TO CAUSE YOU TO BELIEVE ABDUCTIONS WILL COME FROM SPACE BRETHREN--PLEASE HEAR THIS AS WARNING:

As you observe the ridiculous nonsense going on within your halls of Congress--please do not think it is unintentional. There are so many thrusts projected that it is mere sleight of hand to deceive you. The SHADOW GOVERNMENT is set forth now, to get everything and more, than the first foolish document brought within their clutches. What is happening now is a great intent to unseat as many incumbents as possible--however, any "Democrat" on the administration's side of the issue will be preserved if possible. Otherwise, the "leaks" of bribes, etc. (true or false) are for the intent of getting the people to retire the old line Democrats and vote in the opposition which will then give the administration voting power over the Congress. The Elite have set it up to win either way! You are headed for a New World Order and you are headed there very quickly--it is up to you to act.

LIBERTY LOBBY MATERIAL

Rather, Dharma, than to randomly thrust information upon you, allow us to present that which is already coming forth so that there is guidance as to where and how to come together to STOP the wave of this consuming beast. There are some things in the following material with which I do not fully agree; however, it is material upon which you can take action in a positive manner.

To conserve space I ask that this not be set into indention. I will tell you where the quote begins and when it ends:

QUOTE: ARE YOU READY FOR A "NEW WORLD ORDER"?

Although President George Bush, his hand on the Bible, swore on January 20, 1989 to "preserve, protect and defend the Constitution of the United States," he now leads the chorus for a "new world order".

Joining the chorus are Soviet leader Gorbachev and his foreign minister Shevardnadze, Dan Rather of CBS, Abe Rosenthal of the N.Y. Times, "conservative" chameleons like Wm. F. Buckley Jr., and Newt Gingrich (R-Ga.) and every liberal, leftist, Zionist and Trilateralist in the world.

For many years patriots have warned their fellow Americans that the conspiracy to destroy American sovereignty would culminate in a new world order, more often referred to as WORLD GOVERNMENT.

Patriots who sounded this far-sighted alarm years ago were either ignored or called "paranoid" or "extremist" or worse.

Now who's crazy? And who is selling out America?

Treason doth never prosper, what's the reason? Why, if it prosper, none dare call it treason.
President Bush, under the cover of what he calls "national defense" to "protect" us from a dictator he supported up to a few weeks ago, has unconstitutionally deployed at least 180,000 troops in the Saudi desert plus numberless ships, planes, tanks, guns, rockets, poison gas, explosives and deadly bacteriological weapons. A devastating holocaust could break out at any moment, with thousands of young Americans killed and maimed for life—for absolutely nothing of value.

Diplomatically, Bush has shamed America by alllying us with filthy scum, such as Hafez al-Assad, the murderous, corrupt dictator of Syria, and with the multi-billionaire oligarchy of Saudi Arabia, as well as the terrorist government of Israel and the ambitious of dotty British imperialists.

The conclusion is clear but sad. Bush and his Israeli-Trilateralist backers are now moving to install a garrison state in place of our Constitutional Republic, with all reins of government in the hands of their obsequious menials... like George Bush.

And to give himself and his mattock controllers a shred of reason, Bush calls his illegal usurpation of power his "new world order".

WILL YOU ROLL OVER AND PLAY DEAD?

Or is the Establishment going to have to drag you, kicking and screaming, into their "new world order"?

Syndicated columnist Pat Buchanan is one of the few prominent voices to say "NO" to their "new world order." He's fighting. He's kicking. He's screaming. (Hatonn: Unfortunately—not very hard any longer.)

Buchanan summarized it best when he wrote:

"The Trilateralist Council on Foreign Relations; the Wall Street-Big-Business elite; the neo-conservative intellectuals who dominate the think tanks and the op-Ed pages; the Old Left; with its one-world, collective security United Nations uper alles dream: All have come together behind the 'new world order'; But out there, trying to break through, is the old authentic voice of American patriotism, or nationalivism, of America First, saying, 'Hell no, we won't go.'"

Pat's right. We're not going!

That's why LIBERTY LOBBY is ready to fight.

Time is short. There's a lot to do before it's too late.

Unfortunately, not everybody reads The SPOTLIGHT (OR THE PHOENIX JOURNALS). So they don't know what is really going on. But one thing is sure...

We've already got the American public on our side, if they ever knew it. Trouble is, they sure are being brainwashed by the Establishment media, which treats Bush's illegal intervention and his "new world order" blabberings as worthy of respect.

Weird, but true: We've already got the American public on our side, if they ever knew it. Trouble is, they sure are being brainwashed by the Establishment media, which treats Bush's illegal intervention and his "new world order" blabberings as worthy of respect.

HERE IS WHAT YOU CAN DO

* Spread the word. You know the facts from this letter and the SPOTLIGHT AND THE JOURNALS WITH EXPRESSES.

* Call radio talk shows. Write letters to newspapers. Tell the public what Bush can do with his "new world order".

* Make a contribution of size. * Call your congressmen and two senators and tell them the same. Try the free number direct to Capitol Hill: 1-800-852-3446.

* BUY GIFT SUBSCRIPTIONS TO THE SPOTLIGHT, THE PHOENIX EXPRESS AND THE PHOENIX JOURNALS FOR YOUR FRIENDS, RELATIVES, ASSOCIATES AND LOCAL LIBRARY--DEMAND THAT THEY BE PLACED IN THE PUBLIC LIBRARIES. AND IF YOUR OWN SUBSCRIPTION IS COMING UP FOR RENEWAL, RENEW NOW!

* Make a contribution of service or whatever you have to offer, to these workers in behalf of America's Freedom. (Hatonn: In the case of Phoenix Institute, these contributions of "size" can be invested in precious metals and used as collateral--giving you a personal win/win position, whereby you can contribute and have your gold too! Contact America West.) The funds will be used to spread the word through newspaper ads, radio shows and mailings to millions of patriots in America.

* In short, do what you can to alert the country to the conspiracy to destroy our national sovereignty in a bottomless pit of international corruption. Remember,

YOUR INFLUENCE COUNTS...

USE IT!

PRESIDENT BUSH AND HIS 'NEW WORLD ORDER'

Say it once. Say it twice. Say it three times. "NEW WORLD ORDER," you might as well say it since you're going to be hearing a lot about it in the days to come. It's nothing new. The world-improvers have been working on it for a long time but they've never admitted it publicly before. Now, the

CAT'S OUT OF THE BAG and you can thank your conservative Republican president and his
chorus of yes-men for it.

In his book, \textit{THE WORLD CONSPIRACY}, author Nicola M. Nicolov describes this old conspiracy and succeeds very well. The evidence proving a plot to impose world government is there and it cannot be denied. (Hatonn: Many authors, in addition, such as Antony Sutton, The Phoenix Journals, etc., have detailed this plan in infinite outlay. Please go and research for self to KNOW truth.)

To usher in this "new world order" a good war is needed. Well, not exactly a good war, any old war. And the war that Bush and his superiors have fashioned is war enough. It's a lousy war, and no war aims that will stand up to examination—which is exactly what the rest of the media are making sure of. But let's examine what this war is all about and what not to expect from it—and what not to expect from it.

Like all wars this country has been slicked into since the Civil War, it is presented as a do-good-for-others war with no thought whatsoever being given to the advantages supposed to flow for us. Isn't the world mission for the internationalists to improve the lot of everyone else while ignoring the problems at home? But...

\textbf{JUST TO BE DIFFERENT}

let's examine all of the magnificent results to be logically expected for the Great American Suckers who are expected to fight and pay for Mr. Bush's war. Let us look at things—for a change—from the standpoint of the interests of the American nation and the people who inhabit it, not the interests of the Israelis, the British, the Arabian oligarchs, the international oil companies and bankers. We realize this is a unique outlook, but let's make a stab at it.

Let us ask some questions, very specific. Let us consider the major and vital issues facing the American people—which happen to be exactly the issues the politicians \textbf{WISH TO AVOID}:

\begin{itemize}
  \item Will Mr. Bush's war lower Fed-er-al spending?
  \item Will it lower taxes?
  \item Will it lower the Federal budget?
  \item Will it decrease the size and power of the meddling and wasteful Federal bureaucracy, including such freedom-expanding and helpful agencies as the IRS, FDA and CIA? \textbf{* Will it diminish political corruption? *}
  \item Will it lower the interest burden?
  \item Will it fight inflation?
  \item Will it lower the price of gas, Diesel, heating oil, etc?
  \item Will it fight the drug plague?
  \item Will it make it safe for people in cities to walk the streets again without being mugged or killed?
  \item Will it help to uncover the crooks who perpetrated the S&L scam of \$500 BILLION or so? \textbf{* Will it aid the American farmer or wage-earner or retired worker or the homeless and destitute? *}
  \item Will it clean up our slums, fix up our highways, provide cheap public transportation and give the unemployed honest labor producing for society instead of the waste of war?
  \item Will it clean up our smutty media and entertainment? Will it replace pornography with art? *Will it improve or even serve to maintain your quality of life in any way unless you are of a favored class of profiteers or own an oil well? * \textbf{THE ANSWERS TO THESE QUESTIONS}
\end{itemize}

are evident by asking them. War always increases the size and power of the government. It always enriches the sleazy profiteers and tends to keep the politicians in office. It always diverts the attention of the public from the real issues, centering their ardor on unattainable chimeras and will-the-wisp rhetorical flourishes, a sure and certain recipe for domestic disaster. And in this case, the worst chimera of all is the new world order of the international mattsoids, carefully designed to separate the American people not only from their money and their blood but also their Constitution, because what we are talking about is world government, nothing less.

It wasn't too long ago when the conservatives of America were often heard sounding their opposition to the socialist, leftist world planners who made the mis-

\textbf{take of actually saying what they meant. When they said they were for world government, they made no effort to hide it. But the conservatives and libertarians now working for world government are not that frank. They are only working for free trade, a world money transfer system without any encumbrances, the letting down of all immigration barriers, the elimination of passports, even an international money system, and they profess not to understand that the culmination of their desires would result in the end of American sovereignty, the Constitution and everything identifiable as American. Can they really be that stupid? Or do they just expect the American people to be stupid enough to swallow the bait?}

\textbf{THIS IS A FIGHT}

for American sovereignty, you can be certain of that. Loss of sovereignty means loss of everything Americans have built; it is repudiation of every American who has died for his country—as certain a repudiation as this government now gives to the many POW's and MIA's lost in Korea and Vietnam—and the ones who will certainly be lost, forgotten and repudiated in the war Mr. Bush is trying so hard to get started. (Remember that in case you're thinking of enlisting.)

As Theodore Roosevelt said, real patriotism consists of speaking the right and doing what is right, even if the president and the Trilateralist/Israeli lobby don't like it.

\textbf{IT'S TIME TO SPEAK UP. END QUOTES.}

\textbf{****}

I, Hatonn, can only urge you to take these things within thine hearts and hear the fading beat of the drum of freedom. You are on the brink of losing your very Sovereignty as a Nation of the United States of America!

I can add nothing to these urgent messages which can be more pointed or thought provoking. I can only tell you that they tell less than the half of it.

If you still need some confirmation
regarding this subject, I shall just reprint from a couple of Telefax's sent to us from the Associated Press International. Sometimes truth is hidden in the projections and at least give you a good idea of what is being hidden from you. For everything printed, 99% is kept from you--YOU HAVE NO FREEDOM OF SPEECH!

QUOTE: HUNTSVILLE TIMES, 10/17/90:

SENATORS PUSH AID FOR ISRAEL: BENEFITS HIDDEN IN MONEY BILLS.

WASHINGTON--Two money bills being pushed through in the waning days of Congress have been stuffed with benefits for Israel that could be worth hundreds of millions of dollars, with virtually no public debate.

More than a dozen provisions, most initiated by Sen. Daniel Inouye, D-Hawaii, and Sen. Robert Kasten, R-Wis., have been tucked away in bills appropriating money for the Pentagon and for foreign aid in the fiscal year that began Oct. 1.

Inouye chairs the Appropriations defense subcommittee, and Kasten is the senior Republican on the foreign aid subcommittee.

Ranging from a $15 MILLION refurbishing of Israel's port at Haifa to a new $180 MILLION strategic petroleum reserve in Israel, the benefits apparently are intended to counterbalance Bush administration gestures to two Arab countries, Egypt and Saudi Arabia.

President Bush is seeking to forgive $6.7 BILLION in military debts Egypt owes the United States, and has sought congressional permission to sell $7.5 BILLION in weapons to the Saudis, with another $14 BILLION expected to be requested in January.

Those moves, intended to reward both countries for their cooperation in the Persian Gulf crisis, have raised worries among Israel's supporters that the United States might be tilting away from its closest ally in the Middle East.

At the same time, Israeli officials have appealed to the United States for additional aid to offset the increased costs of keeping military forces on high alert. The increased activities, including keeping planes in the air, will cost Israel an additional $1 BILLION this year, officials say.

Supporters of Israel are pointing to bellicose statements against their country by Iraqi President Saddam Hussein. They also are reminding the United States of its promise to maintain Israel's "qualitative edge" in regional military might.

Israel, with $3 BILLION in DIRECT CASH AID EACH YEAR, already is the leading foreign recipient of American largess. "They know our budget better than we do," one aide said of the pro-Israel lobby.

Among the bills' new provisions:
* Making Israeli firms eligible for contracts under the Pentagon's $200 million-plus Overseas Workload Program, which provides for local service and maintenance of military facilities and equipment.

The defense bill directs the Pentagon "to identify and develop new specialized capabilities in depot maintenance and repair in Israel" and says Israel may have the inside track on maintaining U.S. F-15 fighter planes and converting 400 F-4 aircraft to drones.

* Giving Israel, along with Turkey, first choice of excess defense equipment no longer needed by the Pentagon, potentially including large items like aircraft.

* Establishing a 4.5 million-barrel strategic petroleum reserve in Israel, valued at about $180 million, to which Israel could have access "in the event of a wartime emergency or a state of heightened military readiness."

* Positioning an additional $200 million in U.S. military stockpiles in Israel.

* About $42 million to continue the development of Israel's Arrow anti-tactical ballistic missile, and a recommendation to buy Israel's Shaldag fast patrol boats for the Navy's SEAL special operations force.

In the foreign aid bill now pending on the Senate floor, Israel also would get permission to use up to $200 MILLION of its $1.2 BILLION in economic aid for military purposes as long as the Persian Gulf crisis continues.

That bill also would provide that Israel receive $1.7 BILLION of its $1.8 BILLION in military aid within 30 days of beginning of the fiscal year. That means the United States would have to BORROW THE MONEY AND GIVE IT TO ISRAEL TO REINVEST, EARNING ABOUT $60 MILLION EXTRA FOR TEL AVIV IN INTEREST.

The bill also would give Israel access to $100 million IN NEW BUYING POWER FOR DEFENSE ITEMS.

END QUOTE.

So be it, for as you sleep the foxes are eating your hens!

Now, if the next doesn't make you throw up, I can't imagine what will cause you ones to rise up and pay attention. Can it be that the citizens of this world are so easily gullible to lies?

QUOTE: SAME PAPER, ASSOCIATED PRESS, OCT. 16, 1990. (Hatton: Let me assure you there is a reason this would run in a "Huntsville Times". You will not see such a document, uncut and untampered from the AP in Establishment publications, UNLESS it is to give misin-
5,000 ARABS LIVE IN JERUSALEM VILLAGE:

Jerusalem . . . Abdallah Hsein, a bearded auto mechanic, is not afraid of an Iraqi chemical attack. God, he says, will decide if he lives or dies.

Yet, like most of the 5,000 Arabs in the south Jerusalem village of Beit Tsafafa, he stood in line to get his gas mask on Monday, the first day of nationwide distribution of the protective kits.

Handing out the masks to Palestinians points up the contradictions the Israeli army faces in dealing with Arabs in Jerusalem.

The government considers the residents of Beit Tsafafa to be Israeli citizens, but many see themselves as enemies of the Jewish state. Some youngsters receiving the masks in the Arab village said they’d been tear-gassed by the army for stoning soldiers.

The government decided "earlier this month" to hand out the masks to Israel’s 4.7 million citizens in case Iraqi President Saddam Hussein makes good on this threats to attack Israel with chemical weapons. (Hatonn: You good Americans paid for those masks—where are yours?)

Last week, the army tested its distribution network in three small Jewish towns. On Monday, it opened some 400 stations throughout Israel, hoping to distribute two million masks by the end of the week.

Residents of Beit Tsafafa trickled into a community center to be among the first Arabs to get the masks.

A half-dozen paramilitary border police armed with M-16 assault rifles and clubs were on guard—a sign that not all is peaceful in Beit Tsafafa.

Some houses, half-hidden amid dusty olive trees, flew black flags from rooftops in mourning for the 19 Arabs killed by police on the sacred Temple Mount in Jerusalem on Oct. 8.

"The killing won’t go without revenge," said Hsein, the mechanic who lined up for a mask. "I don’t think any relative of those harmed in the attack will be satisfied by getting a gas mask."

For Hsein, getting the mask is proving a point: "Our right as Arabs who are living in Israel and paying taxes."

The Arabs of Beit Tsafafa are an acute double loyalty case. Until Israel captured the Arab sector of Jerusalem in 1967, the border that divided the city divided the village. One quarter was Israeli, the rest Jordanian.

Today, many of the villagers support Saddam. The village has lost people in the nearly three-year Palestinian uprising against Israeli rule.

"Saddam, O hero, strike with chemicals," a cluster of children defiantly sang into the microphone of an Israeli army radio reporter outside the gas mask distribution center. A boy waved a toy pistol.

A lieutenant-colonel, speaking for the army on condition of anonymity, said Israel feels itself responsible for its entire population, he said, and is buying extra gas masks for the 1.7 million Palestinians in the occupied West Bank and Gaza Strip. (Oh GAG!)

In the occupied territories—unlike in Arab sectors of Jerusalem—Palestinians will have TO BUY THE GAS MASKS.

Rabiba Alayan, a smiling, dark-haired secretary who lined up for masks, said she was not afraid of a chemical attack. If it comes and "somebody remains on the earth after that," she said, "it may change the situation in the area, make things better."

Mrs. Alayan came to the center only because of her three children.

Dozens of children and adults were trying on the masks and listening to Arab instructors as uniformed army officials handed out boxes with protective kits.

Hsein was unimpressed: "I think these masks will not be good against Saddam’s chemicals," he said. "Even if Saddam attacks with chemical arms, I’m not afraid. There is God and He decides if I live or die."

I REMIND YOU ONES: THE PLAN IS FOR ISRAEL TO UTILIZE CHEMICALS ON THE ENTIRE AREA IN ORDER TO WIPE OUT THE PALESTINIAN "PROBLEM". THEY ARE SETTING IT UP RIGHT IN FRONT OF YOUR EYES AND YOU CONTINUE TO ACCUSE SADDAH OF SATANIC INTENT—NO, NO, NO—THE COVER-UP OF ACCUSATIONS IS TO HIDE THE TRUTH OF THE INCIDENT. PLEASE HEAR AND HEED TRUTH!

HEADLINE:

"THE SIX TRILLION DOLLAR DEBT ICEBERG: A REVIEW OF THE GOVERNMENTS RISK EXPOSURE"

Let’s try again for attention in your economy. In June, 1990, the Backgrounder, published by the Heritage Foundation, gave you the above headline. They point out that in nominal dollars, World War II cost less than the S&L bailout. But this is just a $300 to $500 BILLION problem. The total financial obligations of agencies underwritten by the United States Federal Government is now some $5.8 TRILLION, and much of that obligation is in bad shape. Backgrounder added that "the government’s total risk exposure of nearly $6 TRILLION is more than twice the national debt held
$6 TRILLION WORTH OF RISK EXPOSURE:

1. Deposit Insurance. The FDIC now insures $1.8 trillion of deposits at commercial banks and the national Credit Union Administration backs $116 billion in credit union deposits. Add to this nearly $960 billion in Savings and Loan deposits and total guarantees amounting to $2.9 trillion by the end of fiscal 1989.

2. Loans and Guarantees. If you add up the Veterans Administration VA) and Federal Housing Administration (FHA) mortages, the government is guaranteeing an additional $48 billion--bringing the total of the governments liability in loan and deposit guarantees to nearly $3.5 trillion by the end of fiscal 1988.

3. Pension Programs. It is estimated that the government's liability in this area runs over 8 $819 billion for 1989.

4. Direct Loan Programs. These include Export-Import Bank, the Small Business Administration, College Housing, and the Rural Telephone Bank. This outstanding portfolio adds up to $207 billion at the end of the fiscal year 1989.

5. Government Sponsored Enterprises. GSE's are technically private organizations, but in practice, they are treated as extensions of the Federal Government. GSE stands for Government Sponsored Enterprise. An example would be the Federal National Mortgage Association (FNMA) which has $110 billion in mortgage loans and has guaranteed another $208 billion in outstanding mortgage-backed securities by the end of 1989. Collectively, the top five government-sponsored enterprises had an outstanding debt obligation of $763 billion at the end of 1989 and are the fastest-growing source of all Federal credit exposure.

Regardless of that which you are told--these will be bailed out by you the public as they fall--for as long as there are assets. As of June, "The total financial obligations of agencies, such as above, have costs of $8.8 trillion, and much of that obligation is in bad, bad shape!"

I was asked to include the above in the Express for your confirmation as we have recently written about these items. Ones, as they read the Journals and the Expresses, are beginning to share public documentation of our statements--for your confirmation. I make no conclusion as to quality or accuracy of published data other than from self, for which statements I stand fully responsible. However, there continues to be controversy regarding Haton's validation and therefore, it might help for you ones to see your own Earth projections.

WASHINGTON--Evidence has surfaced that the CIA bilked 22 savings and loan banks of millions of dollars and diverted the profits to the anti-Nicaraguan contras during a ban on such aid.

The banks, 16 of them in Texas, are now bankrupt, part of the S&L crisis that will cost U.S. taxpayers as much as $300 billion (and more) in bailouts. Just uncovering the federally-insured deposits of the 22 CIA-connected banks will cost an estimated minimum $13.1 billion.

Those are findings of an exposure on the S&L crisis last Sunday by Houston Post staffwriter Pete Brewton, who reported "numerous links between organized crime figures and CIA operatives, including some involved in gun running, drug smuggling, money laundering and covert aid to the Nicaraguan contras."

The Post cited court documents, sworn testimony, law enforcement records and interviews with key government investigators gathered during an eight-month investigation. It concludes that the CIA "used part of the funds from S&L fraud to help pay for covert operations. That Congress was unwilling to support publicly."

PLEASE NOTE THE DATELINE: FEBRUARY 7, 1990--THAT WAS BEFORE THE PUBLIC HEARINGS, ETC., ON ONES SUCH AS NEIL BUSH--I HOPE THIS SHOCKS YOU APPROPRIATELY!

President Bush's son, Neil, was a director of one of the CIA-connected banks, Silverado Savings of Denver, that will cost taxpayers $1 billion in bailouts, alone.

The article charged that the CIA "has intervened in criminal investigations involving agency operatives accused of S&L fraud and may be at least partly responsible for the fact that a substantial amount of suspected fraud has gone unpunished."

U.S. Justice Department prosecutor Lloyd Monroe told the Post that federal agencies assigned to investigate the S&L crisis "are being precluded from investigating wrongdoing that is possibly being conducted in the name of national security." It seems clear that President Bush has a strong motive for suppressing a scandal that could link his son to S&L-CIA aid to the contras.

In 1988 Monroe prosecuted reputed underworld figure Mario Renda, who later pleaded guilty to bank fraud. At the time, Monroe told the Post he was convinced that the CIA either masterminded or condoned a certain amount of S&L fraud.

Sunday's article pinpoints the
case of Robert L. Corson, chief of the now-defunct Vision Banc Savings in Kingsville, Texas, who helped St. Joe Paper sell 21,000 acres of prime Gulf Coast property for $200 million to a consortium of investors "that included several organized crime figures and CIA operatives." But only $58 million of the profits went to St. Joe while $7 million was channeled to a company "tied to narcotics smugglers and drug money launderers in the Isle of Jersey" off the coast of England.

Corson received $3 million in kickbacks in the sale. That same year Corson rolled up $150,000 in gambling debts, spent $250,000 for a speed boat and $100,000 for thoroughbred horses. After Vision Banc Savings went bankrupt Corson fled to San Diego, where he is living in a luxurious beachfront house.

Other insolvent S&L's linked to the CIA include Sunbelt Savings, $2 billion in taxpayer bailouts; 1st Financial Savings of Pennsylvania, $1.9 billion; and Lamar Savings of Austin, Tex. $1 billion in bailouts.

Central America solidarity groups reacted with anger. "We uncovered many similar illegal activities in our investigation of the Iran-contra scandal," said Rick Emrick, spokesperson for the Christic Institute. "If the public was not incensed by the Iran-contra hearings, perhaps they will be incensed to learn how much these covert operations are costing them in their pocketbooks.'

Bob Green, a spokesperson for Nicaragua Network said, "This is just one more example of how low the Reagan-Bush administration would stoop in their genocidal war against the Nicaraguan people. The evidence linking the White House and Oliver North to drug trafficking, gun-running and money laundering is overwhelming. In a nation that really cared about fighting the drug plague, people would be up in arms about these disclosures. It would be on the front page of the New York Times."

How can it happen in America? Dear ones, let us take one hard-to-believe and incredible situation at a time. When I tell you HOW this can be with the individuals, I MUST HAVE YOUR TRUST! You cannot know how deep the subterfuge and lies go within the very physical, human fiber of ones involved, nor would you be able to read without accusing Hatonn of lies. If I write it herein--we will await the time of trusting and then it shall all be revealed. At this point, however, you must stand and face that which is upon you and further distracters are not helpful. You can change these things if you will work together within your Constitution--that is where it must begin and then, and only then, can you come into understanding of the other that will be given unto you.

FIRST: You must understand the terms Zionists and Khazars. STOP pulling anti-Semitic nonsense on speakers. I ask that my "INTRODUCTION" in THE MOSSAD CONNECTION, now in press, be appended hereto or in the next available Express. If you cannot understand history and the lies; you cannot change of the direction planned for you of Earth. May God allow of your understanding for you are in grave, grave circumstance!

Dharma, allow us a rest please and we can check as to how much further space we have for writing. Thank you, chela, for your service. I withdraw to stand-by in salute unto that which you ones are doing in this time of danger and threat. God shall be thine shields if you will but ask. Salu--Hatonn to stand-by.

Post script: In reference to "Mossad": Mossad is the secret Israeli spy organization.

I suggest for confirmation of events which I have previously outlined for you and so you might better understand that which I shall be giving forth, please read BY WAY OF DECEPTION, by Victor Ostrovsky and Claire Hoy. It can be obtained through America West Publishers or possibly in your libraries (efforts have been to ban the book from publication and distribution). OR--YOU CAN WAIT AND TAKE MY WORD FOR THE TRUTH OF IT. Ostrovsky, however, was a "kidon" (member of an 'assassination unit') and became a "katsa" (intelligence case officer). If nothing else, you will find the truth most discomforting indeed. SALU!
