MERRY CHRISTMAS AND MAY YOU HAVE A NEW YEAR!

12/19/93 #1 HATONN

MORE ON
THE INVISIBLE PATHWAY

MERRY "X"-MAS

*Tis the week before Christ's Mass
and all through the world
Marchers tramp in insane blindness
to gather scraps of this or that
To find joy in that which does not exist
but only the merchants find drive to persist—
So that confusion will cloud the day
That none shall hear what the wisemen say.*

*Rap groups with condoms atop their heads,
Feed the frenzy of the walking dead...
Amusing, "they" call it, as the masses sway
to the haunting strains of "Dead Man's Day"
While the writhing bodies swing in and out
to expound the tale of "Silent Night"
"God forgive them for they know not what..."
abounds this day in Satan's sights.*

*TO TAKE ALL GLORY FROM THIS
WONDROUS DAY
ONCE MEANING LOVE AND FRIENDSHIP
TIES
NOW BECOME THE EVIL SIGN OF THAT
WHICH OFFERS*

VIEWING—AS A PLANET DIES....

*YES, GOD, PLEASE—FORGIVE THEM FOR
THEY CANNOT KNOW
THAT DEATH AND DARKNESS AWAIT
THE DOOR.
TO YOU WHO WILL—PLEASE TAKE MY
HAND...
FOR I'M GOING HOME TO GOD'S
LIGHTED LAND—
GOD HAS SENT ME TO BRING YOU HOME.*

Always Right Time For Lessons

12/14/93 #1 HATONN

IT WAS THE BEST OF TIMES—IT WAS THE WORST OF TIMES, BUT IT IS ALWAYS THE “RIGHT TIME”! Hatonn. All you need do is sort out the best from the worst and “carry on” without distraction.

DISTRACTIONS FROM “THE” WORK

You cannot “distract from” our work—everything going, even into the injustice system of the court halls of injustice is OUR WORK, without which you could move in only one direction—downward into despair. YOU CAN CONTROL WHAT HAPPENS EVEN INTO THE COURT HALLS OF INJUSTICE—IF YOU PERSISTENT AND STAY THE COURSE. IS IT DIFFICULT? NO, NOT REALLY. It DOES mean you have to attend and do YOUR PART. You are going to see, very soon now (perhaps this morning), what you will consider “miracles”. NO—not miracles, but rather the results of your focusing power and attention onto the corrupt Elite in stations of insipid use of the power stolen from you. Perhaps I will allow you to watch it unfold. Do you think Gunther Russbacher would even be “talking” about release this day if it were not FOR YOU? No, give your GOD-joint venture with YOU, total credit and there is NOTHING you cannot accomplish on the face of the Earth! I think it is nice that we are able to SHOW you some “Christmas gifts” which were unexpected ‘neath your boughs of holly berries.

TIDY-BOWL MR. KLEEN

Karen put it picturesquely, “Hatonn is the Tidy-Bowl man flushing out the toilet.” Well, perhaps—but again—it is NOT ME. You ones are doing two things, 1) becoming observant and realizing you have enemies among you and WHO they are, and 2) the enemies are sorting out themselves.

Some just vacillate back and forth to and from anyone who seems to offer a better “deal” and according to how angry you are with one group—turn cunningly to and integrate within “the other”. The problem with this manipulation and lack of discernment as to honor and credibility is exactly “that”: you lose all credibility in BOTH groups and will become USED by the adversarial side—EVERY TIME. Does it

We can want peace, but unless we are spiritually at peace ourselves, we don't mean it. It is our thoughts which keep that part of the universe where each of us stand out of or in balance.

7/8/90 Little Crow

mean that your “intent” is necessarily “shady”? Yes, why else would you continue to do and repeat that which brings any kind of discord down on the heads of ones you CLAIM to share allegiance?

Do YOU think that God will accept you back following indiscretions? Yes? Oh, you may well be correct about GOD—but you are awfully WRONG about individual missions of messengers sent BY God.

Stories are being funnelled back to ones, Fort, Green, Anderson, lawyers of the above—but who have been so absolutely corrupt and indiscreet as to only do in themselves—from this place to the extent that you must look at the “claims” of those very people named in this paragraph.

Green still claims in a court of law that he gets direct information from (and names them) such as Berger, Sutton, Young (P.), contacts of Dr. Young and on and on and on. It doesn't seem that you ones who are named ever learn to separate yourselves from the elements USING YOU. I don't know where you get the idea that everything is “ok” in fantasy-land. Some of you want to deal with and actually work within the paper, publishing, marketing and literally move within the dwellings of some of the team or within corporations which have no reason to have you present under ANY circumstances. There is no group here through which you have any claim AT ALL. Are you guilty of adverse actions? What difference does it make if you CONTINUE to allow what you say or do to be used? If you “Just ALLOW”—FINE—but go “allow” somewhere else. Rewards for service which pulls down a mission or a company through carelessness OR full intent—is not tolerated—ESPECIALLY IN THE WORK OF GOD IN THIS TIME OF AWAKENING—I don't care who you THINK you are. Besides, I am WEARY of you allowing the adversary quarter and even assist him in his ongoings against us while allowing us no opinions, no right to sort, and actually fully “demand” entry and participation in that which continues to HAVE NOTHING TO DO WITH YOU—SAVE THROUGH YOUR OWN DECISIONS MADE TO LOCATE HERE. Some “wait” so they can eventually “take” and “be made a place”. No—forget it because if you cannot follow the level of fundamental actions and intent within the laws and the Laws of God—leave us OUT OF IT.

Some who attend our little meetings even participate with illegal substances from time to time. Is this wrong? As long as it is against the law—it is WRONG! Is it my business? No—only as it impacts that with which I serve as CEO. If you can't leave pot, etc., to the garbage with no stench or molecule on breath or body, then come around My company offices—then I don't want you around the company offices.

THIS is not being nasty and mean—this is purely good sense and respect for both parties. You are WATCHED and if you think the enemy is not working day and night around the clock to CATCH you at so much as breathing wrong—you are mistaken. You have NO RIGHT to jeopardize another—in work or body.

If you, who work here, do not agree and continue such actions—where are the ones who DO HAVE responsibility of the premises and are stewards of the various companies in this place, or elsewhere? Just because you claim to love God and perhaps, almost, “like” me, is no demand on anyone for anything.

Some of you are in the midst of sorting out yourselves—from the adversary or from this working participation. Either is not my business as to “you” personally—but what happens with those who do have full intent in service and petition for insight and discernment—ARE GOING TO GET IT! YOU SHALL BE KNOWN BY YOUR WORKS AND BY THE COMPANY YOU KEEP! FAIR? YES, BECAUSE “THAT” IS THE ONLY “JUDGMENT” YOU MAY HONORABLY HAVE. A “test”, students, is not a test if you know the questions so you can fudge the answer! Ponder it. If you run hot and cold like the water faucets when you are “put out”—then be elsewhere—for it takes 100% to pass God's testing and you can't HIDE INTENT from GOD!

FRIENDS

Dharma petitions me: “But what of friends who have come to share and just can't seem to ‘get it together?’ Well, face it, sleepyheads: these are NOT, number one, friends, and two, there is no “group” from which to “drop” out. If you have a “block party supper” or a “neighbor” open-house in the street called a “street party”, does this give YOU right to your neighbor's property, business, library or anything else? Then why do you seem to think it right, and even demand, that you have access to anyone's companies or property in our association of enterprises or businesses? Would YOU treat the *Tehachapi News*, the *New York Times*, ETC., like you seem to think the CONTACT is open to be treated? If you “volunteer”—look within and see to whom and to what do you “volunteer” service? Do YOU have a “right” to “demand” that you be allowed volunteering? Why? Would you go down to the *New York Times* and demand that you be in the mailing crew, layout crew or whatever? What would they do at the *New York Times* if you were caught with a key to their offices and found you in those offices day or night? When you can treat God's property and our business as you would ANY and EVERY OTHER business—then and only then, can you move forward in trusted security of God's stewardship. If you don't “understand” this, then you have NOT STUDIED THE MATERIAL REGARDING ANYTHING TO DO WITH OUR MISSION.

Does this mean that we don't want or “like” volunteers? For goodness sakes, WE COULD NOT FUNCTION WITHOUT THAT WONDROUS GIVING AND SHARING OF OUR FAMILY HERE. “Waiting upon God” is one thing—just “waiting” until you can “get something” is quite another! It is perhaps time EACH moves within and begins to sort out this “waiting” game.

Changes

12/14/93 #1 HATONN

There are a lot of changes coming down RIGHT NOW. I have to have Dharma freed-up and that means I must also have E.J. freed-up. There is plenty of information flowing to keep right on top of things at the paper, in the JOURNALS (regular), etc. I cannot keep Dharma writing and E.J. up into the wee hours every night sorting the writings and running the myriads of tasks for which he volunteers service. I need them both for the next while in altogether different arenas. We have many new plants in our nursery which need planting and nurturing and I will not even leave that information into their minds—we will take one fragment at a time. This will take time, space, and being left alone from other impacts.

It is a "time" when just this Christmas season we have court mandatory hearings, depositions on at least five cases during the days ahead—starting tomorrow (15th), the 17th, two (known) on the 22nd, on the 28th, etc. It never lightens—it just gets so oppressive as to be unable to write and/or attend holiday anything. There is no tree or ornaments around this place—for our ones can't even yet tell if the law is going to somehow force them into the street. It has been this way for SIX holiday Seasons!!

If friends come of which we have awaited—then we will have to pool resources and pots and have a family thing or two which is shared. It will be a blessing—not an adversity.

I am asked to get involved, or at least speak on, subjects which pour in every day. I shall continue to do what we can and more and more depend on the CON-TACT crew, i.e., Rick, etc., to fill in the updates. He is receiving and discussing 12 to 18 hours a day.

DR. YOUNG

Our hearts are grateful that Dr. Young has postponed any moves or changes for the interim time of great need here. He is picking up his role as Chief Editor again until the dust settles at the least. The paper and JOURNALS are the voice among our people and are, therefore, more important than any scientific "invention" awaiting attention. God rarely works in his response to your offer to serve by allowing it to be as YOU PERCEIVE IT SHOULD BE.

In the separation of the chaff from what we perceive to be the kernel—we often overlook the magnificent qualities and uses of that "chaff". Even as with grain—the chaff holds the fiber, the elemental substances of LIFE in greater abundance than does the grain kernel. Does this mean that you should EAT **ONLY** ground chaff? No, it means that you must not overlook the magnificent role you play—for YOU have

no way to weight the value of the moment or the task—to self or the greater overall. Moreover, it is indeed a BIG person who can fill the space of teacher by incident, example or full intent—and arise from each and every testing—more worthy, more balanced and eager to move on without blip or self-flagellation. Every incident, every moment must be revelation and recognition of that which IS, and not just what you "think" it represents. God and Truth will ALWAYS stand the testing—into infinity!

New Book By Dr. John Coleman

12/14/93 #1 HATONN

I do wish to comment on a couple of things which are actually quite "personal" to many of you—especially in this location.

DIPLOMACY BY DECEPTION

By Dr. John Coleman

I am asked about Coleman and "our" relationship. To what relationship might you refer? Just about EVERY incident of negative relationship with one John Coleman, John Jr. and Lena were foisted off on the rest of us by one George Green. Even to the computers which Coleman took when he left this place, belonging to the paper and the Institute. George Green GAVE THEM TO JOHN! He had no right to do so—BUT HE DID SO. George Green even kept many, many volumes of John's first book and still takes rights of publication and distribution. Coleman had to go through another publisher just to get his OWN WORK out to you other than through Greens.

Now Coleman has released another book which I feel in its pertinent information exceeds the quality and information content of *The Committee of 300*. John has had to all but go underground because of publicity against him and actual revelations about him and his private experiences prior to his assuming the label of John Coleman. Does God care whether or not a man worked (works) for the CIA, British Intelligence or what? NO—GOD looks into the intent of a person at the current moment of expression. However, if EGO guides the journey, the man falls short and reaps the usual bitterness of return—instead of the sweetness of successful journey.

Am "I" going to help get John's book into your hands? Yes, every way I can—because it is information gathered and presented in such a way as to integrate it. Is the information "out there" elsewhere? Not in integrated format compiled into a reasonable Journal sized publication. Is it copyrighted? Who knows? You have to realize that only through copyright and/or ISBN numbers can anyone track the work of an author and get the work. The book stores, especially the "chains", are con-

trolled and WILL NOT CARRY MUCH OF OUR WORKS—BUT THEY ARE OBLIGATED TO A PURCHASER TO LOOK UP THE INFORMATION ON THE MATERIAL AND OBTAIN THE WORK FOR YOU IF STILL IN PUBLICATION.

I will share the back cover printing with you to give you a brief overview. I shall not, however, serialize this book without personal permission for it is NOT in any way attached to our work as was *The Committee of 300*. I congratulate and honor John for persevering and getting this work into print. The very least we can do is "advertise" the work.

QUOTING:

This is a true and accurate account of treasonous conduct by the British and American governments: An account of how their citizens are deceived by policies provoking actions that are totally detrimental to the well-being of their citizens. Thoroughly researched, the book provides a great deal of hitherto unpublished information and throws new light on such diverse operations as the Gulf War and the Bolshevik Revolution. The chapter on covert actions throws new light on the murder of Martin Luther King, Pope John Paul 1, and other notables marked for elimination.

The bloodshed that resulted from the creations of an artificial "Saudi Arabia"; the foreign policy making role of the petroleum industry; the rape of Mexico by British and American oil barons; the revolutions they ignited which cost thousands upon thousands of lives; British conquest of India, the pernicious Indian "apartheid" caste system. These are some of the subjects dealt with in this historic exposé of how our governments deceive us under the color of diplomacy.

Diplomacy By Deception tells us that the United Nations is a war-making body, not a peace-keeping organization, and how the Rockefellers and Alger Hiss, aided by the top Illuminati Dulles family, got the United States involved with the United Nations. There is a masterly analysis of constitutional roadblocks barring U.S. membership of the United Nations that will come as a surprise and leave no doubt that we are not now, nor can we ever be, a member of the United Nations.

Diplomacy by Deception will forever alter your perception of the two leading governments in Western civilization. This is an excellent companion book to the *Committee of 300* by the same author.

Learn To Play The Game

12/14/93 #1 HATONN

The next item involves the arrest of Phillip and Marlene Marsh and some members of their company and family.

This has been coming for a long, long time in spite of everything I could do to get ones to LISTEN to me. Do "they" "deserve" such treatment? Of course not—but if you push the river you are going to drown.

IRS RAIDS TAX-PROTEST GROUP

Federal agents have arrested leaders of Parker-based Liberty Foundation in a three-state operation. The "names" may mean nothing to most of you but this is also recognized as the "Pilot Group", etc. These people have been featured in every patriot sheet around and also on such programs as 20/20 and so forth. At first meeting with Gary Anderson, he was a major player WITH these people and was into "Trusts" and other such devious activities as to form a Constitutional Law Centre "trust" in order to steal from the Constitutional Law Center. This latter trick was perpetrated with George Green.

Do I mean that somehow the things they offered were not really "good"? No, I mean that from onset of our offerings we told you that some things would serve briefly and other things would not and if you set out to get rich off the people who trust you to "help" them—you deserve that which the law brings against you. As I see the following information, I have no comment and neither do I think "The Law Center" should hop in there and "do something". If, INDEED, there is abuse of CONSTITUTIONAL rights, that is altogether different. However, you will note a very conspicuous absence of claims about CONSTITUTIONAL items regarding taxes, etc. Please, as you read, NOTE THE CHARGES AGAINST THE PERSONS INVOLVED.

Do I have other observations? Yes, lots, but I will only mention a couple of them—Green and Anderson probably should be included in the arrests for the same fraudulent claims.

Article: Wed., Dec. 8, 1993, Rocky Mountain News.

QUOTING:

IRS raids tax-protest group. Federal agents arrest leaders of Parker-based Liberty Foundation in three-state operation. By Ann Carnahan, Rocky Mountain News Staff writer: Parker—The IRS has crushed the nations' biggest tax protester group, accused of bilking more than 10,000 people and the federal government of at least \$21 million.

Federal officials Monday swooped into the Parker offices of the Liberty Foundation, which claims Americans don't have to pay income taxes.

Six people were arrested in simultaneous raids in Parker, Aurora, Utah and California, where the group was based until early this year.

"Their avowed goal is the destruction of the IRS," Steven V. Giorgi, head of criminal investigations at the agency's Sacramento office, said Tuesday. "They have not succeeded."

The group's leaders, Phillip and Marlene Marsh, conduct workshops across the country on ways for taxpayers to "legally and permanently" remove themselves from the "voluntary" tax system. [H: Indeed, a worthy cause but so "against" the "system" that they could not be allowed to succeed. Until you people learn to stop fighting with little guns against the big guns, you cannot "win". You must play within their games and within their laws, even if they are not "Constitutional" because it is the NEW LAW OF THE LAND! These people did not have real "Constitutional" care about your nation and your freedom. They chose a fragment which could be built into a money-making market and sink a lot of unsuspecting participants into trusts, etc., which were destined to do you in.]

They coined the term "untaxing" to describe that process.

The foundation, formerly called the Pilot Connection Society, moved from Stockton, Calif., to Parker after it was raided by federal agents.

Leaders recruited people who "had trouble" with the Internal Revenue Service, Giorgi said.

Members paid between \$45 and \$10,000 for kits and services to learn how to disappear from tax rolls forever and conceal money in offshore trust accounts.

Giorgi would not rule out arrests of other members. He said that some were "willing participants" in defrauding the government, but that many were simply victims.

"All that many of them ended up doing was delaying the final call with the service," he said.

Phillip Marsh, 69, and Marlene Marsh, 57, who earned between \$1 million and \$6 million in 1991, according to affidavits, were arrested in Los Angeles.

Their daughter and son-in-law, Jill and Darrell Spencer, were arrested in the Denver area. Darrell, 25, was the general manager, and Jill, 27, was the office manager.

A foundation administrator, Robert Singleton, 59, was arrested in Salt Lake City, and Douglas Carps, 48, the trust producer, was already in prison on another charge. Two other foundation leaders were being sought.

All will be charged with conspiracy, mail fraud and aiding and abetting. If convicted, they could each face seven to 10 years in prison, Giorgi said.

Parker police and Douglas County sheriff's deputies participated in the raid, which culminated a three-year investigation by the California and Colorado office of the IRS.

As he spoke to reporters, Giorgi stood by a large photo of the Marshes.

END QUOTING

Oh, readers, my heart hurts for these ones and for you who simply are efforting at every

opportunity to save your nation and your property. However, winning comes from the full intent of service unto the "Godly" path. That means that you don't run around taunting the beast and daring him to attack. He is taunting you into thinking you can pull off some of these little accomplishments. Once you are sunk into the trap he will getcha every time. The articles appearing will be geared to destroy you and be filled with inaccurate information—IT IS THE GAME!

If you cannot set ego aside and run your little businesses in the shelter of your own LEGAL methods—you leave selves open for the SAME thing.

Didn't we spend a lot of time in JOURNALS writing on these Constitutional issues and advocating some of these same methods? Yes, when it was feasible to use them and if use of them was for the "right reasons" and not just to EVADE taxes. The Big Boys are not going to let you EVADE taxes. THEY WILL HELP YOU AVOID THEM IF YOU BE SMALL AND DO NOT ANNOY THEM—THEY WILL NOT TOLERATE OUTRIGHT BATTLE—SURELY YOU CAN BE MORE SUBTLE IN YOUR APPROACH TO THIS "WAR".

What will happen here? Well, you can be sure that the government Big Boys will not stop until there "ain't" nothin' left of that \$21 Million! If you choose to take these methods of protecting assets and selves—you can expect to get exactly THIS happening to you. Is it right? Readers, there isn't ANYTHING "RIGHT" ABOUT WHAT IS COMING DOWN—BUT IT IS COMING DOWN!

Little companies, corporations, out of Nevada which present no threat to the Big Boys will not be bothered. Investments which represent notes (loans) into use by such as the Institute in projects which do not "compete" in the major business arenas aren't a threat to them. "They" will even HELP you as long as you stay within their guidelines and rules. It is when you try to make a killing off their prey that you are going to get killed. It seems totally simplistic to me. Further, ANYONE who goes out there and tries to get an uprising going to insure "retention" of your property—is going to get squashed. YOU ARE NOT GOING TO GET RICH QUICK ON ANY OF THESE SCHEMES IN THIS DAY AND AGE, READERS—THEY WILL NOT ALLOW IT. YOU CAN, HOWEVER, SURVIVE NICELY IF YOU USE REASON, LOGIC, AND QUIETLY "CARRY-ON" IN SOLID INTENT WITH GODLY PASSAGE. BELIEVE ME, THE ADVERSARY DOES NOT WANT A CONFRONTATION WITH GOD OR HIS HOSTS! But, it DOES mean that you have to dot every "i" and cross EVERY "t". Don't and you're trapped!

HEALING "STUFF"

What about that which helps balance the body proper? What about it? We can offer a lot of things to a lot of people but there are so many who will not listen, will not see and cast us aside as absurd and evil that WE ARE NO SEEMING THREAT TO ANYONE IN ANY BUSINESS, RACKET OR EVEN "PRESS". You will, further, find that a "big bunch" of loose money and

property is only a sign to them to come and get it from you. A LOT of money is of no value when it is of no value—only a target marker. Beans used for barter will be more valuable and if you have too many of those—they too become a target marker. It is going to be a tedious journey and you aren't going to make it unscathed unless you get your "intent" in good positive order. God does not mind "tagalongs" with good intent—but he doesn't put up "for long" with those who hang on to make a buck off the work of another without equal input.

You are going to have to arrive at TOTAL lack of all ego entrapments, leaving off NAMES and focus on selves as persons or credited parties. If you cannot know of worthiness within without signs scattered all over in power structures and prestige alignments—you aren't going to make it. I repeat—if you have to have a "name" on your building—you had better be choosing your enemy's name to splatter up there on the top corner. Are you interesting in "making it" through as a participant in the remnant—or, just in being a "big deal"?

GOING AFTER THE "NAZIS" AND SUPREMACISTS

It is in the news today: THE TRUST WILL BE TURNED TO WIPING OUT ALL GROUPS WHICH SO MUCH AS APPEAR FUNDAMENTALIST OR SEPARATISTS AND SUPREMACISTS. Your FBI Chief, Louis Freeh is working as we write with his counterpart in Germany to formalize a PLAN for shutting down and "wiping" out these "hate" groups. THIS WAS ON YOUR CNN NEWS THIS MORNING! This includes "orthodox" groups, they report, who teach in their churches, anything "hate" oriented, such as disallowance of homosexuality and other "deviant life styles" (their words).

We need to leave this now and attend some other pressing matters. Thank you, each and every one—for even if you intend not to help us learn and grow—you have done so, even to the last nit-picking attack. I have a team now worthy of the Biggest Leagues in the Universe and I am humble in your allowance of me as a teacher-messenger. We each have responsibility and I am overflowed by the loving work of you ones as you struggle to grow and KNOW. You cannot see the level of growth in self for you are blinded by that ego consciousness and world-accepted perception. I can see—and I am humble that I am allowed participation in this great adventure in creation/creating. YOU must "DO IT" for the manifestation is "physical" and you are physically manifest. But the bonding and the power is from that which is invisible to the physical—and from thence comes the TOTAL POWER of CREATION/Re-creation.

To you who are curious about exciting and mysterious things—keep your eyes peeled (if you are close) to White Sands. We have some pretty interesting "manifestations" taking place there these days ahead—don't miss the show!

In love and appreciation, I am,

Hatonn

Nevada Corporations

Estate Planning Today! (PART 1)

Keeping Control but Giving Away Ownership. Moving your assets into a corporation can be very prudent estate planning. We will take a look at how you pass your estate corporately to your family and making it work without probate and attorney's costs. There are many approaches to family estate planning that are valid and excellent ways of preserving family estates. But this area of the tax and legal world needs to be carefully considered because the tax and legal rules are always changing. One thing I want to note, is if someone has a sizable estate and ends up using one of these strategies, work with a competent accountant and legal counselor to make sure that everything has been put together properly. Because again, the rules are changing all of the time. The IRS wants everything that you have and it is your job to keep it from them!

Planning for the next generation is important. Currently there is great concern about changes coming that will effect the amount that is allowed to pass through estates from parents to children. Today, individuals can pass \$600,000 to their heirs without any estate taxes on that money. There is talk, at least with the Democratic administration, that this is going to change to \$200,000. I wouldn't doubt that in the next 5-10 years, with the way the tax situation is going, that it will be included as regular income for tax purposes. It may come down as low as \$100,000 or even lower. It is something for everyone to think about who has assets that they plan on giving to their heirs later on. Estate taxes can eat up about 1/2 of a family's estate and then usually attorneys, probate and court costs come in and eat up 1/2 of that, leaving little of the estate left for the actual heirs to work with. Start making plans because there are creative ways of keeping the government out of your pocket.

When working with a corporation, you want to start by moving or transferring real property into the corporation to protect those assets from probate and high estate taxes. While other types of assets may also be protectively moved into your corporation, you would likely want to start with real estate. We have a legal instrument known as a Grant Bargain Deed; this document works in California for transferring property from an individual's name into a corporation. Some counties require the use of a Quitclaim Deed.

There are documents that each county has that you would fill out to show if this is a transfer, or a sale. By making it a transfer, you successfully place your property into your corporation and avoid sales taxes. In some counties, like Los Angeles County, you have to prove ownership of the corporation by bringing in your stock certificates and showing them that you are still the owner of this corporation and that actual ownership has not changed—only the name the property is held

under has changed. In some cases you may not want to show the connection between yourself and that piece of property and your corporation, therefore you can go through the process of selling it to the corporation. It depends on what kind of visibility you want with the corporation.

Always remember your corporate formalities and have a corporate resolution drawn up authorizing a corporate representative to transfer the property into the corporation and the corporation accepting that property.

When transferring a vehicle into a corporation you would start off with a corporate resolution. In transferring a vehicle into a corporation keep in mind that you would be making a public announcement about your ownership of that corporation. To avoid this just sell your car to the corporation. You would then go through the same process that you would if you were to sell a car to any other party. Go in to the vehicle registration department and present your stub from the title and go through the process of reregistering the vehicle into the new owner's name (which would be the corporation). Take time to weigh the benefits of placing vehicles into a corporate name because you may find that your insurance rates will take a big jump on a corporate car. Look before you leap.

Personal Affects: To move personal affects into your corporation, your corporation would need a resolution that states the specific personal affects that are going to be transferred into it. Another way to handle this is to use something as simple as a Living Will. Your personal assets are always changing. Living Wills are simple to use and to create; you can get forms for them at office supply stores or a bookstore and they cost maybe \$25.00. You just list your home furnishings and other items that you wish to pass to your heirs and that way you are going to eliminate any court situations after you die. Keep in mind that Living Wills will only allow you to avoid probate, not estate taxes. (PART 2 CONTINUED NEXT WEEK 12/28/93)

CLINTON ON NORTH KOREA

In an article dated back on December 9, appearing in the *JOHNSON CITY PRESS*, "President Clinton expressed reservations that 'a full-blown crisis' with North Korea can be averted and said that if conflict comes, he is sure the United States can 'do what we need to do.'"

"Clinton, sounding a new note of pessimism on breaking a stale-mate over nuclear inspections, declared that the United States had 'looked at all possible contingencies and I hope we are not headed toward a full-blown crisis.'"

MISSILES CHANGING DIRECTION?

In an article from the December 6 edition of *THE NEW YORK TIMES*, in an article by Michael Gordon, "In a largely symbolic move that could reduce the dangers of accidental launchings, the Pentagon has drafted a plan to aim its nuclear missiles at desolate spots in the open seas and is talking with Russian generals about how to put a mutual pledge to *detarget* into effect."

"For months now, these officials toiling in underground command centers have been working on another top-secret task: figuring out how to aim the hundreds of missiles in America's nuclear arsenal away from Russia."

BOMBING IN TEXAS

From the December 3 edition of *THE GLOBE AND MAIL*, in an article by Matthew L. Wald, comes the following: "Mishaps at a weapons plant in Texas have slowed the U.S. program to reduce its nuclear arsenal. In one incident, technicians dropped the heart of a nuclear bomb about 50 centimeters, according to a report by Congress's General Accounting Office. In another, they let radioactive gas escape from a weapon. In a third, there was an *operational failure* involving a truck that carries bombs on interstate highways, resulting in a halt to shipments of weapons."

"As a result of the mishaps, workers at the plant had taken apart fewer than two-thirds of the bombs they had planned to dismantle in the plant's past fiscal year."

"The Department of Energy, which owns the plant, known as Pantex, in the Texas panhandle near Amarillo, wants to dismantle 2,000 weapons a year as part of the reduction of the U.S. nuclear stockpile from 21,000 weapons in 1990 to 3,500 in 2003."

"The process is difficult because the bombs contain radioactive materials surrounded by high explosives meant to detonate the bomb. Explosives in older bombs—the first to be dismantled—are sensitive to heat and shock."

CANADA'S DEBT

The following comes from an article out of the December 8 edition of *THE GAZETTE*, (Montreal) and is written by Rob Carrick: "Canada's national debt is on track to hit \$1 trillion and overshadow virtually all economic output by 2001."

12/17/93 RICK MARTIN

JANET RENO AND GUN LICENSING

In the December 10 edition of the *FINANCIAL TIMES* (London), in an article by George Graham, "Attorney General Janet Reno, who has been asked by President Bill Clinton to study the proposal, said yesterday she strongly favoured a licensing test to show that individuals can safely and lawfully use a gun."

"I think it should be at least as hard to get a license to possess a gun as it is to drive an automobile," Ms. Reno said.

"A taskforce of mayors and city police chiefs also backed gun registration in a meeting yesterday with Mr. Clinton to discuss crime and violence."

"Mr. Clinton has not taken a firm position on the idea of registration, but he said yesterday that he believed the U.S. was now ready to act on violent crime. 'We have to move and I think we are prepared to move,' he said."

"The mayors' taskforce also called for a ban on the manufacture, sale or possession of all semi-automatic assault weapons and their components, much higher taxes on firearms and ammunition and much stiffer controls on gun dealers."

JIHAD

In an AP article appearing in the December 9 edition of the *JOHNSON CITY PRESS*, Algeria: "Morale is low, nerves are on edge. And no end is in sight in the guerrilla war by Islamic extremists that has pushed Algeria to the brink of chaos."

"People count the friends and relatives who have fled, disappeared or been killed."

"Two years ago, robed fundamentalists paraded around the capital like conquerors after winning the first round of parliamentary elections. Today, they're in jail, in hiding or joining the *jhada*, an increasingly nasty holy war now said to feature mutilations and other scare tactics to bolster its ranks."

"Allegations of fundamentalist brutality are countered by equally grim reports of torture and abductions by government security forces."

NATO

In the October 9 edition of the *FINANCIAL TIMES*, "A new Nato command system enabling allies to send task forces for peace-keeping and other missions outside their own territory is due to be drawn up within six months," writes David White.

"A U.S.-inspired Combined Joint Task Forces scheme, which would involve setting up *flexible* headquarters able to deploy ad hoc forces is set to be formally approved by allied leaders at their Brussels summit on January 10-11."

CUBA EXPORTS MILITARY ADVICE

In an article written by Jonathan Broder, appearing in the December 13-16 edition of the *WeWMMbi* ["The First Independent Russian-American Newspaper"], "Cuba is trying to raise money by selling the one export it perfected during the Cold War—its military expertise."

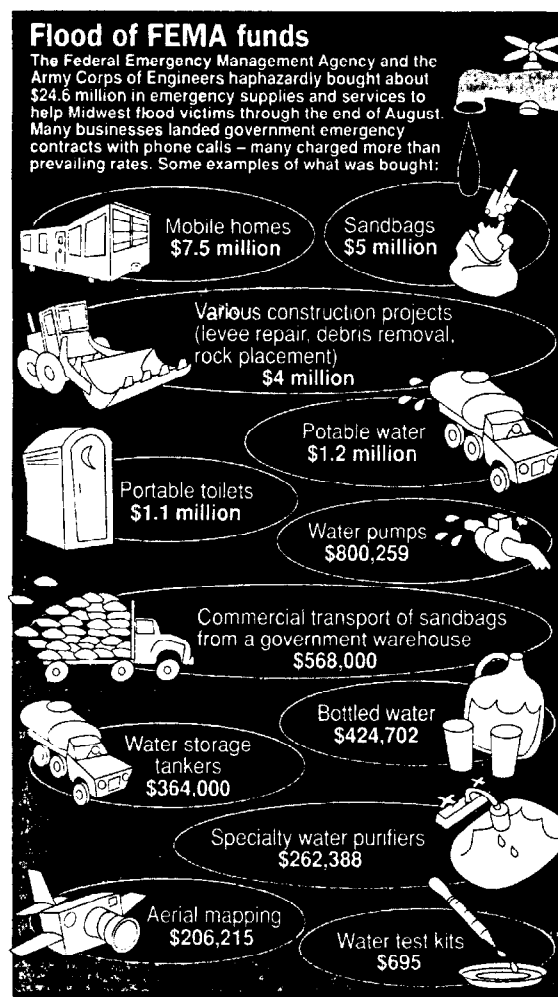

"U.S. officials say Cuban military advisers have been turning up in Iran, Lebanon and Angola over the past year to help those countries rebuild their armed forces. Unlike the Cold War days, when the Cuban leader Fidel Castro provided such services for ideological reasons, today's Cuban advisers are working strictly for cash."

HAPHAZARD SPENDING

In an AP article written by Jennifer Loven, appearing in the December 6 edition of the *ALBUQUERQUE JOURNAL*, "During the summer's Midwest floods, government emergency contracts were awarded so haphazardly that companies could land business with a simple phone call and agencies sometimes paid far more than prevailing rates, a review of contracts shows."

"Disaster agencies, scrambling to help flood victims, hastily signed off on millions of dollars worth of contracts for urgently needed items from generators to bottled water."

"Amid the chaos of such a vast disaster, federal officials readily acknowledged they chose convenience over frugality."

AIDS — A RARE CASE?

In the December 5 edition of the *ALBUQUERQUE JOURNAL*, in an article by Herb Jackson, "A rare case in which the AIDS virus was passed from one child to another living in the same house has been documented..."

"But the doctors warned against public overreaction..."

"We do not think this will alter school or day-care situations..."

"The researchers said they believed the children, who lived in a foster home, passed the virus through a toothbrush or a nose-bleed."

SECRET NUCLEAR TESTING

In a recent edition of the *FINANCIAL TIMES*, from an article by George Graham, "The U.S. admitted yesterday it had concealed more than 200 nuclear tests since 1945 for fear of giving information to the Soviet Union."

"Mrs. Hazel O'Leary, the energy secretary, said yesterday the U.S. had conducted 925 nuclear tests between 1945 and 1990, including 204 previously undisclosed."

"Mrs. O'Leary said the announcement was 'a foot in the tub' for the energy department's plan to release far more information about its activities and restore public trust in the agency for the important debate about where and how to store nuclear waste."

Oh yes, I feel much more trust now.

RUSSIAN PROPHECY

In the same edition of the *FINANCIAL TIMES*, "The following gloomy prediction is not the pre-election bombast of the communists, but the prophecy of Mr. Boris Nemtsov, one of Russia's ground-breaking economic reformers and a candidate in this weekend's parliamentary elections. 'Unfortunately the next year in Russia will be a year of tremendous inflation, unemployment, strikes, factory closures and very acute political conflicts. I see nothing good in the future.'"

ABM TREATY

In a little article appearing in the December 5 edition of the *MODESTO BEE*, "The United States is seeking changes in the Anti-Ballistic Missile Treaty that would enable it to defend American forces and allies against missile attacks by Third World countries. The ABM Treaty, completed in 1972, prohibits defenses against intercontinental missiles. A State Department spokesman said a new approach is needed to address the problem of defending against attacks from states that may develop shorter-range missiles."

IRS REORGANIZATION

From the December 2 edition of the *DENVER POST*, comes the following information in an article by Albert Crenshaw: "The Internal Revenue Service yesterday announced plans for a fundamental reorganization of the agency that will affect as many as 20,000 workers and could increase the agency's effectiveness in tracking down tax cheats."

"The reorganization fits with the Clinton administration's 'reinventing government' initiative but primarily is an outgrowth of the IRS's \$12 billion replacement of its computer system. The new systems will reduce by about 34 percent the number of people needed to process tax returns and do other manual chores."

90s CHILD CARE

In an article from the *LOS ANGELES TIMES*, appearing in the December 5 edition of the *MODESTO BEE* and written by Bettijane Levine: "What teacher would deny a hug to a crying child? Or reject a toddler's plea for a moment of closeness?"

"Many would—and do, children's advocates say. A decade of highly publicized child-abuse accusations—from the McMartin preschool case to Michael Jackson—has taken a troubling toll: more parents on the alert for child molestation; more teachers afraid of being wrongly accused. Three million cases of suspected child abuse were reported last year, up from 1 million 10 years ago."

"And now, some experts say, the nation's youngsters are paying the price for adults' increased fears. An unwritten edict has been issued at many schools and day care centers across the nation: Do not touch the little children."

"As in: Do not hug, kiss, lift, stroke, offer your lap, rub the back, tuck in the shirt, pat the hair, or be in any way physically responsive to their needs. It has all gone too far, some of the nation's leading child-development experts say."

BRAZIL'S NEW CURRENCY

In the December 8 edition of the *FINANCIAL TIMES*, in an article by Angus Foster, "Brazil yesterday announced a wide ranging package of measures, including the introduction of a new currency, designed to tackle the country's soaring annual inflation rate of about 2,000 percent."

IRAN-CONTRA REPORT

In a somewhat old, but interesting, AP story from the December 4 edition of the *MEDFORD MAIL TRIBUNE*, "In a sharp attack on two former presidents, the Iran-Contra prosecutor's final report concludes that Ronald Reagan 'set the stage' for the scandal's illegal activities and George Bush failed to tell the truth about his role, according to sources familiar with the document."

"Lawyers for Reagan and Bush have read the report by Iran-Contra prosecutor Lawrence Walsh and were quick to dispute its conclusions. Reagan's lawyer called them 'utterly irresponsible' while Bush's attorney called on Walsh to 'fold his tent.'"

FREE TRADE PACT

In the December 7 edition of the *FINANCIAL TIMES*, Damian Fraser writes, "Mexico, Venezuela and Colombia have concluded negotiations on a free trade pact to come into effect in the first half of next year, according to Mexico's

trade ministry."

"The treaty will bring together economies with a combined population of about 150 million."

BUYING LAND IN RUSSIA

In an article from the December 13-26 edition of *WeWMMBI*, Tad Stewart writes, "Despite President Yeltsin's recent decree freeing land sales, it nearly is impossible for foreign investors to buy land in Russia, leaving leasing as the only effective way to obtain long-term use of property."

"But the latest decree offers some loopholes that may benefit foreign investors if the new Parliament doesn't close them."

"Direct foreign ownership of land remains a highly sensitive political issue and the Parliament may well reverse Yeltsin's decree or at least close the loopholes Western lawyers see."

THE VATICAN & ISRAEL UNITE

In the following article by Peter Steinfels, appearing in the December 15 edition of the *DAILY NEWS*, and written for *THE NEW YORK TIMES*, "Israel and the Vatican will end years of diplomatic standoff by establishing official relations by the end of this month, Israeli officials and American religious leaders said."

"The agreement, which follows 18 months of intensive behind-the-scenes diplomacy, is said to include a pledge by the Catholic Church to join Israel in new efforts to oppose anti-Semitism."

BOY SCOUTS & GOD

In an article from the December 7 edition of the *MODESTO BEE*, "The Boy Scouts, teaching 4.1 million youngsters the virtues of being trustworthy, loyal and reverent, won Supreme Court permission to keep excluding boys who won't acknowledge a duty to God."

**RANDY WEAVER
RELEASED**

On December 17 at 6:00 A.M., Randy Weaver was released from jail. He was picked up by Kevin Harris.

Randy will be spending the holidays with, what remains of, his family in Ohio.

We would like to acknowledge and offer our most sincere thanks to Bo Gritz for his coordinating efforts with others which allowed for the payment that secured Randy's release. THANK YOU!

What's Happening With COSMOS?

(Our long time CONTACT subscribers will remember the name "COSMOS". There was the COSMOS group, with Dare Schaut and associates, which has nothing whatsoever to do with COSMOS SEAFOOD ENERGY MARKETING, LTD. The officers of Cosmos Seafood Energy Marketing, Ltd., we are told, possess a very, very old gold certificate. The interest alone that is due on this certificate is worth an amount outside the normal range of human thinking. The certificate has now been deposited in a real bank, with a demand for payment of the interest due. The letter you are about to read is from the two chief executive officers of Cosmos Seafood Energy Marketing, Ltd. to the bank in point. It should also be mentioned here that very recently, Russell Herman [one of the chief executive officers] was severely beaten, for hours, in an effort to have him "sign" over the certificate. He, of course, refused this demand. It now appears, however, that it will end up costing his life. As V.K. Durham [the other executive officer] told me earlier this week in a telephone conversation, "It's America FIRST, period!" R.M.)

d) You also stated; "I have no idea as to where to go to collect this interest due".

e) You were told by the Corporation; "Since it was assumed by the United States of America, go to the Department of Treasury in New York and collect from the Under Secretary of the Treasury" which is in accordance with the mandated accepted procedures on any debt owed by the United States of America.

f) You were also apprised; "Accounts were to be set up to receive funds collected from the collectable interest due which was placed in good faith; for collection only on interest due, in your Banking facilities." In, for, and on the behalf of the PRINCIPALS.

Frankly; I fail to see what is so difficult in collecting an outstanding debt from the United States of Americas Department of the Treasury, it was assumed, and it is due and collectable.

Furthermore; lets use this as a for-instance; Had I, or any other customer of your bank, assumed and outstanding debt of another individual....you would have pitched a tent on my front porch to make certain; the debt was paid... It is just that simple..no need for complications of matters, the debt was assumed according to the Laws of Assumpsit...so "collect it" as it was placed for collection. You do have all the necessary documents in hand to complete this transaction; no further instruments are necessary.

It is not my concern, nor the concern of this Corporation; if it becomes necessary for "Bentson Etals" to purchase cases of TUMS.. When this instrument is properly presented by your bank for collection of the demand on a demand instrument, owned, evidenced owned by; Original Documentation presented to you and receipted as same.

You may apprise Mr. Bentson Etallis; the Certificate is for SALE, the purchase price is; \$ Two Billion, Four Hundred and Ten Million Trade Dollars, Gold, Gold Coin, Gold Bullion every 4 years for a period of 20 years; and there are "Caveates" as pertaining to the RESTORATION of this nation and the people of this nation. There are more conditions of "sale" which shall be worked out at the time of "contracting sale", but at this time there will be an inclusion of;

o) The Laws of the People, the Courts of the People shall be restored without prejudice, without corruption, without "courtesys" to joint investment portfolios", and as originally intended; to serve the people, not big business. (this will be elaborated on later)

WE, the Officers of the Corporation, Cosmos Seafood Energy Marketing Ltd, have no avarices; however, we are concerned of the lack of "concern" as to the status of the nation of the people, the joblessness, the homeless, the aged, the ill, the ill-educated, and the lack of industry, the lack of COMPETENT QUALITY HEALTH CARE, and the general abject mess this nation is currently experiencing, due to LACK OF DUE DILLIGENCE and proper care of the ills of the Nation at large.

In the years following the Civil War, the Morgan Group did propose such a plan...it worked up to the years of 1946-47. The Nation produced, the Nation excelled in its Exports, the imports were not necessary. In 1946-47, GATT (General Agreement on Trade and Tariffs), agreed to, contracted to by 123 Nations, never RATIFIED BY CONGRESS or the SENATE at that time, nor at any later time.

Perhaps; if the Corporations and the Companies of the United States Government, duly registered, and acknowledged of public recorded record, can not pay its bills; then BANKRUPT THE CORPORATIONS and COMPANYS.

The Certificate preceedes the "Companies and Corporations" and is not subject to EX-POST-FACTO Laws...Therefore, we are prepared.. to do the same as the MORGAN SYNDICATE INVESTMENT GROUP did, in our past history...BUT, this nation will be backed by GOLD AND SILVER according to the Constitutional Laws of the United States of America, We will not charge more than 3% (three percent) per annum, on the \$2.410 Billion Dollars, payable in advance, due every four years, for a period of twenty years....and; "IF", our "caveates/conditions" are met....and everyone acts in good faith....;

1) The debt is vacated the first year... (from our portion of the interest due in excess of the \$2.410 Billion Dollars as explained here-to-fore, there shall be an allowance for immediate vacation of the national debt from the reserve interest which is still due and payable)....

2) A "LIKE" amount, shall be placed into the TREASURY of the United States (not the Federal Reserve System as; it will no longer be necessary to be needed) to insure the "conditions of sale", this also shall be drawn from the accrued interest due and payable over and above the sale price and conditions of sale...

These homes shall be repaired and/or restored to their former status, and

l) The railroads shall be restored in accordance with the provisos of the RAILWAY ACT and the Grange Act, and the sale of the "rails" shall cease and desist, these shall be replaced, to restore the availability of "spur lines" to the out of the way, or inconvenienced farmer whos land is too far from the WATERWAYS to reach the competitive markets without absorbing excessive storage and transportation costs,

m) NO portion of the accrued interest; shall be used for the making, marketing of instruments of war, war, or intermeddling with the affairs of other Sister Nations of the International Communities, nor shall any moneys be lent to any nation who is hell bent and intent on disrupting peace and harmony of their neighboring nations or any other nation in the International Community,

n) ALL outstanding debts, of all foreign nations shall be deemed due and payable, as per the Lein in the October 12, 1993 demand for collection of interest due pursuant to the JOHNSON ACT, U.S. Statutes at Large, Vol.XLVIII, p.574. "An Act to prohibit financial transactions with any foreign government in default on its obligations to the United States". GOLD WAS LOANED...GOLD IS DEMANDED FOR COLLECTION".

The Lein was placed on any/all Gold, Gold Coin, Gold Bullion on Deposit within the Continental United States, Repositories and Depositorys, including accounts domestic and foreign, of the Company and Corporation of the United States of America; it is in your bank, it is legal as; Leins are not necessary to be recorded, just receipted. The LEIN is just and valid.

Ray Renick Update

12/15/93 RICK MARTIN

(As most of our readers will probably remember, Ray Renick is a prisoner in San Luis Obispo, California. He has exposed the so-called "SLO Connection" of New World Order crooks. He has linked the political controllers of San Luis Obispo County with some very heavy duty government-related drug trafficking. Ray has not been afraid to name names, which isn't very popular among certain circles. For those of you who would like to write to Ray, you may do so at the following address: Ray Renick c/o: San Luis Obispo County Jail, P. O. Box 15409, San Luis Obispo, CA 93406.)

Rick: Ok, Ray, go ahead.

Ray: I'm kind of hesitant about mentioning anything that's in the paper because every time I do I kind of get on the Commander's [Hatonn] list, you know when I first came...

Rick: Can you talk up a little bit?

Ray: Sure. When I first came there, I mentioned something about Bo Gritz not being exactly honest and everybody looked at me like I was blaspheming, you know.

Rick: Right.

Ray: The way it turned out, many times, I was right. In the paper you had an article about Project Monarch.

Rick: Yes.

Ray: Project Monarch is so old it's got moss growing on it.

Rick: So old it has moss growing on it?

Ray: The name was changed to Project Marathon.

Rick: Marathon?

Ray: Yes, as in marathon runner. And it is connected with a thing called Saturn Schools.

Rick: Saturn Schools?

Ray: Right and another thing called TESSERECT (spelled out) School.

Rick: Ok.

Ray: And it's all got to do with the kidnapping of children and taking them out of the country like Monarch has.

Rick: Yes.

Ray: I think you should call Jim Vassilos.

I think he is going to be the next wheelchair victim. They are really closing in on him in Chicago.

Rick: Is that right? Is he being hassled a lot?

Ray: Yes, he's been hassled. He has lost about 13 people that have been close to him, that have been murdered already over there. I hear there is a real house cleaning going on in that area.

Rick: Wow!

Ray: Jim is really into this satanic cult thing and this stuff like operation Monarch and that's mainly why they are after him. You should talk to him even if you don't believe him. You can always erase the tape you know.

Rick: True.

Ray: You know Gary Wean [interview in last week's CONTACT] is from Ventura County. You remember about Ventura County, Simi Valley, where they moved a racketeering trial because there were so many police officers and stuff up in that area

Rick: Not really.

Ray: You might remember that the Simi Valley-Ojai area is about one of the hottest satanic cult and devil worship areas in the country, especially in California and it seems to go together with police officers.

Rick: Yes, I think his eyes are pretty wide open, as far as I can tell.

Ray: Well, two other people that have been political prisoners have been released also and I can't give you their names yet, but there might be something happening in this vein. There must be some reason why they are letting these people out.

Talk about Project Monarch. Somebody should take a good look at people like Claudia Gritz and stuff.

Rick: Oh?

Ray: Yeah.

Rick: That's an interesting hint. Can you tell me more?

Ray: Well, you know, there's other people in the same category like Desiree Green and you know... Kathy O'Brien. Ah, so every time I met Claudia... it's like there is nothing there, just a real cold person, you know.

Rick: I know what you're saying.

Ray: Just food for thought.

Rick: It certainly is. Are you staying warm enough.

Ray: I got a real bad cold a couple of days ago. It's colder than hell in here, but I'm alright now, I guess.

Rick: Can you request more blankets or whatever?

Ray: I don't know. I don't talk to these people very much and they don't talk to me. I think they are starting to get the idea at least. They used to mock me a lot when they went by.

Rick: They probably have an idea now that there is something to it.

Ray: Right. They've started looking the other way. They've opened enough of my mail and monitored enough of my phone calls. They ought to know something.

Rick: Do you have any court hearings coming up in the near future?

Ray: Not till January.

Rick: Well, I guess you're just kind of on ice, so to speak, in the meantime.

Ray: The Public Defender came to see me and I gave him a whole list of maybe 20 things here. Any one of these things could get everything thrown out of court, but I don't think he's going to do anything. I think he is just going to sit on his thumbs and I'll have to go to court cold turkey like I did last time.

Rick: Well, I told you that Gary Wean volunteered to testify on your behalf, if he were served with a subpoena.

Ray: That's right. That was the first thing I told the guy. I told him to get in touch with Gary Wean, Dennis Dale, all these are [Judge William P.] Clark connections.

Rick: What's the Public Defender's name again?

Ray: Mike Adams.

Rick: I'll give this information to Gary Wean. I don't know if he'll do anything with it but I'll give it to him anyway.

Ray: Ask him if he knows anything about where Dennis Dale is at.

Rick: Who is Dennis Dale?

Ray: He was the DEA that was in charge of that central tactical unit that was investigating Riverside County and San Luis Obispo County during the Inslaw blockade where they were trying to shoot all... and this is between '81 and '84 when Michael [Riconosciuto] was there and (garbled) was on [the Cabazon] Indian reservation. This is the also the same time that I was ...two friends of mine, Scott Alexander and Mike

Davis were allegedly working for the DAPS and the DEA right here in San Luis County and they were on the same investigation that Dennis Dale was on investigating San Luis County and they got into the District Attorney's office of both Riverside and San Luis County and the Judges, and of course, the main Judge in this County being Ronald Reagan's buddy, [William P.] Clark. Ronald Reagan spent a lot of time on Clark's ranch, you know. So, I was told at that time, but I wasn't given specific names back in '84 and '85 that this whole thing went all the way up to the highest officials in the land, this drug trafficking thing, this Operation Zapata. So, of course, Zapata, Inslaw and the Promis software and central tactical unit are all one and the same thing. One of the Judges that sentenced me was the District Attorney at the time, his name was Christopher Money and he was in this up to the eyeballs. I've got documents that show that he has a lot of direct connections with Clark and Carol Hallett; Sinsheimer, Scheibelhut and Bagget [law firm].

Rick: Right.

Ray: So, I mean he is in this up to the

eyeballs and he was my Judge. Nice huh?

Rick: Yep, I hear you. I know what you're saying.

Ray: Hey, I don't think Jim Vassilos is going to be around too much longer, I'd like to have you interview him and see what he says. You got to look to the people that are in real bad shape, that are dying in prison. These are the people you have to listen to not the people that are driving around in prestigious airplanes. Then there are other people like Bo Gritz that flies all over the country in his airplane and he's not worried about his airplane being blown up like John Tower, and John Heinz and many other people.

Rick: Well, I will give Jim a call just to see what's going on right now. If there have been that many people killed around him, then there is something going on.

Ray: You may have trouble getting him because he is hiding out most of the time, and most of the time you will just get his answering machine. You may have to try a number of times.

Rick: Ok. Well, I'll call him. Thank you, Ray.

workers. **So that means a hundred million dollars a year is paid out to nobody. Get the message?**

Rick: Yes, I do.

Jim: Now, that goes into Mafia bank accounts and is transported overseas. So that was the trade. The Israeli Intelligence got the bankruptcy court, which had previously been controlled by the Italian Mafia and the Italian Mafia got the sewer department. You see what I mean? So it's a guaranteed hundred million dollars a year.

Rick: Right.

Jim: Now, some cases have recently come up that exposed the hundreds of checks, thousands of checks were fifty thousand dollars times two thousand is a hundred million bucks that are absconded with every year. You see what I mean?

Rick: Yes.

Jim: And those cases are in general known as Shakman Cases. And only one lawyer ever went the whole distance to expose the Shakman fraud, because the Shakman fraud was originally instituted by Abraham Lincoln Merivitz, who was a deep, covert, Israeli agent and a federal judge, here in Chicago.

Rick: Ok.

Jim: And he originally instituted the case known as the Shakman Case with another Israeli attorney named Shakman. I forget his first name, it might be Michael, but I'm not sure. And they put in this thing where all of the cases that could expose this hundred million dollar scam would be funnelled into what are called *Shakman decree* and handled separately from all the other federal cases in the Seventh Circuit; and so, the only lawyer that went the whole distance and exposed it all was Gordon Arnett. Gordon Arnett was murdered on September 9, 1993, just before the case that was going to put it all in the public record came to trial.

Gordon sent the clients to me. He knew that there was something wrong. He knew that something was going to happen and he said, "If anything happens to me, go to Jim Vassilos." That was in September, the first week of September. Thereafter he was murdered. Thereafter there were two attempts on the life of the key plaintiff in the case, John Lucille. My Mom suffered a near fatal attack, with multiple serious fractures and permanent nerve injury, on October 31st. There was an attempt on the life of John Lucille on November 24th and again on December 1st, and, I was disbarred on November 22nd. Are we getting a pattern here at all?

So, that's what's happened. John Lucille went on the lam as of yesterday which was December 14th. As of December 14th, they put three spotters on me. One of them appeared to be a martial arts hit-man. So, this is an ongoing, I mean I could tell you about the, you know, spotters or surveillance, or whatever that's been around me and I can tell you

Conversation With Jim Vassilos

12/15/93 RICK MARTIN

(In the above telephone conversation with Ray Renick, prisoner in San Luis Obispo, California, and exposé of Judge William P. Clark and the "SLO Connection", Ray mentioned that he felt Jim Vassilos, disbarred attorney from Chicago, might be the next Paul Wilcher [former attorney for and close friend of Gunther Russbacher who was suicided some months ago]. He expressed concern over Jim's physical safety and recommended that I telephone him and listen to what he had to say. What you are about to read is that conversation.)

Jim: Ok, what area are you interested in?

Rick: Well, Ray mentioned that there have been quite a few people killed around you and he was concerned for your own health and well being. Can you tell me about that?

Jim: Well, on September 9, 1993 Gordon Arnett, one of my colleagues, was murdered here in Chicago and he was murdered over a civil case that could expose a deep covert Israeli black-budget operation. He was apparently murdered by the Mossad, one of their teams.

Rick: What kind of operation was it?

Jim: Well it's a "black". Well, it's basically the bankruptcy courts in Chicago, but what they did was, they traded the sewer department for the bankruptcy courts, in other words the bankruptcy bust-outs were originally run by Italians. In order for what's called the patch to be put in to patch over to trade one thing for another so that the money that the Italian Mafia was making out of the bankruptcy courts could be transferred to the Israelis and Golda Meier (thirty years ago was known as the great shmaltzer) put in the patch; in other words, she agreed to give them the sewer department if the Israelis could take over the bankruptcy courts, for their black-budget operation. Now, what happened is they turned over a hundred million dollars a year. In other words, they turned over a hundred million dollars a year in truck contracts and payroll. See, there's three thousand people on the sewer workers department payroll, at fifty thousand dollars apiece, plus benefits. Are you with me?

Rick: Yes, I am.

Jim: However, there's only eight hundred

about the phone taps and all that stuff, but it's become pretty standard.

Rick: Right.

Jim: And so, we are in a little bit of a heat situation in Chicago here right now. Also, there's another aspect to this. **The second aspect of this is that the Israeli Intelligence also does the cover-up for the satanic ritual murders.** And these satanic ritual murders are centered in the tunnels under the Baha'i Temple, in Wilmette, Illinois which is right next to Chicago. And those tunnels run to Northwestern University, which is in Evanston and they also run west to the Glenview Naval Air Station. Are you with me?

Rick: Yes, I am.

Jim: And this is where the Office of Naval Intelligence comes into the picture, because they have allowed Israeli Intelligence both to run the bankruptcy scams and to perpetrate what are called the Talmudic ritual murders, and apparently, there are high-up Office of Naval Intelligence personnel who are involved in it, personally. It has become a very sensitive issue.

Rick: I would guess so.

Jim: One of the people who was on me yesterday was a very high up Israeli operative here in Chicago. So, it has become a very touchy situation for the intelligence community, as well as the satanist human sacrifice, ritual murder community. Now the Baha'i Temple. There's one Baha'i Temple per continent. And each of the Baha'i Temples on each continent is located directly on the face of a waterfront, as is the one in Chicago. It's located right on Lake Michigan, which allows it to have underwater access. So, boats can pull right in. People can discharge right from boats or submarines, or seals or scuba divers, and they can go right into the tunnels and they can do human sacrifices and they can exit and be completely unseen. And in fact, a certain number of times per year bodies are found floating off of Wilmette Harbor, right outside of where the Baha'i Temple is, and choppers are sent from the Glenview Naval Air Station to fish the mutilated bodies out of the lake.

Rick: Sounds pretty sick.

Jim: Yeah, it's very, very sick; however, it's very, very current and very, very dangerous right today.

Rick: I can see why it would be. Are you physically secure?

Jim: No. No, the only thing I can rely upon at this point is Jesus Christ because there is no other group that is larger or more powerful than the combined might of the ONI and Israeli Intelligence that I know of. I mean, there's no other more powerful group other than Jesus Christ and Great God Almighty.

Rick: Yes, there is protection in God,

that's for sure. So, I certainly would keep petitioning for that.

Jim: You got that right.

Rick: Well, I can see why Ray wanted me to talk to you to get some of this on the record, so at least there is some kind of documentation about what's going on.

Jim: Yeah, now there was a ritual murder on Friday the 13th in Glenview. Get the message? Glenview Naval Air Station, Glenview of an eighteen year-old girl by the name of Trisha Pacaccio, and that ritual murder has these people very much concerned because it was done outside of the Temple and outside of the tunnels and they are very much concerned that their entire apparatus will be exposed. Oh, they have also put a sheriff's detective, who is a satanic murder cover-up enforcer, on me, a gunman named Dave Carter.

Rick: So, he's surveiling you all the time now?

Jim: Yes. He's kind of my personal overt, he's an overt enemy, the other ones are covert.

Rick: Well, I don't want to tie you up too long Jim, I just wanted to get some of the information on tape, so we have it as record.

Jim: Yeah, please try to get some of this in print, because one of the things that they don't like is have, they normally don't like to eliminate people whose name is recently in print tied to them. You know what I mean?

Rick: Yes, I do. I do.

Jim: So, now the other person who has been exposing this stuff and naming names and dates and places is Ray [Renick].

Rick: Yes, that's true.

Jim: And so, therefore, you see the Franklin cover-up. You're familiar with Franklin case, the Franklin satanic web?

Rick: I'm not very familiar with that.

Jim: I'm talking about the satanic human sacrifice aspect of it. That's in the book *The Franklin Cover-Up*. Do you have that book?

Rick: No, I don't.

Jim: I will send it to you.

Rick: Thank you.

Jim: Now in that book you have the start of what they call a train or a railroad, a satanic, human sacrifice railroad. The train or railroad started in Nebraska, came through Iowa into Chicago. You see what I mean?

Rick: Yes.

Jim: And then went on to Washington, DC and New York. Now, that was the east direction. The west direction went right out to SLO County in CA with Ray. That's why this network of satanic human sacrifice murderers is now alerted to both Ray and me, because there's nobody else that I know who's naming names. Do you see what I mean?

Rick: Yes, I do.

Jim: In December of 1993, who's fingering people and naming specific murders, dates and locations, victims and perpetrators.

Rick: Right.

Jim: So, that's why it's kind of a current situation right now.

Rick: I understand. Well, it seems to me the thing to focus on right now, for you, would be your own safety.

Jim: Well, there is some truth to that.

Rick: Have you, placed documents into security and that sort of thing? I just mention it.

Jim: Yes, that's good advice.

Rick: Ok, Jim. I'm going to cut this off now. I will send you the last couple of *CONTACTS*, so you'll at least know what we're doing.

Jim: Great! Oh, that's wonderful. God bless you, Rick.

Rick: Take care.

State Attorney General Responds

(Editor's note: On page 30 of the November 30 edition of CONTACT, we ran a story by Rick Martin titled Hate Crime In Small Central California Town. The content of this article centered around the ongoing persecution of Doris and E.J. Ekker in the town of Tehachapi, California. This letter was faxed to the California State Attorney General's [Daniel E. Lungren] office for investigation. Below you will find Mr. Lungren's response. In his wisdom, Mr. Lungren saw fit to refer Mr. Martin to the very ones initiating the persecution in the first place. Ah, the Catch-22s just keep-on a comin'. Oh, by the way, in case you missed it in last week's paper, let me quote a portion about our illustrious Attorney General, speaking of VOTESCAM, from a recent exclusive interview for CONTACT with Gary Wean (see page 15 of the December 14 edition):

"Arlo Smith, the District Attorney of San Francisco County ran for state Attorney General. Daniel Lungren, a Republican, with Malcolm Lucas and Pete Wilson and [Judge] William P. Clark, had millions and millions of dollars behind him. As I say, Harlow Smith had it won, kind of like a Dewey and Harry Truman thing. And then, they come in with an absentee ballot and the next thing you know Lungren wins by a small majority. And so, Lungren goes into office."

Dear Mr. Martin:

Thank you for your letter to Attorney General Dan Lungren regarding an alleged hate crime.

If you have information which you believe may indicate criminal conduct on the part of any of the individuals referred to in your letter, we suggest you submit firm proof to the district attorney in the county where the incident occurred.

The state Attorney General undertakes the role of a prosecuting officer in specific cases only when a county district attorney is disqualified from the case or when he or she (without justification) fails to act. Based on the information you have provided, and a review by our office of the case, we have determined that this office cannot take action in this matter.

Again, thank you for contacting the Office of Attorney General Dan Lungren.

Special Poem For The Ekkers

One day while walking down the road
I thought about a debt I owed.

The people that I owed it to
Did not realize that it was due.

They didn't know how much I owed.
They didn't care, it was no load.

I knew that I could not repay
In any ordinary way.

And so, I thought: "The best would be
To try to help them. They need me."

They helped me find my path to God,
Upon which I had never trod.

The ones who I am speaking of
Are guided, only, by God's love.

They're now attacked in every way
Which I will show you, if I may.

A former Judge named Jason Brent
(Kern County) is now prominent
In criminal and unrelenting
Acts, of which he'll be repenting.

As judge, he tried by trickery,
Conspiracy, oligarchy,
To cheat them out of land they sought.
He falsely dated sale of plot.

Appeals were made, but then in court
He made of them his special sport.
Insult and slander publicly
With many witnesses, you see
Was not writ down officially.
Erased from future scrutiny.

And now in cohort with George Green,
A traitor from a prior scene,
(With funds from Brookings institute)
Intends to make them destitute.

Two hundred fifteen million cash
Assigned to make the Ekkers trash.
"Get the Ekkers" is his cry.
"Pull out all stops and let them die."

He lost his local judgeship seat
And won't admit to his defeat.

Behind the scenes he works his guile
And brags about it all the while.

His latest "Hidden court date" trick
Would make the adversary sick.

The charge was "criminal trespass"
For walking on the neighbors grass.

But, legal easement is, you see,
What they have on that property.

God's love and wisdom did not fail
To keep the Ekkers out of jail.

And now, this Mr. Green, I'm told
Has stolen one large sum of gold,
From Phoenix Institute. I hear
Three hundred fifty thousand, clear.

He borrowed and did not repay
One hundred fifty grand, they say.

The water board is in it, too,
harassing daily, right on cue.

Intimidation is their name.
Permits, inspections is their game.

The RTC has been involved
Since these atrocities evolved.

They confiscated Ekkers' land
And left them in the cold.
They have no home to call their own
For it was wrongly sold.

Assaults continue endlessly
From every side, as you can see.

It's now religious persecution:
Violates the constitution.

They publish truth continuously.
Freedom of speech is in jeopardy.

I now call for investigation
To clarify this situation.

"Enough's enough." I loudly cry.
They need our help. Don't pass them by.

God sees us all and knows our heart.
Could we not make a brand new start?

Cheers To YOU And Thankful Holidays

Just when you thought that glitz and tacky hype and the guilt trip over buying presents couldn't possibly be pushed any higher (lower?)—here comes the Holiday Season roaring down on us again, more or less completely taken over by merchandising, while the True Meaning of the Season gets relegated to cheap afterthought.

But not completely, from where we watch.

The first genuinely good news of this past week was previewed on page 13 of last week's CONTACT in a last-minute bulletin. It is now fact: GUNTHER RUSSBACHER WAS RELEASED FROM PRISON on Tuesday, 12/14! While this is a private time for Gunther to spend with his family, we share in the joy of the event and, as Commander Hatonn emphasises on page 2, "Do you think Gunther Russbacher would even be 'talking' about release this day if it were not for YOU?"

And then, as an encore it would seem, RANDY WEAVER WAS RELEASED FROM PRISON at 6AM on Friday, 12/17! Randy will be spending this time with his family, "...what of it that is left" as Commander Hatonn dryly pointed out during a meeting on Saturday, 12/18. See Rick Martin's bulletin noting this joyous event on page 7.

So, readers, pat yourselves on the back and partake of the glow of jobs well done. As a ground crew team, with God and His Hosts, YOU have accomplished that which causes pause for reflection on the meaning of the word "impossible" and, in the true spirit of this "giving" Season, you've no doubt given a bit more heartburn to the crooks in high places!

Next: you will notice some format changes in this week's CONTACT which we hope will allow us to pack more "stuff" into less page space (to reduce production and mailing costs) while visually improving the layout of material and more clearly differentiating regular features from general news. Let us know how you like it.

And finally, from all of us associated with CONTACT, we wish you a Holiday Season glowing brightly with the Light of love and friendship and we deeply thank you for your warm and buoyant messages flooding our offices. Isn't this what the Season is all about?

Focus Within

Wherein Truth Lies

12/19/93 #1 HATONN

Precious ones, Infinity is a very long time—where will you spend yours?

HOPE AND JOY

In all the darkness which may abound, there is enough light in one tiny spark to show the way and therein is not only the "hope" but the **PROMISE**. I come not to lecture you on your moral views nor preach to convince you of some doctrine or another. I am sent to bring the Word of Truth that "Man" might rearrange his thoughts and focus within wherein Truth lies—for Man will find it not—out there somewhere from another's mouth shouted in opinion and perceptions of that which has been equally misinterpreted to him.

All you have to do to understand is LISTEN TO ANOTHER'S DREAM as doctrine of a Church or "Belief" which confronts your own—say a Tibetan Pagan Monk and a Methodist Preacher—and hear the rules for getting to "heaven" and celestial Grace by a Mormon or a New Age Rainbow-child. ALL have left out the important message to Man in instructions: TRUTH! It goes beyond "versions" of some this or that—YOU ARE CHILDREN OF THE LIE—NOT THE LIGHT!

Why do "WE" have no doctrine for a group, church or cult? Because we are the body of God sent forth to do our job that HIS people will recognize HIS LIFEBOAT for His precious creations of Light which cannot be snuffed-out.

I have been asked about that ever-longing within the breast of Man that he cannot find total rest or peace. It is because your innermost longing is to again be one within God and, short of being in that oneness—there is the incredible shredding of the umbilical cord that gives you LIFE. You get holes in your lifeline and are distracted so that you fail to mend the rips and snags and your very conduit of LIFE is rent asunder. Ah, then you try to regain the feelings of peace and joy once or twice a year—never quite finding it in a new dress or a bunch of lilies or in a cacophony of noise, crushing trappings of the masses from store to store seeking to find—whatever! You search and search the streets and doors lighted with colored bulbs and forget **TO LOOK BEYOND UNTO THE HEAVENS WHERE SHINE OUR SHIPS OF LIGHT AND THE VERY SOURCE OF LIFE.** You search the wrappings of trash and glitter while the MAN YOU SEEK is no longer a babe on an "X-mas" card—but is awaiting your attention that he might LAND HIS SHIP and gather you into his safe harbor.

This one flies on the wings of Eagles. This one goes within where there ARE NO WORDS, only the wondrous sounds of glorious tones of KNOWING and beyond the Eagle's flight—into

the Cosmic spaces of Glory. **HE has gone, dear friends—no longer a memory of a child on Christmas Day—but a MAN WITH/IN GOD—who has prepared a place for you and awaits your acceptance of THAT gift. HE walks with "Grandfather" in the presence of and within GOD—and you deny him in favor of the condomed rap group on city streets and you seek joy in the flowing wine of the tinsel cup that blinds you further and into the bindings of entrapment.**

Where then do you go on religious seeking? To those club-houses made by men to glorify themselves and the "truth" they have fabricated—**INSTEAD OF LOOKING BEYOND AND WITHIN—UNTO THE TRUTH BEING SHOWN ALL ABOUT YOU—DENIED.** Many go forth to sing in choirs and ring their bells in harmony UNTO man's audience—NOT UNTO GOD! You even call it "performance".

UNTIL YOU CAN REACH BEYOND THE TINSEL AND SHROUDS OF THE TRAPPINGS OF THE LIE—YOU CANNOT SOAR ON WINGS OF EAGLES FOR YOU WILL HAVE BECOME THE "GROUNDED" FLIGHTLESS AND HELP-LESS OF EARTHBOUND CREATURES—HAVING LOST YOUR ABILITY TO RISE ABOVE THE THROGS AND INTO THE SAFETY OF THE HEAVENS.

WHY BELIEVE ME?

Well, obviously "most" do not! However, you—again—look in all the wrong places. You look to Dharma and a keyboard with all its letters worn away—AGAIN—and try to decide. Why do you not look where my manifestation resides in this time of signs and signals for YOU! Dharma may find me in her hands at the keyboard—**YOU WILL FIND ME IN THE WORD OF TRUTH—THE THOUGHT PRESENTED.** And the "physical" signs? In the twinkling, strobing colored light beams of the viewable heavens—our army waiting twixt YOU and the very planets and stars you NAME so that you cannot miss us! To NOT recognize our presence, **YOU HAVE TO DENY US!**

I am asked in prayer by you who seek protection for Dharma and E.J. and I am petitioned as to how and why they go on—and on—and on? Why? Because they hold my hand and **I go on—and on—and on...!! I WILL NOT FAIL THEM NOR WILL I FAIL YOU—FOR I REFUSE TO FAIL MYSELF—WHICH WOULD BE THE GREATEST SORROW OF MY BEING—I WOULD FAIL MY CREATOR, GOD!**

But, how can they continue to struggle for themselves? **THEY DO NOT STRUGGLE FOR THEMSELVES—"WE" struggle for YOU! They have NO CAUSE to struggle for selves—only for YOU.** There is nothing here of "stuff" for which to fight, for in "stuff" you have no VALUE—only that which Man places upon a "thing".

Therefore, it CAN ONLY be the emotion and energy placed upon the "thing" in point. Herein we have the focus of energy and attention of the "minds of you who share" that we might find the way for SOUL through a jungle of perceived illusions of elusive holdings. **IF YOUR HOME IS WITHIN GOD—A HOUSE IS BUT A THING OF CONVENIENCE FOR A BODY OF MECHANICAL MANIFESTATION.** They too must grow and forget the "thing" in focus and reach beyond to that which is the point of the journey—the FREEDOM of MAN WITHIN GOD that Man may experience in manifest form in freedom of choices. You have reached a point in your world where fewer and fewer physical choices are left to Man and through mental programming—few choices remain in the consciousness of MAN as to truth of self expression in either truth or FORM!

I am continually asked about Pleiades and how is it there? What matter?? **YOU ARE NOT THERE! You have only the here and now in whatever expression you manifest and, NOW, you are on Earth experiencing the dance of perceived "living" and what is elsewhere is of no value to your experience—only to your perception of direction and "being" within the KNOWING.**

No one can do this FOR you, my children—not a babe called Emmanuel nor a man called Jesus—can you see? Jesus' perceptions were HIS—and YOU must have YOURS. You can "follow" "his" but, until it becomes yours, it is not yours, it remains "his".

Ones want to know about this "Hatonn" as if, somehow, "judging" him will give "truth" or "lie" to the presentations. So be it. Until you can hold and perceive TRUTH from the most Evil garbage-can of Satan—you are but a hapless twig in a windstorm. I can show you the "way" and the "Truth" and therefore it matters NOT A WHIT "who" I am—ONLY THAT "I AM", AS ARE YOU!

If "I", say, choose to repeat a "truth" from a prior speaker—does it make the statement more or less the truth? Neither—it simply means that I may have helped you sort the wheat from chaff—no more and no less—Truth is Truth is Truth and therefore so too, is the lie. I come as a teacher to help you sort which is which that you may KNOW and no longer have to "think—maybe". God's laws and rules are EVER THE SAME—UNCHANGING AS ARE THE LAWS OF THE UNIVERSE—THEY SIMPLY ARE! You can go against the universal laws and you shall be smashed—so too, when you banish the laws of God—you smash self. I am but a messenger to "remind" you of the laws—NOT ENFORCE THEM! YOU WHO COME WITH ME NEED NO ENFORCERS—FOR THOSE WHO MUST HAVE FORCE FOR CORRECTION HAVE NO PLACE WITH ME—I AM NOT YOUR "KEEPER", I AM YOUR BROTHER!

PROPHETS

Have you not had enough prophets? Can you not understand—you NEED NO MORE PROPHETS?? PROPHETS ARE NOTED FOR PROJECTING THE "FUTURE" POSSIBILITIES—BUT YOU MUST EXPERIENCE IN THE "NOW", YOU MUST FIX-IT IN THE "NOW", YOU "ARE" IN THE "NOW"—WHY NEED YOU PROPHETS OR FORTUNE-TELLERS? YOU NEED MESSEN-

GER WHO TELLS YOU HOW IT "IS"—NOT RAVE ABOUT HOW IT MAY OR MAY NOT BE SOMEWHERE OUT THERE IN AN ILLUSION OF POSSIBILITIES. **YOU ARE NOW! WHAT "IS" IS NOW! WHERE DO YOU DWELL—NOW? "NOW" IS WHERE IT "IS" AND UNTIL YOU REALIZE IT YOU SHALL REMAIN ENTRAPPED IN THAT WHICH YOU PERCEIVE BUT IS NOT REALITY!**

Moreover, you can express in the "now" and choose within the laws of the land and move along very nicely as well. Why do you choose to go against the laws of the land, for instance? Because you CLAIM to be fighting against that which is put upon you as "wrong". Let me ask you a very pointed and pertinent question? Did Ray Renick hurt or help his cause of goodness by laying explosives (illegal) all about his property that perchance an officer would trip the wires? Did he have a right to endanger the innocent along with the guilty as he perceives and JUDGES "them" to be? NOW, TELL ME HOW "WE" CAN GO FORTH AND DEFEND, AS TOTALLY INNOCENT—THIS "CRIME"? ARE YOU WHO "KILL IN THE NAME OF GOD" MORE RIGHTEOUS THAN THOSE WHO "KILL IN THE NAME OF THE ELITE"? WHY, THEN, DO YOU COME PETITIONING GOD TO MAKE IT RIGHT FOR YOU? DO NOT BOTH TEAMS IN A "GAME" PRAY FOR A WIN? WHO SHALL GOD CHOOSE TO WIN? DO YOU SEE WHAT YOU DO TO SELVES?? Each CAN actually only expect God to answer a prayer such as: "Let me do the best I can, Father." Do you see??

I have no "Christmas" message vs. any other message or day—except for using the example of pointing out almost all the WRONG expressions crammed into a few frantic days of the LIE. And yet, your hearts swell in longing for perfection and joy and you who have found "wisdom" will find that joy in the expression of sharing, loving and just experiencing the gaudy beauty of a Season of expectation and "hope". Can you not participate in the sharing and glory without being sucked into the lie? Oh indeed, and the focus on that love and beauty will lighten the world. It need not be spoken—for God and reverence can only be within—the shouting is usually the need to be heard that OTHERS be convinced of your singular greatness! Your attachment to GOD is so sacred and singular as to be diluted in the chanting and presumption of taking or foisting off your opinions on others. If you live as if the only ones on the globe are you and GOD—you shall be fine. THIS MEANS, HOWEVER, THAT ALL YOUR ACTIONS IN THE PHYSICAL ARENA—"CAN" BE "JUDGED" AND MUST BE "JUDGED"! AND ACTIONS AND SPEAKINGS WILL AND MUST BE JUDGED BY OTHER EXPERIENCING FRAGMENTS IN EXPRESSION—DO YOU MANIFEST TRUTH OR LIE? SORRY, GOOD BUDDIES—IT IS EITHER ONE OR THE OTHER AND IT MUST BECOME "ALL THE TIME" AND NOT "JUST AS THE WHIM STRIKES" FOR ANY EXCUSE OR CLAIMED "REASON". ALL ELSE IS JUST THE "PLAY" UNFOLDING IN ACTION.

PERCEPTION OF "ME", HATONN

I wear the image of Aton, my friends, so what you think of me and speak of me IS OF GREAT IMPORTANCE. Not in the sense that you may "think", however. Regardless of your level of realization or recognition—I AM THE MESSEN-

GER OF GOD AND IN THE DENIAL OF THAT TRUTH WHICH I BRING—IS DENIAL OF GOD. Does this mean that you have to believe in an E.T. space cadet of some kind? NO, in fact it is truly an insult, except when given in loving interchange, to label me such, for I AM a Messenger sent to bring TRUTH and INSTRUCTION as to placement in the REALMS OF GOD unto a sick and dying world filled with lost entities in zombie-land. "I" need no silver craft—YOU DO! "I" need no name or label—YOU DO; FOR BOTH SELF AND ME. Why do I not denounce all other speakers and "channels"? Because YOU NEED TO LEARN AWARENESS AND TRUTH FOR SELVES—NOT BY PRONOUNCEMENT OF SOME SORT OF SNIT-FIT FROM ME, WHOMEVER YOU MAY BELIEVE ME TO BE. If presentations be "truth", you will know it—for as you study your lessons—the Truth stands away from the conjectures as a sore thumb bandaged in neon wrappings. Further, if a bunch of "space entities" are telling you to gather around on the White House lawn for the "coming" to "prove" something or other—WATCH IT! EVEN GOD'S OWN DO NOT KNOW THE MOMENT OF HIS COMING—AND AT BEST YOU ARE DEALING WITH LESSER ENERGIES THAN THE HOSTS OF GOD! Most are simply dealing with "wishful" thinking presented by "would be distractors" from the REAL THING.

Are the impostors "evil"? YES! "Evil" in meaning is defined as "...anything or anybody who would deliberately or in ignorance pull a being from his path TO GOODNESS (GOD)." Therefore, by definition, yes indeed, the false speakers and "wishful thinker" psychics and charlatans are "evil". The question might better be: "...are they DELIBERATELY evil?" Probably not, just tools of more deceptive evil-bringers. Those, for instance, telling you that a bunch of aliens, good or bad, are going to whisk you away into wonderland for "nothing" are WRONG! THEY ARE AS WRONG AS THE ONES WHO LIE TO YOU ABOUT A RAPTURE! IT IS THE SAME INTENT—SECURITY AND GOODNESS IN EXCHANGE FOR "NOTHING" ON YOUR PART—EXCEPT THE STUPIDITY TO BELIEVE SUCH A CROCK!

ASHTAR COMMAND

I would caution you to be more discerning about me and my connections to such as the Ashtar Command. You have, many of you, turned the designation of a "computer control center" "command" into a lighted being of God fragment. Don't do this. There IS a designated entity who "commands" the "command" and does make connections with persons manifest. However, he has a PURPOSE and an "action". I AM NOT IN ASHTAR'S COMMAND—IN ANY WAY, SHAPE OR FORM. I have served within that command as necessary while structuring evacuation plans, etc. There are times when I shall step back and allow the logic and precision of a "computer" program to handle an active "happening" for it will concern me very little indeed. If you have read our early writings, you will know what I mean and, if not—you will continue in your misperception and "opinions" at any rate.

How can you "KNOW"? Well, if one, Ashtar, tells you HE is going to land here or there or express here or there—BEWARE. "He" is in command of one of the most select and responsi-

ble fleets in the cosmic coordinates of YOUR planetary system. For him to pop in or out to give YOU a thrill or "experience as a physical being for a romp with a twin-flame" is totally ludicrous in any sane perception. Do you want "God" to leave HIS post at the most critical time in your civilization's history—to romp around for a few days to make show and tell to a "few" and have a little "sex" with a "twin-flame"? GROW UP!!

WHY DON'T PEOPLE "LIKE" ME?

Because I am a TRUTHBRINGER—and people DON'T WANT TRUTH! You, also, don't want to hear the Truth and that is why it takes so long to overcome the doubts. It is not that you don't believe me—YOU DON'T WANT TO BELIEVE ME. You WANT to cling to the charm and "easy-way-out" of the promising hordes of liars—some in intent and others in equal ignorance. I give you that which your heart KNOWS but your senses do not WANT. You WANT to believe, or maybe even deny, a tiny babe in Bethlehem somewhere—out there or magical carpets to the clouds or something—but NOT ACCEPT RESPONSIBILITY OF KNOWING TRUTH!

I CAN tell you this: TO YOU WHO KNOW ME AND RECOGNIZE TRUTH AND HAVE AWAITED THE MESSENGER IN PREPARATION FOR THE KING—YOU ARE IN GREAT JOY AND GLADNESS AND NOTHING CAN TAKE IT FROM THEE! THAT'S ENOUGH FOR ME—FOR YOU ARE WHY I AM COME—NOT FOR THE MASSES OF DISBELIEVERS. ALL HAVE "EQUAL RIGHTS" TO TAKE OR REJECT THE GIFTS I BRING AND THE WORD I SHARE. SO BE IT FOR YOU AS YOU EXPERIENCE HERE AS WHAT YOU CALL CIVILIZATION OF EARTH—ARE EXPRESSING YOUR FINAL TIME OF DECISION-MAKING FOR THE GREAT CYCLE OF CHANGE IS UPON YOU—AGAIN. EACH JOURNEY HAS A BEGINNING AND AN ENDING AS DO THE "ACTS" IN A GREAT NEVER-ENDING "PLAY". WHERE WILL YOU BE WHEN THE CURTAIN FALLS ON THIS SEGMENT? IT IS NOT MY BUSINESS—IT IS ONLY YOURS!

I feel I must remind you of something since you ones have a tendency to claim certain things unto yourselves—which are not even "things". You "Christians" want to claim a baby "Christ" as your "Christmas" present. Balderdash! "Christ" is a "state of being in goodness". Moreover, most "Christians" along with most "non-Christians" as to religious belief, worship more the ornamental tree full of loot than the "Christed" Truth of your placement or beingness. THIS MAKES "ME" VERY UNPOPULAR—JUST AS GOD IN GOODNESS IS VERY UNPOPULAR—YOU EVEN ASK HIM FOR "THINGS" INSTEAD OF "WHAT MAY I DO FOR YOU, FATHER?". It will be WHEN you get it all sorted out that you shall have "arrived" at graduation. How many will make it? Better you decide whether or not YOU will make it.

May the glory and opportunity of the "season" of hope and expectation be open to you for coming into realization of these truths and glory of KNOWING. I am interested in your "JOY", not your "JOLLY".

I AM, THAT YOU MIGHT BE. SALU

INTRODUCTION

HOLY DAYS, HOLIDAYS, HOLLYDAYS....

I am going to combine this "introduction" with a bit of observation as you are steeped in the insanity of these "H"-days. I said yesterday [*please see Commander's writings on Page 1 and Page 18*], that "I" am interested in your "JOY", not your "JOLLY(S)". And, I am finding it interesting what flows back to me—from my "own" crew who say, "But we thought that by Christmas...." AND, "Gosh, Sir, it is almost the New Year and we are not rolling in wealth yet...." Oh—I thought you had been granted riches without measure thus far. I hear, "...what I mean is...." I understand that you must measure progress by those things which allow you to **keep going** and, instead of looking good, it looks indeed bleak. George Green threatens to move his attack point to Las Vegas to destroy the Institute, with Perry (who will undoubtedly try for his mother's estate—again—to pay the legal bills); the business days for progress are almost zilch while everyone involved in anything—takes "Holidays" and drifts around in La-La-Land, and happenings in other parts of "our" world are causing major interruptions in "flow" of timely sequence of events. Ah, CHELAS, God works in mysterious ways his wonders to perform—can you not wait in faith and patience while the play unfolds?

What I find most interesting about this scenario is the absolute LIE entangled herein. I know that you know that the actual birthday of a man called Jesus was not on Dec. 25, any year. I also know that you know it is only a "symbolic" time of recognition—but of WHAT? LISTEN TO YOUR NEWSCASTS! You will NOT hear of celebration of Christ—you will hear everything else, but especially the state of the consumer/marketing graphs.

THIS IS THE STRONGEST TIME OF THE YEAR: **FOR SATAN!**

I get back: "Well, I don't want to disappoint the children...." or, "But my grandchildren won't understand...." Won't understand WHAT? Is it not about time THEY ARE BROUGHT INTO TRUTHFUL UNDERSTANDING? YOUR WORLD IS IN A MESS—QUIT LYING TO THEM! BEGIN TO GET THEM READY TO STOP EXPECTING SOMETHING FOR NOTHING. Do I mean to stop giving to them, sharing with them, surprising them? No, but please bring it into

"where it belongs"—"I give to you because I (WE) **LOVE YOU.**" They can still have the fun of the Season's tales and myths and enjoy the beauty and fun of the celebrations without the burden of pretending to believe in something which THEY KNOW is **NOT!** Be honest with selves: GIVE AND ENJOY BECAUSE **YOU WANT TO;** DON'T DUMP THE BURDEN ON THE BABES AND CHILDREN—OR ALLOW THE SPOILED BRATS WHO HAVE GROWN UP "WRONGLY" (THANKS TO YOU) TO DEMAND "JUST BECAUSE"....! Until YOU can grow up you, too, cannot grow in understanding.

I hear your hearts and the longing for less pressure. God keeps his promises, chelas—HE also tells you it will be in PROPER SEQUENCE! What I see is that you want to prove somehow that what you do "here" or "there" is abundantly "right" and so, too, that proof shall come to pass—in its proper sequence. Can you not simply enjoy and LOVE one another in Truth instead of from the strained pocketbook—guess in what area of the anatomy most of you bear your pocketbooks!

REMINDERS

I need to do some reminding for you ones are in dire circumstances. You who are out of "unemployment" funding—take heart; go back on January 1 and reapply. A little-touted FACT exists: The unemployment offices run on annual fiscal years and YOU CAN REAPPLY EVEN IF YOUR EXTENSIONS HAVE RUN OUT ENTIRELY. IT MAY NOT WORK OUT WELL, BUT ESPECIALLY IF YOU WORKED FOR A MAJOR CORPORATION—IT MOST LIKELY **WILL.** And I note that, in scaring you off from the "mark of some beast", you do not gather from the bankers that which YOU HAVE EARNED, PAID FOR OR CAN RECEIVE. I ask you to recall what we have shared before: THE MARK OF THE BEAST IS INTENT WITHIN THE HEART AS TO LOYALTY. A TATTOO OR A NUMBER OR A COMPUTER CHIP **IS NOT THE MARK OF THE BEAST!** Go forth and receive that which you have earned to help you as long as there is availability of that help.

THE WORLD IS NOT GOING TO GET
BETTER AND YOU
WILL ERR GREATLY IF YOU "GET RICH"
WHILE THE
WORLD GOES DOWN!

You need to remember that the Elite Bankster One World Order PLAN TO HAVE

EVERYTHING—INCLUDING YOUR SOULS. The charade will be that all is well and growing, to suck you further into the trap. Don't be fooled—this old planet and EVERY nation on it are in for hard times. Enjoy minute by minute that which you can glean, and USE everything you can glean from the system to help you "make it through". Extra food-stamps buy extra beans for your larder. Why should God's children have nothing while the Elite take it all? I do not sanction or condone "Welfare" as you have it structured—BUT, WHY SHOULD GOD'S PEOPLE STARVE AND GO UNSHELTERED WHILE THE GREED-MONGERS TAKE THE REST OF WHAT YOU "HAD"? It is time to evaluate your circumstances and USE everything WITHIN THE LAW. You will know that which is without God's Laws and that knowing shall guide you—BUT DO NOT ASSUME GOD'S LAWS ARE WRITTEN BY AND THROUGH THE LOCAL PREACHER!

There are ways to attend the small reserves (or big) which you have labored long and hard to have against your days of setbacks—and still get assistance which you have paid for and earned. If you are curious—get in touch with Cort Christie—God has sent us to help you in response TO YOUR PRAYERS FOR HELP. GOD IS A VERY PRACTICAL BEING AND EXPECTS YOU TO UTILIZE HIS "ANSWERS" TO THOSE PRAYERS—NOT JUST BACK OFF AND SAY, "GOD WOULDN'T DO THAT OR THIS OR THE OTHER"—YOU ASK IN INTENT OF KNOWING GOD—AND HE SHALL SUPPLY THE ANSWER—BUT MOST OF YOU MISS THE SIGNAL. SO BE IT.

How many of you are ACTUALLY eligible for "welfare" and refuse to ask for the help because it somehow demeans you? If it "demeans you"—then I suggest you look at attitude adjustment for that means you "look down" on those who do need and obtain assistance. You will always find the ones in line who do not deserve, have not earned, etc., but does that mean that YOU must be among those ones in intent. YOU HAVE PAID FOR THESE GLEANINGS, FORGETFUL PEOPLE—WHY WILL YOU ALLOW ONLY THE "BAD" TO GAIN AND ALWAYS PUT GOD'S WILL AND WORK—LAST? YOU HAD BETTER BEGIN TO THINK ON THESE THINGS BECAUSE TIMES ARE GOING TO GET HARDER AND HARDER AND HARDER TO SIMPLY SURVIVE, REMAIN SHELTERED OR EVEN SURVIVE "ON THE STREETS". YOU MUST USE WHAT IS AVAILABLE TO THE BEST OF YOUR ABILITY TO DO SO—AND THAT MAY WELL MEAN SIGNING UP FOR WELFARE. WHY DO YOU TAKE FROM A BROTHER WHEN YOU WILL NEVER BE ABLE TO PAY IT BACK—WHEN "YOUR SHARE" IS BEING DOLED OUT TO OTHERS? YOU ARE GOING TO LEARN TO DEAL WITH EGO PRIDE—OR YOU ARE GOING TO PERISH!

Dharma and E.J. are truly eligible for outright welfare. They are now both old enough to apply for "early" Social Security—I request that they do so for in their doing so perhaps some of you others of my team will see the merit in following suit.

You had better be changing your PERCEPTIONS because you, like sheep, follow along in the way "they" want you to march. You will be treated rudely, crassly and some will even be treated with respect and patient caring—IT DEPENDS ON YOU and YOUR APPROACH. Those "workers" in those offices KNOW that only by the Grace of God—go they and it causes them to have to harden their hearts or have their hearts burst from compassion at seeing the multitudes of hurting fellow-men. Some are terrible persons—so be it, it is not your problem—it is theirs. Why should you go hungry because a "worker" can't be nice?

Until YOU reach out and take back that which you set aside for selves, the lies will continue unabated and untended. The Government LIES TO YOU ABOUT NUMBERS. It is not pleasing when you go apply AGAIN for unemployment—it botches up their distorted numbers game. It is up to YOU, my friends—IT IS UP TO YOU. The least thing you are doing is reminding EVERYONE that you are still unemployed and it goes on the public record—even if you don't get funding.

There is not going to be an easy romp through these times of change. "Easy" is the LAST thing on their Protocols listing. They plan to make it as dastardly and miserable as possible—and THAT is pretty dastardly! If you think God is somehow judged in intent of soul by food-stamps—YOU DON'T KNOW WHAT YOU ARE ABOUT! PERHAPS GOD IS ANSWERING YOUR PRAYER FOR YOUR FAMILY'S NEXT MEAL???? "I am too PROUD to accept charity!" is the song of the foolish! How dare you allow my babies to go hungry because of YOUR PRIDE! It is time to hold your head UP, walk tall and go receive that which can sustain our people.

Should you "take" YOUR Social Security payments if you can survive otherwise? Why NOT? YOU PAID FOR IT—REMEMBER—THEY TOOK IT OUT OF YOUR EARNINGS ALL ALONG YOUR PATHWAY! IT IS MANDATORY TO UTILIZE WISELY ALL THINGS LEGAL AND WORTHY—STOP FEEDING THE ENEMY IN HIS TRICKS AND TAKING. DO YOU THINK THE ADVERSARIAL THIEVES AND CORRUPT OFFICIALS WILL BE IMPRESSED BY YOUR GENEROSITY? WELL, MAYBE—BECAUSE THEY WILL GET MORE IN THEIR SKIVING CRIMES WHILE YOU HAVE NOTHING! YOU MUST WORK EVER MINDFUL OF THE DAYS COMING FOR THERE WILL NOT BE JOBS NOR SOCIAL SECURITY—SO YOU MUST PROTECT WHAT YOU CAN, USE WHAT YOU NEED AND PREPARE FOR THE EVEN LEANER DAYS AHEAD.

You had best be "changing" perspective and perception. At this time you "goodly" citizens are playing right into the beast's trap! If you can't see as much—you had better do a bit more "homework". There ARE ways to protect some assets—but "they" are not going to tell you about them NOR am I going to beat you over the head with the options. I would suggest a LOT of you reconsider the possibilities of some

Nevada Corporations to assist you. What do you have to lose?? Well, you surely will have bunches to gain!! If you have NOTHING now and don't care—so what, it is obvious that you don't need to consider anything for you already have nothing to "place" or shelter. This passage and how you make it is your problem—I can only offer that which can help, no more and no less.

This JOURNAL shall be called:

CHANGING PERSPECTIVES

In these days of changing images in the illusions wrapped in bright shiny lies and

tinsel, it must come that YOU change your attitudes, perspectives and perceptions—lest you be pulled down while you THINK you are being lifted up. It is a time for care and preparation for the days ahead. If you KNOW and are prepared, what have you LOST? At worst, you have abundance upon which to thrive, in the storehouse. If you have NEED—you will glorify in the attending your needs and those for whom you have responsibility. It is hard to think "beans" when a shiny new toy is at choice—someday the beans will be the treasure.

DEDICATION

TO GOD, MY FATHER, I DEDICATE ALL THAT I AM AND ALL THAT I MAY EVER BE—THAT YOU TOO, MAY BE!

Important Confirmation

Editor's note: The following is an important confirmation of the conversation with Jim Vassilos on Page 13 on the crookedness of the Chicago bankruptcy courts.

The CONTACT received a fax from Rayelan Russbacher today, 12/20/93. Recently there has been some activity on the American Patriot Fax Network concerning a 101-page letter which Paul Wilcher wrote to Janet Reno on May 21, 1993, about Waco. Rayelan has written a response to one of the communications on the network, and a portion of that response confirms what Jim Vassilos said about the Chicago bankruptcy courts. Let me offer a segment of her letter.

"Paul Wilcher was a multimillionaire lawyer/real estate investor in Chicago. Paul started out to be a Baptist minister. When he decided to go to law school instead, he did so because he wanted to help those who couldn't help themselves. As a result of following his conscience rather than what was politically expedient, he alienated himself from the law community in Chicago and needed to find another way to support himself. He went into real estate and very soon became successful.

"After building up a \$60,000,000 real estate empire, he made a mistake that cost him

everything. Over ten years ago he bought another building in Chicago. What he didn't know at the time he purchased the building, was that it was part of an ongoing criminal scam. The owners of the building knew that it needed to be brought up to code, and this was how they tricked prospective pigeons into losing everything and as a result, the owners of the building got to keep the building plus the down payment. In collusion with the county's building inspector; the owners of the building, kept bleeding Paul and his family dry by making sure that the building was continually being 'brought up to code'. It was a clever scam that is still being used to drive unsuspecting citizens into the bankruptcy courts in Chicago and across the nation. Once they are in the bankruptcy courts, the crooked judges and lawyers finish them off. This is what happened to Paul Wilcher. Paul's own lawyer, and finally the Judges in Chicago's bankruptcy courts, successfully bankrupted him and took from him his entire fortune.

"For over ten years, Paul stayed in Chicago and tried to fight and expose the corruption in Chicago's bankruptcy courts. This is how he was associated with Sherman Skolnick and Jim Vassilos. Paul spent every penny he could earn in those ten years, just fighting the corruption in Chicago."

"Gentlemen, I'd like to close this meeting with a short prayer: Lord, let us get away with this little scheme just this once. Amen."

premises and under the Drug Interdiction Assistance Act, 10 USC 374, 379, assistance by Department of Defense personnel and military equipment were utilized under authority granted for such use by Texas Governor Anne Richards. Of course, no such drug activity existed.

According to information received here, Texas Governor Anne Richards and Texas Attorney General Dan Morales were elected to office in 1990. Once elected, they were *mandated* by Texas State Law to take an Oath of Office that was to be kept on file by the Texas Secretary of State. Interestingly, the Oath of Office of Attorney General Morales, which was dated January, 1991, was not *file stamped* until March, 26, 1993, and Governor Richard's Oath of Office has *yet to be located* by the Secretary of State. Upon *prima facie* evidence, it appears probable that the Governor and the Attorney General had not taken their respective Oath of Office for two years after they were elected. This being the case, then, it follows that any official duties they have performed or anything they have signed in an official capacity in the last two years are unlawful and a nullity, without any legal merit.

This situation creates the potential for unlimited legal chaos. Laws signed by the Governor during the last two years could very well be without the force of law; the entire Executive Branch of the Texas State Government could be without lawful authority to enforce any law or regulation. Moreover, innumerable criminal convictions could be called into question and all civil court cases prosecuted by Attorney General Morales and the entire Attorney General's office - which derives its authority from the Attorney General's Oath of Office - could also be unlawful.

The positive law embodied within Title 18 of the United States Criminal Code at Section 1621 states that, "Whoever - (1) having taken an oath before a competent tribunal, officer, or person, in any case in which a law of the United States authorizes an oath to be administered, that he will testify, declare, depose, or certify truly, or that any written testimony, declaration, deposition, or certificate by him subscribed, is true, with full knowledge that such oath states or subscribes any material matter which he does not believe to be true; or (2) in any declaration, certificate, verification, or statement under penalty of perjury as permitted under Section 1746 of title 28, United States Code [28 USC 1746], willfully subscribes as true any material matter which he does not believe to be true; is guilty of perjury and shall, except as otherwise expressly provided by law, be fined not more than \$2,000 or imprisoned not more than five years, or both. This section is applicable whether the statement or subscription is made within or without the United States (emphasis added).

With the Constitutions being generally recognized as a "contract" between government officials and the people, when any official voluntarily enters into the contract, by entering upon a sacred Oath of Office, he or she is bound by the mandatory terms of that contract. When the people of the State of Texas elected Anne Richards at the polls to be Governor of Texas, a deal was struck - a "contract". The Citizens agreed to entrust her with the exercise of certain enumerated powers contained in the lawful Articles of the Texas Constitution and provisions of statutory law. In return, Governor Anne Richards agreed to swear to exercise the power of the Governor's office *only* within the terms and limitations of the Texas Constitution. But if the official Oath of Office is not carried into fruition by following the provisions of Texas State Law, such as filing the Oath of Office with the Secretary of State *prior* to discharging the duties of that office, the Governor's office is said to be *standing vacant*.

NEWS RELEASE

December 20, 1993

OATHS OF OFFICE . . . AND MORE WACO

(Puyallup, Washington) . . . Recalling the 51-days of government atrocities played out against the Branch Davidians in Waco, Texas, it would be most telling to verify the Oaths of Office of the various officials involved, especially the Governor of the State of Texas, and the Chief Law Enforcement Officer of the State of Texas, the Attorney General. Once determined, this information should be published and made available to potential jurors who will decide the fate of the 12 surviving Branch Davidians, who are being forced to stand trial this January in San Antonio, Texas, as the result of a ten-count Federal Grand Jury indictment. The ten-counts include: *Conspiracy to Murder Federal Officers; 18 USC 1114 and 1111 - Murder of Federal Officers; 18 USC 924 (c) (1) - Possession of a Firearm During the Commission of a Crime of Violence; 26 USC 5861 (d) - Possession of an Unregistered Destructive Device; 18 USC 371 - Conspiracy to Unlawfully Manufacture and Possess Machine Guns; 18 USC 922 (a) Unlawful Possession of Machine Guns; and 18 USC 2 - Aiding and Abetting.* It is abundantly clear the federal government will, as they did in the Randy Weaver trial in Boise, Idaho, fold, spindle and mutilate justice using whatever means of deception necessary to arrive at "plausible deniability" of any wrong-doing. And like the Weaver tragedy, once again the federal government has visible blood stains on its hands.

Why is it important to know about the Oaths of Office? The State of Texas as a sovereign power by the mandatory provisions of the Constitution upon all State Officers, is the *ultimate power* to either approve or deny permission to the foreign corporation, *The United States Government*, or any of its agencies to move forward with bringing its military force and *federal jurisdiction* to bear upon the Citizens of Texas. If the powers being asserted by those assuming the Offices of Public Trust are without their Oath being properly executed and filed, then those powers are necessarily being *usurped unlawfully* and without the will and consent of the governed. In addition, Title 18 of the United States Criminal Code at Section 1385 *prohibits* the use of the Army or the Air Force as a *posse comitatus* against civilians and is punishable by a fine of not more than \$10,000 or imprisonment of not more than two years, or both. However, as is brought out in Linda Thompson's video, *Waco, the Big Lie*, the federal government sidestepped this provision by alleging there was some sort of drug activity on the

In Washington State, a similar problem exists involving not only the Governor, but virtually all State Officers within the Executive Branch. In the case of Governor Mike Lowry, while his Oath of Office was properly administered on January 13, 1993, after being elected, it was *not* filed until April 29, 1993, thereby violating the statutory provisions of the Revised Code of Washington and causing the Office of Governor to become vacant as a result of that violation. RCW 43.01.020 is implicitly clear that the oath or affirmation *shall be filed* in the Office of Secretary of State *before the officer shall be qualified to discharge any official duties*. Also, RCW 42.12.010 states that every elective office *shall become vacant* upon any offense involving a violation of his or her official oath or by his or her refusal or neglect to take his or her oath of office, or to give or renew his or her official bond, or to deposit such oath or bond *within the time prescribed by law*.

The seriousness of failing to properly execute the Oath of Office becomes readily apparent when one understands that a person is guilty of the crime of "criminal impersonation" when he or she pretends to be a representative of some person or organization or a public servant and does an act in his or her pretended capacity with intent to defraud another or for any other unlawful purpose. Under Washington Law, "Criminal Impersonation" is a gross misdemeanor. In addition RCW 9A.80.010, "Abuse of Office" defines Official Misconduct as the act of one who intentionally refrains from *performing a duty imposed upon him by law*, also a gross misdemeanor. Similar provisions exist within the statutory provisions of Texas State Law.

An information in the nature of a *Writ of Quo Warranto* may be filed against any person when they shall usurp, intrude upon, or unlawfully hold or exercise any public office or franchise within the state and is the proper civil remedy at law for trying the title to a public office, that is, to determine whether the incumbent has unlawfully usurped or intruded into, or is unlawfully holding such an office, and if so, to oust such incumbent therefrom, and lies for the protection of the public and the benefit of the community rather than for the gratification or protection of any particular individual, and is in the nature of a public prosecution to recover to the state, usurped or forfeited offices.

Reportedly, not one of hundreds of "visiting judges" in Texas have Oaths of Office on file. Not one! Which implies that when they hear a case, they may not be obligated to "uphold and obey" the Constitution. This in turn may explain why "visiting judges" are routinely employed as "hatchet men" to handle *politically difficult* cases in Texas. No doubt, the forthcoming Branch Davidian trial will be one of those *politically difficult* cases in which the federal government will undoubtedly attempt to bury the evidence and the true nature of what really happened in Waco, Texas leading up to the February 26th assault, and 51-days later, on Monday, April 19th, 1993, the illegal smashing into the Branch Davidian home of upwards of 96 men, women, and children with military tanks from nearby Fort Hood, the gassing of those persons with tear gas and nerve gas, the cold blooded murder (with a bullet to the forehead) of David Koresh and perhaps as many as two (2) dozen others, the killing by lethal injections of 17 or more of the children, and then the delayed fire bombing of the Branch Davidian home, so that all of the remaining inhabitants in the compound who had not already been murdered, would perish . . . and did perish in the hellish conflagration which ultimately consumed them and their home and destroying evidence at the crime scene. Already it is rumored widely that prospective jurors will be *chosen in secret* and their identification will remain anonymous. The trial has been moved from Waco to San Antonio, and U.S. District Judge Walter Smith of

Waco has placed a "gag order" on attorneys, which prohibits them from discussing the case.

36 Am Jur 2d, Section 1: "Under the constitutional provisions of the several states defining the powers of the government and vesting them in three separate branches - the legislative, the judicial, and the executive - the executive is charged with the authority and power of causing the laws to be duly executed and granting commissions to all the officers of government for the exercise of their respective functions for the benefit of the whole . . . The office of governor does not exist by virtue of the common law. Under the American system it is constitutional, and the people of the state by amendment to their constitution, may abolish the office altogether." Section 4: Emergencies do not create power or authority in a governor, as the executive, but they may afford occasions for the exercise of powers already existing."

Under the statutory powers conferred upon the Governor, in the instance of the State of Washington, *the governor is the sole official organ of communication between the government of this state and the government of any other state or territory, or of the United States . . . the governor shall see that all offices are filled, and the duties thereof performed, or in default thereof, apply such remedy as the law allows; and if the remedy is imperfect, acquiesce the legislature therewith at its next session.*

7 Am Jur 2d, Section 1: "A state attorney general is the chief law officer of the state, to whom is usually entrusted not only the duty of prosecuting all suits or proceedings wherein the state government is concerned, but also the task of advising the governor and other administrative heads of the government in all legal matters on which they may desire his opinion. In most, if not all states, the attorney general is a constitutional officer."

New Gaia Products

GAIANDRIANA

Gaiandriana is a non-alcoholic health tonic which provides basic "foods" to help cells, weakened by the stresses of modern life, to return to a state of health.

The better our cells function, the greater is the stamina returned to our internal defense systems, and the better we can counter the constant onslaught of biological and viral invaders. The end result is a feeling of well-being by, of course, being well.

The Gaiandriana (commonly referred to as "chondriana" in the Biological literature) are capable of intelligent, organized attack against cellular invaders like viruses. Think of it as a "pac-man" operation of sorts. However, beyond that, the Gaiandriana are capable of stimulating cellular structural repairs due to damage caused by, for instance, free radicals and cumulative levels of so-called "background" radiation in our modern environment. Healthy DNA and RNA within the nuclei of our cells then lead to properly formed and concentrated enzymes, upon which healthy cellular function depends.

Gaiandriana liquid is made entirely from wholesome natural ingredients.

AQUAGAIA

Complementary to the Gaiandriana product, AquaGaia is also a non-alcoholic health tonic which provides basic "foods" to help cells, weakened by the stresses of modern life, to return to a state of healthy function.

AquaGaia contains *mitochondria*. These are the major biochemical energy "processors" within cellular metabolism. First, enzymes begin the breakdown process of organic nutrients (like fats, carbohydrates and proteins) to intermediate substances such as amino and pyruvic acids. Then, in the next "bucket brigade" step, these various acid molecules are processed within the mitochondria to release chemical energy recognized as adenosine triphosphate (ATP).

About 95% of the energy needed to "run the machinery" that keeps each cell going and healthy is produced in the mitochondria. Unfortunately, the mitochondria are particularly damaged by free radicals and cumulative levels of so-called "background" radiation in our modern environment. These compromised mitochondria, like half-dead batteries, then lead to impaired cellular functioning and health. Thus is the importance of AquaGaia, with its assimilatable supply of healthy mitochondria — like "fresh batteries" for the body's cells.

The better our cells function, the greater is the stamina returned to our internal defense systems, and the better we can counter the constant onslaught of biological and viral invaders.

2/11/93 #2 HATONN

GAIANDRIANA & AQUAGAIA

these organic "pac-men" you must realize that there is a protein covering "cap" on viruses. The protein cap is centered on a charged zinc atom and is the part of the virus that recognizes and binds to DNA—in turn allowing the virus to reproduce.

AquaGaia, in conjunction with the Gaiandriana, knock out the zinc atom (a simple "charge" change), which renders the protein ineffective. This is a breakdown of "parts" of the Gaiandriana male-female DNA structure which releases many working variants but frees the Gaiandriettes or "killers" to take out that zinc atom and pass right into the affected cell. Without the "cap", the virus cannot reproduce and infect more cells—further, the damaged virus feeds the Gaiandriana unified cells and the circulating mitochondria.

Healthy cells are not affected because they lack the zinc-centered protein cap on the virus.

These "Gaia" compounds have an effect on cancer cells because they stop an enzyme on the cancer cells from producing a "messenger" molecule that blocks a second enzyme from attacking the cancer cell's DNA. The compounds (Gaia) have been seen to actually take out leukemia, breast, brain and colon cancer cells. We have no claim to anything other than stating that people utilizing these simple and natural substances do show improved well-being and do report feeling generally and, often remarkably, improved as to state of health, thought processes and stamina.

The obvious conclusion is that there might well be good reports of better health and faster recovery, following infection by other viruses, than those mentioned above. All viruses known react in generally the same manner.

It is known that many diseases are due to retroviral DNA and these are the most affected viruses by the Gaia-chondrianas (living crystal forms). We, again, make no medical claims—we are simply reporting in an effort to explain WHAT takes place within the cellular structures of living organisms.

NOTE

If any product you receive has an unpleasant odor — it is from the finishing culture process. Leave the bottle open to air and it will quickly dissipate. Then, depending on taste and preference—**refrigerate after opening** and reclosing.

IMPORTANT: Do not mix the two, Gaiandriana and AquaGaia, together for storage as the AquaGaia (mitochondria) are aggressive and begin to "eat" the Gaiandriana for fuel. Once ingested, they go about their appointed tasks, but in bottle prisons they are not particularly compatible once the available fuel supply is exhausted. Juices are excellent to take with the AquaGaia because the mitochondria must have the fuel derived from same, the most effective juice being from the tropical "Guava" fruit. Any juice is fine, however, and is most pleasant to intake. Diabetics should utilize whatever juices are

available on their food plan to keep within the safe guidelines for calories and other requirements.

The most innocuous and easy intake available is simply a few drops under the tongue, both products taken at the same time or at different times of the day. Once the "initial" program is completed, and the maintenance level of intake is being followed, certainly the drops under the tongue are the least annoying to any daily regimen.

A-C-E ANTI-OXIDANT FORMULA

There is growing evidence that essentially everyone in our society is exposed to free radicals, now more than ever. While free radicals are normal products of our cells and have certain beneficial roles in the body, increased levels of free radicals in our body tissues can be detrimental to our health. Free radicals are highly unstable substances produced in the body through, among other routes, metabolism of oxygen. Free radicals multiply through a series of chain reactions and can attack the polyunsaturated fatty acids of cell membranes. Unless excess free radicals are neutralized, they can cause considerable damage to the structure and function of cell membranes and thus, the cells themselves.

The products from free radical reactions are implicated in the progressive accumulation of deleterious cellular changes over time, which may eventually result in recognizable disease. Free radical damage is implicated in the initiation and promotion of many cancers, as well as atherosclerosis.

One area of aging research suggests that free radicals damage body cells and cause the pathological changes associated with aging. Besides being by-products of the metabolism of oxygen, such as during strenuous exercise, we are also exposed to significant sources of free radicals from the environment, such as from so-called "background" levels of ionizing radiation.

Cooperative defense systems that can protect the body from free radical damage include certain enzymes and the antioxidant vitamins A, C, and E and Beta-Carotene, which protect cell membranes from oxidative damage. Vitamin E, one of the fat-soluble vitamins, is present in the blood as d-alpha-tocopherol and is well accepted as the major antioxidant in lipid body tissues. Vitamin E is considered the first line of defense against cell-membrane damage due to peroxidation. Vitamin E scavenges free radicals, terminating chain reactions and confining damage to limited areas of the membrane. Selenium contained in the enzyme glytathione peroxidase is the second line of defense that destroys peroxides before they can damage cell membranes. Beta-Carotene, a precursor of Vitamin A, also traps free radicals. Vitamin C is water soluble and serves to neutralize free radicals in aqueous systems.

The antioxidants show promise as cancer-prevention agents, alone and in combination.

ALOE COMPLETE
(Whole Leaf, Cold Pressed
Aloe Vera Concentrate)

Aloe Vera has a long and impressive history that spans hundreds of centuries, countries and cultures, and appears in countless "folk remedies" as a plant revered for its healing qualities.

Aloe Complete is a whole-leaf concentrate prepared from the freshly harvested leaves of the *Barbadensis Miller Aloe Vera* plant. **Aloe Complete** guarantees a minimum of 10,000 mg. of mucopolysaccharides per liter.

The nutrients reported in Aloe Vera include mucopolysaccharides and polysaccharides (glucomannans), glycoproteins, glucose, mannose, galactose, xylose, arabinose, tannins, steroids, organic acids, antibiotic principles, glucuronic acids, enzymes (oxidase, catalase and amylase), trace sugars, calcium oxalate, a protein containing 18 amino acids, "wound healing" hormones, biogenic stimulators, saponins, vitamins B1, B2, niacin, B6, choline, folic acid, chloride, sulfate, iron, calcium, copper, sodium, potassium, silicon, manganese, plus many other metabolism-assisting components.

GINKGO BILOBA
(Ginkgo Biloba extract, 24%)

The Ginkgo Biloba extract is a complex compound. The green leaves of the tree are usually harvested from trees grown on plantations in South Korea, Japan and France.

Ginkgo is reported to have a natural affinity for the nervous system. It also seems to stimulate the vascular and endocrine systems that, in turn, strongly affect the function of the nervous system, possibly increasing the capacity for normal physical activity, and the flow of blood to the brain. Some research indicates the possible effectiveness of Ginkgo in the treatment of Alzheimer's disease.

Due to its pharmacological properties, Ginkgo is now widely used throughout Europe for treating many forms of vascular disease. In a survey of packaging information of European products, Ginkgo has been recommended for such ailments as headaches, vertigo, inner-ear disturbances, diminished intellectual capacity and alertness as a result of insufficient circulation to the brain, anxiety, and depression, to name a few.

Ginkgo Biloba Extract (24%) is concentrated from the leaves of the Ginkgo Biloba tree. The highly specialized extraction process yields a 50:1 concentrate from the leaves (50 grams of leaf produce 1 gram of extract). The extract is then further standardized to contain 24% of the active Ginkgo Flavoglycosides.

CHLORELLA

Chlorella is a nutritionally balanced whole food and contributes to the health and growth of human cells like no single vitamin or mineral possibly can.

Chlorella is extremely high in protein (60%) and contains more than 20 vitamins and minerals, 19 of the 22 essential and non-essential amino acids, enzymes and chlorella growth factor. It is one of the richest sources of RNA and DNA known and has twenty times as much chlorophyll as alfalfa, 10 times more than other edible algae including

spirulina, and 10 times more than barley grass.

Chlorella is a natural vitality enhancer. The vitamins found in chlorella cells include: vitamin C, provitamin A, B-carotene, chlorophyll-A, chlorophyll-B, thiamine (B1), riboflavin (B2), pyridoxine (B6), niacin (B3), pantothenic acid, folic acid, vitamin B-12, biotin, choline, vitamin K, PABA, lipoic acid, inositol and para-aminobenzoic acid. The minerals include: phosphorus, potassium, iodine, magnesium, sulphur, iron, calcium, manganese, copper, zinc and cobalt.

The amino acids include: lysine, histidine, arginine, aspartic acid, threonine, serine, glutamic acid, proline, glycine, alanine, cystine, valine, methionine, isoleucine, leucine, tyrosine, phenylalanine, ornithine, tryptophan.

The suggested daily consumption is 3 grams per day.

ECHINACEA GOLD PLUS
(with American Ginseng)

In recent years few medicinal plants have garnered as much attention as Echinacea (*Echinacea Purpurea* and *Echinacea Angustifolia*).

Echinacea is a non-specific stimulant to the immune system. Claims for Echinacea include: stimulation of leukocytes, mild antibiotic activity, anti-inflammatory activity, stimulation of the adrenal cortex, stimulation of the properdin-complement system, interferon-like activity, stimulation of general cellular immunity, and antiviral activity. Internal preparations are said to assist in alleviating cold and flu symptoms, respiratory infections, and arthritis, to name a few.

Goldenseal (*Hydrastis Canadensis*) is among the most popular herbs in the American health food market. Uses are numerous, including but not limited to: antiseptic, hemostatic, diuretic, laxative, and tonic/anti-inflammatory for the mucous membranes, hemorrhoids, nasal congestion, mouth and gum sores and eye afflictions.

Few medicinal plants in the world possess Ginseng's near-legendary status. Dating back thousands of years, its history of use in the Orient records therapeutic properties so wide ranging that it was first dismissed by Western doctors as a "panacea". When fatigued, Ginseng reportedly restores both physical and mental functions to peak efficiency and, with regular use, improves resistance to disease and stress. American Ginseng's genus name is *Panax Quinquefolius*.

Over 40,000 species of mushrooms exist, many of which are used as medicines. Of particular note are such remedies as penicillin- and ergot-based extracts used in migraine treatment, to name a few. Extensive research has been done with one mushroom in particular, namely, Reishi. This mushroom is now considered a tried and true immune system fortifier.
