NP is today proportionately far further down the tubes than the old, once-all-powerful Smuts party, when it went down in permanent defeat in 1966. At least the United Party expired with dignity, its honour intact. That will not be the happy fate of the NP, its leaders the subject of scorn and hatred, branded as traitors.

No. The NP has done the dirty on us just once too

• *Continued opposite*

SPRING, 1993

3

often. The country will no longer accept its cowardice, graft, lies, sleaze, double dealing, duplicity, hypocrisy and bogus reassurances about "democracy for all." Most of all, we have had enough, and more than enough, of the crawling surrender to the ANC/SACP, to the despotic Americans, the UN, the OAU, United Europe or any other bully who feels like giving us a kick in the teeth or a stab in the back.

If they didn't know it before, the people sure know now that this cleft-palated Cabinet has sold us out to the enemy, that many in the party hierarchy view it as their political purpose to hand us over to the ANC/SACP, this knowing full well that these radicals don't have the administrative ability to run a hotdog stall. These buffoons have shown us all too vividly how a good country, and a good people, can be seized and dissolved, by a bunch of wets and wimps drunk with power.

MOST DESPICABLE

Few would dispute that this is the most despicable administration in all SA history. The shameful record is there for all to see. A tidal wave of crime, lawlessness and bloody, barbaric terror swamping the entire country. The unstoppable draining of wealth and power, this while our State President and his cronies grant themselves ever greater portions of both.

It is intolerable that De Klerk should accept, as he has done quite recently, still greater increases in salary and allowances, this now combined to a thumping R265 734, not to mention all the accompanying gold-plated freebies, this while the country faces the spectre of 10 million unemployed, millions starving, homeless, hopeless. How sweet it is to be an Imperial Overlord! Still, as we have so often said, if we, the people, act like sheep, then we should not be surprised when the scoundrels shear us.

Nor do we like the way foreign headhunters are given free run of the country, poaching our finest, most irreplaceable talents and skills. New Zealand alone is, reportedly, on the hunt for 25 000 SA professionals. And, with Aids waiting in the wings, that is only the beginning of the stunning tragedy these renegade Afrikaner politicians, these "Mandela Nats," have inflicted upon us.

Never has the gap – the great chasm – between government and governed been so vast. All political confidence has gone with the wind. With our hold on law and order now eggshell thin, our economy buckling under sledgehammer blows, with sinister forces, at home and abroad, daily plunging the land into total ruin, the people, dismayed and disheartened, frightened and confused, have lost all confidence in themselves, their future, above all, in their disgusting "leaders." Over the past four years, no other SA institution has more thoroughly degenerated, none is in greater need of a wholesale housecleaning, than our entire political process.

Even the most befuddled of NP survivors, standing

among the ruins of what was so recently a great and prosperous country, must accept that the party of their forefathers has walked away from them, that the political prostitutes have done their worst. We have had political leaders in the past who were not up to their job. None, ever, to equal the rogues, scoundrels and assorted creeps now shackled up in the NP, men who have made a lucrative career of working against their own people, plundering their own country.

The credentials of Our Leader have been suspect from the start. Previously relatively unknown – it was his brother who hogged the headlines – FW came from nowhere to take power in September 1989, in what amounted to an extremely ruthless shafting of a sick P W Botha in a particularly shabby palace coup. Perceived previously as a conservative, and unburdened by any serious grasp of world affairs, once in Tuynhuis our hero staged the biggest volte-face in our political history, the most amazing ideological metamorphosis from *ware verkrampste* to putative ultra-liberal.

In very short order we were told – to our monumental alarm – that De Klerk enjoyed "a special understanding" with Mandela and was "firmly committed to fundamentally changing the face of SA." He sure was. Although as State President he is the contractual agent of the SA people, with a moral and legal obligation to protect them and serve their interests, here is a man who has in office operated to destroy everything, preserve nothing.

Much given to preaching democracy, he rarely practices what he preaches. Having forgotten that he is the servant of the people, not their master, he set himself above Parliament, above the Constitution, above the law, establishing instead rule by administrative fiat, by presidential *diktat*. Do you recall giving him any such powers, of conferring on him the right to negotiate away our country to the communists under our very noses?

POLITICAL EARTHQUAKE

Then, in February 1990, came our political earthquake. With very little ado, without reference to Parliament, he announces his "reform" programme, rescinding all banning orders on the ANC/SACP/MK/PAC/APLA, the works, so propelling us on the rocky road to the "New South Africa." At first it was well, if nervously, received. Most sane South Africans long ago accepted that change, massive change, had to come.

Hailed internationally as the political marvel of the hour, for a short and giddy period all seemed to come together for our ever-smiling President. Briefly, here and overseas, he enjoyed extremely high popularity ratings. Then – as was fully to be expected with Joe Slovo and the SACP, spiritual heirs to Stalin, Ceausescu and Herr Honecker now given free run of the country – everything came apart.

After the first shiny spurt of jubilant optimism, voters began to realise that they had elected a government

● To Page 4

● *From Page 3*

far to the left of almost all our people, Black and White. Further, that we had installed at our highest level of government men – as De Klerk had indeed promised – intent on turning the whole country on its ear, men firmly embarked on a programme of national suicide.

Those South Africans still determined to resist communism suffered enormous setbacks. In the past Mandela, an older version of Mugabe, made no secret of the fact that he was an earnest Marxist. We see no sign of any substantive change, yet this is the man punted as our future President. Communists have never yet failed to make total fools of any who trusted them, who accepted their word. Yet FW gives no sign of understanding that the SACP is the national enemy. Boris Yeltsin himself urged him to re-ban the SACP, "as we have done with our communists." Impervious, Our Leader has taken no action of any kind that would hurt the communists or communism.

Nor does he appear to grasp the all-too-evident fact that sooner or later his obsession with placating and accommodating the ANC/SACP would lead us to where we are now: on the very brink of civil war.

From the start, those of us who can recognise betrayal when we see it wondered what on earth went on in De Klerk's mind. What eventually transpired far exceeded our worst expectations, outstripped by far anything any NP detractor could possibly have anticipated or predicted. Very soon it became obvious that we now had in power men willing – nay, eager – to sacrifice their nation's basic and essential interests, willing to make abject and repeated surrender to the ANC/SACP, above all, to the US and the UN, both of whom have shafted us in the very worst way for decades.

There are some still prepared to give FW the benefit of the doubt, who, perversely perhaps, still think he has their interests at heart, that he is basically decent, if misguided. If that is so, then at the best we have a Boy Scout, an immensely dangerous do-gooder, as President of SA. At worst, we have a poor pumpkin head, devoid of guiding principle or philosophy, a President who simply does not understand contemporary or radical politics, without the God-given talent to rally and inspire his people. Either way, he has proved the most ill-equipped man ever to wield supreme power in SA. Small wonder he is showered with prizes and accolades by our enemies.

The tragic but inescapable impression is that politically he is unable to distinguish good from bad, right from wrong. In his senior appointments, he has been cutting down the trees and keeping the monkeys. Most shocking of all he appears totally blind to the damage he has caused. Even a fool can see we here teeter on the edge of total disaster. FW's own Minister of Justice warns of a 20th Century catastrophe, a SA Bosnia. Yet, completely ignoring the magnitude of his own public rejection, De Klerk still appears to harbour the fantastic illusion that, come what may, he will still be in high office next April.

He still mechanically spouts his roseate rhetoric, still insists he is winning. There seems a degree of mad-

ness here. Sometimes, listening to this screwball babbling on about "not surrendering SA to anarchy," this when SA under his control has become the murder capital of the world, with 53 000 people killed in political and criminal violence since he came to power, you really feel that were he not President, he would be in serious danger of being institutionalised.

But if FW is frightening, looking at some of his senior Cabinet colleagues is enough to make you physically ill, hellbent as they are on coming to terms with SA's homegrown Bolsheviks. Note the long-standing, deeply comfortable relationship between Roelf Meyer and Cyril Ramaphosa. If Meyer and his brother, plus Leon Wessels, are not card-carrying members of the ANC, then they should be.

That is why De Klerk must go. Not because he is stupid, though he is, but because there is in his Cabinet the rank smell of treachery and decay. As APN has stressed over and over again, we need a new government, new leaders. Despite everything, we still have a chance to change things. Not a good chance, to be sure, because there are so few who really care. But it is certainly not too late. Our only salvation is to wake up, to convert privately expressed anger into publicly effective action.

Let us tell these men, these "duplicitous bastards," De Klerk, Pik Botha, Dawie de Villiers, the two Meyers and Leon Wessels: You have worked for – and earned – our scorn. You have, among you, wilfully destroyed many of our finest men and women, people who had served their country honourably and well, a darn sight more than any of you have done. We do not forget, we do not forgive.

Those of us on our side, Black and White, are now legion. And our numbers are growing all the time. We warn you: Beware the indignation of law-abiding citizens, those who only now recognise the full depth of NP betrayal and depravity. We refuse to stand by any longer and sanction our country's humiliation.

It is time to take South Africa back from the scumbags who seek only their own aggrandisement, enrichment and continuity in power, no matter who exercises that power. Let the country's future be decided by people who care about more than their own inglorious ambition, for whom it is enough to be called a *true* South African.

If you have not already joined the IFP or the Volksfront, we urge you to do so *today*. If you need enrolment forms, we will send them to you. Let us again see the volk in action, with courage, conviction and sacrifice, as we saw them in the great days of Smuts, Hertzog and Malan. Let us regain our national fighting spirit. We lost the referendum. Let us not lose the future. **Mangosuthu Buthelezi ... Ferdi Hartzenberg ... Constand Viljoen ... Tienie Groenewald. The hour has come. We can take no more.**

††APN is still often asked if we permit our material to be photostatted. We not only allow it, we urge you with all the strength at our disposal to get the message out, to family, to friends, to fellow citizens, business associates, everybody. Please help us. We have a country to save, and very little time in which to do it.

Committee Of 300

Freemasonry & The Beatles

11/6/93 #1 HATONN

FUTURE vs. PAST

As you ponder upon the things that make the present what it IS, you must consider all connections and how and why a thing or circumstance has come to be. You cannot dwell in that which WAS or that which WILL BE—but you must grow into the PRESENT by that which was, is and perceptually might be.

Your person, Patrick Henry, put it very well: *"I know of no way of judging of the future but by the past."* This is basically a different way of saying that if you do not realize errors you are destined to repeat them. You find yourselves in a far less than perfect world—why? Because you made it what it IS. If you don't know what that action was that brought you to this point of experience—you have no way to change it for you know not from what into what. Unless you can look back and within the present and relate these two commodities—you have no manner in which to CHANGE. As with "time" or "location"—it simply "is" and "are". You must have a relative point of measurement.

BRITISH POWER

All of the threads are necessary in a tapestry to make a picture whole. As we "weave" the threads it is often difficult to make the connections so that the picture evolving is always uppermost in view. One red thread in the U.S. flag certainly cannot tell you what the flag will resemble when finished—but obviously without a red thread there would be no recognizable flag of same.

Each time you focus on another segment of the unraveling mysteries of this puzzle of world combination you must be flexible to allow for interrelationships, joint ventures and common goals—but you must never lose sight of the fact that each player brings a "different thread" to the picture. Ultimately, however, in world politics and management control, you have to always go back to the Committee of 300 power-masters. Any time, further, that you have ones reaching for full power through force-

ful or coercive manipulation, you will have evil intent to back up the power-plays. If you KNOW this, you can more easily see where puzzle pieces begin to make the shape of the picture.

If you for one minute lose sight of the incredible input of the British Empire you will lose the picture. The British Empire in 1912 is pretty well described by Homer Lea in that year: "The character of the British Dominion is different from any of the great empires that have preceded it. It not only consists of one-fourth of the land surface, but the suzerainty of the Five Seas....That British rule should, in various degrees of sovereignty exercise its dominion over seventeen-twentieths of the world's surface is significant of just that degree of repression towards all other nations, their rights and expansion by land or by sea."

It was also noted as time went on that Russia would have to be stopped in its expansion if the "grand plan" of the 'One World' Order would be realized.

You have to understand that the goal of One World Order and New World Order has ALWAYS been around—and during the years the prime players were always in combat for top-position. You would also have to realize that you have a situation which is described as "geopolitics" which is headed by "The City" or, to simplify the statement—an order coming forth out of the financial district of the loosely knit aggregation of boroughs and cities **popularly recognized or known as the city of LONDON**. It became recognized that there was a colossal political and financial organization centered in London which became recognized as "The City" which operated and still operates as a super-government of the world; and no incident occurs in any part of the world without its participation in some form.

Unless you can keep these facts moving along with our outlays of information from the *Committee of 300* and from the *Iron Curtain Over America* you miss the main focus as the players and play begin to converge and coalesce.

CONSPIRATORS' HIERARCHY WHO IS "THEY"?

The Committee of 300 with its Eastern

Liberal Establishment "aristocracy", its banks, insurance companies, giant corporations, foundations, communications networks, presided over by a hierarchy of conspirators—**ISTHEENEMY**. Dr. Coleman summed it up very well: "The enemy is clearly identifiable as the Committee of 300, the Club of Rome, NATO and all of its affiliated organizations, the think tanks and research institutions **CONTROLLED BY TAVISTOCK**. This "Power" is the very one that brought to life the reign of terror in Russia, the Bolshevik Revolution, World Wars I and II, Korea, Vietnam, the fall of Rhodesia, South Africa, Nicaragua, and the Philippines. This is the secret upper-level government that brought into existence the controlled disintegration of the U.S. economy and deindustrialization of what was once the greatest industrial power, for good, that the world had ever known."

Coleman goes on to say that "America today can be compared with a soldier who falls asleep in the thick of battle. We Americans have fallen asleep, given way to apathy caused by being confronted with a multiplicity of choices which has confused us."

Coleman continues by telling you that "There is a technical term for this condition [of falling asleep]. It is called 'long-range penetration strain'. The art of subjecting a very large group of people to continued long range penetration strain was **developed by scientists working out of the Tavistock institute of Human Relations and their U.S. subsidiaries, Stanford Research and Rand Corporation, and at least another 150 research institutions [including Brookings Institute] here in the U.S.**"

He says, further that "Dr. Kurt Lewin, the scientist who developed this fiendish warfare, has caused the average American patriot to fret over various conspiracy theories, leaving him or her with a feeling of uncertainty and insecurity, isolated and perhaps even afraid, as he searches, but fails to understand the decay and rot caused by the changing images of mankind, unable to identify or combat the social, moral, economic and political changes he deems undesirable and does not want, yet which

increase in intensity on every hand."

Since we are unable to remain on a given subject long enough to give it in its entirety I must remind you to do your own homework. Get the book if you can or be prepared to "catch up" and or put up with repetition for we haven't time or space to catch up readers with every change of focus—even though all focus will ultimately revolve around one subject in point—your world today and who got you to here.

We will take up the subject in *CONSPIRATORS' HIERARCHY: THE STORY OF THE COMMITTEE OF 300* by John Coleman. Herein we will begin with a discussion on Kurt Lewin.

QUOTING:

KURT LEWIN

Dr. Lewin's name will not be found in any of our establishment history books which, in any event, are a record of events mostly from the side of the ruling class or the victors of wars. Therefore, it is with pride that I [Coleman] introduce his name to you. As mentioned before, Dr. Lewin organized the Harvard Psychological Clinic and the Institute for Social Research under the auspices of the Tavistock Institute. The names do not give much indication of the purpose of the two organizations.

This reminds me of the infamous bill to reform coinage and mint laws passed in 1827. The title of the bill was harmless enough, or sounded harmless, which was the intention of its backers. Through this Act, Senator John Sherman betrayed the nation into the hands of the international bankers. Sherman allegedly sponsored the bill "without reading it". As we know, the bill's true purpose was to demonetize silver and give the thieving bankers unlimited power over the credit of our nation; powers to which the bankers were clearly not entitled under the clear and unmistakable terms of the U.S. Constitution.

Kurt Lewin gave the Tavistock Institute, the Club of Rome and NATO unlimited power over America, to which no organization, entity or society is entitled. These institutions have used the usurped powers to destroy the will of the nation to resist the plans and intentions of the conspirators to rob us of the fruits of the American Revolution and steer us on a course leading directly to a New Dark Ages under a One World Government.

Lewin's colleagues in this long range penetration objective were Richard Crossman, Eric Trist, H.V. Dicks, Willis Harman, Charles Anderson, Garner Lindsay, Richard Price and W.R. Bion. Again, these names never appear in the evening news; in fact, they only appear in scientific journals—so very few Americans are aware of them and not at all aware of what the

men behind the names have done and are doing to the United States.

President Jefferson once said he pities those who thought they knew what was taking place through reading the newspaper. Disraeli, the British prime minister, said much the same thing. Indeed, down through the ages, rulers have delighted in running things from behind the scenes. Man has always felt the need to dominate and nowhere and at no time is the desire more prevalent than in this modern era.

If it were not so, why all the need for secret societies? If we are ruled by an open system run by democratically elected officials, why the need for a secret Masonic order in every village, town and city across the United States? How is it that Freemasonry can operate so openly and yet keep its secrets so well hidden? We can't ask the Nine Unknown Men of the Nine Sisters Lodge in Paris that question, nor can we ask it of their nine fellows in the Quatuor Coronati Lodge in London. Yet these eighteen men form part of an even more secret government, the RIIA (Royal Institute for International Affairs), and beyond that, the Committee of 300.

A SHOCKER OR TWO

How is it that the Scottish Rite of Freemasonry could brain-wash John Hinckley to shoot President Reagan? Why do we have such secret orders as the Knights of St. John of Jerusalem, the Round Table, the Milner Group and so on down line upon line of secret societies? They form part of a world-wide chain of command and control running through the Club of Rome, NATO, the RIIA and finally right up to the Conspirators' Hierarchy, the Committee of 300. Men need these secret societies because their deeds are evil and must be hidden. Evil cannot stand in the light of truth. **[H: And this is WHY "we" know that we shall ultimately prevail—for we offer Truth—and EVIL CANNOT STAND IN THE LIGHT OF TRUTH!]**

In this book we shall find an almost complete list of the conspirators, their institutions, fronts and publications. **[H: Long ago while this manuscript was in progress we ran some of those lists which would be forthcoming in the published book. Much took place at the time of the publishing of the book which was actually the "beginning" of the "end" of a workable relationship with "us", Green and Coleman. I doubt that you ones have retained much of that original information for it was many months ago and many, many editions of the paper past. We shall consider reprinting some of that material but I still prefer you get the book. I am asked about getting it through America West Distributors and Desiree Green. My re-**

sponse is that those people have tied up the most important volumes on the globe as to information—STILL. Why would you help them to glean even more wealth from your awakening? Every book save the totally inaccurate UFO volumes came into their attention from OUR WORK. Don't feed the beast, good readers. This does not, however, negate one iota of the value of the information in this book in point—get it, but get it FROM THE AUTHOR, Dr. John Coleman DIRECTLY! I am further reminded that there were some problems with Dr. Coleman being who he claims to be, etc. Indeed, but that HAS NOTHING to do with the truth and quality of the information presented for your input. Is his work ALL original? No, that is why it has credibility—it is beautifully compiled and integrated from many authors' information. That is our task in awakening—OFFER THAT WHICH IS INTEGRATED SO THAT YOU MIGHT SEE AND HEAR AND KNOW. The address is: WIR 2533 N. Carson St., Carson City, NV 89706.]

In 1980 the Aquarian Conspiracy was in full swing and its success can be seen in every facet of our private and national life. The overwhelming rise in mindless violence, serial killers, teenage suicides, the unmistakable signs of lethargy—"long range penetration" is a part of our new environment, as dangerous, if not more so, than the polluted air that we breathe.

The coming of the "Age of Aquarius" caught America totally unprepared. We as a nation were not prepared for the changes about to be forced upon us. Who ever had heard of Tavistock, Kurt Lewin, Willis Harman and John Rawlings Reese? They were not even on the American political scene. What we would have noticed, if we bothered to look at all, was a falling off of our ability to withstand futuristic shock as we became more fatigued distressed and eventually entered a period of psychological shock followed by widespread apathy as an outward manifestation of long range penetration warfare.

The Age of Aquarius was best described by Tavistock Institute as the vehicle for delivering turbulence: "There are three distinct phases in the response and reaction to stress displayed by large social groups. First, there is superficiality; the population under attack will defend itself with slogans; this does not identify the source of the crisis and therefore does nothing to address it, hence the crisis will persist. The second is fragmentation. This occurs as the crisis continues and social order breaks down. Then, there is the third phase where the population group goes into 'self realization' and turns away from the induced crisis and there follows a maladaptive response, accompanied with ac-

tive synoptic idealism and disassociation." **[H: I suggest that if you want a good perspective on this very topic, read *The Hidden Dangers of the Rainbow*, By Constance Cumbey. Also, *A Planned Deception*, also by Constance Cumbey. Post Office Box 3078, Center Line, Michigan 48015-0078.]**

Who can deny that with the huge increase in drug usage—"crack" making thousands of instant new addicts each day—the shocking rise in the murder of infants each day (aborticide), which by now far exceeds casualties suffered by our armed forces in both World Wars, Korea and Vietnam, the open acceptance of homosexuality and lesbianism whose "rights" are protected by more and more laws each year, the terrible plague we call "AIDS" washing over our towns and cities, total failure of our education system, the stunning increase in the divorce rate, a murder rate that shocks the rest of the world into disbelief, satanic serial killings, the disappearance of thousands of young children, snatched off our streets by perverts, a virtual tidal wave of pornography accompanied by "permissiveness" on our television screens—who can deny that this nation is in crisis, which we are not addressing and from which we are turning away.

Well-meaning people who specialize in these things blame a lot of the problem on education, or what passes for it in the United States. Criminals now abound in the age groups 9-15. Rapists are quite commonly as young as 10. Our social specialists, our teacher's unions, our churches say it is all due to a faulty education system. Witness how test scores keep dropping. The specialists bewail the fact that the United States now ranks around 39th in the level of education in the world.

Why do we bemoan what is so obvious? **Our education system was programmed to self-destruct. That was what Dr. Alexander King was sent here by NATO to arrange, that is what justice Hugo Black was ordered to arrange. The fact is, the Committee of 300, with the approval of our government, does not want our youth to be properly educated.** The education that Freemason Justice Hugo Black, Alexander King, Gunnar Myrdal and his wife came to give the children of the United States is that **crime pays, expediency is what counts.**

They taught our children that United States law is unequally applied, and that is perfectly in order. Our children were properly educated by a decade of corrupt examples; Ronald Reagan and George Bush were ruled by greed and became totally corrupted by it. Our education system hasn't failed. Under the guidance of King, Black and the Myrdals it is actually a great success, but it all depends from whose point of view we look at it. The Committee

of 300 is DELIGHTED with our education system, and will not allow one comma of it to be changed.

According to Stanford and Willis Harman, the induced trauma of long range penetration—of which our education is a part, has been going on for 45 years, yet how many are aware of the insidious pressures being applied to our society and the constant exposure to brainwashing that goes on every day? The mysterious gang wars that broke out in New York in the 1950s is an example of how the conspirators can create and stage-manage any type of disruptive elements they like. Where those gang wars came from nobody knew until the 1980s when researchers uncovered the hidden controllers who directed the so-called "social phenomena".

Gang wars were carefully planned at Stanford, deliberately designed to shock society and cause ripples of disturbances. By 1958 there were in excess of 200 of these gangs. They were made popular by a musical and a Hollywood movie, *West Side Story*. After making the news for a decade, suddenly, in 1966, they disappeared off the streets of New York, Los Angeles, Newark, New Jersey, Philadelphia and Chicago.

Throughout the near decade of gang violence, the public reacted according to the profiled response Stanford expected; society as a whole could not comprehend gang warfare and the public responded in a maladaptive manner. Had there been those wise enough to recognize in gang wars a Stanford experiment in social engineering and brainwashing, the conspirators' plot would have been exposed. Either we did not have trained specialists who could see what was going on—which is highly unlikely—or else they were threatened and remained silent. The cooperation with Stanford by the news media brought to light a "new age" attack on our environment just as predicted by the social engineers and new-science scientists at Tavistock.

In 1989 gang warfare, as a social conditioning to change, was reintroduced to the streets of Los Angeles. Within a few short months of the first incidents, gangs began to proliferate—first in the scores, then in the hundreds on the streets of the East Side of Los Angeles. Crack houses and rampant prostitution proliferated; drug dealers dominated the streets. Anybody who got in their way was gunned down. The outcry in the press was loud and long. Stanford's targeted large population group began defending itself with slogans. This is what Tavistock called the first phase, with the targeted group failing to identify the source of the crisis.

The second phase of the gang war crisis was "fragmentation". People not living in the areas frequented by gangs said, "Thank

God they are not in our neighborhood." This ignored the fact that the crisis continued with or without recognition and that social order in Los Angeles had begun to break down. As profiled by Tavistock, those groups not affected by gang war "broke away to defend themselves" because the source of the crisis was not identified, the so called "maladaptation" process, the period of disassociation.

Apart from the proliferation of drug sales, what is the purpose of gang wars? First, it is to show the targeted group that they are not safe, i.e., insecurity is generated. Secondly, it is to show that organized society is helpless in the face of such violence and thirdly, to bring about a recognition of the fact that our social order is collapsing. The present wave of gang violence will go away just as quickly as it started, once the three phases of the Stanford program are completed.

THE BEATLES

An outstanding example of social conditioning to accept change, even when it is recognized as unwelcome change by the large population group in the sights of Stanford Research Institute, was the "advent" of the BEATLES. The Beatles were brought to the United States as part of a social experiment which would subject large population groups to brainwashing of which they were not even aware.

When Tavistock brought the Beatles to the United States nobody could have imagined the cultural disaster that was to follow in their wake. The Beatles were an integral part of **The Aquarian Conspiracy**, a living organism which sprang from the *Changing Images of Man*, URH (489)-2150-Policy Research Report No. 4/4/74. Policy Report prepared by SRI Center for the Study of Social Policy, Director, Professor Willis Harman.

The phenomenon of the Beatles was not a spontaneous rebellion by youth against the old social system. Instead it was a carefully crafted plot to introduce by a conspiratorial body which could not be identified, a highly destructive and divisive element into a large population group targeted for change against its will. New words and new phrases—prepared by Tavistock—were introduced to America along with the Beatles. Words such as "rock" in relation to music sounds, "teenager", "cool", "discovered" and "pop music" were a lexicon of disguised code words signifying the acceptance of drugs and arrived with and accompanied the Beatles wherever they went, to be "discovered" by "teenagers". Incidentally, the word "teenagers" was never used until just before the Beatles arrived on the scene, courtesy of the Tavistock Institute for Human Relations.

As in the case of gang wars, nothing

could or would have been accomplished without the cooperation of the media, especially the electronic media and, in particular, the scurrilous Ed Sullivan who had been coached by the conspirators as to the role he was to play. Nobody would have paid much attention to the motley crew from Liverpool and the 12-atonal system of "music" that was to follow had it not been for an overabundance of press exposure. The 12-atonal system consisted of heavy, repetitive sounds, taken from the music of the cult of Dionysus and the Baal priesthood of Adorno and given a "modern" flavor by this special friend of the Queen of England and hence the Committee of 300.

Tavistock and its Stanford Research Center created trigger words which then came into general usage around "rock music" and its fans. Trigger words created a distinct new break-away largely young population group which was persuaded by social engineering and conditioning to believe that the Beatles really were their favorite group. All trigger words devised in the context of "rock music" were designed for mass control of the new targeted group, the youth of America.

The Beatles did a perfect job, or perhaps it would be more correct to say that Tavistock and Stanford did a perfect job, the Beatles merely reacting like trained robots "with a little help from their friends"—code words for using drugs and making it "cool". The Beatles became a highly visible "new type"—more Tavistock jargon—and as such it was not long before the group made new styles (fads in clothing, hairstyles and language usage) which upset the older generation, as was intended. This was part of the "fragmentation-maladaptation" process worked out by Willis Harman and his team of social scientists and genetic engineering tinkerers and put into action.

The role of the print and electronic media in our society is crucial to the success of brainwashing large population groups. Gang wars ended in Los Angeles in 1966 as the media withdrew its coverage. The same thing will happen with the current wave of gang wars in Los Angeles. Street gangs will wither on the vine once media saturation coverage is toned down and then completely withdrawn. As in 1966, the issue would become "burned out". Street gangs will have served their purpose of creating turbulence and insecurity. Exactly the same pattern will be followed in the case of "rock" music. Deprived of media attention, it will eventually take its place in history.

END QUOTING

TO BE CONTINUED

* * *

Let us have a break and then we will move on into "beat generation" which grew out of the "Beatlemania" in the line of "gotcha"! Indeed the brain-manipulators of Tavistock have brilliantly moved in their takeover of the thought processes and patterns of the world. YOU fell victim so how could it be that your oncoming generations wouldn't do likewise? As this runs through the generations and each one becoming more and more accepting of that which is going on around them and are not taught otherwise—within three generations an entire world of thought is changed and thus is civilization changed. Then next, you are taught that it is unacceptable to take exception to that which has sprung up from the dregs of thought expression. You are, by law, not allowed to speak against that which is not acceptable and to accept that which is total evil as "equal" experience—right or wrong, may no longer be a guideline for thought or action—only the course given forth by the media and Elite manipulators is acceptable behavior from the masses. In other words—you are not allowed individual THOUGHT!

Dharma, I believe we might just offer more of this volume in point in the next segment for it is important to see how these manipulators manipulated and still manipulate.

Thank you.

11/6/93 #2 HATONN

CONTINUATION: *CONSPIRATORS' HIERARCHY, THE STORY OF THE COMMITTEE OF 300*. By John Coleman. (This book can be obtained directly from the author through WIR, 2533 N. Carson St., Carson City, NV 89706.)

QUOTING:

BEATLEMANIA AND BEATNIK BEAT GENERATION

Following the Beatles, who incidentally were put together by the Tavistock Institute, came other "Made in England" rock groups, who, like the Beatles, had Theo Adorno write their cult lyrics and compose all the "music". I [Coleman] hate to use these beautiful words in the context of "Beatlemania"; it reminds me of how wrongly the word "lover" is used when referring to the filthy interaction between two homosexuals writhing in pigswill. To call "rock" music, is an insult, likewise the language used in "rock lyrics".

Tavistock and Stanford Research then embarked on the second phase of the work commissioned by the Committee of 300. This new phase turned up the heat for social change in America. As quickly as the Beatles had appeared on the American scene, so too did the "beat generation".

Other Tavistock-coined words came seemingly out of nowhere: "beatniks", "hippies", "flower children" became part of the vocabulary of America. It became popular to "drop out" and wear dirty jeans, go about with long unwashed hair. The "beat generation" cut itself off from mainstream America. They became just as infamous as the cleaner Beatles before them.

LSD AND "GINSBERG"

The newly-created group and its "lifestyle" swept millions of young Americans into the cult. American youth underwent a radical revolution without ever being aware of it, while the older generation stood by helplessly, unable to identify the source of the crisis, and thus reacting in a maladaptive manner against its manifestations, which were drugs of all types, marijuana, and later Lysergic acid, "LSD", so conveniently provided for them by the Swiss pharmaceutical company, SANDOZ, following the discovery by one of its chemists, Albert Hoffman, how to make synthetic ergotamine, a powerful mind-altering drug. The Committee of 300 financed the project through one of their banks, S.C. Warburg, and the drug was carried to America by the philosopher, Aldous Huxley. **[H: Indeed you WILL recognize the names to the extent that by the time we are through you will think there aren't more than 300 named people in the world and certainly no more than some 100 corporations—ALL ATTACHED TO THOSE SAME NAMES.]**

The new "wonder drug" was promptly distributed in "sample" size packages, handed out free of charge on college campuses across the United States and at "rock" concerts, which became the leading vehicle for proliferating the use of drugs. The question that cries out for an answer is, what was the Drug Enforcement Agency (DEA) doing at the time? There is compelling circumstantial evidence that would appear to indicate that the DEA knew what was going on but was ordered not to take any action.

With very substantial numbers of new British "rock" bands arriving in the U.S., rock concerts began to become a fixture on the social calendar of American youth. In tandem with these "concerts", the use of drugs among the youth rose in proportion. The devilish bedlam of discordant heavy beat sounds numbed the minds of listeners so that they were easily persuaded to try the new drug on the basis that "everybody is doing it". Peer pressure is a very strong weapon. The "new culture" received maximum coverage from the jackal media, which cost the conspirators not one single thin dime.

Great anger was felt by a number of civic leaders and churchmen over the new cult but their energies were misdirected against the RESULT of what was going on and not against the CAUSE. Critics of the rock cult made the same mistakes that had been made in the prohibition era, they criticized law enforcement agencies, teachers, parents—anybody but the conspirators.

Because of the anger and resentment I feel toward the great drug plague, I make no apology for using language which is not customary for me to use. One of the worst drug slobbers ever to walk the streets of America was Alan Ginsberg. This Ginsberg pushed the use of LSD through advertising which cost him nothing, although under normal circumstances it would have cost millions of dollars in TV advertising revenues. This free advertising for drugs, and LSD in particular, reached a new high in the late 1960s, thanks to the ever-willing cooperation of the media. The effect of Ginsberg's mass advertising campaign was devastating; the American public was subjected to one cultural future shock after another in rapid succession.

We became over-exposed and over stimulated and, again, may I remind you that this is Tavistock jargon, lifted from the Tavistock training manual, overwhelmed by its new development and, when we reached that point, our minds began to lapse into apathy; it was just too much to cope with, that is to say, "long range penetration had taken hold of us." Ginsberg claimed to be a poet but no greater rubbish was ever written by anyone who ever aspired to becoming a poet. Ginsberg's designated task had little to do with poetry; his main function was to push the new subculture and force acceptance of it upon the large targeted population group. **[H: Once again: The Khazarian Zionists New World Order!]**

To assist him in his task, Ginsberg coopted the services of Norman Mailer, a writer of sorts who had spent some time in a mental institution. Mailer was a favorite of the leftwing Hollywood crowd and so had no problem with getting maximum television time for Ginsberg. Naturally Mailer had to have a pretext—not even he could blatantly come out with the true nature of Ginsberg's television appearances. So a charade was adopted: Mailer would talk "seriously" on camera with Ginsberg about poetry and literature.

This method of getting wide television coverage at no cost to themselves was followed by every rock group and concert promoter who followed the example set by Ginsberg. The electronic media moguls had big hearts when it came to giving free time to these dirty verminous creatures and their even dirtier products and filthy ideas. Their promotion of horrible garbage

spoke volumes and, without abundant help from the print and electronic media, the drug trade could not have spread as rapidly as it did in the late 1960s-early 1970s, and probably would have been confined to a few small local areas.

Ginsberg was able to give several nationally televised performances extolling the virtues of LSD and marijuana, under the guise of "new ideas" and "new cultures" developing in the art and music world. Not to be outdone by the electronic media, Ginsberg's admirers wrote glowing articles about "this colorful man" in the art and social columns of all of America's largest newspapers and magazines. There had never been such an across-the-media-board free advertising campaign in the history of newspaper, radio and television and it cost the promoters of the Aquarian conspiracy, NATO and the Club of Rome not one red cent. It was all absolutely free advertising for LSD, only thinly disguised as "art" and "culture".

One of Ginsberg's closest friends, Kenny Love, published a five-page report in the *New York Times*. This is in accordance with the methodology used by Tavistock and Stanford Research: If something is to be promoted which the public has not yet been fully brainwashed to accept, then have someone write an article, covering all sides of the subject matter. The other method is to have live television talk shows in which a panel of experts promotes the product and/or idea under the pretext of "discussing" it. There are point and counterpoint, both pro and con participants airing their support or opposition. When it is all over, the subject to be promoted has been dinned into the public mind. While this was new in the early 1970s, today it is standard practice on which talk shows thrive.

Love's five-page pro LSD pro Ginsberg article was duly printed by the *New York Times*. Had Ginsberg tried to buy the same amount of space in an advertisement, it would have cost him at least \$50,000. But Ginsberg didn't have to worry; thanks to his friend Kenny Love, Ginsberg got the massive advertising all for free. With newspapers like the *New York Times* and the *Washington Post* under the control of the Committee of 300, this kind of free advertising is given to any subject matter, and more especially to those promoting decadent life styles—drugs—hedonism—anything that will confuse the American people. After the trial run with Ginsberg and LSD, it became standard Club of Rome practice to call upon major newspapers in America to give free advertising on demand to people and ideas they were promoting.

Worse yet—or better yet, depending upon the viewpoint—United Press (UP) picked up Kenny Love's free advertising for Ginsberg and LSD and telexed it to hun-

dreeds of newspapers and magazines around the country under the guise of a "news" story. Even such highly respectable establishment magazines as *Harpers Bazaar* and *TIME* made Mr. Ginsberg respectable. If a nation-wide campaign of this magnitude were presented to Ginsberg and the promoters of LSD by an advertising agency, the price tag would have run into at least \$1 million in terms of 1970 dollars. Today the price tag would be nothing less than \$15-\$16 million dollars. It is no wonder that I refer to the news media as "jackals".

I suggest that we try to find any media outlet to do an exposé on the Federal Reserve Board, which is what I did. I took my article, which was a good exposé of the greatest swindle on Earth, to every major newspaper, radio and television station, magazine house and several talk-show hosts. A few made promises that sounded good—they would definitely air the article and have me discuss it—give them about a week and they would get back to me. Not one of them ever did, nor did my article ever appear in the pages of their newspapers and journals. It was as if a blanket of silence had been thrown over me and the subject I was endeavoring to promote, and indeed that was precisely what had happened.

Without massive media hype, and without almost around the clock coverage, the hippy-beatnik rock, drug cult would never have gotten off the ground; it would have remained a localized oddity. The Beatles, with their twanging guitars, silly expressions, drug language and weird clothes, would not have amounted to a hill of beans. Instead, because the Beatles were given saturation coverage by the media, the United States has suffered one cultural shock after another. **[H: This is NOT surprising, readers. Harken back to the Protocols and the PLAN 2000: "Get control of the press (media) and through that route shall we control the thought of the people. Besides gold and control of the principal banks, the exchanges of the entire world, the credits of all the governments being in our hands the other great POWER is The Press. By repeating without cessation certain ideas, the Press succeeds in the end in having them accepted as actualities. The Theatre renders us analogous services. Everywhere the Press and the Theatre obey our orders." And so they DO! Go back and reread the power hierarchy of the media in ALL FORMATS.]**

The men buried in the think tanks and research institutions, whose names and faces are still not known to but a few people, made sure that the press played its part. Conversely, the media's important role in not exposing the power behind the future cultural shocks made certain that

the source of the crisis was never identified. Thus was our society driven mad through psychological shocks and stress. "Driven mad" is taken from Tavistock's training manual. From its modest beginnings in 1921, Tavistock was ready in 1966 to launch a major irreversible cultural revolution in America, which has not yet ended. The Aquarian Conspiracy is part of it.

Thus softened up, our nation was now deemed ripe for the introduction of drugs which was to rival the prohibition era in scope and the huge amounts of money to be made. This too was an integral part of the Aquarian Conspiracy. The proliferation of drug usage was one of the subjects under study at the Science Policy Research Unit (SPRU) at Tavistock's Sussex University facility. It was known as the "future shocks" center, a title given to so-called future oriented psychology designed to manipulate whole population groups to induce "future shocks". It was the first of several such institutions set up by Tavistock.

FUTURE SHOCKS

"Future Shocks" is described as a series of events which come so fast that the human brain cannot absorb the information. [H: **This is why we repeat the more important information—so that each time you read it it becomes more easily acceptable within your own circuits. The attempt of the Elite Controllers is to confuse you with their own brain-washing to the extent that you cannot reach beyond the garbage to find the grain. "Reason" and "logic" can be your guide if you but allow same—God and Truth bear "reason and logic" in goodness. The Adversary presents confusion, chaos and negative input. For instance, through the controlled media the NAFTA agreement sounds good and is drummed into your senses every waking minute from every form of medium. REASON AND LOGIC WHEN CONFRONTED—DEMAND THAT YOU REALIZE THE LIE THRUST UPON YOU—IT CANNOT WORK! That is, of course, it cannot work TOWARD A TRULY FREE SOCIETY AND EXCHANGES AS PRESENTED IN THE LIE TO YOUR SLEEPY BRAIN. The major point, therefore, is to stop you from using LOGIC, REASON AND INTELLIGENCE. IT WORKS, SO FAR, EVERY TIME!**] As I said earlier, science has shown that there are clearly marked limits to the amount of changes and the nature of them that the mind can deal with. After continuous shocks, the large targeted population group discovers that it does not want to make choices any more. Apathy takes over, often preceded by mindless violence such as is character-

istic of the Los Angeles street gangs, serial killers, rapists and child kidnapers.

Such a group becomes easy to control and will docilely follow orders without rebelling, which is the object of the exercise. "Future shocks," says SPRU, "is defined as physical and psychological distress arising from the excess load on the decision-making mechanism of the human mind." That is Tavistock jargon lifted straight from Tavistock manuals—which they don't know I have. (Editor's note: *It appears that we have been reduced to using CIA tactics of blacking out information because of court orders forbidding us to write about certain people and situations. We hope you will understand and bear with us as you read the following article.*) [H: **Remember: Dr. Coleman claims to be a member of MI-6, the British Intelligence group directly in the service of Her Majesty the Queen, head of the Committee of 300. They control a lot of things like what happens with the Brookings Institute participation in groups such as ██████. It has been stated thusly: "Brookings Institute funds ██████ and MI-6 runs it." If he were not at one time a participant I can't imagine why he would state that he was—it is not a comfortable spot to find oneself—crosswise with such a powerful intelligence wing of anything. However, yes, it can be used as a distraction to suck in unsuspecting people with a LOT of truth and then hook them with the lie. I am not here at this point to take up "personalities", I am offering that which has been presented and hopefully you will glean a lot of information which CAN SAVE YOUR NATION AND YOUR LIVES.**]

Just as an overloaded electrical circuit will activate a trip switch, so do humans "trip out", which is a syndrome that medical science is only now beginning to understand, although John Rawlings Reese conducted experiments in this field as far back as the 1920s. As can be appreciated, such a targeted group is ready to "trip out" and take to drugs as a means of escape from the pressures of so many choices having to be made. This is how drug usage was spread so rapidly through America's "beat generation". What started with the Beatles and sample packages of LSD has grown into a flood-tide of drug usage which is swamping America.

CONTROL OF THE DRUG TRADE

The drug trade is controlled by the Committee of 300 from the top down. The drug trade started with the British East India Company and was closely followed by the Dutch East India Company. Both were controlled by a "Council of 300". The list of names of members and stockholders of the BEIC (British East India Company) read

like something out of Debretts peerage. BEIC established the "China Inland Mission", whose job it was to get the Chinese peasants, or coolies, as they were called, addicted to opium. This created the market for opium which the BEIC then filled.

In much the same way the Committee of 300 used "The Beatles" to popularize "social drugs" with the youth of America and the Hollywood "in" crowd. Ed Sullivan was sent to England to become acquainted with the first Tavistock Institute "rock group" to hit the shores of the United States. Sullivan then returned to the United States to draft the strategy for the electronic media on how to package and sell the group. Without the full cooperation of the electronic media and Ed Sullivan, in particular, "The Beatles" and their "music" would have died on the vine. Instead, our national life and the character of the United States was forever changed. [H: **As a manipulator of subject material and offerings the format has changed and Larry King has somehow assumed, through CNN, the role of acceptability. Both are Khazarians doing their job for the "Committee".**]

Now that we know, it is all too clear how successful the "Beatles" campaign to proliferate the use of drugs became. The fact that "The Beatles" had their music and lyrics written for them by Theo Adorno was concealed from public view. The prime function of "the Beatles" was to be discovered by teenagers, who were then subjected to a non-stop barrage of "Beatlemusic", until they became convinced that they liked the sound and adopted it, along with all that accompanied it. The Liverpool group performed up to expectations, and with "a little help from their friends", i.e., illegal substances we call drugs, created a whole new class of young Americans in the precise mold ordained by the Tavistock Institute.

DRUG RUNNERS

Tavistock had created a highly visible "new type" to act as their drug-runners. The China Inland Mission "Christian missionaries" would not have fitted in with the 1960s. "New type" is social-science scientist jargon; what it meant was that the Beatles created new social patterns, first and foremost being to normalize and popularize the use of drugs, new tastes in clothes and hair styles which really distinguished them from the older generation as was intended by Tavistock.

It is important to note the deliberate fragmentation-inducing language used by Tavistock. The "teenagers" never once dreamed that all the "different" things they aspired to were the products of older scientists working in think tanks in England and Stanford Research. How mortified they would

have been if they had discovered that most of their "cool" habits and expressions were deliberately created for their use by a group of older social science scientists!

The role of the media was, and remains, very important in promoting the use of drugs on a nation-wide scale. When coverage of the street warfare gangs was abruptly terminated by the media, they became "burned out" as a social phenomena; the "new age" of drugs followed. The media has always served as a catalyst and has always pushed "new causes" and now media attention was focused on drug usage and its supporters, the "beat generation", yet another phase fashioned at Tavistock, in its determined efforts to bring about social changes in the United States.

Drug usage now became an accepted part of everyday life in America. This Tavistock-designed program took in millions of American youth, and the older generation began to believe that America was undergoing a natural social revolution, failing all the while to realize that what was happening to their children was not a spontaneous movement, but a highly artificial creation designed to force changes in America's social and political life.

The descendants of the British East India Company were delighted with the success of their drug pushing program. Their disciples became adept in the use of lysergic acid (LSD) so conveniently made available by patrons of the drug trade like Aldous Huxley, courtesy of the highly respected Sandoz company of Switzerland and financed by the great Warburg banking dynasty. The new "wonder drug" was promptly distributed at all rock concerts and on college campuses in free sample packages. The question that begs to be asked is: "What was the FBI doing while all this was going on?"

The purpose of the Beatles had become abundantly clear. The British East India Company's descendants in the upper-class society in London must have felt very good about the billions of dollars that began rolling in. With the coming of "rock" which shall henceforth be used as shorthand to describe Adorno's fiendish satanic music, a tremendous increase in the use of social drugs, especially marijuana, was observed. The entire dope business was expanded under the control and direction of the Science Policy Research Unit (SPRU).

END QUOTING

TO BE CONTINUED

We will leave this here for the moment. When we take up the subject next we will move into who runs and how it runs the Science Policy Research Unit.

Nevada Corporations

PRIVACY—ASSET SECURITY— TAX REDUCTION

Corporate Workshop a Success! Corporate Advisors Corporation & Nevada Corporate Headquarters, Inc.'s October Corporate Workshop was a great success thanks to everyone who participated. Ninety Corporate enthusiasts were gathered in Las Vegas NV at the Imperial Palace on October 6th, 7th, 8th for our first Nevada Corporation Workshop. Participants had three packed days of learning about all of the many aspects of Nevada Corporations.

The workshop covered everything from basic corporate documentation to cutting edge corporate strategies. Jack Miller, a national asset protection speaker, got everyone thinking as he shared with the workshop participants many of the Nevada Corporation techniques that he has been able to utilize in his personal and business life. Cort Christie spent two of the three workshop days explaining corporate documentation and what it takes to get your corporation up and running. Mr. Christie also spent much of his time answering the questions of the participants about their particular needs and situations involving corporations.

Everyone who attended the workshop got a three day crash course into all of the ins and outs of the corporate life. Best of all, attendees had an opportunity to meet like-minded individuals from around the United States and Canada. The evening social gave everyone a chance to spend quality time with one another.

For those of you who missed October's workshop or those of you ready for more corporate strategies, a spring Corporate Workshop is in the works. Watch the CONTACT for further details and if you have any specific ideas or requests please feel free to let us know.

Advantages of a Nevada Corporation. Lets take a quick look into some of the more specific advantages of incorporating once again:

1. Corporate owners (shareholders) can avoid liability for the actions of their associates, employees, and/or his/her property to the extent they inflict damage on others.
2. Through the use of Nevada's Bearer Shares, ownership can be made anonymous.
3. Contracted Officers and Directors can shift liability away from managers.
4. Cash can be stored and accumulated inside a corporation for the owners' benefit.
5. For most people corporations have lower tax rates than individuals (fifty thousand dollars of corporate profits only pays a

15% tax.).

6. Basis of property in the hands of the owner, inside the corporation, and the outside basis for stock provide opportunities for special tax advantages.

7. Dividends received by a corporation can be tax free, or nearly tax free.

8. Small Corporations get the benefit of Fortune 500 company tax rulings.

9. C-Corporations get to enjoy many valuable deductible fringe benefits.

10. Estate planning techniques can be utilized with a corporation.

11. If all personal deductions can be taken inside a corporation, the standard deduction can be taken personally outside of it to lower owner's own tax rates.

12. The advantages of using a small corporation as an operating business entity and for estate/tax planning can't be matched.

For information about how Nevada Corporations can benefit your situation call Corporate Advisors Corporation at 702-896-7002 and ask for Cort Christie or write to him at P.O. Box 27740 Las Vegas, NV 89126.

FOR GENERAL BACKGROUND ABOUT THE VALUE OF NEVADA CORPORATIONS AND THE TRUTH BEHIND OUR MODERN ECONOMIC MALAISE, SEE THE PHOENIX JOURNALS: SPiral TO ECONOMIC DISASTER (#4) AND PRIVACY IN A FISH BOWL (#10). (See back page for ordering information).

Humor From Heaven

A man trying to understand the nature of God asked him some questions:

"God how long is a million years to you?"

and God said, "a million years is like a minute."

Then the man asked, "God, how much is a million dollars to you?"

and God said, "A million dollars is like a penny."

The man thought for a moment and asked, "God, will you give me a penny?"

*And God said, "in a minute."

Truth Blackout In USA

“CENSORSHIP”

11/7/93 #2 HATONN

TRUTH IS!

Truth is tough, readers. It will not break, like a bubble or change as with lies, at a touch; nay, you may kick it about all day like a soccer ball or a football, and it WILL BE ROUND AND FULL IN THE EVENING AS IN THE MORNING!

“Truth will make you free!” Ah yes, goodly papers tout it, patriots throw the saying around like a symbol of one’s own worth or worthless value—depending upon what one is efforting to accomplish—so, know this: The saying “truth will make you free” is feeble and foolish in its meaning. **IT IS THE ACTION IN TRUTH WHICH OFFERS FREEDOM—NOT JUST THE REALIZATION OF THE TRUTH—BUT IT IS FIRST IN THE KNOWING OF TRUTH THAT FREEDOM IS THEN ACHIEVED.**

In view of causes which allow for non-knowing, namely censorship of your press and media (that which you are **allowed** to know), I am going to take the time to return to *Iron Curtain Over America*, by John Beaty, and share the subject of censorship. You must hear these truths in many ways and many times in order to **KNOW** them.

QUOTING:

THE BLACK HOOD OF CENSORSHIP

Over his head, face, and neck the medieval executioner sometimes wore a loose-fitting hood of raven black. The grim garment was pierced by two eye-holes through which the wearer, himself unrecognized, caused terror by glancing among the onlookers while he proceeded to fulfill his gruesome function. In similar fashion today, under a black mask of censorship, which hides their identity and their purpose, the enemies of our civilization are at once creating fear and undermining our Constitution and our heritage of Christian civilization. In medieval times the onlookers at least knew what was going on, but in modern times the people have no such

knowledge. Without the ignorance and wrong judging generated by this hooded propaganda, an alert public and an informed Congress would long since have guided the nation to a happier destiny.

The black-out of truth in the United States has been effected (I) by the executive branch of the national government and (II) by non-government power.

I: GOVERNMENT CENSORSHIP

In the mention of government censorship, it is not implied that our national government suppresses newspapers, imprisons editors, or in other drastic ways prevents the actual publication of news which has already been obtained by periodicals. It is to be hoped that such a lapse into barbarism will never befall us.

Nevertheless, since the mid-thirties, a form of censorship has been applied at will by many agencies of the United States government. Nothing is here said against war-time censorship of information on United States troop movements, military plans and related matters. Such concealment is necessary for our security and for the surprise of the enemy, and is a vital part of the art of war. **[H: Wow. “ART” of war??]** Nothing is said here against such censorship as the government’s falsification of the facts about our losses on December 7, 1941, at Pearl Harbor (*Pearl Harbor, The Story of the Secret War*, by George Morgenstern, The Devin-Adair Company, New York, 1947), though the falsification was apparently intended to prevent popular hostility against the administration rather than to deceive an enemy who already knew the facts.

Unfortunately, however, government censorship has strayed from the military field to the political. **[H: Well, herein, in this subject I take great exceptions even while understanding WHY the author states these observations. However, don’t, simply because a thing is “written”, assume that it is correct other than for purposes of presentation. Censorship BEGAN with politics—not military maneuvers. Dirty politics had to be covered from sight and, believe me,**

under that shelter—the enemy was always informed of military missions—to insure political outcome suitable to the political war in the first place. WAR IS ALWAYS POLITICAL! ALWAYS! Of the widespread flagrant examples of government blackout of truth before, during, and after World War II the next five sections (a to e) are intended as samples rather than as even a slight survey of a field, the vastness of which is indicated by the following:

Congressman Reed (N.Y., Rep.) last week gave figures on the number of publicity people employed in all the agencies of the Government. “According to the last survey made,” he said, “there were 23,000 permanent and 22,000 part-time.” (From *Thought Control, Human Events*, March 19, 1952. **[H: Care to guess how many there are NOW, 1993?]**)

(a): MANEUVER INTO WORLD WAR II

Our grossest censorship concealed the Roosevelt administration’s maneuvering our people into World War II. The blackout of Germany’s appeal to settle our differences has been fully enough presented in Chapter IV. Strong evidence of a similar censorship of an apparent effort of the administration to start a war in the Pacific is voluminously presented in Frederic R. Sanborn’s heavily documented *Design for War* (already referred to). Testimony of similar import has been furnished by the war correspondent, author, and broadcaster, Frazier Hunt. Addressing the Dallas Woman’s Club late in 1950, he said, “American propaganda is whitewashing State Department mistakes... the free American mind has been sacrificed.... We can’t resist because we don’t have facts to go on.”

For a startling instance of the terrible fact of censorship preparing for our surrender to the Soviet and the part played by Major General Clayton Bissell, A.C. of S., G-2 (the Chief of Army Intelligence), Ambassador to Moscow W. Averell Harriman, and Mr. Elmer Davis, Director of the Office of War Information, see *The Truth About the*

Katyn Forest Massacre, by Arthur Bliss Lane, former U.S. Ambassador to Poland (*The American Legion Magazine*, Feb., 1952). There has been no official answer to Mr. Lane's question:

Who, at the very top levels of the United States Government, ordered the **hiding of all intelligence reports unfavorable to the Soviets, and the dissemination only of lies and Communist propaganda?**

Professor Harry Elmer Barnes's pamphlet, *Was Roosevelt Pushed Into War by Popular Demand in 1941?* (*Freeman's Journal Press*, Cooperstown, New York, 1951) furnishes an important observation on the fatal role of government censorship in undermining the soundness of the public mind and lists so well the significant matters on which knowledge was denied the people that an extensive quotation is here used as a summary of this section:

Fundamental to any assumption about the relation of public opinion to political action is this vital consideration: It is not only what the people think, but the *soundness* of their opinion which is most relevant. The founders of our democracy assumed that, if public opinion is to be a safe guide for statecraft, the electorate must be honestly and adequately informed. I do not believe that any interventionist, with any conscience whatever, would contend that the American public was candidly or sufficiently informed as to the real nature and intent of President Roosevelt's foreign policy from 1937 to Pearl Harbor. Our public opinion, however accurately or inaccurately measured by the polls, was not founded upon full factual information.

Among the vital matters not known until *after* the War was over were: (1) Roosevelt's statement to President Benes in May, 1939, that the United States would enter any war to defeat Hitler; (2) the secret Roosevelt-Churchill exchanges from 1939 to 1941; (3) Roosevelt's pressure on Britain, France and Poland to resist Hitler in 1939; (4) the fact that the Administration lawyers had decided that we were legally and morally in the War after the Destroyer Deal of September, 1940; (5) Ambassador Grew's warning in January, 1941, that, if the Japanese should ever pull a surprise attack on the United States, it would probably be at Pearl Harbor, and that Roosevelt, Stimson, Knox, Marshall and Stark agreed that Grew was right; (6) the Anglo-American Joint-Staff Conferences of January-March, 1941 (7) the drafting and approval of the Washington Master War Plan and the Army-Navy Joint War Plan by May, 1941; (8) the real facts about the nature and results of the Newfoundland Conference of August, 1941; (9) the devious diplomacy of Secretary Hull with Japan; (10) Konoye's vain appeal for a meeting with Roosevelt to settle the Pacific issues; (11) Roosevelt's various stratagems to procure

an overt act from Germany and Japan; (12) Stimson's statement about the plan to maneuver Japan into firing the first shot; (13) the idea that, if Japan crossed a certain line, we would have to shoot; (14) the real nature and implications of Hull's ultimatum of November 26, 1941; and (15) the criminal failure to pass on to Admiral Kimmel and General Short information about the impending Japanese attack.

If the people are to be polled with any semblance of a prospect for any intelligent reaction, they must know what they are voting for. This was conspicuously NOT the case in the years before Pearl Harbor.

(b): DECEPTION OF AMERICANS

Almost, if not wholly, as indefensible as the secret maneuverings toward war, was the wholesale deception of the American people by suppressing or withholding facts on the eve of the presidential election of 1944. Three examples are here given.

First of all, the general public got no hint of the significance of the pourparlers with the "left", which led to the naming of the same slate of presidential electors by the Democratic, American Labor, and Liberal parties in New York—a deal generally credited with establishing the fateful grip (Executive Order of December 30, 1944) of Communists on vital power-positions in our government. Incidentally the demands of the extreme left were unassailable under the "We need those votes" political philosophy; for Dewey, Republican, received 2,987,647 votes to 2,478,598 received by Roosevelt, Democrat—and Roosevelt carried the state only with the help of the 496,405 American Labor (Marcantonio) votes and the 329,236 Liberal votes, both of which were cast for the Roosevelt electors!

As another example of catering to leftist votes, the President arrogantly deceived the public on October 28, 1944, when he "boasted of the amplitude of the ammunition and equipment which were being sent to American fighting men in battle." The truth, however, was that our fighting men would have sustained fewer casualties if they had received some of the supplies which at the time were being poured into Soviet Russia in quantities far beyond any current Soviet need. It was none other than Mrs. Anna Rosenberg, "an indispensable and ineradicable New Deal ideologist, old friend of Mrs. Roosevelt" who, about a month before the election, "went to Europe and learned that ammunition was being rationed" to our troops. "It apparently did not occur to Mrs. Rosenberg to give this information to the people before election day." After the election and before the end of the same tragic November, the details were made public, apparently to stimulate production (all quotes from Westbrook

Pegler's column "Fair Enough", Nov. 27, 1944, *Washington Times-Herald* and other papers).

A third example of apparent falsification and deception had to do with President Roosevelt's health in the summer and autumn of 1944. His obvious physical deterioration was noted in the foreign press and was reported to proper officials by liaison officers to the White House (personal knowledge of the author). Indeed, it was generally believed in 1944, by those in a position to know, that President Roosevelt never recovered from his illness of December, 1943, and January, 1944, despite a long effort at convalescence in the spring weather at the "Hobcaw Barony" estate of his friend Bernard Baruch [**H: While we are on the name Bernard Baruch I wish to REMIND YOU OF SOMETHING: Bernard Baruch was one of the ONES WHO MET WITH WE OF COMMAND, ORIGINALLY SET FOR EDWARDS AIR FORCE BASE, CALIFORNIA. I WILL NOT DIVULGE WHERE IT ACTUALLY TOOK PLACE—BUT THE DECEIVERS OF YOU—THE-PEOPLE GO A LONG, LONG WAY "BACK", READERS! INDEED MR. BARUCH WAS THE MAJOR REASON THAT YOU ARE NOT FULLY AWARE OF SPACE COMMAND!**] on the South Carolina coast. The imminence of the President's death was regarded as so certain that, after his nomination to a fourth term, Washington newspaper men passed around the answer "Wallace" to the spoken question "Who in your opinion will be the next president?" Former Postmaster General James A. Farley has testified that Roosevelt "was a dying man" at the time of his departure for Yalta ("America Betrayed at Yalta", by Congressman Lawrence H. Smith, *National Republic*, July, 1951). The widespread belief that Roosevelt was undergoing rapid deterioration was shortly to be given an appearance of certitude by the facts of physical decay revealed at the time of his death, which followed his inauguration by less than three months.

Nevertheless, Vice Admiral Ross T. McIntire, Surgeon-General of the Navy and Roosevelt's personal physician, was quoted thus in a *LIFE* article by Jeanne Perkins (July 21, 1944, p. 4) during the campaign: "The President's health is excellent. I can say that unqualifiedly."

(c): LOWER ECHELON CENSORSHIP

In World War II, censorship and falsification of one kind or another were accomplished not only in high government offices but in lower echelons as well. Several instances, of which three are here given, were personally encountered by the author.

(1) Perhaps the most glaring was the

omission, in a War Department report (prepared by two officers of Eastern European background), of facts uncomplimentary to Communism in vital testimony on UNRRA given by two patriotic Polish-speaking Congressmen (both Northern Democrats) returning from an official mission to Poland for the House Foreign Affairs Committee. An investigation was initiated but before it could be completed both officers had been separated from the service.

(2) News was slanted as much as by a fifty-to-one pro-Leftist ratio in a War Department digest of U.S. newspaper opinion intended, presumably, to influence thought including the thought of U.S. soldiers. For example, the leftist *PM* (circulation 137,000) in one issue (*Bureau of Publications Digest*, March 14, 1946) was represented by 616 columnar inches of quoted matter in comparison with 35 1/2 columnar inches from the non-leftist *N.Y. World-Telegram* (circulation 389,257). There was also a marked regional slant. Thus in the issue under consideration 98.7 percent of the total space was given to the Northeastern portion of the United States, plus Missouri, while only 1.3 percent was given to the rest of the country, including South Atlantic States, Gulf States, Southwestern States, Prairie States, Rocky Mountain States, and Pacific Coast States.

(3) Late in 1945 the former Secretary of War, Major General Patrick D. Hurley, resigned as Ambassador to China to tell the American government and the American people about Soviet Russia's ability to "exert a potent and frequently decisive influence in American politics and in the American government, including the Department of Justice: General Hurley was expected to reveal "sensational disclosures" about certain members of the state Department's Far Eastern staff in particular (quoted passages are from the *Washington Times-Herald*, December 3, 1945); but he was belittled by high government agencies including the Chairman of the Foreign Relations Committee of the Senate, and large sections of the press connived to smother his message. A sched-

uled Military Intelligence Service interview arranged with General Hurley by the author was canceled by higher authority. Be it said for the record, however, that the colonels and brigadier generals immediately superior to the author in Military Intelligence were eager seekers for the whole intelligence picture and at no time during the author's conducting over 2,000 interviews made any effort to suppress the collection of information—except to transmit the order just referred to.

Incidentally, the brush-off of General Hurley suggests that the leftist palace guard which was inherited from the Roosevelt administration had acquired in eight months a firmer grip on Mr. Truman than it ever had on the deceased president until he entered his last months of mental twilight. Roosevelt's confidence in Hurley is several times attested by General Elliott Roosevelt in *As He Saw It*. In Tehran the morning after the banquet at the Russian Embassy the President said:

"I want you to do something for me, Elliott. Go find Pat Hurley, and tell him to get to work drawing up a draft memorandum guaranteeing Iran's independence.... I wish I had more men like Pat, on whom I could depend. The men in the State Department, those career diplomats...half the time I can't tell whether I should believe them or not" (pp. 192-193).

At the second Cairo Conference the President told his son:

"That Pat Hurley... He did a good job. If anybody can straighten out the mess of internal Chinese politics, he's the man.... Men like Pat Hurley are invaluable. Why? Because they're loyal. I can give him assignments that I'd *never* give a man in the State Department because I can depend on him.... Any number of times the men in the State Department have tried to conceal messages to me, delay them, hold them up somehow, just because some of those career diplomats aren't in accord with what they know I think" (pp. 204-205).

The above passages not only throw light on the enormity of the offense against America of preventing the testimony of General Hurley,

but give on the Department of State a testimony that cannot be regarded as other than expert.

END QUOTING

TO BE CONTINUED

We will end this portion at this point and take up (d) when we again use this subject. It will deal with the ever increasing censorship.

Readers, it is all there for your witness—not new—but insidious in its gradual choking off of information flow to cover heinous actions of those you set forth to protect and lead you as a nation. May you be given into reason and understanding.

KEVORKIAN (DR.?)

What do I think about his hunger strike even if it kills him? Nothing! He has the same right to commit suicide as any of those nice patients he "helped"! This man fights for the "right to die" for all others—why do you not allow him his own if he chooses? YOU don't understand the terrible course of action of this man who dishes out death by the plateful. You think he does it for suffering humanity? No, he does it for himself—and therefore should be left to his own "suicide" if that be his choice. No, I would NOT sanction intervention by the Constitutional Law Center for there are too many WORTHY recipients of that group's attention—protection of "murder" is not one of them! Under the laws does he have a "right"? NO—for the laws are wrong in almost all instances—it is against the laws of God and Creation to take the life of another being. The subject is far too great to handle HERE. "Dr. Death" loves killing, no more and no less—so, let him orchestrate his own! That which you give forth shall come back full cycle—why would you intervene in his own choices?

SHOE by Jeff MacNelly

Scam Confirmations

The following excerpts come from a story which appeared in the **DESMOINES SUNDAY REGISTER**, October 24, 1993:

"*WE THE PEOPLE* tells evicted farmers that for a \$300 fee, they'll get their land back and share in a settlement worth millions. State prosecutors say it's all a con.

"Depending on who you talk to, Roy Schwasinger is either a savior or a scoundrel.

"Officials in Iowa, Texas and Colorado have taken Schwasinger and his associates with *WE THE PEOPLE* to court in recent months. Officials say Schwasinger's claims have bilked thousands of farmers out of money and tied up the judicial system with improper filings of real estate liens and arrest warrants.

"Schwasinger is the mysterious leader of a group of Iowans who have been meeting with farmers across the state. The Ft. Collins, Colorado man, along with several Iowa associates, has allegedly been promising farmers that in return for a \$300 fee, they will share in a settlement with the federal government that will net them millions of dollars. Officials with the Iowa Attorney General's office say untold numbers of Iowa farmers have paid the fee.

"Farm meetings of *WE THE PEOPLE* have been held weekly across the state, despite a judge's order forbidding the group from collecting money from farmers, said assistant Iowa Attorney General Steve Reno.

"Schwasinger and his disciples have been promising evicted farmers that for a \$300 fee they will get their land back and will share in trillions of dollars in damages and the government has already agreed to pay, Reno said. Investigators at the attorney general's office say meetings have been held by *WE THE PEOPLE* in at least two dozen of Iowa's 99 counties.

"Farm advocates began hearing about the meetings of a group called *COSMOS* earlier this year. Since that time, similar meetings have been conducted by *PROFESSIONAL WEALTH INSIGHTS* and *WE THE PEOPLE*, both of which list Waterloo addresses on fliers and other materials. Reno said he believes the three groups are one and the same.

"What they've been telling these farmers is a bunch of baloney, but they're buying it," said Colorado official John Davis.

"On Oct. 15, at the request of the Iowa attorney general's office, a judge in Wayne County ordered several people involved with *WE THE PEOPLE* to stop collecting the \$300 sign-up fee. The attorney general is also asking a judge to order the defendants to return the money farmers have paid to

the group.

"*WE THE PEOPLE* meetings have been held in two dozen Iowa counties and in states stretching from Maryland to California. Davis, the Colorado official, said at least 2,000 to 3,000 farmers across the country have paid the \$300 filing fee.

"The account at Waterloo Savings Bank was frozen by a judge last month. If a lawsuit against Schwasinger and others is successful, the money will be used to make restitution to farmers who paid the fee.

"The Kansas State Board of Agriculture has estimated that more than \$1 million in filing fees have been paid.

"Davis said Schwasinger told a group in Waco that he is in constant satellite contact with Congress and has the authority to kill. Schwasinger has said several times that 170 lawyers and judges were quietly herded onto a Navy ship last year and executed at his command, Davis said."

From an unknown Ft. Collins, Colorado newspaper:

"Schwasinger heads a loosely organized group, *WE THE PEOPLE*.

"Legal actions based on Schwasinger's bizarre advice have appeared in state and federal courts in Texas, New Mexico, Iowa, Colorado, Oklahoma and Minnesota.

"He offers some hope. That's what they can see," said John Davis, a district attorney's investigator in Schwasinger's hometown of Fort Collins.

"It's like any pyramid con scheme," Davis said.

"Authorities have not found any mem-

bership rolls for *WE THE PEOPLE*, and supporters deny the organization even exists, authorities said.

"Kansas U.S. Attorney Randy Rathbun described *WE THE PEOPLE* as 'an outright scam' and said anyone giving it money might as well just burn the cash.

"Investigators watching Schwasinger say about 3,000 people have paid \$300 fees. The Kansas State Board of Agriculture estimates Schwasinger has collected more than \$1 million from farmers."

In a story appearing in the October 16 edition of an unknown paper from Corydon, Iowa:

"A district court judge Friday ordered a Waterloo-based organization to stop collecting money from farmers who want to participate in a class-action lawsuit against the federal government.

"Several individuals associated with Roy Schwasinger of Fort Collins, Colorado, and *PROFESSIONAL WEALTH INSIGHT INC.* of Waterloo have been holding meetings with farmers across the state to talk about the lawsuit.

"The state prosecutors say the lawsuits have been thrown out of court or were never filed, and there is no indication that people who pay the filing fee are added to the list of plaintiffs.

"Individuals named in the lawsuit are: Scott Hildebrand, Greene; Darrell Sturgess, Alamosa, Colorado; Russell Landers, Waterloo; Marvin Pullman, Elma; Kenneth Kraklio, Davenport; Keith Zurcher, Greene; Karl Zweibahmer, Ossian; Larry and Joan Webb, Cedar Falls; and Schwasinger.

"Several groups, including *PROFESSIONAL WEALTH INSIGHTS*, *WE THE PEOPLE OF WATERLOO* and *COSMOS OF FT. COLLINS* were also named in the suit."

From The News Desk

sume dumping nuclear waste in the Sea of Japan and hinted operations could restart soon."

11/3/93 RICK MARTIN

RUSSIA

From the October 12 edition of the *BANGKOK POST*, "Russia is fast becoming a crime superpower thanks to new alliances forged between Italy's main Mafia groups and the Russian underworld, a top Italian expert on organized crime said on Sunday.

"Luciano Violante, chairman of Italy's parliamentary committee of inquiry into the Mafia, said Russia had become 'a kind of strategic capital of organized crime from where all the major operations are launched.'"

PHILIPPINE PRESIDENT RAMOS

MANILA BULLETIN, November 1: "Philippine President Ramos will visit the White House next month after meeting with President Clinton at a conference of Asian Pacific leaders in Seattle.

"In Washington, Clinton and Ramos will discuss trade and investment between their two nations...

"The Asian Pacific Economic Cooperation (APEC) Conference in Seattle is scheduled for November 19-20."

MORE GENETICS

In November's edition of *ACRES USA*, "In spite of potential risks, the government has approved almost 600 deliberate test releases of genetically engineered organisms into the environment under the flag of scientific 'field trials'. Some biotech companies say these new generation crops will reduce the need for harmful chemical pesticides and fertilizers which a decade ago we were told were safe. The Environmental Protection Agency (EPA) has the task of regulating the release of these bacterial pesticides under the same rules that were developed to ensure the "safe" use of chemical pesticides, which is absurd. Chemical pesticides can't multiply like harmful bacteria."

ASIA SHIFT

From the October 28 edition of *STRAIGHT TALK*, in an article written by Chris Weber, "U.S. economic growth just inches along. In 1991, it actually shrank by almost one percent. In that same recession year, Singapore's growth slowed too, but from 8.4 percent in 1990 to 6.7 percent! Thailand went from 10 percent to 3.2 percent, and Malaysia from 9.4 percent to 8.8 percent.

"While the American middle class is taxed to death, the starting income tax rate

as home of a central bank that is to issue a single currency by 1999."

THE MAASTRICHT TREATY

From the *MODESTO BEE*, in an article from the associated press which appeared in the October 13 edition, "Germany's highest court Tuesday rejected constitutional challenges to the Maastricht Treaty, thus enabling the European Community to start building a political and economic union.

"By ruling that the accord does not violate Germany's *Constitution*, the Constitutional Court removed the last obstacle to its implementation.

"Foreign Minister Klaus Kinkel said the agreement can take effect November 1.

"The accord, which creates a common foreign policy and joint central bank and single currency by 1999, had run into stiff opposition in Denmark, France and Britain."

CIA ASSASSINATION PLOT

MANILA BULLETIN, November 1: "London—Secret negotiations over a plot to assassinate Iraqi leader Saddam Hussein were held in London between the U.S. Central Intelligence Agency (CIA) and leading Iraqi dissidents...

"But the plot was cancelled and then betrayed by Washington after the covert talks last November..."

AUSTRALIA

In the October 12 edition of the *BANGKOK POST*, "The majority of Australians do not consider their country part of Asia despite Prime Minister Paul Keating's push to integrate into the region, according to an opinion poll published yesterday."

ALGERIA PULL-OUT

According to an article written by Mark Nicholson in Cairo and David Buchan in Paris, appearing in the October 29 edition of *FINANCIAL TIMES*, "Foreign companies operating in Algeria, including many of the more than 20 oil groups exploring new concessions, have begun repatriating dependants and nonessential staff because of worsening extremist violence."

RUSSIAN NUCLEAR WASTE

MANILA BULLETIN, November 1: "The Commander-in-Chief of Russia's Pacific Fleet said yesterday he was ready to re-

I would like to take just a moment to thank all of you CONTACT readers who have been so conscientious in sending insightful and interesting articles to my attention. I would also like to request that you continue to do so. Again, thank you.

IMMIGRANTS

In the November issue of *ACRES USA*, "In fiscal 1991 the U.S. government granted 1,827,167 people legal residence in this country.

"Of these, 79% were legal immigrants...The others, most of them from Latin America, were already here and had homes and jobs. And, 40% of this overall total were located in California, adding 735,732 citizens to the state's population.

"Running closely behind California is Texas, with 212,600 new immigrants and New York with 188,104.

"Because an estimated 40% of these new citizens came from the rural sector in their native land, they can be found on the farms in California, Texas and other agrarian states—including Illinois and Florida."

MORE ON IMMIGRANTS

From the October 28 edition of *STRAIGHT TALK*, in the section titled *Telling It Like It Is*, "There are 1.3 million undocumented immigrants from Mexico living in California, flooding the state at a rate of 100,000 a year. California is home to 6.5 million immigrants, more than half of the nation's undocumented aliens, and more than 40% of refugees."

TAX ON BIRTHS

Also from *STRAIGHT TALK*, taken from an article which appeared in *THE NEW AMERICAN*, "The pro-abortion governor, Mario Cuomo, is considering a tax on live babies. Possibly designed to discourage live births, the pro-abortion wants people to pay \$250 a head for the state granted "privilege" of bringing a child into the world."

Wow!

CENTRAL BANK

The following fax was sent to *CONTACT* on November 1, from a publication of unknown origin, from October of this year, "European Community leaders in Brussels propelled their political and monetary union into motion Friday by selecting Germany

in Singapore is 3 percent—half the taxpayers pay less than \$150 a year. Per capita annual income was only \$3,000 in 1975, now it has increased to \$14,000. Average wages have almost tripled since 1980, but they are still \$3.78 per hour, less than the minimum U.S. wage.

"Thai and Malaysian wages are much lower than Singapore's. These are just two places trying to be tomorrow's Singapores. There are others. For example, China's potential is staggering. If it ever attains the per capita wealth Taiwan has now, it will have a larger economy than the rest of today's industrialized world combined."

Elsewhere in the same article, seemingly unrelated, "A baby born in Hong Kong can expect to live 77 years, two years longer than an American or British baby. Singapore's longevity is now 73 years."

DeKLERK - SOUTH AFRICA

Again, from the *MANILA BULLETIN*, "President Frederick de Klerk predicted yesterday the governing National Party would win multi-racial elections scheduled for April 27, beating the main black movement, the African National Congress (ANC)."

U.N. FLAG BURNING

Taken from the October 25 edition of *THE SAN DIEGO UNION-TRIBUNE*, from an article written by Bill Callahan, "A Balboa Park demonstration in which several dozen people protested the United Nations ended yesterday with the arrest of a man police said was illegally burning U.N. flags."

SPACE DIAMONDS

In an article written months ago, dated April 7 and taken from *THE MODESTO BEE*, "There are diamonds twinkling in the sky, but they are so tiny it would take 2 million to barely fill an inch, scientists say.

"The unexpected discovery of the incredibly tiny diamonds in star-forming clouds of the Milky Way challenges theories of how galaxies evolve..."

"Researchers based at NASA's Ames Research Center said they were surprised to find the *microdiamonds* while scanning distant clouds of matter from atop Mauna Kea in Hawaii. The microscopically small stones previously were found in meteorites.

"...we found large quantities—the equivalent of planetary masses—of microdiamonds dominating every star-forming cloud we look at.

"The microdiamonds are carbon molecules whose structure is identical to the precious stones mined on Earth."

These findings were reported in the

ASTROPHYSICAL JOURNAL.

BLOOD MONEY

In an article from the September 15 edition of the *MODESTO BEE*, Modesto, CA, "Calvin Broadus may have stumbled on a new way to promote your own pop music sales: Kill somebody.

"Broadus, who performs *gangsta rap* under the stage name of Snoop Doggy Dogg, was arrested last week on charges of murdering an acquaintance on a street corner. Broadus says it was self-defense. According to the police, the victim was unarmed and shot in the back.

"What sets this case apart from the depressingly normal run of street violence is the response of the recording industry. Lenny Beer, editor-in-chief for the recording industry trade journal *HITS*, predicts that this will push sales of Broadus' new album up over 400,000 in the first week.

"Time-Warner, which owns the recording label under which Broadus performs, is scheduling the release date for his album to coincide with his arraignment on the murder charge."

Sick, sick, sick.

RUSSIAN SPIES

PHILIPPINE DAILY INQUIRER, November 1: "Moscow—Russian intelligence has sharply reduced the number of agents and streamlined its operations to cut out ideology, a top adviser to the service said..." Sure...

SEXUAL ABSTINENCE RULING

In an article appearing in the October 28 edition of *STRAIGHT TALK*, taken from the *Point of View Radio Talk Show of Dallas*, "A state judge has ruled that it is illegal to teach Louisiana public school children that chastity is a wise course of conduct. Judge Frank Thaxton has blocked the implementation of two such programs in Shreveport schools. Despite the fact that one of them, *Sex Respect*, has a proven track record in reducing teen sex, pregnancy and venereal disease, the judge ruled it constituted the establishment of religion. A suit was brought against the sex-ed programs by the national abortion provider, Planned Parenthood."

TOXIC CHEMICALS

In an article appearing in the November issue of *ACRES USA*, written by Charles Walters in *A Life in the Day of an Editor*, "In May of 1963, Dr. Jerome Wiesner, science counselor to President John F. Kennedy, reported to a commission assembled to examine the premises of *Silent Spring*. He said, 'Use of pesticides is more dangerous

than atomic fallout.'

"...toxic genetic chemicals—to designate the phenoxy herbicides, the organophosphates, the chlorinated hydrocarbons. I picked up the term from Americo Mosca, an Italian scientist and winner of the chemistry prize at the Brussels' World's Fair.

"...I heard of calculations equating the ion exchange in man-made chemistry to the same fallout effect in atomic explosions. I asked Dr. Mosca for his calculations. They arrived soon enough, pages and pages, all of them complex in the extreme. None were more devastating than a short summary he added as a codicil.

"Atomic fallout is formed by alpha, beta and gamma rays and neutrons. In the human, animal or vegetable body, a radioactive particle is dangerous only when it disintegrates and discharges its energy. These reactions are determined by the electrons. Atomic fallout and chemicals having free valences in contact with men, animals and plants spontaneously subtract electrons from the hydrogen atoms of amino acids, alter the natural frequency of genetic mutations and afterward form the respective proteinates.

"The damage resulting from nuclear radiation is the same as the damage resulting from the use of toxic genetic chemicals', Mosca wrote. The use of fungicides of organic synthesis [Zineb, Captan, Phaltan, etc.] annually causes the same damage to present and future generations as atomic fallout from 29 H-bombs of 14 megatons—or damage equal to fallout of 14,500 atomic bombs, type Hiroshima.'

"Mosca computed that in the U.S. the yearly use of toxic genetic chemicals was about 453,000 tons, which caused damage equal to atomic fallout from 145 H-bombs of 14 megatons, or 72,500 atomic bombs, type Hiroshima. Continuation of the scenario would see the destruction of the American people in a few generations."

AIDS

In a brochure on AIDS put out by *Independent Research Associates*, the organization that has published the booklet *THE PLAN*, "The AIDS virus, spewed into the environment, can remain infectious for days.

"British authority Dr. John Seale, who postulates that just one AIDS viron (virus) introduced into a new host will likely produce infection, wrote in the *JOURNAL OF THE ROYAL SOCIETY OF MEDICINE (FEB. 1986)* that AIDS carriers expel virions into the air when they cough. He says these infectious agents would be "highly lethal" to others because the virus remains infectious for more than a week at room temperature. So, medical research confirms that:

—AIDS can be transmitted through

bodily fluids, including saliva

—AIDS can enter the blood of a new host through skin lesions

—AIDS virus in the environment remains infectious for days.”

DAYS OF THE DEAD

Also from the November 1st *MANILA BULLETIN*, “Patzcuaro, Mexico—Every year in Mexico this spooky season, death takes a holiday.

“One of Mexico’s most intimate and picturesque celebrations—the Days of the Dead—has become one of its oddest tourist activities: a yearly midnight migration to rural cemeteries.”

PROZAC

The following flier has been sent to *CONTACT* by the Coalition For a Drug Free Utah:

“THE CIA’S IDEAL CHEMICAL WARFARE AGENT?

“In 1953 the CIA sent two men with 80% of the \$300,000 budget to Switzerland to buy up Sandoz Pharmaceutical’s supply of LSD for chemical warfare research. Ten years earlier Sandoz had begun to market LSD as a psychotomimetic agent—a drug which would create psychosis (insanity) in a normal human.

“The CIA had six criteria they were searching for in their ideal chemical warfare agent to impose mental control and manipulate behavior: 1) disturbance of memory; 2) discrediting by aberrant behavior; 3) alteration of sexual patterns; 4) eliciting of information; 5) suggestibility; 6) addictiveness.

“Desiring a domestic source for LSD, the CIA approached Eli Lilly, the makers of Prozac, and requested that they develop a synthetic LSD. Lilly obtained their patents on LSD in 1956 and became the leading manufacturer of the drug. The CIA had a real heyday with LSD, including agents tripping out, spiking punch with LSD at CIA parties, setting up a bordello dubbed *Midnight Climax* to observe *Johns* secretly dosed with LSD while visiting the CIA’s ‘ladies-of-the-evening,’ etc.

“When the CIA got caught by Congress and the public they stopped their LSD experimentation. They made a statement which sent a clear message to Eli Lilly. They stated that they would look to the ‘commercial interests’ (the pharmaceutical companies) to develop their ideal chemical warfare agent.

“Has Lilly perfected that chemical warfare agent in the form of Prozac? Patient reports indicate that Prozac meets all six of the CIA’s guidelines. Utah is the #1 user of Prozac and the other mind-altering prescription drugs—a rate 3-4 times higher than the national average. Do you feel

comfortable about that?

“Statistics for West Jordan in Utah: In 1992 they spent \$250,000 on Prozac and 5.2 million dollars on psychiatric care. (A lot of school teachers and their families are on it.) Also, they are giving Prozac and Ritalin to 3 and 4 years olds, and Lithium to 4 year olds. Ritalin is given to school children for hyperactivity.”

BANANA AIDS

PHILIPPINE DAILY INQUIRER, November 1: “Sablan, Benguet—The banana industry which prospered hundreds of farmers here is dying.

“Affecting 95 percent of Sablan’s banana farms here is bunchy top, also called ‘banana AIDS’ because even techniques from the Department of Agriculture could not contain it.”

NEW BIBLE HITS STREET

Slang translation targets young blacks, taken from a recent Associated Press story of unknown origin:

“Houston—‘In the beginning, the Earth was a fashion misfit and the Garden of Eden’s serpent was one bad dude. Cain wasted Abel and Noah was one cool brother.’ So goes P.K. McCary’s new slang version of the *Bible*, one in which the Houston author aims to inspire hope in African-Americans so often dispirited by poverty and violence. The Scripture according to the *BLACKBIBLE CHRONICLES* is lean, sinewy and street-savvy. In slang, it’s bad.

“I’m not a theological expert, but I do believe that God didn’t stop talking when he talked to Moses on the mountaintop,” said McCary, a 40-year-old-journalist and lifelong *Bible* lover. ‘I believe he’s still talking.’

“Here’s how He’s saying it: ‘Now when the Almighty was first down with His program, He made the heavens and the Earth. The Earth was a fashion misfit, being so uncool and dark, but the Spirit of the Almighty came down real tough, so that he simply said, ‘Lighten up!’”

“Later, when God decides to unleash floods over the Earth, here’s how he breaks it to Noah:

“I’m fed up, Noah, with what’s happenin’ ‘round here. These folks ain’t what’s happenin’ anymore, so I’m gonna do what I gotta do, and end things once and for all. Man, I’m gonna blow the brothers clear outta the water.’

“McCary said the five *Bible* books she translated, *Genesis* through *Deuteronomy*, are true to the original. Several lessons are footnoted so readers can find them in a conventional *Bible*.

“The difference is candid and up-to-date discussion on such topics as crime and sex.

“It was a bad thing to do the wild thing without a blessing from the Almighty. You had to be blessed,’ it says. The 190-page book is available in major bookstores nationwide.”

TAIWAN & CHINA

PHILIPPINE DAILY INQUIRER, November 1: “Taiwan said it would formally remove curbs on various forms of commercial activity in China, allowing Taiwanese firms operating there to hold trade shows and offer a range of business services.”

U.S. BUILDING IN CHINA

From the November 2 edition of the *FINANCIAL TIMES* (of London), in an article by Alexander Nicoll, “A senior U.S. Defense Department official is in Beijing for talks which mark the end of Washington’s four-year ban on high-level military contacts and are the latest sign of a revitalization of its policy towards China.”

PEASANT LAND IN RUSSIA

From the same edition of the *FINANCIAL TIMES*, “President Boris Yeltsin’s decree last week, giving Russia’s collective and state farm workers the right to buy, sell, lease and pass on their share of the land, is an unambiguously good move.

“Privatization of farmland is one of the most essential steps towards building a market economy, but in Russia it has been problematic, thanks to the conservatism of farm directors and to the inertia of the peasants themselves.”

MEDIA DEMONSTRATION IN HUNGARY

In the November 1 edition of the *MANILA BULLETIN (Philippines)*, “Tens of thousands of people held demonstrations in Budapest yesterday against the government’s expropriation of the public service media.”

UKRAINIAN-END-OF-THE-WORLDEERS

From the November 3 edition of *THE GAZETTE* (Montreal), “Kiev—The number of alleged members of the Great White Brotherhood detained by the Ukrainian authorities rose to almost 500 yesterday as the sect continued its preparations for the end of the world. This is due, it believes, a week from Sunday [=November 14].”

AIDS IN SOUTH AFRICA

In an October 23 newspaper article from an unknown source, “South Africa would soon face ‘biological violence’ caused by the HIV virus, which would claim more

lives than political unrest, the head of the AIDS Research Institute at the University of the Witwatersrand, Prof. Ruben Sher, said yesterday."

SOUTH AFRICAN FREEDOM ALLIANCE

The following is taken from the October 1993 edition of the *ROCA REPORT* from South Africa:

"A major change took place on the South African political scene with the formation of the Freedom Alliance because it constitutes a viable alternative to the plans of the African National Congress (ANC) and the South African Communist Party (SACP) to set up a socialist government which they will dominate. However, in order to boost the international image of ANC president, Nelson Mandela, and to ensure his election, he has been feted around the world. Nevertheless the chances of the election being held on April 27, 1994 as planned, are receding.

"The Freedom Alliance (FA), a new political movement, said it was formed 'to address the failure of the negotiating council to deal with the realities of Southern Africa.' The Freedom Alliance is convinced that, with the failure of the Multi-Party negotiations to produce an inclusively acceptable process, a new and dynamic process had been set in motion which will provide the mechanism to resolve the deep-seated conflicts in our country, conflicts which can only be solved through a summit of leaders,' said the FA in a statement issued at a press conference on Oct. 12. The alliance said it rallied behind the principle 'that member states of a new South Africa should be primarily responsible for the provision of government for the people by the people.'

"The creation of the FA would provide a vehicle through which millions of Southern Africans would be able to express their political aspirations.

"The recognition of 'the guidance of Almighty God in the affairs of men and of nations' and the recognition of 'the right of self-determination of the peoples of Southern Africa' are the first two principles in the FA's manifesto. It also rejected the notion of a unitary state, racism, discrimination and sexism and any form of totalitarianism and tyranny. Among its goals are:

** Elections within the parameters of final constitutions which entrenched limits on the power of government through checks and balances.

** The organization of Southern Africa into member states which are primarily responsible for governance of the peoples to express their rights of self-determination.

** Nurturing and protecting of the cultural diversity and the rights of people.

** Determining the boundaries of member states by the people, not a centralized negotiating process.

** Preserving the undeniable right of self-determination of peoples, including their right to challenge 'in any internationally acceptable manner, attempts to thwart these inalienable rights.'

"In the Freedom Alliance, we now believe we have that cohesive and collective power to make a distinct difference in the political future of Southern Africa,' Mangope said. 'We will settle for nothing less than self-determination in which our own people are governed by our own government.'

"All FA members also terminated bilateral negotiations with the government and ANC. However, the FA held a two hour meeting with State President FW de Klerk on October 11 to inform him about the alliance."

A *CONTACT* reader from South Africa shares with us the following thought, "I am enclosing the latest reports on the South African situation which grows more meaningless by the hour as the Governor and ANC vie for power, whilst the Rightwing movements, both Black and White, have recently formed the biggest bloc opposing both these power-hungry World Order mongers, and are being consistently ignored [Freedom Alliance]. Then we have the awarding of the Nobel Peace (sic) Prize jointly to de Klerk and Mandela at a time in South Africa's history when violence has never been so great, or anarchy more rife! If this in itself, doesn't indicate who are pulling our strings, nothing ever will...And it won't!"

JEWISH RAGE

PHILIPPINE DAILY INQUIRER, November 1: "In an explosion of rage, thousands of Jewish settlers smashed and stoned Arab cars, burned tires and blocked most highways in the West Bank on Saturday to protest the killing of a settler by Palestinian militants."

More From The News Desk

11/7/93 RICK MARTIN

GENETICALLY ENGINEERED MILK??

In the November 6 edition of the *DAILY NEWS* (Lancaster/Palmdale, CA), in a story written by Keith Schneider of *THE NEW YORK TIMES*, "After years of scientific and political conflict, the federal Food and Drug Administration approved a genetically engineered drug Friday that is intended to increase the amount of milk produced by dairy cows.

"The approval makes milk the first food the government would allow to be produced with genetic engineering, in this

case a hormone developed by inserting a gene from cows into the genetic code of a **common strain of bacteria.**"

TAX ON BULLETS

In the November 4 edition of *THE PLAIN DEALER* (Cleveland, OH), "Senate Finance Chairman Daniel P. Moynihan pledged yesterday to reshape President Clinton's health care bill to include a tax increase on handgun ammunition.

"Moynihan said he is looking at a tax increase of up to 50% for most handgun ammunition."

CULT CRACKDOWN

In an article which was faxed to *CONTACT*, appearing in an unknown edition but recent *NEW YORK TIMES*, "Ukrainian officials have begun a crackdown against members of a religious cult whose leader has pledged to stage her own crucifixion and resurrection this month outside the main cathedral.

"Alarmed by reports that followers of the White Brotherhood were flocking to Kiev to join their leader in a mass suicide, police have detained more than 600 cult members in jails and hospitals..."

"Portraits of Maria Devi Khristos, as the self-professed messiah is called, dressed in a white robe trimmed with gold, and clad in a white turban, have cropped up on walls from Kiev to Moscow over the last two years.

"The doomsday cult, which claims 150,000 followers, has filled this city with panic..."

"A few days ago, members of the White Brotherhood were proclaiming that the apocalypse and their mass suicide would take place on November 24. Now, they have rescheduled the date to November 14..."

JAPAN—NORTH KOREA

In an article appearing in the November 4 edition of the *FINANCIAL TIMES* (of London), written by William Dawkins, "The U.S. has offered to help Japan to defend itself against a possible North Korean nuclear attack.

"Mr. Les Aspin, U.S. Defense Secretary, said after a meeting with Mr. Morihiro Hosokawa, the Japanese prime minister, that he had offered Japan at least three options for obtaining a missile defense system."

HANTAVIRUS DAMAGE CONTROL

In an article from the *DAILY RECORD*, from Roswell, New Mexico, appearing in the October 22 edition, "A *SCIENTIFIC*

AMERICAN magazine is wrong in suggesting that biological warfare agents might have caused a deadly respiratory illness, state officials say.

"There's absolutely nothing to suggest any relation to biological warfare," Dr. Mack Sewell, epidemiologist for the New Mexico Health Department, said Wednesday.

"The article in the November issue of *SCIENTIFIC AMERICAN* is based on interviews with a former congressional investigator who believes biological agents from Fort Wingate might have something to do with the illness.

"John Horgan, senior staff writer at *SCIENTIFIC AMERICAN*, said in a telephone interview with *THE SANTA FE NEW MEXICAN* from New York City that the article did not advocate the biological warfare theory.

"It's just a possibility," Horgan said. "We believe there's reason to be skeptical (about the hantavirus diagnosis)..."

HANTAVIRUS NEAR LAS VEGAS

In an AP story dated October 16 from an unknown edition, "State health officials say the sometimes deadly hantavirus has been found in deer mice in an area 110 miles NW of Las Vegas, Nevada."

HANTAVIRUS GRANT MONEY

From the *ALBUQUERQUE JOURNAL*, in an article dated October 12, "SALT LAKE CITY—Utah has been awarded a \$114,380 federal grant to look for Hantavirus in mice and other rodents.

"The grant, awarded by the Centers for Disease Control and Prevention," etc., etc., etc.

HANTAVIRUS IN 1991?

From the October 23 edition of the *ALBUQUERQUE JOURNAL*, "The first ever Hantavirus case appears to have occurred in South Dakota in 1991, indicating the disease has been around longer than realized, state Assistant Health Secretary Ken Senger says.

"Judging from medical records, the illness struck a man in Corson County in 1991 and a man in Haakon County in 1992."

HANTAVIRUS EXPLANATION

In the same edition of the *ALBUQUERQUE JOURNAL*, in an article by Rex Graham, "New Mexico epidemiologists are getting closer to answering a vital question in connection with the epidemic this year of a Hantavirus that has killed 26 people: Why did some people in the Southwest get severely ill or die while family or friends living in the same house remain healthy?

"Trapping rodents may be associated,

somehow, with contracting a Hantavirus infection," he said."

HANTAVIRUS IN MISSISSIPPI

From the October 19 edition of the *ALBUQUERQUE JOURNAL*, "A woman believes her 8-year-old daughter died earlier this year from a Hantavirus, but health officials haven't been able to confirm the case.

"The Centers for Disease Control and Prevention in Atlanta and the State Department of Health say they can't confirm presence of the virus. State health officials said what appears to be Hantavirus may be a look-alike.

"Her doctor is completely convinced it was a Hantavirus," the mother said."

WES MILLER UPDATE

In a telephone conversation on November 2 with Wes Miller of Gallup, New Mexico, he gave *CONTACT* an update on events in his area. Here are a few excerpts from that conversation.

Wes: "Yesterday at approximately 5:30 in the morning on my way to work (I'm the morning DJ here in Gallup), I spotted an object in the sky which was very familiar to the Pleiadian Space Command—which was the red, green and blue signature, very bright in the sky—also very low to the horizon—eastern horizon probably about no more than 20 degrees or about the same level you would see street lights at if you were driving your vehicle. I watched this particular light with great interest because of the fact of seeing so many UFOs recently, and being a trained observer, I know what to look for now. So, I had this feeling, you know, that something important was going to happen. I will tell you a little bit more about that in a second. But when I went to the convenience store to purchase some items for my shift, I pulled the people out from the convenience store. We were all looking at this particular ship, which was at that time right behind a sign, right above a sign down the road about 100 yards, and it was just barely high enough over the sign to see it. So, we had to walk about approximately 50 feet to kind-of get around that sign so that we could observe it. In the meantime, I went back in and purchased my items and I went back out for one more look with the crew from the convenience store, and in that short period of time it had risen. This particular object had already risen above the sign, so that we did not have to walk the 50 feet to kind-of gaze behind the sign, so to speak. It continued to rise. Now, this was Monday morning. It continued to rise in the sky til it was about, oh, I would say 9:00 o'clock as the airforce pilot would tell you, and it continued to stay there until the sun got up pretty

strongly about 6:20 or 6:25 A.M.

There was another object which I thought was Venus which was much larger and much brighter than the first object and I had assumed that it was Venus because that was the particular area where Venus was visible most of the summer. But, this object also rose and disappeared very quickly before even the first object. Now, this morning on Tuesday morning I noticed there were two bright objects. The first object that I had observed Monday morning was still about 9:00 o'clock in the sky. It didn't look like it had moved from where it parked itself yesterday and the other object was very, very low on the horizon, to the point where if you were driving, unless you were on a hill here in Gallup, you probably couldn't see it. So, we observed that one. We, also, went to the same convenience store and observed it. This one was much more bright, much brighter, the same familiar red-green-blue, and it was much larger also. It must have been probably ten (10) times bigger than the original object I had spotted Monday, and this was observed by another person here at the radio station and myself. We saw this one rising visibly before our eyes straight up vertically. It did not move to the left. It did not move to the right. We ruled out that it could have been Venus for that reason, or a plane, because it was rising straight up. It was not flying on the horizon. A planet will always move on the right and this one was straight up and down and it moved up, just in the space of half an hour about 10 or 15 degrees. You could see it pretty well all over Gallup by that time. It stayed there and I could still see it when the sun came up, so I have no reason to believe that this object moved. The place that I think that it was parked is right over White Sands, New Mexico.

Rick: Was this strobing?

Wes: It was strobing.

Rick: The whole time?

Wes: The whole time, it was strobing.

Rick: Did you actually see a silver-type craft, or were you just seeing lights as though it were a flashing star?

Wes: No, it was silver and it did have the, you know, you could tell the field around it. It was generating its own field and that was the strobing part. It wasn't a strobing light. It was more of a congealed color which would come, kind-of, in to itself and then back out. It was much different than what you would see from a plane, and my belief is that it is still parked up there right now. You couldn't see it unless you probably had a filter. I'm sure that object is still there because I could see it very plainly when the sun came up, and I do believe it is parked right over White Sands. So the question of course that I have, and of course you will pass this on to Commander Hatonn, I'm sure this is the reason

why we saw it. There is very definitely something going on in this area of White Sands and very definitely the Shuttle was up. We know the Shuttle program is in White Sands. It's not in Houston or Cape Canaveral or Vandenburg AFB, that it's a nerve center there and, obviously, they are getting ready to launch something else, maybe that new biological weapon that they had put up already. But this is definitely a sign to the military that they don't like what is going on and there is no reason to believe, Rick, that this won't happen again tomorrow because it seems to be an ongoing event again. So, I will go ahead and observe that. We also had an independent report from somebody else who called our Flight Service Center here in Gallup and saw what they described as a huge brilliant red flash of light in the western sky last night, as well. I haven't been able to confirm that it was on the AP, and you know lots of times the AP won't even report these things anyway, but something happened in the western horizon with a big huge ball of red light of some sort. So, again, something is happening with the military and space command."

KILLER BEES

In an article from an October AP story from Phoenix, date and source unknown, "State officials say dozens of traps being set up in a Phoenix suburb may indicate whether the northward migration of Africanized killer bees has reached the Phoenix area months earlier than expected.

"A swarm of Africanized bees was identified as having attacked dogs and people in Peoria, Arizona on October 9."

MINNEAPOLIS SCHOOLS

In a story from the November 5 edition of the *SAN FRANCISCO CHRONICLE*, "Minneapolis is about to become the biggest U.S. city to put its public schools in private hands.

"The School Board voted 6-0 Wednesday night to award a contract to Public Strategies Group Inc. to run the 43,000-student system. The consulting company was selected over two individuals seeking the job of school superintendent."

"NO FIRST USE" DOCTRINE ABANDONMENT

From the November 4 edition of *THE FINANCIAL TIMES*, John Lloyd notes, "Boris Yeltsin has approved a new Russian defence doctrine, abandoning the *no first use* of nuclear weapons and permitting the stationing of troops abroad."

RUSSIAN PHYSICS

From *THE FINANCIAL TIMES*, "Russia

signed a three-year agreement to collaborate with Cern, the European Laboratory for Particle Physics in Geneva."

UKRAINIAN FOREIGN CURRENCY BAN

From *THE FINANCIAL TIMES*, "President Leonid Kravchuk yesterday banned the buying and selling of foreign currency in Ukraine, closing down all auction centres and exchange points."

MEDIA WARNING

Also from *THE FINANCIAL TIMES*, in an article by Andrew Hill, "European newspaper and magazine owners yesterday warned the European Commission and European Community governments against hampering the development of *multimedia* companies."

Ray Renick Update

by Rick Martin

*Most CONTACT readers are, by now, aware of imprisoned Ray Renick. He has been in the San Luis Obispo County Jail [San Luis Obispo, California] since May 20, 1993, in solitary confinement. He is being charged with: (1) attempted murder; (2) incendiary devices; and (3) armor-piercing ammo. Bail was set at \$500,000. Ray has exposed the Elite crooks in San Luis Obispo county in his book titled **The S-L-O CONNECTION** and they don't like it! He has been bounced from courtroom to courtroom, judge to judge, like the political hot-potato that he is.*

Shortly after Ray filing a Motion to Dismiss based on the Missing 13th Amendment to the Constitution, there was an accelerated effort to prove Renick mentally unstable. Over the past many months Ray has undergone no less than 10 psychological evaluations, with seven doctors, to determine his mental competency. At the last hearing, which I personally attended, a psychiatrist was allowed to testify that Ray was not stable. Three additional evaluations were ordered by Judge Barry Hammer at that time. The Judge changed Ray's status from In-Pro Per to defense by the Public Defender. Prior to proceeding to trial on the charges, Ray was scheduled for a jury trial to determine his mental competency.

Ray phoned the CONTACT office several times over the last week to give us updates on his competency (jury) trial as it progressed. Here are some excerpts from those conversations.

Ray: I went to trial, as you know, and for

YELTSIN SHIFT

In an article from John Lloyd, again from *THE FINANCIAL TIMES*, "President Boris Yeltsin yesterday told leaders of Russia's 88 regions and republics to approve a new constitution stripping them of privileges and rights and asserting the power of the presidency and the federal government."

EL NINO

In an article written by Richard Cole, appearing in the October 22 edition of *THE ALBUQUERQUE JOURNAL*, "The current El Nino weather patten—blamed for disastrous Midwest flooding and hurricanes in the Pacific—has become the longest on record and may be strengthening.

"And that could upset the world's weather for another year, scientists said."

all three days there was nobody there in the courtroom except me and the court people. There was nobody in the audience, well there were a couple of people, but nobody I know. Anyhow, the three doctors gave their reports.

Rick: And their names?

Ray: Dr. Dansereau, Dr. Halon, and Dr. Camp. The first one was Dr. Halon, who went into a big spiel about paranoid delusionism and the whole bit, you know, the whole textbook stuff. He talked for quite a while and at the very end of his talk he said this, "I don't know if he's paranoid delusional. I don't know if he's incompetent." And so, what he did is ruin his own thing. I don't know but I think he did it on purpose. I don't think he wanted to put down as being, making a false report, although his written report is false, you know, because he did not interview me at all for that one. He has only spent a couple of minutes with me in which I showed him a bunch of documents. He got mad and left. He did not base his report on any testimony or any testing he did on me.

Dr. Dansereau did the same thing. He didn't do his report on anything that I told him either, but he gave a real long spiel on the witness stand and one of the things he said, let's go back again...you've got to realize that I've already had seven (7) doctors examining me, right! [The doctors who examined Ray are: Jesus Juarez, Jean Dansereau, Tony Clark, Ted Donaldson, Robert Halon, Jacob Camp, and the seventh is unknown.]

So, Dr. Dansereau said this about some of the earlier psychiatric exams. He named

some of the earlier psychiatrists that interviewed me and said they agreed Ray was paranoid delusional. But, I've been sitting here in solitary confinement from May until September 17 and Judge Hammer was looking for someone to say I was *paranoid delusional* so he could pull my *in-pro per* status and he did not pull my *pro per* status until Dansereau reversed his report. I brought this up and I even brought this up to the Judge and I said, "Judge, you were looking for a negative report. Dr. Dansereau said the other psychiatrists already gave negative reports. Dr. Dansereau lied," and I turned to the jury and said, "Dansereau lied on the witness stand. He perjured himself." And I brought it up to the Judge and said, "Judge, it was the 17th of September when you rescinded my parole period status. [It was also at this time that Ray's *pro per* status was revoked and the Public Defender appointed on his behalf, against Ray's will.]

Rick: Now, this came before the attention of the jury?

Ray: Oh, yeah. In front of the jury I went on and talked for quite a while and since my only defense is truth, and the only defense against paranoia and delusionism, which is lies, is truth. So, I told the whole story about how the Kennedy assassination was connected to San Luis Obispo County and I showed my photograph and a few documents. I went on and on and people listened, very interested.

The jury was in session and then came out to ask the Judge the following question: "Does competency mean competent to stand trial or to go in-pro per?" At which point the Judge responded, "That does not concern you." After two (2) hours the jury returned and ruled that "Ray is competent."

When the jury was dismissed, Judge Hammer, using the three most recent written psychiatric reports, ruled that Ray was not competent to represent himself at trial and proceeded to appoint the Public Defender, against Ray's wishes. Ray said he learned this morning that the "Public Pretender" talked to the jury and the jury said they had based their evaluation on my testimony, not the doctors.

So, it's back to square one, except that I don't have to worry about having my brains burnt out in Atascadero.

Rick: Well, that's significant.

Ray: Yes, it is. I talked to the jailer and he said to put off the trial date on my felony charges as long as possible. So, we are going to pretrail on January 6. So, I've got two months to sit here and sweat it out again.

Rick: Catch up on your reading.

Ray: Yeah, anyhow, I was on my way back and all of a sudden they tell me you have to come back again tomorrow. I said, "What for?" "Oh, you've got some kind of a

hearing on your probation violation."

I've already been judged on my probation violation. Prosecutor Dave Pomeroy, Judge Hammer, and myself all three agreed that the sentencing date on my probation violation would be concurrent with the sentencing date on the felony violations. So, how can they try me on probation violation again? That's double-jeopardy, isn't it?"

Since that conversation, Ray has phoned to say that he would like to subpoena the following people for their testimony concerning knowledge of William P. Clark's alleged involvement with the assassination of President John F. Kennedy: Senator

Arlen Specter, Senator Bob Packwood, Senator William Cohen, Senator Strom Thurmond, Caspar Weinberger, Gary Wein, former President George Bush, and Senator Howell Heflin. Since Ray maintains that the Public Defender is not working on his behalf but is part of the corrupt SLO system, the actual serving of these subpoenas seems unlikely.

For those of you who would like to write to Ray, you may do so at this address:

His Mysterious Ways

We had been caught by a blizzard, and I was in a caravan going down a winding, snow-packed mountain highway near Lake Tahoe, Nevada. My wife and three children were in someone else's car. Because of a malfunction, our van's lights, radio, wipers, heater and windows no longer worked. Snow whirled through an open window. My body ached from the cold. Then the windshield became a white wall. I tried to lean out and sweep off the blinding snow with my arm. It was no use.

Straining to see, I pulled onto the shoulder of the highway. The van lurched as a front wheel thudded off what felt like a boulder. I hit the brakes. When I jumped out, I found myself looking down into a white abyss: I'd almost driven over the edge!

"Jesus," I cried as I got back into the van, "I need your help."

Another driver stopped and got out of his car to direct me. I put the van in reverse. Just then a stunning blue-white light shot through the windshield and struck the steering wheel. I pressed my back into the seat as the flash raced through the steering column. In that instant, radio, lights, window, wipers, heater--everything started working at once!

Did you see that?" the other driver said.

At the bottom of the mountain our family was reunited. People have told me the strange flash might have been snow lightning. For me it was an answer to prayer.

New *JOURNAL* Goes To Press

11/8/93 #1 HATONN

INTRODUCTION

RUSSIAN ROULETTE AMONG OTHER THINGS

"Trying" to keep to a given subject so that we can identify the major points in each *JOURNAL* for library reference is as difficult to accomplish as is the word itself, "trying". Trying "deliberately" usually indicates intent on "failure". We have no INTENT to fail but the things of which we speak come along with "living" and "Life is that which happens while you are making other plans."

These volumes are coming off Dharma's keyboard in about biweekly offerings. I can't urge you enough—to really effort to keep-up because it is all but impossible to catch-up once fallen very far behind. Is the information worthy of extra attention? YES!

I hear complaints about our production and the most frequently used terms are "scan" and "xerox". The accusation being that Dharma just scans in through a device, directly into the computer and/or "they just 'xerox' stuff and we have to catch up." NO—EVERYTHING THAT IS OFFERED THROUGH DHARMA IS OFFERED WORD FOR WORD, WITH COMMENTS—BY ME OR BY ANOTHER AUTHOR. IF THERE IS REPETITION OF SOMETHING SHE HAS WRITTEN PRIOR TO THE MOMENT—IT IS REPEATED, BUT READ CAREFULLY FOR SUITABILITY. I must remind you readers that this is an important part of our work. It is a gauge for that which a person CAN accomplish. If one person can write—then another person can find time to "read". We make no splash in the publications as to being "pushy" for the time will come when it will be more suitable to have wider range of presentation.

It IS hard on our staff for always the work-load runs "behind" because of inability to have enough staff because of funding shortages. But, NO, we are not in the publishing "business" nor in the "making a killing on book sales" business. We are efforting to get as much information to you the public as we possibly can from any valid resource. We must then depend upon YOU to get the materials for backup and confirmation from the direct resources. FOR INSTANCE, if you do not have Rodney Stich's *DEFRAUDING AMERICA*, (ordering information on page 64) you are really behind! I trust that information is run regularly in the paper regarding this volume, but I do urge you to avail yourselves of this information. We will be excerpting chapters from the book as we find space

and time to do so—but we cannot, nor do we wish to, do your homework for YOU. **Just let it be KNOWN—The truth is "out there" if you but accept it and obtain it.**

DAMAGE CONTROL BY THE MEDIA

Indeed we are MAKING BIG ANNOYANCES among the Elite. After every issue of *CONTACT* we can expect an outburst of half-truths and admissions springing forth from the media—either in denials, party-line controversy or "late breaking research which tells you the truth of what we offer". For instance, today (11/8/93), the news is filled with back-up confirmation of what we offer you:

GENETIC REALIZATION (PERHAPS YOU WILL WANT TO TRY GAIA-SOURCE)

What do you have today from the "real" world of medical "break-throughs"? Three things from CNN this morning: "1) Alzheimer's is a GENETIC malfunction. 2) Heart disease is NOW LINKED TO GENETIC MALFUNCTION and, 3) Breast cancer is linked to GENETIC problems." Interesting?!? So, what will be the next step in this unfolding drama of life and death? Yes indeed—years of RESEARCH and NEW DRUGS to further alter the genetic structuring, along with outrageous surgeries ad nauseam. **WOULD IT NOT BE BETTER TO SIMPLY TAKE GAIANDRIANA, LET THE BODY SORT ITS PERFECT GENEDNA STRUCTURE AND RECLAIM AND RESTRUCTURE ITS OWN PERFECTION?? IT SURELY SEEMS MORE REASONABLE, INEXPENSIVE AND PROBABLE IN PERFORMANCE THAN MUTILATION, DEAD-BLOOD-GIVING AND POISONING THE ENTIRE SYSTEM TO RECALL ONE OR TWO GENETIC FRAGMENTS!** That, too, of course, is up to you.

I am not told when an updating of product availability is being offered. I had been told that by the end of October a "program" would be available. There were slow-downs because of need to properly "clear" facilities and that meant remodeling, reflooring and rebuilding facilities. It also meant the investment of MOVING into new quarters for same at expense unavailable. Thank you for being patient—because I believe that with the next "batch" of GaiaLyte the basic "program" components will be available. I do not push rivers, readers but I do urge you readers to carefully consider the potential for well-being of that which we offer. You are in a time when "they" are out to depopulate and bring you, in addition, into economic slavery. I sug-

gest, therefore, that you "get" while you have some health left to improve and some income with which to acquire the means. **GET HEALTHY** and you can stay healthy for a long, long time.

GOD CREATING

YOU, of God, are given great gifts with your birthing onto this stage of experience. You are given "reason", "choice in free-will" and ability to CREATE. You can create good health or allow your enemy to destroy it. You can act in such ways as to cause the adversary to have no power over you or your nation—OR YOUR GLOBE. But do you remember "how" to Create? Creation is never violent, forceful or negative to any God-Creation. **GOD CREATES NEW AND BETTER WAYS—SATANIC FORCES CAN ONLY USE THAT WHICH IS ALREADY CREATED AND FUNCTION IN TOTALLY PHYSICAL DIMENSIONS.**

IF YOU WISH TO CHANGE A THING—YOU MUST CREATE THAT WHICH WILL BRING IT INTO BEING—IN GOODNESS. **GOD HAS THE "POWER" OF THE UNIVERSE—YOU ARE OF GOD CREATOR—THEREFORE, YOU ALSO HAVE THIS POWER WHICH SURPASSES ALL—IN THE UNIVERSE. IS IT NOT TIME THAT WE USE THESE THINGS GIVEN FROM CREATOR TO CREATE OUR PERFECTION?**

Gyorgos Ceres Hatonn

November 8, 1993

(Day 84, Year 7 and counting—)

This volume will be called:

RUSSIAN ROULETTE

AMONG OTHER THINGS

Is it not time to cease gamboling and gambling away your life resource while you frolic through the play of life—chancing destruction? You who move about in ignorance are as the gamblers who are at the mercy of the informed players. Those informed players—intent on WINNING the game of "chance"—are ahead of you who would live in peace and harmony through your physical experience. The playwrights have worked their pre-considered "rules" for the game—so that YOU LOSE! Is it not better to KNOW and have Creative ability to win this game?

DEDICATION

To all who would learn Truth, use Truth and WIN this game of chance and challenge on this stage of physical expression, we

dedicate these bits of information for your knowledge "banks" so that you are armed with TRUTH and FACT as you meet your enemy set to bring you DOWN.

HOW?

"....It is where we have emerged. We have come to the top of the Earth. We are to be here. We are to remember our responsibility. We are to take care of our responsibility. We are to take care of it in such a way that is will not be necessary for us to go back through the hole to escape the destruction which we allow to happen if we do not speak on behalf of those who shall come after us, if we do not act on behalf of those who shall come after us. If we do not do something to change the course of history, first within ourselves, we will then note the chang is the seventh direction, the direction within ourselves, which must be mastered."

The SILVER-GOLD IMPERIAL EAGLE, my brother: LITTLE CROW, whose way is far more difficult than is mine. (November 25, 1990)

One of the things that was the most confusing and misunderstood and not comprehended was the diversity of all of our different peoples. All of the different tribes which lived upon this land were as different in their activities and their culture and the things which they did as the stars in the sky seem to be as numerous and as different in size and brightness. It was not recognized that each tribe had different values, structured upon their myths and the ways of their creation in which they were given. Failure to recognize that has been what has circumvented all attempts at total assimilation of Indigenious people.

Letters to the Editor:

Jews' history: Khazzar version is lie

There is a fundamental factual error in the Oct. 17 letter, *Russian Jews' ancestors didn't come out of Israel*, by Stan Lerner.

He claimed that the *Encyclopaedia Britannica* identified the Ashkenazi Jews of this century as descendants of a tribe of converts to Judaism called the Khazzars.

This assertion is completely false. In fact, the *Encyclopaedia Britannica*, 15th edition, states that Ashkenazi Jews are those who trace their roots through Italy and Palestine in the second century, while Sephardic Jews

are those who lived in Babylonia under Persian rule in the same period.

The Ashkenazis originated in Palestine and were under Roman/Christian control, whereas the Sephardis lived in Babylonia. They had been forcibly exiled to Babylonia from Palestine after the destruction of the second temple.

There is no mention of the "Khazzars" under the "Jewish History" heading of *Encyclopaedia Britannica*.

Ironically, and perhaps intentionally, the word "Khazzar" is very similar to the word mean-

ing "pig" in Hebrew and Yiddish.

The "Khazzar" version of Jewish history is often promoted by Arab countries who wish to make illegitimate the state of Israel. They claim that European Jews have no right to the land of Israel because they did not originate there.

In North America, this story has been picked up by notorious hate-mongers for the same purpose. Such statements are false, and must be exposed for the lies that they are.

STEPHEN SHOSHAN
Toronto

To: The Toronto Star
Letters to the Editor

Date: 11/4/93

From: Nora Boyles
P.O. Box 27353
Las Vegas, Nv 89126

Subject: Response to Stephen Shoshan's letter in the 10/31/93 issue of the *Toronto Star* titled, "Jews' history: Khazzar version is lie".

In his letter to the Editor Mr. Shoshans is apparently attempting to prove, via the 15th Edition of the *Encyclopedia Britanica*, that the "Khazzars" did not, and do not exist, and that the Ashkenazi Jews originated in Palestine! He also asserts that the "Khazzars" version of Jewish history is often promoted by "Arab countries who wish to make illegitimate the state of Israel", and by "North American hate-mongers."

I'm sorry Mr. Shoshan, your research has only just begun! Try looking in the *Jewish Encyclopedia* for the answers. When you start looking, please know that the name "Khazzar" has been spelled in numerous ways [i.e., Khazar, Chazar, Gazar, Ghuzz, Scythian, Hun, Goth, Tatar, Crim Tartar (from Crimea), Krimcheks, Crimcheks, Hussars, Ashkenazi, Ashkenasi, Ashkenasy, Askhenasy, Mongolian, Barbarian, etc.]

I list a few references where you might begin: *The Jewish Encyclopedia*, Funk and Wagnalls, Pub., N.Y. and London; *The Encyclopedia Judaica*, Keter Pub., Ltd., MacMillan Co., Jerusalem; *The Thirteenth Tribe*, by Arthur Koestler, Pub., Random House, N.Y., (1976); *History For Ready Reference*, J. N. Larned, Ed., C.A. Nichols, Pub., (1901); *The Encyclopaedia of Islam, Vol IV*, Pub., Leiden, E.J. Brill, (1978); *The Vinland Map and Tartar Relations*, by Skelton, Painter and Marsten for the Yale University Library, Yale University Press, New Haven and London, (1967).

Please be aware also that different editions of any encyclopedia will vary in its presentation. I do not have access to an *Encyclopedia Britanica*, and could not check it. However, this is the first time I have seen the word spelled as you spell it, Khazzar.

The Khazars did and do exist. They had a known Khan over them at the time of the Crimean Conflict in the 19th-century. They no longer have a "recognized" country, but became international traders (See *Columbia History of the World*) *The Jewish Encyclopedia* has a excellent article titled, *Chazars*. The Chazars publicly accepted Judaism in the eighth Century. They are sons of Japheth, not Semites, per Biblical accounts. "Ashkenazi" was a son of Japheth.

THE WORD

Tapes, Transcriptions & Videos

In addition to audio tapes of meetings with Commander Hatonn and written transcriptions of some taped topics, *THE WORD* also offers other tapes and videos on selected topics.

Donations to cover the costs of tapes are \$4.00 for one tape, \$6.00 for two tapes and \$2.50 per tape for three or more, except where otherwise noted. The transcriptions are \$3.00 each. (Mexico or Canada add \$0.25 and other foreign countries add \$0.50 per tape or transcription.) Postage is included in tape and transcription prices.

Please send check or money order to: *THE WORD*, P.O. Box 6194, Tehachapi, CA 93582 or call 805-822-4176 if you have questions or you wish to use your Visa, Discover or Master Card.

If you desire to *automatically* receive tapes from future meetings, please send at least a \$50 donation from which tape costs will be deducted. We will try to notify you as your balance reaches zero.

Special Order tapes are noted below by * and are not automatically sent since this material is usually either already in print or will be soon. Available written transcriptions are noted by #.

The following is a complete list of meeting dates with the number of tapes in **bold** in parentheses and mentioning if the meeting has a special focus:

Defrauding America by RODNEY STICH

A PATTERN OF RELATED SCANDALS

Makes the Godfather Saga Pale by Comparison

**Dirty Secrets
of the CIA
and other
Government Operations**

Written by an insider

**Author of
UNFRIENDLY SKIES**

* One of the most explosive books ever written on how corrupt federal officials in control of the three branches of the federal government are defrauding the American people.

* Written by an insider, with additional input from many former CIA and DEA deep-cover personnel.

* Exposes the corruption in the U.S. bureaucracy, the courts, and Congress, making fools of the American people.

* Explains how Americans are duped by every government check and balance, and taken to the "cleaners."

* Reveals where some of the billions of dollars stolen from the American public is concealed.

* Explains how crooked federal judges are bribed, and the source of the money.

* The heart-rending story of a small group of concerned citizens seeking to expose deeply-ingrained criminal activities by federal officials. The book exposes, for instance:

* Massive drug trafficking into the United States by the same agencies responsible for preventing it: CIA, DEA, Customs, and Justice Department officials.

* CIA looting of U.S. financial institutions and where much of the money is hidden.

* CIA operation known as "October Surprise," and the mechanics of its criminal coverup.

* Chapter 11 courts as a criminal enterprise, looting the life's assets of innocent people.

* Practice of criminal coverup in Congressional "investigations."

* Criminal complicity by Justice Department personnel, federal judges, members of Congress.

* Killings, mysterious deaths, felony persecution of whistleblowers and informants.

New Gaia Products

GAIANDRIANA

Gaiandriana is a non-alcoholic health tonic which provides basic "foods" to help cells, weakened by the stresses of modern life, to return to a state of health.

The better our cells function, the greater is the stamina returned to our internal defense systems, and the better we can counter the constant onslaught of biological and viral invaders. The end result is a feeling of well-being by, of course, being well.

The Gaiandriana (commonly referred to as "chondriana" in the Biological literature) are capable of intelligent, organized attack against cellular invaders like viruses. Think of it as a "pac-man" operation of sorts. However, beyond that, the Gaiandriana are capable of stimulating cellular structural repairs due to damage caused by, for instance, free radicals and cumulative levels of so-called "background" radiation in our modern environment. Healthy DNA and RNA within the nuclei of our cells then lead to properly formed and concentrated enzymes, upon which healthy cellular function depends.

Gaiandriana liquid is made entirely from wholesome natural ingredients.

AQUAGAIA

Complementary to the Gaiandriana product, Aquagaia is also a non-alcoholic health tonic which provides basic "foods" to help cells, weakened by the stresses of modern life, to return to a state of healthy function.

Aquagaia contains *mitochondria*. These are the major biochemical energy "processors" within cellular metabolism. First, enzymes begin the breakdown process of organic nutrients (like fats, carbohydrates and proteins) to intermediate substances such as amino and pyruvic acids. Then, in the next "bucket brigade" step, these various acid molecules are processed within the mitochondria to release chemical energy recognized as adenosine triphosphate (ATP).

About 95% of the energy needed to "run the machinery" that keeps each cell going and healthy is produced in the mitochondria. Unfortunately, the mitochondria are particularly damaged by free radicals and cumulative levels of so-called "background" radiation in our modern environment. These compromised mitochondria, like half-dead batteries, then lead to impaired cellular functioning and health. Thus is the importance

of Aquagaia, with its assimilable supply of healthy mitochondria — like "fresh batteries" for the body's cells.

The better our cells function, the greater is the stamina returned to our internal defense systems, and the better we can counter the constant onslaught of biological and viral invaders.

2/11/93 #2 HATONN

GAIANDRIANA & AQUAGAIA

To help in understanding the workings of these organic "pac-men" you must realize that there is a protein covering "cap" on viruses. The protein cap is centered on a charged zinc atom and is the part of the virus that recognizes and binds to DNA—in turn allowing the virus to reproduce.

Aquagaia, in conjunction with the Gaiandriana, knock out the zinc atom (a simple "charge" change), which renders the protein ineffective. This is a breakdown of "parts" of the Gaiandriana male-female DNA structure which releases many working variants but frees the Gaiandriettes or "killers" to take out that zinc atom and pass right into the affected cell. Without the "cap", the virus cannot reproduce and infect more cells—further, the damaged virus feeds the Gaiandriana unified cells and the circulating mitochondria.

Healthy cells are not affected because they lack the zinc-centered protein cap on the virus.

These "Gaia" compounds have an effect on cancer cells because they stop an enzyme on the cancer cells from producing a "messenger" molecule that blocks a second enzyme from attacking the cancer cell's DNA. The compounds (Gaia) have been seen to actually take out leukemia, breast, brain and colon cancer cells. We have no claim to anything other than stating that people utilizing these simple and natural substances do show improved well-being and do report feeling generally and, often remarkably, improved as to state of health, thought processes and stamina.

The obvious conclusion is that there might well be good reports of better health and faster recovery, following infection by other viruses, than those mentioned above. All viruses known react in generally the same manner.

It is known that many diseases are due to retroviral DNA and these are the most affected viruses by the Gaia-chondrianas (living crystal forms). We, again, make no medical claims—we are simply reporting in

an effort to explain WHAT takes place within the cellular structures of living organisms.

NOTE

If any product you receive has an unpleasant odor — it is from the finishing culture process. Leave the bottle open to air and it will quickly dissipate. Then, depending on taste and preference—**refrigerate after opening** and reclosing.

IMPORTANT: Do not mix the two, Gaiandriana and Aquagaia, together for storage as the Aquagaia (mitochondria) are aggressive and begin to "eat" the Gaiandriana for fuel. Once ingested, they go about their appointed tasks, but in bottle prisons they are not particularly compatible once the available fuel supply is exhausted. Juices are excellent to take with the Aquagaia because the mitochondria must have the fuel derived from same, the most effective juice being from the tropical "Guava" fruit. Any juice is fine, however, and is most pleasant to intake. Diabetics should utilize whatever juices are available on their food plan to keep within the safe guidelines for calories and other requirements.

The most innocuous and easy intake available is simply a few drops under the tongue, both products taken at the same time or at different times of the day. Once the "initial" program is completed, and the maintenance level of intake is being followed, certainly the drops under the tongue are the least annoying to any daily regimen.

A-C-E ANTI-OXIDANT FORMULA

There is growing evidence that essentially everyone in our society is exposed to free radicals, now more than ever. While free radicals are normal products of our cells and have certain beneficial roles in the body, increased levels of free radicals in our body tissues can be detrimental to our health. Free radicals are highly unstable substances produced in the body through, among other routes, metabolism of oxygen. Free radicals multiply through a series of chain reactions and can attack the polyunsaturated fatty acids of cell membranes. Unless excess free radicals are neutralized, they can cause considerable damage to the structure and function of cell membranes and thus, the cells themselves.

The products from free radical reactions are implicated in the progressive accumulation of deleterious cellular changes over

time, which may eventually result in recognizable disease. Free radical damage is implicated in the initiation and promotion of many cancers, as well as atherosclerosis.

One area of aging research suggests that free radicals damage body cells and cause the pathological changes associated with aging. Besides being by-products of the metabolism of oxygen, such as during strenuous exercise, we are also exposed to significant sources of free radicals from the environment, such as from so-called "background" levels of ionizing radiation.

Cooperative defense systems that can protect the body from free radical damage include certain enzymes and the antioxidant vitamins A, C, and E and Beta-Carotene, which protect cell membranes from oxidative damage. Vitamin E, one of the fat-soluble vitamins, is present in the blood as d-alpha-tocopherol and is well accepted as the major antioxidant in lipid body tissues. Vitamin E is considered the first line of defense against cell-membrane damage due to peroxidation. Vitamin E scavenges free radicals, terminating chain reactions and confining damage to limited areas of the membrane. Selenium contained in the enzyme glutathione peroxidase is the second line of defense that destroys peroxides before they can damage cell membranes. Beta-Carotene, a precursor of Vitamin A, also traps free radicals. Vitamin C is water soluble and serves to neutralize free radicals in aqueous systems.

The antioxidants show promise as cancer-prevention agents, alone and in combination.

ALOE COMPLETE

**(Whole Leaf, Cold Pressed
Aloe Vera Concentrate)**

Aloe Vera has a long and impressive history that spans hundreds of centuries, countries and cultures, and appears in countless "folk remedies" as a plant revered for its healing qualities.

Aloe Complete is a whole-leaf concentrate prepared from the freshly harvested leaves of the *Barbadensis Miller Aloe Vera* plant. **Aloe Complete** guarantees a minimum of 10,000 mg. of mucopolysaccharides per liter.

The nutrients reported in Aloe Vera include mucopolysaccharides and polysaccharides (glucomannans), glycoproteins, glucose, mannose, galactose, xylose, arabinose, tannins, steroids, organic acids, antibiotic principles, glucuronic acids, enzymes (oxidase, catalase and amylase), trace sugars, calcium oxalate, a protein containing 18 amino acids, "wound healing" hormones, biogenic stimulators, saponins, vitamins B1, B2, niacin, B6, choline, folic acid, chloride, sulfate, iron, calcium, copper, sodium, potassium, silicon, manganese, plus many other metabolism-assisting components.

GINKGO BILOBA **(Ginkgo Biloba extract, 24%)**

The Ginkgo Biloba extract is a complex compound. The green leaves of the tree are usually harvested from trees grown on plantations in South Korea, Japan and France.

Ginkgo is reported to have a natural affinity for the nervous system. It also seems to stimulate the vascular and endocrine systems that, in turn, strongly affect the function of the nervous system, possibly increasing the capacity for normal physical activity, and the flow of blood to the brain. Some research indicates the possible effectiveness of Ginkgo in the treatment of Alzheimer's disease.

Due to its pharmacological properties, Ginkgo is now widely used throughout Europe for treating many forms of vascular disease. In a survey of packaging information of European products, Ginkgo has been recommended for such ailments as headaches, vertigo, inner-ear disturbances, diminished intellectual capacity and alertness as a result of insufficient circulation to the brain, anxiety, and depression, to name a few.

Ginkgo Biloba Extract (24%) is concentrated from the leaves of the Ginkgo Biloba tree. The highly specialized extraction process yields a 50:1 concentrate from the leaves (50 grams of leaf produce 1 gram of extract). The extract is then further standardized to contain 24% of the active Ginkgo Flavoglycosides.

CHLORELLA

Chlorella is a nutritionally balanced whole food and contributes to the health and growth of human cells like no single vitamin or mineral possibly can.

Chlorella is extremely high in protein (60%) and contains more than 20 vitamins and minerals, 19 of the 22 essential and non-essential amino acids, enzymes and chlorella growth factor. It is one of the richest sources of RNA and DNA known and has twenty times as much chlorophyll as alfalfa, 10 times more than other edible algae including spirulina, and 10 times more than barley grass.

Chlorella is a natural vitality enhancer. The vitamins found in chlorella cells include: vitamin C, provitamin A, B-carotene, chlorophyll-A, chlorophyll-B, thiamine (B1), riboflavin (B2), pyridoxine (B6), niacin (B3), pantothenic acid, folic acid, vitamin B-12, biotin, choline, vitamin K, PABA, lipoic acid, inositol and para-aminobenzoic acid. The minerals include: phosphorus, potassium, iodine, magnesium, sulphur, iron, calcium, manganese, copper, zinc and cobalt.

The amino acids include: lysine, histidine, arginine, aspartic acid, threonine, serine, glutamic acid, proline, glycine, alanine, cystine, valine, methionine, isoleucine,

leucine, tyrosine, phenylalanine, ornithine, tryptophan.

The suggested daily consumption is 3 grams per day.

ECHINACEA GOLD PLUS **(with American Ginseng)**

In recent years few medicinal plants have garnered as much attention as Echinacea (*Echinacea Purpurea* and *Echinacea Angustifolia*).

Echinacea is a non-specific stimulant to the immune system. Claims for Echinacea include: stimulation of leukocytes, mild antibiotic activity, anti-inflammatory activity, stimulation of the adrenal cortex, stimulation of the properdin-complement system, interferon-like activity, stimulation of general cellular immunity, and antiviral activity. Internal preparations are said to assist in alleviating cold and flu symptoms, respiratory infections, and arthritis, to name a few.

Goldenseal (*Hydrastis Canadensis*) is among the most popular herbs in the American health food market. Uses are numerous, including but not limited to: antiseptic, hemostatic, diuretic, laxative, and tonic/anti-inflammatory for the mucous membranes, hemorrhoids, nasal congestion, mouth and gum sores and eye afflictions.

Few medicinal plants in the world possess Ginseng's near-legendary status. Dating back thousands of years, its history of use in the Orient records therapeutic properties so wide ranging that it was first dismissed by Western doctors as a "panacea". When fatigued, Ginseng reportedly restores both physical and mental functions to peak efficiency and, with regular use, improves resistance to disease and stress. American Ginseng's genus name is *Panax Quinquefolius*.

Over 40,000 species of mushrooms exist, many of which are used as medicines. Of particular note are such remedies as penicillin- and ergot-based extracts used in migraine treatment, to name a few. Extensive research has been done with one mushroom in particular, namely, Reishi. This mushroom is now considered a tried and true immune system fortifier.

OXY TODDY

Made from pure Aloe Vera juice from organic Aloe Vera plants, this product is oxygen-enhanced with 35% food grade hydrogen peroxide, minerals, whole Aloe Vera pulp, 60 colloidal plant minerals (an aqueous solution), and natural flavors.

One ounce of **Oxy Toddy** contains approximately 20 drops of 35% food grade hydrogen peroxide. This product contains no sugar, fillers or starches and is cold processed to ensure maximum enzymatic activity.

Hydrogen Peroxide Use For Water Purification

To purify water (of viruses as well as bacteria and other critters) for drinking purposes, use 10 drops of 35% Food Grade Hydrogen Peroxide per gallon of water and agitate container enough to mix well.

Locating the 35% Food Grade Hydrogen Peroxide can be a problem as the Elite effort to close down everything that promotes health, from products to therapies. Food Grade Hydrogen Peroxide is necessary as the drugstore (3%) variety contains additives and stabilizers not good for ingestion.

72 Hour Kit Checklist

- Water**
Stored in a portable container. Rotate regularly. Have at least three gallons per person (for a three day supply). Have a water purification method.
- Food**
Suitable for long term storage. Packaged to prevent water damage. Include cups, utensils, paper plates and a can opener, if needed.
- Extra Clothing**
A complete outfit of warm clothing for each family member. Include extra socks, and underwear. Include walking shoes.
- Warmth & Shelter**
Coats, hats, scarves, and gloves for everyone include warm blankets (wool or emergency blankets are best). Rain ponchos, garbage bags, and/or umbrellas to keep off the rain. Warm Packs or other heat source. Pup tent or tarp.
- Light Source**
Flashlight with extra batteries or a chemical lightstick. Kerosene lanterns are fine, but any flame may pose a hazard, especially near potential gas leaks. Have at least two quick and safe light sources in your kit.
- Tools**
Pocket knife, lightweight shovel, duct tape, matches, pocket sewing kit, screwdriver.
- Important Papers**
Important family documents (such as birth certificates, marriage certificates, insurance forms, wills), addresses and phone numbers of relatives, and places to meet if separated.
- Money**
Keep at last \$20 in your kit. Be sure to include quarters for phone calls, etc.
- First Aid Supplies**
Pain relievers, bandages, antiseptics, clean cloths, burn ointment. Include any personal medications.
- Special Needs**
For babies: diapers, ointment, bottles & pacifiers, hand towels, special foods, and other supplies as needed. Consider the needs of elderly people as well as those with handicaps or other special needs.
- Stress Relievers**
Card games, books, small hobbies, hard candy, Bible. For children: small toys, paper and pen, favorite security items.
- Communications**
Portable radio with batteries, signal mirrors, whistles, red flags, signal flares.
- Personal Sanitation**
Sanitary napkins, razors, toothbrush, hand soap, dish soap, towels, toilet paper.
- Portable Container**
Such as a book bag, backpack, or duffel bag. Should be easy to carry and lightweight. Shoulder straps are best for traveling long distances.
- Additional Items**
Added as carrying weight and expense of kit will allow: Extra food, camp stove and cooking equipment, tents, sleeping bags, sun block, insect repellent, portable toilet.

PHOENIX JOURNALS LIST

THESE WORKS ARE A SERIES CALLED THE **PHOENIX JOURNALS** AND HAVE BEEN WRITTEN TO ASSIST MAN TO BECOME AWARE OF LONG-STANDING DECEPTIONS AND OTHER MATTERS CRITICAL TO HIS SURVIVAL AS A SPECIES. **SINGLE JOURNALS** ARE \$6.00, **ANY 4 JOURNALS** ARE \$5.50 EACH, **10 OR MORE JOURNALS** ARE \$5.00 EACH (Shipping extra - see below).

**** These marked JOURNALS are out of stock until further notice.**

1. SIPAPU ODYSSEY
2. AND THEY CALLED HIS NAME IMMANUEL, I AM SANANDA
3. SPACE-GATE, THE VEIL REMOVED
4. SPIRAL TO ECONOMIC DISASTER
