"THE TRUTH WILL SET YOU FREE"

JULY 7, 1992 VOLUME 19, #12

## Sobering Thoughts On The Fourth Of July

**7/4/92 #1 HATONN**

*(Editor's note: Between this run-down of "front page" news and the little matter of a few secret underground bases we outlay starting on page 2, it might be a good idea for us all to stop and think a bit on just what it is we are celebrating anymore on the 4th of July.)*

INDEPENDENCE DAY?

As we sit to pen this day I am appalled at the requests for a dissertation on "America" and her freedom and independence.

How can I comment on that which is NOT? You have NO FREEDOM and you HAVE NO INDEPENDENCE—YOU ARE, IN FACT, BACK UNDER TOTAL RULE OF THE BANKERS—OF ENGLAND!!

Moreover, this day you are held total hostage to "events" of technology powerful enough to destroy your nation in fifteen minutes without firing a single "bullet". Blackmail is being used against you from every direction—from your President to foreign nations with more "power technologically" than have you!

ROCKETS RED GLARE

Well, a better observation would be: "Red" rocket's glare! America and other parts of the world, but especially America, for you are efforting to counter the moves, are under total siege and CONTROL through what APPEARS to be "NATURAL EVENTS": earthquakes, UNSEASONABLE storms with tornados, volcanic eruptions, etc. All are unable "to be un-

derstood" by geologists and meteorologists. I guess not—THEY ARE MANMADE.

Moreover, all the rocket launches from your nation this week are in an attempt to stop what is going on. Interestingly enough, the original plan was to bring the West into subservience with earth upheavals via the "grid" system established by your Elite and prana wave pulses. But, you got "had" and now, one blast to the trigger "button" on the San Andreas fault system of California will bring the coast into rubble. This can be done in only mere moments by none other than the Russians.

**How can I surmise such a thing? WATCH THE NON-NEWS IF NOTHING ELSE. WATCH "WHO" THE MAJOR PLAYERS ARE IN THE GAMES AROUND THE WORLD AND THE PICTURE WILL BEGIN TO COME INTO FOCUS.**

HOW CAN YOU CALL IT  
"RUSSIA"?

Simply by seeing what is afoot: The Russians are demanding and getting included in the conference of the major seven (G-7) financial "greats" of your planet.

How so for they are totally bankrupt? Easy—blackmail. Let them in or your planet will simply be a pile of rubble! So, coy as kittens, Bush pushes for G-8 (to help the Russians get on their feet and recognized). The Russians, meanwhile, insist on full permanent status—AND, to repudiate their DEBT for a minimum of TWO YEARS (by the G-7 nations). Believe me, it WILL happen.

FOURTH OF JULY—  
UNDERCOVER

What will happen today, the Fourth of July? Watch the "big boys". It is said that Bush will spend his holiday in Florida and North Carolina. Indeed he will in spite of complaints of his visit—by Black leaders. Then he "heads for Germany and the World Economic Summit (G-7(8)). He is going South to find "safety" and to get his marching orders. I suggest you study, carefully, documentation of the "Bush" involvement in Florida, Zapata and Bushlets who are placed in those strategic locations to attend the Bush interests.

# Secret Underground Facilities: Your Tax Dollars At Work

*(Editor's note: The following presentation is an assemblage of writings that were scattered over several past issues of THE LIBERATOR and concern super secret underground facilities and some of the astonishing things that go on therein. The total picture is one of outrageous deceit, of technology gone crazy, and of the use of that technology against we-the-people whose tax dollars pay for these facilities.*

*The recent "unnatural" storms and earthquakes across the U.S.A. whisper that the Elite may be gearing up to unleash—very soon now—something much bigger upon an unsuspecting public to help bring about the New World Order.*

*One of the most important of those engineered catastrophes has to do with what goes on at some of the secret underground facilities. And for that reason we have collected this information together for your reading "pleasure").*

**1/1/92 #1 HATONN**

**NEW YEARS DAY**

Hatonn present in the Holy Service of God in and of Light. Let us collect our fragments and still the currents of confusion. You will please keep ever present in your minds the impacts of these new year moments. This is to be a year of most unexpected changes which will boggle the minds if you allow it. The adversary plans great changes to come about in these months at hand.

**TRUTH STRANGER THAN  
FICTION**

It is time to write of things

which will be compared by every "crazy nut" to that which is already being filtered down into your consciousness by the misinformation and disinformation bearers. You are now such a controlled society of people that the differences will elude the multitudes and you shall be given into the perceptions of insanity from time to time. I must write in TRUTH so that as things unfold in the confusion of the Planners' timing you will not be either surprised nor impacted by the blatant size of the lies. Always realize that somewhere in the middle of the extremes of projections will be found the truth of the tales which are now going to be loosed upon you. We will speak in specifics in some instances but I will use generalities in explanation to cover much up-front which will later be spoken of more leisurely.

**What I have to tell you is already breaking forth from the more "wild" of the UFO community of deceivers but, you see, the only thing wrong with their conclusions lies in the assumptions of "alien" beings instead of manufactured earth-bound beings. This is THE MOST IMPORTANT facet in the wrong conclusions but, nonetheless, it is time to speak of these "incredible" circumstances before the news hits the headlines.**

The point of actions from here on in will be to panic and paralyze you citizens with the sheer magnitude of the technology present upon your place. The adversary has been working toward his goal of world domination by year 2000 for thousands upon thousands of

years and you are now within the final decade of the entrapment so you are going to be shocked and terrified by that which will come into your knowledge.

I have gained a reputation of doom and gloom—fear mongering and even being Satanic. No, none of those things but what I will outlay to you "ordinary" unknowing people will be mind-boggling and beyond science fiction of any kind shown to you prior to now.

## NO ALIEN THREAT

**The ultimate punch-line to the adversary's plan is to align the masses into unity through assumption of an outer-space alien threat to the planet.** No, I repeat—you have no enemies in space—they are all land-locked and the plan so well laid and orchestrated that the presentations unto you will cause you to believe that which they will tell you. I must tell you the truth prior to the "pranks" because only in that advance warning will you be prepared. ALWAYS as things unfold—look unto the PHYSICAL ASPECT. GOD is a SPIRITUAL influence and condition and thus, that which is manufactured and manifest in the physical and breaks ANY BIT OF EVEN ONE LAW OF GOD IF PRESENTED FROM THE COSMOS, IS NOT OF GOD BUT SERVES THE ADVERSARY—and you are in for some real doozies right away now.

You will continually harken back to the writing of yesterday as we write during these coming days because you MUST know of the separation and sorting and if you are still playing games

with God, I suggest it is now time to stop it. GOD is not a groveling wimp who will allow you to go into infinity with such stupid ideas and actions as you have been told. HE WILL ALLOW NO EVIL ACTIONS OR INTENT WITHIN HIS HOLY PLACES! That means that it will be only through honorable service and intent that you will make that journey WITH God. You may get interim placement but you had best look most carefully at intent because the days shorten into a very precious few. Each day will be a gift of gifts.

The intent was to pull off a planetary testing of the massive Woodpecker/Wormwood pulse system now fully connected. If those tests go wrong you will have an ignited radioactive belt about the planet. The assumption is that at worst it will keep the Hosts from entering your space. It will NOT do so. However, **your Elite controllers now have finished and interconnected underground survival centers worldwide and connected by channels with such advanced technology that hundreds of years can be spent comfortably in shelter while the surface recovers—if necessary. This will be utilized above or below sea level. It is only you-the-people that have no shelters and will not survive.** You still have time for action because a few things are not complete and final function of the "system" will be more perfected if the "Plan" is more fully complete than on this day. However, as of day one of January, 1992 the system is linked and the Elite ARE IN CONTROL. That does not mean America, chelas.

What you DO have this day is a breakdown, however, of the Soviet break-aways and the Zionist elements. The break-away nations and the fundamental elements of the Russian coalition will not tolerate either Yeltsin or the Zionists, even if a full-scale nuclear war must be had immediately. When Shevardnadze says you should be worried mightily about those nuclear weapons in the "wrong" hands—he speaks much too softly—they are poised and ready to fire. But that is not the subject of this evening's writing.

### UNDERGROUND BASES

It is time I confirm and explain the presence of massive underground systems throughout your globe—which are very "human" oriented and occupied.

You will be told that these installations are headed and run as a hostage situation—by aliens. Reptilians and Little Grays. BS! Are there Reptilians and Little Grays present? Indeed! There are massive numbers of them—all cloned, replicated and terrifying. You will further be told that they hold your government hostage. More and deeper heaps of lies—they are produced by the good-will dedication and greedy money grubbing governments at the control of the Elite Committee of 300 who operate out of Switzerland and headed by the Royal Crown of England. These are the Satanic British Zionists originally known as the Serpent People. This is exactly why the Reptilians will be presented to you as the ones in control. The Serpent is the symbol of Satan and these ones have never even bothered to lie to you about their label.

### WHY SO MANY UNEMPLOYED

Sit quietly for a minute and consider numbers with me, for as these underground facilities

are coming to finished status there are a lot of suddenly available unemployed. You are showing increased numbers of unemployed NEW sign-ups of half a million a week. You are talking now of millions out of work— from where? Yes, from all over, but WHY?

How many people, say, in the area of Lancaster/Palmdale, California, might you personally know who work in the aerospace industry wherein groups work on items which are isolated and secret with penalty of death as reward for tattling? Almost all is done on "need to know" basis and ones are going to realize they have been working on projects which were so unworldly as to shock Spielberg. Worse than what appears on the surface, they are subjected to mandatory testings, physicals, etc., where they are totally programmed "to forget" what they have seen and heard.

I am going to name some names and places (locations) so that you can check them out as to authenticity and then you will find it easier to accept truth as it is unfolded to you.

### LOCAL SECRET PLACES

We will start in the local area of Southern California in the Edwards Air Force Base area extending in a large triangular shape which includes all the way to Pasadena, Long Beach, Palmdale, Lancaster, Tehachapi, Mojave, Edwards and China Lake—just for starters.

We have spoken often already about the areas of "51", "72", Dulce, etc., in Nevada, New Mexico and Arizona so we will leave it to suffice that duplication is present in those places as well. Ones who have had the "privilege" of tourist rides into Yucca Mountain to check out the tunnels for planned nuclear waste sites will not be as shocked as the rest of you unsuspecting ones. At Yucca Mountain alone there are over 35 major tunnels which totally

catacomb the mountain at all levels as deep as several miles. There is only one tunnel open for public eyes and it is impressive enough to stun the eyes and minds of hardened engineers.

In the Palmdale area beneath a "hanger" type building, which actually is movable on tracks, is a multilayer technology center over eight levels in depth and the size of a massive city. The workers are mostly manufactured robotoids and synthetics made for labor with computer intelligence. Human participants are of the "Ultra top-secret clearance" personnel.

At Edwards launch area in a bluff (butte) called Haystack, there is an even larger installation underground with incredible beam pulse systems, aircraft launchers, stealth equipment in coalition with the Soviet Cosmosphere program with total capability of destroying the planet in some 15 minutes.

Locked into that installation is a massive underground facility near Tehachapi called The Anthill (Northrup). There are open silos wherein light laser systems are tested and cosmodrones sent out like marching armies to probe electronically. They are like little basketballs of light running usually to blue and sometimes golden/orange.

These particular installations are carved out with digging equipment which melts the mind as to possibilities as nothing stops them—not rock nor metal. They are drills tipped with diamond bits and carve a 40 ft. tunnel in mere hours. Interconnecting these installations are high-speed transit rails with "trains" which "fly" on an electromagnetic system off the ground at incredible speed. There has been a lot of "blasting", also, but covered by the stories of aircraft moving through the sound barrier and after a while it simply became that no-one paid any attention.

### BEINGS INVOLVED

I don't even like to speak much of the Reptilians because they are dramatically for fear effect. Some are simply beings with leathery type of covering for protection purposes and are no more than humans in costume. The Little Grays fit into a different type of category and if not selectively handled get completely out of control. These are both comprised of manufactured (soul-less) beings without compassion or feelings of any type. They are very "strong" physically and the "Grays" can literally infiltrate into the substance around them, i.e., they can "float" or disperse through a wall or door, etc.

There is a third type of replicated being made in the form of that which is presented to you on television as an "Orange". These are computer-bright but basically clone laborers. These are very human in appearance but too synthetic to fit in with your citizenry.

I am going to remind you—**THESE ARE NOT SPACE ALIENS ALTHOUGH PATTERNED FROM ORIGINAL ALIEN ENTRIES OF EONS PAST.**

I hope you are beginning to get the picture, chelas. These are the adversaries OF GOD and of we, the Hosts. They neither have the technology to traverse the cosmos nor are they even allowed into the space beyond the Earth orbiting system at best.

These ones are led and controlled by the entities who would Rule the Earth and they are the reflection of hybrid, emotionless beings who serve the World Order "Elite". They are basically Satanic tools and act on direct orders of the controllers.

### WAR OF THE "GODS"

We don't speak of "Gods" as such, but the idea fits. It is the time of sorting and separation of the participants (players) on the physical orb called Shan (Earth). It is the time of retrieval.

**THE END MUST JUSTIFY  
THE MEANS -Matthew Prior**

of God's children who are experiencing on the place for all sorts of varying reasons in soul-growth progression. Evil intends to rule the globe and all things thereon. But, he has already destroyed the bountiful wonders of the globe and it cannot continue as is. Therefore, the plan is to take control through whatever means available—preferably leaving a remnant of Godly slave laborers and annihilation of other souled beings. This will be accomplished in two ways.

1. He will simply convince the souled being that God is not who and what He claims to be. Those unthinking masses will simply be led down the "primrose" paths through the mire of lies and disbeliefs of truth. These, for the most part, will be called Christians (by any other label). These ones will be sidetracked into a belief system which revolves around the human physical being of, say, a Jesus Christ or Buddha, as adequate examples. They will set their intent upon denying and "proving" the non-presence of God, Hosts, Goodly Aliens, etc.—anything of the Spiritual realms of Light. Their whole intent will claim infinite experience but will be entrapped in total physical and material matter.

2. He will simply enslave physically those who stand against him and as ones are no longer useful, they will be slain and/or used for testing, etc. Disease will wipe out multitudes and then wars will annihilate millions, famine and exposure will get more and in the interim, all dissenters will be interned in compounds if they are thought to be dangerous to "the cause".

Ones who go about their business without great confrontation will be basically left alone if they are in areas wherein they are no bother.

### GOD WILL NOT INTERFERE

There is full understanding

between the higher "commands". Our people are not to be harmed. This does not mean that ALL know this even though ones who attempt bodily harm are usually taken out a.s.a.p. by their own group. The adversary will not risk encounter with my Command. God's people are "off limits". I suggest you be making very, very sure as to whether or not you are one of God's people. Don't ask ME! If you don't know then you better get awfully worried.

Does this mean that God's people will not be caught in anything nasty or negative? No, many of you will perish and no place, as such, is safer than any other. I can assure you that you will have colds and flu, get cold and get hot, hungry and tired just like everyone and anyone else. You WILL be allowed to fulfill your mission whatever it might entail and you WILL BE RECLAIMED AND BROUGHT INTO SAFETY AT THE APPROPRIATE TIME.

There is time left for action in almost unlimited manner if you utilize that time well. Things are not in order to the point of desirability on the part of the Planners so you will simply work within that circumstance in which you find self. There are still some methods of assisting selves with security in ability to barter, etc., if you use intelligence. Violence will simply get all of our workers killed and it will not be tolerated—if I have to tell you that point then you are going to harm more than serve good. You will be sly as the serpent and gentle as the dove—dead martyrs serve no one. Your job is not to fight the war—yours is to bring Truth, put it to press, assist wherein you can by example without force or undue nagging for each will have to know for self. We must have a "remnant" and that means that you of my command will not act in foolishness or you will be put to the side lest you endanger the entire lift-off program. You will be given to know your task when appropriate and

he who acts in greed will be put to last. Know that we can beam you up into safety from Mars if need be. I can get you aboard the *Phoenix*, for instance, which is far outside your orbiting place.

### OTHER PLACES IN THE U.S.

There are massive bases in Canada but some of the more important strategic centers are, of course, around (under) Atlanta and Arkansas. In some of those areas there were already an underground "alien" race and massive tunneling complex. There are also ancient tunnels under Tehachapi, for instance. The military has now tunneled right to the side of the crystal in Tehachapi and we have now blocked their entry into that portion of their system. Only a tiny portion of the crystal in point is allowed the use of Earthians.

### POISON WATER SUPPLY

Other bad news includes a slow and deliberate addition of herbicides into the water systems of your cities. Most is by accidental seepage from growing fields at very low levels of toxicity but now covering massive areas. As water supplies dwindle in the areas stricken by drought there will be more and more actual toxic response to that pollution. There will also be virus infection via water systems whereby whole villages and sections of cities will become ill within hours—simultaneously.

The cover-up is massive and "leakers" or "speakers" are dealt with instantly by either absolute negation of "law" or injection or by death—mostly the latter depending on the importance of the "squealer". You have ones in the local group who are targets who managed to survive all three types of assault. I will tell you now, it is very difficult to kill one of my people. Usually the journey to this side is vaguely remembered and almost always the trip itself

is recalled and known at the time and again remembered at some time later.

### AM I TELLING YOU "IT IS OVER"?

No indeed. I am simply telling you that you must be ready for that next assault on your beings as we have described it in the past. Remember, I told you that before you are through, the enemy will blame all things on aliens to prevent any of you being reclaimed by God—**THE BATTLE IS FOR YOUR SOULS—ONE DIRECTION GIVES TOTAL FREEDOM AND THE OTHER ENSLAVEMENT AND YOU MUST DECIDE WHICH YOU WILL EXPERIENCE.** How many will see through the facade of the physical illusion and into the co-creatorship which produced that illusion? When you understand God then you will also understand that it only requires YOUR decision. It is up to YOU to choose the gold or the gold-covered lead! Both appear the same and often the lead covered in gold appears the more shiny and desirable to the fleshly experience. The lead actually has more value in the higher experiences.

A guide to "clues" is also available to you who will mentally take a look. The protocols and instructions are in place. Bridges, passes and area dams are now bombed (mined) and tracking stations already in place—to keep ones in the area wherein you ARE when the curtain falls. This means a shut-down of all international travel, and interstate travel as well, as time passes. The point is to actually lock you into a small area of location and one in which you can be easily controlled and accounted for. Note the closure of one airline after another and note how many of those airline planes are at Mojave! As surface travel is shut down those parts will be utilized for other types of vehicles and weapons.

The plan, of course, is to allow things to appear natural

in their occurrence—i.e., the markets will fall and you will be in a depression but always with the prattling that “it is getting better”—“just a fluctuation”. You will be like the Russians—into disaster without realizing it happened to you. In your confusion you will get deeper and deeper into the pit until the trap is closed. Then the government will simply pull out all resources (welfare) and it will appear most spontaneous because, after all, a government without money cannot maintain anything. The ignorant will remain ignorant and in denial until it is over and some will never know differently, much less admit that what we gave forth was right and correct.

Will you go down without revolution? Probably not, but the bigger gun usually wins, especially if he has trained himself to be more clever. You, dear ones, have been uneducated and many of your so-called educated adults can neither read nor write.

BUT WHAT OF ARMAGEDDON? “YOU SAID - -”

Indeed I did and you can expect eruption in the Middle East momentarily because the Zionist impact is into the areas of the break-away Republics and the military Soviet machine is efforting right now to squelch any anti-military control. The military machine is on the march and it will prevail. It has been carefully orchestrated to get nuclear capability into the hands of all the little antagonistic nations to specifically allow for war. Oh indeed, if there remains a world of nations, there WILL BE AN ARMAGEDDON. I remind you—the plans are finished, for all practical purposes, to totally leave the surface of the planet to destruction while Satan and his henchmen move into those worm-holes underneath to “ride out” the storms.

In all of the installations are men, women and children synthesized and ready for repro-

duction at such time as viable life forms can be reintroduced.

You of the remnant of God’s people are for the purpose of making sure all of God’s people are aboard and into security when departure time is at hand.

Yes indeed, I am talking about the total departure and separation of God from the planet leaving the evil manufactured entities to their destructive and depleting cycles.

Some who are left and made poor choices on the wrong assumptions will be allowed growth at separation from the physical as soul separates from physical life-form but this will only last through a couple of generation cycles at most. However, the truth will be made obvious and there will be opportunity to again stand in the place of God. It will, however, be only briefly and then, finally, the planet will be left to cleanse and recover as life forms are simply cycled away as living conditions become too hostile for all life forms.

BUT YOU SAID “WE STILL COULD - -”!

Yes I did and do! But will you? You don’t even have many who even believe what I just wrote to you. “Oh,” you will say, “...that is just stupid but unreal science fiction.” Yes, that is what they assume you will say and how you will react to Truth. How comfortable are you this moment? How stable is the economy? How stable are the jobs? How healthy is your society physically, emotionally and spiritually? HOW do you believe it can RECOVER? Where have all your industries gone? Well, brothers, most of them have literally gone underground—where they don’t need YOU any longer. The Plan is to bring the population of this planet down again to 500 million people and no more—that means some 6 billion people will be killed—one way or another. That also means that a lot of God’s REAL children, with

proper intent of Godness, will be watching from a nice safe distance in order to begin and establish a working system within Radiance.

As I remind Dharma of the experience of total treasure when the very hand of God brought you out of the void of mist—so shall that hand lift you into eternal radiance—IF YOU HOLD UNTO THAT LIGHT OF TRUTH FOR THE TIME IS AT HAND FOR THESE THINGS TO COME FORTH UPON AND UNTO MAN OF EARTH PLACE.

**IT MATTERS NOT WHICH IT BE IF YE ARE PREPARED. I MUST GIVE YOU BOTH EXTREMES AND THE MIDDLE PATH—FOR UPON MAN’S CHOICES RESTS THE JOURNEY. IF ONLY ONE MAN WOULD RECOGNIZE HIS GOD POWER, THE ENTIRE PLAY CAN BE CHANGED—WILL YOU DO IT? YOU HAVE PLAYED BY THE EVIL RULES AND SCRIPT FOR SO LONG THAT YOU HAVE FORGOTTEN TO INCLUDE A NEW PLAY-WRITE!?!? WHO WILL APPEND THE ENDING TO THIS PLAY? WILL YOU ALLOW GOODNESS TO PREVAIL, OR EVIL? THE HOUR-GLASS LAYS THERE UPON ITS SIDE—HOW WILL YOU TURN IT? WILL YOU TURN THE EMPTY SIDE TO “UP” OR THE “FULL”? GOD WAITS! EVIL WILL NOT STAND IN THE LIGHT AND TRUTH IS THE LIGHT AND THE LIGHT IS THE WORD AND THE WORD IS GOD! SO BE IT.**

**I SHALL LEAVE YOU TO YOUR THOUGHTS AS I OFFER THE GIFT OF INFINITE LIFE AND LIMITLESS POWER TO CHOOSE. ADONAI!**

UNDERGROUND FACILITIES  
(Continued)

Since speaking about the underground facilities around this California area, I am, as expected, deluged with inquiries regarding other placements.

I will make a point of going through the various states and giving you some idea where the major installations are and where there are missiles. I don’t have time to be totally specific nor give maps with specific tunnel runs, etc. Please don’t expect more for it is dangerous for these writers here to present such a thing but I will share some information so that you can be alert and you who do have contacts might get the areas more specifically defined and updated. Revealing the secrets is the only defense you have.

Most places are covered with rumors and things like, “...well, I’m working on ‘need to know’ basis and I said I wouldn’t tell.” This means that number One: they are working on something they actually know very little about. Two: they are working underground on installations but have no idea of the broad picture. Three: They are threatened on the basis of “national security” and threat of punishment for treason and Four: They (with family) have been promised the reward of safe placement IF they keep silent about the truth of the installations.

ELITE GOING UNDERGROUND

Already the “big boys”, as industry is shut down, are moving into the safe shelters—you are that close to probable danger.

You will now find that you will get no help from your government in the building of shelters so you are on your “own”, so to speak. You should continue to ask for public funding but do not expect it and do not base your security on the possibility.

In areas of these massive underground installations and nearby “bedroom” areas, such as Tehachapi, you have a situation of “vacant census”—which means that you have many houses which are now partially (occasionally) occupied but

which will empty very soon now that the facilities are operational and the major "building" and construction are finished. Places such as Tehachapi will likely end up pretty much a ghost town but will be quite ideal for young industry in food-growing, dairy farming, etc. This is because the full underground cities will not become effective yet, for the Elite. Ones who are not invited within will have to move on to find work so much movement will need be back into the cities.

### 3/5/92 #2 HATONN

As I sit to write this portion regarding missile sites and underground facilities—please understand, I simply cannot take time to do a run-down of the world. There are other Commanders in other parts of the globe and I, for time reasons, will only handle the United States. Keep in mind that what I am going to indicate does not have to do with simple military installations, etc. I am only going to deal with underground missiles and military installations underground. I will miss some for much is being enlarged daily—but now that most of the major construction is finished **it will suffice for impact to allow you to recognize how truly uninformed you are as a nation.** You in the other parts of the globe can consider that you are in equal or worse shape—especially any "colony" of Great Britain.

The logical inquiry regarding these massive underground installations is "how could they do that without having huge mountains of dirt to move and it would show!" No it would not—they have equipment now that will tunnel and melt the earth material into substance which can be utilized for the walling and shoring. This condenses the quantity of material into a small percentage of that with which the project begins. This tunneling equipment works with a diameter much larger than

the average sized home so you can see how advanced is the technology.

I ask you not to write me about specifics nor locations—I welcome any information which any of you wish to share for either my private confirmation or for sharing but please do not expect me to give specifics or long dissertations on various locations for I shall not do so—I hesitate to even give this much information for I will have to increase the shielding for my own crew because of it. I am most pleased to handle any private correspondence but it will be one-way for a period of time, perhaps. Some of these areas will only represent having underground missiles.

I will effort to give nearby sites as reference, i.e.: Alabama: Maxwell A.F.B. north of Montgomery, south of Rattville.

#### **ALABAMA:**

Anniston Army Depot south into the Tallegeda National Forest under Cheah Mtn., drawing water from the Coosu River.

Maxwell A.F.B, north of Montgomery, south of Rattville—drawing water from the Alabama River.

Fort Rucker: MAJOR SITE—very large area. North to Brundidge, east incl. Arifton, south-east to Ozark, south almost to Hartford and west, almost to Elba. Drawing water from the Pea River Res., predominantly.

#### **ALASKA:**

Massive water tunnels and underground facilities and missile sites in an area running from Kotzebue to Ruby to and including all of Norton Bay.

In the Fairbanks area including all of the Harding Lake Rec. Area.

Stoney Creek area, in the vicinity of the **Redoubt Volcano.** **[H: You should pick up a great "clue" right here!]**

#### **ARIZONA:**

Arizona is so sprinkled with installations housing missiles that it is hard to separate them from Nevada so I will include the southeast corner of Nevada also.

Small installation between Mesquite and Glendale.

Large installations between Searchlight and Boulder City.

Border of Nev./Ca. directly north of Needles, Ca. in line south from above installation.

East of Kingman some 35 miles east, past junction of 40 and 93. Right under and around I-40 directly in-line south of Peach Springs. Desolate territory with few landmarks.

Area under I-40 between (approx midway) Winona and Winslow.

West of Phoenix under I-10, approx. midway between Wintersburg and Quartzsite.

Between Yuma and Casa Grande on (under) I-8, approximately midway between Mohawk and Sentinel.

North of Yuma on H-95 approximately midway from intersection of H-95 and I-8 and Quartzsite.

Fort Huachuca near border with Mexico in general area of Huachuca City.

#### **ARKANSAS:**

In Arkansas there is a different situation wherein you have a lot of useful natural formations which allow for utilization. Most of the facility activity has been focused on the Ft. Smith area taking in the entire Ft. Chaffee military res.

#### **CALIFORNIA:**

California has so many installations that it is all but impossible to point to them all. The ones along the coast are set up so as to be open for massive underground moving of equipment in event of quake or coastal devastation. Underground tunnels are structured in order to move nuclear submarines from the Long Beach area to inland to tunnels to move ground equipment by surface to inland. We will not focus on any one area to great extent for as we list the area, say, of Lancaster, it will generally take in Lancaster, Palmdale, Mojave, Edwards and up to Tehachapi areas of Northrop, Lockheed, etc. Remember that in this particular listing I am giving you **"general**

**areas"**.

Starting at the north end of the state: a very large area including all of the Round Valley Indian Res.

Area all around Ball Mountain **intersecting area of Red Bluff and including Red Bluff.**

Massive area including just south of Alturas, including Likely and Madeline and east almost to Eagleville. Includes the entire origin of the South Fork which eventually makes its way to the Pit River.

Oroville

Downieville

Yuba City and overlapping: Nevada City, overlapping south to

Grass Valley (massive area). Lake Tahoe-Tahoma-Emerald Bay

Placerville area from Coloma to El Dorado to Kyburz

There is a NOTICEABLE absence of major facilities around San Francisco, but a MAJOR dual installation directly east in Nevada at Hawthorne and including (under) southern portion of Walker Lake.

Coastal missile facility including Pacific Grove Monterey to Salinas—including Ft. Ord.

West of King City, including all of Hunter Liggett Mil. Res. south including Nacimiento Reservoir east to overlap facility which takes in a large area including Camp Roberts and Paso Robles.

Major crucial sites at area of Camp Nelson northeast of Porterville and entire area of Tule River Indian Res. and on south almost to Woody—in the Sequoia Nat'l Forest.

China Lake—massive.

China Lake Naval Weapons Dep.—massive.

Fort Irwin—massive. On H-54 southwest of China Lake, northeast Tehachapi, approx. 50 mi. northeast Mojave—large facility.

Lancaster/Palmdale and points east: MASSIVE, taking in areas from northwest of Barstow to east of Barstow to some 30 or so miles east of Barstow on I-15 (desolate area).

This area is in conjunction with the mammoth area of the Nellis bombing and gunnery range and the entire Las Vegas area.

In the Palmdale/Lancaster area must be included Edwards A.F.B., a facility on H-395 at Adalanto and a facility on I-15 between Victorville and Barstow (about mid-way). These sites located on major interstates and well traveled roads are to allow for checking stations as you move further into the controlled environment. These are located in areas wherein there are major connections with interstate facilities—some three to five just between L.A. and L.V.

The entire Twentynine Palms Marine Corps Base and area between and including Ludlow to Twentynine Palms.

Facility on I-40 about mid-way between Ludlow and Needles.

On I-25 south from Denver, all of the Air Force Academy, south to the area southeast of Colorado Springs (Ft. Carson).

All of the area east of I-25 at Fountain north of Pueblo; this

is actually a place known as Peterson A.F.B. This is a major and important location.

Chicopee/Springfield  
Woodstock (large facility both Mass./Conn.)

New London  
Worcester (Quinugamond)  
Fitchburg (Ft. Devans)

All the Military Reservation and Nat'l Guard Facility east of Buzzard Bay.

#### **FLORIDA:**

Florida is a strange place in that major underground facilities are lacking but missile bases abound in clusters. This is because of the high water table and expectation that with planned earth activities the major part of Florida will be submerged. This requires that the underground bases be along the shoreline and house submarine-capable facilities.

Major installation including Foley, Ala. and the entire of Pensacola Naval Station and eastward all the way and including Freeport and De Funiak Springs and around north to Crestview.

Panama City: all of Tyndal A.F.B. (underwater and offshore)

Large area on west coast at Palmetta.

Interlocking pods all the way on east coast from Miami to the tip including Homestead A.F.B.

#### **GEORGIA:**

Major dual installation at Atlanta in an area taking in Decatur to Jonesboro.

Augusta: Total area including Fort Gordon and east to the Gov't area (massive) including the Savannah River Plant. This is a huge area.

South to Savannah and including all of the Fort Stewart area.

Ft. Benning at Columbus.

#### **IDAHO:**

MAJOR INSTALLATIONS AT THE U.S. ATOMIC ENERGY COMM. RES. north-west of Idaho Falls. This is a most important facility and an extremely dangerous area.

Southeast of Boise on H-84 just northwest of Mountain Home—perhaps 10-15 miles.

All of Mountain Home military facility.

Large installation on H-84 at Malta.

There is another facility just across the border in Montana about midway between Coeur D'Alene and Missoula on H-10 and one south into Nevada on H-193 south of Contact.

#### **ILLINOIS:**

There are only a couple of important bases in Illinois because it is expected that with great earth changes there will be no Illinois. There is an installation and missile sites at Chicago and facilities of both kinds at

Chanute A.F.B. south of Rantoul.

Ft. Massac at the Ky. border north of Paducah.

#### **INDIANA:**

Atterbury Reserve Forces Training Ground including Brown County State Park.

Crane Naval Weapons Support Center

Jefferson Proving Grounds  
Vaconia and entire area connected to include Fort Knox and Federal Depository.

#### **IOWA:**

Iowa can sleep well but don't expect to have an unexpected place to run for shelter. You have some scattered missile sites but no major underground facilities or major missile pods.

#### **REPTOIDS**

To "Robert" in AZ. Thank you for information and suggestion regarding Reptoids. I would have to, unfortunately, remind you that the reptilian appearing humanoids are mostly fabrications of gene and DNA splicing right on your planet by very "human" hands and test-tubes with appropriate hosts. These are unstable, fragile and are "manufactured". These beings are created because of the Elite hierarchy who

represented themselves as "Serpent people" and are most adversarial in intent. They are now proliferated to scare the daylights out of humanity because the human is now trained to hate and fear the snake. This is most unfortunate indeed. These beings who create this "species" of controlled entity are very much isolated to the area of Earth. If you are set-up by the adversary and move with adversarial (physical) intent you may very well be concerned. If you are within God's circle—you have nothing to fear and certainly not from "space".

I am working as fast as the scribe's hands will go to get that very information out to you—involving many of the projections. We must, however, take the most urgent in proper sequence. If you have no society left—then it matters little about those things. We must give you information first which can allow you ability to CHANGE.

As to those who claim that the government and workers are hostage to these aliens and little "grays", I have but this to say about it: if this be true why do those very ones keep the underground for their own use and YOU ARE NOT EVEN ALLOWED TO KNOW WHERE THEY ARE??? If the government and military were not the perpetrators and developers wouldn't they just turn them loose on YOU? These pale salamander people might well exist but it certainly seems that the government keeps them all to selves. For that matter what causes you to think that we won't usurp some of those safety tunnels for you-the-people?

You know why you can tell who is doing what to whom—by the level of "evil" in every form of activity! God hides nothing in the secret places and HIS security is open as the Light of which it IS.

*We are shaped and fashioned by what we love.*

**3/6/92 #2 HATONN****TAPE 1 SIDE A: MISSILE SITES**

H: Good morning, Dharma. Thank you for attending my needs this day. I would prefer that we put these military bases with installations on them and sites of missiles and underground facilities onto a tape. It is too time consuming the way we were working with it yesterday. All we need are general locations but I find that everyone is getting very tedious about it, wanting extremely large amounts of information and I'm not going to go into that. So I feel that the best approach to this is for you just to sit here and you're going to have to learn to deal with this situation of looking. I will effort at giving you the locations and I believe that spelling these proper names will be your biggest problem so, please bear with me if I forget. All you've got to do is go and look upon a road map of some kind but I will endeavor to spell things as we go along and then whether Dharma or someone else takes it off of the tape to list it, it will save us a great deal of time.

We have made it to Kentucky and as our treasure maps are laid forth, Kentucky and Tennessee are adjacent and also on the same pages. Again, I am stressing that I am utilizing installations big enough that they were started in construction many years past and have been continually in development. There will be one or two that we will list, as in California in the area of facilities, as with Angeles Crest National Forest, where those missile sites were put in and since removed, as far as you know. However, those silos have been utilized and the tearing down of those bases and the vandalism which ensued was all very purposeful and other facilities have been built on top of those areas which you would recognize as something else—either a youth camp, some surface governmental installation

or private incarceration facility—so that you are not curious about it. I can tell you now that every vacated missile silo is attached to something underground. I cannot possibly list all of those places.

You in local areas put out your grapevine. You'll find out. It's like our friend, Mr. Quade, said, "Well, that's not a conspiracy and that can't be a conspiracy because everyone knows." No, everyone doesn't know and a conspiracy is two, three or more working together to secretly plan an illegal act—as a result, these are conspiracies. It's very hard to keep total silence but you will note in the area of Tehachapi most of the ones who work and live in the area work in those underground facilities, or have in the past as they are ending their construction phase, so you will find almost a vacated city. There are reasons why ones remain quiet. For one thing, they don't know what they're doing, they just simply work at one of those facilities but that's neither here nor there. Let us move on now. I believe we're ready to begin. We're going to start with Kentucky.

**KENTUCKY & TENNESSEE**

There is an extremely large base and facility that runs north of Hopkinsville, down south inclusive to the west of Fort Campbell Military Reservation. This one will receive water from the great reservoir there, the lake to the east, Lake Barkley and it will also pull from the underground of the Cumberland River. This is an extremely large installation with silos with a lot of stuff going on underground. This is the major Tennessee installation. It's difficult to leave out the installations which cross borders, so we'll move over to Kentucky and to the north at Madison, Indiana. Just across the border close to Carrolton, you will find the Jefferson Proving Ground. There is a very large experimental installation in that area, mostly on the side of Indiana.

Moving downward to Louisville and on west, you will find Fort Knox. We've spoken of that before. I won't go into it. It's a military reservation with installation.

Moving eastward to Danville inclusive of Perryville, there is a large installation.

Those are the major points of importance as far as defense or research in both Kentucky and Tennessee.

**KANSAS**

We will go to the east of the state to Manhattan Military Base with installation at Fort Riley Military Reservation that includes Ogden and it runs under Interstate 70.

Then eastward to Leavenworth. There is a Fort Leavenworth, this is an extremely, extremely important installation with large facilities underground. There is a federal prison and there is a massive installation beneath that prison.

Anywhere where you have major prison facilities such as you do in Tehachapi, California, you're going to have installations beneath that prison and they use prison labor and especially ones who are put into isolation for any period of time and ones that you would recognize as being on death row, they are utilized for labor for these underground installations.

**LOUISIANA**

Move southward from Shreveport to Leesville and you will find Fort Polk Military Reservation. That is a reservation and an installation. That is the only important site in LOUISIANA even though there are many other bases.

You will have to understand that areas along the Mississippi River are not utilized for underground facilities, there are other plans for that river and it doesn't protect those underground facilities.

While we are here, however, I feel that we should mention Mississippi because in conjunction with LOUISIANA, you see, the federal government divides your nation into districts,

it does not divide them into states and we have a little problem for your understanding and there's going to be overlapping of states so if I mention them twice, please, understand.

Moving to the east along I-10, you will come to Biloxi, passing Gulfport, to the Beauvoir Jefferson Davis Home which is a park setting. Again, pay attention to where they have these parks. That is Keesler Air Force Installation. That is a very, very important area with a massive underwater installation.

**MAINE**

At the very upper part of the state, at Caribou, just to the north of it including a place called Limestone, is a rather large inland facility.

Moving all the way to the south of the state to the area of Brunswick, you will find the entire area under Popham Beach is a water facility with submarine capability and underwater missiles. By the way, some of the missiles are Russian or Soviet missiles and have been in the area for a long time and this is part of the reason for the installation as a defense mechanism against those Soviet missiles out there offshore.

**MICHIGAN**

Michigan is clean. That is not good news. That is because there is full expectation when the New Madrid Fault goes, it is expected to take Michigan with it or at least the northern part of the state of Michigan.

**MINNESOTA**

Minnesota is clean. You have a lot of area above the ground but no major, major sites where great research is going on. There are some missile sites in and around Minnesota but no installations or research.

**MISSISSIPPI**

The only one of notable worth is the one at Biloxi.

**MISSOURI**

You have two major experimental facilities with missiles.

Whiteman Air Force Base at Knob Noster. It will take in the entire area between Knob Nos-

ter and south to Windsor. This will encircle to the east of Sedalia.

Southeast to Waynesville, you will find Leonardwood Military Reservation. This is a very large installation.

### **MONTANA**

A large area around Kalispell, south and including Marion and it takes in all of the Bitterroot Lake Recreation area.

Moving south to Missoula, encircling an area from Frenchtown to Milltown including Potomac and including all of the area under the Forest Service Fire Department buildings and that part of the forest. It's a National Forest. It is the Lolo National Forest. A lot of the work is performed through the University of Montana. Much genetic development, DNA replication studies have been performed in that area.

Great Falls and to the west of the city taking in the area of a place, not necessarily a military reservation, but a place called Fort Shaw.

South of Dillon just north of a little place called Dell on I-15, under it, there is an installation and there are underground missiles.

Please note that in many of these descriptions I'm giving you, they actually are on or under major transportation routes.

Now north and east find Glasgow. This is Fort Peck Recreational Area. This is a very large area. It is just north of Fort Peck Lake and uses a lot of water from that lake.

### **NEBRASKA**

One of the most important of installations, Norad, is located very near and north of Omaha. This runs approximately to Blair, west almost to Winslow and the Elkhorn River runs directly through it.

Moving southward to a very, very important place where a lot of the monkeys meet and it would seem a totally unreasonable place for them to meet until you consider Norad and then you have to realize there are

massive underground facilities.

Just south of Omaha at Offutt Air Force Base is a major, critical, crucial installation.

### **NEVADA**

Nevada district will take some doing, so bear with me. There are some extremely important major, major facilities. They are so important that I hesitate to even... I should just take Nevada as an entire state and call it dangerous.

Beginning at the north almost mid-section of HWY 95 at a place close to, well it would be identified as Granite Peak on mapping, just north of Orovada, is a major missile underground site.

Moving down HWY 95, just south of Imlay, is an underground missile site very close to Ryepatch Reservoir. The important landmark is Star Pk.

Moving back up HWY 95 to where it changes into Interstate 80, southeast of Golconda, on I-80 is an underground missile site.

Move on across I-80, when you get to HWY 93, go north and just north of Wilkins is a small installation right under that HWY.

Moving on to the east on I-80 about midway between Oasis and Wendover with a landmark of Pilot Peak. By the way, Pilot Peak is quite a way from that road but that is the siting landmark. There is a pretty good sized underground missile installation and it probably is referred to in the circles as Silver Zone Pass.

Go back to the western part of the state. North of Reno and Sparks on a road 445, you will find the Reno Naval Air Station. That's an extremely important one.

Traveling along I-80, west of Lovelock, you will find two landmarks. These are catacombed with missiles. One is the Humboldt Sink and the other Carson Sink. These are both areas which are closed to the public. One extends under I-80. You will find practically no reference to these two most im-

portant missile sites.

South near the western border with California near Hawthorne is a massive Department of Defense Depot. It actually is a disposal site. This is a massive, very, very important installation and from this area comes a lot of the contamination that is surfacing in the Mono Lake area in California.

There is massive activity of every kind in the Toiyabe National Forest.

Just north of Gabbs on 361 is an underground missile pod. These missile pods or sites are big enough for underground offices and living facilities.

East of Lida, under the intersection of 266 and 95 is an underground missile complex.

Under 95 at the intersection of 374 at a place just northeast of Beatty is a large installation of underground missiles. This is directly connected to the California installation which includes an underground missile facility under road 395 attached to the U.S. Naval Ordnance Test Station and, of course, is attached to the China Lake Military Reservation. This is an extremely important, critical facility.

In California to the southeast you'll find the China Lake Naval Weapons Center and Fort Irwin Military Reservation and then between Yermo, on I-15, and Baker is a major underground missile facility.

At the California/Nevada border is another underground missile facility, quite small, but these ones on these highways are set for surfacing and the installation will be brought above ground and these will be your ways of stopping interstate travel. Most especially, it will be important to stop travel from California, for many reasons, into Nevada.

In Nevada, of course, and surrounding the entire area of the Nellis Air Force Range, all the way from Warm Springs, west to Tonopah, circling down to the facility and Lida, through and including Scottys Jct., on

down to Beatty, including Lathrop Wells, Indian Springs, circling back up in a wide circle to Alamo, you will find in that area a large underground missile base. It's hard to identify. Its HQ is on Hwy 93, just south of Alamo.

Moving up through Hiko and then making a swinging easterly circle back to Warm Springs, that includes all of the Nellis Air Force Range. It includes Papas Lake which is dry and at that point you find the Nevada Test Site. You are going to refer to it as Yucca Flats, I believe, and within that you're going to find Yucca Mountain and you're going to find it interesting to realize that it is not even attached to Nellis Air Force Base except by tunnel.

Moving southward to Las Vegas, you will, of course, find Nellis Air Force Base just barely to the NE of the city.

You will find a major missile base midway between the junction of 168, 317 and I-15 near Mesquite.

Two underground missile sites, one on I-15 near the border of Calif. just a little west of Jean and then, moving south to Searchlight on Hwy 95, another just north of the intersection of 163.

### **NEW HAMPSHIRE/VERMONT**

These are only separated by the river. These have to be extremely general. They are military installations but they are unmarked and for all practical purposes would never be known.

In the northwest upper corner of New Hampshire, under the area of the Jay Peak Ski Area, then to the Cochran Ski Area, including the Bolton Valley Ski Area and south including the Mad River Glen Ski Area, near Woodstock is the Killington Ski Area, then the Magic Mountain Ski Area and the Mt. Snow Ski Area.

Now to Vermont: to the east of Franconia are large underground installations with missiles at Cannon Mountain, cir-

(A)

(E)

**Clockwise From Top:**

**Covert Northrop facility at the base of the Tehachapi Mountains. (A)**

**Lockheed's covert operations center near Helendale—opening to an underground facility. (B)**

**Silo opening (sliding door for "silo") (C) and crane (D) at McDonnell Douglas covert facility North East of Llano, CA. (C) (D)**

**Elevator shaft to an underground base with an attending truck. (E)**

cling down into the area called Old Man of the Mountains.

West of Conway is Waterville Valley Ski Area.

Then Sanbornville Moose Mountain Ski Area and then, of course, you get to Portsmouth, all of the area under Rye Harbor. These are rather sophisticated living facilities included along with the missile and defensive installations. A lot of research takes place in these areas but, as much as anything, this is a facility for Elite housing with a protection of these sophisticated missile systems.

### NEW JERSEY

New Jersey is basically a forfeit state with most installations being quite public. There is a large installation with missiles in place at Fort Dix Military Reservation. That is near Wrightstown.

South to Browns Mills and just south along a little road of 539, almost including Whiting, is a large Air Force missile installation and facility.

### NEW YORK

On HWY 11 from just south of Watertown to just north of Pulaski, a very long distance that includes underneath the town of Adams, is a large missile installation and facility.

Northeast of that area on HWY 11, under HWY 11 at the intersection which would enter Fort Drum Military Reservation, there is a missile installation under that road at that intersection attached to Fort Drum. A very large military reservation with missile and facility.

West Point is a very critical underground facility.

I have very little to say about Long Island Sound, it is forfeit.

New York is forfeit, by that I mean New York City.

This is Side 2 regarding military installations with underground and major security facilities and missiles and also missile sites with small facilities.

### NEW MEXICO

You will find only a couple of underground facilities but, of course, they are absolutely,

incredibly huge.

The entire area of White Sands Missile Range around Alamogordo, all the way south into Texas at El Paso, crossing the river and taking in a little bit of borderland of Mexico, underground. You've got massive facilities above the ground. You have incredible, incredible multi-level underground facilities. Beneath the ground, you have alien alternates; that will be where your shuttles have been stored—this is the biggest lie on your planet.

Now, as you consider New Mexico, you will find every major freeway and roadway has multiple, multiple missile and facility sites for blocking all incoming traffic from every direction. These will rarely be at cities or towns. They will always be out in the open between places so I can only give you the general mid-location.

We'll start with the one to farthest west on I-40, that is also Route 66.

There is one very near the border east of Lupton, midway to Gallup.

There is one at a little place called Blue Water, almost in the little town running under the little town.

As you get to Albuquerque, of course, you have a large military installation with facilities at Kirtland Air Force Base.

On I-40 between Clines Corners and Santa Rosa.

North on I-25 there is an installation with missiles at approximately Pecos.

Further north on 25 is a regular size installation with missiles at Fort Union National Monument, approximately. That is midway between Watrous and Wagon Mound.

Up I-25 is a small one midway between Maxwell and Raton.

Then outside Raton at the border at Raton Pass is another very large one, missiles with facility.

In Colorado, north of Trinidad, also on I-25 is another.

Let us move now on down through the state.

At Clovis, you have a large facility with missiles under Cannon Air Force Base and there is an oasis there that is just northwest of Portales.

Back to I-25, a missile base and large facility to the west of White Sands, under I-25.

On I-10 midway between Lordsburg and Deming is a large missile underground facility.

Along the border and overlapping into Texas, I think you would call it almost a four corners, east of Malaga, is just a large facility and there is very little in that area. It is well hidden. It is almost unknown. It is a large facility underground, secret.

### NORTH CAROLINA

Fort Bragg Military Reservation.

In the area of Jacksonville, unlisted, but is a military installation.

At the ocean where the New River empties, you will find Camp LeJune and around Cherry Point is another military installation with missiles.

### SOUTH CAROLINA

Of course, you have the entire area around the Savannah River Plant, which we've already spoken about, with lap-over or underground connections to Fort Gordon in Georgia.

Now realize that is the Savannah River Plant I just spoke of because there are other major installations at Fort Stewart at the city of Savannah.

### OHIO

A unique state with very little secret underground activity. Note that none of these installations are for public utilization under any circumstances. They are for Elite survival only or they are major defense and/or Elite research facilities, very advanced research facilities.

### OKLAHOMA

There are four major military installations.

One at Enid, at Vance Air Base.

Then toward the south, Fort Sill Military Reservation at

Lawton.

West to Altus. At Altus, you have also Altus Air Force Base.

Then to the south on I-44 you will come to Sheppard Air Force Base and that is at the border or close to the border of Texas near Wichita Falls.

### OREGON

Large installation across the border into Washington at Richland and Kennewick, in that area, not well defined.

South into Oregon on I-84 between Boardman and Echo is a missile facility. This will be a major disposal station for travelers.

There are so many and so much going on in the area from, approximately, Le Grande, all the way to Ontario, at the border of Idaho, east into Idaho and west to almost HWY 395 that I cannot isolate them for you. That entire area is catacombed.

On HWY 84 at Biggs is a missile installation, military controlled, of course.

The coastal important one to note, and this would include great underground water capability tunneling is around Coos Bay. There is a naval air station and this, of course, is controlled by Naval Intelligence.

East across the state to Burns, in that general area, mostly in the forest area or what you would call the Ochoco National Forest, there's a large conglomerate type of installation.

At the intersection of 78 and 95 there are two, one being at that intersection more critical than the other and then a regular missile silo facility. But at that intersection is a major, important missile station.

Now let us move back to the west and there are some military underground installations in these general areas: Jacksonville, Applegate, around Medford all the way to Butte Falls and then south of Klamath Falls at Keno, on and under road 66.

Around the general area of Lakeview there are some winter sports areas and some geysers.

There would be some thermal activity utilized by that particular installation.

#### **PENNSYLVANIA**

At Erie, great underwater facilities.

On I-79 south of Meadville, midway to the intersection of I-80, missile installation.

On I-80 at regular intervals, midway between intersection I-53 and Moshannon, and midway between intersection of 880 and intersection of 15, missile facility.

#### **SOUTH DAKOTA**

Major underground facility in the area of Buffalo.

Missile facility under HWY 281, south of Aberdeen.

To the east of Rapid City, almost at New Underwood on I-90, missile facility.

Reminding you that these are on heavily traveled thoroughfares for traffic control. They would also be targeted by any enemy for destruction of interstate travel facility or capability.

#### **UTAH**

I need two or three hours on Utah but I'm not going to be able to have it, obviously. Let's just start in the upper northwest.

The entire area of Hill Air Force Base and Hill Air Force Range. These are near the Great Salt Lake and include all of Ogden and Brigham City.

The Wendover Range, Desert Test Center, and Dugway Proving Grounds. No (unauthorized) body is allowed into these areas under any circumstances.

Then the Desert Range Experimental Station down west of Milford on 122.

On I-15, north of Beaver, is a missile guard installation.

On HWY 89, between Kanab and Glen Canyon, is a small missile installation.

Now let us move back up to I-70. I don't know how to explain this area to you. There is at least 180 miles of area in that barren desert including what is called the San Rafael Swell. This is to the west of Green River. There is an extremely large, important missile facility un-

derneath I-70. There was a missile site at Green River; that was a diversion. It was a testing missile launch site; everybody knew about it but the important one was this area in point.

East of Green River near the Colorado border is another major missile installation under I-70, including a portion of the Colorado River as it runs through that area. In this particular part of Utah are massive, massive research, technology and UFO bases. Some are legitimate UFO bases. These are not necessarily your friends. I don't want to get into aliens at this time. I'm just telling you where these facilities are and these are military, United States of America Military, so don't confuse it with aliens. In this particular area enough research has been going on that it has been monitored continually by "alien" craft—many, many sightings, legitimate sightings—in that area because we've really had our eye on what has been going on there. In this given area, all around in this area, it's divided off into districts and in some of those cliffs, buttes, mountainous areas, you have a lot of things going on including cattle mutilations, etc. I'm not going to get into all of things and ramifications of that statement here, either. Utah is a hotbed of advanced technology.

#### **TEXAS**

Texas is another area that I'll have to by-pass. I will mention as we go through in some of the cities. There are so many in Texas that I cannot, by any means, begin to label them all.

#### **VIRGINIA/WEST VIRGINIA**

The same is true of Virginia and West Virginia but I would tell you to keep your eye on the area of the U.S. Marine Corp. Reserve in the area of Triangle and at Port Royal, Camp A. P. Hill.

#### **WASHINGTON STATE**

Large facility at Winthrop.

Another at Snoqualmie Summit Area on I-90. It's a winter sports area.

Area of Tacoma, including Olympia, are large underwater experimental facilities.

Between Grand Mound and Lacey is a missile installation on I-5.

To the east, all of the U.S. Military Reserve at Yakima. It's called the Yakima U.S. Military Reserve.

Further east, of course, most important is Hanford, north of Richland, and it takes in quite a bit of the Columbia River.

Set up to guard that place is an installation on I-82.

Down the Columbia River on I-84, just over into the Oregon side, between approximately the junction of HWY 74 and the intersection of 730, under the Columbia River and I-84 is a missile facility.

When I get to the area of discussions of specific cities, I'll be a little more specific.

#### **WISCONSIN**

The only one I see of any importance really is the one at New Glarus.

#### **WYOMING**

Southern border in Wyoming. I will only give you the major locations of the missile sites.

On I-90, southeast of the intersection with I-95, midway to Gillette is a missile installation underground.

South on I-25, midway between Buffalo and Casper, just north of HWY 378 intersection is an underground missile installation.

I-80 is pock-marked with these things all the way across your nation.

Midway between Fort Bridger and Little America is a large underground missile facility.

At the Continental Divide is a large underground facility with missiles.

East of Walcott, then past McFadden, northwest of Laramie.

#### **ALBERTA, CANADA**

I have to tell you about Alberta, Canada. There is a massive underground installation, extremely important in the area of the Primrose Lake Air Weap-

ons Range. This is an incredibly important joint venture with the United States and I might add, a little Soviet and, of course, Great Britain.

#### **PUERTO RICO**

In Puerto Rico, all around the San Juan Naval Air Station.

#### NOW FOR THE CITY AREAS

#### **ATLANTA, GEORGIA**

To the northwest, in the area of Smyrna, you will find an Air Force Base.

To the east, in the area of North Decatur, you'll find a Veterans Hospital. A lot of research takes place in that Veterans Hospital and in some underground laboratories located there.

In Atlanta, Fort McPherson and, of course, the Federal Prison. Then south to William Hartsfield International Airport. There are facilities there, military controlled.

#### **BOSTON, MASSACHUSETTS**

Swarms with them. All surface ones are almost in alignment, inland from the coast. I say surface because these are going to house missiles in the guise of other things, but you have to understand that you're working at the Atlantic Ocean seacoast and a lot of these will also be tunnelled to that coastline, again I remind you that most of Florida is expected to be lost.

We are continuing with St. Louis.

### ST. LOUIS, MISSOURI

Granite City Engineering Depot—U.S. Army.

Weiss Airport.

### WASHINGTON, D.C.

Absolutely all of Washington, D.C. in the downtown area is one gigantic facility. All around that area every airport from little ones like Bower Airport to Andrews Air Force Base which, of course, is a large facility, to the Goddard Space Flight Center which is NASA—all of these areas have facilities underneath. They are rather large facilities, as a matter of fact, and everything under Washington, D.C. is catacombed with tunnels and, of course, there is missile capability. There are defensive missile silos that will open up and the surface of the

area of Washington, D.C. will not be worth even experiencing. It is, of course, made for interim facilities for workers in and around the Capital who have their free tickets to security. That will only be ones attached to the Elite guard and the political hierarchy who are left in Washington, D.C. for unexpected raids. The major luxurious facilities for the high Elite, depending on the state of war that is occurring, will be shifting to Australia and other places for longer-term survival depending on the type of encounter that you have. If it is nuclear, the moment that it is realized that it will be nuclear, ones will be taken out of the Northern Hemisphere. There will be even

a more select group removed at that time, but there are facilities under Washington, D.C. for your honorable Congressmen—some of them. There are not facilities enough for all to survive for a very long period of time. There will be the facilities where you can get, for instance, underground to places like Andrews Air Force Base for your royal family, the Bushes.

I believe that concludes sufficiently a breakdown of where these underground facilities are that were started some years ago against this day and are now in full operation and basically finished in construction.

I'm sorry that it has taken so long. I hope you can brief it up. I think everybody needs the

information or wants the information. If you don't already have your ticket, I can assure you that you are not included. You are not going to be welcome into any of these facilities. These are not general facilities. Some families of workers and scientists who have been guaranteed security will be allowed in, but they will only allow these people in with credentials. I don't suggest that you stop building your own underground shelter. Salu.

# San Luis Obispo Connection To The Global Conspiracy

*(Editor's note: This is a continuing series linking Bush, Reagan, the Nazis and other assorted **New World Order** puppets through a common activity base in the small, south central California coastal town of San Luis Obispo. The series began on page 7 of last week's LIBERATOR. We are here including Commander Hatonn's introduction from last week before continuing with the story.)*

**6/18/92 #1 HATONN**

The following series of informative reprints are from a well-known personage among groups who have investigated and researched for truth and who has published much information. He has published information which has jeopardized his life on many occasions which indicates that **ALL OF YOU NEED THE INFORMATION**. He has sent a packet of information which needs to be brought to your attention—**AGAIN**. His outlay is a bit different in both presentation and in some details. I honor this person and respect his research. He has given permission that we may utilize any and all of the documents in any way we find fit and suitable. I thank him for his gracious willingness to share. I do not yet, however, have permission to call attention to this person by name so will only refer to him at this time as R.R. I, further, use the term "him" as generic reference.

I offer the reprinted information as given—without more than cursory input. I have no wish nor intent to slash and cut another's work so—as is our practice—information is given as nearly in full as possible and with **NO**

**CHANGES IN CONTENT. IF I COMMENT AS WE MOVE ALONG THEN I INDICATE AS MUCH. Therefore, I require that YOU be in the balancing of the information with that which you already have and then I suggest you get your hands on "back" JOURNALS such as SPACEGATE, SKELTONS IN THE CLOSET, BLOOD AND ASHES, END OF THE MASQUERADE, THE DARK CHARADE and in addition, all of the TANGLED WEB SERIES. If you don't have the information, backup and confirmation—you aren't going to know what hit you, beloved friends.**

**You must understand, further that there is massive confrontation among and between factions of this "New Global Conspiracy" which only vies for top position—the GOALS are the same.**

## SAN LUIS OBISPO CONNECTION (CONTINUED)

**6/29/92 #2 HATONN**

AGAIN QUOTING:

### SLO COUNTY. HISTORY

1930

Atascadero was the center for Nazi Bund activity in California. It is still the center for right-wing activity in the county.

1952

Colonel Diefenderfer, stationed at Camp San Luis Obispo, married a member of the King (Reyes) family from the Carizzo Plains.

Robert Nimmo, Atascadero, was Colonel Diefenderfer's aide.

Richard Nock was Robert Nimmo's aide.

Circa 1960

Ronald Reagan elected Gov-

ernor of the State. He appointed William Clark of Shandon to be Superior Court Judge in SLO Co.

Circa 1970

Robert Nimmo appointed by Ronald Reagan to be Director, United States Veterans Administration. Nimmo came home in disgrace after four months. Returned to selling Real Estate.

Jerry Diefenderfer elected to the SLO Co. Board of Supervisors. He spent \$47,000 on his first campaign for a job that paid \$25,000 per year. The Los Angeles Realty PAC donated to his campaign.

A PSA Flight Magazine named San Luis Obispo County the next 'hot-spot' in the state for real estate development. (How did they know that? We have lost the copy, but believe it was the May edition.)

William Clark appointed Deputy Secretary of State by Ronald Reagan.

1981

John Scripps Publishing purchased The Cambrian, thus giving Scripps ownership of the three coastal papers, also including The Morro-Bay Sun Bulletin and the county's only daily, The San Luis Obispo Telegram-Tribune. Scripps is based in La Jolla, Calif., and is interested primarily in selling newspapers for advertising purposes rather than the news. In fact, the papers, by their own projection, do not do investigative reporting. [**H: Please note that you will find Edwin Meese is from La Jolla.**]

Richard Nock, part-owner of Phelan Land and Cattle, pushed for sale of 5,000 acre ranch for \$5,000,000. Ranch sold to Canadian based development corporation and is now known as Cambria Ranch. The 'money-man' behind the corporation is

Eng Ti, Shanghai.

Eric Seastrand, California Assemblyman from this area, was Vice-President in charge of sales for Coldwell-Banker at the time Coldwell-Realty negotiated the sale of Cambria Ranch.

1982

George Deukmejian elected Governor of the State of California. He promised to do away with the California-Coastal Commission.

Carl Negranti, whose son married William Clark's daughter, began bulldozing 23 miles of roads on Cambria Ranch in direct violation of the County permit process. The operation was spotted, reported, and red-tagged. Later, the road was covered with tailings from an abandoned mercury mine. After years nothing has been done to enforce toxic regulations. (The son was killed in an accident, but the relationship between the families still exists.)

1983

James Watt resigned as Secretary of the Interior, and is replaced by William Clark.

Carol Hallett, former State Assemblywoman, appointed by Ronald Reagan to be William Clark's liaison officer for the Western states between Interior and the business community. Hallett, at the time, was a County resident. Hallett then became Ambassador to the Bahamas.

1984 and 5

William Clark resigns from Interior and returns to Shandon and/or California to pursue family interests. (Real estate development)

1986

Joan Brauner Clark, wife of William Clark, appointed by Ronald Reagan to be an alternate United States representative to the United Nations General Assembly. (This merely to indicate close relationship still exists between Clark and Reagan.)

About two-three years ago, the father of one of Cambria contractors, Wayne Gracey, was sitting in his living room in Malibu. Someone walked in

and shot him. His wife was sitting there also but was ignored. Another contractor in Cambria, O. G. Sansone, has the same name as a Las Vegas gambler and casino owner. May be just coincidence??

Real estate development and construction is a classic way of laundering drug money.

Clark was terrified that if North and Poindexter went to trial that the whole KAL 007 thing would come out!

#### POSTSCRIPTS:

Many of the "Project Paperclip" Germans and Nazis came to California, the Central Coast and San Luis Obispo. Hellene von Damm, who was once a secretary for the German High Command, became Governor Ronald Reagan's appointments secretary. Heide Kingsbury, who was one of three daughters of a "Paperclip" German General, became a secretary and court transcriber for Judge William Clark, a San Luis superior court judge and Reagan's Secretary of the Interior. An exclusive resort or retreat, which was to be built in North County, was to be called "Eagles Nest". Look up the name of Adolph Hitler's retreat at Berchtesgarden in the Bavarian Alps.

"During this time I also found out that my husband was an Austrian citizen and a member of the Royal family. He was born Gunter Karl, Baron von Russbach. After World War II the royal family of Austria was forced to give up the 'von' and attach 'er' to the end of their names."

The above quote from a letter was acknowledged by an Austrian professor at Cal-Poly to be correct. According to this rule then, the name of *Werner von Braun* should have become *Werner Brauner*.

**[H: You who keep up with the information flow will remember the person who made the statement above—in point, regarding the name**

**requirements. This was relative to Gunter Russbacher who is incarcerated at present, by the government—and is the pilot who flew Bush home from Paris in the SR-71 in "OCTOBER SURPRISE"! This is the same Paris wherein Mr. Bush said he was NOT!. The point herein, however, is to give you connections with "names" and relationships.]**

#### PROJECT PAPERCLIP POSTSCRIPT

From 1945 until the 1950's negotiations continued between the U.S. Government and high ranking German officials. Reinhart Gehlen of Nazi intelligence (Abwehr) and rocket scientists Werner von Braun and Walter Dornberger made plans with J. Edgar Hoover, of the FBI, and Allen Dulles and William Donovan of the OSS and CIA, to bring hundreds of Nazi scientists, doctors, military officers, and intelligence agents to the United States. Also present at these negotiations were U.S. Army Counter-intelligence Officer William P. Clark of San Luis Obispo and a U.S. Army private, an Austrian, named **Henry Kissinger**. William Clark married Werner von Braun's niece, Joan von Braun (**Brauner**) Clark. They reside in San Luis Obispo, California. The location of these meetings was Austria and southern Germany where Clark was stationed.

Researchers Mae Brussell of Santa Cruz, William Torbitt of Texas, District Attorney Jim Garrison of Louisiana, and others have concluded that FBI Director J. Edgar Hoover, President Lyndon Johnson, NASA rocket scientist Werner von Braun, Bell Aerospace Director Walter Dornberger, and Governor John Connally **were prime movers in the assassination of John F. Kennedy.**

A lawsuit has been filed in Southern California examining new evidence in the murders of Robert F. Kennedy and John F. Kennedy. Several prominent

Californians are named in this suit. **William P. Clark of San Luis Obispo is mentioned in this suit.**

#### RELATED MISCELLANEOUS

The U.S. Army 44th CIC Detachment negotiated the surrender of the German Army in northern Italy and Austria (called "Operation Sunrise"). In return for surrender, Army CIC and the Vatican provided escape and exfiltration for thousands of NAZI SS and Gestapo officers, mostly to South America (Also 970th CIC).

*William P. Clark* was with Army CIC in Austria until the mid 1950's.

*Lt. Col. W. Clark* was or is a member of the Council on Foreign Relations.

*Theodore Shackley* was present at the "Paperclip" negotiations.

*Walter Dornberger* was a frequent visitor to San Luis Obispo County, specifically to Pismo Beach and Shandon.

*Heide Kingsbury* is the daughter of a "Paperclip" German General. It was most probably General Galland, the designer of the Messerschmidt ME 262.

*Ronald Reagan* is a very frequent visitor at the *Clark* ranch in Shandon.

(Read "SHOOTDOWN" by R. W. Johnson to learn about William Clark's role in the "Shutdown" of Korean Air Lines Flight 007. Also read EXPLO 007 by R.B. Cutler to learn how it was accomplished.) **[H: Excellent reading but "off" a bit here and there—however—extremely interesting and well-done.]**

#### ADDENDA TO "PROJECT PAPERCLIP" THE GEHLEN ORGANIZATION

On November 22, 1963, a coup d'etat occurred that was the beginning of the end of the great nation called The United States of America. It happened

when William Greer fired the final, fatal bullet into the head of President John F. Kennedy in Dallas, Texas (ref—video named "Dallas Revisited" plus much supporting evidence). **[H: As a matter of fact, we speak of this in several of the JOURNALS but specifically name this man in at least three—the first being SPACEGATE, THE VEIL REMOVED.]**

Anticipating the outbreak of war, all the commanders of the Strategic Air Command's nuclear airborne squadrons rushed to their onboard safes for the code books to obtain the combinations for arming their atomic bombs. Not one code book was present in the safes! No Mafia goon, or Cuban dictator, or KGB agent, or Lone Gun Nut had the power to remove those code books. **Only one entity had that kind of power—The Joint chiefs of Staff!** (Ref: Kennedy assassination researchers.) **[H: I do, however, confirm it.]**

Of all the organizations which were part of the coup, and which included the FBI, the CIA, the Trilateral Commission, the Council on Foreign Relations, Majestic 12, the Secret Service, the Rockefeller banking consortium, the Office of Naval Intelligence,—one was to emerge at the top of the heap—**THE GEHLEN ORGANIZATION!** (REF: The "Phoenix Journals", "Project Paperclip" by Clarence Lasby, "Reinhart Gehlen-Master Spy" (author's name missing), "The Nazi Connection To The John F. Kennedy Assassination" by Mae Brussell, "Project Paperclip" by Ray Renick, "The Torbitt Document" by William Torbitt—although its information is excellent, the Torbitt Document is a clever bit of disinformation in that the reader is suckered into assuming that since the principals involved; Lyndon Johnson, J. Edgar Hoover, Werner von Braun, Reinhart Gehlen,—are all dead—that justice has been served and everything is going to be all right. Don't believe it!)

The Gehlen Organization got its start in 1945 when the war was winding down. Gehlen, Werner von Braun, Walter Dornberger, and others approached U.S. intelligence officers William "Wild Bill" Donovan, Allen Dulles, J. Edgar Hoover and William P. Clark of the U.S. Counterintelligence Corps—with offers to provide vast amounts of information on the Russians, technical information on rockets, lasers, orbiting gases, mind-control, etc.—in exchange for asylum and jobs in the United States. **[Where do you think Malathion, LSD and AIDS came from?]** (Ref: Excerpts from WORLD BOOK ENCYCLOPEDIA, Year Books 1962-1966 about this technology and AIDS—THE DOCTORS OF DEATH by Alan Cantwell) **[H: Also several of the PHOENIX JOURNALS but most specifically, AIDS, THE LAST GREAT PLAGUE.]**

Moreover, their primary goal was the achievement of Germany as the ruling nation of the world. One has only to look at the economic decline of the United States and the economic rise of Germany to see that they have just about reached their goal.

In all, about 1600 German/Nazi scientists, doctors, military intelligence, etc., were brought to the United States. They were placed in key positions in NASA, aerospace, military intelligence, military industries, medical science, banking, psychiatry, etc. They have American names and are thoroughly Americanized. They play a large role in drug trafficking and banking failures.

The American headquarters of the Gehlen Organization is in San Luis Obispo County. The main office is called "Eagles Nest". Many public officials, judges, supervisors, law enforcement personnel are personal friends and business associates (in drug trafficking, no less) with the Gehlen Organization and "Eagles Nest". **Judge William**

**P. Clark and Mrs. Joan Clark (nee von Braun, Brauner)** are the executives behind the Gehlen Organization, "Eagles Nest" and the Zapata Cattle Company's drug trafficking interest. **Ronald Reagan is a silent partner in the San Luis Obispo cattle/drug business.** Remember, Clark was one of the original architects of "Project Paperclip"! The Zapata Cattle Company is affiliated with **George Bush's Zapata Oil Company of Houston, Texas.** (REF: "The SLO Connection", *Barrons* article "The Mexican Connection"—Sept. 19, 1988)

NASA has recently announced in the major news media and in several scientific journals that there is a possibility of large meteors or asteroids striking the Earth with calamitous results. They have even suggested some possible dates of impact. (REF: *Scientific American*, *Sky and Telescope*) **[H: I have written greatly about this subject in all of the TANGLED WEBS series of JOURNALS and the JOURNALS under publication presently on the DIVINE PLAN.]** NASA said that it was a good thing that Ronald Reagan had the perception and foresight to build up the Strategic Defense Initiative—"Star Wars" because now SDI can be used to destroy these asteroids before they strike the Earth. This is partly BS—SDI was never intended to be an anti-missile defense, but an anti-asteroid defense (or alien defense system) (ref: Barbara Honegger AND THE PHOENIX JOURNALS). The Hubble and the Galileo space telescopes that "don't work" are working perfectly. This is our government's way of not telling us what they are doing. **[H: As a matter of fact you will recall that I told you the Hubble was not even launched at the time you were told of same. It resided at White Sands until such time as it could be put into an orbit the astronomers would not note.]**

The "Communist Threat" and the "Soviet Nuclear Attack"

were a sick joke on the people of the world and were fabricated to keep you working hard and paying high taxes to finance the "New World Order". The Russian "War Machine" has been financed and subsidized by the American taxpayer since 1917 through such organizations as "The American International Corporation" on whose board of directors sat George Herbert Walker, the grandfather of George Herbert Walker Bush! (Ref: Author Eustace Mullins on THE AMERICAN INTERNATIONAL CORPORATION and the financing of Communism, and the PHOENIX JOURNALS.)

There are at least 50 MORE underground facilities in the United States. **[H: This reference is directed at me, Hatonn, for I gave you a listing of major facilities around your nation which are top secret and some taking areas at depths of 40 "stories" and miles in diameter along with prime missile launching sites—even along your freeway network. I suggest you get that document which, I suppose, was put in one of the recent PHOENIX JOURNALS but also, was placed in a recent LIBERATOR. \*\*\*\*\*Perhaps it is time to re-run that article, I leave it to you Editors—either that or make available copies of the paper in point. Thank you.]** (See feature story page 2.) They include storage depots, military bases, offices and on up to luxurious condominium complexes. Some of the better known are Cheyenne Mountain in Colorado, Weather Mountain in Virginia, SAC headquarters in Nebraska **[H: Now being turned into a Soviet exchange training base.]**, Area 51 in the Mojave Desert and the "Rabbit Warren" under Washington D.C. One well known one **in San Luis Obispo County is the AT&T Pacific Long Lines Facility on Los Osos Valley Road.** What is not generally known is just **how large** and self-contained this unity really

is. **These facilities are for the "elite" in case of nuclear war or asteroid collision. Since the threat of nuclear war is magically disappearing, that just leaves asteroid collision. [H: Now, would you not expect that it would be an odds game here? Even if you have asteroids striking around the nations, would you not expect it to be hard to pin-point only Elite bunkers? Well, the Elite are giving up for sale, remember, the old bunkers as they are not "deep enough" for total protection. So, it is obvious that they KNOW those "asteroids" are guided by precision computer mechanisms!]**

The Gehlen Organization's unit in San Luis Obispo is called "Eagles Nest" (ref: California Specialized Training Institute files). Its chief executive officers are **Judge William P. Clark and Mrs. Clark (von Braun, Brauner)**. If you are interested in reservations, you might try calling the law firm of **Sinsheimer, Schiebelhut, and Baggett** and ask **Bill Clark** to send you a brochure. After all, in case of nuclear war or asteroid collisions you wouldn't want to get caught with your pants down, now would you? (Ref: THE BOOK OF REVELATIONS by **Saint John**.)

#### THE GEHLEN ORGANIZATION BITS AND PIECES

From 1945 until the 50's, Judge William P. Clark was with U.S. Army Counter-intelligence Corps in Austria and Switzer-

land. Clark was working with Nazis Reinhart Gehlen (Foreign Armies East), Wernervon Barun (German rocket scientist), Walter Dornberger (convicted of war crimes and atrocities), Arthur Rudolph, et al. They (J. Edgar Hoover, Allen Dulles, William Donovan, and Clark) made plans to bring hundreds of Germans/Nazi scientists, doctors, agents to America (1600 eventually). These Germans possessed much research on rockets, orbiting space stations, lasers, and satellites with reflecting mirrors, etc. Clark's good friend, Ronald Reagan, later saw that these ideas became reality in the Strategic Defense Initiative (Star Wars). [H: Believe me—that term is EXACTLY ON TARGET—for there never was a “defense” anything—it has always been intended as a “war” in space. Mr. Reagan even made a very big blunder which almost cost him his neck when he said on TV that you in the U.S. needed to team with the Soviets (the evil empire) against what was coming from space!! That, dear ones, is what they are planning to dump now on you unsuspecting innocents. They plan to tell you that aliens are now here and going to “getcha”. THEY may have a problem—YOU-THE-PEOPLE HAVE NO ENEMIES IN SPACE!]

While there, Clark married Werner von Braun's niece, Joan von Braun. Werner's brother (Joan's father) was an official at the underground V-2 rocket assembly plant. They used concentration camp slave labor. To enforce discipline the slaves (Jews) were hung from the ceiling of the factory and their bodies left as examples. (Ref: Linda Hunt, Author on “Paperclip”, plus previous refs. and “SECRET AGENDA”, Linda Hunt: CNN.)

Besides the weapons of war, they also brought research on mind control (which became M/K ULTRA), Malathion (a nerve gas), LSD, etc. [H: Forgive my

interruptions but PLEASE get the volumes of PHOENIX JOURNALS which cover mind-control both in the Protocols and Manifesto in the Soviet Union and in the United States. I don't know how to isolate these JOURNALS for you—perhaps you could call or write and obtain a “catalog” and information. We have moved so rapidly over so incredibly many subjects that I must defer to the staff. You ones continue to plead for confirmation of “who we are” and that, perhaps is the best of all—almost 60 JOURNALS in less than 36 months—most of over 200 pages each, along with weekly papers and sometimes bi-weekly. I can't itemize for you, and we can't reprint constantly because of new information which limits us.] Dr. Wolf Smuzness later developed AIDS at the Army Germ Warfare Center at Fort Detrick, Maryland. [H: Which was then perfected in East Germany and made potent and useable in the “field”.] (Ref: also, Dr. Robert Strecker, AIDS—and THE DOCTORS OF DEATH by Dr. Alan Cantwell. Smuzness' friend was a chemist who sold cyanide gas to the Nazis at Auschwitz, named Karol Woityla.) (Better look this up yourself—you'll never believe me.)

Around 1955 the Clarks returned from Europe to the ranch in Shandon, where they went back to the ranching business (ref: see “the SLO Connection” about the Zapata Cattle Company). The Gehlen Organization continued the work on “The New World Order” that was promoted by a little dictator in Germany from the 1920's to 1945. America should have gotten the message on November 22, 1963. (Dallas, Texas!)

Around 1969 or 70, Clark and his friends, Governor Ronald Reagan, Ed Meese and Louis O. Giuffrida started an American concentration camp system at Camp San Luis. In 1980 they all went to Washing-

ton DC (ref: OCTOBER SURPRISE by Barbara Honegger and book by same name by Gary Sick) where the California Specialized Training Institute became the FEDERAL EMERGENCY MANAGEMENT AGENCY (FEMA) (ref: King Alfred Plan, Cable Splicer, Garden Plot, Rex 84—in CSTI files). This is the plan for martial law that congressman Jack Brooks questioned Oliver North about at the Iran-Contra Hearings. [H: I'm sorry, but those FEMA papers and volumes of JOURNALS which cover same—are mandatory reading if you really want to know WHERE YOU ARE TODAY!]

In San Luis Obispo County, The Gehlen Organization is in complete control of the courts, board of supervisors, sheriff's department, etc. Judge Warren Conklin and Judge Harry Woolpert are longtime

friends and business associates of Judge William P. Clark. Judge Conklin violated the first rule of drug trafficking: “Don't get high on your own supply.” Judge Woolpert protects Judge Clark and the Gehlen Organization by denying defendants their right to legal counsel in his “star chamber” (ref: DR 17093 Nov. 21, 1991—don't be surprised if the transcript is “lost”). A close member of the petitioners family is a part of the Gehlen Organization—Lt. Col. Richard Peasley (from Paso Robles, Ca.) along with Lt. Col. OLIVER NORTH and Judge William Clark, all working in the National Security Agency in the White House, planned and executed the destruction of Korean Air Lines Flight 007 and blamed it on the Russians!

Hatonn to clear, please.

## More On Our Changes In Operations

7/1/92 #1 HATONN

DR. ED YOUNG

We would like to briefly catch you readers up with changes in the LIBERATOR. We are able, now, to move into the next phase of our work and presentation with a bit more maturity and security for some of our hardest hit participants.

Greens are now departed from this location in all manners save the publication of the JOURNALS and the representation as a publisher to the public. Attacks on personnel finally became too dangerous to longer keep them local. Further, we have given you abundant information on how to acquire privacy and safety and they have listened and acted. You will be kept apprized of how and where you can always be in touch but it was time for great changes.

We are indeed blessed as Dr. Young has left Digital Equipment Corporation in the San Francisco Bay area's Silicon Valley to join our publication team here. He is instrumental in the formation, also, of a teaching program through the Phoenix Institute. However, he has accepted the load of Editorship of the LIBERATOR and Dr. Overholt and crew do the planning, computer layout and set-up. Brent and Theresa, from Florida, have now also changed location and are getting our systems into some kind of order from the chaos. You might enjoy noting that Brent and Theresa are recording musicians, among other talents—such as computer logistics. Dr. Overholt was a dentist and Ed Young has a couple of PhDs in various OTHER areas of activity—BUT ALL ARE DOING WHAT NEEDS DOING WHILE

AWAITING "PURPOSE". As soon as we have room in the *LIBERATOR* for other than urgent notice of current happenings I ask that Dr. Young's presentation on "Education" be run in the paper. The article has great perception and depth and, as you might guess, got him into abundant trouble.

#### ADDRESSES AND PHONES

Since the Greens are no longer at this location but will continue to have the same "800" number, you will not note much difference, save in information exchange. You who have been contacting George for such exchange can now contact Ed, Brent, Rick, Karen or our gracious volunteer staff helping with the phone calls. Through July, the phone numbers will remain the same to assure coverage but, after that, if you wish to share with Hatonn you can write Box 986, Tehachapi, CA 93581 or call 805 822-9655. (For *PHOENIX LIBERATOR* business, please see the address listed in the article "Our New Look" on page 39.

Dalene will continue to handle all audio tapes of meetings, radio talk shows and special tapes at the address and phone number listed for THE WORD and that remains unchanged. The offices, etc., remain unchanged in Tehachapi. The America West office in Carson City, NV is at 3656 Research Way #32 (Zip 89706), telephone 702 782-0700. Our basic relationship remains unchanged except for division of work-load and now, capability of "building" in both locations as projects unfold in the construction and project areas. Already there is coverage for incorporation of ones who wish to work in our manner of instruction with basic information, through Cort and Jen Christie who now have full facilities in Las Vegas, Nevada.

Again, if you wish to contact E.J., Kathy and/or get urgent messages to Dharma (for

Hatonn), you can call the office at 805-822-9655 as already mentioned above.

***I do ask your indulgence as we get situated and everyone stretches even thinner with new tasks and added overload.***

#### TAPES: PATIENCE PLEASE

I am asked to petition you tape receivers to be patient with our machinery. Whoever can, helps Dalene to get out tapes and it is a mammoth task to sort and keep track of such a myriad of recordings and notations. Also, there seems to be one of the "slave" copiers which doesn't always copy. An effort has been made to monitor and locate the erring equipment but as with the gremlined car—nothing is wrong when checked. Tapes are copied some seven at a time and not by the same operator each time—so again—PLEASE be patient with our efforts for we prefer to allow you to have all the information you can get at the least expense and that means we cannot have professional services. DO, HOWEVER, LET DALENE KNOW (at the address or phone number for THE WORD) SO THE TAPE CAN BE REPLACED FOR WE DO NOT WISH YOU TO MISS ANY INFORMATION.

I feel a bit like the neglectful father at any rate; Dalene and Jack are having a wedding on August 1 and I leave no time for the wonderful fun things of such celebration for Dharma is Dalene's mother and I guess all mothers know what I just said—for it is time of celebration and sharing of a Bar-B-Q along with the typical accompaniments of posie pots and decorations which, by the way, is the love of Dharma's hobby-time and that, too, has been left wanting. There are, however, so many loving hands that care, I think we will not inconvenience any of you readers or listeners. This, after all, is what "life" is about and these traditional things are what make the difference between

existing and living. This, in fact, is simply the formal celebration of that which has already been committed elsewhere, in the past—but ones here were not able to attend that small service in Nevada. Chelas: If you cannot take time to smell those roses—then why have them? Enjoy each moment and allow for these things for man truly does not live by "bread alone". Neither is Man "an island"—so know that each of you is loved and remembered for even the sparrow is most attended and loved in our Father's heart. But, I think—perhaps—Mother has to hang bells and do-dads to be fulfilled in some male-unrecognized ritual of passage.

It is, in addition, a time of appreciation from myself to these children for they are also including "Andy" within the triune of the ceremony with full acknowledgement that his name is Andrew Colton **Aton**—my requested name for this child—he bears no other, legally or otherwise. A load for a child? He doesn't seem to think so. At any rate, to these young people who have accepted this task—I give my love, appreciation and blessings.

#### STEADY AT THE TASK

Are ones herein abundantly "good"? Yes. Are they abundantly "religious"? NO! Each and all effort very diligently to be "right", live in moderation, allow and work very hard at responsibility—bigots or "bosses" do not "last" in this place, for we are about our Father's work and pious insipid regulations set forth by man are unacceptable herein as above God's laws—but, all work solely within the laws of the land in every respect. If ones break even the speed laws—it is NOT sanctioned by me unless circumstances are critical to speed. This is WHY you will find no "cult" here—we are "about" work and service: information and passage of remnant. Noth-

ing more and nothing less, so if you conjure any other thing from this contact—please, readjust same. We do not work to "overthrow" anything or anyone as such. What YOU do with information is for YOU. We are Hosts come to serve—not further "control" nor affront. We will bring the Truth wherein it lays but we do not interfere nor even intervene unless asked. God promised you lastly, TRUTH and THE WORD—so shall it be given as directed and then, He promised security for His people and prepared a placement for same. So be it.

I thank you for time to share some personal points and offer some insight to changing circumstances. I hope we can make these adjustments with no undue hardship and no interruptions in information flow.

I do have one last notation of information regarding publications.

#### OBTAIN CENSORED JOURNALS NOW

***There is no way I can urge you strongly enough to obtain copies of the nine JOURNALS which will be tied up in court battle—impounded and banned publication on the 27th of July. America West has sold (given away) at a loss, the publication of these volumes and the supplies are indeed limited for distribution. There is, however, a point of distribution for those remaining volumes through Tehachapi Distributing, Inc. P.O. Box 1911 #122, Tehachapi, CA 93581, Telephone 805 822-9545. THESE ARE THE MOST IMPORTANT BOOKS ON YOUR PLANET AND, THEREFORE, I BELIEVE YOU WILL SEE WHY THE ADVERSARY DESTROYS AND BANS THEM. THEY ARE "SPIRITUAL" TRUTH AND THAT, DEAR ONES, IS THAT WHICH THE ADVERSARY DESIRES TO KEEP FROM YOU. WILL WE WIN THE LEGAL CONFRONTATION? YES, BUT***

**IT SHALL TAKE A LONG TIME—AND YOU DO NOT HAVE A "LONG" TIME.**

(These nine JOURNALS are: #8, #22, #31 thru #37; please see back page for titles, but order from Tehachapi Distributing above.)

COMING: VITAL NEW BOOK

Next: We are pushing through publication with all due haste, IMMACULATE DECEPTION, by L. Grant McEwan which is a book filled with researched confirmation of politics as we have shared them with you. It is the compilation of verifications as was the "COMMITTEE OF 300" by John Coleman. This is even more urgently important because it is domestic to the U.S. for it deals with the Administration connections which we have recently been outlaying, along with other notable and daring authors. Please begin to get on the list for obtaining when released for I cannot push it hard enough for your reading confirmation. Time is running out for you are actually in the time of chaos and the hour-glass rests upon its side as you move into a new era. Will you be fortified for the passage with KNOWING or will you be dangled and bashed about through ignorance? It is only up to you!

**Today's News Watch**

7/1/92 #2 HATONN

To you who ask for updates and input—especially verifications wherein they are found—here are a couple or three you will find interesting.

HELMSLEY

The Constitutional Law Center has been working on the Helmsley matter so you will find the following news-blurb interesting—as sent to us from the CLC:

**Here Comes the Judge:**

Ever since Alan Dershowitz struck out, Leona Helmsley has been pining away in Danbury Federal Prison. Not for long, if ROBERT BORK has anything to say about it. Judge Bork, a Supreme Court nominee who was spurned in 1987 [**H: And I think you can now see WHY.**], will argue her tax-fraud case before the Second Circuit Court of Appeals in New York City at the end of the summer. As Solicitor General for Presidents Nixon and Ford, he spent four years arguing cases before the Supreme Court. But why would a distinguished legal scholar and jurist want to take an assignment like the Helmsley case? Explains the Judge: "In the law, it's where the rubber meets the road."

AND WHAT OF IMELDA?

You'll find this next simply "interesting" as to relevance of "truth", "goodness" and/or political shenanigans.

**Good News for Shoe Shops:**

What a difference a year makes. **Imelda Marcos** will be among the guests at the inauguration of new Philippine President Fidel Ramos this week. Marcos, who wasn't welcome at home a year ago, won a very respectable 2 million votes in the recent presidential election (to Ramos' 5.3 million). Ramos, who is inheriting a more stable situation than Cory Aquino did six years ago, **seems eager to heal old wounds. He is expected to offer amnesty to Communist, Muslim and military rebels. And he is rumored to be planning to end the government's**

**campaign to seize the Marcos' billions. Last week the official charged with retrieving the "hidden wealth" recommended a compromise with Imelda to split the proceeds, if recovered, of a fortune in gold bullion said to be stashed in Switzerland.**

AND NOW, ROSS PEROT!

You have nagged and ragged at me about "...how can you say that Perot is somehow connected to Rockefeller and the 'Established Elite' and even George Bush?" Please just note the following portion from the front page of a 1992 *Wall Street Journal*:

**FRIEND IN NEED:** Perot's candidacy for the prestigious Council on Foreign Relations several years ago was **seconded by—GEORGE BUSH!** A Perot aide says Bush's seconding letter was "lovely", but that there aren't **any PLANS TO RELEASE the text.**

**No, I am quite sure it wouldn't be desirable—from the Bush standpoint—OR THE PEROT SIDE.** Woolies in the woodwork???

EARTHQUAKES AND DISASTERS

Indeed, indeed! If you can't see what they are doing and still have to ask me—then you are NOT paying attention and you are blind to the NEWS AS GIVEN TO YOU. Everything points to probable "blowing" of the San Andreas Fault on the Fourth of July—EVERYTHING!—especially the fact that national happenings are KEPT FROM YOU. You have to realize that what is going on is not limited to Western California—but it is to distract you. Floods in Louisiana, tornados of deadly power and multiplicity in Texas, earthquakes EVERYWHERE

AROUND YOUR NATION, volcano eruption in Alaska—America—you are on the altar! Even the Queen of England just got a nice new "Royal" title yesterday—which should tell you everything you need to know.

No, I am NOT going out of my way to tell the ones along the Western Coast—or anywhere else—to do anything or go anywhere—if you have not HEARD, then I can no longer help you for disasters at your dooryard. I will, however, give you some reports which you MUST attend if nothing else:

Ones in Yucca Valley report a series of "regularly spaced" blasts and light bursts hours prior to the actual earthshaking. This was also reported at the second site. It was, further, reported in San Francisco area where there were also shakers—as well as in Salt Lake, Phoenix, Denver and Las Vegas—even Cedar City, Utah. WHAT DOES IT TAKE FOR YOU READERS TO HEAR AND SEE THAT SOMETHING IS AFOOT?

The original blasts were timed exactly to the orbit of the Shuttle and the mechanisms launched by the subsequent rocket launch. More Hatonn hogwash? So be it.

THOUSANDS OF COFFINS ORDERED

One who works for the "government" reported in with total panic—"...we have had to order coffins, 8,000 from one resource and as many as other sources could supply" in anticipation of "possibility of need" over the Fourth of July holiday period—in Southern California alone. Other places are reportedly doing likewise where "natural disasters" are "probable".

Note that all TV stations are now reporting "probability of the Big One" within days or hours is sifting out—especially from THE news conduit by manipulation, CNN—stating that the most prominent geologic experts are predicting the

"Mother" of all quakes.

Am "I" going to evacuate anything or anyone? NO, NO AND NO! IF YOU ARE WAITING FOR "RAPTURE", I SUGGEST YOU DO SO WITH WATER-WINGS AND EMERGENCY SUPPLIES **AND I CERTAINLY WOULDN'T "WAIT" IN ANY "CRYSTAL" CATHEDRAL LEST YOU GET MORE THAN YOUR EYELASHES "TRIMMED".**

**CAN "THEY" DO THIS? YES, YES AND YES—INDEEDY!**

I realize that this is only Wednesday but there is no way to get a paper released for one last warning—but I suggest all who get this writing, at least warn your loved ones on the coast. You don't even have to mention space cadets or God—just tell them to listen to the reports coming through on "timing" of the BIG ONE.

The hope will be not to pull down Japan yet and preferably restrict the slippage and shock to Southern California, but this may not be possible. Ones are reporting, all over the map, land feeling "fluid" like a "water bed". This, chelas, comes ONLY from prana (scalar) beams which "liquefy" through frequency vibrations.

It appears that the intent is to simply break away the portion around San Diego and shift it a bit "off shore", figuratively speaking, and other places will stand or fall according to the "mass" proximity. Further, the hope for "this" one is to limit destruction for maximum impact. Governor Wilson has ALREADY put "emergency regulations" into effect!! I can only suggest that each of you attend supplies and cash for sustaining for a while in ensuing emergency time.

I am not going to tell you "outcome" of this for I don't want you to depend on me for such. LOOK TO WHAT YOUR PEOPLE ARE TELLING YOU AND STOP BLAMING GOD FOR YOUR INABILITY TO COPE WITH YOUR CIRCUMSTANCES

WHICH ARE PRESENT ONLY BECAUSE YOU REFUSE TO SEE THE FACTS. I AND MINE ARE NOT YOUR GUARDIAN CONSCIENCE—WE ARE HERE TO SHARE INFORMATION—YOU WILL DO WITH IT WHAT YOU WILL.

#### WHAT ABOUT MILITARY MOVEMENT?

I have a list of questions regarding statements I have made regarding tanks, etc. I am appalled that they come from the source which has written for he should know better than I what is what, but nonetheless, I shall share that which I feel is suitable in light of security of ones who discuss these things. YOU NEVER ASK FOR IDENTIFICATION OF ONES IN SUCH TEDIIOUS CIRCUMSTANCE AND ALL OF YOU SHOULD KNOW BETTER THAN TO DO SO.

However, I shall take these up at the next meeting and briefly cover them herein:

1. Who has verified unmarked tanks unloaded in Las Vegas from railroad cars and stored in a park?

RESP: How many do you want? It happened while a meeting was taking place in Las Vegas wherein Col. Bo Gritz, Don McAlvany, Lyndsey Williams, George Green and hundreds of attendees were present—along with some 90,000 groupies to the "GRATEFUL DEAD" were gathered.

The tanks were then inspected by ones "returning" a week or so later. The attending "soldiers" in guard allowed some looking within where instruction labels were changed (but not yet all of them) from Chinese into English.

2. How did the Chinese tanks get into this country? Which model tanks are there?

RESP: Mostly the Chinese tanks came in through unmarked ports of entry and down from the Canadian side of the continent. Most of the tanks are of the same model which the Iraqis used as decoys in the

Gulf War—as well as which were used by your own forces and did, in fact, cause such confusion as to identification as to create total inability to know up from down. I am not going to look up model numbers—that is for YOUR OWN TASKING IF YOU ARE INTERESTED.

3. What other cities have them that can be verified? RESP: Dozens, but I have no intention of spending time at naming them for I AM NOT INTERESTED IN VERIFICATION—FOR MY PART OR YOURS.

4. Who confirmed Russian armor driving into San Antonio last December 5?

RESP: I would NEVER give you such information but suffice it to say it was written up in at least three publications which most of you "who keep up" through journals such as "North Point", etc., access. I had a couple of people make the assessment in order to verify, at that time, and then came all the distance to meet in California to verify and warn, again, because of the validity. I shall not in any manner jeopardize their persons by giving identity. You are on your own—I need remind you—if all you want is verification in efforting to test Hatonn—you are missing the point in any of this. I will share where feasible but I shall not have cause to "verify" anything. So be it.

#### TROOPS—YOURS

And just when you might be needing your own troops to help cover your domestic assets—where are they? Going with the United Nations bandwagon in blue hats, to the area of Yugoslavia—to "insure humanitarian aid arrival". **Don't think it could be to get rid of them so there aren't any errors in taking over America??** If you answer "...that is total absurdity"—**I hope you're right!**

#### STILL DON'T BELIEVE IN POLITICAL COVER-UPS?

You think it can't happen to

YOU? You think it can't happen in "MY STATE" or in "MY TOWN"? Let me give you something out of "small-town Utah, U.S.A.", for your pondering:

**County adopted law to limit release of "embarrassing" information.** *Times Independent, Moab, Utah 6/18/1992.*

The Grand County Commission voted Monday to pass an ordinance on access to public records that **allows officials to KEEP FROM RESIDENTS documents and notes that could embarrass ELECTED OFFICIALS and others.**

The ordinance, **part of the state of Utah's efforts to codify just what records are open to the public and under what conditions the county must comply with public access, states, "County records regarding named or readily identifiable individuals which deal with matters of a delicate nature which could engender shame, humiliation or embarrassment in the subject of that record, in accordance with accepted standards of social propriety, or if release may constitute clearly unwarranted invasion of privacy shall generally not be classified as public records...."**

The chief records officer of the county will be the clerk, who will leave decisions of what material is humiliating or embarrassing up to department heads.

According to County Attorney Lyle Anderson, the language of that particular section of the ordinance comes from a draft of the Salt Lake County ordinance, distributed by the Utah Association of Counties. He said concern that the provision will allow elected officials to censor information regarding their own embarrassing actions was overblown, and that the aim is not to hide government action [**H: Of course not!!**] but rather to protect the privacy of county residents in general.

"My intention is that it would not apply to public offi-

cial, it would apply to other people, the subjects of government records," he said Monday evening.

But spokespeople for the Utah Press Association and the Society of Professional Journalists expressed dismay at the Grand County action, saying the ordinance passed is too broad and open to abuse.

A similar provision became a controversial issue in Kane County, when that commission attempted to pass the same section of a records law. But Kane commissioners withdrew the proposal after objections from journalists and other media representatives.

And according to Carl Hendricks of the Salt Lake County Attorney's office, commissioners up there have also decided to drop the controversial "embarrassment" clause, following objections to it. Hendricks added that in his opinion the clause is not a violation of other Utah law, but is not necessary in a records management ordinance.

Commission Chairman David Knutson defended the law, saying there is information contained in public files that the public should not have access to.

"Information that is not public necessity to know, that is embarrassing to a person, whether elected or not, can be withheld from the public", said Knutson.

Officials of the Society of Professional Journalists say they will look into the Grand County ordinance before determining if they will take any action against the county.

In other business, the commission voted to authorize the chairman to enter into a contract with Knight Brothers Construction of Salt Lake City as construction manager for the jail and courthouse expansion project.

According to Commissioner Manuel Torres, the plan is to hire the firm if they can keep costs for the actual con-

struction to under \$2.8 million....."

And so on it goes—while you forget to watch and listen!

Dharma, can we please have a lunch break so we can resume our subjects in point otherwise. May God have mercy on the little ones of the LIE, because the rumblings of chaos and tribulation are come upon you and the "action" is going to begin very, very soon. Salu.

### TODAY'S CHUCKLE

In the mail this afternoon comes a letter from **George Bush** asking if we will support his campaign in order to "...determine the economic and political direction of our country for the balance of the decade." Do you think perhaps there is more to the blindness of the right hand vs. the left than meets the eye? I will note that there was no recognition other than "corporation" by which to "sort"—so I guess all is working pretty well.

While on the subject of "mail", I would respond to three packets received also within the week. This seems to stem from a mailing from Albuquerque, NM.

### ARCTURIANS, AND THE 5<sup>TH</sup> "DIMENSION"

I have and continue to ask you ones to discern for selves that which is presented to you. As a matter of fact, -each one who sent the advertising material had already done so and only wanted to share.

The material presents ones Dr. Norma Milanovich and Jean Meltesen. In point was a lecture given by Dr. Milanovich to the "Unifying Hunch Conference" in Marion, Massachusetts, which dealt with metaphysical/spiritual knowledge and phenomena, such as near-death or other dimensional experience, expanded interpretations of

ancient knowledge, astro-physics and cosmology—and the crop circle enigma.

The resultant offering, as expected, on videotape for \$35.00 each, is self-explanatory for it deals with "Transition of humans to the Fifth Dimension" [**H: "HUMANS" as meant herein DO NOT TRANSITION TO THE FIFTH DIMENSION.**], "Transition of planet Earth to the Fifth Dimension" [**H: Planet Earth will not transition to the Fifth Dimension EITHER.**], "Introduction to the Ascended Masters and Celestial Realms", "Guidance from The Arcturians" [**H: If you really want a song and dance version of confusion—hop on the Arcturian bandwagon and you will get the ride of your life—I promise it, but it won't be to where you THINK YOU ARE GOING.**], "Explanation of the unified field of intelligence" [**H: There is NO unified field of "INTELLIGENCE", there is only unification within KNOWING!**], "Information on the crop circles" and "Energy, vibration, and frequencies—their meaning in relationship to human spiritual evolution." [**H: Well, I can't say about this one—are they banning, impounding and prohibiting publication of the information? If not, I suggest you be wary!**].

Now, as to THE TEMPLAR IN THE SEVENTH GOLDEN AGE, by Dr. Milanovich, I would share the comments of the one who sent me the information: "This looks like covert Satanic stuff. Is it?—signed AFS." "AFS=Anonymous For Safety." For \$60.00 you can get THE TEMPLAR IN THE SEVENTH GOLDEN AGE and *Master Kuthumi's message to the United Nations Parapsychology Society* from the source in Albuquerque, NM.

Chelas, I don't wish to comment on these things. Dr. Milanovich and crew had some working interchange with America West but refused to even listen to Greens on the subject of Hosts, Hatonn or

God—after having been the ones to make the invitation for a special visit to that group. I suggest you find out for yourselves if your curiosity regarding TRUTH is lacking fulfillment. I will say, however, that as stated, "Ascended Master Kuthumi has told us that this structure (a "great structure, in the form of a pyramid, that must be built to assist planet Earth in moving into the Fifth Dimension....") will be **the rebuilt Solomon's Temple. We believe it is called the Templar after the Knights Templar, who, in the days of the Crusades, guided and protected pilgrims in the Holy Land. [H: No they did not—they were responsible for the myriad deaths under the guise of goodness more than any other one group.]** In this age, the Templar will serve as a guide to all of humanity on the journey to the Fifth Dimension."

Good luck—the Knights Templar is an order of the Freemasons and the Masonic Order will not appreciate this usurpation of their corner on the term. I repeat: no **HUMAN** or **PLANET** moves into the Fifth Dimension as presented. Arcturas is a stopping off place for travelers, mostly from Orion and other Luciferian places, and then travelers simply call themselves Arcturians following an experience thereon. I would, however, note that THERE IS such a thing as the United Nations Parapsychology Society and that, in itself, should scare the living daylights out of you.

The ones in point had originally asked George Green to publish their works and when they found out of our relationship, would not allow George to even review the material—coincidence??

# The New World Order— Friend Or Foe?

7/1/92 #3 HATONN

I would like to honor a group of patriots who not only work endlessly for Constitutional recovery but as dedicated "patriots". They publish a journal by the label of **Free Enterprise Society, 300 W. Shaw #205, Clovis, Ca. 93612.**

An article has been sent to me from that paper and I would herein share it with you for it is filled with excellent observations.

QUOTE:

## THE NEW WORLD ORDER FRIEND OR FOE?

As many knowledgeable Americans have known, the banking system in the United States is going into the toilet. The evidence of this fact is that the House Banking Financial Institutions Subcommittee had voted to support the FDIC with \$25 million in new taxpayer-protected borrowing. It was reported that the FDIC would be out of funds before the end of 1991 because of the failure of over 1000 banks in recent years. **The Bush administration proposed an overhaul of the system that would remove many of the regulations and would probably aid in the formation of mega-banks that would assume the position that they are "too important to fail".** These actions mean that taxpayers will guarantee the operation of the mega-banks and **assure that the Federal Reserve will take an even tighter strangle-hold on the economic future of every American. When will we realize that whoever controls our money system—controls our country?** In a move that graphically depicts the state of political corruption in the State of California, Governor Wilson has "rammed" his new State bud-

get through the approval process. In the opinion of this writer the governor used "threats, intimidation and political blackmail" to accomplish his goal of raising new taxes to "balance the State budget". In response to any of the legislators that dared to oppose him the governor replied, "It is the easiest thing in the world simply to hunker down and chant 'no new taxes'." He went on to say that he has no respect for lawmakers that would not participate in his plan. The new increases will affect the income tax, state vehicle fees and "other taxes". Apparently the legislators failed to be impressed by the additional need for state funding as shortly after allowing the governor his budget settlement they voted themselves a lavish \$23,200 pay raise (unlawfully). The "salons" reported that this raise will help close the gap between what the senators received per year (\$101,900) and the salary that the members of the House of Representatives voted themselves a couple of years ago (\$125,100). **[H: How many of you think you might be able to scrape by on these meagre incomes?]** The legislation came as somewhat of a surprise to many and was attached to an appropriations bill and approved very late at night so as to avoid the publicity on the late news programs, it was reported. So, while the rest of us tighten our belts and prepare to fund the "budget gap" by paying more of our hard-earned dollars in taxes, our elected officials will not participate in this effort. (Government hogs feeding at the government trough.) Awash in red ink, betrayed by self-serving bureaucrats and under attack by the Federal Government in Washington D.C., State Governments are now faced with extinction and a

massive federal power structure will replace them. ***The "plan" is in keeping with the objectives of the "New World Order". Consolidation of power will make it much easier to effect the merger into the One World Government.*** Unknowing and seemingly uncaring Americans ***are paying the freight and assisting in the impending collapse by allowing the federal government (under the guidance of "World Bankers") all the power, by way of income taxes, to accomplish this take-over.*** David Brinkley stated in a speech, more than a quarter of a century ago, "The decline and fall of the 50 state governments will be completed in our lifetime. **The movement of political power from state capitals to Washington D.C. is inevitable and unstoppable whether we like it or not.**" Yes, the New World Order is approaching and **the only hope that is left for us that care to retain our freedom is to alert, conscript and enjoin the majority of Americans to repair the treasonous acts committed by the bureaucrats. We must remove them from office and restore our Republic! We are not helpless and the cause is not hopeless but we as a people had better awaken and get busy!**

## VISION OF GEORGE WASHINGTON-- "OUR AMERICAN HERITAGE"

I am going to share another much offered story of exceptional extraterrestrial vision to which I can verify validity—FOR I WAS THERE!

QUOTE from the same journal in point above.

**The story of George Washington's vision has been related by many others down through history and has been recorded in the Library of Congress. We bring it to you now for your edification and discernment, in his words:**

"This afternoon, as I was sitting at this table engaged in preparing a dispatch, something seemed to disturb me. Looking up, I beheld standing opposite me a singularly beautiful female. So astonished was I, for I had given strict orders not to be disturbed, that it was some moments before I found language to inquire the cause of her presence. A second, a third and even a fourth time did I repeat my question, but received no answer from my mysterious visitor except a slight raising of her eyes.

**"By this time I felt strange sensations spreading through me. I would have risen but the riveted gaze of the being before me rendered volition impossible. I assayed once more to address her, but my tongue had become useless, as though it had become paralyzed.**

"A new influence, mysterious, potent, irresistible, took possession of me. All I could do was to gaze steadily, vacantly at my unknown visitor. Gradually the surrounding atmosphere seemed filled with sensations, and luminous. Everything about me seemed to rarify, the mysterious visitor herself becoming more airy and yet more distinct to my sight than before. I now began to feel as one dying, or rather to experience the sensations which I have sometimes imagined accompany dissolution. I did not think, I did not reason, I did not move; all were alike impossible. I was only conscious of gazing fixedly, vacantly at my companion.

**"Presently I heard a voice saying, 'Son of the Republic, look and learn,' while at the same time my visitor extended her arm eastwardly. I now beheld a heavy white vapor at some distance rising fold upon fold. This gradually dissipated, and I looked upon a strange scene. Before me lay spread out in one vast plain all the countries of the world—Europe, Asia, Africa and America. I saw rolling and tossing be-**

tween Europe and America the billows of the Atlantic, and between Asia and America lay the Pacific.

"Son of the Republic,' said the same mysterious voice as before, 'look and learn.' At that moment I beheld a dark, shadowy being, like an angel, standing, or rather floating in mid-air, between Europe and America. Dipping water out of the ocean in the hollow of each hand, he sprinkled some upon America with his right hand, while with his left hand he cast some on Europe. Immediately a cloud raised from these countries, and joined in mid-ocean. For a while it remained stationary, and then moved slowly westward, until it enveloped America in its murky folds. Sharp flashes of lightning gleamed through it at intervals, and I heard the smothered groans and cries of the American people.

"A second time the angel dipped water from the ocean, and sprinkled it out as before. The dark cloud was then drawn back to the ocean, in whose heaving billows it sank from view. A third time I heard the mysterious voice saying, 'Son of the Republic, look and learn.' I cast my eyes upon America and beheld villages and towns and cities springing up one after another until the whole land from the Atlantic to the Pacific was dotted with them.

END OF A CENTURY  
COMETH

"Again I heard the mysterious voice say, 'Son of the Republic, the end of the century cometh, look and learn.' At this the dark shadowy angel turned his face southward, and from Africa I saw an ill-omened specter approach our land. It flitted slowly over every town and city of the latter. The inhabitants presently set themselves in battle array against each other. As I continued looking I saw a bright angel, on whose brow rested a crown of

light, on which was traced the word 'Union', bearing the American flag which he placed between the divided nation, and said, 'Remember ye are brethren.'" Instantly, the inhabitants, casting from them their weapons, became friends once more, and united around the National Standard.

"And again I heard the mysterious voice saying, 'Son of the Republic, look and learn.'" At this the dark, shadowy angel placed a trumpet to his mouth, and blew three distinct blasts; and taking water from the ocean, he sprinkled it upon Europe, Asia and Africa. Then my eyes beheld a fearful scene: from each of these continents arose thick, black clouds that were soon joined into one. Throughout this mass there gleamed a dark red light by which I saw hordes of armed men, who, moving with the cloud, marched by land and sailed by sea to America. Our country was enveloped in this volume of cloud, and I saw these vast armies devastate the whole country and burn the villages, towns and cities that I beheld springing up. As my ears listened to the thundering of the cannon, clashing of swords, and the shouts and cries of millions in mortal combat, I heard again the mysterious voice saying 'Son of the Republic, look and learn.' When the voice had ceased, the dark shadowy angel placed his trumpet once more to his mouth, and blew a long and fearful blast.

**Instantly a light as of a thousand suns shown down from above me, and pierced and broke into fragments the dark cloud which enveloped America. At the same moment the angel upon whose head still shown the word Union, and who bore our national flag in one hand and a sword in the other, descended from the heavens attended by legions of white spirits. These immediately joined the inhabitants of America, who I perceived were well nigh overcome, but who immediately taking courage again, closed**

**up their broken ranks and renewed the battle.**

"Again, amid the fearful noise of the conflict, I heard the mysterious voice saying, 'Son of the Republic, look and learn.' As the voice ceased, the shadowy angel for the last time dipped water from the ocean and sprinkled it upon America. Instantly the dark cloud rolled back, together with the armies it had brought, leaving the inhabitants of the land victorious.!

"Then once more I beheld the villages, towns and cities springing up where I had seen them before, while the bright angel, planting the azure standard he had brought in the midst of them, cried with a loud voice: **'While the stars remain, and the heavens send down dew upon the earth, so long shall the Union last.'** And taking from his brow the crown on which blazoned the word 'Union', he placed it upon the Standard while the people, kneeling down, said, 'Amen'.

"The scene instantly began to fade and dissolve, and I at last saw nothing but the rising, curling vapor I at first beheld. This also disappearing, I found myself once more gazing upon the mysterious visitor, who, in the same voice I had heard before, said, **'Son of the Republic, what you have seen is thus interpreted: Three great perils will come upon the Republic. The most fear-**

**ful is the third, but in this greatest conflict the whole world united shall not prevail against her. Let every child of the Republic learn to live for his God, his land and the Union. With these words the vision vanished, and I started from my seat and felt that I had seen a vision wherein had been shown to me the birth, progress, and destiny of the United States."**

**Thus ended General George Washington's vision and prophecy for the United States of America.**

George Washington was a man of great faith, courage and dedication. Many times before important battles, it was reported by his troops, that they would find him kneeling in prayer before the Almighty.

**Perhaps it is time for you to prepare for "the final battle" also?**

Go Dharma, for it is predicted a major earthquake in the area of San Bernardino about 6:00 this evening and it is now 5:59. These predictions are coming now from your "scientific community" who placed the local hospital in Yucaipa and in San Bernardino on RED ALERT FOR THIS EVENING. Chelas, I don't think they are going to change their plans THIS TIME. God walks with you. Take this from the machine in case the power fails and the writing is lost.

Salu, Hatonn to clear.

## EARTHQUAKES?

What happened to the earthquakes in California?—didn't even make honorable mention on CNN this early morning! Could it be connected to the move-in on Yugoslavia? Could it be to lull you to sleep for the Fourth of July? Ho-hummmmm. It turns out the warning for San Bernardino was intended for the full week-end and not just yesterday afternoon. But, for some reason the predictors are coming OFF a "sure" thing into a maybe or possibly. Ask the people in the "hit" areas how steady the ground is right now—it **has never stopped shaking**. No, it is not OFF.

Further, they are pulling your attention back to the mid-East U.S. for expected tornados, floods and "incredible" storms. No one even mentions the OTHER quakes from one side of the U.S. to the other. Why would that be?

7/2/92 #2 HATONN

### \*\*\*ADDENDUM TO "EARTHQUAKE" DISCUSSION:

I neglected to answer the biggest question of all regarding the controlled earthquake activity so please add this portion to the prior writing.

The reason for utilizing the faults which were "struck" was to make sure THE SAN ANDREAS WOULD NOT BE TRIGGERED. Both of the major quakes were not only on long inactive faults but were not even interceptive of the San Andreas. Had they moved on to the Garlock it would likely have triggered the "Big One" without striking the entire coastal area.

Chelas, this is NOT OFF, just waiting proceeding events. The earth is still shaking like mush in the stricken areas but you will note a tremendous lessening of pulse and tonal assault today so local nerves will be much more "at rest" until they start bombardment again. You will not be out of these "woods" until some time next week—after they tell you the shuttle has landed for it was the "decoy" for first strike capability and your enemy told the whole world as much! Space-cadets won't be able to bear the burden either because the Russians were a lot more clever than you THIS TIME.

Now, for longevity of peace and quiet? There won't be any for the game is in full blossom so enjoy the respite even if it be for only a brief few hours. You will note that local epicenter "victims" note no lessening of the "fluid" motion underfoot. You have been toyed with just as the proverbial cat and mouse.

Who is YOUR enemy? Think again!! Your government and political nation has enemies in action—**does that mean that these ones are YOUR enemies? They do not seem to be MINE! The "Eagles" are still in flight—they most certainly have NOT landed! If you are of God perhaps you should be readjusting your thought patterns into a more suitable direction. Just who IS your enemy? I see! A little lie here and a little lie there—and soon, nobody recognizes truth-**

**when it smacks them in the face head on. I think you just may have YOUR enemies mixed up a bit—and it ain't space aliens EITHER! Better take a long hard look at your government and Elite with that "Plan 2000"—I note the Russians with those Cosmo-spheres want no part of your New World Order OR your One World Government UNLESS, OF COURSE, IT'S THEIRS!**

## YUGOSLAVIA, IRAQ, AFRICA

What of a couple of U.S. cargo planes into Yugoslavia and U.N. troops to insure receiving of "humanitarian aid"? Seems to me you are still murdering Iraqi babies by the thousands for lack of humanitarian aid. Also, in Africa, the planes can't get through to the starving and no one gives a tinker's damn. What about them?

## COMMUNIST BLACKMAIL?

Yugoslavia wants your aid so badly that the Serbs say if you come-on-in, U.S., you will be sunk into another war that will be worse than Vietnam! Humanitarian aid? Oh, I don't think so. "Puppets on a String" under blackmail by Soviet Communists is the REAL name of the game underway.

## CALIFORNIA—NO BUDGET, NO MONEY, NO JOBS!

The state of California is bankrupt; you must know—along with just about all the other states and the nation. The state is issuing only "I Owe You's" to employees and makes a big deal of whether or not they will be honored by the banks—well, I ask you: What are Federal Reserve notes? They are NOT government currency—they are pieces of paper which are not worth the paper printed on either. In fact, chelas, note

the big lie and thrust that Iran is printing billions of \$100 Federal Reserve notes (yours) to balance their budgets and pay the debts—this aided and abetted by Syria. **[Or so they say!]**

Funny thing about all this, they also say the "money" is printed on U.S. Government printing presses. How do you suppose Iran got U.S. Government printing presses?? Could this be the opportunity to change currency on youse-the-sleeple? Surely you don't want Iran and Syria—and especially Israel—using YOUR money do you? Nobody said anything when Japan and the U.S. did it and still do it. But golly, geeze—not Iran! Oh well, Iran denies the whole thing anyway and no one would lie to you—would they? Your government surely wouldn't do that, would they?

## BCCI BANKING

What a relief, Mr. Clark and Mr. Altman were NOT indicted along with the "foreign" bandits of BCCI. Further, they can't even be tried on their own little banking schemes—because those nasty Abu Dhabi politicians have the local banksters under "House Arrest" and the U.S. can't kidnap them like they did the doctor in Mexico. Would this appear handy or what?

## SPELL "RELIEF"—"NO OCTOBER SURPRISE"

Back to Bushes and poison aphids on the branches: Mr. Bush's people have declared that Mr. Bush is "clear" of all charges in the October Surprise incident—"He did not go to Paris" as accused! Oh? What of the very pilots who flew him there and back? What of the ones who met WITH HIM THERE? Is Mr. Bush a simple illusion—here today and gone tomorrow? And what of CIA's Mr. Casey and that nice Mr. Grey? What of Kissinger and Shultz? Flutterbirds all, I guess. Funny thing about political years of election—even MR.

PEROT has decided not to testify regarding any POW/MIAs for "...fear of making a political circus of the matter".

AMERICA: ARE YOU AS TOTALLY BONKERS AS IT WOULD AT FIRST GLANCE APPEAR THIS DAY? SO BE IT AND GOOD LUCK BECAUSE YOU SURELY DO NEED A LOT OF IT.

### BO GRITZ

Hummmn, speaking of POW/MIA and lies. What ever happened to good old Colonel James "Bo" Gritz? Is he dead, alive, apt to win an election—ever heard the name? I thought not. I think this next notation from a friend in Arizona sums it up.

A COMMENT: "The only time I've heard BO GRITZ' name ever mentioned on National Network News was on an ABC 'Expose' on the MIA-POW issue which blasted Bo, condemning him as a 'liar, deceiver, fraud' on his MIA-POW statements, branding him as a 'hoaxer' lying to the American people. They never even once mentioned he was a Presidential Candidate! This sure infuriated me; I almost had apoplexy...!"

I would certainly surmise

that "Bo" is not one of the "in" group. This says about as much "good" about a man as anything I have yet heard.

### THE QUEEN OF THE WORLD

"As Queen of Canada I..." said Lizzie yesterday as she surveyed her Canadian Kingdom and said "Ameri—, ER-R, Canada will never be divided!" Oops of the year? Or....??

### NO INTEREST RATE INCREASE? YES ON INTEREST RATES!

Mr. Bush asked the Fed to again tinker with the interest rates in his behalf by lowering rates. The Feds agreed instantly—HOWEVER, just **YESTERDAY** he said "...interest rates and lending will **HOLD STEADY WITHOUT CHANGES**, the economy is in good recovery". Hatonn confusing?

### UNEMPLOYMENT?

The announcement has come forth that the unemployment figures have been wrongly projected through computer errors—"There are more unemployed in the U.S. than

thought," they say today. California says it is so bad that there is no way to make up the billions of dollars deficit because there are so many unemployed with "...no jobs to return to".

### YELTSIN

**I told you to beware of "...enemies bearing gifts" and you didn't listen! While the Elite Gorbachev made deals in Israel, Yeltsin was blackmailing the U.S. I told you a lot of your own "happenings" would revolve around what you would do to save assets with Russia. You made a swing at "first strike" and the Russians expected it—they also expect the NEXT ATTEMPT. AMERICANS—WELCOME TO COMMUNIST USSR! How do you like it so far? Well, gold raised in price by \$4.00 this morning—but who has the gold?**

Chelas, you have only "just begun"! I find my own self wishing we (me) had been lying to you as accused for I see a bleak future in perception for the next years—if you have years. Fearmonger Hatonn? Oh God, I wish it had turned out that way and not this way.

### UPDATE ON NULL-TIME AND PHOTONS

**This capitulation to serve Russia may have just bought you a little "time" on the photon ring of disaster. It will depend on how the next few days unfold. We need more time, dear ones, so let us rejoice if we can gain even a tiny bit for our own use. Do not put aside preparations—stay right on top of ALL preparations for you are at the door of disaster and it is still wide open—please, do not be foolish. This is still the most unstable time in the history of the world and worsening minute by minute. There are so many distractions as to addle your minds—don't close your eyes for the hands ARE**

**quicker than the eyes as they deceive you.**

Well, Dharma, we shall simply have to continue to unfold the stories as best we can and hope some will be seeing confirmation of the truth of it and raise their eyes above the flatland table-top and at least check their "divine plan" for future reference. You are going to find that the LIES involved with your "divinity", "source" and "future" are FAR AND BEYOND WORSE THAN THAT OF POLITICS! So be it.

# Limo Driver Delivers Final Fatal JFK Shot

**7/2/92 #2 HATONN**

I realize that this is about as old and tired a subject as I can choose this day but nonetheless—we are going to present it again. I apologize for the lack of ability to present colored photos to you but it is not worth the confusion and expense just to prove a "hand" in the firing

position. *(Editor's note: If you could see the hand in color—as in the original color copy photos we have—you would note the unmistakable flesh coloration of a hand.)*

I have told you that the driver of Kennedy's limo also shot the President. This has been discounted, actually by one I fully respect, Col. Gritz. However, he

is incorrect; the driver, William Greer, was one of the shooters and actually blasted him with the final fatal shot—he had already been hit fatally by E. Howard Hunt from the "grassy knoll". At any rate let us look at the scenario as presented to us in the San Luis Obispo material from R.R.

QUOTE:

WILLIAM GREER

At 12:30 PM, on Nov. 22, 1963, Abraham Zapruder stood on the concrete platform in Dealey Plaza in Dallas, Texas with his Bell & Howell Super 8 movie camera hoping to get a

Limo driver William Greer facing to the rear.

Hand of Greer's left arm holding .45 cal. pistol

Back of Greer's head alignment is perfect from frame to frame.

In this illustration, made by mounting actual photographs of frames 312 and 313 from a television broadcast of the Zapruder film one above the other and slightly offset to account for movement of the car (using the little stationary car window for alignment), one can clearly see the thrust of the .45 cal. pistol closer to the President ~~by~~ comparing the end of the barrel in 312 (even with Greer's face) to frame 313 when it is well past the edge of his face, even accounting for camera jiggle caused by Zapruder's reaction to the sound of the gun. Note also the flesh tone of the hand holding the gun!!!!

good film clip of the presidential motorcade as it drove through the plaza. What he filmed should have been the most important photography in the history of the world. What he filmed was not only the assassination of the President of the United States, but one of the assassins as well.

Zapruder and his secretary hurried to the CBS-TV affiliate with the camera and film, where a price was agreed upon and the film was turned over to

the TV station. The film was given to the photography lab technician, who proceeded to develop the film. The film clip was aired, probably only once, about 10 to 15 hours after it was exposed.

Anyone who saw THAT clip (and there were many) could see that the president was shot from the front and not from the rear as the Warren Commission stated. I concluded that the shot came from the front seat of the limousine and the secret

service agent! Over the next 25 years, I met and talked with several persons who SAW the silver .45 caliber Colt automatic pistol **in the hand of secret service agent William Greer!**

The FBI and the Secret Service immediately descended upon the TV station. The lab technician showed the film for them and it was confiscated and ordered not to be aired. The government insisted that the Zapruder film was never shown publicly until 1972. The gov-

ernment lied. (Yeah, it does that sometimes.)

Between 12:30 PM and that first showing there was only time to develop the film. There wasn't time to alter the film. The FBI, CIA, and the Secret Service didn't even know the TV station had it until they saw it on the air. The personnel at the TV station didn't even know that Greer was on that film clip!

**Except for one!** A reporter for the station was "on the Scene" at the assassination site. **He knew exactly what happened and so did several innocent bystanders.** The innocent bystanders had incredibly **short lives** after that day. The reporter used his knowledge to bribe his way into an executive position and anchor-man spot with CBS at a national level. **His name was DAN RATHER!**

25 years later on CNN-TV, Larry King was doing a 25th Anniversary special call-in program on the President Kennedy assassination. The subject was "What is your most vivid recollection of November 22, 1963?" The caller identified himself as the lab technician who developed the Zapruder film that day. He said that the FBI and the Secret Service came to the station that night and asked to see the film clip. On CNN, he said, **"I will never forget the look of ghastly horror on their faces when they saw the president's head explode."** **Bullshit!** They were there and saw it in person! The look of "ghastly horror" was because they saw that their own William Greer was caught in the act of murdering the president. Greer's action is not really obvious and requires that the viewer concentrate on Greer and not on Kennedy. Even the lab technician missed it!

Also 25 years later—November 1988—*Life* magazine did an anniversary special on the Kennedy assassination. In the magazine were many clear, large photos from that day 25 years earlier. They obviously

This is a Colt .45 pistol of the type used by William Greer. You can see that the bulk of the pistol is well forward in the hand of the shooter. This is what appears in William Greer's hand in frame 312 of the Zapruder film except it is in his left hand, not his right as pictured here. The pistol is in a "ready to fire" mode.

Although the pistol pictured above is not the same model as the Colt, its operation is identical. Its operation is of a "delayed blowback" operation which means that the top part of the pistol, called the slide, travels rapidly to the rear to eject the spent cartridge and feed a fresh one into the firing chamber. This is what you are looking at in frame 313. At approximately the same instant that the bullet struck President Kennedy, the pistol slide reached its rearward travel. You can see the pistol slide extending back over the shooter's hand. Due to the extremely rapid motion of the slide, the slide is more blurred than in frame 312.

came from a perfect unboogered Zapruder film.. *Time-Life* owns the rights to the Zapruder film.

One of the photos shows the presidential limousine coming down Elm Street in Dealey Plaza. The limo has just come from behind the Stemmons Freeway sign. President Kennedy has been wounded in the throat by a bullet fired from the grassy knoll. The bullet allegedly passed through the sign. The sign was removed the next day!

There is something terribly wrong in that photo. In that clear, good-quality photo, the windshield of the limo is all blacked out! Whoever did that sure did a sloppy job because the blackened area does not even follow the edge of the glass very well. What does that blackened windshield hide?

If you refer to the Zapruder tape "Dallas Revisited" on "The Walter Cronkite Nova Special", you will see down against the driver's door, in his left hand, the silver .45 pistol of William Greer!

#### JACKIE WAS FLEEING PISTOL

Jacqueline Kennedy's reaction to the shooting was the exact, normal, logical reaction of a person who was looking down the barrel of a .45 pistol. A pistol that had just gone off and splattered her husband's blood and brains all over her. She moved out in the opposite direction—out across the trunk of the car. Ask any combat veteran. If she was trying to avoid rifle bullets from the surrounding buildings, she would have dived to the floor. She was not trying to retrieve a part of her husband's brain as some idiot has suggested. **[H: No, she was not "trying" to grab a part of the brain but when she got out on the trunk of the vehicle, there lay a part of the skull with brain still attached and she sure as heck grabbed it and retained it with her for the next several hours—which**

**about did everyone in the "plan" into a state of pure panic while trying to get it away from her through any hook or crook method they could—finally they physically extracted it from her.]**

A famous ex-race-car driver operates a driving school for aspiring race-car drivers in Southern California. As a sideline, he also teaches defensive driving for chauffeurs whose employers lives might be in danger. The basic rule to follow when someone is shooting at your car, is the same as the normal logical reaction—step on the gas and get the hell out of there!

In Dealey Plaza, on November 22, 1963, the Number One, Top Gun Chauffeur of the United States of America did just the **opposite**. He braked the car to an almost complete stop! **This alone is proof of complicity in the murder. Since the riflemen surrounding the car all screwed up, he wanted them to have a second chance. When they still didn't get the job done, Greer, as back-up man, did his own thing with the .45 pistol.**

Several researchers believe that another bullet from the grassy knoll struck Kennedy at exactly the same instant as the .45 bullet. This is a reasonable, logical possibility.

Within a few days, the limousine was dismantled and scrapped. What evidence was destroyed by that act? What story would an autopsy on the bullet holes in the car disclose? **[H: Would this be classified as obstruction or destruction of justice and evidence if YOU did such a thing?]**

William Greer braked the Lincoln limousine so abruptly that the Cadillac carrying the Secret Service men almost ran into the Lincoln. So many frames were removed from the public version of the Zapruder film that there is an illusion of continuous motion. However, the Nix film clearly shows the limo almost completely stopped.

Clint Hill, who was on the running board of the Cadillac was thrown off and fell on his butt behind the limo. He later testified at the Warren Commission, "Sounded like a .45 went off inside the limo." As he scrambled up on the trunk of the limo, he met Jackie trying to exit the car—escaping from Greer. He pushed her back into the seat as Greer accelerated the car and rode spread-eagle, on the trunk, clinging to the handholds to Parkland Hospital.

It was never intended that President Kennedy's body go to Parkland Hospital. His dead body was supposed to go directly to the presidential airplane and directly to Washington. Governor Connally, sitting directly in front of Kennedy was wounded by two of the rifle bullets. He yelled out "Oh! My God! **THEY** are going to kill us all!" Since Connally was only wounded it was decided to drop him off at Parkland. At the Warren Commission, he started to testify, "I saw"—then changed his statement to "I felt" the blast from the bullets. Of course he "saw" and "felt". He was lying across the middle jump seat in the limo and his face was only **inches below the .45** in Greer's hand.

#### CONNALLY/HUNT SCHEME

There is speculation that Connally was also an intended victim of the assassination plot. He allegedly was involved in a financial plan **with the Hunt brothers** that would have destroyed "The New World Order". (But that's another story—"The Story of Jonathan May".)

Since Parkland Hospital was not a scheduled stop in the plan, the doctors and medical personnel in the emergency room were taken completely by surprise. Their preliminary examination of the president's wounds were quite different than the "official" version. Several doctors had very short lives after that day.

Dr. Robert McClellan's report stated, "The bullet entered the left temple and blew out a three inch chunk of the lower right occipital bone." If you draw a line through Kennedy's head from the lower right occipital through the left temple (in frame 313 of the Zapruder film) the line goes **directly to the .45 in Greer's left hand.**

The "official" autopsy states that the back of Kennedy's head was intact and no bones were missing. McClellan said, "How can that be? I had the piece of occipital bone right in my hand." A young boy had found the piece of Kennedy's head in Dealey Plaza and brought it in to the hospital. **[H: Hum-m-n-n, the first DNA replica was shown on Salt Lake TV when? In the 50's? Could it be that the Kennedy always "subsequently" featured as a part of the assassination was already waiting—with an empty skull from which the "brain" was missing and forever lost—never found!?!? Is it more ridiculous than all the other lies of zig-zag bullets and one shooter? Please, chelas—use your heads for you should be better sleuths by this time in your studies! Actually, duplicates had been around for a long time by the time Kennedy was executed (murdered).]**

After seeing the Zapruder film, which was shown on TV shortly after the assassination, I told a friend that Kennedy was shot from the front, not from the rear. The next day (Sunday), she talked on the phone with her brother in Washington, D.C. He worked at the Office of NAVAL INTELLIGENCE. She told him what I had told her—about the shot coming from the front. After a pause, he said this, "**Sis, I can't tell you what really happened, but if the American people knew what was going on, they'd be panicking in the streets.**" This confirmed my first conclusion about the front shot.

Some time during that first day or two, a local law officer and a reporter named Buddy Walters watched an FBI agent pick up a spent .45 caliber bullet from the grass in Dealey Plaza. A photograph was taken of this act. A .45 bullet is distinctly different than the alleged 6.5 mm Carcano bullet. (Oswald's alleged weapon was supposed to be a 6.5 mm Italian Mannlicher Carcano rifle. This is such a poor excuse for a weapon that the Italian soldiers called it "The gun that never hurt anybody.") A .45 bullet is short and fat while a 6.5 bullet is long and thin. There is no chance of mistaking one for the other. One more proof of a .45 as the murder weapon.

Several years later on the Mort Sahl TV talk show, Mort showed the Zapruder film. When the picture stopped on frame 313 and zeroed in on driver William Greer, Mort's guest said, "I can't believe what I'm seeing." The TV show was cancelled and Mort never worked in TV again.

In "The Torbitt Document" the author states that one of the assassins—code named "Zed"—used a .45 caliber pistol.

Around Christmastime 1988, a friend was visiting relatives in our area. We gave him a copy of our Zapruder tape "Dallas Revisited". He was quite excited about it and couldn't wait to get back to Houston, Texas to show the tape to his neighbor. His neighbor was a very close friend of ex-Governor John Connally.

When he returned home to Houston, he put the tape in his VCR and called his neighbor over. The neighbor viewed it stoically and said, "So now you know. I don't want to discuss it." He turned and walked out of the house.

We told a local retired CIA employee about the "Dallas Revisited" tape. He confirmed that "Greer did it."

Lars Hansson is an amateur "fly-by-night" journalist

who is always out to con a fast buck. Lately he may have become a CIA stooge. He stole the tape "Dallas Revisited" from a local Kennedy researcher who had spent 17 years researching that "final fatal shot". Hansson claims he made the tape for "Bo" Gritz and John Lear and was distributing it around the country.

#### BUSH INVOLVEMENT

Bob Grodin is another phony. He was hired by Congress as the photo-interpreter expert on the Zapruder film. Grodin is NOT a "photography expert". His real job is to write phony books on conspiracy theories and lead you away from William Greer. A close investigation of Greer would "blow the lid off" of the whole "New World Order". A Greer investigation would even suck George Bush into the Kennedy assassination.

Grodin and Hansson appear in a handout paper called "Conflict—the Dorff Report" (Feb. 1990). They get into a donnybrook about the "Dallas Revisited" tape. Grodin states, "What appears to be a chrome plated .45 automatic pistol is actually the chrome on the driver's side door, next to Nellie Connally". What Grodin fails to explain is how the "chrome on the door" gets into Greer's left hand, comes up across his chest, points toward Kennedy's head as Kennedy's head explodes, then goes back down across Greer's chest and disappears into the front seat as the limo speeds toward the underpass. John Lear says that the same piece of chrome must also be stuck on the side of Greer's head in frame 313. Grodin is a liar! [H: **Could it be that this is the cause of Gritz' consideration that Greer wasn't the "shooter"? Seems a bit of disinformation flapping going on in the "in" group of revelators. This, by the way, is certainly nothing new within that particular group who can't seem to make up their**

**own minds about anything—even UFOs.]**

Lars Hansson then begins a series of vacillations about Greer. Like the old song goes, "First you say you do and then you don't—Then you say you will and then you won't—You're undecided now—etc., etc." Hansson and David Lifton then begin a series of vaudeville acts to try to convince the world that Greer didn't shoot Kennedy. This is described in Bill Cooper's book "Behold a Pale Horse", Pages 215-221 [H: **No, no comment!**]. The whole charade culminates with Hansson appearing on "Inside Edition" again reversing himself saying that Greer DID shoot Kennedy. The reason is obvious as Hansson is setting himself up, so Grodin then follows him, ridiculing him and trying to debunk him. It didn't work. Anyone with an I.Q. of at least room temperature could see through these CIA phonies.

[H: **I do have to agree that the so-called "intelligence" agents are just about the most silly and ridiculous nit-wits around. Some of the "stuff" sent to us to try to shut us down is about as phony as any three dollar bill and still they persist. I suppose they are so trained to not allow a point to be missed that they "overkill" to the point of nausea and become the birdbrains themselves. Then, there is absolutely nothing more incredibly amusing than a programmed intelligence agent.]**

The movie "JFK" is a monument to the stupidity of the human race. First of all, to anyone who can read, the Garrison story is at least 20 years

old. Second, absolutely no mention is made of the real power behind the assassination—the Gehlen Organization; Werner Von Braun, Walter Dornberger, Reinhart Gehlen, and the California Nazis; Reagan, Nixon, and William Clark. [H: **Well, it wasn't all THAT bad, friend—they just missed a few points and yet it was the best that has been allowed projection. I will note, however, that it becomes obvious that Bush despises Reagan and did in fact have connections with the hit-man, Hinckley, who shot Reagan. Bush's son had an appointment for dinner with this person at the very time of the incident. Look it up—and I suggest you start with THE JOURNALS.]** Third, Bob Grodin spent two weeks in Dealey Plaza doing a remake of the Zapruder film! The lies are getting so thin they would insult the intelligence of a rabbit! [H: **Even one of those "killer rabbits" of Jimmy Carter fame!**] For the real star of "JFK" see the movie "The Catholic Bible Salesman". Nice try, Stone. Nice try, Grodin!

\*\*\*\*

Dharma, let us change the subject but remain in the material of R.R. as listed as number "7" in sequence. It is so timely—now that FEMA is in control of California and other states this very day, that I think our readers will enjoy it more than Bush's "Nixon" impeachment involvement, Watergate and back to being present in Dallas on that fateful day when JFK was murdered. Of course, remember—Nixon was there also—but "...can't remember where I was on that day"!!!

# Martial Law Plans For USA

7/2/92 #2 HATONN

CSTI and FEMA  
CALIFORNIA SPECIALIZED  
TRAINING INSTITUTE  
and FEDERAL EMERGENCY  
MANAGEMENT AGENCY

QUOTE:

About six years ago, I (R.R.) had a friend and drinking buddy who was "career army". He was assigned duties with the California Specialized Training Institute (CSTI) which was based at Camp San Luis. He was discouraged and disgusted to learn that certain portions of his army were training to fight a new war against a very unusual enemy, **the citizens of the United States of America!** A plan called "**Rex 84**" **from the Federal Emergency Management Agency (FEMA) would suspend the Constitution and install martial law!** The authors of this plan included San Luis Obispo residents Luis O. Giuffrida, William P. Clark, and Edwin Meese. Disillusioned, my friend left the army. He was not at all happy with the politics of the new military.

In May 1986, the Christic Institute of Washington D.C. brought a lawsuit against the federal government under the RICO statutes, which indicted many members of the U.S. Government with assassination, illegal arms dealing, and drug trafficking in Central America. I told my friend of this lawsuit and mentioned some of the names involved; Oliver North, Richard Secord, Albert Hakim (an alumnus of Cal Poly), Theodore Shackley, Thomas Clines, and Frank Terpel. These last three names really shocked him. These men were involved in originating CSTI and had been instructors there!

In 1987 I learned about Lt. Col. James "Bo" Gritz's many trips to Southeast Asia to look for POWs and MIAs.

(Editor's note: Please see Gritz's books for all the revolting details of our government's drug business in Southeast Asia.) Col. Gritz brought back accounts of the many POWs that were still being held in prison in Laos and Cambodia. Very peculiar; every time he was about to make contact with POWs, they were mysteriously moved. He thought it was all just rotten luck until he was sent into the "Golden Triangle" in Burma to check on reports that General Khun Sa had POWs.

Well, Khun Sa had no POWs but he told "Bo" he thought our government was stupid for buying so much heroin from him. Bo was shocked!! Now his failure to contact POWs started to make sense. The very people who were appointed by our government to bring back our POWs were the middlemen who were drug trafficking with Khun Sa! On video tape, Khun Sa named Assistant Secretary of Defence Richard Armitage as his best customer. He also named Theodore Shackley and Thomas Clines as part of the U.S. Government's drug trafficking team. The same Shackley and Clines named in the Christic lawsuit and the **same Shackley and Clines who helped Ronald Reagan establish CSTI!**

Shackley, who was then Deputy Director of the CIA under George Bush, his assistants Thomas Clines and Frank Terpel, have for many years been in charge of drug trafficking, assassination programs, and establishment of anti-terrorist training facilities (or terrorist training facilities) such as CSTI. Terpel, of the Terpel-Wilson team who sold C-4 explosives to Libya's Muhamar Quadafy, also helped set up a training school for terrorists (or anti-terrorists?) in Libya. President Reagan ordered an air strike against Libya to retaliate against the terrorist

training camp. This training school was established, not by the KGB, **but by the CIA.** The stoic silence of my CSTI friend told me I was "right on".

Through the Special Forces Association, a local retired "Green Beret" obtained the address of Colonel "Bo" Gritz in Sandy Valley, Nevada. With a member of the Christic Institute, we went to see Bo and brought him the video tapes about murder and drug trafficking in Central America. Bo was amazed. He said "Why, they're saying the same thing I'm saying." Sure enough, the "left wing" Christic Institute and the "right wing" Bo Gritz were giving the same account of drug trafficking, assassination, and gun running. We concluded—**IT'S TIME THAT THE "RIGHT" AND THE "LEFT", THE DEMOCRATS AND REPUBLICANS, THE LIBERALS AND THE CONSERVATIVES, THE BLACKS AND THE WHITES GET THEIR ACT TOGETHER AND REALIZE WHO IS REALLY SCREWING US!** There is a huge amount of information available from the "Center for Action" in Sandy Valley, the Christic Institute, the Mae Brussel Research Center, Barbara Honegger (author of "October Surprise") and many other persons and organizations.

When we returned from Nevada, I set about to learn all I could about CSTI and FEMA. The best information is contained in an audio tape of a radio interview by Dave Emory of "Radio Free America #32". This tape is about 3 hours long and tells how CSTI was initially formed. To briefly summarize, you will remember the protests and demonstrations against the Vietnam War. These demonstrations greatly upset Governor Ronald Reagan. He, being a veteran of World War II, World War I, the Civil War, the Indian wars, thought that these pro-

tests were very unpatriotic, so he created CSTI to deal with these "dissidents". CSTI could also control protests against nuclear power at Diablo Canyon, environmental protesters such as "Earth First", abortion rights protesters, minority race protesters such as Uhuru and SLA. He anticipated protests against the next "Vietnam"—the invasion of Nicaragua. This invasion was already staged and called "Operation Night Train".

In 1968, "The King Alfred Plan" appeared in a novel "The Man Who Cried 'I Am'". The author, John Williams, claims it is a true document and had to write a novel around it to get it published. **It was a plan to round up, incarcerate, and eliminate 20 million Blacks in the United States.** In 1970, it appeared as Luis Giuffrida's thesis at the U.S. Army War College. Governor Reagan liked it so much he made Giuffrida the Commander of CSTI at Camp San Luis where it was the pattern for "Operation Cable Splicer". In 1981, President Reagan made Giuffrida head of FEMA (replaced by Stickney), where "King Alfred" became "Rex 84". "Rex" means "Readiness Exercise" and is also Latin for "King". This plan, by Giuffrida, assisted by National Security Advisor **William Clark**, Attorney General Edwin Meese, Colonel Oliver North and others, **called for suspension of the Constitution, declaration of martial law, and incarceration of all who protested against it.**

During the Iran-Contra hearings, Congressman Jack Brooks attempted to question Oliver North about this plan to suspend the Constitution and declare martial law. He was immediately interrupted and squelched by the chairman, Senator Daniel Inouye.

Today this plan is still in effect. Quoting from Bo Gritz's newsletter:

The U.S. Congress is now considering a bill (HR 4079 and S. 2245,

National Crime Emergency Act) which could declare a NATIONAL EMERGENCY for five years if it is signed into law. Under existing executive directives, the Constitution of the United States of America can be suspended and martial law declared under conditions of a national emergency. The Federal Emergency Management Agency (FEMA) is already in place to enforce such a decree.

In the early 1900's, the Panama Canal was originally planned to go through Nicaragua. This is the most practical location for a canal. Today the Panama Canal is obsolete. No supertanker, aircraft carrier, or battleship will fit through it. A new canal is planned for Nicaragua. The only economical way it can be constructed is with ADM's—atomic demolitions. A synchronized detonation, in an earthquake active area, of 250 million tons TNT equivalent of nuclear explosions 30 miles long will instantaneously blast a canal large enough to allow supertankers and aircraft carriers to pass each other. Do you think this may cause protests and demonstrations? **[H: Here is some confirmation for all you little deniers of what we have given you. Absurd? No, planned and ready! We gave you a full description of exactly how it would be pulled off.]**

To understand the necessity for CSTI and FEMA one must consider the staggering amount of information about covert operations that is available to those who care to look for it: Drug trafficking on a global scale. Assassinations which go back to the Kennedys and Martin Luther King. The development and distribution of AIDS. The assimilation of hundreds of Nazi scientists, doctors, and intelligence agents under "Project Paperclip". Mind control programs such as MK/

ULTRA and its use on assassins such as Mark David Chapman, John Hinckley, Patrick Purdy and many others. The 900 elements of the U.S. and British governments. The "October Surprise" about how Bush and Casey flew to Paris to make a deal to hold the embassy hostages until after the 1980 elections. **[H: Don't miss today's earlier writing. Bush's own investigators have now cleared Bush completely and announced he was not in Paris at "October Surprise"—are you "surprised"?**] The savings and loan scandal which involves the president's sons—and others.

For many years covert actions have been undertaken which would mandate the FEMA/REX 84 plan. In a recent book an Israeli Mossad agent states that his agency knew for months a terrorist attack was planned on the Americans in Beirut. The guards at the Marine barracks **were ordered to stand duty with UNLOADED WEAPONS! U.S. intelligence KNEW AN ATTACK WAS IMMINENT AND DID NOTHING TO STOP IT. [H: Yes indeed—more confirmation that I don't fool around with your intelligence in the JOURNALS. I simply don't know what more you need for confirmation.]**

Another plan to implement FEMA was another attempt to assassinate Reagan in June 1986, in Venice, Italy, by shooting down his helicopter "Marine One". This plan was aborted because in May the Christic Institute filed their lawsuit against the U.S. Government, naming many of the persons who were to participate in the June assassination. Abbu Nidal and Monzer Al-Kassar were the "Syrian terrorists" who were to carry out the assassination. They were partners **with OLIVER NORTH, RICHARD SECORD, AND ALBERT HAKIM IN PROVIDING THE POLISH AK-47s AND PORTUGUESE AMMO FOR THE CONTRAS.** These weapons were

later exchanged **for cocaine.** Do you think that a couple of Syrian terrorists could have advance information about the secret itinerary of the president's helicopter schedule a whole month in advance without some collusion with the "Secret Government"? Today George Bush is on very, very friendly terms with the Syrians—**[or hadn't you noticed?]**

Abbu Nidal and Monzer Al-Kassar were involved in the December 1988 bombing of Pan-Am 103 which killed 259 men, women and children. The purpose of the bombing was to eliminate a CIA team who was defecting from the CIA and planned to **"blow the whistle" on the CIA and the "secret government"!**

To provide credence to this article, the author would like to state that he has personal involvement with many of the persons and incidents here included. Persons in the Intelligence Support Activity (NSA), Office of Naval Intelligence, White House Staff, Christic Institute, etc. **[H: He, however, did not have nor has he had now, any contact until this material arrived, with Hatonn or my scribe. He is still totally unknown to my scribe.]** One incident happened over 36 years ago. During the Korean War, I was in the U.S. Marine Corps with the U.S. Sixth Fleet in the Mediterranean. In a conversation with a French lady in Marseille, France, she told me her husband was killed at Dien Bien Phu, French Indochina (Vietnam). **[H: How many of you readers knew that Vietnam WAS FRENCH INDOCHINA?]** She was very bitter. She said, "We're only there for the heroin." Then she really shocked me. She said, "Your government finances our war in Indochina." Why were we supporting the French war? **For a "piece of the action"—HEROIN! This war evolved into the Vietnam War in which over 58,000 Americans and millions of southeast Asians**

died.

In 1989 General Khun Sa exported 3000 tons of heroin. The U.S. Government is still **his best customer. At a half million dollars per pound, do you think the government is going to lose the profits from thousands of tons of cocaine and heroin by imprisoning drug users?** Wake up America! 80% of the drugs your children use **come in through U.S. Government channels. CSTI AND FEMA WILL IMPRISON PROTESTERS, DEMONSTRATORS, HOMELESS, GUN-OWNERS, DRAFT EVADERS, TAX EVADERS, TOO!**

In the 50's and 60's Marseille, France was the heroin capital of the world. From there the heroin came to America, the French Connection. Some of the channels were the Mafia, Cuba, the military, and the offshore oil drilling platforms in the Gulf of Mexico. The oil drilling platforms were pioneered and **owned by a Houston, Texas based company named Zapata Offshore Oil.** The heroin was unloaded miles out at sea from fishing boats to the platforms. From the oil drilling platforms the heroin went ashore via the normal crew and equipment boats, thereby avoiding customs and inspections. The president of Zapata Oil was **George Herbert Walker Bush.** As Director of Central Intelligence, Bush was the commander of the world's largest drug trafficking operation; As president he is commander-in-chief of the military which includes CSTI and FEMA. **[H: And the "head" of FEMA is a KISSINGER AND ASSOCIATES STOOGES.]**

Today (December, 1990) 300,000 servicemen and women are facing a confrontation in the Saudi desert, which could very well become World War III. Not a shot has yet been fired, but opposition, demonstrations, and protests are growing across the country. Need there be more justification for the existence of CSTI and FEMA?

This may be the end of quoting on this above matter but it sure is not the end of the story, is it? Now, did this person "plagiarize" JOURNAL MATERIAL FROM OLD HATONN or is this just possibly TRUTH, readers? **THERE ARE A WHOLE LOT OF ONES WHO KNOW THE TRUTH—BUT CAN'T GET YOU TO LISTEN, SEE OR ACT!**  
***I have now had seven sources, including this one,***

***(all with contact "inside" the system) tell me that there are major "things" planned for the 23rd or 25th of July!! OOPS!?! I suggest you get ready because the "actions" are going to get more and more nasty as you move along.***

Enough for this writing. Thank you.

Hatonn to bid you a good-day.

**6/16/92 SANANDA**

Greetings, precious little dove, Druthea. I AM Sananda. I am known by many labels, Esu Immanuel, Jesus Christ, Pale Prophet, etc. I am not yet upon your place, although I bring instructions as Governor of your place in service to the Lighted One Source.

I walked upon your place as Son of Man AND Son of God in my spiritual awareness. I came then some 2000 years past in your counting to instruct and prepare God's people (those who abide within His Laws and bring lighted Truth) for THIS time of a Great Cycle transition of your species. I come with THE HOSTS OF GOD to bring His children, lost and now found in Godly intent, to His places prepared for you ones. You are my younger brethren and God has entrusted in me responsibility for your spiritual evolvment into the higher places He has prepared for you. There are many who travel with me, including our beloved Commander Hatonn, who has chosen perhaps the most difficult task of Historian and "telling you like it is, thorns and all, upon your place".

Like a diagnostician, he (Hatonn) recognizes and reveals to you ones the disease within selves and upon your place that you may understand WHAT the

problems are. In this way you can then face them (problems) and begin the healing. If you do not KNOW of your illness or you DENY it deliberately, it only spreads in devastation of unbalance within you. Yes, it is quite shocking, alarming and frightening to begin to look at "how bad it really is" in unbalanced condition upon your place. Often it even seems hopeless and overwhelming. KNOW that it is NOT hopeless unless YOU make it so by not accepting your responsibility and part in cleaning up self, and therefore bringing balance back to the whole.

You each will stand naked WITH GOD in responsibility to Our One Creator for that which YOU DO and HOW YOU THINK AND BEHAVE. You each are fully accountable for selves and ignorance is a valid excuse for a time. ONCE YOU ARE GIVEN OPPORTUNITY TO KNOW AND STILL REFUSE OVER AND OVER AGAIN, you must face the consequences of your own making and refusal to know. God does not force, EVER. You ones are in your final sorting, wheat from chaff, within selves. YOU will decide your placement and whether or not you will remain bound for perhaps another millennia in lower physical compression (material existence) is entirely up to you. And you thought College test-

ing was difficult?!

Part of your growing into responsibility, chelas, is learning to depend upon YOUR INNER GUIDANCE from Creator and His Hosts of Lighted Source. ALL that you encounter OUTSIDE of self will be measured within and discerned within as relating to self and Truth. I am referring most especially to your spiritual directions of daily activity and interchange. Are your interchanges balanced? Do you give more than you receive or receive more than you give? Do you know that you can, with God's presence requested and abided by, achieve balanced interchange in all of your transactions and interactions? IF THAT BE YOUR INTENT IT WILL BE ACCOMPLISHED!

Yes, WE know that you find it easier to get answers outside of self for self in opinion or expert judgement by others. It also means that you deny God within opportunity to strengthen your bond of inner KNOWLEDGE when ever you seek outside FIRST. Let it FIRST be inside that you find Truth and then allow the verification and validation of that which you KNOW to unfold, for example within these transmissions. Most of these lessons are NOT NEW to any of you reading herein! We are simply reminding you each of that which is already known WITHIN. If some idea or concept of teaching feels unfamiliar, it does not mean it is untruth! It simply means you do not KNOW or REMEMBER yet. Sit with GOD whenever you sit to read these JOURNALS and LIBERATOR AND ALL WHICH COMES TO YOUR ATTENTION. You cannot ever learn to trust God within if you do not allow His attendance in your daily experiences.

Does this scribe write these instructions from Sananda for self as well as YOU? Yes, she does. It does seem, in human perception, that our scribes are somehow more in tune and without ego opinions. THEY ARE MORE IN TUNE AND YET SO

CAN YOU BE. Druthea is human. She makes errors in perception on occasion, although she has learned and grown to Trust us. And her INNER strength is unbreakable, although she may not yet see it in self.

I tell you this that you know when she first became aware of us outside of self, she denied for a long, long time and went through terrible testing with doubts, confusion, poor self-value and self-centered ego. She was frightened. In less than three years she has grown beyond her fear and doubt and now acknowledges she remembers her commitment to God. Does that mean she never doubts or does not sometimes become afraid? NO. The difference is she now FEELS and KNOWS our presence, our guidance and our protection. She has secured her lifeline with God and has felt that INNER strength and knows she can confront any problem or situation given and receive guidance. ALL OF YOU CAN AND WILL DO THE SAME!

When you ones realize and accept that your ONLY security lies with Trusting God WITHIN, you have reached a most wonderful pinnacle in understanding and growth. You will accept your instructions and you will act upon them. Sometimes you will stumble and bumble and get really frustrated with self. This will pass and God will carry you when it seems you cannot take another step.

Druthea, precious dove, has now reached a point in her experience of job and commitment whereby she now finds JOY in her work and fulfillment of giving. THAT was a tough, tough pinnacle to reach, where she feels it is no longer a burden which she cannot handle. She feels blessed and honored and we, too, are blessed and honored by her participation. For your work and responsibility is NEVER EASY, precious ones, but it may certainly seem so to others and to self WHEN you

bring JOY into WHATEVER work you do in behalf of God. Learning to fly is as much a JOY to DO as YOU allow in perception of same. So you fall? Fall Forward into God's wings and then jump again until your wings become strong with God's love given you to regive to your brethren. What a gift your lives are, if only YOU could see what I, Sananda, see!

I am most humbly grateful and in deep appreciation for you, Druthea. You are growing so beautifully and I am honored to be a part of your growth as you are a part of mine and so it is with each ONE of you of my blessed brethren. Let us close that you each may ponder these words within selves with God present for clarity and understanding. I AM Sananda, One with God in His Service of Love and Truth. Walk gently together and then you will be ready to fly. So be it. Salu.

#### 4th OF JULY, cont. from page 1

This includes "undercover" contacts with the old buddies in Cuba to check on final status and get instructions and give instructins.

Let us look to that Yugoslavia "crisis" again for a moment without getting emotionally involved. What does the press and Bush say about it and the troops as questioned regarding the 150,000 U.S. troops stationed in Europe under NATO—if they aren't used against the kind of bloodletting seen in Sarajevo. What does Bush say? "...that doesn't mean that it's going to be injected into every single crisis area."

#### SOUTH AFRICA TAKEOVER

Anyone taking note of South Africa and DeKlerk rattlings and "force" tactics against the "blacks"? It is happening, little ones, the take over of South Africa and ALL RESOURCES by the British Elite. And what of Algeria and Nigeria? Note please, that Nigeria has "light crude oil" against which the price of oil for the world is

**established!**

#### JAPAN GIVES IN

Ah yes, Japan said day-before-yesterday that they would not play the "Russian Game" and lower lending rates, etc. I note that after Aso (Ah-so) suddenly "blew" in massive eruption without prior warning accompanied by myriads of earthshakers and rollers on the same day in point—they decided to lower the rates yesterday.

Who gets the benefit of lowered prime rates and discounting? BANKS AND INTERNATIONAL MONETARY FUNDS WHO LEND MONEY TO PLACES SORT OF LIKE RUSSIA—ALONG WITH THE ELITE WOULD-BE KINGS.

#### HOW TO "READ" AND "HEAR" NEWS

Balance EVERYTHING YOU HEAR AGAINST THE JOURNALS AND LIBERATORS.

What is happening in Yugoslavia, for instance: Watch and listen to who is doing what. Lord Carrington (Great Britain) is in the nation as representative for, of and authorized by the U.N.? No, Lord Carrington is there because HE IS HEAD, THIS YEAR, OF **THE BILDERBERGER secret society of Elite World Controllers under the Committee of 300**. He is "Chairman", this Lord Carrington—chairman of the board. By the way, he was a former secretary-general of NATO. How convenient to have the head honcho involved in the "solutions" to little uprisings. Further, as the C-130 giant cargo planes bring "tomato soup and tuna fish" (according to news announcement) into "the besieged Bosnian capital", they make return runs bearing gold and drugs. Of course, **only a portion chosen for public betrayal is published for your eyes—only the "your-eyes-only in-group" gets the REAL dope—er, er—news!**

By the way, chelas, Sen. Lloyd Bentsen, U.S. senator from

Texas—is 12th in ranking importance in the Bilderberg society and a major participant at the Evian, France 1992 meeting May 21-24. Yes, I do have a major listing and you would recognize a lot of the players. Yes, and another U.S. representative was Sen. John Chafee; and Sen. Charles Mathias from Maryland was also a major invited "guest". Then, of course, was also Paul Volcker, former chairman, Board of Governors of the Federal Reserve System (yours) and David Rockefeller, Chairman, Chase Manhattan Bank International, and on and on. So what do you think you might have NOW in Yugoslavia? Ah indeed—a stand-off between "bankers/Elite" and "Russians" perhaps??

Isn't current history interesting when you are actually informed of the places and players?

#### HIV CRYSTALS?

What else might be of interest? Well, you are told, with great flair and purpose, that your astronauts on the shuttle are GROWING HIV VIRUS "because crystals grow better and with less flaws—in space." Oh, and what of "space-like" laboratories on the planet? OOPS!! What could this little information mean? It means that you now have your proof and confirmation that what I have told you is absolutely and unconditionally correct: HIV virus is a crystalline man-made virus and can be recreated (or destroyed) at will—actually, in any environment. And what else do they say? "...this research can save millions of sheep annually who die of visna virus of sheep!" HIV is nothing but results of Bovine Leukemia virus and sheep visna virus which then mutates every time it is introduced into DNA hosts. (See the JOURNAL; AIDS, THE LAST GREAT PLAGUE.)

**Don't be afraid of opposition. Remember a kite rises against the wind. -Hamilton Mabie**

#### WHAT OF PEROT WOULD HE HELP?

Perot is the best candidate money has bought! Precious ones, when I told you yesterday that Bush had "seconded" Perot's nomination to the Council on Foreign Relations (CFR), a political power arm of the Elite 300, it could only mean that Rockefeller and Kissinger had set him forth for membership—that, in turn, can only mean that Perot is a member of the established Establishment!

#### MEETINGS WITH SPACE ALIENS

I have been buried in copies of the pictures of "space-alien" with Bush and Perot at Camp David. I find Mr. Bush extremely entertaining (seriously) as he perused the pictures and information. The article and pictures are the most ridiculous outlay of total nonsense as can be conjured. Of course we have met with your leaders—and worse, for the press and Elite, we were photographed. The pictures in point however, are not worthy of even the British Intelligence Service. By the end of the day of the paper's release, you will note that every minor newscaster and weather-man had his face and head superimposed on the picture. I'm afraid I have to disappoint you, chelas, we are not nearly that "far-out" appearing and the show-and-tell presented ones not nearly "tall" enough. Know however, that it simply lays more ability to spring aliens on you when the time is right—and the time is going to be "right" very soon.

#### PHOTON BELT

REMINDER: IF YOU ONES ARE GOING ABOUT SAYING THAT "HATONN SAID - - - on the 25th of July or thereabouts there would be, etc., etc.", you are putting your foot into it—VERY DEEPLY. We have presented **EXACTLY WHAT YOUR SCIENTISTS ON EARTH HAVE**

**ALREADY PRESENTED AND DATED!!!**

Confirmation of the disclosure had come in from Australia (wherefrom came the article published first (in the *LIBERATOR*—after hounding from the public to discuss the subject), New Zealand, Great Britain, Russia, Massachusetts Institute of Technology scientists, Palomar Observatory personnel (MILITARY!!), ETC.

**YOU WILL ENTER INTO A PHOTON BELT OF SOME 2000 YEARS IN DURATION AND YOU WILL EXPERIENCE IT AS PRESENTED—ALTHOUGH THE JULY 15TH, 23RD AND/OR 25TH, 1992 IS AN OPEN QUESTION-MARK!**

You are already being bombarded with photon waves and thus the problem with sun-screens and "ozone holes". The pinning of a date to July 25th, 1992 was to cover an attempt to ignite the radioactive field around your planet (and thus the reason for need of dark eye protection). It also would coincide with a time of "null" energy experience in which you would be brought into total control of military power and that is STILL PLANNED—IF YOU MAKE IT PAST THIS VERY WEEKEND IN POINT OF PRE-PLANNED "FOURTH" ACTIVITIES.

I also have several reports of massive military movement and exercises (serious in intent but under guise of "exercises") for the 23rd of July. Now, do you prefer I NOT TELL YOU OF THESE REPORTS?

I personally more nearly agree with ones who expect the PHOTON "BARRIER" a decade later than 1993. But you ARE being bombarded with photons NOW AND IT WILL STEADILY WORSEN AS WILL THE LIES ABOUT IT. The entire scenario is totally under control and orchestration of ones on earth and/or in your "near" atmospheric space. It is total attempt to gain or hold supremacy—by Earth people. This is simply a masterful attempt to "blame" space broth-

erhood and get some very dirty and malicious games played on you-the-people.

Dr. Young presented the following thoughts to a caller yesterday: "Would you be upset if you bought car insurance and the accident didn't happen? or, would you blame ones who saw probability of a massive accident in which you would PROBABLY be involved and warned you so that you purchased insurance—and it didn't involve you after all? Do you not need the insurance either way? You can't buy insurance **after the fact!!**

Allow me to share a message from a friend who has done a lot of research on the matter as to publicity, etc.:

RE: Scientific Reaction to Photon Belt in Canada

**[This is the "same" Canada who was just told by the Queen of England that it would never be allowed to divide and who has had the entire fishing industry totally and intentionally destroyed by the Elite. Further, this is the Canada which bans material of informational value, burns books which are considered "racist" and incarcerates persons for "speaking openly on some subjects which deal with Khazarians" and is basically run by the ADL (branch of British Intelligence). So keeping this in mind, please read on.]**

1. **Norman Brotten**, Secretary, Canadian Astronomical Society: Said he is unfamiliar with PB but will bring it up at a national meeting with colleagues in Halifax in a week! Very nice, patient and most polite.

2. **Sky News / National Museum of Science & Technology**: Not a clue. Graciously referred me to the following:

3. **David Bunn Lapp Observatory, Dr. Sequest**, Direc-

tor: Insisted on knowing source (outside mainstream literature) and evaluating should be made based on where this is coming from. "Sounds like astrology, not astronomy. "Hokum" (U.S. slang: claptrap; bunk). Seemed concerned **how I got his number and was defensive about any information.**

4. **Hertzberg Institute of Astrophysics, National Research Council, Dr. Donald Mortan**, Director: This is the most prestigious. Spoke with one called John McLeod who says he will look into it and evaluate. The fact that it is associated with spacecraft and "ETs" enables him to pretty much "calibrate in my mind the validity of this source". Also thinks nothing of the claim of visible strobe lights in the night skies seen by astronomers.

Does know of legitimate attempts by JPL to "track" spacecraft but so far no revealed "intelligent signs" if indeed there are any other civilizations "out there".

I also spoke with Paul Feldman, same place, who says it sounds "suspiciously like crazy-talk" and wonders how many other subscribers have been unduly alarmed and offers to allay their fears. [H: Now, chelas, these are the same types of "scientists" who allayed "your fears" about the seriousness of AIDS, nuclear war, recession/depression, unemployment—and the Kennedy "single bullet theory"!] Although it is true that Earth goes thru a 25,000 year cycle—termed the "precession of the equinox", the source of this outlay is erroneous. [H: **The SOURCE OF THIS OUTLAY IS ERRONEOUS?? HOW WOULD THIS ENLIGHTENED SCIENTIST KNOW?**] Information has been misconstrued and the upcoming "south delta aquarid" meteoritic shower that peaks at 9:00 AM Tuesday 28 July for the "photon belt". [H: **Getting uncomfortable, anyone?**] He seriously wants to wager a pri-

vate bet with whoever is responsible for this (I told him it was a space commander) [H: **Gee, thanks Pierre, could this be how disinformation gets spread around perhaps?**] "in capacity as a private citizen". **He would enjoy to confront Hatonn about it.** So you'll be receiving some pressing phone calls from scientists as soon as they receive the info.

My amateur astronomer friend, who does not think much about the PB, says I should be cautious about my identification because they'll probably summon "a bloody paddywagon" to fetch me....Perhaps you could capture this telephone slug-out on tape for the larger audience?? [H: **Perhaps YOU would like to take the phone call, P.C.?? I would be most happy to meet with these people and discuss anything they desire—but until MAN can get his own facts correct—why should I handle your problems? Neither am I nor have I ever been, particularly interested in this Photon Belt or any other except for the major movement into LIGHT. How are you ones ever going to bring credibility to the world "audience" who already disbelieves through hype and sensationalism? I come as a Host for all mighty Creator Source and to bring information regarding the DIVINE TRUTH—how dare you ones "cast blame" on our "crew" for your inability to READ?**]

Will keep you updated on scientific community's response as we go along here. So far Canadian scientists are having a ball with this "fine entertainment".

P.—June 23rd.

\*\*\*

I am sure they are! So would I be! I remind you ALL to go look at the introduction to my writing on the Photon Belt. I said that I did not even want to mention it because the community of New Agers, Channelers and Fortune-tellers had already

**informed you all about such phenomenon.**

I have been blasted for that "attitude" also and my "assumption" that you ones would already KNOW! READERS: YOU CANNOT HAVE IT BOTH WAYS!! Is it better to "expect" something, make preparations and be secure or simply perish in the storm when it hits?

In Southern California this day—are you not told that momentarily you can have a massive "Big One" quake which could kill hundreds of thousands—and thus, prepare with emergency supplies??? Is it lost if you are PREPARED and need the supplies not? Will they not be worthy to have WHEN IT COMES DOWN??

**When I write warnings I ALSO SAY: DO WHAT YOU WILL WITH THE INFORMATION, TRASH IT, LAUGH AT IT, LISTEN, SEE, HEAR AND OR DENY!! WHAT IS IT THAT YOU DONT UNDERSTAND??**

FURTHER, I tell you over and over again that my information will always be taken from already available information for we write JOURNALS and a paper. I am not interested in sensational news blurbs from unknown sources or fortune-teller Tarot cards—YOU WILL ALWAYS BE GIVEN WHAT IS **KNOWN AND ALREADY PRESENTED!!**

If, further, you were told the truth by your scientists, astronomers and politicians—you wouldn't have a problem would you? So be it. I would, however, suggest that a "precession of the equinox—south delta aquarid" meteoritic shower that is upcoming on July 28th—sounds pretty sinister to me! What does he possibly mean? Shooting stars perhaps? How come—shooting stars? (catch one and "put it in your pocket and save it for a rainy day" I believe your tune goes). Why are there shooting stars? What kind of "information" do you REALLY get?

No strobe lights in space?

YOU go look at the red, blue, gold and white (along with green) lights on "some of those stars" and you decide who might be telling you "josh-junk".

Moreover, if it is so far-fetched about danger from space debris, yours or ours, why would your government put a whole defense system in near space to shoot down those "asteroids" and sort-of "forget to tell you about it until NOW?"

I shall most certainly capture this "telephone slug-out on tape" IF they, indeed, contact me. I rather doubt there will be any confrontation AT ALL!! That kind of information would NOT BE WANTED TO BE BROUGHT TO YOU-THE-PEOPLE AND SCIENTISTS ARE SHUT UP FASTER THAN ARE ANYONES WHO MIGHT "TALK". These ones are having a "ball" at "your expense", Pierre, NOT MINE.

**STRANGE RADIO WAVES**

**I have just received a clipping and reminder to "share, please" with you readers. The "light blasts" and "explosions" on regularly intervalled sequences prior to all of these earthquakes and volcanic eruptions this week are NOT new. THE SAME THING HAPPENED BEFORE THE SAN FRANCISCO QUAKE ON OCT. 17TH, SOME YEAR OR SO PAST.**

QUOTE from right out of the San Francisco paper:

*Scientists said Thursday that they detected strange, ultra-low-frequency radio waves before the Oct. 17 Northern California earthquake, a possible breakthrough in the field of earthquake prediction.*

*The signals were recorded by equipment unrelated to earthquake work, at least up until now. The equipment was set*

**up under a contract with the Navy to explore new ways to detect submarines. Stanford University researchers presented their findings at the meeting of the American Geophysical Union, and many of the seismological experts at the big meeting were impressed. ETC., ETC. ....**  
END OF QUOTING.

**LAST "LAUGH?"**

Before I leave this document to go to the Editors for printing I have a last comment.

For you who "have a ball" and great "laughs" at some funny improbable space-crews, I suggest you consider the following: Perhaps you should speak with the man and family in Yucca Valley THIS WEEK who watched their auto straddle a massive chasm which opened before them with the first major quake (after regular blasts of both sound and light). The car was teetering on the edge of the crack so he called for help to "pull it out" as the front wheels were into the crack. But, before the help could get "attached" and pull—the second major quake hit and when the dust settled enough to continue—the car was gone! The crack was "moved" and the auto sank in the "liquefied earth" like a rock in a puddle. **Chelas, ONE thing causes that sort of liquefaction: ELF pulses of sca-**

I now ask you readers to send a card of appreciation to Sam Russell at KTKK RADIO, 3595 South 1300 West in Salt Lake City, UT 84119. He hosts a talk program called "Open Mind" on K-TALK and again, on very short notice, we conversed and

With the continued uncertainty in this world, there is one question that keeps coming up regarding Nevada Corporations: "Can they be set up today for future use?" The answer is yes! There has been talk for years that Nevada would change some of the Corporate law that makes Nevada so desirable. We have seen the State Legislature stand up against any changes that would reduce the number of corporations that are established in their state. Any changes that go against the incorporator mean less funds for the state.

The State of Nevada is wholly funded by the State Gaming Tax, State Sales Tax, Federal Funding, and fees charged to Nevada Corporations. With no income tax in Nevada, the Legislators must be careful with the changes

had a most informative evening of sharing. Perhaps if we see to it that these daring speakers and receivers are kept on the airwaves, there may yet be opportunity to share greatly.

# Nevada Corporations

that they add to Nevada Corporate Law. There are, however, Federal influences that would like to see the laws in Nevada changed so that they could no longer be used as a hiding place. The IRS has tried in the past to get the state Legislators to allow the IRS direct access to information about the individuals behind each Nevada Corporation. Fortunately, they have stood firm so far, but the strong hand of the Federal Government (or those agencies pretending to work for the Federal Government) will probably not give up their efforts to close up one of our last valid shelters. The Federal Government owns three quarters of Nevada and the state could not maintain their current budgets without the funds received from the Federal Government. This type of an arrangement can make blackmail very easy when the Feds want something. So the long and short of this is, there is always uncertainty as to the direction of Nevada Corporate Law.

A Nevada Corporation can be created today for a future unconfirmed use. This type of Corporation is called a Shelf Corporation. The Corporation is created but nothing is actually done with the Corporation until such time as the Corporation is needed. Maybe a future business deal, some future land purchase or even just to use if that is the only way to remain private in the future. As long as a Corporation pays its annual \$85.00 fees, the state considers it to be in "Good Standing" and still alive no matter if the Corporation is being used or not. So in these uncertain times, you can get prepared for the future without necessarily knowing what the future will hold for you.

## Our New Look

Regular readers of *THE PHOENIX LIBERATOR* have probably noticed various changes in appearance and presentation of the paper over the past several weeks. These changes will continue for awhile and are one visible result of Commander Hatonn's restructuring of *THE LIBERATOR'S* management and operations.

Another change is our official business name, now *THE PHOENIX LIBERATOR, INC.*, and our new mailing address for subscriptions, comments or general communications is:

**THE PHOENIX LIBERATOR  
2810 W. Charleston Blvd.  
Suite G6723  
Las Vegas, NV 89102.**

Phone orders may continue to be placed at 1-800-729-4131 for the present time.

This restructuring has been gradually implemented to relieve America West Publishers (already overworked with book and *JOURNAL* publishing activities, plus speaking engagements) from a growing burden they graciously carried from the time of *THE LIBERATOR'S* inception and evolution from the smaller newsletter called the *PHOENIX JOURNAL EXPRESS*. The *EXPRESS*, in turn, evolved from *THE PHOENIX JOURNALS* as a mode for more rapid delivery of communications than the *JOURNALS* could provide.

Again, please note our new mailing address and know that your warm notes of support and other sharings are appreciated and treasured beyond our ability to adequately express, or often, even acknowledge under the work load of our production schedule. We thank you for being there at just the right times and at just the right places, else we would certainly have stumbled and fallen along the way. And, as Commander Hatonn put it, above all, the sharing and the caring are really what this is all about.
