TO CONTINUE: QUOTING

PROTOCOL NO. 10

Illustrating how easy it is to fool the Goyim, the Jews state point blank that the people are perfectly content with the outside appearances of their governments and don't have the faintest understanding of the underlying meaning of things or the actions going on behind the scenes. In order to keep it that way it is important that all questions ought not to be touched upon directly and openly before the people. By not naming a principle the Jews leave themselves free for any action they choose. A political scoundrel, who is a rascal but clever, will be admired by the mob for his impudent audacity.

The Jewish hierarchy has drawn up a master plan for erecting a new fundamental structure embracing all the nations of the Earth (United

Nations). They mean to bring all the peoples under their one despotic Jewish dictator by first subjecting the peoples of the world to such terrible suffering, confusion and torment that they will throw up their hands in desperation. The Jews will then offer them the solution to all their problems. By a coup d'etat that they will then bring about, they will set themselves on the throne of the world.

Some of the tools for accomplishing this are to give everybody a vote without distinction of classes or without qualifications; by destroying among the Goyim the importance of the family and its educational value; by creating of the mob a blind mighty force which will never be in a position to move in any direction without the guidance of the Jewish agents set at the head as leaders of the mob.

The Jews are well aware of the leadership principle and have utilized it from the beginning of their history to bring them to the present state of power. They realize that a scheme of government must come ready made from one brain and must not be split into fractional parts from the minds of many. Whereas it is allowable for a select company of their hierarchy to have knowledge of the general scheme of action, they must not discuss the details because it would destroy its artful design, the interdependence

of its component parts, and the secret meaning of each clause.

They take a very dim view of the usefulness of a constitution as a means of protecting the people from their conspiracy. They state openly, "A CONSTITUTION, AS YOU WELL KNOW, IS NOTHING ELSE BUT A SCHOOL OF DISCORDS, MISUNDERSTANDINGS, QUARRELS, DISAGREEMENTS, FRUITLESS PARTY AGITATION, PARTY WHIMS--IN A WORD, A SCHOOL OF EVERYTHING THAT SERVES TO DESTROY THE PERSONALITY OF STATE ACTIVITY." Democracies and Republics with everybody having a vote down to the last scum and rabble provides the Jew with the finest element with which to destroy the State, and the people within that state. In order that they can best manipulate such a State they arrange to elect Presidents and other officials which have in their past some dark undiscovered stain. These agents WILL THEN DO THEIR BIDDING WITHOUT ANY FEAR OF REVELATION ON THE PART OF THE JEWS.

Finally, by means of creating discord, by plundering the people blind by taxation, by bungling, by a breakdown of law and order, by dissension, hatred, struggle, envy and even by the use of torture, by starvation, by the inoculation of diseases, by want, finally the people will be so

exhausted and so desperate that they will see no other choice but to take REFUGE IN THE JEWISH LEADERSHIP. The people will submit and surrender to their unconditional Jewish sovereignty.

PROTOCOL NO. 11

"The Goyim (Gentiles) are a flock of sheep and wege to elect Presidents and other officials which have in their past some dark undiscovered stain. These agents WILL THEN DO THEIR BIDDING WITHOUT ANY FEAR OF REVELATION ON THE PART OF THE JEWS.

are their wolves. And you know what happens when the wolves get hold of the flock?"

In this Protocol they go into further detail about destroying the last vestiges of our type of government and replacing it with their Jewish world order which will come in the form of a revolution of the State. As a precondition to this new world order, many combinations of concepts which we now accept, such as freedom of the press, right of association, freedom of conscience, the voting principle, and many others must disappear forever from the memory of man. The Jews want to make sure that when they spring the final closing of the jaws on the Goyim, such victims must recognize once and for all that they the Jews, are so strong,

so super-abundantly filled with power, that in no case will they take account of any protest, nor will they pay any attention whatsoever to the opinions or wishes of the Goyim, and they want to impress upon us that they are ready and able to crush with irresistible power all expressions of such protest at any moment and at every place. In fear and trembling the Goyim will close his eyes to everything and be content to wait and see how it will all end. In the meantime, the Jews will keep the Goyim Gentiles pacified by promising to give back to them all the liberties they have taken away as soon as they have quelled "the enemies of peace". [H: Like, perhaps, the promising to "pay back those gifts and loans and how about only keeping the Executive Orders and Emergency Regulations in place ONLY until the emergency is over! Somehow neither ever gets done!]

Why are they doing this? In order to obtain in a roundabout way that which their scattered tribe would be unable to obtain by direct methods. That is why they have organized an army of Masonic lodges--to throw a smoke screen over their real aims which are not even so much as suspected by "...these Goy cattle".

"God has granted to us, His Chosen People, the gift of the dispersion, and in this, which appears in all eyes to be our weakness, has come forth all our strength, which has now brought us to the threshold of sovereignty over ALL THE WORLD."

Literature and journalism are regarded by the Jews as the two most important educative forces and therefore they want to make sure that their government will become the sole proprietor of the majority of all journals. They regard freedom of the press, or freedom as such, as the right to do ONLY that which the law allows. Since they are going to either create or abolish such laws as are desirable to them, all freedom will be in their hands.

Propaganda and the press which creates it are therefore regarded as

a key to control over the Goyim. "We shall saddle and bridle it with a tight curb: we shall do the same also with all productions of the printing press: anybody in the printing business will be required to have a stamp tax and deposits of caution-money. If anybody attacks the Jews, if such is then still possible, we WILL INFLICT FINES WITHOUT MERCY." They intend to so straddle the press that no one shall with impunity lift a finger on the correctness and infallibility of their government.

They will also establish magazines and papers of their own that will make phoney attacks upon their Jewish establishment, but, of course, they will be limited to such trivial points that will cause them no problem. They will belabor a hundred sides of every point but never bringing up any real issues until they have the public so confused that they won't know where they stand or what a valid opinion even is. In any case, not a single announcement will reach the public without going through the colored spectacles "...which we are setting astride their noses". They brag that even now and this was written over 70 years ago [H: now published nearly a century ago] there is no State secret that the Jews don't have access to. Now, all these years later, we can imagine how much further they are in control. [H: Can you, America? About a century after these things were made public and KNOWN to you--what do you do? Where do you stand? These adversaries of God tell it EXACTLY the way it IS and have all but finalized their ages-old plan--to the letter!]

The future despotic Jewish State will have three classes of journals that they will control. In the front rank will stand organs of an official character. These journals will always stand guard over the Jewish interests and they admit that, therefore, their influence will be comparatively small. In the second rank will be semi-official organs whose part it will be to attract the tepid and indifferent Goyim. In the third rank they will set up their own papers, but to all appearances they will be in opposition to their regime. This will (a)

trap their real opponents to accept this simulated opposition as their own. (b) They can lead the opposition opinion into the very channels to which they then desire, and thereby neutralize them.

In this way they will carry on their own sham fights which will confound and confuse the Goyim. At the same time the Goyim will still be under the illusion that he is enjoying freedom of the press.

Even at the time that the Protocols were placed in writing the Jews bragged that with the French press all organs of the press are bound together by professional secrecy. No journalist would venture to betray this secret, because not one of them was ever admitted to practice literature unless his past had some disgraceful episode with which the Jews could thereby blackmail and control that member of the press. When the Jews have finally accomplished their world goal and have the despotic regime in full control, they intend to make sure that there will be no revelations by the press of any public dishonesty. The new regime must be thought of to have so perfectly satisfied everybody that even criminality will seem to have disappeared.

PROTOCOL NO. 12 (Subject headings only)

This chapter is rather long and deals with the tremendously important role the Jewish-created Masonic Orders and Masonic Lodges play in control of the press, government and the Gentiles as a whole.

Masonic interpretation of the word "freedom". Further of the press in the Masonic kingdom. Control of the press. Correspondence agencies. What is progress as understood by Masonry? More about the press. Masonic solidarity in the press of today. The arousing of "public" demands in the provinces. Infallibility of the new regime.

PROTOCOL NO. 13

The need for our daily bread will be the most powerful club the Jews intend to wield over the head

of the Goyim to keep him in silence as their humble servant. They will use their Gentile agents of the press to discuss those issues that are inconvenient for their official journals to mention. The Jewish controlled regime will then simply take them to the public as an accomplished fact. Once done, no one will dare to demand a change in the matter, and all the more so, since the Jewish press will then represent their new measures as a great improvement. Immediately thereafter the press will distract the current thought towards new and frivolous questions.

As the Goyim people become more and more enslaved, the Jews intend to further distract them with amusements, games, pastimes, passions, people's palaces and many other distractions such as competitions in art and sports of all kinds. The Jewish controlled press alone will guide the people to any and all forms of opinion which the people will then regard as their own, because they, the Jews, will have all monopoly in offering them any new directions for thought.

Liberals and Utopian dreamers will play their part in wrecking the remnants of the Goy government until the Jews take over. After that these liberals will be of absolutely no value to them. In fact, they may even be dangerous and they have to be set aside. Although they will upset our whole "other" civilization and turn society up-side-down, their orators will expound at great length on how they have now brought us a wonderful, benevolent regime, though in reality they have enslaved us. "Who will ever suspect then that all these peoples were stage-managed by us according to a political plan which no one has so much as guessed at in the course of many centuries?"

PROTOCOL NO. 14

When the Jews have established their despotic kingdom they intend to make sure that no other religion will exist than their religion, the so-called religion of Moses, in which

they will stand out as the "chosen people". All other forms of belief will be swept away. They will then delude the Goyim that in their religion there exists a mystical rite on which all educational power is based.

After they have enslaved all the peoples of the world and imposed their tyrannical regime upon them they will then at every possible opportunity publish articles and make comparisons between their benevolent rule and those of the past ages. They will extol the blessings of tranquillity, although that tranquillity was forcibly brought about by centuries of Jewish agitation. The eras of the previous Goyim governments will be denounced by the Jews in the most forceful language.

All the useless changes of forms of government through which they have "run the Goyim" when they were undermining their State's structures, will so have wearied the peoples, that finally they will prefer to suffer anything under the Jews rather than run the risk of enduring again all those agitations and miseries. When they are in full power they will further emphasize again and again all the historical mistakes that their previous Goy government made for so many centuries by their lack of understanding of everything that constitutes the true good of humanity. In contrast they will expound to them how fortunate the people now are in contrast to the dead and decomposed old order of things. In countries known as progressive and enlightened the Jews admit that it was they themselves that created a senseless, filthy and abominable literature. Yet this will later be brought out as a charge and discredit to the old order.

No one will ever be allowed to bring under discussion their Jewish faith from its true point of view. No one but the Jews will be fully instructed and fully learned of its contents. None of the "chosen" will ever DARE TO BETRAY ANY OF ITS SECRETS NOR HOW IT WAS USED TO ENSLAVE THE REST OF HUMANITY.

PROTOCOL NO. 15 (Subject headings only)

One-day coup d'etat (revoution) over all the world. Executions. Future lot of Goyim-Masons. Mysticism of authority. Multiplication of Masonic lodges. Central governing board of Masonic Elders. The "Azev-tactics". Masonry as leader and guide of all secret societies. Significance of public applause. Collectivism. Victims. Executions of Masons. Fall of the prestige of laws and authority. Our position as the Chosen People. Brevity and clarity of the laws of the kingdom of the future. Obedience to orders. Measures against abuse of authority. Severity of penalties. Age-limit for judges. Liberalism of judges and authorities. The money of all the world. Absolutism of Masonry. Right of appeal. Patriarchal "outside appearance" of the power of the one and only right. The King of Israel. Patriarch of all the world.

PROTOCOL NO. 16

Realizing that the universities are the key institutions forming and molding the thought of the people, the Jews plan to emasculate the universities by re-orienting them in a new direction, one that is useful to the Jews. All officials and professors will have detailed programs prepared for them from which they will proceed to teach and not be allowed to diverge in the slightest. They will be selected with care and be put into such a position they will be wholly dependent upon the government.

No meaningful courses in the study of state law or political questions will be given except to a few dozen carefully selected persons chosen for their special abilities and coming from the ranks of their Jewish brethren. During the transitional period while they are still struggling for absolute despotism, the Jews will introduce into the educational programs all those divisive principles that have been used so brilliantly to break up the order of the Goyim governments. But once they are completely in power they plan to remove every kind of disturbing subject from the course of education. Instead they will make the young people obedi-

ent children of authority, loving him who rules, giving him support and hoping for peace and quiet.

The study of Classics, the study of Ancient History and the lessons of past experience will be replaced with theoretical studies of programs for the future. "We shall erase from the memory of men all facts of previous centuries which are undesirable to us and leave only those which depict all the errors of the government of the Goyim." Special emphasis will be placed on the study of practical life, the obligations of the people to the State, and to law and order. Each different trade or faction will be given a special and different treatment.

In order that the despotic Jewish King will be more firmly seated in control, it will be necessary that all his activities be relayed to the nations as a whole, in the schools, and on the market places in such a manner that the people will have a clear understanding of all his acts and his many and great benevolent accomplishments.

There will be no such a thing as freedom of instruction. Special groups will be taught in the philosophy of new theories which have not been declared to the rest of the world. These theories will be in the nature of a dogma of faith and used as a transitional stage in initiating the people towards their faith, i.e., the Jewish faith.

They observe that the experience of many centuries has taught them that people live and are guided by ideas and that these ideas are absorbed by people only through education. All different ages are equally receptive to ideas. It is only a matter of using different methods to accomplish the acceptance of ideas. The end result strived for in the so-called system of teaching will be to turn the Goyim into unthinking, submissive brutes, waiting for things to be presented before their eyes in order to form any idea at all.

PROTOCOL NO. 17 (Subject headings only)

Special training of their

own attorneys. Future attorneys paid by state. Information used by attorneys limited to that provided by state. King of the Jews will be the Real Pope of the universe, the patriarch of the international church. Destruction of existing church when it has served its purpose. Function of the contemporary press. Organization of police. Volunteer police. Espionage on the pattern of Kabbal espionage. Abusing and degrading Goyim authority.

PROTOCOL NO. 18

Realizing that nothing damages the prestige of authority more than it obviously being surrounded by a mass of secret police forces "for its own protection", they plan to protect their Jewish despotism by more devious means. They will set up conspiracies of their own among the people led by brilliant speakers who will gather around them all those sympathetic to their protest of opposition against the regime. In this way they will be able to remove weak and wavering members among their own police force and also be able to round up the potential opposition that might develop by natural means. This way they will be able to nip in the bud and root out any conspiracies before they even get started.

It is a measure of weakness for too many conspiracies to be known among the people and to compel rulers to acknowledge their weakness in advertising their secret measures of defense. Similarly, if several attempts upon the lives of the rulers are known, this, too, weakens their prestige and their authority over those being ruled. The Jews frankly admit that they have instigated any number of assassinations and attempts at assassinations of kings and rulers in the past. They thereby helped to destroy the authority of the whole Goyim government by undermining the idea of absolute authority and encouraging the idea that underneath lies a vast opposition.

When their supreme Jewish King of the World is in power they plan to reinforce his protection by creating such an aura of power and

PROTOCOLS, continued from previous page

mystical Deity about him that the poor stupid Goyim will think of him as being next to a God. The Goyim will then do everything possible to protect him and to inform the authorities of any opposition that might lie anywhere among his "subjects".

Political criminals will be dealt with extreme cruelty. They will be arrested on the first suspicion whether it's well grounded or not. No opportunity will be given of escape of people even suspected of political crime and in these matters they intend to be completely merciless. Why, anybody even thinking about political ideas is already guilty of a crime, for he should have no understanding of it in the first place, and secondly, he should not be occupying himself with such matters.

PROTOCOL NO. 19

No dabbling in political affairs that will have any meaning whatsoever will be allowed among the subjects or, shall we say, the victims of the Jewish regime. The Jews point out that under a well organized, powerful government, for any individual, or groups of individuals, to make any attempt at what they call "Sedition-mongering", is about as significant as a lap dog yapping at an elephant.

So no individual will get the idea of being a hero and leading the people to opposition, all individuals who make such attempts will be put to trial in the same category as thieving, murder, or any other kind of abominable and filthy crime. This will disgrace these heroic people in the eyes of the public and they will be branded with the same contempt as they might hold for any low criminal.

In any case, everything will be done to completely wipe out any possibility of sedition or opposition. In the past, to break down the Goyim regimes, they have inserted into history books the idea of heroism and martyrdom of those who have opposed the Goyim governments. This will be completely changed and wiped out when their Jewish regime has been

established. The average citizen will have no more influence or control in the affairs of politics than will a herd of livestock or cattle.

PROTOCOL NO. 20

"The sum total of our actions is settled by the question of figures." By this the Jews mean money and that money controls everything. Protocol No. 20 is a long and complicated one having mostly to do with money, taxation and interest.

It lays out the blueprint for their fiscal policies when the King of the World rules supreme. In the first place the Jewish King will enjoy the legal fiction that everything in his State belongs to him. They state in parenthesis this *"may very well be a fact"*. He will then, therefore, have the legal power to confiscate any and every kind of sums on whatever pretext he may choose. [H: Keep your eyes open and pocketbook at ready—they are just about ready to practice this one on you-the-sheep.]

The Jews blatantly boast that economic crises have been produced by them for the destruction of the Goyim by very simple means: The withdrawal of money from circulation. They admit that they have burdened the finances of the State with huge loans on which they obtain huge sums of interest and made them the bond slaves of their international bankers. They further boast that the concentration of all industry in the hands of their Jewish capitalists and out of the hands of the small masters has drained away all the strength of the peoples, along with the strength of the State.

The Jews point with pride to the fact that the gold standard has been the ruin of the States which have adopted it, for it has not been able to satisfy the demands for money, the more so as they drained the gold from circulation. The reader should remember that this was written prior to 1900 and then recall that in 1933 the Jews first of all took all the gold away from the American public and made it a crime for an American citizen to own gold. By now, they have shipped practi-

cally all the gold we had at Fort Knox out of the country. [H: All of it!] The little that the U.S. has left is now over-committed, and over-obligated. We are now completely plundered and devoid of any gold.

They pat themselves on the back for their ingenuity and cunning compared to the *"...purely brute brains of the Goyim"*. They boast that with their clever banking system the Goyim has been borrowing from them with payment of interest without ever thinking that, all the same, all the money that they have been paying interest on had to come from their OWN State pockets in order to pay them these huge amounts of interest. As long as the loans were internal the Goyim really only shuffled their money from the pockets of the poor to those of the very rich. But this changed when it came to borrowing from foreign sources. What it then amounted to was that the wealth of the country flowed into the cash boxes of the Jews and the Goyim was really paying tribute to the Jews as subjects or slaves.

This is all part of their master plan. *"Without a definite plan it is impossible to rule. Marching along on an undetermined road and with undetermined resources brings to ruin by the way heroes and demigods."* And so, in accordance with the plan, the poor Goyim hardly realizes what a state of financial disaster he is now in, despite the astonishing industry and productivity of their people.

PROTOCOL NO. 21

Having grasped absolute control of all the money systems of the different states of the world and having a monopoly on banking and credit, the Jews now brag that they get their money twice, three times and more times over by lending it to the Goy government. They frankly admit that most of the time the Goy governments have no business and no need for making these loans. However, by means of bribery of the state officials, and the slackness of the Goy rulers themselves, they have now lured them into the po-

sition where they are all hopelessly deluged with an overwhelming sum of debt. Not only do they have to borrow more money every year but they have to borrow money to even pay the interest on the mountains of debts that they now have piled upon the stupid Goy.

But when the Jews ascend the throne of the world, all these financial shifts that do not serve their interests will be swept aside so as not to leave a trace. Money markets will be destroyed and they will not allow the prestige of their power to be shaken by any fluctuations of prices, but they, the Jews, shall announce by law values and prices.

They shall replace the money markets by grandiose government credit institutions, the object of which will be to fix the price of industrial values in accordance with whatever the government determines. This will make all industrial undertakings become completely dependent upon the Jews AND THEY ARROGANTLY ADD, *"...YOU MAY IMAGINE FOR YOURSELVES WHAT IMMENSE POWER WE SHALL THEREBY SECURE FOR OURSELVES."*

PROTOCOL NO. 22

The ultimate goal for which the Jews are striving is further defined and clarified in this Protocol.

"In our hands is the greatest power of our day—gold." When we consider that these words were written almost a century ago and look at the picture today of how they have plundered and looted the reservoirs of gold of the different peoples of the world, we are beginning to get a pretty fair idea of the success of their master plan.

Arrogantly, they then point to the fact, having accumulated all this wealth, isn't this surely proof that their rule is predestined by "GOD"? Though much violence will be necessary, nevertheless, they are determined that their

Please see PROTOCOLS next page

PROTOCOLS, continued from
previous page

fiendish and diabolical rule will be established. Having once done so, they will contrive to prove that they are the benefactors who have restored freedom, order and tranquillity to a confused and strife torn world.

"Our authority will be glorious because it will be all-powerful, will rule and guide, and not muddle along after leaders and orators shrieking themselves hoarse with senseless words which they call great principles". Their authority, they vow, will be the crown of order and will have about it an aura of Deity that will inspire a mystical bowing of the knee before it and a reverent fear before it of all the peoples. *"True force makes no terms with any right, not even with that of God: none dare come near to it so as to take so much as a span from it away."*

PROTOCOL NO. 23

Reducing all people to abject slavery and bending them to their supreme authority is the main thread that runs through all the Protocols. One more way is to inculcate lessons of humility, that is make people more humble and, therefore, they will be more obedient. (Remember the Sermon on the Mount?) By reducing the production of luxury articles and depriving the people of all forms of luxuries they will force them to become more humble and, therefore, more obedient. Furthermore, they will undermine and reduce large manufacturers to a people of small masters and small units. This is a return back to the Middle Ages. Drunkenness will also be prohibited by law and will be punishable as a crime.

Whereas the Jews have stirred up dissension, revolution and the fire of anarchy all over the world, when the chosen one of God, that is, their Jewish King, is on the throne, then all these agitators will have played their parts. Having served their usefulness they will then be liquidated. *"Then it will be necessary to sweep them away from his path, on which must be left no knot, no*

splinter." All this to bring about ruin, and to erect on those ruins, finally, the throne of the King of the Jews. [H: And this ain't that nice, lovable Emmanuel "Jesus" the Christ, old buddies!]

PROTOCOL NO. 24

[H: This one is so important that I have no way on this computer to stress it enough--I ask that you read it with full attention.]

The coming King of the World and King of the Jews must have his ancestral lineage confirmed in the dynastic roots of King David. He will evidently be selected and sponsored by three of the highest Elders of Zion. He will be most carefully selected, not by any right of heritance, but by sheer, outstanding ability. Then follows a most intensive and rigorous training (of their future King) by those Elders that are on the inside, to familiarize him with all their secrets of the Jewish Zionist program. The King will then be inducted into the most secret mysteries of the political, into the schemes of government, and into the whole program. All these secrets, nevertheless, will be strictly kept within a very limited inner circle.

The King will not necessarily be followed by direct heirs, but his heirs will be screened for ability. Only those who are unconditionally capable of firm, even though it be cruel, direct rule, will be allowed to take over the reins of government from the Learned Elders. In case the King falls sick, or displays weakness of will, or any other form of incapacity, he must, by law, hand over the reins of rule to new and more capable hands.

Once he is on the throne only the King and the three Elders who stood sponsor for him will know what the program for the future will be. *"None will know what the King wishes to attain by his disposition, and therefore none will dare to stand across an unknown path."* The King of the Jews must be devoid of all feelings and passion and must exercise the cold reasoning power of his superior mind. *"The prop of humanity in the person of supreme lord of all the world of the*

holy seed of David must sacrifice to his people all personal inclinations."

END OF QUOTING

I would suggest from the above that a lot of the so-called "Jews" who simply think they are "getting a free ride and cleaning up on the New World Order" might better think again--for I believe it states it quite clearly *"...must sacrifice to his people ALL personal inclinations"*.

Before we leave let us look a minute at "MARXISM". By no means can Karl Marx be considered a great writer, nor even much of a "thinker". His famous production DAS KAPITAL is so very dull and so boring that it is almost impossible for anyone to read. Despite the fact that it has been highly touted by the Jewish propaganda networks and tremendously promoted by international Jewry, this book has been very little read, and is still very seldom read by anybody. In fact, the book was not written by Marx alone but was compiled by another person, Freiderich Engels, his Jewish collaborator and his financial angel. This reminds me a bit of Oliver North who had shadows write his UNDER FIRE in which he betrays, further, his nation.

This book contains no intrinsic new theories. Marx took his socialist theories from Condorcet, Saint Simon, Auguste Comte and others. The theory of Thesis, Antithesis and Synthesis, which he calls "Dialectical Materialism", was lifted directly from the works of one, G.W. Friederich Hegel. It is a useless and unproductive theory that is no more than a play on words and can best be described as semantic casuistry.

So how did Marx infiltrate and permeate and poison the minds of most of today's world? The reason they have attained worldwide dissemination is because they have been fervently promoted by the Jewish propaganda network and by force of all the power and influence of the total Jewish conspiracy, just as was Christianity. I repeat--Marxism has not spread because it was a saleable product, nor was it wrapped in an attrac-

ive and desirable package--no, it was spread and disseminated and perpetrated solely by the force of the Jewish worldwide organized conspiracy with thousands of speakers in union halls, on radio, on television, injecting the poisons distilled by Marx down the throats of millions and billions of unwitting victims.

I am not here to further elaborate on Marxism for the writing grows far too lengthy at best. I think I shall end this segment at this point and allow you ones to ponder and think upon your fate--IF YOU FAIL TO TAKE ACTION AGAINST THIS TIDAL WAVE OF EVIL COME TO DESTROY YOUR NATION AND ALL FREEDOM OF ALL PEOPLE. YOU HAVE MET THE ADVERSARY--AND YOU WILL FIND THAT IN MANY INSTANCES--HE TRULY IS "YEW". SO BE IT AND MAY GOD FIND A PLACE, EVEN IF EVER SO SMALL, WITHIN THAT YOU MIGHT BE GIVEN INTO SEEING AND KNOWING THAT WHICH BINDS YOU.

Hatonn to clear. Thank you.

FRIDAY

I have very little to "add" to the discussion regarding AIDS, as you will note--but you misdiagnose the "cause" of "Magic's" dis-ease. This man is not homosexual nor is he promiscuous. This does not mean that he has not erred in the practice of moral monogamy--it simply means he "had no reason to acquire HIV virus by those methods". This fine young man was deliberately infected several years ago and has been carefully evaluated since, in order to study time periods of symptom onset and to further set the stage for that which WILL come. What was the response of the populace? There was no indication of changing moral behavior--only "more caution" in the practice of loose sex. I have no particular comment other than to point out

Indeed, this is of great note and almost NONE of the people of Earth have any notion of that which is in point. There is surfaced information that indicates nuclear devices were used well over 8,000 years ago. In India there are, indeed, temples with deep underground security shelters. I don't want to get entangled in that subject at this time. For you who are curious, the city destroyed by such a device is in the state of Rajasthan. As the ruins are uncovered, the area is still too radioactive to allow habitation.

As this uncovers you will find that the "aliens" and "ancient astronauts" are to blame. No, the fact that the shelters were available and the temples built with thick stone walls for protection indicates that the facts were that the information was well expected ON EARTH and FROM EARTHMAN. If the intent or expectation was to be destroyed by distant aliens--you would have had a much more surprise, with no hope of survival, situation. The very presence of the "shelters" indicates a lengthy pre-knowledge of what was going to occur. I told you that WE, ourselves, have been around for millennia WARNING YOU BLIND CHILDREN! that the master planners are now getting ready to set you up for inoculations and total accounting for ALL persons. This is just a higher form of killing and organizing in order to finalize the "plan".

This seems to be the public interest-holder this day and from whence comes the greatest number of inquiries. It is only one more step in measuring your time to enslavement.

the holding from the public is that they give historic information which will prove many things: Truth of the Biblical lies and tampering, history of the times in an accurate manner, revelation regarding transference and immortality with integrated reincarnated personages. In other words, information which would destroy the entire Zionist movement and cause immediate movement into a nuclear devastation to gain the final power--IT HAS HAPPENED ON YOUR PLANET OVER AND OVER AGAIN IN THE PAST AGES--YOU JUST DON'T SEEM TO LEARN OR CARE! This is WHY your enemy has been able to do such a thorough job of deceiving you--the masses, THEY have the information and THEY are again trying to mass an army to use against GOD!

As a matter of fact, and now I will blow some of you totally "out"--it has happened so many times that each sequence is CORRECTED earlier in the scenario to allow for the adversary to WIN. The games only get more and more sophisticated and that is WHY, in this major cyclic change--the plans on OUR part must be more sophisticated also, and total evacuation prepared for--in case the adversary starts a chain reaction which will this time blow the whole planet to bits.

How did the ancient ones, the "Humans" (Indians by your labels) KNOW WHEN? By their records do they know--they have but to add two and two. They have the oral input and the markings of civilizations past--and they only have to add time probabilities for a sequence to cycle around to an expected "frame". In this "time" there are a lot of Godly people caught in a "planetship" (biosphere) where the adversary has come into great rulership. You, therefore, are experiencing in the midst of great confrontation of God Creator who WILL reclaim His children and creation (planet). Those beings who are in the service of the adversary will choose their own journey but the encounter will be indeed great.

God does not have any need to "punish" nor to annihilate either places or persons. This being of Creator is beyond all limitation and He needs no form of destruction of the "physical" to make His point. He does not counter nor correct the changes of Nature (Mother) for they are the Universal Law in motion and manifestation. He will, further, allow the man species to do or undo themselves.

Where comes the thought that there would be a "lift-off" of God's people? Why would a thing like a "rapture" be thought of in the first place? Think about it and then look very carefully at that which the "teachers" are telling you. The evangelists tell you that there will be a "rapture" to the clouds, etc. It is wholly without "reason" nor "logic". Further, it is totally without "reason" or "logic" that a murdered man 2,000 years ago would take away your responsibility to abide within the Godly laws! The most wondrous gift given Man by God was his "reason with logic" and "choices in free-will". If you fail to use these gifts--it is of your doing so stop blaming God for your plight and also STOP accepting the LIE of your absolution.

It becomes obvious that the FACT of some kind of a "liftoff" has been done before and the Truth is known. This causes oral truths to confirm happenings of ancient experience--and WE DO NOT LEAVE OUR BRETHREN TO PERISH IN A HELL CREATED BY PHYSICAL THIEVES. He

Inquiries about money

11/8/91 #1 HATONN

Ok, you continue to barrage me with inquiries about your "money". When will "they" change the currency? What do I mean by a "cashless" society? How long do we have to set aside assets and how can we "keep" them in value? IF YOU WOULD KEEP UP WITH THAT WHICH IS DONE BY YOUR GOVERNMENT--YOU WOULD KNOW AND WOULD HAVE NO NEED TO ASK ME! I have, however, given you ways in

who moves within the teachings of Truth and Godly Laws are welcomed into the higher dimensional experiences and those who continue to desire the physical manifestation will be left to experience whatever comes. That appears to be near destruction in holocaust (consummation by fire). This is a description given by the elders to fit that which man brings upon himself as wars and experiences get more and more sophisticated. The ancient Zionists knew and know how the story unfolds. They simply wrote your instruction book to suit the needs of enslaving you--if you have the knowledge of that which came before--in Truth--you have but to change the scenario to suit the desired outcome. This that is expected is what is called in some circles--HELL. "Good" or "bad" have no meaning except as perceived by individuals and societies. Godliness and Evil DO EXIST. One is the direction by guidelines of behavior which God lays forth to maintain balance and harmony. Evil is a thing produced by physical man and can only exist in the physical compression. Ponder it for I have taken hundreds of pages to explain it and I trust you will search out such a message of importance.

At any rate, I do not wish to further discuss the Dead Sea Scrolls at this time, either. You have plenty of things to note which are right under your noses and you have missed them.

Name some? Please, chelas, you do try my patience.

which I see some possibility of sustaining a bit longer--perhaps not in "perfection" but with the knowledge that all "other" things will fall. I have no interest in your "money" nor your "assets"--I do have interest in building enough industries to get you through a time of devastation--in physical form and with some degree of safety and life-sustaining format.

But how do I note change and "timing" sequence? By your recordings and workings. Let us look a minute at a MAJOR step forward in New World Order economic control. I, further, pick at random a writing by someone in the U.S. who recognized this move a full year ago. Many recognized it and efforted to tell you about it--I TOLD YOU ABOUT IT AT THE TIME, ALSO, BUT IT WAS MORE IMPORTANT TO DENOUNCE OUR WORK.

Dharma, I will quote from this short writing but as I have so many of such similarity, I shall leave it unnamed. The information is already obsolete at any rate for a year has passed. However, had you taken this to heart at the moment instead of tying yellow ribbons on the old oak trees--you would be ahead of the game at this point. This short article has just been sent to this location as confirmation and I will share it for the same purpose.

QUOTE:

ENTER PUBLIC LAW 101-647

In Late November (1990), while everyone's attention was riveted on the crisis in the Persian Gulf, Congress passed (and President Bush signed) Public Law 101-647. It was another step along the road toward the "New World Order" of economic control.

Title I of P.L. 101-647 is entitled "International Money Laundering". But would you be surprised to learn that THIS LAW HAS NOTHING TO DO WITH MONEY LAUNDERING?! Section 101 orders a study to be made regarding the uses made of Currency Transaction Reports (itself worth a lengthy discussion, but I'll have to resist the temptation for now).

Section 102 is much more interesting. It is entitled "Electronic Scanning of Certain United States Currency Notes". This law establishes a special task force to:

(A) study methods of printing on United States currency notes...in denominations of \$10 or more a serial number on each such United

States currency note that may be read by electronic scanning.

(B) make an assessment of the cost of implementing such electronic scanning of such United States currency notes; and

(C) make recommendations about the amount of time needed to implement such electronic scanning."

In case you missed the significance of all this, let me clarify. What this law does is to ring the death knell of cash, of financial privacy, of financial freedom, and the sanctity of personal property. Let me explain:

In any economic system cash is the ultimate expression of personal property. It provides a store of your excess labor (cash in your pocket represents your hard labor!); it can be traded for other goods and services; it gives the holder financial privacy and freedom. When ANY government tampers with or changes the money (as Roosevelt did in 1933 when he outlawed gold money), it is attacking the sanctity of personal property, invading your privacy and restricting your most critical freedom. After all, political freedom is irrelevant if you have no economic freedom.

The immediate practical result of P.L. 101-647 (if the recommendations of the Task Force are adopted by Congress--and they will be) would be the tracking of all cash transactions. This means at the local K-Mart or Sears or Albertsons any clerk could use a laser scanner to scan your cash, thereby recording how much you spent, where you spent it, when you spent it, and what you spent it for! Complete loss of privacy in your financial dealings! Welcome to THE NEW WORLD ORDER!

END QUOTING

Moreover--the scanners are already in place in hundreds of thousands of outlets and already programmed awaiting the order to "begin". Some places already are scanning the bills as they are placed in the cash receptacles. The fibers within the higher denominations are immediate identification and do their "own scanning".

So what do you do to survive the New World Order? If the New

World Order comes upon you and your Constitution is set aside as the plans are laid--YOU WON'T SURVIVE THE NEW WORLD ORDER--YOU WILL BE CAUGHT AND BURIED IN IT .

SURVIVING THIS NEW
WORLD ORDER

The New World Order is upon you as a train at full throttle, and, as this P.L. 101-647 illustrates, it is not a friend of those who cherish economic freedom, financial privacy, and the sanctity of personal property. It, further, gets harder and harder to begin a program such as we outlay in PRIVACY IN THE FISHBOWL, etc. It is, however, that our accommodations are still somewhat available and the methods of finding privacy still workable. Every passing day, however, the opportunities are shut down in many areas to prevent your slipping away. There is still PLENTY that you can do if you are willing to act boldly and only if you are willing to "change" the way you handle your financial affairs, and ignore the official voices of complacency that sing to you that "All is well, go back to sleep; ignore the wolves, be good little sheep!"

For that which you will HOLD as cash, I suggest no more than \$1,000 per adult in large bills--i.e., \$50's and \$100's. You will have to give REASONS for holding more and the overage will be probably confiscated. If you have a corporation you will be able to account for MORE QUANTITY for the assumption will be that you "do business" but it will need accounting also--but on a different standard of acceptability. Probably around \$3,000 per corporation will be unquestioned greatly.

Note that the forms are already printed and available for currency exchange as is the currency itself. The forms bear mandatory reporting of amounts of exchange over \$3,000. The point at onset will be to catch you with the cash and cause you to pay additional heavy taxes on the cash in hand or total forfeiture of the amounts unaccounted for as being priorly taxed.

I suggest that you convert cash

which you might be holding in smaller bills into "government" tender--i.e., coins minted by the Government. This means mostly quarters, etc. And/or convert to silver and gold. (Note, however, that gold "money" was made illegal in 1933 and safe-deposit boxes were ordered opened for inspection and confiscation). Therefore, it gets harder and harder to control. I suggest a couple of months living expenses in silver "bullion" and or gold "bullion" and up to three months income in precious metal.

If you have large sums of money--the evidence is that it will be confiscated. If you have very many assets you will be required to report all, taxed over certain amounts to massive extent and all available assets above a certain limit will simply be confiscated.

Many counselors recommend placing money outside the U.S.--I do not. It will become impossible to shift money back and forth and the transactions will be the first hit for the individual investor. There will be opportunities for the Elite to transfer their property at the proper times but NOT YOU-THE-PEOPLE.

The best and most secure way for some level of protection is to actually put your assets TO WORK. Invest "against" gold which is held in an "Establishment" bank and allow borrowing against the hard asset. To protect it you have to utilize a reasonable investment vehicle, or you will have a hard time making this kind of transaction and, furthermore--you will simply end up with cash to again make accounting. I have asked ones here to make available participation arrangements but that is for you and them to discuss. There must be good and viable industry to have "basis" for the exchange. Much can be supportive to the Constitutional Law Center and industries such as the housing projects which will also qualify for R&D funds, underground growing facilities which will also be supported by R&D funding--YOU WILL HAVE TO EAT TO SURVIVE AND YOU WILL HAVE TO HAVE SHEL-

Corruption in America's Heartland

11/8/91 #1 HATONN

Now who might this be? Someone you never heard of? Well, this is just a "citizen" of your wonderful state of Nebraska--the heartland of your nation. I have been asked to comment on this matter and yes, I

TER. There will never again be the PERFECT solution because the enemy's intent is to have EVERYTHING you own--hook, line, sinker and fish. They even have it arranged that you will either be given the "mark" chip, or you will die of AIDS. The fact is--they plan both in most instances.

I still recommend--at the same time as practicing the preceding tactic--incorporating in Nevada. After YOU make the "loan" (investment transfer), all subsequent business is funnelled into and through your corporation which precludes YOU ending up with cash, etc., back in YOUR NAME. I suggest corporate names of nondescript nature--NOT PERSONAL LABELS. I, further, suggest that if you "share" very large amounts, that you have several corporations according to specific circumstances. Small corporations, well tended, will survive the reign of terror to great extent if ego can be separated to the sideboard. If YOU must have ATTENTION--please do not involve yourselves with these workers--they have neither the time nor inclination to further your "ego trip".

There are some types of "trusts" which are also advantageous. I do not, however, note that any surpass the value of well-run corporations. We do, in fact, have available services whereby Doris and E.J. will list themselves as your "officers" which are required by the State of Nevada--voluntarily. They will list themselves on ALL the corporations and the records are run through Nevada as such. Then public documentation is absent your individual name as owner if that is your wish. It insures privacy and they are willing to do this to assist in returning to Constitutional Law. You ones are going to have to get off your selfish kicks and begin to

confirm the Truth of it--Alisha is very definitely and deliberately being murdered.

A group of citizens in Nebraska is making noises, for all the good it seems to be doing, for citizens have

"serve" one another where you can legally do so. USE the laws of the land wherein you can--with the loopholes set up for the Elite, to the best of your ability. It requires, however, that you go to ones WHO KNOW WHAT THEY ARE DOING AND KNOW THE LAWS AND RULES. IF YOU GO TO YOUR LOCAL LAWYER OR ACCOUNTANT YOU WILL BE MOREOVER, if you go to a "BROKER FOR INVESTMENTS" you will be told ways to "invest" your assets--because THAT IS THE WAY THOSE ONES MAKE THEIR MONEY! WE ARE NOT IN THOSE TYPES OF "BUSINESS" SO THE MOTIVES ARE NOT ULTERIOR IN NATURE. YOU MUST MAKE SURE YOU DO NOT LOSE YOUR CONSTITUTION AND THE WORD MUST GO FORTH AND YES, IT DOES NEED SUPPORTING--BUT NOT FOR PERSONAL GAIN OF SOME GROUP OR INDIVIDUALS. By using proper procedures it can be arranged that only your own corporation knows that you invested--not the state, nation or anyone. The officers of the corporation DO NOT NEED KNOW WHO OWNS ANY CORPORATION. THIS IS A TOOL SET UP BY YOUR ADVERSARY TO COVER HIS DEEDS--IT IS LEGAL AND WONDROUS IN ITS ABILITY TO GIVE YOU PRIVACY. BUT YOU MUST DO IT PROPERLY AND LEGALLY IN ALL LETTERS OF THE LAW. WE ONLY ACT WITHIN THE LAWS IN ALL INSTANCES. WE WILL NEVER JEOPARDIZE ANYONE BY INFRACTIONS OF THE LAW AS THEY ARE GIVEN FORTH BY THE "LAND" EVEN IF THOSE LAWS BE CONSTITUTIONALLY UNLAWFUL.

Wise as Serpents

11/8/91 #1 HATONN

I have spoken much on this subject in these immediate days, i.e., Matthew 10:16--You must be "wise as serpents, yet innocent as doves".

You must understand that your enemies ARE the SERPENT-PEOPLE. They called themselves by this title as they established themselves for WORLD CONQUEST. Their symbol remains "the serpent" and is used in public places as a "sign" just as you would use the Christian sign of the fish. "Wise" is not the appropriate definition, however, as CLEVER and SHREWD are more suitable for your would-be rulers.

You must understand that in EVERY instance--you are not allowed to see facts--even as with the \$10 billion guarantees to Israel. The facts are that the \$10 billion is more nearly \$50 billion and 60% of the funding is to go directly into the coffers for shoring up the Israeli economy with only some 20% going for the housing. We have, or will, give you input on that subject from outside sources, shortly. I ask that you pay very close attention to the numbers and the clever manipulations involved. It is the reason that Bush got himself totally crossways with the Israelis--he found out the intent of the use of the funds requested and he couldn't find a way to allow for the "accounting" of same to Congress. You see, the Camel is already taking up all the space in the tent--even after having shoved the "master" outside to freeze.

smaller incidents. These citizens in Nebraska are calling on the Governor, Benjamin Nelson, and Attorney General Donald Stenburgh to intervene in the case of Alisha Owen. This person was convicted and jailed on charges of "perjury". The group of protestors claim she is being deliberately poisoned.

Owen had been told to recant her testimony, but refused, identifying prominent individuals of the Nebraska establishment as participants in an organized child abuse and satanic network. The network involved Larry King (yep, same old Larry) who "allegedly" provided child prostitutes for attendees of a Republican Party National Convention, and the failed Franklin Credit Union, and was the subject of an investigation by a special state Senate committee. How many of you heard about this on "Larry King Live"? Have you wondered why there is such a "party line" and screened phone calls into that CNN program? Well, where there is "smoke", dear ones, there is almost always some amount of "fire". I make no comment on the case except to show you how little recourse a citizen has in such instances.

Owen, while jailed, is showing all the signs of poisoning; hair loss, "blue-moon" fingernails, spontaneous bleeding--increasing and now unpreventable hemorrhaging blood clots from her nose.

Ah, but there is more--indeed! It all is swirling around Sen. Robert Kerrey. You know, that nice Senator who went to Asia to check into the POW/MIA situation? Well, lo and behold, the citizens who are witnessing this Nebraska disgrace happening, without recourse, in front of their faces, fear that with Sen. Robert Kerrey's announcement of his candidacy for the Democratic presidential nomination, there are increased efforts afoot to bury the scandal. Kerrey, formerly Nebraska's governor, is backed by Warren Buffett of SALOMON BROTHERS, a very wealthy and

Killed by "friendly" fire

11/8/91 #1 HATONN

As I close this segment, just let me share one other chilling note with you readers. It comes from the Thursday, November 7 (yesterday), 1991 Wall Street Journal.

powerful figure allegedly tied to the network. Yes, this is THE SAME Salomon Brothers involved in the "flipping" activities with the Savings & Loans, specifically in the case of Dharma, Santa Barbara Savings and Loan Association. There are no longer any "little fish"--YOU ARE THE LITTLE FISH BEING SERVED UP FOR THE DINING PRIVILEGES OF THE "BIG FISH".

How much help do you-the-people think will come from the Governor and Attorney General of Nebraska???

Now I ask YOU--do you or do you not need a Constitutional Law Center big enough to help? Well, it is up to you-the-people. As is, even the Court of Last Resort, which is also now established and becoming a functioning entity, cannot act quickly enough to stop this type of incredible murder and abuse of citizens who speak out against the evil system. YOU ones are going to have to raise up in mass, support these ones in their pursuit of regaining Constitutional Law and attending the innocent victims of the vipers. We can establish all manner of avenues for assistance--BUT YOU MUST TAKE THE ACTION AND SUPPORT THOSE WILLING TO "SERVE" FOR THEY "RISK IT ALL" FOR YOU AND THIS NATION IN ITS DEATH THROES. IT IS UP TO YOU, AMERICA!

If you ones fail to open your ears and eyes and see that which is upon you, I have nothing to offer. I repeat--it is up to you, America! What will you do?

At 12:56 a.m. on Feb. 17, Cpl. Jeffery Middleton, 23, and Pvt. Robert D. Talley, 18, are parked in their armored vehicle in the Iraqi desert. They have four minutes to live. [H: I want you to check on the name "Talley", please.]

At that moment, a ground commander radios to a helicopter above the desert. "Can you engage those two vehicles?"

Helicopter: "Roger, I can shoot those easy."

Ground commander: "Go ahead, Take them out."

The resulting explosion reduces the Bradley fighting vehicle to molten rubble three feet high, shoots flames 100 feet into the sky--and is still reverberating, because all the soldiers involved were American. Cpl. Middleton and Pvt. Talley were two of 35 American soldiers killed by "friendly fire" during the Iraq War, and the helicopter gunner and mission leader who pulled the trigger, Lt. Col Ralph Hayles, was the only American disciplined in the deaths. [H: Now do some of you doubting Thomases begin to see a bit more clearly that there was no intent of allowing anyone to return to the states as alive and free, who would tell the truth? Ones who saw and understood the awful lies were simply killed and there are so many of them that you cannot count the dead and you will NEVER be told how many!]

Col. Hayles, a 20-year veteran who was the subject of a front-page article in this newspaper on Sept. 10, was stripped of command and retired. The Army says that's not because of the deaths, but because an officer of his rank should have been managing, not shooting.

Now videotapes from the internal recorders of the attacking helicopters--from infrared night vision cameras--shed more light on the incident. They also show another side to the precise, high-tech battle characteristic of the Iraq War--a tale of flawed technology and human error. "Things weren't as glorious as they led people to believe," says

Cpl. Middleton's mother, Joyce. "This high-tech system outdid itself," adds her husband, Bill. "They sure can shoot good, but they can't see if it's a cow or a coyote."

The tapes show that Col. Hayles hesitated to fire--he says he feared the vehicles might be friendly--but was ordered to shoot. But he says the tapes don't change anything for him. "I never want to fly again. I killed two good men on my last flight," says the 42-year-old officer, who had won rave reviews from superiors for molding the First Infantry Division's Apache helicopter battalion into one of the Army's most highly disciplined units. Pentagon officials decline comment on the tapes.

The alert came in at 12:15 a.m. on Feb. 17. Amid a blinding sandstorm, First Division's headquarters gets word that enemy armor might be threatening an American armored column. In fact, pilots on the mission say later that they doubt there were any Iraqi vehicles to begin with; they say the U.S. armored troops, confused in the sandstorm, simply mistook others in their own column for the enemy and called in the air support. The armored commanders won't comment.

Three AH-64 Apache attack helicopters, wasp-like war machines fit for science fiction, launch at 12:22 a.m. The six-foot-two Col. Hayles is in the lead. The recorders are stuffed inside the helicopters' eight-ton mass near the silver-suited pilot and co-pilot. Mounted outside are 16 Hellfire missiles, each capable of burning through any armor. The 30 mm cannon can fire 600 rounds per minute.

The helicopters hover over a line of more than a dozen U.S. armored vehicles stretching east and west, facing north. The more distant vehicles appear as shimmering, ghostly white silhouettes on a black background.

12:55 a.m.: The synthesized, high-pitched voice of the Apaches' computers break in to warn: "Radar searching." It means nearby radar is scanning the helicopters. They

could be moments away from being blown from the sky. Apache pilots are trained to consider retreating from such danger.

"Get Rid of Those"

12:56 A.M.: Col. Hayles, code-named Gunfighter Six, reports that one of this helicopter crews has spotted two vehicles about a half-mile north of the Allied line. Despite all of its high-tech gadgetry, the Apache can't distinguish between friendly and enemy forces. Col. David Weisman, code-named Iron Deuce Six, commander of the armored vehicles positioned underneath the Apaches, gives the order from headquarters to "take them out". [H: Any of my crew sick yet? Confirmation is painful but it can only be worthy of the ones who pay the ultimate price, to have honor for those who are the targets--can you not see it clearly?]

12:57 a.m.: Col. Weisman, urgency building in his voice: "Let's go ahead and shoot those, get rid of those."

12:58 a.m.: Col. Hayles tries to fire a burst from this 30 mm cannons. "The gun jammed. Son of a bitch." Col. Weisman: "Go ahead and take 'em out."

12:59 a.m.: "Boy, I'm going to tell you, it's hard to pull this trigger," Col. Hayles says.

Chief Warrant Officer Larry LeBlanc, Col. Hayle's co-pilot, steadies the Apache and helps zero in on the targets. "There you go", he says, "Now, do the mother - - -".

"I'll be firing in about 10 seconds," says Col Hayles.

Chief LeBlanc: "Okay, do 'em." But Col. Hayles hesitates for another half-minute.

Chief LeBlanc urges him on again. "We're ready, Do 'em."

'LET'S DO 'EM'

1 A.M.: Col. Hayles pulls a red trigger. The infrared screen shows the Hellfire's six-second flight. It rises in a 400-yard-high arc before diving through the top of a Bradley

fighting vehicle. The Apache viewer glows with the explosion. The vehicle now appears in pieces spread out over about 50 yards.

Col. Hayles: "Gunfighter Six. Completely destroyed the first target." Soldiers later reported the Bradley gushed molten chunks of armor for hours. Cpl. Middleton and Pvt. Talley died; the three other crewmen escaped.

Chief LeBlanc: "Let's go."

Col. Hayles: "I'm going to shoot the second one. It's fixing to go away."

Chief LeBlanc "Let's do 'em. This Bud's for you."

1:01 a.m.: A Hellfire strikes the second target, an M-113 armored personnel carrier parked just a few yards from the destroyed Bradley, with three crewmen. They escape with relatively minor injuries. But another Apache crew warns that enemy soldiers are fleeing the two burning vehicles.

Col. Hayles: "Trust me when I say any personnel around those targets are dead. Oh, we got two personnel walking away."

Col. Weisman, wondering if the Apaches can shoot the survivors, asks: "Have you got guns?" Col. Hayles reiterates that his 30 mm cannon is jammed. But one of the other Apaches fires its cannons several times. The shots miss.

'FRIENDLY VEHICLES HIT'

1:02 a.m.: Col. Weisman receives reports from his ground forces: "Friendly vehicles may have been hit," he says.

Col. Hayles: "Roger. I was afraid of that, I was really afraid."

Col. Weisman: "Cease fire."

Col. Hayles: "Cease fire. I hope it's not friendly vehicles I blew up, because they're all dead."

1:03 a.m.: The Apache crews hover, watching in horror as the vehicles burn in the distance. Col. Hayles: "They're just blowing up like mad out there." Ground officers radio for medics. "We're moving Band-Aids in", says a ground officer.

1:04 a.m.: Col. Hayles: "I bet I killed friendly people."

1:05 a.m.: Col. Hayles: "Request

to break station and go home."

Col. James Mowery, answering from an armored vehicle to the rear: "Continue to work for Iron Deuce Six. Those things are going to happen."

1:06 a.m.: Col. Hayles to Cpt. Daniel Garvey in one of the other Apaches: "What do you think, Dan? Do you think I screwed up?"

Capt. Garvey: "No. I don't think you screwed up."

Col. Hayles: "I just killed a bunch of people."

1:07 a.m.: The three Apaches fly along the U.S. armored column and Col. Hayles notes that the burning vehicles are some distance from the rest--giving the appearance they aren't part of the friendly forces. "There's the screen line and there's the two vehicles way out in front."

1:07 a.m.: Chief LeBlanc: "That's correct. That's affirmative. Let's let them work through it. Seems like they don't know what the

(expletive) is going on. We'll sort it out later."

Col. Hayles: "He said shoot 'em up. Well, there they are, and they're shot up." Moments later, he adds, "I killed some people."

The General Accounting Office is investigating flaws in the Apache's targeting devices. Meanwhile, the Army and Marines have begun tagging their vehicles with electronic beacons to help ward off friendly fire in the future. "I won't let this slide," says Cpl. Middleton's mother. "I want something done about it."

END OF QUOTING

I'm sorry, Dharma--but you had to know. Allow us not to allow these one to have died in vain.

Let us have a break that you might regain your balance. You must realize that these two vehicles were

ordered to be separate from the group. I know of no easy way to make you ones see the dreadful horror of the "master plan" against you. Oh, Father, what will wake up these sleeping babies? How can we bear this evil? Hold close to me, dear chelas, for I do know the way but it shall not be easy. The "son" had utilized a slightly different identification for protection as he called on me--but yes, precious, it is the same. This is why you ceased to "hear".

The evil is so rampant--how will you find it all? You won't. It is as with the same Journal and another article which headlines "FATAL FLAWS: SOME ARTIFICIAL HEART VALVES THAT FAIL ARE LINKED TO FALSIFIED RECORDS AT A PFIZER UNIT." Is it surprising to note that Pfizer is one of the most Elite of the Elite industries? I thought not.

News on "October Surprise"

SATURDAY

Another "inside" version is coming forth of the Bush trip to Paris in 1980. This one from a person who worked with Carter. I have written at length about this and yet I find that most of you are fragmented by all the "versions" coming forth. It suffices to know that it "happened". It is more important to know that Bush flew in one of those dandy little "Blackbirds" to Moscow at the start of the Gulf War. You will note that all sorts of "stuff" will now be coming out against Bush, etc., as the Israelis are out to pull him down and destroy him. You will find a lot of these farcical authors on the "Larry King Live" show, so keep your eyes open. He "had" to have Ross Perot on the show in confrontation of North's statements, and further, Ross is a very wealthy and powerful figure.

Gates-CIA

Yes, Gates will "head" the CIA. It is a farce at best, a show at least. Note how much easier it is to get an evil man into power than it is to get a good man past the evil spoilers! In that is lesson enough.

Because of that--they dare not squash him for he will fight back--I CAN HARDLY WAIT TILL THEY REALLY MAKE HIM MAD!

I want to give you a "hidden" release which the gangsters did not want published but we like to do things that annoy the adversary. This is as important a bit of confirmation as to what was October Surprise and whether or not it was "real". The other nice thing about confirmation is that the mark of the Mossad/CIA is all over the murder I shall speak of--I think I need no further comment at this time for I am really eager to get on with the REAL story of that subject for such elaborate plans have been laid and enacted to obliterate facts regarding the incident.

CASOLARO DEATH PROBED AS MURDER

Police in Martinsburg, West Virginia are now probing the death of Danny Casolaro as a possible murder. Casolaro, an investigative reporter, had told associates that he was on the verge of nailing down key details of the "October Sur-

prise" scandal--that the Reagan-Bush campaign allegedly conspired to delay the release of American hostages from Iran until after the 1980 election.

Several factors have prompted local police to revise their initial pronouncement that this death was a suicide--not the least was our writing that it was a "hit" job and told them who did it. A New York City reporter received an anonymous call on Aug. 11, the day after Casolaro's body was found at the Martinsburg Sheraton. The caller said that an investigator probing October Surprise had been found dead just outside Washington, and that the death would be ruled a suicide, although he had actually been murdered. The call was received one day before Casolaro's family had been informed of his death and a day before the Martinsburg police had any idea of Casolaro's ties to the scandal probes. The reporter had not recognized the significance of the timing of the call until several days later, but had nevertheless reported the call to the FBI in New

Alistair Cooke on the U.S.

11/9/91 #1 HATONN

You will also be relieved to have further confirmation so that you don't have to throw out old Hatonn:

Surely from the historians and "watchers" whom you have grown to trust and recognize from their constant TV performances, you can accept some input.

U.S. faces 'dark upheaval', expert says: The United States now faces a "dark upheaval if it continues to follow the Roman road to decline", Alistair Cooke wrote in the Oct. 5 Financial Times of London. Cooke, who has been writing about the U.S. for over 60 years, is Britain's most senior "U.S. watcher".

According to Cooke, the danger of "decay from within" far overrides all other threats to the U.S., including perceived threats from the outside.

He wrote: "I do not remember a time, not even during the ghastly '60's, when Americans have complained more, in a tone close to despair, about the visible and seem-

ingly unhealable wounds in American society. The city crime rates are regularly beyond those of all but the worst previous years, and random street crime at night matches the jottings of 18th-century diaries. Drugs are a pestilence afflicting all classes and every age. We have just wakened to the discovery that, for a long time, maybe for several decades, public education in America has been setting such easy and dithering standards that, at the least, a large minority, perhaps a majority, of high school graduates are in comparison with their European and Asian fellows, semi-literate.

"An even more recent discovery is that "flourishing" real estate in the big cities has meant mainly office skyscrapers and luxury high-rise apartment buildings. Within mocking and walking distance of these are the open lots or scrubby bits of park where the homeless huddle and the drug pushers bargain. Meanwhile, two generations of middle class families who might have spent their lives in low-cost housing estates find that to afford "affordable" housing requires two hefty salaries."

Cooke pointed to three possibilities as "likely outcomes" of the situation: "1. The second American Civil War, triggered by separate ethnic and regional uprisings: 2.

The arrival of a populist dictator....; 3. An emergency return to the benevolent form of national socialism created by Franklin Roosevelt in the first New Deal. . . . These three seem to me to be the real possibilities if the social dangers, deprivations and frustrations I have mentioned cannot be placated by the present political system and become too much for most Americans to bear."

EVERYTHING IS HOOKED TO EVERYTHING ELSE

It is interesting to note that Mr. Cooke misses the most important clue of all--that of the One World Government under Elite-Bankster-Talmudic-Israel. He would be one of the few who would certainly recognize the impact of British Israel in this scenario of world evolution and underground control. Funny thing--these things are never mentioned by the "touter" scholars and perhaps that is why they are allowed to be so "well-known". I find it interesting to note that in all the "Establishment Book Stores" as well as the "Far-Out Book Stores" that ones such as Mr. Cooke are honored and their works and misinformation are everywhere. I note that it is "hush-hush" that the PHOENIX JOURNALS are not even ALLOWED IN PLACES LIKE THE BODHI TREE, where everything from occult to black

magic, satanic how-to and tarot cards dominate the scene. I believe that is the best reference and confirmation of the TRUTH in our writings and the obvious Truth of our presence that can be given. There MUST BE SOME REASON for the banning, burning or burying of any documents for, if nothing else, it is a decision to not allow the word to go forth. It most certainly tells all who pay attention that there is SOMETHING that is NOT WISHED TO BE WITNESSED! These JOURNALS are not even allowed to be spoken of with customers other than to tell them that the store doesn't carry them. However, it is more help to us than carrying them--because we have yet to have even one person be told this fact, and that the owner of the store trashed and burned the books to give quite a lot of insight to the "inquiring mind" seeking the documents. This particular store, as well as the group with Ramtha, will not even tell inquiring people where they can obtain the books! Do you not find this fascinating? What do you suppose they don't want you intelligent people to see? GOD TELLS YOU TO READ IT ALL AND THEN NOTE THAT TRUTH WILL STAND ALONE--INTO INFINITY. WHAT ARE THE CONTROLLERS OF YOUR MINDS HIDING FROM YOU?

What is British Israel?

11/9/91 #1 HATONN

I guess it is appropriate to speak of that while we are on the subject. As I write I ask that you keep in mind that almost all the labels used are not accurate. Christ is a state of being, "israel" simply means "chosen", Jew actually will be referring to Zionists, etc. But if you keep our true definitions as given in "No. 1" dictionary meanings in mind then this will make a lot more sense to you as you read. I weary of having to take the space to explain each term each time I use it.

When we speak of "British Israel" you will find that most people believe it. Very few have ever heard the term. Almost every church in America teaches some aspect or

some part of British Israelism. All of the TV evangelism preaches British Israelism but never utter the word. Fundamentalist Christianity is a grassroots groundswell "ministry" for British Israelism, but fundamentalist preachers never say "British Israel".

What is British Israel? What is this mystery religion that has infiltrated religious America? British Israel is not an organization. British Israel is not visible in whole or in part. British Israel has no expressed or stated purpose as to its true existence. British Israel is not limited by national and international law.

British Israelism is an organism: invisible, international and informal.

It may function legally or illegally within the law or above THE LAW. IT HAS NO ETHNIC, SOCIAL, LEGAL OR NATIONAL RESPONSIBILITIES OR RESTRICTIONS. It has no membership list.

British Israelism is a subversive Pharisaic doctrine which has infiltrated Christianity with the religion of racial and national salvation. It is also the "kingdom message". The kingdom message is the Pharisaic doctrine that there is coming yet a future 1000 year reign of Christ (specifically the one called "Jesus") on an earthly throne in earthly Jerusalem to rule the world.

York immediately.

Also, the police have been unable to determine where the razor blades that slashed Casolaro's arms and wrists were purchased or even where they are. It has been confirmed that they were not purchased in either Martinsburg nor in the northern Virginia area where Casolaro lived.

Police have also been unable to determine who Casolaro was meeting with in West Virginia or what happened to the case of files that Casolaro was known to have been carrying with him at the time of his death.

And so the story goes--and goes, and goes. Is it not remarkable that they convict an innocent person of "perjury" or indiscretion on piles of evidence located through incredibly fantastic means--and yet, they can't find evidence which sticks to their very fingers and is unavoidable?

ISRAEL, continued from

Well, the few people who are barely aware of the racial aspects of British Israelism recognize the Herbert W. Armstrong Worldwide Church of God as the main British Israel cult in America. Others see variation of British Israelism in the Identity Cults. (Remember: I use the term "cult" as I would "group" or "church", which is, after all, the first definition of the word itself. You of the world have been deluded and deceived by those who change the meanings of words to suit their own particular needs for disinformation or even partial truths. In this instance the people call themselves "Anglo Israel". No, I jest not--go look it up!)

I do realize you have a problem in looking up things that you are not supposed to see. How many of you noticed on yesterday's news that Texas is in an uproar over history text-books for the schools. The errors, deliberate or subtle, number into the hundreds in the new texts to be utilized by the school systems. These are not little typographical errors--they are blatant lies and misinformation. This happens constantly in every updating and retranslation of everything from the Bible--to, quite frankly, the reprinting or opinionated projection of the JOURNALS. You have created a citizenship which is almost illiterate and anything told to them will be believed.

THE TERM "ISRAEL"

The term "Israel" in British Israel and Anglo Israel is an attempt to make a Biblical claim that the white race and the nations of Britain and the United States are chosen, modern Israel. They claim that the nation of Israel is just one of the twelve tribes. Now our friends in the local Baptist Church, the Methodist Church and all the protestant churches and most of professing Christian define the British Israel group in this form. To them it is obviously not Christian and does not in any way apply to them nor affect their Christian beliefs. To them it is just another "doctrine".

You will note a big splash as ones like Bush denounce David Duke for

his "racist" views when those ones doing the yelling are the very ones who hold the same, only more intense, bigoted views. Anyone from Yale's Skull and Bones is worse, by far, than any member of the KKK. You can go look this one up also! As a matter of fact--Bush quietly is in full support of David Duke. It is almost like there is a massive church with a doctrine based on the Kol Nidre throughout the world, isn't it? You would be better off to turn everything stated by the media, press and politicians in complete reverse and you would have it just about right.

True to human nature and true to nominal Christians they are only looking at the form of British Israelism and not the "spirit". They perceive an organization but discern not the organism of British Israel which has silently infiltrated their own religious beliefs and, through a long process of patient gradualism, turned their once Christian faith into Pharisaism. Any good preacher can tell you that the Pharisees were the evil people of their own pronouncement.

The fact is that the British Israelism is an organism, a pseudo Christian Doctrine (meaning "false"), which is the basic propaganda of world revolution. The International Elite raise up nations and destroy them with British Israel propaganda. Nazi Germany was no less a victim of British Israel propaganda, though no more than a handful of Germans ever heard the term "British Israel".

Simply stated, British Israelism is a master race theory. For example, Israel today is based on a master race (chosen race) theory exactly as was Nazi Germany. Why can't people see this? It is because they look at names, forms, organizations and they do not understand the power of an organism. They cannot discern its spirit mainly because they believe it themselves. They are doubleminded. Can anybody tell you what is the difference in a religion of racial and national salvation that applies to Nazi Germany and one that applies to Israel today? There is none. Israeli Nazism and German Nazism are interchangeable if you understand the organism and

discern the spirit of British Israelism. If the whole Israel cult could be justified Biblically today, so could Nazi Germany, for they are identical. Things that are equal to the same thing are equal to each other. Israel's existence today is based on race and nation. Nazi Germany was based on race and nation.

What, then, must you conclude? The whole of professing Christianity today has been deceived with British Israelism into a religion of racial and national salvation. They condemn German Nazism but embrace Israeli Nazism or Jewish Nazism. A very pivotal example of doublemindedness. British Israel Pharisaism was created by "Satan" based on a racial (physical) and national RELIGION which is totally intended to deceive Christians into another gospel of some kind.

The fundamentalists and multiplied millions of nominal Christians would respond that they believe in salvation by grace for themselves, but salvation by "race" for the so-called "Jews". They might as well believe it for themselves. There is but one salvation for ALL people of all ages and that is by grace--OF GOD CREATOR. This relegates "National" Israel to the dump heap--or--world pharisaism.

And what else is British Israelism besides racial and national salvation? It is the kingdom message. The kingdom message is the Jewish Doctrine of millennialism, or the belief there is yet a future 1000 year earthly reign of a Christ. Professing Christians today believe this earthly reign will come soon. The kingdom message is political propaganda clothed in the Christian religion to bring about so called "divine" world government. It is the kingdom message propaganda which has infiltrated professing Christians and made of them one voice for world pharisaism. This is British Israelism because this conspiracy originated with the British Empire.

You may have never heard of British Israelism, but you have heard the kingdom message from every radio and television in America and almost every church in America. The kingdom message

comes from the British Israel world propaganda ministry to prepare all professing Christians for a world political messianic kingdom. **GO BACK AND READ THAT AGAIN!!**

By understanding British Israelism as an organism, as a doctrine or philosophy that is not limited to an organization or cult, one can see how British Israelism influences every man, woman and child in America. One can believe in racial and national salvation and the kingdom message without ever having heard of British Israelism. Organization is outward form only. Organism is the substance and power of a doctrine to get into any church of whatever name or persuasion.

Have you not heard much propaganda about star wars defense and the Russian threat? Have you ever been warned by government authorities about the British Israel conspiracy to subvert the United States into a New World Order by using the Christian church and Christian evangelism and the Elite Banks? On the contrary, government supports this British Israel "religious" propaganda, "tax-free". This is nothing more than a "state" "nation" being a "religion" and setting up itself wherever it wishes--as a tax-free entity as that "religion". Remember those billions of dollars? Dear ones, a rose by any other name is but a rose! Will you awaken?

Finally, British Israelism is the means by which "authority" causes the people to be doubleminded. Doublemindedness is the belief of two opposing thoughts at the same time, i.e., that Judaeo-Christian is actually a meaningful term instead of directly in opposition one to the other. This is an altered state of consciousness created by authority to control and use the people without their knowledge, a modern system of slavery. One cannot believe in racial and national salvation and the "kingdom message" of British Israel AND ALSO believe the gospel of Christ at the same time, even the tampered-with version of same. Millions are efforting to do so.

MANY READ, BUT FEW UNDERSTAND--YOUR ENEMY COUNTS ON IT!!!

JUDAISM

Unfortunately "Judaism" is another misrepresented term. It does not mean what it once did nor are "Judaists" even recognized, as in "Judean". So, we had better look at the many faces of "Judaism". Do not be confusing Judaism and Talmudism--although both are linked inseparably by intent to mislead you good masses of world citizenry.

Let us just say if that which the Israelis, Talmudists, Zionists, British Israelis, Christians, etc., etc., etc., call Judaism IS, then World Government is a CERTAINTY. Judaism "means" a *political* Messiah ruling over the earth from Jerusalem.

What might take a thousand more years to establish a world-wide Jewish Zionist Kingdom under the name of Judaism, can be established as the "false kingdom of God on Earth", as defined by the Talmudists, much sooner in the name of "Christianity". All of you so-called, self-styled "Christians" will do it for the "master plan". This is exactly what is being done by placing a so-called "Jewish" interpretation upon Old Testament prophecies. The very word "israel" vs "Israel" gives you all the clue you need to prove this statement to self.

Why Judaism? Judaism is being used by the One Worlders because it is the perfect vehicle for spiritual and political control. If men can be brought into Judaism through whatever means, they become perfect slaves. Once this concept of conspiracy is understood then you can understand "Spiritual Communism". Spiritual Communism simply states that if a man believes in his heart that Christ will return to establish a World Government, then he can in

no wise be patriotic. He is then a One Worlder regardless of anything he might say or do to save his country, his freedom and/or his property.

The art of Judaizing has many twists and most important many reverse twists. Many come into Judaism through Masonry, Mormonism, Jehovah Witnesses, the vast majority of Protestantism, Catholicism and so on ad-infinity. Note all the above identify themselves as generic "Christians". What is the common denominator of all these so-called "Christians" (they certainly do not like nor respect each other as groups, or as they sometimes actually call themselves by that impossible label: Judeo-Christians)? **IT IS THEIR BELIEF IN THE JEWISH EARTHLY KINGDOM.**

The reverse twist of Judaizing is getting an "anti-Jew" movement started with "Jew-bait" (I use the term because it is valid even though it repulses my very being). It seems that honest people who escape every other trap fall for the so-labeled "Jew-bait". The Jew-baiters are actually promoting the scheme of One Worldism by fostering the propaganda that there are "Jews" physically in the world today. There are NO "JEWS" PHYSICALLY IN THE WORLD TODAY--BUT THE JEW-BAITERS CONTRIBUTE TO THE HOAX THAT THERE ARE, therefore aiding the Judaizers and One Worlders who must have "Jews" to stage their Jewish kingdom of God on earth. All so-called Jews today are **PHARISEES** who practice the Jew's Talmud religion, the millennium.

The pattern of the "Jew-baiter" is to attack the "Jew" on one hand and promote Judaism on the other through premillennialism, Masonry, and so forth. The One Worlders do not want the Jew's religion to be rightly identified as Pharisaism. They must at all cost make the Jew's religion synonymous with Christianity. The faster this can be done the faster we will officially have One World Government from Jerusalem. So to unravel the tangled mystery of "Jew-bait" you

I seem to be taking a lot of flack and shrapnel from the attacks and counter-attacks raging among the members of the Populist Party and SPOTLIGHT and thus and so. I have no intent whatsoever to sanction any "political party" and especially not the "Populist Party" and I do not either sanction SPOTLIGHT, so please do not interpret what Hatonn says according to your selective input. If a "Party" is based on anything other than "one nation under God" and squarely upon the Constitution--then I am against it--PERIOD. If they clean up their act, then reconsideration may well be in order. At this time, massive damage is being laid forth in the tainting of Col. IT IS TIME YOU AS A NATION OF SOVEREIGN CITIZENS (INDIVIDUAL) LOOK UNTO THE MAN IN POINT AND THRUST FROM YOU ALL THE POLITICAL GARBAGE. THE GARBAGE IS SOMEHOW REQUIRED TO ALLOW A "CANDIDATE" TO REACH THE ABILITY TO COME BEFORE THE "FIXED"

ELECTIONS BALLOTS. I FURTHER COULD OFFER YOU NO BETTER INPUT AT THIS TIME THAN TO CAUSE A COALITION OF ONES SUCH AS PEROT AND GRITZ TO FORM TEAMWORK IN THIS ENDEAVOR TO TURN YOUR NATION ABOUT. BOTH (EACH) HAVE SOME ERRORS IN PERCEPTIONS BUT THEY ARE DEVOUTLY COMMITTED TO THE NATION AND RECOVERY OF THE CONSTITUTION--UNDER GOD--AND THEREFORE THE REST WILL FOLLOW.

I ask that you readers contact these persons individually and express your wishes and remember--YOU MUST MAKE A PLATFORM FROM WHICH THESE ONES CAN BE PLACED ON THE PUBLIC BALLOTS. IT IS NOT UP TO THEM--IT IS UP TO YOU--THE-PEOPLE. I shall better explain this on the morrow but I am swamped with inquiries. Did you think it would be EASY, America? Oh, indeed not and therefore, it is up to YOU what direction your blessed nation shall take!

I have such a man to honor this day. His name is Christian and he has been "dismissed" from his well-accepted, well-reviewed program--in fact, has been fired from the station as a whole. Why? Because he said that he would re-interview George Green regarding the PHOENIX material (right or wrong in content) because the people have a right to hear and respond to ALL information--the more controversial--the better.

The Jewish Anti-Defamation League of B'nai B'rith has contacted every radio station and every TV station and has threatened to "close down" the stations if the PHOENIX material is allowed to air--ALL!

IF George or other spokesmen are put on the air then it is allowed ONLY if the callers and questions are screened. I printed a copy of the letter of demand and other literature in the paper so that you could

see for yourself. THIS IS THE WAY A NATION IS DESTROYED AND WHY YOU PRECIOUS CITIZENS HAVE NO TRUTH IN INFORMATION! If no information can reach the masses, how are the masses to learn that which is REALLY happening?

For us this is good news because a "banned" thing is of great curiosity and causes people to inquire somewhat--most will never know of the banning nor will they care. But it is your nation and what happens--happens to YOU and to YOURS. Do you not see that this violates every one of YOUR First Amendment rights? This does not just effect one, C. Christian, formerly of KTAR. THIS VIOLATES YOUR RIGHT TO KNOW, SPEAK, PRACTICE YOUR CHOICE OF RELIGION AND DENIES TOTALLY, FREEDOM OF THE PRESS AND MEDIA.

There are some daring speakers who go ahead and violate the orders and remain on the air but the lineup gets less and less for valid interview programs. When the information is aired--you have no idea how many calls are made for more information. You are not alone in this Truth seeking and desire to reclaim your nation--but the effort is blatantly to prevent you from HAVING INFORMATION UPON WHICH TO FUNCTION.

The obvious is to have our own radio, TV, Motion Picture network, which is fully planned; however, it must be realized that you have to have "permits", etc.--FROM THE SAME ELITE GROUP WHO CONTROL ALL AIRWAVES! Can WE override? Oh indeed--but how many of you would be able to receive? Ponder it and check your shackles!! The massive effort at present is to prevent George from even purchasing an already permitted "independent" station--the leverage, of course, is that the transmitting "permit" will be withdrawn.

I honor Mr. Christian who efforted to bring facts and possibilities unto you and has paid dearly for the effort. I would welcome him within

You who are outraged by this mis-carriage of "power" and "threat" in free America--write to RADIO NEWS, *The Arizona Republic*, P.O. Box 1950, Phoenix, AZ 85001. If you are sick to death of the ADL screaming "anti-Semitic" (when the Jews are not even Semites), then SPEAK UP! This group of "ban" everything effort to project that ALL who disagree with, say, \$50 billion in non-repaid money to Israel, are anti-humanitarian and anti-Semites. Are you not incensed? They cause all ones who have disagreements with what they are out to achieve, which is total control of the entire planet, to be seen as extremist and somehow "dangerous". LOOK AT YOURSELVES, AMERICA/WORLD! WHERE ARE YOU? IF YOU SPEAK UP AS A PATRIOT FOR YOUR OWN NATION, YOU ARE THWARTED AND CALLED BY BILIOUS NAMES AND FALSE ACCUSATIONS BROUGHT AGAINST YOU--IF YOU ARE A PATRIOT--THEN YOU MUST BE A PATRIOT TO ISRAEL--IF YOU LIVE IN THE U.S.A.! YOU HAD BETTER THINK ON THESE THINGS FOR IT IS YOU THEY ARE OUT TO GET. Those of your brothers who speak out against these heinous practices and denial of Constitutional Rights are destroyed, most often by murder.

Will Julie Newberg of the Radio News (above) print your letters? No--not on your bet! But, they will be obliged to read your objections--and/or CALL that station and every other one you can think of AND OBJECT! If you write to Christian, ask that the mail be forwarded or it will not be. And, I would ask that you give the man support. I realize that many of you have written these stations for I have received copies of the correspondence--thank you--for it will be through you who act, that your nation can be brought about.

How many of you realized your nation had come to this?? I thought not. Without exception,

the Mossad (the Israeli secret service) enforces these cute little "suggestions" for doing business--and they are the most evil, vile, soul-less terrorists on the face of your earth. They are infiltrated into every fiber of your nation and are the most extreme faction on your globe. THE INTENT IS FOR THE KHAZARIAN COMMUNISTS TO RULE YOUR WORLD!

THAT WHICH IS NEW, AND WE BRING, IS ONLY SO THAT YOU CAN "REMEMBER" THE TRUTH AND RECLAIM YOUR HERITAGE. YOU MUST CEASE THE MYSTICAL FANTASY AND FACE YOUR RESPONSIBILITIES OR THE FREEDOM OF MAN WILL PERISH FROM THE FACE OF THE EARTH--AND IT WILL GO IN SUCH MASSIVE NUCLEAR HOLOCAUST THAT THE PLANET WILL LIKELY BE LEFT WITHOUT LIFEFORMS, AT BEST!

This is why the information is stopped from reaching through to you--BECAUSE YOUR ADVERSARY KNOWS YOU CAN FIND PROOF RIGHT IN THE PAGES OF PRINT WHICH SLIPPED BY THEM!! IT IS UP TO YOU! It is the mark of the evil adversary to deny you access to the Truth for they know when you have Truth you will also find freedom--THEY WILL BE FINISHED!

More on the Dead Sea Scrolls

11/10/91 #1 HATONN

Ah yes, those scrolls! It has been almost 45 years past that those scrolls were found by a Bedouin shepherd. And yet it is only NOW that great attention and myriads of writings are coming forth with every kind of "tale" imaginable. Why? Because the scrolls were in strict and confidential holding by the so-called "Jews". They allowed no information except that which "they" produced to become public. Then recently, under demand, some of those scrolls went to the Huntington Library in the U.S. (under the agreement of secrecy--that the public would not have access, etc.). The material was so incredible, historically, that the documents were shown to scholars who could see the value and the truth of the historical documentation. The "disinformation" spreaders are now trying to head off the TRUTH from reaching YOU-THE-PEOPLE. Along with that deception, is coming the onslaught of hateful UFO beings and extra-terrestrials--EXACTLY AS I HAVE BEEN WARNING YOU!

Just as some day in the far recesses of the future experiences of another human civilization--these JOURNALS will be found and TRUTH will again be given unto the world manifest so that another lost civilization can regain and find its way. God always gives His creations that which they need when the sequence is proper. It is what man DOES WITH THESE THINGS which marks the civilization. WHAT WILL YOUR LEGACY BE?????

One of my most precious scholars has given me a couple of views as they are being presented to you-the-public. I am indebted, N.B., for your assistance. I cannot speak of that which you have no notion and make sense of the circumstance. I am going to ask that we reprint public documents as they are being written--which point up my above statements regarding disinformation and half-truths.

I tell you prior to beginning this task, that it is a hard one because the simple facts are that the Dead Sea Scrolls, as you recognize their

identification, gives you the entire history which has been totally changed and distorted for your eyes and ears. Since this information WILL AT SOME TIME COME FORTH IF YOU DEMAND IT--I focus on current activities which might turn your world about in time to save your ecosystems and your sovereignty as nations and peoples. You cannot wait to be filled in on the lies of the generations lest you wait until too late to take control of your circumstance presently within the lies. YOU ARE A PEOPLE OF MASSIVE DECEPTION AND WHAT YOU WILL DO WITH THIS INFORMATION IN ACTION DETERMINES YOUR PURPOSE AND GROWTH IN THIS WONDROUS MANIFESTED EXPERIENCE--WILL YOU PERISH PHYSICALLY OF THE EVIL INTENT--OR WILL YOU MOVE INTO AND WITHIN THE PLACES OF HOLY CREATOR? THE CHOICE IS YOURS.

There is such a pile of information gathered here that I shall pick some articles which I feel to be descriptive. There will be repetition but please bear with us for it is urgent to realize that you will have much repeated and repeated until you come to believe the lies--again.

This topic will need be broken into sections and if you find it boring, please reconsider setting it aside for it is so very critical that you understand the importance of these documents and how the thrust has been from onset, to hide and distort the translations, etc. The Jewish scholars have been working around the clock to "rewrite" the contents and as you can see it has taken half a century and they didn't finish in time. Now, you do stand the possibility of having them destroyed prior to proper translation. The documents were moved in part to the West Coast of the U.S. in order to have sure destruction in the earth-upheavals (with proper excuse). There are no limits beyond which these Elite will not go to deceive you--NONE.

At this point I will simply ask that the documents be kept on file for I

wish to not reveal source at this time. The documents will be copied from current press information which is going through the Associated Press, etc., to all parts of the globe according to the reaction desired. I do not wish to prejudice nor bias you in any way for it is the "subject" in point which is of importance.

[H: Note from the start that you will receive information from a computer translation version--which they conveniently call "Rabbi".]

The first of five volumes in *A Preliminary Edition of the Unpublished Dead Sea Scrolls* was released Wednesday, but the publisher and the Hebrew transcription contained few historical or theological surprises.

"As far as the content, it's not a bombshell," said Hershel Shanks of the Biblical Archaeology Society. "The significance is that for the first time an unpublished text (of the scrolls) is available to scholars. It's a start. We've broken the monopoly."

"As far as we know, no ancient text has ever been reconstructed by computer," [H: remember the principle of a computer: data in--data out. Garbage in--garbage out!] said Dr. Ben-Zion Wacholder, professor of Talmudic Studies at Hebrew Union College in Cincinnati... "Rabbi Computer, of Dr. Computer, did the work."

The Dead Sea Scrolls, one of the century's great archaeological finds, were discovered in the late 1940's and early 1950's in caves near the Dead Sea. They were handwritten on parchment in Hebrew and Aramaic, possibly by a small sect of Jewish monks, and range from Biblical texts to details

of everyday life about the time of Jesus.

Published sections of the scrolls already have provided insights into the development of Judaism and Christianity. But the international committee of scholars that controls the scrolls has never published all the material, and in recent years some scholars have complained that the committee was unfairly restricting access. Israeli authorities, meanwhile, have insisted all the scrolls be in print by 1996. [H: Yes indeed, to coincide with their take-over of the globe backed up by the "religious" garbage they will thrust upon you-the-people of the world. Through the power of "religion" can they bring man to his prison.]

But Wacholder, who is 67 and almost blind, said he couldn't afford to wait. So he discussed the problem with Martin Abegg, a biblical graduate student and computer hacker.

Wacholder had never seen the scrolls themselves or photocopies. But a member of the scrolls scholars committee had given him a document entitled *A Preliminary Concordance to the Hebrew and Aramaic Fragments*, a five-volume guide to the scrolls. [H: Is this not about as handy as you can get?]

A concordance is a scholar's tool that is organized like a dictionary. But instead of defining words, it gives the contexts in which they appear in a given document or body of writing. The concordance for the scrolls, compiled about 25 years ago, lists every usage of every word that appears in the previously unpublished texts, including words adjacent to it and the name of the scroll where it appeared.

Abegg programmed his computer to recognize overlaps between the concordance's "word strings", and to assemble those groups of words into larger and larger word groupings.

Please see SCROLLS next page

SCROLLS, continued from previous page

The material contained in volume one includes calendars, almanacs and the rules and customs of the priestly class that produced the scrolls.

The scholar who gave Wacholder the concordance said Wednesday that the release of the computer-generated transcript, which sells for \$25 a volume, was "a sad thing".

"Wacholder's taking someone else's work and publishing it himself," [H: **A very good Kol Nidre practice--totally acceptable in the Khazarian Empire.**] said John Strugnell of Harvard University, who was dismissed from the scholars' committee last year *after criticizing Judaism*, "what else would you call it but stealing?"

SCHOLARS MAY VIEW DEAD SEA SCROLLS: Associated Press, JERUSALEM--The Israel Antiquities Authority gave up its attempt to restrict access to the Dead Sea Scrolls on Sunday, agreeing to allow biblical scholars from around the world, (after screening), to view unpublished fragments. [H: **These "fragments" contain no information of value whatsoever--they are already censored documents.**]

But the authority announced that scholars would have to promise not to publish full texts of scroll fragments on their own, a restriction that drew criticism from a leading critic of the authority's handling of the scrolls.

Scholars have complained for years that the scrolls were being hoarded by a small group of scholars, and that the pace of publication was too slow.

The 2,000-year-old scrolls, discovered in caves near the Dead Sea

between 1947 and 1956, contain the earliest known version of the Old Testament, biblical writings and information about early Christianity and modern Judaism.

About 80 percent of the scrolls have been published, according to the authority.

The authority's decision was made reluctantly after the Huntington Library in San Marino, Calif., began allowing scholars to view its microfilm copies of the scroll fragments.

The Huntington's action came shortly after two scholars announced that they were publishing a bootleg version of the previously unpublished text of 24 scrolls, which they said they pieced together using a computer.

Emanuel Tov, the editor in chief of the scrolls project, said Sunday that the authority would give all scholars access to the thousands of fragments of writing in ancient Hebrew.

"We have now realized that, for the benefit of scholarship, this is the right thing to do," he said.

But he said scholars would have to agree not to publish full texts if they wanted to review the unpublished scrolls.

Hershel Shanks, the editor of the Washington-based *Biblical Archaeology Review*, called the new policy too little, too late. Shanks, who has long fought for broader access to the scrolls, wants the material available for publication by all scholars. END OF QUOTING.

THE DEAD SEA SCROLLS

Biblical treasures back in news: They contain the oldest copies of the Bible ever seen. Their very name conjures images of antiquity, a musty yet mystical thrill of ancient times rediscovered.

The Dead Sea Scrolls.

That treasure of crumbling parchments that shook the archaeo-

logical and religious world when it first came to light more than 40 years ago faded from attention during the long process of scholarly research. But suddenly this fall the scrolls were back in the news. One of the research institutes studying the carefully controlled scrolls ripped aside the curtain of secrecy that has surrounded them for years and released its copies to anyone interested.

Marcus Borg, for one, was glad.

Borg is a professor of religious studies who teaches at both Oregon State University and the University of Oregon. An internationally known scholar on Jesus, he is national chairman of the Historical Jesus Section of the Society of Biblical Literature, the oldest and largest association of biblical scholars in the United States. [H: **The only obviously "wrong" thing with this historical research is that it, too, is based on tampered information--to deceive the world--the information MUST BE SQUELCHED OR TAMPERED.**]

As a scholar, he said, he is pleased that the scrolls finally are being made available to the world, rather than the small, academic audience to which they have been confined.

Last week he talked to the *Democrat-Herald* about the Dead Sea Scrolls, their history and importance to scholarship and the average religious believer. [H: **Please read with discernment. The obvious is to bring forth pre-arranged documentation to FIT THE NEED AND READING INPUT OF THE MASSES. YOU ARE ABOUT TO BE "HAD" AGAIN, DEAR ONES! IF THESE DOCUMENTS WERE AUTHENTIC AND THE TRANSLATIONS ACCURATE--THESE WOULD BE PROMINENTLY DISPLAYED IN ORIGINAL AND EXACT PHOTOGRAPHIC DUPLICATION IN EVERY PUBLIC HALL IN THE INHABITED WORLD! ALL TRANSLATIONS WOULD BE DIFFERENT ACCORDING TO LANGUAGE--AND IDENTICAL IN MEANING. GOD HIDES NOTHING! MAN DECEIVERS**

HIDE ALL THEY CAN.]

"They contain copies of the Old Testament 1,000 years older than any we have had before their discovery," Borg said. For thousands of years, the Old Testament was passed down, first orally, then painstakingly copied and recopied in the centuries before printing. Prior to the discovery of the scrolls, "the oldest known copy of the Old Testament was handwritten in about 900 A.D. The Dead Sea Scrolls date back to about 100 B.C., making them twice as old, and are believed to have been collected by a Jewish religious community known as the Essenes, living around the time of Christ.

[H: **Oops! I hope all of you will go back and read AND THEY CALLED HIS NAME IM-MANUEL. To have come from the group calling themselves the Essenes (at the time) was NOT a good recommendation for TRUTH! Be that as it may--the original scrolls had nothing to do with the Essenes of that day or this.**]

"They provide us with first-hand knowledge of a Jewish religious group around the time of Jesus," he explained.

This isn't just important as an antique curiosity. It tells us some important things about the Old Testament and about the time of Christ, Borg said.

When the scrolls were first discovered, "There was this thought that they would illumine the origin of Christianity in a fresh way," Borg said. However, those hopes have not borne fruit. "Instead, they have given us a very detailed view of life in a first century Jewish community." [H: **This would give you more input than anything else you get your hands on--first hand information of how it REALLY was and a new perspective on this "Christ" who became the "blood sacrifice" to absolve you of your responsibility of good behavior under the laws of God and The Creation. IT "AIN'T" LIKE THEY TELL YOU IT WAS!**

And they surely do NOT want you to find out that fact.]

The scrolls and the later texts of the Old Testament are very similar, showing the remarkable fidelity with which they were copied and recopied. But "remarkable fidelity" does not necessarily mean 100 percent exactness, Borg pointed out, "Not the kind of 100 percent accuracy that people looking to print the inerrancy of Scripture would like."

SO WHO HID THEM AND WHY? AND WHY THE DELUSIONS

The Dead Sea Scrolls contain copies of every Old Testament book except Esther. Esther, Borg noted, is the only book in the Bible which does not mention God. [H: How quaint!] That may be just an interesting coincidence. But, Borg noted, the Essenes were a conservative sect of Judaism focusing on God's holiness. To them the Book of Esther may simply not have been a holy book worth preserving, Borg suggested. [H: HOGWASH!]

The scrolls also contained commentaries on some Old Testament books, and documents of the community itself. [H: Any good lawyer worth his weight in rock would know this is BAD testimony to facts. If you do not know who stashed the documents and you can't interpret them and there are no originals from which to work--how can you SAY "what they say"? These ones are only in speculation about something which is hypothetical and has no basis in fact. NONE. My own senses hardly allow me to continue with such speculation but this is exactly what is fed to you-the-people as if the authority knows of that which he speaks when, in fact, there is no foundation for the predictions at all. But--to continue - -]

The latter included "The Manual of Discipline", "The Temple Scroll", describing what worship in the restored temple would be like and "The War of the Children of Light Against the Children of Darkness", [H: Hot dog, now we are going to get to some really

DANDY "STUFF". Watch out world--here comes the blast of blasts as laid forth by MAN for MAN so that one faction can take rule over that of another and WHY you won't ever be given, except through pure accident and demand of God, to see and have the original documents in point.] an apocalyptic text on the coming war between evil, in the form of the ruling Roman Empire and good, personified by the Jews in general, the Essenes in particular. [H: This would be overwhelming Barf material except that the "Roman Empire" IS a major portion of the Khazarian so-called "Jew" empire--this day, 1991. Even the Pope is a placement by the Jewish infiltrators as from the beginning--set up to pull down the civilization--TODAY! You had best be wary and attend these things for these are the parts of the blueprints set forth to gain Global Control of the physical aspect of manifestation!]

"These scrolls give us a window into the beliefs and practices of a First Century Jewish community," Borg said.

ESSENES: ACCORDING TO BORG

"The Essenes were a sectarian movement with Judaism. The followers of Jesus, as a group of historians today call the Jesus Movement [H: Again, refer back, please, to AND THEY CALLED HIS NAME IMMANUEL regarding His encounter with the group of Essenes.], also were a sectarian movement within Judaism [H: very true]," Borg said. Comparing and contrasting the two is an interesting exercise, he said.

The primary quality of God, extolled by the Essenes was holiness, almost to the exclusion of any other quality, Borg said. The movement was very inward oriented, carrying a sense of "We're good and everyone else is bad." It was marked by hatred of the outside, hatred of enemies. The Essenes were content to keep themselves apart from the rest of the world, holding in contempt anything that was not them, and waiting for God to liberate them from Rome.

The Jesus Movement extolled compassion as the primary quality of God. It was an inclusive movement, including the untouchables, the diseased and impious. Some scholars have suggested that Jesus' admonition to love thy neighbor was a deliberate contrast to the Essenes.

Borg mentioned in passing that the Aramaic word for compassion is rooted in the word for womb. "To be compassionate is to be womb-like, sustaining, nurturing. That's a very different connotation for God," he said.

[H: Now I petition YOU: If in the face of this factual speculation and/or downright deceitful presentation of that which was and was translated--how can you as today's Christians and/or anything else, pronounce without hesitation and in denouncement of any who disagree with the concept--HOLD FORTH THAT IT IS IMPOSSIBLE TO FIND ERRORS IN THE BIBLE OR THE OTHER HOLY BOOKS???? I WEARY OF YOUR SMUG RIGHTEOUSNESS IN TOTAL IGNORANCE. YOU ARE PEOPLE OF THE LIE AND THE LIE IS CREATED BY THE VERY ONES YOU PROTECT AND WHO WILL DESTROY, ACCORDING TO A MASTER PLAN, ALL THAT IS OF THIS CREATION--INCLUDING YOU! I especially confront you who tout "man's opinions" as proof unto the children who ARE finding Truth and their path unto Light--shame is upon you for your blatant ignorance and refusal to LOOK! *Instead you insist and demand that "I" hide Truth beneath the bushel so that you don't have to face your own folly--NO, NEVER SHALL "I" HIDE GOD'S TRUTH TO SUIT ANY MAN! I AM OF GOD AND THE BETTER PART OF WISDOM IS TO ACCEPT THAT FACT UNTIL YOU CAN BE IN THE FINDING OF THE PROOF YOU SEEM TO NEED AND DEMAND!]*

MORE AND WORSE SPECULATION

Some scholars, mostly on the fringe, have speculated that the reason the scrolls have taken so long to

come into the public domain is that they contain some shocking revelation or damaging evidence. Borg said he doubts that will turn out to be the case. [H: Upon what does he base this assumption? Well, I apologize for my interruptions but this is the manner in which YOU must begin to analyze and discern.]

"There have been certain controversial claims associated with the Dead Sea Scrolls, but very few serious scholars believe them," Borg said.

"I myself don't expect any surprises, and I'm a guy who likes surprises," he said. "It'd be great if there was something wonderfully controversial in them. There is some suspicion on the part of a few scholars that the reason publication has been delayed is because there is something sensational there. I don't know any serious scholar whose work I respect who believes that." [H: With this attitude of self-ego importance, I have to admit that I just lost all respect (his words) for his own scholarly judgment. In other words, he will never find any writings which do not totally agree with his predisposed idea of how it is and, further, they will be rejected and certainly never made available to you-the-people because the next assumption is that you are "...too stupid to discern for selves and need his 'expert authority' of what is and is not correct or right in order to function." Do I take exception and would I stand toe to toe with this self-indulgent man of great importance? Indeed, and love every wondrous moment of it. A human "authority" can only effort to "prove" his importance and knowledge from that which is already in physical expression--in other words, what is already known, be it lies or Truth. This attitude indicates self-importance far exceeding a "mere mortal" who is obviously not as great as he. God created man in His image and that means that each individual is perfection and power beyond that which is physical or conscious. Indeed, I tremen-

dously enjoy these encounters with these self-styled "authorities". Somehow, however, they NEVER wish to encounter me in any manner whatsoever and effort to keep the rest of you from doing so, likewise.]

For instance, some of the scrolls mention an unnamed "teacher of righteousness" who was executed by the political authorities.

"A very few scholars claim the figure of Jesus was invented by the early Christian church, modeled after the teacher of righteousness", Borg said. Another theory suggests that either John the Baptist or even Jesus spent time at Qumran, and the thoughts of John the Baptist and Jesus were affected by this community. "Very few serious scholars put much credence at all in these theories," Borg said.

Borg believes the 40-year lapse between discovery and publication has a much more mundane cause.

"Delay in publication has had much more to do with scholarly procrastination and scholarly egotism," he said. [H: Well, he said it himself. By the way, for you little chelas whose parents and preachers have sent you so much information by which to "prove" our mission wrong and evil--this man is most often quoted from the great annals of information. Is it just POSSIBLE that there is some remote POSSIBILITY that we are exactly who and what we say we are? We are the Hosts sent by God, with God, to attend this planet in trouble. I suggest you who claim to know it all and yet do not even read the information would be wise to cease and desist making the children who DO SEE WHAT IS HAPPENING TO THIS PRECIOUS OLD WORLD feel isolated and rejected because they DO SEE TRUTH. "Age in years" does not equate with "WISDOM"--ponder it! NO, the delays of publication are due to rewriting, the original writing and total deceit. Many of the so-called "scrolls" will never see the light of day for they are original writings to suit the needs of the "master planners".]

The scrolls were farmed out to individual scholars for translation and interpretation. Those scholars have had sole access to the scrolls until late last month, when the Huntington Library in California decided it had had enough of the secrecy and let them loose to the world.

"They (the selected scholars) developed a proprietary attitude, as if the scrolls were theirs," Borg said. "There's a tendency to want to gain some measure of immortality by being associated with something. It isn't so much that people were trying to keep secrets as they were trying to protect their own immortality with being associated with the scrolls."

This has been frustrating to other scholars.

WHAT ABOUT BORG?

As a student in the late 1960's, and early 1970's, Borg was working on his doctoral thesis based on the temple of Jerusalem.

"I was frustrated at that point because I knew there was such a thing as the Temple Scroll. It hadn't been published yet, but it would be soon. I had no way of knowing what it said, but I was afraid it might undermine my thesis." [H: How interesting--undermine his thesis; Truth be damned. Well, he need not worry for the first "Temple Scroll" to make publication will be one in which the party line of the Khazarian Zionists present their exact plan for the way it will be according to Talmudism and will have no taint of Truth about it. YOU are being set up to enter into a massive genocide to produce "THEIR" temple on another's property and you will insist on a return to the evil of that Temple practice--Satanic ritualistic killing and blood sacrifice. God does not create and then slay, torture and bleed His precious creatures. This movement upon you is total evil in intent and YOU make it possible to come into fruiting.]

Borg has not done any work with the actual manuscripts, but he uses earlier translations in his study

of the Jewish world.

"One issue that is up in the air again is whether we're correct to think the scrolls were produced by the Essenes," he noted. "Some of the untranslated material may suggest the Qumran scrolls were more like an ancient Jewish library rather than the documents of a specific Jewish sect. If so, scholars would have to revise some of their views.

"The question the scholarly world is asking is, will they confirm or disconfirm whether the scrolls were, as is almost universally believed, written by the Essenes." [H: I ask YOU--YOU THE READER, RIGHT NOW: Have YOU seen these scrolls? Have you touched them? Do you speak Hebrew? Do you even know Mr. Borg? Are the scrolls, themselves, valid and/or actually EXIST? HOW DO YOU KNOW????*****!!!! Right this moment, with this question--from whom and wherefrom do you acquire your information to form opinion? HOW DO YOU KNOW? OTHER HEINOUS THINGS HAVE BEEN PRESENTED AND SOLD TO YOU HOOK, LINE, AND SINKER--ALONG WITH STINKING ROTTED FISH. HOW DO YOU KNOW? CONTINUE TO CLOSE AND LOCK YOUR MIND TO POSSIBILITIES--ANY AND ALL POSSIBILITIES--AND YOU WILL BRING ABOUT THE PERISHMENT OF YOUR PLANET AND SPECIES. THE WAR IS BETWEEN THE GOD AND EVIL OF PHYSICAL EXPRESSION AND YOU ARE PAWNS IN THE GAME. WILL YOU TAKE UP YOUR SPIRITUAL POWER IN GODNESS AND STOP THIS MADNESS--OR WILL YOU PERISH AS THE PHYSICAL EXPRESSION OF EVIL? THE CHOICE IS YOURS.]

Borg studied at Concordia College in Minnesota, Union Theological Seminary in New York, Oxford University and the University of Tubingen. He has held fellowships from the Rockefeller Foundation and the National Endowment for the Humanities [H: All totally controlled Elite institutions!] He also has taught adult religious education classes in his church for 20 years

[H: Ah, could he possibly have taught a few "errors" in that 20 years, like where his own opinion might have clouded an issue according to some prior teaching--or does this mortal man claim total perfection?], and conducts classes for both Protestant and Catholic clergy. [H: This alone goes along with what I wrote yesterday about "British Israel" which is total intent to present Pharisaism and not teachings of GOD!]

His wife, Marianne Well Borg, is a recent graduate of Church Divinity School of the Pacific and is a member of the Episcopalian clergy.

[H: May God, in His wondrous Grace, give you eyes to see and ears to hear--for the lie bears down upon you as the tidal wave in the cleansing as the cycles fall into chaos and destruction and the blind are never given to see or hear of that which is their destruction and, worse, the messengers are destroyed and civilizations are left to the demise of the nations and the oral traditions of the elders who are all that "remember" how it was!

Do we simply herein write of "HOW IT WAS"?)

STORY: A Bedouin shepherd tossed a rock into a cave and heard, not the dry clank he expected, but a shattering sound.

Inside, he found a broken clay vessel with the remains of an ancient scroll. It was 1947, and the jar he broke was the first of the Dead Sea Scrolls to be discovered.

Subsequent explorations discovered hundreds of scrolls hidden in caves among the desolate terrain of the Dead Sea, generally southeast of Jericho, and almost due east of Jerusalem.

The scrolls have been dated by their script to have come from the 2nd Century B.C. to the 1st Century A.D.

After having been buried in caves for some 2,000 years, it has taken another 40 for them to finally come out into the light.

The scrolls are believed to have been written or collected by a group called the Essenes, who formed a quasi-monastic community at Qumran in protest against the Maccabees' taking control of the high priesthood at the Temple of Jerusalem. An early leader is identified only as the teacher of righteousness, and his opponent as the wicked priest, probably Simon Maccabaeus. [H: Alice in Wonderland?]

The Essenes attempted to preserve the true worship of God while awaiting his return to smite their enemies, whether Maccabee or Roman. They were strict adherents to the law. [H: Whose law?]

Because the scrolls were found in what was then Jordan, the Jordanian government exercised initial control, assigning the Rev. Roland de Vaux of the French Ecole Biblique in East Jerusalem to lead the translation effort. The seven men de Vaux picked were to have exclusive rights to publish the documents. Other scholars were outraged, and their anger grew as the work proceeded slowly.

In 1967, Israel took over the West Bank area including

Jerusalem, and the scrolls came under the control of the Israeli Antiquities Authority. Since then the number of researchers has grown to about 80, and the work has quickened, but still only about half of the scrolls have been rewritten--er, ah, translated.

Late last month (Sept. 1991), a California research institution changed all that. The Huntington Library, in San Marino, Calif., had one of only four complete photographic sets of the scrolls. On Sept. 22, they opened their vaults. Deliberately violating the secrecy agreement [H: Total balderdash-hogwash. You don't "just open" vaults and break "agreements" with Israel, little blind mice. The Huntington Library is a total entity created and operated by the Elite One World Government/New World Order Establishment!!! You are going to be shown (given) EXACTLY that which they want you to see (under the illusion of broken promises and in spite of secrecy agreements so that you lovely people can access this material) moreover, building the anticipation to outrageous proportions so that NONE OF YOU MISS THE INFORMATION--WHICH WILL BE EXACTLY THAT WHICH THEY WANT YOU TO HAVE TO CONVINCING YOU THAT A ONE WORLD GOVERNMENT WITH YOU AS SLAVES IS WHAT YOU WANT.]

"When we free the scrolls, we free the scholars," said director William A. Moffat. "If we had sat quietly, we would have violated our own policy of unrestricted access."

NOW FOR FUN WITH THE DEAD SEA SCROLLS

QUOTE from periodical dated Nov. 19, 1991:

"FAMED BIBLICAL SCHOLAR REVEALS THE SHOCKING SECRETS OF THE ... DEAD SEA SCROLLS":

Passages from the Dead Sea Scrolls that are so secret only a handful of scholars have seen them reveal that UFO's landed on Earth 2,500 years ago, Jesus will be reborn in 1991 and the world will end 10,000 years from now--in 11,991! [H: I'd say that there is definitely "good" news and "bad" news regarding this projection but it is actually more valid than the other garbage being thrust upon you. Most, as usual, depends upon "what you do about the mess you're in and whether or not you choose to wake up and change the tale."]

That's the word from biblical scholar and translator Felix Bonjean [H: I expect this is one of "those" scholars for whom Dr. Borg has "no respect".], who claims to be one of only six men who have examined the passages that have been kept under lock and key at the Vatican since 1949. [H: VATICAN!?!? AH, THE PLOT THICKENS, DOES IT NOT???]

THE PASSAGES ALSO REVEAL:

* That a fleet of massive, circular starships landed on Earth 2,500 years ago in 500 B.C. A description of the extraterrestrials that got off the ships was badly decayed and unreadable, although a reference to the fact that they had enormous, bulb-shaped heads survived.

* What God looks like. Though the description is sketchy, the scrolls say He has fiery green eyes, flowing brown hair and stands 9 feet tall.

* The rise and fall of a genocidal "antichrist" in the mid-20th century, a likely reference to Adolf Hitler. The development of atomic weaponry is also mentioned. And in another prediction the scrolls warn of a horrifying plague in the late 20th century, which seems to be a reference to AIDS.

* The exact location of Noah's Ark. Long thought to be buried under tons of rock and on Turkey's Mount Ararat, it actually came to rest in Egypt--just miles from the Great Pyramid.

* That the Messiah will be reborn in 1994. It is said that He will rise to a position of power and prominence and spearhead a worldwide conversion to true Christianity before 2025.

* The creation of a worldwide "economy-of-plenty" AND ELIMINATION OF POVERTY IN 1992.

* That Moses wasn't Jewish, Egyptian or even human. He came from another planet. [H: No-o-o?]

* That mankind will enjoy 10,000 consecutive years of peace before the world ends in the year 11,991. [H: Not at the rate you are going! But let's see what happens when TRUTH pervades the lands!]

At that time life as we know it will cease to exist while the souls of the "chosen few" will be reborn as life-forms on the Red Planet Mars. [H: Don't be so sure that Mars is THE red planet as considered by Earth men.]

[H:Here the assumptions cloud the reasoning process of the given word. You can only "assume" based on what you have been led to "believe" and much of that "assumption" is totally in error. But this is a neat story and more nearly on target than anything else touted about those scrolls.]

* The discovery of America by an adventurer from the east--Christopher Columbus--in 1492.

Please see SCROLLS, next page

SCROLLS, continued from previous page.

* Details of America's 1969 moon shot, including the initials of the astronauts, N.A. for Neil Armstrong and B.A. for Edwin "Buzz" Aldrin.

* The election of America's first female president after President George Bush serves out his second term in 1996. Described as the daughter of a slain former president, the woman in question would appear to be Caroline Kennedy. [H: And, just when we were beginning to get some "real stuff".]

* The truth about Atlantis. The Lost continent was home to a race of superhuman beings that God destroyed because they rejected Him and began to worship the Devil.

* That Satan will literally walk the Earth for six years beginning in 2010. The Evil One will claim and destroy the lives of millions before God banishes him forever. [H: This hardly seems feasible if item No's 1 and 3 are correct--but so be it.]

* The devastation of one of the greatest countries on Earth in 1997. It is not clear where this Godless society is located, but the passage seems to be referring to either China or America.

"The truth was bound to come out sooner or later and after much agonizing and even more prayer I've taken it upon myself to tell mankind what it has a right to know," said Dr. Bonjean.

"The passages were hidden from the public because the men who have controlled the scrolls since their discovery by a Palestinian shepherd boy in 1947, spoke for many when he criticized Dr. Bonjean for leaking privileged information that was never meant to be seen or heard by ordinary men."

Other experts, like German archaeologist Ulrike Hoffman, actually praised Dr. Bonjean "for having the integrity and courage to reveal the truth about the scrolls once

and for all."

Both the VATICAN AND ISRAELI ANTIQUITIES DEPARTMENT which oversees the study and publication of the 2,000-year-old scrolls, have been strangely silent on the issue. But Dr. Bonjean says that's not surprising "since they can't say anything about the secret scroll passages without admitting that they've been deceiving the public for almost 50 years."

The expert claims to have seen the Vatican's scroll passages in 1952. [H: By the way, this checks out, little chelas.]

He refused to name the other five men who have seen them [for their privacy and protection--they may do what they wish regarding the matter. To speak out is an almost sure death sentence].

But a highly placed Vatican source confirmed that Dr. Bonjean "can, in fact, talk about the passages with unquestioned authority.

"These particular scrolls and passages were brought to the Vatican for safekeeping because it was feared that the contents would cause panic and chaos throughout the world," continued the source. [H: Reminds me of the meeting we had with Baruch, Eisenhower, etc., and they, too, kept it from you people to prevent religious riots and panic by you-the-people.]

"Whether that fear was founded or unfounded will soon become evident, of course, now that Dr. Bonjean has spoken out." Dr. Bonjean concluded: "I did what I had to do and I have no regrets. God will decide if I was right or wrong and nobody can argue with that." [H: Want to bet?]

"Surprise" hot potato

11/10/91 #2 HATONN

Why do I think it important to look again at the incident called "October Surprise"? Because a strange thing has happened on the way to Congress. This is a real hot potato! This notation is also an October Surprise because of political implications. The Senate Foreign Relations Committee narrowly approved a resolution calling for an investigation into the October Surprise scandal--they almost got it past you-the-people and yet, all the reasons are wrong. Watch the rest of this little notation. This is the little scandal in which members of the

Reagan-Bush campaign team arranged for Iranian radicals to delay the release of American hostages until AFTER THE 1980 ELECTION. But Sen. Richard Lugar called the probe a "monstrosity" and promised a filibuster to prevent passage on the floor of the Senate. *On the other side of the aisle, Sen. Christopher Dodd voted against the resolution because it included an amendment TO INVESTIGATE CARTER ADMINISTRATION OFFICIALS.* Does anyone other than me see "dirty pool" in action??? Again, watch for the flame when you see so much smoke.

Baker's Israel Deal

11/10/91 #2 HATONN

Do you remember a bit of argument over arms and sanctions, invasions and "storms" over Iraq and Kuwait? Well, isn't it nice to know that the good old U.S.A. is "always right on target for fairness, honor and justice?" Secretary of State James Baker admits the Bush administration decided NOT TO PLACE ANY ECONOMIC SANCTIONS AGAINST ISRAEL FOR ILLEGALLY EXPORTING BANNED MISSILE TECHNOLOGY TO

SOUTH AFRICA, DESPITE ISRAEL'S FOUR-YEAR-OLD PROMISE NOT TO DO SO. [H: By the way, goodly citizens, SANCTIONS ARE REQUIRED BY LAW.] However, in the name of "justice" the South African company which got the data, Armscor, will be banned from U.S. trade for two years. [I thought the business was done in Israel? Is there no longer any separation at all from Israel? Nope!] BAKER REFUSED TO SAY WHY ISRAEL GOT THE SPECIAL TREATMENT!

Holocaust taboo

I am going to quote this next segment but I want you to know that the first two statements are not factual.

"You can debate the existence of God; you can debate any aspect of sexual performance or non-performance. You can talk about almost anything under the protection of the First Amendment. But you can't even SUGGEST THE SUBJECT OF THE "HOLOCAUST" IS DEBATABLE. Historian Bradley Smith paid for a full page ad in the University of Michigan newspaper titled: *The Holocaust Controversy: The Case for Open Debate.* Zionists became apoplectic. The next day the newspaper was forced to apologize

for running a paid ad which only "suggested that the 'holocaust' was a subject open for debate." Forget the First Amendment if the subject is not "politically correct".

Well, hang in there because I am going to "Prove" that the "holocaust" did not happen as you have been told. It was a Zionist/Nazi plot to take out the Jews and enemies of the Zionist planners--that same group which is destroying your rights under your Constitutional Bill of Rights.

You think this cannot be and that there is "more to it"? No--you had better pay attention because such denial is *already illegal in France,*

STOP, HALT, ALTO, FREEZE AND CEASE AND DESIST WITH YOUR BASHING HATONN ABOUT JAMES GRITZ AND HIS CONNECTION WITH THE "NOTORIOUS" (HARDLY KNOWN) POPULIST PARTY. I HAPPEN TO KNOW THAT COL. GRITZ IS IN VIEW OF THE PROBLEM AND IS "SHUCKING CORN" IN THE MATTER. Why think ye that "I" have anything to do with political parties??? If I "could" I assure you, I wouldn't!

I will, however, reprint herein what the *SPOTLIGHT* has just published about the matter and leave it to you. This is WHY all the sudden controversy and somehow you seem to think that "Hatonn" and "Space-Command" seem to have the reins in hand--I personally wouldn't get within 10 feet of the horses, much less pull the reins. This is exactly, however, what happens with good candidates who are willing to "serve". They only have choices which are bad at best. What have YOU done to get a platform and support under this willing servant? I thought not--YOU would rather complain and nag--and point fingers.

I am "dared", yet, to print the write-up. Oh, I have been "dared"

POPULIST CANDIDATE NOT ON BALLOTS

QUOTE, *SPOTLIGHT*, Nov. 11, 1991.

According to the October 16 issue of *Ballot Access News* (BAN), Populist Party National Director Don Wassall, a Ford City, Pennsylvania promoter, has yet to qualify his party's presidential candidate, Lt. Col. James ("Bo") Gritz, for even a single state ballot.

This despite the fact that more than an entire year ago--the period of April through October, 1990--there were fully 17 states where ballot access efforts could have been undertaken well in advance for the 1992 election.

Those states were: Alabama, Arizona, Delaware, Hawaii, Kansas, Maryland, Michigan, Montana, Nebraska, Nevada, New Mexico, North Carolina, Oregon, South Carolina, South Dakota, Utah and Vermont.

In fact, according to BAN there are only two states where there are visible ongoing efforts to qualify the Populist Party for the ballot: Georgia and Maryland.

Ironically, one of the leaders of the Georgia ballot access effort, Jim Yarbrough of Gainesville, has been officially "expelled" from the Populist Party by Wassall.

And in Maryland, State Chairman Boyd Godlove has emerged as one of Wassall's leading critics.

In 36 other states where petitioning could be under way to put Gritz on the ballot, there is no activity of any consequence noted.

This includes Arizona, Florida and Missouri, home states of top-level Wassall associates, party parliamentarian Bill Chandler, party

money handler, Phil Chesler and executive committee member Jeff Wilderson who is Wassall's hand-picked ballot qualification "expert".

According to BAN, not a single petition signature has been obtained in those key states.

In stark contrast, the Libertarian Party's presidential candidate, former Alaska state legislator Andre Marrou, is already on the ballot in 20 states for the 1992 presidential election.

In seven other states, the Libertarians have either finished collecting the required number of petition signatures or are in the process of so doing.

According to BAN, there are only 10 states where the Libertarian Party has failed--as of this time--to seek ballot status.

(There are 12 states where state restrictions prohibit collection of petition signatures prior to a specified date.)

These figures are shocking, to say the least, when one considers the amount of money that has poured into Wassall's coffers since the beginning of 1990 alone.

In 1990 Wassall controlled \$219,215.94 in the party bank account. He spent \$192,683.46 of that amount. Only a tiny percentage of those funds was expended for the purpose of obtaining ballot access.

What's more, Wassall gave only a piddling \$10,023--less than 4.6 percent of the total--to Populist Party candidates, forcing 23 people running in seven states to divide the sum among themselves.

In 1991, according to Wassall's July 15 filing with the Federal Election Commission (FEC), Wassall's Ford City office bank account had expended a whopping sum of \$97,169.94.

Of that amount, \$11,179.50 was paid to Wassall in salary.

(Wassall's salary, hiked repeatedly, skyrocketed to a total of \$34,000 per year. [H: Mr. Iococca, eat your heart out!]) Wassall also picked up an additional \$1,713.95 in "petty cash reimbursement". [H: Now chelas, bashing is one thing but malicious bashing is so evident herein that I am embarrassed to continue printing this. Do you realize that Congress voted themselves a raise in the middle of the night which averaged more than this amount any way you scrape it out of the garbage pail?]

Party Treasurer Phil Chesler received \$3,821.77; and a woman in his employ, Betty Losh, received \$3,549.49--for a combined total of \$7,371.26. [H: This would seem to average out to about a skyrocket amount of some 56 cents per hour.] (Other, previous party treasurers were committed Populists, volunteers who served without compensation.)

Wassall also spent \$622.58 for magazine subscriptions, even including a \$234 subscription to the *New York Times*.

A total of \$1,468.95 in payments was made toward a vehicle purchased in the party's name.

Since these filings with the FEC, Wassall has mailed out a barrage of fund-raising letters using the name of Gritz. However, there has never been a nominating convention for Gritz, and even Wassall's so-called national committee itself is without standing, not having followed the bylaws of the party formulated before he took control.

However, Wassall has raised a great deal of money through the use of Gritz's name and Gritz's mailing list.

UTAH DEBACLE

The sum of \$937.15 in salary and expenses was paid to Wassall's "aide", young Harry Bertram, who

Please see GRITZ next page

engaged in what to date was the first, last and only known ballot access effort undertaken by Wassall. This was in the state of Utah.

There, according to a headline story published in the April 5 edition of the *Salt Lake City Tribune*, Bertram was nabbed forging signatures on ballot access petitions.

According to the *Tribune*, Wassall's protege was "caught in what election officials say is a poorly executed scam involving the alleged forgeries of hundreds of signatures of registered voters" in the state of Utah.

At the time the *Tribune* reported the Salt Lake County attorney was conducting a criminal investigation and that an indictment was expected. A county attorney was quoted as saying that, "There is clear evidence of a crime committed."

Although Wassall was quoted in the *Tribune* as having said Bertram had "bamboozled" the party, Wassall has since welcomed Bertram back into the party, despite his alleged criminal activity, and has lavished praise on the accused forger in the pages of his monthly organ, *The Populist Observer*.

Wassall has never reported Bertram's malfeasance in the *Observer*.

Ironically, Van Loman, then a member of the party's executive committee, had warned Wassall against hiring Bertram as the party's national coordinator.

Wassall has since begun sending out letters viciously attacking Loman, whom many considered Wassall's brainiest adviser on the party's national executive committee.

Despite Loman's words of caution, Wassall apparently wanted to prove to his many critics that he was actually engaged in ballot access efforts (rather than running a fund-raising operation) and brought Bertram aboard, only to become enmeshed in the scandal.

Rather than focusing on getting the party on the ballot, Wassall has been busy arranging a \$20 million libel suit against The *SPOTLIGHT* [H: The truth begins to hit the fan, does it not?] for exposing his activity--and inactivity.

Two of Wassall's complaints are that he was labeled a "political Nerd" and a "yo-yo." He claims he's neither....

YOU DEMAND MY
COMMENT!

Why? Is not your own discernment worthy of thought conclusion?

But I WILL COMMENT (You trusting souls knew I would!).

This is the kind of slime-suckers that will try at every turn to keep the Establishment and Elite in POWER! You have just witnessed the FACT that even though the *SPOTLIGHT* gives some valid input--it is basically an Establishment run paper which only gives a bit of truth and then, after sucking you in--deceives you by intent. It is clear that: No. 1: the *SPOTLIGHT* doesn't want Bo Gritz to run for anything and will do ANYTHING to prevent it. Mr. Wassall has no real part in the issue at all. No. 2: Mr. Piper is a poison pen tool and the accusations so shallow as to kill a fish.

Neither of these points are of any lasting value to the issue. The point is that unless there is revamping from top to bottom, the Populist Party is the sure way to lose an election and keep Gritz useless to your nation. Whether the accusations be true or false is of no point herein--the "planks" of the political "platform" of the "party in point" are actually little more Constitutional in orientation than are the already "in power" parties.

I have been asked about platforms and "planks", etc., and I frankly denounce anything based on ANYTHING OTHER THAN THE CONSTITUTION OF THE U.S.A. WHICH PROTECTS (NOT

"GIVES") YOU YOUR SOVEREIGN RIGHTS AND BRINGS THE GOVERNMENT INTO CONTROL--YOUR CONTROL! THIS PROJECTION IS BASED SECOND IN IMPORTANCE--FOR YOU WILL COME BACK TO "ONE NATION UNDER GOD" OR YOU AREN'T GOING TO MAKE IT ANYWAY.

When you ones start serving God within His laws and the rules laid down for a chosen nation under that God--then, and only then, will reclamation be possible. God will provide the way and the leader--but YOU will take the journey. Is James Gritz perfect? Gracious, you jest! Of course he is not perfection--but didn't anyone ever tell you that NOTHING SHORT OF GOD IS PERFECTION? His intent is perfection and THAT, sirs and madams, is what is important. You have boggled your election systems to the point that you can hardly get anyone ON the ballot to be in the elections--it is THE way to control you and who will be your King--didn't you know?

What about the Populist Party and thus and so? I see that it is probably without any salvation--there are too many skeletons over which bones can be picked--even though they be wasted bones. If you tout ANYTHING other than a return to Constitutional truth and law, you will be debased, denounced, picked and kicked--AND FEW MEN CAN TAKE IT! IF YOU CANNOT BE DESTROYED BY THE PRESS THEN THEY WILL COME WITH GUNS. Well, I wouldn't count to readily on the "guns" working with this particular Colonel. God favors this particular "little soldier" and it is a bit hard to "bump off" that which is favored by God. Ponder it. The Col. already has some rather interesting uniforms in his collection wherein you will find a bullet hole which enters and exits the cloth--but what of the man who was wearing the uniform?? I think I would think upon that little "magic" also. You of Earth don't seem to understand "God" and who or what is God.

DON'T BE FOOLED BY THE SUBJECT OF "HOLOCAUST" AND *SPOTLIGHT*, OR YOU SHALL BE GREATLY FOOLED

INDEED! IF ONES CAN CONTROL THE PRESS, THE MEDIA, THE EDUCATIONAL PROCESSES AND THE INFORMATION--THEY CAN RULE THE WORLD! WHERE ARE YOU NOW, WORLD?

I repeat again and again--read with discernment. I did NOT say, stop reading--most especially the *SPOTLIGHT* for their thrust is to give you lots of "trust me" information. Always measure that which is given against the Laws of God and The Creation and see how Truth stacks up. They do give you much very valid and unprinted "elsewhere" information. It is up to you to discern with care.

Well, why do they tell such awful things about the administration and the Government, etc.? Because they want their own people to eventually be in the slots of Government and it must APPEAR that they are ON YOUR SIDE! This is the VERY REASON we have no interest in "overthrowing" any Government as you understand revolutions to be. It will do no good to simply "overthrow" the power in power because the REAL POWER is NOT in those places.

We have gone on much too long today but it seems so impossible to get all the information out and into your hands. Please be patient as we effort to get through these myriads of inquiries and comments--we take none as invalid questions and none are ever mundane or inappropriate if asked in intent for knowledge. There are no silly questions--only silly people--you must discern which is being utilized when you write and never assume you must ask a question "for" another for it may well be only your perception and that becomes most ungracious. I look forward each day to the responses and inquiries as you send them along--most are "direct" to me, hundreds are through Dharma regarding our writings. We treasure each and every one--even those which would appear negative and bitter. Those are the very ones which allow us perception more clearly than almost any other. I am

MONDAY

Please allow me a word with my scribe. On the yesterday evening I kept her busy and away from the watching of the TV until after 60 MINUTES was well under way and she is pained by missing it for, as she tuned in, it was dealing with the "murder" of Pvt. Tally (we wrote on this deliberate "friendly killing" on the day before yesterday). All here have been "boggled" by the smallness of the world these days and how more and more things will be coming to surface as it becomes harder and harder to cover the evil.

I request that ALL WHO WILL DO SO, write to this beloved Lt. Col. Ralph Hayles for he feels his life has been destroyed by this horror. This is another sign for you ones as

to the Truth which I have given you for when asked, "Why have you come forth, Col. Hayles, in all this pain and remorse? Can you not put this aside and go on with your life? Must you continue this public display?" With tears flowing he said, "No, I cannot allow the story to go forth as it is being told and I cannot go on with my life 'as usual' for I have killed."

Now what do you suppose the government is investigating? Not the killing of "friends" or the "setting-up" of these ones to be killed intentionally--but the Government is investigating "WHY THE MACHINE GUN JAMMED". You see, the "big brother" wanted all the ones who escaped--shot--for the ones who got away will come forth to speak out when they realize what

happened to them. A couple of them were later taken out in the barrack's bombing but the ones who were "silenced under threat" will come forward as Hayles and others speak out. America--you can no longer keep your silence for your very beings are being murdered as the Elite Antichrist makes a final assault to take your world.

I suggest you barrage CBS-"60 MINUTES" with letters (not post-cards which can be read--but sealed envelopes with letters) marked TO: LT. COL. RALPH HAYLES [FORWARD]. *This young man needs support of you-the-people and to know that he is not alone. Then, I ask that someone from my crew get a transcript of that portion of "60 MINUTES" for my use. Thank you.*

On this day as staunch men stand at the memorials of fallen comrades (while at the same time Baker plies Cambodia for TRADE AND BUSINESS RENEWAL FACILITIES), and weep as if their souls are in torment--think about that which has fallen upon your world. How many fine men have fought and died, murdered and destroyed their lives to fight in the sick and useless wars for the Elite Bankers? If your own soul does not weep and cry out for justice, then we are hopeless and helpless to change this world about. There are still prisoners of war and missing-in-action soldiers still in prison--without hope of return--in Laos, Cambodia and Viet Nam. It is hard for me to understand HOW you sleep at night while these bastard thieves run loose. So be it.

Pharisees-Evil brood

11/11/91 #1 HATONN

I have a return of inquiries: "I missed something, who are the Pharisees as used by you in recent writings?" Most all, except the unindoctrined children, know who the Pharisees were in the Biblical "times". They were the "evil brood" then and they are the "evil brood" now. The Pharisees are members of an ancient Jewish cult (sect) that accepted the Mosaic and then the Zionist Talmudic law as well as the oral traditions and rituals associated with it, and emphasizing strict attention to the rituals of

most saddened, however, by the ones who "hit and run". If you "hit" that is fine--but to run that you might avoid confronting the response--is quite foolish on your own part. atonement, i.e., Kol Nidre (Vow of All Vows). These are considered "formal", sanctimonious, hypocritical persons who were denounced in the time of Emmanuel by Emmanuel.

You must bring into consideration that the Pharisees have started most of your wars to help kill off "Christians" and other "believing" groups and gain other things for themselves. You see, there MUST be confusion and wars in the illusion--the general people do not realize that Christianity is but a branch of the Pharisean guidelines as well. But let us consider more recent times when memories can still be recalled by "living" minds. For instance World War I and World War II, and your sequential smaller wars and non-declared wars must be looked at. The "Pharisees" set up the League of Nations at the time of WW I but it failed. They had to bring about WW II, so they could set up their United Nations, which is their world police state which will help give them complete control and make slaves out of the entire world. There had to be a "headquarters" from which to deceive the populace in a massive way under the guise of world peace.

(How much peace have you witnessed since their structuring?)

It was in 1945 that the U.S.A. signed the United Nations Charter--overriding the Constitution and making you a servant, as a nation, to the United Nations and no longer the united states of America. At that time you lost your sovereignty, and became just a part of this United Nations over which you have no control at all, as it is controlled by a small group of "Pharisees", and is the law of force. In 1913 the Pharisees established, in your country, the Federal Reserve CORPORATION (privately owned--not Federal) which is not a branch of your government but as stated above, is privately owned by them, and in which they make money. Since 1913 they have profited on this up into the BILLIONS of dollars. They completely control big businesses, which includes the labor organizations, and also all radio and television, and their programs are thrust solely toward the influencing of the thinking and belief systems of all men and women--and especially the children.

As I was speaking prior to this of British Israel I should have pointed

out more clearly that Political Zionism was hidden in the secret base in Britain in the form of Freemasonry--which, of course you all know, was established in Britain. It claims there is to be a "NEW AGE" and this is perhaps their way of saying "KINGDOM OF GOD ON EARTH" since Pharisaim promotes this by way of premillennial preachers and teachers. This, of course, makes Masonry also "Pharisaic". This was undisputed through the ages--until now that we bring attention to these hypocrisies and cause the evil gnats to squirm in their hidden dens. The secret chambers and rituals, not to mention the "priests" thereof, shrink in the light of attention. The lineup of facts speak for themselves regarding the historical truth of this writing for British Israel World Federation is Pharisaim and Pharisaim is Masonry and Masonry then becomes controller of the world, then you already have a world Pharisee order. "A rose by any other name is yet a rose!"

I suggest you who do not understand these connections get a book,

if you can locate it, called INTERPRETATION OF FREEMASONRY, by Martin L. Wagner. Moreover, do not take exception to this commentary if you are a Mason of a "club" which does "good" in your community! How could you know that the establishers of the "order" were evil in intent and eventually planned to rule the world? This is a part of **THE DECEPTION** and how could you possibly know these things for you will NEVER be told truth in any of the media and the books regarding the matter are destroyed along with their authors. It is clearly seen that while masonry pretends religious neutralism, it is promoting its own "devil religion" which is to become the universal religion. Masonry being set up by Pharisism has gained world power and controls all political parties and ideologies, but keeps everyone unaware that they do this and how they do it. Masonry is NOT an innocent brotherhood as its many dupes suppose for it works every angle or phase of World Revolution for the Pharisees. You who are members of that group and have worked your way through the "degrees" recall your "vows" and recall your rituals. Did they not have to do with death and secrecy? If they did NOT, then your group will be disciplined and discarded as not following the proper instructions--now, I suggest you members be HONEST in your appraisal of some of those rituals! I know, you "...thought it was sort of 'in fun' and didn't REALLY mean anything." So be it.

Remember that the Pharisees and the so-called "Jews" are two words applying to one people, and they promote an earthly kingdom (premillennialism) and set up organizations which help spread their religion of a kingdom of God on Earth. The Bible teaches that

off the edge of the cliff and into the fire of hatred and assault because we present Truth--but it shall be given and God WILL protect you for the soul is of God and cannot be

Christ has already established His kingdom of God which is "*spiritual*", never to be on Earth, and that He now reigns in heaven from His Throne. When He returns it will be to "judge" the people, and frankly, sort out the present world which may well be in destruction, taking His people unto safety into the places He has prepared to receive them.

The Pharisees' idea, of course, is to get you to believe that there are really JEWS there in your midst, so you may give your thoughts to them and not realize that the Pharisees (also called Khazar Zionists) are there doing their conspiring against goodness and God's doctrines. They appeal to the conservative so they bring in a few Truths, but they will NEVER mention kingdom of God or premillennialism and this is the way you can check their stories for Truth. The Jew Baiters promote the Jews as real, and you hear that Russia may take you over someday and all that, but if you look closely it will be the Communist thrust of the Khazar Zionists behind the facade--EVERY TIME.

It was the British Pharisees that took over Russia many years past, and many people were killed at that time. The Pharisees intend to blame everybody, anybody or the Russians for many things, but especially for setting up Communism--which they themselves established. (Of course this "communism" is not--and it is pure Zionist Socialism in its most heinous form of conspiracy and debauchery.) Under this "idealistic" facade it assists them in their plot to gain world rule--for if people can be taught that all would be fine under one ruler then the lambs move easily to the slaughter. You, of course, are the lambs in point! For if you are one of the Pharisee "JEWS" reading this document, you will shred and burn it--again proving the Truth of the message!!!

slain and God has promised TRUTH unto His creations in this day of chaos. It is our mission to pull that which has been given into central volumes and then our mission is worthy. Fear has no place in the LOVE OF GOD.

In the following writings we will bring together irrefutable evidence that the allegation that some 6 million Jews died during the Second World War, as a direct result of an official German policy of extermination, is utterly unfounded. This conclusion, admittedly an unpopular one to say the least, results from investigations by ones who originally thought themselves to be proving the fact that THERE WAS truth in the original claim. This information is all already on your place and suppressed just as it is being outlawed to even hold a variance of opinion regarding the matter.

I believe that as we present the next writings, you will be convinced that beyond any doubt the allegation is not merely an exaggeration *but an invention of post-war propaganda to gain specific ends.*

Of course, atrocity propaganda is nothing new. It has accompanied every conflict throughout the ages and especially within the so-called 20th century. Doubtlessly it will continue.

During the First World War, the Germans were actually accused of "eating" Belgian babies, as well as delighting to throw them in the air and transfix them on bayonets. The British also alleged that the German forces were operating a "Corpse Factory", in which they boiled down the bodies of their own dead in order to obtain glycerine and other commodities, a calculated insult to the honor of an Imperial army. After the war, however, came the retractions; indeed, a public statement was made by the Foreign Secretary in the House of Commons apologizing for the insults to German honor, which were admitted to be war-time propaganda.

No such statements have been made

after the Second World War. Even with the Katan Forest massacres the truth was not admitted about the Soviets UNTIL the original story was uncovered as a lie. In fact, rather than diminish with the passage of years, the atrocity propaganda concerning the German occupation, and in particular their treatment of the Jews, has done nothing but increase in virulence and elaborate its catalogue of horrors. Each year more and new violent films are produced and the shout of "never forget", etc., rings from the airwaves and through the controlled media and press. Gruesome paperback books with lurid covers continue to roll from the presses, adding continuously to a growing mythology of the concentration camps and especially to the story that no less than Six Million Jews were exterminated in them. The ensuing pages will reveal this claim to be the most colossal piece of fiction and the most successful of deceptions; but here an attempt may be made to answer an important question: What has rendered the atrocity stories of the Second World War so uniquely different from those of the First? Why were the latter retracted while the former are reiterated louder than ever? Is it possible that the story of the Six Million Jews is serving a political purpose, even that it is a form of political BLACKMAIL?

JEWISH BENEFIT

So far as the Khazarian Zionists "Jewish" people themselves are concerned, the deception has been an incalculable benefit--and therefore, it must be considered as quite possibly "calculated" as you would investigate in any objective investigative procedure. Every conceivable race and nationality had its share of suffering in the Second World War, but none has so successfully elaborated it and turned it to such great advantage. The alleged extent of their persecution quickly aroused sympathy for the Jewish national homeland they had sought for so long; after the War

MILLIONS?, continued from

the British Government did little to prevent Jewish emigration to Palestine which they had declared illegal, and it was not long afterwards that the Zionists wrested from the Government the land of Palestine and created their haven from persecution, the State of Israel. Indeed, it is a remarkable fact that the Jewish people emerged from the Second World War as nothing less than a triumphant minority. Dr. Max Nussbaum, the former chief rabbi of the Jewish community in Berlin, stated on April 11, 1953, "*The position the Jewish people occupy today in the world--despite the enormous losses--is ten times stronger than what it was twenty years ago.*"

It should be added, if one is to be honest, that this strength has been much consolidated financially by the supposed massacre of the Six Million, undoubtedly the most profitable atrocity allegation of all time. To date, the staggering figure of six thousand million pounds has been paid out in compensation by the Federal Government of West Germany, mostly to the State of Israel (which did NOT even EXIST during the Second World War), as well as to individual Jewish claimants.

DISCOURAGEMENT OF NATIONALISM

In terms of political blackmail, however, the allegation that Six Million Jews died during the Second World War has much more far-reaching implications for the people of Britain and Europe than simply the advantages it has gained for the Jewish nation. And here one comes to the crux of the question: Why the Big Lie? What is its purpose? In the first place, it has been used quite unscrupulously to discourage any form of nationalism. Should the people of Britain or any other European country attempt to assert their patriotism and preserve their national integrity in an age when the very existence of nation-states is threatened, they are immediately branded as "neo-Nazis". Because, of course, Nazism was nationalism, and you all know what happened then--Six Million Jews were exterminated!

So long as the myth is perpetuated, peoples everywhere will remain in bondage to it; the need for international tolerance and understanding will be hammered home by the United Nations until nationhood itself, the very guarantee of freedom, is abolished.

A classic example of the Use of the "Six Million" as an anti-national weapon appears in Manvell and Frankl's book, THE INCOMPATIBLE CRIME (London, 1967), which deals with "Genocide in the Twentieth Century". Anyone with a pride in being British will be somewhat surprised by the vicious attack made on the British Empire in this book. The authors quote Pandit Nehru, who wrote the following while in a British prison in India: "Since Hitler emerged from obscurity and became the Fuhrer of Germany, we have heard a great deal about racialism and the Nazi theory of the 'Herrenvolk'...But we in India have known racialism in all its forms ever since the commencement of British rule. The whole ideology of this rule was that of the 'Herrenvolk' and the master race...India as a nation and Indians as individuals were subjected to insult, humiliation and contemptuous treatment. The English were an imperial race, we were told, with the God-given right to govern us and keep us in subjection; if we protested we were reminded of the 'tiger qualities of an imperial race'." The authors Manvell and Frankl then go on to make the point perfectly clear for us: "The white races of Europe and America," they write, "have become used during centuries in regarding themselves as a 'herrenvolk.'" The twentieth century, the century of Auschwitz, has also achieved the first state in the recognition of multi-racial partnership" (ibid..p.14).

THE RACE PROBLEM SUPPRESSED

One could scarcely miss the object of this diatribe, with its insidious hint about "multi-racial partnership". Thus the accusation of the Six Million is not only used to undermine the principle of nationhood and national pride, but it threatens the survival of the Race itself. It is wielded over the heads of the pop-

ulace, rather as the threat of hellfire and damnation was in the Middle Ages. Many countries of the Anglo-Saxon world, notably Britain and America, are today facing the gravest danger in their history, the danger posed by the alien races in their midst. Unless something is done in Britain to halt the immigration and assimilation of Africans and Asians into their country, they are faced in the near future, quite apart from the bloodshed of racial conflict, with the biological alteration and destruction of the British people as they have existed since the coming of the Saxons. In short, they are threatened with the irrecoverable loss of their European culture and racial heritage. But what happens if a man dares to speak of the race problem, of its biological and political implications? He is branded as that most heinous of creatures, a "racialist" and an "anti-Semite". And what is racialism, of course, but the very hallmark of the Nazi! They [so everyone is told, anyway] murdered Six Million Jews because of racialism, so it must be a very evil thing indeed. When Enoch Powell drew attention to the dangers posed by colored immigration into Britain in one of his early speeches, a certain prominent Socialist raised the specter of Dachau and Auschwitz to silence his presumption.

Thus any rational discussion of the problems of Race and the effort to preserve racial integrity is effectively discouraged. No one could have anything but stunned disbelief for the way in which the Jews have sought to preserve their so-called race through so many centuries, and continue to do so today. This is because the very ones in point have no idea that they are set-up for "the game" and any "Jew" who disagrees will be the first sacrificed (murdered). The average "so-called" Jew of today has not the vaguest idea that he is a product of political Zionism and not a "race" of man. Those who DO come to realize this are now labelled with other area names and hidden traditions to avoid discovery and "marking". The marking comes not from the neighbors and populace but from the Zionists themselves.

In an effort to "survive" they have

frankly been assisted by this story of Six Million, which, almost like a religious myth, has stressed the need for greater Jewish racial solidarity. Unfortunately, it has worked in quite the opposite way for all other peoples, rendering them impotent in the struggle for self-preservation.

The aim in the following pages is quite simply to tell the Truth. The distinguished American historian, Harry Elmer Barnes, once wrote that "An attempt to make a competent, objective and truthful investigation of the extermination question...is surely the most precarious venture that an historian or demographer could undertake today." In attempting this precarious task, it is hoped to make some contribution, not only to historical truth, but towards lifting the burden of a Lie from your own shoulders, so that you may freely confront the dangers which threaten you all.

PRIOR TO THE WAR

(POLICY OF THE GERMANS TOWARDS THE JEWS)

Rightly or wrongly, the Germany of Adolf Hitler considered the Jews to be a disloyal and avaricious element within the national community, as well as a force of decadence in Germany's cultural life. This was held to be particularly unhealthy since, during the Weimar period, the Jews had risen to a position of remarkable strength and influence in the nation, particularly in law, finance and the mass media, even though they constituted only 5 per cent of the population. The fact that Karl Marx was a Jew and that Jews such as Rosa Luxembourg and Karl Liebknecht were disproportionately prominent in the leadership of revolutionary movements in Germany, also tended to convince the Nazis of the powerful internationalist and Communist tendencies of the Jewish people themselves.

It is no part of the discussion here to argue whether the German attitude to the Jews was right or not, or to judge whether its legislative measures against them were just or unjust. Our concern

Please see **MILLIONS?**, next page

MILLIONS?, continued from
previous page

is simply with the fact that, believing of the Jews as they did, the Nazis' solution to the problem was to deprive them of their influence within the nation by various legislative acts, and most important of all, to encourage their emigration from the country altogether. By 1939, the great majority of German Jews had emigrated, all of them with a sizeable proportion of their assets. Never at any time had the Nazi leadership even contemplated a policy of genocide towards them.

JEWES CALLED EMIGRATION "EXTERMINATION"

It is very significant, however, that certain Jews were quick to interpret these policies of internal discrimination as equivalent to extermination itself. A 1936 anti-German propaganda book by Leon Feuchtwanger and others entitled *Der Gelbe Fleck: Die Ausrottung von 500,000 deutschen Juden* [The Yellow Spot: The Extermination of 500,000 German Jews, Paris, 1936], presents a typical example. Despite its baselessness in fact, the annihilation of the Jews is discussed from the first pages--straightforward emigration being regarded as the physical "extermination" for German Jewry. The Nazi concentration camps for political prisoners are also seen as potential instruments of genocide, and special reference is made to the 100 Jews still detained in Dachau in 1936, of whom 60 had been there since 1933. A further example was the sensational book by the German-Jewish Communist, Hans Beimler, called *Four Weeks in the hands of Hitler's hell-Hounds: The Nazi Murder Camp of Dachau*, which was published in New York as early as 1933. Detained for his Marxist affiliations, he claimed that Dachau was a death camp, though by his own admission he was released after only a month there. The present regime in East Germany issues a Hans Beimler Award for services to Communism.

The fact that anti-Nazi genocide propaganda was being disseminated at this impossibly early date, therefore, by people biased on racial or political grounds,

should suggest extreme caution to the independent-minded observer when approaching similar stories of the war period.

The encouragement of Jewish emigration should not be confused with the purpose of the concentration camps in pre-war Germany. These were used for the detention of political opponents and subversives--principally liberals, Social Democrats and Communists of all kinds, of whom a proportion were Jews such as Hans Beimler. Of course this was heinous, I make no note of any comment as to "rightness" of these actions but I am setting the record straight as to the "difference" of reasons for the various incidents and circumstances. Unlike the millions enslaved in the Soviet Union, the German concentration camp population was always quite small; Reitlinger admits that between 1934 and 1938 it seldom exceeded 20,000 throughout the whole of Germany, and the number of Jews was never more than 3,000. [The S.S.: Alibi of a Nation, London, 1956, p. 253.]

ZIONIST POLICY STUDIED

The Nazi view of Jewish emigration was not limited to a negative policy of simple expulsion, but was formulated along the lines of modern Zionism. The founder of political Zionism in the 19th century, Theodore Herzl, in his work *THE JEWISH STATE* (please read that sentence again--Jewish (18th century) Zionism (19th century), had originally conceived of Madagascar as a national homeland for the Jews, and this possibility was seriously studied by the Nazis. It had been a main plank of the National Socialist party platform before 1933 and was published by the party in pamphlet form. This stated that the revival of Israel as a Jewish state was much less acceptable since it would result in perpetual war and disruption in the Arab world, which has indeed been the case. The Germans were not original in proposing Jewish emigration to Madagascar; the Polish Government had already considered the scheme in respect of their Jewish population, and in 1937 they sent the Michael Lepecki expedition to

Madagascar, accompanied by Jewish representatives, to investigate the problems involved.

The first Nazi proposals for the Madagascar solution were made in association with the Schacht Plan of 1938. On the advice of Goering, Hitler agreed to send the President of the Reichsbank, Dr. Hjalmar Schacht, to London for discussions with Jewish representatives Lord Bearsted and Mr. Rublee of New York (cf. Reitlinger, *The Final Solution*, London, 1953, p. 20). The plan was that German Jewish assets would be frozen as security for an international loan to finance Jewish emigration to Palestine, and Schacht reported on these negotiations to Hitler at Berchtesgaden on January 2, 1939. The plan, which failed due to British refusal to accept the financial terms, was first put forward on November 12, 1938 at a conference convened by Goering, who revealed that Hitler was already considering the emigration of Jews to a settlement in Madagascar (ibid. p. 21). Later, in December, Ribbentrop was told by M. Gorges Bonnet, the French Foreign Secretary, that the French Government itself was planning the evacuation of 10,000 Jews to Madagascar.

Prior to the Schacht Palestine proposals of 1938, which were essentially a protraction of discussions that had begun as early as 1935, numerous attempts had been made to secure Jewish emigration to other European nations, and these efforts culminated in the Evian Conference of July 1938. However, by 1939 the scheme of Jewish emigration to Madagascar had gained the most favor in German circles. It is true that in London Helmuth Wohltat of the German Foreign Office discussed limited Jewish emigration to Rhodesia and British Guiana as late as April 1939; but by January 24th, when Goering wrote to Interior Minister Frick ordering the creation of a Central Emigration Office for Jews, and commissioned Heydrich of the Reich Security Head Office to solve the Jewish problem "by means of emigration and evacuation", the Madagascar Plan was being studied in earnest.

By 1939, the consistent efforts of the German Government to se-

cure the departure of Jews from the Reich had resulted in the emigration of 400,000 German Jews from a total population of about 600,000, and an additional 480,000 emigrants from Austria and Czechoslovakia, which constituted almost their entire Jewish populations. This was accomplished through Offices of Jewish Emigration in Berlin, Vienna and Prague established by Adolf Eichmann, the head of the Jewish Investigation Office of the Gestapo. So eager were the Germans to secure this emigration that Eichmann even established a training center in Austria, where young Jews could learn farming in anticipation of being smuggled illegally to Palestine (Manvell & Frankl, *S.S. AND GESTAPO*, p. 60). Had Hitler cherished any intention of exterminating the Jews, it is inconceivable that he would have allowed more than 800,000 to leave Reich territory with the bulk of their wealth, much less considered plans for their mass emigration to Palestine or Madagascar. What is more, we shall see that the policy of emigration from Europe was still under consideration well into the war period, notably the Madagascar Plan, which Eichmann discussed in 1940 with French Colonial Office experts after the defeat of France had made the surrender of the colony a practical proposition.

GERMAN POLICY TOWARDS THE JEWS AFTER THE OUTBREAK OF WAR

With the coming of the war, the situation regarding the Jews altered drastically. It is not widely known that world Jewry declared itself to be a belligerent party in the Second World War, and there was therefore ample basis under international law for the Germans to intern the Jewish population as a hostile force. On September 5, 1939, Chaim Weizmann, the principal Zionist leader, had declared war against Germany on behalf of the world's Jews, stating that "the Jews stand by Great Britain and will fight on the side of the democracies...The Jewish Agency is ready to enter into immediate arrangements for utilizing

Jewish manpower, technical ability, resources etc...." (*Jewish Chronicle*, Sept. 8, 1939).

DETENTION OF ENEMY ALIENS

All Jews had thus been declared agents willing to prosecute a war against the German Reich, and as a consequence, Himmler and Heydrich were eventually to begin the policy of internment. It is worth noting that the United States and Canada had already interned all Japanese aliens and citizens of Japanese descent in detention camps before the Germans applied the same security measures against the Jews of Europe. Moreover, there had been no such evidence or declaration of disloyalty by these Japanese Americans as had been given by Weizmann. The British, too, during the Boer War, interned all the women and children of the population, and thousands had died as a result, yet in no sense could the British be charged with wanting to exterminate the Boers.

The detention of Jews in the occupied territories of Europe served two essential purposes from the German viewpoint. The first was to prevent unrest and subversion; Himmler had informed Mussolini on October 11th, 1942, that German policy towards the Jews had altered during wartime entirely for reasons of military security. He complained that thousands of Jews in the occupied regions were conducting partisan warfare, sabotage and espionage, a view confirmed by official Soviet information given to Raymond Arthur Davis that no less than 35,000 European Jews were waging partisan war under Tito in Yugoslavia. As a result, Jews were to be transported to restricted areas and detention camps, both in Germany, and especially after March 1942 in the Government-General of Poland.

As the war proceeded, the policy developed of using Jewish detainees for labor in the war-effort. The question of labor is fundamental when considering the alleged plan of genocide against the Jews, for on grounds of logic alone the latter would en-

tail the most senseless waste of manpower, time and energy while prosecuting a war of survival on two fronts. Certainly after the attack on Russia, the idea of compulsory labor had taken precedence over German plans for Jewish emigration. The protocol of a conversation between Hitler and the Hungarian regent Horthy on April 17th, 1943, reveals that the German leader personally requested Horthy to release 100,000 Hungarian Jews for work in the "pursuit-plane program" of the Luftwaffe at a time when the aerial bombardment of Germany was increasing (Reitlinger, DIE ENDLOSUNG, Berlin, 1945, p. 478). This took place at a time when, supposedly, the Germans were already seeking to exterminate the Jews, but Hitler's request clearly demonstrates the priority aim of expanding his labor force.

In harmony with this program, concentration camps became, in fact, industrial complexes. At every camp where Jews and other nationalities were detained, there were large industrial plants and factories supplying material for the German war-effort--the Buna rubber factory at Bergen-Bergen, for example, Buna and I.G. Farben Industrie (Uh-oh--"Farben" again!) at Auschwitz, and the electrical firm of Siemens (oops!) at Ravensbruck (dear ones, these are Jewish!). In many cases, special concentration camp money notes were issued as payment for labor, enabling prisoners to buy extra rations from camp shops. The Germans were determined to obtain the maximum economic return from the concentration camp system, an object wholly at variance with any plan to exterminate millions of people in them. It was the function of the S.S. Economy and Administration Office, headed by Oswald Pohl, to see that the concentration camps became major industrial producers.

EMIGRATION STILL FAVORED

It is a remarkable fact, however, that well into the war period, the Germans continued to implement the policy of Jewish emigration. The fall of France in 1940 enabled the German Government to open serious negotiations with the French

for the transfer of European Jews to Madagascar. A memorandum of August 1942 from Luther, Secretary-of-State in the German Foreign Office, reveals that he had conducted these negotiations between July and December 1940 when they were terminated by the French. A circular from Luther's department dated August 15th, 1940 shows that the details of the German plan had been worked out by Eichmann, for it is signed by his assistant, Dannecker. Eichmann had, in fact, been commissioned in August to draw up a detailed Madagascar Plan and Dannecker was employed in research on Madagascar at the French Colonial Office (Reitlinger, THE FINAL SOLUTION, p. 77). The proposals of August 15th were that an inter-European bank was to finance the emigration of four million Jews throughout a phased program. Luther's 1942 memorandum shows that Heydrich had obtained Himmler's approval of this plan before the end of August and had also submitted it to Goering. It certainly met with Hitler's approval, for as early as June 17th his interpreter, Schmidt, recalls Hitler observing to Mussolini that "One could found a State of Israel in Madagascar" (Schmidt, HITLER'S INTERPRETER, London, 1951, p. 178).

Although the French terminated the Madagascar negotiations in December, 1940, Poliakov, the director of the Center of Jewish Documentation in Paris, admits that the Germans nevertheless pursued the scheme, and that Eichmann was still busy with it throughout 1941. Eventually, however, it was rendered impractical by the progress of the war, in particular by the situation after the invasion of Russia, and on February 10th, 1942, the Foreign Office was informed that the plan had been temporarily shelved. This ruling, sent to the Foreign Office by Luther's assistant, Rademacher, is of great importance, because it demonstrates conclusively that the term "Final Solution" meant only the emigration of Jews, and also that transportation to the eastern ghettos and concentration camps such as Auschwitz constituted nothing but an alternative plan of evacuation. The directive reads: "*The war with the Soviet Union has in the meantime created the possibility of*

disposing of other territories for the Final Solution. In consequence the Fuhrer has decided that the Jews should be evacuated not to Madagascar but to the East. Madagascar need no longer therefore be considered in connection with the Final Solution" (Reitlinger, *ibid.* p. 79). The details of this evacuation had been discussed a month earlier at the Wannsee Conference in Berlin, which we shall examine below.

Reitlinger and Poliakov both make the entirely unfounded supposition that because the Madagascar Plan had been shelved, the Germans must necessarily have been thinking "extermination". Only a month later, however, on March 7th, 1942, Goebbels wrote a memorandum in favor of the Madagascar Plan as a "final solution" of the Jewish question (Manvell & Frankl, DR. GOEBBELS, London, 1960, p. 165). In the meantime he approved of the Jews being "concentrated in the East". Later Goebbels memoranda also stress deportation to the East (i.e., the Government-General of Poland) and lay emphasis on the need for compulsory labor there; once the policy of evacuation to the East had been inaugurated, the use of Jewish labor became a fundamental part of the operation. It is perfectly clear from the foregoing that the term "Final Solution" was applied both to Madagascar and to the Eastern territories, and that therefore it meant only the deportation of the Jews.

Even as late as May 1944, the Germans were prepared to allow the emigration of one million European Jews from Europe. An account of this proposal is given by Alexander Weissberg, a prominent Soviet Jewish scientist deported during the Stalin purges, in his book DIE GESCHICHTE VON JOEL BRAND (Cologne, 1956). Weissberg, who spent the war in Cracow though he expected the Germans to intern him in a concentration camp, explains that on the personal authorization of Himmler, Eichmann had sent the Budapest Jewish leader Joel Brand to Istanbul with an offer to the Allies to permit the transfer of one million European Jews in the

Please see MILLIONS?, next page

MILLIONS?, continued from previous page

midst of the war. (If the "extermination" writers are to be believed, there were scarcely one million Jews left by May, 1944). The Gestapo admitted that the transportation involved would greatly inconvenience the German war-effort, but were prepared to allow it in exchange for 10,000 trucks to be used exclusively on the Russian front. Unfortunately, the plan came to nothing; the British concluded that Brand must be a dangerous Nazi agent and immediately imprisoned him in Cairo, while the Press denounced the offer as a Nazi trick. Winston Churchill, though orating to the effect that the treatment of the Hungarian Jews was probably "the biggest and most horrible crime ever committed in the whole history of the world," nevertheless told Chaim Weizmann that acceptance of the Brand offer was impossible since it would be a betrayal of his Russian Allies. Although the plan was fruitless, it well illustrates that no one allegedly carrying out "thorough" extermination would permit the emigration of a million Jews, and it demonstrates, too, the prime importance placed by the Germans on the war-effort.

POPULATION AND EMIGRATION

Statistics relating to Jewish populations are not everywhere known in precise detail, approximations for various countries differing widely, and it is also unknown exactly how many Jews were deported and interned at any one time between the years 1939-1945. In general, however, what reliable statistics there are, especially those relating to emigration, are sufficient to show that not a fraction of six million Jews could have been exterminated.

In the first place, this claim cannot remotely be upheld on examination of the European Jewish population figures. According to CHAMBERS ENCYCLOPEDIA the total number of Jews living in pre-war Europe was some 6,500,000. Quite clearly, this would mean that almost the entire number were exterminated. But the *Baseler*

Nachrichten, a neutral Swiss publication employing available Jewish statistical data, establishes that between 1933 and 1945, 1,500,000 Jews emigrated to Britain, Sweden, Spain, Portugal, Australia, China, India, Palestine and the United States. This is confirmed by the Jewish journalist Bruno Blau, who cites the same figure in the New York Jewish paper *Aufbau*, August 13th, 1948. Of these emigrants, approximately 400,000 came from Germany before September 1939. This is acknowledged by the World Jewish Congress in its publication UNITY IN DISPERSION (p. 377), which states that: "The majority of the German Jews succeeded in leaving Germany before the war broke out." In addition to the German Jews, 220,000 of the total 280,000 Austrian Jews had emigrated by September, 1939, while from March 1939 onwards the Institute for Jewish Emigration in Prague had secured the emigration of 260,000 Jews from former Czechoslovakia. In all, only 360,000 Jews remained in Germany, Austria and Czechoslovakia after September 1939. From Poland, an estimated 500,000 had emigrated prior to the outbreak of war. These figures mean that the number of Jewish emigrants from other European countries (France, the Netherlands, Italy, the countries of eastern Europe, etc.) was approximately 120,000.

This exodus of Jews before and during hostilities, therefore, reduces the number of Jews in Europe to about 5,000,000. In addition to these emigrants, you must also include the number of Jews who fled to the Soviet Union after 1939, and who were later evacuated beyond reach of the German invaders. It will be shown below that the majority of these, about 1,250,000 were migrants from Poland. But apart from Poland, Reitlinger admits that 300,000 other European Jews slipped into Soviet territory between 1939 and 1941. This brings the total of Jewish emigrants to the Soviet Union to about 1,550,000. In *Colliers* magazine, June 9th, 1945, Freiling Foster, writing of the Jews in Russia, explained: "2,200,000 have migrated to the Soviet Union since 1939 to escape from the Nazis." But the lower estimate is probably more ac-

curate.

Jewish migration to the Soviet Union, therefore, reduces the number of Jews within the sphere of German occupation to around 3 1/2 million, about 3,450,000. From these should be deducted those Jews living in neutral European countries who escaped the consequences of the war. According to the 1942 WORLD ALMANAC p. 594), the number of Jews living in Gibraltar, Britain, Portugal, Spain, Sweden, Switzerland, Ireland and Turkey was 413,128.

3 MILLION JEWS IN EUROPE

A figure, consequently, of about 3 million Jews in German-occupied Europe is as accurate as the available emigration statistics will allow. Approximately the same number, however, can be deduced in another way if you examine statistics for the Jewish population remaining in countries occupied by the Reich. More than half of those Jews who migrated to the Soviet Union after 1939 came from Poland. It is frequently claimed that the war with Poland added some 3 million Jews to the German sphere of influence and that almost the whole of this Polish Jewish population was "exterminated". This is a major factual error. The 1931 Jewish population census for Poland put the number of Jews at 2,732,600 (Reitlinger, DIE ENDLOSUNG, p. 36). Reitlinger states that at least 1,170,000 of these were in the Russian zone occupied in the autumn of 1939, about a million of whom were evacuated to the Urals and south Siberia after the German invasion of June 1941 (*ibid.* p. 50). As described above, an estimated 500,000 Jews had emigrated from Poland prior to the war. Moreover, the journalist Raymond Arthur Davis, who spent the war in the Soviet Union, observed that approximately 250,000 had already fled from German-occupied Poland to Russia between 1939 and 1941 and were to be encountered in every Soviet province (ODYSSEY THROUGH HELL, N.Y., 1946). Subtracting these figures from the population of 2,732,600, therefore, and allowing for the normal population increase, no more than

1,100,000 Polish Jews could have been under German rule at the end of 1939. (GUTACHEN DES INSTITUTS FUR ZEITGESCHICHTE, Munich, 1956, p. 80).

To this number we may add the 360,000 Jews remaining in Germany, Austria and former Czechoslovakia (Bohemia-Moravia and Slovakia) after the extensive emigration from those countries prior to the war described above. Of the 320,000 French Jews, the Public Prosecutor representing that part of the indictment relating to France at the Nuremberg Trials, stated that 120,000 Jews were deported, though Reitlinger estimates only about 50,000. Thus the total number of Jews under Nazi rule remains below two million. Deportations from the Scandinavian countries were few, and from Bulgaria none at all. When the Jewish populations of Holland (140,000), Belgium (40,000), Italy (50,000), Yugoslavia (55,000), Hungary (380,000) and Rumania (720,000) are included, the figure does not much exceed 3 million. This excess is due to the fact that the latter figures are pre-war estimates unaffected by emigration, which from these countries accounted for about 120,000 (see above). This cross-checking, therefore, confirms the estimate of approximately 3 million European Jews under German occupation.

RUSSIAN JEWS EVACUATED

The precise figures concerning Russian Jews are unknown, and have therefore been the subject of extreme exaggeration. The Jewish statistician Jacob Leszczynski states that in 1939 there were 2,100,000 Jews living in future German-occupied Russia, i.e., western Russia. In addition, some 260,000 lived in the Baltic states of Estonia, Latvia and Lithuania. According to Louis Levine, President of the American Jewish Council for Russian Relief, who made a post-war tour of the Soviet Union and submitted a report on the status of Jews there, the majority of these numbers were evacuated east after the German armies

launched their invasion. In Chicago, on October 30, 1946, he declared that: "At the outset of the war, Jews were amongst the first liquidation of every Jew living in Europe. And yet it is known that large numbers of Jews were alive in Europe after 1945. Philip Friedmann in THEIR BROTHER'S KEEPERS (N.Y., 1957, p. 13), states that "at least a million Jews survived in the very crucible of the Nazi hell", while the official figure of the Jewish Joint Distribution Committee is 1,559,600. Thus, even if one accepts the latter estimate, the number of possible wartime Jewish deaths could not have exceeded a limit of one and a half million. Precisely this conclusion was reached by the reputable journal *BASELER NACHRICHTEN* of neutral Switzerland. In an article entitled "Wie hoch ist die Zahl der jüdischen Opfer?" ("How high is the number of Jewish victims?", June 13th, 1946), it explained that purely on the basis of the population and emigration figures described above, a maximum of only one and a half million Jews could be numbered as casualties. Later on, however, it will be demonstrated conclusively that the number was actually far less, for the *Baseler Nachrichten* accepted the Joint Distribution Committee's figure of 1,559,600 survivors after the war, but you shall see that the number of claims for compensation by Jewish survivors is more than double that figure. This information was not available to the Swiss in 1946.

TODAY'S WATCH

Dharma, since we are so pressed for time this day I ask that we move right into the subject in point. The "watch" would be mundane at any rate. I note the leading news is that you have sent representatives to the Soviets to "set up a central bank for the Soviet people". The poor Soviets have to use "cash" for everything and "...the Soviet Union cannot move into a new world society unless there can be freeing of funds through loans to fund business, etc., etc., etc." Good luck, world.

Let's get back to the lie of 6 million Jews killed in a so-called Holocaust.

IMPOSSIBLE BIRTH RATE

Indisputable evidence is also provided by the post-war world Jewish population statistics. The World Almanac of 1938 gives the number of Jews in the world as 16,588,259. But after the war, the *New York Times*, Feb. 22, 1948 placed the number of Jews in the world at a minimum of 15,600,000 and a maximum of 18,700,000. Quite obviously, these figures make it impossible for the number of Jewish wartime casualties to be measured in anything but "thousands". Sixteen and a half million in 1938 minus the alleged six million leaves ten million; the *New York Times* figures would mean, therefore, that the world's Jews produced seven million births, almost doubling their numbers, in the space of ten years. This is patently ridiculous.

It would appear, therefore, that the great majority of the missing "six million" were in fact emigrants--emigrants to European countries, to the Soviet Union and the United States before, during and after the war. And emigrants also, in vast numbers to Palestine during and especially at the end of the war. After 1945, boat-loads of these

Jewish survivors entered Palestine illegally from Europe, causing considerable embarrassment to the British Government of the time; indeed so great were the numbers that the H.M. Stationery Office publication No. 190 (Nov. 5, 1946) described them as "almost amounting to a second Exodus". It was these emigrants to all parts of the world who had swollen the world Jewish population to between 15 and 18 million by 1948, and probably the greatest part of them were emigrants to the United States who entered in violation of the quota laws. On Aug. 16th, 1963 David Ben Gurion, President of Israel, stated that although the official Jewish population of America was said to be 5,600,000, "the total number would not be estimated too high at 9,000,000" (*Deutsche Wechenzeitung*, Nov. 23rd, 1963). Now, chelas, I don't care WHO you are--you cannot have it both ways but, obviously you-the-world have bitten evacuated from the western regions threatened by the Hitlerite invaders, and shipped to safety east of the Urals. Two million Jews were thus saved." This high number is confirmed by the Jewish journalist David Bergelson, who wrote in the Moscow Yiddish paper *Ainikeit*, Dec. 5th, 1942, that "thanks to the evacuation, the majority (80%) of the Jews in the Ukraine, White Russia, Lithuania and Latvia before the arrival of the Germans were rescued." Reitlinger agrees with the Jewish authority Joseph Schechtmann, who admits that huge numbers were evacuated, though he estimates a slightly higher number of Russian and Baltic Jews left under German occupation, between 650,000 and 850,000 (Reitlinger, THE FINAL SOLUTION, p. 499). In respect of these Soviet Jews remaining in German territory, it will be proved later that in the war in Russia no more than one hundred thousand persons were killed by the German Action Groups as partisans and Bolshevik commissars, not all of whom were Jews. By contrast, the partisans themselves claimed to have murdered five times that number of German troops.

'SIX MILLION' UNTRUE ACCORDING TO NEUTRAL SWISS

It is clear, therefore, that the Germans could not possibly have gained control over or exterminated anything like six million Jews. Excluding the Soviet Union, the number of Jews in Nazi-occupied Europe after emigration was scarcely more than 3 million, by no means all of whom were interned. To approach the extermination of even half of six million would have meant the liqon on all fronts and on all figures depending upon the convenient arithmetic. Now why would Ben Gurion use such nice high numbers if it were not true? Well, let's see--the reason for this high figure is underlined by Albert Maisal in his article "Our Newest Americans" (*Readers Digest*, Jan. 1957), for he reveals that "Soon after World War II, by Presidential decree, 90 per cent of all quota visas for central and eastern Europe were issued to the uprooted."

Now how about other methods of counting, etc. It seems that thousands upon thousands of names began to appear in the obituary columns and most specifically in the columns of *Aufbau*, the Jewish American weekly published in New York. Jewish emigrants to the United States subsequently changed their names. In the records, however, it had to show "formerly" XXX, as example: Arthur Kingsley [formerly Dr. Konigsberger of Frankfurt]. Could it be that some or all of these people whose names are "deceased" were included in the missing six million in Europe?

THE SIX MILLION: DOCUMENTARY EVIDENCE

From the foregoing it would seem certain that the figure of six million murdered Jews amounts to nothing more than a vague compromise between several quite baseless estimates; there is not a shred of documentary evidence for it that is trustworthy. Occasionally, writers narrow it down to give a disarming appearance of authenticity. Lord Russell of Liverpool, for example,

Please see MILLIONS?, next page

MILLIONS?, continued from previous page

in his *The Scourge of the Swastika* (London, 1954) claimed that "Not less than five million Jews died in German concentration camps," having satisfied himself that he was somewhere between those who estimated 6 million and those who preferred 4 million. But, he admitted, "*The real number will never be known.*" If so, it is difficult to know how he could have asserted "not less than five million". The Joint Distribution Committee favors 5,012,000 but the Jewish "expert" Reitlinger suggests a novel figure of 4,192,200 "missing Jews" of whom an estimated one third died of natural causes. Perhaps this "missing" and "natural causes" could be lumped in with the "Eisenhower's Death Camps" among "other losses". I shall have to later refresh your minds regarding your own "death camps" where documentation is more fully available.

At any rate the above numbers would indicate a reduction of the number deliberately "exterminated" to a "possible" 2,796,000. However, Dr. M. Perlzweig, the New York delegate to a World Jewish Congress press conference held at Geneva in 1948 stated: "The price of the downfall of National Socialism and Fascism is the fact that seven million Jews lost their lives thanks to cruel Anti-Semitism." Here again, you have this newly originated gross error in semantics. *These so-called Jews are NOT Semites!* In the Press and elsewhere, the figure is often casually lifted to eight million or sometimes even nine million. Do any of you have any concept of 9 million people? I agree that ONE is too many to be slain and moreover, how dare ones defile that ONE by lying about 6 million?? The facts are, and we have proved it, none of these figures are in the remotest degree plausible or possible, indeed, they are totally ridiculous!

FANTASTIC EXAGGERATIONS

So far as is known, the first accusation against the Germans of the mass murder of Jews in war-time Europe was made by the Polish Jew Rafael Lemkin in his book *AXIS RULE IN OCCUPIED EUROPE*, published in New York in 1943.

Somewhat coincidentally, Lemkin was later to draw up the U.N. Genocide Convention, which seeks to outlaw "racialism". His book claimed that the Nazis had destroyed millions of Jews, perhaps as many as six millions. This, by 1943, would have been remarkable indeed, since the action was allegedly started only in the summer of 1942. At such a rate, the entire world Jewish population would have been exterminated by 1945.

After the war, propaganda estimates spiraled to heights even more fantastic. Kurt Gerstein, an anti-Nazi who claimed to have infiltrated the S.S., told the French interrogator Raymond Cartier that he knew that no less than forty million concentration camp internees had been gassed. (How many of you can relate to 40 million?) In his first signed memorandum of April 26th, 1945, he reduced the figure to 25 million, but even this was too bizarre for French Intelligence and in his second memorandum, signed at Rottweil on May 4th, 1945, he brought the figure closer to the six million preferred at the Nuremberg Trials. Gerstein's sister was congenitally insane and died by euthanasia, which may well suggest a streak of mental instability in Gerstein himself but, of course, that is only pure speculation--perhaps he just couldn't count. He had, in fact, been convicted in 1936 of sending eccentric mail through the post. After his two "confessions" he hanged himself at Cherche Midi Prison in Paris--or so the story goes.

Gerstein alleged that during the war he passed on information concerning the murder of Jews to the Swedish Government through a German baron, but for some inexplicable reason his report was "filed away and forgotten". He also claimed that in August 1942 he informed the Papal nuncio in Berlin about the whole "extermination Program", but the reverend person merely told him to "Get out". The Gerstein statements abound with claims to have witnessed the most gigantic mass executions (twelve thousand in a single day at Belzec), while the second memorandum describes a visit by Hitler to a concentration camp in Poland on June 6th, 1942 which is known never to

have taken place. Shades of "October Surprise"!

Gerstein's fantastic exaggerations have done little but discredit the whole notion of mass extermination. Indeed, the Evangelical Bishop Wilhelm Dibelius of Berlin denounced his memoranda as "Untrustworthy" (H. Rothfels, "Augenzeugenbericht zu den Massenvergasungen" in *Vierteljahrshefte für Zeitgeschichte*, April 1955). This is only important because Gerstein was "one of them". It is an incredible fact, however, that in spite of this denunciation, the German Government in 1955 issued an edition of the second Gerstein memorandum for distribution in German schools (*Dokumentation zur Massenvergasung*, Bonn, 1955). In it they stated that Dibelius placed his special confidence in Gerstein and that the memoranda were "valid beyond any doubt". This is a striking example of the way in which the baseless charge of genocide by the Nazis is perpetuated in Germany, and directed especially to the youth.

The story of six million Jews exterminated during the war was given final authority at the Nuremberg Trials by the statement of Dr. Wilhelm Hoettl. He had been an assistant of Eichmann's, but was in fact a rather strange person in the service of American Intelligence who had written several books under the pseudonym of Walter Hagen. Hoettl also worked for Soviet espionage, collaborating with two Jewish emigrants from Vienna, Perger and Verber, who acted as U.S. officers during the preliminary inquiries of the Nuremberg Trials. It is remarkable that the testimony of this highly dubious person Hoettl is said to constitute the only "proof" regarding the murder of six million Jews. In his affidavit of November 26th, 1945 he stated, not that he knew but that Eichmann had "told him" in August 1944 in Budapest that a total of 6 million Jews had been exterminated. Needless to say, Eichmann never corroborated this claim at his trial. Hoettl was working as an American spy during the whole of the latter period of the war, and it is therefore very odd indeed that he never gave the slightest hint to the Americans of a policy to murder Jews, even though he

worked directly under Heydrich and Eichmann.

ABSENCE OF EVIDENCE

It should be emphasized straight away that there is not a single document in existence which proves that the Germans intended to, or carried out, the deliberate murder of Jews. In Poliakov and Wulf's *Das Dritte Reich und die Juden: Dokumente und Aufsätze* (Berlin, 1955), the most that they can assemble are statements extracted after the war from people like Hoettl, Ohlendorf and Wislitschky, the latter under torture in a Soviet prison. In the absence of any evidence, therefore, Poliakov was forced to write: "The three or four people chiefly involved in drawing up the plan for total extermination are dead, and no documents survive." This seems very convenient. Quite obviously, both the plan and the "three or four" people are nothing but nebulous assumptions on the part of the writer, and are entirely unprovable. Doesn't this sound a bit like "read my lips?" and/or "Ollie North did it ALL!"?

The documents which do survive, of course, make no mention at all of extermination, so that writers like Poliakov and Reitlinger again make the convenient assumption that such orders were generally "verbal". Though lacking any documentary proof, they assume that a plan to murder Jews must have originated in 1941, coinciding with the attack on Russia. Phase one of the plan is alleged to have involved the massacre of Soviet Jews, a claim we shall later disprove. The rest of the program is supposed to have begun in March 1942, with the deportation and concentration of European Jews in the eastern camps of the Polish Government-General, such as the giant industrial complex at Auschwitz near Cracow. The fantastic and quite groundless assumption throughout is that transportation to the East supervised by Eichmann's department, actually meant immediate extermination in ovens on arrival.

According to Manvell and Frankl (HEINRICH HIMMLER, London, 1965), the policy of genocide "seems to have been arrived at" after "secret discussions" between Hitler and Himmler (p. 118), though they fail to prove it, Reitlinger and Poliakov guess along similar "verbal" lines, adding that no one else was allowed to be present at these discussions, and no records were ever kept of them. This is the purest invention, for there is not a shred of evidence that even suggests such outlandish meetings took place. William Shirer, in his generally wild and irresponsible book THE RISE AND FALL OF THE THIRD REICH, is similarly muted on the subject of documentary proof. He states weakly that Hitler's supposed order for the murder of Jews "apparently was never committed to paper--at least no copy of it has yet been unearthed. It was probably given verbally to Goering, Himmler and Heydrich, who passed it on down...." (p. 1148).

A typical example of the kind of "proof" quoted in support of the extermination legend is given by Manvell and Frankl. They cite a memorandum of 31st July 1941 sent by Goering to Heydrich, who headed the Reich Security Head Office and was Himmler's deputy. Significantly, the memorandum begins: "Supplementing the task that was assigned to you on 24th Jan. 1939 to solve the Jewish problem by means of emigration and evacuation in the best possible way according to present conditions..." The supplementary task assigned in the memorandum is a "total solution (Gesamtlosung) of the Jewish question within the area of German influence in Europe", which the authors admit means concentration in the East, and it requests preparations for the "organizational, financial, and material matters" involved. The memorandum then requests a future plan for the "desired final solution" (Endlosung), which clearly refers to the ideal and ultimate scheme of emigration and evacuation mentioned at the beginning of the directive. **No mention whatever is made of murdering people, but Manvell and Frankl assure you that this is what the**

memorandum is really about. Again, of course, the "true nature" of the final as distinct from the total solution "was made known to Heydrich by Goering verbally" (Ibid. p. 118). The convenience of these "verbal" directives issuing back and forth is obvious.

THE WANNSEE CONFERENCE

The final details of the plan to exterminate Jews were supposed to have been made at a conference at Gross Wannsee in Berlin on 20th January 1942 presided over by Heydrich (Poliakov, Das Dritte Reich und die Juden, p. 120 ff; Reitlinger, THE FINAL SOLUTION, p. 95 ff). Officials of all German Ministries were present, and Muller and Eichmann represented Gestapo Head Office. Reitlinger and Manvell and Frankl consider the minutes of this conference to be their trump card in proving the existence of a genocide plan, but the truth is that no such plan was even remotely mentioned, and what is more, they freely admit this. Manvell and Frankl explain it away rather lamely by saying that "The minutes are shrouded in the form of officialdom that cloaks the real significance of the words and terminology that are used" (THE INCOMPARABLE CRIME, London, 1967, p. 46), which really means that they intend to interpret them in their own way. What Heydrich actually said was that, as in the memorandum quoted above, he had been commissioned by Goering to arrange a solution to the Jewish problem. He reviewed the history of Jewish emigration, stated that the war had rendered the Madagascar project impractical, and continued: "The emigration program has been replaced now by the evacuation of Jews to the east as a further possible solution, in accordance with the previous authorization of the Fuhrer." Here, he explained, their labor was to be utilized. All this is supposed to be deeply sinister, and pregnant with the hidden meaning that the Jews were to be exterminated, though Prof. Paul Rassinier, a Frenchman interned at Buchenwald who has done sterling work in refuting the myth of the Six Million, explains that it means precisely what it says, i.e., the concentration of the Jews for labor in the

immense eastern ghetto of the Polish Government-General. "There they were to wait until the end of the war, for the re-opening of international discussions which would decide their future. This decision was finally reached at the interministerial Berlin-Wannsee conference..." (Rassinier, Le Meritable Proces Eichmann, p. 20). Manvell and Frankl, however, remain undaunted by the complete lack of reference to extermination. At the Wannsee conference, they write, "Direct references to killing were avoided, Heydrich favoring the term "Arbeitseinsatz im Osten" (Labor assignment in the East)" (HEINRICH HIMMLER, P. 209). Why you should not accept labor assignment in the East to mean labor assignment in the East is not explained.

According to Reitlinger and others, innumerable directives actually specifying extermination then passed between Himmler, Heydrich, Eichmann and commandant Hoess in the subsequent months of 1942, but of course, "none have survived".

GROUNDLESS ASSUMPTIONS AND TWISTED WORDS

The complete lack of documentary evidence to support the existence of an extermination plan has led to the habit of reinterpreting the documents that do survive. For example, it is held that a document concerning deportation is not about deportation at all, but a cunning way of talking about extermination. Manvell and Frankl state that "various terms were used to camouflage genocide. These included "Aussiedlung" (desettlement) and "Abberforderung" (removal)" (ibid. p. 265). Thus, as you will have already seen, words are no longer assumed to mean what they say if they prove too inconvenient. This is a very good knack that the Khazarian Zionists have to mislead, disinform and mock you--they simply change the meanings of terms and you end up too confused to realize you have been "had".

This kind of thing is taken to the most incredible extremes, such as their interpretation of Heydrich's directive for labor assignment in the East. Another example is a refer-

ence to Himmler's order for sending deportees to the East, "that is having them killed" (ibid. p. 251). Reitlinger, equally at a loss for evidence, does exactly the same, declaring that from the "circumlocutionary" words of the Wannsee conference it is obvious that "the slow murder of an entire race was intended" (ibid. p. 98).

A review of the documentary situation is important, because it reveals the edifice of guesswork and baseless assumptions upon which the extermination legend is built. The Germans had an extraordinary propensity for recording everything on paper in the most careful detail, yet among the thousands of captured documents of the S.S. and Gestapo, the records of the Reich Security Head Office, the files of Himmler's headquarters and Hitler's own war directives there is not a single order for the extermination of Jews or anyone else. It will be seen later that this has, in fact, been admitted by the World Centre of Contemporary Jewish Documentation at Tel-Aviv. Attempts to find "veiled allusions" to genocide in speeches like that of Himmler's to his S.S. Obergruppenfuhrers at Posen in 1943 are likewise quite hopeless. Nuremberg statements extracted after the war, invariably under duress, are examined in the following chapter.

Let us leave this for now as we have a meeting to attend. Thank you.

Introduction to Commander Hatonn

10/31/91 #2 HATONN

Hatonn is: Gyeorgos Ceres Hatonn-Aton. I write through a "translator"; communications through pulsed short-wave transmission. This is not "psychic channeling nor hocus-pocus". This is purely "physics" of frequency transmission, receiver termination of transmission and translation of the signal into the English language.

I am Commander of the "Phoenix Project", serving the Command of that ONE whom you refer to as "The Messenger, Christos, God, etc." The "Command Fleet" is from the sector Pleiades from which originated your ancestral lineage. My mission is in preparation for the return of the "God" to reclaim His property. He went forth and has prepared safe passage and "a place" for each of you who would come within His shelter. The choice is individual for force is not of God and you have free-will for all choices.

Our direct commission is to set the records into Truth of content of historical facts for the planet is ending one cycle and beginning a new and wondrous cycle of experience. This gives cause for you of the human species to make changes concurrent with the greater physical changes of the planet. Yours will be a "spiritual change" and may or may not include physical translation. Each will be given choice of direction and translation.

The purpose of these writings and speakings is to allow the Truth to be put forth unto the masses who would wish to receive them. The JOURNALS also serve as historical documentation of this portion of "history" relative to that which has come before--known and unknown--for whatever life forms and generations to follow this manifested experience.

You come against the wall, so to speak, wherein you all but cross the societal point of no return. You will act to reclaim your human rights or you will fall to the Adversary who, by the way--is that one touted to be the "anti-Christ". You are in the time of, and the action of, Armageddon as recognized from prophecy. It makes no difference to me whether or not you are believing of this information. Truth will

stand into infinity and God does not send us, the Hosts, to banter or kibitz with you about the facts of the matter--ours is to present the situation as it is, unto you.

Your "enemy" as to "space aliens" are now all landlocked to your orbiting system. YOU HAVE NO ENEMIES AMONG THE BROTHERHOOD IN SPACE (COSMOS). YOU DO HAVE ENEMIES IN YOUR "SPACES" BUT THEY ARE VERY EARTH-ORIENTED AND ORIGINATED. All of this is explained in depth in the writings--this message is for identification of myself and my co-workers who bring information and assistance at this time of evolution.

We bring the unfolding and uncovering of the actions upon your globe so that you can awaken unto your plight--with "reason" and "proof". It is up to you as to what action you take for our commission is to respond to you who have asked input and assistance. We will DO nothing FOR you; we will serve and inform with "HOW TO" as we move along through the maze of incredible deceit. You have NOTHING TO FEAR from us of the Lighted Brotherhood of the Cosmos for we work and act only within the Laws of God and those of The Universal Creation (Natural). Your would-be-"Kings" (rulers of the globe) have heinous plans to injure you and place blame upon the Cosmic Brotherhood--what will be claimed is a blatant LIE. You are "People of the Lie" and unless you awaken and reclaim your heritage as nations and people--you shall fall--no more and no less.

Massive efforts are put forth to stop our presentations--so be it. We have naught to lose--YOU HAVE EVERYTHING TO LOSE, INCLUDING YOUR SOULS AS WELL AS YOUR LIVES PHYSICAL. My commission is to "inform" you and I shall do so to the best of my allowed abilities for I (we) are not allowed by Cosmic Law to interfere or intervene except in specific and delineated instances which have been covered in lengthy dialogue prior to this.

I serve aboard the Command Ship, *Phoenix*, and I head the Fleet Command. I am Commander of the United Federation Fleet, Inter-galactic Federation Command. I

link with other Commands, i.e., the referenced "Ashtar Command", only in time of imminent planetary destruction at which point that Command will be in charge of any evacuation of general nature. Our Command will bring all of God's people into security. I have no responsibility to the "adversary" nor his followers and no evil shall be brought into the places of Lighted God. Evil is a manifestation of "human" and we do NOT allow evil within our orderly God-revering societies. This does not, however, mean that ones who are in deciding will not be taken into a placement which can preserve "soul" survival.

I am not here to ask your permission for anything; I care not what any aspect thinks or believes. I have a mission of God and I shall see to it. You may join with me or deny me for it makes not one iota of difference. I do not "sell" anything--not this paper nor any other item. I have a commitment and obligation and I will see to it. You may do that which you will--agree or disagree. I do, however, suggest that all read with an open mind to the "possibilities" herein for you are told by all corners of your intelligence that you are in a traumatic time of change--you might well be advised to look into the possibility of the Truth of this information. I chair the Cosmic Council relative to this Universal Sector and I believe you will find that I am not overruled. He who denounces my person had best be carefully looked at through the intent of wisdom for I meet with any man and/or energy who claims my falseness. I find that no one ever, somehow, wishes to participate in that invitation for confrontation--do you not find that strange?

You will find most of the "New Age" groups and speakers fully in alignment with the "New World Order--Global Government". This will be denied for they do not realize the subterfuge and "sucking in" of the innocent and ignorant. I suggest you pay close attention for you are on the brink of losing your world--not just your freedoms.

I shall continue to bring to your attention the cover-ups as they occurred and still occur. God has no mysticism nor hidden agenda--God is open and the only "mystery" is that which you simply do not yet

understand--that too, He gives unto you openly and freely. There are no secret rituals or hidden doctrines, royal titles or elite placements. If you find any of these things in that which YOU follow--I suggest wisdom in discernment of your choices. If you give of your Power unto another according to his decrees--you have forfeited your Power forever. God asks that you accept and take your POWER in HIS name that you can become one within His Grace and reclamer of that which is your rightful heritage.

I feel that we must begin to publish this identification and purpose for we are swamped with new readers and it is magnificently important that you KNOW who we are and that which we are about--for we are about our Father's business. Again, you have nothing to lose by gaining TRUTH and insight--but you do have everything to lose in the physical and soul realms by remaining ignorant at the hands of the deceivers who would hide Truth from your eyes and ears. So be it. I salute you who assume responsibility. I pity you who do not and I have great compassion as we pass on into the more compressing times ahead, as you perceive the journey. I offer my hand in love and brotherhood and I give you all that I have and am. Accept or deny my person--but I suggest you look into the possibility that what we bring "might" well be Truth and you will come to understand. To deny the robber, who has just bound and gagged you, is to be a stupid fool. The better part of wisdom is to look, discern and then act. God never limits your investigation into all facets of the Truth--does your "minister"? Does your controlling hierarchy? I suggest you ponder this well.

Genocide of a nation before our eyes

The horrible war of attrition against the small and now almost defenseless nation of Iraq continues without letup or hindrance from the so-called "civilised" world. America, a supposedly Christian country, is the architect and the finisher of this nightmarish war against a people who have not done any injury to it.

Does this sound like a scenario for a far-fetched novel or some theater play? Well, it isn't. Even as we stand by and allow this satanic plot to progress, hundreds of thousands of innocent victims of Bush Skull and Bones savagery are dying. Their cries for mercy and the cries of their parents rise up to God in daily and nightly protest. God is not mocked, and HE will deal with President George Herbert Walker Bush and this nation.

We who have actively opposed this ILLEGAL, cruel and unjust war, shall not escape the wrath to come along with those who have wittingly and knowingly given their assent to it, for the rain shall fall on the just and the unjust alike. But the unjust, among whom are the Lucius Trust (formerly the Luciferian Trust) of the United Nations, and those Christian fundamentalist and evangelical churches led by Billy Franks alias Billy Graham, who allied themselves with this evil One World Government institution SHALL face an even greater wrath, for they willingly allowed themselves to be used to denigrate the Gospel in furtherance of Satan's kingdom on Earth.

In July, U.S. Department of Agriculture specialist John Parker stated: "They (the Iraqi people) will probably make it through August but they are definitely headed for big trouble later in the year." Just how much "big trouble" Iraq is already in and what is in store for the country is the subject of this report.

When the President of the United States laid down his impossible conditions to avoid war, the principle one was that Iraq withdraw from Kuwait. This was also the principle demand of the United Nations to which the United States

DOES NOT NOW BELONG NOR CAN EVER BELONG UNLESS IT SCRAPS ITS CONSTITUTION. It is interesting to note, however, that NONE OF THE UNITED RESOLUTIONS AUTHORISED THE USE OF FORCE FOR BUSH TO OBTAIN HIS OBJECTIVE. President Bush and his fellow warriors clothed themselves in the unrighteous mantle of the United Nations in order to side step their obligations in terms of the U.S. Constitution which they had taken an oath to uphold and defend, and thereby, they thought could escape the title of law breakers.

After the most savage, preplanned aerial bombardment of downtown Baghdad, which happened just as General Dugan said it would, a city of 4 million people and "targets" such as electricity generating plants, sewage disposal works, factories making baby food, civilian bomb shelters--the list is endless, Iraq agreed to relinquish its just claims against the heathen regime of the Al Sabah family.

The preplanned destruction of the city of Baghdad, as announced in advance by Air Force General Dugan, was another gross violation of international law, to whit the Nuremberg Principles which expressly forbid aerial attacks on civilian cities.

In pulling out of Kuwait City and Basra, in flagrant violation of every rule of conduct for warfare and in flagrant violation of every international law, including the Nuremberg Principles, the Hague Regulation of 1907, the Kellogg-Brand Pact of 1928, the Geneva Conventions of 1949, the Hague Rules of Aerial Bombardment of 1923, the Declaration of London--which deals specifically with conduct of naval warfare, U.S. war planes attacked the withdrawing Iraqi military columns, killing an estimated 160,000 Iraqi soldiers. In so doing the Bush administration broke every single agreement it had with the Russian military, in addition to the abovementioned pacts and agreements.

Not satisfied with the willful murder of so many, President Bush, as Commander in Chief of United States armed forces authorised what will go down in history as one of the most vile crimes ever committed by one nation upon another, namely, the burying alive of 12,000 Iraqi soldiers in trenches. As Commander in Chief of the U.S. Armed Forces, albeit a civilian, the President is not excused from obeying the laws and customs of warfare, including U.S. Army Field Manual 27-10 and the Nuremberg Principles.

That ours is a lawless government is vouchsafed for by the fact that in so doing, the Commander in Chief ignored the U.S. Army's code of conduct manual which forbids such atrocities, having first broken the Constitution by going to war without a Congressional declaration of war. As Commander-in-Chief of our armed forces, he willfully ignored and violated the Hague Regulations of 1907 which are fully binding upon ALL U.S. MILITARY PERSONNEL AND THE PRESIDENT. It is therefore ***** meet, right and proper that we as a nation should be reminded of the abovementioned criminal conduct for which we SHALL all be punished under the laws of God.

In addition to the abovementioned gross violations of DOMESTIC AND INTERNATIONAL LAW, President Bush as Commander in Chief of U.S. Armed Forces violated international law rules covering inchoate crimes which forbid planning and preparation for a nuclear war. The United States was responsible for placing the inchoate clause in the international rules of warfare. The United States deployed hundreds of nuclear weapons in the Gulf in case the Russian military should take a hand in the proceedings.

In addition, the President as Commander in Chief of the U.S. Armed Forces broke U.S. law by authorising the use of U.S. troops in the Gulf to be used as guinea pigs by forcibly and against their wills, vac-

inating them with untried vaccines against anthrax and botulin, the latter being a deadly and virulent poison which kills if even a very tiny quantity is ingested, without the slightest evidence whatsoever that these soldiers would be subjected to CAB weapon attacks containing these deadly biological compounds.

In fact, exhaustive fine-combing of Iraqi weaponry and storage areas by the CIA's David Kay and his United Nations team failed to disclose the slightest evidence that Iraq ever possessed such CAB weapons containing anthrax and/or botulin. If it is true, as we suspect it is, that these U.S. soldiers were used as guinea pigs without their informed consent, that would constitute a crime under the Nuremberg Principles which expressly forbids such acts.

If the President of the United States in his role as Commander in Chief of the U.S. Armed Forces did indeed perpetrate such a ghastly crime against his own troops, mark you, his own troops, what then could the people of Iraq expect from such a man?

What Iraq got was what one would expect from a man who would risk the lives of his own soldiers by forced vaccinations with deadly poisons without just cause or reason, not that it can ever be just to force anyone to be vaccinated against their will. When, as Air Force General Dugan predicted, the bombs rained down on Baghdad city, close to 1,000,000 civilians were killed or wounded, including thousands of young children.

Our President, our Christian leaders and our Congress refuse to alleviate the sufferings of those children when the human quality that mercy shall not be strained should be the order of the day. This in the face of indisputable evidence gathered by a Harvard Study Team, the Catholic Relief Service, the International Red Cross, Physicians

for Human Rights, all of whom documented the facts that 170,000 Iraqi children under the age of five are dying of malnutrition and disease from the effects of the bombing of Baghdad city.

These reports do not include the close to 300,000 Iraqi children ABOVE the age of five who will die unless the INHUMAN AND UNJUST BOYCOTT imposed by the U.N at the command of President Bush is immediately lifted. The abovementioned organisation's reports indicate that malnutrition and disease are widespread as the result of this insane, satanic economic boycott of Iraq which has resulted in terrible food shortages and a 1,000% increase in the prices of what little stocks of food that are available.

In addition, gastro-enteritis, cholera and typhoid have become raging epidemics across the entire country, because 18 out of 20 of Iraq's electricity generating plants "were bombed back to the Stone Age" as the hundreds of bumper stickers so proudly testify, and can no longer provide sufficient power to water purification plants.

Iraq has no antibiotics or other medicines to combat these diseases which came about as a direct result of the bombing of civilian targets such as sewage treatment and water filtration plants. Because of the inhuman satanic Bush-imposed economic boycott of Iraq, the abovementioned organisations have documented that 50% of Iraq's hospitals have been forced to close down due to lack of essential medical supplies and equipment and staff.

Before the war, Iraq imported 96% of its food, much of its rice imports coming from California. Today the caloric intake of the Iraqi population is less than 400, so that death by starvation will soon overtake deaths from U.S. bombs. In the face of such DOCUMENTED FACTS, Britain and the U.S. continue to falsely and lyingly assert that Iraq has a big stock of hidden food reserves. The World Wheat Council based in London does not support these palpable untruths.

Those who tend to believe the U.S. and British governments-Category III people who are brain-dead from the effects of television, can of course obtain the truth about Iraq's supplies of grain by getting the facts from the U.N. Food and Agriculture organisation based in Rome. These figures DIRECTLY GIVE THE LIE TO STATEMENTS MADE BY PRESIDENT BUSH AND PRIME MINISTER JOHN MAJOR THAT IRAQ HAS "SECRET STOCKS OF FOOD".

The satanic position adopted by Britain and the United States against lifting the economic boycott of Iraq is causing a lot of upset at the U.N., even in the Security Council, but Secretary of State Baker is keeping the lid on it, using the same arm-twisting, blackmail/bribery methods he used to put the Cash Register Coalition together. No wonder the late Ayatollah Khomeini called the U. S. "the great Satan". It is about the only thing he ever said that I find myself in agreement with.

Thank God that there are men of goodwill who are prepared to buck the dictatorship of President Bush and Prime Minister John Majors. One of them is French Foreign Minister Roland Dumas who has been urging his government to find a way to get food supplies to Iraq before thousands of people are willfully starved to death by the dictators in the White House and 10 Downing Street.

Another good and true man is Professor Francis A. Boyle, a renowned professor of International Law, who petitioned the United Nations on September 24th, 1991 for relief against Bush crimes on behalf of the children of Iraq. So important is this document that it is reproduced here with Professor Boyle's permission granted to Dr. Coleman. Before that, Professor Boyle circulated a "Memorandum At Law dated May 31st, 1991 to All United States Military Personnel In Kuwait" in which he drew their attention to their international responsibilities as belligerent occupants of Kuwait drastically warning them about condoning war crimes being committed by the evil, degenerate Al Sabah dictators.

Professor Boyle was also responsible for drawing up the articles of impeachment against President Bush and several military leaders and cabinet officers which was submitted by Congressman Gonzalez. Many of you have written to ask me what has happened with these articles. They are bottled up in the House Judiciary Committee, and unless immense public pressure is applied to this committee, that is where they are likely to stay. Here follows Professor Boyles opening statement petitioning the U.N. on behalf of the children of Iraq which due to lack of space can only be summarised:

COALITION TO STOP U.S. INTERVENTION IN THE MIDDLE EAST

TO: THE SECRETARY GENERAL OF THE UNITED NATIONS, THE MEMBERS OF THE GENERAL ASSEMBLY, THE ECONOMIC AND SOCIAL COUNCIL, THE COMMISSION ON HUMAN RIGHTS, THE SUB-COMMITTEE ON PREVENTION OF DISCRIMINATION AND PROTECTION OF MINORITIES, UNESCO, UNICEF, THE HEADS OF ALL NGO'S, ETC.

RE: INDICTMENT, COMPLAINT AND PETITION BY THE 4.5 MILLION CHILDREN OF IRAQ FOR RELIEF FROM GENOCIDE BY PRESIDENT GEORGE BUSH AND THE UNITED STATES OF AMERICA

PETITION ON BEHALF OF THE CHILDREN OF IRAQ SUBMITTED TO THE UNITED NATIONS CHARGING PRES. BUSH AND U.S. AUTHORITIES ACTIONS CONSTITUTE ACTS OF GENOCIDE.

Francis Boyle, Professor of International Law at the University of Illinois, College of Law has asked the Coalition to Stop U.S. Intervention in the Middle East to submit an Indictment, Complaint and Petition for Relief from Genocide by Pres. George Bush and the United States of America which he has prepared on behalf of the 4.5 million children of Iraq.

The Petition is being submitted to the Secretary General of the U.N., members of the General Assembly, the Economic and Social Council, the Commission on Human Rights, the Sub-Commission on Prevention of Discrimination and Protection of Minorities, UNESCO, and UNICEF.

Prof. Boyle's petition reviews the factual situation confronting the children of Iraq -- malnutrition, starvation, disease, and death, and details the violations of international laws upon which this Claim is based. The relief asked for includes a lifting of the sanctions against Iraq, massive provision of international humanitarian relief, and compensation to the victims of the policies described.

Prof. Boyle has stated, based on the current devastating situation for Iraq's children, 500 a day of whom are dying as a result of continued economic sanctions, "Like unto a pirate, the Respondent George Bush is hostis humani generis--the enemy of all humankind." Boyle has asked for an urgent review of this Petition and that the appropriate organs of the United Nations, as well its member states, institute criminal proceedings against Pres. Bush for committing the international crime of genocide against the children of Iraq.

It is worth including here the Memorandum-At-Law drawn up by Professor Francis A. Boyle which I mentioned in Insider Report 1 and 2, because it proves that the military establishment--and I think particularly of smug Marine General Neal who acted as chief censor, are guilty of gross misconduct in the prosecution of the Gulf War.

Latest news from the USSR

Billy Franks alias Billy Graham, who was the key to evangelical and fundamentalist support for the Gulf War and a self-confessed Zionist, has signed an agreement with the Soviet Ministry of Religious Affairs which agreement says Franks a.k.a. Graham will train some 4500 Russian Orthodox Church (ROC) priests in what is described as "modern methods of propagandising religious affairs".

It will be recalled that Stalin turned to the ROC during the German invasion of Russia, and with their help was able to defeat and turn back the German army. The Bolshevik leaders have never forgotten that valuable experience, and Gorbachev's recognition of Christianity and the ROC (not the ROC in exile however, which is a truly good un-infiltrated body), is designed for possible future use. "Graham's" latest marriage with Communism stamps him as being beyond the pale of patriotic Americans and Christianity.

Latest reports out of the USSR speak of a winter of discontent. The Soviet harvest which is in the last stages of completion looks to be the worst in the last ten years, estimated at 50 million tons less than in 1990. By the end of July 68 million tons of grain was threshed, six million tons less than in August 1990.

Especially in the Ukraine, grain hoarding is taking place on a large scale. According to Goskomstat, 5 million tons less of bread grain will be sold to the state this year than in 1990. Sales to the state are down in all grain producing areas, indicating that grain is being hoarded for barter purposes as winter sets in. Leonid Kravchuck, chairman of the Ukraine Supreme Soviet has warned that severe measures will be taken to protest the harvest. "If need be, we will introduce a special regime in the Ukraine, because we are obliged to save the harvest we have cultivated and provide the people with everything they need. We will go to any lengths to defend the interests of our people and our market."

Large scale hoarding is bound to have a serious effect on bread supplies for the major cities. Already there have been articles in the Soviet press decrying this possibility: "How Long Will We Lose The Lion's Share" was one such article which bitterly attacked farmers who are hoarding grain. But in some states it is not a matter of hoarding, rather it is a case of just not having the machinery and labour to bring in the harvest.

Kazakstan has been hit in this manner which led to President Nursultan Nazabayev issuing an emergency decree setting up a 17-member council armed with emergency powers "to recruit every able-bodied man, woman and child to bring in the harvest". In other regions special Soviet army motorised units are out scouring the grainfields and watching out for hoarders who face criminal penalties if caught.

St. Petersburg and Moscow, already facing serious shortages of potatoes and green vegetables, will be hard-hit if the grain harvest is not completed on time and if shortages are not made up with imported grain, for which Gorbachev is appealing to the West for hard currency to pay for such imports. Although certain banks, notably in Paris and London, are somewhat skeptical about the ability of the Soviet Union to repay further loans, the Committee of 300's Institute for International Finance is favourably disposed toward Gorbachev's call for help.

"Despite continuing deterioration in the domestic economy and changes in the political environment, the Soviet Union should be able to meet its debt service obligations this year. So said its confidential report to the Committee of 300, dated September 20th, 1991.

My economic intelligence source told me on October 28th that in order to get further loans, THE SOVIETS WILL HAVE TO SELL \$11-\$15 BILLION WORTH OF GOLD. IF THIS HAPPENS ALL AT ONCE, THE PRICE OF GOLD WILL BE SEVERELY DEPRESSED. THIS IS DUE TO AN ANTICIPATED CUTBACK OF

EXPOSURE BY COMMERCIAL BANKS OF \$11 BILLION THIS YEAR, ON TOP OF LAST YEAR'S CUT BACK OF EXPOSURE OF \$10 BILLION. RATHER THAN CUT BACK ON ITS IMPORTS, THE AMOUNT OF GOLD MOSCOW MIGHT SELL COULD GO AS HIGH AS \$20 BILLION.

The IMF is worried that a sudden disintegration of stability in-the Soviet Union this winter, brought on by grave food shortage, will create a major economic disaster which would carry over into Western nation's economies. Rather than have this happen, the IMF is backing Gorbachev's latest appeals for yet more hard currency to pay for food

imports.

Even if all production problems are solved, failure to deliver foodstuffs to the market place threatens to bring food rioting to the major cities this winter. It will be recalled that the October Revolution of 1917 began in this manner when bread supplies for Moscow and St. Petersburg were held up by delivery problems.

If this happens, then it is almost certain that Pamyat and Soyuz will step into the picture and this time no faked coup will stop Russian nationalist forces from gaining con-

control. Only this week, Marshall Orgakov and Soyuz hard-liner Yegor Ligachov demanded that they be given more control over the political forces in the Kremlin who have opted for a decentralised form of government inside the "loose federation" framework favoured by Gorbachev and the Raskolniks and the Bush administration.

Funding for the Soviet defense budget is being increased in spite of the so-called crippled Soviet economy. There has been no standing down of troop levels as would be expected if communism were genuinely dead. In a recent talk with officers in training at the prestigious Voroshilov Academy, General of the Army D.S. Sukhorukov, who played a leading role in developing, Spetsnaz (special forces) said that there would be no decrease in the Soviet military budget.

Similar remarks were made by General Ivan Tretyak, a former Commander-In-Chief of Soviet Defence Forces. The general manager of Aeroflot, Colonel General of Aviation Aleksandr Volkov also made remarks in a similar vein to a group of Soviet aviation specialists. Volkov was Deputy Commander-in-Chief of the Air Force in charge of all military transport aircraft before being transferred to his "civilian" post at Aeroflot.

The so-called civilian Aeroflot company is making increasing demands on the U.S. Department of Transportation to be allowed to fly from New York to Los Angeles and San Francisco. The proposed routes would take Aeroflot "civilian" flights over San Jose otherwise known as "silicon valley".

According to my intelligence source, there is no let up in the production of what Soviet military literature describes as "third generation chemical weapons". Soviet laboratory experiments have been concentrating on toxins of a deadly nature. One of the reasons is that Soviet army troops could be immunised in advance against all newly developed toxins, some of which can paralyse the nervous system within 30-40 seconds making breathing impossible.

Combining the newly developed toxins with microencapsulation techniques makes it possible for Soviet forces to unleash neurotoxins, psychotoxins, Dengue Fever, Lassa Fever, Anthrax and Typhoid within a time frame of approximately two hours to 8-9 days. U.S. military intelligence has stated that the Soviets may be prepared in some instances to use "new generation CAB weapons in preference to a nuclear first strike".

Marshall Orgakov in his "Orgakov Doctrine" stated that "it is conceivable that the U.S. will strike first in a wartime situation and do so quite independently of Soviet actions. Though we recognise that the enemy (the U.S.) is prudent enough to recognise the value of striking first, we have good reasons to believe they will not be the first to start such a war as they know that our efforts are directed toward detecting such a decision. Our deceptive practices which we have mastered both politically and militarily are enough to mislead the U.S. into believing that it can lower its guard while we go to maximum readiness in advance of a first strike.

"Such an operation would require several days or even several months to prepare, allowing us sufficient time to implement carefully planned sabotage operations against the Western world as a whole and the U.S. in particular. As an opening salvo we might unleash our electromagnetic capabilities or our CBTW weapons of mass destruction, which would conceal our real objectives while their attention is distracted. By this means the Soviet Union can and will, if necessary, effectively disable U.S. and NATO forces and disrupt the civilian population, making it impossible for the U.S. to go to war except as an outright act of desperation."

Just how effective these Soviet military strategies are was demonstrated when on September 17th, 1991, the U.S. tried to launch a satellite in breach of the 1972 ABM Treaty, a satellite which shot down over Russia would have showered the country with a rain of radioactive nuclear particles. The Soviets fired two ELF warning shots at the New York airport systems and blacked out all communication over

a wide area.

They also leaked photos of the victims of their "CAB experiments" in Afghanistan, which apparently caused our war planners to hurriedly revise their estimates of Soviet CBTW weapons capability and thus avert certain war. There is no doubt that the Soviet military is years ahead of the West in CBTW weapons and their ability to deliver them with deadly effect anywhere in the world.

Recently I was asked why the Soviet Union would still want to maintain missile bases in Cuba. My reply was that here again it is merely a case of "maskirovka" (deception) to please Castro and rouse the American public to all sorts of wild speculations. Let me say categorically, there is absolutely no need for the Soviets to station ICBM's in Latin America, Cuba or anywhere else in our sphere of influence as their TYPHOON class submarine fleet can stand off as far away as Murmansk and the Arctic ice cap and deliver their deadly nuclear missiles to targets anywhere on the North American Continent.

In my discussions with intelligence sources, it emerged that the USSR has targeted 280 primary sites in Western Europe and over 300 similar sites in the U.S. They can do this with their latest CBTW weapons within a few minutes of war breaking out. Either total or partial neutralization could be achieved within 2 minutes of the alarm sounding. Rockets tipped with chemical, biological or toxic agents are not included in any of the treaties we have signed with Moscow thus far. All we have is their promise that they will not be the first to use them, which is a very hollow promise.

Hard targets for ICBMs to penetrate will fall victim to CBTW weapons with a minimum of damage to property. A couple of shots close to air-intake systems in the Pentagon has the potential to kill all of our top commanders. The possibility of mass contamination of reservoirs and water purification plants cannot be overlooked. The effect upon the civilian population would be devastating. Panic would reign as citizens tried to flee contaminated

areas.

In Europe it is known that Spetsnaz units operating at company and brigade levels carrying CBTW agents could quickly neutralise NATO forces and cause a state of hysteria among the civilian population, thus rapidly clearing urban areas which formerly were choke points for advancing troops. The only nation likely to be spared is Germany, which is why the KGB wants a strong intelligence link with the BND, Germany's foreign intelligence service.

On August 7th, 1991, chief of the KGB Vladimir Kryuchkov told the BND that his department was ready to enter into such an agreement. Paul Munstermann, BND's chief said he welcomed the move and was waiting for an official approach. I have long stated that Germany will be Russia's closest ally in the next world war, and intelligence cooperation between the two services augurs well for very close future ties between Moscow and Bonn.

As if to underscore the ongoing cementing of relationships between the two countries, General Matvei Buklakov, Supreme Commander of the Soviet Western Group of Forces, headquartered at Wunstorf in Eastern Germany has called for joint military exercises between the Soviet and German armies, a proposal which is favourably looked upon by both countries. At present the Soviet Union has between 400,000 and 600,000 of its troops stationed in the eastern part of Germany, which the U.S. would like to see sent back home. This is however, not going to happen. The Soviet army will stay where it is for the foreseeable future.

In other areas Moscow is showing its "flexibility" by retaining friendly relations with President George Bush in spite of, or because of the "near miss" which nearly brought the two nations to the brink of a nuclear war on September 17th last. A new joint space mission agreement was signed by both leaders on August 8th although very little of it was in the news services of both countries. The agreement calls for

Update: 30 days to economic doomsday

DR. J. COLEMAN, 11/15/91

With President Bush refusing to face reality, economic events are coming down to the wire. My economic intelligence source has confirmed that it is not only in the United States that doomsday is at hand, but also in Europe where economies are hanging by a thread. Scandinavia, Britain, France and Latin America are all in a state of extreme crisis. Latin America is crucial to the U.S. economy because of overexposure by Wall Street bank loans to Brazil, Peru, Argentina and Mexico. If any one country, such as Brazil for example, should refuse to make its December loan repayment, the entire house of cards of U.S. banking will come tumbling down.

In the U.S. we are in an ever-deepening DEPRESSION. One of the hardest hit is the airline industry which is on the skids. The International Air Transport Association (IATA) has issued a serious warning that any hope of an early upward trend in air bookings is out of the question. IATA said that its earlier reported expectations of a

recovery "were gravely mistaken". U.S. airlines posted a loss of \$3 billion in 1990 and Wall Street analysts report that industry losses will climb to \$5 billion by the end of 1991.

Higher prices will not help, as it leads to more cancellations. Airlines are already charging the highest prices since 1969, thanks to Reagan's brilliant deregulation of the industry. The latest casualty is Midway, a carrier which came into being shortly after Reagan deregulated the airline industry. Midway went belly-up when its proposed merger with North West did not materialize. There are already in excess of 50,000 jobless people formerly employed in the airline/travel business.

Owing to the general feeling of job insecurity, and the excessively high cost of tickets, millions of Americans have put travel plans on hold. In Europe package tour business to popular Yugoslavian holiday resorts have nosedived due to the war of genocide being waged against Croatia. Spies Travel, the largest

package tour-group travel company in Europe reports wholesale cancellations to Yugoslavia and Turkey, also a very popular vacation spot. Unlike Americans, Europeans know that Turkey is going to be a hot spot within the next few months because of its support for the Bush war of genocide against Iraq, which is deeply resented by Iran.

"Aviation Week" reports that never in its history has the travel business been so bad. Worse yet, the magazine says a number of airlines in the top ten may be forced into bankruptcy in the next six months. Even Boeing is in danger as it expects cancellations of a significant part of its \$40 billion previously planned airline expansion purchases. Captain J. Randolph Babbit of the Airline Pilot's Association (ALPA), points the finger of blame at the government. "At the time that U.S. airlines were about to be deregulated in 1978, we had the world's finest transportation system. Now after a decade of 'free market dogma' the current status of the industry can best be described as dis-

astrous... MORE THAN 20,000 AIRLINE EMPLOYEES HAVE LOST THEIR JOBS SINCE JANUARY 1991, and another 18,000 at Eastern have been displaced."

The auto industry is in even worse shape. Domestic sales for cars in the first 10 days of November fell a whopping 13%. Wall Street analysts predict that November car sales will show a loss of up to 28%. This will contribute to a loss of 19% in autos sales for the year 1991. Hardest hit are Chrysler and Ford. The year-to-date analyses shows that thus far the top ten auto producers have lost 12% in sales. Some companies like Chrysler and Ford are expected to show losses as high as 25%-35% in 1991 over 1990 sales. Industry-wise the manufacturers sold 200,000 less cars in October than was anticipated.

In addition to falling sales and rising costs, the U.S. is now showing signs of an increase in the inflation rate. This has already appeared in

a meeting in space between the orbiting MIR space station and a U.S. shuttle. The U.S. is reportedly anxious to conduct medical experiments aboard MIR.

In the Middle East there is much deception going on between the Israelis and the USSR. The latest episode was an interview granted by Dmitri Vasilyev, leader of Pamyat to Walter Ruby, Moscow correspondent for the Jerusalem Post which is owned by the Hollinger Corporation, famous for its implant birth control device. Vasilyev told Ruby that there was "great danger from a Jewish dictatorship over Russia". Ruby also interviewed Aleksander Schumkier, President of a philanthropic Russian Jewish organization who told him that Jewish immigration to Palestine must continue In spite of the apparent decline in Pamyat attacks on Jews.

Japanese begin to scorn America

As the 50th anniversary of Pearl Harbour approaches, it is alarming to note U.S. pressures on Japan mounting in an almost eerie rerun of economic events that led up to our entry into WWII. The reaction to continued U.S. attacks on Japanese economic success is having an ever-increasing effect on the Japanese people. A recent poll conducted in Japan by a German newspaper concluded that "everyday Japanese men and women are

beginning to regard America with scorn which does not augur well for the future of U.S. Japanese relations." Will history repeat itself? Japan remains staunchly anti-communist as more and more of Asia drifts to the left. Pearl Harbour was supposed to change that, but it did not. Perhaps a second attempt to communise Japan is in the making?

wholesale prices which rose nearly 1.8% in September and is expected to show a rise of 2.2% in October. These increases will naturally spill over into retail prices. The government reports that consumer prices rose only 0.1% in October, but my economic intelligence source said "this remarkable achievement beats the Moscow Circus jugglers. The REAL rise in the October is 3.1%. The so-called good news is no more than finagling of government statistics."

With the housing industry in the doldrums, government statistics show an increase of 0.8% in housing costs, but the real figure is closer to 1.5% for the months September-October. Attempts to jump-start new housing starts have not been successful, even though President Bush has appealed to banks to make housing loans on a virtual willy-nilly basis. Already facing a wave of bankruptcies, the banking industry is in no mood to revive its "boom time" romance with domestic housing.

However the Senate did do something to help the economy. The Alfonse D'Amato bill to limit the amount of interest charged by credit card companies on outstanding credit card balances was passed. Credit card companies will in the future not be allowed to charge more than 14% interest. Senator D'Amato said the credit card companies were exploiting the public by "charging interest rates at 18.9% when their own borrowing rates have fallen to the lowest levels in

memory". Opposition to the measure came from Senator Jake Garn of Utah, who was one of the proponents of legislation that led to the Savings and Loan debacle.

The jobless rate in the U.S. increased by 400,000 in the first week of November. As the economy shows no signs of a "Christmas Pick-Me-Up", my source said he expected December to add another 1.5 million people to those already out of work. The Labor Department is doing everything it can to juggle statistics and make it look as if many of the lost jobs are "seasonal winter losses", but it is no longer fooling anybody.

The top ten banks held four crisis sessions with Federal Reserve Board chairman Alan Greenspan during the past four weeks. The major topic of concern is WHEN will the Federal Reserve Board announce bail-out measures? With Citicorp announcing huge losses, expected to be at least \$5.6 billion in the last quarter of this year, and with a cash liquidity crunch the worst in the bank's history, there is indeed a sense of desperate urgency in the bank's executive suites. The fear is that one of the Latin American countries will announce its refusal to meet its December loan obligations. Citicorp wants the Federal Reserve Board to act next week BEFORE the big blow-out occurs.

All Rights Reserved. Dr. J. Coleman, November 1991.

Civil war continues to rage in Yugoslavia

Serbians backed by the Bush administration and Israel are determined to destroy the breakaway state of Croatia. Lord Carrington (the betrayer of Rhodesia, the Malvinas, and NATO's military wing) with his mediation efforts assures that Croatia is doomed. Carrington is the "kiss of death" when it comes to undermining nation-states seeking to establish their own sovereign rights. Under cover of EEC "peace missions", the war against this small Christian nation has escalated until today, at the end of October, the Croations have reached breakpoint.

At this juncture the Soviet Armed Forces might be tempted to intervene, knowing as they do that the

Serbians are a pawn of a Middle East power. If this happens a European-wide conflict could erupt, which is of course what President Bush is hoping for. In the meantime the Croations have complained to the U.N., the EEC and the United States that Christian churches in Croatia are being systematically destroyed by combined Serbian and Yugoslavian military forces. The *Jerusalem Post*, owned by the Hollinger Corporation is constantly advocating wholesale removal of Croations in the manner of the transfer of 1,000,000 Greeks from Turkey to Greece in 1921, even though the Greeks were born in Turkey and had lived there for generations. This is what the *Jerusalem Post* deems a just solution for the "Croatian problem".

British economy bad

Serious rioting has broken out in several cities in England. In Birmingham, Newcastle, North Shields, Cardiff and Oxford, some of the riots lasted for more than 6 hours as roving bands smashed shop windows, cut power and telephone lines and barricaded streets. Several buildings set on fire collapsed, and in one instance a fireman was seriously injured. Youths hurled "Molotov Cocktails" at firemen and police. The underlying economic causes of the riots are homelessness

and unemployment. In the cities mentioned above, unemployment has reached 88% while Britain's unemployment rate in general stands at a shocking 57% with 4.9 million people unemployed "on the dole" (welfare). Where welfare payments have expired, families say they are living on "bread and beans". "Mrs. Thatcher's disastrous economic policies are bearing fruit," is how one police chief at the scene of the rioting put it.

"Justice" in America

One wonders when conditions in the U.S. will be as desperate as those in Britain. With 4 million homeless and 30 million Americans without jobs, the screws are being tightened. The Center on Budget and Policy Priorities figures for July show that 318,000 people have exhausted their unemployment benefits this week. This is the highest level reached in 40 years. With our major industries in the midst of a serious depression, a spirit of hopelessness is sweeping the country. What is encouraging is the large number of young people who are

beginning to demand answers. They know that something is wrong, but just don't know what it is. What is needed is a major effort to reach the young people of this land and let them know precisely what it is that is so terribly wrong here at home.

One of the things that is terribly wrong is the system of justice in this country. One of the most shocking decisions handed down by

the United States Supreme Court in recent memory is the Court's dismissal of a suit by Los Angeles public defender Howard Waco against Superior Court Judge Raymond Mireles. The judge was annoyed that Waco was not in his court on November 6, 1989, and he then ordered two police officers to "bring me a piece" (of Waco).

The officers seized Waco who was in another court and dragged him down a hall, slammed him against a doorway and carried him before Mireles. The Court ruled 5-3 that a judge may not be sued for any judicial action even if undertaken in bad faith or in malice. Can we even begin to imagine what this will do to our already besmirched system of justice? In plain language it means that in the future a judge could conceivably order police officers to beat up someone he does not like, and get away with it. Is this far-fetched? Don't you believe it! With 1500 Soviet prosecutors right here in Washington D.C. training U.S. prosecutors in the Soviet prosecutorial system, ANYTHING is not only possible, it is probable.

Congress should be petitioned to have the law granting judges *carte blanche* protection rewritten immediately. As it now stands, judges will be able to do anything they please and remain above the law. This utterly intolerable state of affairs is based on a 19th century law which says that judges must have judicial immunity from courtroom decisions so that "He shall be free to act upon his own convictions without apprehension of personal consequences to himself." This law has been extended to cover judicial decisions that could be improper and erroneous. In dismissing Waco's suit, the "conservative" (sic) Supreme Court relied on a 1978 case, *Stump vs. Sparkman*, where the judge had ordered a mildly retarded woman to be sterilised. Now can we see where this is going to lead to?

The Thomas hearings are now history, but the long knives have not been sheathed. Reports from my intelligence source in Washington indicate that a number of Republican Senators are going to be

"disciplined". High on the list for such action is Senator Simpson, whose outspoken attacks on Miss Hill aroused fury among liberals, pro-abortionists and the so called "feminists". Others who are going to feel the lash of the establishment liberals are Senators Orrin Hatch and Arlen Specter. Specter could hardly conceal his disdain and disgust for Senator Kennedy.

European viewers were astonished over the performance of individual Senators. Senator Heflin came in for some choice comments. Heflin tried to convey the impression that he was "agonising" over what Miss Hill's motives for lying might be. He is probably a better Senator than he is an actor. European viewers--and I am sure this applies to United States viewers also--easily saw that Miss Hill had been set up by the pro-abortionists and so-called "feminists" as a last-ditch effort to derail the Thomas nomination, knowing full well that Thomas is the vote needed by the Supreme Court to overturn *Roe vs. Wade* and put an end to the hideous mass-murder of children going on in this country under the guise of "women's rights". I hope someone will tell Senator Heflin to stop "agonising".

Investigations into who leaked the FBI's report on its investigation of Miss Hill to the press are ongoing but will amount to nothing. The truth is unlikely to ever come out, and serves to illustrate that the art of dirty tricks is not dead. My source in Washington is of the opinion that a member of Senator Paul Simon's staff was the culprit and that Simon and other Democrats on the committee are presently engaged in a furious cover-up damage-control exercise.

There is unlikely to be any action whatsoever against Representative Barney Franks who is clearly guilty of gross misconduct involving a homosexual liaison and suspicion of being aware of a homosexual ring operating out of his apartment. It seems that Frank will escape with only a slight tap on the wrist. This is a slap in the face for the American majority who abhor homosexual conduct.

Kissinger still busy

Deputy Secretary of State Lawrence Eagleburger, acting as a surrogate for Henry Kissinger, has not abandoned plans for Hungary and the Danube Basin. The idea was first put forward by Kissinger Associates' client R. Mark Palmer of Central Europe Development Corporation (CEDC). Geopolitics is at the heart of this development which is part of the strategy to keep German "expansion" under control, as Palmer calls it. Britain does not want Germany to be in a position to take trade away from her.

Palmer and CEDC are creating a financial chain in Eastern Europe that will shut Germany out of the Danube basin countries. Participants in this anti-German scheme are France, Britain and Hungary. If the plan succeeds it will give rise to the same kind of serious aggravation that led up to the Second World War. Kissinger and Eagleburger are playing a dangerous game, without the authority of the people of this country, and it must be stopped for once and for all.

Especially appointed to his post for the purpose of promoting CEDC aims under diplomatic cover was Ronald Lauder, assisted by Albert Reichman, Canadian real estate billionaire. Palmer played a double and some say illegal game by using his post to promote CDCE aims while he was still U.S. Ambassador to Hungary. This is commonly known as "conflict of interest" and apart from being highly improper, may even have been illegal.

My economic intelligence source described Palmer's actions (on behalf of Eagleburger) as "highly reprehensible". U.S. Office of Government Ethics has Palmer and Eagleburger under investigation but my source feels that, given Kissinger's deep layers of protection within the Bush administration, that reaches back directly to the Royal Institute for International Affairs (RIIA), nothing will happen to change the dangerous game being played against Germany's national interests.

In 1985, Kissinger told the RIIA that he worked for them rather than

for the U.S. My intelligence profile of Kissinger would make this a correct statement, since Kissinger, from his early days, was under the influence of the philosophies of Round Tablers A.D. Lindsay and T.H. Green who controlled the Oppenheimer networks in Germany. The British intelligence network at Balliol recruited Elliot, Green and Lindsay who, on their return to the U.S., became agents-in-place for M16.

It was Elliot who, in 1938, printed as a book an M16 British intelligence paper laying out steps to be taken to induce the United States into the upcoming war in Europe. Elliot called "his" book "The British Commonwealth at War". Elliot used his position as Staff Director of the House Committee on Foreign Aid from 1947-1949 to ram Churchillian rhetoric down the throats of members of the House and Senate. In another British M16 paper "book", which Elliot called "The Pragmatic Revolt In Politics", he refers to Kissinger as "my adopted son". This set the seal upon Kissinger as a British agent.

Eagleburger and his associates have set Yugoslavia aflame in a genocidal war. They must not be allowed to cause similar trouble in the Danube Basin. The GRU is fully aware that Kissinger and his fellows are trying to cause problems for Germany, and it is unlikely that Orgakov would stand by and allow Russian-German rapprochement to be compromised.

As it is, Kissinger and his messenger boy James Baker III are heartily distrusted and detested by Soyuz and the Soviet officer corps in general. Bush approves of the dangerous game being played by Kissinger Associates, because, as I explained in WER, his hopes of distracting the attention of our people away from the economic disaster about to envelope our country lies in a war in the near future.

In another area of Europe, Kissinger is also hard at work

through Jeffrey Sachs, the whiz-kid economist who wrote the blueprint for Poland's economic destruction, a fact only now being recognised by poor Lech Walesa. What the Sachs plan envisaged was a destroyed Polish economy that would never be of any use to the Soviet Union. The Central Intelligence Agency (CIA) is working round the clock to prevent former satellite states of the Soviet Union from regrouping behind Moscow (see next story).

However, both the Polish and Russian peoples are canny and earthy, so they have resorted to barter, the oldest means of trade. On September 3rd, 1991, the Soviet Union and Poland signed a Trade Agreement which is the forerunner of similar agreements that will follow with the Baltic States and Ukraine. The new agreements are a slap in the face for Sachs and his hard currency advocates that would have kept Eastern Europe at the mercy of the U.S. which is what Sachs tried so hard to impose on Poland last year.

It will also solve currency problems such as exist between Lithuania and Russia, with the former having the stronger currency. Barter trades will eliminate this problem and Vice President Ratkevicius of the Lithuanian National Bank said as much on September 3rd: "We would turn to

settling our trade in the old barter system."

This would eliminate ruble conversion of which British economist and Foreign Office consultant Peter Oppenheimer said, "There is no need for ruble convertibility for years to come." The U.S. plot to gain control of East European economies looks like it is failing.

"Directorate 5" is a CIA desk dealing almost entirely with economic intelligence. Like British intelligence, the CIA knows that since all wars are economic in origin, it is essential to keep on top of economic conditions around the globe. After a two-year study, Directorate 5 has submitted its report to President Bush.

According to my intelligence source, the report concludes that "Aid to former Soviet East bloc countries (by the U.S.) will only result in the birth of a new economic giant and a direct competitor in world markets against the United States". This is nothing new, the CIA report on Japanese economic development in 1938 gave rise to Pearl Harbour.

Directorate 5 views the emerging former East bloc nations, Poland, Czechoslovakia, Hungary, Bulgaria and the Soviet Republics as individual nations that will expand with

development because these regions have the richest potential in Europe in petroleum, gold, uranium, coal, iron, and silver.

The close proximity to Europe of these "nations" is another cause for CIA concern, as it is expected that cooperation with Western Europe will eventually provide funding that will turn these countries into a "collective giant". It was fear of exactly this that caused Washington to write Bukharin's "New Economic Policy" (NEP) in 1934, so that Washington could gain and retain control of the Soviet economy.

But Stalin saw through the ruse and Bukharin and thousands of his "Washington cosmopolitan friends" lost their lives. It would appear as if Directorate 5 is making a new attempt to bring this entire area under U.S. economic domination. Certainly it all ties in with Kissinger Associates' activities in Yugoslavia and Hungary. The situation is filled with peril. A couple of faulty, risky moves by Kissinger and his British agents of influence could set the stage for a new war, unless these uncontrolled agents can be curbed soon.
