Help Ross Perot Learn *THE TRUTH*

By Dr. Edwin M. Young
Editor-In-Chief

Last week's lengthy *CONTACT* brought home the message, from several directions, to "Take Back America—*NOW!*" or lose a precious window of opportunity before all hell breaks loose.

At the time, I also shared, only somewhat humorously, that the temptation was to title the Front Page headline "Hurry Up And Take Back America From The Crooks...Before THE PLAGUES Get You!" That was because of what the Satanic Elite have been up to lately in terms of unleashing covert biological warfare on We-The-People, such as on the Navajo nation in New Mexico. And that's on top of the earthquakes and volcanic eruptions now approaching critical levels of activity worldwide.

The question of leadership is central

to our national — and thus, eventually, global — reclamation effort. In a writing on page 41 last week, Commander Hatonn strongly urged reason and focus on **Ross Perot**. He said, "...you have a man **NOW** coming into broader information grasp. You, further, have a man in **Ross** who can see a more worthy status than he held before and by ever increasing numbers [*of you citizens behind him*]. You also have a man who is proving he **WILL** listen....But, he has already come to the realization of your demands and needs. And he, further, can see his own business being totally destroyed and swept away by the actions of the Elite corruption."

As you readers began making your way through last week's *CONTACT* and coming across the "support Perot" suggestion, calls of inquiry began arriving back into the *CONTACT* office along the lines of, "Well, just *HOW* are we

supposed to support Ross?!"

Well, there are probably as many different ways to answer that question as there are intelligent, resourceful, mad-as-hell, banding together Americans in this country! However, from a general point of view at this time, probably the single most important way to "support Perot" is to **help him get informed about THE TRUTH**.

That may mean sending him a simple note urging him to consider THE TRUTH that others have dangerously toiled to provide for our awakening, or maybe you will be moved to send him articles from *CONTACT* or elsewhere that say what's on your mind. But **DO** something. The more mail he gets, the more the key issues will start to become **NOTICED** by him, even if they're just sorted into piles. Let's make those piles into mountains!

As an urgent postscript after he fin-

(Editor's note: On pages 54 - 57 of last week's CONTACT we brought you Part I of the longstanding but carefully-kept-hidden railroad conspiracy that is due to pounce on we unsuspecting citizens starting THIS June! NOW! We titled that piece "Another Khazarian Monopoly; The Railroads Own YOU!" because of who owned what as the railroad business started up and appeared to be independent companies. Here we continue with more of that story from the pages of a well done history none of us ever saw in our school texts of American History. Wonder why?!)

BACK TO WORKIN' ON THE TRAILROAD

We aren't going to give "catch-ups" in this story except one liners: that is, everybody lives on leased land in the United States of America (and everywhere else where there are railroads). This means that these are 99-year leases coming up for renewal between 1993 - 1995 WITH ALL TAXES DUE AND OWING FROM THE PAST 99 years. This is THE land grab of the generations of time, readers. I can't take time to update with each chapter entry so you will have to get back issues or wait for the full story until the book is put in order for press. **EVERYTHING IS OWNED BY THE SAME ELITE PERSONAGES AND FAMILIES AND THIS WILL TAKE NOT ONLY YOUR LAND BUT EVERY "IMPROVEMENT" (HOUSE, ETC.) WITH IT MAKESTHERTCLOOKLIKETHETHINGTHEY ARE—THE PROCESSORS.**

So to move on in continuation of quoting from a Chapter called, **YOU NEED TO KNOW ABOUT THE RAILROAD LEASES.**

QUOTING:

BOOM TIME

The fact that the plank- and rail-roads were

the largest contributor to the development of The United States of America can hardly be disputed. No country went so far so fast. This is clearly shown by the fact that by the end of 1828, six short months after the *Stourbridge Lion* ran, there were more than two thousand eight hundred miles of plank roads and railroads laid in the Eastern U.S.

By far the largest contribution to this and subsequent "Boom and progress" came from Congress itself. The plank road companies, and the builders of the plank roads, managed to convince Congress that, in order to build and run the roads, land was needed, and in large quantities.

The plank road companies could not be expected to run their roads over someone else's land, it had to be their own, or they could obviously not guarantee their ability to keep the lines open; the "landlord" might throw them off his land. Congress, recognizing the importance of the railroads, granted the companies all the land they needed, from one hundred to two hundred feet each side of the center line of the road bed, wherever the road went. The company got to decide where they wanted to go. Every time twenty miles of plank road was completed, Congress gave over that twenty mile strip to the company. Where the Company crossed land which had already been settled, and thereby already belonged to someone, they had the ability to buy it from the owner, or they could buy the right of way over the land. The road companies seldom exercised their ability to buy a right of way over somebody's land in the beginning, because Congress also gave them the power to condemn the land and force the owner, legally, to sell it to the railroad.

Next the companies needed timber for cross-ties and planks in order to build the road, as well as maintain it thereafter. They also needed wood for fueling the engines. The companies would therefore need a great deal of timber, so, in order to make sure the railroad companies had all the wood they needed to both build the plank road and fuel

the engines, Congress granted the railroad companies every other odd numbered square mile each side of the center line of the road bed for various widths, depending on how many miles on each side of the center line of the road bed and, again, the land was granted upon completion of each twenty mile strip of plank road.

In addition to being granted the land, the companies also had the power to buy the sections (square miles) which had not been granted to them by Congress. The land was granted to the companies in widths between three and forty miles each side of the center line of the road bed.

In order to comprehend the amount of land granted to the companies for the construction of the plank and rail roads, assume the land was to be granted out to ten miles on each side of the center line of the railroad bed, to a total area of four hundred square miles (20x20), with the odd numbered square-mile sections represented by the lightly-shaded squares in Figure 1. Assuming the lines were built in north-south directions, then for every twenty miles of road bed constructed, the odd numbered sections of land given to the company (represented in Figure 1 by the dark squares) would be as follows:

But that is only forty (40) square miles; there are still a lot of square miles of land

for the taking. If another railroad was built to make a cross-roads, then every other odd numbered section (square mile) again could be captured:

NORTH/SOUTH AND EAST/WEST

Another 35 square miles, total now is 75 square miles; but that is definitely doing things the hard (and expensive) way, it takes two steps, one vertical, (north/south) run, and one horizontal (east/west) run, amounting to 40 miles of trackage. The same thing can be achieved with one 28 mile line run diagonally, southwest to northeast, as follows:

DIAGONAL LINE NUMBER 1

and if you now run another line across the same area from northwest to southeast...

DIAGONAL LINES 1 AND 2

The next step for the railroads, in the situation where Congress was granting land ten miles each side of the railroad, was to build parallel railroad lines ten miles apart and you then (you, the railroad company) control every square mile of land wherever your tracks go. If the grants were for fifteen miles each side of the line, then build lines fifteen miles apart, and so on.

MULTIPLE DIAGONAL LINES

From the start of the railroads in 1828, to the start of the Civil War in 1861, every State in the Union east of the Mississippi, and the States of Louisiana, Arkansas, Missouri, Iowa and Minnesota on the western side of the Mississippi, all contained extensive railroad systems.

The grants of land to the railroad companies, and therefore, for the most part, to the railroad construction companies, were extensive, with the Northern (Union) States receiving the following certification as to the amounts of land they were to receive by June 30, in the year 1868:

State	Acres
Illinois.....	2,595,053
Missouri.....	1,715,434
Iowa.....	2,770,700
Michigan.....	2,715,399
Wisconsin.....	1,528,480
Minnesota.....	2,315,292
Total Acreage	13,640,358

or, 21,314 square miles, which excludes the land allocation for the Union States of Maine, New Hampshire, Vermont, Connecticut, Rhode Island, Massachusetts, New York, New Jersey, Pennsylvania, Maryland, Delaware, West Virginia, Ohio, Indiana and Kentucky; and the following Southern States received allocations of

acreage for:

State	Acres
Alabama.....	2,288,134
Mississippi.....	908,680
Louisiana.....	1,072,404
Arkansas.....	2,512,359
Florida.....	1,760,467
Total Acreage.....	8,542,044

or, 13,347 square miles, which figure excludes those lands granted to the Southern States of Virginia, Tennessee, North Carolina, South Carolina, Texas and Georgia.

The land granted to the individual States was, of course, turned over by those States to the respective railroads, which, as mentioned earlier, had previously mortgaged those lands to railroad construction companies.

On page 308 [not yet available] is a map which shows the total amount of land which was granted by Congress to the various States for transfer to the railroad companies. It is interesting to note that the railway grants up to 1871 are shown, not thereafter, and that the area as shown in black represents 131 million acres of land. The land granted to Michigan (2,715,399 acres) is not shown; Texas, where a couple of railways eventually claimed some small portion of its land is not shown, and the remaining Eastern States, where the saturation of railways would claim a large amount of land (probably about one third), is also not shown. Notwithstanding these shortfalls, the total amount shown, including Michigan, amounts to more than 208,930 square miles!

Of course, when you owned the land, you also owned everything else in, on, and under it; this included, coal, minerals, ores, copper, gold, etc. It was the race to get all this "free land" that sparked the great building boom, the so-called "American Industrial Revolution" which was to end with the Civil War.

Hundreds of small privately organized companies sprang up to take advantage of this new means of transportation. Millions of Dollars were won and lost in the gambling in stocks, bonds and shares of these companies in their individual efforts to cash in on the new opportunities afforded by the railroads.

Almost every railroad company which was formed before the American Civil War was created by an Act of the Congress of the particular State in which it was to run, and the Act usually created the railroad

company as a **Body Politic and Corporate, under the laws of that particular state.**

Needless to say, the respective Congress offered the privilege of ownership of these railroad companies only to those businessmen who were men of substance, integrity, means, and influence in their respective State Congresses. The ownership of any railroad was considered to be the ultimate responsibility, and one which could not be taken lightly.

After incorporation, the new railroad company exchanged preferred shares for assets transferred to it from its primary stockholders and owners and the company sold its common stock to raise capital to operate. Thus it became a mark of importance as to which type of stock certificate you owned. If it was a certificate for preferred stock, it denoted that you were one of the owners. If you held certificate number one (1) you were the primary and most important owner.

Although it is trumpeted throughout the history books that the railroad companies were granted all this land, such a report is, for the most part, inaccurate. True, the land was granted to the States, for those States to turn over the same land to the railroad companies as promised. It was granted to the proper railroad company each time twenty miles of railroad had been constructed, but the railroad construction companies got it, not the railroad companies.

THE RAILROAD CONSTRUCTION COMPANIES

No railroad company could, itself, even hope to raise either enough capital, or enough expertise to build the railroad lines; building the lines required vast resources in men and materials so the newly formed railroad company would contract for the help of one the very few railroad construction companies then in existence.

Generally speaking, the newly formed railroad company would not have enough money to pay its construction company, but it would be getting the land from Congress when the line was built, so the Company had no choice but to mortgage the land it had been promised from Congress to its construction company, which then built the railroad lines. Once the line was built, title to the land was retained by the Trustee of the mortgage. The railroad company would then sell its common shares to the general public and use that money to buy its rolling stock: engines, carriages,

flat cars, etc., and only then could it begin to run the railroad. After a while it might make some money, from which it would pay off the mortgage and eventually get title back to the land. If, for whatever reason, the new railroad company failed to pay off its mortgage, the construction company would claim the land by default.

It is usual in business to expect the "lag time" before the company begins to operate at a profit and this time had to be taken into account and allowed for by the construction companies.

With just a few railroad construction companies in existence the competition was fierce and the money from the railroad companies, initially, came in very slowly. The workers on the huge railroad construction gangs were paid in gold and silver coins—not paper money, so only the construction companies with vast resources to support them (usually gold and silver mines) survived the early years.

The construction of the railroads continued at a furious pace, with almost all the companies mortgaging their future land holding to the construction companies, with the end result that, by 1860, almost every railroad company in existence held its land under mortgage to the railroad construction companies.

By virtue of those economics, and the circumstances surrounding them, and the simple fact that, (a) its owners also owned the biggest share of the most productive gold mines east of the Mississippi, (b) the same family also owned the steel rolling mills in Lincolnton, North Carolina, which made the rails and other steel products for the railroad construction companies and the railroad companies, (c) the same family also owned the majority of the land in which coal, for fueling the steel mills, was found, (d) the iron ore for the same steel mills also came from family land and, last but not least, (e) that all these facilities and resources had direct rail links with just about every railroad in existence, by 1861 the Rutherfordton Railroad Construction Company of Rutherfordton, North Carolina, emerged as the predominant and most important builder of the railroads.

RAILROAD DEVELOPMENT

The new technology of railroads sparked the biggest development boom the 1800s had ever seen. The railroads created towns and communities in places otherwise undreamed of.

The developmental process was swift and usually adopted the same pattern: The

railroad company, having built a stretch of track, in some cases several hundred miles in length, needed water for the steam engines, so, at various places along its track, the railroad company drilled or dug one or more wells and erected a water tower at which the train would thereafter stop and fill up with water.

A few more facilities than the water tower were needed for the discerning traveler so, in a relatively short time, around each water tower where the train stopped a small community sprang up. First, usually, the company, upon the realization of moderate profits, and should the passengers wish to alight from the train, built a platform and station house. The passengers also needed to eat, so a restaurant arrived, usually run by the railroad company itself, or by a contractor or Trustee, and supplied by the local farmers and commodity producers. Eventually the local producers realized they could use the railroad to send their products to market further away, where they could sell it for more money, so stockyards, a blacksmith, a livery stable and other ancillary businesses sprang up. The railroad company would "import" other goods, usually selling them to the locals through its own general store, and eventually a whole town appeared around the water tower. Of course the water tower also supplied this new town with water, thus becoming the water company. Travellers needed to rest and have somewhere to conduct their business, and they also needed some way to transact their financial business, so the railroad company charters were written to contain the ability for the company to erect hotel facilities and, more importantly, "depository institutions", better known today as banks.

On April 12th, 1861, Fort Sumter in South Carolina came under attack, heralding the beginning of the Civil War, and with that event the development of the railroad system of the United States came to an abrupt halt.

Included in this chapter is a map that shows the early [see next page] railroads which were in existence at that time. The railroad most important for our purposes from this time, the Wilmington Charlotte and Rutherford Railroad, extends northward from Wilmington, North Carolina to the crossroads at Goldsboro, then easterly to Raleigh, then onwards around the top of the crescent to Charlotte, then on eastwards into Rutherford County.

Latest Legal Demands From US&P And Response (Green's "Side Step" Dance)

6/10/93 #1 HATONN

Since the University of Science & Philosophy mandates settlement of some \$43,000 from the Ekkers and they have NO ASSETS we are going to offer that the five of the nine volumes held by the court but needing only minor changes to be acceptable, be allowed distribution (after correcting shortcomings demanded) by George Green and-or America West. This is ONLY regarding the books in impounded status already published. THERE IS NO PERMISSION FOR REPUBLICATION OR REPRINTING OF ANY OF THOSE NINE VOLUMES BY ANYONE. Of the four volumes under permanent banning: we recommend that they be released to the University of Science and Philosophy to be dispensed in any way they find suitable but perhaps a value might be attached to go against the overall "settlement" agreed to by Mr. Green. WE WILL NOT ENTER INTO THIS AGREEMENT UNLESS THE US&P IS DISALLOWED FROM EVER REPRINTING OR REPUBLISHING THE FOUR VOLUMES IN POINT FOR WE DO NOT RELEASE THE ORIGINAL RIGHTS TO THOSE VOLUMES, THE QUESTIONED INFORMATION BEING ONLY A SMALL PORTION OF EACH OF ANY OF THE FOUR BOOKS IN CONTROVERSY. WE ONLY RELEASE THE BOOKS BEING HELD IN IMPOUND BY THE COURT AT THIS DATE. IF US&P SELLS THE BOOKS IN POINT, THEN THE OUTSTANDING "FINE" SHALL BE REDUCED BY LIKE AMOUNT OF THE SALES OF SAID BOOKS.

Further, we are going to ask the court to collect outstanding royalties which SHOULD HAVE BEEN PAID TO THE INSTITUTE (OR EKKERS) AND THAT THOSE MONIES BE TRANSFERRED TO THE US&P FROM ALL JOURNALS SOLD BY GREENS AND AMERICA WEST(S) SINCE ONSET OF PUBLICATION TO THE TIME OF THE ORIGINAL INJUNCTION AND IMPOUNDING OF SAID NINE VOLUMES, UPTO THE AMOUNT OF \$42,000. THIS IS BECAUSE MR. GREEN HAS CONTINUED SALES OF BOOKS WHICH ARE UNDER COURT ORDER NOT

TO BE SOLD.

HE HAS REFUSED TO RELEASE TO OUR USE IN ANY WAY ALL OF THE OTHER JOURNALS. HE HAS ALSO CONTINUED TO MAKE MONEY FROM SALES OF THOSE BOOKS IN HIS WAREHOUSE WHICH ARE COLLATERAL FOR A NOTE UNDER COLLECTION AND LITIGATION. WE REQUEST THAT ALL INCOME FOR SAID SALES IN THIS INTERIM TIME BE PAID OVER TO US&P AGAINST THE COURT SETTLEMENT IN POINT, UPTO THE AMOUNT OF \$42,000. WE ASSUME MR. GREEN CONTINUES TO HAVE A GOOD WORKING RELATIONSHIP WITH US&P AS STATED BY "THEIR" ATTORNEY AS HE IS NOW A REPRESENTATIVE AND DISTRIBUTOR FOR THE UNIVERSITY OF SCIENCE AND PHILOSOPHY AND THEIR BOOKS AND MATERIALS.

MR. GREEN HAS ALREADY MADE SEPARATE ARRANGEMENTS WITH US&P FOR SETTLEMENT AND DID, IN FACT, MAKE NO EFFORT TO EITHER APPEAR HIMSELF OR HAVE HIS COUNSEL AT THE SETTLEMENT HEARING IN FEDERAL COURT. THIS "SETTLEMENT" BY MR. GREEN REQUIRES EKKERS TO PAY THE SETTLEMENT FUNDS AS ESTABLISHED AND HIM PICK UP ANY WITH WHICH HE MIGHT WISH TO ASSIST. THIS (allowing US&P (or Greens) to sell the impounded books—or collect unpaid royalties from the Greens) IS THE ONLY WAY EKKERS HAVE TO PAY THAT NOTE (FINE) FOR THE WORK IN POINT IS THE ONLY ASSET REMAINING EVEN REMOTELY IN ANY POSSIBILITY OF INFLUENCE BY THE EKKERS.

WHY DO WE PUBLISH THIS OFFER? BECAUSE THE PAPERWORK AND SETTLEMENT DOCUMENTS ARE SOMEHOW NOT GETTING TO THE PROPER COURT AUTHORITIES AND THE DECISIONS ARE MADE PRIOR TO ANY HEARINGS REGARDING THE MATTER. THEREFORE OUR ONLY RECOURSE FOR ACCURACY OF OFFERS OR AGREEMENTS MUST COME IN THIS PUBLIC FORUM. We will share more elsewhere for we do believe that in these ongoing litigations Mr. Green does deserve hearing as well. This is due to the

ongoing accusations of defamation and efforts to silence our paper.

Further, incredible assaults are coming from Mr. Green's colleague, Mr. Perry, in a most interesting form of space-alien gibberish presented by Mr. Green even into the MONEY section of *The Washington Times*. We are entertained by such antics and stupid writings as it makes the State of Nevada look like total corporate idiots and I do not believe this will go much longer unnoted. The attack is actually to attempt to remove some of the protection to privacy through corporations in the State of Nevada. Why? Because this bunch of criminals are efforting to sweep the nation with the sales of "trusts" which will ultimately lose everything the "investor in the trust" places therein. Believe me, the ones in point, i.e., Green, Anderson, etc., ALSO HAVE MULTIPLE CORPORATIONS IN NEVADA AND OFF SHORE TO HIDE THE TRUST FUNDS EVEN MORE ADEQUATELY FOR THEIR FULL GAINING OF ALL ASSETS. THEY ARE ALSO DEALING IN MAIL FRAUD AND GOLD AND OTHER PRECIOUS METALS IN A "ROLLOVER" TYPE OF TRANSLATION, BYPASSING THE UNITED NATIONS' INTERNAL REVENUE AGENCY! THIS, I BELIEVE, IS A "NO-NO" BUT THAT IS THEIR PROBLEM, I ASSUME. WE ARE PLEASED TO BE ABLE TO ASSIST IN ANY MANNER POSSIBLE EVEN IF IT BE BY BEING MADE TO LOOK STUPID IN ALL THE MAJOR PAPERS OF THE WORLD! THIS ONLY POINTS UP THE INCREDIBLE LENGTHS TO WHICH CRIMINALS WILL GO TO GET ALL OF YOUR RESOURCES, CITIZENS.

This media assault has, however, damaged the Institute by incorrect accusations so the Institute fully intends to bring a massive suit against all involved parties (this has NOTHING to do with two people called "Ekker") and negotiations are under way at present to have Gerry Spence act as legal counsel. The Constitutional Law Center is in negotiations, and has been, to acquire both Gerry Spence for our cases along with Judge Robert Bork to participate when we open up the Constitutional reclamation projects.

I would guess that at some point soon Securities Division and legal authorities of the State of Nevada will enter this case in behalf of maintaining their corporate promises to incorporators in their fine State.

Why would we print all this "strategy" in the paper? Because we have not now, nor ever had, ANYTHING TO HIDE UNDER BUSHEL OR BURIED IN THE BACKYARD!

In reference to the above "settlement"

offer the Ekkers and the Institute (having agreed to this course of action) will relinquish BACK UNPAID ROYALTIES TOWARD PAYING OFF THE SETTLEMENT AMOUNTS (up to and including \$43,000). ALL BACK ROYALTIES TO THE DATE OF RELEASE OF THE INCOME FROM SAID BOOKS ARE DEMANDED PAID TO THE INSTITUTE IN ANY AMOUNT ABOVE THE SETTLEMENT OF \$43,000 (actual stated amount—in the court as of last week.) Following the date of June 9, 1993, the Institute has released ALL rights to any portion of any proceeds from Mrs. Ekker's work.

COSTLY PARTICIPATION

First Mr. Green claimed no participation or actions in the Institute—now he claims BECAUSE he was a participant (Officer and Director) he gets to keep the gold he thieved. Well, the Institute asks that we publish further information as to

just how costly this man has been to the INSTITUTE.

Ekkers had already set up funding resources which would amount to a minimum of \$242 MILLION dollars for project funding—with proposals already accepted. Mr. Green said the resource was a “con man” after meeting this person briefly and told the other parties in this location as much. So it was decided that NO FUNDS TOWARD THESE INVESTMENT FUNDS WOULD BE UTILIZED IN ANY MANNER BY THE INSTITUTE—the funds are now in a bank and being transferred and the Institute has no access to any of them.

Next came another resource of funding and Mr. Green again refused to consider ANY participation and, therefore, the Ekkers and others PRIVATELY and PERSONALLY raised necessary money and project proposals in lieu of the Institute—being “controlled” by one George Green. THOSE FUNDS ARE NOW STARTING TO FLOW

AND, AGAIN, THE INSTITUTE HAS NO LEGAL RIGHT TO ANY OF THEM! GOOD LUCK, AMERICA, HAVING THIS MAN OUT THERE WITH HIS COLLEAGUES HELPING TO “SAVE” YOUR NATION AND CONSTITUTION SHOULD GIVE YOU QUITE A BIT OF INDIGESTION.

Will the Ekkers and other parties share with the Institute? Yes, but only to the point of bringing it totally covered in every respect and then it will be utilized only for security of prior participants. NO FUNDS SHALL BE BROUGHT INTO ANY USE UNTIL SUCH TIME AS THE PROJECT ENTITIES ARE IN FINALIZED FORM FOR THERE IS NO CLAIM TO ANY FUNDS BY EKKERS PERSONALLY AND NEVER SHALL BE. DORIS AND E.J. RATHER HOPE MR. GREEN CHOKES ON HIS OWN GREED, AS DO PARTICIPANTS IN THE INSTITUTE!

We will, elsewhere in the paper [see pages 9-14], offer for your perusal more on the Green debate.

Tinkered Gene Horrors At *YOUR* Supermarket

6/10/93 #1 HATONN

As we sit to work this morning let us be ever grateful for our guidance and our direction in the Light of Holy God whose blessings and Grace shall allow our work to flourish.

FIRST, SOME NICE WORDS ABOUT CONTACT

This paper is truly becoming a Voice of Truth for you-the-people FROM you-the-people and our appreciation is without measure to you who continue to share that your brother might again find Truth and Freedom in this blessed land and within the soul. Higher Source needs no further thanks than to witness you taking the helm and fording the rough seas.

You have had great results in your bringing attention to things such as genetic alterations and viral manufacture. Does this mean that WE did anything so wondrous? No—YOU DID! YOU provided that which could give credence through the only way you can apply this guidance—through allowing us “SELECTION” from

the uncounted false writings and allowing us to CORRECT expressions which are misleading and in error. We claim nothing of originality except further vision, KNOWING, and as “wayshowers”. Blessings are rested upon you wonderful warriors for your nation and freedom—both for soul and planet.

Elsewhere in this edition of this paper will be other articles, some reprintings—some new, interviews and new material on genetic alterations and DNA replication and alteration.

LET IT BE KNOWN THAT THE “MYSTERIOUS” DISEASE IS CAUSED BY SEVERAL “THINGS” BUT THE VIRAL MUTATION BEING UTILIZED IS ONE WHICH RECOMBINES AND FORMS ITS OWN SPECIFIC TOXIN WITHIN THE INTEGRATED SYSTEM OF THE HOST.

We are dealing here with pararetroviruses, retroviruses, recombinations and pseudorecombinations. This means that in transferring viruses related to an intentional switch, there is a cross-DNA reaction which, in the switch, creates **super virulent hybrid viruses**. This is not hyper-space scientific fiction—it is easily

identified and the transfer into specific recipients KNOWN and observed.

You who have waited long for information from Canada will get it right now—however, you want earth changes—THIS IS MORE IMPORTANT.

I will offer here an article from a publication called, as nearly as we can decipher from the fax, *ALIVE*.

It is titled *TINKERED GENES IN THE SUPERMARKET* by **Joseph E. Cummins**. **We will be sharing more information and reading resources at the end of the article retyping. I am asking Dharma to retype it for the copy is poor but, more importantly, since we are working on our own research—I feel she must have this data input. THANK YOU, CANADA!** And, not to be outdone, we have new “Hart” writings from New Zealand to share. The work is true and uncomfortably terrible in text BUT, it is, this time, done in a most entertaining manner of writing. We will effort to get to that also, if this week's time permits.

Then, from South Africa comes some of the most advanced materials (beyond Russell's work) but this may need more

explanation and, until some things are settled with the University of Science and Philosophy as to the primary premises, we shall monitor for the appropriate time for the sharing.

But now we shall turn back to the most important matter at hand today:

QUOTING:

TINKERED GENES IN THE SUPERMARKET

By Joseph E. Cummins
with appreciation to *ALIVE* (Canada)

An ominous global picture appeared last year when the US vice-president announced that the US will allow sale of genetically engineered fruit and vegetables.

Gene-tinkered crop plants being prepared for market include potatoes with genes from chickens, silk moth or bacteria; tomatoes with genes from flounders, bacteria, or virus; corn with genes from bacteria, fire fly or wheat—along with numerous other examples.

The biotechnology industry hopes to market such crops without labelling them or testing them on animals, obliging the people of North America to be white mice for their experiments. Such tests on humans have already led to disaster. A food material sold in natural food stores—*Tryp-tophan* (*Nature's Bounty, Showa-Denko Co.*) **WAS CONTAMINATED BY A BYPRODUCT PRODUCED BY A GENE-TINKERED BACTERIUM.** The byproduct caused an autoimmune blood disease called *eosinophile myalgia* syndrome (a disease somewhat similar to Lupus). The disease killed 27 people and permanently injured between 5,000 and 100,000. Among the victims was a goalie for the Islanders, Mark Fitzpatrick, a 22-year-old from Vancouver, whose playing life was threatened.

These were the first acknowledged victims of biotechnology—but not the last.

The main problem with biotechnology is scientific imperialism. Scientists are a pampered minority, who frequently have little or no contact with average people and they distrust average people. Jim Watson, a co-discoverer of the DNA structure, states about biotechnology in his book *The DNA Story* (1981), "It was never the intention of those who might be called the 'molecular biology establishment' to take the issue to the general public to decide."

My direct experience was in a Canadian legal public hearing about biotechnology regulation (1990). The chairman of the session on human health impacts was an industrial consultant hired by the government. That chairman refused to hear my witness statement even though I am more than qualified as a professional geneticist.

"Disagreeable evidence" was deleted!

Scientific imperialists hold key positions in academic publishing and government bureaucracy. They are ruthless.

THE PRINCIPAL THREAT

The main threat from gene-spliced crops lies in esoteric aspects of genetic engineering used in producing the transgenic crops. Essentially all of the crops will be bearing **antibiotic resistance genes from bacteria.** Such genes are needed in the early stages of gene-tinkering but are unessential in the final crop. There is every reason to believe that the widespread dissemination of antibiotic genes to crops will be followed by the transfer of the genes to pathogenic organisms. Resistant forms of pathogens are already causing uncontrollable increases in tuberculosis, venereal disease and fatal diarrhea targeting small children. (It was possible to trace drug resistant pathogens from ill calves to a farmer, then to his daughter, then to her infant, then to other infants in a hospital nursery!)

Medical authorities predict that Draconian isolation procedures and closed wards for sick people will appear as antibiotic resistance amplifies.

The biotechnology industry has no substitute for the antibiotics being rendered useless by their use in crop plants. A procedure called "plasmid rescue" allows the antibiotic resistance gene cassettes to be transferred from crop plants to soil bacteria while MOB genes transfer the cassettes to disease-causing bacteria. Food allergy is a potent threat, with enzymes for antibiotic resistance along with proteins and enzymes for most of the crop modifications for storage, drought and pest resistance. Food allergy creates symptoms from migraine headaches to asthma to diarrhea to death.

Allergens are substances causing allergy in sensitive people. Among these substances are enzymes, food additives and foreign materials in food. You may recollect the powerful allergic response to many people when enzymes were added to laundry detergent.

Hundreds of thousands of sensitive North Americans will die and millions will suffer from gene-tampered crops. The biotechnology industry has evaded financial responsibility in the disaster by a "sweet scam" in which they received prior government approval without testing. Cereals (especially wheat) are among the important foods which, on ingestion, produce respiratory, gastrointestinal or skin problems in sensitive people. Wheat gluten has been implicated in schizophrenia. Transfer of wheat genes to other cereals or corn might greatly increase incidence or impact of schizophrenia. Yet such transfers are

being prepared for market. Interestingly, spider toxins are being engineered into the insect viruses being sprayed on crops or into the crops to fight insects. These toxins not only kill insects but they cause strong allergic response. The "safety" of the toxins has been approved based on highly theoretical computer models of human nerve channels. Such models ignore allergy.

Another area of gene modification is introduced male sterility as an aid in hybrid seed production. Many of the introduced genes are synthetic "anti"genes that seek and destroy normal fertility genes. Fertility genes influence fundamental processes such as *meiosis* (gene changes during formation of egg and sperm). Such genes are based on genetic consensus, thus they are highly conservative. What I am saying is that many of the same sterility genes are likely to affect humans as well as corn, tomatoes and lettuce. **[H: This is actually a deliberate depopulation mechanism. You note that it is and will be utilized in your most popular salad and most widely preferred vegetables.]**

It is folly to allow general release of such detrimental genes. In Canada and the United States most of the several hundred field tests are being undertaken by multinational chemical companies with government and universities providing few tests. All of the transgenic crops have bacterial antibiotic resistance and 81 percent of the tests are for herbicide tolerance (promoting use of polluting chemicals) with male sterility the other main test. These tests are being done with little or no monitoring and are being done near population centres by the multinational corporations.

GENETIC SUICIDE

For reasons that are rather technical, most of the crop plants are engineered to include gene switches (promoters) that make up a large part of the Cauliflower Mosaic Virus (CaMV) chromosome. CaMV is a pararetrovirus related to the hepatitis B virus and to HIV, the AIDS virus. Such switches may be transferred to infecting viruses to produce more deadly strains by a process called recombination. Such recombinations have recently been observed in the laboratory. As well, a process called "pseudorecombination" allows the artificial gene switches to be transferred to viruses unrelated to the switch, creating super virulent hybrid-viruses. Such genetic accidents have been observed in the laboratory.

China is currently planning to test crop plants and microbes altered for enhanced soil fertility in test plots spanning several square miles. The spread of antibiotic resistance genes in the cre-

ation of virulent new crop diseases and evident food allergy is likely to be observed in the trials. The public should be careful to ensure that scientific imperialists do not "cover-up" the damaging results or suppress their release to the public. [H: FAT CHANCE!!] However, it will be impossible to stop them from down-playing and obfuscating detrimental findings.

[H: This can be noted TODAY. This article had been sent to the major media outlets and this morning began the run on CNN. You will not, I'm sure, recognize more than tiny portions of the information—it was so DOWN-PLAYED as to some "possible occurrences of allergies". I believe you can see, in addition, the REASON this would be loosed in China where families are LIMITED TO NO MORE THAN ONE CHILD. THIS WILL TAKE CARE OF THE OVERPOPULATION AND SELECTED BREEDERS CAN THEN BE UTILIZED FOR AN 'IMPROVED' RACE OF PROGRAMMABLE OFFSPRING. GROAN NOW BECAUSE IT IS HERE! IN ADDITION, DO YOU REALLY THINK "THEY" ARE GOING TO ALLOW US TO JUST COME UP WITH CUTE LITTLE ANTIDOTES? OF COURSE NOT, SO YOU WILL JUST HAVE TO MAKE DO WITH WHAT YOU CAN GET IN THE LINE OF THE CHONDRIANAS AND GAIANDRIANAS, FOR THE BEAST HAS

LOOSED HIS VENOM ALREADY UPON YOU.

This means in full realization that the alterations are going to be specific and alterable as they enter the individual body system. If your immune system is weak in any manner whatsoever, you cannot handle this powerful mutation process. As with the "venom" there will be combinations which will further result in release of the venom in point and kill through toxicity just as would the bite of a viper. Good luck, world, for it rests with YOU.]

Even though governments do not plan to require gene-tinkered crops to be labelled, the public should demand such labelling. However, scientific imperialists have been well known to sneak banned tests through, as occurred early in the development of biotechnology. An inexpensive monoclonal antibody test (ELISA) for measuring the products of tinkered antibiotic resistance genes should be made available to the public prior to sale of any tinkered crops to the public. Such tests are inexpensive (about \$4 to \$10 each) and simple to perform. For example a fifth grade class proved perfection in analyzing an arcane human growth factor using an inexpensive ELISA test. Such tests are now readily available for pesticides and easily pre-

pared for ferreting out gene-tinkered crops. Healthy people need to use such tests to stay that way.

George Green Tells A Few Too Many Lies

6/10/93 #2 HATONN

ONGOING SOGGY

We are a bit overwhelmed with results of our promising to print information on all sides of the George Green (for lack of better identification of subject) ongoing happenings and attempts at "fair" publishing of information. I have to ask Dr. Young to bear with us for I made a commitment and did not clear it fully with him and he had no way to anticipate the influx of information on this case. Back-up data has poured in and, fortunately for us, it is positive to us. It is not so positive to Mr. Green and his team, I note.

However, since we have no pertinent CURRENT correspondence or personal contact writings, we shall do our best to present the court documents in latest filing—re-

garding the gold coins in effort at fact discovery and efforting to have the coins returned to Dave Overton, the original "sender" of same.

First, as also promised to one Richard A. Landkamer of Texas who is a research investigator, we will offer his open letter [keep reading below] to Mr. Green of June 4, 1993 (received yesterday). This ongoing investigation into this matter by Mr. Landkamer is a continuation of "connections" with ones such as "Dr. John Coleman" (alias Joseph Pavlonski), the "Phoenix Club" "investment advisors", et al. I would, if we had the space, finances and time—RUN EVERY WORD OF THE DOCUMENTATION ACCUMULATED BY MR. LANDKAMER IN THESE MATTERS.

I honor his capable and meticulous investigations and, yes, certainly realize that our work is under as intensive magni-

fication as is anyone else's. Frankly, that suits us just fine!

I am asking Mr. Martin to personally contact Mr. Landkamer and request that he critique some 900 pages of legal brief and attachments of verification to the statements in arguments in the brief, of one Mr. Nelson who has done some of the most incredible compiling of Constitutional proof of intent to destroy your nation by the United Nations and their enforcement "black operations" troops. The ones at other locations doing great work need this integration of material and yet it is so time-consuming that it needs close scrutiny and analyzing before getting hopes high and-or being cast aside by pure overwhelming quantity of paper-work.

As we move along we fully intend to bring in ones such as Gerry Spence, Robert Bork and other equally well recognized

Constitutional legal minds—IF THEY WILL AGREE TO WORK WITH US. WE ARE NOT TALKING “FREE” WORK—BUT RATHER, “WORTHY” WORK. WE ARE CLOSING THE CALIFORNIA BRANCH OF THE CONSTITUTIONAL LAW CENTER IN SACRAMENTO—not the concept or the entity. It is badly “in the hole” but with changes in thrust we believe that Mr. Dixon can continue the already begun Constitutional reclamation as was the point of the Center in the first place. There will not, however, be either finances or time for individual persons’ cases, but full thrust will be to reclaim and legally set forth our old nation and sovereign rights and States.

At any rate, at this time I will print the Landkamer re Green open letter and you will have to refer to back issues of *CONTACT* for reference for I suspect Dr. Young will not have space to run the accompanying material. We shall leave that up to Dr. Young and the *CONTACT* staff. Obviously the references would give the letter more clarification. Thank you.

QUOTING: OPEN LETTER

TO: Mr. George Green
America West Publishers
P.O. Box 2208
Carson City, Nevada 89702

Dear Mr. Green:

As of this date, I have not received any reply regarding my previous letter to you of April 18, 1993, a photocopy of which I enclose for your instant reference. Meanwhile, I have received copies of some (not all) of the court pleadings and motions in your two lawsuits with the Ekkers and the Phoenix Institute for Research & Education, Ltd. Basically they sent me their side of those two lawsuits. Now I am writing to you requesting copies of all of your pleadings and motions in those two lawsuits. Although the Phoenix Institute sent me for free copies of some of their pleadings and motions, I am willing to pay you up to 10 cents per page for copies of some or all of your court pleadings and motions in those 2 lawsuits.

I recently subscribed to *CONTACT*, which is the successor publication to *THE PHOENIX LIBERATOR*. *CONTACT* is publishing various allegations regarding their side of this litigation. If you are putting out any publication that is presenting your side of this litigation, please let me know, and I

will subscribe to it in the interest of trying to read both sides.

The May 25, 1993 issue of *CONTACT* is starting to publish some information that I recently sent to them regarding various newsletter writers, particularly Larry Abraham and Harry Shultz. It might interest you to know that I sent most of that same information to “Dr. John Coleman” approximately 2 years ago, but to my knowledge he never did anything with it.

The May 25, 1993 issue of *CONTACT* also contains an article entitled “Beware! Money Advisory Newsletters”, which reprints part of an unpublished manuscript that was written by Mr. James E. Braddock of Albuquerque, New Mexico, without crediting Mr. Braddock as the author. This same article was previously published in the October 13, 1992, issue of *THE PHOENIX LIBERATOR*. In your letter to me of April 2, 1993 you wrote that “As of July 1992, I have had nothing to do with *THE PHOENIX LIBERATOR*.” Mr. Braddock would like to know how *THE PHOENIX LIBERATOR* ever acquired a copy of that unpublished manuscript in October 1992 since he insists to me that he only sent a copy to you and not to *THE PHOENIX LIBERATOR*.

Enclosed is a copy of an article published in the May 11, 1993, issue of *CONTACT* entitled “George Green Sues Jesus Christ”. If there is anything in that article that is false or inaccurate, please let me know in full and complete detail. Also, enclosed is a copy of “An Open Letter to George Green And His Crooked Cohorts” that was published in the May 25, 1993 issue of *CONTACT*. Please inform me of each and every allegation contained in this “Open Letter” that you consider to be false or untrue.

Finally, the article by Eustace Mullins that was published in the September 22, 1992 issue of *THE PHOENIX LIBERATOR* entitled “Some Illuminating Background On the Character ‘John Coleman’ ” was never published by Lawrence Patterson in his *Criminal Politics*. Eustace Mullins wrote me that Mr. Patterson sent a proof copy of that article to the late Ivor Benson in England, and Benson then mailed out 1,200 copies of that article.

Awaiting your response to the above matters, I am,

Very truly yours,
Richard A. Landkamer

END OF QUOTING

Before we run the pertinent answers to opposition, etc., from George Green (next in the ongoing litigation process), I must tell you that the law firm which had, so far to date, apparently been working on George Green’s side as much as on the side of the Institute—asks for release. Months and

months into two cases that should have been concluded on the first day of upstart, this firm wants to get out of further relationships. I think not, Sirs, you have breached every ethical boundary, failed to bring forth pertinent information in counter motions and I believe that our own team of legal investigators will simply HELP you write your case. The Institute is taking control of its own stability and foundation and is looking into all activities of the Ekkers as well.

I ask that the letter sent by Greens to all their mailing list early on in this encounter (stating all of Green’s **non-connections**) be run prior to the next document. [Editor’s note: That **INTERESTINGLY CONTRADICTORY** letter from George and Desiree follows this paragraph. It is extracted from pages 29-31 of the 2/16/93 *PHOENIX LIBERATOR*.] Ones from here will also remember that many corporations and persons were in attendance at a hearing in Nevada and WITNESSED Mr. Green, **under oath**, DENY ANY OFFICERSHIP OR DIRECTORSHIP—OR ANY CONTROL OR PARTICIPATION WITH THE PHOENIX INSTITUTE FOR RESEARCH & EDUCATION, LTD. [Editor’s note: For you students of body language, while on the witness stand stating these various whoppers, he was also observed to be fidgeting as uncontrollably as one about to have a major nervous breakdown. Doesn’t exactly suggest a man at peace with his “conscience”, does it?] Even when presented with documentation he continued to make other excuses of paperwork and to deny any such status in the Institute. Mr. Horton repeated the statement and again asked Mr. Green to restate his “non-attachment”.

AMERICA WEST PUBLISHERS
AMERICA WEST DISTRIBUTORS

P.O. Box 2208
Carson City, NV 89702

(702) 885-0700

February 8, 1993

To: Our friends, supporters and readers of the *Phoenix Journals* and *Phoenix Liberator*.

Dear Friends:

Since many of you are calling and asking

"What is going on in Tehachapi?" We have decided to clarify our position and our discernment on this matter.

First of all America West and George and Desiree Green are not affiliated with or in control of **The Phoenix Liberator, The Phoenix Institute, Tehachapi Distributing, The Word, The Constitutional Law Center** and any other "businesses" from Tehachapi, California or Las Vegas, Nevada.

When we entered this mission over 3 years ago, our agreement was to publish and distribute the books called *Phoenix Journals* transmitted by Commander Hatonn and other Hosts primarily to the "receiver" named Dharma (Doris Ekker). Also we agreed to be spokespersons to introduce these incredible volumes.

With the suggestion of Hatonn, we started a newsletter at first titled, *Phoenix Express*, and then changed by the Commander to *Phoenix Liberator*. We simply paid for the publishing and distributing of this paper, we did not, nor ever have we had control of the information which was printed in both the *Liberator* and the *Journals*. It was our understanding that this was Commander Hatonn's paper and so he decided on its content. Also in the beginning he said we could not edit the content except for spelling and punctuation. This we agreed to.

America West and the Greens moved all publishing and distributing operations to Carson City, Nevada in June 1992. Commander Hatonn demanded that the *Phoenix Liberator* be left in the hands of his Tehachapi people, namely Doris and E.J. Ekker (also known as Dharma and Oberli.) America West agreed to continue publishing and distributing the *Journals* from the Carson City location. At Hatonn's request we left nearly \$80,000 in *Journals* and other books in Tehachapi to be sold at meetings to visitors (not by mail). These we billed to the *Phoenix Liberator* at 50% discount and to date have received no payment for same. (These were left in addition to the \$180,000 in *Pleiades Connection* books and tapes we were advised to ship to Tehachapi.)

Please be aware that America West and the Greens have personally invested in excess of \$500 thousand dollars in this project in the course of the past three years. In addition to the time on the road in seminars, we have devoted our lives to this project of awakening mankind to the problems we face on this planet. During the course of the last few months many strange, inaccurate, contradictory

and confusing things have been written about us. Now, we must inform you that after serious soul-searching, we have come to the painful conclusion that we can no longer rely or depend upon that source of information.

In view of this, we have decided we can no longer support material printed in the *Liberator* and new *Journals* as 100% accurate. (Last *Journal* we published is, "*Reality also has a Drumbeat*").

[*Editor's note: It should be mentioned here that there was actually one more JOURNAL after DRUMBEAT placed in the hands of the Greens to be published. We do not know the status of that JOURNAL, called AS THE BLOSSOM OPENS. Moreover, if, as George Green has been widely telling people, the real Hatonn left Tehachapi with the Greens in the late June-early July time frame, then why would this publisher have continued publishing and promoting as valid those last ten or so JOURNALS, written since early summer, by the "fake" Hatonn? These are, by the way, only two of a number of what could politely be called "slight inaccuracies" mostly being overlooked in this writing.*]

This does not mean, however, that America West and The Greens will stop our work in publishing, distributing and speaking about TRUTH contained in *Phoenix Journals* and other publications. We have published over 50 *Phoenix Journals* and to the best of our knowledge, MOST of the information, until recently, is valid...at least we have received outside verification on much of it.

Despite this separation from this source, we will continue to work to the best of our abilities to publish the Truth to share with our readers. We, like you, are constantly working to expand our knowledge and learn the truth from a variety of resources in all circumstances.

Just to set the record straight, America West is not in danger of being shut down by the University of Science, nor are George and Desiree in jail for any reason. We are currently working with our attorneys to settle this case.

We are very sorry and saddened by these events. Remember Commander Hatonn told us many times to sharpen our discernment abilities and question everything. Well in this case, it seems to be the ultimate test.

The good news, friends, is that America West and the Greens are still hard at work to help people prepare for the times

we are in. If you would like to have the Greens speak in your town, please contact Grant (702) 885-0700 for details. If you have a manuscript about any true conspiracy, whether it be health, political, economic, geophysical or spiritual please send it to George Green. We are actively seeking to publish and distribute books of truth from the human sector to confirm what Commander Hatonn has introduced to us via *The Phoenix Journals* as well as books on survival skills.

We hope this letter clears up some of the confusion you may have had. We welcome your letters, suggestions and ideas about the mission of awakening people. We are grateful, in spite of these painful lessons, for this opportunity to grow spiritually and continue God's mission. If you have further questions about this letter, you may call George at (702) 885-0700. Thank you for "listening" and we wish you God's blessings of Love, Peace, Joy, Inspiration and DISCERNMENT.

Sincerely,

[hand-written signatures here]

George and Desiree Green

LIVING YOUR DREAMS

Greetings precious little dove, Druthea. I AM Sananda. I AM the one known as Jesus the Christ and by many other labels. I come in service to Holy Creator/ Great Spirit of ALL. Let us sit and share a prayer from a blessed brother who walked your place. His name was Sitting Bull.

*O'great spirit,
whose voice I hear in the winds,
and whose breath gives life to all the world,
hear me! I am small and weak, I need
your strength and wisdom.*

*Let me walk in beauty, and make my eyes
ever behold the red and purple sunset.
Make my hands respect the things you
have
made and my ears sharp to hear your
voice.*

*Make me wise so that I may understand
the things you have taught my people.
Let me learn the lessons you have hidden
in every leaf and rock.
I seek strength, not to be greater than my
brother, but to fight my greatest enemy -*

myself.

Make me always ready to come to you with clean hands and straight eyes.

So when life fades, as the fading sunset, my spirit may come to you without shame.

Thank you for this sharing. This allows you each to remember why you are here and what is most important above all human experiences; that of perfecting your soul in honor and glory toward the true perfection of Our ONE Creator.

When you each learn to remain true to only self with integrity of growing beyond human emotion and limitation of understanding, you sit in the palm of God SOURCE. You accept responsibility where it yours and you reject that which is not yours. You sit in council only with that SOURCE of LIGHT within you, when you lay in your deepest despair and confusion and as ONE with Our SOURCE you sort it out carefully and purposefully until the lesson is accepted by your soul, the forgiveness extended where necessary, and compassion and understanding replace the hurt and anger once harbored as a poison seeking refuge in your mind and body material.

We of the HOSTS of GOD of LIGHTED SOURCE witness the painful repression of creative expression, of idea, of exploration within the mind of GOD. WHY? You ones are afraid to disagree with one another or even with God's Hosts. For somewhere, sometime, someone or ones made it incredibly uncomfortable for you to disagree with them. Rather than persistence which often led to conflict, it was simply easier to give up the effort. Keep the semblance of peace while the war began to rage within. Many of you have turned your bodies and minds into battlegrounds of repressed hostility and anger and you most often bear those scars into your death.

This is simply, precious ones, a matter of not knowing how to have discussion without seeking to always be RIGHT, instead to explore possibilities with those you live and work with. Perhaps one of the most painful feelings is that of feeling that you are not appreciated for your work or intelligence, creativity or the like. Many women have allowed themselves to be seen and not heard until most recent times in your history.

And children who are not allowed to be heard and to have sharing of an idea or explore a possibility often remain closed and unable to communicate effectively. Many of these now adult people run governments or manage others in corpo-

rate affairs. They remain the "walking wounded" until they take responsibility for finding the cause of their own despair and anger and begin the steps to recovery. Most often these ones know not now to change and see not the problem in self, instead cast outward the blame for the circumstance which imprisons and poisons them and is of their own making.

When you ones who effort to work with others with common goals and interests to prepare for the transition times, learn to speak frankly and directly to one another about fears, concerns and goals, you will avoid much heartache in the way of failing interrelationships. Too much power allowed to only one or two usually corrupts not only the ones holding power over others, also the ideals of a given community are forgotten to protect the selfish needs of the one or two who become addicted to the power. Look at your world and you can see this occurrence nearly everywhere beginning right within the family structure through to the dreaded One World Order.

When the ones holding power are challenged and disagreement arises over how affairs are handled, and the ones disagreeing are not heard and allowed discussion, you have dictatorship. There is not a soul existing who will not rebel against inability to express itself creatively. Creative expression is the LIFE of the soul growth, it is the song of joy and inspiration shared by Our Divine Father. In the human experience, those in power will always try to discredit or destroy ones who challenge their power and authority and need to "do it my way or no way" attitude".

It is so common, precious ones, that now most of your countries and governments, institutions, corporations and families operate with the iron fist of "might over right". (Our computer power was just eliminated, which nearly broke the heart of Dru. With our instruction she has retrieved all of the document and power is returned.)

It is time to learn a different way and this we will offer and instruct as requested and desired. There must always be rules and mutual cooperation in adhering to the Natural Laws of God and Creation. These are absolutes of which there must be no compromise. Since you ones are born with these in your soul then it is a matter of achieving and sharing the wisdom of why the laws are irrefutable. Honor your neighbor as God honors you and you honor self as you honor God/Creator. Honor, therefore, Creations which are abounding in your experience for in this way you honor nature and her ways

and then harmony can be achieved within self.

You are children of one family, the family of Creator/Creation. When you fully understand the wisdom of ONENESS, your spirit will lead you to those of like mind who seek cooperation and achieving service to Creator in honor and integrity to perfect his/her own soul. YOUR mission and purpose will simply be THE mission and purpose of Creator. You will release the me-self to the one-self and thereupon achieve true peace of mind. You will not longer fall in to the trap of victim, martyr or feel inferior or superior for these are games of the human mind which you all will eventually grow beyond. Then, precious ones, that DREAM that every soul dreams will be yours to live; peace and love within and oneness with all. So be it.

Thank you Dru thea for sitting with me. I see the aching heart is healing and you my precious have gained a bit of wisdom in these past months. Your only "crime" Dru if you must find fault in self, is too little faith in self AND Creator and let me share with you that this is what ALL of you suffer from to some degree or more. We will together build your faith and trust in God's voice within and in time when the wounds have healed, you will look upon this "dark" time with gratitude and acceptance.

Thankyou precious brethren, for allowing me council with my scribe of personal nature. Sometimes, although she hears well now, she needs to "see" the words as you are. Thank you for pondering these lessons. You are growing and Our Father is well pleased, whether you know this or believe it not. Let us close this document. I AM Sananda. Commander in Chief of spiritual growth and transition in behalf of My Father, God of Light, and Creation. Salu.

Now comes Mr. Horton (attorney for Green et al.) with this next document in behalf of Mr. Green as pertains to the gold coins Mr. Green took SECRETLY across State lines and **buried in his backyard.**

QUOTING:

IN THE NINTH JUDICIAL DISTRICT COURT OF THE STATE OF NEVADA IN AND FOR THE COUNTY OF DOUGLAS.

PHOENIX INSTITUTE FOR RESEARCH & EDUCATION, LTD., a Nevada corporation, PLAINTIFF

vs.

GEORGE W. GREEN, DEFENDANT
ANSWER TO OPPOSITION TO MOTION FOR PARTIAL SUMMARY JUDGMENT AND OPPOSITION TO CROSS-MOTION FOR SUMMARY JUDGMENT.

SUMMARY

DAVID OVERTON GAVE GOLD COINS TO GEORGE GREEN TO BE USED FOR PUBLISHING THE "LIBERATOR" AND THE "PHOENIX JOURNALS" AS WELL AS FOR PERSONAL PURPOSES. THE COINS WERE NOT USED FOR PERSONAL PURPOSES, BUT DID SERVE AS A BASIS FOR MR. GREEN TO LIQUIDATE OTHER HOLDINGS TO SUPPLY THE CASH FOR PUBLISHING THE "WORD" SUPPLIED BY THE EKKERS. **GEORGE GREEN ACQUIRED THE COINS EITHER BY GIFT OR BY PURCHASE (THEREBY SAVING THE COST OF BROKERAGE FEES). IN EITHER CASE, THE COINS BELONG TO GEORGE GREEN. [H: Everybody with me so far??]**

I

PLAINTIFF SHOWS NO CONTESTED ISSUE OF MATERIAL FACT THAT WOULD DENY DEFENDANT PARTIAL SUMMARY JUDGEMENT.

1. Plaintiff opposes Defendant's Motion for Partial Summary Judgment on the grounds that David Overton, after he sent the gold to George Green, and after he had received many communications from the Ekkers (whom he believed to speak for God). See, for example, Overton Deposition.....thought that what he really intended to do some 20 months earlier was something else than what he did? **[H: ????? The gold transaction had been kept totally secret and outside the knowing of the Ekkers UNTIL MR. OVERTON CONTACTED THEM WITH THE INFORMATION AND ITEMIZED LISTING AND SHOCK THAT THE INSTITUTE HAD NOT RECEIVED THE GOLD. (ALL DOCUMENTED!) Stay tuned, however, for it DOES get better.]**

2. Exhibit 11 of the Overton deposition is a letter sent by David Overton to E.J. Ekker dated February 13, 1993, saying, "Many thanks for the Hatonn transcripts, letter copies and tape involving George Green, et al., against the Ph. Institute participants." Defendant has requested the "transcripts, letter copies and tape," and any other communications sent to David Overton since the gold was sent to George Green, and such material has not yet been supplied. **[H: That's cause there 'ain't any more'—since the Ekkers knew nothing of the gold transaction until notified by Mr. Overton there certainly was no need to find out about any specific gold. George Green has had all that information since day one. The subject came up in the paper because of theft by Gary Anderson of Constitutional Law Center funds into banks through his own (with Green's participation and active forwarding of checks) Constitutional Law Centre and other notable**

"missing" funds—Mr. Overton responded regarding HIS gold shipments, as did several OTHERS! WE ARE STILL WAITING FOR YOUR COUGHING UP THE \$182,000 IN CANADIAN MAPLE LEAF COINS IN ADDITION TO THE OVERTON GOLD WHICH HAD NO MAPLE LEAF COINS.] This requested material could shed light on the question of how it came about that David Overton sent the gold to George Green authorizing its use for *even* personal uses, and then later came to contend that E.J. and Doris Ekker should have gotten it, or part of it.

[H: Well, Mr. Horton, the Ekkers and Institute would like further definition as to WHY Mr. Green went so far in his cover-up as to say the "gold belonged to the Ekkers and he (Green) BOUGHT IT FROM THEM and had the cancelled checks to prove it—in the amount of \$125,000, \$100,000 and a quarter of a million dollars." Since they knew nothing of the gold and have not RECEIVED the money from the drafts as described—they are quite curious indeed and the Institute would surely want to institute charges and collection against the Ekkers if this is found to be true.]

3. However, it is apparent from the material published by Plaintiff (that was also sent to David Overton) that the statements made concerning George Green were not correct, and in fact were false and defamatory (see exhibits attached.....).

4. For this reason, statements made by David Overton after he sent the gold are **NOT RELEVANT** as to what he DID at the time he sent the gold and told George Green he should use it for any purpose he saw fit, including personal purposes. **[H: A-hmmnn. The emphasis is mine. However, how, under any circumstances could Mr. Overton's statements (after all, he owned the gold in point) NOT BE RELEVANT?]**

II

[H: Now keep a close eye on the following for it is filled with "estopples" and other legal garbage so if you don't pay attention you will miss the content of the message.]

PLAINTIFF IS ESTOPPED TO DENY THAT THE GOLD BELONGS TO GEORGE GREEN BY THE EXHIBIT ATTACHED TO ITS OPPOSITION TO MOTION FOR PARTIAL SUMMARY JUDGMENT.

5. Exhibit 1 is attached to Plaintiff's Opposition, supposedly signed by Doris Ekker on August 10, 1990, is represented by Plaintiff to show that George Green **[H: Still watching??]** was an officer of the "PHOENIX INSTITUTE FOR RESEARCH & EDUCATION, LTD." AND AS SUCH OFFICER, **GEORGE GREEN HAD THE POWER "TO PURCHASE AND SELL ASSETS" INCLUDING PRECIOUS METALS "UPON SUCH TERMS AS THEY SHALL DEEM IN THE**

BEST INTERESTS OF THE CORPORATION. ONLY ONE SIGNATURE WILL BE REQUIRED TO BIND THE CORPORATION; THE CORPORATION HEREBY RATIFIES AND CONFIRMS ANY AND ALL PREVIOUS ACTS OF THESE OFFICERS AS THOUGH SUCH ACTS HAD BEEN COMPLETED AFTER THE EFFECTIVE DATE OF THIS RESOLUTION." [H: Underlining done at source—not mine.]

6. This representation estops Plaintiff from denying that George Green had authority to do precisely what he claims to have done in this proceeding—notwithstanding his position that the gold was given to him [H: emphasis from origin], he proceeded to pay for the gold by using other of his personal assets to meet the expenses for which the gold was supplied, and thereby avoided the losses of brokerage fees that otherwise would have been deducted, leaving less money to be applied to the publishing costs. **[H: WOW (!!!)]**

7. Plaintiff, having represented to the Court that George Green had **authority, on his initiative alone, to bind the corporation, Plaintiff is now estopped to deny what it has (presumably) in good faith represented to the Court.**

8. "(E)stoppel is a bar which precludes a person from denying or asserting anything to the contrary of that which has, in contemplation of law, been established as the truth, either by the acts of judicial or legislative officers, or by his own deed, acts, or representations, either express or implied".... [H: and bunches of citations, all of which are supposedly unacceptable in the form issued in the State of Nevada.]

9. In the instant case, the estoppel arises from the representations made by Plaintiff to the Court that George Green had authority to act for the corporation.

[H: Now before we go further, LET IT BE KNOWN THAT NOTHING OF THE SORT WAS EVER ESTABLISHED IN ANY COURT, ANYWHERE, AS THE ISSUE WAS NEVER EVEN CONSIDERED IN THE HEARING WHICH WAS WITNESSED BY DOZENS OF INTERESTED PARTIES FROM THE INSTITUTE. THIS ISSUE WAS NEVER CONSIDERED, MUCH LESS DECIDED.]

9, 10, 11, 12, 13: All are long citations and references to "Estoppel".

14. It does not now lie in the mouth of Plaintiff to claim that its own representations would not be believed, or that George Green, who acted within the scope of his authority, actually had no such authority. **[H: My my. Again—the issue was NOT HEARD IN THE COURT SO HOW, UNDER ANY CIRCUMSTANCES, COULD IT NOW BE RELEVANT? MR. GREEN WAS, INDEED, A DIRECTOR AND OFFICER AND IS TO THIS DATE, A DIRECTOR—ALTHOUGH IN ABOUT AS BAD A STANDING AS CAN BE IMAGINED!]**

15. Either George Green received the

gold individually, as David Overton represented when he sent it, or he didn't. If he received it as a gift, it is his by virtue of the gift, and any effort of the Ekkers to induce David Overton to change the recipient of the gift after it was delivered are ineffectual. **If George Green did not receive it as a gift, then he received it as an officer of the corporation who had the authority to sell it and use the proceeds, even for his own personal use. He sold the gold to himself and did not use the funds for his own personal use. Either way, the gold belongs to George Green and not to Plaintiff.**

END OF QUOTING

I find this to be one of the most interesting approaches YET. Mr. Green also claims he had never opened the packages of coins in point—so how could he know how much value was involved? How, further, can you hide from your corporation its own assets and be within ANY LAW ANYWHERE? In addition, **how can you buy it from yourself without even notifying the corporation that you have it and how could a "value" be established for same?** How could you settle with "authorities" such as the IRS regarding these purchases and sales WHILE HIDDEN BY BURYING IN A BACKYARD IN NEVADA? It would seem to me that Mr. Green has even OUTDONE THE KOL NIDRE! [Editor's note: That's the Khazarian Zionists' vow to never be bound to telling the truth. That's "our" George!]

So be it. We find it most interesting, however, that "our" own attorney did file a response in this matter to the above ANSWER—**after having been told to never file anything until reviewed by the Institute.** Not only was it NOT reviewed but all pertinent data was omitted (such as contradiction under oath of status of relationship with the Institute). Could there be smelly play afoot in the legal profession?—after all this law firm has asked for RELEASE from these cases involving Mr. Green—WHY? HMMM? Not, good Sirs, until we get Mr. Spence on board the other law cases and then we shall see about release and under what charges for sloppy legal work costing thousands and thousands of dollars for "losing" time after time.

ANOTHER COINCIDENCE?

We also have OTHER bad news for Ekkers and the Institute. Right out of the blue Mr. Tips is suddenly ticked off at Hatonn and asks release from Ekkers on ALL their ongoing cases—IMMEDIATELY. He even claims outstanding bills—this is NOT true! This is setting up himself to cover his assets when he demands release. He claims "friendship" greater than business cares—so he is going to drop them without floater, attorney or anything to help them. Well, maybe Mr. Spence can handle these insurance cases TOO—and get paid pretty well for the work. I sincerely hope so.

Please, readers, stay tuned, we may

need your urging for acceptance of these cases so we can get this fine man into your Constitution reclamation program. The Institute is the most important but the Ekker case will bring working funds for the Constitutional Law Center for ongoing patriotic reclamation. Dedication of all funds above legal costs is already in place for those funds into CLC. Mr. Spence, of course, is in Idaho at the Weaver-Harris trial but would probably be free following that. My guess is that if he is representing these clients—THERE WILL BE A SETTLEMENT OF SOME KIND WITHOUT ACTUAL COURT LITIGATION. THERE IS ALSO A CLASS ACTION SUIT HERE AGAINST THE WATER SERVICES DISTRICT FOR CONTAMINATED WATER LAST SUMMER WHICH MADE A LARGE PORTION OF THE COMMUNITY VERY, VERY SICK. IT WOULD APPEAR THE POWER OF A RECOGNIZED "GERRY SPENCE" MIGHT MOVE THIS CASE OFF ITS DIME ALSO?

Your judicial system has reached about as low a point in your nation as it can possibly go, readers. We can take a stand but, oh my, isn't it painful and all but impossible to even be heard. The Ekkers spent five years in full litigation after litigation hearing—AND WERE NEVER EVEN RECOGNIZED IN THE COURT. MOREOVER, THE RULINGS (WITHOUT EVEN RECOGNIZING THEM) GAVE OVER THEIR PROPERTY TO THE RTC AND THEN IMMEDIATELY SOLD IT TO OUT OF STATE BUYERS! JUSTICE? WELL, IT IS NOT GOING TO GET BETTER!

ished the "Tinkered Gene Horrors At YOUR Supermarket" writing on page 7, Commander Hatonn addressed this subject of HOW to support Perot — it would seem in anticipation of your questions! Because of its importance, I have pulled that message out from where it would have been buried, at the end of that shocking "biological warfare" story, and moved the message to follow these words, to the right. I'm sure Commander will have more to say on the matter as things unfold. Meanwhile, in quiet moments of meditation ask within and see what YOU come up with for guidance. PEROT'S

Behind The Scenes Of The New Mexico *PLAGUE*

(Editor's note: For the past several weeks CONTACT has been informing you readers about the deadly viruses and other nasty critters the Satanic Elite Controllers are dumping on we unsuspecting citizens. To put it bluntly, THE PLAGUES ARE COMING!...or, are already here, in some instances.

*As Commander Hatonn said on pages 49-50 of last week's CONTACT, "The 'new' form has been introduced into the wildlife rodent population in the areas of the "Four Corners" (New Mexico, Arizona, Colorado and Utah). The disease, however, has been noted elsewhere—in almost EVERY state—but is unreported. This means that the disease is spreading intentionally. The fact that outbreak came with more than one recipient means an introduction intentionally, for all would not become infected simultaneously from simple normal speed. 'They' are telling you it is a virus, then a cocci, then a bacteria of some kind, and then 'they don't know'. In the Western areas, as well as isolated cases nationwide, the hospital staff is FORBIDDEN to discuss the disease—most especially with journalists and reporters. This is NOT hospital policy—it is **GOVERNMENT orders!**"*

Well, we knew we weren't hearing much TRUTH from the controlled media about what was going on. Private conversations with a number of people living near that area contained interesting, nationally-unreported tidbits of information about the mystery virus that has recently taken its toll on the New Mexico Navajos.

And — what was that again — the Government was particularly nervous about trained news professionals of any variety poking around in this matter and then, horror of horrors, informing We-The-People?! So, that's EXACTLY what we did! The following is a transcription of two telephone conversations which took place on June 8, 1993 between Rick Martin, for CONTACT, and two skilled news professionals from the greater New Mexico area, Ron Sease and Wes Miller.)

6/8/93 RICK MARTIN

[QUOTING tape of telephone conversation with Ron Sease:]

This is Ron, and a couple days ago I was in Silver City in my office. I didn't expect Wes to call me but I had been thinking about him most of the day. When I was in the office, Wes called from Gallup. We were talking about this and that. What he did mention, concerning this mystery virus we have over here, is that on his radio show he asked the public to call him if they had witnessed any strange activity anywhere in the Four Corners area. He said three people did call in, and all confirmed the fact that helicopters were flying out east of Gallup.

You said black helicopters, (before we went on tape)?

Well, I noticed five black helicopters flying over Deming a couple weeks ago. I think Deming is now a refueling station for them. This was in Gallup and, **according to the people who called in, they said that they saw these black helicopters dropping a yellow-green powder on the ground, low to the ground.** To my way of thinking the wind would catch this and kind of spread it all over the place.

There's been a lot of speculation. Wes did confirm a dump site depot there for World War II or earlier type of nerve gas. They have since moved that all up to Utah. The speculation is that they are disarming these canisters of the active agent and just dumping out the powder. But according to Wes, the nerve gas—these containers—have been removed from New Mexico and taken up to Utah, above the Four Corners area.

Do you know where in Utah?

I don't, but Wes probably would. There are areas in Nevada and Utah that I've seen on documentaries that are just huge. And these canisters are just out there laying in the sun, baking away. Speculation is they are now defusing these and getting rid of it at the population's expense, possibly for the purpose of fulfilling one of the mandates, one of the twenty-one mandates. Since AIDS doesn't work fast enough, they need something else to work a little faster. Thirteen people have already died from

the 24-hour exposure and there are another twelve or thirteen in the hospital in serious condition. Cases have been reported as far away as South Dakota and North Carolina, so when you put all of this information together, something has been introduced into the jetstream which crosses over New Mexico at about that latitude, and that would just carry that powder across the United States. They've even tried to give it a name; I haven't caught it yet. I'm sure that Wes has done a lot of research on this and he can give you the little tid-bits and details.

So we have some serious business going on over here. Wes told me a couple of days ago that because of the mysterious flu-like symptoms that are taking place, he claims that about 50% of the people in Gallup right now are experiencing flu-like symptoms. That could be why it has spread through the North end of the state. I've heard of people in the Las Vegas, New Mexico area coming down with bronchitis and all kinds of ailments of that sort.

[END OF taped telephone CONVERSATION with Ron Sease.]

[QUOTING tape of telephone conversation with Wes Miller:]

Ok, Wes, do you want to tell me about some conversations you've had with people who've had some unusual sightings?

Well, I'll tell you, you're concerned with the virus that is over here presently, right?

That's correct.

Alright. What I have done, I had a feeling in late February that this area was being inundated through some sort of virus, airborne. We have had a lot of sightings of Stealth fighter aircraft over Gallup, New Mexico. The first flights that were noticed came in, I think, September-October of last year. They were flying low. You could see them visually, so that you would be able to know that they were a Stealth fighter because of the unusual configuration of the plane, and

the fact that it is black. The last known sighting of a Stealth was two weeks ago, again over the Gallup area.

We have been having a highly unusual outbreak of flus in the area since late March, into April, which is unusual for this area. It seemed like everybody was real low on energy. There was a general feeling of being depressed.

The winter, the early winter was very, very bad in this area. Like I said, a lot of people were experiencing "the flu" and "depression" and "a lack of energy" and "a lack of direction". All these symptoms are, of course, associated with the low-level bombardments of the frequencies and the viruses and bacteria that can be sent along the magnetic ley lines. [Editor's note: Regular readers of CONTACT and, before that, THE PHOENIX LIBERATOR, will recall that Commander Hatonn has sometimes mentioned how current secret technology is not only capable of "broadcasting" illnesses, but, even without getting fancy, just low-frequency electromagnetic (or sound, say from underground tunneling) waves are capable of producing an array of physiological AND psychological effects such as are listed above.]

It seemed to be worsening. If we had been attacked like this before, it seemed now to be worsening. I just had a strong feeling that whatever it was, whether it was Russian-caused or American-caused, that it was worse this time.

Everybody, where I worked, was getting sick with the flu, really badly. Sometimes you'd get it again within two weeks. It just didn't seem to be normal. People today are still getting sick; there is a wide outbreak of flu even now, in June.

We discovered that, in May, about the 20th, they came out saying people were dying of a strange, mystery virus. Right away I turned my attention to the fact that we knew the government was going to test their new viruses. We knew that AIDS was not killing people fast enough. So, I began to investigate. I work at the radio station in Gallup (WQNM). I tried to use as many contacts as I could to find out what was happening. I've read all of the newspapers that I could get my hands on in the area to see what they're saying publicly. But **one thing that we noticed right off the bat was that there was a stone-walling.**

People, nurses, were threatened NOT to talk. We knew there were a lot more people sick than they were actually admitting to. They kept changing the numbers of the real cases. At one time it was twenty-nine and now it's getting down to eighteen. People who they said were dead from this virus, they'd come and take them off the list the next day. And now we're at the point

where they're saying its a form of "Hatonn" virus (?!) which, according to the medical dictionary, only occurs near China.

Form of WHAT virus?

Spelled H-A-A-T-A-A-N, I think is what they call it. [R.M.: Recent AP stories on this virus indicate H-A-N-T-A-N.] Now there has never been a known death from this virus, which is caused by rodent droppings and rodent urine, according to the latest information that we're being given. Like I said, there's never been a known case of a death by this virus, which is also very rare in the East where it does occur.

Maybe, I was thinking, either they're telling that as a cover story or they may have taken the virus and modified it and then dropped it over here through the Stealth fighters or through various means. **The virus has been found in three people who are in the hospital with symptoms, but it has not been found in any of the dead victims.**

It does not explain, for instance, in this area, in the Navajo nation, there has only been one household that has been attacked as a family. Now, theoretically, the whole family is in this house and they are breathing the same, these "drops" of rodents. Theoretically, it would have attacked the older people first because they have the weaker immune system. BUT, this virus has been attacking and killing young people! Supposedly, the youngest victim has been thirteen and there has not been a death later than age thirty-five.

It didn't explain why it would be selective in a household where maybe one victim would get sick and none of the rest of the family would get sick, nor why it was attacking the young people and not the older people in the household. Sometimes there were seventy- or eighty-year-old people in these hogans and houses and they would not get infected, whereas the young people would be infected.

If it did come from China, it did not explain the fact that it did not attack the California Coast and work its way over here.

It also does not explain the fact that there are more rodents this year than there have been in quite a number of years because of the fact that we've had an unusual amount of water the last two years; usually it's dry. So now there's a lot more rodents. Everybody has noticed that in their households, a lot of mice and things like that. [Editor's note: Consider, also, that with such a convenient "natural cover" as a bumper crop of rodents, large quantities of disease-carry-

ing rodents could be purposefully released, with these experiments going pretty much unnoticed.]

When the media jumped on this story and they really started talking about it, all of a sudden, for the last ten days now, there hasn't been a new victim. The same rodents are out there in abundance, the same people who were being affected before are still in the same situation where they're breathing whatever "they" said the people were supposed to be breathing, and yet we haven't had a victim for ten days!

This seems highly unusual because they were saying, in the paper, that this virus goes in stages of one week to peak, then it will stop, then peak again the following week. It seems to me that what the government employees did is just pulled it off, and wait; it's getting a little too hot here!

Do you have any other questions? I have a lot more information.

There was some mention of yellow spray or yellow powder?

This is a story that I tried to get the newsguy at our station to talk about. I don't know if he forgot or didn't ask the right questions, but they did have a news conference and he did attend it. The question either never got asked or they wouldn't answer it. In the Thoreau area...there is a Navajo word for the Thoreau area, which is 30 miles from Gallup. The Navajos call it Prairie Dog town. And there are so many prairie dogs in that area, I mean it's really inundated with them and all around this town. A town of about 2,000 people. They say it's 40 miles, but I don't think it's that far, I think in a straight line it's about 20 miles from the worst cases of the virus, which were in Little Water, New Mexico, about 20 miles from Thoreau.

When the Centers for Disease Control came to Gallup, 4 helicopters came with them with red crosses on them. We noticed that these helicopters were flying in tandem, to the Thoreau area, and I have 3 witnesses there, where they would drop a green mist or green gas from the helicopters and flying about 20 feet over the ground, rather slowly, while they were doing this.

We don't know what they were spraying. They have never admitted that they were spraying and they have never admitted it publicly in any of the newspapers that I have asked. But the people in Thoreau have seen it many times. A tandem pair of helicopters have dropped this green gas or green mist; this is what they describe it as being. Never once has it been publicly stated what they were

doing.

Is this before the outbreak or after?

After the outbreak. It was a week after the outbreak. It was interesting because it made me feel like they knew what they were doing, but they weren't saying anything. And if they DID know what they were doing, then WHY were they doing it and NOT saying anything about it?! And why the Thoreau area? Because there had never been a case there.

Is there anything unusual or continuing that is going on that we have not heard about, that has not made the media that you are aware of?

The fact that, there was talk in the papers, in at least two different instances and once on TV, of a biolab, a now-closed biolab or a germ warfare laboratory in the area. And they weren't saying where. And they were actually exploring the possibility that some germs had gotten out of this biolab and were infecting the area. It was mentioned one time by Dr. Sewall, who is the Head of New Mexico Epidemiology. It was mentioned once in the *Sunday Journal* that they were actually, that it was possible that this was a biologically-manufactured virus and that they weren't ruling out that possibility. They thought it unlikely, but they were not ruling out the possibility. KOAT-TV in Albuquerque thought that it was Ft. Wingate, which is 12 miles east of Gallup and it was a munitions storage place which had been closed down by the Government. Some people speculated that they may have had biological artillery shells there and when they moved the stuff out, maybe some of these biologicals got out. The Army has totally categorically denied that they have stored any biological artillery shells there. It does not seem likely to me that is the place.

We do know of the huge underground lab in Utah where they are, in the Four Corners area, where Hatonn has mentioned many times they are doing some very advanced research on viruses.

We know also, in this area, and I think this is very worthy to also talk about: Johns Hopkins University has been given a 2-year study to come to the Navajo Reservation and do an experimental vaccine program where the victims — I would say, are GOING to be victims — even the youngsters at the hospital, the parents were being made to sign a waiver to get these experimental vaccines. In case something happened, they were not going to be responsible for it. We checked the story out and we know that, in the

Tinnee area, Navajo adults were being paid \$50 to \$100 to receive an experimental form of a Hepatitis-B vaccine which, we think, will be the same vaccine that was given to the Lakota Sioux, and there have been several mysterious deaths there as well!

So there's been a very vigorous program in this area, apparently using the Navajos as their experimental data to test their new viruses. So it's not out of the realm of possibility that they decided to test a new one to see how fast it would spread from an airborne. There have been bad cases in Tuba City, Arizona, all the way to Pine Hill. That is about 200 miles — to see how fast that it would spread. But, it is apparently only selectively attacking certain young people. The virus itself is too selective to have been this HANTAN virus that they're talking about; it's too selective.

Very interesting.

So the fact that they're not telling you, the fact that they ordered the nurses not to say anything.

How did you find that out?

About what? The nurses?

Yes.

There was a particular nurse, I knew her sister and she was working at the Public Health Service hospital. She was actually in the unit and she was very afraid because their unit was full of people who were sick. The initial onslaught was very, very big. Initially a lot of people came in sick, all at once. And then they had to start sorting out which ones were the sickest, right? Now — some of them seemed — the feeling I get is that all the flus which people are experiencing now are all related to the virus. It seems that some people develop it to a greater degree than others. So we don't know if it's airborne, if it's the fact they are breathing more of the virus in, or if it's very selective in who it attacks. I feel that all the flus in the area are very much related to what they have put in the air.

This nurse who I'm talking about was in the unit and they told her — her sister wouldn't give me a lot of information, but — they hold her to shut-up, not to talk about anything, not to say how many people were sick. Not to talk about what they were doing to treat them, so on and so forth, and their job was on the line. Of course, they were saying it would just spread panic. The nurses were very much panicked too, because they didn't know if they were going to get what was

out there.

The victims' lungs would fill with fluid and they would die within hours. One victim was Easter-egg hunting, felt fine, got sick at 4PM that afternoon, sick enough that they had to take her to the hospital. Before the night was over she was dead. It doesn't act like a normal virus in that it kills you too quickly.

Very quickly!

Yes. Another guy, who died in the St. John's area, which is about 150 miles south of here, he was sick for 3 or 4 days and sick enough that he tried to go to work and they'd send him home. He looked sick, looked pale. They say the victims' eyes become very red, which is always a sign of a high toxicity. The next thing they knew, they went to check on him at his hotel room. He was dead, within hours!

The other thing that is very worthy to point out is this: They had an article in the *Tribune* yesterday. They were saying that a lot of people are very skeptical about what the Government is saying about rat urine and rat droppings as being the cause, culprit. **More people are starting to question what the Government is putting out and a lot of people just flat out do not believe it.** I've only talked to a couple of people who believe it, by and large.

I did a survey on this last night. It was 3-to-1 against the fact that they actually really believe that this virus is caused by rodents. Because the rodents have been here and they continue to be here. Why hasn't there been a single victim in ten days when all the same situations exist for what [supposedly] caused it in the first place?

I know that Gunther Russbacher had talked about this, that he was the guy who flew George Bush back in the *SR-71 Blackbird* and now is in the Missouri state penitentiary. He issued a warning about it, almost 3 weeks ago, saying that the Government was going to have a very vigorous virus program this summer, but they were going to use the water supply. But in this case it seemed to be very much airborne.

It just seems to me, the other point being, three or four days after the national media got hold of this story, that all of a sudden the deaths stopped. "They" say there hasn't been a single case where anybody has even gone in with this illness, even if it wasn't life threatening, for the last ten days now. So it's — it doesn't make any sense.

Now it's *REAL* windy here in the area and it's overcast. Temperatures have gotten down into the 60s, which is very

unusual this time of year. So, we may be preparing for another onslaught of it. It seems to me that the Stealth aircraft, they're stationed out of Alamogordo now. Why would they be flying so often and over the Gallup area? We just didn't have any reason why they would do that. That's about 350 miles away from here. Why would they be sending those low-flying Stealth fighters over the Gallup area so often? They were flying every week.

And if you think about the Stealth fighter, it's a perfect weapon to deliver a biological bomb because it actually only holds two conventional bombs. If you put some biologicals on a Stealth fighter, being that it's so hard to shoot down, you drop it over Baghdad or you drop it over Iraq somewhere and you wipe out a city. We know they're gearing up for another war with Iraq and if you look at the terrain of Iraq, the desert terrain of Iraq and the desert terrain of New Mexico, although it's a higher altitude, it's the same thing.

Very similar.

I really think they're getting ready to test it for something they're getting ready to do in the Middle East because of the similar desert terrain.

That's a very interesting theory!

[END OF TAPE.]

[Editor's note: Because of the seriousness of this latest Satanic biological warfare on We-The-People, Commander Hatonn has asked that his 6/5/93 #2 writing, and related background information, from last week's CONTACT, be repeated below, following the interview. While this is more for our new readers, those of you who may have skimmed over the material last week may want to take a little closer look this time!]

DEADLY PLAGUES ARE HERE!
BEWARE EVIL'S HANDIWORKS

6/5/93 #2 HATONN

URGENT, URGENT, URGENT

Before we write on any other subject we are going to speak about the outbreak, now gaining attention world-wide, of a "mystery" disease hitting New Mexico, etc. This is the most urgent and serious assault against mankind and animal creatures, including fowl, of anything they have done to you thus far in the history of man.

This is beyond AIDS (HIV viral infec-

tions) and, since our first writings were in JOURNAL #8 called AIDS THE LAST GREAT PLAGUE (which has been confiscated into the court), we can only ask you to get our last JOURNAL #65 out, THE LAST GREAT PLAGUE UPON MAN: AIDS AND RELATED MURDER TOOLS.

As to how to get it, I must suppose you can call the 800 number (1-800-800-5565) for credit card orders or information. I am also given an address where it can be ordered, Phoenix Source Distributors, Inc. P.O. Box 27353, Las Vegas, Nevada 89126. This company is offered my full appreciation for picking up the disbursement of our JOURNALS.

The book in point will NOT give you this update nor the full implications of this disease so we will cover it here sufficiently to attend your immediate needs for protection.

There is not going to be **ANY** full protection for this overpowering infestation of disease as **PLANNED.** However, there are measures you can take to protect selves and PETS as well as any rodents or wildlife that **WATER** at your facilities or property.

The Health Departments of various districts housing camp-grounds, forest services, etc. are now passing out pamphlets regarding "Plague" and what you should know about it. Every year there are small outbreaks of disease from carriers in the rodent population scattered about the country. However, for instance, it is very evident in Nevada and other western states. This is **NOTHING** compared to what is intended for you but **IS** a good place to start this dissertation.

I am asking that the staff reprint our discussions on several topics in the past regarding this "plague-like" **EXPECTED** disease **AND** the information we have given you prior to this on the "mysterious" disease brought back in your troops from the Iraq war. *[Editor's note: That important collection of information follows this writing, on pages 52 - 54. It becomes plainly obvious that the Satanic Elite Controllers have been "experimenting" with us for some LONG time. It's now getting WAY out of control.]* You will now note that there is a "new" type of infection and outbreak of "advanced" malaria among your troops in Somalia. Don't kid yourselves, these diseases are being spread through every known type of carrier.

This **NEW** plague will be a basically untreatable cross of bacteria and virus (manmade through DNA alterations). It will be mostly deadly in the Septicemic type of plague although, as it wears on the bodies, it will also become highly infectious as would be recognized in pneumonic forms of this old plague. Difference? Briefly, septicemic type will

enter the bloodstream directly and spread. Pneumonic form is centered in the lungs which makes it highly contagious through airborne spread.

BAD NEWS RIGHT OFF TO
SAVE TIME

The "new" form has been introduced into the wildlife rodent population in the areas of the "Four Corners" (New Mexico, Arizona, Colorado and Utah). The disease, however, has been noted elsewhere in almost every state but is unreported. This means that the disease is spreading intentionally. The fact that outbreak came with more than one recipient means an introduction intentionally, for all would not become infected simultaneously from simple normal spread. "They" are telling you it is a virus, then a cocci, then a bacteria of some kind and then "they don't know". In the Western areas, as well as isolated cases nationwide, the hospital staff is **FORBIDDEN** to discuss the disease—most especially with journalists and reporters. This is **NOT** hospital policy—**IT IS GOVERNMENT ORDERS!**

The focused outbreak was intended to prepare you to **EXPECT** the spread to rodents in the cities, etc. *[Editor's note: Speaking of "preparing us", how many of you readers out there saw the CBS television network movie run last Tuesday evening 6/1/93 "coincidentally" as the New Mexico plague was ramping up on the news?! The TV GUIDE movie description stated: "An outbreak of pneumonic plague is the QUIET KILLER unleashed on Manhattan amid a garbage strike on the eve of a political convention." The fleas of rodents were the spotlighted carriers and the symptoms acted out were identical to what we at CONTACT were hearing from first-hand accounts of what was going on in New Mexico. Talk about scary! Commander Hatonn had just gotten done, no more than a week earlier, describing how one of the latest plans was to introduce such plagues into an already topsy-turvy situation like an earthquake or hurricane...or garbage strike during political convention, as this movie set the scene!] Already RATS have been released (INFECTED and ADULT) in cities throughout the States. Offspring will pass the bacterivirus (for lack of name) through offspring as well as being fecally borne and airborne. This will also be picked up by the fowl population. You are going to witness the most merciless slaughter of God's creatures in wildlife form ever known to mankind.*

I know that this is devastating news to you all, but doubly so with you who attend wildlife, animal facilities, zoos, parks, and pet owners.

To you who have availability of Gaiandriana and Crystal Life (which-ever or both), add a tablespoon or more if you feel you can "afford" it, per gallon, to drinking pans. To this add a fourth cup of aloe vera juice per gallon—AND seven drops of hydrogen peroxide (FOOD GRADE 35%) per gallon. THIS DISEASE IS OBVIOUSLY INTENDED TO CONTAMINATE ALL WATER SUPPLIES BEFORE YOU ARE FINISHED WITH IT. I don't know how much product we can still get for you [see next-to-last pages for ordering information], as you readers know the attacks we have had against the product. I will ask our staff to see if there is some way to increase the output somehow. Chelas, I simply do not longer know how to get you products through the maze of barriers. Will this product prevent the disease? No, but the immune system of the host and attacked might well be able to activate in the presence of the "chondriana" placed in the same space with intruders to stop the rascals before they can overwhelm.

You must understand something about the Gaiandriana and Chondriana—they must have the presence of virus or any intruder or mutant cell entity to activate from dormancy. The ultimate treatment is going to have to be through LIGHT technology and "carriers" of the light frequencies which destroy the attacking entity. This is best achieved through these little critters. You are truly into a time of technical warfare. In addition to being untreatable, these little buggers within the system break through and produce toxins found only in incurable disease such as "gas gangrene", "botulism", etc.

Please understand that our children making available Gaia products to you are having to close their corporation in bankrupt status. They tell me they are willing to open "something" else to provide a conduit but the public will have to understand that it is only a "service" for WE DO NOT MAKE THIS PRODUCT—IT IS MADE UP IN A FACILITY IN ANOTHER STATE OVER WHICH THERE IS NO CONTROL AND THOSE PERSONS ARE ALL BUT UNWILLING TO DO FURTHER TRANSACTIONS WITH THE PROBLEMS FROM THE ADVERSARY WHO HAVE EVEN INVOLVED BELOVED DR. MERKL. We shall simply see what we can do. To fully utilize what you have, add aloe vera juice for fuel and then REFRIGERATE. Keep hydrogen peroxide in the medium to a minimum—no more than equivalent of 7 drops per gallon of 35% food-grade H₂O₂. This means just a couple of small drops per quart. Too much in the growing broth will KILL the gaiandriana or put it into total dormancy.

I ask that E.J. contact Dr. Merkl and petition him to allow our staff to obtain for sale his product, Crystal Life. To have a FULL value response—you DO need both and I will not conjure up the equivalent of Crystal Life. If you people cannot share and work together—expect to perish. We can handle this without that product but together the two can be literally seen to work miracles. How will you know when and IF you are safe? You won't, but if you don't die, consider the wisdom of our efforts.

The reason for the hydrogen peroxide is for the oxygenation of the anaerobes, which is the quality of the attacking organism. An anaerobe must have absence of oxygen to survive in its life phase. Hydrogen peroxide can penetrate the "shell". It is simply too technical to go into here but KNOW the "secret" is the LIGHT. Also know, chelas, that I cannot cause anyone to do anything.

Since you ones will not have immediate access to the pamphlet I mentioned above, I feel it important enough to give you the information. I ask that this same information be run in every CONTACT for the next several weeks and we petition any other paper or information spreading capability be asked to run this information likewise.

QUOTING:

PLAGUE:
WHAT YOU SHOULD KNOW
ABOUT IT

Plague is an ancient disease that has severely affected mankind, especially during three worldwide epidemics, or pandemics. The first pandemic, the Plague of Justinian, probably began in Africa and was first recorded in Egypt in 541 A.D. In the spring of 542, probably carried on grain ships from Egypt, the disease entered Constantinople, the capital of the Eastern Roman Empire, and from there spread westward across Europe. It killed millions, depopulating towns and whole regions. Outbreaks continued for fifty to sixty years before the disease abruptly disappeared.

In the mid-1300s, plague erupted again. This outbreak, known as the Black Death, destroyed much of medieval society. The pandemic started in central Asia and spread south and east to India and China. In 1348, Genoese traders returning from the East introduced the disease into Italy. With tremendous speed, plague spread throughout Europe, killing at least one-third of the population. Local epidemics continued for 400 years, one of the worst being the Great Plague of London, which took 100,000 lives in 1664.

The third pandemic, called the Modern Plague, started in Asia in the 1850s, and lasted for 100 years. Most of the world was affected, including areas where plague had long been absent or had never previously been observed.

While plague may have already been present in America, the Western United States became a new known region of permanent plague infestation at this time. By 1910 it had been found in ten California counties, and by 1950 it had been recorded in 15 Western states, approximately 40 percent of the continental United States. Currently, plague is found from the Pacific Ocean east to Kansas and Texas, and also in parts of Mexico and Canada.

PLAGUE AND MAN

Plague is primarily a disease of small rodents that occasionally strikes humans. Although the threat of rat-borne epidemics still exists, no such outbreaks have occurred in the United States since 1925. Today, the major threat of plague to humans is from wild rodents (particularly ground squirrels) and rabbits. The expanding human population and the development of housing, industry, and agriculture in formerly undeveloped lands, together with life-styles that emphasize outdoor recreation, are bringing people in close contact with certain wild rodent species. This has substantially increased the exposure of humans to plague.

Plague in humans may take three forms: Bubonic, septicemic, or pneumonic. The most common form, bubonic plague, spreads through the body via the lymphatic system. It is characterized by swollen lymph glands, or buboes. Other symptoms may include a high fever of up to 41 degrees C (106 degrees F), headache, and nausea. Initial symptoms usually appear two to six days (but up to 10 days) after infection (for example, from a flea bite).

Septicemic plague, a relatively rare form, enters the bloodstream directly and spreads through the body. The bacteria multiply rapidly, resulting in internal hemorrhaging and swelling of the liver and spleen.

The pneumonic form of plague is centered in the lungs and is highly contagious. Of the three, it is the most dangerous to humans. Plague bacteria develop in the lungs so rapidly that there may not be time for the usual symptoms of bubonic plague to appear. Within one day of infection, there may be signs of a generalized infection, such as a headache and fever. By the second or third day, coughing, blood in the sputum, and respiratory distress clearly indicate lung involvement. Death may occur two to

four days after infection.

Plague is treatable with prompt diagnosis and administration of specific antibiotics. Rapid and proper diagnosis is **essential** both for the victims and those in contact with them.

AVOIDING PLAGUE

You can take a number of steps to prevent or minimize your exposure to plague: (mice, tree squirrels, ground squirrels, chipmunks, marmots, woodrats, rats, and others).

Rats and mice: Control measures include sanitation, exclusion, and trapping if necessary.

Removing mouse harborage and blocking all entrances into buildings (rat-proofing) can greatly reduce problems.

For limited infestations of mice inside or around buildings, several wooden-base traps are usually sufficient to obtain control. Protect pets from possible injury.

Ground squirrels, chipmunks, and meadow mice (voles): Proper environmental management by elimination of weeds and dense vegetation is important in preventing buildup of these animals. **[H: If they are prevalent in your area and you enjoy their friendly presence, make an effort to protect them with pure water, treated with H₂O₂ (Hydrogen Peroxide) in watering places. I suggest you make available watering facilities and get rid of or treat natural supply.]**

In plague areas, protect yourself from fleas. Apply insect repellent to socks and trouser cuffs and tuck pants into boots.

PROTECT PETS WITH FLEA POWDER, especially if they are allowed to run free in areas where ground squirrels are present. When camping in plague areas, pets should be leashed or confined.

When camping, do not sit or place tent or sleeping bag near rodent burrows. Fleas gather in these areas and wait for a warm-blooded host.

[H: PLEASE NOTE: This new form of infection is carried in feces, etc. This means that the primary source of spread is not through fleas!]

Do not feed rodents in campgrounds and picnic areas. Avoid contact with wild animals.

Be aware of signs of plague in wild animals: Sick, sluggish, or dead animals; sudden, unexplained decreases in or disappearances of an animal (particularly rodent) population; dead animal odors or flies around rodent burrows.

Do not handle sick or dead rodents or other wild animals. Report them to the appropriate authorities (for example, the campground manager, a park or Forest Ranger). Additional

information can be obtained from: District Health Department, 1001 East Ninth Street, Reno, Nevada.

END OF QUOTING

You who have fowl please keep a CLOSE watch for any signs of disease for when you have something airborne it is mandatory to keep watch over any fowl. Remember: just within the past two weeks there was a disease in pond ducks in greater L.A. They claimed it to be a bird virus—but you cannot KNOW without watching progress of the malady. You DO NOT INSTITUTE MASS EXECUTION FOR YOU WILL NEVER ISOLATE THE DISEASE ORGANISMS OR BE ABLE TO TREAT IT IN HUMANS IF YOU GET RID OF ALL THE LITTLE CREATURES. Take responsibility for caring for those around you and within your area and they will be able to sustain themselves against the attack. Panic, chelas, and you are destined to do in yourselves. Remember:

We are linked. We are the universe in itself. What we do as individuals affects the entire universe.

— Little Crow.

Heed well this message for if you act in panic and slay another creature of God in deliberate foolishness—it shall come back upon yourself. You are the guardians and protectors of this planet and all the creatures upon it—YOU SHALL NOT KILL for you can STOP THIS THING WITHOUT HARMING AN INNOCENT HEAD. Get to the problem and those who bring this upon you—not the creatures of the skies and the fields for they have naught to do with this insanity. God knows of each sparrow's fall and if ye be guilty of taking a life in foolish carnage—ye shall reap the reward in kind.

Now, I suggest you go forth, take the path shown to you and get your nation under control! When "they" who set this horrendous thing upon you are deprived of their "cure" and "protection" they will give it to the masses quickly enough!

Please allow us to close out this article for I wish to begin another one which is as URGENT timewise but very different in subject.

Won't the Elite Big Boys kill themselves off? NO! They, just like with AIDS, have the treatment well developed for their own use. Some who are outlived in their usefulness or will gain more than desired—will also be open for the disease itself.

Can this assault be stopped? Not unless enough of you here can give them cause to stop. I don't honestly know how you can control it unless you get control of your nation and government and I see no other route fast enough than taking

back your nation in an alternative Republic under your *Constitution*—bypassing the standing Elite system now in Washington. Pretty picture? NO indeed!

Dharma sits here and stares blankly at two pictures. One is George Washington on the front of a gifted book from the Committee of 50 States by Joseph Stumph who is also heading that Committee. Washington has tears pouring down his face. Then she turns slightly and there is Esu (our Christed presence) with tears pouring down his face. I can promise you that, today, God also WEEPS.

Will OUR **TRUTH** be enough to stop this insanity? I doubt it, precious brethren, I doubt it.

SOME PLAGUE COMMENTS FROM PAST WRITINGS

(Editor's note: Each of these four writings below add some insightful commentary to the biological warfare the Satanic Elite Controllers are utilizing against We-The-People. On Page 49, Commander Hatonn refers to this material and asked that it be assembled for your review from past recent writings he has done on the subject. The first short writing below has been extracted from page 8 of the 9/15/92 issue of THE PHOENIX LIBERATOR.)

9/11/92 #1 HATONN

HEALTH OF SAUDI TROOPS

OK, the confirmations are now flowing through. Remember the "maybe its sand fleas" or, or, or—in problems with troops' health during and after the Saudi stay? Now they have deliberately DONE IT AGAIN, readers. It is now firm that at least 50,000 soldiers are dying of, "introduced through inoculations", a species of Anthrax. This is even more efficient for ridding yourselves of people than is "friendly fire".

How could they get away with it? Because it was touted that Iraq had Anthrax-laden Scuds and it was necessary for PROTECTION. There is NO CURE for this and many, many more persons are already dead of other "claimed" causes than you can imagine. IT WILL GET WORSE!

(Editor's note: The following writing is taken from pages 13 - 14 of the 12/8/92 issue of THE PHOENIX LIBERATOR. Here Commander is quoting from a 11/27/92 letter from "D.J." who is both a seasoned medical professional AND gifted translator of famous seer Michel Nostradamus' material--from the original Old French.)

12/3/92 #1 HATONN**NOSTRADAMUS' RECIPE FOR
PLAGUE LOZENGES:**

QUOTING:

...Now, I'll get on to something really important, gang.

Commander, this is very troubling, but I am tentatively pretty certain of it. And since you're the only one, or Dr. Young, going to understand this microbiology, here goes. I have had really bad gut "feelings" about that plague case in Arizona. Why? Well, the Azo Strain, that Nostradamus spoke of, is a test for gram negative bacterium. *Yersinia pestis*, as you are aware, is the causative agent of plagues. Somehow, my mother sent away to *Fighting Chance* and within was a very tragic letter by Dr. Some-body, whose wife had mysteriously died of pancreatic hemorrhage. Extremely rare. EXCEPT....

With Septic Plague. Like Cholera, it does not always affect ALL exposed. The bacteria directly enters the bloodstream, multiply swiftly and the cause of death is internal hemorrhaging, with edema to the liver and spleen. Since this kills in approximately 12-46 hours, this too matches with what was said. For Michel [Nostradamus] spoke of plague and also of AIDS. What better and swifter disease? I KNOW this is what they're playing with. **Septic Plague.**

I'm enclosing the Plague Pamphlet from the Rangers' Station nearby, for your readers. I want them to also know that Larkspur, yes, the flower, kills fleas and lice, they hate it. **[H: Be cautious—Larkspur also kills cattle, horses, people, etc.]** And lavender is also an old remedy for keeping the pests at bay. Fleas are the primary carriers of plague, but lice as well carry diseases lethal to humans. (Yeah, Yeah, I'll write about all that, in depth, I just want them to be aware. **Most have no idea of the strange diseases that are now loose in the United States.**) You see, I'm sure, Commander, that before any are even aware of what they have, they'll be dead. It would not take much to modify it to even more lethal levels, sir, as you are aware. With optimum growth at 28 degrees Celsius, what better host than warm human blood?

If I scared anyone...?

Well, that's just too damn bad, better to be scared and alive, isn't it?

Since other *Yersinia* cause abdominal infections, if they modified it with *Shigella*? Or even perhaps heightened its virulence? How many even know about the plague epidemic that ran for a century? Ending in 1950?

I thought not.

I am also including Nostradamus' potion for plague, just for amusement, of course.

Salu, "D.J."

- 1 oz. Sawdust from the greenest Cyprus available
- 6 oz. Iris of Florence
- 3 oz. Cloves
- 3 **drams** odorated calamus
- 6 **drams** lign-aloes

This was first made into a powder, then three to four hundred red roses, plucked before dawn, were used to make the lozenges. Not modern roses, but old fashioned ones, those that rosehips are from. It is now a scientific fact that several of the items have known antibiotic properties.

(Editor's note: Those of you who read Science News magazine will have noticed the large flurry of Letters to the Editor and other commentaries stirred up recently because of an article they ran on page 84 of their 2/6/93 issue, reporting on a study which showed that wooden kitchen cutting-chopping boards had far superior anti-bacterial properties compared to synthetic boards of plastic, etc. There's lots of speculation as to why this is so, however the strongest indication is that something in the wood itself kills the bad bugs. So maybe the above formula with its fresh "sawdust" ingredient was just way ahead of its time!)

That Michel Nostradamus stayed with hundreds of plague victims is indicative that all ingredients should be investigated. There was and is a reason for the herbs on Earth, but we have forgotten that in our quest for synthetics. There are many herbs, such as heroin, from which morphine is derived, that cannot be duplicated in their abilities to both heal and soothe. Witness the use of heroin in terminally ill cancer patients, their pain relief is much greater with such than with synthetics such as Demerol or similar drugs created within the laboratory.

These lozenges were kept in the mouth at all times. As I wrote once before, the reason his beloved first wife, son and daughter died was because Michel was not there to treat them. Not that he could not have saved them, but after a certain amount of time, nothing will help with plague and you die. This very aromatic preparation would also inhibit fleas from taking a tasty bite, regurgitating the *Yersinia pestis* microbe into the patient, and thus the cycle is begun.

A flea "bite", with plague, is frequently urticariac in nature, which means larger than normal. Much larger, almost hive-like, approximately the size of a fifty-cent piece in size. Moist warm to muggy climes are the best for the

propagation of fleas, such were the conditions when the plague struck in both the late thirteenth century and all other times. Just for pets' comfort, those of you with a flea problem, Larkspur will kill them. A bed for a pet is easy to make and the flowers are lovely. Even around barns and pet areas, such use will make pets feel better and owners feel safer. You must remember, too, that at that time in history, the only ones who bathed frequently were the Russians, in bathhouses. The rest of Europe did not bathe and said bathing more than once a month (or even less often) was very detrimental to their well-being.

Lord! What a stench it must have been. Clothes were washed about once a month as well. (In desperation, some up and washed themselves.) The irony does not escape one that 437 years have passed and science is just beginning to recognize some of the properties of herbs set here by God so very long ago. Doesn't anyone ever wonder why Upper Management saw fit to do such a thing? As with the discovery that butter is not the evil culprit once said, or that (gasp, choke, horror of horrors) olive oil is better to cook with. Hmmm. Seems some of the truly natural and biblical ways were the wisest after all....

END OF QUOTING

Thank you for sharing the above information—ALL of it. It is a great burden to be among the ones awakening and feeling the heavy burden of responsibility that weighs like lead on the backs of ones serving. What seems so "obvious" to one, however, has no interest or sense to another. How many of the kids who romp around a campground and feed the little chipmunks ever "think" about a flea? Is there no place where man has not set his time bombs? NO—NONE!

When you ones stop trying to equate intelligence or positive behavior as logical to the adversary—then we can begin to move along properly. THE ADVERSARY is out to kill you, maim you and enslave YOU! To continue in the "I can't understand" and "I can't believe that—" and "Why would God let....", etc., is a total waste of valuable insight time and production of positive change—IT IS!! IT SIMPLY IS! Moreover, you will travel this road of experience until you gain the KNOWING and accept and TAKE the power as offered by GOD for your use. The adversary has certainly used his own power by tampering with "yours" for a long time—eons and eons, ad infinitum. When will you share your God-given power so that all can move in unity into thought coalition and change this experience?

(Editor's note: The following writing has been extracted from pages 13 -14 of the 12/15/92 issue of THE PHOENIX LIBERATOR.)

BUBONIC PLAGUE

Remember that little dissertation we had a few days ago—that you might have thought absurd? Well, here it is in black and white and read all over—the story is hitting the presses. Quote: "...we believe Americans are in deep trouble. Instead of revealing what they know **about ILLEGAL TREATY-VIOLATING EXPERIMENTS REGARDING A BUBONIC PLAGUE WEAPON—AND REVEALING WHAT THEY KNOW ABOUT THE SHOOTING DOWN OF KOREAN AIR LINES 007 FLIGHT—OUR GOVERNMENT AGENCIES ARE ONLY CONCERNED—WITH WORLD WAR II ATROCITIES OF NAZI GERMANY....**" This of course is because the riots are intentional. The Supremacists are sent in there to cause these riots and if you go to Zion National Park in Utah, USA, you will also find those young Skinhead punks in training to continue wherever sent—be it Berlin, Somalia or Los Angeles.

But, even your esteemed "Evans and Novak" cite CIA revelations regarding **new fresh experiments done by the Soviet Union involving "an enhanced bubonic plague weapon..."** Mr. Yeltsin, dear ones, is a total joke to hardline Russian nationalists and powerful elements within the Soviet military. This may well be somewhat comforting to you-the-people. Well, it shouldn't bother you as much as, say, the new Soviet-Chinese arms build up. Remember those billions of dollars you gave Russia? How do you suppose it is that that money was spent, then, to make arms and major weapons to, in turn—sell to China in a "friendship" exchange!

I believe this day has gotten to be too much for my scribe. She just wonders if her day has been worthy of exchanging a day in her life for it. Dharma—if we have caused just one person to think and open eyes—it is worth it. Salu.

Hatonn to stand-by as it seems pointless to further effort at a subject offering as seemingly mundane as your evolution into higher dimensional expression or the workings of the universe. Even the best laid plans of mice and men end up occasionally simply being flea-food.

One reader laid Dharma out this day and sent back the picture of your beloved teacher given as a gift from us to all of our family. She trashed it, said "her guardian angel" said it was Satan in disguise and she demanded that all the books be recalled. I, too, have occasional "bad" days! I feel as if we just "fell off that proverbial

bridge with the donkey firmly strapped to our back" as in the old "try to please all the people" scenario. You want to take note of the flea circus while the rabies-laden dog infects the world. So be it—may the best clown win!

(Editor's note: The following writing has been extracted from pages 22 - 23 of the 2/16/93 issue of THE PHOENIX LIBERATOR.)

Next we'll just share a couple of articles sent from the *News* in Stuart, FL for 12/27/92 or 1/2/93 (dateline lost).

QUOTING:

BAN ON BLOOD DONATIONS BY GULF VETERANS LIFTED

New York Times News Service:

The American Association of Blood Banks and the Department of Defense have lifted the ban on blood donations by military personnel who served in the Persian Gulf War.

Civilian and military blood banks were advised this week to allow the 500,000 members of the armed forces affected by the ban to donate blood beginning Friday.

The ban was imposed Nov. 12, 1991, as a precaution against the **transmission of the disease leishmaniasis.**

The disease is caused by a parasite common to Saudi Arabia, Kuwait and other areas of the Middle East and can be transmitted through the blood.

In the 13-1/2 months that the ban was in effect, however, the American Association of Blood Banks did not find any cases of the disease.

Leishmaniasis, most commonly transmitted **through the bite of a sand fly**, usually causes only skin lesions. Of the 17 military personnel who returned from the war with the disease, 11 had internal symptoms as well.

These unusual cases caused concern about the very rare but possible risk of the transmission of the disease through blood transfusion.

The blood banks' association said that a personal-health questionnaire that potential donors are routinely required to fill out pin-pointed symptoms and risk factors of leishmaniasis.

A donor who appears to be at risk of getting the disease will be referred for medical evaluation and will be indefinitely barred from donating blood.

END QUOTING

So, now let's try January 29, 1993—

same paper, Stuart, Florida:

QUOTING:

SUDAN DENIES PARASITE HAS KILLED THOUSANDS

KHARTOUM, Sudan (AP)—A health official Thursday denied a U.N. report that a fly-borne parasite has killed tens of thousands of people in the past two years.

Sadeq Mahjoub, director of preventive medicine at the Ministry of Health, told the official Sudan News Agency that health officials throughout the country knew nothing about an epidemic. But—

The World Health Organization said Tuesday that **40,000 people have been killed by the parasite and up to 400,000 are at risk in southern Sudan.**

The agency described the outbreak of the infection, borne by sand flies, as **"ONE OF THE LARGEST EPIDEMICS OF THE DEADLY DISEASE IN RECORDED HISTORY."**

THE PARASITE, ONE OF THE LEISHMANIA GENUS, CAUSES FEVER, WEIGHT LOSS, ANEMIA AND ENLARGEMENT OF THE SPLEEN. VICTIMS TYPICALLY DIE OF COMPLICATIONS.

END QUOTING

Anybody feel a tad sick yet?? What ever do you think the World Health Organization is up to? Sound like a rerun of AIDS? How about just a "little" bit of Anthrax? And you think you only have 17 persons returned from that Gulf War with this "little" malfunction? Come, come, silly TV viewers, **THIS DOES NOT GO AWAY! IT IS FATAL AFTER A VERY DEBILITATING WASTINGAWAYANDTOTALFINALFAILUREOF THE NERVOUS SYSTEM TO FUNCTION.**

I think the correlation between this and the information DJ shared with us some time back regarding "Plague" (Bubonic, etc.) will offer a bit of confirmation to any doubters. You are going to find that this will also end up being some "elusive" form of "something similar to HIV" and yap, yap, yap. How are you going to practice "safe breathing", chelas? How are you going to evade the "blood suckers" when they are ALL infection bearers? How are you going to survive these onslaughts one after another? (And *who* is covering for the deliberate infection of your soldiers with this cute little story?—for Sudan says they don't know anything about this terrible epidemic????) Who is blaming whom—again? Well, the good old W.H.O. is right there again, eh what? I suggest you get something into your system which might help that Immune System [see *next-to-last pages*] or you aren't going to survive—your survival is NOT in the Elite PLAN. Salu.

BLAME AND JUDGMENT

As you walk through your days of trial and error upon the face of your wondrous manifested schoolhouse, can you not learn by lesson and not ALWAYS by experience? Not in full, but it IS the same experience if you but knew as much. There are many lessons which WILL BE LEARNED before you walk in the oneness of God in His places of total balance and harmony.

You must learn to always work and act moment to moment as if EVERYTHING YOU SHALL DO, SAY OR THINK SHALL BECOME AN OPEN BOOK FOR ALL TO READ!

Do not ever seek to cast "blame" upon others for in the ending you are but casting that blame on yourself and God within. Blame casting is an escape and excuse mechanism for EGO.

If what is untoward is the result of your own fault or weakness, seek to remedy the cause by conquering the fault and overcoming the weakness.

If it has been caused by another, then apportion no blame, allow no thought of self to intrude to cause the slightest ruffle on your spirit-calm. Peace has been entrusted by God to YOU. By the way—even sin (falling short of sought perfection) has no power over you unless it is of your own choice deliberately assumed.

As to judgment, we speak of this so often as to sound the Nag. NEVER judge another. That is one of God's tasks that has never been delegated to any follower or being. Can you not see that the only "right" man has is to judge ACTIONS of another—NOT THE PERSON IN POINT?

Live WITH God and within the Laws of God and effort to understand all. Love all for God's sake until you can realize loving them for your own sake. As you live with God you will see how He yearns over them and longs for them that would fear judgment because of actions which break the Holy Laws.

Do you not find it interesting that IF a man breaks the physics laws of the Universe—he commits suicide of the physical by his ignorance? Is it not time to realize

that by deliberately continuing to break the Moral and Holy Laws of God of Lighted Source—you commit SUICIDE OF THE SOUL? One lasts through or up to the time of translation—the other lasts as presence in scars through infinity.

Always look unto the "other" that you would tend to judge and remember this, "If ye love me," sayeth the Great Spirit—"you will not be unkind in criticism of those for whom I care."

EXAMPLE?

Right in the daily pressures against my people, the Ekkers, ALL should by now KNOW that the University of Science and Philosophy brought suit against: George Green, Desireé Green, America West(s) and E.J. and Doris Ekker.

Greens have never appeared in court and now do not even bother to send legal representation, other than that of US&P, having "worked out a settlement". Ekkers were never given original notification of actions in court until demanded and, then, have been accused and convicted of contempt of court and Dharma threatened with Federal Prison for same—all with no mention or reprimand to the publisher or distributor of the information in point.

Now, as settlement is DEMANDED by threat (causing a Summary Judgment against Ekkers so that the case CANNOT GET TO TRIAL) we find the following:

Mr. Ekker stated that we are an open book and will present our "whatever" in open court (if given a chance), in the *Wall Street Journal*—anywhere. So, the Magistrate said, "Well, the opposition (????) (Greens) could make their settlement arrangements known only to participants and NOT TO THE PUBLIC AS COURT RECORD."

Now, Mr. Timothy Buchanan, attorney for US&P states that Greens (now just HOW did Mr. Buchanan get to be the attorney in fact for Greens when THEY were co-defendants WITH Ekkers??) refuse to make available their settlement agreements even to Ekkers—whom Mr. Green has arranged to take all blame, all payment, etc., etc., etc. When pressed, Mr. Green said that he wouldn't agree to that

because Ekkers would "publish" it.

Well, I suppose this is better in the long run because it needs to be aired in public court under these new SECRET compromise and private negotiations.

Ekkers have arrived at a full plan for repayment of legal fees to US&P THROUGH THE ONLY POTENTIAL ASSETS POSSIBLE TO THE EKKERS—THROUGH THE INSTITUTE, ROYALTIES ON THE BOOKS WRITTEN—ALL.

Ekkers set up and arranged with the Institute to collect royalties which are heretofore unpaid to the Institute to pay over legal fees and damages FROM THOSE UNPAID ROYALTIES TO THE AMOUNT OF CHARGES AND FINES.

Payment FROM THE GOLD COINS STOLEN BY MR. GREEN IS TOTALLY UNACCEPTABLE TO THE PHOENIX INSTITUTE FOR RESEARCH & EDUCATION, LTD. for THAT property is the property of the Institute and in no way has ANYTHING to do with Ekkers.

Of course, this above offer is NOT ACCEPTABLE to either of the Greens—so, readers, WHAT IS TO BE DONE? Shall we just hang the Ekkers and be done with them? Unfortunately there is no "estate" so we are acquiring legal counsel WHO KNOWS WHAT THEY ARE DOING AND ARE WORKING FOR THE INSTITUTE, THE PEOPLE AND THE EKKERS AND NOT AGAINST THEM THROUGH IGNORANCE OR ASSET-COVERING. I BELIEVE ALL WILL FIND THIS RESOURCE WORTHY AND NOTABLE.

You nice people had better get a little faster with the salvaging of your Constitutional nation and Laws or you are finished to the jackals and scavengers who now not only wait for the dead to feast on but kill in order to facilitate the feast.

SUPREME COURT

After allowing nearly a hundred people to be slain and burned alive in Waco's so-called "cult house" and nary a flicker from your government as to empathy or sympathy for those innocent victims, what have you yesterday?

The Supreme Court ruled that Santeria is a valid religion and can con-

tinue with their blood sacrifices and blood use in their rituals. You will further note that the symbol of the Santerias IS THE PYRAMID WITH ALLSEEING EYE ATOP—THE SYMBOL OF THE ILLUMINATI—VOWING ALLEGIANCE TO LUCIFER (SATAN). No, it is not time "I" did something about it—it is YOUR NATION.

Next on the Supreme Court news is one to be appointed for a lifetime reign on that hallowed bench—a Khazarian ZIONIST "Jew". That about finishes off justice for "American citizens", chelas, in favor of Israeli sub-national status for the U.S.A. subservient to the decrees of Israel in Tel Aviv. So be it; again, your choice.

I am nudged to remind you of HOW YOU DISALLOWED A FINE, CONSTITUTIONAL JUDGE BY THE NAME OF "BORK" ADMISSION TO THAT NOW DISREPUTABLE CLAN WHO MAKES LAWS AND NO LONGER EVEN PRETENDS TO "INTERPRET" COMMON OR CONSTITUTIONAL LAW! YOU HAVE REACHED A TERRIBLE NEW LEVEL OF "LOW", AMERICA.

Now there will come the claim that "Old Hatonn is going to start picking on the Jews again." Nope, I am going to offer you research on the subject from *The Truth at Last*.

QUOTING:

**ZIONIST JEWS—MEDIA
CENSORS STORY**

Over 50 percent (%) of Clinton's Major Appointees are Zionist Jews—Media Censors Story. Press Suppresses Identity of Clinton Appointees.

President Bill Clinton promised the American people that his administration would, "Look Like America". A study of the 71 people appointed to cabinet and sub-cabinet positions (those who ACTUALLY RUN THE GOVERNMENT) finds that 40 are Jews. [H: What you don't seem to realize, citizens, is that this DOES LOOK LIKE AMERICA!—ASK ANY FOREIGNER!] Thus a small minority who make up ONLY 3% of the population hold over 50% of the most important posts. [H: Ah, but the REST of all important appointees are high-ranking in the New World Order Elite Council on Foreign Relations, the Trilateral Commission, the Bilderbergers (one or more). THERE ARE NO CITIZENS OF YOU-THE-PEOPLE OF ANY RACE, CREED OR COLOR!] Never before in history have the Jews held such great control over our Government! Thus the U.S. is trying to be a neutral party in the Middle East peace talks while Israel is demanding more and more foreign aid than any nation in the world while their

people make up the largest single group emigrating to America. Thus it is unfair to our people and the rest of the world for Clinton to give the Jews control over the important decisions of our government.

Clinton recently thanked the Jewish community for giving him 86% of their vote. In fact they did swing several important states away from the Republicans and into the Democratic column. However, it is a grievous affront to the 247 million Gentile Americans to grant one group, united behind a special agenda, political influence so awesome that they are in a position today to decide all matters of both domestic and foreign policy. Why is not the daily press, TV and politicians telling the people that a majority of Clinton's appointments are Jews? Is Clinton just a puppet sitting in Washington with a big smile while a tightly organized alien group has quietly seized control of the U.S. government? **The American people must be made aware of these appointments which in no way constitute a "mirror of America."**

It is important to bear in mind that a 57% majority of the American people voted AGAINST Clinton. Since he already has the support of all the minorities and the opposition of the White majority he should try to cater to this great hard-working, middle America—the backbone of the nation.

**JEWS IN TOP SECURITY
POSTS**

We will offer, if space allows, another reprint for your study. It states that the Jew Martin Indyk has been appointed Senior Director for Middle East Affairs on the National Security Council. [H: That should just about finish destroying all hope of peace in the Middle East. But, not to fear, just because the U.S. is at war TODAY in Somalia (again), ready to go to war in Bosnia and the last public statement regarding WAR is that "the U.S. will not be involved in any WARS more than TWO AT ANY ONE TIME!" Does anyone remember that decree issued a few WEEKS back when cutting of defense troops was mandated? Well, guess they can just walk in and, like it has been orchestrated, take over America without confrontation—because your troops will be elsewhere and already your enforcement and forces are United Nations BATF, IRS, et al., forces. Your Secretary of the Treasury, Bentsen, and your Attorney General, Reno, are BOTH EVEN PAID THEIR WAGES BY THE INTERNATIONAL MONETARY FUND—AND NOT THE U.S.A.—AND WORK DIRECTLY FOR THE UNITED NATIONS!]

Now read where he formerly worked: for AIPAC, Israel's Washington lobby. Next read where "pro-Israel Activist" Sandy Berger has been appointed Deputy Head of

the National Security Council and the Jew Samuel Lewis is head of the State Department Middle East Division. How can the U.S. maintain an unbiased foreign policy in the Middle East peace negotiations with "pro-Israel" Jews dominating foreign policy? U.S. Navy Intelligence (NIA) went to great lengths to find the Israeli "mole-spy" Pollard in their ranks. Jews Indyk, Berger and Lewis now run U.S. National Security. They can deliver to Israel the very same intelligence secrets with impunity. Please note very closely the great power of these "sub-cabinet" positions which *The Jerusalem Post* describes as:

"While U.S. sub-cabinet foreign policy officials are generally invisible to the broader public, they wield extraordinary influence in setting policy."

Defense Secretary Les Aspin has chosen the left-wing Jew Morton Halperin as his top assistant. Halperin has been active in pro-Communist causes for years. During the Cold War he aided the Marxist Jew Daniel Ellsberg who released the top secret "Pentagon Papers" to undermine our Vietnam War effort. He has advocated that the U.S. use military force against South Africa to install a Black regime. Halperin has called the CIA, "the subverter of everybody's freedom." This was in regards to their gathering intelligence information on the Soviets during the Cold War. Halperin also defended the Red *Counterspy Magazine* which revealed that Richard Welch was the "station chief" for the CIA in Athens, Greece. Welch was then assassinated by Communists and Halperin publicly defended *Counterspy* saying: "It is difficult to condemn people who expose our agents." This is the type of Jew whom Clinton and Aspin have raised to the clique ruling our government!

Clinton has subjected the White Christian American people [H: and citizens of all other colors and creeds in America] to rule by un-American Zionist despots. Why does he think the Republicans prosecuted Jonathan Pollard and gave him life in prison? It was for stealing our national security secrets! Now the Zionist MOSSAD secret police has their men right in the middle of the U.S. National Security Council making Israel privy to every military and diplomatic secret this nation has.

The American people must be awakened to Clinton's abject surrender of power to this alien clique who owe their loyalty to Israel and not America. We urge our many thousands of readers to order and distribute extra copies of this newspaper. Let's Wake-Up America Now!

END OF QUOTING

The above was taken from: **Truth At Last, P.O. Box 1211, Marietta, Georgia 30061.** We thank "whoever" sent us this copy

from which we share some of the documentation confirming that which we have written and which has caused my scribe to be, literally, put up for murder.

As a matter of fact, a message was just sent to E.J. Ekker YESTERDAY: "That there are ones right in Tehachapi power-places WHO HAVE SAID THEY ARE GOING TO TAKE HIM OUT." How would this make you feel, reader? Why? Because these people tried to save their property after the ones in threatening had mishandled the legal processes and because Mr. Ekker was the first to take note of the contaminated water and, as prior President of the local Property Owners Association, brought legal attention to the mishandling of the Community Services District. Ah indeed, America, YOU HAVE COME A LONG WAY—RIGHT INTO THE GUTTER AND BELOW. You have come to a place where CITIZENS cannot even EFFORT TO SAVE (not even try for advantage) their own property. Because you don't go away and die you are condemned and sentenced to annihilation by the power-elite. If you can still sleep well, I suggest you get caught up because it is not long until no citizen of America shall be allowed the privilege of a good night's rest without terror.

The following is, again, from *Truth at Last* but originates from *Jewish Week* (Jewish publication) for February 4, 1993.

QUOTING:

**IN SECRET MEETINGS
JEWS DEMAND TOTAL CONTROL**

[**Emphasis in article**]: Life sure will be dull for Jewish politicians once the Clinton transition team has rounded off its nominations at the sub-cabinet level.

For weeks a handful of key positions have been the focus of furious behind-the-scenes warfare, not to mention the usual rumor-mongering.

And the targets of much of this activity have been subcabinet positions at the State Department that will translate Bill Clinton's foreign policy goals into specific programs.

Washington—How do you spell relief? For pro-Israel activists the answer might be "Indyk." Martin Indyk, the longtime executive director of the Washington Institute for Near East Policy, a pro-Israel think tank, has quietly moved into the White House, where he will help the new foreign policy team work out an approach to the stalled Middle East peace talks and deal with new problems on the regional horizon, including the rearming of Iran.

Indyk will serve as senior director for Middle East affairs at the National Security Council, and special assistant to the president.

Indyk has those connections. In the past he worked as deputy research director for the American Israel Public Affairs Committee (AIPAC); the Washington Institute is closely associated with the pro-Israel lobby.

At the same time, he is regarded as one of the smartest and most creative Middle East analysts in Washington...[line missing in original document]...panel will be most important to pro-Israel groups who hope to preserve Israel's \$3.2 BILLION allotment despite the tough fiscal environment.

(Now, next is a report from *Jewish Week* of Dec. 31, '92): This secret meeting led to the Jew Zionist from Australia, Martin Indyk, being named second to Secy. of State Warren Christopher.

Last week, a group of Jewish leaders met privately with several top transition officials, including Sandy Berger, who heads the foreign policy transition effort, and Sara Ehrman, director of the campaign's Jewish operations.

Berger appears headed for a major position at the State Department or the National Security Council; Ehrman may land a post at the White House office of public liaison.

The roster at the session tells an interesting story about how the incoming Clinton administration will interact with the organized Zionist Jewish community. [H: You must continue to realize and not get confused—we are not speaking of what you call the Judaist Torah "Jews"—this group is reflective of the Talmudic Zionist Khazarian "Jews".]

Attending were Tom Dine, chief operating officer of the American Israel Public Affairs Committee (AIPAC); Stephen Grossman, AIPAC'S new president; Malcolm Hoenlein, executive vice president of the Conference of Presidents of Major American Jewish Organization; Morrie Amitay, treasurer of the Washington PAC and a major Jewish political matcher; Peter Edelman, co-chair of Americans for Peace Now and a major Clinton transition leader; Gail Pressberg, co-director of APN'S Center for Israeli Peace and Security; and Sen. Joe Lieberman (D-Conn.).

There was also discussion of potential appointments to the Clinton foreign policy team, including the expected appointment of Warren Christopher as secretary of state.

Lieberman, one of Clinton's earliest and most active backers, urged the transition leaders to consider the appointment of a deputy secretary with strong and highly visible pro-Israel credentials as a way of increasing the comfort level of the pro-Israel community.

In general, the tone of the meeting was positive; most participants came away convinced that the organized Jewish community will have good access to the top ranks of the Clinton administration. [H: Now, some 4 months later I believe the anticipa-

tion has borne fruit.]

END OF QUOTING

Ok now, let us move on to more on the BATF and where it actually fits into the UNITED STATES SYSTEM. The fact is, IT DOESN'T—SO WHO WERE THOSE AGENTS KILLING PEOPLE IN WACO, TEXAS?

I thank some nice person who FAXED this information to us but I believe that it comes from a publication of one R. Tibbetts. Tibbetts also offers some good books and documents for you who want background information in law, etc.

This article in reprint here is simply called:

DID YOU KNOW?

QUOTING:

That in 1981, President Reagan "reorganized" the Bureau of Alcohol, Tobacco, and Firearms according to Public Law and that they supposedly no longer exist?

According to *Christian Crusade for Truth* an intelligence newsletter printed in March 1993 regarding the Waco, Texas murders, the Bureau of Alcohol, Tobacco, and Firearms has not existed since 1981. If this is true, then who in the heck was in Waco?

We decided to double check the Federal Titles to see if found! According to Title 31—Treasury Department, the Bureau of Alcohol, Tobacco, and Firearms IS NOT AN AUTHORIZED AGENCY OF THE FEDERAL GOVERNMENT. IT DOESN'T EXIST.

Upon closer examination of this Title we find that the Internal Revenue Service is also not listed as an authorized agency under the Treasury Department. By the way, Customs is missing as well. What's going on? Is the earthly Babylonish government lying to the Americans AGAIN?

What did President Reagan "REORGANIZE" in 1981? Let's ask you a question. What does "REORGANIZATION" mean? Time to dig out your *Black's Law Dictionary*! You'll find "reorganization" MEANS when "one corporation acquires another in a merger or acquisition . . . under Bankruptcy Code Chapter 11 proceedings involves the preparation of a plan of reorganization by the bankruptcy trustee."

Now pick your chin up off of the floor and once more take a look at what you just read. Apparently, unbeknownst to all Americans, President Reagan GAVE THE BUREAU OF ALCOHOL, TOBACCO, AND FIREARMS TO CREDITORS OF THE UNITED STATES (CORPORATION). How do we KNOW? Let's put the pieces of the puzzle together.

In 1971, President Nixon "reorganized" the United States Post Office into the United States Postal Service. He also took the United States off of the Silver standard in 1971.

Under the rules of Bankruptcy, he had to make good on the credit owed to the **International Bankers**. **This is why the profits of the United States Postal Service ARE NOW SENT TO THE I.M.F. (INTERNATIONAL MONETARY FUND)** as reported by C.N.N. (Cable T.V.) way back in JANUARY 1993.

Just how many departments and divisions of the United States Government **have been TAKEN OVER BY ITS CREDITORS?** We don't know, but it does bear further investigation. We hope you will take the time and effort to do some investigating on your own and let us know what you find! In the meantime, we will keep you updated.

END OF QUOTING

Well now, aren't you glad you have stayed tuned? Aren't we glad and thankful for a man named Nelson (oh yes, as a patriot you ARE GLAD!) Aren't you also appreciative for a group calling themselves by other Constitutional titles? We even hope you are appreciative of an information resource called **CONTACT** and a secretary called Dharma who is willing to risk DEATH to bring you this information.

YOU are not ignorant if you are keeping up with us—and, you will find proof in documentation citing elsewhere in this paper—to show that MANY high positions in your most high levels of administration and government and MANY bureaus such as ATF, IRS, etc., ARE INDEED BRANCHES OF THE UNITED NATIONS—PAID—WORKING DIRECTLY FOR THE WORLD BANK AND INTERNATIONAL MONETARY FUND!

Ah, we found the citation: we give appreciation to:

R. Tibbetts,
c/o P.O. Box 2796
Inverness, FL 34451 (Article One Press)

So, what can YOU do to change this, reclaim your nation and again have freedom under your *Constitution*? Get rid of the treasonists, the debt AND THE BANK, and build your nation AGAIN under that *Constitution* of the people, by the people and for the people—UNDER GOD. We are happy to SHOW YOU THE "WAY"—BUT YOU HAVE TO DO IT!

Oh, God, In this time of change and unrest, help us to sort living Truths from dying customs. Help us to have the courage to look beyond the unexpected and familiar ways, and the humility to recognize the wisdom of them.

Weaver - Harris Trial Update

6/13/93 #1 HATONN

QUOTING AMERICAN PATRIOT FAX NETWORK (APFN):

RANDY WEAVER/KEVIN HARRIS TRIAL
DAY 34
(Monday, June 7, 1993)

Jerry White: (Boise, Idaho) Court starts up 35 minutes late as attorneys had been in a meeting to stipulate the report of the ballistic expert to save time of him testifying.

The bullet fragment in Kevin came from Horiuchi's (the sniper) .308.

The bullet fragment in Degan came from Kevin's 30-06.

The bullets went through Vicki, Sammy and Striker so there was no identification.

After morning recess, the Judge said an emergency had come up and court was recessed at 10:45 a.m.

We got word that the Judge was going to have arguments without the jury at 3:00 p.m. and evidently without the spectators because he had announced that the court was recessed until 8:30 tomorrow morning. The media didn't know, so they weren't there.

They argued about the evidence that had come up last Friday that the FBI had been holding back; a letter from a lawyer that was supposed to represent Randy when he was first arrested, and several photos and pieces of evidence that have already been gone over.

Spence gave the Judge a set of instructions for him to tell the jury how the government had been hiding and withholding. He said that the jury had the right to know what had been going on.

The Judge said that he would not tell the jury anything about it and, on all the other arguments, he reserved his rulings until tomorrow.

One of the pieces of evidence was a drawing by Horiuchi of the window of the Weaver house with two heads in the window. This was supposed to be what he saw before he shot Vicki. He testified last week that he couldn't see anybody in the window.

A very short day. Jerry

** I visited Randy in jail Saturday and, considering the circumstances, he is doing pretty well.

There was a young man, his wife and little baby visiting Randy when I got there. He had been in jail with Randy and thought so much of him that he had come back to

visit him. He said that he couldn't understand where they came up with Randy being a white supremacist, as there were several Mexicans in jail that were discriminated against and Randy was nice to them and tried to help them.

I also talked to another person in the jail and he told me the same thing.

DAY 35
(Tuesday, June 8, 1993)

Jerry White: (Boise, Idaho) The Judge today would not allow the letter presented yesterday to be used as evidence because the prosecution argued that it was delivered July 9 and dated July 10.

The Judge will order sniper Horiuchi back to the witness stand for cross examination, based on the evidence that the Government had been withholding. He also imposed sanctions on the Government of 1 day of pay for all the defense attorneys. It doesn't hurt anyone except the taxpayers; certainly not the Government.

Marshal Mays recalled to the witness stand as he had made an affidavit on Aug. 21, 1992, the day of the shooting, that contained so much erroneous information that his name was about the only thing that was correct.

The Judge would not allow a complete cross examination of Mays. He did admit that much of the information was incorrect but couldn't recall who had given him the information.

The next witness was Martin Fackler, a self proclaimed and self employed "bullet world ballistics expert". He was/is a surgeon, but he no longer practices medicine. He spent 31 years in the military and now has set himself up as an expert witness in cases such as this. He charges \$2,000.00 per day to testify as an expert witness, plus all travel and other expenses, plus \$250.00 per hour for all interviews, preparation, etc. (Uncle Sam has unlimited funds for such as him.) There are no requirements or certifications of any kind required to call yourself an expert such as this.

He estimated that today's testimony, including preparation, would run about \$4,500.00.

The prosecution is trying to prove that Marshal Degan was killed with the first shot of the fight but would have still been able to accurately shoot 7 shots from his M16A2 semi-automatic and shoot Sammy Weaver. The autopsy shows that Degan was shot through the lung cutting one of the main veins, breaking 4 ribs and the left collar bone rendering the left arm completely useless.

This expert witness is like any other expert witness, testifying as he is paid to do. He testified that it would not be at all unlikely that Degan could have lived 3

minutes and been able to control and aim his gun with his right arm and hand and aim good enough to shoot Sammy. He testified that Sammy was hit in the arm by a .223 slug (Degan had a .223) and was hit in the back by a 9 mm slug.

He is being cross examined by attorney Chuck Peterson and Chuck is blowing holes in his credibility.

The expert says that Degan could have performed "purposeful activity" such as thinking coherently, maneuvering and aiming his gun with one hand and functioning for 3 minutes.

He was recommended by Lucien Haag, a ballistic expert who will also testify. He admitted that he and Haag routinely recommend each other as expert witnesses in cases such as this.

As to a lot of his testimony, he admits that his opinions are "rough estimates" or "reasonable approximation".

Peterson produced a paper written by him in 1988 that disputes what he has testified to today.

Marshal Cooper has testified that he would not shoot at a kid, but this expert believes that Cooper's 9 mm bullet hit Sammy in the heart, and Degan's .223 hit Sammy in the arm, or at least that is what he is testifying to as an expert witness.

Fackler is still on the stand and Peterson will be back hammering at him tomorrow.

Jerry

DAY 36

(Wednesday, June 9, 1993)

Jerry White: (Boise, Idaho) Before the jury and witness were brought in today, the prosecutor said that he didn't want time wasted by cross examination. Chuck Peterson said that he had sat through over 7 weeks of prosecution (sic) and probably would have been done yesterday if not for so many objections by the prosecution.

Fackler was still on the stand; he didn't know of Degan's back pack or that it had holes in it that the prosecution represents as bullet holes (still unproven). He never talked to the forensic pathologist who did the autopsy on Degan. He heard there was a witness to Degan being shot but never made any attempt to talk to him.

The autopsy showed that Degan's main artery was 75% closed from stenosis, which probably would have Degan go into shock quicker than a more healthy person. He also had blood in both lungs. He stated that it was unlikely that the shots were fired before Degan was shot or he probably would have hit Sammy with all 7 shots, even though he admitted he did not know what the target was for all 7 of the shots. He had not read Cooper's testimony, even knowing that Cooper and Kevin were the only eye witnesses.

Nevin wanted to use the statement Kevin

had made as soon as he got to the hospital. Prosecution objected that Kevin and the Weavers had several days to make up a self-serving story. He ignored the fact that all the FBI, Marshals service and he had been rehearsing and writing a script for 9 months. The jury was out of the room again while this argument was going on. The Judge, as usual, ruled against the defense. Nevin also wanted to use a letter reportedly written by Kevin while he was laying in the Weaver house seriously wounded. The Judge ruled against that.

In the end, the expert witness admitted that none of his testimony was certainty—all of it is "opinion".

They flew sniper Horiuchi and his army of guards back from Washington D.C. for 30 minutes of direct and cross examination. The Judge would not allow most of the questions asked by the defense. Horiuchi couldn't make a good and sensible explanation of his drawing of the 2 heads that he had drawn in the window of the door of the Weaver house when he drew his cross hairs on the window and shot Vicki.

The next witness was, Lucien Haag, criminologist, another expert witness. He reconstructs crime scenes as he appraises what he is told and from other evidence. He and several FBI and Marshals went back to the crime scene in March and again on April 26 of this year to discover new evidence. Never mind that it was 7 and 8 months after the fact and the whole area had been accessible to the whole world to do anything they wanted on the scene of the shooting. He couldn't tell what guns the fragments came from, but took the empty casings found on the scene and came up with a theory of the kind of bullets used in those casings. Never mind that a casing can be reloaded with any kind of bullet. He found saplings and limbs with skinned marks and theorized them to be bullet grazes and speculated as to what had happened. All of his testimony has been mostly speculations and opinions, the same as his friend Fackler before him.

His testimony has been "what could have happened", "what might have happened", "what could be", "what might be".

Prosecution finished direct examination at the end of the day.

Cross examination will be tomorrow. It is reported that this is the last prosecution witness.

Jerry.

DAY 37

(Thursday, June 10, 1993)

Jerry White: (Boise, Idaho) At 4:30 this afternoon, after the defense had discredited the credibility of the Expert Witness, Lucien Haag, who was the Prosecution's

last witness, the Prosecution rested its case.

David Nevin, Kevin Harris' lawyer, told the court, "In consideration of the evidence presented by the prosecution, the Defense for Kevin Harris rests its case."

Gerry Spence gave the jury his million dollar smile and stated, "In consideration of the evidence presented, and ALSO the evidence not presented, Randal Weaver's defense rests its case."

The Judge told the jury to be back at 1:30 tomorrow afternoon for instructions.

The lawyers are to be in court at 8:30 tomorrow morning for motions.

My opinion (Jerry White), the motion will be for a directed verdict of acquittal.

This will all take place in open court.

DAY 38

(Friday, June 11, 1993)

Jerry White: (Boise, Idaho) At recess yesterday, lawyers were ordered to be in court at 8:30 a.m. today to argue motions and jury instructions. Jurors were ordered to be in court at 1:30 p.m.

At 12:00 noon today, jurors were excused and told to be back at 3:00 p.m.

Court convened at 2:15 p.m. without jurors.

Lawyers Nevin and Peterson made motions to dismiss all charges.

Chief prosecutor Ronald Howen got up and started telling the Judge why none of the charges should be dropped. He got as far as count 7 and choked up and couldn't continue.

Court was recessed and as he was being helped from the courtroom a lady in the courtroom stood and said, "Praise Yahweh".

Could it be that he has been the Devil's Advocate so long that he was feeling the wrath of God and was just speechless?

I personally know many Christians that have been praying for truth and justice to prevail in this case.

These prosecutors have both been working overtime to hide the truth and make a mockery of Justice.

The Judge went to the Jury Room and excused the jury until 1:30 p.m. Monday afternoon without them ever getting in the courtroom today.

The Judge came back in the courtroom and said he was dropping counts 6 and 8 and was taking count 7 under advisement and reserving his ruling until later.

Arguments are to resume at 8:00 a.m. Monday morning.

I fully expect Justice to prevail in this case in spite of all that has been done to prevent it. More Monday....Jerry.

END OF QUOTING

Well, IF TRUTH PREVAILS it will be due to the daring adventures of—finally—some

good attorneys. It will NOT be due to the Justice System. I do hope all of you will avail yourselves of Eustace Mullins' *Rape Of Justice*. We certainly do not see "justice" anywhere else—so, you may well see a possible end to this particular trial—**BUT YOU WILL NOT SEE "JUSTICE"**. Ah, Evil smiles these days, for the appearance of all things enslaved to the very adversary seems to have power, but KNOW that oft-times in the "losing" IS THE "winning".

Remember, when Evil smiles, that the forces of evil are always ranged against you if you be of God in goodness. They know the power you can become as a channel for God-Power.

The "teacher" Esu had to conquer them in the wilderness before His life of healing and helpfulness could be all-powerful.

Not by great falls but by little stumbles does evil seek the downfall of God's children. Your own "Mountain of Transfigura-

tion" can only come after your conquest in the wilderness. Temptations at which your whole nature would shudder are no temptations for you. It is the sickly honey-sweet cunning desires that represent "temptation" to the fleshly physical consciousness.

Should you not accept and rejoice in the event of "acquittal" for the two brothers? Indeed, rejoice but do not interpret it as JUSTICE! Remember, as you attend these things—the jury has spent more time NOT in hearing than in hearing testimony—AND, the Judge demands that the jury return his own preference, for long ago you gave up the rights of jurors to act under the laws of the *Constitution* and "fair" hearing. Beware the smiling face of evil wherever you encounter it for it seems innocent as it offers the hand of friendliness. Beware, and remember: JUSTICE LIES AT THE JUDGMENT OF GOD! Furthermore, there is no punishment like the full just punish-

ment of God unto those who would mete out injustice upon HIS people.

(Editor's note: For you readers who have been enjoying the "close up and inside" view of these vivid press releases on the Randy Weaver - Kevin Harris trial by "Jerry White" and have been wanting to support his efforts, we now have an address where you may get word to him until completion of the Weaver-Harris trial:

Two Recent Examples Of Censoring Broadcasters' *TRUTH*

6/13/93 #1 HATONN

Now let us look at a couple of human instances which are getting to be the "rule" and not the exception in broadcasting. These have been shared so we pass them along. When you continue to say, "I just don't see how they..." and "How can they do this?" — I say, look back unto all the pages we have offered and multiply it by thousands and KNOW the ones who struggle for your nation and freedom ARE PAYING THE PRICE FOR ALL OF YOU.

QUOTING *KEEP AMERICA FREE*,
 APFN, Wednesday, June 9, 1993:

TELLING THE TRUTH MAY COST
 RON ENGLEMAN HIS JOB!!!

Talk show host Ron Engleman, 9:00 a.m. to noon, Monday through Friday at KGBS Radio in Dallas, Texas may soon be out of work.

Ron is the talk show host who, from March 1st till the fiery conclusion of the Waco disaster, was on the air each day disputing the statements of the BATF and FBI stating that we were only hearing one side of the story. It's been learned that he may be fired within the next two weeks.

During his five months on the air,

Ron has had a number of patriots as guests on his show. He has tried his best to educate the public as to what is really going on in our government. Some of the guests on his show were Devvy Kidd, from Project 93; William Cooper, author of *Behold a Pale Horse*; Al Adask, publisher of *Anti-Shyster* magazine; Phil Marsh of the Liberty Foundation; Chuck Harder from For the People; Dick DeGuerin, lawyer for David Koresh; David Schum, formerly with Citizens for An Alternative Tax System (CATS) who announced his candidacy for U.S. Congress on Ron's Show; Timothy Good, author of *Alien Contact*, just to name a few.

[H: Now perhaps you can understand why I am not placing either my speaker OR the talk show hosts in jeopardy by continuing with interviews, etc. Yes, readers, we have had some wondrously fruitful radio sessions—(and of course some nit-wit insulting ones also)—but the attacks increase and, if all the valid patriots are taken from the air, you will have NO VOICE LEFT AT ALL.

Re-read portions of the past few CONTACTs and you will again be reminded that **YOU DO NOT HAVE A COUNTRY OF FREEDOMS ANY MORE. WORSE—YOU ARE NOW TOTALLY RUN BY THE UNITED NATIONS AND YOUR TOP ADMINISTRATIVE OFFICIALS AND ADVISORS ARE EVEN PAID THEIR SALA-**

RIES BY THE INTERNATIONAL MONETARY FUND (THE BANK OWNER OF THE UNITED NATIONS). We have far too much work to do to cause silencing—there are better ways to win this particular WAR than by continuing the battle of attack in the pretense that you can get away with it because of the *Constitution*. You are going to have to be shrewd as the serpent (whom your adversary serves) and gentle as the dove (the way of peace). You cannot be stopped from THE TRUTH—but you can be stopped for seeming to INCITE panic or rioting, at which time they bring in the big guns of the enforcers. You are not going to, for instance, be given an "alternative tax system"—you are going to get what "they" want to give you and do not forget it. The Internal Revenue Service is just like the Postal Service—funds are not even paid to your government from taxes—IT IS PAID DIRECTLY INTO THE MONETARY FUND BANKS. WAKE UP!

Ron has made numerous speeches to groups in the Dallas-Fort Worth area concerning what really happened in Waco. This Friday, his guest will be Eustace Mullins, author of the [incredibly well-researched and written book called] *Secrets of the Federal Reserve*.

According to inside sources, the owner of the radio station, Mike Russell said, "I'm tired of this conspiracy shit on my radio station."

The Dallas-Fort worth area is about to lose a great patriot. Anything you can do to help him continue to tell the truth to the people of Texas would be greatly appreciated.

If you would like the owner of the station to know how you feel, the best thing to do is to write to:

Mike Russell, Owner
KGBS Radio
3500 Maple Avenue, Suite 1470
Dallas, Texas 75219

You can fax or call the radio station but the truth is that letters will have a much greater impact.

END OF QUOTING

AND ANOTHER: LAS VEGAS
RADIO

QUOTING *KEEP AMERICA FREE*,
APFN, Friday, June 11, 1993:

(Las Vegas, Nevada) Today at 9:20 a.m. Anthony Hilder was kicked out of the studio at KLAV for daring to tell the truth about Janet Reno.

According to Attorney Jack Thompson (phone number: 305-666-4366) and an unnamed police officer on the Al Rantell Radio Show, (as reported in *The Money Changer*, Memphis, Tennessee), Janet Reno was discovered by the officer in a parked car in the Galleria Mall in Ft. Lauderdale. Reno, a closeted Lesbian, was with an under-aged girl, both of them in a state of undress (no speculation as to what was going on). Reno said to the officer, "I am Janet Reno," identifying herself, and continued, "Please be discreet, and if I can do anything for you down the road, I will." (Quote from *The Money Changer*)

Back to Mr. Hilder. He was reporting again on the misconduct of Ms. Reno in relation to her Lesbian affairs, and her relationship with the Cult Awareness Network (CAN). The CAN is the group that worldwide has blown the whistle on so-called illegal and unrecognized religious organizations such as the Branch Davidians in Waco, Texas. CAN tentacles stretch world wide and no religion registered or unregistered is safe or exempt. **[H: Watch it—Santaria with blood and live sacrifices IS SAFE UNDER THE RULING BY YOUR HIGHEST COURT! PEOPLE DOING THEIR CONSTITUTIONAL RIGHT TO FREE RELIGION ARE THE ONES UNDER ATTACK.]** Hilder was reporting on Reno's relationship with the Clintons.

During yesterday's program, Hilder, in comparing the National Socialism of Adolph Hitler's Germany with the Socialism of Bill Clinton's America said, "Clinton had all of the charm but none of

the dynamics of Hitler. Clinton is the 'velvet glove' on the iron fist of Communism. He must be impeached. If we don't take him out he will take the American Economy out, down and under and into 'ze nu world order'. Carl Marx is alive and well on Pennsylvania Avenue.

"Bill Clinton, like his mentor Dr. Carroll Quigley, advocates a one world government on the ashes of American Sovereignty." Dr. Quigley is the author of *Tragedy And Hope*.

My name is Dianne; I am reporting this as an individual, a patriotic person. I heard with my own ears that Mr. Hilder was audibly shaken as he reported over the airwaves that he was asked **to shut down and leave the studio, that they would be "going to commercial"**. The next thing we heard was an already-in-progress program from "For the People" out of Florida.

I was driving by Vegas World just at that time and stopped by to speak to anyone who was there to find out just what part of what Mr. Hilder said was so disgusting or inaccurate that he had to be censured from telling the truth about our elected and appointed officials. This seems to be *deja vu*. Didn't we have the same type of situation with Steve Miller and Russ Driver in relations to Steve Wynn and his cohorts? Are we learning here that **we cannot speak badly about money or people who have money?** If we do, then maybe we will be slapped down and slapped down hard?

I was able, for a brief time, to sit in the studios-sales office of KLAV at Vegas World and speak with one of the local talk show hosts. I told him that I had documents and paperwork showing that what Mr. Hilder said was not frivolous or made up, but that it was indeed down in black and white with names and places and dates.

When Mr. Hilder walked in I introduced myself and explained why I was there. It turned out that the owner of KLAV was out of town for a few days and he, in fact, had not shut Mr. Hilder off but the **secretary did. (Again, no speculation as to whether she had been in touch with him beforehand or did it on her own.)** At that point the secretary came into the room and told me that Mr. Wagenford was on the phone for me. When I picked up the phone, he did

not even identify himself, but invited me, in no uncertain terms, to leave, that I was not welcome in the studios or in the sales office. How do patriots stand in the eyes of Mr. KLAV? Are we just a means to an end? Are we just to be tolerated? Where does KLAV stand on the truth and the **Constitution?** Are we just "conspiracy theorists" as has been purported about Ron Engleman on KGBS Radio in Dallas, Texas?

Mr. Hilder appears to be a sincere person to me. His agenda appears clear cut, as does mine, to get the truth out to as many people as possible, as fast as possible, in as few words as possible. If everyone were telling the truth and doing the right thing, Ms. Reno, then there would be no toes to step on.

If our Media won't tell the truth about those people at the head of our country, and won't let us tell the truth about what is going on with our country and those people who are at the head of our country, then who will? Where can we turn for truth? **[H: YOU CAN TRY CONTACT AND THEN GET SOME NEW SUBSCRIPTIONS SO IT CAN STAY IN PRINT! You can also continue with the APFN (but they will also need support). YOU HAVE NO LONGER ANY CLAIM TO THE CONSTITUTION OF YOUR NATION—YOU BELONG TO THE UNITED NATIONS GOVERNMENT, ONE WORLD—NEW WORLD ORDER!]**

Those people, like Anthony Hilder, Ron Engleman, Lou Epton, Peter C., Steve Miller and Russ Driver are to be praised for the work that they are doing and the truths that they are telling. Don't cut them off. Don't shun the truth. Don't shirk your responsibility as a citizen of this grand country.

Hilder personally has no complaints with Dave or Loal Wagenford. "They have got to do what they have got to do for the sake of the station. I have got to say what I have got to say for the sake of the nation."

We should be **"Mad as Hell and shouldn't take it any more."** **Stand up for your rights as they do.**

END OF QUOTING

AS WE SOW

On my way home from town one day I came upon a car stopped at the side of the road. The driver was having problems with his battery, so I went to a nearby farm, borrowed booster cables and got him going. When he insisted on paying me, I told him he could return the favor by helping the next person he found stalled along the road.

Two weeks later my Dad went to an auction 50 miles away. Coming home by a back country road, he had a flat. Dad has emphysema and was too weak to change his own tire, so he was very grateful when a motorist stopped and helped. But when Dad offered to pay, the motorist said, "Two weeks ago a lady up south of Miller helped me, and instead of letting me pay her she told me to . . ."

Colorado Agencies Into Receivership?

6/13/93 #1 HATONN

One last urgent message is requested running before we close this segment.

This is from C. F. A. (WA, 206-874-1456) via APFN, Tuesday, June 8, 1993. This is not "unusual" news but it had BETTER GET YOUR ATTENTION BECAUSE IT IS GOING TO BE LESS AND LESS AND LESS "UNUSUAL" FROM HERE ON IN!

This is **FOR IMMEDIATE RELEASE** from a Press Conference.

COLORADO AGENCIES MOVING INTO RECEIVERSHIP?

QUOTING: This press conference is being held by the receivers Scott Hildebrand and Darrell Sturgess. The following statement is **in effect by order of the U.S. District Court in Denver, Colorado**, under Case Number CV-92-C-1781, **that the entire Home Administration, National Banking Associations, the City of Fort Collins, Colorado and the County of Larimer, Colorado ARE HEREBY PLACED INTO RECEIVERSHIP BY ORDER OF THE U.S. DISTRICT COURT OF DENVER, COLORADO.** Darrell Sturgess and I, Scott Hildebrand, **are activating the National Guard to ensure NATIONAL SECURITY.**

These Entities are hereby placed on notice that the assets of those placed in receivership are to be turned over to the receivers Darrell Sturgess and Scott Hildebrand immediately to be recorded with the Court and to be disbursed against the Affidavits of Damages submitted to the receivers. These assets include, but are not limited to, the assets of the agents, officers, directors, and employees of the above-mentioned entities for **CIVIL RIGHTS VIOLATIONS** and fraud which they were a part of and-or perpetrated. **[H: I wonder if anyone would like to also look into the dealings of a bank in Kirk as well? Seems to me a lot of good things might be "found out" about "unusual" set-ups and dealing with ones we know quite personally and painfully.]**

Two examples of the fraud committed are as follows:

1. The Farm Credit System, Federal Land Bank, Production Credit Association, Farmers Home Administration, and the National Banking Associations were **never properly registered in the State as lending institutions to do business.**

2. Because they were never a legal entity, they had no standing in the Courts which

they have used to seek remedy and relief from the people.

The National Banking Association will be closed and their affairs wound up for their non-compliance with the National Bank Act and their failure to comply with various State Laws.

The National Guard is hereby notified and given the authority to assist in arresting the perpetrators of fraud as specified in the arrest warrants which were filed in the U.S. District Court of Denver, Colorado, under Case Number CV-92-C-1781 because the Federal Marshals have failed to perform their sworn duties to uphold the Constitution of the United States of America.

Any individual having a claim will be informed of these procedures in the subsequent press conference. The specific details and an example of a standard claim will be outlined at that time.

What we have been assigned and designated to do is clean up the largest perpetration of fraud ever committed on the American Public. **[H: Good luck!]**

END OF QUOTING

I don't believe I would hold my breath, citizens. There have been cases brought against the BATF, the Governor of Texas and other wolves in the sheep pens.

I'm sorry, readers, we are not informed about this to the extent to even comment reasonably as co-humans. It sounds GOOD? Well, it can be looked at in several ways, without more FACTS. If everything is placed in receivership it will mean EVERYONE PARTICIPATING will LOSE quite a bit. If these are Patriots efforting to cause something to happen through the Constitutional system—how much luck do you think they will find available? Remember that Mr. Lighter, Salter, et al., including Bo Gritz, have brought citizen's arrests forth on many people now—AND NOTHING (N O T H I N G) HAS RESULTED IN ANY MEASURE WHATSOEVER—EXCEPT TO BRING SOME ATTENTION (A VERY GOOD THING IN ITSELF).

I, Hatonn, am asked for comment on this last announcement—I cannot have any of value in any way, shape or form. What does it mean and who is doing it? This is another thing which is often lacking in the good intentions of workers—you do not have everything you need to get a job done. If this is the "law" coming against these frauds—then you have one scenario (if the fraud be true). Who is Darrell Sturgess? Who is Scott Hildebrand? Receivers?? By what authorization? From where? Since when? Who

appointed them? Are they 'court' representatives? Do they have authority to activate the National Guard? (It usually takes the Governor personally.) National Security? Isn't that the new role for the Federal Marshal Service and the ATF (no longer a "Bureau") and the other United Nations forces? I cannot comment for you have left no information with which to consider comments. Did they close the Banks? If they are not registered, can they remedy it without bank closure?

I am not being "smart"—I simply cannot comment on any subject with so little actual fact being issued. To accuse MEANS NOTHING!

The KEY, of course, is the validity of an "ORDER OF THE U.S. DISTRICT COURT IN DENVER, COLORADO". If this be true, you have one circumstance—if, however, some people SAY there is a court order and there is not—the fur will fly and it won't be the Bankers'. If there is an order, then everyone must sit up and take careful notice. We look forward to updates.

PLEASE TAKE CARE IN WHAT YOU DO AND HOW YOU DO IT. Salu.

RAILROAD MADNESS

(Editor's note: The following refers to two excerpts we have run, the first on page 54 last week, titled "Another Khazarian Monopoly: The Railroads Own YOU!" and the second, this week, on page 2.)

We have been asked to "hold up" on the railroad saga for the present time—until such time as the full book is received. We cannot, at any rate, run the story in entirety for we are now told it is well over 700 pages. The volume can be gotten from the source for, I believe, \$50. I have no comment for we have not reviewed enough to further consider publication of same. It is a fine historical documentation but the cost is a bit stiff for most readers although "cheap" for the contents and quantity of pages and work. We shall keep you posted as we move along. The important point is that **EVERYTHING IN THE NATION IS OWNED BY THE RAILROADS--EVEN TO THE SHIRT ON YOUR BACK!** The leases are expiring as of this month through 1995 and property will be taken along with all improvements to the land by "would-be" owners. The lands are actually "leased" and taxes are due and owing on those leases, in addition, for over a century. The national debt will seem puny by comparison.

This "good news" reporter will now take leave. Good day.

DEAR READERS

As we're sure you've noticed, for the last quite-a-few weeks, our paper has far exceeded it's normal size. We've even had several agitated notes from concerned readers "reminding" us how in the world, if you just consider the amount of postage on the paper each week, we expect to break even?! It's pretty simple arithmetic to figure out we're not in this for the money!

As a matter of fact, subscription monies generally cover less than half of the weekly production expenses. And lately, with *CONTACT* at double or triple normal size, subscription monies cover A LOT LESS than half of production costs.

Thus, to make ends meet, since the beginning of this newspaper, we have been operating primarily on borrowed funds to stay afloat. However, we are getting to the point where that method is becoming increasingly difficult to maintain.

We are so very grateful to all of you who have been sending us stamps and extra dollars when you could spare it. This has been VERY useful and, among other things, such warm generosity acts as a direct means whereby we can offer subscription "assistance" to those who cannot afford the full amount. With the way the economy has been going, you can imagine how often comes that plea for help.

But, what we REALLY need now is for some of you out there, who have been blessed with healthy financial resources, to help support us! We know that, in these hard financial times, it's getting to be an old story, but our needs are genuine and certainly not "for profit".

We thought we would first try this approach of asking you readers — who truly can afford to help — to consider doing so because, **without some major funding SOON, we will be forced to implement Plan II: that is, raise the subscription price, maybe even significantly, just to keep this newspaper going.**

However, the problem with raising the cost of a subscription to *CONTACT* is that we will likely lose those of the loyal "ground crew" team who can barely scrape enough money together NOW for a subscription. Thus our reluctance to go that route unless absolutely forced to.

Growing stronger with each passing issue, we are a widely read and clearly heard voice for We-The-People. Much to the irritation of the Satanic Elite Controllers, your *CONTACT* manages to rock quite a few crooked boats!

Rest assured that all of us who serve you at *CONTACT* will do whatever it takes to our last dime or our last ounce of energy to get **THE TRUTH** out to you. If any of you out there can help us financially with this major team effort, then consider just how much you then also help your less fortunate fellow man who also dearly seeks **TRUTH** as THE important first step toward bringing this once-great nation back under God and *Constitution*.

Give it some thought, and thank you.

Recent Telephone Conversation With Rayelan Russbacher

(Editor's note: The following is summarized from a telephone conversation with Rayelan Russbacher on Sunday, June 13, 1993:)

By getting Gunther moved from Jefferson City to the new Institution, it's called Missouri Eastern Correctional Center at Pacific, Missouri, we've transferred him out of the frying pan into the fire.

The new prison is far worse than anything he's been in during the four years of his incarceration. The physical surroundings are very nice, it's a nice facade to hide the psychological, sadistic games that are played.

I mentioned before that there was a parole hearing and we would know within ten days whether the request was granted or denied. If it was granted, then Gunther would be turned over to INS and deported immediately back to Austria. Well, immediately after the parole hearing, the Warden hit him with a violation hearing. The violation hearing covers things like having too many stamps and too much canned food. The food had been transferred to Pacific from the old prison. The major violation has to do with conducting business without permission. However, permission was granted and, of course, the business that was being conducted without permission was signing over some of his shares of his old brokerage company to me so that I could use these shares to raise money for a publishing company.

The State of Missouri has searched their files and they have said that the company doesn't exist. This is very important because all the way back in the original trial they said this company didn't exist. But I have the charter in my possession. I have given it to somebody for safe keeping in case my house is burned or they come in and try to seize it. I no longer know where it is; I just know that it's safe. The original charter has the gold seal, the embossed stamp, it has the signature of the Secretary of State of Missouri, and it has all of the bylaws. This particular charter was something we tried to produce back in 1990 when

he was up for these charges originally, but we couldn't find the charter. Well, the charter mysteriously appeared in the prosecutor's office. Our public defender took the charter without the knowledge of the prosecutor, I believe. I don't believe the prosecutor realized that the investigator for the public defender's office took the original charter. The public defender would not release them to us until about two months ago, and now that we have those charters, we can prove that this company actually exists. However, if, while we are trying to prove that this company exists, the State of Missouri can prove that this company doesn't exist, Gunther can be hit, indicted for conducting some type of fraud. It's just another case of absolute harassment on the part of the government trying to do whatever it can to come up with any charges to destroy us.

On Monday, June 7th, I went to the Governor's office to speak with the Governor's legal counsel. I was telling him that I believed someone had given the warden orders to make sure that Gunther Russbacher had enough violations toward him that he would not qualify for his parole. It looked to me like the orders came down from someone outside the Missouri prison system. The counsel, a young man named Brad, placed a call to the Warden of the prison at Pacific and asked to speak to Gunther. The warden told the legal counsel that Gunther Russbacher was eating and would be about an hour. Finally, we realized the warden was never going to return the call. The next day Brad said he would phone the warden and ask to speak to Gunther. When I left the Governor's suite, I called Rodney Stich. Rodney told me that Gunther had been placed in solitary confinement, called the hole, and had been placed there for fifteen days on the order of the warden and the violation committee. This was done on Monday afternoon. When the legal counsel for the Governor of Missouri called the warden late Monday, the warden conveniently omitted telling the him that Gunther was in the hole. The warden lied by omission to the Governor's

office. Right after the warden received the call from the legal counsel, Gunther was taken out of the hole. He was put in his cell and he was placed on five days confinement without the ability to use the telephone. He is now able to use the telephone again. The warden of that prison, in my mind, thinks that whoever he reports to is more powerful than Governor Carnahan of Missouri.

While Gunther was in the 5-day lockdown, the Counsel General out of Chicago tried to contact him. His public defender tried to contact him and the legal counsel from the Governor's office tried to contact him. Jennifer Fachfe is the woman directly responsible for not allowing the Austrian Counsel General, the Governor's legal aid, and the public defender from getting their calls through to Gunther. Do you see how powerful this little woman thinks she is? She thinks she's more powerful than the Governor. She's more powerful than the State of Austria. She's more powerful than the Missouri legal system because she denied access from these people.

The Counsel General has the right to get through to any of their citizens, regardless of lock-down, segregation, no matter what. And yet, this woman, Jennifer Fachfe, took it upon herself to prevent all three of these calls from going through.

At that particular prison, they run their own little crime syndicate. The people in that prison think they are absolutely untouchable by any government agency in Missouri, and I don't know whether it's because they've got the CIA behind them or the Mafia behind them, but there is a power behind the higher-ups in that prison and the higher-ups in that prison genuinely believe that they do not have to answer to the Governor of the state of Missouri. And that's what the Governor of the state of Missouri needs to know about these people. That prison needs to be cleaned out completely. That prison is probably the worst prison in the state of Missouri.

He is experiencing the identical problem he had in Jefferson City: his inability to get the medicine he needs to keep him

alive.

There was some rumor of a hearing scheduled for the 15th? It wasn't the 15th, it was supposed to be a conference call hearing between the judge who is sitting on his appeal and the prosecutor from the county of St. Charles, a fellow named Phil Groenweghe. It's supposed to be between Judge Michael Brown, prosecutor Phil Groenweghe, and our public defender Rob Fleming. It was supposed to have taken place the 10th, and it was when Judge Michael Brown was going to rule on whether the appeal had merit, and, of course, what we were appealing on. There were four actual grounds, one of which was incompetent counsel, another was the fact that it had been tried 18 months after the statute of limitations had run out.

When the stock brokerage company was closed, it was closed in such a way that Gunther was thrown in jail immediately and did not have the time to close down this particular corporation properly. Any business will have outstanding debts and either declare bankruptcy or they pay off the debts.

In Gunther's case, they paid off the debts, but these charges were brought 18 months later and the victims claimed that they were owed these monies. At the time we tried to find the victims, we couldn't find any of the so-called victims. There was nobody who was willing to come forward and testify at the trial. The only victim the investigator for the public defender found said that Emery Payden, the name that Gunther Russbacher was using to run this CIA proprietary stock brokerage firm, was the best financial planner that he had ever had and made him all sorts of money. This is a so-called victim?

Back to what was supposed to take place on the 10th and didn't: now we're waiting for the 17th. If Judge Brown puts the case back in the St. Charles County Court, which is where it should be because we never got a trial, the prosecutor is going to have to produce witnesses and there are no witnesses that will testify against him. If we can have a jury in front of us, we can prove that Gunther was the victim of absolute government persecution--not prosecution but persecution, coming from the highest levels—meaning George Bush.

The call went out from George Bush to get Russbacher. I believe it went to Dick Thornburgh. It may have gone to William Sessions. I'm not quite sure if it went to Dick Thornburgh, who was the Attorney General, then to William Sessions, the head of the FBI, but the man in Missouri who got the call to prosecute Gunther Russbacher was William Webster, the Attorney General for the

state of Missouri. William Webster ran for Governor against Mel Carnahan. William Webster has now been indicted on various charges of misusing his office of Attorney General. William Webster is facing 18 months in prison for that misuse of government resources. I've been told that there are more charges coming down toward William Webster.

What is going on right now is that the men in the Intelligence community know exactly who Gunther Russbacher is and know that there, but for the grace of God, go they. They are using the animosity between democrats and republicans to selectively go after every single republican—whether we're talking about a congressman, senator, judge, whatever—that has been involved in the political witch-hunts of the Intelligence community during the Reagan/Bush years because on last count George Bush had thrown over 330 Intelligence operatives in prison.

Everybody can be prosecuted, and if you get on the wrong side, you're going to be prosecuted. That goes for both democrats and republicans. You're going to see that there are going to be lots of former officials becoming indicted and that plays into the rage of the American people because the American people are ready to go on a hanging spree. If the entrenched bureaucrats, and its the judicial system, if they don't watch out, one by one they're going to fall. It's starting right now. Unfortunately, for people like Michael Riconosciuto and Gunther Russbacher, it may be coming a little too late. This is my opinion, but some high-level bureaucrat, some high-level Reagan/Bush appointee who was probably appointed back in 1981 as a low-level gopher, suddenly is now running a particular agency, whether it is a branch of the Department of Justice or the immigration or the CIA or the FBI or ATF or whatever.

One of these people has a personal vendetta or has orders from people who have a personal vendetta against Gunther, and is telling the warden to make sure that Russbacher dies before he is deported. This is the seriousness of what I believe we are dealing with at the moment. If they can't kill him within a week, then they will try to withhold his heart medication so he has a heart attack. If they withhold his heart medication, they can say that it was the pharmacy person's fault. Then, in actuality, somebody goes in with one of those injections, injects the particular chemicals into his system that cause the CIA "heart attack", and then they can just say, "Well, he had a heart condition. He died in his cell. It's not our fault."

Certain people are so frightened that Gunther Russbacher has the possibility

of walking free that they are going to do anything within their power to make sure that he never does.

They're trying to kill him before the parole is granted or they will manufacture new indictments so they can hold him somewhere so that his heart condition will eventually kill him.

I do believe that Governor Carnahan and the democrats within the Jefferson City hierarchy, at this moment, want Gunther Russbacher out of their hair. Gunther is not a threat to Mel Carnahan or his administration. He is a threat to people like former Attorney General William Webster and quite a number of judges in Missouri, plus quite a number of the higher-up government appointees with the CIA, FBI, ATF, DEA, etc. I believe that it is these men who are conducting the full-scale attack toward Gunther, which will eventually end in his death.

One of the statements that I threw out over the Tom Valentine show in anger is, "Even if I have to run for Governor of Missouri, I'm going to get my husband out of prison." Missouri appears to be the state that is the most likely to form or to field a very successful third party.

What they are afraid of is that I can create a third party there in Missouri, and that is what I am willing to do if Gunther is killed in Missouri or if he is not deported. I will be back there and I will put together a third party coalition from all of the various parties that exist right at the moment. The Missouri people hate the republicans and they hate the democrats and, I think, out of that type of environment, we can successfully create a third party. That is what the Governor of Missouri is really afraid of.

I have no idea when the parole board is going to make its decision. The parole hearing was on the 2nd of June. They told us we would have an answer in 10 days. I would imagine that it is 10 working days, bringing it to the 15th of June. I have no idea whether we will have an answer by then or not.

Starting Monday, June 14th, Gunther has been assigned to work in the kitchen. When Gunther was at Jefferson City, his heart condition and hypoglycemia precluded him from working. As a matter of fact, just a couple days ago while he was in confinement, he had a glucose attack and was going into shock. They literally had to put glucose into his mouth with a tube to bring him out of the hypoglycemic shock. What should be known is that Gunther was exposed to Hepatitis many years ago. He tests positive for Hepatitis. I do know that people who have this type of Hepatitis in their blood are not allowed to work around food. That is a violation of the Health Code there in

Missouri. He has told them that he tests positive for Hepatitis. He also tests positive, since he was young, for Tuberculosis. He was exposed to Tuberculosis in Austria when almost everyone in Austria had it right after World War II.

The other thing about working in the kitchen is that prisoners have in their possession lethal weapons. They have knives and other things that could kill people. In a prison like Pacific, you can order a person killed for a pack of cigarettes or for the possibility of early parole. That's another reason that I worry about Gunther having to work in the kitchen.

What is June 17th about? That is when Michael Brown, the judge who is ruling on Gunther's appeal, will be having a conference call with the prosecutor of St. Charles County and with our public defender. It is my belief that Judge Michael Brown wants out of this and he wants Gunther deported before he has to rule, because if he denies the Motion, he knows that he is making enemies of Gunther's friends in the government. Gunther still does have many friends within government. So, Judge Michael Brown knows that if he rules in Gunther's favor and sends the case back, he's got republicans angry at him. If he doesn't rule in Gunther's favor, he's got the democrats angry at him. He's got Gunther's friends angry at him if he rules one way, he's got Gunther's enemies angry at him if he rules another way. Judge Brown is caught on the hot seat. The only way that Governor Carnahan can be let off the hook is if the parole is granted and Gunther is deported.

The next step is petitioning Governor Carnahan for clemency. If we petition Governor Carnahan for clemency, he is going to be put in the exact position that Michael Brown is put in.

There are very powerful, high-level political appointees from the years when the republicans ruled Missouri and when the republicans ruled the United States, and it is this group of high-level political appointees who are the ones who are behind this continued persecution of Gunther Russbacher. If the Governor has his way, if Michael Brown has his way, I am sure that Gunther Russbacher will be turned over to Immigration and then it will be a federal problem rather than a state problem.

What I'm most worried about right now is that the people at the prison, at Pacific, who take their orders from these high-level bureaucratic appointees, will be successful in killing Gunther Russbacher before he is paroled and deported.

Finally, I just want to thank everybody who has written on Gunther's behalf. That kind of avalanche of mail has really helped.

Waco Massacre Update

(Editor's note: The following fax arrived as we were going to press with this week's *CONTACT* but we HAD to find room to share it with you readers. We have exceptionally high regard for both Harry Martin and his "baby" *The Napa Sentinel*. Long-time readers will remember the INSLAW material we ran about eight months ago in *CONTACT*'s predecessor, *THE PHOENIX LIBERATOR*. That fine investigative series on the sophisticated INSLAW intelligence-tracking software, wrestled from its inventors and owners by our crooked government, was courtesy of *The Napa Sentinel*. We have another fine outlay from Harry's paper on our government's sick and very secret Mind Control experimentation to share with you as soon as there is room to do so. This material confirms much of what Commander Hatonn has presented on We-The-People manipulation tactics. We are presenting the Ken Fawcett tape information again, on the next page, because that tape also discusses -- among many other issues -- what Harry relates below.)

We just conducted a private interview with U.S. Treasury Agent/FEMA representative. The interview is not at the present time being used for publication. We did, however, want to share some highlights with you regarding the Waco situation:

1. Satellite photo recorded tank incursion into compound and shows that on the withdrawal of the tank there were flames coming from the gun nozzle.
2. Two ATF agents that were reported shot at the scene were actually killed by grenade fragments. The grenade was thrown into a room occupied by the two agents. The thrower of the grenade was another ATF official.
3. A Federal Judge had issued a restraining order against federal agents from any action against the compound. The lawyer that delivered the court order was harassed and stopped, unable to serve the papers.

We have not confirmed any of this information, but the source is reliable and is a Treasury Agent. We can add an additional piece of information to this. On the eve of the attack on the Waco compound, we received a phone call reporting that three hospitals - including Parkland Hospital - had been asked to set aside burn beds. This was the day before the fatal attack. When we, and other media, contacted Parkland Hospital they repeatedly hung up on us.

WHY WACO? UPDATE

In conjunction with Constitutional Foundation Association,

NOW AVAILABLE:

"The Ken Fawcett Theory"

**on the ATF assault of the
Branch Davidian Church Complex
at Waco, Texas**

Exclusive 1-hour video with narration, facts and documents to support the conclusion of a "Foreign Invasion" and "Act of War" by Foreign Agents of the New World Order. Learn the Truth NOW!

This video is offered for donations of \$25.00 (plus shipping) to help spread this vital information to every corner of the United States of America. If you wish to duplicate the tape locally for distribution, you may do so provided CFA is given full recognition and that we share equally with your group in the profits after costs. Three quarter inch Beta Masters are available at nominal cost to expedite local reproduction and distribution of high quality videos. This is not a profit motive based idea, but rather one to cover the costs of financing and producing this kind of vital information to the public, who would otherwise remain indifferent and unaware of what really happened in Waco. An accompanying document packet containing approximately 130-pages is also available for \$12.00.

Postal Money Order's (blank) or Cash Only - No Checks! Add 15% for shipping costs.

Hydrogen Peroxide Use For Purification Of "Stuff"

Editor's note: We are re-running this important information on the purification uses of Hydrogen Peroxide not only because of its bearing on the New Gaia Products (on the next-to-last pages) during these warmer summer months, but also because of the Satanic Elite's water contamination and other "plague" introduction plans.

4/27/93 #1 CERES 'ATONN

NECESSARY INSTRUCTIONS: GAIANDRIANA AND OTHER "PRODUCTS"

As we sit to pen this information I am at a loss as to how to keep you from thinking me idiot-material. However, you who already have past information, say, regarding Hydrogen Peroxide and its antiseptic-antibiotic properties, please be patient while we offer information to those who have not received same. Further, Summer is upon you and such as Gaiandriana and the Mo-Gu starters and/or tea need updated care instructions. [See next-to-last pages for the New Gaia Products being referred to here.]

We have gotten back from ONE who said he had the "stuff" tested and found a few bacteria, a virus or two and some E. Coli in the test-run. If it were the Gaiandriana I question that result very, very much. **It is important for you to know that in the culture medium utilized there is a combination of items which CREATE AND PRODUCE HYDROGEN PEROXIDE in the Gaiandriana transformation.** This will purify the liquid. This does not mean that you cannot contaminate the bottle in some manner. However, since intake decreases, usually, let us consider the "setting" bottle, etc. Of course it is recommended that you store the larger quantity in refrigeration facilities.

HOWEVER, if you have no refrigeration facilities, etc. Place the equivalent of 10 drops of food-grade (35%) hydrogen peroxide (H₂O₂) in a small quantity (approximately an ounce) of water (to first dilute the H₂O₂) and then add this diluted H₂O₂ to the 32-ounce

Gaiandriana or Aquagaia bottle. Remember to scale down the number of H₂O₂ drops utilized for the smaller 16-ounce and 8-ounce product bottles. The Gaiandriana or Aquagaia will continue to thrive and the unwanted bacteria and/or any virus will be destroyed and then actually removed by ingestion by the Gaiandriana or Aquagaia activity.

The "tea" (Mo-Gu) is a very different matter. You are making a very sweet growing medium for the membrane and in addition you are growing it in a warm condition (necessary) and further you are setting it for a couple of weeks or so, give or take a bit. What do I suggest? Well, I suggest that probably you won't want to ship much "tea" during the hot months because of lack of refrigeration in route. But, you CAN purify the water used in making the tea with the general rule-of-thumb water-purification formula of 7-10 drops of 35% food-grade H₂O₂ per gallon of water—which will additionally help enhance the membrane growth.

Then, later on, as you process or "harvest" the finished Mo-Gu tea product, and store it in the refrigerator, add another 7 to 10 drops (say, for a gallon storage container of Mo-Gu, with scaled down number of drops for smaller storage containers) of the 35% food-grade H₂O₂. Again, first dilute the H₂O₂ in some water before adding to the Mo-Gu. You will not taste it and neither will it hamper the value.

I always suggest, in adding any 35% food-grade H₂O₂ to anything, that it be **DILUTED FIRST**. Just as you must NEVER drop concentrated anything into the mouth (for it would damage living cellular structures), neither do you dump it full-strength into living culture medium. Dilute it in a bit (say, an ounce) of water first and STIR rapidly whatever it is you are dumping the diluted H₂O₂ into for purification purposes. Naturally, if just purifying a gallon of water, there is no need for active stirring, though a little closed-container agitation (a few shakes) won't hurt.

GETTING "SLIMED"

Another question: What about that

slimy goo in the bottom of the bottle of Gaiandriana or Aquagaia if left out of refrigeration? GOOD GOO! I suggest you now go get some FOOD-PROCESSED ALOE VERA LIQUID. Take a half cup or so of it (some of it is even orange or lemon-lime flavored, etc.) and dump in the "goo" and last portion of a Gaiandriana or Aquagaia bottle. Or, strain the "goo" out of its original bottle and place it into the new aloe vera "home". Leave set for a couple of days and you will have a concentrated batch of Gaiandriana or Aquagaia product which will be an addition to the original bottle.

This is NOT a replacement for the original batch you get for it will not contain all you need. However, in ones who intake products which tend to kill off a portion of the Gaiandriana in the body (like caffeine in coffee)—this will enhance the potency—even if you just drink a little. Remember, Aloe Vera itself has a tendency to make some people feel "queazy" so DO NOT OVERDO how much of this you drink!! However, a full-blown AIDS victim could take ten times a "normal" amount and only improve—for perhaps "feeling good" is a very relative state of being.

Some people are going to run fevers and have "crisis" symptoms as healing takes place. If this goes on for very long, look to other health problems for the cause. First, treat the "liquid batch" with hydrogen peroxide as above described. THEN start on a regimen of hydrogen peroxide according to the instructions given again herein [*chart on following page at bottom*].

I happen to know that you do not need to work up to any 25 drops as the instructions [*following*] claim UNLESS you are suffering from flu, infection, or other maladies. If you are "well" and "anything" makes you feel bad—either stop it or, certainly, decrease the amount. USE YOUR REASONING MIND!! Like anything of this nature—TOO MUCH WILL MAKE YOU SICK OR BE DETRIMENTAL—EXCEPT WITH GAIANDRIANA—AND THEN EVEN THOUGH YOU MIGHT NOT FEEL GOOD (BECAUSE OF THE OVERDOSE OF ALOE FROM THE CUL-

TURE MEDIUM), YOU WON'T HURT YOURSELF.

HYDROGEN PEROXIDE — H2O2
(35% Food Grade)

Purchase a small eye dropper bottle at the drug store. Fill your small dropper bottle from the large bottle as needed. The large bottle may be stored in the refrigerator or in the freezer inside another plastic container. The small eye dropper bottle should also be kept in the refrigerator. **Always use caution when handling 35% hydrogen peroxide!**

DO NOT use with carrot juice, carbonated drinks or alcohol. For best results, take on an empty stomach 1 hour before a meal or 3 hours after meals.

Formula: Mix the number of drops of 35% hydrogen peroxide into at least 6 oz. of distilled water, juice or milk and stir vigorously, then drink the mixture. Some people eat 1/4 to 1/2 of a banana immediately after drinking the solution. You may prefer something else to eat.

If your stomach gets upset at any level, stay at that level or go back one level. Then proceed to increase your daily dosage again.

When free of complaints you may taper off by taking:

25 drops once every other day for 1 week,
25 drops once every 3rd day for 2 weeks,
25 drops once every 4th day for 3 weeks.

A good maintenance could be 5-15 drops per week, or whatever makes you feel good.

If you get the 35% hydrogen peroxide on your skin rinse it under running water for several minutes.

Soak feet: 1-1/2 oz. 35% to 1 gal. of water.

Bath: 16 oz. 35% to a tub of water to detoxify.

Colonic: 1/2 pt. of 3% per 5 gal. of water.

Douche: 6 tablespoons of 3% per qt. of water.

Candidiasis: 1 drop of 35% 3 times a day; then increase schedule.

For the more serious complaints, stay at 25 drops 3 times per day for 1 to 3 weeks. Then graduate down to 25 drops two times per day until your problem is taken care of. This may be from 1 to 6 months.

If you have a weak stomach you may experience nausea similar to that in pregnancy. Also as dead bacteria or various forms of poisons are released you will experience a cleansing effect as they are released through the elimination organs

of the body: skin, lungs, kidneys and bowels.

Some reactions to the cleansing effect could include skin eruptions, nausea, headaches, sleepiness, unusual fatigue, diarrhea, head or chest cold, ear infections, boils or any other ways the body uses to loosen toxins. This is a natural cleansing of the body and should be of a short duration as you continue to maintain your program.

Formula to make a 3% solution of hydrogen peroxide. Put 1 oz. of 35% hydrogen peroxide in a pint jar. Add 11 oz. of distilled water. This will give you 12 oz. of 3% H₂O₂. Use also for brushing teeth and applying to skin sores.

Do not use 35% H₂O₂ if you have had a transplant.

TO THOSE OF YOU WAITING
FOR NEW STRENGTH OF PRODUCT

Because I have mentioned that work is being done on strengthening the Gaiandriana, some of you are backing off and waiting. Please don't do that for research is being done and it will be a while. In addition, one of the items in the medium is being removed in order to enhance the strength. This will mean that you can get the same basic result by adding some food-processed aloe vera to the initial product which will allow a higher level of Gaiandriana presence. Gaiandriana will only grow to its level of fuel (food) available—so just treat the product accordingly.

I am, further, requesting that all further product be receiving hydrogen peroxide for purification purposes. Any

that YOU ADD, however, will only enhance—not damage.

OTHER PRODUCTS

We have tried to make available other products to use in conjunction with the Gaiandriana. **USE YOUR REASON HERE ALSO!!** If something makes you feel bad—don't use it!, cut back on amount or forget it altogether. These are all natural substances so remember, if you are eating anything that makes you feel bad—you quit eating it, right? Just continue the Gaiandriana—I promise you—it is not making you ill. If you are reacting, then it may be due to the “base” or “combining” substance in tableting, etc.

CHLORELLA

We get complaints about chlorella causing indigestion, etc. Chew the tablets or dissolve in a bit of liquid before intake.

Now again, use reason. Are you still eating in addition to the chlorella? Well, perhaps you will wish to reduce the intake. It is better for you than food but you **DONT NEED EVERYTHING**. We are efforting to show you what you could take with **NO** food in survival situation **AND STILL BE ABUNDANTLY HEALTHY**. Adjust your intake accordingly. If you are caught in an emergency and need survival sustenance—now you know what to take for health needs.

You can subsist on chlorella and water alone. Add Mo-Gu tea, a bit of spelt bread and some lentils (preferably red)

and you can live healthily ever after—in other words, it would not be malnutrition that would “getcha”. AND ALWAYS KEEP FOOD-GRADE HYDROGEN PEROXIDE AVAILABLE TO PURIFY EVERYTHING. REMEMBER, 7 DROPS OF 35% FOOD GRADE HYDROGEN PEROXIDE TO A GALLON OF WATER WILL PURIFY IT AND THE WATER WILL PICK UP A MUCH IMPROVED “FLAVOR” OF FRESHNESS—UNDER MOST CIRCUMSTANCES NOT EVEN NOTED AT ALL. THIS is why one of the first items confiscated from health food stores, labs, and so on—IS HYDROGEN PEROXIDE IN FOOD GRADE. I remind you readers of long standing: the best treatment for arthritis and other seemingly “incurable” diseases is hydrogen peroxide therapy in accompanying regimen of Gaiandriana which moves in and restores the cellular restructuring of self.

CRYSTAL LIFE

That is an exceptional product but has become almost out of sight expensive. However, the best results with Gaiandriana are being reported with continued, even if remarkably decreased amounts, of Crystal Life continued right along in conjunction with the Gaiandriana—mixed or otherwise. About 8 to 10 drops mixed or separate under the tongue three times a day is excellent. In illness, however, increase within reason. If I did not already state it prior to this—add 7-10 drops of hydrogen peroxide per quart to the Crystal Life also—especially if non-refrigerated, after opening. This will decontaminate any possible “unwanted visitors” and not damage the product.

WATER

I cannot urge you often enough to TREAT your faucet water. Even if you have a reverse-osmosis unit—treat that water with proper amounts of hydrogen peroxide for YOU DO NOT KNOW WHAT IS IN THAT WATER. IT WON'T HELP CONTAMINATION BY TOXINS BUT IT WILL TAKE CARE OF THE VIRAL OR BACTERIAL CONTAMINATES. IT IS CHEAP AND NON-TOXIC IN PURIFICATION AMOUNTS. The best mouthwash and gum enhancer is a mouthwash of several drops of hydrogen peroxide in a fourth cup of water (or so) and cleanse mouth after brushing (or just do it several times a day as convenient). If the solution is “light” just swallow the wash—it can only help you unless you have an active mouth infection. Moreover I suggest keeping some hydrogen peroxide near and handy to drop a few drops of undiluted peroxide on your

toothbrush a couple of times a week—or daily—whatever. You will have a sterilized brush and stop spreading germs and recontamination.

SPILLING

If you spill full strength (35%) peroxide on your skin—it will burn you. Rinse immediately under water and it will be fine. It will bleach so rinse anything that gets spattered—in water. It is simply one of those substances which needs to be handled properly. Peroxide offers so many “cleaning” uses that I won't even effort to list them—but you will find it about the most useful item around your kitchen, bath, etc. You can find information at health food stores and vitamin supply outlets.

Our people may also be able to direct you or help you with product or information; I do not attend those things unless brought to my attention. We offer these things as a service rather than a

major business so we are perhaps re-miss in full-range material. We can do better when the full load eases a bit. Thank you for your patience and loving support of the ones who have taken this load on in addition to their other tasks—ever without complaint and ever wishing to help and please. At present they are trying to build refrigeration facilities to bring you exceptional product as the months heat up and yet do so with very, very limited resources—so we do thank you for your patience. With George Green's attack on the Institute a lot of things have had to wait or be actually closed down until the audits are over and the reclamation can begin. As you might realize, the impact has been great on all entities in these projects. It is fine—rewards will be in like measure to that which is given forth.

I ask that this message be both run in the paper and sent in addition to all packings in mailings of product.

Thank you.

“Just between you and me, where does it get enriched?”

New Gaia Products

GAIANDRIANA

Gaiandriana is a non-alcoholic health tonic which provides basic "foods" to help cells, weakened by the stresses of modern life, to return to a state of health.

The better our cells function, the greater is the stamina returned to our internal defense systems, and the better we can counter the constant onslaught of biological and viral invaders. The end result is a feeling of well-being by, of course, being well!

The Gaiandriana (commonly referred to as "chondriana" in the Biological literature) are capable of intelligent, organized attack against cellular invaders like viruses. Think of it as a "pac-man" operation of sorts. However, beyond that, the Gaiandriana are capable of stimulating cellular structural repairs due to damage caused by, for instance, free radicals and cumulative levels of so-called "background" radiation in our modern environment. Healthy DNA and RNA within the nuclei of our cells then lead to properly formed and concentrated enzymes, upon which healthy cellular function depends.

Gaiandriana liquid is made entirely from wholesome natural ingredients.

AQUAGAIA

Complementary to the Gaiandriana product, Aquagaia is also a non-alcoholic health tonic which provides basic "foods" to help cells, weakened by the stresses of modern life, to return to a state of healthy function.

Aquagaia contains *mitochondria*. These are the major biochemical energy "processors" within cellular metabolism. First, enzymes begin the breakdown process of organic nutrients (like fats, carbohydrates and proteins) to intermediate substances such as amino and pyruvic acids. Then, in the next "bucket brigade" step, these various acid molecules are processed within the mitochondria to release chemical energy recognized as adenosine triphosphate (ATP).

About 95% of the energy needed to "run the machinery" that keeps each cell going and healthy is produced in the mitochondria. Unfortunately, the mitochondria are particularly damaged by free radicals and cumulative levels of so-called "background" radiation in our modern environment. These compromised mitochondria, like half-dead batteries, then lead to impaired cellular functioning and health. Thus is the importance of Aquagaia, with its assimilable

supply of healthy mitochondria — like "fresh batteries" for the body's cells.

The better our cells function, the greater is the stamina returned to our internal defense systems, and the better we can counter the constant onslaught of biological and viral invaders. The end result is a feeling of well-being by, of course, being well.

2/11/93 #2 HATONN

GAIANDRIANA AND AQUAGAIA:

To help in understanding the workings of these organic "pac-men" you must realize that there is a protein covering "cap" on viruses. The protein cap is centered on a charged zinc atom and is the part of the virus that recognizes and binds to DNA—in turn allowing the virus to reproduce.

Aquagaia, in conjunction with the Gaiandriana, knock out the zinc atom (a simple "charge" change), which renders the protein ineffective. This is a breakdown of "parts" of the Gaiandriana male/female DNA structure which release many working variants but frees the Gaiandriettes or "killers" to take out that zinc atom and pass right into the affected cell. Without the "cap", the virus cannot reproduce and infect more cells—further, the damaged virus feeds the Gaiandriana unified cells and the circulating mitochondria.

Healthy cells are not affected because they lack the zinc-centered protein cap on the virus.

These "Gaia" compounds have an effect on cancer cells because they stop an enzyme on the cancer cells from producing a "messenger" molecule that blocks a second enzyme from attacking the cancer cell's DNA. The compounds (Gaia) have been seen to actually take-out leukemia, breast, brain and colon cancer cells. We have no claim to anything other than stating that people utilizing these simple and natural substances do show improved well-being and do report feeling generally and, often remarkably, improved as to state of health, thought processes and stamina.

The obvious conclusion is that there might well be good reports of better health and faster recovery following infection by other viruses than those mentioned above. All viruses known react in generally the same manner.

It is known that many diseases are due to retroviral DNA and these are the most affected viruses by the Gaia-chondrianas (living crystal forms). We, again, make no medical claims—we

are simply reporting in an effort to explain WHAT takes place within the cellular structures of living organisms. If you really want to witness remarkable growth in plants and good stamina and health in pets and other animals—try a little of these additives as you would vitamins or fertilizers. Use in a mildly vitamin C based solution on same. At transplant time for garden plants and houseplants—soak their little root systems in this natural and mild solution. Just add a tablespoon of Gaiandriana, a few drops of liquid vitamin C or C-crystals to a quart of water and let set for 48 hours—then it is ready for use. It will not negatively interact with anything other than perhaps harbored viruses and disease spores and organisms.

NOTE

If any product you receive has an unpleasant odor—it is from the finishing culture process. Leave the bottle open to air and it will quickly dissipate. Then, depending on taste and preference—refrigerate after opening and reclosing.

IMPORTANT: Do not mix the two, Gaiandriana and Aquagaia, together for storage as the Aquagaia (mitochondria) is aggressive and begins to "eat" the Gaiandriana for fuel. They go about their appointed tasks once ingested, but in bottle prisons they are not particularly compatible once the available fuel supply is exhausted. Juices are excellent to take with the Aquagaia because the mitochondria must have the fuel derived from same, the most effective juice being from the tropical "Guava" fruit. Any juice is fine, however, and is most pleasant to intake. Diabetics should utilize whatever juices are available on their food plan to keep within the safe guidelines for calories and other requirements.

The most innocuous and easy intake available is simply a few drops under the tongue, both products taken at the same time or at different times of the day. Once the "initial" program is begun and maintenance is followed, certainly the drops under the tongue are the least annoying to any daily regimen.

A-C-E ANTI-OXIDANT FORMULA

There is growing evidence that essentially everyone in our society is exposed to free radicals, now more than ever. While free radicals are normal products of our cells and have certain beneficial roles in the body, increased levels of free radicals in our body tissues can be detrimental to our health.

Free radicals are highly unstable substances produced in the body through, among other routes, the metabolism of oxygen. Free radicals multiply through a series of chain reactions and can attack the polyunsaturated fatty acids of cell membranes. Unless excess free radicals are neutralized, they can cause considerable damage to the structure and function of cell membranes, and thus the cells themselves. The

products from free radical reactions are implicated in the progressive accumulation of deleterious cellular changes over time, which may eventually result in recognizable disease. Free radical damage is implicated in the initiation and promotion of many cancers, as well as hardening of the arteries.

One area of Aging Research suggests that free radicals damage body cells and cause the pathological changes associated with aging. Besides being byproducts of the metabolism of oxygen, such as during strenuous exercise, we also generate significant levels of free radicals from the environment, such as from so-called "background" levels of ionizing radiation.

Cooperative defense systems that can protect the body from free radical damage include certain enzymes and the antioxidant vitamins A, C, and E and beta-carotene, which protect cell membranes from oxidative damage. Vitamin E, one of the fat-soluble vitamins, is present in the blood as d-alpha-tocopherol and is well accepted as the major antioxidant in lipid body tissues. Vitamin E is considered the first line of defense against cell-membrane damage due to peroxidation. Vitamin E scavenges free radicals, terminating chain reactions and confining damage to limited areas of the membrane. Selenium contained in the enzyme glytathione peroxidase is the second line of defense that destroys peroxides before they can damage cell membranes. Beta-carotene, a precursor of Vitamin A, also traps free radicals. Vitamin C is water soluble and serves to neutralize free radicals in aqueous systems.

The antioxidants show promise as cancer-prevention agents, alone and in combination.

GINKGO BILOBA (Ginkgo Biloba extract 24%)

The Ginkgo Biloba, or Maidenhair tree, is one of the oldest living species on this planet. Ginkgo has flourished almost unchanged for 150 million years, and its ancestors can be traced back 250 million years. It is because of this antiquity that the Ginkgo Biloba tree is called "*the living fossil*". Individual trees are believed capable of living 2000 to 4000 years. During the last ice age, Ginkgos nearly became extinct. These trees survived only in China and other parts of Asia, where they stayed until approximately 1,000 years ago. At that time, Ginkgo trees were also planted around monasteries in Japan, where they still live today.

The name *Ginkgo* may come from the Chinese *Sankyo* or *Yinkuo* (Yin Guo), meaning "hill apricot" or "silver fruit". The word *biloba* means "two lobes" and describes the young leaves. Although modern medical research focuses mainly on the leaves of Ginkgo, the Ginkgo fruits and nuts have been used in China since time immemorial as a delicacy and tonic food. Ancient Chinese texts record Ginkgo's use as a medicinal agent as far back as five thousand years ago.

The Ginkgo Biloba extract is a complex compound. The green leaves of the tree are

usually harvested from trees grown on plantations in South Korea, Japan and France.

Ginkgo is reported to have a natural affinity for the nervous system. It also seems to stimulate the vascular and endocrine systems that, in turn, strongly affect the function of the nervous system, possibly increasing the capacity for normal physical activity, and the flow of blood to the brain. Some research indicates the possible effectiveness of Ginkgo in the treatment of *Alzheimer's* disease.

Due to its pharmacological properties, Ginkgo is now widely used throughout Europe for treating many forms of vascular disease. In a survey of packaging information of European products, Ginkgo has been recommended for such ailments as headaches, vertigo, inner-ear disturbances, diminished intellectual capacity and alertness as a result of insufficient circulation to the brain, anxiety, and depression, to name a few.

Ginkgo Biloba Extract (24%) is concentrated from the leaves of the Ginkgo Biloba tree. The highly specialized extraction process yields a 50:1 concentrate from the leaves (50 grams of leaf produce 1 gram of extract). The extract is then further standardized to contain 24% of the active Ginkgo Flavoglycosides.

MO-GU ELIXIR

The first recorded use of Mo-Gu Elixir was during the Chinese Tsin-Dynasty in 221 B.C. It was referred to as "*The Remedy for Immortality*" or "*The Divine Tsché*".

It has been well documented that there are certain people who live to be well past a hundred years of age. These people live in such areas as the mountainous Caucasus, Yakutia in Siberia, the Poltava District of the Ukraine, Tibet and Spain. There is an area in Russia called Kargasok where the people are a dairy- and vegetable-eating populace. Centenarians are common among these people. They attribute their longevity to the Yeast Enzyme Tea (Mo-Gu Elixir) which has been in their diet for hundreds of years. It is said that Mo-Gu and yak butter are staples among the dwellers of the high Himalayas.

Mo-Gu has been used throughout history in China, Japan, Russia, Korea, and India. It has been said to promote a feeling of well-being and overall physical restoration. It has been known by many names, some of which are: Fungus Japonicus, Fungo japon Kombucha, Pichia Fermentans, Cembuya Orientalis, Combuchu Tschambucco, Volga-Spring, Champignon de Longue Vie, Teekwass, Kwassan, and Kargasok.

The Mo-Gu fungus constructs in a membrane form and is a symbiosis of yeast cells and different bacteria. Among these bacteria are: Bacterium Xylinum, Bacterium Gluconicum, Acetobacter Ketogenum, and Pichia Fermentans.

The Mo-Gu fungus needs to live in a solution composed of common (black) tea and sugar. In the proper temperature environment they multiply constantly. They do not build spores as yeast normally does, but instead multiply by a process of branching.

CHLORELLA

Chlorella is a single-celled, fresh-water algae. Believed to be the first form of life with a true nucleus, chlorella dates back approximately 2.5 billion years, making it *pre-Cambrian*. Through the process of photosynthesis chlorella cells reproduce themselves by cell division at the rate of four new cells every 17-24 hours. It was not until the 1890s that chlorella was identified under the microscope. In naming it, the prefix *chlor* was selected to signify green, while the suffix *ella*, indicates small. Chlorella is the most researched algae in the world and remains the most popular with millions of consumers worldwide.

Chlorella is a nutritionally balanced whole food and contributes to the health and growth of human cells like no single vitamin or mineral possibly can.

Chlorella is extremely high in protein (60%) and contains more than 20 vitamins and minerals, 19 of the 22 essential and non-essential amino acids, enzymes and chlorella growth factor. It is one of the richest sources of RNA and DNA known and has twenty times as much chlorophyll as alfalfa, 10 times more than other edible algae including spirulina, and 10 times more than barley grass.

Chlorella is a natural vitality enhancer. The vitamins found in chlorella cells include: Vitamin C, provitamin A, B-carotene, chlorophyll a, chlorophyll b, thiamine (B1), riboflavin (B2), pyridoxine (B6), niacin (B3), pantothenic acid, folic acid, vitamin B-12, biotin, choline, vitamin K, PABA, lipoic acid, inositol and para-aminobenzoic acid. The minerals include: phosphorus, potassium, iodine, magnesium, sulphur, iron, calcium, manganese, copper, zinc and cobalt.

The amino acids include: lysine, histidine, arginine, aspartic acid, threonine, serine, glutamic acid, proline, glycine, alanine, cystine, valine, methionine, isoleucine, leucine, tyrosine, phenylalanine, ornithine, tryptophan.

The suggested daily consumption is 3 grams per day.

ECHINACEA GOLD PLUS with American Ginseng

In recent years few medicinal plants have garnered as much attention as Echinacea (*Echinacea Purpurea* and *Echinacea Angustifolia*). The genus name is derived from the Greek *echinos*, (hedgehog or sea urchin) referring to the prickly scales of the dried seed head. Echinacea was widely used medicinally among Native Americans, particularly in the Plains. It is a product which is now used widely throughout United States and Europe.

Echinacea is a non-specific stimulant to the immune system. Claims for Echinacea include: stimulation of leukocytes, mild antibiotic activity, anti-inflammatory activity, stimulation of the adrenal cortex, stimulation of the properdin/complement system, interferon-like activity, stimulation of general cellular immunity, and

antiviral activity. Internal preparations are said to assist in alleviating cold and flu symptoms, respiratory infections, and arthritis, to name a few.

Goldenseal (*Hydrastis Canadensis*) is generally placed in the buttercup family. The name Goldenseal was adopted in 1880, previously having been known as Yellow Root. Goldenseal was widely used among the Native American population, particularly among those in the East. The Cherokee used the roots as a wash for local inflammations, for general debility, dyspepsia and to improve appetite. The Iroquois used it for whooping cough, diarrhea, liver trouble, fever, sour stomach, flatulence, and pneumonia. Benjamin Smith Barton first referred to the use of Goldenseal for rattlesnake bites as early as 1793. Clinical recognition of the use of Goldenseal came in the early 1850s and has continued to this very day.

Goldenseal is among the most popular herbs in the American health food market. Uses are numerous, including but not limited to: antiseptic, hemostatic, diuretic, laxative, and tonic/anti-inflammatory for the mucous membranes, hemorrhoids, nasal congestion, mouth and gum sores and eye afflictions.

Ginseng can be literally translated from Chinese as "the essence of man" or "man-shaped precious root." Few medicinal plants in the world possess Ginseng's near-legendary status. Dating back thousands of years, its history of use in the Orient records therapeutic properties so wide ranging that it was first dismissed by Western doctors as a "panacea". When fatigued, Ginseng reportedly restores both physical and mental functions to peak efficiency and, with regular use, improves resistance to disease and stress. American Ginseng's genus name is *Panax Quinquefolius*.

Over 40,000 species of mushrooms exist, many of which are used as medicines. Of particular note are such remedies as penicillin- and ergot-based extracts used in migraine treatment, to name a few. Extensive research has been done with one mushroom in particular, namely, Reishi. This mushroom is now considered a tried and true immune system fortifier.

References to the use of Reishi in the treatment of a variety of complaints date back as far as 2700 B.C. in Chinese literature. It is referred to by a number of names, including the "ten thousand year mushroom". The rarity of this particular mushroom has increased its value. The Chinese emperor Shih Huang Ti (250-210 B.C.) mounted expeditions of hundreds, even thousands of men to find the Reishi. Recently techniques have been developed for the cultivation and harvesting of the Reishi Mycelium. Writings about Reishi place it in the category of "fu zheng" herbs and claim it is a medicine that improves the ability of the body to maintain balance by strengthening natural resistance and generally improving health.
