6/13/98 DR. AL OVERHOLT

U.S. USED NERVE GAS DURING VIETNAM WAR

All 16 Americans were wounded but got out alive

From the INTERNET, 6/7/98: [quoting]

The United States used lethal nerve gas during a mission to kill American defectors in Laos during the Vietnam War in 1970, according to the results of an eight-month investigation broadcast Sunday on the premiere of *NewsStand: CNN & Time*.

The report was based on interviews with 200 people, including dozens who fought or flew on the mission, called Operation Tailwind.

Retired Adm. Thomas Moorer, a Vietnam-era chief of naval operations and former chairman of the Joint Chiefs of Staff, told CNN that the Nixon White House's national security team had to approve use of the nerve gas, and that the CIA had partial responsibility for Operation Tailwind.

He confirmed that nerve gas was used, and acknowledged in an off-camera interview that the mission's target was indeed American defectors.

For more info:

Just milligrams of sarin nerve gas can kill. <valley.of.death.reax/index.html>

[In another article, on the Net, a later story about Admiral Moorer's above statement has him backing down from his statement above—hedging his confirmation in such a way that he isn't sure about what he stated as fact. The elite got to him!!—Dr. Al]

At the time, Nixon had pledged the United States to a policy of "no first use" of nerve gas. The American government had also signed a treaty restricting chemical weaponry, though the Senate had not ratified it.

In a companion story to the *NewsStand* report appearing in the latest issue of *Time* magazine, a Pentagon official said the Army "has found no documentary evidence to support CNN's claims that nerve gas of any type was used on Operation Tailwind."

INCIDENT TOOK PLACE IN SEPTEMBER 1970

[Here's the "rest of the story" they don't want you to know!!—Dr. Al]

NewsStand's investigation reveals that on September 11, 1970, a "hatchet force" of 16 U.S. soldiers and approximately 140 Montagnard mercenaries helicoptered 60 miles deep into Laos from a Vietnamese base, Dak To.

The Montagnard are a group indigenous to the central mountains of Vietnam.

These soldiers were part of SOG—the Studies and Observations Group—a small, elite unit of the U.S. Special Forces.

SOG commandos carried out "black operations" against unusual targets, using

unusual weapons. On Operation Tailwind, officers were briefed that anything in the non-nuclear U.S. arsenal would be available to them. That arsenal included a weapon known as "sleeping gas".

According to military officials with knowledge of the operation, that "sleeping gas" was, in fact, a nerve gas known as sarin—the same gas that was used in the attack on a subway in Tokyo on March 20, 1995. The military name for the nerve gas was GB.

'HATCHET FORCE' EQUIPPED WITH GAS MASKS

Tailwind's commander, U.S. Army Capt. Eugene McCarley, told CNN that he equipped all his men with M-17 gas masks—masks that are designed to protect against nerve gas. The men also carried atropine, a nerve gas antidote.

A few days before the hatchet force was deployed, a reconnaissance team had been scouting the area in Laos, looking for defectors. Jay Graves, a reconnaissance team leader, saw what he called "roundeyes", meaning Caucasians, in a village base camp. He radioed the sighting back to his superiors. Graves was told to stay hidden and wait.

Jim Cathey, who was a U.S. Air Force non-commissioned officer in charge of resupply for the SOG commandos, also was in the area before the hatchet force team dropped in. He spent five hours closely observing the village base camp. Like Graves, he spotted what he believes were Americans in that village base camp.

"I believe that there were American defectors in that group of people in that village, because there was ... no sign of any kind of restraint," he said.

From the time the SOG commandos were put on the ground, they were in constant firefights. By the third day, more than half the commandos were wounded and getting low on ammunition.

According to military officials, during the evening, American planes gassed the camp with deadly sarin, using a special weapon, CBU-15, a cluster bomb unit designed to drop the nerve gas.

The next morning, the hatchet force attacked the camp, killing more than 100 people, according to McCarley and other Tailwind veterans.

PLATOON LEADER: DEFECTORS WERE TO BE KILLED

1st Lt. Robert Van Buskirk, a platoon leader, spotted two Caucasians. They ran from him and slid into a spider hole. Convinced they were defectors, Van Buskirk threw a white phosphorous grenade down the hole. Van Buskirk believes he killed both of the men.

"It was pretty well understood that if you came across a defector, and could prove it to yourself beyond a reasonable doubt, do it, under any circumstance, kill them," Van Buskirk said. "It wasn't about bringing them back. It was to

kill them."

The commandos, firing automatic weapons and tossing grenades, wiped out the camp in approximately 10 minutes.

John Singlaub, a former SOG commander, told *NewsStand* that it could be more important to the survival of U.S. troops to kill defectors than enemy soldiers because the defectors' knowledge of communications and tactics "can be damaging".

Montagnard fighters reported to their U.S. superiors that there were bodies of people who "look like Americans" dead in the village's huts. Van Buskirk and other SOG commandos say no bodies were identified and no bodies were brought out.

Several former senior military officials confirmed to CNN that eliminating defectors was Tailwind's objective, but McCarley denies that was the mission's purpose.

"We weren't looking for any village," he said. "We stumbled upon it by accident."

SARIN ALSO USED ON ENEMY TROOPS

After the camp was overrun, the hatchet force prepared to evacuate. But enemy troops were gathering on a ridge line with anti-aircraft guns. Desperate, the SOG commandos called for gas and put on their gas masks.

Two A-1 Skyraider planes dropped the special sarin-filled weapon CBU-15 on the enemy positions.

The effect of the gas was immediate. Tailwind veterans describe enemy troops convulsing and throwing up. "I don't think too many of them got up and walked away," said Tailwind veteran Michael Hagen.

Many of the American and Montagnard commandos had lost or damaged their masks during the four days of fighting. They describe mucus coming from their membranes, vomiting and convulsing—all classic signs of nerve gas exposure.

But the SOG force got a milder dose because the down draft from the helicopters coming to rescue them dispersed the gas. All 16 Americans, though wounded, survived the operation.

BANKERS THINKING ABOUT COMPUTER CHIPS UNDER THE SKIN AS AN OPTION IN THE FUTURE

From the INTERNET, courtesy of Calvin Burgin, <wrlldline@texas.net>, 6/6/98: [quoting]

One of the most recent comments in the press about bio-implantable microchips was in the April 27, 1998 issue of *Time* magazine in a lengthy article called "The Big Bank Theory" by Joshua Ramo. Discussing the future of money, the article said, "...For starters, you can send money over the Internet encoded in an e-mail instead of sending a check. This saves you the trouble of balancing the checkbook at the end of the month, and it gives you the option of transferring the money from wherever

you want: mutual fund, money market, even an old-fashioned checking account. Your daughter can store the money any way she wants—on her laptop, on a debit card, even (in the not too distant future) on a chip implanted under her skin...” [End quoting]

Oh! What a nice, handy little gadget—with which to hang us and our freedoms.

**TENS OF THOUSANDS
FORCE CHINA TO REMEMBER
TIANANMEN SQUARE
MASSACRE**

From the INTERNET, 6/5/98: [quoting]

The Electronic Telegraph reported that in a driving rain in Hong Kong yesterday tens of thousands of demonstrators protested in the first large-scale anti-Beijing rally since the former British colony was handed over to China. The massive demonstrations commemorated the June 4, 1989 massacre in Tiananmen Square where hundreds if not thousands of pro-democracy students were killed by Chinese troops and tanks. The organizers of the event broadcast on large banks of video screens a live telephone link from New York with exiled Chinese dissident Wang Dan. [End quoting]

That event should be kept in mind as China positions for further political clout worldwide.

**MULTIDRUG-RESISTANT
TB REPORTED ON THE
INCREASE GLOBALLY**

From the INTERNET, 6/5/98: [quoting]

After surveying 35 nations, the World Health Organization has found that multidrug-resistant strains of tuberculosis are on the rise, particularly in former Soviet republics. TB has reemerged as a significant international health problem in part because people with AIDS are especially susceptible to the disease. The report also said that using drugs improperly to treat TB can quickly promote the evolution of bacteria that are impervious to medications. [End quoting]

Expect far worse than this soon!!

**SEVERE WIND STORMS
AND EARTH CHANGES!!**

The following is my own words:

Art Bell (on his radio talk-show, 6/9/98) said he has had reports of very severe wind storms in the western part of Michigan where the weather man stated that the storm pushed the jet stream down to the ground [*normal altitude: above 30,000 feet*] and was a steady 130 mph—not funnel winds like hurricanes and tornados—winds like Hatonn had warned us would happen (with winds over 200 mph, which would be far worse). It caused power outage to 640,000 people—the worst power outage ever for that power company. Some people were without power for 6 days. It blew down houses and tore off roofs of many buildings, blew down 2-foot-diameter trees, etc., to the tune of **many** millions of dollars of damage.

On TV, on 6/9/98, also, they announced that Hong Kong had severe flash flooding from 14 inches of rain in 16 hours.

It looks like we'd better be prepared for any emergency since these severe weather patterns are all over the globe and volcanism and

earthquakes are increasing exponentially. Furthermore the news media are doing a very poor job of informing us, **purposely**.

The forecast for the immediate future from Gordon-Michael Scallion and some of the Indian elders are warnings of impending disasters starting **July 1998**. These elders—who have never spoken out publicly before—told Art that they felt compelled to ask him for the airtime to warn the people.

Don't forget that Hatonn and the Rainbow Masters have been giving us urgent warnings recently, also.

According to Scallion, the Sun's magnetic poles are reversing and this is causing the Earth's magnetic poles to shift and also reverse. Mt. St. Helens is giving warning signs of erupting again, as is Mt. Rainier in Washington, very soon. Many volcanos are ready to go off all over the world and especially in the Ring of Fire. The media are not reporting volcanos that are already active. There is a warning for severe damage and changes along a line from Salt Lake City, Utah through Bakersfield, California, and on to the coast, **very soon**.

What Zecharia Sitchin calls the 12th planet is going to be a major factor in these destructions, according to reports. This is caused by the huge mass of this planet approaching so near to Earth—which happens on a cycle of roughly every 3,600 years.

As regular *CONTACT* readers know, this is a part of regular cycles of pole shifts, tectonic plate movements and mass destruction as Mother Earth recycles—only this time it is the end of a grand cycle and Mother Earth is being reborn into a higher dimension.

The warnings are coming from many sources to be prepared for **very severe** circumstances—including also war and financial—to fall upon us **very, very soon. PLEASE TAKE HEED!!**

As an after-thought—could the recent grain elevator explosion have been sabotage to do away with a lot of food??

**TWO COMETS
SLAMMED INTO THE SUN**

From the INTERNET, 6/5/98: [quoting]

Scientists from NASA said that one comet hit the Sun Monday and a second one hit Tuesday causing a gas eruption or Coronal Mass Ejection to spew out from its interior. The comets passed within about 30,000 miles of the solar surface and through the solar atmosphere. NASA said the eruptions were directed away from the Earth and would not pose a danger to Earth or orbiting astronauts and satellites. [End quoting]

Also on 6/9/98 Art Bell reported that the Earth is receiving heavy bombardment of abnormal rays from the Sun. We are already into the transition period of Mother Earth. The ride is going to get fast and wild from here on in. **HOLD ON!!** This is the time of Mother Earth's graduation transition.

**PRESIDENT CLINTON PUSHES
FOR MOST FAVORED
NATION STATUS
FOR CHINA, WHO HAS
MISSILES AIMED AT U.S.**

From the INTERNET, 6/5/98: [quoting]

The Clinton administration is seeking to

provide China with a permanent status of most favored nation for trading at a time when the Chinese government shows no regret for its human rights violations and when revelations are coming out about how the Chinese military has influenced American politics. Earlier this month CNN reported that U.S. military officials confirmed that 13 of China's 18 long-range nuclear missiles are still aimed at the U.S. Lately, evidence points increasingly to potential Chinese aggression towards Taiwan after Hong Kong was returned from Britain last year. Today the *Washington Times* reported that a Chinese ship with weapons materials and electronics is on its way to Pakistan's major nuclear weapons laboratory. [End quoting]

Again, we all need to keep in mind that China is a force to be reckoned with.

PHONE SCAM

From the INTERNET, 6/5/98: [quoting]

I received a telephone call from an individual identifying himself as an AT&T Service Technician who was conducting a test on our telephone lines.

He stated that to complete the test we should touch nine (9), zero (0), the pound sign (#) and then hang up. Luckily, we were suspicious and refused. Upon contacting the telephone company we were informed that by pushing 90# you give the requesting individual full access to your telephone line, which allows them to place a long distance telephone call billed to your home phone number. We were further informed that this scam has been originating from many of the local jails and prisons. I have also verified this information with UCB Telecomm.

Please beware. This sounds like an Urban Legend—IT IS NOT!!! I further called GTE Security this morning and verified that this is definitely possible.

DO NOT press 90# for ANYONE. The GTE Security department requested that I share this information with EVERYONE I KNOW!!! Could you PLEASE pass this on. If you have mailing lists and/or newsletters from organizations you are connected with, I encourage you to pass on this information. [End quoting]

Seems to me I put this story in this column a while back but it's certainly worth repeating.

**EVERY TELEPHONE IS
TAPPED BY THE
GOVERNMENT**

From the INTERNET, by Worth Baldwin, 6/8/98: [quoting]

I have a confession to make: I have been withholding some vital information that is of extreme importance to the American Patriotic Movement. I have withheld publication of this story because, until now, I had no independent confirmation.

The background is as follows: several years ago (in early 1990, a friend of mine, who I will call Warren, told me a fantastic tale. It seems that Warren has a friend who, about five years earlier (i.e., circa 1985), had worked as an engineer with AT&T. Warren's friend was assigned to design a small portion of a giant new telecommunications system for the Federal Government. After working on this project for

about a year, Warren's friend started to have serious misgivings about the systems he was designing. The deeper he got into the project, the more disturbing and sinister it seemed. Finally, the horrible truth became too obvious to ignore: the system AT&T was designing was intended to put a full-time, 24-hour-a-day, **illegal wire tap** on every telephone in the United States! This diabolical invasion of privacy was to be accomplished by routing all telephone calls through a giant central processing center, where high-speed computers would "listen" to and record each and every call. If the computer detected certain "key words" or "key phrases", the recording would be "flagged" for later analysis by Federal agents. If no such "keys" were detected, the call would be erased.

The system also provided for **remotely activating the microphones in a telephone handset, thus effectively "bugging" any home** [*emphasis mine*] that Government agents might desire. This procedure is called making a telephone "hot on the hook".

Being a man of some integrity and principle, Warren's friend confronted his bosses at AT&T, telling them that the project they were embarked upon was illegal, unethical, and immoral. They seemed genuinely surprised that anyone would even bother to consider such factors, and promptly fired Warren's friend.

Obviously, the allegations made by my friend Warren were appalling and terrifying. However, I had no way to either prove or disprove them. Recently, however, other writers with access to inside intelligence sources have provided detailed confirmation of what I was told in 1990.

First, Donald McAlvany, Editor of the McAlvany Intelligence Advisor, has stated in his January 1993 issue that "Phones can now be made 'hot on the hook' (i.e., turned into microphones even when hung up and not in use).

According to a 1992 report by the General Accounting Office entitled FBI ADVANCED WIRETAPPING TECHNOLOGIES POSE WIRETAPPING CHALLENGES, "it is the intention of the FBI to tap all phones in America."

Additional confirmation now comes from the pages of a brand new 1994 book entitled *Prince of Darkness: Antichrist and the New World Order*, by well-known Canadian author Grant Jeffrey. In Chapter 6 of *Prince of Darkness*, entitled "The Assault on Your Freedoms",

Jeffrey states:

"Most people still innocently believe that their phone calls are private. Unfortunately, Government agencies worldwide possess sophisticated surveillance equipment that can record your phone calls without directly tapping your phone. All long distance calls are routed through central stations and satellites back to Earth. The National Security Agency and its sister agencies in other Western countries now monitor every single phone call, fax, and electronic mail transmission in the world.

A BBC television special report on intelligence and the British government's use of the "Dictionary" program revealed the massive monitoring of phone calls.

Obviously, it is impossible to listen to millions of simultaneous phone calls, faxes, and electronic mail messages. Nor is it necessary. A huge array of sophisticated machines records millions of microwave telephonic voice and digital computer signals passing through the air. The signals are downloaded to a group of Cray IV super computers that completes an instantaneous word analysis. The "Dictionary" computer program listens for specific words from a list of three hundred selected key words, numbers, or addresses. All calls that do not include these key words are immediately erased without being listened to by a human. However, if any of these key words appear, the computers will download that phone call for later human analysis."

Universal monitoring of phone calls and other electronic transmissions has therefore now been confirmed by sources no less prestigious than the U.S. General Accounting Office and the British Broadcasting Company. Of course, here in America, such routine monitoring of private telephone conversations is as illegal as it is atrocious. Such practices violate anti-wiretapping laws, as well as the *Fourth Amendment* to the *U.S. Constitution*, which guarantees that Americans shall be free from warrantless "unreasonable searches", stating that "The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated."

To computer screen billions of private telephone conversations without benefit of warrant or even probable cause certainly constitutes a violation of the *Fourth Amendment* so huge and hideous that it can scarcely be conceived. [End quoting]

Just assume that the elite know everything that they want to know about you because if they don't know it right this minute they can have it in a very short time if they want it bad enough—and I do mean **everything**.

SUBSISTENCE VOTE TELLS ALL

From *THE DAILY NEWS*, Anchorage, AK, letter to editor, 5/31/98: [quoting]

It is a sad day for Alaskans when the state Senate votes to let the feds

take control of our fish and game management. It just shows what a bunch of traitorous, crooked and immoral politicians we have running our state government. It's time to throw the rascals out! —Gordon Hodgson, Aleknagik

SUBSISTENCE IS ABOUT LIVING

There are so many people whom I have known and lived around who have been dependent on a subsistence lifestyle. I was raised that way when I was a child living in the Bush. My parents fed the family with fish caught from the river we lived near. We ate moose meat and other types of wild game. We never starved. There were no stores nearby to shop at, and if you were lucky enough to finally get to a store, it was to stock up on the much-needed basics, like flour. There was no fresh meat to choose from, as there is here in town. To stay alive, people caught their food and shared it with others who were in the same position as they were. And what wasn't eaten was used in many ways.

That was more than a decade ago, and nothing has changed since. Villages are where you find most of the people who depend on subsistence to survive. Not far out of town are individuals and families who need the extra help of subsistence living to get by. Taking away their rights to survive will put more people on welfare and cause proud, honest people to become criminals just to feed themselves and those dependent on them.

Letting subsistence stay in the hands of people who need it the most is what it really should come down to. The right to live freely should be respected and treated fairly. Getting the federal government tied up in what is truly an Alaska lifestyle for thousands would be the biggest mistake the state has made.

Who knows more about subsistence than those who live that way? Keep subsistence hunting and fishing in the hands of Alaskans.

It's more than who has the right to do what where; it's about living. —Jadeen L. Davis, Anchorage [End quoting]

This taking away a person's ability to survive without their direct control is exactly what they are after. This is the sly way to control a people and a planet.

WHOSE OX GORED?

From *THE JOHNSON CITY PRESS*, 6/3/98, letter to editor, [quoting:]

EDITOR:

I am writing you in regard to an article May 14 which appeared in *J.C. Press* entitled "Gore rallies support for DUI standard."

I recall not long ago an article that appeared in the *National Enquirer* which told of Abbie Gore's drunken mother-in-law being involved in a motor vehicle accident and of old Tipper Gore verbally assaulting the arresting officer with much profanity and gutter language.

Meanwhile, Abbie runs to the proper authorities and gets the charges reduced from DUI to a lesser charge. So I ask you, what does this tell you about these bumpkins? I assume it all depends on whose ox is being Gored. —R.G. Donnelly [End quoting]

Laws aren't made for the elite—only for

Use what talents you possess:

the woods would be

very silent if no

birds sang there

except those that

sang the best.

—Henry Van Dyke

their slaves!

THE OPPRESSED

From *THE SUN TIMES*, letter to editor, 5/22/98: [quoting]

For the last few weeks we have been bombarded with accounts of the 50th anniversary of the formation of Israel. All portrayed its development in sympathetic tones and hailed its struggle. Yet all accounts failed to present the catastrophe of the Palestinian people, who were dispossessed and deprived of their land and forgotten for 50 years, and remembered only as terrorists while the Israelis were portrayed as the victims.

A picture [May 15] shows Israeli police kicking a young Palestinian protesting the Israeli occupation and humiliation. It is tragic to see this happen today while we are all financing with our tax dollars the development of the Israeli state.

What is more ironic is that it comes on the same day Israeli Prime Minister Benjamin Netanyahu rejected the latest peace plan compromise offered to the Palestinians by Secretary of State Madeleine Albright.

The world was condemned when it stood in silence and allowed the Holocaust to take place. Are we repeating our stand, with the Palestinians being the victim?—S. Nakib, Loop [End quoting]

Sorry to say that is basically what is happening and will continue to happen to us all unless **WE** stop the elite.

NICHOLS JURY SPLIT ON FIRST VOTE

From *THE FRESNO BEE*, 6/1/98: [quoting]

When 12 jurors took their first vote on Terry Nichols' fate in the Oklahoma City bombing, it was 10-2 for acquittal, the *Rocky Mountain News* reported Sunday.

The initial vote stunned the two men who voted for conviction, triggering 41 hours of deliberations over the next six days.

"I couldn't believe it," recalled Tim Burge, a brewery worker. I was like, man, did I miss something here or what?"

Todd Fockler, a geophysicist, said he persuaded fellow jurors to review the evidence.

Nichols, 43, is scheduled to be sentenced Thursday. He was convicted in the April 19, 1995, bombing that killed 168 people. [End quoting]

[Sender's comments: I was amazed by what happened. Who were these two men; and what kind of training did they have to cause those ten other people to do a complete 180? They all heard the same trial before going into that jury room. Something very interesting was at work there.

What do you make of it?]

I think she has similar suspicions to what I have, which are: there was possibly some "beaming" into the jury room or some other form of mind control going on.

NEW WORLD ORDER OR GLOBAL NUTHOUSE?

From *MIDDLE AMERICAN NEWS*, June 1998: [quoting]

A report to the Environment Committee of

the European Parliament argues that intestinal gasses emitted by cows cause global warming. Bovine flatulence, described in the report as "methane from enteric fermentation of livestock" poses a dire threat to the world because it accounts for 15 percent of the so-called "greenhouse gasses" that are allegedly warming the planet that globalists want to rule.

EP members take the report quite seriously and have called for "urgent research" to find a cow diet less likely to cause planet-destroying flatulence. [End quoting]

It sounds to me like they have picked the wrong sources for these foul gases. I would highly suspicion that the main source is the flatulence from the mouths of the NWO gangsters and their political puppets.

U.S. ELITES STILL SWOON FOR MARX

From *MIDDLE AMERICAN NEWS*, June 1998: [quoting]

For a glimpse of just how far left America's ruling class really is, take a look at the *New York Times*, the unofficial inhouse newsletter of U.S. elites. Long the standard-setter in art, entertainment, and politics for America's cosmopolitans, the *Times* last month celebrated the 150th anniversary of Karl Marx's *Communist Manifesto* by publishing a lengthy, sycophantic paen describing the book as "an extraordinary piece of writing, an enduring masterpiece that immediately catches up readers in its transpersonal force and sweep". [End quoting]

They've been the mouth-piece for the Commies for decades—another source of flatulence.

ANOTHER HATE-CRIME HOAX

From *MIDDLE AMERICAN NEWS*, June 1998: [quoting]

Virginia Beach, Virginia, basketball coach Glenn Veasy pleaded guilty to painting anti-Black messages on school property and making threatening, racist phone calls. Not the brightest criminal around, Veasy, himself Black, misspelled the word "school" and painted the messages in his own distinctive handwriting. He confessed, then called a press conference to recant the confession. Eventually he pleaded guilty and got a suspended sentence that includes 200 hours of community service and counseling. After sentencing, he claimed that he had been framed. [End quoting]

The elite are most famous for setting up the problems and then demanding that we solve them with their methods—giving us more "chains to wear" in the process.

SET-ASIDE SCAM

From *MIDDLE AMERICAN NEWS*, June 1998: [quoting]

The real purpose of racial set-asides for government contracts was exposed by the *Forward Times* of Houston, a Black-owned newspaper. Despite deliberate and probably illegal efforts by the mayor's office to keep the information secret, the newspaper revealed that during the past two years some 70 percent of city service contracts set aside for Blacks went to just five "insider" firms runs by politically

well-connected folks. Among the Black subcontractors for a \$200 million project at Houston's airport were attorneys who already work for the city, a former city councilman and a state senator. [End quoting]

The law was never really intended to help the minorities. It was a smoke screen for the elite and they use their minority "patsies" to pad their own pockets.

APPROVED FRAUD

From *MIDDLE AMERICAN NEWS*, June 1998: [quoting]

The Justice Department has announced that it will implement a policy of being less aggressive in pursuing Medicare fraud by hospitals, which cost taxpayers an estimated \$20.3 billion last year. This is the result of heavy political pressure from the hospital industry and some captive congresspersons, who had demanded a halt to Medicare antifraud efforts. [End quoting]

Of course—it's their buddy medical personnel who are ripping us off. You can bet your life they go after the goyim, however.

GOP PROPOSES BUDGET HIKE

From *MIDDLE AMERICAN NEWS*, June 1998: [quoting]

The budget proposal from the GOP-controlled Senate Budget Committee increases federal spending from \$1.67 trillion in 1998 to \$1.73 trillion in 1999.

Meanwhile, Republican headquarters in Washington keeps sending out fundraising letters to the gullible rank-and-file about how they're going to reduce federal spending. [End quoting]

Do you really expect anything different from a bunch of lying gangsters??

WHITE HOUSE WHISPERS

From *MIDDLE AMERICAN NEWS*, June 1998: [quoting]

TAXING EXPENSES

The federal government has approved the following vital expenditures, which were determined more important than letting taxpayers keep the money they earned:

* \$100,000 to recover a ship from the bottom of Lake Champlain.

* \$1.5 million for "closed captioning" so the deaf can enjoy the sleazy *Jerry Springer* television show.

PC CALCULATIONS

The Treasury Department calculates that smoking costs the United States \$130 billion a year in health-care spending and shortened work lives. The figure is being used to bolster demands for new taxes on cigarettes to pay for additional anti-smoking efforts.

The government refuses to perform a similar cost-benefit analysis of AIDS, and to use those findings to regulate deadly and contagious homosexual activity.

RACIST WASTE

Vice President Al Gore is pressuring the

Small Business Administration to double the number of loan guarantees to companies run by Blacks. Besides its breathtaking racism, the aid is to go only to those who cannot get commercial credit.

Gore is essentially urging SBA to incur more losses that taxpayers will have to cover. [End quoting]

And how much of these funds do you think will be blackmailed back into their own pockets?? You know: "I'll get you a loan—**IF!!**"

AP STRIKES AGAIN

From *MIDDLE AMERICAN NEWS*, June 1998: [quoting]

Associated Press continues to pollute American political discourse with disinformation and misleading stories. Two recent examples include an *AP* story that described the puny .30 cal. M-1 Carbine as a "powerful" military weapon, and another that described a North Carolina community as hospitable to extremists because only Whites lived there.

Now from *AP* comes a story on government-imposed automobile air-bags that have killed more than 60 people and maimed many others. The story by reporter Catherine Strong implied that under pressure from the victims' families, the government will propose "tough" new standards on the auto industry for testing the killer bags. The story posits tension between victims and carmakers, with the government as a stem paternal referee. But in reality, it was the government—at the prodding of safety gurus Ralph Nader and Joan Claybrook that forced automakers to use one-size-fits-all air bags, which the industry warned might be unsafe for children and small adults. In this case, the interests of automakers and motorists are on the same side. [End quoting]

The auto industry is never really on the side of the motorist—they're **always** on the side that they think benefits them.

BIG DISEASE, BIG SALARIES

From *MIDDLE AMERICAN NEWS*, June 1998: [quoting]

Thanks to U.S. taxpayers, the gruppenfuhrers of the AIDS industry are doing as well, if not better, than federal officeholders. Financial disclosure statements filed with the IRS by nine of the top federally-funded AIDS organizations show that the officers are getting fat, six-figure salaries while AIDS victims complain about a lack of money.

"The money isn't going to the people who need it," said Rep. Tom Coburn, R-OK, a physician. "At a time when direct services and medically necessary care is being severely curtailed, many AIDS charity executives have put lining their own pockets above saving lives," Coburn said.

Here are the salaries of top AIDS honchos, according to published reports: Jerome Radwin, CEO of American Foundation for AIDS Research, got paid \$191,729 in 1996; Mark Robinson, executive director, Gay Men's Health Crisis (NY), got \$144,782; Addie Guttag, the group's deputy executive director, got \$139,337; Michael Weinstein, president of the AIDS Healthcare Foundation, got \$126,548, (the group employs five others earning more than \$

100,000 each); Jim Graham, executive director of the Whitman-Walker Clinic for AIDS patients, got \$143,690. [End quoting]

Would you expect the medical profession—that brought you AIDs—to not pay themselves handsomely for treating you.

PARALEGAL PREDICTS HE'LL CLEAR CHARGES

He was accused of intimidating a judge.

From *THE Bakersfield Californian*, 6/98: [quoting]

A Bakersfield man indicted on federal charges of intimidating a U.S. District Court judge predicted Friday he will be found innocent.

Nicholas Victor Fleming Jr., 50, a paralegal, was indicted on two charges of trying to intimidate Judge Robert Coyle by attempting to file a \$10 million common-law lien on real property owned by Coyle and his wife.

Fleming said the purpose of the lien was simply to set the stage for a formal lien if Fleming wins a civil judgment against the judge. He said if he loses the civil case, then the lien means nothing.

"I'm not going to be convicted of anything," Fleming said.

"He (Coyle) is doing to me right now what he accused me of doing to him."

Fleming agreed the indictment stems from a lawsuit he filed last August against the California State Bar, the U.S. District Court, the Kern County Bar Association, the American Bar Association and Coyle to secure a ruling that people may be represented in court by non-lawyers.

Fleming said he had a right last year to represent former Bakersfield police officer Brad Pugh, who was challenging being fired by the city.

Coyle, who Fleming said should not have acted on the lawsuit because he was a named defendant, dismissed the case on Nov. 17. Fleming has appealed and that appeal is what he expects to win in order to collect a judgment against Coyle.

The indictment alleges Fleming tried to file the liens on Dec. 17 as an effort to intimidate the judge. Fleming's arraignment on the charges is scheduled for June 26. [End quoting]

This is the same judge who the Ekkers had to face over **many years** and several different cases.

EUROPEAN UNION SIGNS THE KYOTO PROTOCOL IN NEW YORK

Excerpted from FAX sent by *Spirit of 1776*, 6/1/98: [quoting]

April 29, in New York, John Prescott, British Deputy Prime Minister representing the Presidency of the European Union Council of Ministers and Ritt Bjerrogaard, European Commissioner for the Environment, will sign the Kyoto Protocol on Climate Change on behalf of the European Union (EU). The formal signature of the Protocol underlines the continuing commitment

of the EU and its member states to achieving its objective and it highlights the ambition of the EU to maintain the lead in the fight against climate change. But it is only the next step in a lengthy procedure leading up to the Buenos Aires meeting, which is to be held in November. It continues to be necessary to make further progress and maintain the momentum of Kyoto. Far greater global reduction efforts will be necessary and the industrialized countries must make demonstrable progress in achieving their commitments under the Protocol.

The Commission is working on a comprehensive Post-Kyoto strategy for adoption in May. It will be submitted to the member states for discussion at the Environment Council on June 16-17. The strategy will seek to include most aspects of the further work to be done, notably on the implementation of the legally binding target of 8% for the EU, on common policies and measures and on mechanisms for flexible implementation (emissions trading, joint implementation, the clean development mechanism, etc.). [End quoting]

The elite put out this baloney as they set fires in Mexico, release all types of germs into the atmosphere, set off nuclear bombs, lace jet aircraft contrails with "heaven only knows" what kind of chemicals or germs, etc., etc.

GEORGE WRIGHT

August 28, 1920-May 10, 1998

From *THEATRE ORGAN* magazine May/June 1998: [quoting]

George Wright died peacefully on May 10, 1998, of congestive heart failure, just a few months after recording his last album, *Salon*.

George was generally recognized as the finest theatre organist ever. This musical genius left a legacy of 60 years of performance, as well as some 60 published recordings starting in the early 1950s. Some of those records sold more than a million copies [*when a million copies was considered amazing*] each.

Although the world knows George Wright from his music, my own loss is a personal one—George and I were best friends. He was an exceptionally spirited and generous man who brought joy and a lot of laughter into my life. I worked with him professionally for many years, and was fortunate to be his agent and producer. —Terry Cutshall [End quoting]

I've included this here because I feel that many *CONTACT* readers have heard his organ music and most media haven't taken the space or time for recognizing this great musician. Today's media seem to only recognize "rockers" and "rappers".

However the *San Francisco Chronicle* did give him a little write-up on 6/1/98, since he made that area his home for part of his life.

CORNWALL'S LAST
TIN MINE SHUTS DOWN

From *NEW BEGINNINGS*, 6/98: [quoting]
...Closure of the mine marks the demise of an industry that dates back more than 2000 years (Note that **Joseph of Arimathea** [*emphasis mine*] was known to be owner of one of these Tin Mines—Ed.) (*Guardian*, 3/15/98)

GOD HAS GREAT PLANS
FOR MOLLY

From *THE JOHNSON CITY PRESS*, 6/3/98, letter to editor: [quoting]

Four years ago a little 2-year-old in our community, Molly Baldwin, was diagnosed with the largest spinal cord tumor ever seen in the U.S.

Molly's parents, Ken and Yvonne, were told three days later at Vanderbilt Children's Hospital in Nashville that their daughter would live [*no*] more than 9-12 months and once spinal cord resection surgery was performed, Molly would be totally paralyzed from her chest down.

This was a very traumatic time. I was little Molly's ballet teacher! This all happened the day of what should have been her first dance rehearsal, with the recital the next day! All the costumes were ready and everyone arrived that evening (except Molly, who was on her way to Vanderbilt).

Her brave big sister, Emily, (age 6, at the time) arrived wondering what was happening and why everybody was crying. Emily had been met from school by her Aunt Vicki who was very much like a mother for the next two years. The news was announced to the parents and prayers were lifted up immediately and never stopped from that day forward.

I am constantly in touch with Ken, Yvonne, Emily and little Molly! Through all of this, I have never once saw them angry or mad. Never do you see Yvonne without a smile on her face! The whole family reaches out to others in need and tries to see how everything they have dealt with will help someone else. Their mission is their church, Boones Creek United Methodist, and the Appalachian Ronald McDonald House.

Ken Baldwin is running for Criminal Court judge on Aug. 6. I want to ask you to please vote for this wonderful man. Nobody has had a bigger trial in life than Ken, and I firmly believe this along with his 24 years of practice in law would make him a very compassionate Christian judge!

Molly is now 6½ years old and has the most beautiful strawberry-blond curly hair (after having 2 years of chemotherapy)! She is in the first grade now and there is no sign of her cancer! Molly is walking after being paralyzed for a year and guess what—she got to be in a dance recital!

When asked, Ken and Yvonne both say God has great plans for her. "I can't wait to see her at the age of 20," says her proud dad.

"She has totally changed our lives and we know what is relevant and what is unimportant. Don't ever take your children for granted: love them every day, they may be in Heaven tomorrow! She is just a Miracle!" —ANITA McDAVID, Colonial Heights [End quoting]

God can sure speak to us through our suffering children if we are willing to see and accept the messages. 

The Idea-Battle Of Good Versus Evil

6/9/98 #1 HATONN

CONSIDER CAREFULLY

I have a note here that needs some consideration:

[QUOTING:] May 21,1998

What did the Gentiles do that made the Jews, Jeus (Kazarians) so darned angry, angry for 2,000 years or so—and still angry? Or what did the Jews think they did? This sort of anger is usually due to non-acknowledgement, non-appreciation, being ignored. The *Talmud* and the *Protocols* are written in extreme anger. Why? Something made them very very pissed to write with such a negative emotion. In all of the writings in *CONTACT* I have never read a clue to this mystery.

[END OF QUOTING]

How would you feel if you were the kings of a place, a planet, and along comes some do-gooders objecting to the cultural Barbarism being displayed? There were some pretty nasty things taking place 2000 years ago when a flicker of Light came on board the ship. Get rid of the accusers is always the demand.

Face it, readers, your planet is among the "darkest" floating around in orbit.

There was full opportunity to change thought-forms and move within a goodly range and attitude. However, the souls seeking growth fell back into the traps of the revelators and, as the "kings" began to lose *power* over the people, when attitudes changed and recognition of a Higher Source and reality of God dwelling within self, the stuff hit the fan.

Perhaps a better question for us here is to ask: "What made the so-called Christians so angry?" Evil was doing fine until you goody-two-shoes danced in. Nobody "just got angry" two thousand years ago—Satan has been alive and well from the onset of mankind in/on this place. Bloodbath after bloodbath took place as today, and there were the bleeders and bleedees just as today. Mankind ceased to care about his neighbor, mistrusted everyone as chaos became the controlling FEAR factor. The Jews (Jewish tribal people) simply got caught in the middle of a major philosophical confrontation, and they were of the Tribes of Shem, etc., and had no recognition of actual facts of such as the Pharisees who took their lands and demanded obedience of all citizens. It will be this way AGAIN, and in the not too distant future, readers.

The "Jewish people" are the worst stricken by this wave of corruption and political disaster, and not only have they been dispersed but they have been totally abashed in their perceptions and teachings from those they thought to be their guides and rabbis. So too have been the Christians by well-meaning but false Christian teachings, preachers and teachers. This is a fact of being in EVERY RELIGION. Every RELIGION is working for the supremacy of the considered MASTER race, which, of course, is whichever race YOU happen to be.

People write and accuse us of writing terrible and blasphemous things—a sort of universal "hit everybody"—but nobody gets mad at the other things we write as long as it excludes themselves. Sometimes Pogo is correct, readers: "I looked everywhere for my enemy and found him to be myself."

Perhaps the point is that the *Talmud* and *Protocols* were NOT written in anger—but with intent to set up a protocol for ruling the world and having slaves to do the work of the masters. You experience that today in your lives right in the U.S. of A. You provide for the puppet-masters' needs. Believe me, some of your patriot ideas are total devastation and anarchy in both practice and intent. And just WHO is predominant in the political circles? WHO is the largest group of lawyers, judges, medical doctors and thus and so? Rebellion is always tacky and bitter, and change is always hard to deliver into a revolvment toward a new and better direction. Man gets very angry and defensive when crossed as to his self-styled WILL. When a warden comes to take your property, you get angry—regardless of how you came by it. And, the Jews, so far, have been driven out of every place they have settled—sooner or later. Therefore, they gather all the advantage they can to keep from being dumped again from the good life they have created for themselves over and above other races, creeds and colors. They don't even realize they are JEUS any more than you realize there is not much truth in the Christian teachings of the ordinary Church in your neighborhood.

It truly becomes a standoff as to just who will be supreme and the adversary never loses sight of his goal—to be supreme, wealthy and powerful. So, in time, up through the masses moves the giant—always pretending to be the midget, the persecuted, so you step aside and try to make restitution for whatever "he" tells you that you have done to him. He begs, he cheats—he becomes the politician who wields power over everyone from places of domination and control. The game is over when the opponent is dead in the water and unable to find justice anywhere.

The facts are that it is truly the battle of good and evil—wherein the goodly capitulate to the evil of adversarial inconvenience, i.e., “Poor people deserve good sex too!” THESE ARE MAJOR, MAJOR DISTRACTORS for that kind of goal achieved is a total disappointment once acquired.

Satan is for a passage of learning, within some century of time, for any individual in manifest physical form. GOD IS FOREVER AND THE GOAL IS ULTIMATELY “BE GOD”. BUT SOME DO NOT UNDERSTAND THAT PHYSICAL MAN CANNOT, IN HIS OWN LONGEVITY, “BE GOD” OF ALL FOR “ALL” IS OUT THERE SOMEWHERE ELUSIVE. THE VERY DESIRE TO DOMINATE ALL BEINGS AND ALL THINGS IS NOT OF GOD. YOU ARE CARETAKERS OF GOD’S PROPERTY IN THIS GROWING EXPERIENCE—NOT THE CREATOR. YOU COULD BE THE CREATOR OF GOOD THINGS—BUT YOU HAVE FORGOTTEN FOR YOU ARE THE PRODUCT OF THE TEACHINGS OF THOSE WHO CAME BEFORE. AND, WHEN THE TEXTBOOKS PRESENT FALSE TRUTH, YOU CAN ONLY LEARN WRONG DIRECTIONS AND MISINFORMATION.

IDEA is God’s. Can you not see that IDEAS manifest? You are the thought of God and all else is the thought of YOU.

Let us consider the blind man who runs into a bush in his path. He becomes angry and curses the bush, and finally curses and curses until the bush is removed—he is ANGRY. But HE IS THE CULPRIT now for killing the bush just for BEING. Man is very much the same in character and realization. Hate and anger only diminish the hateful and angry, but Ego insists on recognition even if the recognition be stupid and a lie.

The Zionist elders were shrewd manipulators and “things” gatherers and, through hatred of perceived enemies to their journey, they put it to paper and followed the instructions. They also wrote YOUR instructions if ye be not Jewish. They wrote your prophecies while knowing full well that you would accomplish through IDEA the very things you were caused to envision and conceive. More Jewish people paid the ultimate price for this IDEA of conquest than any other one race, relatively speaking—and all the while not realizing that the very ones they thought themselves to be—were the destroyers. Neither GOOD nor EVIL knows any race or color and especially recognizes NO RELIGION.

How terrible it is, however, to be a messenger come to sort and call TRUTH to the attention of the experiencing entities of humankind who are already fed up with preachers and idiots. Who will actually listen to the Host today who says, “You must love these so-called enemies”?

YOU must LOVE the MAN—

and DESPISE the actions if they be dastardly— AND CHANGE THE IDEA!

CHANGE THE IDEA(S)!!!

GOD IS IDEA—THEREFORE, IDEA IS CREATOR. MAN CAUSES CHAOS OR PEACE THROUGH IDEA. MAN CREATES AND MANUFACTURES THROUGH IDEA. HOW ARE YOUR IDEAS? TO CREATE, YOUR IDEA MUST BE TOWARD GOODNESS AND A BETTER WAY. MANUFACTURING FROM WHAT IS IS SIMPLY USING ANOTHER’S IDEA. THERE IS BUT BREATHING OUT AND BREATHING IN—TO SUSTAIN LIFE IN PHYSICAL FORM. SO TOO IS THERE NEGATIVE THOUGHT AND POSITIVE THOUGHT. LIFE IS SIMPLY BREATHING AND IDEA—PERIOD. WHEN IDEAS ARE USURPED—PEOPLE GET ANGRY AND SET UP THEIR OWN SPACES TO KEEP OTHERS OUT. This is in community and thought presentation.

I repeat something: “When a man tells you he has *chosen* to be a Christian or a Jew or whatever—he is balancing what he has experienced against what he *thinks MIGHT BE BETTER*. This will most often be labeled “Religion” or Religious belief—no, it is to bring some balance within his position, state of being, or to please another for acceptance. It rarely has anything to do with GOD for GOD is in all things and doesn’t require another MAN to make your opinions FOR YOU. You

speak of religion and Spirituality BUT WHAT YOU HAVE IS DOCTRINE. You, further, will live within the bindings of these doctrines—UNTIL YOU LEARN OTHERWISE—NO MORE OR LESS. YOU—GOD—SELF CREATES MIRACLES—NOT THE MAGICIANS AND MANIPULATORS—AND WHEN YOU CHANGE YOUR IDEA INTO WORTHY ATTRIBUTION, YOU WILL CHANGE ALL THINGS ABOUT AND AROUND YOU. MOREOVER, YOU CAN ONLY DETERMINE ANGER IN ANOTHER IF YOU ARE REFLECTING THAT ANGER—IT IS THE UNIVERSAL LAW OF DUALITY AND OF EXPRESSION. IF YOU DO SOMETHING, SAY, WRITE A BUNCH OF NASTY PROTOCOLS, YOU SHOULD EXPECT ANGER WHICH CAN THEN BE REFLECTED “HONORABLY” BACK UPON YOU—THUS, YOU NEGATE YOUR OWN RESPONSIBILITY.

If someone becomes the great actor and, while hating you with all his being, smiles at you—you will be fooled. You must establish the IDEA behind the facade for IDEA is all there IS. GOD CREATES THROUGH IDEA, THE THOUGHT MANIFEST AS YOU—YOU CREATE ALL ELSE THAT COMES WITHIN YOUR SPACE, BE IT POSITIVE OR NEGATIVE. WRONG IDEAS PREVAIL ALL THE TIME, EVERYWHERE, UNTIL THEY ARE CHANGED BY DIFFERENT IDEAS. THE POINT IS: **WHOSE IDEAS DO YOU ACCEPT?** 

MIKE THOMPSON / The State Journal-Register, Springfield Ill.

'Colonies on the moon? But who'd want to live in such an inhospitable environment?'

When God Reveals Himself To His Human Children

6/9/98 #1 HATONN

MOM AND DAD

I have been offered another very interesting concept of God and Creation/Creator. This bears sharing as well.

[QUOTING:] Letter from Anonymous Reader. June, 1998:

As a dedicated reader, since its inception, of the *CONTACT*, I have come to believe I have a fair “handle” on the singular problem faced by this globe’s civilization. And while I will continue to assimilate more detail of this sinister progression of events, I have recently determined to try to adjust my own personal focus more toward solutions, rather than merely continue in a sort of uni-polar “wallowing” in the problem itself.

Certainly the third-dimensional arrival of Sananda and Aton (or forces of Christ and/or God), will be the keystone of our deliverance, but what about the interim moment? What can we third-dimensioners do to prepare the landing field most productively? Surely any effective method of unifying the Children of Light would be a significant contribution. And, conceivably, enlarging their number and their dedication.

The employment, somehow, of the “hundredth-monkey” theory presents as a seemingly useful tool—and surely we HUMans should be able to do at least as good as our primate friends in making use of it. A complementary element, perhaps so-far nebulous but deeply, longingly felt to exist—surely by others beyond just myself—is still needed as substantial to the spreading action of the “hundredth-monkey” mechanics.

With the above in mind as a sketch of my general recent frame of mind, and probably sparked by Hatonn/Aton’s recent comment “me and my flashes!”, here’s what happened recently:

It was a gorgeous sunlit day. I was having a long moment of unusual clarity of thankfulness. Looking past the current difficulties, I was deeply into a thoroughgoing state of grateful appreciation of the unprecedented glories we are soon to witness as the illumination of this planet progresses. As I walked near a wooded stream flowing through a mountain meadow I was literally feeling waves of joyous anticipation at what I clearly conceive we are to experience. The depth of this appreciation and the profound thankfulness I felt and tried to find expression for led me to thoughts such as: “What kind of

personal gift (over and beyond our Love and Desire to serve) could we possibly give to our Father of Light?” After all, since HE is in and of everything, HE has everything—*doesn’t He?*

THE ANSWER TO MY OWN QUESTION CAME, SO STUNNINGLY POWERFUL THAT I LITERALLY WAS STOPPED IN MY TRACKS, JAW A-DROPPED.

A PARENT! Our Father already has everything BUT A PARENT!

In a quick rush of realization came the flash that the Children of Light, UN-fragmenting as we unify in the manifestation of the realization of the immaculate spiritual dream—the completion of the circle—could comprise such a parent.

Phew! I realize this concept may be, for you, on emotionally “shaky ground”—it certainly was and is, for me. Is it arrogant? Is it too presumptuous? The kaleidoscope of thoughts it engenders is still vibrating me right now. But before you brush it aside as a too-far-stretch, let’s try to make a few observations.

First of all, is it functional? I would suggest that when you (or anyone) encounters this as a concept you will have a sort of automatic reception or rejection of it. If you have no faith or belief in a Divine Spiritual Hierarchy it is of course rejected. This is not to suggest that a dedicatedly spiritual person cannot off handedly reject it for reasons of his/her own. (If it is so summarily rejected, I might, somewhat coyly perhaps, recommend a careful self-checking to seek the reason(s) why.)

I would, pray, call attention to the emotional/mental attitude I was securely ensconced in when this “flash” occurred. I suppose this is my comment in response to the possible suggestion it was inspired by the “adversary”. The fact that I was in a state of profound thankfulness, seeking something good—a personal gift for our Father—is, if I may say it, tantamount to a state of Grace. In my opinion, that ain’t when the adversary “gets in”.

Is it a unifying concept? Yes. The very essence of the concept is a unifying of the fragments (individuals) of God.

Is it intimate? Yes.

Is it of absolute significance? Possibly. Who knows whether it is the hundredth monkey, the second monkey, or the 144th monkey that tips the balance so that the inertia flows toward good. Intellectually it doesn’t matter whether the souled entities presently existing third-dimensionally on this Earth are of a contract-fulfilling pre-select group or are we just the lucky ones to be able to witness first-hand the fulfillment of the “immaculate spiritual dream”—

the completion of the circle, from the inside out (and vice-versa).

Can this concept reap disappointment? Not if held in the context of the unified Children of Light being (as per the *Bible*) the “bride” of Christ/Sananda. (It doesn’t say that is ALL that they can be.)

Can this concept come into reality as a mass-conscious thought-form? Let’s find out!

Recalling the promise (of Hatonn/Aton, the Hosts and others) that there will be some surprises as the illumination unfolds, may we begin, as uniquely inspired individuals, to foster and contribute to solutions, methods, concepts toward maximizing the long-awaited benefits for HUMANITY. To start in all ways possible to complete the Sacred Circle, from down here on the ground.

—A Dedicated Reader

P.S. In passing this along to someone you are not only advancing the power of this offering to our Father, you are likely to experience a mutually very gratifying discussion of a spiritual nature, perhaps to depths you have not reached before. It’s almost a certainty you will have come to know your friend better—and that you will have both gained in Light.

[END OF QUOTING]

Thank you for this opportunity to share and possibly clarify a thought or two.

This writer is on the right path as to IDEA. IDEA WILL CREATE REALITY.

Does GOD HAVE PARENTS? Yes indeed, and sometimes they are good parents and sometimes very difficult teachers. Which are YOU?

Did God have “sexuality”? Yes. Did HE have sexual physical interchange? Probably not—but He did have to have the duality of THOUGHT to be conceived.

It is very difficult, in the face of religious rantings and ravings, to understand GOD and UNIVERSE. The very THOUGHT of being willing to become the PARENTS of GOD is magnificent in concept and runs IDEA to the farthest range of responsibility as SELF. Would YOU be willing to be the parents of GOD? How responsible are you as parents of whatever in your lives as you are living your experience?

What are you willing to offer GOD CREATOR? Which came first, the chicken or the egg? What chicken laid the egg of GOD? Well, it was a good and responsible chicken—YOU, as YOU WERE IN PERFECTION. But

will you be a good parent when the child becomes the PERFECTION you can only imagine? Well, it is time, isn't it then, to realize your own perfection that you do not fail in your responsibility to your IDEA? Just as you are the IDEA of GOD, then GOD IS YOUR IDEA OF HIM. HE WILL PRESENT AS THAT WHICH YOU CREATE. Therefore, did CREATION come first in this chicken-egg concept? GOD IS THE SUM TOTAL OF CREATION IN PERFECTION AND WORKING ORDER—but who sets the currents of action upon this wondrous painting of experience? Only YOU can give the LIVING to the picture.

Perhaps an example in perception would not necessarily be the direct parentage of GOD-CREATOR but, rather, how much are you WILLING TO OFFER IN LIVING UNTO THAT SOURCE? Willing to DIE is one heck of a big cop-out on both God and Self. "Living" is the gift of gifts. When you LIVE IN THE IMAGE (IDEA) OF GOD, YOU BECOME ONE WITH GOD FOR EVERYTHING HAS DUALITY. BUT, ULTIMATELY, IT ALL BECOMES BUT "ONE". WHEN THE ONE IDEA BECOMES UNIFIED—ALL MELD INTO THE ONENESS, AND THAT ONE IS GOD OF LIGHT/ CREATION FOR THE ALTERNATIVE IS A PHYSICALLY-ORIENTED CONCEPT AND IS A PASSING EXPRESSION AT BEST. AND, ALL IS MIND—IDEA.

You will be the product of the "parent" (caretaker) you serve—usually reflecting the ideas of those teachers along your experiencing journey(s). When you perceive GOD IN TRUTH, LIGHT, LOVE AND AS "ONE", YOU HAVE GAINED THE INSIGHT TO REALIZE THE BOUNTY OF THAT ONE IDEA. WHEN YOU HAVE GAINED ENOUGH INSIGHT TO REALIZE THAT YOU MIGHT EVEN 'CONCEIVE' AN IDEA OF BEING A PRIOR PARENT OF GOD, YOU HAVE REACHED BEYOND THE NORMAL ABILITY TO "THINK". YOU WILL REFLECT GOD IN YOUR IMAGE, MY FRIENDS, EVERY TIME.

I will be, God/Creator will be, Christ will be, and yes, Satan will be—THAT WHICH YOU "IDEA".

Evil is the failure to accept responsibility of being GOD'S parents in truth and teachings. A fragment of consciousness can only be what it can consciously perceive. GOD neither wants nor needs more gifts than the one gift—of becoming ONE WITHIN HIS IDEAS. This one gift of idea brings the expansive and unlimited realization of GOD HIMSELF AND GOD-SELF. It comes with a responsibility of SELF to accept the CREATIVE ABILITY that IS GOD. Are you ready for that perfect task? Yes, indeed, I AM. I am both ready, willing and able—without doubts as in human limitation. Does this make ME the parent of God? Yes indeed. FOR WITHIN CREATION/GOD-CREATOR I CAN BE ANYTHING I THINK TO BE. THIS MEANS I CAN CREATE ANYTHING I PROJECT AS IDEA. I, THEREFORE, MAKE SURE MY IDEAS ARE IN THE SAME PERFECTION OF LAWS AS I HAVE LEARNED—OFTEN IN THE MOST DIFFICULT MANNER POSSIBLE.

In man's realm of limited reality—he must grow, however, to reach beyond that illusion and into the reality of his power and capability of the human and move into the HUMAN realization. He then must move on beyond the HUMAN realization and into the GOD-CONSCIOUSNESS. It is the duty, if you will, of GOD to bring to consciousness these thought-forms in which you can manifest (create) your own reality—and act accordingly so that you can feel the realization of creative understanding.

Living on any plane of experience is realization of self. When you perceive that your gift would be wondrous to give, as in this person's perception, as being a parent or a creator of God, you have consciously chosen the most giving and re-giving concept to consciousness.

Since, in the physical manifestation of a being, you are limited as to your "time" within this wondrous concept—you will find varying degrees of realization as circumstances change. It certainly is NOT arrogance that leads you to conclude that you are an intimate and integral PART OF GOD—the largest PART. These "flashes" of total insight are remarkably real expressions of finding GOD IN THE TRUTH OF

YOUR OWN BEING and RECOGNIZING the CONNECTION. IN THIS REALITY OF TRUTH IT DOES "NOT" MATTER WHICH CAME FIRST, THE EGG OR THE CHICKEN. When you perceive these wondrous insights into being—you ARE the chicken AND THE EGG. At that moment of understanding and gratitude you don't need either a priest or a rabbi. In fact, the last thing you can think about is a priest or a rabbi. YOU HAVE AT THAT MOMENT, EVEN IF EVER SO BRIEFLY, BROKEN THROUGH THE BARRIERS AND ARE ONE WITH GOD. THIS IS FROM WHERE CREATIVE POWER BECOMES.

TO BE THE PARENT OF GOD YOU MUST BE PERFECTION AND ACCEPT THE TASK OF CARETAKER OF ALL THAT IS GOD. WHY DON'T WE NEVER MIND THE PARENTAGE OF GOD AND BECOME ONE WITH GOD SO THAT WE DON'T LOSE OUR WAY IN SUCH A MASSIVE RESPONSIBILITY OF ASSUMPTION? ARE OUR IDEAS SO INCLUSIVE OF RIGHTEOUSNESS THAT WE CAN ALLOW, FORGIVE, AND STILL INSTILL THE RIGHT DISCIPLINE OF SUCH A BEING AS GOD? You ARE the parent and the child OF GOD when you reflect his DIVINE BALANCE AND HARMONY IN ALL THINGS. You can, furthermore, only reach that realization in Spiritual expression—so the human state-of-being is a very difficult place for full realization. It is the IDEA in GOAL that is important here—for you will create that which is rooted in your desire to achieve or hold. If you "idea" and "goal" GOD, you will achieve GOD. If you only wish to "idea" and "goal" gold, you will have gold, but probably lose your way to God because the focus of mind as creator is directing that which you desire to have and hold. You cannot long hold gold—YOU CAN ETERNALLY HOLD GOD. It is, however, the HUMAN experience to choose; you will become whatever is your choice for mind will produce the IDEA conceived and nurtured.

The mind must be unlocked to overcome those things offered as thought-forms by parents and teachers and life itself. Are you ready to teach GOD all the things of perfection? First you must BE PERFECTION. The human being is not given to be TOTAL PERFECTION AS UNIVERSAL GOD. How will you discipline God if you disagree with HIS PERCEPTIONS? You disagree constantly, so can you put aside these individual self-ideas in order to serve in a PERFECT way a PERFECT IDEA? CAN YOU BE A BRIGHTER LIGHT THAN THE PERFECT LIGHT THAT IS GOD?

The most important thing to remember here is THAT YOU ARE THE PARENT, THE CHILD, THE VERY BEING OF GOD REFLECTED. IS YOUR MIRROR CLEAR AND CLEAN? IS THE REFLECTION YOU SEND BACK OUT TO THE ETERNAL REACHES OF THE UNIVERSE—PERFECTION OF THAT BEAUTY AND ONE-NESS OF GOD? CAN YOU LOVE AND ABSOLUTELY ACCEPT EVERY CREATION AS DOES GOD? HOW ABOUT THOSE ASSUMED "ENEMIES"? IS THIS ARROGANCE? NO, IT IS WISHFUL GOAL-SETTING TO WISH TO BECOME THAT WHICH GOD MIGHT NOT HAVE—BUT EVEN CREATOR WAS CREATED, AND YES INDEED, CREATED FROM UNIVERSAL PERFECTED THOUGHT-FORM.

YEAH! We're Now On The 'Net

For those of you readers who have access to the Internet, the first step into that domain for *CONTACT* is now available at the address:

<http://www.contactnews.com> for your viewing.

A very gifted webmaster, who right now prefers to remain anonymous, has put much work into creating a web site which shows great promise of acting as quite a flexible hub for all kinds of information as things evolve in this venture. — E.Y.

We are all stewards in various levels of growth, which means some of us are destructive, some are creative—but each is individual and unique. Moreover, if you think about it, your thoughts (ideas) are either FOR GOD or AGAINST GOD. Either is fine for to become one with God you will find the right passage or you will linger outside the circle of God of Perfection until you DO learn.

The concept of being willing to parent God is wondrous in its very conceived idea. God, however, is not in need of parents—HE IS IN NEED OF CO-CREATORS. This requires thinking, realization in thought, and IDEA of gaining creative perfection. He needs willing hands and feet to achieve his own IDEA of manifestation in concept of goodness—THE BETTER WAY. HE NEEDS LIVING, NOT DEAD OR DYING, PARTICIPANTS.

Negative energy-forms simply do not REFLECT the GOD OF LIGHT AND LIFE. They cannot focus on other than the restrictive things of experiencing manifestation in physical concept. They are bound in the heavy compression of containment while thinking POWER is CONTROL. POWER is FREEDOM—never control. CREATIVE activities and IDEA require realization of *power* and never the restraint of “I can’t”.

When God said, figuratively of course: Go forth and inhabit the world, He was saying—go forth and CREATE and let’s see how well you can choose and create—or will you limit selves to the limitations and greed of the human concept? WHO ARE YOUR OWN PARENTS? REALLY? OR, DID A MALE AND A FEMALE SIMPLY PRODUCE YOU FROM A COMBINATION OF SPERM AND OVUM? BIRTHING AND DYING ARE HUMAN CONCEPTS—NOT GOD’S CONCEPT OF ALL THERE IS. IT IS THE BREATH OF LIFE GIVEN AS “SOUL” THAT DETERMINES YOUR PARENTAGE. A SOULLESS BEING IS THE MOST SAD OF ALL CREATURES AND A SOUL HELD IN THE GRIP OF THE ADVERSARY OF LIFE—IS THE MOST DESPERATE OF ALL.

Even if briefly you can reach beyond the limitations of human physical and into the truth of being in a Spiritual reality of thought and idea, you have arrived at abilities far beyond anything you can find on the globe of physical realization. Reality and realization are NOT the same thing. Therefore, REALIZATION OF REALITY is the GOAL you seek and when it is achieved, even briefly—you are on your way to Higher understanding and expression. When you begin to see and know the gifts of God, you can seize them as they come into your consciousness and therefrom CREATE that which is needed for our journey and mission. You must be in recognition of your ability to CREATE and when that recognition comes you must be willing to materialize that which you know you must have for accomplishment of your goals.

You must, however, be very careful for with the coming of things from your creating—you most often get pulled off the pathway to higher consciousness by the “things” acquired and accomplished. Power and riches are the two most deadly pitfalls for MAN. MIND will produce whatever you set forth as fixed IDEA. However, that IDEA must be rooted in true desire toward that chosen goal. You will never, for instance, paint well unless your MIND

demands that you achieve your wishes as an artist. So, why waste your precious creative expression on that which offers no other than someone’s opinion of what you should or should not be? You will only achieve well that which you WANT with all your IDEA to be or achieve. Sometimes that idea is immediately present and evident—most often it takes a very long time to focus on THE IDEA of SELF.

So, back to God-parenting. This might well be YOUR idea but if it can’t be the idea of all seeking to serve God, it won’t happen, so better, perhaps, to do as God’s direction in gifting—“In the Grace of Christ, Thy Will Be Done—BY AND THROUGH ‘ME’.” This leaves opportunity for all fragments to move in one direction toward the ultimate “one WITH God” goal and leaves out the necessity of limiting oneself to a perception with all its myriad of understandings, concepts and limitations.

Sometimes the perception of “parent” is one who wipes and changes diapers on one end and pokes food into the other end. Surely we must not limit ourselves to such a narrow concept of life—and believe me, GOD IS LIFE.

I am so blessed that this writer has shared a bit of soul recognition with us for man is slow to share his thoughts and ideas—if they are meaningful. There is no experience as sensitive and wondrous as personal Spiritual expression and it is the most difficult thing-of-things, to share. Unless, of course, you have set self up as some know-it-all guru. True teachers are but STUDENTS and it is up to you to recognize which is which. GOD PLACES NO LIMITATIONS ON IDEA—HE ASKS FOR GOOD IDEALS, NO MORE. GOD does not love unconditionally—HE LOVES ABSOLUTELY—WHATEVER THE CONDITIONS. Are these the “same”? NO.

We are OUR OWN PARENTS for “WE” are

not the physically genetic of human form. WE ARE THE ESSENCE OF GOD’S SPIRIT WITHIN, AS IN SOUL. THAT ONE ENERGY ENCOMPASSES ALL CREATION AND CREATOR AND HOW VERY WONDROUS TO HAVE ALLOWANCE TO BE ONE WITHIN THIS MIRACLE OF LIFE.

Mankind measures time and moves always toward the concept of DEATH AND DYING. No, dear ones, you must move TOWARD LIFE if you would grow in consciousness of reality.

You MUST become God’s lover if you would experience truth. I did not say sexual partner—I said LOVE-er. This means always reaching for balance, harmony, and BEING one in IDEA. Then, when you project only THAT idea, you will achieve goodness for you will have no other concept. It is not easy to move from where mankind IS and into that perfection of IDEA—but we must always move forward TOWARD that perfect realization or we precipitate great catastrophes upon ourselves and our environment.

The worst of all, however, is the accepting of the negative and catastrophic prophecies of OTHERS in their limited perceptions.

I do not wish to limit the thought process of this awakening soul being who shared with us his gift. Never mind his “gift” to God—try accepting the gratitude of this gift to man. Expanding conceptual IDEA is the name of the game, beloved friends—it IS the game and so few find themselves able to play in it as it actually exists. Realization and arrogance are NOT even remotely the same IDEA. ARROGANCE IS AN ATTITUDE OF MAN—REALIZATION IS A PRESENCE IN GOD.

We are no better (or worse) than our THOUGHTS—check out your own IDEAS.

Salu, and may the blessings of understanding and knowing come to rest gently upon your beings.

NEWS DESK SPECIAL REPORT

World Environmental Catastrophe In The Making Hardly Reported: The Burning Of Central America

6/13/98 DR. AL OVERHOLT

From the INTERNET, courtesy of Calvin Burgin, <wrldline@texas.net>, 6/5/98: [quoting]

What the hell is going on in Mexico? The Hegellian antithesis of Global Warming? What?
—Bob Shearer, Elgin, Texas

Folks, while nations falter and fall apart, there is an almost eerie silence or hardly any proper emphasis regarding the “unprecedented” world environmental catastrophe now occurring in Mexico, as well as Central and South America—now spreading to the US. Some parts of South America are experiencing horrendously severe drought-related famine affecting tens of millions of people. Other parts have been so drenched that millions of acres of crops have simply washed away, while tens of thousands of heads of cattle and other livestock have perished. Deadly diseases are rampant everywhere in the Americas, serious social unrest everywhere. BBC, Radio Cuba, Deutsche Welle, Radio Australia, and other international broadcasts are reporting the matter, but not VOA or the other American press. WHY? This censorship of such mammoth global tragedy of such proportions, affecting tens of millions, and threatening the US also, is beyond criminal and quite suspicious, when one pauses for careful thought. [A very convenient, widespread, natural coup d’etat, which works nicely for culling populations?].

Last week I heard the only report of a Mexican journalist on a local talk radio program. He said, “The situation in Mexico is a catastrophe of immense and unheard of global magnitude, and will affect the “global weather, crop production, human and animal health and other deadly serious problems.” Understandably, the monumental disasters will increase drastically immigration into the US, as the suffering of Mexicans and other South/Central Americans increases. The volcano Popocatepetl (written accent over the first “e”),

is “imminent,” said the Mexican journalist from Monterrey, Mexico. Close to a million poor souls live right below the ready-to-erupt volcano. The journalist protested that the Mexican government is doing nothing to evacuate or warn the long suffering and poverty stricken people. 8-9 thousand tons of sulphur was emitted every day, until the vent holes blocked from magma fillage a few days ago. The Mexican journalist added: “It is a devastation beyond imagination and preparing to become much worse.”

Please be aware of just how serious the situation is, by also reading the articles below, then ask your local paper, why do they not report such serious conditions affecting a huge part of the world so drastically. Mark these words, IF THE TRUTH BE KNOWN, THESE ARE DISASTERS OF BIBLICAL PROPORTIONS—AT THE RATE THEY ARE SPREADING, THEY WILL SOON BE AT YOUR DOORSTEPS NATIONWIDE.

—AC

The Economist, May 30th, 1998:

THE AMERICAS

The Burning of Central America

Managua—Far less reported than Brazil’s earlier Amazon fires, those in Central America have done far more damage. And the fault is not El Nino’s, but man’s.

The sky is thickly overcast; the smoke makes eyes water and lungs gasp for breath; the muggy heat is unbearable. This is the Nicaraguan capital, Managua. Life was much the same this week in Mexico city, which was on full smog alert. Honduras reported a continuing sharp rise in respiratory disorders, and until Monday the country’s four main airports had all been closed for some days for lack of visibility. At Tikal, in Guatemala, 700 firefighters were struggling to protect historic Mayan temples. For weeks now, fires have raged in scrub and forests from Panama to southern Mexico. Their effects are devastating, and will long outlast the human discomfort.

In Nicaragua alone, a British-aided monitoring programme using satellite images has counted many thousands of fires, especially on the Caribbean side, whose forests, stretching across into Honduras, are the last really large area of pristine forest in Central America. In

some places the fire-front is 20, 30, even 50 kilometers wide. Nicaragua has about 40,000 square kilometers (15,450 square miles) of forest. But that is only half what it had in 1960—and about 500 square kilometers a week have recently being going up in smoke.

At last, Central Americans are noticing their own threatened environment, and listening to the experts who have been warning them for years that far more must be done to protect it. It is easy, this year, to blame El Nino. But many of the fires were started deliberately to clear land, only to run out of control in the drought and heat.

The real trouble, now as for 30-40 years past, in Nicaragua and Honduras alike, is not weather but people: big ranchers clearing land for cattle, slash-and-burn peasant farmers, timber companies logging indiscriminately and often illegally: “They get permission for 50 trees and take 500,” says one angry conservationist. And behind these are the politicians and officials who allow it all and often profit from it.

In Nicaragua things have grown worse as thousands of destitute former Contra guerrillas, many with little skill in farming, have moved into uninhabited (and theoretically protected) forests in the north, and burned them to get land. Timber companies have played their part; a Korean one has been accused not only of cutting into precious hardwood forests around and in the Bosawas reserve on the Caribbean coast, but of opening trails into the forest for settlers like the ex-Contras. Peasants who might wish to protest—there are such—dare not: they would pay for it if they did, they say, and they don’t mean in money.

A Nicaraguan ecologist, Kamilo Lara, says that if destruction goes on at the current rate—and he is not just thinking of this year—“Nicaragua will be a desert in 50 years’ time.” At least he is alive to utter the warning.

In Honduras, in this decade, two leading ecologists have been murdered. Others have received death threats and are now afraid to speak out. That it is worth silencing such people shows how high the economic stakes are.

The two ecologists’ friends readily name the army officer widely believed to have been behind the murders. No one has ever been put on trial, let alone punished, for them.

In Honduras, there is no effective control of logging, say ecologists. Local indigenous peoples have complained in the capital, Tegucigalpa, of ladino [*spell—as received*] settlers moving into their (supposedly protected) areas in Mosquitia and elsewhere in the east, and even killing those who resist them. No one has much cared. Yet El Nino is forcing even the previously indifferent to sit up. Mosquitia is far away, but in the latest fires some 70% of the pine forests around Tegucigalpa have burned. The capital’s three reservoirs are all but dry. Water is being taken by tanker around San Pedro Sula, the country’s commercial capital, as it is in the Nicaraguan highland city of Matagalpa.

The authorities’ response, however, has not been impressive. A diplomat in Honduras talks of a natural disaster of “catastrophic proportions”, about which the government, he says, is doing “damn all” [*as received*]. Honduran businessmen, lamenting the economic disruption, echo his complaint. In Nicaragua there is said now to be “serious concern at the

CALLING
1-800-800-5565**

highest levels”, but still no consensus about what is to be done. A meeting to decide on and co-ordinate action is scheduled—for early June.

But neither government action nor a flood to match Noah’s could restore the forests as they were. Once burned, say conservationists, forest areas will inevitably be taken over by farmers. Siegfried Kasl, a technical adviser to a German project in Nicaragua’s Bosawas reserve—named a UNESCO “biosphere” reserve only in February—says that it will need military protection: otherwise, “after the vegetation is destroyed, peasants will invade.”

Leave the last word to Nicaragua’s *La Prensa*, not a famously radical newspaper: Desolation and destruction are everywhere; if nothing is done Nicaraguans will be without flora, fauna or food.

The Economist, May 23rd, 1998:

UNITED STATES

Breathing Mexican Air In Austin

The Sun has been absent from Texas of late. The state’s azure skies have been lost under a yellow pall, and temperatures have dropped to an unseasonable low. On May 15th, the air was declared unhealthy over the whole state.

Smoke from Mexico, indeed smoke billowing up all the way from Nicaragua, is to blame. It is coming from 10,000 fires affecting more than 600,000. The acrid-tasting haze has kept old and young Texans indoors, and left others such as your tennis-playing correspondent, feeling as though they were exercising while smoking. Many wore masks. In the Rio Grande valley,

cotton farmers worried that the lack of sunshine would prevent this year’s crop from flowering.

George W. Bush, the governor of Texas, brushed aside the demand Texan firemen should head south to show the Mexicans how real men deal with fires. It was a Mexican problem, he said.... Al Gore, visiting Fort Worth, dutifully intoned concern. “We cannot—and we will not—ignore the impact that these Mexican fires are having on the families of Texas,” he said solemnly—and assured Texas cities that they would not be fined for failing to meet clean-air standards...

Does it look like man will wake up in time to save his own neck?? 

U.S. And Other Nations Placing Sanctions On Yugoslavia

6/13/98 DR. AL OVERHOLT

From the INTERNET, 6/9/98: [quoting]

Yugoslav officials Tuesday denounced international sanctions intended as punishment for its offensive in Kosovo, where a western strip of the separatist province has been turned into a war zone of burned houses and deserted villages.

Protesters demanding NATO intervention in Kosovo demonstrated outside a meeting in Luxembourg of EU foreign affairs ministers.

In a statement issued by the official *Tanjug* news agency, Yugoslav officials called the sanctions a “strange and unreasonable decision”. The statement was in response to decisions made by the European Union and the United States, within hours of each other on Monday, to ban new investments in Serbia and freeze its assets abroad.

“It’s cynical to demand from Yugoslavia to withdraw troops from its own province and leave it to the mercy of Albanian terrorists,” the statement said.

The officials also said they were offended that the sanctions were aimed only at Serbia, where Kosovo is located. Serbia’s lone partner in the Yugoslav federation, Montenegro, is exempt because of its pro-Western leadership.

A prominent Kosovo Albanian, Nekibe Kelmendi, welcomed the new sanctions but said they were only a “small step”.

Ethnic Albanians make up 90 percent of the 2 million people living in Serbia’s southern province. More than 250 have died this year in clashes between government forces and the pro-independence Albanian militants, known as the Kosovo Liberation Army.

There were no immediate reports of new clashes Tuesday in Kosovo.

The international community has ruled out independence for Kosovo but wants Serbia to restore the autonomy the province once enjoyed.

The destruction in Kosovo has increased an international outcry for Serbia to stop using its police and army against ethnic Albanians.

NATO is considering military intervention, and U.S. State Department spokesman James Rubin said Monday the United States has not ruled out military options.

At the United Nations Tuesday, diplomatic sources who spoke on condition of anonymity said the United States and Britain plan to ask the Security Council, possibly next week, to approve the use of force against the Serbs to halt attacks on ethnic Albanians in Kosovo.

If necessary, President Clinton is prepared to deal directly with Russian President Boris Yeltsin on the matter, senior U.S. officials, who also spoke on condition of anonymity, said Tuesday.

In the past, strong council action on Kosovo and other issues, notably Iraq, has been blocked by Russian Foreign Minister Yevgeny Primakov. Russia has a permanent seat and veto power in the 15-member council.

Yeltsin said Tuesday that any deployment of foreign troops in the region would be “very dangerous”.

But he said he would seek a meeting with Yugoslav President Slobodan Milosevic to “discuss the question of how to get out of this situation without getting into a big war”.

EU TIGHTENS SANCTIONS ON SERBIA OVER KOSOVO

From the INTERNET, 6/9/98: [quoting]

The 15-member European Union on Monday imposed further sanctions on Serbia because of

what it called the “new level of aggression on the part of the Serb security forces” in the Serbian province of Kosovo, where about 250 people have been killed and tens of thousands displaced by the region’s separatist conflict.

Expressing its fears of a “new wave of ethnic cleansing” in Kosovo, the EU banned new investments in Serbia and froze the country’s assets abroad.

The move came in addition to previously announced measures, which included a ban on arms exports and restricted travel visas for Yugoslav officials.

At Washington’s urging last month, the EU held off on the investment ban and asset freeze to give Yugoslav President Slobodan Milosevic a chance to reach a peaceful solution in Kosovo.

Kosovo has an ethnic Albanian majority of about 90 percent, and many of them favor secession. But Milosevic has firmly rejected that demand, saying the region will remain part of Yugoslavia, which now consists of Serbia and Montenegro.

“President Milosevic bears a special responsibility as head of the Yugoslav government for promoting a peaceful settlement to the problems of Kosovo,” an EU statement said.

Citing reports of “widespread house-burning and indiscriminate artillery attacks on whole villages”, the European body accused Milosevic of engaging in a “campaign of violence going far beyond ... a targeted anti-terrorist operation”.

While the EU pledged to play its part in stopping the flow of money and weapons to the Kosovo Liberation Army—the main guerrilla group in the province—the organization also called on NATO to study military solutions to stop the violence.

On Thursday, NATO defense ministers will meet to consider a military response—a prospect that so far has met with little enthusiasm.

U.S. President Bill Clinton’s National Security Adviser Sandy Berger said Monday that the issue of military intervention was not under discussion at this stage.

However, Clinton and his national security team were to discuss possible U.S. economic sanctions later in the day. [End quoting]

Watch this area very closely— it could signal the start of the **BIG WAR!!** The elite have had a habit of keeping things stirred up in this area for centuries. 

Health Warnings And Related Notes

6/10/98 #1 HATONN

DEATH IN INDIA

Thank you for calling attention to the terrible heat wave in India and for your interpretation that it is, perhaps due to testing of bombs etc. No, but you have a whole region which is suffering untold hardship from that as well as from the near 120° heat wave in India along the coastal areas of the Sea of Bengal. India is a very large area which is overcrowded and in abject poverty. Once again, WORLD, the results will be outbreaks of disease with nothing to stop the wave of infections as they move into places like New Delhi. The area is experiencing near-death-ray heats but where the temperatures range now is not lethal in themselves—so you can know there is something being jointly put upon the people besides a simple heat wave.

NEW DISEASE OUTBREAK IN THAILAND

If I could, short of isolating you people, I would not let you leave home where you have resources for care of selves. Even to Hawaii I would want you to stay mainland. Why? Because some of you are urgently needed WHERE YOU ARE, and secondly, any shift of location is a compromise to both selves and those to whom you visit. The point of your adversary is deliberately to get you out of your protection center and off running about strange places where there are no shields to protect you. No, I don't have to "name names"; this is for all of you with restless feet. We will only go to the mountain if we can't get the mountain to come to us. Am I being cautious? Yes indeed for this is still one of the most CRITICAL times of our journey—RIGHT NOW. How nice it would be for the other guys to just bump-off my team before we can finalize our ideas.

TO 2 X 1-AND-A-HALF

Keep doing what you are doing—but in addition, because of it being a more effective antiseptic solution, wash out the mouth with a lot of swishing a STRONG solution of hydrogen peroxide—many times a day and always after intaking any type of food or drink. (By strong I mean a diluted solution of say 10 drops of 35% peroxide in a couple of tablespoons [1 oz.] of water. Otherwise you will BURN your mouth. Use your heads, readers.) If you wish, you can use the

medicinal (3%) peroxide diluted only a small amount and then rinse your mouth with water. Stabilizers in the over-the-counter (3%) peroxide can be harmful if taken orally in much quantity. However, you wouldn't want to swallow the solution used for rinsing your mouth if you are using other than food-grade peroxide. I suggest you just swallow the food-grade solution as that will attack any bacteria in the throat and back nasal passages as it passes down the esophagus. Know that an ongoing infection, such as tooth decay or gum ailment, doesn't get totally "cured", but the nasties hang around and offspring move right into the space of any you clear out, ASAP after cleansing. Once compromised as to tooth decay and damage—it is not simple to stop reintroduction of bacteria. All of the products except Gaiandriana are short-acting (as in antibiotic or antiseptic) solutions. This means that your regime of care must consider that you can't just use once a day and hope for 24-hour topical action. OxySol, et al., are not as effective as several-times-per-day peroxide is for the teeth themselves as well as the gum-lines. OxySol is best for the abscessed areas because it generally gets INTO the blood system to work from "inside". BOTH is the best approach.

Beware, further, of wines, carbonated drinks,

sugars and drinks with caffeine (or without) as the "staining" substance in these things clings to the teeth like super-glue. Try to keep away from extreme heat or cold because you "crack" or "craze" the porcelain which then allows the softer portions of the teeth to be under attack and actually break. Well, good friends, a smart-aleck said it best: "Life's a bitch and then you die." I remind you that LIFE IS WONDERFUL—AND THEN YOU LIVE! However, living in the body is a bunch of trouble most of the time. We most certainly don't want to fix those teeth too well, though, you who know Dr. Carlson, because it is worth a broken tooth just to GO VISIT HIM—so, try JUST GOING TO VISIT HIM.

When we get funding, we will bring his products forward—in spite of the Dental clubs who wish to bury his discoveries.

E.J., you will be fine for a long time if you just don't let them add any additional amalgamate into or on your teeth—especially as bare fillings where fumes can rise easily. You are dragging because you NEED SLEEP, you need exercise, and you need to remain in mental stimulation. When you are fatigued you are going to go to sleep anywhere you sit down. You can't always blame old age but we do have to consider the toll of stress and time on the old bodies. You, like your brethren, tend to miss the bus more than catching it and that is a no-no IF YOU WISH TO BE ALERT AND FEEL WELL. I need you in full-time thought and work on our funding, please—not running off hoping to find a magic bullet to wake you up. Change your state as to habits and you will improve instantly. And, perhaps if you read my writings as to CONTENT and never mind the editing—you would not sleep so well during your own reading sessions. No puns intended.

I need you and spouse to be available for attending any legal encounters—I intend that you shut down those stupid and ongoing outrageous insults to the judicial system from Green et al. ~~ⓧ~~

Fallen Angels & Serpent People

The Adversary By Any Other Name

An Examination Of Mythology & History

Part II: When Continents Submerge

Editor's note: Part I of this series began in the 6/2/98 issue of CONTACT. We continue here with Part II.

Part II:

Myths do not come from a concept system; they come from a life system; they come out of a deeper center. We must not confuse mythology with ideology. Myths come from where the heart is, and where the experience is, even as the mind may wonder why people believe these things. The myth does not point to a fact; the myth points beyond facts to something that informs the fact.

—Joseph Campbell, *An Open Life: In Conversation with Michael Toms*

6/16/98 RICK MARTIN

How is it possible to jump throughout history spanning such huge pieces of time? By choice, I guess. In this instance, I've chosen to stick with historical sequences that have been pretty well documented by those involved in such matters or, in the alternative, to statements made by representatives of the Hosts.

Symbology is something which reoccurs throughout history in a wide variety of forms, and here the focus of attention will be primarily (but not exclusively) upon the serpent and the serpent people.

So, with that said, let's take a look at some aspects of Mu, Lemuria, and Atlantis that many of you may have missed.

PAN/MU/LEMURIA

In Colonel James Churchward's *The Sacred Symbols Of Mu*, we read: [quoting]

In the Sacred Inspired Writings of Mu 70,000 years ago the deity is frequently designated as "Heavenly Father" and "Father in Heaven". This name is more frequently used there than any other. Religion itself was based on the Fatherhood of God and the brotherhood

of man. [End quoting.]

In *The Rainbow Masters—The Magnificent Seven*, a Phoenix Journal, we read: [quoting] Truth lies deeply in the laws of The

Creation, and there man shall seek it and find it. He who truly seeks shall not stop seeking until he finds. When he finds he will be deeply shaken and astonished, but then he will rule over the universe as his Creator intended, for man must recognize that the kingdom is within himself and also outside himself. He must also know that he is sent as a guardian for those other wondrous creations within The Creation.

So be it; man would better turn from the black hand for that is the symbol of destruction. The "Lost Cities" of your South America and the newly arriving space visitors are greatly connected and both play a most vital role in your present circumstances.

Lemuria is the label for the last part of the great Pacific continent of Mu. The destruction of Mu and its submergence began before your year 30,000 B.C. This destruction continued for thousands of years until the final portion of Mu, known by then as Lemuria, was submerged in a series of disasters. This occurred just prior to the destruction of Poseidonis, the last remnant of the Atlantic continent, Atlantis.

Just as you ones are informed, today, of how it will be and turn away, those people, too, continued their blinded ways. Those working on the Left (Black) Hand Path continued diabolic experiments and heeded not 'MY HANDWRITING ON THE WALL' just as today, on your sickened Earth, millions of inhabitants are continuing to involve themselves in every degradation possible, even though the signs of the times are clearly discernible.

The Masters and Entities working on the Right (Red) Hand Path began to collect the precious records and documents from the libraries of Lemuria. Each Master was chosen by the Council of the Great White Hierarchy (Lighted Brotherhood) to go to different sections of the world whereby scientific and spiritual knowledge of the past sequences could be placed in secure preservation. Those wondrous treasures are preserved unto this day. At the time of upheaval, as these continents make changes, certain other places will be thrust upward, just as were the Peruvian areas of Titicaca and no man will recognize of it. But it will be those same places which were preserved from the going down of Mu that will be sustained and thrust even higher into the safety from the ocean depths. [End quoting.]

In *Cry Of The Phoenix—Death Rattle Of Freedom: "The Plan 2000"*, we read: [quoting] I am Sananda to speak of remembering when the Motherland of Mu sank beneath the waves of the mighty ocean which overflowed her. This, before the passing of that place you ones call Atlantis. We shall speak first of that which was known as "Pan". Pan has meaning which is "it is finished", therefore, it was finished from its beginning.

In the aeons which passed she was given unto much glory—she was indeed birthed into greatness. She was next given to be recognized by the label of Mur and finally as that which you must remember as Mu and this place was to be known as a Motherland. Ah, but man is blind and filled with self-indulgence and greed and 'twas not until after the passing of the Motherland was she known as Mother. "Mother" means "from the beginning", and therein is the word "Mazma", or "Mu" or "Mama" which is "the beginning", the feminine cause of beingness.

Because so many of you came forth from that Motherland and have later served in other times of passing Motherlands, we shall speak first of this Mu.

There were many ones who had escaped from the devastation and moved unto the portions of the land mass which was given unto them as "safe". Those who listened brought forth with them the sacred histories and oral teachings so that there would again be a time of remembering. Many of these ones came into the land which is now the mountain area of that which you call the South American Continent.

They gave a pledge unto the Mother, for they have been true unto their Source. They built safe-keeping places for the records and vowed to the Father/Mother that they would teach the precepts. Ones had been taught in the laws which you are to come to understand if your eyes and ears be opened.

The hieratic letter N, the alphabetical symbol for the Serpent of Creation.

These ones were given power over the elements and over the gravitation of the Earth. Ah, but they were not given freedom of separation from all attractions of the heavens.

Soon they gave no credit unto them which were their supporters and they gave credit only unto themselves for what they considered their wondrous achievements. Then it came to be in some 30,000 or so of your counting years, that it was given unto them to forget and thus was also lost these memories and placements of the wondrous truths of your lineage.

It was given unto them to be men of rather medium to smallness of stature and to be much as the Asiatics in the coloring of the skin. They began to lose their way and they prayed to idols. They gave but little heed unto the warnings which were given unto them from the higher realms of Light and they sank into lethargy and laziness.

Then, as is the fortune of him who forgets his covenant with the Father/Mother, on a great feast day it became dark and the Sun gave off no light. On that day it gathered a part of the firmaments into the whole of the area, and it

shook the Earth from without that their handiwork was tossed and broken. It split asunder the idols, and it turned and twisted their great and beautiful wall and portals into ruins and rubble.

This was but the beginning. For in that place of valley would be raised as the mountains around it. For it shall shift within the interior and it shall crack and it shall blaze forth as a great volcano. That place which is the valley shall reach into the heavens and shall be prepared for a new portion.

So shall it be with other placements to the north and unto the west wherein the places which are yet in the appearance of deserts and valleys shall be filled with the waters and yet the places of the Motherlands which remain unscathed unto their day in your age, shall be thrust upward and most places shall be given unto being island placements. In these places the waters shall come forth from within in sweetness and shall purify the place, and it shall be hot and pure. But these waters shall be healing in their touch and many there will be who will need of the healing for the tribulation shall have been great indeed.

Ones of the ancients shall walk again among the men who are remained and come again into the teachings of the Father/Mother and pull the peoples back into the path of Truth.

It is come now that the days within this place are few and it is the time that man know of the truth of his roots that he can prune of his branches which have grown in wildness without discipline—away from the teachings of the Father/Mother Creator/Creation. [End quoting.]

SEMJASE

Wisdom is the light and wherever the light flashes up, there darkness and ignorance disappear. Ignorance is the essential darkness and can only be overcome by the light of wisdom.

Wisdom is the mark of the existence of the spirit and disguises itself in the qualities of truth, poise, knowledge, beauty, harmony and peace.

Wisdom is also the mark of a human who has recognized the existence of his spirit and works with it according to the Creational laws, for wisdom and the spirit are two factors which react as one, much in the same way as the Sun and sunlight...both give warmth and light.

50,000 YEARS PAST

Turning to *Creation, The Sacred Universe—The Incubation Of The Phoenix*, a Phoenix Journal, we read: [quoting]

It is strange that man wishes to contradict that which he has no basis for judging. How can man know, for instance, that some 50,000 years ago in Earth chronology, our home world found peace and liberty. Shortly before this time, 70,000 or so human beings fled under the leadership of one labelled Pelegon. They used spacecraft and they fled through the cosmos and settled on Earth. Under Pelegon were 200 sub-leaders, scientists, competent in their special fields of knowledge. By these, and others,

PHOENIX JOURNAL

THE RAINBOW MASTERS

This *Journal* is a manual for living the life blessed of God. Cuts to the core of the nature of man, yet offers gentle direction filled with compassion beyond measure. Each energy is uniquely powerful yet, together, they form a team of one. The Masters offer insight to the planet, our purpose, God's involvement and will, our journey home, the Greater Vision. The messages resonate as musical chords within the very soul essence. The words shared renew hope and give the phrase "Trust in God" a deeper meaning.

A few Of The Important Topics Covered Are:

- * Who Is Telling The Truth?
- * The Laws Of God
- * The SEVEN RAYS OF LIFE
- * Cults And Churches
- * Truth And The Laws Of Creation
- * Precious Ancient Knowledge Preserved
- * From The "Star In The East"
- * Each Is A Portion Of God
- * Immanuel And The Essenes
- * Time For Earth To Come Home
- * Covenant Of The BOW
- * Earth Is Special
- * Get Prepared For The First Strike
- * Calling Working Troops
- * "Force" Not Of God
- * Trap Of The Human Ego
- * Astral Plane Cancellation
- * Melchizedek Blighted Through Evil Input
- * Gender Problems And Responsibility
- * Healing Comes Through Mind
- * Universal Law—Not Miracles
- * Christ Path Deliberately Hidden
- * Preparation For Transmutation
- * No Secular Alliance
- * Children Are Of Primary Concern

Pelegon was acknowledged as what you might call the “King of Wisdom” and he was, at that time, regarded as God and regarded as such for he taught the word and law of God and The Creation.

Wondrous things were brought forth upon Earth. Regrettably, this lasted well for only a narrow span of some 10,000 years, until desires for power and control prevailed once more, and a deadly war raged over all the Earth. Without exception all was destroyed, and only a remnant, a few thousand human beings, survived on Earth while others fled once more into the cosmos and settled faraway worlds. Does this sound like a rerun, chelas?

For some 7,000 years none returned to Earth, and the humans left behind degenerated and became wild. Then descendants of those who had settled on faraway worlds returned. They were again under the leadership of God, under whose command they built on Atlantis and Mu. They built huge cities on each of the two separate continents.

For thousands of years they lived in friendship and peace, until a few scientists were again overcome by the old thirst for might and power, and tried to seize the government.

But having tired of wars, the nations rose up against them, and they again occupied ships from space and fled into cosmic space some 15,000-20,000 years ago in Earth chronology. For some two millenniums they and their descendants lived in a neighboring solar system. Why is this hard for you of Earth to conceive in understanding—do you actually have such little faith and belief in God? Do you so limit God that you cannot believe beyond the physical features of your nose and that which the “controllers” would have you believe?

Oh dear ones, there were two millennia during which they had become very evil and only maintained order under strictest control; but, by mutation and their sciences, they extended their lifespans to some thousands of years.

Overcome by their thirst for power, they then left their world about 13,000 years ago, in your counting, and again returned to Earth. Now, hold your breath, chelas. Their highest leader was one who was called “The Barbarian”. Like the God before him some 40,000 years, IHWH also had some 200 leaders and sub-leaders who were competent in special fields of science for as you re-inhabit a planet where only a remnant remains, it requires much diversified knowledge and abilities.

In two groups they settled in the high north and the present Florida of North America, while they continuously attacked Atlantis and Mu in war following war. In only a few millenniums after their occupation of Earth bases, they succeeded in destroying the civilizations of first Lemuria, Mu and then Atlantis. The few survivors went into servitude, while many great scientists were able to flee, and return to their homeworlds in the Pleiades. But centuries

before this point in time, the intruders boasted of their conquest of Earth, and IHWH ARUS led a severe and bloody regime.

Still his sub-leaders assumed for themselves many things and became more and more independent. Within only three decades they had gone far in their own decision making, even though they feared the punishments of the IHWH ARUS. They advocated a code, to under all circumstances maintain their own race and not allow it to fall to mutations away from themselves. In a most forbidden manner and secretly, they went out and caught wild Earth creatures and mutations who were distant descendants of former human beings. These evil tricksters called themselves “Sons of Heaven” and corrupted according to their own race. It would come to be that these ones were put away into other places for they formed mutated tribes and did not follow the laws of God and/or The Creation.

It was at this time that ADAM was birthed—ADAM, (meaning “Earth human being”). Meanwhile, others similar had been produced, who formed groups and tribes. From these, present Earth mankind developed.

This action angered IHWH ARUS, and the sub-leaders were exiled, when he could catch them. In time he changed his mind and recognized a new power he could exercise over the Earth beings.

With newly appointed sub-leaders and guard angels, he brought three human races under his absolute control. These were the ancestors of those who today are known as “Indians”, then the fair-skinned inhabitants who had settled around the Black Sea; and the third were the “Gypsies” along the south of the Mediterranean Sea, who were called Hebrews. IHWH ARUS subjected these races and forced them under his control. As the highest ruler over them, he allowed himself to become venerated and adored as human ego-man is prone to do and promptly forgot the Creator. He allowed them to venerate him above the Creation itself, and his sub-leaders were treated as “assistant” creators. He imposed most harsh and severe laws demanding the blood of the guilty. Does it not sound like a re-run of a scenario?

Ah ha, then came his son, JEHAV, who took over this dominion. He was little better for he, too, demanded only blood and death from the three enslaved races. The later descendants of the “Gods” became more humane and developed a degree of spirituality. I would guess it is time to straighten up and begin to fly according to the rules, little chelas!

Their spiritual evolution changed their minds and they decided to leave the development of the Earth beings to their natural course, and retired to their home-world, so they departed Earth and returned as peaceful creatures again to the Pleiades, where their own mankind had reached most advanced states of development.

United, we live together today and are an allied population in peace and liberty, under the Laws of God and acting in balance and harmony within The Creation. Precious ones, it is most essential that you ones come into truth of this

writing for you have so many gaps and missing pages in your historical documents and the unknown causes you great fear. Because your brethren of Pleiades feel responsibility and kindredship with your human Earth species, they come with the Hosts at this time to assist, to evacuate—to do whatever is required to help you in your transition. They feel that they have vested interests in your place and are feeling great concern that they caused some of your own chaotic past and present circumstance. They, and we, are come to assist wherein we might serve in the service, first of and to God—in balance and truth within The Creation and unto you, our relations. May we come into understanding, one with the other that we might work toward truth and again bring peace and wondrous magnificence unto the species. [End quoting.]

THE TALE OF CREATION

Turning now to *The Sacred Symbols Of MU:* [quoting]

The following is what I found in the old Oriental Naacal writing, supplemented by the Mexican Tablets:

Originally the Universe was only a soul or

Narayana

spirit. Everything was without form and without life. All was calm, silent and soundless. Void and dark was the immensity of space. Only the Supreme Spirit, the Great Self-Existing Power, the Creator, the Seven-Headed Serpent, moved within the abyss of darkness.

The desire came to Him to create worlds, and the desire came to Him to create the Earth with living things upon it, and He created the Earth and all therein. This is the manner of the creation of the Earth with all there is within

and upon it:—The Seven-headed Serpent, the Creator, gave seven great commandments. [End quoting.]

NAGA, THE SEVEN-HEADED SERPENT

Turning, once again, to Colonel James Churchward's *The Sacred Symbols Of MU*, we read: [quoting]

The ancients had numerous figures, always conventional, symbolizing this attribute (*of the Almighty*). Apparently the most popular were adorned serpents. Many designs of these serpents are found in ancient carvings and literature.

Two of these serpents are especially prominent. One was the cobra, called in the Motherland, Naga. This one had *seven* heads. This number was given to correspond with the seven stages of creation, the seven mental planes, et cetera.

The seven-headed serpent originated in Mu and was there called *Naga*. In various Mu colonies it received added names. Judging from the geographical position of the colonies where we find it, I think that the lower western half of Mu was where it was used. The people using this symbol were called after it—the Nagas. [End quoting.]

When we turn to *A Dictionary Of Symbols* by Jean Chevalier and Alain Gheerbrant, we see that: [quoting]

The finest and most numerous examples of this seven-headed serpent are depicted on the temple at Angkor Thom in Cambodia. To the Khmer, the *naga* was 'the symbol of the Rainbow, regarded as the magic bride entry to the abode of the gods'. In this, the most famous temple in Southeast Asia, *the gods at the south gate hold one end of the naga which writhes symbolically round the Meru (the Indian holy mountain, which the temple itself is supposed to represent) while its other end is grasped by the demons at the north gate. Taking it in turns to tug, they can rotate the central mount and churn the sea to obtain ambrosia. From time immemorial the Khmer kings were compared with Vishnu churning the Sea of Milk to obtain amrita, that is, plenty.*

The rubbing motions of the serpent wrapped round the sacred mount stimulate secretions of prosperity. Khmer beliefs laid great symbolic stress upon the churning of the Sea of Milk, whence came the *apsara* and the phenomenal world.

Furthermore, like the python, the *naga* is the symbol of the mouth which swallows either the individual or the Sun itself at one end of the horizon to vomit them up at the other, and is therefore an initiatory symbol of death and rebirth. The significant facts in the traditions quoted above are the north-south axis and the *naga's* seven heads, the latter being the symbol of fulfillment and especially of human fulfillment. The *naga* is often depicted in India at the foot of the majestic stairways of stupas, re-echoing the gaping crocodile-mouths found at the foot of stairways on Central American pyramids. [End quoting.]

Now, on a slightly different note

(but not really), we have:

EVIL IS IGNORANCE

In *The Golden Scripts*, Chapter 23:12, we read: [quoting]

12 Evil hath an emptiness, it cannot construct, it ignoreth the ways that lead unto happiness, it seeketh out no goodly situation but taketh the world and giveth it a weeping.

13 Evil hath no crown, it hath no distaff, it hath no divining rod that pointeth out riches; evil hath only confusion and ignorance and manifest impoverishment; it hath shortage of compassion that ye do call intolerance.

14 Verily I say unto you, beloved, evil is man's enemy above all other enemies in that it seeketh to do him no improvement, naught hath it to do for man but to pull him down to vomit; it proclaimeth his smallness, it maketh a god of his ignorance and humbleth him before it.

15 I say ignorance is evil and evil is ignorance.

16 There are no other gods of darkness before Ignorance.

17 That which cometh of me hath a radiance, behold it is tolerant and beauteous and tranquil; all things making for good, for happiness, for delight, for peace, for alms-giving, for benediction on others, these are the diadem stones in the crown of mine eternity.

18 I say unto you, beloved, in that ye have taken knowledge unto yourselves ye have traveled in a progress; in that ye have triumphed over ignorance so hath the Dark One fled before your footsteps. [End quoting.]

DARK ROBES

In *Other Kingdoms*, Hilarion writes: [quoting]

The Dark Brothers are allowed to have an influence upon those humans in incarnation who permit the influence to occur. It is a question of complete free will. Humans who follow the base teachings of materialism and selfishness are opening themselves up to the overshadowing of the Dark Brothers. It is these humans, the ones who have been cast into shadow by their own choice, that have been responsible for most of the carnage, slaughter, war, torture and outright evil in the world. It is true that they choose to do these heinous acts by their own free will (in most cases) but their actions are usually influenced by the Dark Brotherhood in such a way as to make them worse than they otherwise would be.

One of the ways in which the Dark Brothers gain easy access to a human begin is through over-indulgence in drink. Naturally, any other besotting over-indulgence will also allow the darker overshadowing to gain a hold, but alcohol is by far the worst substance in this regard. The individuals who change their personalities for the worse when under the influence

of drink can be assumed to be literally under the control of these darker forces while they are inebriated.

What happens in such cases is that an access at the back of the head (in the aetheric body) opens up and allows darker forces to enter. The access is directly opposite the Anja or third eye center, and becomes wide open under the influence of alcohol in the system. [End quoting.]

In *Dark Robes, Dark Brothers*, Hilarion writes: [quoting]

The dark ones do not seek to cast any soul "into hell", as the popular religious notion has it. Rather, they act as testing agents for the race of man, as forces whose task it is to weed out from among the human flock the souls whose dedication, wisdom and insight are not developed enough to allow them to move forward into the higher ground of spiritual achievement.

This can be compared to the effect of the wolf on a herd of caribou. Among the caribou are the old, the sick, the congenitally weak specimens. The wolf attacks only these defective caribou, and would never think of wasting its energy trying to chase or bring down healthy specimens. By weeding out the weaker ones, the wolf ensures that the herd remains strong.

So it is with the Dark Brotherhood. They know that many human souls would not be taken in by their seductions, that many individuals can perceive clearly whatever attempts are made to draw them away from the light. But they know too that multitudes of incarnated individuals on the Earth have allowed the attractions of pleasure and materialism to sway them, have permitted the negative emotions of hatred, resentment, grief, worry and self-pity to cloud their days. And it is against these stragglers that most of the Dark Brotherhood's efforts are directed. They can only influence those who *allow* them the necessary access, and they would not waste their energy on souls who remain firm in the truth. [End quoting.]

THE TAO

Stanislav Grof, M.D., in *The Holotropic Mind—The Three Levels of Human Consciousness and How They Shape Our Lives*, states: [quoting]

Probably the most famous statement about the futility of attempting to capture the essence of the cosmic source in thought or language comes from Lao-tsu, a Chinese sage who lived in the fourth century B.C.:

The Tao that can be told is not the eternal Tao.

The name that can be named is not the eternal name.

The nameless is the beginning of heaven and earth.

The named is the mother of ten thousand things.

[End quoting.]

THE KHAN

In Mu, the ancient Serpent Symbols were divided into two categories: the first an

adorned Serpent symbolizing the creative attribute of the Diety; the second, quoting now from Churchward's *The Sacred Symbols of Mu*, "plain unadorned Serpents were symbols of the waters. The symbolic water symbol was called

Khan."

Turning to *The Garden Of Aton* by Nora Boyles, we read (about a much later historical period): "...the leader of the Khazars is known as the KHAN."

ATLANTIS

Gordon-Michael Scallion notes in his 1998 summer edition of the *Earth Changes Report*, "Atlantis lasted almost 250,000 years from its first age to its final days, the last of its islands going beneath the seas around 9,000 years ago."

In *Trail Of The Serpent*, written by Inquire Within, we read: [quoting]

The early Lemurians are described as eyeless, mindless, vapoury hermaphrodites, ruled by planetary gods, guided by angels, and aided by Luciferian spirits. Later the sexes were separated, bringing terrible sexual disorder, and finally Lemuria was submerged. According to Schuré the priests of Ancient Egypt preserved the tradition of a vast continent which had formerly occupied a great part of the Atlantic Ocean from Africa and Europe to America, and of a powerful civilization which was engulfed in some prehistoric catastrophe. The priests claimed to have received it from the Atlanteans themselves through some far-back connection; in turn they told Solon of the tradition, and Plato, borrowing from him, wrote of it in his dialogue, the *Timaieus*. The whole tradition is a vast legend, although there are scientific proofs that such a continent had probably existed. Some of the Lemurians, it is said, survived and settled in Atlantis, which, as Schuré explains, was a tropical Eden with a primitive humanity; then came a long period of wars, followed by a Federation of Initiate-Kings, and finally decadence and a reign of black magic, and the continent was gradually rent and destroyed by subterranean fires.

These primitive people, according to Schuré, were powerful psychics: "His sparkling serpent-like eye seemed to see through the soil and the bark of the trees and to penetrate the souls of animals. His ear could hear the grass growing and the ants walking"; they spent their nights in astral dreams and visions, believing they contacted and conversed with the gods. Again Steiner says that the Atlantean Kings had spirit guides in human form, "Messengers of the Gods" (Elder Brothers), who actually ruled men through the kings. As he explains, these guides were under Luciferian influence, but used it progressively to free themselves from error by becoming initiates of the Solar-Christ Being—they became *Illumines!* They imparted the mysteries to disciples and in fact became Christ-

oracles. Matter in the form of Ahriman came along and intellect was born and the gods receded from among men. In the later Atlantean evolution the mysteries, he said, had to be kept secret so that the knowledge of how to control and direct Nature's forces should not be used for evil and sensual purposes, but in time these powers became known, black magic became rampant, and Atlantis was destroyed. [End quoting.]

VENUS

There are those who hold forth the theory that Lucifer/Satan is, actually, Venus—the bright and perfect "morning star". This statement is interesting, at the very least, in that there are others who attempt to link Poseidon and Atlas with Venus, as well as Quetzalcoatl. Let's take a closer look.

ATLANTIS— POSEIDON

In the scholarly work *The History of Atlantis*, written by Lewis Spence, we read: [quoting]

The Azilian people were undoubtedly the forerunners of the Neolithic race, the people of the New Stone Age, and brought with them to Europe an entirely new mode of living, a new art, new religious beliefs. They invaded Europe at a period which, broadly speaking, can be successfully collated with the date given by Plato. They must have poured into Europe in their thousands, dispossessing the older Aurignacian or Cro-Magnon inhabitants and destroying their relatively high culture.

[Still quoting, later on...]

It is from the writings of Diodorus the Sicilian, as well as from those of Plato, that we are enabled to glean the little we know concerning the royal line of Atlantis. Plato, indeed, assures us that such a succession existed, but he leaves us in the dark concerning the names of any of its members, with the exception of the sons of Poseidon: Atlas, Gadir or Eumolus, Amphisus, Eudemone, Mnesus, Autochthonus, Ellassipus, Mestor, Azaes and Diaprepus. Let us examine these first, and see what we can glean from them.

In other myths Atlas is alluded to as the son of Iapetus and Clymene, and brother of Prometheus and Epimetheus, the Titans, along with whom he made war against Zeus. Defeated by the Hellenic Allfather, he was compelled to bear the skies upon his head and shoulders. According to Homer, he is, indeed, the bearer of the long columns which hold the heavens and Earth asunder. Indeed, he is what students of Mexican mythology, following the late Professor Eduard Selere, would now call a "sky supporter", one of these genii who uphold the roof of the world. The idea probably arose from the belief that Mount Atlas, in Africa, like other lofty mountains, actually upheld the skies. Other mythographers, as we have seen, represent Atlas as a wise astrologer, a monarch who first taught men the science of reading the stars. There was, of course, more than one Mount Atlas, and we find mountains similarly named in Mauretania, Arcadia and Caucasus. The Pleiades, Hyades and Hesperides were his daughters.

[Again, still quoting, later on...]

Diodorus tells us that Uranus was the first King of the Atlanteans. Uranus was the Greek god of the Sky, and father of Iapetus the Titan, the Biblical Japhet, of Oceanus, the Cyclopes, and many other mythical figures, including the Giants. His most celebrated Atlantean children were Basilea (which simply means "queen") and Rhea and Pandora. Atlas, Saturn and Hesperus are also mentioned as his offspring. The Atlantides became the constellation of the Pleiades. A certain Jupiter—not the god of that name—later became King of the Atlanteans, displacing his father Saturn with the aid of the Titans.

It becomes clear that the mythical history of Atlantis is in some manner associated with the incidents of the war between the Gods and Titans, which bulks so largely in Greek myth-history and art. The story of the Titanomachia, or divine war with the Titans, relates that Uranus, the first ruler of the world, cast his sons, Briareus, Cottys and Gyes, the Hecatoncheires, or Hundred-handed, into Tartarus, along with the Cyclopes, "the creatures with round or circular eyes", gigantic shepherds of Sicily. Gaea, his wife, indignant at this, urged the Titans to rise against their father. They deposed him, and raised Cronus to the throne. But Cronus, in turn, hurled the Cyclopes back into Tartarus, and married his sister Rhea. Uranus and Gaea had foretold that he would himself be deposed by his own children, and as these were born he swallowed them, all but Zeus, whom his mother concealed in a cave in Crete. When Zeus came to manhood he gave his father a potion which caused him to disgorge the children he had swallowed, and these turned against Cronus and the ruling Titans. Gaea promised victory to Zeus if he would deliver the Cyclopes and Hecatoncheires from Tartarus. He did so, and the Titans were overcome and themselves cast into the Tartarus.

We find, then, the self-same personages connected with the war of the Gods and Titans as with Atlantis. Indeed it is clear that Diodorus *actually applies the story and personnel of the war of the Gods and Titans to the history of Atlantis*. On what grounds did he do so? He could only have done so because of an existing tradition. He certainly did not invent the tale of the Titanic War, which was in circulation centuries before his time. It seems reasonable to suppose, then, that a tradition actually existed of a great war in the Atlantic Ocean. The Gods, thought the Greeks, had their origin in the West. Thence came the mysteries and all cultures. The Cyclopes and Titans are likewise connected with the West, the former with Sicily and the Mediterranean isles, the latter with other islands. Pomponius Mela states that Albion, the Titan, son of Poseidon, and the original tutelary god of Britain, was a brother of Atlas, and assisted him with Iberius, god of Ireland, to contest the Western passage of Hercules. Albion is that Alba from which Scotland takes her ancient name of Albany. There was thus a distinct race of Titans connected with the Atlantic, and if Albion and Iberius can be identified with the British Isles it is only reasonable to assume that Atlas was also once the tutelary divinity of a western land in the ocean with which myth persistently connects his name.

[Still quoting, further along...]

An ancient Hindu picture

We find then that Poseidon, the culture-bringer, arriving in Atlantis some centuries prior to its final submergence, allied himself with the remnants of the Cro-Magnon aborigines and gave their dying culture a more modern tendency, precisely as did Quetzalcoatl in Mexico. Indeed the myths of Poseidon and Quetzalcoatl are practically identical. In *Atlantis In America* I adduced proof that the personalities of Atlas and Quetzalcoatl are the same and this applies with equal force to Poseidon, the father of Atlas, who possesses the same attributes of the culture-hero. We know that Quetzalcoatl came to Mexico from some locality in the Atlantic. But whence did Poseidon come?

Poseidon, I believe, was the leader of the Azilian or proto-Azilian band of invaders who conquered Atlantis, and colonised it some centuries prior to making their great raid on Europe. He is usually described as a god of "Pelagian" origin. Now this name Pelagian, is usually employed to denote a race who colonised Greece at an early period, and who built immense structures of solid stone. They were, indeed, the Mykenean race, the bringers of the mysteries of the Cabiri to Greece, a people of Iberian stock. The Azilians, as we have seen, were proto-Iberians. We, have there, good grounds for the statement that Poseidon was the leader or priest-king of the Azilian invaders of Atlantis. That the whole Iberian race is distantly of North African origin scarcely admits of doubt, and it seems probable that Poseidon, "god" of the Mediterranean Sea, must have led his people from the Atlas region of North Africa to Atlantis, whence, some centuries later, they were to invade both Europe and their original home.

[Quoting, still later...]

Quetzalcoatl, for example, can be identified as the planet Venus, and it is notable that several of the gods in this calendar can be equated with certain members of the Atlantean

pantheon, Quetzalcoatl, for instance, with Atlas, as has already been demonstrated, and Coatlicue with Cleito, whilst Tlaloc, Tezcatlipoca and Xochiquetzal have all an Atlantean significance, so far as their myths and symbols are concerned, as has been proved in other parts of this work.

We find, too, that the method in which the Aztecs and the Maya of Central America computed the synodic revolutions of the planet Venus has a distinct Atlantean connection, as that planet was particularly identified with the god Quetzalcoatl, who was said to have come from some locality in the Atlantic Ocean, and who, like Atlas, bore the world upon his shoulders. He was also regarded as the inventor of the tonalamatl, which was thus looked upon as the sacred divinitory book or table of a culture-hero who had come from some region in the Atlantic Ocean. [End quoting.]

We will be exploring far more about Quetzalcoatl later in this series, in sequence.

ATLANTIS DESTROYED

In *Cry Of The Phoenix—Death Rattle of Freedom: The Plan 2000*, a Phoenix Journal, we read: [quoting]

Cayce points to the island-continents of Atlantis "in" the Atlantic and Lemuria "in" the Pacific as examples of advanced civilizations that were destroyed because they had become corrupt. Atlanteans, in particular, stand out as a people who had evolved great mental and intuitive abilities as well as being very technologically advanced. Cayce said that they understood spiritual laws better than you do today, and worshipped the One God, Aton. But the society was destroyed from within by "those who served the dark forces"—the forces of ego, repression, anger, hatred and division—any of this sound familiar?

The destruction of Atlantis was foretold by its prophets well in advance of the actual event,

so there was ample time to prepare for it. Thus the important documents and records of Atlantis were gathered together and put in the Hall of Records in Egypt. The Atlanteans knew that the very existence of their culture and civilization would be unknown for centuries, but they also knew that eventually—in this age—their records would be rediscovered and all things would be revealed. Just, dear ones, as these records shall some day aeons from this "time" be discovered and your legacy to history will complete its cycle—AHO!

Indeed, recent discoveries in the Atlantic

CRY OF THE PHOENIX DEATH RATTLE OF FREEDOM

"THE PLAN 2000"

BY GYEORGOS CERES HATONN
(J11) \$6.00 246 Pages

You have asked and asked for an explanation of the ancient prophecies and "where are we today"? You want to play in John's "revelations" and Nostradamus' "prophecies"—we shall deal a bit with those things in this book—in order that you see that it is the unfolding of those very prophecies which are going on about you this day. TODAY! EXACTLY AS PROJECTED. GOD, PLEASE ALLOW THAT YOU READ AND UNDERSTAND FOR THE TRAP IS SET AND THE FIRE IS LAID. AHO! THE PHOENIX WILL RISE AGAIN FROM THE ASHES. WHERE WILL YOU BE?

This *Journal* describes the unlawful activities of the Legislative, Judicial & Executive branches of the U.S. Government.

Some topics covered:

support claims of the previous existence of the continent of Atlantis. The reader, herewith, must know that a portion of the submerged Atlantean Continent has resurfaced near the Bimini Islands, the underwater divers have brought back pictures of a massive symmetrical sea wall that was obviously made by human hands and probably was one of the walls surrounding the ancient continent or parts thereof.

There are several portions of the lands of Lemuria which still stand unsubmerged today and those will remain above water level in the new configuration.

Survivors from Lumuria and Atlantis were scattered East and West depending on the fortunes of the winds and the seas. At least this is what historians wish to believe and it makes for a good fable—in fact, I should tell you the fable so you can enjoy what happens when facts are absent! Many of those survivors are said to have gone to Egypt, conquering the native peoples there, and ushering in the Golden Age of Egypt where the arts and sciences, philosophy and religion, and even beautiful architecture such as the Sphinx were greatly emphasized. The co-mingling of the Atlanteans caused a quantum leap in the evolution of the Egyptians, both materially and spiritually.

Other survivors from the two continents (which by the way, were some thousands of years separated) are said to have landed on the shores of the Americas. This theory is supported by the American Indians whose legends say that they are the descendants of the survivors of the now-lost Red Land of Pahn, which was broken up, destroyed and covered over by the waters of the great seas. It is also reported that those Atlanteans who were the most spiritual and, therefore, the most highly evolved, transformed themselves into dolphins to escape the cataclysm that engulfed Atlantis. This would help to explain why the ancient Creeks considered it murder to kill a dolphin, and also helps to explain why the Hindu scriptures state that dolphins are so spiritual and highly evolved.

[Still quoting] Edgar Cayce: The experience of Atlantis, then, is a lesson to this generation in the evolution of the Earth, and man's capacity for making a total shambles of his sojourn here. For not only has this happened to the Atlantean civilization, it has happened to many before it!

“You remember a single deluge only,” states the Egyptian priest, in Plato's *REPUBLIC*. “There have been, and will be again, many destructions of mankind arising out of many causes... You remember a single deluge, only, but there were many previous ones.” [End quoting.]

THE HORSEMAN & THE SNAKE

In *Tales Of The Dervishes*, written by Idries Shah, we read: [quoting]

There is a proverb that “the opposition” of the man of knowledge is better than the “support” of the fool.

I, Salim Abdali, bear witness that this is true in the greater ranges of existence, as it is true in the lower levels.

This is made manifest in the tradition of the Wise, who have handed down the tale of the

Horseman and the Snake.

A horseman from his point of vantage saw a poisonous snake slip down the throat of a sleeping man. The horseman realized that if the man were allowed to sleep the venom would surely kill him.

Accordingly he lashed the sleeper until he was awake. Having no time to lose, he forced this man to a place where there were a number of rotten apples lying upon the ground and made him eat them. Then he made him drink large gulps of water from a stream.

All the while the other man was trying to get away, crying: “What have I done, you enemy of humanity, that you should abuse me in this manner?”

Finally, when he was near to exhaustion, and dusk was falling, the man fell to the ground and vomited out the apples, the water, and the snake. When he saw what had come out of him, he realized what had happened, and begged the forgiveness of the horseman.

This is our condition. In reading this, do not take history for allegory, nor allegory for history. Those who are endowed with knowledge have responsibility. Those who are not, have none beyond what they can conjecture.

The man who was saved said: “If you had told me, I would have accepted your treatment with a good grace.”

The horseman answered: “If I had told you, you would not have believed. Or you would have been paralyzed by fright. Or run away. Or gone to sleep again, seeking forgetfulness. And there would not have been time.”

Spurring his horse, the mysterious rider rode away. [End quoting.]

TRANSITION THOUGHTS

Continents have come and they have gone. Entire land-masses have shifted as Mother Earth has evolved, changed, and grown. Man is often so ego-filled that he does not believe it has happened, or at the very least, that it could happen again. With the erratic weather patterns around our globe, including rapidly increasing winds, with the prediction by many of massive geophysical Earth changes looming in near the future, these great tectonic plates may once again start their shifting, their movement, their participation in an ever-changing and evolving Earth. As we turn our vision briefly backward, perhaps we may glean a few lessons from that which has gone before, lest we be destined to repeat those lessons. Change is the only constant in this old world. And let's not forget, please, that everything truly is connected to everything.

Before we enter Sumeria and examine their beliefs and historical records, this series is to be continued...

CREATION— THE SACRED UNIVERSE

BY GYEORGOS CERES HATONN
(J21) \$6.00 231 Pages

In this “JOURNAL” we are given day by day information of important events going on in the world and especially about Russia, Iraq, Israel, the Middle East and the U.S. and how these tie into the major prophecies of the end-times.

We are given information about the history of this planet and origins of the humans here.

We are also given a response to the “Middle East Prayer Alert”, put out by many well known “Christian” leaders, by JESUS SANANDA.

Many other topics are covered including:

- * Our Origins
- * **The Moment Of “No Time”**
- * **Cities of Light**
- * The Geological Processes Involved In Vulcanism
- * **Learn How Water (Babylon Achilles' Heel) Will Play A Major Role In The Starting Of Armageddon**
- * More about Noriega
- * Why doesn't Saddam give up?
- * **RUSSIA'S SUPERIOR WEAPONS DETERMINE WHAT WE CAN DO IN SPACE**
- * *The POWs We Abandoned*
- * The Origin And Purpose Of The Bird Tribes
- * **Some history of Earth and the settlers that came here 70,000 years ago.**

Common Sense About Upcoming Disasters

6/11/98 #2 HATONN

HEAVY DUTY PROJECTIONS

There are a lot of prophecies and actual information being tossed about lately—LISTEN TO THEM and heed some warnings.

When the jet-stream starts hitting the ground as it has lately—you are in for some very devastating happenings because it always moves at a fast rate of speed and there is no “funnel” to cut small and narrow roads through an area. There will probably BE funnels but the stream is so close to the surface that winds will be kicked up exponentially strong.

GOD is getting even with NO ONE as is projected by Pat Robertson, but things in Florida will get increasingly more furious, and to blame God’s attitude regarding gays is stupid at best. “MAN” PLACES HIS DRUTHERS AND BIGOTRY ONTO EVERYTHING—NOT GOD. Neither is the jet stream course or altitude the Wrath of God, so knock it off lest you really irritate said God. How do you account for so many “Christian” people being hit so hard all around the place? You had best hope God doesn’t take note of your false teachings as are being presented to you “in the name of God, Christ, Jesus”, or whoever else you wish to find invisible to pin your junk onto.

And DO NOT go about spewing that Hatonn/Aton, etc., is somehow AGAINST the Jews or anyone else. I am against crime, evil intent and evil deeds. I am against, for instance, the three nit-wit devils who dragged a man to his death. This is murder. I am NOT against a man choosing another man as a mate—except for the deliberate physical actions which take place in such a relationship. Remember that SEX is NOT LOVE. I am against the abuse in heterosexual relationships so don’t go interpreting my input. WHAT “I AM” IS “FOR” INTEGRITY, TRUTH, RESPONSIBILITY, LOVE AS IN TRUTH OF EMOTIONAL EXCHANGE, HONESTY AND GOOD MORALS.

I am weary of Man’s opinions and interpretations of what God thinks or is. GOD NEEDS NO INTERPRETATION BY HIS HUMAN CREATIONS. AND, NO SAVIOR IS GOING TO, OR HAS, COME TO SAVE YOU FROM YOURSELF. IF YOU WANT SALVATION, THEN GET BUSY IN RESPONSIBILITY FOR YOURSELF. NO “MAN” DIED TO SAVE YOU ANYTHING—NO MAN *COULD* DIE TO SAVE YOU. THE ONE YOU BLAME DID NOT EVEN DIE TO SAVE HIMSELF! THE “RAPTURE” TALE IS A LIE AND ISN’T IT TIME YOU FACED IT?

AND FURTHER, A PROPHET IS NOT WORTH HIS WEIGHT IN PEANUT HULLS IF HE ISN’T RIGHT 100% OF THE TIME—THAT IS, ALL OF THE TIME, EVERY TIME. This does not mean that intelligent and insightful people can’t see what is taking place, and hence, will take place.

Proclaimed seers and prophets, remote viewers and psychics may well be on target and offer some pretty stunning presentations—but realize that you too can see and know if you only PAY ATTENTION. Everything is connected—even that jet stream to your weather patterns, and then right on to the satellite systems that control the jet stream, strength and weather caught in the push. It is called PLANNED chaos. Even your nuclear time-clock is now reading 9 minutes prior to midnight with all the nuclear “things” taking place around your

globe—and that clock is run by your own scientists and it doesn’t just include such as India and Pakistan. You in the U.S. have not yet paid the penalty for your own tests in Nevada—in any direction from detonation point.

I am not going to go into fortune telling and it would appear the ones who do and are abounding now are doing pretty well on their own. Stress the thought-forms, readers, and you will precipitate the thing as surely as you live and breathe. I do not choose to buy into your demands for destruction and failure. We have enough to keep our hands full without pushing panic—just preparation and attention to consideration of your own possibilities.

So many disasters have come to already bankrupt your disaster service. What happens when it is finally GONE? Worse, so many farmers are being now forced off their lands and poverty has struck the growing fields right along with the storms and droughts that you are going to have major shortages—worse even than that—your grain stores have been sold and you have no reserves. The blight of “scab” has hit the mid-northern states and has almost wiped out the grain crops and that disease takes YEARS to reclaim the fields once you have the immediate spread under control—and you do not have the immediate spread under ANYTHING but more spread. And, no, it is not a happy topic. There are not many happy topics running around lately, so be grateful to KNOW and gain information that you might attend some of your expected needs. 

Notes On Politics And Money Matters

6/11/98 #2 HATONN

I want to remind all you people out there who follow along with the recent items being run as public notices, that it is exactly what it looked like—public notices. Rick is being hounded by the curious, the insane, the sane, the unjust and the just, as, I suppose, the view of something or other of great desire seems to be popping forth. No, readers, there is nothing to CHASE, please. Rick did his job and fulfilled what was asked of him—nothing more. I, Hatonn, had the interchanges with Herman that led to the transfer for security of some of his thought-to-be assets. He was being murdered inch by inch and he wanted to have the possibility of holding something for America as a nation. His whole perception was that the original certificate was to be given over to the “saving” of America. When Bush, et al., started buying arms and literally doing things to DESTROY the nation—Russell did what he could do to cover his portion to later join with V.K.’s and establish value in the Treasury Department backed by gold. Can this

yet happen? I suppose but it doesn’t seem anyone wants to make the effort of making it work and the buck stops here. It has already stopped as a matter of fact. And, further, it appears to have dead-ended at V.K.’s door.

Nobody here has any idea what that lady plans to do—and the people here plan nothing. We have some possible funding in the working for some smaller projects and to make sure the players here can clear all debts and walk away if necessary. The price of gold dropped another six dollars overnight and we will have to simply see what happens next. The Institute is still operative but dormant due to the Tuten case. Since it is the time to purchase rather than sell, you can certainly still be assisted through secured means. The Institute as it WAS cannot be used as other than a vehicle until the cases are cleared from possible assault. And people on any of our possible mailing lists, BEWARE, for Green is trying to raise a lot of money to corner, somehow, the stolen gold from the Nevada court. He apparently is desperate so you may well be hearing from him—this time with bigger lies than before—even if you don’t

think that to be possible. He has recently seeded many lies about himself and his lovely wife and also about property sales, etc. This was to circumvent attorneys and ongoing court cases. He has a lot of problems, however, because he is in contempt of court having somehow "misplaced" 110,000 books. This is a *little* asset of over a million \$\$ he has overlooked in his bookkeeping and IRS notices. When this all comes to court as is, he is in deeper yogurt than ever before, so all he can do is try to keep delaying and delaying as long as he can do so.

If he is criminally cited, and he may well be after the contempt charges settle in—he is considered a "flight risk" so his bond will be even higher than it would ordinarily be for a responsible citizen. Don't let him sell you a bill of goods, friends. Why would we concern that he would come to YOU? Because he has no "old friends" to which to go and he is doing just exactly what Gunther and Ronn Jackson did—USE YOU. I would be less than a good person if I failed to warn you. We haven't yet determined how much gold, etc., he has run through his mill since he left California but we are led to believe—quite a bit.

The UFO "community" has it that Green ripped off the Institute for over \$10 million. If so, it never made it this far and there is no way

to account for same here. Perhaps his backyard is again full of gold plantings.

Thank you and good evening.

We needed to attend the Rick-involved papers because too many "old" acquaintances started popping up like the proverbial gophers out of the holes. I repeat that there were

several people involved in Russell's business at the time in those past years and especially as it neared Russell's death. If anyone knows where, for instance, Andy Nicholow is, please give Rick the information at the paper or have Andy call for himself.

Thank you. 

Latest Reminders As Earth Changes Happen

6/13/98 #1 HATONN

CURRENT PROSPECTS

This is not to complain to any of you readers regarding your inquiries and concerns as some "prophets" are giving you dates for delivery of disasters. I simply wish to take up the topic Sunday, personally.

I'm sure that Cmdr. Soltec will have input and, further, I would like to come to the support of people who seem to be finding windows for happenings, i.e., Scallion, the Remote Viewers, et al. [*Editor's note: Further commentary on this subject matter is addressed in the writings on pages 39 and 42.*]

When a man is pinned down by direct questions to locate a day or time when significant changes might occur, you put him in a terrible position. Some "viewers", in fact, wait for "a" Scallion to make his predictions and then ride along on that information. Some of your very best seers are shackled by this type of demand. Geophysical reports are coming out constantly for your reference, if you need more specific information, but be kind to those willing to go out on a limb in case they might avoid some devastation to life-forms by cautious predictions. I personally avoid making a date for disaster because, after all, what happens depends on so many factors as to move out of concept of using a clock. By Earth symptoms, however, you can KNOW you haven't much time left before some major shifts and eruptions.

Some of the bad news is that when testing was taking place on nuclear devices in Nevada, and elsewhere, chain reactions continued to take place right up to current days. These reactions produce so much heat as to be shocking and they DO continue to release radiation in dangerously high amounts. When these gasses and fluids surface, there is damage going to happen to life-forms in the immediate area, even if not carried on such as jet streams around the globe.

You have continuing havoc from quakes and heat in India where the recent testing took place. You have the El Nino effect happening as a result of testing off Australia along with volcanism in the Pacific and in the Atlantic.

Magnetic pole shifts are under way as we write and have been for some time now. With the HAARP system activated, you can expect worse responses from the normal shifts occurring at this time. The artificial

GAIA COL

Offered through *New Gaia Products*
800-639-4242

GAIA COL is a combination of colloidal silver, trace colloidal gold: This combination of ingredients has produced a product that is so high-frequency and potent that it could quite possibly be the solution to our ongoing fight against the new antibiotic-resistant diseases that we face today. Colloidal silver was used extensively and very successfully against bacteria, viruses, fungi and the like before the advent of the first antibiotic, penicillin. The many uses of colloidal gold were documented for the restoration of health as early as 1885, and gold was noted for its ability to calm and harmonize the emotional body. Once the chemical companies began manufacturing their endless array of antibiotics, silver and gold were no longer looked to for treatment. However, the antibiotics have had increasingly less effect on the more resistant viruses, fungi and parasites. Now we face a new generation of bugs that are completely resistant to any antibiotics due to antibiotic over-prescribing and resultant survival-of-the-fittest microorganisms.

Research has demonstrated that colloidal silver is non-toxic to humans, yet it allows no known disease-causing organism to live in its presence. With the addition of trace colloidal gold, the frequency of **GAIA COL** is remarkably enhanced to facilitate the demise of these newer, more powerful viruses and bacteria. **GAIA COL** is gentle enough to use topically on just about any skin, hair, or mouth condition without fear of toxicity and is outstanding for burns.

For internal use during any type of infectious process, start with one teaspoon the first day and then 10-12 drops, 3-4 times per day under the tongue until the infection clears. Then maintain with 3-4 drops, 3-4 times per day under the tongue. **IMPORTANT:** Due to the powerful nature of this product, friendly bacteria can be affected, so it is advisable to replace the natural intestinal flora with some type of acidophilus/lactobacillus supplement daily, or at least when symptoms are noted such as cramps, bloating, diarrhea/constipation and a general feeling of malaise.

GAIA COL is said to be safe for children and pets, and can be taken with other medications without incident. This product is not addictive and does not build up a tolerance to it in the body. Available in 2oz., 16oz., and 32oz. bottles.

attempts at control are to prevent devastation in one fell-swoop. You can expect a whole series of jolts as the poles reposition themselves. Weather is in change and will not settle down for several years—and certainly not until a lot of massive damage is done. The Jet-Stream is moving very near the surface of the planet and will be hitting land more and more often with extremely high winds. These winds will often be accompanied by hurricanes and tornadoes. Weather control has been a capability since the first quarter of the century. FULL CONTROL IS IMPOSSIBLE, but storm management is a tool of fools. The Russians are more advanced in that technology than are you and have space “craft”, spheres, from which to play. It is not remarkable other than most people are just beginning to take note of happenings as they are impacted personally. And, yes, there are places to avoid, even in travels, but people are going to do whatever they are going to do and heaven help anyone giving them advice, about vacations. STAY HOME is my advice unless inner intuition is working to get you to somewhere else which might read to be more stable than your home-turf. Further, when the tectonic plates begin to shift in a major way—everywhere on the globe will get backwash, figuratively and literally.

There is nothing new of which we have not WARNED you to be already under way. To panic won't help, but preparation for adverse conditions will probably get you through most of the chaos. You of God will be exactly where you are supposed to be, so I have no right to tell you to be otherwise, and neither does Mr. Scallion, or Art Bell, or Andy Rooney. I do suggest you get some maps as projected by some of these seers and pay attention, for a lot of land mass will be water mass as things settle down. And, for goodness sakes, if your house blows down and you rebuild it—build an aerodynamic structure because you are not going to be able to depend on the prevailing wind directions to hold as

directional shifts happen. If you are already in an area of high winds, i.e., windmills for electrical production, you had best get ready for much higher velocity sustained blows. If you are sheltered against hills in those areas, you probably will not sustain much damage for quite a while and perhaps never.

I would warn you, however, that the Federation ordered the holding of the planet from full tilting until about eight years ago, at which time we pulled back the assisted stabilizing at the equator. We have not replaced any of that stabilization so, like a spinning top without a gyroscope, you will spin and tilt and that will bring massive change to topography as you now see it. Gradual changes allow for gradual responses, but you will note that most people will burn out, wash out or storm out—and will rebuild right where they were—in the direct line of more disasters. The happenings will be greater, repeated, and then, abrupt. Worse, most of the really nasty games will be political but intended for you-the-people NOT TO KNOW.

Now to the punch line: YOU DON'T HAVE TO GO THROUGH THIS, YOU KNOW; YOU CAN CHANGE IT IF YOU CHOOSE TO DO SO. BUT I URGE EVERYONE TO PREPARE FOR SOME HARD TIMES JUST IN CASE. AND, YOU ARE IN IT NOW, SO NOW IS THE TIME TO STOP TOYING WITH POSSIBILITIES AND GET ON WITH GETTING ON.

I marvel at the foolishness of the labor unions in, say, Flint, Michigan. They are in full strike to stop so much work from going to Mexico where there is cheap labor. So, now, the answer of industry will be to move the parts supplier plants ALSO. These are but the signs of national shut-down.

If there are no jobs, there are fewer taxpayers, no funds for welfare and yea, yea, yea, the country must borrow more and more to get less and less, and finally, it is toppled.

Can we get anything working BEFORE the topple comes? I don't know—that depends on YOU, AND YOU — AND YOU. We here already have some things “working” so the question is how much can we accomplish? Every day we take a step forward and are literally pushed BACK two. Perhaps now we can step forward two steps and only get pushed back one—and that is gaining by great strides. My hope is that some people around the globe are seeing the

direction of life without major changes and where they are destined to fall.

Even today comes a note with a news clipping which says [quoting]:

REPORTS: GADHAFI [H: Qaddafi, in the almanac and dozens of other spellings otherwise] HURT IN ASSASSINATION ATTEMPT.

CAIRO, Egypt—Libyan leader Moammar Gadhafi escaped an assassination attempt last week that left him slightly injured but killed one of his female bodyguards, Libyans arriving in Egypt said Thursday. The June 1 attack took place on a coastal road in eastern Libya when Gadhafi was enroute to Egypt for an official visit, the travelers said. The account could not be independently confirmed, and diplomats in the Libyan capital, Tripoli, said they had not heard of the incident. One European diplomat could only confirm that Gadhafi was in eastern Libya last week.

[End quoting]

With all the upset in Pakistan and India, Iraq and now, again, Libya, how long do you think those OPEC nations are going to lay dormant?

And further, how about the breaking news last night that for YEARS and years now, the British “Whites” were working on terrible weapons to kill off people in South Africa. They had lethal toys like shooting screw-drivers and all sorts of toys that could inject poisons, scatter Anthrax, HIV and other biological killers, and now it comes to light. It is not denied; it is simply stated that the research has stopped—in at least one lab. There is no argument that the intent was to exterminate the Black population.

By the way, why should China work with the U.S.? You are a dying and soon-to-be-dead country! You are in foreclosure, U.S.A., and the garage sales are under way while you remain blind as salamanders and twice as unwitting. Clinton HAS TO GO TO CHINA; he doesn't have a choice in the matter. The game is too far along for him to stop now. Time is running out, friends, and you aren't making many friends around the global track. ☸

Eleventh-Hour Food For Thought

[Continued from Front Page]

critical information piled around this room.

One is just an article from a Florida paper but it deals with farmers in North Dakota who are thousands of miles north of the paper in point. But the problem expressed is from EVERY STATE IN THE U.S.A. AND WORLD—readers. And, I ask again: WHAT ARE YOU GOING TO DO? It doesn't take rocket scientists or psychic fortune tellers to point out that you as world citizens are in personal jeopardy.

Even the supermarkets are doing a trick on you in pricing, claims of organic this or that (everything grown is organic) and even in your hamburger meat. A major study was just done by one of the Network News programs, across the United States, in the major cities. It was found that 100% beef in ground beef was mixed with trimmings from lamb (sheep), pork and poultry. I suppose the beef used was 100% beef but who knows—a lot of cereal shows up in ground products as well as meat. It is a way to use up scraps otherwise discarded, came one answer. "Dirty grinders" came another. Boy doesn't THAT make you feel safe and secure? "Well it gets mixed up because we grind the hamburger meat after the meat can no longer be top-quality from packages of 'slab' meat, so it can get mixed up sometimes." In other words, after steaks get a bit "off-color" the meat is ground! That ought to make you feel even better about your

possibilities of getting tainted product. All the above are legal except the advertising of 100% ground beef, or kumquats or buffalo. They get further around that law by labeling "ground meat" or "ground poultry" or ground kumquat JAM with sweeteners and added flavoring.

Now, how many of you do what I suggested and take to your cafes a bottle of mixed colloids (silver and OxySol at least) and take some AS you eat? Even with stomach acids, you have a chance of killing bacteria in the food you are eating. You don't have to make a big deal of it—just add it to your water glass and sip through your meal. I weary of you getting sick, nagging me about your illness, and then finding that you aren't even doing the simple things to protect selves. Oh well, it is your tummy, tum-tum.

The above things, however, are assuming that you HAVE food.

[QUOTING, ASSOCIATED PRESS, 6/10/98:]

NORTH DAKOTANS FINDING FARMING A HARD ROW TO HOE

ROCK LAKE, N.D.—After almost a quarter-century of farming, David Leas plans to trade in his tractor for a computer and leave the land that has been in his family since the 1920s.

"I'm getting my Plan B going," he said.

"Like the dinosaurs, if you don't change, you'll be extinct."

He is among hundreds of North Dakotans fleeing their farms for jobs in more prosperous and less weather-dependent industries. Others are struggling to wait out prices and yields that, in some areas, have reached crisis stage.

"You feel like you're kind of in front of a slot machine, putting in your last few quarters," Leas said, while driving through wheat and canola fields he may never plant again.

The state's Farm Service Agency estimates North Dakota has lost 1,400 farms since January 1996 and, depending on this year's crop, could lose up to 1,400 more next year.

Taxpayers spent \$1.2 billion on disaster assistance and crop insurance in North Dakota from 1985 to 1993, according to a study by the Environmental Working Group, a Washington-based organization that often studies farm issues. That was more than any other state except Texas.

Much of North Dakota has absorbed above-average moisture since 1993 and 1997. At the same time, parts of the state battled drought.

Excessive rain has prevented farmers from planting some fields, drowned out others after they were seeded **and created prime breeding conditions for insects and disease.** The most **devastating disease for the wheat crop has been scab, which economists say has caused more than \$2.5 BILLION in economic losses in the state since 1993.**

THE COMMERCE DEPARTMENT ESTIMATES NORTH DAKOTA'S NET FARM INCOME IN 1997 AT \$15 MILLION, COMPARED WITH \$764 MILLION IN 1996. Based on government estimates of **30,000 farms in the state, each farm generated an average net income of \$500 in 1997, compared with \$25,500 the year before.**

Although farm income often fluctuates greatly from year to year, economists say the 1997 figures are the lowest since the early 1980s, when crop prices tumbled and production costs and interest rates soared. [H: Go read the *Protocols*.]

"Last year, I lost \$70,000," Leas said. A good chunk of his land near Rock Lake, in northeastern North Dakota, has been flooded off and on since 1993.

To make up for the loss, he sold 320 of his 1,100 acres for \$90,000. "You can't do that forever," he said.

A recent survey of 4,500 North Dakota farmers found that 40 percent will not be able to make payments on their annual farm operating loans this fall, and an additional 30 percent will have trouble next year.

"We can all take a certain amount of adversity. But we also all have a point at which we just say, 'Enough is enough,'" said North Dakota Agriculture Commissioner Roger Johnson, who owns cropland and pastures 50 miles north of Bismarck.

[END OF QUOTING]

"Well, we'll just have to eat spelt off the Institute's farm!" you say? There is not any spelt being grown on the farm—just weeds which cost about \$3,000 just to disc under to hold the land. Mustard and Starthistle have taken much of the land around these parts of

Red Lentils & Adzuki Beans

Two of the tastiest, most "storable" foods are now available in bulk, 50 lbs. per bag. Prepare and cook them just like pinto beans. Wonderful soup extender and both make super salad/sandwich sprouts.

Adzuki Beans	50-lb. bag	*\$50.
Red Lentils	50-lb. bag	*\$30.

* Plus UPS delivery charge

California and are now destroying the deserts. Then this year, water ran through the best field at the farm like a wide river bed. Then came the ability to lease the land to organic growers—but they have to have more water supplies than available without major expense—and on it goes. Perhaps they will plant a few carrots and a few beans, but it is mid-June and the season for growing is not big around here. We had sabotage to the irrigation system, introduction of Smut in the grain-fields (deliberately), and sabotage to the tractor and equipment. Mr. Ence even took and sold one of Mr. Turner's personal drag-discs. People, you are going to sabotage yourselves right into famine and disease. And, you don't JUST get rid of Smut and Scab—these are both devastating diseases in grain crops. Spelta is resistant but it must be planted in the Fall for it is a long-maturing-time plant but is resistant to invaders—unlike hybrid wheat. The largest field would have washed out—but the other fields would not have needed irrigation. However, thanks to our nasty fiends wanting to get some gold already thieved, there was nothing with which to work the land, the tractor motor having been burned-out. You know, sort of like the “accidental” wide separation of the gas line from the water heater by a sweet little foot stamping it and the gas blowing up. And THESE are YOUR FRIENDS—MAY GOD SAVE YOU FROM YOUR ENEMIES.

Well, readers, if you want advice: Get in a supply of Spelt, if you can find it, with a grinder because you don't want to lose food value in the form of flour unless you have refrigerator/freezer space, a supply of Adzuki beans (they are the most valuable food substance of the bean family), and some powdered Melloram. This is NOT milk but has all the wonderful qualities of milk without most of the allergic qualities of milk itself. Shelf-life is long and the taste, especially chilled or in drinks and cereal is excellent. It is especially good for babies who have trouble with regular milk. Also, don't forget to get some salt supplies, sugar, flavorings and things like dried onion chips (for flavoring) and, where possible, get some dried veggies. I also suggest some soup-base items, yeast (keeps best in frozen state) and other things to make bread palatable. Brown or “whole” rice is also excellent—but STORE PROPERLY. Also keep water available which has been treated or get bottled water (treat it a bit, as well, as you use it). When the taps shut off you have problems and MANY things can stop water flow—from earthquake, etc., to an interruption in power.

We do not want to give up the farm for another major reason other than chickens and eggs and growing fields; it has water wells independent of the general supply. It is, by the way, time to add some chickens to the farm so that they will be laying by the time you need more eggs. Buy the female chicks, however, to stop the interbreeding as long as is possible. I don't want to supply chickens for slaughter—I want YOU to learn alternatives to killing. Dried tofu is good and has a long refrigerator life. Cheeses are good and can be frozen. Honey and syrups are also basic things you will want in your pantry.

I am not going to push you, readers, as we have done plenty of that in the past and we get

back: “Well, we're not in trouble yet and we lost some of our food supplies.” Can't you ROTATE your food supplies? What is wrong with you that you can't BOTHER with your own well-being?

I also suggest you get extra supplements, shrink wrap them and freeze them for quality control. You are going to find, when the chips are down and the nation is in real trouble—you will be on your own! Shipments of food are already being stolen right off the mail trucks. If you like coffee and/or tea—get some in large batches and freeze it. Coffee unopened will last a very long time and give you something special to have along the way—especially if you store some extra Melloram and powdered imitation cream.

If you have family, as in children moved away, you may as well prepare for their arrival when it really gets bad—and they will NOT be prepared. A freezer with a few roasts (well tended in food-saver type packages) and a few turkeys and chickens will be wise. If you can, have a generator and fuel enough to keep that freezer freezing for a while. If you have a lot of poultry seasoning, etc., you will do nicely through the upstart of hardship. You can also break and de-shell eggs and freeze them nicely along with some ham and bacon or like products.

Am I scaring you? Friends, if you aren't scared—you don't understand your position or circumstances.

I would like to share another article with you, this one from *Free American* newsmagazine, Oct. 1997.

[QUOTING:]

THE SECOND SECRET WAR FOR AMERICAN INDEPENDENCE

by Clayton R. Douglas

There is a secret war being fought once more for American independence. Behind the scoffing of the media at “conspiracy theories” is a very real campaign to move America into a global alliance that will benefit the giant corporations, the international banks and the few elite families that control an inordinate amount of the world's wealth.

Look to the former country of Yugoslavia for a clue to America's future. Serbs against the military **occupation** of Bosnia by the UN and its NATO army, are being referred to as “Ultra-nationalists”. As more and more of American sovereignty is given up to the massive onslaught of “international agreements” within the halls of Congress, Americans who treasure their *Constitution*, independence and rights, are

under attack, first referred to by the government and liberal press as, “kooks, nuts, and conspiracists” are now being called “dissidents, rebels and nationalists”.

As more Americans become aware of the cost of participation in a “Socialist World Government”, as more Americans are victimized and harassed by federalized police bent on lining their own pockets with “booty” and “plunder” awarded them under confiscatory laws, as “Constitutionalists and Patriots are transformed by the media into something “bad” and viewed as “the enemy” by the government, we must accept the fact that, if we lose the battle for the minds and hearts of our fellow citizens today—tomorrow, we will either be a “good Citizen of the world”, a resident in “a global village” with no property rights and even heavier taxation, or we will be criminals and rebels, demonized and charged as war criminals like the Serbian leaders, or our independent states attacked like Chechnya.

Minor skirmishes are being fought every day in a battlefield of public opinion. Occasionally, these encounters have turned deadly and erupt into gunfire, primarily by government forces operating outside and beyond their legal authority. In many of these cases, it has taken years for justice to be brought to bear upon those so-called “law enforcement” officials who have crossed the fine line of legality. In cases like the attack on Randy Weaver's family at Ruby Ridge, the Federal government has refused to prosecute their own. Only after years of public pressure, did the state of Idaho exercise its prerogative to prosecute Len Horiuchi for the killing of Vicki Weaver. **[H: Note however, that since this writing—Mr. Horiuchi was found NOT GUILTY by reason of “acting under orders”. THAT should scare you worse than the act itself in the first place.]**

We are seeing an unprecedented attack on our *Bill of Rights* in Congress and a corresponding enforcement of unconstitutional “statutes” that have no basis in law, by Federal agencies operating outside their jurisdiction.

Fueled by propaganda created by the Anti-Defamation League and Morris Dees' Southern Poverty Law Center, law enforcement agencies have fallen victim to the inflammatory rhetoric and targeted those who are merely trying to understand why our government officials keep referring to our Constitutional Republic as a democracy.

Jack McLamb, one of the most decorated police officers ever to retire from the Phoenix police department, formed an organization called Police Against the New World Order. This organization published a book called *Vampire Killer 2000*, designed to inform lawmen and

* * * **Melloram** * * *

Available From *New Gaia Products*

See Next-To-Last Page For Ordering Information

soldiers how our Constitutional system was being undermined, complete with an overview of suppressed history. They also produce a monthly magazine called *Aid and Abet* written for lawmen, by lawmen. This organization is comprised of Jack, officer Rick Dalton and a petite lady named Carol, who (wo)mans Jack's booth at shows while he speaks. **NCIC lists this organization as a "terrorist group".**

In olden days, groups of people who banded together to protect their country were hailed as heroes. (Remember the Alamo?) Today, Americans who never dreamed of committing a crime are being targeted by the federal government for attending meetings, lectures or preparedness shows as dangerous terrorists. The war is not limited to patriots like McLamb. Ordinary people, businessmen, are considered fair game for the New World Order disciples working for the federal government. They consider themselves commandos, blindly following rules that make no sense, because in this war, the American people are the enemy!

[H: I am going to remind you readers of WHAT WE ARE and what we are about in the instance of CONTACT. It is undersubscribed because readers are frightened to get on any list—but it is a well-read paper and that is what is intended. When we can afford to do so, we hope to furnish it free to anyone. We need circulation to reach people in times of other media shut-down. Groups are watched, assaulted, raided and branded cults or terrorists. WE ARE NONE OF THESE THINGS—NOT EVEN A GROUP. If YOU have to be a part of a group in your insecurity—take it up with GOD, or the New World Order. You CAN be a member of the New World Order and you will be patted upon the po-po and welcomed in—but you will NOT get a "security" card, my foolish people.

The assaults against *Spotlight* and *Liberty Lobby* are going to continue until they are closed—just wait and see. That, or there will be no longer honest articles printed in the papers and books offered by them. That is the way it is, and if you continue to claim you are a part of some group HERE, you err

greatly. **You are, however, quite secure in being on the subscriber's list. We actually HELP the very strong-armed people at the top who think themselves beyond damage. We tell you how powerful they are and how futile to fight them with guns and play-toys. They LIKE that honor and self-controlled patriots. A "Patriot" is NOT one who furthers the cause of anarchy or plays in silly gorilla and hooligan games. In fact, the Big Bad Wolf will even help you in some of your projects if you mind your manners. If it makes "him" look good, the wolf will even help you fund stuff such as community gardens, etc. But, how many of your neighbors in the high-rent district are going to come farm a garden with the so-called "poor" people? They will wait and confiscate yours and call it "national interests". So be it.]**

CONTROL THE FOOD, CONTROL THE PEOPLE

Control of the food is currently in the hands of the multi-national corporations. Today's farmers, controlled by federal loans, are allowed to grow only certain crops, and sell them at certain prices, usually just enough to keep them in business but not enough to reach a comfortable level. The independent farmer was almost wiped out by Roosevelt and the contrived depression.

Our food supplies are in jeopardy, not from mad cow disease or karnal bunt but by new federal agencies.

Sixteen people in Colorado get the runs, and the Federal Government shuts down a meat processing plant, idles hundreds of workers, and recalls 20 million tons of meat! Seems like a little overkill, but a million Americans accepted a Burger King without burgers and ordered chicken.

A spin favorable to the government made it look like the government was really doing us a favor, protecting us from those nasty old meat packers.

Bet you won't see Frank Paddi's story on TV.

Frank Paddi owns Joe Paddi Seafood in Pensacola. He was raided by armed federal

agents in mid-July this year (1997). Not the IRS, or the FBI but by the National Fisheries Agency. There was no warrant yet they took his check stubs and financial records. They also raided his neighbor and competitor, Al Williams, of Williams Seafood, even pulling their arms and confiscating a perfectly legal rifle from the man's building. They spent over six hours rifling the two businesses. The Vietnamese working for Frank were frightened, shouting, "VC, VC", thinking they were back in a war-torn Vietnam.

The crime? Buying Mexican Snapper, over two years earlier, from a man by the name of Fred Mathis.

Shame on you Mr. Paddi and Mr. Williams. You actually believed that Fred Mathis was an honest businessman like yourself? Wrong. He was an undercover agent working for the NFA. It wasn't Mexican Snapper at all but Louisiana Snapper. (Evidently, under NAFTA, you can buy snapper caught in the Gulf of Mexico by Mexicans, but not by fishermen in Louisiana.)

The senior agent considered himself to be not only the investigator, but the judge, jury and, ultimately, enforcer. "The fine is \$10,000, Mr. Paddi, just write us a check now and we'll be on our way."

They underestimated who they were dealing with. Frank Paddi, 63, told them, "If the fine was one red cent, I wouldn't pay it."

For Frank Paddi, owner of Paddi Boatyards, builder of the finest ships in the world, was suddenly, and whole heartedly, an American warrior against the New World Order.

THE PRESIDENT'S MIND SET

Conspiracy 101 will teach you about the Council on Foreign Relations. Made up of the heads of major international corporations, Generals, Admirals, Congressmen and Senators, ABC, NBC, CBS, CNN, *Time*, *Newsweek* and the *Washington Post*. You must be invited to join, have demonstrated your belief in one world government, and be able to keep the secrets of the organization. **It has been around since the Federal Reserve took over our money supply and its members have made up the majority of every presidential cabinet since World War I.**

It is the members of the CFR who have provided the money, platform and air time to create their presidential candidates and assure they get them elected. If the election swings the wrong way, no problem, they provided the money for the opposing party also!

The majority of the people refuse to believe that our President, Congress and the heads of our greatest corporations could possibly be anti-American. The truth is, many believe they are doing what is best for America by doing what is best for the world. They have swallowed the Globalist Agenda, BioDiversity, One World, Gaia, hook, line and sinker.

President Clinton was recently asked on camera what he thought about Harrison Ford in the movie, *Air Force One*. Mr. Clinton's answer should have sent chills up and down the backs of every American but few even noticed.

His answer went along these lines; "Well, there are a few things that were fictionalized. We don't have an escape pod, we don't have that kind of an arsenal on board and we don't

have to deal with that kind of rampant **nationalism**,” referring to the fictional Russian rebels that were fighting for independence of their former Soviet state. Does he feel the same about Americans who support their *Constitution*? You bet, “The *Constitution* gave Americans a ‘Radical’ amount of freedom,” Clinton told an MTV audience. **[H: Of course, please realize this article came before Mr. Clinton’s zipper problems this winter, running right up through all the news of today. The world is blowing up nuclear bombs, dying in disasters, and the news is full of Clinton’s zipper problems and what about Monica. Note that Mr. Clinton is going right on straight to China and because why? “It would endanger the free world to not do business with China.” (!!!) Blackmail? Of course, but what else is new today, readers?]**

The facts are, his approval of the implementation of the Bio-Diversity Treaty, NAFTA, GATT, the international Biospheres and Heritage Sites, his American Rivers Heritage Act and his Terrorist Initiative, proves Clinton is actively promoting One World Government. Nor is he through. More legislation on the pike: Religious Persecution Act creates a new, cabinet level position to “monitor” religious persecution; S-830 will bring us into line with the European Union to make vitamins and minerals available ONLY by prescription; and the “Multi-Lateral Agreement on Investments” takes control over multi-national companies out of American hands. It is, virtually, the constitution of the New World Order where the corporations and banks rule.

Since Clinton got into office, actions against so-called tax protesters, patriots and militias have escalated. Are those who support the *Constitution* and the Republican form of government it guarantees us, qualifying us as “Rampant Nationalists” worthy of the government’s wrath?

The media has cooperated in an effort to demonize this small group of Americans, trying to portray Randy Weaver as a dangerous Separatist to justify the murder of his wife and son, passing on government lies in regard to the massacre of innocent men, women and children in Waco; changing news stories in mid-stream concerning the Oklahoma bombing to try to tie the crime to the growing militia movement.

Why would the government created by the *Constitution* turn on those who support it the most unless that government is not what it seems?

[H: Let’s clear up one or two things in the Oklahoma City bombing. The nerds from the so-called patriot group set a rather simple, and not very large, bomb in a truck. The ATF and FBI set the other destructive bombs to the support columns which would bring down the building. How do we know? There was no debris on the roof from such a large explosion as would take the whole of the building down into rubble. IT WAS AN INSIDE JOB.

But, don’t you understand how this works, people? You are watched, and more especially are groups like these citizen guys, and when they do a no-no of any kind—they are NAILED. The government gets away with mass-murder, gets rid of a bunch of

government crime documents, gets its people into safety before the bombs go off—and wham, bam, thank you ma’am. There were also helicopters over the building to shear off the edges of the building that wouldn’t “blow”. And, people, you just get sad-eyed and blame all the wrong people ALL THE TIME. Witnesses were present, but even then you have disinformation people who interrogate these witnesses and you spoil the rest of the integrity possible for observation and testifying at trial.

When so-called “patriots” exaggerate and blow up facts that are lies, like the “massive building program by the Chinese at Adalanto, Calif.”, you ruin your own cause. Now is that overzealousness or foolishness, or, INTENDED to mislead? Think about it, readers, for IT IS YOUR LIFE!]

GLOBAL MILITARY

A picture of a Russian helicopter was featured on our October 1996 cover. It was taken in Carrizozo, NEW MEXICO, 30 miles from the GERMAN AIR FORCE BASE in Alamogordo (NEW MEXICO). It is no figment of your imagination. It was flying over the home of Jerry Carroll, a local, vocal supporter of the *Constitution* just days after he had spoken up *against* the expansion of the German air base at a “scoping” meeting designed to soothe the public outrage at a foreign base in America... an obvious violation of the *Monroe Doctrine* and an obvious attempt to intimidate. It was not the only one. Jerry has quite a collection of photographs of black helicopters hovering over his home. **[H: Well, we have those nice black and camouflage choppers watching and hovering all the time—we rather like them around because we know they are there for our protection. These guys, in the KNOW, really DO want to keep all of our people alive and, indeed, well. It is the idiots like Jason Brent who cause the blundering problems and might well get visited by military people and told to cease and desist.**

By the way, readers, this is the SAME Monroe Doctrine that VALIDATES THE BONUS CERTIFICATE NUMBER 3392-181.]

This is only one of numerous reports of foreign military equipment in America, all documented with photographs. A few years ago, the militia and the patriot organizations were called kooks and nuts for suggesting that UN troops were moving into place in America. Yet today you can go to the Army’s own website and see pictures of troops from former Soviet “Republics” training to detain Americans at roadblocks and checkpoints. “Operation Peacekeeper” took place in Fort Polk, Louisiana. Our August issue had a photo of Russian troops “inspecting” an American military base.

A “training film” for NATO showed German troops “simulating” torture and rape was aired in Germany and even hit the pages of a few American newspapers.

An American soldier, Michael New, was given a dishonorable discharge for refusing to wear a UN uniform.

A questionnaire given to troops at Twenty-Nine Palms asked if they would fire on American in gun-confiscation sweeps. Would they follow orders to shoot given by UN

commanders.

The Special Forces have created an organization and publication called “The Resister” to counteract the Marxist forces at work in our country.

Bringing in women and homosexuals into our military has reduced the physical and fighting abilities of our armed services. Our military manuals are beginning to reflect the “kinder, gentler approach to training, reduced stress, lower physical standards, slack discipline and psychiatric counseling in case they get “too blue”. Like Goals 2000, our army is more worried about “feeling good about themselves” than their “fighting ability”.

Gone are the American flags that we once proudly wore on our uniforms. Gone are the insignia uniquely American. The average American will not be able to distinguish the origin of the soldier detaining him. We are watching the creation of a global military whose loyalty is not too American.

PDD 25 allows him [the president] to put our soldiers under the command of the UN.

PDD 39 turns Americans who support their *Constitution* into terrorists!

Our soldiers are currently in one hundred countries at last count, from hot spots like Bosnia and Lebanon to Peru and Brazil. Presumably, they are in the latter countries to protect the trees from loggers.

In this country, in violation of the Posse Comitatus ACT, Clinton is using our troops to patrol the borders that the La Paz Agreement (EPA’s Border Area 21) is trying to eliminate. This resulted in the shooting of a young American goat herder tending his flock while armed with an ancient 22 rifle.

Since when, is “shoot first, ask questions later”, the norm, when government agents are concerned?

A LITTLE HISTORY

In the early fifties, the FBI and Army Intelligence knew that our state department and other government departments had been infiltrated by our former, Communist, allies. Army Intelligence was aware, according to Col. Philip Corso, that the CIA and KGB had infiltrated each other to the extent that they, for all intents and purposes, were virtually one organization.

Col. Corso, in his book, *The Day After Roswell* states, almost offhandedly, that these intelligence organizations were considered by the Pentagon to be a part of some shady, one world government plot.

Whether you believe the rest of Col. Corso’s revelations about the real purpose of the Cold War and Star Wars Defense Initiative as a defense against a very real alien invasion (I find his story much more believable than the Air Force’s current time-traveling crash dummies story!) you better believe there is a very real war for independence being fought on every level in America today.

The Communists were created as an insurgency group well over 150 years ago. Their rhetoric was designed to appeal to the ignorant peasants to unite them under a banner of revolution against the rulers of the day. In Russia, the leaders of the movement railed against the wealth of the Czar, and blasted the taxation of the poor. Emotions incited, the

rabble failed to realize that the Czar was extremely benevolent and taxation of the common man was almost non-existent.

The Czar and his family were murdered by the Communists, thereby removing all rightful heirs to the throne of Russia. **[H: This is not so but effectively it is as well as done. The survivors have had to live in total seclusion with no hope of reclaiming their own identity or the throne.]** The plight of the people worsened under Communist rule. Arms were removed from the people. The programs instituted by their new rulers to guarantee equality gave the poorest access to certain services but at a tremendous cost. The middle class virtually disappeared. Millions of Christians and the more educated classes of people were killed or imprisoned. This pattern has been repeated in China and many other countries that fell prey to the machinations and propaganda campaigns of the Communists. **[H: Even then the Jewish citizens suffered the most at the hands of what they assumed to be "their own". YOU ARE ALL PEOPLE OF THE GREAT LIE.]**

In America, those organizations and individuals who have tried to stop this insidious invasion have been eliminated, either by assassination or demonization. Remember McCarthy, The John Birch Society, John and Bobby Kennedy, George Wallace, and Congressman Larry MacDonald. Today, it is the spokesmen and women in the patriot movement that are under attack.

WHOSE SIDE ARE YOU ON?

We are in a SECRET WAR. Following the "fall" of the Soviet Union, Americans were convinced that we no longer had enemies. Joint Russian/American space programs have cemented our "friendship". In truth, the Russian people **were never our enemies**. It was the Soviet and American governments who escalated the Cold War to keep the people frightened and confused. All the while, cooperating behind the scenes.

Today, the Chinese are being built up to become our next threat. The threat of alien invasion may be the last step in uniting all government under one banner. The real question here is what kind of government will it be?

Will the American *Constitution* be the guiding light of the world? Or will the *UN Charter* with its cultural heroes Karl Marx and Adam Smith be the path that we are forced to follow?

[H: Let me interject here that if you get a TRUE "alien" invasion—it will not be cosmos aliens. And, if that would be so—you would be far better off because cosmic citizens are GOOD CITIZENS. So, you are again victims of a massive LIE to terrify and subdue you. There will be "alien" pretense at invasion—to panic you, but it will be human-land-locked people doing the grand scheme and game. Now pay attention: IF YOU SHOULD BE INVADDED BY "SPACE" ALIENS—YOU ARE DEAD IN THE WATER IF THEY CHOOSE TO RENDER YOU HELPLESS. THERE IS NO WEAPON ON YOUR PLACE THAT CAN OUT-DO DISTANT ALIEN TECHNOLOGY.]

The UN's "Agenda 21" calls for the elimination of all "Sovereignty", replacing it with a bureaucratic boondoggle under the banner of "Sustainable Development".

The UN's Human Development 94 called for unlimited immigration into America and the G7 nations. This plan to turn us into even more of a melting pot threatens to undermine our heritage and resolve.

This time it is not a battle between countries, it is a battle for control of the mind. In this battle, it is difficult to determine just who the enemy really is.

England was our ally in World War I and II, but it was England and its monarchy we rebelled against in 1776. It was England that controlled the drug trafficking in opium that subjugated China in the 1800s. It was England that established the money laundering scheme that led to the birth of Hong Kong as the banking center of Asia.

It was American industrialists, J. P. Morgan and John D. Rockefeller, whose interests built the railroads and opened the West to settlement,

but it was the same men who killed and contained the American Indians and stole their land for the railroad.

It was the American banking giants who financed the Bolshevik Revolution and created Global Communism. The same interests created the Federal Reserve and saw to the passage of the Act in 1917 that ultimately led to the confiscation of the gold of the American people in 1933. That gold was used to help Hitler build an army. When war broke out, Rockefeller and Rothschild-controlled companies supplied both the Allies and the Axis powers.

Today, the men who woo you with their portrayal of the good life in their Visa and Mastercard commercials are the same men who are backing the MFN status to send our industry over to plants in China. Thanks to NAFTA and GATT, those plants are now shipping 50 billion dollars more in goods to us than they are buying. They call it a trade deficit on your evening news.

Your Congressmen are all in on it. The

gradual merging of the US with Russia and China has been part of US policy, officially, for over thirty years. **SEE PUBLIC LAW 87-297 FOR CONFIRMATION.**

Nor can you turn to your religious leaders for advice. **THE PROTESTANT COUNCIL, IN 1942, CALLED FOR ONE WORLD BANKING, ONE WORLD GOVERNMENT AND A "LEAGUE OF NATIONS WITH TEETH".** [TFA December 96—"Is Your Church a Part of the New World Order?"]

**IF YOU ARE IN DEBT,
YOU SUPPORT
THE NEW WORLD ORDER**

The trick used by the NWO is debt. Create a debt and you are slave to the lender. The national debt (over \$6 trillion) is a debt you are passing on to your children. They will grow up to be slaves. It was created in your lifetime because the senators and congressmen you and your parents elected were financed by globalists/monopolists. To repay these campaign contributions (of which the Chinese are only the latest to engage in manipulating our political system) these elected officials were given a blank check to institute any and all socialist/globalist programs they could. Many of these programs are now conceived within the halls of the UN. Remember, it was Rockefeller who donated the land to build it.

For what reason do we give money, in the form of foreign aid, to countries like Russia, North Korea and Israel? Why would we make a loan to China to build competing industries or Mexico to bail out the bankers? Why must taxpayers bail out failed Savings and Loan companies who have gone broke giving loans to their friends? The "loans" we have given Israel and Russia would have paid for all of the health care needed by the American people.

If this was truly OUR country, run for the people, by the people, we would not be paying taxes to support corporations bigger than most countries. We would not be building factories in Mexico to allow American companies to make use of peasant labor at ridiculously low wages to build a Taurus that now costs Americans more than it did when we were building the automobiles here.

If we are no longer subjects to the king, why must we ask his permission before we can eat, work or sleep? If we were really interested in balancing the budget, could we not eliminate the thousands of regulatory agencies we must now contend with?

If we ran this country to the benefit of the common man, we would be getting bonus checks from our share of the profits generated by our industry; our industry would be owned and operated by Americans and there would not be a single Republican or Democrat within the halls of Congress.

What part you play, oppressor or victim, patriot or politician, militiaman or UN soldier, UN advocate or American strategist, is up to you. But from here on in, you can never go back to that blissful state of ignorance. Will you fight to preserve a Constitutional Republic and a *Bill of Rights* for your children, or will you join the forces of the New World Order, working to disarm the American people and consign America to a single voice in some global council?

[END OF QUOTING]

Fight? I suggest you look up the definition of that word. I find only one word which I would even use to infer confrontation in the listings: "struggle". I would note that "fighting" rarely does more than insure loss. You don't WANT to "fight" and you don't want to further destroy. Why can't you see to BUILD and BECOME? Can't be done? Dear ones, it is the ONLY way to prevail—THE ONLY WAY!

And no, we most certainly are NOT going to have some leadership conference here in this place or with these people. We have too much to do to go off half-cocked and uninformed. **LOOK WHAT GETS YOU INTO TROUBLE AND STOP DOING IT! WE WANT NO FOCUS ON ANYONE HERE WHILE, YES INDEED, WE WANT A LOT OF FOCUS ON THE PAPER AND JOURNALS—BUT EVEN THEN, WE ARE NOT BUILDING A GROUPIE OR SOME TYPE OF PATRIOT GANG.** If others wish to handle patriotism in that manner as with guns and clubs—go for it—but DO NOT EVEN MENTION OUR NAMES IN CONJUNCTION WITH SUCH. YOU ARE WELCOME TO ANY AND ALL INFORMATION THAT YOU CAN USE—FROM US, BUT OUR MISSION IS NOT TO GO TO WAR WITH ANYONE OR ANYTHING.

Our thrust is to prepare for some difficult times, and hopefully avoid the direct assaults of some teams who think they need to subdue anyone. We will not have a group, and if you do, please make it clear that it is YOU and not we who have organized same. But I can tell you now, YOU DO NOT WANT THAT KIND OF ATTENTION EITHER. Let me example something for you which is painful even in the telling: Dr. Carlson is having such a go of it in the set-up against him because the "group" of interested parties in Hawaii used "Phoenix" in their label. The group was listed as "domestic terrorists" and published as such along with hundreds of other groups scattered around. We did not get on that list because we have NOTHING here to list as an organization or a cult or anything else remotely subversive. We demand non-violent approaches to all things and we don't even advocate target-shooting guns because it is usually your own gun that gets you killed. We don't harass and we don't cause trouble so that when we are under attack—there is nothing to find but a clean bill of goods and at best a few honorable friends in various business activities. We don't have dues and we don't take up a collection unless there is a guest speaker visiting, and then it is usually only in the form of purchasing tapes or books of interest to individuals.

Unfortunately people often continue to think whatever they WANT TO THINK and show up here thinking it to be some far-out club or a far-out flying object center of some kind. I can recognize most of the flying objects that you have to question—but so can dozens of other, and better, speakers. Almost NONE of the assumed alien UFOs are alien or space. The most interesting and deadly craft come from non-alien terrestrial craft of your own making. And yes, they ARE IDENTIFIED. So, even the term UFO is a silly non-term. As for E.T.s? GOD IS AN E.T. so what silliness is that garbage? Your SOUL IS AN E.T., but you are

a terrestrial, land-bound physical human. If this is too much to consider—then you don't want to be around this location for we sort of destroy all that wonderful fun and games played by the assorted authorities about those things of which they actually KNOW NOTHING. Are we the "real" thing? WHAT "real" thing? Of course we are the "real thing". Are YOU a "real human"? Do we have "real" jobs here? NO, NO, AND NO! We do not have a group and we do not have a job agency or a community move-in crew or a take-care-of-anyone club. The ones who spouted those misconceptions are the same ones who stole from their own people and embezzled funds from their own companies. No, we don't do anything of those sorts here—PERIOD.

If you want to visit us when we have a meeting, even a business meeting for the Institute which can be open, welcome to the cookies and the afternoon (or morning). We have NOTHING else to offer here, not jobs, not some entitlements of any kind, not an open forum for writers or receivers, and certainly not for handouts because we have to live on gifts ourselves. We have a lot of friends all around everywhere who make the living worth the effort and that, especially, through the hard times of trying to sort out the ongoing mess with former "takers". We do NOT mind the so-called "enemy" among us—we are NOT doing anything either politically incorrect or even notable. Our friends here, however, are not longer accepting of anyone who comes along and then betrays even one, or lies and depends upon us to somehow help out. No thank you, keep your tricks and lies to yourself.

Will the paper print things which may not be so? Yes, CONTACT IS A PAPER, A VALID NEWSPAPER REGISTERED AND CERTIFIED IN THE STATE OF NEVADA, LAS VEGAS. There is a major effort to present fact and not fiction, but that too is sometimes impossible to sort at onset of a tale. There is a purpose to inform, educate and, beyond all, bring Truth that is missed elsewhere. We thrust nothing down anyone's gullet, and if you find people who do—they are not from us for there is no "us".

I ask right here and now that "The Phoenix Project" heading, which simply indicates the idea of the Phoenix bird, be stricken and something less suggestive placed instead. Call it "The Phoenix Informer" OR "The Phoenix Educator". "Project" seems to indicate a group doing something. We would like to have lived up to that title through projects of educational and industrial value through the Phoenix Institute—but the thieves destroyed the very concept itself—until we clean out the rats from their thieved nests. Can we do it? Of course—all it takes is enough funds to keep legal counsel and staunch people who DON'T QUIT. The world is and always has been made up of liars, cheats, thieves and robber barons—so what else is new? A new and better way in building and structuring is not to FIGHT something or someone. Be in TRUTH and freedom will eventually come forth from the experience. You birth NOTHING good from the lie.

May we all consider these writings carefully and perhaps since this is not "novel" material—re-read it, it could be the information which saves your lives.

Salu. 

The Barnes Review

The Decline Of The West

6/13/98

NORA BOYLES

A note from Nora: Below is a copy of the editorial page from the May/June 1998 issue of *The Barnes Review* magazine. (TBR Co., 130 Third St., S.E., Washington, D.C. 20003.) Article titled: The Decline Of The West.

After you read what the editor has to say, reread the last two paragraphs. There is someone "out there" who is waking up and attending their calling!

It seemed to me that the name of the person who is leading a "National Front" could very easily be Americanized as "John Peneel". You may recall that Edgar Cayce predicted that a leader named John Peneel would emerge in the latter days—to be honest I expected him a few years ago.

I will write to *The Barnes Review* and see if more information can be obtained. Keep your eyes and ears open. It seems to me that a National Front is what all of the nations need, if it is done in the right way.

The Barnes Review website is: <www.barnesreview.org>

THE DECLINE OF THE WEST

Earlier this year a group of alleged historians, abundantly displaying the inherent prejudice—even malice—of their blind and sick profession, got together in England to consider a modest question: what events of the twentieth century will prove to be the most significant for the twenty-first. The great intellects at this convocation included such titans of media adoration as Elie Wiesel (Nobel peace prize), Shimon Peres (the same), Daniel Boorstin (former librarian of Congress) and Emma Rothschild (Cambridge historian). What emerged from the elevated thoughts of these and similar humanitarians present at the august assembly was what you would expect, call it nonsense and worse.

Of course, to many of this lopsided gaggle of the great and the good "The Holocaust" is the most important event of all time past and forever and ever. To some of the more daring it was the "triumph of democracy" that is the most important event of the twentieth century, forgetting that in Turkey, Algeria, France, Egypt, the United States and everywhere else the Zionists and plutocrats desire, "democracy" is a sham and lie. Others found the "rise of technology" and the "computer revolution," of which we have heard so much, to be the most important event of this century. Still others of this coven of culture distorters pontificated that "globalization" as well as the aforementioned communications technology and global capitalism, advancing multiculturally hand in hand to "world government"—the summit of human evolution (which we label the global plantation)—as the most notable and significant event of the twentieth century.

In a sense these latter seers are right; no one except conservative and libertarian free traders are so opaque that they cannot see that the globalization of banking, economic and political policies is a great force that has come into being during the twentieth century and that it will destroy national sovereignty, not to mention their icon of liberty. And far from it being in any respect whatsoever a force for anything desirable (except by the ilk of the Wiesels and Rothschilds of this world) it is wholly negative leading, as it must, to the destruction of the world's cultures and not to any imagined and wholly chimerical so-called "world" or

"universal" culture, a conception far removed from anything real and existing only in the counting rooms of the plutocrats and the fevered minds of fanatical zealots. The only possible outcome of the current trend toward globalization and impossible multiculturalism must be universal confusion, anarchy, tyranny and violence without end.

Honest and saner historians of and in the West—call them revisionist if you wish—know very well that the most powerful and significant event of the twentieth century is the massive subversion of the Western culture: the decline and fall of the power, majesty and hegemony of the Western culture which has shaped and defined the world since Greece. This is the one fact that will shape the twenty-first century more than any other. It is elemental—even if unacknowledged by Elie Wiesel, Emma Rothschild and their communicants and intellectual poodles—that this is so. What the Wiesels and Rothschilds would like to see, in fact, is the passing of the West quietly and without fuss, although they have no plan for its substitution acceptable to a rational mind nor any intellectual perception of what the passing of the West—which has been too tolerant of their kind—would mean even to them. Like all parasites, the death of the host organism on which they feed is a fact of no moment to them. An instinctive act is not rational and brooks no reason. The Wiesels and Rothschilds have been feeding on the dynamism and credulity of the West for millennia; it is their nature to do so and they can do nothing else. The death of a trout in Lake Michigan because a lamprey eel has attached itself and sucked its vital juices does not take long but the death of a mighty culture caused by its internal parasites takes centuries. The decline of the West was first noted by Oswald Spengler exactly when it began—in 1914. The Western civil war that began then escalated the decline which, with a brief and temporary respite, has continued and now, in 1998, has been shaped into a rout of landslide proportions.

As Western society deteriorates, the illusion of "progress" is maintained by the burgeoning technology of communications and travel, as if being able to communicate instantly with others of different cultures on the other side of the planet has any relevance whatsoever with real

progress. If progress is defined as the improvement of human life, how do the facts of increased crime and violence, drugs, rapidly increasing racial strife, a decreasing standard of living, decreasing white birth rate, feminism, rampant sexual perversion, the flooding of all Western countries with unassimilable racial aliens, deteriorating families, an education emphasizing the de-culturalization and de-racialization of students, burgeoning public and private debt, unemployment, government-approved financial piracy and the virtual total takeover of all western governments by a corrupt and alien international cabal allied with minorities fit the theory? In the long run, the fundamental negatives present in Western society must consume the superficial progress of technology, leaving the West with nothing.

It is amazing to us that today—53 years after the end of World War II—the omnipresent journalists, politicians and so-called "historians" can still maintain the superstition that the Allies—the United States, Britain, France, the Soviet Union and Nationalist China—somehow "won" the war. Anyone who does not clearly see that we lost it, exactly as did Germany, is fantasizing and unable to recognize reality. The difference between Germany and her Western opponents in World War II is that Germany's leadership had fearful understanding of Spengler and were determined to stop the decline he foresaw. Their vision of the future was alien and incomprehensible to most Britons and Americans.

Today, only one hope remains for Western survival. He is a Frenchman and his name is Jean Marie LePen and the regenerative force he created and leads is the National Front. Should his movement triumph, another possibility for the survival and renaissance of the West will once more emerge from the dust of destruction and, unless it is strangled in its crib by its enemies, will spark regenerative forces from Moscow to London, San Francisco and Sydney, and the West may survive.

To repeat categorically, the most important fact of the twentieth century is the decline of the West and its approaching annihilation. To that awful reality and its possible avoidance should the efforts of all who realize it be directed.

PART 4: HIDDEN PARASITES

[QUOTING ZION’S TROJAN HORSE, Sen. Jack B. Tenney, Circa 1940s:]

PRELUDE TO CONQUEST

THE WORLD ZIONIST ORGANIZATION

The rise of the House of Rothschild was accompanied by an organizational stirring of world Jewry. Intermarriage with impoverished Gentile European nobility brought Gentile protection to Zionist aspirations, while intermarriage with other Jewish banking families consolidated Rothschild financial influences and direction.

International Jewish conferences became more and more frequent during the last half of the Nineteenth Century. Such meetings were held in 1869, 1872, and 1878. In 1893 the *Central-Verein Deutscher Staatsburger Judischen Glaubens* was founded in Germany. (By 1929 this organization was alleged to have had 555 local units and over 60,000 members.)

It was Leo Pinsker and Theodor Herzl who had publicly called for international organization, but it was the Rothschilds and their control of international finance that made the international call possible. What would have been treasonably fantastic in the Eighteenth Century passed without challenge in the last part of the Nineteenth. Pinsker called for a “*National Congress of Jews*” and Herzl demanded “*The Society of Jews*”.

Herzl’s *First Zionist Congress* held at Basle, Switzerland in 1897 created the first open international Jewish organization in modern times. There was nothing new in either the world organization or the reasons for it. “I wish it to be clearly understood from the

outset,” declared Theodor Herzl, “that no portion of my argument is based upon a new discovery.”

The *World Zionist Organization*, while ostensibly devoted to the establishment of a Jewish State, took cognizance, almost from the beginning, of its political potentialities throughout the *Diaspora*. Simon Dubnow, in 1903, urged that the *World Zionist Organization* be reorganized as a *World Jewish Congress* in behalf of international Jewry. Although there is little doubt that this was the organization’s sole purpose, it was not until 1918 that it openly so declared. The so-called *Copenhagen Manifesto*, adopted by the *World Zionist Organization* in 1918 and ratified at Carlsbad in 1921, in addition to reaffirming Jewry’s claims to Palestine, called for “full and *de facto* equality of Jews in every country, as well as national autonomy with regard to cultural, social and political activities for the Jewish communities of the countries with a Jewish mass population, and of all other countries where the Jewish population may demand such autonomy.”

The “*Copenhagen Manifesto*” may be considered almost as unique as the “*Communist Manifesto*”. The latter called for the confiscation of private property and the overthrow of the world’s existing governments. The “*Copenhagen Manifesto*” demanded the conquest of a country the Jews neither occupied nor to which they held title, and in addition demanded special status over their fellow-citizens in the lands where they were born and where they resided.

It appears that there were times when the *World Zionist Organization* did not consider it politically expedient to interfere in the domestic affairs of a given country for fear of losing support in its endless conspiracy for the conquest of Palestine. It, therefore, apparently consented to the formation of a second

international organization, and the *World Jewish Congress* was launched with its blessings in 1932. The *Zionist Actions Committee* hailed the preparatory conference of the *World Jewish Congress* by declaring: “*The Zionist Organization* which was the first to proclaim the national rights of the *Jewish people* in the *Galuth* countries, supports every form of international action by the *Jewish people* to defend its civic and national rights, as well as its political, economic, and social positions. In these days of unheard of attacks upon the existence of the *Jewish people* and of a threat to vital Jewish rights in diverse lands, every effort at an international union of *Jewish communities and groups of various countries* is doubly necessary.” (Emphasis supplied.)

In 1935 the *World Zionist Organization* went on record as having “affirmed the idea of a *World Jewish Congress*” from the beginning. “The 19th *Zionist Congress*,” declared a special resolution, “regards a union of all sections of the *Jewish people* for the defense of its political rights and economic possibility of existence and the creation of an authorized representative body on a democratic basis as an urgent necessity.

The 19th *Zionist Congress* looks upon the *World Jewish Congress* as a suitable form of such a representative body. The 19th *Zionist Congress* calls upon *Zionists and Zionist groups* to take part in the *World Jewish Congress*.”

“We are a people—*one people!*” said *Theodor Herzl*. “*The longer anti-Semitism lies in abeyance the more fiercely will it break out. The infiltration of immigrating Jews, attracted to a land by apparent security, and*

the ascent in the social scale of native Jews, combine powerfully to bring about a revolution. Nothing is plainer than this rational conclusion.”

TOWARD WORLD GOVERNMENT

The *World Jewish Congress* is the creation of the *American Jewish Congress*. More than this it is the product of *American Jewry*. The directing force came from *New York City*.

World War I forever destroyed the fiction that Jews were citizens of the countries of their birth or naturalization. *American Jewry*, more and more under the domination of the hordes of *Russian Jews* who had flooded the *United States* since 1881, organized for the relief of *European Jews* whether or not they served the *Kaiser* or the allies. The *American Jewish Joint Distribution Committee* came into existence in 1914. As the war developed and victory became certain, *American Jewry* laid plans for participation in the *Peace Conference*. The impudence of such plans is curious in itself but not nearly so curious and amazing as the fact

Editorial Policy

Opinions of the CONTACT contributors are their own and do not necessarily reflect those of the CONTACT staff or management.

that no one seems to have seriously or effectively questioned the idea of a private group of American citizens presuming to take part in an international conference of governments in which they would be represented by officials of their own government.

B.G. Richards, N. Syrkin and B. Zuckerman submitted a resolution to an extraordinary Zionist conference in New York proposing "a convention for the purpose of considering Jewish affairs". The Zionist Conference, August 30, 1914, referred the resolution to the *Provisional Zionist Committee* for action and Louis D. Brandeis was named to discuss polity for such a convention with the officers of the *American Jewish Committee*.

The *American Jewish Committee* represented the most Americanized element of Jewry in the United States, and although the influence of the **descendants of the Judaized Khazars dominated the Jewish masses**, the leadership of the *American Jewish Committee* hesitated to take the bold step advocated by the Zionist Conference of 1914. AJC leaders argued for a conference of "prudent and experienced leaders" and against an open mass convention which must necessarily be dominated by the revolutionary fire-brands of Eastern Europe. Aligning itself with the *American Jewish Committee*, the *National Workmen's Committee on Jewish Rights* opposed the "collaboration of classes in an organization representing the entire Jewish collectivity"—exemplifying the curious alliance of right and left-wing cooperation so frequently apparent in Jewish affairs. This strange collaboration was attacked by the *Workmen's Circle* through such spokesmen as Dr. Chaim Zhitlowsky, Ber Borocho, Pinchas Ruthenberg, Dr. Nachman Syrkin and Baruch Zuckerman.

On March 21, 1915, Judge Julian W. Mack, Louis D. Brandeis and Dr. Stephen S. Wise established the *Jewish Congress Organizational Committee*. The man who was to become a Justice of the Supreme Court of the United States was able to say (September 27, 1915) that the *American Jewish Congress* was to be "an incident of the organization of the Jewish people—an instrument through which their will may be ascertained, and when ascertained may be carried out."

Meanwhile the *Kehillah* of New York City proposed a secret conference on October 24, 1915 and the *American Jewish Committee* proceeded to carry out its recommendation. Brandeis opposed the "secret" conference. "Secrecy," he declared, "will lead necessarily to suspicion and misrepresentation of Jewish purposes and deprive us of non-Jewish support. We seek action in the open so that there shall be no misunderstanding either among our own people or among our fellow-citizens, as to our aims and methods."

It is interesting to note that Brandeis, a future Supreme Court Justice of the United States, was capable of distinguishing between "our own people" and "our fellow-citizens"—an amazing, but enlightening, example of dual loyalty and alien thinking.

The preliminary conference of the *American Jewish Congress* was called to order in Philadelphia March 26, 1916. It is alleged that 367 delegates representing more than a million American Jews presented credentials and participated. Dr. Stephen S. Wise made the

"keynote" address, "*American Israel and Democracy*".

Although the United States was not yet involved in the war in Europe the conference looked ahead to the "Peace Conference". It recommended that "the Congress consider the question of securing to Jews free and equal rights, civil, political, religious in all such lands where these rights were denied to them; that the Congress consider the question of securing to the Jews national rights in all such lands in which national rights were or ought to be recognized"; and "that the Congress consider cooperation with Jews in other lands, in furtherance of the Congress program."

Louis D. Brandeis was named honorary chairman and a National Executive Committee was elected. Jewish organizations in Europe, South Africa, South America and Australia were invited to work with the Congress. Both the *American Jewish Committee* and the *National Workmen's Committee on Jewish Rights* were pressured into compliance, out of which came a united Executive Committee. At a meeting of this group on Christmas Day 1916 it was agreed that the *American Jewish Congress* would confine its activities to the Peace Conference, and dissolve when its purpose in this connection had been completed.

THE REVOLUTIONARY PROLETARIAT

THE JEWISH SOCIALIST FEDERATION OF AMERICA

Frank F. Rosenblatt (chief of Staff of the *Jewish Bureau of Philanthropic Research* in 1918) declared that "the birth of the *Jewish Socialist Federation of America* in 1912 must be recognized as the most important landmark in the history of the Jewish Socialist movement in this country." It is perhaps significant that Mr. Rosenblatt specifically uses the phrase "*Jewish Socialist movement*" and not merely the "*Socialist movement*". We learn that the *Jewish Socialist Federation* was an outgrowth of the *Jewish Socialist Agitation Bureau* organized about 1905 in support of the unsuccessful communist revolution of that year in Russia. It was organized at a time when the little-noticed *Second Communist Convention* storm was throwing ideological waves against the Jews throughout the world. The tidal wave had actually started in Basle, Switzerland when Theodor Herzl had called for the mobilization of the "*Jewish Nation*".

The *Jewish Socialist Bund of Russia and Poland* had spearheaded revolt in Russia and the *First Communist Congress* was largely composed of Bund delegates. The affair was held in Minsk in March, 1898. It was convened under the auspices of the *All Russian Social Democratic Labor Party*. Neither Julius Martov (Yurii Osipovich Tserderbaum), who had been one of the leaders of the *Russian Jewish Socialist Bund*, nor Lenin (Vladimir Ilyich Ulyanov) were able to attend the Congress, both having been arrested and sent to Siberia a few months previous.

It had been truthfully said that every radical or revolutionary movement in Russia was heavily staffed with Jewish leadership. The Jews had always been most active in revolutionary propaganda. A Jew named

Mloditzkia attempted to assassinate Count Loris Melikoff in 1880. Five Jewish names had dominated the list of assassins who had murdered Czar Alexander II. *The Jewish General Workers Union of Poland and Lithuania* (the *Jewish Socialist Bund*) was, of course all Jewish. Leo Deutsch and Pavel Borisovich Axelrod were among the Jews who founded Russian Marxism. Axelrod and Martov were two of the six editors of *Iskra*. A Jew named Gershuni was the leader of one of the terrorist groups. Many other examples might be given. Most Jewish apologists attempt to refute the Jewish character of Communism by disclaiming Jewish adherence to the Bolsheviki wing of the *All Russian Social Democratic labor Party* was over the issue of *Jewish nationalism* which had swept out of Switzerland in 1897.

An attempt had been made to convene a second congress of the Party in April of 1902. An unsuccessful conference met in Bialystock. Theodore Dan (Gurvich) attended this meeting. The "student movement" reached its climax on April 4, 1902 with the assassination of Sipiagin (successor of Plehve) by Balmashov. The so-called *Nishni-Novgorod* workers' demonstration followed, resulting in the arrest of many of the "comrades". The trial of Zalomov and Denisov was highly capitalized by the Communists and gave an added impetus toward open revolution. The escape from the jail at Kiev of a number of the arrested "comrades", including Maxim Litinov (Finklestein) and Piatnitsky, and the creation of an "organization committee" by *Iskra* (with Gregory Zinoviev called the first Central Executive Committee) cleared the way for the official *Second Communist Congress*.

The organization committee was composed of hard-ribbed revolutionaries who were destined to play leading roles in the rape of Russia. Among them were Krisishanovsky, later to become commissar of Soviet electrification; Alexandrova; Lengnik, a later member of the Soviet Commissariat for Education; Krassikov, to become prominent in the Soviet Finance Commissariat; Krasnucha, delegate from the *Petersburg Committee*; Levin, delegate from the *South Russian Workers*; and Portnoy of the *Jewish Socialist Bund*.

The Organization Committee was charged with the task of convoking the "*All-Russian Party Congress*". A program was drafted by the editorial staffs of *Iskra* and *Zarya*, the latter being a theoretical organ published abroad by

the Plekhanov-Lenin combination. Needless to say, the draft was the work of Plekhanov and Lenin. Its theses included the development of capitalism, the concentration of capital, the creation of a proletariat, and the transference of power to the proletariat. The draft was completed in time for the opening of the Second Congress in Brussels.

The revolutionary tempo was accelerated by the Jewish Bundists throughout 1902 and 1903. A series of peasant revolts flared in Saratov which were suppressed by Governor Peter Arkadevich Stolypin, later to be assassinated by a Jewish lawyer named Mordecai Bogrov. Terrorism marked the rising pace of revolt as the assassins Karpovitch, Balmashov and Hirsch Leckert emptied their revolvers at Russian officialdom. Clashes between communist demonstrators and the police became more frequent, creating a bloody back-drop for the shabby Congress when it clamorously descended on Belgium.

Among those who were to write the history of the Second Congress were the following: Schatman, representing the *Petersburg Committee*, later to be active in Karelia; Lydia Makhnovetz, second delegate from Petersburg; N. Baumann, of the *Moscow committee*; Lydia Knipovitch, nicknamed "Djadenka", of the *North Russian Alliance*; Stopani, also of the *North Russian Alliance*; Makhlin; Lenov, an anarchist; Krasikov, of the *Keiv Committee*; Dimitry Ulianov, of the *Tula Committee*; Zemlyatchka, of the *Odessa committee*; Panin, representing the *Crimean Union*; Maschinski, of the *Donetz Union*; Gussev, of the *Don Committee*; Ackerman, also of *Don Committee*; Galkin and Lyadov, both representing the *Saratov Committee*; Levin and Nikolaev, of the *Kharkov Committee*; Trotsky and Dr. Maldenberg, representing the *Siberian Union*; Zurabov, of the *Batum Committee*; Bogdan Knuniantz, of the Baku Committee; Topuridze, of the Tiflis Committee; and Kramer, Eisenstart, Portnoy, Liber (Goldman), Medem and Kossovsky, all of the *Jewish socialist Bund*. Lenin represented the foreign organization of *Iskra* and Martov represented the editorial board. Plekhanov, Axelrod and Deutsch were among others who attended the Congress. Only two delegates, Babushkin and Schatman, could lay any claim whatever to a workingclass background.

Nearly sixty revolutionaries gathered at Brussels, Belgium for the *Second Communist Congress*. The affair was held in a flour warehouse draped with red bunting and opened July 30, 1903. The first clash came on the

question of the relationship of the *Jewish Socialist Bund* to the *All Russian Social Democratic Labor Party*. Both the *Jewish Socialist Bund* and *Zionism* had emerged in the same year and the question of Jewish nationalism was uppermost in the minds of the Bundists. They had adopted Yiddish as their language and contended that "national consciousness and class consciousness must go hand in hand". The Bundists therefore demanded autonomy for specifically Jewish problems and the right to represent *all Jews* in Russia. Lenin, of course, held out for a centralized party and Martov, Axelrod and Trotsky—all Jews—stood with him. The question was still largely unsettled when the Belgian police interfered. The Congress moved to London where it met from August 11 to August 23.

Gregory Zinoviev, a Jew himself, in his "*History of the Russian Communist Party*", explains the split in the party: "The Bund demanded that it be regarded as the sole representative of the whole Jewish proletariat of Russia, refusing to take any cognizance of the fact that the Jewish people in general were scattered throughout the whole country, and that therefore the correct course was for them to join the organization of the place in which they lived, just as the Finnish, Estonians and other workers. We could not agree to splitting up our organization into separate fragments, for we were a single international party, carrying on a struggle against *international capital*. This was the view-point maintained by the *Iskrovtsi*, conceding only that the Jewish workers have their own benefit societies and special groups, publish their own papers in their mother-tongues, etc. But the Bund, giving the first sign of future social-chauvinism, pushed the matter to the limit, demanding that the workers be divided according to nationality, and allowed the right of having separate parties of their own."

Martov and Lenin split on the definition of "party member", Lenin insisting on restricting language. Trotsky and Axelrod joined with Martov. Martov ultimately won his point by a vote of 28 to 22. Lenin was infuriated and started a vigorous campaign to reverse the vote. He moved to dissolve the *Rabochee Delo* (*The Workers' Cause*), a revolutionary publication in ideological competition with *Iskra*. Both of *Rabochee Delo's* delegates had voted with Martov and when Lenin's motion had carried they left the Congress. The five delegates of the *Jewish Socialist Bund*, smarting under their defeat on the question of autonomy,—and who had also voted with Martov—walked out and Lenin's minority was therefore converted into a majority! The Russian word for *majorities* is *BOLSHEVIKI*! Those who supported the Bund (the minorities) were to become known by the Russian equivalent *Mensheviks*. Zinoviev explained it this way: "Lenin and Plekhanov were upheld, their resolution being passed, I believe, by 25 to 23 votes. From this juncture derive the terms 'Bolsheviks', (Majority, and 'Mensheviks' (Minority). As is known, during the revolution often an altogether different interpretation was placed on them. Many thought simply that the Bolsheviks were those who desired the most possible; while the Mensheviks were prepared to be satisfied with less. In actual fact, however, this winged word (Bolsheviks) arose in connection with the fact

that the majority (Bolshestvo) voted for the Plekhanov-Lenin editorial board, the minority (Menshestvo), against it."

Thus it is that Frank F. Rosenblatt, Jewish Research director, was able to heap praise upon the Jewish revolutionaries. "It is to the glory of the *Jewish Socialist Bund* in Russia," he wrote, "that the question of nationalism which in the minds of the Socialists of the older generation was synonymous with oppression and subjection, was forced into the foreground." The truth of the matter is that *nationalism* and *internationalism* are mutually exclusive terms. Adherence to both ideas in a single conception is only logical when the apparent paradox is designed to serve a specified purpose. **[H: So, too, is Judeo-Christian a useful tool for the same crowd of people.]**

Needless to say the *Jewish Socialist Bund* continued its revolutionary activities and joined again in Congresses of the *All Russian Social Democratic Labor Party*. Many were arrested and exiled to Siberia but hundreds of thousands came to the United States. As a result a "net" of Bund branches spread across the United States and into Canada. The chief activity of the branches was the collection of funds for the *Jewish Socialist Bund* in Russia. American Bund members organized the *Workmen's Circle* (*Arbeiter Circle*) and swelled the ranks of the Jewish trade unions. Annual conventions of the Bund were held and a *Central-Verband* was elected which coordinated and supervised the branches. The waves of Jewish revolutionaries fleeing the police of Russia after the unsuccessful revolution of 1905 swelled the Jewish Bund branches in the United States.

The Seventh Congress of the *World Zionist Organization* in 1905 gave impetus to *Zionist Socialism*. "*Jewish administrative autonomy*" (*Saym*), *Golus nationalism*, and *Yiddishism* were current ideological movements. One B. Boruchov declared himself a *Paole-Zion* in Switzerland. He had been a Socialist for a long time. he advocated that *Zionism* should join forces with socialism. The establishment of *Paole-Zion* therefore effectually established the Marxist basis for *Zionism*.

In November of 1905 Borochof and J. Benjamin Zivi organized a conference of *Paole-Zion* in the Province of Poltava. In December of that year, at the time of the great Russian general strike, they organized a Jewish Russian conference in Berditchev. In 1906 the first *All Russian Conference of the Poale-Zion* met in Poltava and laid the foundation for the *Social Democratic Zionist Party Poale-Zion*. Boruchov, together with other "intellectual comrades", published a number of radical papers which the Russian Government suppressed one after another. "*The Jewish Workmen's Chronicle*" and "*The Hammer*" were published in Russian. "*The Proletarian Idea*" and "*Forward*" were **published in Yiddish**. At the same time the *Social Democratic Zionist Party Poale-Zion* was organized in Russia. "Sister" parties were organized in England, Austria, Palestine and America.

In Palestine *Poale-Zion* published a *Yiddish* paper, *Der Anfang*. **[H: Remember that Yiddish is a distinct LANGUAGE for the TALMUD but using Hebrew alphabet characters.]** In 1909, at its sixth conference, the delegates adopted Hebrew as their official language. After the Turkish constitution was

—1998 Tribune Media Services, Inc.

adopted *Poale-Zion* launched a Hebrew paper, *Ha-achduth (Unity)*, which was suppressed in 1914 by the Turkish Government, and its editor Zerubbel, condemned to life imprisonment. Israel Schochat (banished by the Turkish Government) and J. Ben Gorion were two of the early leaders of *Poale-Zion* in Palestine. The *Poale-Zion* was recognized as a part of the Socialist Party in Turkey which gave it the opportunity of influencing the international Socialist movement in favor of *Zionism* and Jewish national objectives.

Poale-Zion organized *Ha-Shomer (The Watchmen)*, a group of young men who guarded Jewish property against the native population of Arabs who were slowly being dispossessed of their property and their country.

During the *Zionist Congress* at the Hague in 1907 *Poale-Zion* delegates organized the *Poale-Zion Weltverband*, a worldwide group to penetrate the Zionist and Socialist movements. The *Palestine Workers' Fund* was collected from Jews all over the world and administered by this World Organization.

The *Poale-Zion Weltverband* is credited with successfully propagandizing socialist and labor leaders in behalf of its program. Working through the *Socialist International* and the *England Labor Party* the Jewish Socialists in the *Poale-Zion World Organization* were able to have both groups adopt *Zionism* (a Jewish home in Palestine) as part of their respective "peace programs" (1917-1918).

Socialism and Zionism marched hand in hand from the beginning. Israel Cohen, reviewing Zionist progress wrote: "At the (Zionist) Congresses... the delegates from Russia formed at least a third of the total number. They played an important, and often decisive part in the proceedings, and far more Russian was spoken than English; even translations from German into Russian were demanded. Throughout the decade that elapsed between the death of the leaders and the beginning of the War the Russian-Zionists formed the backbone of the movement..."

[END OF QUOTING]

Do you begin to see, around the globe, WHY such as Jerry Falwell and other evangelical LEADERS proclaim their "Zionists and proud of it" stance? This is also why, when the Jews in the U.S. denied help to Mr. Yahoo, he simply went to Falwell and the Christian coalition. Christian? Oh no, Anti-Christ! Does good old Jerry know? OF COURSE, you silly ducks. TBN is a tool DIRECTLY SET UP by the Jewish Zionist Organization. Does old Paul and Jan KNOW? OF COURSE. All three are not only JEUIISH, they are JEWISH.

DO YOU ALSO SEE WHY MOST "JEWISH PEOPLE" DON'T HAVE THE FOGGIEST IDEA OF WHAT HAS PUT THEM SO IN JEOPARDY? THEY ARE THE FIRST TO BE BROUGHT DOWN INTO DISASTER TO PREVENT A MOVEMENT LARGE ENOUGH TO STOP THE ZIONIST

MASSACRE OF A NATION—YOUR nation. If I were "Jewish" in any reasonably recognized grouping, I would be totally IRATE at the damaging deceptions taking place on YOU.

Unless you LEARN FACTUAL TRUTH about any topic—you are not qualified to quarrel about it. GO DO YOUR RESEARCH IF YOU DON'T BELIEVE THESE WRITINGS.

DO YOU ALSO SEE WHY MOST "JEWISH PEOPLE" DON'T HAVE THE FOGGIEST IDEA OF WHAT HAS PUT THEM SO IN JEOPARDY? THEY ARE THE FIRST TO BE BROUGHT DOWN INTO DISASTER TO PREVENT A MOVEMENT LARGE ENOUGH TO STOP THE ZIONIST MASSACRE OF A NATION—YOUR nation. If I were "Jewish" in any reasonably recognized grouping, I would be totally IRATE at the damaging deceptions taking place on YOU.

Unless you LEARN FACTUAL TRUTH about any topic—you are not qualified to quarrel about it. GO DO YOUR RESEARCH IF YOU DON'T BELIEVE THESE WRITINGS. However, actual eyewitness observation should suffice for any THINKING entity.

However, actual eyewitness observation should suffice for any THINKING entity.

This is sufficient for this writing, Dharma. Let us mark the place where we stopped today and get back to it ASAP. (The Socialist International.)

We will have to "hit and miss" with our writings until we further clear up the other mandatory meetings scattered around. Our team is now "out-thinking" the opposition in their trickery games, so expect a turn-about quite soon now. Meanwhile I appreciate the "fill-in" for Dharma of Aton and other Cohans and to the "receivers" who take up the task. I ask that "Hatonn" be left to Dharma, however, to stop confusion in presentations. I have OTHER needs in presenting this information than just giving an interview to a paper. Thank you, and Good morning.

PART 5: HIDDEN PARASITES

[QUOTNG ZION'S TROJAN HORSE, Sen. Jack B. Tenney, Circa 1940s:]

THE SOCIALIST INTERNATIONAL

What was the *Socialist International*?

The *International Workingmen's Association* was organized in London in 1864 under the leadership of Karl Marx. It was generally referred to as the *International*, and later, the *First International*. Its primary purpose was the promotion of the objectives of the *Communist Manifesto* by Karl Marx and Frederick Engels. The last Congress of the *First International* met in Philadelphia in 1874 and rapidly disintegrated

thereafter.

The *Second International*, generally referred to as the *Socialist International*, was founded at Paris in 1889. Headquarters were ultimately established at Brussels, Belgium in 1890. It was composed of most of the Socialist parties in the world, among which the German and Russian Social Democratic parties were the most important. The terms "socialism" and "communism" were generally used to signify the same things—revolutionary overthrow of existing bourgeois governments.

Poale-Zion embodied from the beginning the basic principles of Marxian communism (socialism) and the principles of Zionism.

The *Poale-Zion* movement through its *World Organization (Poale-Zion Weltverband)* made rapid strides after its organization in 1907. The *Jewish Socialist Labor Party Poale-Zion of America*, filled with revolutionary Jewish refugees from Russia, became an important factor in the movement after the abortive Russian Revolution of 1905. Many of the leading Jewish advocates of Marxism found their way to the hospitable shores of the United States and immediately joined the American branch of the party. A Memorandum, known as "*The Red Book*" (mainly the work of the *Jewish Socialist Labor Party Poale-Zion*) was presented to the *Socialist International* by the world

Organization (Poale-Zion Weltverband). It was printed in several languages and dealt principally with "Jewish nationalist working classes" and "Jewish aspiration in all lands".

Following well established technique, *American Poale-Zion* agents in the *American Federation of Labor* were able to secure the adoption of resolutions "favoring the creation of a Jewish home in Palestine" as a point in the A.F. of L.'s "peace program" (1917-1918).

In 1917 and 1918 the *American Poale-Zion* was small in number of members—three to four thousand—but amazingly strong in its international relations. It created *parallel* organizations such as the *National Workers' Alliance*. It boasts that it initiated the movement for "national radical schools" (*Alliance of the National Radical Schools*) which, as early as 1918, was "growing from day to day".

Frank F. Rosenblatt declared: "It is a party not for Palestine alone, but also for the *Golus* and its interests. For this reason, *Poale-Zionism* is the centre of the East Side, from which come forth almost all Jewish American movements, or without which no movement can prosper."

It follows, therefore, that *Poale-Zion* was an important factor in the creation of the *New York Kehillah* and the *American Jewish Congress*. Pressure from *Poale-Zion* "forced the whole Jewish laboring class on the one hand, and the Zionists on the other hand, as well as the better-to-do elements, to participate" in the Congress movement. "All of the radical elements in the *National Socialist Workmen's Committee*" were united by *Poale-Zion* for the Congress and for the publication of its weekly, *The Jewish Congress*. Both P. Rutenberg (Vice-Commandant of the Petrograd Military District under A.F. Kerensky and Socialist revolutionary)

and Dr. H. Schitlowsky joined the *American Poale-Zion* as soon as they were safely through immigration at Ellis Island.

THE NATIONAL WORKMEN'S COMMITTEE

The Bolshevik Revolution had a profound effect on American Jewry. Gentiles and Jews throughout the world hailed the Bolshevik triumph as Jewish instigated, executed and accomplished. With Lenin and Trotsky (Leon Bronstein) on the Czar's throne and Alexander Kerensky's Russian Republic in the ash-heap, many American Jews believed Jewish objectives already achieved. The 1917 political division of East European Jewry in the United States was perhaps the first concrete evidence that the Jewish drive for world power and dominion was a two-pronged attack. The *National Workmen's Committee On Jewish Rights* withdrew from the Congress movement on the contention that its need had passed with the event of the Russian Revolution.

The organization was composed of four of the most radical American Jewish organizations;—*The Workmen's Circle*, the *United Hebrew Trades*, the *Jewish Socialist Federation of America*, and the *Forward Association*. It was organized early in 1915. A conference was called for April 18, 1915 for "all labor and radical organizations"—and over two hundred responded. Its first convention was held the same year in New York City, September 4, 5, and 6. A half million American Jews were represented through several hundred organizations. It is alleged by Jewish writers that it was the first time that representatives of all radical wings of Jewry convened for *one* purpose. The 1918 officers of the *National Workmen's Committee* were Frank F. Rosenblatt, treasurer; J.B. Salutsky, secretary; A. Baroff, L. Baskin, Isidor Cohen, M. Gillis, J. Halpern, Dr. J. Halpern, A. Held, B. Hoffman, E.H. Jeshurin, H. Lang, M. Lulow, M. Olgin, Jacob Panken, Max Pine, Frank F. Rosenblatt, J.B. Salutsky, L. Schaffer, J. Schlossberg, S. Valitzky, B. Vladeck, M. Winchevsky, directors. (M. Olgin is the author of *Why Communism?*)

One additional Jewish organization, mobilized for the support of the *Jewish Socialist Bund* in Russia, Poland and Lithuania, should be mentioned in passing. It was known as the *Central Verband of the Bund Organizations of America* and at one time maintained offices at 202 East Broadway in New York City. Its avowed purpose was financial aid to the revolutionary Jews in Russia. Branches were maintained in "all cities of the United States and Canada". During 1904 to 1907 "the branches of the Bund were the most active and influential bodies in the Jewish radical spheres in the country." During the abortive 1905 Russian revolution the *Central Verband* "obtained tens of thousands of dollars" for the Bund in Russia. Meanwhile it carried on propaganda work among the Jews in the United States against the Russian Government. After the successful revolution of 1917 the *Central Verband* was busy collecting funds "to assist the Russian Bund in its work against counter-revolutionary forces". In 1918 M. Gurwich was Secretary and Dr. C. Kopelson was Treasurer.

The activities of the *National Workmen's*

Committee on Jewish Rights and the *Central Verband of the Bund Organization of America* indicate the wide-spread support of American Jewry for the Bolshevik revolution—especially among the Eastern European Jews of Khazar descent. Trotsky, Zinoviev, Kamenev, Sverdlov, Uritzy, and Volodarsky were famous Jewish leaders of the new Soviet government. Although these pseudonyms concealed the Jewish identity of these revolutionary leaders from the world at large, the Jewish socialists of America knew who they were. There were many more. Isaac Steinberg, as a member of the Soviet of Peoples' Commissars, had become a Commissar of Justice, and Uritzky was striking terror into the hearts of Russian Gentiles as the chairman of the ruthless and all-powerful *cheka*. They were rising to positions of power everywhere and Western Christian civilization was trembling before their advance. Rosa Luxemburg was terrorizing Germany and Kurt Eisner was driving to revolutionary power in Bavaria. Bela Kun cut a bloody path across Hungary to find ultimate reward under Stalin in the Soviet's Crimea. The American Jewish Bundists believed that the red dawn that had broken over Russia was the beginning of an era—an era that must fulfill not only the hopes of Zionism but deliver to them dominion of the world as well.

[END OF QUOTING]

I realize this is a very short writing but I would like to not begin a new section this late in the day.

I will be focusing, as well, on other topics through the upcoming days even though there is so much taking place that we don't have time to address all of them.

6/13/98 #1 HATONN

PART 6: *HIDDEN PARASITES*

[QUOTING *ZION'S TROJAN HORSE*, Sen. Jack B. Tenney, Circa 1940s:]

JEWISH REVOLUTION

On March 19, 1917, at 8 o'clock in the evening David R. Francis, U.S. Ambassador to Russia, addressed Communication No. 1110 to the United States Secretary of State. Among other things the Ambassador reported that it was "immeasurably important to the Jews that (the) revolution succeed". (House Document No. 1868, 65th Congress, 3d Session, *Papers Relating to the Foreign Relations of the United States, 1918, Russia* (In Three Volumes), Volume I, page 7.)

THE WORD

Tapes, Transcriptions & Videos

Donations to cover the costs of tapes are \$4.00 for one tape, \$6.00 for two tapes and \$2.50 per tape for three or more, except where otherwise noted. **Postage is included in tape prices.**

Please send check or money order to: *THE WORD*, P.O. Box 1498, Tehachapi, CA 93582 or call 805-822-4176 if you have questions or you wish to use your Visa, Discover or Master Card.

If you desire to *automatically* receive tapes from future meetings, please send at least a \$50 donation from which tape costs will be deducted. We will try to notify you as your balance reaches zero.

*Special Order tapes are noted by * and are not automatically sent.*

The following is a *partial* list of older items but including all of the most current meeting dates, with the number of tapes in **bold**, in parentheses, and mentioning if the meeting has a special focus:

8/17/96 (4) "Little Crow"; 8/18/96 (4) & 8/19/96 (3) Teddy from Canada & Commander Hatonn; 8/20/96 (2) Road Tour of Tehachapi; 8/28/96 (4) David Icke; 9/1/96 (3) Norio Hayakawa; 9/8/96 (3) *JUDGEMENT DAY-1995*, a dramatization; 9/22/96 (4) Gary Wean & Field Report From The Clays; 10/6/96 (3) Farrakhan in Canada; 11/2/96 (3); 11/24/96 (2); 12/8/96(2); 12/29/96(2); 2/19/97(4) David Miller Tapes; 2/23/97(2) Little Crow tape; 3/3-4/97(8) Eustace Mullins & Cort Christie; 3/10/97(2) David Miller Tapes; 3/16/97(5) Farrakhan Speech; 4/2/97(1) Cult Media Blitz; 4/6/97(2); 4/7/97(2) *EXTRA* Interview; 4/8/97(2) Channel 29 Interview; 4/13/97(3) David Icke; 6/1/97(2); 6/22/97(2); 7/20/97(2); 8/15/97(3)*Corporation Lecture; 8/16/97 to 8/19/97(11) New Year Celebration meeting; 9/21/97(1); 10/19/97(2); 11/9/97(3); Christmas Party and Memorial for our beloved Zita 12/7/97(2); 3/8/98 (3); 4/19/98(3); 5/9/98(4); 5/30/98(4) Ron Carlson; 6/14/98 (4) including Ed Dames and Gordon-Michael Scallion on the *Art Bell* radio show.

In Communication 1361 (June 5, 1917) the Ambassador told the Secretary that Russian refugees were returning from America and that they were "planning to inspire attack upon Root charging that as Secretary of State he refused to permit certain Russian refugees to enter United States." (Ibid., page 114) In reply Secretary of State Robert Lansing cabled Ambassador Francis setting forth the contents of a letter written to **Jacob Schiff** by Mr. Root under date of October 16, 1908 explaining United States law as it pertained to political refugees entering the country. (Ibid., 114, 115.)

On July 18, 1917 Ambassador Francis notified the Secretary of State that the Socialists were "making supreme effort to put their principles into operation" and that they were being "assisted by German money in abundance". The Ambassador pointed out that the "Russian population comprises Caucasian, Yellow and Semite races as classified here and composed of seventy-four nationalities." He believed that the problem was "extremely difficult but not insoluble". He further referred to "deplorable conditions mainly attributable to returned exiles, majority from America, Trotsky being most troublesome." (Ibid., page 203.)

William G. Sharp, Ambassador to France, reported to the United States Secretary of State from Paris, February 9, 1918: "Your 3118 (3154) February 7. I have just been informed by the Foreign Office that the report to which you refer is entirely correct. It was explained that the British Government having received a representative of the Bolshevik Government there was nothing else to do for the French Government but to adopt a similar course. It has therefore visaed the passport of Kamenev proceeding to Paris via England in the capacity of Envoy Extraordinary and Plenipotentiary at Large. I have been informed that it is also (true that?) Zalkind has been appointed in the same capacity to Switzerland. I am told that the latter is the brother-in-law of Trotsky and has been his assistant secretary.

"The Foreign Office informs me that until recently a representative of the Bolshevik government by the name of Holzman was here in Paris..."

During February of 1918 the Ambassador to Russia informed the United States Secretary of State that documentary evidence seen by himself and Sisson tended to prove that Lenin and Trotsky and other Bolshevik leaders were in German pay "and that disruption of Russia is but one move in plan of Germany to sow disorganization in Entente countries." Referring to certain papers uncovered in Petrograd the Ambassador reported: "all documents except letter signed by Yoffe (Joffe) are said to be from the files of 'Kontrerasvedka', Government secret service organized under Kerensky. If so, unavoidable question arise why K. did not use evidence against Bolsheviks last July... Many clues lead to Stockholm and Copenhagen..." (Ibid., pages 371 and 372.)

The following excerpts are from translated documents sent to the Secretary of State: "Document No. 1. Circular 18 February 1914... The management of all German banks which are transacting business abroad and by agreement with the Austro-Hungarian Government the *Osterreichische-Kreditanstalt Bank* are hereby advised that the Imperial Government has deemed it to be of extreme necessity to the

management of all institutions of credit to establish with all possible dispatch agencies in Lulea, Haparanda and Vardo on the frontier of Finland, and in Bergen and Amsterdam... Moreover, the managements of banking institutions are urged emphatically to make provisions for very close and absolutely secret relations being established with Finnish and American Banks. In this direction the Ministry begs to recommend the *Swedish Nya Banken* in Stockholm; the banking office of Furstenbert; the commercial company Waldemar Hansen, in Copenhagen, as concerns which are maintaining relations with Russia." (Ibid., page 372.) The signature was "N3737". Ambassador Francis commented: "This is outline of basic financial structure begun February 1914, five months before war was launched and still in operation; notice reappearance in subsequent Lenin messages, towns Lulea and Vardo, likewise reference to American banks. Olof Aschberg, one of the heads of the *Nya Banken*, came to Petrograd month ago and boasted that N.B. was the Bolshevik bank. He was overheard by one of our own group... Furstenberg is now at Smolny under the name of Ganetski, is one of inner group and is likely soon to be placed in charge State Bank. Aschberg now in Stockholm but returning. The material in this and other comments is independent of the documents and accurate on fact statements." (Ibid., pages 372 and 373.)

Document No. 2 was signed by "Doctor Fisher" and is headed "Circular June 9 (November 2?), 1914". It was addressed to "all military attaches in the countries adjacent to Russia, France, Italy, and Norway." It announced that "special war credits have been opened for the subsidiary war requirements" in all branches of German banks in Sweden, Norway, Switzerland and the United States. "The General Staff" says the communication, "is authorizing you to avail yourself in unlimited amounts of these credits for the destruction of the enemy's factories, plants and the most important military and civil structures. Simultaneously with the investigation (instigation) of strikes it is necessary to make provisions for the damaging of motors, of mechanisms, with the destruction of vessels, setting incendiary fires to stocks of raw material and finished products, deprivation of large towns of their electric energy, stocks of fuel and provisions. **[H: See, things have not changed one iota.]** Special agents detailed, which will be at your disposal, will deliver to you explosive and incendiary devices and a list of such persons in the country under your observation who will assume the duty of agents of destruction." Ambassador Francis pointed out that the document was dated six weeks before the rest of the world knew it was to be warred upon "and even then making exact plans for a campaign of incited strikes and incendiary fires in the industrial plants and the yet uncreated munition plants in the United States." (Ibid., page 373.)

Document No. 3 is signed "Risser" and dated "Circular November 2, 1914". It is addressed to the representative of the *Nya Banken Bank*. "At the present time," the document reads, "there have been concluded conversations between the authorized agents of the Imperial Bank and the Russian revolutionaries, Messrs. Zenzinov and

Lunachariski. Both the mentioned persons addressed themselves to several financial men who, for their part, addressed themselves to our representatives. We are ready to support the agitation and propaganda projected by them in Russia on the absolute condition that the agitation and propaganda (carried on?) by the above mentioned Messrs. Z. and L. will touch the active armies at the front. In case the agents of the Imperial Bank should address themselves to your banks we beg you to open them the necessary credit which will be covered completely as soon as you make demand on Berlin." An addition to the document states that "Z. and L. got in touch with the Imperial Bank of Germany through the bankers (D.?) Rubenstein, Max Warburg and Parvus." Comments Ambassador Francis: "L. is the present People's Commissar of Education. Z. is not a Bolshevik, but a right Social Revolutionist and in the discard, whereabouts unknown. Parvus and Warburg both figure in the Lenin and Trotsky documents. P. is at Copenhagen. W. chiefly works from Stockholm." (Ibid., pages 373 and 374.)

Document No. 5 is signed "Kirdorff", president of Kirdorff's *Rhenish Westphalian Industrial Syndicate*, and is addressed to the central office of *Nya Banken* in Stockholm; Svenson Baltzer, representative of *Diskonto Gesellschaft* in Stockholm, and to a Mr. Kirch, representative of the *Deutsche Bank* in Switzerland. "The *Rhenish Westphalian Industrial Coal Syndicate*," writes Kirdorff, "charges you with the management of the account of which you have been apprised for the support of Russian emigrants desirous of conducting propaganda amongst Russian prisoners of war and the Russian Army." Comments the Ambassador: "Note that this document already figures in the (omission) several governments having been intercepted in the correspondence of Prince von Bulow. It has new and direct pertinency to the Lenin-Trotsky data which follows herewith." (Ibid., pages 374 and 375.)

Document No. 6 is dated June 18, 1917 at Copenhagen, signed "Svensen" and addressed to "Mr. Ruffner, Helsingfors". The communication reads: "Please be advised that from the *Diskonto Gesellschaft* account, 315,000 marks have been transferred to Mr. Lenin's account in Kronstaat as per order of syndicate. Kindly acknowledge receipt Nilandeway (Nylandsvej), 98 Copenhagen, W. Hansen & Co." Comments Ambassador Francis: "Kronstadt, the navy base, was the nerve center from which L.'s activities radiated during the summer, both before and after he fled from Petrograd. Sailors were, and still are, his first dependence. Hansen & Co. are named in document 1."

Document No. 7 is signed "Svensen", dated September 8, 1917 at Stockholm, and addressed to "Mr. Farsen, Kronstadt (via Helsingfors)" and reads as follows: "Carried out your commission: passports and the indicated sum of 207,000 marks as per order of your Mr. Lenin have been handed to person mentioned in your letter. The selection met with approval of his excellency the ambassador. Confirm the arrival of said persons and separate receipt of your counter receipts." Ambassador Francis noted that the ambassador referred to was probably "Von Lucius, a complimentary reference."

Document No. 8 is signed "Kriek, *Deutsche*

Bank”, dated at Kontrerasvedka, Geneva, June 16, 1917, addressed to Mr. Furstenberg at Stockholm. It read as follows: “Please note that at the request of Mr. (Jullias?) francs 32,000 have been paid for the publication of Maximalist socialist pamphlets. Advise by telegram addressed to Decker of the receipt of the consignment of pamphlets, number of bill of lading and date of arrival.” Needless to say “*Maximalist*” means Marxian or Bolshevik. Mr. Francis pointed out to the Secretary of State that Furstenberg was known in St. Petersburg as “Ganetski” and that he was named in document No. 1. (Ibid., page 375.)

Warburg is solidly welded to Trotsky in document No. 9. The communication, signed by J. Furstenberg, is addressed to Mr. Raphael Scholnickan at Haparanda and reads as follows: “Dear Comrade: The office of the banking house M. Warburg has opened, in accordance with telegram from the *Rhenish Westphalian Syndicate*, an account for the undertaking of Comrade Trotsky. The attorney (?) purchased arms and has organized their transportation and delivery track Lulea and Vardo to the office of Essen & Son, in the name Lulea receivers and a person authorized to receive the money demanded by Comrade Trotsky.” Comments Ambassador Francis: “This is the first reference to Trotsky. It connects him with banker Warburg and with Furstenberg. Lulea is a Swedish town near Haparanda.” (Ibid., page 375 and 376.)

Document No. 10 was signed by J. Furstenberg, dated October 2, 1917, and addressed to Mr. Antonov at Haparanda. It reads: “Comrade Trotsky’s request has been carried out. From the account of the syndicate and the Ministry (probably Ministry of Foreign Affairs in Berlin, press division) 400,000 Kroner have been taken and remitted to Comrade Sonia who will call on you with this letter and will hand you the said sum of money.” Comments the United States Ambassador: “Antonov is the chief military leader of the Bolsheviks. He was in command of the forces that took St. Petersburg. He is now in the field against Kaledin and Alexeev. At the date of this letter Trotsky was already at the head of Petrograd Soviet and the Bolshevik revolution was only a month away.” (Ibid., page 376.)

Document No. 11 is signed “Scheidemann”, dated August 25, 1917, and addressed to “Mr. Olberg”. It reads as follows: “Your desire for (omission) together with the intention of the party. By agreement with the persons known

to you 150,000 Kroner are transferred to be at your disposal at Furstenberg’s office through *Nya Banken*. Kindly advise *Vorwärts* about everything that is being written by the newspaper about present events.” Scheidemann, explained the Ambassador, was a German socialist leader. Document No. 11 “links him with Furstenberg-Ganetski, with the *Nya Banken* and with subsidizing the Russian revolution. Trotsky published a newspaper during the summer. Another newspaper spoke for Lenin. *Vorwärts* would seem to refer to the socialist organ at Berlin. Scheidemann’s roles both as German peace propagandist and as strike queller in Germany are illumined by this letter.” (Ibid., page 376.)

On October 8, 1918 the Charge d’Affaires in London transmitted to the United States Secretary of State a copy of a note (October 1, 1918) and a report from M. Oudendyke, Netherlands Minister, “relating to conditions in Petrograd”. The note from the British Secretary of State for Foreign Affairs (Balfour) to the American Ambassador (Page) is numbered 162839/W/38 and read as follows:

“The Secretary of State for Foreign Affairs presents his compliments to his excellency the United States Ambassador and, with reference to his note No. 1261 of the 25th September, has the honour to transmit herewith, for his excellency’s confidential information, a copy of the report by the Netherlands Minister, relating to conditions in Petrograd, which was received through His Majesty’s Minister at Christiana.

“Mr. Balfour trusts that his excellency will agree with him in considering that it is undesirable that any of the information contained in the report should be made public until the Allied subjects and citizens now in the power of the Bolsheviks have left the country.” (Ibid., page 674.)

Among other things the Netherlands minister reported that “the Red Guards under the direction of several commissaries... behaved with the greatest brutality” and that the “whole Soviet government has sunk to the level of a criminal organization... The danger is now so great that I feel it my duty to call the attention of the British and all other Governments to the fact that if an end is not put to Bolshevism in Russia at once the civilization of the whole world will be threatened. This is not an exaggeration but a sober matter of fact; and the most unusual action of German and Austrian Consuls General before referred to, in joining in protest of neutral legations appears to indicate that the danger is also realized in German and Austrian quarters. I consider that the immediate suppression of Bolshevism is the greatest issue now before the world, not even excluding the war which is still raging, and unless as above stated Bolshevism is nipped in the bud immediately it is bound to spread in one form or another over Europe and the whole world as it is organized and worked by Jews who have no nationality, and whose one object is to destroy for their

own ends the existing order of things. The only manner in which this danger could be averted would be collective action on the part of all powers. I am also of opinion that no support whatever should be given to any other socialistic party in Russia, least of all to Social Revolutionaries, whose policy it is at the moment to overthrow the Bolsheviks, but whose aims in reality are the same, viz, to establish proletarian rule throughout the world... I would beg that report may be telegraphed as soon as possible in cypher in full to the British Foreign Office in view of its importance.” (Ibid., pages 675, 678 and 679.)

The Consul General (Summers) at Moscow notified the Secretary of State May 2, 1918 that “Jews predominant in local Soviet government.” (Ibid., page 518.) “Fifty per cent of Soviet government in each town consists of Jews of worst type, many of whom are anarchists.” (Ibid., Volume II, page 240.)

[END OF QUOTING]

Now I ask you nice taxpayers: Has America stopped funding ANYONE? You never stopped funding Russia. Further, you have unilaterally FUNDED ISRAEL once it was established—and clandestinely, prior to the founding of the State of Israel in Palestine. Now, the same bankers, through the U.N., fund what they wish and make billions of dollars on the loans.

Do you actually believe that the refusal of IMF, UN, and World Bank to further loan money to Pakistan and India to “punish them” will make a difference? Well, it will make a difference—to the better well-being of both countries in point. This “Punishment” garbage is in response to India and Pakistan stopping interest payments for what was already foisted off on them through those grubby banks and bankers. And the bomb tests were just to PROVE that there was clout should the Banksters come to forcibly collect. Wouldn’t it be wondrous if Indonesia could stop their interchange?

All we are writing about is simply a foundation of information so that you can see what and WHO is taking everything from you, including your freedom. And, these criminals will blow up the entire world before they will back off of their intended goal of global rulership.

I just want you people to remember something very important: THE ENEMY OF YOUR GOVERNMENT (WHEREVER OR WHOEVER YOU ARE) IS NOT, PROBABLY, YOUR ENEMY. The first and most important thing in taking another country is by disruption of GOVERNMENT. Bring anarchy and you don’t even have to have an international WAR. The rabble can be roused easily and then the killing begins in serious action. Then terror becomes the activity of the day(s) wherein you won’t even be able to drive to the store without consideration of the road blowing up under your vehicle—or if you are a target, your car may well blow up first—or your home—or, or, or. You can no longer, already, trust your 11-year-old children.

I am far more concerned about the human things coming down than anything Mother Nature will toss at you, so I must leave that advertising of possibilities to others.

Thank you and good morning. 

ALTERNATIVES

The little incidents in Life
Are ours to sort alone;
Each one can be a stumbling
block or form a
stepping stone.

Soltec: You Are *ALL* Mighty Spiritual Beings!

6/13/98 SOLTEC

Greetings, my scribe. It is I, Toniose Soltec, come with and in the Light of the One God.

Be at peace and put aside thy fears, dear ones, for all is playing out as it shall. Your planet is poised at a pivotal point this day, and each of you has a definite and important role to play out. Those who have been with us through the past years know of that to which I refer, and so what is taking place should come as no REAL surprise to any of you. You are the ones upon whom others are going to cling in the coming days.

As to the problem of precisely what is going to occur, exactly when it is going to take place—no one can predict down to the precise day or time. However, if you have been paying attention to all the warnings, all the signals, all the markers along the way, you will come to but one conclusion, and that is, it is underway even at this moment.

Oh, yes, the world has not been blown to bits, your stock markets still hang on by a thread, and most all of you still have places to go, things to do, and money to spend. However, all you have to do is pick up a newspaper or listen to any news media, and just be a little bit smarter than are they, and you can see that things are in a state of definite change—ALL things, children—politically, socially, geophysically, economically and what have you.

What do I expect will happen?

Let me rephrase that for you: *What do YOU expect?*

Ah! Puts it in an entirely different light, does it not?

Let me ask you another question: What is it that gets your backs up so much at ones such as futurist Gordon-Michael Scallion and remote viewing instructor Major Ed Dames?

You holler that they are setting dates! For goodness sakes, children, is that really what gets you so heated up?

Look deeper and examine what it is that really upsets you. At the core of it all you are going to find your old arch-enemy, FEAR!

It is that fear that only disguises itself as anger over ones, such as I mentioned above, setting time lines. Look around you! Get outside your little glass houses and REALLY LOOK AROUND!

It is a mess on your planet, and every one of your precious, little, man-made systems are breaking down around you. “Why?” you ask? Because they are man-made, based on all of man’s fears! Not a one of them were God-based. Are you beginning to get the REAL picture?

Anything that has been contrived and conceived out of fear is pre-destined to crumble. Fear is the design of the adversary, not God. That which is God-based has been designed around love and faith in abundance.

There is NOT lack with God! There is NOT fear with God! For with God, that which you might perceive as lost is never really lost, but merely changed!

You now fear loss of financial security.

Just what is that, anyway? Suppose you are able to keep all your money, only to have it useless? Then what is it that you truly have, other than dirty, smelly pieces of paper? You have fear of loss only because you lack faith in the abundance of God!

Each and every Lighted one of you on the planet, bar none, have the ability to manifest and provide everything you need, and even that which you desire. However, if you are trying to manifest because you are afraid of lack, you will forever be without that which you are trying to manifest. THAT IS FEAR-BASED, and will negate what you are trying to accomplish.

This is not news to anyone who has been following our messages for any length of time, for though different words and different examples may have been used, our messages have nearly always been about overcoming your fears and moving forward. **It is that same state of fear that is causing you ones to go about in such a state of panic as to demand information about what is coming and when it is coming.**

Yet, have we not always told you that setting exact time frames is impossible because all is based upon sequence of events? We have no special crystal ball to look into and tell you,

for instance, that the Long Valley Caldera is going to erupt on July 20th. It does not work that way. We can only look at that which has occurred, that which is occurring, and project that which *MAY* occur.

But there is the little matter of free will, which is always a variable in any and all equations. You ones continually forget about your powers of creation!

Each and every Lighted one of you on the planet, bar none, have the ability to manifest and provide everything you need, and even that which you desire. However, if you are trying to manifest because you are afraid of lack, you will forever be without that which you are trying to manifest. THAT IS FEAR-BASED, and will negate what you are trying to accomplish.

HYPOTHEICAL EXAMPLE:
The Long Valley Caldera is building a dome at the rate of 100 centimeters per month (by your calendars). If that is the only factor in the equation, the time to a full-out eruption may be 100

years into the future.

However, let’s now throw into the equation a nuclear test of 1000 kilotons, say in Nevada, at a depth of one-half mile. Let’s say that it takes place when the magma beneath the surface is shifting in one direction or another. Now, those little wrinkles will change the original equation by a certain length of time.

But, let’s throw in an earthquake in the San Francisco Bay Area, of oh, say 6.5, into the equation. Now that little factor is also going to change the outcome of the equation.

Do you begin to see the picture?

Now, let’s say that some politician, or scientist, decides to move the nuclear test up by two hours, just at the exact moment as the San Francisco earthquake takes place.

Now, guess what?

You have again altered the outcome!

Now if, at the same time, someone changes the intensity profile of the directional antennas of the HAARP array in Alaska in such a fashion as to make their magnetic field cut across the path where the nuclear test is occurring, then chances are that the nuclear test is going to have an altogether different blast profile and thus different effect upon the potential for an eruption at the Long Valley Caldera.

And these are just *SOME* of the variables

one must take into consideration in making any projection of this kind! I have not even begun to mention what your scientists would consider exotic factors which nonetheless have an effect upon this calculation.

This is precisely why we have warned you about exact dates. With five billion people on your planet, you have five billion free wills to deal with, and it is absolutely impossible to predict with any accuracy what will occur.

Windows of possibilities are a completely different matter, however, because based on current conditions and past happenings, we are likely to tell you that there are certain potentials. There also are points of what are best referred to as “critical mass” points. These are the times when so many things of a particular nature are happening, in such rapid succession, or simultaneously, that the potential for a particular occurrence is nearly a certainty. **PLEASE NOTE THAT I SAID NEARLY A CERTAINTY.** That does not mean that it will definitely take place.

This is how prophecy works, children. It is, at best, estimates of potential and possibility, based on past, present, and projected future events and trends. From our perspective, we do have the advantage of much more historical data, as well as more of the current facts, but it is NEVER, NEVER, an absolute certainty!

Yet, I will tell you that your world is on the brink of many of what your prognosticators are calling for. Each of you has the same ability to tap into the same Source as these ones, but most of you are, I am sorry to say, either too lazy or too afraid to take the RESPONSIBILITY to find answers for selves. It is much easier and safer (in your minds) to sit back, wait for someone else to do it for you—and then proceed to slay these messengers if they scare you.

No one has held a gun to your heads and forced you to believe any of it. If you are afraid, then I suggest you find out exactly what it is you’re afraid of, and why you’re afraid.

Fear is the only thing that is holding you back, you know. You can weave into your lives all the excuses and reasons you like, but the basic truth is that all your excuses and reasons were based on fear.

Why does it appear that the adversary is winning? Because most of you are too afraid to really stick your necks out and get them chopped off. But, you will stand behind somebody else and push them out there, won’t you?

Ouch! That one really hurt, didn’t it?

Well, I am truly sorry, but there are times when the best medicine is that which causes just a bit of discomfort. It helps to get the attention better, does it not?

Yes, you are in for some tough times on your planet, both physically and emotionally, dear ones, and if you’re not ready now, then you better plan to pull a few all-nighters and study what you have been putting off, because, when it comes right down to the wire, you are **ALL GOING TO STAND ON YOUR OWN TWO FEET, OR YOU WILL NOT STAND!**

It is time that you recognize who and

what EACH AND EVERY ONE OF YOU ARE! Dannion Brinkley says it quite beautifully: “YOU ARE ALL MIGHTY AND POWERFUL SPIRITUAL BEINGS.”

I could not say it more exquisitely, nor more straightforwardly than that. Awaken to your true reality, and recognize that you do not have to accept anything that the adversary brings your way!

Do whatever you must, but make it a part of your very beingness. If need be, stand in front of a mirror a dozen times a day and repeat: “I am a mighty and powerful spiritual being!” And no, it is not a magical mantra, nor mystical spell. It is called an affirmation.

Stop visualizing yourselves as vicTIMS, and start seeing yourselves as vicTORS! Stop affirming that you are only one little person. NO, YOU ARE ONE MIGHTY AND POWERFUL SPIRITUAL BEING, and you do not have to accept anything the adversary delivers to your door.

Many of you who are, at present, Ground Crew, are in actuality Commanders. You have been such in the past, and have taken on your present lives, upon that planet, for these precise times, because you *do* have the experience to take command of any and all situations when the need arises.

But you have gone there with your pasts veiled so that you might be able to be a part of your current world. You have, however, the ability to see past those veils, but you have bought into the concept that such is not for you to know. These lies are straight from the adversary in an attempt to disable you and keep you from taking up your proper positions.

It is no different today than it was in the final days of Atlantis. You had, for the most part, the same gathering of souls there as are present in your world today—and once again you are all getting the opportunity to make decisions and play out the same lessons as you experienced in those days.

During that time in your long-ago past, technology had progressed to the point where it was possible to annihilate every living thing on the planet—much as it is today. You had created weapons of such mass destruction that it was possible to completely destroy the Earth. However, in the end, the destruction was limited to the land-mass once present in your Atlantic Ocean, and your planet’s axis shifted.

Now, it is up to you, again, as to whether you will stop before mass devastation occurs, or whether you will once again go to the brink of utter destruction—or worse, past the brink and finally blow yourselves into bits and pieces of cosmic particles.

Among you, however, there are those who have become known, over time, as the “Wayshowers”. They are everywhere, and usually not at all what you might expect them to be.

Seldom will they appear as the little old man with the funny hat and long white beard, carrying a lantern. Most likely they will look just like you, but there will be something about them that is striking, that you just can’t put your finger on.

These are the ones who seem to have a little extra twinkle in their eyes and who talk as though they tap the Wisdom of the Ages (and they probably do). They are the ones whose words continue to echo in your ears long after they have passed through your lives. They are the ones who have been warning you, prompting you, and challenging your most fundamental beliefs. They are the ones who others scoff at and call mad, or doomsdayers.

They are the ones to whom you should have listened. They will never tell you anything that you don’t already really know. They will but bring it to your forward remembrance.

They are the same ones who were with you in those final days on Atlantis. They were the ones who were shouting the warnings and trying to persuade others to reconsider their works. They are the ones who were then, as now, scoffed at, laughed at, and called mad. They were the ones who were trying to remind everyone of their responsibilities and their real identities.

Sound familiar? It should, for most of you who are going to hear this message are those Wayshowers! You are the ones who are shouting your warnings and pleading with the world to stop the madness now, for you have been there before and you know what the final outcome is going to be if things do not change.

But I digress. I only mentioned that because you have the Wisdom and the Knowledge within you. You have the ability to see past the veil. **YOU ARE MIGHTY AND POWERFUL SPIRITUAL BEINGS! You just need to refuse to accept that fear that is holding you back!**

I do not know how else to tell you—how to bring you from your state of immobility. Stop the fussing, the fighting, the arguing, and become one, united mind. Each of you are powerful within yourselves, but two are more powerful than one, and a thousand are a million times more powerful, yet, because it all has to do with channeling the energy that is present in everything, everywhere, about each and every one of you. And, if you link your channeled energy with that of another, and another, and another, then you will have that much more energy focused and channeled into a particular thing or idea.

Remember Esu “Jesus” Sananda’s words: “Where two or more of you are gathered together, of like mind . . .” Chelas, he was talking about exactly what I have tried to say. You are all individuals, but you are also all an intricate part of a greater whole, and it’s that greater whole from which you draw your Power.

That Power is not about guns and knives and weapons. It is not about money or any material things. It is not about courts of law and attorneys. **IT IS ABOUT GOD!** And with God, all things are possible, **IF YOU BELIEVE AND DO NOT DOUBT!** It is doubt, that comes from fear, that will negate it all, so your first

task must be to eliminate your third-dimensional-based fears.

No, it is not easy. But then, nothing worthwhile ever is easy. Anything you really have to work at, is a lesson you will remember and not forget so easily.

Well, we could go on with this subject for a very long time, but let's face it, chelas, we have been going over this for far too long as it is. IT IS PAST THE TIME FOR PUTTING OFF UNTIL TOMORROW. IT IS PAST THE TIME FOR SITTING ON YOUR BACKSIDES. IT IS PAST THE TIME FOR PASSING THE RESPONSIBILITY OFF ONTO ANOTHER.

IT IS NOW YOUR TIME! IT IS TIME YOU STARTED DOING FOR YOURSELVES, AND STOPPED WAITING FOR ANOTHER TO GIVE YOU A MESSAGE. THERE IS NOTHING SPECIAL ABOUT THE RECEIVERS WHO WRITE THE MESSAGES FOR YOU, OTHER THAN

IT IS NOW YOUR TIME! IT IS TIME YOU STARTED DOING FOR YOURSELVES, AND STOPPED WAITING FOR ANOTHER TO GIVE YOU A MESSAGE. THERE IS NOTHING SPECIAL ABOUT THE RECEIVERS WHO WRITE THE MESSAGES FOR YOU, OTHER THAN THEIR WILLINGNESS. STOP AND THINK ABOUT THAT ONE AWHILE.

THEIR WILLINGNESS. STOP AND THINK ABOUT THAT ONE AWHILE.

The time is upon you when the medium for these messages (this newspaper) may not be available to you. Then, what do you intend to do? Will you remember then what you have been told, and start hearing for yourselves, or will you just shrivel up and become part of the nasty statistics? The choice is completely your own.

Do not look to your neighbor to do it for you. He has had no more advantages than have you.

It is time to put away your childish behavior and begin to act and to live as you should. It is childish to quibble among yourselves and be jealous of another. Stop pointing your fingers at one another, for your shortcomings are no less than another's. Stop running around gossiping and tattling. It's time

you moved up from your third-grade emotions and actions and began to take upon yourselves the full responsibility for selves.

The only reason you are behaving in such a manner is because you are afraid, and by pointing a finger at another, you are hoping that it will take the attention off yourself. But while that ploy may work with others in your immediate grouping, understand that it does not work with us—and GOD, above all, sees past all those little games. You might be able to hide your fears from one another, but you cannot hide them from God!

So long as you continue your current behavior, you are never going to step off that wheel of karma. You see, in order to step off, you have to let go of your fears—all of them, and take full and complete responsibility for every bit of your lives.

You bet this is a tough message! But, guess what? It's past time for hand-holding and nose wiping. It is time for you to grow up and become productive members of the Universe! But, that decision is completely up to you.

Have a good day, and thank you for sitting and penning this message. I am Toniose Soltec. I am in service unto the One Light of Holy God. Blessed art thou, oh children of the Universe!

Salu. 

72-Hour Kit Checklist

Water

Stored in a portable container; at least three gallons per person (for a three-day supply). Rotate regularly. Have water purification method(s) such as 10-12 drops (per gallon of stored water) of 35% food-grade hydrogen peroxide, plus water filtration equipment.

Food

Suitably packaged for long-term storage. Also cups, utensils, paper plates, can opener if needed.

Extra Clothing

A complete outfit of warm clothing for each family member. Include socks, underwear, walking shoes.

Warmth and Shelter

Coats, hats, scarves, and gloves for everyone. Include warm blankets (wool or emergency blankets are best). Rain ponchos, garbage bags, umbrellas to keep off the rain. Warm packs or other heat sources. Tent or tarp.

Light Sources

Flashlights with extra batteries, or chemical lightsticks. Flames from kerosene, propane lanterns require caution. Have at least two quick and safe light sources.

Tools

Pocket knife, camping shovel, duct tape, matches, pocket sewing kit, screwdriver, pry bar, hammer, etc.

Important Papers

Important documents (birth and marriage certificates, insurance forms, wills, etc.), addresses and phone numbers of relatives, and places to meet if separated.

Money

Store at least \$20.00 (CASH) per person. Be sure to include change, such as quarters for phone calls, etc.

First Aid Supplies

Pain relievers, bandages, antiseptics, clean cloths, burn ointment, rubbing alcohol, first-aid instruction manual. Include personal medications and prescriptions.

Special Needs

For babies: diapers, ointment, bottles, pacifiers, hand towels, special foods, other supplies. Consider needs of elderly, handicapped, or other special cases. Don't forget pets. Include pet foods and any medications they need. A pet carrier will be handy.

Stress Relievers

Card games, books, small hobbies, audio (music) tapes and player. For children: small toys, paper and pen, and favorite security items (blanket, stuffed toy or doll).

Communications

Portable radio with batteries (one requiring no batteries is best), signal mirrors, whistles, red flags, signal flares.

Personal Sanitation

Toothbrushes, mouth wash, hand soap, dish soap, razors, sanitary napkins, towels, toilet paper.

Portable Container(s)

Backpacks and duffel bags are ideal. Container should be light-weight, sturdy, water-proof, and easy to carry. Shoulder straps are best for traveling long distances.

Additional Items

Add as carrying weight and budget will allow. Extra food, camp stove, cooking equipment, tents, sleeping bags, sun block, insect repellent, portable toilet, additional tools (like axe for clearing fallen branches) and more sophisticated first-aid items including the *US Army Survival Manual* (FM 21-76, available from Barnes & Noble Books).

Lanto: “Disasters” Provide Great Teaching Tools

6/13/98 LANTO, THE SAGE

Greetings, my scribe. It is I, Lanto, the Sage (one who has gained wisdom through experience). I come in and of the One Light of Creator God. I am most closely associated with the physical harmonic frequency of the color yellow, though I am hardly limited to any one vibrational frequency in any one realm. We are all created in the image of Creator's broad spectral expression and thus are limitless beings. Be at peace, for you know me well.

I have come as directed by Our Father, The One Light, so that His promise to your world will be fulfilled, and so that you ones may have insight into that which is fast approaching into your reality of experience.

Know that there is balance in all of Creator's thought projections. Even the most seemingly horrible of events have reason for occurring, whether or not you can see the Greater Wisdom unfolding before you.

Your planet as a whole is in a state of great unbalance. There are many reasons for this condition, and perhaps the greatest one reason is because you, the inhabitants of Earth-Shan, have not stood up and exercised your God-given right to demand accountability from the so-called rulers of your planet.

How, you may be asking, has this come to be?

This has come about mostly through self-ignorance of the masses, but also through deliberate and calculated manipulation throughout the past several thousand years. What you are now experiencing is the sum total of your planetary population's refusal to awaken to a greater awareness of the God-self within each. This awareness includes the realization that you are each responsible, both as individuals and as a planetary species, for the kind of energy you allow to propagate from within you, and subsequently contribute to the total consciousness of your world.

The lack of conscious attunement to balance

creates a “polar” charge in terms of energy flow. This is because every mis-guided step in the “wrong” direction necessarily generates a counter-pressure toward a condition of balance.

There are several ways in which to re-balance this “polar” charge. The preferred method would be to come back into balance by systematically relieving the “pressure” by

allowing TRUE knowledge to flow into the world.

Many of your so-called elite controllers have hidden truths and subsequent technologies from you-the-people. These gifts were originally meant to liberate your planet from the need to RAPE her of her natural resources, which would eventually lead your planet towards a

greater freedom.

Ones such as Nikola Tesla were sent to bring you the fundamentals of “free energy” that would put a halt to the world's pollution, starvation, and eventually, your preoccupation with materialism. This technology was severely suppressed by the greedy power-brokers who would not look past their personal agenda, to allow a greater recognition of the true evolutionary importance of such gifts. It was (and still is) equally suppressed by the ignorance and lack of forthright demands by the general public to insist that this type of evolutionary technology be exploited and utilized.

The masses were kept in the dark for the most part, and believed the half-truths and lies which their news-media sources told them to believe. Not much has changed and the masses are still influenced and controlled as they have been for quite some time.

But what about YOU?! Here I am referring to anyone and everyone reading this. What have YOU done to demand that a greater Light shine upon, and thus expose, such atrocities?

For the most part, the average reader of these messages has done little more than get themselves upset. Some of you have researched a little to see if there is anything to this free-energy “stuff”. But beyond that, what have you done?

Have you written your Congressmen with an intelligent letter containing documentation and proof? Have you gone to your news-media sources with the same documentation and proof? My point here is simply that, though there are a few who do all of these things, most of you have done nothing-to-very-little to change the prevailing shackles of control.

Why? FEAR!

This is the major reason why your world is in need of such great awakening experiences. The average person does little-to-nothing to demand that true KNOWLEDGE, which has been gifted to this planet, be shared. When the preoccupations of living change from where to get one's nails done or what the latest basketball scores are, to where the next meal is coming from—then there will be a desire to overcome your fears and take meaningful action!

There are MANY military men out there who are sworn to “secrecy” as to the existence of various technologies that could be utilized in such manners as to provide the necessary resources to, for instance, water the deserts and thus feed your starving world. These ones are usually chosen after extensive psychological testing exactly because of their ability to be manipulated and controlled. These ones are nearly incapable of formulating an independent thought for themselves, and thus you have the source of the phrase “good men who do NOTHING”.

When your world is faced with the great needs of survival of your species, these ones and YOU ones will be forced (from your own inner desire to survive) to take action. The ones with the knowledge will realize that there is a greater need and use for the “secret” technologies.

Many will proclaim, in ignorance, that God is somehow punishing them. This, again, is so that they will not have to face responsibility for their own actions and in-actions. All who are reading this, even if you are Ground Crew, have contributed in some way to the current conditions of your planet and thus you have a “need” to experience the balancing effects of the Universal Law.

These forthcoming events, about which I speak, will be in ALL areas of physical experience! For those who place great importance in the stock markets or other financial arenas, your “nightmare” will be the collapse and subsequent shift in the value system of your world. When a loaf of bread fetches more than a hundred pounds of gold, you will be caused to go within and question your personal values.

For those of you who place great value upon physical things, such as houses, cars, and the latest clothing styles, you will be caused to search within when the massive Earth-changes destroy the stick houses and factories which manufacture your material goods. You will experience, perhaps for the first time, the inner beauty of ones who offer to assist you in your time of need, no matter how dirty or disheveled they may be.

God has sent we of the Hosts to help those of you who so desire the help, so that you may have the Guidance necessary in order to prepare. The net effect of the coming major experiences will be of great positive value—in terms of the TRUE inner values that really matter! Let it be known that very few at this time give much thought to these inner values. But they WILL!

There will not be any place on your globe that will not be affected by this great re-balancing cycle. All who survive will have been caused to look within and ask for Guidance. There shall be the Guidance and there shall be a great resurgence of inner connectedness to that Guidance.

Ones will put aside their differences and recognize the value of community sharing. No one will be able to survive for very long in the physical without the assistance of a community effort.

Great intellectual “wizards” who are used to their luxurious lifestyles will become the students of the pauper who has lived homeless for years and knows how to survive. The net effect upon your world will be a great

resurgence back into that which has TRUE value—the inner world wherein all is connected to ALL. Each person will realize that there is great value in sharing with everyone the gifts

general ways so as to be able to come to your own answers when a challenge arises.

God has sent we of the Hosts to help those of you who so desire the help, so that you may have the Guidance necessary in order to prepare. The net effect of the coming major experiences will be of great positive value—in terms of the TRUE inner values that really matter! Let it be known that very few at this time give much thought to these inner values. But they WILL!

Prepare yourselves with those things that will aid in your physical survival. If you have prepared for yourself and your family, and you have the means to do so, help another to prepare who may not be as able,

such as an elderly neighbor. they possess, for in doing so all will prosper in many ways— physically, emotionally, and spiritually.

Will the economy collapse before the great earthquakes commence?

Will the nuclear wars start before the planet enters into the full effects of the Photon Belt?

These questions can only be answered in terms of probabilities. There are many possible scenarios and you would be wise to prepare for each as if they were going to happen tomorrow.

I am not here to be a fortune-teller; I am here as a Teacher and Guide. Can your parents possibly prepare you for *all* of the possible scenarios that you could encounter during your lifetime? No! But they can give you enough information (tools) so that you *can* prepare in

There are many things that may be of individual value. You each should go within and listen to what your Guides are telling you. Perhaps an axe or a chain saw or even an oxyacetylene torch will be on YOUR list. There are many devices which may help you rescue someone who may eventually return the favor and save YOUR life with the skills or knowledge that they possess.

I am Lanto, the Sage. I come as Guide and Teacher to any who wish to hear. I come within the One Light of Creator Source.

The final clarion is ringing and will continue to do so from here on out! How will you respond to the call?

Salu. 

Wisdom Of The Rays: The Masters Teach

ABOUT THE BOOK

This large collection (over 400 pages + 4 color photos) of popular spiritual writings from the *CONTACT* newspaper includes a detailed introduction to the 14 Higher Authors, plus several commentaries unique to the purpose of this volume.

The expansive yet compassionate nature of the messages delivered in *WISDOM OF THE RAYS: The Masters Teach* not only challenges those already firmly committed upon the spiritual path, but also provides a serious first step to help ones who are just awakening to (and inquiring about) the magnificent Spiritual Transformation now sensed by many to be in progress upon this planet.

FROM THE BACK COVER

“Our Elder Brothers from the Higher Realms of Creation are attempting to communicate with ALL of us at this time. Why? Take a look around you. The old ways of doing things aren’t working. Our planet is entering a time of massive, turbulent change and renewal. To put it bluntly: we NEED help! And that’s where this book comes into the picture. Yes, eventually ‘the Phoenix will arise from the ashes’ after this Great Cleansing process, but the ride could be quite a bumpy one, especially for those ill-prepared for what is to happen.

“Just how we choose to deal with such change is THE question each of us must confront. Yet confusion swirls everywhere upon Earth at this time. And restless searchers cry out for that which may help them cope with these truly challenging times ahead. Thus these messages courtesy of our most loving Elder Brothers from the Higher Realms of Creation who are but further along the same spiritual path we all must eventually walk.”

Visions Of A Future After Earth Changes

6/14/98 #1 HATONN

MOM'S GARDEN

Dharma went out onto the front little porch outside the front bedroom to look down on the garden of wild-flowers this morning. They are God's gift to a world in waiting for all bad things to come. She thanked us for the flowers, and finally, as we came to write, she asked if we could just write today—about things which allow us just a brief moment in time—and appreciate that which we have to hold for the moment with no regrets, no alternative wishes—just appreciation. Perhaps we can deal with the flowers' passing tomorrow—always tomorrow—IF POSSIBLE. Well, the flowers will not pass away tomorrow but will be replaced by those Fall blooms—IF SEEDS ARE PLANTED.

“Oh, I don't want to replace the seeds for these blooming are Japanese silk poppies and California poppies and I want them next year.” So, I answer, “Then let whatever God provided and man put into the wild-flower package—do its thing.” But rather than think of the missing flowers—ENJOY THEM WHILE THEY ARE THERE! EXPECT MORE BEAUTY AS THE WEEKS PASS—AND GOD WILL PROVIDE—BUT YOU MAY HAVE TO ATTEND THE PLANNING.

“SIR, I don't plan things of that sort—I type, remember?” says She. “Then, allow God to plan, ask help for the weeding, and WATCH THE FLOWERS BLOOM,” I responded. Even the flowers have seasons, readers, and as each kind blooms in the garden of time—each is as beautiful as the other—if you but open your heart and see. A friend, a child, a plant: these are things of beautiful blossoms in the very HEART OF GOD. Each is a blessing which allows you to KNOW all things of life can go on through eternity. Have those poppies in some form not been in some garden somewhere for lo the generations? All except the lavender Venusian Germaines. They were seeded in the late winter-early spring of 1988-1989. Why? Because it would be a “new” type of flower that would become outrageous in its display within the decade, and yet, would show you EXACTLY where the expected “water line” would be—in their first year.

Water line? Indeed. We seeded the entire area around Tehachapi in the snowfall in April. Anyone here in that season noted that the line of flowers was exact to the “foot”. In Tehachapi proper the flower line was below the city level, but in some parts of lower country there were only flowers on top and high sides of the hills and mountains, and none lower than

the snowfall THAT year. Now they are everywhere—but that year we needed those particular flowers to show the line where water could eventually be expected to rise. This was for our mapping of the area, but we shared that with you way back then. The information has never been the same again, so now all you need them for is to remember and enjoy as they turn the place into a lavender painting. But then? Ah indeed, you were told it might not be safe a few decades later to plan very much below that flower blossom line on the hillsides, in this area.

Even people who have lived in the area for generations were shocked as “new” and unusual little posies painted the countryside. Now, they would tell you that “they have always been here”! No, they were NOT always there—not in this area. Is it important? YES INDEED. If you are to make a successful progression—these things are VERY IMPORTANT to the changes expected topographically. Do you like shorefront property, underwater property, or dry toadies?

There must be realization that we could expect waves as high as the snow line of that particular month a dozen years ago. That does not mean that the level of ocean water would remain at that level, as things would settle back down to “normal”, whatever that means.

Why would there be expected changes if Mother Earth always has and always will, do her thing? BECAUSE YOU HAVE DETONATED SO MANY NUCLEAR EXPLOSIONS UNDERGROUND, AND ABOVE GROUND TESTS, THAT NOTHING IS REMAINING AS IT WAS. You must realize that the results of a nuclear reaction produce incredible heat and mutation of everything from body tissue, genetic structure, to intense heat, and that reaction goes on for tens of thousands of years.

Your Earth mass and sea mass is completely undermined with these fissures of radioactive material with temperatures high enough to have combustion of air in some places. This is exactly what happened on other planets and the planets most near to you—we can judge by what happened last on other “great” planets. The public doesn't have the faintest idea about MOST of the research in point.

Can we cool things down enough to salvage everything? No. We wouldn't if we could. Why would we tamper into YOUR LIFE PROGRESSION? YOU MUST JUDGE AND DISCERN FOR WE HAVE ALREADY LEARNED OUR LESSONS.

If things get totally out of control, your planet will be encapsulated in a plasma bubble so that you do not interrupt the orbiting order of the cosmos. So you who think we are here

to play footsie or patty-cake with you, forget that old rapture bit. We are not here to interfere—we are here to protect those of other realms of life.

Ah, but will the flowers continue to bloom in our gardens? Perhaps, for the mountains and hills, in this location, will be thrust upward and Nature will have to reclaim those higher peaks, while much you recognize now will be under water. I remind you, however, that the only real cleansing for radiation—is WATER. Water and air are THE mandatory things of sustaining life as you recognize it in the human form.

Will the planet be destroyed? No, God does not destroy His creations once created—HE USES THEM FOR FURTHER INVESTIGATIONS TOWARD PERFECTION OF HIS FAVORED SPECIES. There will be a remnant and you who understand that will be among the teams remaining in security after the horrendous changes happen. I did not, however, say “God cannot destroy or uncreate His creations.” I said He doesn't. If He has uncreated or destroyed His creations, then they are not around for you to concern about—are they? I have a lot more insight to that which is around now so why bother about that which IS NOT? If something “comes to be” within your consciousness—THEN you spend time bringing it to life with YOUR thoughts—or leaving it lay to dissipate into the ethers of thought-form, waiting to be manifest.

GOD promised to send you THE WORD OF TRUTH before there would be more destruction than the species could handle—and in time for the changes to be made. THIS HAS BEEN DONE NOW, READERS. In deepest Africa now we have made connections and a lot is taking place among your remnant brethren. Then, to the other direction, there are more of the remnant doing everything they can to salvage possible ongoing life. But the WORD, itself, has now gone around the globe—just from this keyboard location. Is that not a mighty feat of something of which miracles are manifest? And YOU HAVE DONE IT! YOU are THE miracle of miracles.

We were not given a mission of “saving the world”, friends. We were given the mission of making sure remnants survived and can flourish AND TO GET TRUTH OF GOD AND MAN AND THE RELATIONSHIP BETWEEN THE TWO ALONG WITH THE RELATIONSHIPS WHICH MUST BE SUSTAINED BY NATURE AND MAN—IN CONNECTION WITH CREATOR. THIS MEANS THAT WE MUST FOCUS ON OUR ABILITY TO “CREATE” BETTER WAYS, HONORABLE WAYS, TRUTH IN ALL THINGS AND COVER OUR ASSETS FOR WE WILL ALSO NEED THE THINGS OF THIS CIVILIZATION TO SURVIVE AND THRIVE INTO THE NEXT.

My response to “what about all the others?”, is this: “Never mind the OTHERS.” If they are souled beings, they are already safe as to continued life in proper form. If they are not souled beings, then they are not of God nor Man as you might recognize “creation” in perfection to be—and thus they will simply BE NO MORE. IF THERE ARE EVIL ENTITIES LEFT AMONG THE REMNANT, THEY WILL NOT BE ABLE TO REPRODUCE THEMSELVES FOR THE SOCIETY IN POINT WILL NOT ALLOW THE THRIVING OF SUCH ENTITIES FOR MANY, MANY

GENERATIONS TO COME.

Will those of yourselves who make it also—change? Indeed, in just about 30 seconds as the water rises! Will it be worth the surviving? Yes.

If you who basically have “charge” handle things correctly and generously, ways will be established which CAN see you through in ways you recognize, while building for a “future” which will produce NEW ways of doing things and new ways of living. The things of mass destruction will be buried in order to cleanse the planet and the globe will be off-limits to warring visitors in order to give human-kind a chance to rally his creative abilities. The higher intelligent brethren will be available to assist and help you to stay on a righteous pathway. The negative energies will be housed elsewhere by mandate until some time far later in your imaginings.

Unless you wish to start again with sticks and stones as your only tools, you will prepare, and by that I also mean you will HELP the ones in leadership and CONTACT to flourish and gain that which must be gathered in sequence of gathering. This means, in this perception—great funds for our needed preparation for long-time survival. You will need, in various places here and there, tractors, tillers, discs, transportation, water purification capabilities, and yes, even banks. This is why we are going back to our once totally honorable Native population. They have, however, learned to be equal to any bad persons on the globe—so they too must be sorted and identified. But you START where you can do so and GROW FROM THERE. And yes, you must do it while there is still evil afoot at every turn. How much evil do you hold? Lots and lots, good friends. Good is not birthed from evil but the Good shall prevail OVER THE EVIL.

Will evil be abolished? No, MAN must handle evil within himself—that is not an intention of God to take away Man’s schoolrooms. HE can see, however, that YOU are going to annihilate your own schoolrooms. How “good” or “bad” it ends up being, is up to YOU.

But you will learn to live and thrive on the “living” things of life—on the products produced by the livestock, etc. Without the governmental CONTROLS you will be able to grow the best crops for weaving cloth for your clothes and for spinning wool to make your warm covers. You will eat cheese, drink milk, eat fruit, and plant seeds. You will eat eggs and use feathers for pillows. You will stop killing everything that comes within your spaces. You will live in harmony or you will not survive. If you eat your chickens rather than save them for eggs ongoing—you will starve yourselves to death sooner than later.

In OUR villages, or great cities, there will be no acceptance of violence and indeed THERE WILL BE GUN CONTROL. GUNS ARE FOR KILLING AND TO ENSLAVE ANOTHER, so if you have to have guns to live—get thee OUT OF OUR PLACES. I can promise that the rousters of the world will NOT LIKE OUR PLACES and they will eventually turn their own guns upon themselves—and indeed, we shall certainly allow it.

There are ones in prison who believe that they will come and perk up our little ongoing “stuff”. NO, they will not and they will not be welcome—period. So, I suggest you who

participate with some of these expected visitors—that YOU make it very, very clear that we are not a paper to present hate, revenge, subversive activities, or even just Constitutional Law. A lot of your constitutional LAW stinks—and warring capabilities is one of the worst.

In most instances you will find that WE OF THE HIGHER BROTHERHOOD will make your decisions FOR YOU as regards those who think themselves the solution to your problems and wish to run things for themselves. They have distorted intentions and considerations. The *Second Amendment* will be the FIRST to be removed from your *Constitution*—then we might be free to work on the other points in consideration.

“If this be true, then count me out,” some of you will say loudly and clearly. So fine, we count you OUT—but you take yourself elsewhere where you will be happy in their presence and you can just shoot each other until all of you are GONE.

Killing of animals will also be stopped in almost all instances so that knives will be useful for the trimming of weeds and harvesting of grain and crops.

Along those lines I suggest you get a goodly supply of SOY BEANS for they still produce the best curd for tofu and fermented seasoning with life sustaining qualities.

You will also stop the cutting of trees for your silly needs. You can make better paper from plant fibers as well as clothing. Leave the trees and shrubs for your oxygen supply for it will be diminished as it is taken up in massive reaction chains.

For the tofu you will need a supply of salt, preferably sea salt—to make your curd. I told you a long time ago to get instructions and learn to make these basic foods. And no, Dharma is not going to do it FOR ANYONE, probably not even herself—NOR AM I. What are you going to do when Dharma is not “there” to make your silver nitrate solution? What about the mixture of vitamins for the Drias? WHAT ARE YOU GOING TO DO?

I am asked about banking, daily. What about it? My suggestion might be to find a suitable casino that Mr. Wilson or Mr. Clinton plans on CLOSING on a reservation, as handy as possible, and convert it to a bank WITH A LARGE VAULT in which you can store your gold which backs your currency for the future hard times. A whole network of these banks can be accomplished in quite a short time with new computers and enough space to allow start-up.

Building supplies? There are plenty of building supplies without cutting even one more tree. You can get power from the Sun—so stop the wheeling and dealing—and learn HOW. You can form your structures of great size and quantity from the Earth, as in various kinds of cement—say cement with spelt hulls. When the government closes—so too will the silly restrictions which disallow wells and growing of various things.

As you have funds, you will want to have looms, dehydrators, and other things to allow for living. This means that, as industries shut down for whatever reasons, you can acquire a great many things which will allow you to flourish in your island of living. You would be surprised at what wondrous fabrics and paper you could make from processing such as mustard and starthistle plants. Anything that grows in hard and

poor soil areas have long fibers which serve the textile industry well indeed.

Will everything be changed and wiped out at once? Probably NOT. Therefore PANIC is not the name of the game. Take it one step at a time—but hit those steps running the minute possibilities for funds are available. AND, YOU MEET EVERY REQUIREMENT OF THE LAW—OF GOD AND MAN.

Do you need to go back to the cave? Heaven forbid—why do you think you start this time with so much wonderful technology? You simply do not want the destructive technology—but rather, the life-enhancing things.

Why would we wish to put our “survival” places in proximity to the worst underground facilities on your globe? To have access to the protection AND THE PRODUCTS of those underground operations. The negative life aspects will be closed down. You are going to need to know how to get growing lights down under the ground, aren’t you? You are going to have sustained winds up to somewhere around 250 miles an hour—so life underground may well be your most comfortable way of going about living until normality returns to the chaotic top-side.

This means you will need to collect some earth movers and tunnel drillers and other neat mechanical things beyond the shovel and pick.

Does this mean that you live like ants in a maze of underground holes? Yes, probably. You will also have to provide underground for your animal life as well—and for crops and foodstuff. The “natural” resulting chaos will probably return to what you call living normalcy by about 2015 and you will be a long way ahead in your underground controlled-growing capabilities. When you are able to comfortably build above ground again, you will be wiser and more diligent in your approach. AND THAT, FRIENDS, IS THE LEGACY WE LEAVE TO OUR CHILDREN—NOT DEATH AND DESTRUCTION.

I have not missed a beat of our song, chelas. I have chosen people who I KNOW ARE TRUSTWORTHY and will SHARE TO THE LAST FARTHING WHATEVER THEY HAVE OR WILL HAVE. Would you? It always seems as if you would—but then again, it is always “after I get what I want”. We must move quickly and in full intention of God’s Will and I had to test my teams to the breaking point—to see if they would break. No, they have not. THEY HAVE NOT. They want to run away a LOT. They want to simply do things other people do—like go to a doctor or a dentist—but that too can wait if necessary. We must keep pushing and pulling and working every possible moment, and stop the dreaming about wings and posies—and get on with the “getting” for our needs. Gaining for self must stop as a focus. Greed or envy MUST BE ELIMINATED! STOP measuring self by any other for your job and joy will come from your own direction in action—not another’s.

I am asked why we don’t have as many listeners as does Art Bell? We don’t have a program is why. WE DO NOT WANT A PROGRAM—WE WANT NO ATTENTION SAVE FROM “OUR” PEOPLE, AND NO ATTENTION AT ALL FROM THE GENERAL PUBLIC OR GOVERNMENTS OF ANY PLACE—LARGE OR SMALL. DOES EVERYBODY HERE HEAR ME? WE WANT

NO ATTENTION, FOR OTHERWISE WE CANNOT BE GETTING OUR MANDATORY WORK DONE. LEAVE THE BLOWING AND PROPHECIES TO THE ART BELLS, SCALLIONS AND OTHERS. THAT IS THEIR PURPOSE; IT IS NOT OURS.

“BUT WE COULD MAKE MONEY IN CASE WE DON’T GET FUNDED,” IS THE HUE AND CRY. NOT ENOUGH, IS MY RESPONSE—NOT ENOUGH. WE WILL DO WHAT WE HAVE SET OUT TO DO—MASSIVE FUNDING FOR MASSIVE GROWTH. A BIG PIECE OF DIGGING EQUIPMENT IS GOING TO COST YOU HALF A MILLION DOLLARS, AND ONE ONLY WILL BE NOTHING. WE MUST HAVE MAJOR RESOURCES AND OUR OWN VILLAGE MUST BE DUPLICATED IN VARIOUS PLACES AROUND THE GLOBE, DON’T YOU KNOW? WE DON’T WANT TO EXPOSE OR DISPOSE OF OUR VERY INTENTIONS THROUGH IDIOCY OF EXPECTATION THAT WE NEED TO BE BIG SHOTS IN THE OVERALL CALAMITY AHEAD. YOUR OWN ISLAND WILL SEEM VERY, VERY BIG WHEN YOU HAVE TO WALK IT.

WE ARE REACHING THE VERY ENTITIES WE NEED SO IF YOUR INTENTIONS ARE JUST TO HUG TREES AND ATTRACT PEOPLE LIKE FLIES—STOP AND THINK AGAIN—CAREFULLY. WE HAVE MEETINGS—FOR OUR TEAM—NOT TO SOLVE THE NATION’S PROBLEMS. WE USE THE NATION’S PROBLEMS TO GEAR OUR ACTIVITIES SO THAT WE ARE NOT NOTED NOR PLAGUED BY INVADERS. WE ARE NOT IN COMPETITION WITH GOVERNMENTS, AND BILLY’S ZIPPER IS HIS PROBLEM AND THE PROBLEM OF THOSE WHO NEITHER SEE NOR HEAR ANYTHING ELSE. THOSE PROBLEMS WILL SOON NOT BE ANYONE’S PROBLEMS AND MORE ESPECIALLY **NOT OURS**. NARROW? YES. VERY, VERY NARROW. WE WILL NOT INTERFERE NOR INTERRUPT THE POLITICAL AGENDAS. WE HAVE A MISSION AND IT IS NOT RELIGIOUS NOR IS IT POLITICAL. IF THIS DISPLEASES YOU WHO MIGHT HAVE BEEN WAITING FOR GRAND ACCOLADES FROM THE CITIZENS OF A WORLD—SORRY. WE SIMPLY WANT YOU TO STAY ALIVE AND THE CITIZENS TO GO THEIR GREEDY WAY. I WANT CITIZENS OF GOD—NOT CITIZENS OF THE WORLD. And, oh yes, there are a LOT of those nice people scattered all over your globe.

By the way, we are not here to know who killed Kennedy or which rendition of video tapes are correct. We learn the past to prevent the repetition of the acts in the future for we can only build in KNOWING—not in fighting or tattling or even in practicing a governmental process done before. We must know how to build and grow in the direction of God’s way and that means all we have to know of the old is what was—so we can recognize, in truth, what IS. Then we take the knowledge and USE

IT WISELY.

The sequence of events MUST BE PERFECT, chelas, and not according to your desired (you think) time-table. If you act too quickly, you will be stopped—and every one of you are so impatient as to act TOO QUICKLY. But if you act too slowly—you miss, entirely, the possibility presented, forever! If we truly serve GOD, we will have the right WAY matched to right TIME-TABLE. This does not mean that my team can drift about in the breeze lest they never get their part of the “way” provided so that we can get on with the rest. I have about, give or take, “one” who is not allowed to get very far distracted from myself.

May you NEVER stop seeing the flowers—but may you always continue your vision to that which is to come IF YOU DO YOUR WORK. And, WORK is a silly word—for your work is your very life-sustaining joy. BOREDOM has killed your world and left it to the dregs of humanity.

Think carefully upon these things for the time is upon you in the choosing and in the sorting. CHOOSE GOD AND ALL ELSE WILL BE ADDED UNTO YOU—BUT YOU CANNOT CHOOSE **FOR ANOTHER**. HOWEVER, THAT **OTHER** MAY WELL TRY TO DO “YOUR” CHOOSING. BE CAREFUL AND GO WITH THAT WHICH YOU **KNOW TO BE RIGHT**.

The rest try for about every distraction they can find—to avoid the input which is mandatory but is so fearsome in responsibility. When they get on with focus on that which is mandatory, we will get INSTANT AND IMMEDIATE RESULTS. They all, E.J., just like you—cop out at every opportunity—even if it means going to sleep in the middle of a sentence. YOU HAVE ONE PURPOSE—AND THAT IS TO DO THIS NECESSARY WORK AND EVERYTHING ELSE IS OF NO IMPORTANCE WHATSOEVER. DO YOU BETTER UNDERSTAND ME NOW?

We have waited and nagged and pleaded with others to take up this awesome responsibility FOR US, and we FIND NO ONE. Some have taken up THEIR responsibility and have seen to it that we make it THIS FAR. They support in ways that are unmeasured in simple love and, yes, foundation upon which we can continue our own production. And they do this from great distance and solid realization of the need to keep us from folding our own tents just short of the city of stability.

Yes, Dharma is given to see and know—but usually not in consciousness for the conscious visions are devastating and loom large to the human senses. It is painful for Scallion, as a for instance, or your other “Knowers” to see and realize the components of things to come, which are but the remembering of how it WAS. This allows you, however, to not duplicate errors, but rather, change, grow, balance and harmonize with all that comes hereafter. BUT, gang, the time is now for action with the LARGE possibilities.

Dharma, for instance, just this week was given to see a vision of a man in robes with blood on almost all of his being—turning to help others who were injured and dying. It was not a large group and the faces were unclear—but she has seen something which will happen

within the week or next, as notable people begin to be targets of assassins and governments making a play for final domination. Yes, she knows who it is—but the final placing of a face on one of the departing GREAT people, is much to bear and the brain will cover the features so that you can deal with possibilities but not focus on the grief of “one”. It is like Ellen in that she can grieve over a friend called Del in his departure at 80-plus wherein others who know not Del can only note that an 80-plus man “passed” on. We must honor BOTH, but one stops the motivation for a bit while the other allows continued focus instead of distraction.

So, was it HERSELF she witnessed? Is it symbology? It is warning and reference, and don’t read more into it than is there. IF it be her in her vision, she must realize that she was still living, even if bloodied, and things would go on. If it is not her, it is important, that person there, even the dead ones, of note. If you see the face and realize the missing person you planned from which you would receive help—does it slow or speed your assumptions and necessary actions? YOU MUST GO ON FOR NO MAN IS INDISPENSABLE TO GOD’S CAUSE. YOU MAY EACH BE “VITAL” BUT NOT INDISPENSABLE ENOUGH TO ALLOW CLOSING OF THE MISSION AT HAND.

She says to me, “But Sir, I believe it to be Kofi Annan in my picture.” I say, “So what? Is it the one living or the one dead?” Is there a difference? Not to us there isn’t—except to realize that things happen and more and more will be happening which will literally break your hearts as you see man destroying man. Do not the living spill the most blood? The dead stop bleeding in the human form. If a man is bleeding—he is still alive and isn’t that a wonderful realization? The dead may well precipitate the actions of the living toward positive and good actions—and isn’t that an even more marvelous realization?

May you NEVER stop seeing the flowers—but may you always continue your vision to that which is to come IF YOU DO YOUR WORK. And, WORK is a silly word—for your work is your very life-sustaining joy. BOREDOM has killed your world and left it to the dregs of humanity.

Think carefully upon these things for the time is upon you in the choosing and in the sorting. CHOOSE GOD AND ALL ELSE WILL BE ADDED UNTO YOU—BUT YOU CANNOT CHOOSE **FOR ANOTHER**. HOWEVER, THAT **OTHER** MAY WELL TRY TO DO “YOUR” CHOOSING. BE CAREFUL AND GO WITH THAT WHICH YOU **KNOW TO BE RIGHT**.

Salu and good morning. May the day you create be wondrous.

People nag about knowing where is it safe? You will know where you are to be in God’s placement—for you will be where you are to be! If you pile in upon those who you think to be in security for any reason at all—you will make gross errors for those in my location, for instance, may be destined to physically not make it. Stop moving about and working in FEAR, and start trusting GOD and SELF—AS ATTACHED TO GOD. 

Survival Means Out-Thinking The Crooks In High Places

6/15/98 #1 HATONN

SEERS, PROPHETS AND PUPPY DOG TALES

I am not being sarcastic, readers, there are real things coming down and when you spend your time trying to Pick-a-Prophet in the game of living, you do waste a majority of your time allowed for attending your needs of today while never minding the things to come.

We met yesterday and discussed these things and I ask, did anyone hear anything that I had not told you years ago? Is it confirmation you need? Is it reality you need? Are you hoping to find *someone—anyone*—who will tell you all this chaos is just going to fall away if you just hug your rose-bush and pray real hard—FOR WHAT?

Today you have trouble in India and Pakistan, new troubles in Kosovo and then the OLD troubles are simmering on the stove which has NEVER BEEN TURNED OFF. Now you again have to face the y2k computer stuff. Come now, these are all guerrilla terrorist encounters to one extent or another.

If you think the Banksters are stupid enough to let the banks fail because of a “run”, you are mistaken. You can’t get more cash from any

ZIGGY / By Tom Wilson

bank than just a few small dollars at any one time. If you use much cash—you have to order it in advance and then a report is made. Banks

DO NOT KEEP CASH

on which to have a run! The Big banks are still merging and exchanging and vying for position in the new cashless society, AFTER the changes come down and you—the people don’t have any way to fight back. Killing the local teller will not hurt the banks—

just your chances of surviving.

The old useless fragments of any Constitutional government will fail and that is still set to happen by year two thousand. Further, world corporations are going to do just fine in such a changeover for they are owned by the same Banksters as control the rest of society’s apparent holdings. Do you really think the Banksters are going to allow all that interest on the trillions of dollars of debt to just go away?

I suggest you use your heads for THINKING and not for talking until you sort this mess of possibilities.

Opinions by intelligent people have everything from total disaster and collapse to “nothing” is going to happen. Some just take an average of opinions and come in the middle with “something may happen but only to the OLD systems”—and they are the ones to hear.

The big story goes that in Year Two Thousand the whole world financial system and the connected economies will go down. It is said that everything is so connected that when the first little fragment goes down everything will topple and go

down. That is a remarkably naive assumption. The big pitch is “use my product” and perhaps you won’t go flat like the pancake dough when

Richard Maybury puts it very well indeed:
 “A bug-infested bank could bring the whole world to its knees **only if it stayed connected to the world net and no one did anything about it.**”
 How much do you think it takes to shut down sections of a system? One switch? Two? Sometimes it only takes a local surge of power. The local section is down and without power, but the rest functions just fine until all come back “on-line”. Why do you think you are having massive weather testing? This allows the Big Boys to learn what happens with you—the people under disaster circumstances and how long it takes to get towns and cities back into operation and how many people are prepared to attend themselves. The findings? **Almost NO ONE IS PREPARED FOR ANYTHING—EVEN SUPPER.** That is the concern—**THAT YOU WILL BE PREPARED!**

the entire world financial and political government systems collapse and all starve.

Readers, these systems have check-points wherein if there is a failure in the grid system, only the portion with the problem is shut down—and that is usually only until the connections are cleared and the circuits reopened. And, since the “home offices” are now on satellites, there is not any particular reason to concern over little banks in Podunk having glitches while the major resources continue to function. Therefore, KNOW that whatever is coming down, it is because of **PLANNED ACTION.**

BIGGER PROBLEM

The bigger consideration is this Photon Belt you are IN. There are now solar flares which are bombarding the Earth—along with the planned bombardment of planned activities easily loosed upon you.

When the “remote viewers” do their viewing—they don’t have to look further than this paper for what is going to happen and neither do you. The Photon Belt is a naturally occurring phenomenon, and if you add to that the HAARP pulses, the nuclear bombardment, and the incredible pulses of electricity—the electronics systems of your little network of toys will go down, if not burn out forever.

What is going to hit your world, planned prior to the close of 1999, is going to be magnificently large in electric-particle games. Photons are going to be the most easily utilized weapons.

You are being told that you need to be some thirty feet underground to protect yourselves from heat and radiation. That's a good number. I wonder if you will ever wake up, however, and realize that God and Nature are not the culprits in these organized and orchestrated events.

And, oh yes, the "remote viewers" know all about this because they started out in the military security forces. They KNOW what is available with which to play out there somewhere.

Richard Maybury puts it very well indeed:

"A bug-infested bank could bring the whole world to its knees **only if it stayed connected to the world net and no one did anything about it.**"

How much do you think it takes to shut down sections of a system? One switch? Two? Sometimes it only takes a local surge of power. The local section is down and without power, but the rest functions just fine until all come back "on-line". Why do you think you are having massive weather testing? This allows the Big Boys to learn what happens with you-the-people under disaster circumstances and how long it takes to get towns and cities back into operation and how many people are prepared to attend themselves. The findings? Almost **NO ONE IS PREPARED FOR ANYTHING—EVEN SUPPER.** That is the concern—**THAT YOU**

WILL BE PREPARED!

I hope you realize that the people will be pretty cautious about the possibilities of y2k and will keep pretty good hard records. But more to the point, what happens when the Brokers and Banks close in the market? Does your Social Security system go off-line? Come now.

There is a planned control being run NOW to shut down various systems, and any left remaining untested and updated may well go off-line for a short period of time on December 31, 1999. Then the most important parts of the networks will be started first, and others in order of priorities.

What the mouths are saying is that every system will go down and the end is come. Do you actually think the major communications networks are going to go dead? How fortunate that would be for you mesmerized watchers. **THE ILLUSION OF SHUT-DOWN IS PLANNED TO HAPPEN. THIS IS CALLED "PLANNED CHAOS"** and gives the Big Honchos the chance to grab it all and there will not be one shred of ability for you to recover anything. Even if you have HARD data, there will be the tale that there is nothing—for there will be nothing. Banks hold nothing now; why expect to lose anything then? Federal reserve notes and wire/computer data have nothing to back the notes—what is different, other than everything is then in acknowledged total loss?

Will your government then just be forgiven for debts into the multi-trillions of dollars? No, the banks will simply continue in their already begun foreclosure and take everything hocked to

the World Order—**INCLUDING YOU.**

You can expect that overpriced market to also do what is planned—**CRASH.** I would suggest that you not be **IN THAT MARKET** and the Market may well not wait until Dec. 1999. They can pull off a crash any day now and never blink twice and not have to concern over cover-ups.

Engineers are not stupid lunks, people; every seriously designed critical system has built in back-up so that manual operations can be pulled into play should there be failures in the major computerized systems. These systems get major things running again almost instantly and some things within only a few hours. Example: The valves in your local water treatment plant are computer operated almost everywhere around the country now, but there are hand valves available if problems happen and power shuts off to the computer systems. In crucial systems there are alternatively powered generators which are stop-gap measures which allow for repairs and bigger on-line generators.

And remember something very crucial: **THE NEWSLETTER INVESTOR-WRITERS** are going to sell you a bill of goods and tell you to do this or do that to protect yourselves. There is a goody going around to get into T-bills. T-bills? Aren't those **TREASURY** bills? If the government is down—won't the Treasury be a bit disabled?

There is more planned chaos come November of this year. Haven't you heard about the meteor storm expected? "Small particles" it reads, but able to disable satellites. "Military satellites will be undamaged because of their protective covers, but communications-use satellites will be greatly damaged."

Then what do I suggest? Well, what would be a good thing is to get transferred to independent banks—and "independent" means with **NO CONNECTIONS TO THE FEDERAL OR WORLD NETWORK SYSTEM OF BANKS.**

But there aren't any? Well, there should be and perhaps it is up to you to make sure there **ARE!** If you have money to support a bank—start one—on sovereign Native lands. Back them with gold and set your own standards. If the computer systems to your Federal Reserve moochers go down—you are happily secure in your little space pod. It would also help the Native economy greatly. **WHY DO YOU THINK THE GOVERNMENT IS TRYING SO HARD TO GRAB OFF THOSE "INDIAN" LANDS?** The Natives, in addition, are smart enough not to put all their eggs into one bank and wait for the robbers to show up—they are far more dependable than that sort of silly exchange.

Natives are good trackers and guerrillas to boot. The U.S. city-boy soft military gun-fodder troops can't handle guerrilla warfare. How long do you think a troop of foot soldiers would survive out there in Death Valley or anywhere a Native reservation **LAND-SITE** was considered bad enough to be set aside as a **RESERVATION?**

But you might end up having to share something with these Native Brothers? Good for you! How fortunate if the Lakotas and Dakotas and Hopi just took over the world. Oh yes indeed, **GREAT SPIRIT GRANDFATHER** will certainly give them a very large hand to boost them along. **GOD PLANNED IT THAT WAY!** The Elite's Plan 2000 is piddling to the

CONTEMPT?

A small-town prosecuting attorney called his first witness to the stand in a trial—a grandmotherly, elderly woman. He approached her and asked, "Mrs. Jones, so you know me?" She responded, "Why, yes, I do know you Mr. Williams. When you were a young boy, and, frankly, you've been a big disappointment to me. You lie, you cheat on your wife, you manipulate people and talk about them behind their backs. You think you are a rising big shot when you haven't the brains to realize you never will amount to anything more than a two-bit paper pusher; Yes, I know you."

The lawyer was stunned. Not knowing what else to do, he pointed across the room and asked, "Mrs. Jones, do you know the defense attorney?" She again replied, "Why, yes, I do. I've known Mr. Bradley since he was a youngster, too. I used to baby-sit him for his parents. And he, too, has been a real disappointment to me. He's lazy, bigoted, he has a drinking problem. The man can't build a normal relationship with anyone, and his law practice is one of the shoddiest in the entire state. Yes, I know him."

At this point the Judge rapped the courtroom to silence and called both counselors to the bench. In a very quiet voice, he said with menace, "If either of you ask her if she knows me, you'll be jailed for contempt."

Submitted by: High Noon Hideaway through
THE AMERICAN'S BULLETIN, June 1998.

side of God's Plan 2000.

Will it be survival of the "fittest"? Oh, I don't know—but I plan to be among the fit. How about you? And by the way—those nice UN Peacekeepers will have their hands full in the cities, rather than running about the deserts and hills of rocks on some Native Reservation where the Federal Troops are SWORN TO PROTECT THESE CITIZENS IN THEIR "CARE". If Mr. Wilson sends in the National Guard of California into the Morongo Reservation at Palm Springs—the Federal Troops (Your military) are SUPPOSED TO BE RIGHT THERE TO STOP THEM.

Will they be? Who knows—the computer tracking system will be down—won't it?

Am I sending cryptic messages? Oh indeed! How cryptic do you need, readers? I am suggesting you use your minds for something other than ear spacers. And yes, it IS cryptic but it is not SECRET! Oh my. Well, the only code the enemy couldn't break in WW II was Native American language. Wow, and you have so many Native places to use if you plead for mercy. Would this be a big problem to the Elite? Do you really think the Muckys of Palm Springs are going to go en-masse to the Morongo Reservation? Only the brighter ones, and those are indeed few.

Overseas in enemy territory—you know, Iraq, Libya, et al.—don't even have that limitation of placement problem. Moreover, there are a lot of dollars in those areas because the OIL BUSINESS CAN ONLY BE PAID OFF IN US DOLLARS. Would those people help you in bondage in the US? I don't know—have any of you asked them? No, you are too busy calling them "Hitlers" and "Madmen" and they call you "Evil Empire" and "Madmen". It is hard not to agree that both are quite INSANE. Where would anyone logically go for help? To the ENEMY of your Enemy! Well, the New World Order is NOT YOUR FRIEND and so what does that leave you holding in your "Snipe sack"? Does this mean that I advocate fighting this "New World Order" thing? No—I don't "fight" anything—it never works toward a solution to the problem at hand.

THE NEW AXIS

Just who are the New Axis enemies that keep popping up in the news? Is this some sort of new order or is it something just conjured to use today?

Oh readers, this is a take-off of the Axis powers vs. the Allied powers in the prior line-up of offenders and defenders in your other silly ONE-SIDED WARS. It is easier to think in terms of "Washington's (D.C.) enemies". Those are comprised of just about every "thinking" nation on the globe. The major ones in the running today as to the areas in point are Iran, Iraq, Syria, Libya, North Korea, China, Pakistan, Chechnya, Serbia, Sudan and the Taliban in Afghanistan. But dozens are joining forces as we write—all among the Persian Gulf area countries, and others scattered around the globe with enough strength to take a position without being blown off the map itself. Washington has NO FRIENDS, ONLY ENEMIES WITH VARYING DEGREES OF DESIRE TO SELL YOU OUT TO THE HIGHEST BIDDER. And which is the most IMPORTANT? China of course. China can eat

your lunch in one mouthful.

WHAT ACTUALLY ARE GUERRILLAS?

They are the ones who win wars effectively—against incredible odds of trained military troops.

I would note that you can go back and read about such as Vietnam and find that, no matter how many trained and disciplined troops were sent in, the guerrillas with one or two snipers could gain control. The response was, of course, to literally kill off whole townships of people in the frustration of being unable to actually fight a "regular" war.

Using air power over Vietnam, it took three B-52 bombers and 80 tons of bombs in one stage, to kill ONE enemy. This one enemy needed and had nothing more than a sniper rifle worth around \$300 to keep a whole battalion of Marines tied up for days.

And just how do you think these same Marines would do on the Indian Reservation at Eagle Mountain?

Across the world in Turkey you will find that it is requiring a minimum of 200,000 regular troops to fight only about 1,200 Kurdish guerrillas.

I speak of these things because it is so important that you not feel that just because you are outnumbered in trained Elite participants—you are NOT outnumbered in brothers in the same cause—freedom and security.

As you are hearing more and more about those expected disasters—can you not think and join with those who wish to be prepared? I don't mean in arms and battlefield tactics—I mean in REASONED-OUT POSSIBILITIES. If you know the stores are going to be closed for some reason for a week or so, don't you go and get milk and eggs, some bread and other things for that week? If you don't know but only suspect you COULD have a closure, you can freeze things, or get canned things, even milk, to fill in IF, and do very well. It is the lack of thought and preparation, while the very wolves do the training and thinking, that keeps you helpless. Empower yourselves—and this does not mean get a bunch of guns—empower YOURSELF by accepting responsibility. If you feel you cannot do this for self—then join with those who have the control of selves to lead. But you have to support them for they cannot be all things to all beings. Neither does this mean to go forth and defy the laws of the land, and never does it mean to break the laws of God.

The Elite controllers are cowards. Yes, I said COWARDS. They have to have force to support them, and let us realize that the soldiers they use—end up being children or co-Elite. The mature and "thinking" adult soldier is not going to serve them when the chips are down and choices can be made. Remember, we are talking about

the Elite of some 13 families and less than 3 percent of the population of the world. That leaves a lot of citizens to be on YOUR SIDE.

I would leave this now for I don't wish to linger today in view of yesterday's heavy load. Begin, however, to risk a bit and step out there and consider your possibilities and take a bit of time and effort to see where you can make your place a bit more safe and your assets a bit more secure. I urge you not to wait until the fat catches fire to consider the possibilities—after the curtains are alight. You don't need to wait for me to speak or someone to drag you in—you set up some meetings and begin to see what you might, as a unified group, accomplish. You don't need to be an official club or group—just a community setting of people you already know. Others will come and share when they see that you are reasonable, reliable and good citizens just hoping to create a better way.

Am "I" concerned about computer shut-downs and banking failures? No, I am not. We plan other alternatives if we are in need of such services. It requires large and great thinking, and then go create and get what you need to support the better plans. Planning doesn't take money—but it takes the "knowing" that you can get it, doesn't it? When will you learn to trust that Higher Power within self—that has that connection with God? You ask for what you need as HE sees your need, and the call compels the answer. However if you do not expect to receive for your needs—count on it; it won't show up.

I just wanted to leave you with these thoughts as a parting offer for this week—let us see if we can think outside the ordinary lines of the trained seals and sheep flock.

Salu, and know that God blesses your thoughts as shared in goodness—and will see to it that those thoughts are made manifest. But you must put aside your "trained" mental traps and open your mind to God's input. See and Hear and then, KNOW. 

ZIGGY / By Tom Wilson

Latest New Releases

Rise Of Antichrist Vols. 1-4

THERE IS NOTHING THAT THE INTERNATIONAL JEW FEARS SO MUCH AS THE TRUTH, OR ANY HINT OF THE TRUTH ABOUT HIMSELF OR HIS PLANS. AND, AFTER ALL, THE ROCK OF REFUGE AND DEFENSE, THE FOUNDATION OF ENDURANCE FOR JEW OR GENTILE MUST BE THE TRUTH.

THERE ARE MANY WAYS TO CHANGE THIS CIRCUMSTANCE UPON YOUR WORLD AND TURN ABOUT INTO GOODNESS—BUT YOU MUST FIRST *LEARN AND KNOW WHAT IS THE FUNDAMENTAL TROUBLE OR WRONG INVOLVED*. ONLY THEN CAN YOU “FIX” THAT WHICH IS BROKEN OR CORRECT THAT WHICH IS WRONG.

RISE OF ANTICHRIST

—VOL. 1

\$6.00 198 Pages #227

I would like the next series of Journals to be listed as *RISE OF ANTICHRIST*.

What will I use to kick off this next information? Some Essays on Antichrist as offered by Rev. Charles E. Coughlin. If you know of him, fine; if not, never mind. He served well, he understood, and he can have what rest can be gained by his work's purpose and his alliance with God. You will NOT find this book available anywhere, probably, so don't waste your time searching. This was sent to us to assist Dharma in her own work, by excellent summarizing which gives YOU published backup and confirmation. Is it not

amazing how “when the student is ready, the teacher appears”? And, isn't it wondrous that when we are ready to begin a new and touchy topic—the information flows like a fountain from the mountain?

Some topics:

- Killers Of Women And Children!
- Sananda: It Is Time To Awaken From The Lie
- Vatican III Quickly Needed
- War In The Heavens
- War On Earth
- The Militiamen
- The Mystical Body Of Satan In Action
- Bill Clinton And The Rockefeller
- Jerry Falwell, Christian?

RISE OF ANTICHRIST

—VOL. 2

\$6.00 207 Pages #228

This Journal concludes the Rise Of Antichrist Essays begun in Vol. 1 of this series and introduces a 3-part series entitled Plot and Plotters, Anti-Gentilism. Also in this Journal we begin the series entitled GLOBAL PARASITES—reprinting the information presented in *The Dearborn Independent* in the 1920s entitled The International Jew.

Some Topics:

- The Great Betrayal
- The Jew In Character And Business
- Jewish History In The United States
- The Last Ends Of Masonry

RISE OF ANTICHRIST

—VOL. 3

\$6.00 201 Pages #229

In this Journal we continue the series entitled GLOBAL PARASITES [Parts 7-14]—reprinting the information presented in *The Dearborn Independent* in the 1920s entitled The International Jew and other related topics.

Some Topics:

- Vince Foster; More Zipper Update?
- Princess Di
- Anti-Semitism—Will It Appear In The U.S.?
- Patriot Groups And Biological Agents
- Jewish Question Breaks Into The Magazines
- Clinton Hoodwinked On Iraq Disinformation Campaign By Mossad
- Arthur Brisbane Leaps To The Help Of Jewry
- Does A Definite Jewish World Program Exist?

RISE OF ANTICHRIST

—VOL. 4

\$6.00 227 Pages #230

In this Journal we continue the series entitled GLOBAL PARASITES [Part 15-24]—reprinting the information presented in *The Dearborn Independent* in the 1920s entitled The International Jew.

Some Topics:

- “Jewish” Plan To Split Society By “Ideas”
- Did The Jews Foresee The World Wars
- “When Prophets Speak”
- Is The Jewish “Kahal” The Modern “Soviet”?
- How The “Jewish” Question Touches The Farm
- Does Jewish Power Control The World Press?
- Does This Explain Jewish Political Power?
- The All-Jewish Mark On “Red Russia”
- Jewish Testimony In Favor Of Bolshevism

RISE OF ANTICHRIST

A Series

AVAILABLE NOW!

BY
GYEORGOS CERES HATONN
A PHOENIX JOURNAL

Why don't the Jewish controllers make a big play for shutting down such as CONTACT and these Journals? One major reason is that there have been so many years of publicity on their activities via these routes that any assault NOW would end up with worldwide attention to the work in progress, namely, giving away their secret PLANS. A major court confrontation would undo THEM, not us, this time.

—HATONN

TELEPHONE HOTLINE 805-822-0202

As an adjunct to *CONTACT*, the Telephone Hotline keeps you as informed as possible on current events and other important information that needs to get to our subscribers before our publishing date.

The message machine will answer after 2 rings if there are any new messages for that day, and after 4 rings if not. Thus *daily* callers can hang up after 2 rings and save toll charges if no new message has been recorded. If the Hotline does not answer your call, then that means there is currently no Hotline message.
