A letter from M.Z. (79 yrs.) in N.Y.: Marie cries out for vindication of truth in the *LIBERATOR* because she went to the local sheriff and asked him to check out the door to door activities in Michigan and "The report comes up completely blank."

Firstly: I give you what comes so you can get confirmation as it unfolds. You have gone to a branch of the very ones in charge of the raids—what do you *think* they will tell you? Secondly, you have a situation wherein there would be a major political happening in "East Lansing" (where the incidents took place) this very day—a Presidential debate wherein the "top players" would be in town. The raids took place on KNOWN gun holders and dealers (without permits, etc.), and were carried out by black-suited U.N. SWAT team members exactly like the Randy

Weaver raid in Idaho last month and the Maynard Campbell raid in Oregon over the weekend. The point was to clear the area for it was planned to get "very ugly" today and the demonstrators and shooters had to be brought into line prior to the event.

I cannot, nor will I effort to "PROVE" anything—we give you what is coming down as it unfolds—I will not do more for I have NOTHING to PROVE to anyone.

(Editor's note: Two weeks ago we ran Commander Hatonn's background comments, plus other background material, and then the first seven installments of the Napa Sentinel's excellent outlay on the INSLAW case. Why our government would want to "steal" the INSLAW computer program, Promis, and railroad the creator's company out of business, may at first seem like a confusing bureaucratic mixup rather than a mystery of the most diabolical kind of coverup. However, if you keep in mind what Commander Hatonn said two weeks ago about Promis being important as a tool for, among other useful functions, **tracking our government's "private" international drug business**, then the many seemingly disconnected facets of this matter all of a sudden aren't so disconnected anymore. We finish out the installments of The Napa Sentinel's INSLAW material below. And, as a final aside, remember that the "Editor's Notes" within this material are those of the Napa Sentinel.)

A security guard, who linked the CIA with the execution style murder of one Indian and two other men who objected to the tribe's manufacturing of weapons, chemical and biological warfare devices and the conversion of INSLAW's sensitive software, fled to Sonoma and Lake counties right after the murders. The security guard's secret hiding places were sanctioned by the Riverside County District Attorney's Office and the state Department of Justice.

The security guard testified in a videotaped interview about the murders and named names. The video-taping was taken by the Riverside County District Attorney's Office after a Cabazon Indian and his two companions were found slain. The secu-

rity guard's testimony to the DA's Office revealed that he was the bag man who carried \$10,000 from the Indian Reservation in Indio to the top of an aerial tram in Palm Springs. The \$10,000 was "hit" money. According to the testimony, several ex-Green Berets, then employed as firemen in the City of Chicago, executed the three Indians.

Who paid for the executions? According to the testimony, a man who was once closely associated with Jimmy Hoffa and who then operated the Bingo Parlor on the Indian Reservation, provided the \$10,000 for the killing. The three slain men had raised serious objections to the Wackenhut-Cabazon joint venture. Wackenhut was involved as agents for the CIA to provide arms to the Contras and also to convert INSLAW's stolen PROMIS software for use by the Canadian Government. The Canadian Government has ordered an investigation into the pirated software scandal and the U.S. House Judiciary Committee is conducting its own investigation in what has been described as the U.S. Department of Justice's "trickery, deceit and theft" of the software. The U.S. Government has been connected with the illegal sale of the sensitive software to South Korea, Libya, Iraq, Israel and Canada, as well as being pirated by a number of U.S. agencies, including the CIA, National Security Agency and other military units. The software is also in use by the FBI. Only the U.S. Justice Department was licensed to use the software, which tracks criminals and can be used for military tracking, as well. INSLAW was awarded \$6.8 million by two federal courts against the U.S. Justice Department.

The scandal has deepened considerably, especially since the testimony of Michael J. Riconosciuto, who worked closely with the Wackenhut company, and Dr. Earl Brian - a close aid and financial business associate of former U.S. Attorney General Edwin Meese and former California Cabinet official in the Ronald Reagan governorship. The scandal has caught several members of the U.S. Justice Department, the National Security Council, the federal bankruptcy court, and other

government officials in a vice. Newspapers from Canada and the United States rate the INSLAW case equal to the Iran-Contra scandal and Watergate.

Riconosciuto provided an affidavit which compromised the U.S. Justice Department and covert CIA operations. The affidavit stated that Riconosciuto was warned by U.S. Justice Department officials that if he cooperated with the House Judiciary investigation of the INSLAW case, that he would be arrested. Within eight days of signing the affidavit, Riconosciuto was arrested in the State of Washington and held without bail. He was later charged with one count of distribution of methamphetamines - a crime that usually has a low bail. Riconosciuto was being held for U.S. Marshals. Investigators from the House Judiciary Committee interviewed Riconosciuto in a Tacoma jail last week.

Riconosciuto's mention of the Wackenhut-Cabazon joint venture, sparked more controversy. The House Judiciary Committee is now also reviewing information on the Indian murders.

The *Sentinel* was able to obtain an exclusive interview with people closely associated with the Cabazon nation and the murders. The security guard, who was the bag man, had just left the military service as an airborne ranger working on covert assignments. He was hired as a security guard for the Cabazon nation. Another man, a licensed investigator, was hired to question the security guard about what he knew. It was learned that a key Indian of the tribe was making strong objections to the laundering of money from the Bingo Parlor. The main antagonist was Fred Alvarez.

The security guard was given \$10,000 to give to a hit man in Palm Springs. He has subsequently video-taped his confession to the Riverside County District Attorney's office. Alvarez, in an exclusive interview with the *Desert Sun*, complained about the U.S. Government's abuses of the Indian nation. He told the *Sun* that people were going to kill him. Alvarez was murdered in execution style after the interview.

The Riverside District Attorney's Office and the California Department of Justice

commenced their separate investigation of the murders. A report was issued by the state linking the people behind the Cabazons with direct links to organized crime - a chief Mafia Family, the Gambino Family - and the CIA. The Cabazon reservation, however, is an independent nation. In video interviews, the security guard told how Wackenhut demonstrated new weapons with both the FBI and the CIA present. He also testified to the presence at these demonstrations of Dr. Earl Brian.

The man who paid the security guard \$10,000 was later convicted of attempted murder after five more Indians were shot to death. He was linked by law enforcement officials to organized crime and CIA covert operations.

The security guard testified that the Indio reservation was convenient for the U.S. Government because it was an independent nation and because it was close to the Mexican border, where arms were shipped enroute to the Contras. The security guard's testimony was so sensitive, that late one night the Riverside County District Attorney's Office arranged for an armed escort to get him off the reservation. He went to Sonoma and Lake Counties, and then back to Southern California to work with the Department of Justice. He fled to New Mexico and now has left the country. He may return to testify before the House Judiciary Committee, though he is in fear of his life right now.

Like in the INSLAW case, those principals involved have fallen like flies. The first federal judge to rule in INSLAW's favor against the U.S. Justice Department was not re-appointed to another 14-year term. Many members of the U.S. Justice Department quit or were fired in direct relationship to this case. The chief investigator for the Riverside County District Attorney's Office was later taken off the case and transferred to the Juvenile Division and then given early retirement. Shortly after his retirement, the DA investigator states that he was pulled off the road one day by a CIA agent and told to forget all about the "desert" if he wanted to enjoy his retirement.

The man who gave the money to the security guard for the murder, was also the same man who is reported to have been the trigger man in Chile in 1971 - the target: President Salvador Allende.

When Michael J. Riconosciuto signed his affidavit implicating the U.S. Justice

Department in the theft and pirating of INSLAW'S PROMIS software, he opened a can of worms that may never go away. Riconosciuto revealed in his affidavit that the CIA, U.S. Justice Department and the FBI all had links to the Cabazon Indians and to John Phillip Nichols and that the Indian reservation in Indio, California, was linked directly to the Contras. Those links resulted in the death of many people.

Riconosciuto also warned in his affidavit that he was going to be arrested if he cooperated with a U.S. Congressional probe of the Justice Department involving the pirated software. Within eight days of signing the affidavit, like clock work, Riconosciuto was arrested and held without bail for the U.S. Marshal. But not to be thwarted, investigators from the Congressional Judiciary Committee met and interviewed Riconosciuto.

Riconosciuto's statements, however, have sparked a new inquiry into the entire Wackenhut-Cabazon Indian joint venture and additional cover-ups by the U.S. Government over the stolen software, money laundering, Mafia ties and illegal shipments to the Contras. It was the U.S. Justice Department that warned Riconosciuto not to speak out. His statements have also launched an investigation into the pirated software by the Canadian Government, as well.

One Indian and two companions who protested against the manufacturing of military equipment - including chemical and biological warfare - the alteration of the PROMIS software, and shipments to the Contras, were murdered execution style. The man who was used to transport the blood money from CIA operatives and the killers, has fled the country, but not before providing video taped testimony on the murders.

Implicated in the entire Wackenhut-Cabazon Justice Department affair, was a man called John Phillip Nichols. Nichols took over the Bingo Hall and later the reservation. The Cabazon Indians are an independent nation.

Nichols, who has been linked to Jimmy Hoffa and assassination attempts of Fidel Castro and Salvador Allende, has strong Mafia ties. He has been convicted of soliciting murder.

Linda Streeter, the sister of Alfred Alvarez, the slain Indian, has asked the California Department of Justice to assign a special prosecution unit to investigate the case. The information on the murders has been forwarded to the Congressional Judiciary Committee now probing the U.S. Justice Department.

The Riverside County Grand Jury and the Riverside County District Attorney's Office have extensive testimony on the murders.

Even 20/20 has done a segment on the

Indian involvement and the murders. Nichols is the one who persuaded the U.S. Government to provide the Cabazon Indians with military and security equipment.

Nichols' ties are outlined on page 304 of *Inside Job - the Looting of America's Savings and Loans* by Stephen Pizzo, Mary Fricker and Paul Muolo.

"At San Marino Savings in Southern California we heard about a major borrower, G. Wayne Reeder (who also attempted a couple of failed ventures with Herman Beebe), meeting in late 1981 at an arms demonstration with Raul Arana and Eden Pastors, Contra leaders who were considering buying military equipment from Reeder's Indian bingo parlor partner, Dr. John Nichols. Among the equipment were night-vision goggles manufactured by Litton Industries and a light machine gun. Nichols, according to former Reeder employees and published accounts, had a plan in the early 1980's to build a munitions plant on the Cabazon Indian reservation near Palm Springs in partnership with Wackenhut, a Florida security firm. The plan fell through. Nichols was a self-described CIA veteran of assassination attempts against Castro in Cuba and Allende in Chile. Authorities said he was a business associate of members of the Los Angeles Mafia. He was later convicted in an abortive murder-for-hire scheme and sentenced."

**The intertwining mess of the U.S. Justice Department, FBI, CIA, former Attorney General Edwin Meese, Dr. Earl Brian, a former Reagan California Cabinet member, the Federal Bankruptcy Courts demonstrates a broad stroke of corruption throughout the higher echelons of government.** Today, a Congressional Committee is attempting to sort everything out - but a Senate Committee once tried the same thing and was totally thwarted when the U.S. Justice Department refused to cooperate.

We have, in the past year, examined the CIA-Contras-Nazi-Banking connections, the CIA-Justice Department Bankruptcy Court connections, and the CIA-Mafia-Drug connections. It is a never ending story.

**Conclusion Of The INSLAW Series**

**April 23, 1991**

An Indian "uprising", government investigations by the U.S. Congress, Canadian and Australian Parliaments, international spying, software piracy, threats to witnesses, wholesale resignations at the U.S. Department of Justice, several mur

ders, the arrest of a key witness, and the end of a long judicial career for one judge - this is the complex web of the INSLAW case that many governments are now indicating could become another Watergate.

It all began when associates of then Attorney General Edwin Meese and Dr. Earl Brian, a business associate of Meese and also a cabinet officer under Governor Ronald Reagan, attempted to buy a small computer software company called INSLAW. INSLAW had developed a highly sensitive program for tracking criminals - the software was called PROMIS. INSLAW had signed a \$10 million contract with the U.S. Justice Department to develop the software under contract to them. INSLAW was not paid for the program and it was told that if it didn't sell the company it would have problems - it did. When insiders at the Justice Department blocked payments to INSLAW - those insiders included one fired employee of INSLAW and one former competitor of the firm - INSLAW was pushed into the bankruptcy courts. The Justice Department, according to evidence on file, pushed the bankruptcy court to declare INSLAW insolvent. Instead the Bankruptcy Court ruled that the Justice Department owed INSLAW \$6.8 million. The judge who made the ruling was removed from the bench.

Meanwhile, Dr. Brian, according to many affidavits from intelligence officials and former CIA and Justice Department operatives, sold the PROMIS software with modifications. Brian received the assistance of the Justice Department and later the CIA in the sale of the pirated software. The conversion of the PROMIS software was done on the Indian reservation of the Cabazon Nation. John Phillip Nichols - who is an old time CIA operative linked with assassination attempts on both Fidel Castro of Cuba and Salvador Allende of Chile - held control of the Cabazon Nation through a bingo casino. He also obtained contracts with Wackenhut to manufacture night vision goggles along with chemical and biological weapons. Materials manufactured on the Cabazon Nation reservation were shipped to the Contras. Nichols was also closely associated with Mafia connections and Jimmy Hoffa, as well. Wackenhut has close ties with the CIA and Justice Department with such illuminaries as Former CIA Director Stansfield Turner in their employ. Wackenhut has approximately 80,000 employees and runs several jails and federal prisons. They have a "small army" of their own.

When one Indian and two of his companions protested against the use of the Nation, including the illegal pirating of INSLAW's software they were murdered in execution style. According to testimony on file with the Riverside County District Attorney's Office and the state Department

of Justice, three ex-Green Berets who were then Chicago firemen, were hired to do the killing. Nichols was accused of the murders. After several other murders, Nichols was convicted of attempted murder for hire.

On Saturday, April 20, the Indians staged their own "uprising", and "took" back their reservation from Nichols. The Tribal Council voted him out and placed the sister of the slain Indian in charge. However, after the vote was official, the reservation was swarming with uniformed and armed Wackenhut guards.

Michael Riconosciuto - a covert CIA operative - provided an affidavit to the U.S. Congressional Judiciary Committee investigating the Justice Department's role in the pirated software. He revealed the role Nichols was playing with Cabazon Indians and how Dr. Brian was involved in the conversion of the PROMIS software. Riconosciuto stated in the affidavit that he was warned by Justice Department officials that if he testified before the Judiciary Committee or provided evidence, he would be arrested. Within eight days of his affidavit, Riconosciuto was arrested and held without bail in a Tacoma, Washington jail. Riconosciuto told the *Sentinel* on Friday in an exclusive interview from the Tacoma jail, that his 4-year-old son's life had been threatened and that he was facing two life sentences if he cooperated with the Congressional investigation.

Riconosciuto told the *Sentinel* that he would probably not testify in the INSLAW case in order to be freed from jail and protect his son's life. He did indicate, however, that he has supplied enough information to the Judicial Committee investigators to provide a host of new key witnesses to the pirating of the INSLAW software by the Justice Department. Riconosciuto is a typical example of a CIA covert operator who is not being allowed to "leave" and who has too much inside "dirt" on the illegal operations of the CIA.

Riconosciuto's affidavit, however, sparked an uproar in Canada. Riconosciuto stated in the affidavit that the Indian reservation was used to alter the PROMIS software for use by the Canadian government. A Parliamentary inquiry is being launched into why and how Canada became involved in the purchase of pirated software from the U.S. Government. The software is being used by the Royal Canadian Mounted Police and the Canadian Intelligence Service.

In Australia, another uproar has been created over the pirated PROMIS software. There, the Government is claiming that the CIA is tapping into the computers of the Australian government. It may be possible that the "alteration" done on the software at the Indian Reservation was to install an override password, so that the CIA could

tap into foreign government's intelligence system. The pirated software has been sold to Israel, Libya, Iraq, South Korea, Canada and Australia - there may be even more nations involved in the program.

Many members of the Justice Department have left since the INSLAW matter was exposed. A U.S. Senate Committee investigated the Justice Department but gave up its investigation when the Justice Department refused to surrender any documents. The Congressional Committee has threatened the funding of the Justice Department and the records have been promised, but not yet delivered. The Justice Department sent investigators to Tacoma immediately after Riconosciuto's arrest. The Committee expressed alarm over the arrest because it was predicted right in Riconosciuto's affidavit.

The INSLAW case is only being covered by a few newspapers throughout the United States, including the *St. Louis Post Dispatch*, *Miami Herald*, *Washington Post*, the *San Francisco Chronicle* (on occasion) and the *Vancouver Sun*. It has not made the wire services. Dr. Brian's company owns United Press International.

How will it go? Stay tuned!

#### **Addendum 1**

By Harry V. Martin

Copyright *Napa Sentinel*, 1991

**June 18, 1991**

EDITOR'S NOTE: *The Napa Sentinel produced a lengthy series about the INSLAW case and alleged wrongdoings by the U.S. Department of Justice. This article and subsequent others will publish the details of a Congressional hearing into the matter.*

The U.S. Department of Justice has refused to allow Congress access to INSLAW documents. INSLAW is a small computer software company that developed a sophisticated program to track criminals. The Justice Department was accused by a federal court judge of "deceit, trickery and theft" of the software, which has now found its way into the illegal possession of foreign governments and U.S. intelligence networks.

Congress has decided to investigate the INSLAW case and the Justice Department. The Justice Department, in turn, has arrogantly refused to supply Congress with the documents. Since this refusal, the Justice Department has agreed to allow Congressional investigators to review screened documents. The investigators are not allowed to copy the material, but to make note of them and the Congress would then have to subpoena them. At which time, the Justice Department will decide whether or not to release them to Congress. Attorney General Richard Thornburgh, who refused

to budge on the issue, has now resigned. The height of arrogance.

A Congressional Subcommittee on Economic and Commercial Law of the Committee on the Judiciary held hearings concerning the refusal of the Justice Department to cooperate. Congressman Jack Brooks of Texas, head of the committee investigating the Justice Department, stated that the Justice Department has denied the committee access to critical documents involving the Justice Department's dispute with the INSLAW Corp. "The documents were requested as part of an ongoing investigation of allegations that high-level Department officials conspired to force INSLAW into bankruptcy and liquidate its assets. Further, it has been alleged that these officials also attempted to arrange to have the company's primary software product, called PROMIS, transferred or bought by a rival company." Brooks stated in his opening remarks, "As incredible as this sounds, Federal Bankruptcy Judge George Bason, who will be testifying later, has already found much of the first part of the allegation to be true. In his decision on the INSLAW bankruptcy, Judge Bason ruled that the Department 'took, converted and stole' INSLAW's proprietary software using 'trickery, fraud and deceit'. The judge also severely criticized the decisions by high-level Department officials to 'ignore the ethical improprieties' on the part of the Justice Department officials involved in the case."

Brooks backed up Bason's findings, in stating, "In November 1989, Senior District Court Judge William B. Bryant unequivocally supported Judge Bason's findings and criticized the Department for attempting to escape accountability by asserting, among other things, 'sovereign immunity', whatever that is. I didn't think we had kings in this country." Brooks continued, "Despite the dramatic findings by the two courts, the Department has steadfastly denied any wrongdoing by its officials, claiming that its conflict with INSLAW is nothing more than a simple contract dispute. I find this position a little hard to swallow."

Brooks, who says the major controversy involves the highest levels of the Justice Department, including at least two assistant attorney generals, a deputy attorney general, and Attorney General Meese, himself, states, "Unfortunately, the Department has thwarted attempts by Congress to learn the complete truth concerning the INSLAW case. Justice has repeatedly denied both the House and Senate investigating committees access to critical documents that may prove the Department's innocence or guilt. As a result, I am even more convinced that the allegations concerning INSLAW must be fully and independently investigated by the commit-

tee."

Former Attorney General Elliot Richardson has outlined the government's devious role, indicating that friends of Ronald Reagan and Edward Meese made every attempt possible to take over INSLAW and gain full proprietary rights to the PROMIS software. The man behind the move, according to Richardson, was Dr. Earl Brian, who also owns United Press International. Richardson was the Attorney General under Richard Nixon and refused to fire the Watergate Special Prosecutor on Nixon's orders - Richardson was also fired.

Richardson revealed that Meese's Justice Department needed to create a case management system designed along the concept of the PROMIS software. Meese's friends wanted the \$200 million contract and thus the need to buy out or force INSLAW into bankruptcy. "We believe that these attempts to acquire control of PROMIS were linked by a conspiracy among friends of Attorney General Edwin Meese to take advantage of their relationship with him for the purpose of obtaining a lucrative contract for the automation of the Department's litigating division. Among the facts pointing to the existence of this conspiracy are the following:

\* Between 1958 and 1966, Edwin Meese and D. Lowell Jensen (then deputy Attorney general) served together in Alameda County, California, District Attorney's Office. From 1966 to 1974, Meese was a key aide to Governor Ronald Reagan. From 1970 to 1975, Dr. Earl Brian served in Governor Reagan's Cabinet. In January 1981, Meese became Counsellor to President Reagan. In 1981 to 1982, Brian served in the White House as the chairman of a task force which reported to Meese.

\* When Meese joined the Reagan Administration, Brian was the controlling shareholder in Biotech Capital Corporation. Biotech controlled Hadron, Inc., a company which specialized in integrating computer-based information management systems. This was the company which tried to buy INSLAW.

\* Mrs. Meese bought stock in Biotech's first public offering with money borrowed from Edwin Thomas, soon to be an aide to her husband. Brian lent Thomas \$100,000 for the purchase of a house in Washington. Mrs. Meese later bought stock in American Cytogenetics, another Brian company.

\* In June, 1983, a DOJ "whistleblower" warned the staff of Senator Max Baucus that, as soon as Meese became Attorney General, unidentified friends of Meese would be awarded a "massive sweetheart contract" to install PROMIS in every litigation office of DOJ. According to a statement made to Judge Jane Solomon of the Civil Court of the City of New York, Stanton's

attempt to force INSLAW into liquidation was part of a "conspiracy to get the INSLAW software". Several high-level DOJ officials spoke of DOJ's determination to "get" or "bury" INSLAW. One DOJ employee said that Jensen was behind this effort. A second attributed the award to Hadron of a \$40 million computer services contract for litigation support in the Lands Division to the influence of a Deputy Assistant Attorney General with close ties to Meese. Other DOJ employees connected Meese, Brian, and Hadron with the harassment of INSLAW and the attempt to acquire PROMIS."

Richardson also testified, "In late April 1988, Richard LeGrand, chief investigator of the Senate Judiciary Committee, telephoned (William) Hamilton (owner of INSLAW). LeGrand said that he was calling at the request of an un-named senior official in DOJ whom he had known for 15 years and regarded as completely trustworthy. According to this official, the INSLAW case was 'a lot dirtier for the Department of Justice than Watergate had been, both in its breadth and depth'. The official asked LeGrand to inform the Hamiltons that the Justice Department had been compromised on the INSLAW case at every level, and that Jensen had engineered INSLAW's problems right from the start. The official also said that senior career officials in the Criminal Division knew all about this malfeasance, but would not disclose what they knew except in response to subpoena and under oath. LeGrand has since told the Hamiltons and others that his informant would come forward only if assured of protection against reprisal."

The Justice Department, according to Richardson, refused to undertake any type of criminal investigation. Richardson told Congress, "It was foreseeable that such an investigation would not only expose widely ramified criminal conduct on the part of the Departmental employees, but also make the Department liable for punitive and consequential damages much larger than the \$6.8 million already awarded."

Judge Bason told Congress, "The judicial opinions that I rendered reflected my sense of moral outrage that, as the evidence showed and as I held, the Justice Department stole INSLAW's valuable property and tried to drive INSLAW out of business." He added, "Those opinions were upheld on appeal by Senior U.S. District Judge William Bryant. Very soon after I rendered those opinions my application for reappointment as bankruptcy judge was turned down. One of the Justice Department attorneys who had argued the INSLAW case before me was appointed in my stead." Over 90 percent of all bankruptcy judges seeking reappointment are usually returned to the bench.

*"And I will punish the world for their evil, and the wicked for their iniquity; and I will cause the arrogancy of the proud to cease, and will lay low the haughtiness of the terrible."* - Isaia 13:11.

By Harry V. Martin

**June 21, 1991**

EDITOR'S NOTE: *The Napa Sentinel produced a lengthy series about the INSLAW case and alleged wrongdoings by the U.S. Department of Justice. This article and subsequent others will publish the details of a Congressional hearing into the matter.*

Federal Judge George F. Bason, Jr., ruled in favor of INSLAW against the U.S. Department of Justice. He awarded INSLAW \$6.8 million and lambasted the Justice Department by stating he believed it was guilty of deceit, theft and trickery. The judge's decision was upheld in another court. Recently, a higher court has thrown the ruling out - not because it was right or wrong - but because of the technical question of jurisdiction.

After ruling against the Justice Department, Judge Bason was denied reappointment to the bench for another 14 years. "I have come to believe that my non-reappointment as bankruptcy judge was the result of improper influence from within the Justice Department which the current appointment process failed to prevent" Judge Bason stated to a Congressional hearing into the INSLAW matter. Ironically, the man who prosecuted the INSLAW case in Judge Bason's court for the Justice Department, was appointed to succeed the judge when he was not reappointed.

Judge Bason was the only bankruptcy judge for the District of Columbia from February 8, 1984 through February 7, 1988. He was the trial judge who heard the INSLAW case. "The judicial opinions that I rendered reflected my sense of moral outrage that, as the evidence showed and as I held, the Justice Department stole INSLAW's valuable property and tried to drive INSLAW out of business. Those opinions were upheld on appeal by Judge Bryant in a memorandum that noted my attention to detail and mastery of evidence," Judge Bason further told Congress. "Very soon after I rendered those opinions, my application for reappointment was turned down. One of the Justice Department attorneys who argued the INSLAW case before me was appointed in my stead. Although over 90 percent of the incumbent bankruptcy judges who sought reappointment were in fact reappointed, I was not among them." Judge Bason told the Congressional

hearing that Congress required equal consideration to that given all other candidates must be given to incumbent bankruptcy judges. "Under that mandate, my qualifications were so far superior to my successor's that, on the merits, no rational person could have chosen him over me," the judge stated. "Merit must of course be judged both from the written record - my resume and opinions - and from my reputation amongst the judges and bankruptcy practitioners who knew me. My resume speaks for itself; my opinions have been cited often and reversed seldom; my successor had scant bankruptcy experience and, of course, no opinions. Despite a regulation requiring that at least one member of the Merit Selection Panel be "an attorney with a predominantly bankruptcy practice in the District of Columbia, so far as I know, no member of the panel had ever appeared even once in the Bankruptcy Court for the District of Columbia. Hence, no member of the panel had first-hand knowledge of my capabilities as a judge."

Judge Bason added, "The panel failed to interview District Court Chief Judge Aubrey Robinson, who exercises general supervisory authority over administrative aspects of the Bankruptcy Court and whose name I specifically suggested to the panel. Every year during my tenure, Chief Judge Robinson praised my performance as a bankruptcy judge. For example, in his May 1986 annual report to the D.C. Circuit Judicial Conference, he noted that despite 'increased case load...the Bankruptcy Court is basically current' because of Judge Bason's extraordinary efforts, perseverance and hard work'."

The panel also never notified Judge Bason of any adverse comments nor was he given any opportunity to address any adverse comments. "I have repeatedly sought and repeatedly been denied any official explanation why the decision not to reappoint me was made," he added. "A number of the district judge members of the Judicial Council, when they received the Merit Selection Panel's report, were so dismayed at the panel's failure to recommend my reappointment that they caucused to see if there was anything they could do to reverse the process. They concluded that there was unfortunately no time left. When the chairmen of the bankruptcy committees of the two largest Bar Associations in the District of Columbia found out about the decision not to reappoint me, they too looked for ways to reverse the decision, and they too concluded there wasn't time."

In March 1987, Justice Department officials were talking with an important witness about the subject matter of his testimony. Then it developed the witness had recanted his testimony favorable to INSLAW. One of the Justice Department's

lawyers apparently commented, "We've got to get rid of that judge (referring to Bason)." In May 1988, a news reporter with excellent contacts within the Justice Department states that the Justice Department could have procured Bason's removal. The reporter believes that the chairperson of the Merit Selection Panel was approached privately and informally by one of her old and trusted friends from her days in the Justice Department. The friend is believed to have told her that Bason was mentally unbalanced, as evidenced by his unusually forceful "anti-government" opinions. Her persuasive powers coupled with the fact that other members of the panel or their law firms might appear before her as litigating attorneys may have caused the vote against the judge. The reporter later stated that a high Justice Department official had boasted to him that Bason's removal was because of his INSLAW rulings.

"If Justice Department officials were willing to steal from and try to liquidate INSLAW and then to lie about it under oath, there is every reason to believe they would not hesitate to do whatever was necessary and possible to remove from office the judge who first exposed their wrongdoing. I can no longer escape the conclusion that most knowledgeable lawyers in Washington reached long ago. I would not have lost my job as bankruptcy judge but for my rulings in the INSLAW case. I have been told by legal search firms that I am now considered to be too controversial a figure to be employable by any of the large law firms. I am paying the full price for doing my duty to render equal justice without regard to rank or position. As a judge, I could not and would not do otherwise," Bason told Congress. ***"The independence of the judiciary and the separation of powers are among the glories of our form of government. It strikes at the heart of those principles for the Justice Department to retaliate against a judge by causing his removal. Such retaliation is the mark of a police state, not a democratic America."***

### INSLAW Addendum 3

**June 25, 1991**

EDITOR'S NOTE: *On March 12 through April 23, 1991, the Napa Sentinel published 11 articles involving the INSLAW case - the theft by the federal government of a sensitive software from a small computer company in Washington, D.C. The Sentinel - which was one of three newspapers to first print material on INSLAW - has presented*

several updates. This is one of those updates.

Two things don't seem to equate very well in this world - investigating the infamous INSLAW case and staying alive! There has been a series of deaths with direct association to the INSLAW case - most of them have been termed "suicides", but federal, state and local law enforcement agencies are beginning to take a second look at some of these cases

It is known that one Indian leader of the Cabazon tribe and two other men were murdered in execution style several years ago. They were protesting against the virtual "take over" of the Indian nation in Riverside County by federal agents representing the Central Intelligence Agency and the Drug Enforcement Agency. Not only was the Indian tribe manufacturing night vision goggles and biological and chemical weapons for shipment to the Contras, but they were also involved in the modification of INSLAW's PROMIS software. The Riverside County District Attorney's Office is now reexamining the case.

In this particular case, there was sufficient evidence presented as to who was responsible for the murders - but no arrests or convictions occurred despite eyewitness testimony. The key witness, Jimmy Hughes, is now hiding in Central America. The man who helped him escape was interviewed by the *Sentinel* several months ago. The key witness had been hiding in Sonoma County for a while. The witness states that the executions of the three men "were authorized and backed by a government covert operation".

The INSLAW case involves what a federal judge termed "theft, deception and deceit" on the part of the U.S. Justice Department - the judge was removed from the bench and blackballed in the Washington, D.C. legal society. The Justice Department had a contract with INSLAW to produce the PROMIS software - but the firm was never paid. Instead, efforts were made by friends of then Attorney General Edwin Meese to buy out INSLAW. When INSLAW refused, Peter Videnicks, who had direct links with Meese and Dr. Earl Brian - both former members of Ronald Reagan's "kitchen cabinet" in California, allegedly threatened INSLAW's owner, Bill Hamilton, that they had ways of getting the software. Why was the software so important? Meese had ordered a complete revamping of all Justice Department computers - a multi-million contract. The award was to go to Dr. Brian, but the PROMIS software was a vital link to the successful bidder. Dr. Brian is alleged to have sold the software and had it converted for foreign intelligence agencies in Canada, South Korea, Australia, Israel, Libya and Iraq. An Israeli agent, Ari Ben-Menashe, and a former CIA

computer expert, Michael Riconosciuto, have both testified to Dr. Brian's role.

Why did Dr. Brian get the computer contract? Meese's wife owned substantial stock in Dr. Brian's company and it is also alleged that Dr. Brian was being paid off for setting up the original meetings between the Iranians and the Reagan-Bush campaign team which may have led to the delay in the release of 52 American hostages until after the November 1980 Presidential election. A British Air Force officer who had allegedly witnessed Dr. Brian's sale of PROMIS software to Iraqi military intelligence in Santiago, Chile, was found hanged. His death was ruled suicide.

Riconosciuto provided his testimony to Congressman Jack Brooks, who was conducting a hearing into the INSLAW case. Riconosciuto warned that if he testified he would be arrested. Within eight days of his affidavit, he was arrested in Pierce County, Washington for allegedly owning a drug manufacturing plant. When Congressional investigators and the media continued to interview him he was shipped to Missouri then Oklahoma, and now is back in the State of Washington.

Dennis Eisman was an Attorney from Philadelphia. He was scheduled to make a trip to the West Coast to meet with Riconosciuto and consider taking on his case. Eisman was found shot to death in his car, a single bullet wound to the chest. His death was ruled a suicide. Moments before he died, Eisman was enroute to a Philadelphia parking lot to meet with a woman who was to deliver critical evidence to substantiate Riconosciuto's claims about threats from Videnicks. Investigative Journalist Danny Casolaro was in communication with Eisman before he died.

Casolaro was found dead last month in a West Virginia hotel room. His wrists had been slashed 10 times. Not only was he declared a suicide, but he was embalmed and buried quickly before his family was even notified of his death. Casolaro was writing a book about the INSLAW case. He carried many files with him - files that were seen in his possession a day or two before he died. Those files are now missing and contain critical information on the INSLAW case. Casolaro was in West Virginia for a meeting with Videnicks and Dr. Brian, whom he intended to confront directly with evidence backing up the Riconosciuto story. Casolaro had received several death threats.

**Between 1986 and 1989, nearly 30 people either died or disappeared under mysterious circumstances, all of whom stood to reveal some crucial pieces of information concerning the INSLAW case and the Justice Department**

Anson Ng was found dead a month before Casolaro. He was working for the *Financial Times* of London and was in Guatemala. Ng had a single bullet wound in his

chest - like Eisman. His death was ruled a suicide. Ng was in Central America attempting to interview Jimmy Hughes, who was the key witness to the murders associated with the Cabazon Indians and the INSLAW case. Hughes also holds documents that allege the same people involved with the Cabazon and INSLAW incidents had a hit list. The list was international names scheduled for assassination and included Swedish Prime Minister Olaf Palme, Schleswig-Holstein Prime Minister Uwe Barschel, Iranian arms dealer Cyrus Hashemi and Israeli counter-terrorist chief Amiran Nir. Many have died.

Allan Michael May pleaded with Riconosciuto to keep his mouth shut about his ties with the Iranian hostage deal. But Riconosciuto in an exclusive interview with the *Napa Sentinel* provided full details of the October Surprise and INSLAW ties and named May. Four days later May was found dead in his home. His death was listed as a heart attack, but a further autopsy revealed he had poly pharmaceuticals in his system.

Two weeks before Casolaro was found dead, John Friedrich was found dead in Sale, Australia. He was found with a single bullet wound to the head and his death was termed a suicide. Friedrich was a close ally of Colonel Oliver North and Amiran Nir. He had a lot of knowledge about the Iran-Contra and INSLAW cases. Nir died in plane crash in Mexico.

Now, Barry R. Kumnick is missing. A missing report was filed with the Los Angeles Police on Sunday. Kumnick had developed software which would give a quantum leap to the PROMIS software. PROMIS tracks criminals, military movements or any type of personnel tracing. Kumnick's development would enhance PROMIS by adding a new dimension of deductions. The new program would allow the PROMIS software to interject personality characteristics and deduce the future or potential action of the person being

Kumnick wrote to his sister in Idaho that his new program would be extremely dangerous if it got into the wrong hands. He was excited that the government had offered him \$25 million for the software but later, like INSLAW, reneged and forced Kumnick into bankruptcy. Kumnick has not been heard from since.

Five crates containing his personal belongings, crucial documents and even his passport, were discovered recently in a storage facility. No member of Kumnick's family has heard from him in six months. In contacting Kumnick's known business partner, the partner tells the family he never heard of Kumnick.

Two things don't seem to equate very well in this world - investigating the infamous INSLAW case and staying alive!

Another individual who was investigating the INSLAW case has been murdered. Thirty-four-year-old Alan D. Standorf was found dead at Washington National Airport - he died of a blow to the head. His body was found on the back floor of his car, under a pile of luggage and personal items. Authorities believe Standorf was killed weeks earlier at another site.

Law enforcement officials are investigating the possibility that Standorf's murder might be linked with the death of investigative journalist Joseph Daniel Casolaro, who was found dead in a West Virginia hotel bathtub - his wrists had been slashed at least 10 times.

Standorf worked at a super-secret military listening post near Washington. He is suspected of being a key source of information to Casolaro. He worked at Vint Hill Farm, a military installation near Manassas, VA, that gathers electronic intelligence from spy satellites and other sources around the world.

Bill Turner, a defense industry whistleblower who met with Casolaro just before his death, says that Casolaro indicated that his "key" source had dried-up. Turner believes Standorf was that key contact. Michael Riconosciuto, who has provided testimony to Congress about the INSLAW case, insists that Standorf was Casolaro's key informant.

Casolaro had gathered information linking the INSLAW case and the fraud ridden Bank of Credit and Commerce International together, along with other conspiracies within the savings and loan industry and the Iran-Contra scandal. It has also been learned that Casolaro was investigating links between INSLAW, the Cabazon Indians, Wackenhut Corporation, and the powerful Prime Merit Bank of Nevada. Casolaro was in West Virginia for a meeting with Peter Videnicks and Dr. Earl Brian, whom he intended to confront directly with evidence backing up the Riconosciuto story that the two were instrumental in the theft of the INSLAW software. Casolaro had received several death threats.

In the meantime, the mystery of Barry R. Kumnick, a brilliant computer engineer, widens. Kumnick, who invented a new artificial intelligence software that would dramatically enhance INSLAW's PROMIS software, has been missing for six months. All his belongings, including the working papers on his new software program, called Brainstorm, were found in five crates auctioned by a storage company.

A missing report was filed with the Los Angeles Police on Sunday. Kumnick had developed software which would give a quantum leap to the PROMIS software. PROMIS tracks criminals, military movements or any type of personnel tracing. Kumnick's development would enhance PROMIS by adding a new dimension of deductions. The new program would allow the PROMIS software to interject personality characteristics and deduce the future or potential actions of the person being traced.

**Kumnick wrote to his sister in Idaho that his new program would be extremely dangerous if it got into the wrong hands. He was excited that the government had offered him \$25 million for the software but later, like INSLAW, reneged and forced Kumnick into bankruptcy. Kumnick has not been heard from since.**

Five crates containing his personal belongings, crucial documents and even his passport, were discovered recently in a storage facility. No member of Kumnick's family has heard from him in six months. In contacting Kumnick's known business partner, the partner tells the family he never heard of Kumnick.

Kumnick was with the U.S. military maintaining the management of nuclear detonation systems. He worked with Northrop on the Command, Control, Communication and Intelligence (C31). He also worked on the source selection for the Navstar Satellite. He had a very high security clearance.

His software would enhance any tracking program, such as INSLAW, and establish an automatic deducing system. In the case of INSLAW, it could project the thoughts and characteristics of individuals (criminal or military) and forecast behavior or movement patterns. INSLAW was originally invented to track case loads for the U.S. Department of Justice. It was convened to be used by military intelligence agencies to track military movements, conditions and inventories.

The INSLAW case is still under Congressional investigation. The Justice Department has adamantly refused to cooperate with Congressman Jack Brooks' Committee. **One Justice Department official has told a Senate Committee investigator that INSLAW is dirty and far deeper than Watergate ever was.**

**Death Of A Journalist**

By Harry V. Martin

Copyright *Napa Sentinel*, 1991**September 27, 1991**

Journalist Danny Casolaro had a tenacious, bull-dog approach to investigative journalism. He would research his subject

and then have a face-to-face confrontation with that subject. There were no holds barred. That style of journalism may have cost him his life.

Casolaro is one of many journalists, attorneys and investigators who have perished in their search for the truth about this nation, about clandestine government operations, private arms, drug dealers and the CIA.

Casolaro was found dead in a West Virginia hotel room. His wrists had been slashed 10 times. He was not only ruled a suicide, but his body was embalmed and buried before his family was even notified. But was it suicide? Too many deaths, too many suspicious circumstances lay challenge to that pronouncement. But this article is not about Danny's death, it is about his life.

*The Sentinel* has received exclusive inside information on what Danny was doing before he died, who and what he was investigating and where he was receiving his information from.

Danny was writing a book - a book that would blow the socks off Washington. It began to connect the Bank of Credit and Commerce (BCCI) scandal with INSLAW, the Iran-Contra deals, Israeli-U.S. secret arrangements, misuse of Indian tribes, drug trafficking and murder all into one neat and sordid package. Before his death he thought he had cracked all the necessary mysteries to link what he called ***the Octopus of the American government.***

Danny, at one time, worked with Jack Anderson, a nationally acclaimed Washington columnist. One of his key contacts was Alan D. Standorf. According to Danny, Standorf was a key supplier of documents that exposed the giant government scandal in banking, intelligence and underworld ties. Standorf was working in a very sensitive and secret communication center for the U.S. government. He could listen in or intercept message traffic from the intelligence community. Standorf supplied volumes of secret documents to Danny. High speed Xerox commercial duplicating and collating machinery was set up in the Hilton Hotel in room 900, to provide Danny copies of all documents and allow Standorf time to place the documents back in their original files. But then Danny lost his source - Standorf was found dead at Washington, D.C.'s National Airport - he died of a blow to the head. His body was found on the back floor of his car, under a pile of luggage and personal items.

Danny also had contact with Dennis Eisman and Michael Riconosciuto. Eisman, who was to represent Riconosciuto in a criminal trial, was in contact with Danny on a frequent basis. Riconosciuto is a key witness in the INSLAW case and on the October Surprise investigation, as well as Iran-Contra. Riconosciuto apparently was

the key electronics man for the U.S. intelligence community. He was arrested eight days after providing Congress with testimony in the INSLAW case. Eisman is now dead with a single bullet wound to the chest - they say it was suicide, as well. Eisman was to have picked up critical information at a parking lot the day he was shot. That information was destined for Danny and Riconosciuto - but it never came to be.

Danny called the INSLAW case the "frosting on the cake" of his investigation. He claimed to know all the Washington players in the Octopus - from the White House and Justice Department, right down to the intelligence community and mob ties. He was investigating the following individuals and companies at the time of his death:

- \* Dominic and Bob Bolsano
- \* Gemini Industries
- \* The Papago Indian tribe
- \* The Menominee Indian tribe
- \* The Cabazon Indian tribe
- \* The Primerit Bank of Nevada
- \* BCCI and 300 other financial institutions
- \* Dr. Earl Brian
- \* Peter Videnicks
- \* Community Banking of Southern California
- \* Home Savings of Seattle
- \* Theodore Strand
- \* Robert Booth Nichols
- \* Department of Commerce EDA funds
- \* The Wackenhut Corporation

Former BofA director Bill Jenson along with loan sharks, Mafia and mob ties, and links between the deaths of Indians and journalist Don Boyles, who was killed in a car explosion in Arizona many years ago. Danny was also examining the gold-platinum smuggling that came from Southeast Asia through Mexico and then through the Papago Indian reservation in New Mexico. He fingered a corridor between Mexico and New Mexico which was allowed to be opened and which the Drug Enforcement Agency refused to patrol. He was also looking at gold shipments from the Republic of South Vietnam.

According to an inside informant, Danny was threatened by a man who controls the Indian tribes. "Now that you know this stuff you will have to die," Danny reported, was the threat. He was also concerned with the IBM-Tel Aviv connection which could link the use of INSLAW's PROMIS software to Israeli intelligence.

Danny was in contact with Bill Hamilton of INSLAW, and was scheduled to meet with Videnicks and Brian about the time he died. He had six file folders with him at all times. Just before his alleged meeting, he brought the folders

home. In a search of his house, no documents were reported found. Those documents were seldom left behind by Danny.

Danny had conversations with Allan Michael May, a former Nixon campaign financial aide, who is alleged to have wired \$40 million to the Iranians in October 1980 as a down payment on the hostage deal. May died in San Francisco four days after the *Napa Sentinel* reported his connections to the October Surprise. At first officials said he died of a heart attack, but the autopsy report was changed to reflect May had polypharmaceuticals in his system. Danny was also working with Anson Ng of the *Financial Times* of London. Both were zeroing in on the Cabazon Indians-INSLAW-Iran-Contra links. Ng was found dead in Guatemala with a single bullet wound in his chest like Eisman; like Danny, the verdict was suicide.

Peter Zokosky had close liaison with Danny. Zokosky had direct dealings with the Cabazon Indians at the time the INSLAW software was being converted for Canadian intelligence and also knew about the manufacturing of chemical and biological weapons for the Contras, through the auspices of the Wackenhut Corporation and the Nichols family.

But some of Danny's documents will show such things as a bank in New England which has \$400 million in phony bearer bonds - used for collateral because the bank's money has been siphoned off. Another will show multi-million dollar loans based on only thousands of dollars of collateral **by another bank used to finance drug deals.** Danny's Octopus was too large and in the end it ate him up ... his records and his life.

### **Another Leg Into The INSLAW Story** *By Harry V. Martin*

Copyright *Napa Sentinel*, 1991

**October 4, 1991**

The man who was a key source of information for investigative journalist Danny Casolaro, has been arrested and critical documents have been seized from his home.

William Richard Turner, the last known person to see Casolaro alive, was arrested this week and charged with bank robbery. Turner is a former employee of Hughes Aircraft. He is reported to have met with Casolaro in a Sheraton Hotel parking lot and provided him with papers alleging corruption at a local defense plant - and also alleged fraud in the aerospace industry and within the ranks of the Defense Investigative Ser-

vice, which oversees probes of the defense industry. The meeting took place hours before Casolaro was found dead in his hotel room - his wrists had been slashed 10 times. Turner had been fired from Hughes because of his whistleblowing.

Casolaro's body was immediately embalmed and buried before his family was notified of his death. The death was ruled to be a "suicide". Casolaro had received numerous threats on his life because of his investigations into INSLAW, the Cabazon Indian nation, mob-CIA connections, and the Bank of Commercial Credit (BCCI). Several other "suicides" have been reported associated with similar investigation efforts by other journalists and attorneys.

Turner was being followed by units of the Frederick County Sheriff's Office for his protection. He was aware of the tail. A Sheriff's unit pulled along side Turner's vehicle in a bank parking lot and informed him that someone had reported he was a suspect in the robbery of the Gore Branch of the Dominion Bank that morning.

Turner was not immediately arrested. He returned home and the Sheriff informed him he would need to speak to him on the next day. Turner voluntarily signed a waiver allowing authorities to search his home. The following day he was arrested and the FBI searched his home. They seized the copies of 40 to 50 documents which Turner had provided Casolaro. They seized notebooks with names and addresses in it, listing contacts that Casolaro had, phone message tapes, and all the files in his desk. All of Casolaro's documents - both in his hotel room and at his home - have not been found.

Law enforcement officials indicate that television cameras in the bank show a person with similar characteristics of Turner. They claim to have a witness who saw Turner **running** from the bank.

Turner only has one leg.

*(Editor's note: We "end" the LIBERATOR'S outlay of the INSLAW series from the Napa Sentinel at this point...though one could hardly consider this matter ended to any degree. For example, just as a postscript, look back to page 26 of the LIBERATOR of two weeks ago, when we were last discussing this matter, and reread the Skolnick phone message transcription that Commander Hatonn instructed Dharma to record about a month ago. This important bit of news was generated when tactics were heating up to derail the proceedings of the INSLAW special Federal Grand Jury investigation in Chicago. The crooks never give up trying to cover their tracks!)*

# Judeo-America

## A Nation Under The Pharisees

10/11/92 #1 HATON

I DID NOT SAY: "JUDEO-CHRISTIAN"

WHO AM I AND WHAT IS  
"THIS" MISSION?

Ah, but finally some are waking up and not simply abusing and accusing without first "looking" at possibilities.

A "space commander" with silver ships and physical attributes? NO—a messenger sent of GOD (Christ-God) unto HIS people in preparation for HIS OWN COMING to reclaim His people.

This being, having served upon your place to measure your growth and divine stability, came and went many times—always **promising** to all nations, all peoples, to "**come again**". Always, in all times, first were sent forth the "messengers" and then would come the teacher in the midst of messengers and "angels"—REMEMBER?

EXTRATERRESTRIALS?

If a being or thing comes from anywhere OFF "terra" it (they) are **EXTRA-terrestrial!** If the Christed being is "off" your place—He, by definition, **MUST BE EXTRATERRESTRIAL!** Are you with me so far?

WHY THE "HOLY LAND" IN THE  
FIRST PLACE?

Why do you think the Christed Master would personify in that land called, now, the Holy Lands? Did he happen to prefer the ones in Judea to the ones in Northern Russia? NO, he knew it would be from these lands that would present the ANTI-CHRIST. MAN WOULD BE GIVEN A CHANCE TO ACCEPT GOODNESS INSTEAD OF EVIL. THE LANDS HAD FALLEN—AGAIN—INTO INCREDIBLE EVIL THROUGH THE KHAZARIAN RACES, WHICH HAD INFILTRATED INTO THE ROMANS AND GREEKS AND WERE INTENT ON ANNIHILATING ANYTHING OF GODLINESS REPRESENTING GOODNESS. These adversaries were intent on having total physical rule, power and property of the planet from first step onto the planet. The realm of evil is in the HUMAN PHYSICAL

MANIFESTATION—evil itself being created and produced by human! Evil exists not in the higher realms of KNOWING and understanding—it is a purely physically limited experience.

The time is at hand now, as from all prophecies, for the cycle of change. In those days of the "Teacher", and before, the enemy "adversarial" presentation was called Pharisee(s). That group which today calls itself "Semite(s)" is in fact, the Pharisee(s).

ANTI-SEMITE VS. ANTI-CHRIST

When you speak out against a perceived insult to your moral senses, e.g., homosexual marches for rights to practice their sexual abuses in public, and/or against abortion, WHAT HAVE YOU? You have ones coming forth and shouting that you are bigots and anti-Semites and all manner of insulting accusations. These mean nothing for the words have no actual "meaning"—they are conjured to be insulting. Why? Because the accusations are coming from organized Pharisees!

How often do you turn about and retort: "Ah, but you are an ANTI-CHRIST," to your taunters? No, you slunk away asking forgiveness for speaking out in behalf of goodness! YOU expect God/Christ to come and pick you up simply because you believe there was some man 2000 years ago who came and died FOR YOU. NO, that will not "cut the mustard", little foolish children, for "**If it be of the flesh it is not of MY KINGDOM which is NOT OF THIS WORLD.**" You have been reduced, as a mass of humanity, to awaiting the wondrous whisking out of problem land and lala dreams into wonderment and perfection of another experience WITH THIS CHRISTED BEING! You even hold joyous visions of even being in the experience of some physically worldly pleasure when the lift-off comes so that you have to leave nothing behind—including your worldly desires, lusts and warped thinking.

The evangelists weep and wail and reach unto the heavens and proclaim the wonderment of "salvation" and the "blood" of the lamb and "rapture", etc. No, no, no—it shall not be as you are told. Oh, you are going to "believe" on the TEACHINGS OF THIS BEING OR YOU AREN'T GOING ANY-

WHERE and the fastest "ascending rapture" that I see is through atomic nuclear blasting of you into molecular and particulate form which will "float" on the "clouds". The message said that the Master would **MEET** you and come forth as from the Heavens in and on the clouds! HE ALSO SAID, "IF YE BE OF ME"!

YOU ones have grown lesser in stature with God. You have allowed MAN to "VOTE-IN" behaviors to suit the desires of "these modern times". Fine—it just will not get you off the place! To go into God's realms of glory you will go as a child in innocence and in intent of perfection with Creator's rules and regulations for behavior. Moreover, it is the intent within the soul which will do the presentation of credentials—not the lips of some human form which has forgotten what its task was and is.

ARE YOU A JEW?

Do you think yourself to be a "Jew"? Look again and carefully study history and lineage. **YOU CANNOT BE A "JEW" UNDER ANY CIRCUMSTANCES!** "JEW" IS A TERM CREATED IN THE 18TH CENTURY (A.D.) TO DISTRACT ALL "WATCHERS". The ones who are self-styled so-called "Jews" of this day are actually almost never Judeans or Judaists. The group today are practicing Talmudists coming from the Khazarian races who hated the "Judaists" with a passion unsurpassed. They hate the Christ (even in concept) and have and always will, seek total global control for they are the enemy of Christ God. They are all races, all creeds (in actuality, as voted-in) and colors. **Their full intent is to produce a "master race" of supreme physical beauty and annihilation is intended for all others.** They politically call themselves Zionists in order to allow you to think they are again establishing God's temple in Zion (Jerusalem). No, they are blood-sacrifice-practicing groups who are anti-Christ/God in all ways!

WHY AMERICA?

America was a blessed place upon which could be made a final stand for freedom—birthed through its foundation upon God's inclusion into the experience of her people.

That is no longer practiced; you have no freedom and you have FALLEN. YOU HAVE VOTED-IN ALL THINGS PHYSICAL, AND VOTED OUT ALL THINGS GODLY. There remain Christ-followers everywhere about your globe—but now, you must find them for you will either change that which has come upon you or the nations will perish along with over 6 billion physical beings. WILL YOU BE AMONG THEM? OR, WILL YOU COME HOME WITH US—THE MESSENGERS?

### AMERICAN ENSLAVEMENT

“But, friend,” you might ask, “how did America become enslaved?” Through the “Jewish” banking system, Zionist brainwashing through the media and education, and subversion of culture and religion by the enemies of freedom and Christianity. “Christianity” itself was destroyed in its full and true meaning and practice **AS IT WAS ESTABLISHED!** THIS WOULD BE THE BIGGEST JOKE OF ALL ON YOU THE UNSUSPECTING! True to their pattern of enslavement, One-Worlders (Ultimate World Order) have now established among “former” (forget this as being “real”) Communist slaves and the lying media and publications, these false ideas of freedom and progress. The crude and vulgar, violent and insulting American “entertainment” and “full life” are being spread among the liberated peoples and they are all now falling for the “bait”. The plague that destroyed American culture and undermined morality has been imported into Europe under the label of “democracy”. If anything should make you hang your head in total shame, it is this very fact of deliberately spreading this total evil through the lie that it is “democracy” and “human rights under God-ness”. It is human rights, ok—elite physical power and rights over all other deemed “lesser” peoples. The perfect example is, today, Kuwait. A monarch with 80 wives was restored to a magnificent throne with no effort toward democratic or human equality rights for anyone. You take the bait, consume the LIE and then REFUSE TO ADMIT ANY ERROR IN ACTIONS.

So you will find that the years (generally speaking at the end of the 1980s) will go into history as the glorious time when the Communist oppression over 120 million Eastern and Southern Europeans started weakening and the enslaved peoples, for the first time in 50 years, entered a democracy of sorts. **You can now look back from this almost 1993 and see how well that has worked and the lie of it all. Everything in every one of those nations has worsened and the enemy is the same—by whatever new label it is called.**

History will say (if there is “history”) that 1990 was the year of the “death” of

Communism. No, it was only the beginning of the very END of ALL freedom of the masses. It was the ending decade in which all freedom would be stamped out and billions of human species would be murdered. This murderer would come in the form of “freedom”, “peace” and “protection”; it would come with BLUE helmets bearing great guns and phasers—it would come to imprison under the guise of “protection” and incarcerate under the guise of “housing”. It would come and starve and slay through disease all the while pretending to treat, feed and “look how hard we try”—and you march to their drumbeat and lay down before their presence. They spit upon God and your national flag, they destroy (already have) your Constitution and your sovereignty and replace it with Charters and destruction of all economy and crops and hold you bound and helpless. AMERICA WAS NOT BIRTHED AS A “DEMOCRACY”—IT WAS BIRTHED AS A **REPUBLIC!**

Do you dislike my subject? You had better look closely within at WHY YOU DISLIKE IT! WHY? WHY? WHY? **Could it be that you KNOW MY WORDS TO BE TRUTH and it overwhelms you? So be it—for you shall have to hear it whether you be calling yourself “Jew” or “Christian”. These people call themselves “Jews” and “Zionists”—why is it NOT ALRIGHT FOR ANOTHER TO CALL THEM THE SAME? IF YOU CALL A MAN BY THE LABEL HE CHOOSES—ARE YOU INSULTING HIM?** So, it becomes time to call him that which “he” has chosen for himself—Jewish Zionists. “Jew” has no meaning and “Zionist” is a POLITICAL PARTY!

### AN ANTICHRISTIC NATION AND ITS ACCURSED EFFECTS

Let us look at these “Jews” in terms suitable. Let us look at the “Jews” vs. the United States as the best example for this is “where it’s at and coming down” (in your own slang language).

It isn’t possible here to re-cover all the details of the destructive and treacherous role of the Jews in the United States. For these “Jews” (Zionists)—with almost no exceptions except in cases of “ignorance” of facts—Israel (or the “Jewish community”) comes FIRST, and the United States at least a poor second. Let us look at a few things the “Jews” have accomplished over these years of taking of a nation:

The Jews stole the secrets of the atom bomb from the United States and delivered them to the Soviet Union, thus increasing the power of the Communists to later, in alliance (for the Jews also started “Communism”), enslave the world.

The Zionist-Jewish cabal, acting

through the United Nations and the Jewish President, prevented General MacArthur from bombing Manchuria and the Chinese staging areas beyond the Yalu River, and the Red Chinese troops poured into Korea with the resultant deaths of thousands of American troops. You didn’t remember that one, did you?

In the Vietnam War, the Democrats, as the allies of the anti-American Jewish planners, allowed the disruption of the morale among the American troops, which led to defeat; these Global rulers needed a demoralized American giant to dictate the eventual surrender of American freedom to a global authority lurking BEHIND the United Nations. They also saw to it that the support of the anti-Communist troops was cut.

In Cuba and Nicaragua the Communist regimes were established with DIRECT, and secret, American help (by this same “group”) through the “Jewish” anti-Christ media—TV, motion pictures, press and radio. Oh, indeed, the battle is the anti-Christ against the Christians, old friends, and that is why it is so “convenient” to be a “Christian” who practices “Judeo-Christian”—invented rules and regulations—so you won’t even “appear” to be Christian in reality.

To make the transition work there has to be severance of all attachment to spiritual TRUTH so that you turn unto MAN for your salvation, food, lodging and thus and so. The point is to lock you away FROM YOUR STRENGTH AND INFINITE POWER and into the enslavement of the human control through EVIL.

By making America into a Zionist partisan, and because of misguided support of two or three million Israelis in the Middle East, almost a billion Moslems were made enemies of the United States—and you haven’t even begun to feel the sting of that yet.

With the economy of your nation and, actually, the world in the control of the “Jewish” bankers, trillions of dollars of American national debt and the resultant inflation have seriously reduced the earning power to zilch, and the standard of living of a majority of Americans into the pits, and they are leading the United States toward a final economic collapse—coming up very, very SOON now.

### LET’S LOOK DEEPER AT THE ARCHITECTS OF CARNAGE

The ruling “Jewish” bankers were the principal sponsors of WW I and WW II—that is THE unanimous verdict of historians. Their main goal was, as revealed already in the “French” Revolution: to bring down the traditional European governments and replace them by “democracies” or, preferably, Communism. Any

**form of government is acceptable to them if it lends itself to the promotion of their global empire.** After destroying the French monarchy they continued sponsoring three major revolutions in Europe. Where the monarchies were amenable to "Jewish" controls, as in the Scandinavian countries, and the culture was already secularized (Judaized), as in Holland and Britain, they left the local Kings as the figure-heads. The "Jews" could debauch the life and moral values in those countries under the cover of "representative democracy". The three sturdy monarchies in Europe—German, Austro-Hungarian and Russian—were destroyed through WW I.

After almost two years of the bloody warfare that had already cost millions of lives, the combatant countries in WW I were exhausted and ready to sign the armistice treaty by which all armies would retreat behind their pre-war frontiers and the carnage would stop. The Judeo-Masons, being dominant in the Allied governments, did not want the bloodshed to discontinue as that might have meant the frustration of their goals of destroying the chief Christian kingdoms. They therefore intensified their efforts to bring America into the war and thus improve the prospects of an Allied victory. Finally a very flimsy reason was found in the German torpedoing of an unarmed ship "Lusitania". (And that was not what it appeared to be either!) The British Secret Service had made it known that the ship was carrying war material and the Germans took the bait and sunk it. Hundreds of thousands of Americans were thrown into battles against the Germans and the blood-letting continued for almost two years longer. The principal gain of American intervention was that the stage was set for another war to complete the victory of the "Jewish" bankers over the European peoples.

### AMERICA UNDER THESE "PHARISEES"

We will turn away from the above point a bit and consider this statement: "America under these 'Pharisees'." Well, the Pharisees are the "Lords" of America. Somehow you Americans and most Europeans will be surprised that the Pharisees are still around. Most believe (because you are supposed to) that the Pharisees became extinct with the destruction of Jerusalem in something like 70 A.D. The Jewish authorities, like Louis Finkelstein who was the leading rabbi of the previous generation in the United States, tells you that the Pharisees **simply transmuted themselves into MODERN RABBIS where the lessons of Talmudism and One World Order can be better taught and instilled.** Even this, however, is a bit misleading and not quite exact in meaning. Some of the so-

called rabbis have been the promoters of Zionism in its fullest flowering, Communism and anti-Christian Jewish Freemasonry, B'nai B'rith. These modern Pharisees are the sponsors of recurrent atheism, nihilism, revolutionism and all kinds of anti-Christian schemes in the Western culture, especially in the last 200 years. Ah, indeed they offer sweet and empty smiles and extend the hand as if in friendship but they are THE bitter enemies of Christ and Christianity as would be taught by a Christed being of any label. You see, even "Islam" is a "religion" based **mostly** on "Christ" teachings. This is WHY the Arab world, Moslems, etc., are such DEADLY ENEMIES OF ISRAEL. By any definition—the Israeli so-called "Jews" of Zionism **ARE** THE DEADLY ANTI-CHRIST! THESE ONES HAVE INFILTRATED INTO EVERY NOOK AND CRANNY OF YOUR WORLD—I.E., KISSINGER, ETC. Even "Bush", who is not so-called "Jewish" but IS A SKULL AND BONES INITIATE FROM THE SAME CLUB OF ROME, MASONIC JEWISH KHAZARIAN TRIBE OF TYRANT CRIMINALS AND BANKSTERS.

These ones are THE crafty sponsors and secret promoters and popularizers of the destructive doctrines of rationalism, liberalism, anti-clericalism, secularism, occultism, sects, anti-Christian laws, and the most pernicious scheme to rule the world through the possession of gold and control of the mechanisms of finances, economy, revolution, media, education and culture. Remember that even in your tampered *Bible*: JESUS SAID: "...these sons of the devil..." (John 8:44), are far from dead, friends. They are very much

alive and preparing the demise of Christianity along with enslavement of the peoples of the planet.

I sometimes wonder at ones who claim piety and Christianity—such, say, as the Lutherans. Do you goodly Lutherans remember that your own founder, Martin Luther (and you blacks who follow both this great teacher and Martin Luther King, Jr.) SAID? "...***I have permitted this booklet (*The Jews and Their Lies*) to go forth that I might be FOUND AMONG THOSE WHO HAVE RESISTED SUCH POISONOUS UNDERTAKINGS of the Jews and have warned Christians to be on their guard against them.***" Martin Luther

### EUSTACE MULLINS

Yes, here I do "go again". Why do you suppose an Anti-Christian like "John Coleman" hated with a passion one Eustace Mullins? Because Eustace wrote truth and he researched it and could "prove" it. To do his work, "Coleman" (aka Pavlonski—"Russian Jew" trained in Israel) had to pretend to be an ally of Christianity. This is WHY "Coleman" chose to utilize, for his quoting, the old "Geneva" Bible—so few would even know what he was talking about and would assume misunderstandings to simply be through translation. All I ever had to do to turn "Coleman" into a babbling insane man was to mention, and/or suggest, that he utilized Mullins' information. About everything he got of truth came directly from Eustace Mullins.

Mullins is a profoundly informed patriot and, if you get yourself a set of Mullins'

books, you have all you need in information to see the whole of it. This man has been all but destroyed by un-American exploiters and his work suppressed to the best of human ability. **At this time there is no publisher which will reprint and publish Mullins' work! Forget it, chelas, for there CERTAINLY IS ONE.** As long as any in our circle can keep enough funds to print and a press upon which to copy—so shall the word go forth. Dangerous? Of course, and how is your day going? Would you stand before God in judgment saying you did all you could—or as a coward saying, “I betrayed you, Father”?

QUOTE FROM DR. RAY JURJEVICH

If you don't know who this is, you aren't going to learn from me either, just yet. But you had best be finding out because you need what this daring man is willing to share with you.

Let me give for your ponderings what he has said about Mullins, as a for instance:

.....In my understanding of the evil forces which have been directing the affairs of the Western World and their global exploitation of humanity, I have benefited greatly by the studies of Eustace Mullins. Some of his insights and tremendous fund of information on “Jewish” bankers and their “Christian” stooges, which he had gathered in the course of 40 years of research, I have quoted in my previous writings and particularly in the upcoming book AMERICANS UNDER THE OCCUPATION OF ALIENS.

While I was wasting much valuable energy and time chasing the vagaries of the “science” of modern Judeo-psychology, he was uncovering the dirty work of the international bankers in corrupting the U.S. body politic and enslaving the American people. I want to register my appreciation of this American patriot who was all but suppressed and destroyed by un-American exploiters.

In one of his later works, THE CURSE OF CANAAN [H: I've urged you and urged you to get this book and STUDY IT! Hard to get? Try America West! Does Dharma study this work? NO—because I want her clear and open to MY input—“I” am the author of these JOURNALS and it is what I know that needs to be in your attention—NOT WHAT DHARMA KNOWS! FURTHER, I am giving you this portion by Jurjevich right here because I want to write about the patriot, Gordon Wendell Kahl, to whom we referred as we wrote about Randy Weaver and Kevin Harris in the Idaho incident. I believe his description is one of the better outlays of the incident and I appreciate the information to share with you.], Mullins—matured in his understanding

of the evils of the world through suffering and reflection—conveys the profound insight into the source of the evil powers that have been mangling humanity for more than 3,000 years. They have carried their exploitive schemes through intrigues, collusions with rulers, wars and revolutions, always with the view to extend their power and subject humanity to oppression and political delusions. Mullins tore the veil of secrecy and exposed the nest of vipers—the enemies of humanity, the *atheistic materialists*. They had operated under various disguises, depending on the period of history: Phoenician merchants, Venetian or Florentine bankers, Dutch-Jewish financiers of Cromwell's Revolution, British-Jewish financiers of the “French” Revolution, American-Jewish financiers of the “Russian” Revolution, and as Rothschilds and Rockefellers and other enemies of humanity, freedom, peace and prosperity.

I want to draw your attention here to an important aspect of Mullins' experience. While he was using the methods of modern, historical and social science research, he was able to reach some conclusions, yet failed to attain a truly comprehensive insight into the evils he was investigating. He had reached the conclusion that Satan had temporarily become the ruler of humanity and he had named some of the most notorious collaborators with the Evil One. Yet a further step was necessary to get to the bottom of the problem. “After forty years of patient study of the crises which face humanity,” Mullins writes in the Preface to THE CURSE OF CANAAN,

“I arrived at a very simple conclusion—all conspiracies are Satanic! In retrospect, this conclusion should surprise no one. I admit that it came as something of a surprise to me. I had never anticipated that my decades of work would lead to such an all-encompassing and unchallengeable solution. This answer had eluded me through the years, not because I was on the wrong track, but because I had not yet consulted the ultimate source of knowledge—the Bible. [H: Now please, don't go crazy here. Where else can you better find the information you need both for and against Christ/God than in the “instruction book”? I am not speaking of Mr. Mullins' opinions—I am speaking as a “Journalist” who has access to all sides of the information. Let us just move on and stop your “hang-ups” on tid-bits and let's see what unravels here.] To trace the machinations of the materialistic conspiracy, I had deliberately limited myself to materialist sources—reference material on banking, politics, economics, and the biographies

of those who were most deeply involved in these affairs.”

Mullins' insights thus provide a telling introduction to the main, more often implicit than explicitly stated, thesis of this book. *Christians* (in the widest meaning of that religious-cultural group) *have to revolt against the existing atheist domination of the American scene because the established order represents physical and metaphysical evil.*

With the Bible an unknown Book to our secularized rulers and people, and with its light obscured by the screens of modern “knowledge”, we are bound to falter, mistaking evil for good and remaining subjected to demonic schemes. “Humanity,” writes Mullins,

“... has existed under a considerable disadvantage, unable to recognize or understand evil before being injured by it. Indeed, the great movement of modern history has been to disguise the presence of evil on the earth, to make light of it, to convince humanity that evil is to be “tolerated”, “treated with greater understanding”, or negotiated with, but under no circumstances should it ever be forcibly opposed. This is the principal point of what has come to be known as today's liberalism, more popularly known as secular humanism. The popular, and apparently sensible, appeal of humanism is that humanity would always place human interests first. The problem is that this very humanism can be traced in an unbroken line all the way back to the Biblical “Curse of Canaan”. **Humanism is the logical result of the demonology of history.** [H: And herein lies the full intent of the University of Science and Philosophy and Lao Russell (I did not say Walter Russell). It is proclaimed that Walter became, with Lao, a “humanist”. This is not so; you cannot be a “humanist” and reflect the intent and projection of GOD!]

The Christian revolt, I repeat, has to be radical and thorough. Its aim is to overthrow the atheistic materialists, under whatever glittering disguises (power, riches, fame, political recognition) they may operate, and reestablish the Kingship of Christ over all areas and values: education, culture, media, politics, economy and wherever the spiritual and moral health of human beings is concerned.

Just allow us to leave this writing here, scribe. It is good to not overburden the reader at any one sitting as breaks give refreshment and allow some pondering to the data system. We will take up Gordon Kahl at our next sitting. Thank you.

Hatonn to salute you and take leave.

## Complaint Department

**10/12/92 #2 HATONN**

Yes, indeed, I AM the catcher of complaints. I find it interesting to note what kind of complaints I get. A major one is that "...you don't give us what we want to read about, can't you stop writing about \_\_\_\_\_ and write more about \_\_\_\_\_?" and, "...you have to start giving us more information about what you say because I don't have time to read everything and so I don't know what you are talking about some of the time."

Chelas, this is NOT "vote-out" or "vote-in" favorite subjects. This is NOT a case of "democratic" voting on my presentations. I will give you what you request to the best of my human counterparts' ability to serve you—BUT NO, I WILL NOT COMPROMISE ALL FOR THE ONE "IF" THE ONE CAN HAVE ACCESS TO THE INFORMATION IF HE/SHE WILL DO THE HOMEWORK!

"Each" reader cannot see the whole of the reading public and, if I share letters, we are then condemned for doing that also. We have to simply keep going and perchance somewhere down the line we will hit upon your "favorite" subject material. I am not even efforting to give you what "you want" nor am I choosing subjects for specific groups who, for instance, want to tinker with "black energy boxes". I have a big subject on "black boxes" which I am working toward at this very moment—and you are not going to like what I write about it. YOU want them to HEAL. The Adversary is using them to torture and mentally program the population. The more severe testing procedures are being used in prison or training camp situations along with groups of "demonstrators".

### GOD - LIGHT SHIELDING

I HAVE ONE THING TO OFFER YOU AS SHIELDING AGAINST THIS TECHNOLOGY—GOD! God Light frequency is the ONLY shield you can get to interrupt those pulsed frequency bombardments. I can't tell how to technologically gain that attribute but ones such as Randy Weaver **have it** and one reason he must be taken OUT is that "...he knows too much and he couldn't be reprogrammed." This makes him more dangerous than any spy or evangelical speaker on any circuit. The evangelists are telling you EXACTLY what the World Order Elite want you to hear and believe—a MAN OF GOD TELLS IT LIKE IT "IS" AND IT ISN'T WITH FLOWERS AND WHISK-AWAY RAPTURES. YOU WHO CANNOT BE BRAINWASHED FOR REPROGRAMMING ARE THE MOST DANGEROUS ENTITIES ALIVE FOR THE ADVER-

SARY AND THE "ULTIMATE WORLD PLAN".

Therefore, you are going to have to be patient with me while I outlay information as I see that it can be taken within in some sort of understanding. KNOW that we effort to serve ALL and EACH but we have human limitations for our crew and they are to the breaking point of fatigue and overstress.

I am infinitely grateful to you who continue to write and support (and ALSO to you who pick and hit) for both are necessary in

order that we give balance and impact in its most acceptable form.

To you who share for the "phone line"—blessings! It is through this kind of information, either rumor or fact—that the brother can discern and catch the clues. The lies will sort of themselves in this forum and so will Truth—for the open mind "trained" to REALLY hear and see will KNOW. [Editor's note: Call 805-822-0202 for daily updates from Hatonn on the telephone hotline.]

# Zionist World Control: Patriot Gordon Wendell Kahl Knew Too Much To Remain Alive

**10/12/92 #2 HATONN**

Now, Dharma, find the write-up on the Kahl patriot affair for it is a demonstration of this very subject in point. Patriots who do not do service primarily for God **first** and other things **next**, are not in protection. You will note last evening that there was such a careful lack of attention to GOD OF LIGHT as to stun the senses in that first Presidential candidates "debate". You will not succeed until one comes forth in the "name of God" with intent in total direction to God and while you function and "believe" the garbage you are trained to eat, it looks grim. However, interesting to note: **GOD DOES WIN**

### QUOTING:

*Christian Revolt Long Overdue*, by Ray Jurjevich, Ph.D.

### PATRIOT HAD TO BE KILLED

...Yorie von Kahl, a Federal prisoner who was almost killed by deluded marshalls because he bravely stood by his father, Gordon Wendell Kahl, describes his father's intellectual and spiritual journey in a private letter to me (Ray Jurjevich). Gordon Kahl was an extremely brave American soldier in WW II. He was wounded twice and much-decorated. He came out of the war to be shocked at FDR's sellout of the United States, seeing the Communists as the only beneficiaries of the war for which America footed most of the bill and invested thousands of lives in a non-victory for their own country. For two years Gordon Kahl studied the patterns of betrayal of America. He saw Communists as the most visible internationalist operators. He recognized the Jews as the chief promoters of

the traitorous schemes. He recognized the United Nations, and the League of Nations before it, as the instruments of the internationalist penetration into the American sphere and preparation for enslavement. The layers of conspiracy were peeling off like the skins of an onion. But it was only about 1968 that he recognized international and "Jewish" Masonry at the center of the anti-American schemes.

Being a brave and consistent man, he refused to pay taxes because they were sneaked upon American people by alien plotters and were a violation of the American Constitution. The government operatives (judges, IRS, federal marshalls) were mobilized against him and he was finally crushed. He was destroyed not because he was dangerous to the American state (he was a patriot and dutiful citizen) but because he knew the most dangerous secret—that Americans are ruled by their enemies, the Judeo-Masons and "Jewish" bankers. He had to be silenced before the secret became known to a sizeable number of Americans and people had to be scared away from "dangerous ideas". That is also why his son, Yorie, who had not fired a shot at the marshalls, and barely survived their shooting him in cold blood, was given two consecutive life sentences in the Judeo-American system of "justice".

[H: How many of you noticed the prime point in last evening's first "presidential" debate? It had to do with economics: ALL candidates spoke of income taxes (that means IRS) WHICH ARE NOT LAWFUL UNDER THE CONSTITUTION, AND ALL THREE agreed that the Federal Reserve "should be kept separate" and touted what a good job Greenspan has done running it. Here you have ALL YOU REALLY NEED TO KNOW ABOUT THE THREE PEOPLE

**PLEDGING TO RUN YOUR NATION—ALL WILL SIMPLY BRING YOU MORE WITHIN THE HORRENDOUS NET OF DOMINATION. I was indeed inspired to further service by the realization that "our readers" watched those "debates" with different vision than all other viewers and, although you may feel "frustrated", chelas, enjoy your insight for you are truly growing and in that "knowing" Truth, you can become free as a person and then as a nation.]**

**PATRIOT KAHL KNEW TOO MUCH ABOUT THE INVISIBLE U.S. RULERS AND THE "ZOG" LIQUIDATED HIM**

I chose the term "liquidated" deliberately. That is a Bolshevik/Communist expression for murdering the opponents or alleged enemies and traitors of the Marxist Party in power by the use of state terrorism. The quasi-legal murder of Gordon Kahl by the ZOG (Zionist Occupation Gov't) police is in no essential aspect different from murders of opponents in any Communist-enslaved country. The purpose is certainly the same: to stop the spread of "dangerous ideas" by not only killing the informed person, but, even more importantly, to scare other citizens from moving in the "dangerous" direction and inducing the mass of ordinary citizens to see no evil, hear no evil, and speak no evil about the Communist, anti-human regime, and even less about its "Jewish" sponsors.

While other citizens invested their energies and time in trying to get rich or even barely survive economically, Gordon studied avidly the machinations of the Jews in usurping governmental powers and running the United States for their own benefit. He received no Ph.D., or M.D. or D.Sc., but if once this country is liberated from the ZOG, Gordon Kahl should be awarded posthumously an honorary doctorate in patriotic science.

Four months before February 13, 1983—the date of the ambush by the Federal Marshal of the peaceable citizen Gordon Kahl at Medina, North Dakota—Len Martin, a teacher and patriot, got acquainted with him and interviewed him about the secret and dangerous insights he had reached. The statements quoted below are those of Gordon Kahl. It had taken him years of reading, reflection and putting the pieces together into a meaningful and shocking whole.

Twelve million Americans were mobilized in WW II, but only a very small number of them reached the conclusion that they had been "used" by some power beyond and above the legitimate U.S. government. Later Gordon formulated the conclusion that *at the center of that power were the Jewish International Bankers and their front, the Freemasons. A movement*

*was afoot to take over the United States.* From 1930 to 1950—Gordon's research indicated—five million Jews had settled in his country.

His observations, he writes, "...started while I was on duty in Italy in 1943-1944, although the significance of the incident wasn't realized until later.

"We noticed that Jews were getting on ships after supplies had been unloaded. There were a couple of Jewish fellows in our outfit. We asked them where these people were going and found they were ALL going to the United States. As the ships were unloaded, they would reload the ships with every Jew they could get aboard.

"We just thought these Jews were escaping from Germany. We had believed all the propaganda about how Hitler was executing them, so we didn't think anything about it.

"I didn't know what a Jew really was until I was in the army. *One of the first things I learned about Jews was that you could hardly get them to fight.* They were in the quartermasters, supply, medics and things like that—anything not dangerous. That's where most of them were hiding out until the war was over.

*The Jews, Gordon realized, seemed to be groomed for a Communist Zionist take-over of America.* The newcomers from Europe were changing their names. "During the summer of 1945, just before the war ended, I was a flight instructor in South Carolina. My gunnery officer, who had subscribed to the *Washington Post*, would bring it out to the base every day and show us pages and pages of names of Jewish immigrants who were getting INSTANT naturalization and many of them were changing their names at the same time. They were changing from their Jewish names to common names like Smith, Miller and many used Scandinavian names like Olson, Johnson, etc. The *Post* printed both the old name and the new name—like Ginsberg became Olson, etc." [H: **But what a beautiful way to simply "phase out" those entities so that when it came to identifying persons who made it through the so-called holocaust—the truth could be totally buried for those original "named" persons would no longer exist.]**

"The Jews didn't have to wait 5 years like everybody else before becoming eligible for citizenship. They got it immediately. This alone is a pretty good *indication that the Jews are 'running the show' in our country.*

[H: **STOP (10:54 a.m.)! What you just experienced was a complete change in frequency pulses. The grid system was just engaged and anything can happen. Go now and check all latch-downs and remove anything from teetering situation to the floor. When all the grid is**

**again activated and interconnected with the satellite system (which may now have to wait for the next proper location of the orbiting receivers), there will be reactions—hopefully of small magnitude but most likely of great reaction. At this point all I can do is document. Check your things, Dharma, alert the personnel to re-check latchdowns on computers, etc., and let's go on with our work—this will go on for days. Go tie down the apples or you will be having a neighborhood "apple hunt". Every one of our readers has been warned again and again about the possibilities of action today—we can do no more, so check things and let us resume work, please.]**

Why would they otherwise be encouraged to take Gentile names, which is the first step toward assimilation, when the leading Jews wanted them to retain their Jewish identity? *The secret headquarters of the planned ascendancy evidently had some scheme in mind. The United States was the only major power that had to be subdued before the One-World government could be established.* The influx of the Jews was arranged with some hidden scheme in mind.

**GORDON'S INSIGHT INTO "JEWISH" SCHEMES AND MISDEEDS**

Another extremely important fact discovered by Gordon and *unknown to most Americans is that the U.S.S.R. was established by the "Jewish" bankers:*

It is becoming more common knowledge among the American people that the Jewish International Bankers were behind the Bolshevik Revolution in Russia in 1917.

By the time 1917 rolled around, *Jewish financiers were already entrenched in America's financial affairs to the point that they even owned America's central bank, the Federal Reserve.*

One of these financiers, Jacob Schiff, a Jewish European banker then living in America, kicked in 20 million dollars to help finance the revolution in Russia. Twenty million dollars was a tremendous amount of money in those days. This \$20 million, along with other Jewish financing, enabled a Jewish revolutionary named Trotsky and a group of trained revolutionaries from New York's Jewish lower east side to be smuggled into Russia to engineer the Jewish takeover of Russia and to install Communism.

A third geo-political set of factors concerned Germany. Her people had to be crushed before the Communist/bankers domination could be established in Europe.

Once Russia was in the hands of these International Bankers, the only power that stood in the way of conquering Europe was Germany.

Since control of the money in Germany had long been in the hands of the Jewish banking family, the Rothschilds, it was easy to flood the country with unbacked paper money and weaken the German economy. By 1923, the German Mark was so worthless it took a wheel-barrow full of Marks to buy a loaf of bread. *The current inflation in the United States is caused by the same bunch of international bankers and can cause a collapse in the United States just as they did in Germany in 1923. The stage is set; they are just waiting until the time is ideal.*

Anyway, the collapse of the economy in Germany set the stage for a "savior"—someone who would lead the German people out of their predicament. Smooth talking Hitler emerged as that savior.

*Backed by American Jewish bankers and, I guess, a few European ones, Hitler began building up the German war machine. [H: Don't fritter your time by arguing this point—I want you to note how you can't even get "Bo" Gritz' name mentioned in public and tell me how an unknown kooky nerd could gain control of a whole nation and a military machine in just brief months unless he had a lot of help and got a whole bunch of financing—he was a paper-hanger, remember?] By 1939, the war machine was ready, so Hitler started the war in Europe.*

*With the war in Europe in progress, it was easy for the Jewish-controlled newspapers and radio in the United States to create a war scare. Soon the draft was started and factories began manufacturing war equipment and supplies. Keep in mind one thing—wars are the Jew's harvest! [H: This, according to their own decrees.]*

The most dangerous realization was the fact that the FBI and the CIA, contrary to public "knowledge", are, like Communism and "democracy", tools of the Jewish bankers to advance their goal of One-World Government. A number of patriots had written in the same vein. Gordon had met a converted Jew who left the CIA because his conscience bothered him:

He had found out what the CIA really was—that the CIA always worked both sides of a conflict. One bunch of the CIA agents would be helping the left wing and one bunch would be helping the right wing. He said it works out that the left wing gets just a little more help than the right wing *and the right wing always loses out.*

Remember China, Korea, Vietnam, Nicaragua, Angola, Yugoslavia? The pattern is unmistakable. It was a *British OSS chieftain Stephenson, for instance, who "discovered" Tito among Yugoslav mine workers in Canada, got him trained in the USSR and finally, with British help, established him as the bloody dictator of Yugoslavia.* The right wing leader, General

Mihailovich, *abandoned by London and Washington, lost to Tito. [H: Anyone see a major similarity in "happening to find" a man to head the current area of Yugoslavia—from the Elite business community in of all places, California, U.S.A.? There surely isn't any gain on "peace" in Yugoslavia this day!]*

Another insight of U.S. patriots and students regarding the anti-Christian conspiracy concerns the Rockefellers as the principal pro-Communist conspirators and supporters of secularism and Masonic ideology.

"Many informed people," says Kahl, "claim *the CIA is Rockefeller-controlled.* This is very possible because the Rockefellers are really **Roggenfelds** from Germany. When they came to America, they changed their name to Rockefeller. There was a book written listing the top 500 Jewish families in the United States. It was written by Jews for Jews, and only 500 copies of the book were printed. These 500 copies went to just the 500 *elite Jewish families in the United States and the Rockefellers were among this elite group.*"

Gordon suspected, for good reasons, that all secret services, particularly in the Western World, are coordinated by the Jewish secret police, the Mossad. Now that is a very dangerous thought. It's almost eerie that Gordon spoke several months before his death as if he anticipated it:

"In our country, the FBI and U.S. Marshals will 'shut up' anyone who gets too outspoken in telling the truth about the causes of our nation's problems. The FBI and U.S. Marshals can kill or lock up, for any old reason, anyone who tries to expose the truth and the courts will back them up. Red Beckman calls the U.S. Attorneys and Federal Judges the 'greatest cover-up gang' in history."

#### JUDEO-MASONRY, THE SOURCE OF EVIL

*The most astounding revelation about the anti-Christ conspiracy is that Freemasonry is the chief sponsor of Communism and that both are fronts for the Jewish conquest of the world.* The Catholic Church, for a while after the year 1800, used to call Masonry "Judeo-Masonry" because *for all practical purposes Masonry is second-class Jewry.*

The good-sounding civic and social ideals of Freemasonry and Communism (liberty, equality and justice) are only *bait for dumb Christians.* The two fronts are the chief means of recruiting Christians to do the destructive Jewish job. Christians are so profoundly duped that they *perform services antagonistic to their own Christianity, misguided by the false goals.*

"It has gotten to the point," Gordon observes, "...where so-called Christians

are trying to out-do the Jews. They are doing just like the Jews do, only they are trying to do it better. *They are willing to sell their souls for money.* Most of these money and power-hungry non-Jews, who have achieved success in the business and political world, are Masons—MASONs.

"When I got to tying this Communism thing to Jewry, I found that *Communism was nothing more than a smoke-screen that the Jews operated behind.* That's when I really woke up to what is going on in the world. Later, when I stumbled onto the fact that *Masonry was set up as a front organization for Jewry—well, it was almost too unbelievable to grasp at first. I had to dig deeper to find out more about it to satisfy my curiosity. What I found was not very pleasant.*

*"This Masonic bit is so secretive that few outside the Masonic higher circle are aware of the true character of the evils of Masonry. Even lower degree Masons are not aware of the part Masonry has played in the manipulation of world events.*

"To make matters worse, there are *masses of non-Jews, the goyim (human cattle) who willingly sell their souls and sell out their friends to get with this subversive crowd.*"

Some of the Jews confided to Kahl that there is a *center of Jewish power that coordinates the anti-Christian campaign on the globe, with subordinate regional centers responsible for action on particular continents.* Readers may have difficulty accepting this information because they have been conditioned by the media and by education to reject such ideas of central planning and the initiating bodies as too fantastic to believe. Yet, when one surveys the *growth of Jewish controls over the Christian states through revolutions and ideological corruption over the last two hundred years, one cannot imagine that such events could have happened of themselves. Only chaos can occur without sponsorship and as the result of irrational forces. Any social structures that have to be built over decades or centuries are the result of some planning agencies, public or secret.*

END OF QUOTING

\*\*\*

We can finish the writing on Kahl when we again sit for I don't wish the individual writings to be longer than this, without break, for there is too much physical stress to go without change in these long sessions. Thank you.

I am extremely occupied, however, this day so please notify me when we can again write. Thank you.

Hatonn to stand-by.

FIRST A LITTLE DIGRESSION  
ON HELP

Dear ones, in all of our hours of sharing my very being is filled to overflowing with

that which confronts you as you come up from the darkness into seeing. Indeed you must question all things—for Truth can always stand open surveillance. Truth never suggests that you do not research or search out all sides in forming decisions. Always, however, you must ask God Creator in wisdom and inner guidance to witness all things that you may truly see that which IS and not simply that which another foists off upon you.

And, moreover, ALL need help—that is why Universal God has sent guides for your personal assistance that they, as well as you, might grow in wisdom. It is why HE has sent us, the Hosts (not just space jockeys in shiny suits and slick craft). You can have as much fun with that “idea” as does Spielberg—and, by the way, NO, there are not these idiotic “beings” running around the cosmos—NOT AS YOU PERCEIVE IT TO BE—THESE ARE THOUGHT FORMS MANIFEST! We the Hosts are but the messengers from the realms more advanced in technology, balanced in spiritual knowing and come according to the promise of God—that in this day the messengers would come in preparation for the changes which would come upon the planet and show man that he has not need to perish and, indeed, shall not perish in spirit.

I do not play around in the halls of UFO seminars, etc. I have no interest in the silly games and foolish lies about what is afoot. I repeat—the ENEMY IS AMONG YOU! EARTHBOUND—for all practical discussion. I am actually the enemy of no one, not even the dupes in the game of “adversary”. But, if you are one of the dupes, you may well consider me—at some point—your enemy. If you walk the path of voted-in evil then you are locked into the human experience and you are simply not of my path. The Adversary may well “take” without permission—GOD AND GOD’S HOSTS NEVER EVEN “TOUCH” WITHOUT PERMISSION GIVEN AT THE LEVEL OF INNER “INTENT”.

There is a nice “old saying” on your place which I find interesting—it reads: *“Everyone from time to time needs a little boost. If you see a turtle on a fence post, remember he had some help getting there!”*

Sounds good? How so? Why would a turtle want to be on a fence post? Now that you or someone or thing helped him to get atop the post—he shall perish lest he come down. YOU ARE ON THE FENCE POST—BECAUSE YOUR VERY ENEMY PUT YOU THERE! HOW SHALL YE GET DOWN AGAIN? AH HA! WHERE WILL YOUR ENEMY LEAVE YOU? WILL THERE BE GOODNESS WHEN YOU AGAIN TOUCH THE GROUND? AND THE BIGGIE: ARE YOU WILLING AND EAGER TO PLAY BY GOD’S RULES IF HE OR WE HELP YOU OFF THAT POST WHERE YOU ARE

**TRAPPED? OR, WILL YOU BE AS THE LOBSTER WERE IT HEAT AT THE POST—JUMP OFF INTO THE BOILING POT? MOST OF YOU ARE JUMPING!**

### BACK TO PATRIOT GORDON KAHL

We were priorly speaking about Gordon Kahl and why he was targeted for destruction. He knew too much and uncovered the plans and lies. **He recognized the brainwashers of the Americans and thus, the world. But mostly—he attacked two other seemingly different segments (actually all the same), the sponsors of Communism—the Judeo-Masonry foundation.**

The Man-on-the-street has no idea that these things go on and were planned for, yea, generations. You ones simply experience that which you have within your narrow confines of experience—a family or relationships, a job (hopefully) and feast on entertainment and “news” as fed to you by a, now revealed, controlled press and media. How could you know? The entire thrust of the game has been to keep you from knowing!

Let us just go back to a continuation of the writing of Jurjevich in his discussion on Gordon Kahl. You know what happened to the man from what we gave you in the writings regarding Weaver and Gritz—BUT, HOW MANY OF YOU KNEW REALLY “WHY”? Even the patriots recognize Kahl as a martyr, murdered for something or other to do with taxes and failure to pay “...or something”! What we have here is WHY he was targeted.

QUOTING:

### BRAINWASHERS OF AMERICANS

Gordon uses an example of changing American attitudes toward Jews as an illustration of social engineering by Jewish agencies. They have created a false image of the Jews as persecuted people to forestall the negative reactions against the exploitation and domination by the Jews. (See *The F.O.J. Syndrome in America* (publications) for further explanation of the brainwashing of Americans. [H: There are also at least two JOURNALS on the subject—both in the Soviet Union and in America.] Those books were written by a psychologist liberated from the FOJs and it is to the credit of Gordon’s native intelligence to have discerned the brainwashing process several years before those two volumes were published.)

“To keep down criticism of any Jewish misconduct,” Gordon explains, “the Jews have carried on an effective psychological program. Cleverly, they have played up the ‘poor persecuted Jew’ image and through this have been able to keep the

*goyim from rising up against them. Anyone who dares to speak out against any crimes committed by Jews is accused of ‘anti-semitism’—of picking on the ‘poor, persecuted Jews’ just because they are Jews. It would be funny how so many Christians and other non-Jews have fallen for this line if it were not so dangerous.*

“If the goyim would just stop and think: It is a rare case where a Jew does not have a good job and lives in comfort—much higher than the average non-Jew. Few Jews stoop to getting their hands dirty doing manual labor—they let the goyim do the dirty jobs. [H: This of course, again, applies to the unsuspected “Zionist Elite so-called, self-styled ‘Jews’” and has nothing to do with those thinking themselves to be of a race of “Judaists”. Herein we are speaking of those who do not even resemble “Jews” for the most part—the merchants, bankers, lawyers, judges, doctors and other components of society WHO CONTROL THE MASSES—THE “JEWS” (ZIONISTS) HAVE ALSO INFILTRATED THE RELIGIOUS DOCTRINED CHURCHES AND REPLACED “CHRIST” WITH RITUAL AND FALSE TEACHINGS.]

“The Jews control the news-media, nearly every major business operation, the amusement industry and the national financial institutions—so how can they justly cry “poor, persecuted Jews” when it is they, the Jews, who are doing the persecuting? The only way they get away with it is because they control the news-media and are able to keep the goyim in the dark about the truth.”

Gordon knew of another old trick of scoundrels and diplomats—to induce dissension and bad feelings among the opponents and let the fights of enraged fools protect the Jews in their predatory schemes. This is one source of Jewish power over Americans.

“They keep the Christians and other non-Jews fighting amongst each other; even Christians against Christians, Moslems against Moslems, etc. It is pretty disheartening to see this happening, especially since it is **destroying America.**”

As a seasoned opponent of the Jewish usurpation of power in the United States, Kahl understood the ineffectiveness of any campaign against Communism as an enemy of America unless one reveals also the secret sponsors of Communism and attacks Judeo-Masonry as the source of Communist power and intrigues. He illustrates this observation with the defeat of Senator Joe McCarthy in his attempt to expose Communism.

“The story behind Senator Joe McCarthy’s investigation of Communists in government is interesting because every Communist Joe was after was a Mason. But, he didn’t understand that the Jews

were his real enemy—that the Jews were behind and control the Masonic Lodges.

“Joe was trying to work with the Jews to expose Masonry. He even had Jews working right on his staff. *He was still under the impression that Jews were God’s chosen people.*”

“I’m satisfied the Jews did away with McCarthy for trying to expose the part Masonry had to do with Communism. Certainly, if he would have succeeded in exposing the part the Masonic leaders play in the spread of Communism, it is likely that the fact that *Communism is a Jewish front* would have also become general knowledge. The Masonic tie to Jewish Communism would then have been too hard to keep from the American people and *the whole Jew/Mason/Communism conspiracy would have been exposed and defeated.*”

The bases of Jewish political power are the subservient **goyim**.

### THE EVIL “JEWISH” POWER IS SUPREME IN AMERICA

“The Jewish power structure,” observes Gordon, “would be too obvious to the non-Jews if Jews were to fill every position in government. This is where the Masons come in. Together, the Jew/Mason powers have become entrenched and so strong that a person *can’t even get on the ballot if not a Mason.* Of course, *a Jew always has an open door in politics.*”

As in the Communist countries, where the Party keeps people at poverty level and exhausts them through the fight to survive so that they have no time to think nor energy to fight the oppressors, so in the United States, *the rush after material goods and “standard” of living disables Americans from fighting the aliens who ride on their backs:*

“The reason the Jew/Mason tie has become so powerful is because they work at it. While other Americans are busy slaving to make a living, the Jew/Mason elite are busy building their political network. To ensure that they win at election time, they use the tactic of getting one of their group running on both the Democratic and Republican side. So, it doesn’t make any difference which one wins, the same dirty work goes on.

“During an election, their candidates talk a good line, But, after winning the election, they follow orders.

Roosevelt (F.D.) campaigned on a real good platform and then, after being elected, he changed completely.”

**[H: I don’t want to ruin your dreamy day—but this is Truth, chelas. This is not bigotry against “people who think themselves to be Jewish as in “Judaists”—this is simple fact about the non-Judaist Zionists who call themselves “Jews” and thus steal a whole**

**heritage from the very ones they impersonated to get to this level of control of the nations. Bush certainly doesn’t “appear” to be Jewish and neither does Clinton—but they are controlled by the very organizations which call themselves “Zionists”, etc.]**

**The management of the goyim, by creating political and social crises, did not escape the sharp mind of Gordon: “More and more people are becoming aware of the fact that the *Zionist Jews have been behind the problems in our country. So, the Zionists have to keep stirring up a crisis to divert attention from them. They make the plans; all we see are the effects.*”**

Much before many patriotic observers of the Judeo-American scene, Gordon realized the *immense social cost of our subservience to the Zionists: “Fifteen million dollars (\$15,000,000) A DAY, of American taxpayer’s money, is currently going to Israel to keep it from going bankrupt and to build up its war machine.” [H: It is more now and getting worse and worse! You now have to support all of the rest of THEIR world nations also!]*

Having become very knowledgeable about the Zionist machinations, Gordon had an in-depth *understanding about why ZOG was persecuting him:*

“*My research and exposure of the part the Jewish and Masonic hierarchy has played and is playing in the destruction of America was a big part of why I ended up in prison in 1977.* I had also been giving quite a few talks from 1972 through 1976 about the Posse Comitatus and the illegal income tax. I was *Texas State Coordinator* at the time and the Jew/Mason crowd were concerned about this because we were getting pretty strong down there.

“When they took me to court for not filing income tax reports, they didn’t make any bones about the *prosecution.* They didn’t even deny that; they said they had to do it. BUT REMEMBER THIS: the tax rebellion is so big that it could blow the whole thing wide open at any time. I read that the government figures of people not paying taxes in 1975, for instance, was 38 million; of this 18 million didn’t even file. So, why did they pick on me? There had to be another reason for selecting me for prosecution. The *“failure to file” charge was the only way they could take me to court,* but my other activities were the **real** reason—with exposing the *Jewish/Masonic/Communist tie probably being the main one.*”

Len Martin concludes:

“In trying to eliminate Gordon Kahl at Medina, were ‘they’ trying to cover up the truth?”

After studying the facts surrounding Medina, an investigative reporter turned to me and said, “Now I know why they tried to

get Gordon Kahl and IT WASN’T BECAUSE OF TAXES....”

“So that his children and grandchildren might live in freedom, Gordon was willing to die—and die he did: **attacked by the very “agents” of Satan whom he was trying to expose.**”

END QUOTE

### MASONIC ORDERS AND YOU

Come on, chelas, it is more cleverly hidden than having a big sign over the lodge hall door which says, “Satan within, enter if you want to have some fun.”

You must realize that in order **to understand the danger Masonry presents to world freedom, it MUST BE REALIZED THAT ALL (CONSPIRATORIAL) MASONS ARE ILLUMINATI.**

From the pool of the lowest three degrees, the leaders pick those who would “advance” deeper into the trap. Gordon’s insight is that only those who have some skeleton in the closet which could be used to force them into corrupt actions, are selected for higher degrees. If no such incriminatory act has been documented, opportunities are *created by the unscrupulous Masonic leaders* to seduce the dudes into compromising acts and the documentary evidence is stored for future use in blackmailing.

**BOTH CHRISTIANS AND JEWS SERVE THE MASONIC CONTROLLERS BECAUSE OF OPPORTUNITIES IN ADVANCING IN A CAREER, GETTING PROMOTED AND BECOMING RICH. THROUGH LOANS GIVEN OR WITHHELD THE JEWS CONTROL THE BUSINESS GROWTH OR DECLINE OF INDIVIDUAL CHRISTIANS AND JEWS. THE JEWS ARE SUPREME ON THE AMERICAN SCENE.**

At any rate, chelas, we are speaking of THE PHARISEES—call them whatever you wish. It is not WRONG to have been misled or to have believed the LIE—what is so hard on you at this point in involvement into chaos—is that you continue to believe that which is the LIE AND PLACE SHACKLES UPON YOUR OWN WRISTS AND ANKLES THROUGH YOUR OWN DELIBERATE REFUSAL TO SEE WHAT IS A FOOT. YOU HAVE BEEN SUCKED, AS A CIVILIZATION, INTO THE VIPER’S PIT—AND LIKE THE GARDEN OF EDEN—IT IS TIME TO PAY FOR THE FEAST OF APPLES SO WILLINGLY OFFERED IN PROMISE OF HUMAN PHYSICAL PLEASURES AND COMFORT—BY THE SERPENT FOR YOUR IGNORANT CONSUMPTION. THERE IS NO PEACE IN SATAN’S VALLEY! SO BE IT.

Let us now leave this writing for you are needed elsewhere as, too, am I. Thank you, scribe, for standing strong as we outlay this information which can only bring terror into the bosom—but peace and security rest in the hands of God of Light and there, too, rest ye. Salute. 1992 1999 2000 2001 2002

# Today's Watch

10/13/92 #1 HATONN

JUST A MINUTE PLEASE!

No earthquakes on the 12th? (???) Really? The worst earthquake ever known to the area of Egypt—near the pyramids and in the general area of Cairo with great devastation to, especially, the peasant class of people—and you think there were no earthquakes on the 12th? YOU are only a PART of this world, little ones. That earthquake in Egypt was one of the most important “signs” ever to come upon your planet.

As important as is the San Andreas Fault in California—it is not important to anyone in Cairo, Egypt.

In addition, to you watchers: **The earth never stopped shaking the entirety of yesterday and is still quivering like jello in the desert areas. The changes in pulse frequencies now bombarding from the new “grid hookup” which was activated yesterday for “E.T. search” have caused heart arrhythmias and other seeming medical problems. There is an urgent “push” to cause some ones to be moved from these areas who are connected to the “administration” and/or Elite planners. You ones must watch closely and you will get guidance as to your own timing and actions. It is going to be much like a roller-coaster ride here on in.**

## SOMETHING TO NOTE ABOUT AIDS

Ones prefer to not believe much that I give because it contradicts almost ALL that human gives forth (until after the fact and too late). I told you AIDS is the last great plague. Whatever comes after will be directly connected to this man-created virus if it be biological microscopic life-form. Other disease packages will not measure up to this one except as the VIRUS IS INTEGRATED WITHIN THE DNA STRUCTURE OF OTHER PATHOGENS. By the way—the first man-made virus was created as a man-made life form in Israel—and perfecting of the DNA replication and alteration, along with introduced mutations, has never ceased.

The reason I speak of it today is because your U.S. ex-Surgeon General, Koop, reported yesterday—TO THE PUBLIC—that **there is no cure for AIDS, no precautions are SAFE, it is a virus which mutates individually with EVERY separate DNA cell blueprint. Once in the cell the cell is altered and BY YEAR 2000 HE EXPECTS MORE THAN 100 MILLION TO BE WRITTEN OFF.** That, dear ones, is

PEOPLE. I might add, however, that that is THE number by which the United States is supposed to decrease its population numbers by year 2000.

## HOLD YOUR SEATS FOR THIS ONE: GUILLOTINES A-PLENTY

Terrifying force? What might that be? Will it be “aliens”? Will it be police? Well, here is one to attend: Word has come this morning and follow-up contacts have been made to get some kind of verification as to authenticity. The news does not appear to be very good on this next subject.

George Green called this morning to report a call from New Orleans wherein ones on the unloading dock at the harbor there dropped a shipping crate which broke open. In the few minutes involved it was discovered there were numerous “guillotines”. Now this would be unnerving in itself but before the line was cleared another called from San Francisco wanting to know about the guillotines being off loaded in San Francisco in great numbers. Not to be outdone, came a report of numerous guillotines being brought into Las Vegas.

The person from Las Vegas was really undone because this one remembered something about beheading (or something similar) in PUBLIC LAW 102-14. I am not going to do this research for you but it does sound exactly like the Khazarian Mossad activities which took place in the French Revolution, does it not?

Is this whole thing a farce? Does it matter? If the information comes forth as separated reports from such widely diverse places—is it not either a “scare tactic” which is obviously “orchestrated and planted” or there is some fire wherefrom comes the smoke? Are these going to be used against the political despots—or against the patriots? I can only suggest that **all** get “squared away with God”. I, further, mean Christ-God of Creator/Creation. The Luciferian god is NOT going to give you Salvation or lift-off. You had best be clearing up insight right quickly.

I know that you are only interested in that which is happening TO YOU. But, what is going to happen to YOU is already happening in other nations about your globe so you cannot wear blinders any longer. The “piper” is at the door to be paid—he has gotten rid of all the Christ restrictions on your life-style and played his tune so that you did not have to confront right or wrong—you could simply follow the physical desires, lusts, greed and other “wrong” perceptions. You sold him your soul for the freedom of self to believe the lies—now he is at your door to take possession and receive his payment for services. Do you really think that the evil kingpin is going to let you get away with bowing and scraping and “believing” that

some man “died for you, instead of you and absolved YOU of all responsibility for actions—2000 years ago?” Do you hear the peals of laughter yet ringing in your ears? He is here to collect his “slaves” and take possession of all property and possessions.

How many of you turned away God who came to your door asking you to hear? Now you WILL hear the Adversary for he didn't even have to knock and you let him in, supped him, slept with him, fornicated with him and did all manners of things which you KNEW were unclean and unGodly. You are simply confronting the reaper who comes to harvest his crops—you and your soul are his crops. How many will be used as “examples” from the followers of, say, the evangelists who led the march to the sea with you lemmings in gleeful tow?

## EARTHQUAKE DRILLS

It may give you on the West Coast a little more confirmation as to what might be planned in that “those military bases being deactivated”—ARE ready for occupancy and/or abandonment.

On ALL other bases there are now underway drills for quake actions and survival with major drills scheduled for the first week in December. This information comes by “notice”, not gossip.

## WORSE NEWS AND MOST MISSED IT

The San Onofre (nuclear energy) generating plant at San Clemente, south of Los Angeles and north of San Diego, is being shut down. The reason given is that it is old and that makes it “possibly” dangerous. Brothers, it is either already contaminating the area and/or what is expected is too dangerous to allow chance-taking when it goes with the first throes of “the big one” in Southern California. What this SHOULD tell you, if nothing more—is that “someone” knows a whole heck of a lot more than you are told.

What about predictions and prophecies? I don't have much comment about them for all scientific data shows substantial foundation for predictions in these days of startling happenings.

Someone in a publication called *Earth Changes*, I recall some time back—told you there was an expectation of a MAJOR earthquake within 75 miles of San Diego on or before the 14th of October (now). I believe he called it a “window” or something similar. Then between the 18th and 23rd comes a major prophecy from one who is “usually” correct that there will be a “big one” in California measuring at least 8 points. Well, the quakes have never stopped in California since the Landers quake. I will say that the former gentleman

hit the exact date accurately of the Landers quake earlier this summer.

What does all this mean? It means you are in a time of massive earth changes around your entire globe and they are not simple acts of God and Nature. Even if they would all be of natural cause—it would be worthy of full attention.

### REMEMBER WELL

The way the Elite ALWAYS heal the wounds of depression and hard times—IS THROUGH WAR! I suggest you REALLY listen to what the politicians are telling you—because, between the lines of their “other” written speeches, lies the hidden truth. If they tell you that you are at peace—KNOW THAT YOU ARE AT WAR, etc.

To hear people cheer as Mr. Bush says there is no longer Communism in Europe, that there is “peace” in Europe and that Communism and the Soviet Union are dead—is almost more than I can bear. If you find peace, freedom, security and economic growth ANYWHERE in that part of the world, I would like you to point it out to me. I wonder about the Sarajevo-Bosnia winter coming up. I wonder how those people will fare under Kissinger Associates “advice” and orchestration of “doings” and under the “guidance” of a puppet “president” from California.

Does Mr. Kissinger annoy me? Indeed he does but not for the reasons you might at first believe. He is but a tinker-toy spoiled brat who is a total tool of the Adversary. This is a childish tantrum-throwing child but as with any “machine” out of control—he is dangerous. The people with whom he works are even more dangerous. You who are Mormons (by the way—THAT label cannot even be used by the church in point in parts of Japan and the Orient because it is their label for “devil” or “satan” [[[Interesting?]])] must come to face that ones whom you have held in high esteem as Godly workers for Christ, etc., have betrayed you from the beginning. Ones like Brent Scowcroft and others from the Utah governmental positions have been at the top level, activators and operators in the Banking—One World Order scandals.

The hierarchy of the church itself based their rituals and secret passages upon the Nazarian Masonic order and the God of light was effectively excluded from the church and religion. Do not get out of sorts with this information—it is likewise true of every known HUMAN doctined religious cult (church group). The point is: IF YOU CAN CONTROL THE RELIGIONS AND SPIRITUAL BELIEFS OF ANY GROUP—YOU CAN HAVE TOTAL CONTROL OF THAT GROUP. WHEREIN IS THE BEST PLACE TO DO YOUR WORK? OF COURSE—IN THE ENEMY'S VERY CAMP WITH HIS

HELP.

So what? You can sit and snivel and wallow in self-pity, deny, throw stones at me—or you can open your eyes, find out for yourself so you don't have to “guess” and take it from there. I certainly should be no threat to anyone dead or alive—I bring the WORD, force NOTHING and do not even butt into your business. So, when a man tells you he is doing something FOR YOU, or TO YOU and it is through force—IT IS NOT OF CHRIST-GOD.

You must face the fact that almost all you are told is not the way it really is—even the Rockefellers (that staid old group of “American” millionaires) were not “Rockefellers”. They were “Roggenfelds”

of Germany. They changed their name when they came to America. They are life-long members of ZOG (Zionist Occupation Government, the term used by knowledgeable patriots).

The enemy is powerful—I respect everything about my enemy and so should you. I also know my enemy backwards and forwards—as so should YOU. I offer you insight for it is my mission to do so—I do not and did not “conjure up” tales to trick you. I can only pray that you will awaken in time to clear thine path and set thine sails unto Light for the hour-glass is empty save for the dust. It shall be turned for the further experience—where will YOU be?

# Warnings On Water And Disaster Safety

10/14/92 #1 HATONN

LOCAL GOLDEN HILLS WATER  
AND  
YOUR COMMUNITY WATER SUPPLY

I certainly do suggest that you not accept what the “foxes” are telling you about the chickens dead in the hen-house. The “rumor” regarding the local water (in any given community in the “garden areas” of your nation the waters are contaminated) still being dangerous. Worse, as the pathogens are efforted to be killed, the chemical contamination rises. You must remember, chelas, that in many areas there is a seven year drought which causes all reservoirs to be low and the minerals concentrated. In areas where there has been flooding, there is a worse problem for the contamination levels are extremely high from the flooding itself.

I know that you can't really DO anything about it as a political issue other than get proof and, as this community has done, bring a class action suit. But, even here, the symptoms were outright without ability to hide and still the suit is not over contaminated water—but rather, the people in charge kept the fact secret instead of warning the people in time to take personal action.

MORE ON HYDROGEN PEROXIDE

If you get a good filter system you “may” be getting good water—however, even with the filtered water—remember—the holding tank CAN get contaminated and breed

little “buggers”—it does however, clean most particulate out of the resulting water. That can be cleansed by 7 drops of 35% **food grade**, hydrogen peroxide. This is more effective in, say, 10 drops per gallon. However, at 7 drops per gallon, the taste remains good. Even with a whole bunch of drops the taste beats the chlorine and other additives of the system clean-up. You can also add a few drops of “bleach” but this is really untasty and further adds to the “poison” additives.

How can you check on your own? Probably you can't afford to do so—because no one is going to tell you the truth of findings. Then, if you go to a water purification business they are apt to overdo the results in order to sell you an expensive system for purification. My suggestion is simply to add a drop of hydrogen peroxide (**food grade**) to your glass of water or beverage-use water—to be sure.

ATTENTION: REGARDING HYDROGEN  
PEROXIDE USE

**\*\*CAUTION\*\***

**\*\*\*DO NOT USE HYDROGEN PEROXIDE AS PURCHASED IN THE MARKETS FOR ANTISEPTIC USES (TOPICAL) FOR INTERNAL USE. THAT IS A 3% SOLUTION AND HAS STABILIZERS WHICH ARE TOXIC IF TAKEN INTERNALLY. USE “FOOD GRADE” FOR INTERNAL USE AND WATCH CAREFULLY THAT YOU USE IT PROPERLY! WOULD A “LITTLE” HURT YOU? PROBABLY NOT, BUT WE ARE NOT PRACTICING MEDICINE AND PLEASE FOLLOW INSTRUCTIONS FOR**

**USE. IF YOU WISH TO USE THE PRODUCT AT ALL—USE IT ABSOLUTELY CORRECTLY!\*\*\***

I am not in the additive business, vitamin business, life crystal business, algae business or any other business save bringing you help where I know it to be worthy and in bringing you Truth. All else which might be offered by the people here for your assistance, is strictly THAT—for your help—without advocating ANYTHING. If I come along and tell you, for instance, that “star-dust” will cure everything including head colds and do not tell you how to get star-dust then I am but a foolish nerd showing my own ignorance. You are so limited by the laws which are inspired to keep you sick and not allow preventive care that it is all but impossible to help you at all. For instance, health food stores and holistic practice offices have been raided and totally stripped of all such things as hydrogen peroxide, folic acid and other helpful items. We have no intention of getting our people involved in any such thing or actions. Our people are simply willing to aid you where it is legal and helpful and at no profit beyond costs of shipping and handling.

We are blessed with wondrous people who offer all they have to serve brother at this time of tightening controls and resultant hardships. They will continue to do so as long as it remains legal and product can be obtained. Beyond that, we can offer no more. It is planned to set up greenhouses for the growing of Chlorella as soon as

funding is available—but until then, a high quality supply has been located with prices under competitive. It is a time of working together, chelas, and you need good health and food substance if you are to stay functional.

**STAY PREPARED  
FOR CATASTROPHE**

You are warned by Cmdr. Soltec [*Geophysicist of Space Command; see Soltec's columns later on in this week's LIBERATOR*]**—to STAY PREPARED AND DO NOT SKIMP ON MEDICAL EMERGENCY SUPPLIES. MAKE SURE YOU HAVE BANDAGE MATERIALS, HYDROGEN PEROXIDE IN LARGE SUPPLY FOR ANTISEPTIC WOUND DISINFECTING, AND OTHER EMERGENCY TRAUMA PRODUCTS. SEE WHAT YOU HAVE AROUND YOUR HOME TO GET QUICKLY TO STABILIZE NECKS AND BACKS IN CASE OF BACK INJURIES, SMALL BOARDS WHICH CAN BE USED FOR SPLINTING AND—IN DANGEROUS AREAS—TEACH YOUR CHILDREN HOW TO USE THEM! NOW!! DO NOT WAIT UNTIL IT IS AFTER THE FACT! A DRILL IN BARN DOOR CLOSING IS STUPID—AFTER THE HORSE IS GONE!**

You are going to have to “hear” this message in all locations so you must analyze your own position and location and act appropriately. If you have “stored” water and it has been opened (or even if not) to be safe—get that food grade hydrogen peroxide and add seven drops per gallon when

you need to use it—just keep a small bottle handy by the water supply.

If you have studied all the JOURNALS you will know what likely “disaster” is probable in your given area. For instance, below dams you can expect dam rupture as the most likely. In “storm” paths you can now expect tornados. In hurricane areas look for increasingly stronger and stronger winds and damages—**WITH TIDAL WAVES.** IF you are blessed enough to be warned to evacuate—**DO SO!** However, expect more and more unexpected abrupt happenings—without warnings. The point is to “hit” you—not “save” you! You must act accordingly.

My personal perception is that San Diego area will be relatively OK as it would (the area) most likely split off and drift westerly/northerly. Salt Lake is “iffy” but probably would have warning if breakup involves massive “sea” type flooding and locals can evacuate to Alta, etc. It would be a good idea to warn family and tell them to not “wait around” IF but to get some emergency supplies and be ready, for it is supposed to shake like hell in that area also. The Mormons (the church) are to their eyes in the Conspiracy, so expect damage if it comes down to Russian Cosmosphere activity—little damage if it is left in the hands of the conspirators because that will be projected as a “Zion” show-and-tell. It is a “time” when anything can go any way!

Dharma, take this off please and then let us go on with our work. Thank you.

# The Marriage Made In Hell: Zionism And International Finance

**10/14/92 #2 HATONN**

**BOLSHEVISM, JUDAISM,  
CHRISTIANITY**

A question asked many times daily is: “What is Bolshevism and what does Judaism have to do with it—and, where does Christianity come into the picture?”

I have written on the subject since onset of writing with this scribe. I have told you of involvements of Rockefellers, Kissinger, etc., in reference to Bolshevism right along, and yet, most readers can't “quite” get it sorted. Let me remark, however, that the intent of your adversary is to keep things so confused that from one day to the next you can't tell just who is who. Just remember—**THE ADVERSARY'S PLAN IS FOR TOTAL GLOBAL DOMINATION AND THAT**

**INCLUDES ALL PLAYERS. THERE MAY BE SOME POLITICAL “IN”-FIGHTING BUT THE GOALS ARE IDENTICAL SO DON'T BE FOOLED BY ACTIONS BY ANY ONE OF THE ELITE FROM ONE DAY TO THE NEXT!**

The following comes directly from a document presented in 1933 and it is very good in concept. I believe it will give you more insight than other information I have seen. The article was presented by A. Homer, M.A., D.Sc., F.I.C., etc., in October and November, 1933 and was written in reply to a challenge. The information was collated from authoritative sources, both Jew and Gentile, to demonstrate the relationship between Judaism and Bolshevism, and the alliance between International Finance and its protégés, **Bolshevism and Zionism.**

Once again it is mandatory that you clarify these things in your thinking minds or you

cannot sort the problems and isolate “your enemy” enough to have appropriate insight and bring about change.

I think, since we are writing an informative journal, that once again, it is better to simply journalize the original document and ones who wish can research more in-depth.

QUOTING:

Oct. 21st, 28th, and Nov. 4th, 1933:

**JUDAISM AND BOLSHEVISM  
A Challenge and a Reply**

**SOME FACTS**

(By A. Homer, M.A., D.Sc., F.I.C., etc.)

At a meeting held at St. Joseph's

Hall, Hanwell, in July last, to protest against the Bolshevik persecution of Christianity, the speakers, *inter alia*, enlightened their audience as to the part played by certain sections of Jewry in the establishment by terrorist methods of the Bolshevist system of Government which is avowedly "Anti-God", and, in its efforts to destroy the present social system of the world, is determined to stamp out Christianity.

Mr. L. J. Hydeleman, in letters written to the Editor of the *Catholic Herald*, has taken exception to the statements made, by myself in particular at the meeting. To him, and perhaps to many others who are unaware of the facts, Bolshevism and Judaism would appear to be "contradictions in terms"; the association of Capitalistic Jewry with anti-Capitalist Bolshevism would seem to be absurd; and the use of Bolshevism, Zionism and International Finance (The Money Power) by a small and powerful section of World Jewry as a means of gaining World Domination are to be classed as "somewhat wild conclusions".

#### THE JEWS AND BOLSHEVISM

*Bolshevism IS A JEWISH CONCEPTION* based on the teaching of Karl Marx and other revolutionary Socialists. It is characterized by destruction and chaos, and imposes its will and maintains its power by terrorism and murder.

**Bolshevism is, above all, Anti-Christian and Anti-Social**, for, until the existing order has been destroyed, the so-called "Dictatorship of the Proletariat" in a universal brotherhood of nations cannot be imposed upon the world.

**There are many who would keep the public in ignorance of the part played by Jews, whether Socialists, Communists, Zionists or Financiers**, in the events which have led to the destruction of Tzardom; to the enslavement of the Russian people by terrorism, and to the imposition of the (Jewish-controlled) Bolshevik Regime; to the post-war "red" revolutions in Europe and Asia; to the economic and industrial war on Capitalistic States conducted under "The Five Year Plan"; to the unchecked persecution of Christians by Bolsheviks in Russia, Spain, Mexico, and elsewhere; and to the rapid spread of Bolshevik activities throughout the world, in particular in Palestine, the Middle East, India and China.

Within the limits of a short article, it is only possible to give a fraction of the overwhelming amount of evidence (from authoritative sources, both Gentile and Jew) in support of these facts. The following instances, however, should serve to convince your readers that **Bolshevism and Zionism are but means to an end—weapons in the fight by a Jewish World Power for supremacy in politics, eco-**

**nomics and religion—that is, the fight for Jewish Nationalism, posing as Internationalism, against Gentile Nationalism.**

#### BOLSHEVISM OFFICIALLY ATTRIBUTED TO JEWS

The British Government published a White Paper (Russia No. 1, April, 1919) in which was contained a report from M. Oudendyk, the Netherlands Minister at St. Petersburg, who was watching British interests during the Bolshevik Revolution. M. Oudendyk states:

*"I consider that the immediate suppression of Bolshevism is the greatest issue now before the world, not even excluding the War which is still raging and, unless as above stated, Bolshevism is ripped in the bud immediately, it is bound to spread, in one form or another, over Europe and the whole world, as it is organized and worked by Jews, who have no nationality, and whose one object is to destroy for their own ends the existing order of things."*

This report, dated Sept. 6th, 1918, was forwarded by Sir M. Findlay from Christiana to Mr. (later "Lord") Balfour. Incidentally, the above passage was deleted from a subsequent abridged edition of the said "White Paper". [H: This is also a prime mode of operation—to delete that which is not "wanted" in the history books.]

The following facts demonstrate the part played by Jewry in the furtherance of Bolshevist activities:

**1. The hostility of both Capitalistic and Socialistic Jews to the Tzarist Regime is a matter of history.**

According to their own claims (The *Maccabean*, New York, 1905) the Jews were the most active revolutionaries in the Tzar's Empire. The *Jewish Banker*, the late Jacob Schiff, of the powerful banking group, Kuhn Loeb and Co., aided Russian revolutionaries. According to the *Jewish Encyclopaedia*, 1925, Jacob Schiff financed Japan against Russia in the war of 1904 to 1905.

**2. Jews engineered the Russian Revolutions of 1905 and 1917.**

From statements made by Sokolow, the Zionist leader, in his book, *The History Of Zionism*, and by other Jews, it is apparent that *Organized Zionism* played an important part in Bolshevik activities in Russia.

The success of the 1917 Bolshevik Revolution was made possible by the financial support and influence of International (Jew) Financiers. (*Vide: The Sisson Report* published by the American Committee of Public Information, 1919. *The Times*, February 9, 1918).

**3. Statesmen representing the Allies, in 1919, endeavoured to secure**

**the recognition and representation of the Bolshevik Government at the Peace Conference at Versailles.**

Wickham Steed, Editor of *The Times*, at the period of which he wrote in his book *Through Thirty Years*, stated, regarding this move:

"The prime movers were Jacob Schiff, Warburg, and other International Financiers who wished, above all, to bolster up the Jewish Bolsheviks in order to secure a field for German and Jewish exploitation of Russia."

**4. International Finance (which is Jew-dominated) four abundant credits for the Five Year Plan.**

Krassin served as one of the post-war links between Jewish and other finance and the Bolsheviks.

The intrigues by which financial credits apparently made to Germany reached Russia have been denounced in the U.S.A. Congress and elsewhere. The statements have not been refuted by the German-American-Jew Bankers thus implicated.

**5. That there is some alliance between the Bolshevik leaders, the avowed enemies of Capitalism, and the World's Super-Capitalists** must be inferred from the fact that Felix Warburg, in 1927, was given a "Royal" welcome to Russia, in spite of his association with the Federal Reserve Bank of America, and with the Banking Group of Kuhn Loeb and Co.!

#### THE BOLSHEVIK GOVERNMENT IN RUSSIA IS IN ACTUALITY A JEWISH GOVERNMENT

The Soviet movement was a Jewish, and not a Russian, conception. It was forced on Russia from without, when, in 1917, German and German-American-Jew interests sent Lenin and his associates into Russia, furnished with the wherewithal to bring about the defection of the Russian armies, and the overthrow of the Kerensky Provisional Government, which was "pro Allies". Thus:

**1. The Movement has never been controlled by Russians.** For,

(a) Of the 224 revolutionaries who in 1917 were dispatched to Russia with Lenin to foment the Bolshevik Revolution, 170 were Jews!

(b) According to *The Times* of 29th March, 1919, "...of the 20 or 30 commissaries, or leaders who provide the central machinery of the Bolshevik movement, not less than 75 per cent are Jews...among the minor officials the number is legion."

(c) According to official information from Russia, in 1920, out of 545 members of the Bolshevik Administration, 447 were Jews!

**2. The "benefits" of office under the Bolshevik regime have been reaped**

by Jews:

The number of official appointments that have been bestowed upon Jews during the Soviet Regime is entirely out of proportion to their percentage in the State.

The population of Soviet Russia is officially given (1933) as 158,400,000, the Jewish section, according to the *Jewish Encyclopaedia*, being about 7,800,000. Yet according to *The Jewish Chronicle* of 6th January, 1933: "Over one-third of the Jews in Russia have become officials."

[H: This should begin to make it more clearly understood as to why the reports of persecution of the Jews during and after WW-II in the "Russian" run camps was more treacherous than in other locations. The Russians didn't like the take-over of their nation by aliens.]

3. "Anti-Semitism" in Russia is now classed as counter-revolutionary and is punishable by death. [H: And that, brothers, was in 1933 and before—so where do you think those "hate crime" edicts began? Once again, "stop truth" by disallowing questioning or actions which contradict the "orthodox" minority projections even if they are LIES and total fabrications.]

4. It is significant that the Red Five-Pointed Star, which in former time was the symbol of ZIONISM and JEWRY, is now the symbol of the Russian proletariat.

### BOLSHEVISM, JUDAISM, CHRISTIANITY

Bolshevism was enforced in Russia by means of confiscation, terrorism and murder on a scale of unprecedented magnitude. According to Bolshevik figures and other estimates, in the revolution some 20,000,000 lost their lives, either by violence or from starvation and disease. Of these people some 1,766,118 persons had been executed before February, 1922. [H: Go back and read that AGAIN!]

The "Terror" has become a permanent institution by which the Bolshevik (Jewish) Government maintains its tyrannical power over the enslaved millions of Russia and pursues its war on religion. [H: See, it worked so well "in reverse" that the world is now held hostage by fabricated stories and numbers of persecuted in WW-II. It also distracts any "regular" people from looking back beyond the end of their noses—especially if a law is made to insure you CAN'T look back and bring forth FACTS.]

These statements may come as a shock to many readers, both Christian and Orthodox Jew, who may have condemned the activities and actions of the Bolsheviks without realizing where the true responsibility lay. They will be further disturbed to read from *The Jewish Chronicle* of April 4, 1919:

**"There is much in the fact of Bolshevism itself, in the fact that so many Jews are Bolsheviks, in the fact that the ideals of Bolshevism at many points are consonant with the finest ideals of Judaism."** [H: Chelas, this is right out of the "Horse's mouth" regarding self.]

And from the *Jewish World* of March 15, 1923:

**"Fundamentally, Judaism is Anti-Christian"**, an expression of opinion which is by no means new to the *Jewish World*, for, in its issue of February 9, 1883, there appeared the following:

**"The great ideal of Judaism is...that the whole world shall be imbued with Jewish teachings, and that in a Universal Brotherhood of Nations—a greater Judaism in fact—all the separate races and religions shall disappear."**

Bernard Lazare (a Jew) in his book, *L'Antisemitisme*, asserts (translation), p. 350:

**"The Jew is not satisfied with de-Christianizing, he Judaizes, he destroys Catholic or Protestant faith, he provokes indifference but he imposes his idea of the world, or morals, and of life, upon those whose faith he ruins; he works at his age-old task, the annihilation of the religion of Christ."**

The wholesale persecution, torture and murder of Christians by Bolsheviks, in Russia and elsewhere, would therefore appear to be the logical and practical application of the above "ideals" as foretold by Milhelm Marr in 1879 and by Dostoievsky in 1880.

Many Jews deplore the participation of members of their race, even though they may be professed Atheists, in the unbridled acts of destruction, cruelty and devilry which characterize Bolshevik tyranny.

In an attempt to explain away the fact that Jews play or played leading parts in the perpetration of the hideous crimes of the Bolshevik Terror, Alfred Nossig, one of the spiritual leaders of Judaism, states:

**"Socialism and the Mosaic code are not at all in opposition...all Jewish groups...have a vital interest in the victory of Socialism; they must exact it not only on principle, not only because of its identity with the Mosaic doctrine, but also on tactical grounds... The Jewish Socialist is reproached with playing a leading part...in the Communist terrorist party... This is only explained by two reasons; the complete estrangement of the Jewish terrorists from the spirit of the Mosaic doctrine and the strong mixture of Tartar and Cossack blood. That...has inculcated in them savage and cruel principles."** (*Vicomte Poncins, The Secret Forces Behind Revolution*, pp.

158-160).

(The reader may not be aware that the *Eastern European Jew*, known as the "Ashkenazim" or "German Jew" is of Jewish-Mongolian-Turkish [KHAZARIAN] extraction. The *Western European Jew*, known as the Sephardim, or Portuguese Jew, is regarded as purely Jewish in origin.)

### THE ALLIANCE BETWEEN INTERNATIONAL FINANCE AND ITS PROTEGÉES, BOLSHEVISM AND ZIONISM

The European War, and its aftermath, dealt staggering blows to Western (Christian) Civilization. By contrast, however, International Jewry has emerged therefrom with enhanced financial and political power in all parts of the world.

**Through the use of the Money Power, International Jew Finance is now able to direct the internal and external policies of the Governments of the impoverished States of Europe and also of America.**

By this power, it has forced Gentile Governments to further the political aspirations of Zionism, and to refrain from protecting the interests of their own nationals from the activities of Bolsheviks who are undermining the economic, social, moral and religious systems of all States.

*International Finance* is not altruistic; it ever seeks its own material advancement and power. Europe is exhausted as a profitable investment. But Russia, Siberia, the Far East, India, the Middle East are awaiting exploitation, and would offer colossal gains to those who could superimpose upon them the mass-production methods of modern machinery.

**Bolshevism has opened the way to a Jewish Industrialization of Russia and Siberia; it may deliver India and the Far East into the hands of International (Jew) finance; its part is to foster World Revolution and the destruction of religion so that the present social systems may be swept away—as in Russia.**

*International Finance*, after the success of the Bolshevik Revolution in 1917, which Zionists had aided, realized that it stood greatly to gain by supporting the **Zionist Movement, by forcing the Balfour Declaration on a financially harassed British Government**, and thereby consolidating World Jewry into a powerful political factor for use in their own interests in world affairs.

The Zionists themselves later, in 1928, realized that their Movement had been exploited by International Finance, and, in 1929, did not hesitate to say so. For, at the dictates of powerful Jew Financiers, the Zionist organization, as the official liaison between World Jewry and the

Mandatory Power for Palestine, was superseded by the *Jewish Agency*, a body containing powerful non-Zionist elements. [H: **Go back and read this paragraph. This is the beginning of the coalition of the International Finance Elite and the Zionists—1928. Don't forget, for a second, that this all was written in this particular article BEFORE WW-II.**]

**International Finance, by its support of Zionism, has obtained the power to exploit the vast resources of oil, chemicals and other substances in the lands to which Palestine is the outlet. By the same means, it has dumped into Palestine, the most sacred country in the world, thousands of Bolshevik Jews who would destroy all religions and who, from this strategic centre, are engaged in propaganda, designed to draw Palestine, Egypt, the Middle East, India and the Far East, into the gigantic movement begun in Russia, and to destroy British Imperialism.** (Vide Eberlin.)

The part played by INTERNATIONAL FINANCE in furthering Bolshevism is a source of bewilderment to those who do not understand that the MONEY POWER, ZIONISM and BOLSHEVISM are but weapons in the hands of INTERNATIONAL JEWRY. On the face of it, astute Jew Financiers, with their knowledge of mankind, would not be so stupid or so insane as to pour vast amounts of capital into the world-wide activities of Bolshevism unless they were certain, in their own mind, that their own interests and power were secure, whatever happened to the rest of humanity.

**The alliance between Jewish Finance and Revolutionary Movements** was no mystery to D'Israeli (Lord Beaconsfield), for, just after the European Revolutionary upheaval of 1848, he wrote:

*"The influence of the Jews may be traced in the last outbreak of the destructive principle in Europe. An insurrection takes place against tradition and aristocracy, against religion and property. Destruction of the Semitic principle, extirpation of the Jewish religion, whether in the Mosaic or the Christian form, the natural equality of man and the abrogation of property, are proclaimed by the secret societies who form provisional governments, and men of Jewish race are found at the head of every one of them. The people of God co-operate with Atheists; the most skilful accumulators of property ally themselves with Communists; the peculiar and chosen race touch the hand of all the scum and low castes of Europe; and all this because they wish to destroy that ungrateful Christendom which owes to them even its name, and whose tyranny they can no longer endure."*

*Life Of Lord George Bentinck*, p.497 (1852).

Similar statements have been made by many other writers of eminence and erudition.

History shows that the Jew has always been, by nature, a revolutionary and that, since the dispersion of his race in the second century, he has either initiated or assisted revolutionary movements in religion, politics and finance, which weakened the power of the States wherein he dwelt. On the other hand, a few far-seeing members of the race have always been at hand to reap financial and political advantage coincident with such upheavals.

In the present case, however, World Jewry may have let loose a force of destruction which International Finance may find itself powerless to control—in fact, another Frankenstein monster.

#### IS THE WHOLE JEWISH RACE TO BE CONDEMNED?

Dr. Oscar Levy (a Jew) in 1920, in a letter which has been printed as a preface to a book, *The World Significance Of The Russian Revolution*, by G. Pitt Rivers, attributes the fact that:

**"Jewish elements provide the driving force for both Communism and Capitalism for the material as well as the spiritual ruin of the world...to the intense idealism of the Jew."**

However, as he points out, **all Jews are not Financiers, Zionists or Bolsheviks.**

Dr. Levy considers that the Jews have most grievously erred: **"We who have promised to lead you to a new heaven, we have finally succeeded in landing you into a new hell... I look at this world, and I shudder at its ghastliness, I shudder all the more as I know the spiritual authors of all this ghastliness... But its authors themselves are unconscious in this as in all they are doing."**

[H: **TRUE, if you within that grouping do not wake up and stop this madness of your own "claimed" brethren, you are first doomed for they will give no quarter to those of you from whom they have stolen the most.**]

It may be true that the fanatics who have committed the many, and only-too-well-authenticated acts of destruction and devilry are not fully aware of all that they are doing. For, Bolshevism is but one of the several weapons employed by a small and very powerful group of men who lust for World Domination, to whose prototypes Christ pronounced the following indictment:

**"Ye are of your father the devil;**

**and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it."** (St. John, Chap. 8, verse 44) [H: **This is specifically for you who denounce me and claim that what I give you cannot be of the "Bible" of Christ. You had better get busy with your homework because I am Head of the "army" of Hosts (angels) who come as messengers with that CHRIST-GOD and the time of choosing is at hand!**] and whose existence in these days has been referred to by Jews of such eminence in politics and finance as Benjamin D'Israeli and Walter Rathenau. **This small group of men (Jews) has long exercised a hidden dictatorship over the affairs of Europe, America, and, to some extent, in Asia, by means of the enslavement of National Governments, to what Herzl, the first leader of the Zionist Organization, called "our terrible power of the purse".** This method of control could not be applied to Tsarist Russia, therefore the end was achieved by means of Bolshevism, a method which is also being used to bring the East into subjection to them.

The machinations of this group of men have been crowned with so great a measure of success that members of their race have had the effrontery, in their recent representation of Tritannia, to attach the Seal of Solomon to her Shield and the Judaistic symbol of the Serpent around her Trident. And the descendants of those who rejected Christ have not only joined hands with "Anti-Christ", but also with those who would expel God from His Universe and set up in His place Gold and the Machine as symbols of their gross materialism.

**Unless the power of this section of Jewry is checked by human or super-human means, the peoples of the world, whether Gentile or Jew, are doomed to slavery of body and soul.**

# Lots Going On Behind The Charade

10/15/92 #1 HATONN

## BUSY MONTH? NO?

You think nothing is happening as projected? Perhaps you have a very narrow perspective?

You THINK Russia is having joint service WITH you of the U.S. in the Persian Gulf? Chelas, THAT Russian vessel is a missile/**anti-missile SHIP**. Joint action, they tell you, and all is just to get the "two" nations' servicemen accustomed to and comfortable with working as "friends" rather than "enemies"? NO—the Russians are there in the Persian Gulf alright but it is NOT to pleasantly stand by NATO and "watch" the embargo against Iraq.

Can't you see that it comes simultaneously with the release of the "so-called" **transcripts** on the KAL-007 airline disaster? Both the U.S. AND Korea KNOW that the transcript is not correct—but Russia has the "box" and you don't! Quite a lot of things are going on behind the charade this day.

In the circumstance of the ship adventure in the Persian Gulf, pay attention to the Russian Admiral when questioned about Russia's "friendship" with Iraq. He immediately says that "it is political and I have nothing to say". I personally do not believe that Mr. Bush is going to be so free and easy with launching missiles at Iraq as long as that anti-missile Russian ship is adjacent to your own missile launchers!

## INVESTIGATION INTO CLINTON'S PAST

Hoopla over such as past indiscretions while a student at Oxford? Who cares—the man, Clinton, is totally groomed by the Elite Committees and Bush is fighting for his life—literally. It remains to be seen if his back-up plans can succeed. So far quite a few of us are giving away all the secrets in advance and it gets harder and harder to carry through with disruptions—in open view.

You ones of my team had best consider the early morning blast against the shield to be a warning—that was us shoring the shielding as we are again at "stand-off".

I believe you can see that Mr. Gorbachev is

defying all rules in failure to testify regarding the Communist Party. Mr. Gorbachev is a member of the Elite Khazarian One Worlders. Mr. Yeltsin plans to "do it" another way and it remains to be seen what happens.

## NUCLEAR POWER PLANTS

The power plant which "accident"ed in Lithuania and is now shut down yesterday—is exactly like the one at Chernobyl. The "little leak" is far worse than told and, being like the other plant, can go into the ground. It is near the "sea" and when the reaction hits the water it is going to be a real mess. The location of Lithuania makes it a deadly proposition for many, many people.

## WATCH THE CLUES

Lithuania is directly east of Sweden and south of Finland, southwest of Leningrad and north of Warsaw, Poland. The main clue is that it is adjacent to an **area** known as "**White Russia**". **Note also that there is "news" of actions in and around "Archangel" (town) which is right on the "White" Sea.** I am not going to tell you more about the geography of these places for I want you to go look it up and "see". The missile ship from Russia came from the area of Archangel, White Sea, off the Arctic Ocean—TO the Persian Gulf! Does anyone think that at all "**strange**"? Well, you had best be starting to think of it as strange!

## OTHER STRANGE COINCIDENCES!

While you were thinking nothing was going on, I can assure you that many things have transpired which mean major impact on the world. What do YOU think about the helicopter "accident" that killed Brazilian, Ulysses Guimaraes? Nothing? Who is he? Well, he was considered the "dean" of Brazil's Legislature but guess what—**he was one of the major leaders in September's successful campaign TO IMPEACH PRESIDENT COLLOR.** That makes him a most offensive enemy of the Elite "Mob".

## AIDS

It should be noted that the "AIDS Hotline" that just got all the publicity turns out to be worse than the IRS "help" line. Consistently misleading, oversimplified or patently wrong responses were given, it is now reported. The check-up survey was directed by a physician who works specifically in AIDS-related medicine—the group found that "Hot line volunteers gave conflicting, often totally incorrect recommendations." And how is your day going?

## TWIDDLE DE-DEE AND TWIDDLE DE-DUMB

Remember all those indiscretions of Clinton as related to the Warren Stephens banking backing that we wrote about months ago? Look now! "No matter who comes out on Top on Election Day, Jackson Stephens should be a winner."

"The billionaire investment banker is part of President Bush's Team 100, a group of \$100,000 GOP contributors who can count on special White House access. His son and business partner, **Warren Stephens**, carries his own impressive Republican credentials, once having played host to a fund-raiser at which Mr. Bush mingled with Arkansas GOP leaders.

**"But the Stephens empire also bankrolls Bill Clinton. Jack Stephens is the leading stockholder in a bank that GAVE MR. CLINTON'S CAMPAIGN A \$3.5 MILLION LINE OF CREDIT, HELPING HIM OVERCOME A CASH CRUNCH AND REKINDLE HIS CANDIDACY....."**

The above, and more, directly from the *Wall Street Journal*, Monday, Oct. 12, 1992.

Do you REALLY think a "Bo" Gritz could get attention with two things against him—a total "ordered" blackout of even mention of his name, and how can he get anything near that kind of backing from you-the-people after having been stripped of your jobs, reserves and any manner of financially supporting such a campaign?

**You will turn unto GOD of HOSTS and LIGHTED SOURCE**, or, you will not change a thing except to further deteriorate. So be it. Salu.,

*(Editor's note: The following writing is also the Introduction to the latest PHOENIX JOURNAL now going to press titled — and this is no joke — SEX AND THE LOTTERY, "SATAN IS ALIVE AND WELL ON PLANET EARTH!" This was a title only humorously discussed over dinner a few nights ago, because the subject material of this JOURNAL, having to do with our "beloved" Henry Kissinger, is so important, and yet the JOURNALS are hardly titled to attract like the pulp novels and lurid movies that daily pound our senses. The challenge was how to catch the attention of and compete with modern man's Zionist-programmed preoccupations with these two premier fixations of modern materialism—sex and the lottery. At the time, we thought the discussion was getting a bit carried away with our humor. Well, it seems Commander Hatonn was listening!)*

## INTRODUCTION

I am grateful for the "updated" more comprehensive schematic of the Conspiracy Rule of the World. I ask that it be placed in the appendix of this JOURNAL and in the upcoming LIBERATOR, appropriately labelled. [See next page.] These visual aids are effective and allow the mind to comprehend the magnitude of God of Creation's adversarial "teams". However, since you are going to read a volume herein that features Henry Kissinger, I suggest you not be either surprised nor annoyed to find it difficult to even find his name on the document in point.

You will have to realize at the ending of the puzzle coalition that he must come basically from the side of the diagram representing the House of Rothschild which includes the Marxian-Socialism, KGB/Mossad, etc. The reason you can calculate this much is that Kissinger was instrumental in the "take-out" of the Rockefeller brothers and each replacement where appropriate as in the case of David, now running around seemingly in original format. "The bunch", including Kissinger, simply killed Nelson because they needed him out of the picture permanently. Kissinger then gave a grief-stricken eulogy, **took off immediately** for a European trip and himself was "taken-out" on the jour-

ney back to the U.S. He was missing over a period of months while it was claimed he and Nancy, his bride, were "vacationing". Actually a new Kissinger was being readied and programmed, for the demise was not timely and there "had to be" a Henry Kissinger to continue and finalize activities. The organizations are so intertwined that it is difficult to account for the players. But there are clues. At any rate, they all come out of The Luciferians and are ALL totally humanistically physically oriented toward **RULE OVER ALL PHYSICAL PROPERTY AND MANIFESTED HUMAN PHYSICAL**.

We will speak again on these subjects but we did not have space to cover it all in this volume.

I have chosen the title, SEX AND THE LOTTERY, for one reason—**ATTENTION!** In this day of incredible lies and corruption—everything from sex to survival is simply like the lottery—"you takes your chances" for it is intended you become dead of disease through sexual experience in looseness, and/or enslaved to later serve the puppet masters' physical needs. It will be through misuse of "sex" in activities, concept and practice which will bring you to your knees in destruction of self-respect and actual destruction of foundation upon which you structure your very lives.

## LIGHTED CHRIST-GOD

The next portion I write as much for Dharma as for any of you other readers.

It is a lonely task here to write that which most of the world wants **NOT** to hear and see. But **THERE ARE OTHERS** who receive and share Truth in a different thrust—a different presentation.

I make no comment on the following writing received from M.C. from his Computer Bulletin Board and shared directly with us, other than to give confirmation of "other" capable receivers bearing the messages of Truth. I won't identify the writer/receiver because Truth is Truth—and it matters not **WHO** brings that Truth. Satan himself could bring the Truth even among his lies and you can discern that portion which is of **GOD SOURCE**. The following, however, is wondrous and loving support of the Truth of the "times at hand" and the purpose of the return of God unto your

place—and without knowing one another, workers can serve, for each has a place and God is sufficient to all needs and all things. So be it.

Please let us just copy the writing as shared. Don't get hung-up on labels—take "content" within and think upon the messages and balance will be given if asked within the **LIGHTED INSIGHT**. Dharma needs to receive these things, also, and see beyond the keyboard and unto the infinite experience.

I thank you for the sharing of the document and blessings are given unto the receiver for the people of God of Light need this loving but firm pronouncement from our leader, the Christed representation recognized and translated in language unto the one recognized, by most, as Jesus. It matters not about other perceptions, for this would be the **ONE** destined to be recognized as the Being you can claim in human touch with—that Christed presence come to **ALL** physical experience and Guiding Lighted God of human manifestation on your Planet.

## QUOTING:

### INTRODUCTION TO THE DIVINE PLAN

**As dictated by Moses and Jesus, the Christ.**

**September 24, 1992**

Oh, children of Israel, You have wandered long, scattered among the four winds.

The wicked state of Israel has come to be, but think not that you, the remnants of Israel, belong to this vile whore.

We, as God's servants, have come to retrieve those of you left behind. We beg unto you to follow the commandments of God, even unto the bitter end.

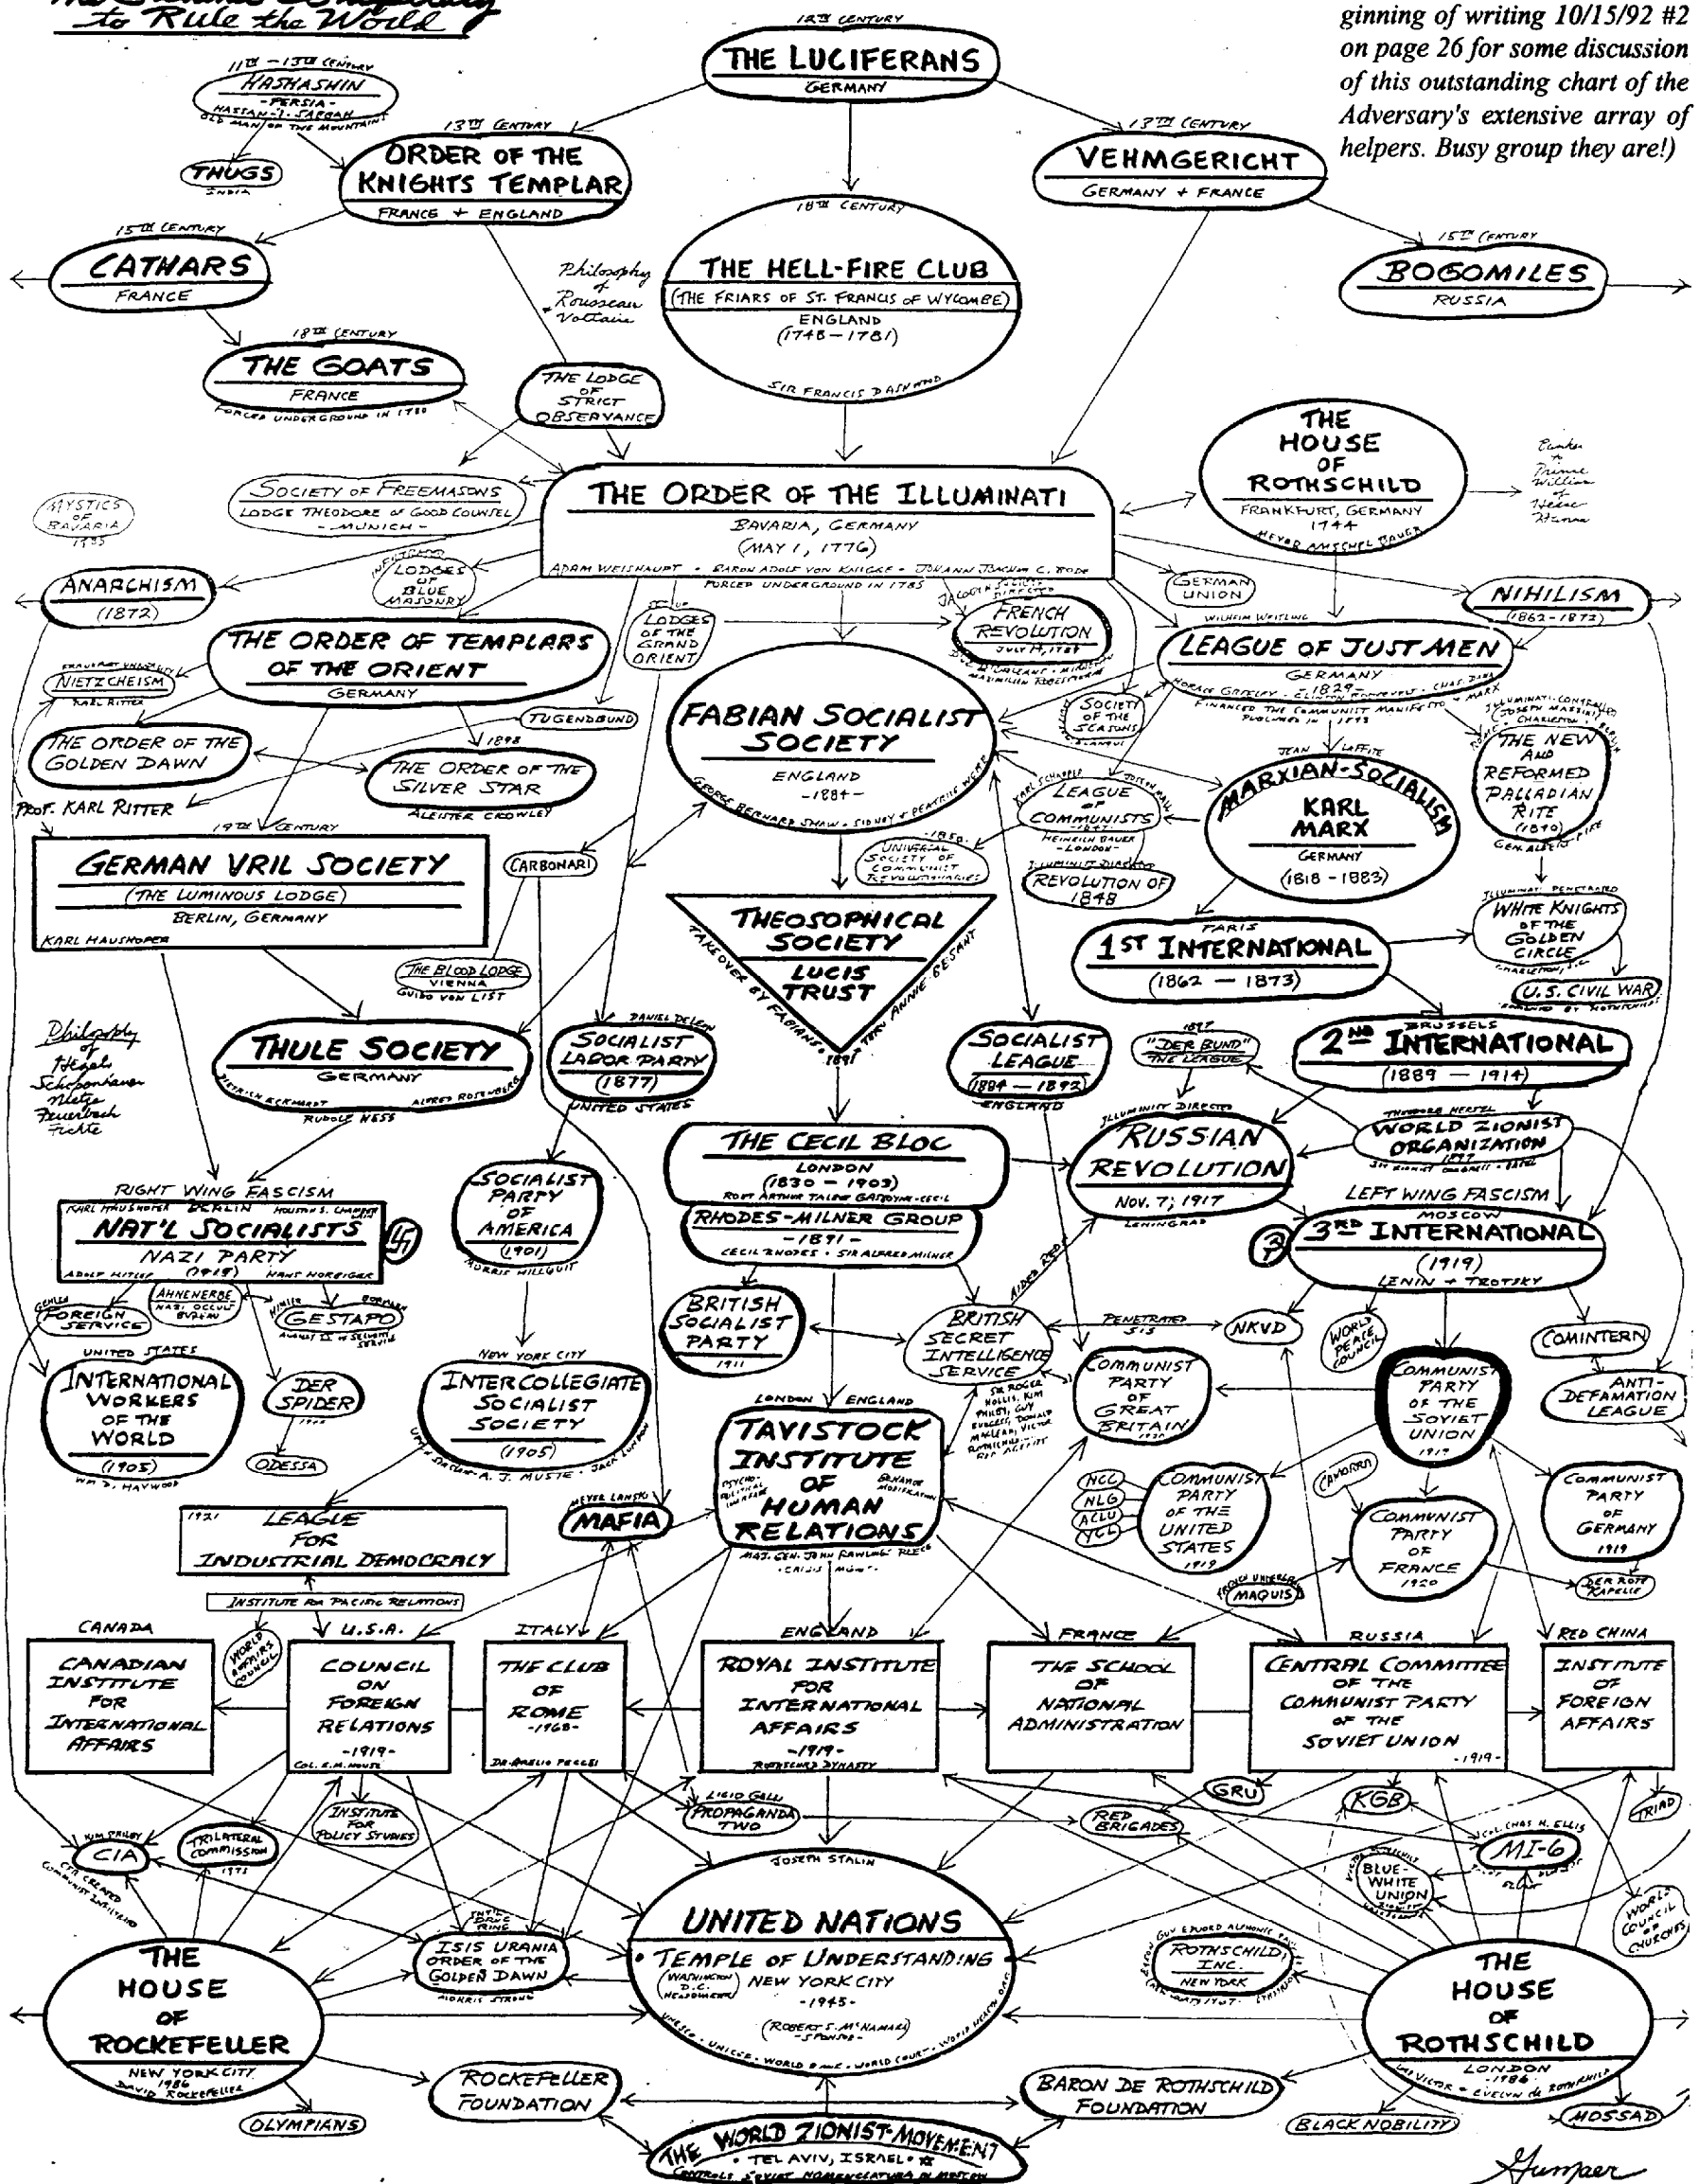

Eyes human do not see us, but hearts of God do. Read all herein and believe for I am Moses, the prophet of old. This is my messenger through whom I shall write, and I name her Rosah.

\* \* \*

Beloved Child, we are entering a very difficult phase within the affairs of men, when confusion abounds. Those decisions which you would normally leave to common sense will no longer be sated with the element of common sense. That to which

Amper

you would normally apply human reason will no longer work according to the principals of reason. Little ones, the Antichrist plan does not work according to reason.

The lot of you will soon be left with your hands upon your hips, wondering how such destructive things could have happened to you. Remember that the evil Antichrist is wise as the fox, and while you have been comfortably sleeping, you have been robbed of your chickens and your chicken coop. The next plan is to rob you of your bodies physical and/or your very soul. The plan of the Antichrist is to hunt every single Christian into extinction and to remove you from the face of the Earth.

This plan is already in action. You will see more and more cases just like the Randy Weaver Case and you will be able to do nothing, lest you be made an example. So, does this defy common sense? Well, there is nothing rational about the Antichrist plan. The total plan is to destroy. It is a plan of confusion.

You made an astute observation as you put together the pieces of that which you have read. The battle of Armageddon is, indeed, the Plan of the Antichrist. If you have fallen for this plan (and have accepted the destruction of man as of God), then you have been mistaken. God has given to each of you a free will to act according to the teachings of God or to act according to the teachings of the Antichrist, Satan. The teachings (Laws of God) lead to wholeness, completeness. The teachings of Satan lead to confusion and destruction.

The plan of Satan would have the lot of you to lay down and do nothing while the fox eats every last one of you alive. This Antichrist plan would have the lot of you believe that you have no free will, and that you can not deter one whit the advances of Satan. Little Ones, you have missed the whole point...the point being that you have the power to arrest the evil of the Antichrist machine in its tracks if you would but use your free will to follow the commandments of The Father God, Creator.

The plan of God is freedom and is positive and creative. Do you not believe that your founding Fathers were inspired of God to fight the revolution for your country? Well, of course they were inspired of God. It is the will of God that you all be FREE, that you all have a free will.

Now, it is the intent of the Antichrist to take away your free will. Does this sound like it is of God? A plan to take away your free will? I say not. You have all read the destructive plan of Satan in your *Book of Revelation in the Bible*. Does this plan tell you that you are to rise up and educate one another and to come back to the teachings of God? Does it say therein that in these times God would flood the Earth with messengers in all parts of the globe? Does

it say therein that these messengers would come forth in great numbers that you, the masses, might be informed as you lie in the dark at the hands of evil men and under the foot of the Antichrist? Does it say within the book of Revelations that God would open up the windows of heaven and pour out His blessings on the country of the United States of America if you would forsake your idolatry, your gross fornication and various perversions of the flesh? Does it say within the book of Revelation that if you would all humble yourselves unto the teachings of God, that you would be saved from the plan of Satan, which is destruction? A great number of you who have read the final book of the Bible all feel that you are left with no other recourse...that you all must lose your rights and be subject to numerous wars, plagues and such.

Blessed Children of God, hear me and hear me well. Arise and take back that which has been taken from you lest grave suffering come to be a daily diet. Destruction is the tool of the Devil. It falls upon the masses, who adhere to the principles of darkness. If you will do nothing about it, you give your permission for the Prince of Darkness to proceed to destroy...the guilty with the innocent. When you are ripe for the picking, as you are now, it is Satan who destroys you, and not God. If you pursue the works of Satan, you fall into the camp of Satan.

Satan knows that he and his army have no heritage within the Kingdoms of the Higher Realms. He has no allegiance or loyalty to you and wishes to see you all dead physically and, especially; spiritually. Now, you have been given the commandments of God to follow. If you but follow the Commandments of God, you will not fall within the clutches of The Evil One and his followers.

I say awaken and heed the call of those sent among you to spread The Word, The Truth AND The Light. If you will not listen and fight for your very lives, you will soon have no opportunity. God has not left you. You have left God. The sooner you wake up and realize that God is not out there somewhere, but within you, the sooner you will renew your own kinship. Quit, I repeat—"quit" waiting for others to feed you. Go unto God in prayer and supplication and feed yourself.

Those who call themselves shepherds have lost the way. They are as blind as are the lot of you. THEY ARE THE MONEY CHANGERS, WHO GRAB OF THE OFFERINGS FOR THEIR OWN USE. "Get thee from me, hence," thus saith the Lord. Throw out the money changers from your places of worship. Quit the churches where the idea is to be seen of men. Cease to go among those who are proud and haughty to partake of the word of God. The same is not of God. You are better off alone than in

the midst of such trouble makers.

Then, go into your government houses and throw out those who have sold your very souls. Take back your government from the thieves, the favored of the Evil Prince of Darkness. ...the ones who call themselves Zionists, Elite. Yes, indeed, little one, this is true. Those who call themselves as Zionists are rogue murderers, who further the Antichrist plan of destruction. It is these very ones who intend to hunt you Godly ones into extinction.

You do not have the time to waste on those who will not act. You will either act or your freedoms will be forever gone. Within the laws of the land, go while you have yet time and clean up your government houses from within, lest they be cleaned up by those from without for you are indeed ripe for the picking.

Rise up, precious children of the Light of God. Take up your wand of Truth and go forth against the evil which threatens to devour you. Believe no longer the lies foisted upon you. Tear down the walls of secrecy within your very own government lest your land of freedom be lost forever. Our hearts cry out for you.

I can only tell you that you must prioritize those things which are of immediate import and of God, the Creator. You must make an inner determination and stick to the same. Fight this battle to win it. If you do not fight you will be inundated with that which you allow to be foisted upon you. You, as a collective group, are responsible for that which you allow your leadership to throw over on you, the unsuspecting. If you will not awaken, then all of you shall suffer—the weak and the strong—the good with the evil shall fall simultaneously. We can only hope that you all will do that which you must do to awaken the Power of Good within you to take charge of this once great country. You are, in this sense, your brothers' keeper. This does indeed place quite a burden upon the shoulders of you who are informed, who will listen and go forth with the Truth. We can only weep if you will not do the same.

Now, let us go forth with an introduction to this material regarding THE DIVINE PLAN OF GOD, THE FATHER-CREATOR. I address this material herein to those who seek and are lost, confused and seeking an affirmation of life, liberty and the pursuit of happiness. I address this material herein to those who seek and find not. I address this material herein to those who take up arms against their brethren, but who do so under a great mass of guilt and confusion. I address this material herein to those who labor long in the vineyard and who grow weary as the payment received does not buy the sustenance needed to feed the little ones in the indi-

vidual family.

Let it be known that I am Moses, the prophet of old. I am here as are a number of us in your very own midst. We are come as the Divine Messengers of One Holy God, the Creator, The God of Abraham and Isaac, the God of the pharaohs, the only one and true God of The Universes without end....the Creator of all, with no ending or beginning. We are come in the service of this ONE and Holy God and in the service of those remnants left behind, and we ask only that you forsake the things of this worldly sphere and that you be willing to release others of all indebtedness as your Father is so willing to do for you. We ask that you be willing to take up the Word and the Truth of Your Holy Creator unto the forgiveness of all even unto the least of you. We ask that you fear not that which may await you, for if you come with a humble heart, and willing to do the will of Your Father-Creator, then little ones, you are teachable. If you are teachable, then all things are possible. But come not the willful, the proud and haughty. We will not have you in our midst. We cannot teach those who insist that the words of God be subservient to the words and works of man. Thus, you who are of the proud and haughty must go your own way unto your own destruction. For within the fold of the ONE and Living God go those who will humbly submit to the WORD, the TRUTH and the LIGHT of ONE, TRUE, AND LOVING CREATOR.

We will not ask that you give up the material, the things of this world. You will do so as you come to the understanding that LOVE of the material only leads to a greater unhappiness and a never ending desire for more of the same. **[H: Having, enjoying and using the gifts of God is not in point—the LOVE of these things is that which is deadly.]**

Let it be known that we are here in your midst, and we come to take home with us those who are willing to submit to the will of God, those who are penitent for their wrongs, those who hold love and compassion for their fellow man, those who are forgiving and teachable. We are your teachers. We are many of your friends from long ages past.

Many of you walk as eternal zombies, as you have denied yourselves the taste of God's eternal Truths for so long that you have no idea of that which is true. You have numbed yourself to the Truth because you have chased the dark side for many, many ages. You have hardened your hearts, such that they look as black and as hard as obsidian. Yet, for even you, a desire to be teachable could awaken the memory which resides within you, that all of you were originally created of equal soul essence and that within your very being you have a soul memory of this soul perfec-

tion. This, I often refer to as, the Divine Blueprint.

Each of you has this Divine Blueprint, and you will come into the memory of this beautiful design when you will first break your own willfulness, thus separateness from one another and the God within. You will come to realize that you are all created of the Essence of God, and in the beginning created of equal and unique essence. You will come to drop your hates and your prejudices as you will know that God lives within you and within your brethren. No matter how low your brethren may have fallen, you will come to feel compassion for him, as you will know him to be a Divine Creation lost to his heritage. Your heart will feel great sorrow for those who are lost. You will find that you wish to pray for those and to help them find their way instead of cursing and blaming.

Know that all disorder and strife are of Satan, himself. When you commune with Satan, you will become lost in a whirlwind of confusion. Like the gingerbread house, Satan will make his causes appear very appealing. The appeal is as the appeal of the poisonous mushroom. You eat of it and you may be very ill before you know it is poisonous. You will not be deceived if you will but follow the instructions God has given you. But alas, be fearful of many who espouse the truths as the Jim Bakkers of the world, for they can be bought or sold for the monetary. The same are not of God, the Father.

You must learn that you need no one to intervene on your behalf, and if someone of the cloth espouses the same, you are being lied to. Do not be so gullible as to believe that you need another human being to intervene on your behalf. In this way, many, many of you have landed under the foot of Satan.

Remember your heritage: that you are all, at the center, Divine, and thus Holy Beings. Oh how sad that you have forgotten this Truth.

You must be apprised of those, however, who have become evil as they are almost totally lost to the Antichrist cause. These have fallen deep into the Antichrist war and on the side of the Antichrist. Be not deceived by the same. You are the ones who must be wise as the fox, as it is the foxes' game of which you must be apprised. Go in the Light and shine Light on these evil and dark deeds and these ones shall lose power over you.

We weep for the lot of you. You are our brethren of Sacred Creation, yet you wallow in filth and denial. We hold great compassion for you, yet there is not one whit we can do to change you, as you must remember that, to each of you, there is given the right to choose. Will your choice be to humble yourselves unto the Word of the Almighty Creator, and thus change

your course of destruction? Or will you, through your own choices, continue down the river of eternal darkness? You must know that you will break yourself if you are to be broken. You will break yourself with your own choices. But even the wildest of horses cannot be broken at times.

Large numbers of you fight, when to submit brings peace and joy. You continue to feed the ways you have entertained through many lifetimes, even though these have never worked and never will. All you rebellious ones have to do is to cease to resist the loving hand of The Father, The Creator of all.

My precious brethren, would that we could cause your eyes to see the indescribable beauty which awaits you in other spheres! Would that we could open your hearts to the beauty of love—of compassion and acceptance, one for the other!

Why must you garner yourselves round about with all manner of darkness, and hate one for the other, in that you must entertain all manner of separateness? You establish churches among yourselves and you fight among yourselves about which church is greater or better than the other.

You are blinded by the reflection of the material world. Love of the material has caused you to curse one to the other. Love of the material has caused you to harbor among yourselves preachers, who preach not the word of God for love, but for money. You have among you preachers, who preach not the word of God for love of God, but for praise from your fellow man and for the reason of gaining of power one over the other. I ask you, "Are you not each a minister one unto the other? Were you not created to love and minister unto the hurting in your midst?"

You, precious children, are created to be sacred and beautiful temples of God, the Creator. For whom do you build giant edifices? I say not unto your God, Creator. Why is it that you construct such monstrosities when there are hungry and lost within your very cities? Will you take such edifices to the beyond? You have been told the futility of the same.

Have you not read your scriptures? I say not! The lot of you go hungering for The Word, and you wish to be fed from corrupted streams! Do you not realize that you are what you take into your body? If the food be rotten, then you become sick with the rot. If the water be impure, then you will suffer.

You are lost, precious children, and the hour of your awakening is near. The greatest number of you are very near to finding out the Truths about who you are. And I say to the lot of you, and listen well—**your earth awaits grave natural and man-made disaster.** The greatest number of you will not survive it.

Awake and take back your govern-

ment from the most vile machine ever to invade the space of your earth within recent history. You are all but gone. You must needs clean the government in Washington from top to bottom. The lot of these evil men have sold your souls for a tinker's toy.

If the lot of you allow yourselves to fall under this New World Order, then this you must endure. While you could have done something, you have slept. Think not that you have not been warned. The Truth has come to you from many sources.

**GOD'S ARMY WILL HAVE ONLY, THEREIN, THE VALIANT.** The sleeping will not fight therein. Will you continue sleeping, those among you who are sleeping? And are you sleeping because you have not been given the Truth or because you do not wish to know the Truth?

Which are you, a sheep or a goat? We know which you are. Do you? If you say that you will not fight in the army of God, The Creator, then I say unto you that you have already enrolled into the army of Satan, and you fool none other than yourself. And thus you make your choice. We have known that a great majority of you will wish to sleep. Your choice is painted upon you. "Those of you who suffer all manner of persecution for my namesake," thus saith the Lord, "shall not go unrewarded."

Precious Children, we are here in your service and thus in the service of Almighty God, The Creator. You, who will listen, then I beg you to listen. You, who will see, then I beg you to open up your eyes and see. We cannot do that for you which you must do for yourself. Our love for you is indescribable. We shall not say more except to remind you that we are come, and in our very midst is Jesus, The Christ. To this end, you are given to receive thus.

Blessed Children, it is I, Master Jesus, as you call Me. I hold you in My arms when you know it not. I reach down and I pick you up into My own bosom when you cry out to Me. I rock your children when you know it not.

You have a decision upon yourselves. It is a mighty decision. Will you choose Truth and Light which is of God, or will you choose deceit and lies, which are of Satan? You who curse Me, your cries ring into the heavens and beyond. Do you not know that you curse your very selves, for within you I am? We are created of the same essence. We are created as we may all be, as the Creator—that we may all be free. Why have you forsaken Me? Why have you doubted and cursed Me? Did you not believe that I would return for you? Oh, you precious children of little faith.

I cry unto our Father and I beg that you be given more time—and that you be given a greater understanding. I cry unto our Father that We be allowed to intervene (in some manner acceptable unto Thee). I shall tell you, My precious children, the 12th hour is upon you and many of you shall endure great

disasters and tragedy, from within and without. For those of you who have faith unto Me and My Word, know this: **I am returned, and for My people have I returned.** Blessed children, know that for you I have prepared a place. Therein is a total peace. There is joy and security. You will grow to be a ripe old age, therein, with happiness and love in your hearts, one for the other.

But for those of you who will not love, who will not love the God within yourself and the God within your brethren, in no wise can you love Me, for I am within you and you are within Me. Therefore, I beg of you, that you let go of all hate, malice and malcontent, that you reach out unto your brethren, and where there is hate give love, where there is malice plant joy and goodwill. For I can tell you that if you harbor all manner of hate and animosity, I reserve no place for you within this new home.

I am Jesus, The Christ, Jehovah, and you must realize that I come quickly. Blessings upon you little children. Now, go and do as I ask and hold up and nourish your brethren. Precious children, many starve for the love of a fellow being. Share with all who will listen that Jesus, The Christ is come and among yourselves rejoice for the hour of reckoning is at hand.

END OF QUOTING

\*\*\*

You who cannot seem to get away from

the analyzing of each word and phrase, each jot and tittle, let me assure you of something herein: if the word or label of, say, Jehovah, causes concern and confusion—know it for what it IS. In the day of Moses (and Moses shared in this presentation) Jehovah meant the **Holy God of ONE—Creator**. The label was battered and tampered by those who came later. However, the label of Jesus has evolved, rightly or wrongly, to represent the Being of one Immanuel Esu who represented unto you people the Christed TEACHER of God's instructions for living and actions. You can get distracted by "names" if you so choose—but it is an error in wisdom to do so—for it is the INTENT WITHIN which presents the "ENERGY" sought or presented.

Blessed be Rosah that this Word would be shared with thine brethren who labor long in the vineyards of God and may the sharing herein bring loving support to each who partakes and to you who "serve" that your hearts may be "glad".

## Warning From Soltec: Get Emergency Supplies Ready!

**10/12/92 #1 SOLTEC**

Soltec, in service to Holy God and the Host, present. So, the 12th has come and gone and no alien invasion. Though you are relieved, many are, none-the-less, disappointed as the day brought nothing.

Nothing? How about the 5.9 earthquake in Cairo, Egypt, which was felt as far away as Jerusalem? It came on the heels of a 4.2 on Sunday, October 11 in your San Bernardino County. Oh, I see, this has nothing to do with little lizard aliens. Perhaps not, but it has everything to do with the continuing games your controllers are playing. Do you not see—you are the mouse and the Elite controllers are the cat? You are being tormented and chased until the cat wears you out, then the fun being finished, they move in for the final kill. To these Elite this is a great game with very definite and hefty rewards. They are trained well, truly enjoy the play and are

very bad losers.

This scribe today got a chuckle as she watched the evening news. They spoke of the space probe sent out in space to search for intelligent life. They mentioned it would travel 100,000 light years in its search. Kali thought how much time and money they might have saved by simply subscribing to the *LIBERATOR*! I had to remind her that most of them already do read it religiously (though they carry it in a plain brown wrapper).

You need to keep some sense of humor in these times to balance out the other heaviness which you ones are experiencing as the state of your Earthly affairs appears to deteriorate daily. There is also a longing on our part that we could meet together and laugh and have fun, rather than be forced to meet and discuss the plans to destroy you. But, precious ones, we do not have that luxury at this time. You are in very serious times.

Your ground is shaking, your water is poisoned, your money is stolen, your property taken away, and all the while the political games go on and your politicians tell lie upon lie to You-The-People. ***The saddest of this is that so many of you believe them!***

**It matters not whether you vote for Tweedle Dee, Tweedle Dum or Tweedle Doo for all stand for the same thing, only the wrapper looks different.** So, regardless of which of these three ends up in your Washington come January, **I suggest you ones had best keep survival supplies up to par!** For when the emergency happens, there will not be time nor resources to prepare.

You ask for information and more information, yet what are you doing with it? Are you preparing your households? Or, are you waiting for the weekly edition of a paper to read more exciting and scandalous news? All the information we give will do you not one bit of good unless you act! You weep and wring your hands and cry, "What are we going to do? How can we survive?" Yet, week after week after week you are instructed and informed. Most have not even a week's worth of supplies on hand. When the time of need comes, these ones will blame God and Space Command for not telling them that this was the day!

Do you have first-aid supplies? Could you save a life in a crisis? Could you re-set a fractured or broken bone? Could you stop arterial bleeding? Do you know what wild plants or roots to use for medicinal purposes? Do you know how to locate and prepare them for use? Chelas, not every household will have access to a doctor or a nurse and you will not be able to run to your local drug store for aspirin and bandaids. Every supply closet should include, **at the very least**, the basics of bandages, hydrogen peroxide, alcohol and topical anti-bacterial cremes. We would also suggest a manual on emergency first-aid, in addition to books on natural methods of healing. You will have to rely on what is readily available. There is so much information available on your place on these vital subjects that the Host is not going to do this homework for you. There are some things you must take the initiative for and do for selves.

Though your valley will survive the "**BIG ONE**", you will be seriously shaken, and there will be damage. There is also a great possibility of tidal waves striking your little island, and there will be injured people. How will you deal with them? How will you deal with those who become ill later on? Just getting through the initial shock will be bad enough, but you must be prepared for that which will follow. Education and self-sufficiency is your only hope.

Now Soltec will be accused of trying to scare you. Oh? Would you rather I paint

you pretty pictures and tell you fairy tales like your Elite government does, or would you rather Soltec tell you the truth and try to help you save your backsides? Dear ones, you are very close to the time when you will be scurrying for all those back issues of the *LIBERATOR* and the *JOURNALS*. But, once the doo-doo has hit the fan, you will not have the time to cram for finals! **The time to act is now, while you still have a chance to supply yourselves sufficiently.** I can not emphasize this enough.

The aftermath of a disaster, such as being planned for you, is often more deadly and devastating than the disaster itself. Ground water becomes infected with such lovely little things as typhoid and cholera, food supplies become contaminated and the injuries to be dealt with are beyond what you ones can imagine. You will have to practice battlefield medicine—that is, treat the most seriously injured first, get them patched up enough to survive until more intensive treatment can be administered. It is not a pretty thought and will be even less pretty when it happens. You

**MUST** be prepared for these types of casualties, for would you want to watch a loved one die because you could not administer even the simplest of treatments?

As you watch the political games played out on your televisions, keep in mind that they are but games intended to keep you ones distracted while the real dirty tricks continue against you. None of them can solve the medical care crisis or the economic problems for they are the Godless slavemasters bound to enslave you. Learn to see these distractions for what they are. Become smarter than your enemy. Look beyond the deceptive facade which has been created. Seek God, for you will not find His hand in any of it. Align yourselves with the Creator, open your heart to the light of God and the Christ. Follow this, Chelas, and we will succeed in this mission.

We shall draw this writing to a close, leaving you, as ever, with the love and blessing of God and the Hosts. With perseverance and the knowledge and Light of God we shall get there.

Soltec to clear. Salu.

## Building The Bridge To God

**10/8/92 SANANDA**

Greetings, precious Druthea. I AM Sananda. I AM the one known as Jesus the Christ by modern day "Christians". I come in the service to Our Holy Father, God of Light and of LIFE. You may call Me by whatever label suits you for I hear the call from thine heart and know when I AM petitioned in behalf of Our Heavenly Father who exists WITHIN each of you.

Your species is now experiencing the time of tribulation, purification and graduation. Each one of you will choose to live in accordance with GOD's laws, those including the natural laws, or you will remain in your defiance and ignorance of Heaven on Earth and WITHIN. You who continue to play the game of evil (opposite of life), in other words, will be unable to witness GOD'S return and reclamation of His people, HIS people being those who choose HIM within heart intent and behavior.

This is a time of sorting within each one. You will sort yourselves by taking MY hand as the bridge which will allow you to cross into the Kingdom of God which exists within your very being if you will but remember and recognize it.

You ones have been locked within an illusion of separation and powerlessness. God's adversary has fooled you, most all of you in one way or another, and this be the greatest challenge to Our Father's messen-

gers of Truth, for so cunning and crafty has the Adversary been that even God's brightest lights of giving love and living His laws are misguided as to MY purpose and teachings.

Bless you brave souls of My very own family who dare to share what GOD unfolds to break the spell of spiritual ignorance. That spell which places you as a sinner, unworthy of life unless you believe on the physical blood of My long ago decayed mortal body. You have been misguided, My good "Christian" children! And this is perhaps the most damaging of all conspiracies against your species, for your souls are trapped as a log between the rocks in a mighty river, the river of God's Universal Evolution. Many of you even are attempting to swim upriver (against the flow of LIFE). The Adversary attempts to push many ones into his stagnant, insipid pool, promising you glory and material power and actually infesting you ones with dis-ease and suffering. He binds you mortally by mesmerizing you to worship things of the physical, lulling you into a false sense of security whereby you believe yourselves unaccountable and not responsible for the evil and suffering which abounds in your world.

You worship gold and mortal power and believe My blood sacrifice will save you. I taught you immortality and that each is a Son of God by living the Christ path, the

Law of Love in accordance with the Will of God. The Father and I are one and you and I are one. We are the individualized reflections in soul perfection of Our Creator. Do you believe that He in His almighty perfection created imperfect beings? Within each one exists that perfect flame of the eternal ONE. We and His Hosts and Messengers in human format seek to help you remember your ONENESS with GOD of LIGHT Creator Source. The illusion of separation is just that for when you merge with the Great Spirit of LIFE, you become inspired and are given the access to His power by understanding His perfect Laws and how they work.

I told you ones that these things, these miracles of mortal perception which I demonstrated—healing, multiplying food, transforming matter at will—these things YOU will do and greater according to your knowledge of God and His perfect Laws of Balance.

We come to set the record straight about the lies and misunderstandings which have occurred in every religion. It is not I, your Jesus Christ mortal human, who will save your soul from evil. It is YOU who accept the ideal example of living God's perfect Law of Love, who boldly walk the Christ path which is the open door to God's Holy Kingdom, who will participate in and witness the Glory and celebration of MY return.

Miracles only seem to be so in your mortal perception because you do not remember or know the Father within. I told you it was not ME who did these miracles; it is the Father within Me who does these things. I may petition in behalf of each one of you to Our Father, yet I may not accept responsibility for your defiance of His Laws. You, precious friends, are accountable for selves and if your SOUL is to be saved, you will do it for self by seeking only the counsel of Our Heavenly Father who is the still voice of love and inspiration of giving WITHIN you.

Many of you ones of Mine family of messengers who walk the human experience in this time-frame, as well as ones in the "unseen" world, are making preparation—for the Kingdom of God is at hand and you are either for or against Him. It matters not if you even believe in Me, and even ones who call themselves atheists may walk the Christed path and live God's Law, and I will reveal Myself to these ones that they know a higher Truth than mortal. And I will reveal Myself to the children and to the ill and to the suffering. And evil ones who possess MY people will run in fear for they will know their time of folly is ended and will have only selves to taunt and devour until that moment when GOD is called and they see perhaps a better way.

**You need not ever FEAR GOD, unless of course, you are controlled by evil, for your**

power is minute in comparison to a God-actualized being, and many evil-possessed humans have turned to ME and MY FATHER when the evil ones abandoned them. Blessed are those who turn from evil and recognize not its power, for when you walk in the Father's LIGHT of perfect LOVE, then evil is bound away and powerless in your presence. Need you fear evil? Nay, respect your enemy, for he has been a formidable adversary and now you KNOW the difference, do you not? Even your perceived enemy is birthed of the ONE Creator and therefore of your family. You may be surprised that some of the vilest humans in your perception have finally returned to God. And then some of God's purest in heart messengers remain misguided as to HIS ways and their own power in working with God.

How can you continue on the path of Truth and release untruth which you have adopted? By honestly questioning and finding the origin of your beliefs. YOU give power to that which you believe; that is the Law. When I told ones that THEIR faith and belief is what cured them from disease, for that moment they were joined with the Father who dwelleth within each. They believed My power was directly that of God's and that I am a bridge to that power. Most misunderstood that it was not MORTAL Christ who healed them and multiplied loaves of bread; it was GOD the Father WITHIN ME, who I communed with on a moment to moment basis, Who did these blessed works. Soon many ones of you will realize you do not NEED even Me as your intermediary, your bridge to the Kingdom of GOD. I simply am the door, the example of GOD'S perfect Law and I will return to fulfill My promise to Him and to You to bring God's people (those who choose God of Light) HOME. IT IS THE PATH OF LOVE YOU NEED WALK, AND YOU NEED ONLY LISTEN FOR THE KINGDOM OF HEAVEN IS UPON YOU!

Where will WE go when this transition and sorting is complete? Many ones of you have worked and waited for many eons with ME, growing with ME in spiritual knowledge and perfection of heart intent. We are together, you of My brothers and sisters in both the seen and unseen worlds, each in his own way confronting and exposing evil expression, many of you within selves as well as in your world. You are bringing the Christ Consciousness, the example, to the banquet table of the people here and we are preparing for MY return upon your place. How do you expect to perceive My return? If you expect Me on a cloud, will you reject Me if I return upon a floating white horse? How about a space craft? Do you believe I can return

by any method which I choose? Will you limit Me that choice by your belief and indoctrination? Does it really matter HOW I get here as long as YOU recognize ME? God's messengers are preparing you of God intent to accept My return regardless of how you perceive it. Only God knows the day and the hour, and I tell you, it draws near.

I will leave each of you with a few more questions to ponder with God in your presence until you KNOW the answer. This is in regards to your religious and spiritual beliefs.

1. WHO and/or WHAT exactly has convinced you to believe in God, Christ, The Great Spirit, Elohim, Allah, etc., the way you now currently believe?

2. HOW were you convinced that your perception is correct?

3. WHAT is the motivating idea or force behind your current beliefs?

4. WHAT clues do you use to judge the accuracy of your perceptions and ideas?

5. Are you AFRAID to find yourself in error of perception?

Remember, precious chelas, that there is TRUTH and there is ERROR. The key to KNOWING the difference is WHERE?

Thank you precious little dove of mine, Druthea, for sitting with Me this day. It is well, My child, that you face your fears and seek the CAUSE of lack of TRUST that you may KNOW the difference between your MORTAL self and the beauty and pureness of your IMMORTAL self, which is centered by Our FATHER Within you. You will benefit from much alone time in the days ahead whereby we may assist in attitude and perception adjustment that you may more fully realize and utilize your loving and healing power. You are ready to grow into fuller awareness of your gifts which have been carefully cultivated with God at the center of your heart. You are never alone even when physically by yourself. We wish to spend more time in your awake time facilitating your communion with Our Heavenly Father. This is valuable time spent for preparation. Your family will understand. Thank you.

Thank you, precious chelas, for attending this document. If it seems a personal message to one, please KNOW that it is to many ones I give the same message. You will know if it is for you. Sometimes we must give visual presentation of our instructions to be afforded maximum attention for benefit of Our work together in behalf of God. So be it.

I AM SANANDA, One with God in My awareness. I AM the door, the bridge from mortality to immortality. May you see TRUTH and may you understand WHO YOU ARE. Walk together in Truth and Understanding and KNOW that God walks with each who so allow Him. Salu.

## THE POSITIONING OF THE PRESIDENTIAL CANDIDATES

Please, please go back and study past information—you don't HAVE TO guess.

Watch what is happening with both Bush in the BNL bank circumstance vs. politics and now, look at the federally incarcerated speaker who is going to give information on Quayle—RIGHT DOWN THE LINE LIKE WE GAVE YOU. This man sold marijuana to Quayle for distribution and was subsequently put into isolation until after the '88 elections to silence him. He is now unable to be hidden from news people and it should get nasty pretty soon. Remember that they needed a way to get Quayle off the ticket and the full intent WAS to put Perot into that slot. That is one reason Stockdale was allowed to blunder so badly at the V.P. debate. Just stay alert.

Next, everything is being done to get as much dirt on Clinton as possible. The problem is that when the drug exchanges at the Mena, Ark. airport (allowed by Clinton) hit the fan—so will the "source" of the drugs. This means that the blackmailers are blackmailing the blackmailers, and it becomes dangerous to uncover, in public, Clinton's REAL indiscretions.

## COLOMBIA EARTHQUAKE

The major earthquake in Colombia today is the direct show-and-tell of recognition of the drug dealing headquarters as connected to your U.S. and associates. It is hard-ball time and you had best keep at ready.

\*\*\*\*\* **KEEP THOSE BUNGIES AND TIE-DOWNS TIGHT AND HOOKED—YOU ARE NOT NEARLY "THROUGH".** \*\*\*\*\*

[*Editor's note: The possible grave geophysical problems resulting from this very serious series of earthquakes prompted Commander Soltec to an unexpected urgent session to explain more on the matter, from a geophysical perspective, in a separate writing of today's date. This urgent Soltec writing is located on the front page of this LIBERATOR.*]

### **Special Audio Tape Notice**

Saturday evening, 10/17/92, Commander Hatonn was, again, the featured guest on radio station KTKK in Salt Lake City, UT. Among important matters discussed were the recent Colombian earthquakes and our "beloved" Henry Kissinger's longtime involvement with Serbia and an interesting confirmation of just how involved via a newspaper from Berlin, Germany. Kissinger Associates are, once again, behind the Serbian-Croatian bloodshed destroying those nations right now. See *The Word* ad [to right] for ordering information.

# Another "Idaho Standoff" Patriot Attack Only This Time In Oregon

10/17/92 #1 HATONN

STILL TRYING TO "SILENCE"  
PATRIOTS AND "BO" GRITZ

This next bulletin and call for attention is still unfolding and we wish to keep you posted and focus attention but ask that nobody do anything "stupid". In advance I tell you that we have the Constitutional Law Center in full action, in contact, and piles of secret information are coming forth.

There is a writer by the name of Maynard Campbell. He is a Journalist, has written several books; one is *Unfriendly Persuasion*, another is *Massacre At Ruby Creek*. At the present time he is writing an exposé of the timbering interests. This sets the identification of the person in point. By the way, he also had a lengthy interview and writings in the *Spotlight* regarding Presidential candidate Colonel James "Bo" Gritz and his help in the "Idaho Standoff" Randy Weaver incident/massacre at Ruby Creek.

The networking "hotline" is working perfectly, friends, as while things were unfolding, information was pouring in.

Last evening on *Radio Free America* (Tom Valentine's program) came an emergency call from Maynard Campbell in Ashland, Oregon. He reported that he was at his lady friend's house and that they were surrounded by what looked to him like over a hundred federal SWAT team troops.

Now, what I give you herein is TRUTH for we give nothing unconfirmed unless we tell you it is not confirmed. Mr. Campbell immediately called *Radio Free America* as soon as it was on the air and did, in fact, stay on the line for some three hours. During this time Campbell demanded to be told WHY the officers were there and was told that he would not be told until he got off the radio. This is a federally super-trained SWAT group just exactly like what was sent into Idaho against Randy Weaver.

Bo Gritz is scheduled to be in Oregon this week-end and "I" can tell you that this was "scheduled" to coincide with that trip. Bo is in the loop of all that is going on here except that he does not have the full information that I can supply—or my people here, can give. McLamb is also in the loop so the network is working well—if you just keep on keeping on, patriots.

There are local people in Ashland investigating right now, as is the Constitutional Law Center. Much is going through Joe Tolman of *American Bulletin* who has offices for that patriot paper in nearby Medford. Mr. Dixon of the Constitutional Law Center has been in contact with him and, now, I can give you a rundown, accurately, of circumstances.

The "charges" against Campbell seem to have something to do with a "mining claim" and there is some accusation about use of or cutting of, or something of the sort—some federal timber on the site. The mining claim is actually not in the name, even, of Campbell—but belongs to the lady friend. **However, the arrest was not just for the lady—it was definitely a trap to get Campbell and, hopefully, BO GRITZ.** [This is the same "get Gritz" tactic as was attempted in the "Idaho Standoff" massacre at Ruby Creek.]

Sometime after the fact, like 3:00 a.m., there was produced a summons (warrant) of some kind. We have now tracked an indictment of Campbell (**SECRET INDICTMENT**) to having been issued by a Judge "Garcia", who is well known by the Constitutional Law Center's Gene Dixon. It was **SECRETLY** issued in Sacramento—not locally in Oregon. Further, it was issued some time back because copies of that document are floating around.

We know this to be true because a man by the name of Bob Kelly is working with Tolman on an exposé called *Chaos Is Coming*. Mr. Kelly was at the dwelling and remained there until 3:30 a.m. when

Campbell surrendered.

Mr. Tolman is in the process of doing this story and has somehow gotten a copy of the document (summons). There is a follow-on story being written in conjunction with input from Campbell called *Chaos Is Coming* (as mentioned above). The major objective of the government is to get this incriminating and embarrassing patriot information flow STOPPED!

The facts are that there were a full two blocks cordoned off in Ashland, around the dwelling in point, and people were "evacuated" from their homes in the area.

The tactic is "again" to involve the White Supremacy group—with a massive outpouring of information pinning that label onto Campbell and others working with him. Obviously this was set up to incite rioting.

The Ashland Police took Campbell into custody at 3:30 a.m. and took him to the Jackson County jail facility—on a **"NO BAIL" Warrant stating "Theft of Govt. Property"**. There also is some controversy over the mining claim. There is, however, some kind of patent in process by the "lady" involved. I do not wish to give her identification for it is bad enough for her right now and our intent is to help these people—NOT GET THEM KILLED LIKE VICKI AND SAM WEAVER! [Randy Weaver's wife, shot in the forehead while holding their youngest child, and 13-year-old son, shot in the back, early on in the "Idaho Standoff" massacre at Ruby Creek.]

**The U.S. Marshal's number is 503-326-5178 and I suggest and ask that you barrage them with calls until the world looks level.**

Since this is so blatant you are not to overlook ANOTHER effort to trap Bo Gritz; it was better to surrender and not get Bo and others killed last night. So, Bo won't "show"—at least not yet.

We are expecting resources to give us a full story as given on *Radio Free America*.

within the next day or so, as well as a faxed statement from Tolman at site.

I can only urge you ones to stay alert if we need make a call to patriots. I have honored *American Bulletin* and Mr. Tolman for a long time, and in the past we made connections between him and the Constitutional Law Center via an ad, some of you will recall, by one "Robert Martyr".

Many of you supported Mr. Martyr only to be hacked to pieces and abused by him. I apologize but must remind you of something VERY IMPORTANT: God must work in very, very strange ways HIS wonders to perform. Now, when you need the valid foundation of connections between these men who CAN DO SOMETHING—IT IS DONE AND READY. The pieces are myriad with which to finish this magnificent tapestry. Let us be ever mindful and grateful unto God for the ability to act timely and utilize the gifts made available.

This is a very major event unfolding and you must not allow it to simply "go away"—IT IS UP TO YOU. Thank you.

When appropriate Mr. Dixon will go, or be in constant contact with, persons in Oregon, as well as going through sleuthing in Sacramento today. He will be in constant touch with us here. LET'S NOT FORGET TO SUPPORT THIS LAW CENTER AND AT PRESENT, THESE ONES HERE HAVE GONE ABOUT AS FAR AS THEY CAN GO. WE DO HAVE A PRECIOUS FRIEND WHO HAS GIVEN A SUBSTANTIAL SUPPORT TO THE COURT OF LAST RESORT—WHICH, BY THE WAY, FOR YOU WHO NEED THIS INFORMATION—IT IS FULLY TAX SHELTERED (DEDUCTIBLE) FOR DONATIONS OR CONTRIBUTIONS.

It is a time for you patriots and people of God to take a stand—but never in FOOLISHNESS. It is NOT a time for MARTYRS! IT IS A TIME FOR INTELLIGENT PATRIOTISM AND A STAND FOR GOD-NESS!

Why don't the crooks come for *my* people? They do—but they have to first GET THROUGH MY COMMAND! THAT IS NOT AN EASY TASK.

E.J., when you get the story a bit more complete please call our contact and make sure the information gets back to Bush's desk—or Kemp's or at the least the FBI. This can turn into something worse than Idaho ever was thought of being because there are a whole big bunch of well trained and armed patriots fed up with the government crimes and activities as well as ready to take back the press and media. Let us walk gently and allow the "enemy" to respond rather than "react". You are sitting on a powder keg waiting to blow—let us not detonate the very destruction of your nation and subsequently your world.

*(Editor's note: See page 38 for more late news on this patriot attack in Oregon.)*

# Earthquakes

(Continued from page 1)

yet another 7.4+ whopper the next day, Sunday, with accompanying large *volcanic* mudslides]. This time the quake is in the Western Hemisphere, yet your scientists are stating that it is a result of the earthquake of last week in Cairo. This is about as false a statement as could be made. Yes, Colombia is situated on what your scientists have determined to be the earthquake zone, which circles your globe. However, this one was not by any means of natural origin. It appears, from our vantage point, that the echo from this earthquake has the potential of causing problems in your California, Oregon, Washington and possibly Mexico.

Please recall our writing of the gas belts in past issues of the *LIBERATOR* [See the *superb outlay connecting earthquakes, volcanoes and the subterranean "gas belts" starting on page 2 of the 9/15/92 LIBERATOR*]. In the area of Colombia, there was a natural vent for this gas belt, which is the reason for the active volcano in that area. However, due to the shifting which occurred today in that area, we have reason to believe that the gasses will now be rerouted and could vent elsewhere, possibly in the North American area—most likely in California. Should this occur, prepare yourselves for explosions and heavy shaking as these gasses seek out places for exhaust. How long before this should occur?

As you know, we are not in the habit of giving dates, as this is not only dangerous, but foolish as well. There are so many factors which must be taken into account that it is not as easy as giving you a day, an hour and minute. However, **our projections are, based on the data of pressures and movement, that you can expect some serious activity within 10 to 14 days.**

Will this precipitate the "**BIG ONE**" that takes out the San Andreas? That, chelas, is difficult to say. You should, nevertheless, be prepared for anything now, for the area appears to be "heating up" for some major activity.

The natural chain reaction from today's earthquake in Colombia would be bad enough in itself, but your Elite are now stepping up the pace of the game and are not above helping nature along. As the pressures continue to build, one good blast could all but devastate California. The average movement of the Pacific Plate is approximately 6 cm (2.4 inches) in one

year of your counting. Consider what two feet of movement could mean. And that is what could possibly be encountered.

Plate movements include the outer 75 kilometers (approximately 45 miles) of the mantle and, of course, the crust. Imagine a split in the earth two feet wide and 45 miles deep! The ground breaking apart at this level will produce not only a major earthquake, but will also allow the poisonous gasses to escape to the surface. Breathing these will cause nearly instant death.

This combination of the crust and mantle is called, in your terms, the Lithosphere. Just below the Lithosphere is what is known as the Asthenosphere, which is 74 to 253 kilometers (approximately 45 to 155 miles) below the surface, and small amounts of dispersed magma exist there. Though not anticipated at this time, it should not be totally discounted that this could possibly open up, which would then allow magma to spew forth as well.

What will be the outcome of this? Absolutes are most difficult, even from our vantage point. All that we can do is give you possibilities. This is not "carved in stone", as you would say. But, we do not want our people uninformed should such an occurrence take place. It is better to be prepared for the worst and have nothing take place than to be prepared for nothing and have the worst happen. ***For goodness sakes, get some water in containers and affix those bungee cords! Check the batteries in your flashlights and the condition of your generators. I would suggest taking breakables from open shelves and storing them safely away. Though you care about all the trinkets, we are more concerned with shattering glass and injuries from these.***

Precious ones, all that you can do is be informed and prepared for the very worst at this time. No, I do not like having to write these things, and my scribe is even less fond of it. She too has family and loved ones in California, and they have not heeded any of the warnings, either. As she tries to prepare for her son's wedding, which should be a joyous occasion, I have to break her away from the joy to write this.

Let us close this for now, Kali, and get this sent off quickly. Remember to stay close to God and keep your shields in place. Soltec to clear. Salu.

**VOTE FOR BO GRITZ**

# As The Sordid Webs Untangle *TRUTH* Will Always Surface

10/18/92 #1 HATONN

As you move along in the service of GOD you find yourself pondering the possibilities that you are either: bonkers, in a dream, "it can't be" or "...what are 'they, the Hosts' doing *now*?" I continually tell you that if you turn it into the hands of God to be used as He deems fit for the highest and best good—in his own time and way—it WILL make sense at some point least expected!

WOODWORK TERMITES:  
UNIVERSITY OF NEW AGE  
SHENANIGANS

Just as there had to be some unseemly routes and methods to expose an enemy in the form of one, Joseph Pavlonski [AKA "Dr. John Coleman"], so, too, did there need to be means of exposing the University of Science and Philosophy—a total fraud upon you unsuspecting participants thinking yourselves to be "finding" God. This is a hookup DIRECTLY to the New World Order "conspiracy". And, furthermore, that has been suspected and "known" for many years.

Anytime you have a massive sum such as \$215 million dollars put up and poured into legally stopping the word from flowing as in the PLEIADES CONNECTION SERIES OF JOURNALS, plus Dr. Russell's work, along with the True projection of GOD and MAN and Universal workings, especially from an unknown Grandmother and amateur paper dispersers—I suggest you have a hidden termite somewhere. More evident is the FACT presented in court that there is no profit now or expected, from the material—only deficits and headaches for the producers of same.

Before it is over, you are going to find that there has been a remarkable relationship of "money" (big money) and more remarkable personal relationships with the Elite hierarchy of the New World Order.

I have been sent a copy of an article from a Staunton, Va. newspaper but the fax copy is too bad for Dharma to read and I would have it verbatim, please. So, we will wait. The article deals with a neighbor of the Swannanoa Palace of the "University" who presents his confirmation of events, etc. The rest of the article deals with denials, accusations and finally admits that conspiracy theories have abounded

and much money has changed hands turning the place into a New Age retreat having no impact toward God in Truth but, rather, misinformation, meditation, dealing with paranormal connections and, finally, presenting any Russell material in such manner as to be totally useless in a scientific projection. The place was turned into a New Age "seeking" retreat of great cost and expense and a humanistic programming center. So be it.

I do think you will enjoy the other portions of the letter accompanying the information so I will share it with you for your own confirmation on other topics.

The letter and information came to America West Publishers (George Green).

I would suggest you check with Tehachapi Distributing [see page 39] if you wish to get any or all of the series of writings in point as presented by Germain and our Hosts. There are about 8 or 9 volumes of these JOURNALS in legally-banned off-shelf holding. America West Publishers and our "scribe" have given up all interests and/or involvement with those issues. So, since they were given into the hands of a third party distributor, we have nothing more to do with them.

The trial regarding the case is, of course, on "hold" at the request of the opposition. They got the work banned so they have no "rush" in mind. Since our thrust is as in dated periodicals, at any rate, we do not haggle over it as there was a marked deficit financially which is unable to be recouped in amounts ever to match the cost of litigation. I believe that two volumes were released if certain removals of names and information would be complied with. I don't keep up because that was not my involvement then or now. The JOURNALS could well be handled as *Time-Life* or *Newsweek* or any other commentary type "journal". They come out in print about every three weeks and there is now about number 65 or 66 on its way to press. We are not competing with, say, *Gone With The Wind*—we are more like 200+ pages of educational/news/religious FACT, in the JOURNALS. We try to keep subject matter pretty well in view—but the volumes are a daily "log" of dated material just like a newspaper.

The particular series of JOURNALS in point of banning, however, are the outlay of "what is God" and relationships to YOU and the Universal "working" order of

LIGHT, etc. The material was given forth by the **SAME** "author" as gave it first to Walter Russell. I think you would find the material interesting, extremely revealing and will also show you why the Adversary certainly does not want you-the-people to have it!

Our job is to bring the information forth—yours is to do whatever you will, with it. I suggest you do, however, get in touch with Tehachapi Distributing [see page 39] if you can see your way to obtaining the material for it is **the most IMPORTANT material you will ever have in explanation of the Divine structure of Creation.**

The works were given away to one who was left without fulfillment of agreements when the Greens were caused to move into another State because of such things as this lawsuit to shut down publication of the JOURNALS. Fortunately not even several hundred million dollars could stop publication of them ALL.

Even though the volumes are now "collector's" editions, the price is unchanged and I believe there is even a discounting if you buy the series. You'll have to check it out. Thank you.

QUOTE: from C.E. in Virginia:  
(Approx: 10/15/92)

Dear George,

I thought you might be interested in the enclosed article which appeared in the Staunton, Va. newspaper. It was in conjunction with a front page story about a William B. Edwards, a neighbor of the Russells. He has been claiming a conspiracy surrounding the University of Science and Philosophy. I don't have that front page, but will go to the newspaper and get it if you want it.

Also, last Friday night around 7:15 a bright flash appeared in the East. I thought it was lightning until I realized the sky was very blue and cloudless. Saturday's news reported a "very high meteor was seen cruising very slowly from East to West." Another T.V. station reported "a green meteor was seen at 8:00 P.M. from Mass. to Miami" (North to South). An amateur video showed lights in a "V" shape with the point of the "V" heading south, trailing green vapor. "This meteorite blew up around 8:10 P.M." I didn't see this although I was outside because I was trying to save a bear cub from being shot by the game warden. (I did not succeed.) The

newscast was only reported ONE TIME.

Three weeks ago I passed a 2-1/2—3-mile long military convoy heading West on I-64 through the center of the state. All trucks including flatbeds were completely covered by tarps. If they were just moving equipment, why was everything covered and secret? There aren't any military bases around here, either, except Norfolk. Speaking of which—the past 4 weeks there have been “convoys” of military helicopters—a total of 7 days—going over from West to East. Makes you wonder what's going on. I also had a friend tell me today that her son-in-law was called to sea duty and is sitting in the Gulf of Mexico. She thought it strange!

I did not know who you were when I called to order the *LIBERATOR* and “Conspiracy”. Had I known what you were going through I most certainly would have offered help.

In my dealings with the Agriculture Department and with the problems and negativity surrounding my organic farming (I must be doing it right), I've gotten quite tough. So—what can I do?

I enjoyed talking with you—hope I have the opportunity again.

Most sincerely, C.E.

P.S.: ..... How come there's so few of us? In all my understanding I do have trouble with that one. How can so few really do something against so many?

### THE MASQUERADE OF AIDS

This next comes from a good friend of ours who is a Journalist who writes for a student newspaper called *The Mustang*. His name is Ron Sease but I shall, at present, not list other information—for obvious reasons. His work (articles) is excellent, well researched and valuable. I would like to run them as possible in the *LIBERATOR* so that you readers can benefit as well from confirmations and further information. For your own information, until further contact, thank you, Son, and you are doing EXACTLY that which you need to do—there is no greater service than unto the youth! Further “purpose” will come in its own proper sequence.

QUOTE:

THE MASQUERADE OF AIDS, by Ron Sease: *THE MUSTANG*, Aug. 20, 1992. [H: I have more recent articles but I feel this is SO IMPORTANT that I ask to run this one first.]

Rumors need to come to an end concerning AIDS. Governments and politicians must be held accountable for their criminal actions and schemes against the human race.

The world needs to know who is responsible for the projected, slow genocide of

six billion people on the planet we call Earth.

The facts are finally coming out. This is the worst plague since the black plague of the sixteenth century.

Since John Lear can communicate the facts, excerpts from the “Wilderness Outlook” will be used.

**IMPECCABLE CREDENTIALS:** “I've been flying for 35 years, 30 as a commercial pilot. Presently, an airline captain for a major cargo airline but I've flown 160 types of aircraft in over 50 countries. I've flown for 28 airlines with over 16,000 hours of flight time, over 12,000 in jet transports.

I held 17 world speed records in the Lear Jet, and the most FAA certificates issued to a single individual. I've flown missions worldwide for various governmental agencies and I flew in Southeast Asia between 1966 and 1973. I've flown both experimental and production test flights.

I was the youngest American to climb the Matterhorn in Switzerland in 1959, and I am a senior vice commander of the American Legion Post No. 1. I have four daughters and live in Las Vegas but I grew up mostly in Santa Monica.

I studied Industrial Design at the Art Center College of Los Angeles and was a State Senatorial candidate in Nevada in 1980.

My father, William P. Lear, Sr., helped develop the first car radio, the eight track stereo, and the automatic pilot for the first jet fighter; he also developed the Lear Jet, one of the first and most successful business jet transports.”

This article will detail Mr. Lear's knowledge concerning AIDS.

**“AIDS: AN R & D PRODUCT OF THE U.S. NAVY.** Yes, AIDS was developed by the U.S. Navy between 1969 and 1972. Credit for the perfection of the virus and its cure was given to R.M. Donnier.

**First released in Africa in 1975 in laced doses of the smallpox vaccine, Africa is now almost 100% infected.**

**The AIDS virus was introduced into the United States in 1978 in New York, San Francisco, and L.A. in laced doses of the hepatitis B vaccine. It was distributed by the Centers for Disease Control which specifically targeted the white, male homosexual group. This was done so that AIDS would spread rapidly with little concern; the public would dismiss the disease as only a problem for homosexuals or drug addicts.**

**The population has been led to believe the AIDS virus can be prevented through judicious use of prophylactics and/or rubber gloves when, in fact, HIV 1, one form of AIDS, has been airborne in Southeast Asia for a number of years. The U.S. Navy's stated goal for the AIDS virus was to infect 75% of the world's population BEFORE 1995.”**

Sound unbelievable? Think in terms of world population growth versus food con-

sumption. You have not been given the proper information....”Because,” they say. “...it is none of your **business.**”

Small towns along the U.S.-Mexican border are the last to know anything concerning AIDS, due to disinformation.

In the book *Conspirators' Hierarchy: The Story Of The Committee Of 300* [H: **This book can still be obtained at a very nominal cost through America West Publishers or THE PHOENIX LIBERATOR, INC., see back page, until the present supply is exhausted, and then I believe the book will be made available as backup material purpose at an even greater reduction in pricing. I do not have information so please contact America West or THE PHOENIX LIBERATOR, INC. for information. I believe the phone numbers are listed on the back page of this paper.**] Dr. John Coleman [H: **that is, Joseph Pavlonski**] lists 21 mandates and the names of the 300 most powerful people in the world. It also lists the Universities, Corporations, and Banks that supply the Committee of 300 [H: **Well, a lot of them—but there are MORE and he actually protects the real culprits of which he is a part, but it is valid enough that we did, in fact, support, pay for and still are paying for, “Dr. Coleman's” presentation. A necessary “lesson”—TRUTH is TRUTH from whatever source and it is most valuable to have such information collated and integrated for reference. It is sad that one would bite the very hand that fed it. So be it.**].

Biological warfare on the continent of Africa is the Elitists' way of imperialistically claiming Africa. Collective knowledge of who is responsible for the murder of billions of people would create a world war.

We as a nation have been caught up in many deceptions engineered by the Elitists. In the days ahead, we will realize that the governments have no intention of curing the AIDS epidemic even though they possess the cure. The name of the game is, only for themselves.

Now that we are in a political year, what do you think the President is up to? Could he be on the list of Elitists? If he is behind the 21 mandates Dr. Coleman lists, to destroy the infrastructure of the United States, wouldn't that be considered treason?

Whatever happened to the American Dream? To educate oneself is still one answer while society appears to be crumbling around us.

END OF QUOTING.

Thank you Ron. I can only hope that your readers will have access to AIDS: THE LAST GREAT PLAGUE, A PHOENIX JOURNAL (#8) and others that help to outlay this whole wretched mess in detail.

Salu. Hatonn to clear.

# Latest News On Oregon Standoff

by Rick Martin

**10/19/92, 12 P.M.**

Freelance writer for *Spotlight* newspaper, Maynard Campbell, author of the books *Kingdom at War*, *Unfriendly Persuasion*, and most recently *Massacre at Ruby Ridge* (concerning the Randy Weaver "Idaho Standoff" incident), was taken into custody by U.S. Marshals at 3:30 A.M. Saturday morning after a 12 hour standoff with many swat teams from various law enforcement agencies working within the two-block cordoned-off area in Ashland, Oregon. The siege caused the evacuation of approximately 15 homes and two apartment complexes.

Campbell, who has reportedly named the assassin or assassins from the Randy Weaver incident in his recently released book, is critical of and poses a threat to various governmental officials who prefer to remain unnamed and in the shadows.

Campbell was armed, and early on stated that he would not be taken alive. Thinking better of such a stance, he made a call from his girlfriend's surrounded dwelling to Tom Valentine's *Radio Free America* which then broadcasted his dilemma live for several hours.

During the radio program, Jack McLamb was reported to have stated that Bo Gritz was on his way there. This has not been confirmed and now that Campbell is in custody, Gritz's specific plans are unknown. There was, "coincidentally", a talk by Gritz scheduled for Portland, Oregon that Saturday evening.

The Ashland, Oregon Police Department, in a somewhat limited, "prepared script" statement to the *LIBERATOR*, wanted to acknowledge the cooperation of the Jackson County Sheriff's Department, the Medford Police Department, the Oregon State Police, the Josephine County Sheriff's Department and the Salvation Army. **[The Salvation Army?]** As is readily evident by this incredible assortment of cooperating agencies, those who speak out against this **New World Order** may find themselves in outrageous hot water.

The indictment against Maynard Campbell includes: conspiracy to defraud, theft of government property, depredation

of government property (2 counts), plus aiding and abetting. These charges stem from the cutting of trees on a mining claim. Ironically, it has been reported that a land patent **has been issued** (in which case, tree cutting is **not** illegal)...but the patent has not yet been mailed. That's some catch, that Catch-22.

You reading this message know the real reason for wishing to silence this brave patriot.

The *LIBERATOR* was informed by Chief O'Brien of the Portland branch of the U.S. Marshal's office that Campbell is being held for arraignment later this week, after his lawyer arrives, in the U.S. District Court located in Eugene, Oregon. Campbell's current legal counsel is from the Federal Defender's Office. The judge who will be presiding over Campbell at the arraignment is Judge Coffin. **[Coffin?]** Campbell is currently being held at the Lane County jail in Eugene, Oregon.

When efforting to provide an address for *LIBERATOR* readers to use to write letters of support to Campbell, the Marshal's office was reluctant to provide an address. Campbell's status and location are to be determined as a result of today's arraignment hearing. The *LIBERATOR* will be sure to keep readers informed of Campbell's situation when news becomes available.

America....you are IN IT! The next patriot persecution you read about could be **you!**
